### **TITLE II.—INCOME TAX.**

#### **PART I.—GENERAL PROVISIONS.**

##### **DEFINITIONS.**

SEC. 200. That when used in this title—

(1) The term "taxable year" means the calendar year, or the fiscal year ending during such calendar year, upon the basis of which the net income is computed under section 212 or section 232. The term "fiscal year" means an accounting period of twelve months ending on the last day of any month other than December. The first taxable year, to be called the taxable year 1921, shall be the

calendar year 1921 or any fiscal year ending during the calendar year 1921;

(4) The term "paid," for the purposes of the deductions and credits under this title, means "paid or accrued" or "paid or incurred," and the terms "paid or incurred" and "paid or accrued" shall be construed according to the method of accounting upon the basis of which the net income is computed under section 212; and

(5) The term "personal service corporation" means a corporation whose income is to be ascribed primarily to the activities of the principal owners or stockholders who are themselves regularly engaged in the active conduct of the affairs of the corporation and in which capital (whether invested or borrowed) is not a material income-producing factor; but does not include any foreign corporation, nor any corporation 50 per centum or more of whose gross income consists either (1) of gains, profits, or income derived from trading as a principal, or (2) of gains, profits, commissions, or other income, derived from a Government contract or contracts made between April 6, 1917, and November 11, 1918, both dates inclusive.

#### DIVIDENDS.

SEC. 201. (a) That the term "dividend" when used in this title (except in paragraph (10) of subdivision (a) of section 234 and paragraph (4) of subdivision (a) of section 245) means any distribution made by a corporation to its shareholders or members, whether in cash or in other property, out of its earnings or profits accumulated since February 28, 1913, except a distribution made by a personal service corporation out of earnings or profits accumulated since December 31, 1917, and prior to January 1, 1922.

(b) For the purposes of this Act every distribution is made out of earnings or profits, and from the most recently accumulated earnings or profits, to the extent of such earnings or profits accumulated since February 28, 1913; but any earnings or profits accumulated or increase in value of property accrued prior to March 1, 1913, may be distributed exempt from the tax, after the earnings and profits accumulated since February 28, 1913, have been distributed. If any such tax-free distribution has been made the distributee shall not be allowed as a deduction from gross income any loss sustained from the sale or other disposition of his stock or shares unless, and then only to the extent that, the basis provided in section 202 exceeds the sum of (1) the amount realized from the sale or other disposition of such stock or shares, and (2) the aggregate amount of such distributions received by him thereon.

(c) Any distribution (whether in cash or other property) made by a corporation to its shareholders or members otherwise than out of (1) earnings or profits accumulated since February 28, 1913, or (2) earnings or profits accumulated or increase in value of property accrued prior to March 1, 1913, shall be applied against and reduce the basis provided in section 202 for the purpose of ascertaining the gain derived or the loss sustained from the sale or other disposition of the stock or shares by the distributee.

(d) A stock dividend shall not be subject to tax but if after the distribution of any such dividend the corporation proceeds to cancel or redeem its stock at such time and in such manner as to make the

distribution and cancellation or redemption essentially equivalent to the distribution of a taxable dividend, the amount received in redemption or cancellation of the stock shall be treated as a taxable dividend to the extent of the earnings or profits accumulated by such corporation after February 28, 1913.

(e) For the purposes of this Act, a taxable distribution made by a corporation to its shareholders or members shall be included in the gross income of the distributees as of the date when the cash or other property is unqualifiedly made subject to their demands.

(f) Any distribution made during the first sixty days of any taxable year shall be deemed to have been made from earnings or profits accumulated during preceding taxable years; but any distribution made during the remainder of the taxable year shall be deemed to have been made from earnings or profits accumulated between the close of the preceding taxable year and the date of distribution, to the extent of such earnings or profits, and if the books of the corporation do not show the amount of such earnings or profits, the earnings or profits for the accounting period within which the distribution was made shall be deemed to have been accumulated ratably during such period. This subdivision shall not be in effect after December 31, 1921.

#### BASIS FOR DETERMINING GAIN OR LOSS.

SEC. 202. (a) That the basis for ascertaining the gain derived or loss sustained from a sale or other disposition of property, real, personal, or mixed, acquired after February 28, 1913, shall be the cost of such property; except that—

(1) In the case of such property, which should be included in the inventory, the basis shall be the last inventory value thereof;

(2) In the case of such property, acquired by gift after December 31, 1920, the basis shall be the same as that which it would have in the hands of the donor or the last preceding owner by whom it was not acquired by gift. If the facts necessary to determine such basis are unknown to the donee, the Commissioner shall, if possible, obtain such facts from such donor or last preceding owner, or any other person cognizant thereof. If the Commissioner finds it impossible to obtain such facts, the basis shall be the value of such property as found by the Commissioner as of the date or approximate date at which, according to the best information the Commissioner is able to obtain, such property was acquired by such donor or last preceding owner. In the case of such property acquired by gift on or before December 31, 1920, the basis for ascertaining gain or loss from a sale or other disposition thereof shall be the fair market price or value of such property at the time of such acquisition;

(3) In the case of such property, acquired by bequest, devise, or inheritance, the basis shall be the fair market price or value of such property at the time of such acquisition. The provisions of this paragraph shall apply to the acquisition of such property interests as are specified in subdivision (c) or (e) of section 402.

(b) The basis for ascertaining the gain derived or loss sustained from the sale or other disposition of property, real, personal, or mixed, acquired before March 1, 1913, shall be the same as that provided by subdivision (a); but—

(1) If its fair market price or value as of March 1, 1913, is in excess of such basis, the gain to be included in the gross income shall be the excess of the amount realized therefor over such fair market price or value;

(2) If its fair market price or value as of March 1, 1913, is lower than such basis, the deductible loss is the excess of the fair market price or value as of March 1, 1913, over the amount realized therefor; and

(3) If the amount realized therefor is more than such basis but not more than its fair market price or value as of March 1, 1913, or less than such basis but not less than such fair market price or value, no gain shall be included in and no loss deducted from the gross income.

(c) For the purposes of this title, on an exchange of property, real, personal or mixed, for any other such property, no gain or loss shall be recognized unless the property received in exchange has a readily realizable market value; but even if the property received in exchange has a readily realizable market value, no gain or loss shall be recognized—

(1) When any such property held for investment, or for productive use in trade or business (not including stock-in-trade or other property held primarily for sale), is exchanged for property of a like kind or use;

(2) When in the reorganization of one or more corporations a person receives in place of any stock or securities owned by him, stock or securities in a corporation a party to or resulting from such reorganization. The word "reorganization," as used in this paragraph, includes a merger or consolidation (including the acquisition by one corporation of at least a majority of the voting stock and at least a majority of the total number of shares of all other classes of stock of another corporation, or of substantially all the properties of another corporation), recapitalization, or mere change in identity, form, or place of organization of a corporation, (however effected); or

(3) When (A) a person transfers any property, real, personal or mixed, to a corporation, and immediately after the transfer is in control of such corporation, or (B) two or more persons transfer any such property to a corporation, and immediately after the transfer are in control of such corporation, and the amounts of stock, securities, or both, received by such persons are in substantially the same proportion as their interests in the property before such transfer. For the purposes of this paragraph, a person is, or two or more persons are, "in control" of a corporation when owning at least 80 per centum of the voting stock and at least 80 per centum of the total number of shares of all other classes of stock of the corporation.

(d) (1) Where property is exchanged for other property and no gain or loss is recognized under the provisions of subdivision (c), the property received shall, for the purposes of this section, be treated as taking the place of the property exchanged therefor, except as provided in subdivision (e);

(2) Where property is compulsorily or involuntarily converted into cash or its equivalent in the manner described in paragraph (12) of subdivision (a) of section 214 and paragraph (14) of subdivision (a) of section 234, and the taxpayer proceeds in good faith to expend or set aside the proceeds of such conversion in the form and in the manner therein provided, the property acquired shall, for the purpose of this section, be treated as taking the place of a like proportion of the property converted;

(3) Where no deduction is allowed for a loss or a part thereof under the provisions of paragraph (5) of subdivision (a) of section 214 and paragraph (4) of subdivision (a) of section 234, that part of the property acquired with relation to which such loss is disallowed shall for the purposes of this section be treated as taking the place of the property sold or disposed of.

(e) Where property is exchanged for other property which has no readily realizable market value, together with money or other property which has a readily realizable market value, then the money or the fair market value of the property having such readily realizable market value received in exchange shall be applied against and reduce the basis, provided in this section, of the property exchanged,

and if in excess of such basis, shall be taxable to the extent of the excess; but when property is exchanged for property specified in paragraphs (1), (2), and (3) of subdivision (c) as received in exchange, together with money or other property of a readily realizable market value other than that specified in such paragraphs, the money or the fair market value of such other property received in exchange shall be applied against and reduce the basis, provided in this section, of the property exchanged, and if in excess of such basis, shall be taxable to the extent of the excess.

(f) Nothing in this section shall be construed to prevent (in the case of property sold under contract providing for payment in installments) the taxation of that portion of any installment payment representing gain or profit in the year in which such payment is received.

#### INVENTORIES.

SEC. 203. That whenever in the opinion of the Commissioner the use of inventories is necessary in order clearly to determine the income of any taxpayer, inventories shall be taken by such taxpayer upon such basis as the Commissioner, with the approval of the Secretary, may prescribe as conforming as nearly as may be to the best accounting practice in the trade or business and as most clearly reflecting the income.

#### NET LOSSES.

SEC. 204. (a) That as used in this section the term "net loss" means only net losses resulting from the operation of any trade or business regularly carried on by the taxpayer (including losses sustained from the sale or other disposition of real estate, machinery, and other capital assets, used in the conduct of such trade or business); and when so resulting means the excess of the deductions allowed by section 214 or 234, as the case may be, over the sum of the following: (1) the gross income of the taxpayer for the taxable year, (2) the amount by which the interest received free from taxation under this title exceeds so much of the interest paid or accrued within the taxable year on indebtedness as is not permitted to be deducted by paragraph (2) of subdivision (a) of section 214 or by paragraph (2) of subdivision (a) of section 234, (3) the amount by which the deductible losses not sustained in such trade or business exceed the taxable gains or profits not derived from such trade or business, (4) amounts received as dividends and allowed as a deduction under paragraph (6) of subdivision (a) of section 234, and (5) so much of the depletion deduction allowed with respect to any mine, oil or gas well as is based upon discovery value in lieu of cost.

(b) If for any taxable year beginning after December 31, 1920, it appears upon the production of evidence satisfactory to the Commissioner that any taxpayer has sustained a net loss, the amount thereof shall be deducted from the net income of the taxpayer for the succeeding taxable year; and if such net loss is in excess of the net income for such succeeding taxable year, the amount of such excess shall be allowed as a deduction in computing the net income for the next succeeding taxable year; the deduction in all cases to be made under regulations prescribed by the Commissioner with the approval of the Secretary.

(c) The benefit of this section shall be allowed to the members of a partnership and the beneficiaries of an estate or trust, and to insurance companies subject to the tax imposed by section 243 or 246, under regulations prescribed by the Commissioner with the approval of the Secretary.

(d) If it appears, upon the production of evidence satisfactory to the Commissioner, that a taxpayer having a fiscal year beginning in

1920 and ending in 1921 has sustained a net loss during such fiscal year, such taxpayer shall be entitled to the benefits of this section in respect to the same proportion of such net loss which the portion of such fiscal year falling within the calendar year 1921 is of the entire fiscal year.

**FISCAL YEARS 1920-1921 AND 1921-1922.**

SEC. 205. (a) That if a taxpayer makes return for a fiscal year beginning in 1920 and ending in 1921, his tax under this title for the taxable year 1921 shall be the sum of: (1) the same proportion of a tax for the entire period computed under Title II of the Revenue Act of 1918 at the rates for the calendar year 1920 which the portion of such period falling within the calendar year 1920 is of the entire period, and (2) the same proportion of a tax for the entire period computed under this title at the rates for the calendar year 1921, which the portion of such period falling within the calendar year 1921 is of the entire period.

Any amount paid before or after the passage of this Act on account of the tax imposed for such fiscal year by Title II of the Revenue Act of 1918 shall be credited toward the payment of the tax imposed for such fiscal year by this Act, and if the amount so paid exceeds the amount of such tax imposed by this Act, the excess shall be credited or refunded in accordance with the provisions of section 252.

(b) If a taxpayer makes return for a fiscal year beginning in 1921 and ending in 1922, his tax under this title for the taxable year 1922 shall be the sum of (1) the same proportion of a tax for the entire period computed under this title (as in force on December 31, 1921) at the rates for the calendar year 1921 which the portion of such period falling within the calendar year 1921 is of the entire period, and (2) the same proportion of a tax for the entire period computed under this title (as in force on January 1, 1922) at the rates for the calendar year 1922 which the portion of such period falling within the calendar year 1922 is of the entire period: *Provided*, That in the case of a personal service corporation the amount to be paid shall be only that specified in clause (2).

(c) If a fiscal year of a partnership begins in 1920 and ends in 1921, or begins in 1921 and ends in 1922, then (1) the rates for the calendar year during which such fiscal year begins shall apply to an amount of each partner's share of such partnership net income (determined under the law applicable to such year) equal to the proportion which the part of such fiscal year falling within such calendar year bears to the full fiscal year, and (2) the rates for the calendar year during which such fiscal year ends shall apply to an amount of each partner's share of such partnership net income (determined under the law applicable to such calendar year) equal to the proportion which the part of such fiscal year falling within such calendar year bears to the full fiscal year.

**CAPITAL GAIN.**

SEC. 206. (a) That for the purpose of this title:

(1) The term "capital gain" means taxable gain from the sale or exchange of capital assets consummated after December 31, 1921;

(2) The term "capital loss" means deductible loss resulting from the sale or exchange of capital assets consummated after December 31, 1921;

(3) The term "capital deductions" means such deductions as are allowed under this title for the purpose of computing net income and are properly allocable to or chargeable against items of capital gain as defined in this section;

(4) The term "capital net gain" means the excess of the total amount of capital gain over the sum of the capital deductions and capital losses;

(5) The term "ordinary net income" means the net income, computed in accordance with the provisions of this title, after excluding all items of capital gain, capital loss, and capital deductions; and

(6) The term "capital assets" as used in this section means property acquired and held by the taxpayer for profit or investment for more than two years (whether or not connected with his trade or business), but does not include property held for the personal use or consumption of the taxpayer or his family, or stock in trade of the taxpayer or other property of a kind which would properly be included in the inventory of the taxpayer if on hand at the close of the taxable year.

(b) In the case of any taxpayer (other than a corporation) who for any taxable year derives a capital net gain, there shall (at the election of the taxpayer) be levied, collected and paid, in lieu of the taxes imposed by sections 210 and 211 of this title, a tax determined as follows:

A partial tax shall first be computed upon the basis of the ordinary net income at the rates and in the manner provided in sections 210 and 211, and the total tax shall be this amount plus  $12\frac{1}{2}$  per centum of the capital net gain; but if the taxpayer elects to be taxed under this section the total tax shall in no such case be less than  $12\frac{1}{2}$  per centum of the total net income. The total tax thus determined shall be computed, collected and paid in the same manner, at the same time and subject to the same provisions of law, including penalties, as other taxes under this title.

(c) In the case of a partnership or of an estate or trust, the proper part of each share of the net income which consists, respectively, of ordinary net income and capital net gain, shall be determined under rules and regulations to be prescribed by the Commissioner with the approval of the Secretary, and shall be separately shown in the return of the partnership or estate or trust, and shall be taxed to the member or beneficiary or to the estate or trust as provided in Sections 218 and 219, but at the rates and in the manner provided in subdivision (b) of this section.

#### NET INCOME OF INDIVIDUALS DEFINED.

SEC. 212. (a) That in the case of an individual the term "net income" means the gross income as defined in section 213, less the deductions allowed by section 214.

(b) The net income shall be computed upon the basis of the taxpayer's annual accounting period (fiscal year or calendar year, as the case may be) in accordance with the method of accounting regularly employed in keeping the books of such taxpayer; but if no such method of accounting has been so employed, or if the method employed does not clearly reflect the income, the computation shall be made upon such basis and in such manner as in the opinion of the Commissioner does clearly reflect the income. If the taxpayer's annual accounting period is other than a fiscal year as defined in section 200 or if the taxpayer has no annual accounting period or does not keep books, the net income shall be computed on the basis of the calendar year.

(c) If a taxpayer changes his accounting period from fiscal year to calendar year, from calendar year to fiscal year, or from one fiscal year to another, the net income shall, with the approval of the Commissioner, be computed on the basis of such new accounting period, subject to the provisions of section 226.

#### GROSS INCOME DEFINED.

SEC. 213. That for the purposes of this title (except as otherwise provided in section 233) the term "gross income"—

(a) Includes gains, profits, and income derived from salaries, wages, or compensation for personal service (including in the case of the President of the United States, the judges of the Supreme and inferior courts of the United States, and all other officers and employees, whether elected or appointed, of the United States, Alaska, Hawaii, or any political subdivision thereof, or the District of Columbia, the compensation received as such), of whatever kind and in whatever form paid, or from professions, vocations, trades, businesses, commerce, or sales, or dealings in property, whether real or personal, growing out of the ownership or use of or interest in such property; also from interest, rent, dividends, securities, or the transaction of any business carried on for gain or profit, or gains or profits and income derived from any source whatever. The amount of all such items (except as provided in subdivision (e) of section 201) shall be included in the gross income for the taxable year in which received by the taxpayer, unless, under methods of accounting permitted under subdivision (b) of section 212, any such amounts are to be properly accounted for as of a different period; but

(b) Does not include the following items, which shall be exempt from taxation under this title:

(1) The proceeds of life insurance policies paid upon the death of the insured;

(2) The amount received by the insured as a return of premium or premiums paid by him under life insurance, endowment, or annuity contracts, either during the term or at the maturity of the term mentioned in the contract or upon surrender of the contract;

(3) The value of property acquired by gift, bequest, devise, or descent (but the income from such property shall be included in gross income);

(4) Interest upon (a) the obligations of a State, Territory, or any political subdivision thereof, or the District of Columbia; or (b) securities issued under the provisions of the Federal Farm Loan Act of July 17, 1916; or (c) the obligations of the United States or its possessions; or (d) bonds issued by the War Finance Corporation. In the case of obligations of the United States issued after September 1, 1917 (other than postal savings certificates of deposit), and in the case of bonds issued by the War Finance Corporation, the interest shall be exempt only if and to the extent provided in the respective Acts authorizing the issue thereof as amended and supplemented, and shall be excluded from gross income only if and to the extent it is wholly exempt to the taxpayer from income, war-profits and excess-profits taxes;

(5) The income of foreign governments received from investments in the United States in stocks, bonds, or other domestic securities, owned by such foreign governments, or from interest on deposits in banks in the United States of moneys belonging to such foreign governments, or from any other source within the United States;

(6) Amounts received, through accident or health insurance or under workmen's compensation acts, as compensation for personal injuries or sickness, plus the amount of any damages received whether by suit or agreement on account of such injuries or sickness;

(7) Income derived from any public utility or the exercise of any essential governmental function and accruing to any State, Territory, or the District of Columbia, or any political subdivision of a State or Territory, or income accruing to the Government of any possession of the United States, or any political subdivision thereof.

Whenever any State, Territory, or the District of Columbia, or any political subdivision of a State or Territory, prior to September 8, 1916, entered in good faith into a contract with any person, the object and purpose of which is to acquire, construct, operate, or maintain a

public utility, no tax shall be levied under the provisions of this title upon the income derived from the operation of such public utility, so far as the payment thereof will impose a loss or burden upon such State, Territory, District of Columbia, or political subdivision; but this provision is not intended and shall not be construed to confer upon such person any financial gain or exemption or to relieve such person from the payment of a tax as provided for in this title upon the part or portion of such income to which such person is entitled under such contract;

(8) The income of a nonresident alien or foreign corporation which consists exclusively of earnings derived from the operation of a ship or ships documented under the laws of a foreign country which grants an equivalent exemption to citizens of the United States and to corporations organized in the United States;

(9) Amounts received as compensation, family allotments and allowances under the provisions of the War Risk Insurance and the Vocational Rehabilitation Acts, or as pensions from the United States for service of the beneficiary or another in the military or naval forces of the United States in time of war;

(10) So much of the amount received by an individual after December 31, 1921, and before January 1, 1927, as dividends or interest from domestic building and loan associations, operated exclusively for the purpose of making loans to members, as does not exceed \$300;

(11) The rental value of a dwelling house and appurtenances thereof furnished to a minister of the gospel as part of his compensation;

(12) The receipts of shipowners' mutual protection and indemnity associations, not organized for profit, and no part of the net earnings of which inures to the benefit of any private stockholder or member, but such corporations shall be subject as other persons to the tax upon their net income from interest, dividends, and rents.

(c) In the case of a nonresident alien individual, gross income means only the gross income from sources within the United States, determined under the provisions of section 217.

#### DEDUCTIONS ALLOWED INDIVIDUALS.

SEC. 214. (a) That in computing net income there shall be allowed as deductions:

(1) All the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a reasonable allowance for salaries or other compensation for personal services actually rendered; traveling expenses (including the entire amount expended for meals and lodging) while away from home in the pursuit of a trade or business; and rentals or other payments required to be made as a condition to the continued use or possession, for purposes of the trade or business, of property to which the taxpayer has not taken or is not taking title or in which he has no equity;

(2) All interest paid or accrued within the taxable year on indebtedness, except on indebtedness incurred or continued to purchase or carry obligations or securities (other than obligations of the United States issued after September 24, 1917, and originally subscribed for by the taxpayer) the interest upon which is wholly exempt from taxation under this title;

(3) Taxes paid or accrued within the taxable year except (a) income, war-profits, and excess-profits taxes imposed by the authority of the United States, (b) so much of the income, war-profits and excess-profits taxes, imposed by the authority of any foreign country or possession of the United States, as is allowed as a credit under section 222, (c) taxes assessed against local benefits of a kind tending to increase the value of the property assessed, and (d) taxes imposed

upon the taxpayer upon his interest as shareholder or member of a corporation, which are paid by the corporation without reimbursement from the taxpayer. For the purpose of this paragraph estate, inheritance, legacy, and succession taxes accrue on the due date thereof except as otherwise provided by the law of the jurisdiction imposing such taxes;

(4) Losses sustained during the taxable year and not compensated for by insurance or otherwise, if incurred in trade or business;

(5) Losses sustained during the taxable year and not compensated for by insurance or otherwise, if incurred in any transaction entered into for profit, though not connected with the trade or business; but in the case of a nonresident alien individual only if and to the extent that the profit, if such transaction had resulted in a profit, would be taxable under this title. No deduction shall be allowed under this paragraph for any loss claimed to have been sustained in any sale or other disposition of shares of stock or securities made after the passage of this Act where it appears that within thirty days before or after the date of such sale or other disposition the taxpayer has acquired (otherwise than by bequest or inheritance) substantially identical property, and the property so acquired is held by the taxpayer for any period after such sale or other disposition. If such acquisition is to the extent of part only of substantially identical property, then only a proportionate part of the loss shall be disallowed;

(6) Losses sustained during the taxable year of property not connected with the trade or business (but in the case of a nonresident alien individual only property within the United States) if arising from fires, storms, shipwreck, or other casualty, or from theft, and if not compensated for by insurance or otherwise. Losses allowed under paragraphs (4), (5), and (6) of this subdivision shall be deducted as of the taxable year in which sustained unless, in order to clearly reflect the income, the loss should, in the opinion of the Commissioner, be accounted for as of a different period. In case of losses arising from destruction of or damage to property, where the property so destroyed or damaged was acquired before March 1, 1913, the deduction shall be computed upon the basis of its fair market price or value as of March 1, 1913;

(7) Debts ascertained to be worthless and charged off within the taxable year (or, in the discretion of the Commissioner, a reasonable addition to a reserve for bad debts); and when satisfied that a debt is recoverable only in part, the Commissioner may allow such debt to be charged off in part;

(8) A reasonable allowance for the exhaustion, wear and tear of property used in the trade or business, including a reasonable allowance for obsolescence. In the case of such property acquired before March 1, 1913, this deduction shall be computed upon the basis of its fair market price or value as of March 1, 1913;

(9) In the case of buildings, machinery, equipment, or other facilities, constructed, erected, installed, or acquired, on or after April 6, 1917, for the production of articles contributing to the prosecution of the war against the German Government, and in the case of vessels constructed or acquired on or after such date for the transportation of articles or men contributing to the prosecution of such war, there shall be allowed, for any taxable year ending before March 3, 1924 (if claim therefor was made at the time of filing return for the taxable year 1918, 1919, 1920, or 1921) a reasonable deduction for the amortization of such part of the cost of such facilities or vessels as has been borne by the taxpayer, but not again including any amount otherwise allowed under this title or previous Acts of Congress as a

deduction in computing net income. At any time before March 3, 1924, the Commissioner may, and at the request of the taxpayer shall, reexamine the return, and if he then finds as a result of an appraisal or from other evidence that the deduction originally allowed was incorrect, the income, war-profits, and excess-profits taxes for the year or years affected shall be redetermined; and the amount of tax due upon such redetermination, if any, shall be paid upon notice and demand by the collector, or the amount of tax overpaid, if any, shall be credited or refunded to the taxpayer in accordance with the provisions of section 252;

(10) In the case of mines, oil and gas wells, other natural deposits, and timber, a reasonable allowance for depletion and for depreciation of improvements, according to the peculiar conditions in each case, based upon cost including cost of development not otherwise deducted: *Provided*, That in the case of such properties acquired prior to March 1, 1913, the fair market value of the property (or the taxpayer's interest therein) on that date shall be taken in lieu of cost up to that date: *Provided further*, That in the case of mines, oil and gas wells, discovered by the taxpayer, on or after March 1, 1913, and not acquired as the result of purchase of a proven tract or lease, where the fair market value of the property is materially disproportionate to the cost, the depletion allowance shall be based upon the fair market value of the property at the date of the discovery, or within thirty days thereafter: *And provided further*, That such depletion allowance based on discovery value shall not exceed the net income, computed without allowance for depletion, from the property upon which the discovery is made, except where such net income so computed is less than the depletion allowance based on cost or fair market value as of March 1, 1913; such reasonable allowance in all the above cases to be made under rules and regulations to be prescribed by the Commissioner, with the approval of the Secretary. In the case of leases the deductions allowed by this paragraph shall be equitably apportioned between the lessor and lessee;

(11) Contributions or gifts made within the taxable year to or for the use of: (A) The United States, any State, Territory, or any political subdivision thereof, or the District of Columbia, for exclusively public purposes; (B) any corporation, or community chest, fund, or foundation, organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes, including posts of the American Legion or the women's auxiliary units thereof, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual; or (C) the special fund for vocational rehabilitation authorized by section 7 of the Vocational Rehabilitation Act; to an amount which in all the above cases combined does not exceed 15 per centum of the taxpayer's net income as computed without the benefit of this paragraph. In case of a nonresident alien individual this deduction shall be allowed only as to contributions or gifts made to domestic corporations, or to community chests, funds, or foundations, created in the United States, or to such vocational rehabilitation fund. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the Commissioner, with the approval of the Secretary;

(12) If property is compulsorily or involuntarily converted into cash or its equivalent as a result of (A) its destruction in whole or in part, (B) theft or seizure, or (C) an exercise of the power of requisition or condemnation, or the threat or imminence thereof; and if the taxpayer proceeds forthwith in good faith, under regulations prescribed by the Commissioner with the approval of the Secretary, to expend the proceeds of such conversion in the acquisition of other

property of a character similar or related in service or use to the property so converted, or in the acquisition of 80 per centum or more of the stock or shares of a corporation owning such other property, or in the establishment of a replacement fund, then there shall be allowed as a deduction such portion of the gain derived as the portion of the proceeds so expended bears to the entire proceeds. The provisions of this paragraph prescribing the conditions under which a deduction may be taken in respect of the proceeds or gains derived from the compulsory or involuntary conversion of property into cash or its equivalent, shall apply so far as may be practicable to the exemption or exclusion of such proceeds or gains from gross income under prior income, war-profits and excess-profits tax acts.

(b) In the case of a nonresident alien individual, the deductions allowed in subdivision (a), except those allowed in paragraphs (5), (6), and (11), shall be allowed only if and to the extent that they are connected with income from sources within the United States; and the proper apportionment and allocation of the deductions with respect to sources of income within and without the United States shall be determined as provided in section 217 under rules and regulations prescribed by the Commissioner with the approval of the Secretary. In the case of a citizen entitled to the benefits of section 262 the deductions shall be the same and shall be determined in the same manner as in the case of a nonresident alien individual.

#### ITEMS NOT DEDUCTIBLE.

SEC. 215. (a) That in computing net income no deduction shall in any case be allowed in respect of—

- (1) Personal, living, or family expenses;
- (2) Any amount paid out for new buildings or for permanent improvements or betterments made to increase the value of any property or estate;
- (3) Any amount expended in restoring property or in making good the exhaustion thereof for which an allowance is or has been made; or
- (4) Premiums paid on any life insurance policy covering the life of any officer or employee, or of any person financially interested in any trade or business carried on by the taxpayer, when the taxpayer is directly or indirectly a beneficiary under such policy.

(b) Amounts paid under the laws of any State, Territory, District of Columbia, possession of the United States, or foreign country as income to the holder of a life or terminable interest acquired by gift, bequest, or inheritance shall not be reduced or diminished by any deduction for shrinkage (by whatever name called) in the value of such interest due to the lapse of time, nor by any deduction allowed by this Act for the purpose of computing the net income of an estate or trust but not allowed under the laws of such State, Territory, District of Columbia, possession of the United States, or foreign country for the purpose of computing the income to which such holder is entitled.

#### CREDITS ALLOWED INDIVIDUALS.

SEC. 216. That for the purpose of the normal tax only there shall be allowed the following credits:

- (a) The amount received as dividends (1) from a domestic corporation other than a corporation entitled to the benefits of section 262, or (2) from a foreign corporation when it is shown to the satisfaction of the Commissioner that more than 50 per centum of the gross income of such foreign corporation for the three-year period ending with the close of its taxable year preceding the declaration of such dividends (or for such part of such period as the corporation has been

in existence) was derived from sources within the United States as determined under the provisions of section 217;

(b) The amount received as interest upon obligations of the United States and bonds issued by the War Finance Corporation, which is included in gross income under section 213;

(c) In the case of a single person, a personal exemption of \$1,000; or in the case of the head of a family or a married person living with husband or wife, a personal exemption of \$2,500, unless the net income is in excess of \$5,000, in which case the personal exemption shall be \$2,000. A husband and wife living together shall receive but one personal exemption. The amount of such personal exemption shall be \$2,500, unless the aggregate net income of such husband and wife is in excess of \$5,000, in which case the amount of such personal exemption shall be \$2,000. If such husband and wife make separate returns, the personal exemption may be taken by either or divided between them. In no case shall the reduction of the personal exemption from \$2,500 to \$2,000 operate to increase the tax, which would be payable if the exemption were \$2,500, by more than the amount of the net income in excess of \$5,000;

(d) \$400 for each person (other than husband or wife) dependent upon and receiving his chief support from the taxpayer if such dependent person is under eighteen years of age or is incapable of self-support because mentally or physically defective.

(e) In the case of a nonresident alien individual or of a citizen entitled to the benefits of section 262, the personal exemption shall be only \$1,000, and he shall not be entitled to the credit provided in subdivision (d).

(f) The credits allowed by subdivisions (c), (d), and (e) of this section shall be determined by the status of the taxpayer on the last day of the period for which the return of income is made; but in the case of an individual who dies during the taxable year, such credits shall be determined by his status at the time of his death, and in such case full credits shall be allowed to the surviving spouse, if any, according to his or her status at the close of the period for which such survivor makes return of income.

#### NET INCOME OF NONRESIDENT ALIEN INDIVIDUALS.

SEC. 217. (a) That in the case of a nonresident alien individual or of a citizen entitled to the benefits of section 262, the following items of gross income shall be treated as income from sources within the United States:

(1) Interest on bonds, notes, or other interest-bearing obligations of residents, corporate or otherwise, not including (A) interest on deposits with persons carrying on the banking business paid to persons not engaged in business within the United States and not having an office or place of business therein, or (B) interest received from a resident alien individual or a resident foreign corporation when it is shown to the satisfaction of the Commissioner that less than 20 per centum of the gross income of such resident payor has been derived from sources within the United States, as determined under the provisions of this section, for the three-year period ending with the close of the taxable year of such payor, or for such part of such period immediately preceding the close of such taxable year as may be applicable;

(2) The amount received as dividends (A) from a domestic corporation other than a corporation entitled to the benefits of section 262, or (B) from a foreign corporation unless less than 50 per centum of the gross income of such foreign corporation for the three-year period ending with the close of its taxable year preceding the declaration of such dividends (or for such part of such period as the corpora-

tion has been in existence) was derived from sources within the United States as determined under the provisions of this section;

(3) Compensation for labor or personal services performed in the United States;

(4) Rentals or royalties from property located in the United States or from any interest in such property, including rentals or royalties for the use of or for the privilege of using in the United States, patents, copyrights, secret processes and formulas, good will, trade-marks, trade brands, franchises, and other like property; and

(5) Gains, profits, and income from the sale of real property located in the United States.

(b) From the items of gross income specified in subdivision (a) there shall be deducted the expenses, losses, and other deductions properly apportioned or allocated thereto and a ratable part of any expenses, losses, or other deductions which can not definitely be allocated to some item or class of gross income. The remainder, if any, shall be included in full as net income from sources within the United States.

(c) The following items of gross income shall be treated as income from sources without the United States:

(1) Interest other than that derived from sources within the United States as provided in paragraph (1) of subdivision (a);

(2) Dividends other than those derived from sources within the United States as provided in paragraph (2) of subdivision (a);

(3) Compensation for labor or personal service performed without the United States;

(4) Rentals or royalties from property located without the United States or from any interest in such property, including rentals or royalties for the use of or for the privilege of using without the United States, patents, copyrights, secret processes and formulas, good will, trade-marks, trade brands, franchises, and other like property; and

(5) Gains, profits, and income from the sale of real property located without the United States.

(d) From the items of gross income specified in subdivision (c) there shall be deducted the expenses, losses, and other deductions properly apportioned or allocated thereto, and a ratable part of any expenses, losses, or other deductions which can not definitely be allocated to some item or class of gross income. The remainder, if any, shall be treated in full as net income from sources without the United States.

(e) Items of gross income, expenses, losses and deductions, other than those specified in subdivisions (a) and (c), shall be allocated or apportioned to sources within or without the United States under rules and regulations prescribed by the Commissioner with the approval of the Secretary. Where items of gross income are separately allocated to sources within the United States, there shall be deducted (for the purpose of computing the net income therefrom) the expenses, losses and other deductions properly apportioned or allocated thereto and a ratable part of other expenses, losses or other deductions which can not definitely be allocated to some item or class of gross income. The remainder, if any, shall be included in full as net income from sources within the United States. In the case of gross income derived from sources partly within and partly without the United States, the net income may first be computed by deducting the expenses, losses or other deductions apportioned or allocated thereto and a ratable part of any expenses, losses or other deductions which can not definitely be allocated to some item or class of gross income; and the portion of such net income attributable to sources within the United States may be determined by processes or formulas

of general apportionment prescribed by the Commissioner with the approval of the Secretary. Gains, profits and income from (1) transportation or other services rendered partly within and partly without the United States, or (2) from the sale of personal property produced (in whole or in part) by the taxpayer within and sold without the United States, or produced (in whole or in part) by the taxpayer without and sold within the United States, shall be treated as derived partly from sources within and partly from sources without the United States. Gains, profits and income derived from the purchase of personal property within and its sale without the United States or from the purchase of personal property without and its sale within the United States, shall be treated as derived entirely from the country in which sold.

(f) As used in this section the words "sale" or "sold" include "exchange" or "exchanged"; and the word "produced" includes "created," "fabricated," "manufactured," "extracted," "processed," "cured," or "aged."

(g) A nonresident alien individual or a citizen entitled to the benefits of section 262 shall receive the benefit of the deductions and credits allowed in this title only by filing or causing to be filed with the collector a true and accurate return of his total income received from all sources corporate or otherwise in the United States, in the manner prescribed in this title; including therein all the information which the Commissioner may deem necessary for the calculation of such deductions and credits: *Provided*, That the benefit of the credit allowed in subdivision (e) of section 216 may, in the discretion of the Commissioner, be received by filing a claim therefor with the withholding agent. In case of failure to file a return, the collector shall collect the tax on such income, and all property belonging to such nonresident alien individual or foreign trader shall be liable to distraint for the tax.

#### PARTNERSHIPS AND PERSONAL SERVICE CORPORATIONS.

SEC. 218. (a) That individuals carrying on business in partnership shall be liable for income tax only in their individual capacity. There shall be included in computing the net income of each partner his distributive share, whether distributed or not, of the net income of the partnership for the taxable year, or, if his net income for such taxable year is computed upon the basis of a period different from that upon the basis of which the net income of the partnership is computed, then his distributive share of the net income of the partnership for any accounting period of the partnership ending within the fiscal or calendar year upon the basis of which the partner's net income is computed.

(b) The partner shall, for the purpose of the normal tax, be allowed as credits, in addition to the credits allowed to him under section 216, his proportionate share of such amounts specified in subdivisions (a) and (b) of section 216 as are received by the partnership.

(c) The net income of the partnership shall be computed in the same manner and on the same basis as provided in section 212 except that the deduction provided in paragraph (11) of subdivision (a) of section 214 shall not be allowed.

(d) Personal service corporations shall not be subject to taxation under this title, but the individual stockholders thereof shall be taxed in the same manner as the members of partnerships. All the provisions of this title relating to partnerships and the members thereof shall so far as practicable apply to personal service corporations and the stockholders thereof: *Provided*, That for the purpose of this subdivision amounts distributed by a personal service corporation during its taxable year shall be accounted for by the distributees; and any

portion of the net income remaining undistributed at the close of its taxable year shall be accounted for by the stockholders of such corporation at the close of its taxable year in proportion to their respective shares.

This subdivision shall not be in effect after December 31, 1921. In the case of a personal service corporation having a fiscal year beginning in 1921 and ending in 1922, amounts distributed prior to January 1, 1922, to its stockholders out of earnings or profits accumulated after December 31, 1920, shall be taxed to the distributees; and the stockholders of record on December 31, 1921, shall be taxed upon their distributive shares of the difference (if any) between such distributive profits and the portion of the corporation's net income assignable to the calendar year 1921, determined in the manner provided in clause (1) of subdivision (c) of section 205 of this Act.

#### ESTATES AND TRUSTS.

SEC. 219. (a) That the tax imposed by sections 210 and 211 shall apply to the income of estates or of any kind of property held in trust, including—

(1) Income received by estates of deceased persons during the period of administration or settlement of the estate;

(2) Income accumulated in trust for the benefit of unborn or unascertained persons or persons with contingent interests;

(3) Income held for future distribution under the terms of the will or trust; and

(4) Income which is to be distributed to the beneficiaries periodically, whether or not at regular intervals, and the income collected by a guardian of an infant to be held or distributed as the court may direct.

(b) The fiduciary shall be responsible for making the return of income for the estate or trust for which he acts. The net income of the estate or trust shall be computed in the same manner and on the same basis as provided in section 212, except that (in lieu of the deduction authorized by paragraph (11) of subdivision (a) of section 214) there shall also be allowed as a deduction, without limitation, any part of the gross income which, pursuant to the terms of the will or deed creating the trust, is during the taxable year paid or permanently set aside for the purposes and in the manner specified in paragraph (11) of subdivision (a) of section 214. In cases in which there is any income of the class described in paragraph (4) of subdivision (a) of this section the fiduciary shall include in the return a statement of the income of the estate or trust which, pursuant to the instrument or order governing the distribution, is distributable to each beneficiary, whether or not distributed before the close of the taxable year for which the return is made.

(c) In cases under paragraphs (1), (2), or (3) of subdivision (a) or in any other case within subdivision (a) of this section except paragraph (4) thereof the tax shall be imposed upon the net income of the estate or trust and shall be paid by the fiduciary, except that in determining the net income of the estate of any deceased person during the period of administration or settlement there may be deducted the amount of any income properly paid or credited to any legatee, heir, or other beneficiary. In such cases the estate or trust shall, for the purpose of the normal tax, be allowed the same credits as are allowed to single persons under section 216.

(d) In cases under paragraph (4) of subdivision (a), and in the case of any income of an estate during the period of administration or settlement permitted by subdivision (c) to be deducted from the net income upon which tax is to be paid by the fiduciary, the tax

shall not be paid by the fiduciary, but there shall be included in computing the net income of each beneficiary that part of the income of the estate or trust for its taxable year which, pursuant to the instrument or order governing the distribution, is distributable to such beneficiary, whether distributed or not, or, if his taxable year is different from that of the estate or trust, then there shall be included in computing his net income his distributive share of the income of the estate or trust for its taxable year ending within the taxable year of the beneficiary. In such cases the beneficiary shall, for the purpose of the normal tax, be allowed as credits, in addition to the credits allowed to him under section 216, his proportionate share of such amounts specified in subdivisions (a) and (b) of section 216 as are received by the estate or trust.

(e) In the case of an estate or trust the income of which consists both of income of the class described in paragraph (4) of subdivision (a) of this section and other income, the net income of the estate or trust shall be computed and a return thereof made by the fiduciary in accordance with subdivision (b) and the tax shall be imposed, and shall be paid by the fiduciary in accordance with subdivision (c), except that there shall be allowed as an additional deduction in computing the net income of the estate or trust that part of its income of the class described in paragraph (4) of subdivision (a) which, pursuant to the instrument or order governing the distribution, is distributable during its taxable year to the beneficiaries. In cases under this subdivision there shall be included, as provided in subdivision (d) of this section, in computing the net income of each beneficiary, that part of the income of the estate or trust which, pursuant to the instrument or order governing the distribution, is distributable during the taxable year to such beneficiary.

(f) A trust created by an employer as a part of a stock bonus or profit-sharing plan for the exclusive benefit of some or all of his employees, to which contributions are made by such employer, or employees, or both, for the purpose of distributing to such employees the earnings and principal of the fund accumulated by the trust in accordance with such plan, shall not be taxable under this section, but the amount actually distributed or made available to any distributee shall be taxable to him in the year in which so distributed or made available to the extent that it exceeds the amounts paid in by him. Such distributees shall for the purpose of the normal tax be allowed as credits that part of the amount so distributed or made available as represents the items specified in subdivisions (a) and (b) of section 216.

#### EVASION OF SURTAXES BY INCORPORATION.

SEC. 220. That if any corporation, however created or organized, is formed or availed of for the purpose of preventing the imposition of the surtax upon its stockholders or members through the medium of permitting its gains and profits to accumulate instead of being divided or distributed, there shall be levied, collected, and paid for each taxable year upon the net income of such corporation a tax equal to 25 per centum of the amount thereof, which shall be in addition to the tax imposed by section 230 of this title and shall be computed, collected, and paid upon the same basis and in the same manner and subject to the same provisions of law, including penalties, as that tax: *Provided*, That if all the stockholders or members of such corporation agree thereto, the Commissioner may, in lieu of all income, war-profits and excess-profits taxes imposed upon the corporation for the taxable year, tax the stockholders or members of such corporation upon their distributive shares in the net income of the

corporation for the taxable year in the same manner as provided in subdivision (a) of section 218 in the case of members of a partnership. The fact that any corporation is a mere holding company, or that the gains and profits are permitted to accumulate beyond the reasonable needs of the business, shall be prima facie evidence of a purpose to escape the surtax; but the fact that the gains and profits are in any case permitted to accumulate and become surplus shall not be construed as evidence of a purpose to escape the tax in such case unless the Commissioner certifies that in his opinion such accumulation is unreasonable for the purposes of the business. When requested by the Commissioner, or any collector, every corporation shall forward to him a correct statement of such gains and profits and the names and addresses of the individuals or shareholders who would be entitled to the same if divided or distributed, and of the amounts that would be payable to each.

#### PAYMENT OF INDIVIDUAL'S TAX AT SOURCE.

SEC. 221. (a) That all individuals, corporations, and partnerships, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of the United States having the control, receipt, custody, disposal, or payment of interest (except interest on deposits with persons carrying on the banking business paid to persons not engaged in business in the United States and not having an office or place of business therein), rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits, and income, of any nonresident alien individual or partnership composed in whole or in part of nonresident aliens (other than income received as dividends of the class allowed as a credit by subdivision (a) of section 216) shall (except in the cases provided for in subdivision (b) and except as otherwise provided in regulations prescribed by the Commissioner under section 217) deduct and withhold from such annual or periodical gains, profits, and income a tax equal to 8 per centum thereof: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld from the interest upon any securities the owners of which are not known to the withholding agent.

(b) In any case where bonds, mortgages, or deeds of trust, or other similar obligations of a corporation contain a contract or provision by which the obligor agrees to pay any portion of the tax imposed by this title upon the obligee, or to reimburse the obligee for any portion of the tax, or to pay the interest without deduction for any tax which the obligor may be required or permitted to pay thereon, or to retain therefrom under any law of the United States, the obligor shall deduct and withhold a tax equal to 2 per centum of the interest upon such bonds, mortgages, deeds of trust, or other obligations, whether such interest is payable annually or at shorter or longer periods and whether payable to a nonresident alien individual or to an individual citizen or resident of the United States or to a partnership: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld in the case of interest upon any such bonds, mortgages, deeds of trust, or other obligations, the owners of which are not known to the withholding agent. Such deduction and withholding shall not be required in the case of a citizen or resident entitled to receive such interest, if he files with the withholding agent on or before February 1 a signed notice in writing claiming the benefit of the credits provided in subdivisions (c) and (d) of section 216; nor in the case of a nonresident alien individual if so provided for in regulations prescribed by the Commissioner under subdivision (g) of section 217.

(c) Every individual, corporation, or partnership required to deduct and withhold any tax under this section shall make return thereof on or before March 1 of each year and shall on or before June 15, pay the tax to the official of the United States Government authorized to receive it. Every such individual, corporation, or partnership is hereby made liable for such tax and is hereby indemnified against the claims and demands of any individual, corporation, or partnership for the amount of any payments made in accordance with the provisions of this section.

(d) Income upon which any tax is required to be withheld at the source under this section shall be included in the return of the recipient of such income, but any amount of tax so withheld shall be credited against the amount of income tax as computed in such return.

(e) If any tax required under this section to be deducted and withheld is paid by the recipient of the income, it shall not be recollected from the withholding agent; nor in cases in which the tax is so paid shall any penalty be imposed upon or collected from the recipient of the income or the withholding agent for failure to return or pay the same, unless such failure was fraudulent and for the purpose of evading payment.

#### CREDIT FOR TAXES IN CASE OF INDIVIDUALS.

SEC. 222. (a) That the tax computed under Part II of this title shall be credited with:

(1) In the case of a citizen of the United States, the amount of any income, war-profits and excess-profits taxes paid during the taxable year to any foreign country or to any possession of the United States and

(2) In the case of a resident of the United States, the amount of any such taxes paid during the taxable year to any possession of the United States; and

(3) In the case of an alien resident of the United States, the amount of any such taxes paid during the taxable year to any foreign country, if the foreign country of which such alien resident is a citizen or subject, in imposing such taxes, allows a similar credit to citizens of the United States residing in such country; and

(4) In the case of any such individual who is a member of a partnership or a beneficiary of an estate or trust, his proportionate share of such taxes of the partnership or the estate or trust paid during the taxable year to a foreign country or to any possession of the United States, as the case may be.

(5) The above credits shall not be allowed in the case of a citizen entitled to the benefits of section 262; and in no other case shall the amount of credit taken under this subdivision exceed the same proportion of the tax, against which such credit is taken, which the taxpayer's net income (computed without deduction for any income, war-profits and excess-profits taxes imposed by any foreign country or possession of the United States) from sources without the United States bears to his entire net income (computed without such deduction) for the same taxable year.

(b) If accrued taxes when paid differ from the amounts claimed as credits by the taxpayer, or if any tax paid is refunded in whole or in part, the taxpayer shall notify the Commissioner, who shall redetermine the amount of the tax due under Part II of this title for the year or years affected, and the amount of tax due upon such redetermination, if any, shall be paid by the taxpayer upon notice and demand by the collector, or the amount of tax overpaid, if any, shall be credited or refunded to the taxpayer in accordance with the provisions of section 252. In the case of such a tax accrued but not paid, the Com-

missioner as a condition precedent to the allowance of this credit may require the taxpayer to give a bond with sureties satisfactory to and to be approved by the Commissioner in such penal sum as the Commissioner may require, conditioned for the payment by the taxpayer of any amount of tax found due upon any such redetermination; and the bond herein prescribed shall contain such further conditions as the Commissioner may require.

(c) These credits shall be allowed only if the taxpayer furnishes evidence satisfactory to the Commissioner showing the amount of income derived from sources without the United States, and all other information necessary for the verification and computation of such credits.

(d) If the taxpayer makes a return for a fiscal year beginning in 1920 and ending in 1921, the credit for the entire fiscal year shall, notwithstanding any provision of this Act, be determined under the provisions of this section; and the Commissioner is authorized to disallow, in whole or part, any such credit which he finds has already been taken by the taxpayer.

#### RETURNS FOR A PERIOD OF LESS THAN TWELVE MONTHS.

SEC. 226. (a) That if a taxpayer, with the approval of the Commissioner, changes the basis of computing net income from fiscal year to calendar year a separate return shall be made for the period between the close of the last fiscal year for which return was made and the following December 31. If the change is from calendar year to fiscal year, a separate return shall be made for the period between the close of the last calendar year for which return was made and the date designated as the close of the fiscal year. If the change is from one fiscal year to another fiscal year a separate return shall be made for the period between the close of the former fiscal year and the date designated as the close of the new fiscal year.

(b) In all cases where a separate return is made for a part of a taxable year the net income shall be computed on the basis of such period for which separate return is made, and the tax shall be paid thereon at the rate for the calendar year in which such period is included.

(c) In the case of a return for a period of less than one year the net income shall be placed on an annual basis by multiplying the amount thereof by twelve and dividing by the number of months included in such period; and the tax shall be such part of a tax computed on such annual basis as the number of months in such period is of twelve months.

**NET INCOME OF CORPORATIONS DEFINED.**

SEC. 232. That in the case of a corporation subject to the tax imposed by section 230 the term "net income" means the gross income as defined in section 233 less the deductions allowed by section 234, and the net income shall be computed on the same basis as is provided in subdivision (b) of section 212 or in section 226. In the case of a foreign corporation or of a corporation entitled to the benefits of section 262 the computation shall also be made in the manner provided in section 217.

**GROSS INCOME OF CORPORATIONS DEFINED.**

SEC. 233. (a) That in the case of a corporation subject to the tax imposed by section 230 the term "gross income" means the gross income as defined in sections 213 and 217, except that mutual marine insurance companies shall include in gross income the gross premiums collected and received by them less amounts paid for reinsurance.

(b) In the case of a foreign corporation, gross income means only gross income from sources within the United States, determined (except in the case of insurance companies subject to the tax imposed by section 243 or 246) in the manner provided in section 217.

**DEDUCTIONS ALLOWED CORPORATIONS.**

SEC. 234. (a) That in computing the net income of a corporation subject to the tax imposed by section 230 there shall be allowed as deductions:

(1) All the ordinary and necessary expenses paid or incurred during the taxable year in carrying on any trade or business, including a reasonable allowance for salaries or other compensation for personal services actually rendered, and including rentals or other payments required to be made as a condition to the continued use or possession of property to which the corporation has not taken or is not taking title, or in which it has no equity;

(2) All interest paid or accrued within the taxable year on its indebtedness, except on indebtedness incurred or continued to purchase or carry obligations or securities (other than obligations of the United States issued after September 24, 1917, and originally subscribed for by the taxpayer) the interest upon which is wholly exempt from taxation under this title;

(3) Taxes paid or accrued within the taxable year except (a) income, war-profits, and excess-profits taxes imposed by the authority of the United States, (b) so much of the income, war-profits and excess-profits taxes imposed by the authority of any foreign country or possession of the United States as is allowed as a credit under section 238, and (c) taxes assessed against local benefits of a kind tending to increase the value of the property assessed. In the case of obligors specified in subdivision (b) of section 221 no deduction for the payment of the tax imposed by this title, or any other tax paid pursuant to the contract or provision referred to in that subdivision, shall be allowed, nor shall such tax be included in the gross income of the obligee. The deduction allowed by this paragraph shall be allowed in the case of taxes imposed upon a shareholder or member of a corporation upon his interest as shareholder or member, which are paid by the corporation without reimbursement from the shareholder or member, but in such cases no deduction shall be allowed the shareholder or member

for the amount of such taxes. For the purpose of this paragraph, estate, inheritance, legacy, and succession taxes accrue on the due date thereof except as otherwise provided by the law of the jurisdiction imposing such taxes;

(4) Losses sustained during the taxable year and not compensated for by insurance or otherwise; unless, in order to clearly reflect the income, the loss should in the opinion of the Commissioner be accounted for as of a different period. No deduction shall be allowed for any loss claimed to have been sustained in any sale or other disposition of shares of stock or securities made after the passage of this Act where it appears that within thirty days before or after the date of such sale or other disposition the taxpayer has acquired (otherwise than by bequest or inheritance) substantially identical property, and the property so acquired is held by the taxpayer for any period after such sale or other disposition, unless such claim is made by a dealer in stock or securities and with respect to a transaction made in the ordinary course of its business. If such acquisition is to the extent of part only of substantially identical property, then only a proportionate part of the loss shall be disallowed. In case of losses arising from destruction of or damage to property, where the property so destroyed or damaged was acquired before March 1, 1913, the deduction shall be computed upon the basis of its fair market price or value as of March 1, 1913;

(5) Debts ascertained to be worthless and charged off within the taxable year (or in the discretion of the Commissioner, a reasonable addition to a reserve for bad debts); and when satisfied that a debt is recoverable only in part, the Commissioner may allow such debt to be charged off in part;

(6) The amount received as dividends (A) from a domestic corporation other than a corporation entitled to the benefits of section 262, or (B) from any foreign corporation when it is shown to the satisfaction of the Commissioner that more than 50 per centum of the gross income of such foreign corporation for the three-year period ending with the close of its taxable year preceding the declaration of such dividends (or for such part of such period as the foreign corporation has been in existence) was derived from sources within the United States as determined under section 217;

(7) A reasonable allowance for the exhaustion, wear and tear of property used in the trade or business, including a reasonable allowance for obsolescence. In the case of such property acquired before March 1, 1913, this deduction shall be computed upon the basis of its fair market price or value as of March 1, 1913;

(8) In the case of buildings, machinery, equipment, or other facilities, constructed, erected, installed, or acquired, on or after April 6, 1917, for the production of articles contributing to the prosecution of the war against the German Government, and in the case of vessels constructed or acquired on or after such date for the transportation of articles or men contributing to the prosecution of such war, there shall be allowed, for any taxable year ending before March 3, 1924 (if claim therefor was made at the time of filing return for the taxable year 1918, 1919, 1920, or 1921) a reasonable deduction for the amortization of such part of the cost of such facilities or vessels as has been borne by the taxpayer, but not again including any amount otherwise allowed under this title or previous Acts of Congress as a deduction in computing net income. At any time before March 3, 1924, the Commissioner may, and at the request of the taxpayer shall, reexamine the return, and if he then finds as a result of an appraisal or from other evidence that the deduction originally allowed was incorrect, the income, war-profits, and excess-profits taxes for the year or years affected shall be redetermined and the

amount of tax due upon such redetermination, if any, shall be paid upon notice and demand by the collector, or the amount of tax overpaid, if any, shall be credited or refunded to the taxpayer in accordance with the provisions of section 252;

(9) In the case of mines, oil and gas wells, other natural deposits, and timber, a reasonable allowance for depletion and for depreciation of improvements, according to the peculiar conditions in each case, based upon cost including cost of development not otherwise deducted: *Provided*, That in the case of such properties acquired prior to March 1, 1913, the fair market value of the property (or the taxpayer's interest therein) on that date shall be taken in lieu of cost up to that date: *Provided further*, That in the case of mines, oil and gas wells, discovered by the taxpayer, on or after March 1, 1913, and not acquired as the result of purchase of a proven tract or lease, where the fair market value of the property is materially disproportionate to the cost, the depletion allowance shall be based upon the fair market value of the property at the date of the discovery, or within thirty days thereafter: *And provided further*, That such depletion allowance based on discovery value shall not exceed the net income, computed without allowance for depletion, from the property upon which the discovery is made, except where such net income so computed is less than the depletion allowance based on cost or fair market value as of March 1, 1913; such reasonable allowance in all the above cases to be made under rules and regulations to be prescribed by the Commissioner with the approval of the Secretary. In the case of leases the deductions allowed by this paragraph shall be equitably apportioned between the lessor and lessee;

(10) In the case of insurance companies (other than life insurance companies), in addition to the above (unless otherwise allowed), (A) The net addition required by law to be made within the taxable year to reserve funds (including in the case of assessment insurance companies the actual deposit of sums with State or Territorial officers pursuant to law as additions to guarantee or reserve funds); and (B) the sums other than dividends paid within the taxable year on policy and annuity contracts. After December 31, 1921, this subdivision shall apply only to mutual insurance companies other than life insurance companies;

(11) In the case of corporations (except those taxed under section 243) issuing policies covering life, health, and accident insurance combined in one policy issued on the weekly premium payment plan continuing for life and not subject to cancellation, in addition to the above, such portion of the net addition (not required by law) made within the taxable year to reserve funds as the Commissioner finds to be required for the protection of the holders of such policies only. This subdivision shall not be in effect after December 31, 1921;

(12) In the case of mutual marine insurance companies, there shall be allowed, in addition to the deductions allowed in paragraphs (1) to (10), inclusive, and paragraph (14), unless otherwise allowed amounts repaid to policyholders on account of premiums previously paid by them, and interest paid upon such amounts between the ascertainment and the payment thereof;

(13) In the case of mutual insurance companies (including inter-insurers and reciprocal underwriters, but not including mutual life or mutual marine insurance companies) requiring their members to make premium deposits to provide for losses and expenses, there shall be allowed, in addition to the deductions allowed in paragraphs (1) to (10), inclusive, and paragraph (14), unless otherwise allowed, the amount of premium deposits returned to their policyholders and the amount of premium deposits retained for the payment of losses, expenses, and reinsurance reserves;

(14) If property is compulsorily or involuntarily converted into cash or its equivalent as a result of (A) its destruction in whole or in part, (B) theft or seizure, or (C) an exercise of the power of requisition or condemnation, or the threat or imminence thereof; and if the taxpayer proceeds forthwith in good faith, under regulations prescribed by the Commissioner with the approval of the Secretary, to expend the proceeds of such conversion in the acquisition of other property of a character similar or related in service or use to the property so converted, or in the acquisition of 80 per centum or more of the stock or shares of a corporation owning such other property, or in the establishment of a replacement fund, then there shall be allowed as a deduction such portion of the gain derived as the portion of the proceeds so expended bears to the entire proceeds. The provisions of this paragraph prescribing the conditions under which a deduction may be taken in respect of the proceeds or gains derived from the compulsory or involuntary conversion of property into cash or its equivalent, shall apply so far as may be practicable to the exemption or exclusion of such proceeds or gains from gross income under prior income, war-profits and excess-profits tax Acts.

(b) In the case of a foreign corporation or of a corporation entitled to the benefits of section 262 the deductions allowed in subdivision (a) shall be allowed only if and to the extent that they are connected with income from sources within the United States; and the proper apportionment and allocation of the deductions with respect to sources within and without the United States shall be determined as provided in section 217 under rules and regulations prescribed by the Commissioner with the approval of the Secretary.

#### ITEMS NOT DEDUCTIBLE BY CORPORATIONS.

SEC. 235. That in computing net income no deduction shall in any case be allowed in respect of any of the items specified in Section 215.

#### CREDITS ALLOWED CORPORATIONS.

SEC. 236. That for the purpose only of the tax imposed by section 230 there shall be allowed the following credits:

(a) The amount received as interest upon obligations of the United States and bonds issued by the War Finance Corporation, which is included in gross income under section 233;

(b) In the case of a domestic corporation the net income of which is \$25,000 or less, a specific credit of \$2,000; but if the net income is more than \$25,000 the tax imposed by section 230 shall not exceed the tax which would be payable if the \$2,000 credit were allowed, plus the amount of the net income in excess of \$25,000; and

(c) The amount of any war-profits and excess-profits taxes imposed by Act of Congress for the same taxable year. The credit allowed by this subdivision shall be determined as follows:

(1) In the case of a corporation which makes return for a fiscal year beginning in 1920 and ending in 1921, in computing the income tax as provided in subdivision (a) of section 205, the portion of the war-profits and excess-profits tax computed for the entire period under clause (1) of subdivision (a) of section 335 shall be credited against the net income computed for the entire period as provided in clause (1) of subdivision (a) of section 205, and the portion of the war-profits and excess-profits tax computed for the entire period under clause (2) of subdivision (a) of section 335 shall be credited against the net income computed for the entire period as provided in clause (2) of subdivision (a) of section 205.

(2) In the case of a corporation which makes return for a fiscal year beginning in 1921 and ending in 1922, in computing the income

tax as provided in subdivision (b) of section 205, the war-profits and excess-profits tax computed under subdivision (b) of section 335 shall be credited against the net income computed for the entire period as provided in clause (1) of subdivision (b) of section 205.

#### PAYMENT OF CORPORATION INCOME TAX AT SOURCE.

SEC. 237. That in the case of foreign corporations subject to taxation under this title not engaged in trade or business within the United States and not having any office or place of business therein, there shall be deducted and withheld at the source in the same manner and upon the same items of income as is provided in section 221 a tax equal to 12½ per centum thereof (but during the calendar year 1921 only 10 per centum), and such tax shall be returned and paid in the same manner and subject to the same conditions as provided in that section: *Provided*, That in the case of interest described in subdivision (b) of that section the deduction and withholding shall be at the rate of 2 per centum.

#### CREDIT FOR TAXES IN CASE OF CORPORATIONS.

SEC. 238. (a) That in the case of a domestic corporation the tax imposed by this title, plus the war-profits and excess-profits taxes, if any, shall be credited with the amount of any income, war-profits, and excess-profits taxes paid during the same taxable year to any foreign country, or to any possession of the United States: *Provided*, That the amount of credit taken under this subdivision shall in no case exceed the same proportion of the taxes, against which such credit is taken, which the taxpayer's net income (computed without deduction for any income, war-profits, and excess-profits taxes imposed by any foreign country or possession of the United States) from sources without the United States bears to its entire net income (computed without such deduction) for the same taxable year. In the case of domestic insurance companies subject to the tax imposed by section 243 or 246, the term "net income", as used in this subdivision means net income as defined in sections 245 and 246, respectively.

(b) If accrued taxes when paid differ from the amounts claimed as credits by the corporation, or if any tax paid is refunded in whole or in part, the corporation shall at once notify the Commissioner, who shall redetermine the amount of the income, war-profits and excess-profits taxes for the year or years affected, and the amount of taxes due upon such redetermination, if any, shall be paid by the corporation upon notice and demand by the collector, or the amount of taxes overpaid, if any, shall be credited or refunded to the corporation in accordance with the provisions of section 252. In the case of such a tax accrued but not paid, the Commissioner as a condition precedent to the allowance of this credit may require the corporation to give a bond with sureties satisfactory to and to be approved by him in such penal sum as he may require, conditioned for the payment by the taxpayer of any amount of taxes found due upon any such redetermination; and the bond herein prescribed shall contain such further conditions as the Commissioner may require.

(c) These credits shall be allowed only if the taxpayer furnishes evidence satisfactory to the Commissioner showing the amount of income derived from sources without the United States, and all other information necessary for the verification and computation of such credit.

(d) If a domestic corporation makes a return for a fiscal year beginning in 1920 and ending in 1921, the credit for the entire fiscal year shall, notwithstanding any provision of this Act, be determined

under the provisions of this section; and the Commissioner is authorized to disallow, in whole or in part, any such credit which he finds has already been taken by the taxpayer.

(e) For the purposes of this section a domestic corporation which owns a majority of the voting stock of a foreign corporation from which it receives dividends (not deductible under section 234) in any taxable year shall be deemed to have paid the same proportion of any income, war-profits, or excess-profits taxes paid by such foreign corporation to any foreign country or to any possession of the United States, upon or with respect to the accumulated profits of such foreign corporation from which such dividends were paid, which the amount of such dividends bears to the amount of such accumulated profits: *Provided*, That the credit allowed to any domestic corporation under this subdivision shall in no case exceed the same proportion of the taxes against which it is credited, which the amount of such dividends bears to the amount of the entire net income of the domestic corporation in which such dividends are included. The term "accumulated profits" when used in this subdivision in reference to a foreign corporation, means the amount of its gains, profits, or income in excess of the income, war-profits, and excess-profits taxes imposed upon or with respect to such profits or income; and the Commissioner with the approval of the Secretary shall have full power to determine from the accumulated profits of what year or years such dividends were paid; treating dividends paid in the first sixty days of any year as having been paid from the accumulated profits of the preceding year or years (unless to his satisfaction shown otherwise), and in other respects treating dividends as having been paid from the most recently accumulated gains, profits, or earnings. In the case of a foreign corporation, the income, war-profits, and excess-profits taxes of which are determined on the basis of an accounting period of less than one year, the word "year" as used in this subdivision shall be construed to mean such accounting period.

(f) For the purposes of this section a corporation entitled to the benefits of section 262 shall be treated as a foreign corporation.

#### CORPORATION RETURNS.

SEC. 239. (a) That every corporation subject to taxation under this title and every personal service corporation shall make a return, stating specifically the items of its gross income and the deductions and credits allowed by this title. The return shall be sworn to by the president, vice president, or other principal officer and by the treasurer or assistant treasurer. If any foreign corporation has no office or place of business in the United States but has an agent in the United States, the return shall be made by the agent. In cases where receivers, trustees in bankruptcy, or assignees are operating the property or business of corporations, such receivers, trustees, or assignees shall make returns for such corporations in the same manner and form as corporations are required to make returns. Any tax due on the basis of such returns made by receivers, trustees, or assignees shall be collected in the same manner as if collected from the corporations of whose business or property they have custody and control.

(b) Returns made under this section shall be subject to the provisions of sections 226 and 228. When return is made under section 226 the credit provided in subdivision (b) of section 236 shall be reduced to an amount which bears the same ratio to the full credit therein provided as the number of months in the period for which such return is made bears to twelve months.

(c) There shall be included in the return or appended thereto a statement of such facts as will enable the Commissioner to determine the portion of the earnings or profits of the corporation (including gains, profits and income not taxed) accumulated during the taxable year for which the return is made, which have been distributed or ordered to be distributed, respectively, to its stockholders or members during such year.

#### CONSOLIDATED RETURNS OF CORPORATIONS.

SEC. 240. (a) That corporations which are affiliated within the meaning of this section may, for any taxable year beginning on or after January 1, 1922, make separate returns or, under regulations prescribed by the Commissioner with the approval of the Secretary, make a consolidated return of net income for the purpose of this title, in which case the taxes thereunder shall be computed and determined upon the basis of such return. If return is made on either of such bases, all returns thereafter made shall be upon the same basis unless permission to change the basis is granted by the Commissioner.

(b) In any case in which a tax is assessed upon the basis of a consolidated return, the total tax shall be computed in the first instance as a unit and shall then be assessed upon the respective affiliated corporations in such proportions as may be agreed upon among them, or in the absence of any such agreement, then on the basis of the net income properly assignable to each. There shall be allowed in computing the income tax only one specific credit computed as provided in subdivision (b) of section 236.

(c) For the purpose of this section two or more domestic corporations shall be deemed to be affiliated (1) if one corporation owns directly or controls through closely affiliated interests or by a nominee or nominees substantially all the stock of the other or others, or (2) if substantially all the stock of two or more corporations is owned or controlled by the same interests.

(d) For the purposes of this section a corporation entitled to the benefits of section 262 shall be treated as a foreign corporation: *Provided*, That in any case of two or more related trades or businesses (whether unincorporated or incorporated and whether organized in the United States or not) owned or controlled directly or indirectly by the same interests, the Commissioner may consolidate the accounts of such related trades and businesses, in any proper case, for the purpose of making an accurate distribution or apportionment of gains, profits, income, deductions, or capital between or among such related trades or businesses.

(e) Corporations which are affiliated within the meaning of this section shall make consolidated returns for any taxable year beginning prior to January 1, 1922, in the same manner and subject to the same conditions as provided by the Revenue Act of 1918.

#### TIME AND PLACE FOR FILING CORPORATE RETURNS.

SEC. 241. (a) That returns of corporations shall be made at the same time as is provided in subdivision (a) of section 227, except that in the case of foreign corporations not having any office or place of business in the United States returns shall be made at the same time as provided in section 227 in the case of a nonresident alien individual.

(b) Returns shall be made to the collector of the district in which is located the principal place of business or principal office or agency of the corporation, or, if it has no principal place of business or principal office or agency in the United States, then to the collector at Baltimore, Maryland.

## TAXES ON INSURANCE COMPANIES.

SEC. 242. That when used in this title the term "life insurance company" means an insurance company engaged in the business of issuing life insurance and annuity contracts (including contracts of combined life, health, and accident insurance), the reserve funds of which held for the fulfillment of such contracts comprise more than 50 per centum of its total reserve funds.

SEC. 243. That in lieu of the taxes imposed by sections 230 and 1000 and by Title III, there shall be levied, collected, and paid for the calendar year 1921 and for each taxable year thereafter upon the net income of every life insurance company a tax as follows:

(1) In the case of a domestic life insurance company, the same percentage of its net income as is imposed upon other corporations by section 230;

(2) In the case of a foreign life insurance company, the same percentage of its net income from sources within the United States as is imposed upon the net income of other corporations by section 230.

SEC. 244. (a) That in the case of a life insurance company the term "gross income" means the gross amount of income received during the taxable year from interest, dividends, and rents.

(b) The term "reserve funds required by law" includes, in the case of assessment insurance, sums actually deposited by any company or association with State or Territorial officers pursuant to law as guaranty or reserve funds, and any funds maintained under the charter or articles of incorporation of the company or association exclusively for the payment of claims arising under certificates of membership or policies issued upon the assessment plan and not subject to any other use.

SEC. 245. (a) That in the case of a life insurance company the term "net income" means the gross income less—

(1) The amount of interest received during the taxable year which under paragraph (4) of subdivision (b) of section 213 is exempt from taxation under this title;

(2) An amount equal to the excess, if any, over the deduction specified in paragraph (1) of this subdivision, of 4 per centum of the mean of the reserve funds required by law and held at the beginning and end of the taxable year, plus (in case of life insurance companies issuing policies covering life, health, and accident insurance combined in one policy issued on the weekly premium payment plan, continuing for life and not subject to cancellation) 4 per centum of the mean of such reserve funds (not required by law) held at the beginning and end of the taxable year, as the Commissioner finds to be necessary for the protection of the holders of such policies only;

(3) The amount received as dividends (A) from a domestic corporation other than a corporation entitled to the benefits of section 262, or (B) from any foreign corporation when it is shown to the satisfaction of the Commissioner that more than 50 per centum of the gross income of such foreign corporation for the three-year period ending with the close of its taxable year preceding the declaration of such dividends (or for such part of such period as the foreign corporation has been in existence) was derived from sources within the United States as determined under section 217;

(4) An amount equal to 2 per centum of any sums held at the end of the taxable year as a reserve for dividends (other than dividends payable during the year following the taxable year) the payment of which is deferred for a period of not less than five years from the date of the policy contract;

(5) Investment expenses paid during the taxable year: *Provided*, That if any general expenses are in part assigned to or included in the investment expenses, the total deduction under this paragraph shall not exceed one-fourth of 1 per centum of the book value of the mean of the invested assets held at the beginning and end of the taxable year;

(6) Taxes and other expenses paid during the taxable year exclusively upon or with respect to the real estate owned by the company, not including taxes assessed against local benefits of a kind tending to increase the value of the property assessed, and not including any amount paid out for new buildings, or for permanent improvements or betterments made to increase the value of any property. The deduction allowed by this paragraph shall be allowed in the case of taxes imposed upon a shareholder or member of a company upon his interest as shareholder or member, which are paid by the company without reimbursement from the shareholder or member, but in such cases no deduction shall be allowed the shareholder or member for the amount of such taxes;

(7) A reasonable allowance for the exhaustion, wear and tear of property, including a reasonable allowance for obsolescence. In the case of property acquired before March 1, 1913, this deduction shall be computed upon the basis of its fair market price or value as of March 1, 1913;

(8) All interest paid or accrued within the taxable year on its indebtedness, except on indebtedness incurred or continued to purchase or carry obligations or securities (other than obligations of the United States issued after September 24, 1917, and originally subscribed for by the taxpayer) the interest upon which is wholly exempt from taxation under this title;

(9) In the case of a domestic life insurance company, the net income of which (computed without the benefit of this paragraph) is \$25,000 or less, the sum of \$2,000; but if the net income is more than \$25,000 the tax imposed by section 243 shall not exceed the tax which would be payable if the \$2,000 credit were allowed, plus the amount of the net income in excess of \$25,000.

(b) No deduction shall be made under paragraphs (6) and (7) of subdivision (a) on account of any real estate owned and occupied in whole or in part by a life insurance company unless there is included in the return of gross income the rental value of the space so occupied. Such rental value shall be not less than a sum which in addition to any rents received from other tenants shall provide a net income (after deducting taxes, depreciation, and all other expenses) at the rate of 4 per centum per annum of the book value at the end of the taxable year of the real estate so owned or occupied.

(c) In the case of a foreign life insurance company the amount of its net income for any taxable year from sources within the United States shall be the same proportion of its net income for the taxable year from sources within and without the United States, which the reserve funds required by law and held by it at the end of the taxable year upon business transacted within the United States is of the reserve funds held by it at the end of the taxable year upon all business transacted.

SEC. 246. (a) That, in lieu of the taxes imposed by sections 230 and 1000, there shall be levied, collected and paid for the calendar year 1922, and for each taxable year thereafter, upon the net income of every insurance company (other than a life or mutual insurance company) a tax as follows:

(1) In the case of such a domestic insurance company the same percentage of its net income as is imposed upon other corporations by section 230;

(2) In the case of such a foreign insurance company the same percentage of its net income from sources within the United States as is imposed upon the net income of other corporations by section 230.

(b) In the case of an insurance company subject to the tax imposed by this section—

(1) The term "gross income" means the combined gross amount, earned during the taxable year, from investment income and from underwriting income as provided in this subdivision, computed on the basis of the underwriting and investment exhibit of the annual statement approved by the National Convention of Insurance Commissioners;

(2) The term "net income" means the gross income as defined in paragraph (1) of this subdivision less the deductions allowed by section 247;

(3) The term "investment income" means the gross amount of income earned during the taxable year from interest, dividends and rents, computed as follows:

To all interest, dividends and rents received during the taxable year, add interest, dividends and rents due and accrued at the end of the taxable year, and deduct all interest, dividends and rents due and accrued at the end of the preceding taxable year;

(4) The term "underwriting income" means the premiums earned on insurance contracts during the taxable year less losses incurred and expenses incurred;

(5) The term "premiums earned on insurance contracts during the taxable year" means an amount computed as follows:

From the amount of gross premiums written on insurance contracts during the taxable year, deduct return premiums and premiums paid for reinsurance. To the result so obtained add unearned premiums on outstanding business at the end of the preceding taxable year and deduct unearned premiums on outstanding business at the end of the taxable year;

(6) The term "losses incurred" means losses incurred during the taxable year on insurance contracts, computed as follows:

To losses paid during the taxable year, add salvage and reinsurance recoverable outstanding at the end of the preceding taxable year, and deduct salvage and reinsurance recoverable outstanding at the end of the taxable year. To the result so obtained add all unpaid losses outstanding at the end of the taxable year and deduct unpaid losses outstanding at the end of the preceding taxable year;

(7) The term "expenses incurred" means all expenses shown on the annual statement approved by the National Convention of Insurance Commissioners, and shall be computed as follows:

To all expenses paid during the taxable year add expenses unpaid at the end of the taxable year and deduct expenses unpaid at the end of the preceding taxable year. For the purpose of computing the net income subject to the tax imposed by this section there shall be deducted from expenses incurred as defined in this paragraph all expenses incurred which are not allowed as deductions by section 247.

SEC. 247. (a) That in computing the net income of an insurance company subject to the tax imposed by section 246 there shall be allowed as deductions:

(1) All ordinary and necessary expenses incurred, as provided in paragraph (1) of subdivision (a) of section 234;

(2) All interest as provided in paragraph (2) of subdivision (a) of section 234;

(3) Taxes as provided in paragraph (3) of subdivision (a) of section 234;

(4) Losses incurred;

(5) Bad debts in the nature of agency balances and bills receivable ascertained to be worthless and charged off within the taxable year;

(6) The amount received as dividends from corporations as provided in paragraph (6) of subdivision (a) of section 234;

(7) The amount of interest earned during the taxable year which under paragraph (4) of subdivision (b) of section 213 is exempt from taxation under this title, and the amount of interest allowed as a credit under subdivision (a) of section 236;

(8) A reasonable allowance, for the exhaustion, wear and tear of property, as provided in paragraph (7) of subdivision (a) of section 234;

(9) In the case of such a domestic insurance company, the net income of which (computed without the benefit of this paragraph) is \$25,000 or less, the sum of \$2,000; but if the net income is more than \$25,000 the tax imposed by section 246 shall not exceed the tax which would be payable if the \$2,000 credit were allowed, plus the amount of the net income in excess of \$25,000.

(b) In the case of a foreign corporation the deductions allowed in this section shall be allowed to the extent provided in subdivision (b) of section 234.

(c) Nothing in this section or in section 246 shall be construed to permit the same item to be twice deducted.

#### PART IV.—ADMINISTRATIVE PROVISIONS.

##### PAYMENT OF TAXES.

SEC. 250. (a) That except as otherwise provided in this section and sections 221 and 237 the tax shall be paid in four installments, each consisting of one-fourth of the total amount of the tax. The first installment shall be paid at the time fixed by law for filing the return, and the second installment shall be paid on the fifteenth day of the third month, the third installment on the fifteenth day of the sixth month, and the fourth installment on the fifteenth day of the ninth month, after the time fixed by law for filing the return. Where an extension of time for filing a return is granted the time for payment of the first installment shall be postponed until the date of the expiration of the period of the extension, but the time for payment of the other installments shall not be postponed unless the Commissioner so provides in granting the extension. In any case in which the time for the payment of any installment is at the request of the taxpayer thus postponed, there shall be added as a part of such installment interest thereon at the rate of one-half of 1 per centum per month from the time it would have been due if no extension had been granted, until paid. If any installment is not paid when due, the whole amount of the tax unpaid shall become due and payable upon notice and demand by the collector.

The tax may at the option of the taxpayer be paid in a single payment instead of installments, in which case the total amount shall be paid on or before the time fixed by law for filing the return, or, where an extension of time for filing the return has been granted, on or before the expiration of the period of such extension.

(b) As soon as practicable after the return is filed, the Commissioner shall examine it. If it then appears that the correct amount of the tax is greater or less than that shown in the return, the installments shall be recomputed. If the amount already paid exceeds that which should have been paid on the basis of the installments as recomputed, the excess so paid shall be credited against the subsequent installments; and if the amount already paid exceeds the correct amount of the tax, the excess shall be credited or refunded to the taxpayer in accordance with the provisions of section 252.

If the amount already paid is less than that which should have been paid, the difference, to the extent not covered by any credits due to the taxpayer under section 252 (hereinafter called "deficiency"), together with interest thereon at the rate of one-half of 1 per centum per month from the time the tax was due (or, if paid on the installment basis, on the deficiency of each installment from the time the installment was due), shall be paid upon notice and demand by the collector. If any part of the deficiency is due to negligence or intentional disregard of authorized rules and regulations with knowledge thereof, but without intent to defraud, there shall be added as part of the tax 5 per centum of the total amount of the deficiency in the tax, and interest in such a case shall be collected at the rate of 1 per centum per month on the amount of such deficiency in the tax from the time it was due (or, if paid on the installment basis, on the amount of the deficiency in each installment from the time the installment was due), which penalty and interest shall become due and payable upon notice and demand by the collector. If any part of the deficiency is due to fraud with intent to evade tax, then, in lieu of the penalty provided by section 3176 of the Revised Statutes, as amended, for false or fraudulent returns willfully made, but in addition to other penalties provided by law for false or fraudulent returns, there shall be added as part of the tax 50 per centum of the total amount of the deficiency in the tax. In such case the whole amount of the tax unpaid, including the penalty so added, shall become due and payable upon notice and demand by the collector.

(c) If the return is made pursuant to section 3176 of the Revised Statutes as amended, the amount of tax determined to be due under such return shall be paid upon notice and demand by the collector.

(d) The amount of income, excess-profits, or war-profits taxes due under any return made under this Act for the taxable year 1921 or succeeding taxable years shall be determined and assessed by the Commissioner within four years after the return was filed, and the amount of any such taxes due under any return made under this Act for prior taxable years or under prior income, excess-profits, or war-profits tax Acts, or under section 38 of the Act entitled "An Act to provide revenue, equalize duties, and encourage the industries of the United States, and for other purposes," approved August 5, 1909, shall be determined and assessed within five years after the return was filed, unless both the Commissioner and the taxpayer consent in writing to a later determination, assessment, and collection of the tax, and no suit or proceeding for the collection of any such taxes due under this Act or under prior income, excess-profits, or war-profits tax Acts, or of any taxes due under section 38 of such Act of August 5, 1909, shall be begun, after the expiration of five years after the date when such return was filed, but this shall not affect suits or proceedings begun at the time of the passage of this Act: *Provided*, That in the case of income received during the lifetime of a decedent, all taxes due thereon shall be determined and assessed by the Commissioner within one year after written request therefor by the executor, administrator, or other fiduciary representing the estate of such decedent: *Provided further*, That in the case of a false or fraudulent return with intent to evade tax, or of a failure to file a required return, the amount of tax due may be determined, assessed, and collected, and a suit or proceeding for the collection of such amount may be begun, at any time after it becomes due: *Provided further*, That in cases coming within the scope of paragraph (9) of subdivision (a) of section 214, or of paragraph (8) of subdivision (a) of section 234, or in cases of final settlement of losses and other deductions tentatively allowed by the Commissioner pending a determination of the exact amount deductible, the amount of tax or deficiency

in tax due may be determined, assessed, and collected at any time; but prior to the assessment thereof the taxpayer shall be notified and given a period of not less than thirty days in which to file an appeal and be heard as hereinafter provided in this subdivision.

If upon examination of a return made under the Revenue Act of 1916, the Revenue Act of 1917, the Revenue Act of 1918, or this Act, a tax or a deficiency in tax is discovered, the taxpayer shall be notified thereof and given a period of not less than thirty days after such notice is sent by registered mail in which to file an appeal and show cause or reason why the tax or deficiency should not be paid. Opportunity for hearing shall be granted and a final decision thereon shall be made as quickly as practicable. Any tax or deficiency in tax then determined to be due shall be assessed and paid, together with the penalty and interest, if any, applicable thereto, within ten days after notice and demand by the collector as hereinafter provided, and in such cases no claim in abatement of the amount so assessed shall be entertained: *Provided*, That in cases where the Commissioner believes that the collection of the amount due will be jeopardized by such delay he may make the assessment without giving such notice or awaiting the conclusion of such hearing.

(e) If any tax remains unpaid after the date when it is due, and for ten days after notice and demand by the collector, then, except in the case of estates of insane, deceased, or insolvent persons, there shall be added as part of the tax the sum of 5 per centum on the amount due but unpaid, plus interest at the rate of 1 per centum per month upon such amount from the time it became due: *Provided*, That as to any such amount which is the subject of a bona fide claim for abatement filed within ten days after notice and demand by the collector, where the taxpayer has not had the benefit of the provisions of subdivision (d), such sum of 5 per centum shall not be added and the interest from the time the amount was due until the claim is decided shall be at the rate of one-half of 1 per centum per month on that part of the claim rejected.

In the case of the first installment provided for in subdivision (a) the instructions printed on the return shall be sufficient notice of the date when the tax is due and sufficient demand, and the taxpayer's computation of the tax on the return shall be sufficient notice of the amount due. In the case of each subsequent installment the collector may, within thirty days and not later than ten days before the installment becomes due, mail to the taxpayer notice of the amount of the installment and the date on which it is due for payment. Such notice of the collector shall be sufficient notice and sufficient demand under this section.

(f) In the case of any deficiency (except where the deficiency is due to negligence or to fraud with intent to evade tax) where it is shown to the satisfaction of the Commissioner that the payment of such deficiency would result in undue hardship to the taxpayer, the Commissioner may, with the approval of the Secretary, extend the time for the payment of such deficiency or any part thereof for such period not in excess of eighteen months from the passage of this Act as the Commissioner may determine. In such case the Commissioner may require the taxpayer to furnish a bond with sufficient sureties conditioned upon the payment of the deficiency in accordance with the terms of the extension granted. There shall be added in lieu of other interest provided by law, as a part of such deficiency, interest thereon at the rate of two-thirds of 1 per centum per month from the time such extension is granted; except where such other interest provided by law is in excess of interest at the rate of two-thirds of 1 per centum per month. If the deficiency or any part thereof is not paid in accordance with the terms of the extension granted, there

shall be added as part of the deficiency, in lieu of other interest and penalties provided by law, the sum of 5 per centum of the deficiency and interest on the deficiency at the rate of 1 per centum per month from the time it becomes payable in accordance with the terms of such extension.

(g) If the Commissioner finds that a taxpayer designs quickly to depart from the United States or to remove his property therefrom, or to conceal himself or his property therein, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect the tax for the taxable year then last past or the taxable year then current unless such proceedings be brought without delay, the Commissioner shall declare the taxable period for such taxpayer immediately terminated and shall cause notice of such finding and declaration to be given the taxpayer, together with a demand for immediate payment of the tax for the taxable period so declared terminated and of the tax for the preceding taxable year or so much of said tax as is unpaid, whether or not the time otherwise allowed by law for filing return and paying the tax has expired; and such taxes shall thereupon become immediately due and payable. In any action or suit brought to enforce payment of taxes made due and payable by virtue of the provisions of this subdivision the finding of the Commissioner, made as herein provided, whether made after notice to the taxpayer or not, shall be for all purposes presumptive evidence of the taxpayer's design. A taxpayer who is not in default in making any return or paying income, war-profits, or excess-profits tax under any Act of Congress may furnish to the United States, under regulations to be prescribed by the Commissioner with the approval of the Secretary, security approved by the Commissioner that he will duly make the return next thereafter required to be filed and pay the tax next thereafter required to be paid. The Commissioner may approve and accept in like manner security for return and payment of taxes made due and payable by virtue of the provisions of this subdivision, provided the taxpayer has paid in full all other income, war-profits, or excess-profits taxes due from him under any Act of Congress. If security is approved and accepted pursuant to the provisions of this subdivision and such further or other security with respect to the tax or taxes covered thereby is given as the Commissioner shall from time to time find necessary and require, payment of such taxes shall not be enforced by any proceedings under the provisions of this subdivision prior to the expiration of the time otherwise allowed for paying such respective taxes. In the case of a citizen of the United States about to depart from the United States the Commissioner may, at his discretion, waive any or all of the requirements placed on the taxpayer by this subdivision. No alien shall depart from the United States unless he first secures from the collector or agent in charge a certificate that he has complied with all the obligations imposed upon him by the income, war-profits, and excess-profits tax laws. If a taxpayer violates or attempts to violate this subdivision there shall, in addition to all other penalties, be added as part of the tax 25 per centum of the total amount of the tax or deficiency in the tax, together with interest at the rate of 1 per centum per month from the time the tax became due.

(h) The provisions of subdivisions (e), (f) and (g) of this section shall apply to the assessment and collection of taxes which have accrued or may accrue under the Revenue Act of 1917, the Revenue Act of 1918 or this Act.

#### RECEIPTS FOR TAXES.

SEC. 251. That every collector to whom any payment of any tax is made under the provisions of this title shall upon request give to

the person making such payment a full written or printed receipt, stating the amount paid and the particular account for which such payment was made; and whenever any debtor pays taxes on account of payments made or to be made by him to separate creditors the collector shall, if requested by such debtor, give a separate receipt for the tax paid on account of each creditor in such form that the debtor can conveniently produce such receipts separately to his several creditors in satisfaction of their respective demands up to the amounts stated in the receipts; and such receipt shall be sufficient evidence in favor of such debtor to justify him in withholding from his next payment to his creditor the amount therein stated; but the creditor may, upon giving to his debtor a full written receipt acknowledging the payment to him of any sum actually paid and accepting the amount of tax paid as aforesaid (specifying the same) as a further satisfaction of the debt to that amount, require the surrender to him of such collector's receipt.

#### REFUNDS.

SEC. 252. That if, upon examination of any return of income made pursuant to this Act, the Act of August 5, 1909, entitled "An Act to provide revenue, equalize duties, and encourage the industries of the United States, and for other purposes," the Act of October 3, 1913, entitled "An Act to reduce tariff duties and to provide revenue for the Government, and for other purposes," the Revenue Act of 1916, as amended, the Revenue Act of 1917, or the Revenue Act of 1918, it appears that an amount of income, war-profits or excess-profits tax has been paid in excess of that properly due, then, notwithstanding the provisions of section 3228 of the Revised Statutes, the amount of the excess shall be credited against any income, war-profits or excess-profits taxes, or installment thereof, then due from the taxpayer under any other return, and any balance of such excess shall be immediately refunded to the taxpayer: *Provided*, That no such credit or refund shall be allowed or made after five years from the date when the return was due, unless before the expiration of such five years a claim therefor is filed by the taxpayer: *Provided further*, That if upon examination of any return of income made pursuant to the Revenue Act of 1917, the Revenue Act of 1918, or this Act, the invested capital of a taxpayer is decreased by the Commissioner, and such decrease is due to the fact that the taxpayer failed to take adequate deductions in previous years, with the result that an amount of income tax in excess of that properly due was paid in any previous year or years, then, notwithstanding any other provision of law and regardless of the expiration of such five-year period, the amount of such excess shall, without the filing of any claim therefor, be credited or refunded as provided in this section: *And provided further*, That nothing in this section shall be construed to bar from allowance claims for refund filed prior to the passage of the Revenue Act of 1918 under subdivision (a) of section 14 of the Revenue Act of 1916, or filed prior to the passage of this Act under section 252 of the Revenue Act of 1918.

#### PENALTIES.

SEC. 253. That any individual, corporation, or partnership required under this title to pay or collect any tax, to make a return or to supply information, who fails to pay or collect such tax, to make such return, or to supply such information at the time or times required under this title, shall be liable to a penalty of not more than \$1,000. Any individual, corporation, or partnership, or any officer or employee of any corporation or member or employee of a partnership, who willfully refuses to pay or collect such tax, to make such return,

or to supply such information at the time or times required under this title, or who willfully attempts in any manner to defeat or evade the tax imposed by this title, shall be guilty of a misdemeanor and shall be fined not more than \$10,000 or imprisoned for not more than one year, or both, together with the costs of prosecution.

#### RETURNS OF PAYMENTS OF DIVIDENDS.

SEC. 254. That every corporation subject to the tax imposed by this title and every personal service corporation shall, when required by the Commissioner, render a correct return, duly verified under oath, of its payments of dividends, stating the name and address of each stockholder, the number of shares owned by him, and the amount of dividends paid to him.

#### RETURNS OF BROKERS.

SEC. 255. That every individual, corporation, or partnership doing business as a broker shall, when required by the Commissioner, render a correct return duly verified under oath, under such rules and regulations as the Commissioner, with the approval of the Secretary, may prescribe, showing the names of customers for whom such individual, corporation, or partnership has transacted any business, with such details as to the profits, losses, or other information which the Commissioner may require, as to each of such customers, as will enable the Commissioner to determine whether all income tax due on profits or gains of such customers has been paid.

#### INFORMATION AT SOURCE.

SEC. 256. That all individuals, corporations, and partnerships, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, and employers, making payment to another individual, corporation, or partnership, of interest, rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable gains, profits, and income (other than payments described in sections 254 and 255), of \$1,000 or more in any taxable year, or, in the case of such payments made by the United States, the officers or employees of the United States having information as to such payments and required to make returns in regard thereto by the regulations hereinafter provided for, shall render a true and accurate return to the Commissioner, under such regulations and in such form and manner and to such extent as may be prescribed by him with the approval of the Secretary, setting forth the amount of such gains, profits, and income, and the name and address of the recipient of such payment.

Such returns may be required, regardless of amounts, (1) in the case of payments of interest upon bonds, mortgages, deeds of trust, or other similar obligations of corporations, and (2) in the case of collections of items (not payable in the United States) of interest upon the bonds of foreign countries and interest upon the bonds of and dividends from foreign corporations by individuals, corporations, or partnerships, undertaking as a matter of business or for profit the collection of foreign payments of such interest or dividends by means of coupons, checks, or bills of exchange.

When necessary to make effective the provisions of this section the name and address of the recipient of income shall be furnished upon demand of the individual, corporation, or partnership paying the income.

The provisions of this section shall apply to the calendar year 1921 and each calendar year thereafter, but shall not apply to the payment of interest on obligations of the United States.

**RETURNS TO BE PUBLIC RECORDS.**

SEC. 257. That returns upon which the tax has been determined by the Commissioner shall constitute public records, but they shall be open to inspection only upon order of the President and under rules and regulations prescribed by the Secretary and approved by the President: *Provided*, That the proper officers of any State imposing an income tax may, upon the request of the governor thereof, have access to the returns of any corporation, or to an abstract thereof showing the name and income of the corporation, at such times and in such manner as the Secretary may prescribe: *Provided further*, That all bona fide stockholders of record owning 1 per centum or more of the outstanding stock of any corporation shall, upon making request of the Commissioner, be allowed to examine the annual income returns of such corporation and of its subsidiaries. Any stockholder who pursuant to the provisions of this section is allowed to examine the return of any corporation, and who makes known in any manner whatever not provided by law the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any such return, shall be guilty of a misdemeanor and be punished by a fine not exceeding \$1,000, or by imprisonment not exceeding one year, or both.

The Commissioner shall as soon as practicable in each year cause to be prepared and made available to public inspection in such manner as he may determine, in the office of the collector in each internal-revenue district and in such other places as he may determine, lists containing the names and the post-office addresses of all individuals making income-tax returns in such district.

**PUBLICATION OF STATISTICS.**

SEC. 258. That the Commissioner, with the approval of the Secretary, shall prepare and publish annually statistics reasonably available with respect to the operation of the income, war-profits and excess-profits tax laws, including classifications of taxpayers and of income, the amounts allowed as deductions, exemptions, and credits, and any other facts deemed pertinent and valuable.

**COLLECTION OF FOREIGN ITEMS.**

SEC. 259. That all individuals, corporations, or partnerships undertaking as a matter of business or for profit the collection of foreign payments of interest or dividends by means of coupons, checks, or bills of exchange shall obtain a license from the Commissioner and shall be subject to such regulations enabling the Government to obtain the information required under this title as the Commissioner, with the approval of the Secretary, shall prescribe; and whoever knowingly undertakes to collect such payments without having obtained a license therefor, or without complying with such regulations, shall be guilty of a misdemeanor and shall be fined not more than \$5,000, or imprisoned for not more than one year, or both.

**CITIZENS OF POSSESSIONS OF THE UNITED STATES.**

SEC. 260. That any individual who is a citizen of any possession of the United States (but not otherwise a citizen of the United States) and who is not a resident of the United States, shall be subject to taxation under this title only as to income derived from sources within the United States, and in such case the tax shall be computed and paid in the same manner and subject to the same conditions as in the case of other persons who are taxable only as to income derived from such sources.

Nothing in this section shall be construed to alter or amend the provisions of the Act entitled "An Act making appropriations for the naval service for the fiscal year ending June 30, 1922, and for other purposes," approved July 12, 1921, relating to the imposition of income taxes in the Virgin Islands of the United States.

**PORTO RICO AND PHILIPPINE ISLANDS.**

SEC. 261. That in Porto Rico and the Philippine Islands the income tax shall be levied, assessed, collected, and paid as provided by law prior to the passage of this Act.

The Porto Rican or Philippine Legislature shall have power by due enactment to amend, alter, modify, or repeal the income tax laws in force in Porto Rico or the Philippine Islands, respectively.

**INCOME FROM SOURCES WITHIN THE POSSESSIONS OF THE UNITED STATES.**

SEC. 262. (a) That in the case of citizens of the United States or domestic corporations, satisfying the following conditions, gross income means only gross income from sources within the United States—

(1) If 80 per centum or more of the gross income of such citizen or domestic corporation (computed without the benefit of this section) for the three-year period immediately preceding the close of the taxable year (or for such part of such period immediately preceding the close of such taxable year as may be applicable) was derived from sources within a possession of the United States; and

(2) If, in the case of such corporation, 50 per centum or more of its gross income (computed without the benefit of this section) for such period or such part thereof was derived from the active conduct of a trade or business within a possession of the United States; or

(3) If, in the case of such citizen, 50 per centum or more of his gross income (computed without the benefit of this section) for such period or such part thereof was derived from the active conduct of a trade or business within a possession of the United States either on his own account or as an employee or agent of another.

(b) Notwithstanding the provisions of subdivision (a) there shall be included in gross income all amounts received by such citizens or corporations within the United States, whether derived from sources within or without the United States.

(c) As used in this section the term "possession, of the United States" does not include the Virgin Islands of the United States.

**EFFECTIVE DATE OF TITLE.**

SEC. 263. That this title shall take effect as of January 1, 1921.

**TITLE III.—WAR-PROFITS AND EXCESS-PROFITS TAX FOR 1921.**

**PART I.—GENERAL DEFINITIONS.**

SEC. 300. That when used in this title the terms "taxable year," "fiscal year," "personal service corporation," "paid or accrued," and "dividends" shall have the same meaning as provided for the purposes of income tax in sections 200 and 201.

## PART II.—IMPOSITION OF TAX.

SEC. 301. (a) That in lieu of the tax imposed by Title III of the Revenue Act of 1918, but in addition to the other taxes imposed by this Act, there shall be levied, collected and paid for the calendar year 1921 upon the net income of every corporation (except corporations taxable under subdivision (b) of this section) a tax equal to the sum of the following:

## FIRST BRACKET.

20 per centum of the amount of the net income in excess of the excess-profits credit (determined under section 312) and not in excess of 20 per centum of the invested capital;

## SECOND BRACKET.

40 per centum of the amount of the net income in excess of 20 per centum of the invested capital.

(b) For the calendar year 1921 there shall be levied, collected, and paid upon the net income of every corporation which derives in such year a net income of more than \$10,000 from any Government contract or contracts made between April 6, 1917, and November 11, 1918, both dates inclusive, a tax equal to the sum of the following:

(1) Such a portion of a tax computed at the rates specified in subdivision (a) of section 301 of the Revenue Act of 1918, as the part of the net income attributable to such Government contract or contracts bears to the entire net income. In computing such tax the excess-profits credit and the war-profits credit which would be applicable to such calendar year under the Revenue Act of 1918 if it had been continued in force, shall be used;

(2) Such a portion of a tax computed at the rates specified in subdivision (a) of this section as the part of the net income not attributable to such Government contract or contracts bears to the entire net income.

For the purpose of determining the part of the net income attributable to such Government contract or contracts, the proper apportionment and allocation of the deductions with respect to gross income derived from such Government contract or contracts and from other sources, respectively, shall be determined under rules and regulations prescribed by the Commissioner with the approval of the Secretary.

(c) In any case where the full amount of the excess-profits credit is not allowed under the first bracket of subdivision (a), by reason of the fact that such credit is in excess of 20 per centum of the invested capital, the part not so allowed shall be deducted from the amount in the second bracket.

SEC. 302. That the tax imposed by subdivision (a) of section 301 shall in no case be more than 20 per centum of the amount of the net income in excess of \$3,000 and not in excess of \$20,000, plus 40 per centum of the amount of the net income in excess of \$20,000, and the limitations imposed by section 302 of the Revenue Act of 1918 (upon taxes computed under subdivision (c) of section 301 of that Act) are hereby made applicable to taxes computed under subdivision (b) of section 301 of this Act. Nothing in this section shall be construed in such manner as to increase the tax imposed by section 301 of this Act.

SEC 303. That if part of the net income of a corporation is derived (1) from a trade or business (or a branch of a trade or business) in which the employment of capital is necessary, and (2) a part (constituting not less than 30 per centum of its total net income) is de-

rived from a separate trade or business (or a distinctly separate branch of the trade or business) which if constituting the sole trade or business would bring it within the class of "personal service corporations," then (under regulations prescribed by the Commissioner with the approval of the Secretary) the tax upon the first part of such net income shall be separately computed (allowing in such computation only the same proportionate part of the credits authorized in section 312), and the tax upon the second part shall be the same percentage thereof as the tax so computed upon the first part is of such first part: *Provided*, That the tax upon such second part shall in no case be less than 20 per centum thereof, unless the tax upon the entire net income, if computed without benefit of this section, would constitute less than 20 per centum of such entire net income, in which event the tax shall be determined upon the entire net income, without reference to this section, as other taxes are determined under this title. The total tax computed under this section shall be subject to the limitations provided in section 302.

SEC. 304. (a) That the corporations enumerated in section 231 shall, to the extent that they are exempt from income tax under Title II, be exempt from taxation under this title.

(b) Any corporation whose net income for the taxable year is less than \$3,000 shall be exempt from taxation under this title.

(c) In the case of any corporation engaged in the mining of gold, the portion of the net income derived from the mining of gold shall be exempt from the tax imposed by this title or any tax imposed by Title II of the Revenue Act of 1917, and the tax on the remaining portion of the net income shall be the same proportion of a tax computed without the benefit of this subdivision which such remaining portion of the net income bears to the entire net income.

SEC. 305. That if a tax is computed under this title for a period of less than twelve months, the specific exemption of \$3,000, wherever referred to in this title, shall be reduced to an amount which is the same proportion of \$3,000 as the number of months in the period is of twelve months.

### PART III.—EXCESS-PROFITS CREDIT.

SEC. 312. That the excess-profits credit shall consist of a specific exemption of \$3,000 plus an amount equal to 8 per centum of the invested capital for the taxable year.

A foreign corporation or a corporation entitled to the benefits of section 262 shall not be entitled to the specific exemption of \$3,000.

### PART IV.—NET INCOME.

SEC. 320. That for the purpose of this title the net income of a corporation shall be ascertained and returned for the taxable year upon the same basis and in the same manner as provided for income tax purposes in Title II of this Act.

### PART V.—INVESTED CAPITAL.

SEC. 325. (a) That as used in this title—

The term "intangible property" means patents, copyrights, secret processes and formulae, good will, trade-marks, trade-brands, franchises, and other like property;

The term "tangible property" means stocks, bonds, notes, and other evidences of indebtedness, bills and accounts receivable, leaseholds, and other property other than intangible property;

The term "borrowed capital" means money or other property borrowed, whether represented by bonds, notes, open accounts, or otherwise;

The term "inadmissible assets" means stocks, bonds, and other obligations (other than obligations of the United States), the dividends or interest from which is not included in computing net income, but where the income derived from such assets consists in part of gain or profit derived from the sale or other disposition thereof, or where all or part of the interest derived from such assets is in effect included in the net income because of the limitation on the deduction of interest under paragraph (2) of subdivision (a) of section 234, a corresponding part of the capital invested in such assets shall not be deemed to be inadmissible assets;

The term "admissible assets" means all assets other than inadmissible assets, valued in accordance with the provisions of subdivision (a) of section 326 and section 331.

(b) For the purposes of this title the par value of stock or shares shall, in the case of stock or shares issued at a nominal value or having no par value, be deemed to be the fair market value as of the date or dates of issue of such stock or shares.

SEC. 326. (a) That as used in this title the term "invested capital" for any year means (except as provided in subdivision (b) and (c) of this section):

(1) Actual cash bona fide paid in for stock or shares;

(2) Actual cash value of tangible property, other than cash, bona fide paid in for stock or shares, at the time of such payment, but in no case to exceed the par value of the original stock or shares specifically issued therefor, unless the actual cash value of such tangible property at the time paid in is shown to the satisfaction of the Commissioner to have been clearly and substantially in excess of such par value, in which case such excess shall be treated as paid-in surplus: *Provided*, That the Commissioner shall keep a record of all cases in which tangible property is included in invested capital at a value in excess of the stock or shares issued therefor, containing the name and address of each taxpayer, the business in which engaged, the amount of invested capital and net income shown by the return, the value of the tangible property at the time paid in, the par value of the stock or shares specifically issued therefor, and the amount included under this paragraph as paid-in surplus. The Commissioner shall furnish a copy of such record and other detailed information with respect to such cases when required by resolution of either House of Congress, without regard to the restrictions contained in section 257;

(3) Paid-in or earned surplus and undivided profits; not including surplus and undivided profits earned during the year;

(4) Intangible property bona fide paid in for stock or shares prior to March 3, 1917, in an amount not exceeding (a) the actual cash value of such property at the time paid in, (b) the par value of the stock or shares issued therefor, or (c) in the aggregate 25 per centum of the par value of the total stock or shares of the corporation outstanding on March 3, 1917, whichever is lowest;

(5) Intangible property bona fide paid in for stock or shares on or after March 3, 1917, in an amount not exceeding (a) the actual cash value of such property at the time paid in, (b) the par value of the stock or shares issued therefor, or (c) in the aggregate 25 per centum of the par value of the total stock or shares of the corporation outstanding at the beginning of the taxable year, whichever is lowest: *Provided*, That in no case shall the total amount included under paragraphs (4) and (5) exceed in the aggregate 25 per centum of the par value of the total stock or shares of the corporation outstanding at the beginning of the taxable year; but

(b) As used in this title the term "invested capital" does not include borrowed capital.

(c) There shall be deducted from invested capital as above defined a percentage thereof equal to the percentage which the amount of inadmissible assets is of the amount of admissible and inadmissible assets held during the taxable year.

(d) The invested capital for any period shall be the average invested capital for such period, but in the case of a corporation making a return for a fractional part of a year, it shall be the same fractional part of such average invested capital.

SEC. 327. That in the following cases the tax shall be determined as provided in section 328:

(a) Where the Commissioner is unable to determine the invested capital as provided in section 326;

(b) In the case of a foreign corporation or of a corporation entitled to the benefits of section 262;

(c) Where a mixed aggregate of tangible property and intangible property has been paid in for stock or for stock and bonds and the Commissioner is unable satisfactorily to determine the respective values of the several classes of property at the time of payment, or to distinguish the classes of property paid in for stock and for bonds, respectively;

(d) Where upon application by the corporation the Commissioner finds and so declares of record that the tax if determined without benefit of this section would, owing to abnormal conditions affecting the capital or income of the corporation, work upon the corporation an exceptional hardship evidenced by gross disproportion between the tax computed without benefit of this section and the tax computed by reference to the representative corporations specified in section 328. This subdivision shall not apply to any case (1) in which the tax (computed without benefit of this section) is high merely because the corporation earned within the taxable year a high rate of profit upon a normal invested capital, nor (2) in which 50 per centum or more of the gross income of the corporation for the taxable year (computed under section 233 of Title II) consists of gains, profits, commissions, or other income, derived on a cost-plus basis from a Government contract or contracts made between April 6, 1917, and November 11, 1918, both dates inclusive.

SEC. 328. (a) That in the cases specified in section 327 the tax shall be the amount which bears the same ratio to the net income of the taxpayer (in excess of the specific exemption of \$3,000) for the taxable year, as the average tax of representative corporations engaged in a like or similar trade or business, bears to their average net income (in excess of the specific exemption of \$3,000) for such year. In the case of a foreign corporation or of a corporation entitled to the benefits of section 262 the tax shall be computed without deducting the specific exemption of \$3,000 either for the taxpayer or the representative corporations.

In computing the tax under this section the Commissioner shall compare the taxpayer only with representative corporations whose invested capital can be satisfactorily determined under section 326 and which are, as nearly as may be, similarly circumstanced with respect to gross income, net income, profits per unit of business transacted and capital employed, the amount and rate of war profits or excess profits, and all other relevant facts and circumstances.

(b) For the purposes of subdivision (a) the ratios between the average tax and the average net income of representative corporations shall be determined by the Commissioner in accordance with regulations prescribed by him with the approval of the Secretary.

(c) The Commissioner shall keep a record of all cases in which the tax is determined in the manner prescribed in subdivision (a), containing the name and address of each taxpayer, the business in which engaged, the amount of invested capital and net income shown by the return, and the amount of invested capital as determined under such subdivision. The Commissioner shall furnish a copy of such record and other detailed information with respect to such cases when required by resolution of either House of Congress, without regard to the restrictions contained in section 257.

#### PART VI.—REORGANIZATIONS.

SEC. 331. That in the case of the reorganization, consolidation, or change of ownership of a trade or business, or change of ownership of property, after March 3, 1917, if an interest or control in such trade or business or property of 50 per centum or more remains in the same persons, or any of them, then no asset transferred or received from the previous owner shall, for the purpose of determining invested capital, be allowed a greater value than would have been allowed under this title in computing the invested capital of such previous owner if such asset had not been so transferred or received: *Provided*, That if such previous owner was not a corporation, then the value of any asset so transferred or received shall be taken at its cost of acquisition (at the date when acquired by such previous owner) with proper allowance for depreciation, impairment, betterment or development, but no addition to the original cost shall be made for any charge or expenditure deducted as expense or otherwise on or after March 1, 1913, in computing the net income of such previous owner for purposes of taxation.

#### PART VII.—MISCELLANEOUS.

SEC. 335. SEC. 402. That the value of the gross estate of the decedent shall be determined by including the value at the time of his death of all property, real or personal, tangible or intangible, wherever situated—

(a) To the extent of the interest therein of the decedent at the time of his death which after his death is subject to the payment of the charges against his estate and the expenses of its administration and is subject to distribution as part of his estate;

(b) To the extent of any interest therein of the surviving spouse, existing at the time of the decedent's death as dower, curtesy, or by virtue of a statute creating an estate in lieu of dower or curtesy;

(c) To the extent of any interest therein of which the decedent has at any time made a transfer, or with respect to which he has at any time created a trust, in contemplation of or intended to take effect in possession or enjoyment at or after his death (whether such transfer or trust is made or created before or after the passage of this Act), except in case of a bona fide sale for a fair consideration in money or money's worth. Any transfer of a material part of his property in the nature of a final disposition or distribution thereof, made by the decedent within two years prior to his death without such a consideration, shall, unless shown to the contrary, be deemed to have been made in contemplation of death within the meaning of this title;

(d) To the extent of the interest therein held jointly or as tenants in the entirety by the decedent and any other person, or deposited in banks or other institutions in their joint names and payable to either or the survivor, except such part thereof as may be shown to have originally belonged to such other person and never to have been received or acquired by the latter from the decedent for less than a fair consideration in money or money's worth: *Provided*, That where such property or any part thereof, or part of the consideration with which such property was acquired, is shown to have been at any time acquired by such other person from the decedent for less than a fair consideration in money or money's worth, there shall be excepted only such part of the value of such property as is proportionate to the consideration furnished by such other person: *Provided further*, That where any property has been acquired by gift, bequest, devise, or inheritance, as a tenancy in the entirety by the decedent and spouse, or where so acquired by the decedent and any other person as joint tenants and their interests are not otherwise

(e) To the extent of any property passing under a general power of appointment exercised by the decedent (1) by will, or (2) by deed executed in contemplation of, or intended to take effect in possession or enjoyment at or after, his death, except in case of a bona fide sale for a fair consideration in money or money's worth; and

(f) To the extent of the amount receivable by the executor as insurance under policies taken out by the decedent upon his own life; and to the extent of the excess over \$40,000 of the amount receivable by all other beneficiaries as insurance under policies taken out by the decedent upon his own life.

SEC. 403. That for the purpose of the tax the value of the net estate shall be determined—

(a) In the case of a resident, by deducting from the value of the gross estate—

(1) Such amounts for funeral expenses, administration expenses, claims against the estate, unpaid mortgages upon, or any indebtedness in respect to, property (except, in the case of a resident decedent, where such property is not situated in the United States), losses incurred during the settlement of the estate arising from fires, storms, shipwreck, or other casualty, or from theft, when such losses are not compensated for by insurance or otherwise, and such amounts reasonably required and actually expended for the support during the settlement of the estate of those dependent upon the decedent, as are allowed by the laws of the jurisdiction, whether within or without the United States, under which the estate is being administered, but not including any income taxes upon income received after the death of the decedent, or any estate, succession, legacy, or inheritance taxes;

(2) An amount equal to the value of any property forming a part of the gross estate situated in the United States of any person who died within five years prior to the death of the decedent where such property can be identified as having been received by the decedent from such prior decedent by gift, bequest, devise, or inheritance, or which can be identified as having been acquired in exchange for property so received: *Provided*, That this deduction shall be allowed only where an estate tax under this or any prior Act of Congress was paid by or on behalf of the estate of such prior decedent, and only in the amount of the value placed by the Commissioner on such property in determining the value of the gross estate of such prior decedent, and only to the extent that the value of such property is included in the decedent's gross estate and not deducted under paragraphs (1) or (3) of subdivision (a) of this section. This deduction shall be made in case of the estates of all decedents who have died since September 8, 1916;

(3) The amount of all bequests, legacies, devises, or transfers, except bona fide sales for a fair consideration in money or money's worth, in contemplation of or intended to take effect in possession or enjoyment at or after the decedent's death, to or for the use of the United States, any State, Territory, any political subdivision thereof, or the District of Columbia, for exclusively public purposes, or to or for the use of any corporation organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes, including the encouragement of art and the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual, or to a trustee or trustees exclusively for such religious, charitable, scientific, literary, or educational purposes. This deduction shall be made in

case of the estates of all decedents who have died since December 31, 1917; and

(4) An exemption of \$50,000;

(b) In the case of a nonresident, by deducting from the value of that part of his gross estate which at the time of his death is situated in the United States—

(1) That proportion of the deductions specified in paragraph (1) of subdivision (a) of this section which the value of such part bears to the value of his entire gross estate, wherever situated, but in no case shall the amount so deducted exceed 10 per centum of the value of that part of his gross estate which at the time of his death is situated in the United States;

(2) An amount equal to the value of any property forming a part of the gross estate situated in the United States of any person who died within five years prior to the death of the decedent where such property can be identified as having been received by the decedent from such prior decedent by gift, bequest, devise, or inheritance, or which can be identified as having been acquired in exchange for property so received: *Provided*, That this deduction shall be allowed only where an estate tax under this or any prior Act of Congress was paid by or on behalf of the estate of such prior decedent, and only in the amount of the value placed by the Commissioner on such property in determining the value of the gross estate of such prior decedent, and only to the extent that the value of such property is included in that part of the decedent's gross estate which at the time of his death is situated in the United States and not deducted under paragraphs (1) or (3) of subdivision (b) of this section. This deduction shall be made in case of the estates of all decedents who have died since September 8, 1916; and

(3) The amount of all bequests, legacies, devises, or transfers, except bona fide sales for a fair consideration, in money or money's worth, in contemplation of or intended to take effect in possession or enjoyment at or after the decedent's death, to or for the use of the United States, any State, Territory, any political subdivision thereof, or the District of Columbia, for exclusively public purposes, or to or for the use of any domestic corporation organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes, including the encouragement of art and the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual, or to a trustee or trustees exclusively for such religious, charitable, scientific, literary, or educational purposes within the United States. This deduction shall be made in case of the estates of all decedents who have died since December 31, 1917.

No deduction shall be allowed in the case of a nonresident unless the executor includes in the return required to be filed under section 404 the value at the time of his death of that part of the gross estate of the nonresident not situated in the United States.

For the purpose of this title stock in a domestic corporation owned and held by a nonresident decedent shall be deemed property within the United States, and any property of which the decedent has made a transfer or with respect to which he has created a trust, within the meaning of subdivision (c) of section 402, shall be deemed to be situated in the United States, if so situated either at the time of the transfer or the creation of the trust, or at the time of the decedent's death.

The amount receivable as insurance upon the life of a nonresident decedent, and any moneys deposited with any person carrying on the banking business, by or for a nonresident decedent who was not engaged in business in the United States at the time of his death,

shall not, for the purpose of this title, be deemed property within the United States.

Missionaries duly commissioned and serving under boards of foreign missions of the various religious denominations in the United States, dying while in the foreign missionary service of such boards, shall not, by reason merely of their intention to permanently remain in such foreign service, be deemed nonresidents of the United States, but shall be presumed to be residents of the State, the District of Columbia, or the Territories of Alaska or Hawaii wherein they respectively resided at the time of their commission and their departure for such foreign service.

In the case of any estate in respect to which the tax has been paid, if necessary to allow the benefit of the deduction under paragraphs (2) and (3) of subdivision (a) or (b) the tax shall be redetermined and any excess of tax paid shall be refunded to the executor.

SEC. 404. That the executor, within two months after the decedent's death, or within a like period after qualifying as such, shall give written notice thereof to the collector. The executor shall also, at such times and in such manner as may be required by regulations made pursuant to law, file with the collector a return under oath in duplicate, setting forth (a) the value of the gross estate of the decedent at the time of his death, or, in case of a nonresident, of that part of his gross estate situated in the United States; (b) the deductions allowed under section 403; (c) the value of the net estate of the decedent as defined in section 403; and (d) the tax paid or payable thereon; or such part of such information as may at the time be ascertainable and such supplemental data as may be necessary to establish the correct tax.

Return shall be made in all cases where the gross estate at the death of the decedent exceeds \$50,000, and in the case of the estate of every nonresident any part of whose gross estate is situated in the United States. If the executor is unable to make a complete return as to any part of the gross estate of the decedent, he shall include in his return a description of such part and the name of every person holding a legal or beneficial interest therein, and upon notice from the collector such person shall in like manner make a return as to such part of the gross estate. The Commissioner shall make all assessments of the tax under the authority of existing administrative special and general provisions of law relating to the assessment and collection of taxes.

SEC. 405. That if no administration is granted upon the estate of a decedent, or if no return is filed as provided in section 404, or if a return contains a false or incorrect statement of a material fact, the collector or deputy collector shall make a return and the Commissioner shall assess the tax thereon.

SEC. 406. That the tax shall be due and payable one year after the decedent's death; but in any case where the Commissioner finds that payment of the tax within such period would impose undue hardship upon the estate, he may grant an extension or extensions of time for payment not to exceed three years from the due date.

The executor shall pay the tax to the collector or deputy collector, and to such portion of the tax, not paid within one year and six months after the decedent's death, interest at the rate of 6 per centum per annum from the expiration of one year after such death shall be added as part of the tax irrespective of any extension or extensions of time that may have been granted for the payment of the tax, or any portion thereof.

SEC. 407. That where the amount of tax shown upon a return made in good faith has been fully paid, or time for payment has been extended, as provided in section 406, beyond one year and six months

after the decedent's death, and an additional amount of tax is, after the expiration of such period of one year and six months, found to be due, then such additional amount shall be paid upon notice and demand by the collector, and if it remains unpaid for one month after such notice and demand there shall be added as part of the tax interest on such additional amount at the rate of 10 per centum per annum from the expiration of such period until paid, and such additional tax and interest shall, until paid, be and remain a lien upon the entire gross estate.

The collector shall grant to the person paying the tax duplicate receipts, either of which shall be sufficient evidence of such payment, and shall entitle the executor to be credited and allowed the amount thereof by any court having jurisdiction to audit or settle his accounts.

If the executor files a complete return and makes written application to the Commissioner for determination of the amount of the tax and discharge from personal liability therefor, the Commissioner, as soon as possible and in any event within one year after receipt of such application, shall notify the executor of the amount of the tax, and upon payment thereof the executor shall be discharged from personal liability for any additional tax thereafter found to be due, and shall be entitled to receive a receipt or writing showing such discharge: *Provided, however,* That such discharge shall not operate to release the gross estate from the lien of any additional tax that may thereafter be found to be due while the title to such gross estate remains in the heirs, devisees, or distributees thereof; but no part of such gross estate shall be subject to such lien or to any claim or demand for any such tax if the title thereto has passed to a bona fide purchaser for value.

SEC. 408. That if the tax herein imposed is not paid on or before the due date thereof the collector shall, upon instruction from the Commissioner, proceed to collect the tax under the provisions of general law, or commence appropriate proceedings in any court of the United States, in the name of the United States, to subject the property of the decedent to be sold under the judgment or decree of the court. From the proceeds of such sale the amount of the tax, together with the costs and expenses of every description to be allowed by the court, shall be first paid, and the balance shall be deposited according to the order of the court, to be paid under its direction to the person entitled thereto.

If the tax or any part thereof is paid by, or collected out of that part of the estate passing to or in the possession of, any person other than the executor in his capacity as such, such person shall be entitled to reimbursement out of any part of the estate still undistributed or by a just and equitable contribution by the persons whose interest in the estate of the decedent would have been reduced if the tax had been paid before the distribution of the estate or whose interest is subject to equal or prior liability for the payment of taxes, debts, or other charges against the estate, it being the purpose and intent of this title that so far as is practicable and unless otherwise directed by the will of the decedent the tax shall be paid out of the estate before its distribution. If any part of the gross estate consists of proceeds of policies of insurance upon the life of the decedent receivable by a beneficiary other than the executor, the executor shall be entitled to recover from such beneficiary such portion of the total tax paid as the proceeds, in excess of \$40,000, of such policies bear to the net estate. If there is more than one such beneficiary the executor shall be entitled to recover from such beneficiaries in the same ratio.

SEC. 409. That unless the tax is sooner paid in full, it shall be a lien for ten years upon the gross estate of the decedent, except that such part of the gross estate as is used for the payment of charges against the estate and expenses of its administration, allowed by any court having jurisdiction thereof, shall be divested of such lien. If the Commissioner is satisfied that the tax liability of an estate has been fully discharged or provided for, he may, under regulations prescribed by him with the approval of the Secretary, issue his certificate, releasing any or all property of such estate from the lien herein imposed.

If (a) the decedent makes a transfer of, or creates a trust with respect to, any property in contemplation of or intended to take effect in possession or enjoyment at or after his death (except in the case of a bona fide sale for a fair consideration in money or money's worth) or (b) if insurance passes under a contract executed by the decedent in favor of a specific beneficiary, and if in either case the tax in respect thereto is not paid when due, then the transferee, trustee, or beneficiary shall be personally liable for such tax, and such property, to the extent of the decedent's interest therein at the time of such transfer, or to the extent of such beneficiary's interest under such contract of insurance, shall be subject to a like lien equal to the amount of such tax. Any part of such property sold by such transferee or trustee to a bona fide purchaser for a fair consideration in money or money's worth shall be divested of the lien and a like lien shall then attach to all the property of such transferee or trustee, except any part sold to a bona fide purchaser for a fair consideration in money or money's worth.

SEC. 410. That whoever knowingly makes any false statement in any notice or return required to be filed under this title shall be liable to a penalty of not exceeding \$5,000, or imprisonment not exceeding one year, or both.

Whoever fails to comply with any duty imposed upon him by section 404, or, having in his possession or control any record, file, or paper, containing or supposed to contain any information concerning the estate of the decedent, or, having in his possession or control any property comprised in the gross estate of the decedent, fails to exhibit the same upon request to the Commissioner or any collector or law officer of the United States, or his duly authorized deputy or agent, who desires to examine the same in the performance of his duties under this title, shall be liable to a penalty of not exceeding \$500, to be recovered, with costs of suit, in a civil action in the name of the United States.

SEC. 411. (a) That the term "resident" as used in this title includes a citizen of the United States with respect to whose property any probate or administration proceedings are had in the United States Court for China. Where no part of the gross estate of such decedent is situated in the United States at the time of his death, the total amount of tax due under this title shall be paid to or collected by the clerk of such court, but where any part of the gross estate of such decedent is situated in the United States at the time of his death, the tax due under this title shall be paid to or collected by the collector of the district in which is situated the part of the gross estate in the United States, or, if such part is situated in more than one district, then the collector of such district as may be designated by the Commissioner.

(b) For the purpose of this section the clerk of the United States Court for China shall be a collector for the territorial jurisdiction of such court, and taxes shall be collected by and paid to him in the same manner and subject to the same provisions of law, including

penalties, as the taxes collected by and paid to a collector in the United States.

(c) The proviso in the Act entitled "An Act making appropriation for the Diplomatic and Consular Service for the fiscal year ending June 30, 1921," approved June 4, 1920, which reads as follows: "*Provided*, That in probate and administration proceedings there shall be collected by said clerk, before entering the order of final distribution, to be paid into the Treasury of the United States, the same inheritance taxes from time to time collected under the laws enacted by the Congress of the United States from the estates of decedents residing within the territorial jurisdiction of the United States," is hereby repealed.

(d) Under regulations prescribed by the Commissioner with the approval of the Secretary, refund shall be made of the proportionate part of the tax collected under subdivision (c) or (d) of section 500 of the Revenue Act of 1918 on tickets or mileage books purchased and only partially used before January 1, 1922.

SEC. 501. That the taxes imposed by section 500 shall be paid by the person paying for the services or facilities rendered.

SEC. 502. (a) That each person receiving any payments referred to in section 500 shall collect the amount of the tax, if any, imposed by such section from the person making such payments, and shall make monthly returns under oath, in duplicate, and pay the taxes so collected to the collector of the district in which the principal office or place of business is located.

(b) Any person making a refund of any payment upon which tax is collected under this section may repay therewith the amount of the tax collected on such payment; and the amount so repaid may be credited against amounts included in any subsequent monthly return.

#### TITLE XII.—TAX ON EMPLOYMENT OF CHILD LABOR

SEC. 1200. That every person (other than a bona fide boys' or girls' canning club recognized by the Agricultural Department of a State and of the United States) operating (a) any mine or quarry situated in the United States in which children under the age of sixteen years have been employed or permitted to work during any portion of the taxable year; or (b) any mill, cannery, workshop, factory, or manufacturing establishment situated in the United States in which children under the age of fourteen years have been employed or permitted to work, or children between the ages of fourteen and sixteen have been employed or permitted to work more than eight hours in any day or more than six days in any week, or after the hour of seven o'clock post meridian, or before the hour of six o'clock ante meridian, during any portion of the taxable year, shall pay for each taxable year, in addition to all other taxes imposed by law (but in

lieu of the tax imposed by section 1200 of the Revenue Act of 1918), an excise tax equivalent to 10 per centum of the entire net profits received or accrued for such year from the sale or disposition of the product of such mine, quarry, mill, cannery, workshop, factory, or manufacturing establishment.

SEC. 1201. That in computing net profits under the provisions of this title, for the purpose of the tax there shall be allowed as deductions from the gross amount received or accrued for the taxable year from the sale or disposition of such products manufactured within the United States the following items:

- (a) The cost of raw materials entering into the production;
- (b) Running expenses, including rentals, cost of repairs, and maintenance, heat, power, insurance, management, and a reasonable allowance for salaries or other compensations for personal services actually rendered, and for depreciation;
- (c) Interest paid within the taxable year on debts or loans contracted to meet the needs of the business, and the proceeds of which have been actually used to meet such needs;
- (d) Taxes of all kinds paid during the taxable year with respect to the business or property relating to the production; and
- (e) Losses actually sustained within the taxable year in connection with the business of producing such products, including losses from fire, flood, storm, or other casualties, and not compensated for by insurance or otherwise.

SEC. 1202. That if any such person during any taxable year or part thereof, whether under any agreement, arrangement, or understanding or otherwise, sells or disposes of any product of such mine, quarry, mill, cannery, workshop, factory, or manufacturing establishment at less than the fair market price obtainable therefor either (a) in such manner as directly or indirectly to benefit such person or any person directly or indirectly interested in the business of such person; or (b) with intent to cause such benefit; the gross amount received or accrued for such year or part thereof from the sale or disposition of such product shall be taken to be the amount which would have been received or accrued from the sale or disposition of such product if sold at the fair market price.

SEC. 1203. (a) That no person subject to the provisions of this title shall be liable for the tax herein imposed if the only employment or permission to work which but for this section would subject him to the tax has been of a child as to whom such person has in good faith procured at the time of employing such child or permitting him to work, and has since in good faith relied upon and kept on file a certificate, issued in such form, under such conditions and by such persons as may be prescribed by a board consisting of the Secretary, the Commissioner, and the Secretary of Labor, showing the child to be of such age as not to subject such person to the tax imposed by this title. Any person who knowingly makes a false statement or presents false evidence in or in relation to any such certificate or application therefor shall be punished by a fine of not less than \$100, nor more than \$1,000, or by imprisonment for not more than three months, or by both such fine and imprisonment, in the discretion of the court.

In any State designated by such board an employment certificate or other similar paper as to the age of the child, issued under the laws of that State, and not inconsistent with the provisions of this title, shall have the same force and effect as a certificate herein provided for.

(b) The tax imposed by this title shall not be imposed in the case of any person who proves to the satisfaction of the Secretary that the only employment or permission to work which but for this sec-

tion would subject him to the tax, has been of a child employed or permitted to work under a mistake of fact as to the age of such child, and without intention to evade the tax.

SEC. 1204. That on or before the first day of the third month following the close of each taxable year, a true and accurate return under oath shall be made by each person subject to the provisions of this title to the collector for the district in which such person has his principal office or place of business, in such form as the Commissioner, with the approval of the Secretary, shall prescribe, setting forth specifically the gross amount of income received or accrued during such year from the sale or disposition of the product of any mine, quarry, mill, cannery, workshop, factory, or manufacturing establishment, in which children have been employed subjecting him to the tax imposed by this title, and from the total thereof deducting the aggregate items of allowance authorized by this title, and such other particulars as to the gross receipts and items of allowance as the Commissioner, with the approval of the Secretary, may require.

SEC. 1205. That all such returns shall be transmitted forthwith by the collector to the Commissioner, who shall, as soon as practicable, assess the tax found due and notify the person making such return of the amount of tax for which such person is liable, and such person shall pay the tax to the collector on or before thirty days from the date of such notice.

SEC. 1206. That for the purposes of this Act the Commissioner, or any person duly authorized by him, shall have authority to enter and inspect at any time any mine, quarry, mill, cannery, workshop, factory, or manufacturing establishment. The Secretary of Labor, or any person duly authorized by him, shall, for the purpose of complying with a request of the Commissioner to make such an inspection, have like authority, and shall make report to the Commissioner of inspections made under such authority in such form as may be prescribed by the Commissioner with the approval of the Secretary of the Treasury.

Any person who refuses or obstructs entry or inspection authorized by this section shall be punished by a fine of not more than \$1,000, or by imprisonment for not more than one year, or both.

#### PENALTIES.

SEC. 1302. SEC. 1305. That under such rules and regulations as the Commissioner with the approval of the Secretary may prescribe, the taxes imposed under the provisions of Titles VI, VII or IX shall not apply in respect to articles sold or leased for export and in due course so exported. Under such rules and regulations the amount of any internal-revenue tax erroneously or illegally collected in respect to exported articles may be refunded to the exporter of the article, instead of to the manufacturer, if the manufacturer waives any claim for the amount so to be refunded.

**FRACTIONAL PARTS OF A CENT.**

**UNNECESSARY EXAMINATIONS.**

SEC. 1309. That no taxpayer shall be subjected to unnecessary examinations or investigations, and only one inspection of a taxpayer's books of account shall be made for each taxable year unless the taxpayer requests otherwise or unless the Commissioner, after investigation, notifies the taxpayer in writing that an additional inspection is necessary.

The remedies hereby provided are in addition to and not exclusive of any and all other remedies of the United States in such courts or otherwise to enforce such provisions. (c) Paragraph "Twentieth" of section 24 of the Judicial Code is amended by adding at the end thereof the following new paragraph: "Concurrent with the Court of Claims, of any suit or proceeding, commenced after the passage of the Revenue Act of 1921, for the recovery of any internal-revenue tax alleged to have been erroneously or illegally assessed or collected, or of any penalty claimed to have been collected without authority or any sum alleged to have been excessive or in any manner wrongfully collected, under the internal-revenue laws, even if the claim exceeds \$10,000, if the collector of internal-revenue by whom such tax, penalty, or sum was collected is dead at the time such suit or proceeding is commenced."

"SEC. 3164. "SEC. 3165. Every collector, deputy collector, internal-revenue agent, and internal-revenue officer assigned to duty under an internal-revenue agent, is authorized to administer oaths and to take evidence touching any part of the administration of the internal-revenue laws with which he is charged, or where such oaths and evidence are authorized by law or regulation authorized by law to be taken.

management of any objects liable to pay any tax, and to make a list of such persons and enumerate said objects.

"SEC. 3173. It shall be the duty of any person, partnership, firm, association, or corporation, made liable to any duty, special tax, or other tax imposed by law, when not otherwise provided for, (1) in case of a special tax, on or before the thirty-first day of July in each year, and (2) in other cases before the day on which the taxes accrue, to make a list or return, verified by oath, to the collector or a deputy collector of the district where located, of the articles or objects, including the quantity of goods, wares, and merchandise, made or sold and charged with a tax, the several rates and aggregate amount, according to the forms and regulations to be prescribed by the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, for which such person, partnership, firm, association, or corporation is liable: *Provided*, That if any person liable to pay any duty or tax, or owning, possessing, or having the care or management of property, goods, wares, and merchandise, article or objects liable to pay any duty, tax, or license, shall fail to make and exhibit a list or return required by law, but shall consent to disclose the particulars of any and all the property, goods, wares, and merchandise, articles, and objects liable to pay any duty or tax, or any business or occupation liable to pay any tax as aforesaid, then, and in that case, it shall be the duty of the collector or deputy collector to make such list or return, which, being distinctly read, consented to, and signed and verified by oath by the person so owning, possessing, or having the care and management as aforesaid, may be received as the list of such person: *Provided further*, That in case no annual list or return has been rendered by such person to the collector or deputy collector as required by law, and the person shall be absent from his or her residence or place of business at the time the collector or a deputy collector shall call for the annual list or return, it shall be the duty of such collector or deputy collector to leave at such place of residence or business, with some one of suitable age and discretion, if such be present, otherwise to deposit in the nearest post office, a note or memorandum addressed to such person, requiring him or her to render to such collector or deputy collector the list or return required by law within ten days from the date of such note or memorandum, verified by oath. And if any person, on being notified or required as aforesaid, shall refuse or neglect to render such list or return within the time required as aforesaid, or whenever any person who is required to deliver a monthly or other return of objects subject to tax fails to do so at the time required, or delivers any return which, in the opinion of the collector, is erroneous, false, or fraudulent, or contains any undervaluation or understatement, or refuses to allow any regularly authorized Government officer to examine the books of such person,

The collector may summon any person residing or found within the State or Territory in which his district lies; and when the person intended to be summoned does not reside and can not be found within such State or Territory, he may enter any collection district where such person may be found and there make the examination herein authorized. And to this end he may there exercise all the authority which he might lawfully exercise in the district for which he was com-

missioned: *Provided*, That 'person,' as used in this section, shall be construed to include any corporation, joint-stock company or association, or insurance company when such construction is necessary to carry out its provisions.

"SEC. 3176. If any person, corporation, company, or association fails to make and file a return or list at the time prescribed by law or by regulation made under authority of law, or makes, willfully or otherwise, a false or fraudulent return or list, the collector or deputy collector shall make the return or list from his own knowledge and from such information as he can obtain through testimony or otherwise. In any such case the Commissioner may, from his own knowledge and from such information as he can obtain through testimony or otherwise, make a return or amend any return made by a collector or deputy collector. Any return or list so made and subscribed by the Commissioner, or by a collector or deputy collector and approved by the Commissioner, shall be *prima facie* good and sufficient for all legal purposes.

"If the failure to file a return or list is due to sickness or absence, the collector may allow such further time, not exceeding thirty days, for making and filing the return or list as he deems proper.

"The Commissioner of Internal Revenue shall determine and assess all taxes, other than stamp taxes, as to which returns or lists are so made under the provisions of this section. In case of any failure to make and file a return or list within the time prescribed by law, or prescribed by the Commissioner of Internal Revenue or the collector in pursuance of law, the Commissioner of Internal Revenue shall add to the tax 25 per centum of its amount, except that when a return is filed after such time and it is shown that the failure to file it was due to a reasonable cause and not to willful neglect, no such addition shall be made to the tax. In case a false or fraudulent return or list is willfully made, the Commissioner of Internal Revenue shall add to the tax 50 per centum of its amount.

"The amount so added to any tax shall be collected at the same time and in the same manner and as a part of the tax unless the tax has been paid before the discovery of the neglect, falsity, or fraud, in which case the amount so added shall be collected in the same manner as the tax."

#### FINAL DETERMINATIONS AND ASSESSMENTS.

SEC. 1312. That if after a determination and assessment in any case the taxpayer has without protest paid in whole any tax or penalty, or accepted any abatement, credit, or refund based on such determination and assessment, and an agreement is made in writing between the taxpayer and the Commissioner, with the approval of the Secretary, that such determination and assessment shall be final and conclusive, then (except upon a showing of fraud or malfeasance or misrepresentation of fact materially affecting the determination or assessment thus made) (1) the case shall not be reopened or the determination and assessment modified by any officer, employee, or agent of the United States, and (2) no suit, action, or proceeding to annul, modify, or set aside such determination or assessment shall be entertained by any court of the United States.

#### ADMINISTRATIVE REVIEW.

SEC. 1313. That in the absence of fraud or mistake in mathematical calculation, the findings of facts in and the decision of the Commissioner upon (or in case the Secretary is authorized to approve the same, then after such approval) the merits of any claim presented

under or authorized by the internal-revenue laws shall not be subject to review by any other administrative officer, employee, or agent of the United States.

#### RETROACTIVE REGULATIONS.

SEC. 1314. That in case a regulation or Treasury decision relating to the internal-revenue laws made by the Commissioner or the Secretary, or by the Commissioner with the approval of the Secretary, is reversed by a subsequent regulation or Treasury decision, and such reversal is not immediately occasioned or required by a decision of a court of competent jurisdiction, such subsequent regulation or Treasury decision may, in the discretion of the Commissioner, with the approval of the Secretary, be applied without retroactive effect.

**DEPOSIT OF UNITED STATES BONDS OR NOTES IN LIEU OF SURETY.**

SEC. 1329. That wherever by the laws of the United States or regulations made pursuant thereto, any person is required to furnish any recognizance, stipulation, bond, guaranty, or undertaking, hereinafter called "penal bond", with surety or sureties, such person may, in lieu of such surety or sureties, deposit as security with the official having authority to approve such penal bond, United States Liberty bonds or other bonds or notes of the United States in a sum equal at their par value to the amount of such penal bond required to be furnished, together with an agreement authorizing such official to collect or sell such bonds or notes so deposited in case of any default in the performance of any of the conditions or stipulations of such penal bond. The acceptance of such United States bonds or notes in lieu of surety or sureties required by law shall have the same force and effect as individual or corporate sureties, or certified checks, bank drafts, post-office money orders, or cash, for the penalty or amount of such penal bond. The bonds or notes deposited hereunder, and such other United States bonds or notes as may be substituted therefor from time to time as such security, may be deposited with the Treasurer of the United States, a Federal reserve bank, or other depository duly designated for that purpose by the Secretary, which shall issue receipt therefor, describing such bonds or notes so deposited. As soon as security for the performance of such penal bond is no longer necessary, such bonds or notes so deposited, shall be returned to the depositor: *Provided*, That in case a person or persons supplying a contractor with labor or material as provided by the Act of Congress, approved February 24, 1905 (33 Stat. 811), entitled "An Act to amend an Act approved August thirteenth, eighteen hundred and ninety-four, entitled 'An Act for the protection of persons furnishing materials and labor for the construction of public works,'" shall file with the obligee, at any time after a default in the performance of any contract subject to said Acts, the application and affidavit therein provided, the obligee shall not deliver to the obligor the deposited bonds or notes nor any surplus proceeds thereof until the expiration of the time limited by said Acts for the institution of suit by such person or persons, and, in case suit shall be instituted within such time, shall hold said bonds or notes or proceeds subject to the order of the court having jurisdiction thereof: *Provided further*, That nothing herein contained shall affect or impair the priority of the claim of the United States against the bonds or notes deposited or any right or remedy granted by said Acts or by this section to the United States for default upon any obligation of said penal bond: *Provided further*, That all laws inconsistent with this section are hereby so modified as to conform to the provisions hereof: *And provided further*, That nothing contained herein shall affect the authority of courts over the security, where such bonds are taken as security in judicial proceedings, or the authority of any administrative officer of the United States to receive United States bonds for security in cases authorized by existing laws. The Secretary may prescribe rules and regulations necessary and proper for carrying this section into effect.

"SEC. 3315. The Commissioner of Internal Revenue may, under regulations prescribed by him with the approval of the Secretary of the Treasury, issue stamps for restamping packages of distilled spirits, tobacco, cigars, snuff, cigarettes, fermented liquors, and wines which have been duly stamped but from which the stamps have been lost or destroyed by unavoidable accident."

**CONSOLIDATED RETURNS FOR YEAR 1917.**

SEC. 1331. (a) That Title II of the Revenue Act of 1917 shall be construed to impose the taxes therein mentioned upon the basis of consolidated returns of net income and invested capital in the case of domestic corporations and domestic partnerships that were affiliated during the calendar year 1917.

(b) For the purpose of this section a corporation or partnership was affiliated with one or more corporations or partnerships (1) when such corporation or partnership owned directly or controlled through closely affiliated interests or by a nominee or nominees all or substantially all the stock of the other or others, or (2) when substantially all the stock of two or more corporations or the business of two or more partnerships was owned by the same interests: *Provided*, That such corporations or partnerships were engaged in the same or a closely related business, or one corporation or partnership bought from or sold to another corporation or partnership products or services at prices above or below the current market, thus effecting an artificial distribution of profits, or one corporation or partnership in any way so arranged its financial relationships with another corporation or partnership as to assign to it a disproportionate share of net income or invested capital. For the purposes of this section, public service corporations which (1) were operated independently, (2) were not physically connected or merged and (3) did not receive special permission to make a consolidated return, shall not be construed to have been affiliated; but a railroad or other public utility which was owned by an industrial corporation and was operated as a plant facility or as an integral part of a group organization of affiliated corporations which were required to file a consolidated return, shall be construed to have been affiliated.

(c) The provisions of this section are declaratory of the provisions of Title II of the Revenue Act of 1917.

**ALTERNATIVE TAX ON PERSONAL SERVICE CORPORATIONS.**

SEC. 1332. (a) That if either subdivision (e) of section 218 of the Revenue Act of 1918 or subdivision (d) of section 218 of this Act is by final adjudication declared invalid, there shall, in addition to all other taxes, be levied, collected, and paid on the net income (as defined in section 232) received during the calendar years 1918, 1919, 1920, and 1921, by every personal service corporation (as defined in section 200) included within the provisions of such subdivisions, a tax equal to the taxes imposed by Titles II and III of the Revenue Act of 1918 and, in the case of income received during the calendar year 1921, by Titles II and III of this Act.

(b) In such event every such personal service corporation shall, on or before the fifteenth day of the sixth month following the date of entry of decree upon such final adjudication, make a return of any income received during each of the calendar years 1918, 1919, 1920,

and 1921 in the manner prescribed by the Revenue Act of 1918 (or in the manner prescribed by this Act, in the case of income received during the calendar year 1921). Such return shall be made and the net income shall be computed on the basis of the taxpayer's annual accounting period (fiscal year or calendar year, as the case may be) in the manner provided for other corporations under the Revenue Act of 1918 and this Act.

(c) If either subdivision (e) of section 218 of the Revenue Act of 1918 or subdivision (d) of section 218 of this Act is so declared invalid, claims for credit or refund of taxes paid under both such sections shall be allowed, if made within the time provided in subdivision (f) of this section.

(d) In case the claims for credit or refund, filed within six months from such date of entry of decree, represent less than 30 per centum of the outstanding stock or shares in the corporation, the amount of taxes imposed by this section upon such corporation shall be reduced to that proportion thereof which the number of stock or shares owned by the shareholders or members making such claims bears to the total number of stock or shares outstanding.

(e) The tax imposed by this section shall be assessed, collected, and paid upon the same basis, in the same manner, and subject to the same provisions of law, including penalties, as the taxes imposed by sections 230 and 301 of the Revenue Act of 1918 (or by sections 230 and 301 of this Act, in the case of income received during the calendar year 1921), but no interest or penalties shall be due or payable thereon for any period prior to the date upon which the return is by this section required to be made and the first installment paid. The amount of tax paid by any shareholder or member of a personal service corporation pursuant to the provisions of subdivision (e) of section 218 of the Revenue Act of 1918 or subdivision (d) of section 218 of this Act shall be credited against the tax due from such corporation under this section upon the joint written application of such corporation and such shareholder or member or his representatives, heirs, or assigns, if such application is filed with the Commissioner within six months from such date of entry of decree.

(f) Notwithstanding any other provision of law, no claim for a credit or refund of taxes paid under subdivision (e) of section 218 of the Revenue Act of 1918 or subdivision (d) of section 218 of this Act, may be filed after the expiration of six months from such date of entry of decree: *Provided, however,* That a personal service corporation of which no shareholder or member has filed such claim within such period of six months shall not be subject to the tax imposed by this section.
