LITTLE, BROWN, AND COMPANY.

ADVERTISEMENT.

In publishing the following Laws, the same plan has been adopted that was prescribed in the Joint Resolution of Congress of March 3, 1845 (Vol. V., p. 798), authorizing a subscription to the edition of all the Laws of the United States published by us. A close examination of this volume will disclose some apparent errors in the Laws as here printed; but as we procure a careful collation with the records at Washington by an experienced reader of the Department of State, and scrupulously follow the original, any seeming errors must be attributed to the Rolls and not to us.

We intend to publish annually, and as soon after the close of each Session of Congress as is possible, the Acts of that Session, in a similar form and with a similar arrangement.

It will be seen by the following extracts from the Act of Congress, August 8, 1846 (Vol. IX., p. 78), and the Joint Resolutions of September 26, 1850 (Vol. IX., p. 564), and March 31, 1868 (Vol. XIV., p. 882), that our edition has been sanctioned by Congress, and is the OFFICIAL EDITION.

"And whereas said edition of the said Laws and Treaties of the United States has been carefully collated and compared with the original rolls in the archives of the Government, under the inspection and supervision of the Attorney-General of the United States, as duly certified by that officer: therefore, Be it further enacted, that said edition of the Laws and Treaties of the United States, published by Little & Brown, is hereby declared to be competent evidence of the several public and private acts of Congress, and of the several treaties therein contained, in all the courts of law and equity and maritime jurisdiction, and in all the tribunals and public offices of the United States and of the several States, without any further proof or authentication thereof"—APPROVED, August 8, 1846.

"Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of State be authorized and directed to contract with Little & Brown to furnish their annual Statutes at Large, printed in conformity with the plan adopted by Congress in eighteen hundred and forty-five, instead of the edition usually issued by his order, under the act of Congress of April twentieth, eighteen hundred and eighteen, and which conforms to an edition of the Laws now out of use."—APPROVED, September 26, 1850.

"Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of State be, and he is hereby, authorized and directed to renew the contract of October thirty-first, eighteen hundred and fifty, between the Department of State and Little, Brown, and Company, of Boston, Massachusetts, for the annual publication of the Statutes at Large of the United States until otherwise ordered by Congress, in conformity with the joint resolutions approved respectively March third, eighteen hundred and forty-five, and September thirty-first [twenty-sixth], eighteen hundred and fifty."—APPROVED, March 31, 1868.

CHAP. CLII. — An Act to promote the Development of the mining Resources of the United States.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all valuable mineral deposits in lands belonging to the United States, both surveyed and unsurveyed, are hereby declared to be free and open to exploration and purchase, and the lands in which they are found to occupation and purchase, by citizens of the United States and those who have declared their intention to become such, under regulations prescribed by law, and according to the local customs or rules of miners, in the several mining-districts, so far as the same are applicable and not inconsistent with the laws of the United States.

SEC. 2. That mining-claims upon veins or lodes of quartz or other rock in place bearing gold, silver, cinnabar, lead, tin, copper, or other valuable deposits heretofore located, shall be governed as to length along the vein or lode by the customs, regulations, and laws in force at the date of their location. A mining-claim located after the passage of this act, whether located by one or more persons, may equal, but shall not exceed, one thousand five hundred feet in length along the vein or lode; but no location of a mining-claim shall be made until the discovery of the vein or lode within the limits of the claim located. No claim shall extend more than three hundred feet on each side of the middle of the vein at the surface, nor shall any claim be limited by any mining regulation to less than twenty-five feet on each side of the middle of the vein at the surface, except where adverse rights existing at the passage of this act shall render such limitation necessary. The end-lines of each claim shall be parallel to each other.

SEC. 3. That the locators of all mining locations heretofore made, or which shall hereafter be made, on any mineral vein, lode, or ledge, situated on the public domain, their heirs and assigns, where no adverse claim exists at the passage of this act, so long as they comply with the laws of the United States, and with State, territorial, and local regulations not in conflict with said laws of the United States governing their possessory title, shall have the exclusive right of possession and enjoyment of all the surface included within the lines of their locations, and of all veins, lodes, and ledges throughout their entire depth, the top or apex of which...
lies inside of such surface-lines extended downward vertically, although such veins, lodes, or ledges may so far depart from a perpendicular in their course downward as to extend outside the vertical side-lines of said surface locations: Provided, That their right of possession to such outside parts of said veins or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward as aforesaid, through the end-lines of their locations, so continued in their own direction that such planes will intersect such exterior parts of said veins or ledges: And provided further, That nothing in this section shall authorize the locator or possessor of a vein or lode which extends in its downward course beyond the vertical lines of his claim to enter upon the surface of a claim owned or possessed by another.

SEC. 4. That where a tunnel is run for the development of a vein or lode, or for the discovery of mines, the owners of such tunnel shall have the right of possession of all veins or lodes within three thousand feet from the face of such tunnel on the line thereof, not previously known to exist, discovered in such tunnel, to the same extent as if discovered from the surface; and locations on the line of such tunnel of veins or lodes not appearing on the surface, made by other parties after the commencement of the tunnel, and while the same is being prosecuted with reasonable diligence, shall be invalid; but failure to prosecute the work on the tunnel for six months shall be considered as an abandonment of the right to all undiscovered veins on the line of said tunnel.

SEC. 5. That the miners of each mining district may make rules and regulations not in conflict with the laws of the United States, or with the laws of the State or Territory in which the district is situated, governing the location, manner of recording, amount of work necessary to hold possession of a mining-claim, subject to the following requirements: The location must be distinctly marked on the ground so that its boundaries can be readily traced. All records of mining-claims hereafter made shall contain the name or names of the locators, the date of the location, and such a description of the claim or claims located by reference to some natural object or permanent monument as will identify the claim. On each claim located after the passage of this act, and until a patent shall have been issued therefor, not less than one hundred dollars' worth of labor shall be performed or improvements made during each year. On all claims located prior to the passage of this act, ten dollars' worth of labor shall be performed or improvements made each year for each one hundred feet in length along the vein until a patent shall have been issued therefor; but where such claims are held in common such expenditure may be made upon any one claim; and upon a failure to comply with these conditions, the claim or mine upon which such failure occurred shall be open to relocation in the same manner as if no location of the same had ever been made: Provided, That the original locators, their heirs, assigns, or legal representatives, have not resumed work upon the claim after such failure and before such location. Upon the failure of any one of several co-owners to contribute his proportion of the expenditures required by this act, the co-owners who have performed the labor or made the improvements may, at the expiration of the year, give such delinquent co-owner personal notice in writing or notice by publication in the newspaper published nearest the claim, for at least once a week for ninety days, and if at the expiration of ninety days after such notice in writing or by publication such delinquent should fail or refuse to contribute his proportion to comply with this act his interest in the claim shall become the property of his co-owners who have made the required expenditures.

SEC. 6. That a patent for any land claimed and located for valuable deposits may be obtained in the following manner: Any person, association, or corporation authorized to locate a claim under this act, having claimed and located a piece of land for such purposes, who has, or have,
Patent for land claimed, &c., for valuable deposits, how to be obtained.

complied with the terms of this act, may file in the proper land-office an application for a patent, under oath, showing such compliance, together with a plat and field-notes of the claim or claims in common, made by or under the direction of the United States surveyor-general, showing accurately the boundaries of the claim or claims, which shall be distinctly marked by monuments on the ground, and shall post a copy of such plat, together with a notice of such application for a patent, in a conspicuous place on the land embraced in such plat previous to the filing of the application for a patent, and shall file an affidavit of at least two persons that such notice has been duly posted as aforesaid, and shall file a copy of said notice in such land-office, and shall thereupon be entitled to a patent for said land, in the manner following: The register of the land-office, upon the filing of such application, plat, field-notes, notices, and affidavits, shall publish a notice that such application has been made, for the period of sixty days, in a newspaper to be by him designated as published nearest to said claim; and he shall also post such notice in his office for the same period. The claimant at the time of filing this application, or at any time thereafter, within the sixty days of publication, shall file with the register a certificate of the United States surveyor-general that five hundred dollars' worth of labor has been expended or improvements made upon the claim by himself or grantors; that the plat is correct, with such further description by such reference to natural objects or permanent monuments as shall identify the claim, and furnish an accurate description, to be incorporated in the patent.

At the expiration of the sixty days of publication the claimant shall file his affidavit, showing that the plat and notice have been posted in a conspicuous place on the claim during said period of publication. If no adverse claim shall have been filed with the register and the receiver of the proper land-office at the expiration of the sixty days of publication, it shall be assumed that the applicant is entitled to a patent, upon the payment to the proper officer of five dollars per acre, and that no adverse claim exists; and thereafter no objection from third parties to the issuance of a patent shall be heard, except it be shown that the applicant has failed to comply with this act.

Sec. 7. That where an adverse claim shall be filed during the period of publication, it shall be upon oath of the person or persons making the same, and shall show the nature, boundaries, and extent of such adverse claim, and all proceedings, except the publication of notice and making and filing of the affidavit thereof, shall be stayed until the controversy shall have been settled or decided by a court of competent jurisdiction, or the adverse claim waived. It shall be the duty of the adverse claimant, within thirty days after filing his claim, to commence proceedings in a court of competent jurisdiction, to determine the question of the right of possession, and prosecute the same with reasonable diligence to final judgment; and a failure so to do shall be a waiver of his adverse claim. After such judgment shall have been rendered, the party entitled to the possession of the claim, or any portion thereof, may, without giving further notice, file a certified copy of the judgment-roll with the register of the land-office, together with the certificate of the surveyor-general that the requisite amount of labor has been expended, or improvements made thereon, and the description required in other cases, and shall pay to the receiver five dollars per acre for his claim, together with the proper fees, whereupon the whole proceedings and the judgment-roll shall be certified by the register to the commissioner of the general land office, and a patent shall issue thereon for the claim, or such portion thereof as the applicant shall appear, from the decision of the court, to rightly possess. If it shall appear from the decision of the court that several parties are entitled to separate, and different portions of the claim, each party may pay for his portion of the claim, with the proper fees, and file the certificate and description by the surveyor-general, whereupon the register shall

Proof of citizenship.
1876, ch. 292.

Certify the proceedings and judgment-roll to the commissioner of the general land office, as in the preceding case, and patents shall issue to the several parties according to their respective rights. Proof of citizenship under this act, or the acts of July twenty-sixth, eighteen hundred and sixty-six, and July ninth, eighteen hundred and seventy, in the case of an individual, may consist of his own affidavit thereof; and in case of an association of persons unincorporated, of the affidavit of their authorized agent, made on his own knowledge or upon information and belief, and in case of a corporation organized under the laws of the United States, or of any State or Territory of the United States, by the filing of a certified copy of their charter, or certificate of incorporation; and nothing herein contained shall be construed to prevent the alienation of the title conveyed by a patent for a mining-claim to any person whatever.

Sec. 8. That the description of vein or lode claims, upon surveyed lands, shall designate the location of the claim with reference to the lines of the public surveys, but need not conform therewith; but where a patent shall be issued as aforesaid for claims upon unsurveyed lands, the surveyor-general, in extending the surveys, shall adjust the same to the boundaries of such patented claim, according to the plat or description thereof; but so as in no case to interfere with or change the location of any such patented claim.

Sec. 9. That sections one, two, three, four, and six of an act entitled "An act granting the right of way to ditch and canal owners over the public lands, and for other purposes," approved July twenty-sixth, eighteen hundred and sixty-six, and July ninth, eighteen hundred and seventy, are hereby repealed, but such repeal shall not affect existing rights. Applications for patents for mining-claims now pending may be prosecuted to a final decision in the general land office; but in such cases where adverse rights are not affected thereby, patents may issue in pursuance of the provisions of this act; and all patents for mining-claims heretofore issued under the act of July twenty-sixth, eighteen hundred and sixty-six, and July ninth, eighteen hundred and sixty-six, shall convey all the rights and privileges conferred by this act where no adverse rights exist at the time of the passage of this act.

Sec. 10. That the act entitled "An act to amend an act granting the right of way to ditch and canal owners over the public lands, and for other purposes," approved July ninth, eighteen hundred and seventy, shall be and remain in full force, except as to the proceedings to obtain a patent, which shall be similar to the proceedings prescribed by sections six and seven of this act for obtaining patents to vein or lode claims; but where said placer-claims shall be upon surveyed lands, and conform to legal subdivisions, no further survey or plat shall be required, and all placer mining-claims hereafter located shall conform as near as practicable with the United States system of public land surveys and the rectangular subdivisions of such surveys, and no such location shall include more than twenty acres for each individual claimant, but where placer-claims cannot be conformed to legal subdivisions, survey and plat shall be made as on unsurveyed lands: Provided, That proceedings now pending may be prosecuted to their final determination under existing laws; but the provisions of this act, when not in conflict with existing laws, shall apply to such cases. And provided also, That where by the segregation of mineral land in any legal subdivision a quantity of agricultural land less than forty acres remains, said fractional portion of agricultural land may be entered by any party qualified by law, for homestead or pre-emption purposes.

Sec. 11. That where the same person, association, or corporation is in possession of a placer-claim, and also a vein or lode included within the boundaries thereof, application shall be made for a patent for the placer-claim, with the statement that it includes such vein or lode, and in such case (subject to the provisions of this act and the act entitled "An act to amend an act granting the right of way to ditch and canal owners over
the public lands, and for other purposes," approved July ninth, eighteen hundred and seventy, a patent shall issue for the placer-claim, including such vein or lode, upon the payment of five dollars per acre for such vein or lode claim, and twenty-five feet of surface on each side thereof. The remainder of the placer-claim, or any placer-claim not embracing any vein or lode claim, shall be paid for at the rate of two dollars and fifty cents per acre, together with all costs of proceedings; and where a vein or lode, such as is described in the second section of this act, is known to exist within the boundaries of a placer-claim, an application for a patent for such placer-claim which does not include an application for the vein or lode claim shall be construed as a conclusive declaration that the claimant of the placer-claim has no right of possession of the vein or lode claim; but where the existence of a vein or lode in a placer-claim is not known, a patent for the placer-claim shall convey all valuable mineral and other deposits within the boundaries thereof.

Sec. 12. That the surveyor-general of the United States may appoint in each land district containing mineral lands as many competent surveyors as shall apply for appointment to survey mining-claims. The expenses of the survey of vein or lode claims, and the survey and subdivision of placer-claims into smaller quantities than one hundred and sixty acres, together with the cost of publication of notices, shall be paid by the applicants, and they shall be at liberty to obtain the same at the most reasonable rates, and they shall also be at liberty to employ any United States deputy surveyor to make the survey. The commissioner of the general land office shall also have power to establish the maximum charges for surveys and publication of notices under this act; and, in case of excessive charges for publication, he may designate any newspaper published in a land district where mines are situated for the publication of mining-notices in such district, and fix the rates to be charged by such paper; and, to the end that the commissioner may be fully informed on the subject, each applicant shall file with the register a sworn statement of all charges and fees paid by said applicant for publication and surveys, together with all fees and money paid the register and the receiver of the land-office, which statement shall be transmitted, with the other papers in the case, to the commissioner of the general land office. The fees of the register and the receiver shall be five dollars each for filing and acting upon each application for patent or adverse claim filed, and they shall be allowed the amount fixed by law for reducing testimony to writing, when done in the land-office, such fees and allowances to be paid by the respective parties; and no other fees shall be charged by them in such cases.

Nothing in this act shall be construed to enlarge or affect the rights of either party in regard to any property in controversy at the time of the passage of this act, or of the act entitled "An act granting the right of way to ditch and canal owners over the public lands, and for other purposes," approved July twenty-sixth, eighteen hundred and sixty-six, nor shall this act affect any right acquired under said act; and nothing in this act shall be construed to repeal, impair, or in any way affect the provisions of the act entitled "An act granting to A. Sutro the right of way, and other privileges to aid in the construction of a draining and exploring tunnel to the Comstock lode, in the State of Nevada," approved July twenty-fifth, eighteen hundred and sixty-six.

Sec. 13. That all affidavits required to be made under this act, or the act of which it is amendatory, may be verified before any officer authorized to administer oaths within the land-district where the claims may be situated, and all testimony and proofs may be taken before any such officer, and, when duly certified by the officer taking the same, shall have the same force and effect as if taken before the register and receiver of the land-office. In cases of contest as to the mineral or agricultural character of land, the testimony and proofs may be taken as herein provided on per-
character of land, how taken.

Where veins unite, oldest location to take.

Whereas in December, eighteen hundred and seventy, Major Samuel Ross, United States army, unassigned, was examined by a retiring board at San Francisco, California, and found disabled for active duty on account of wounds received in battle; and whereas no official action having been taken to retire from active service the said Ross on the proceedings of said retiring board, and the said Ross being a supernumerary officer was honorably mustered out of service as such on or about January second, eighteen hundred and seventy-one; and whereas on or about March second, eighteen hundred and seventy-two, the said Ross was re-appointed an officer of the United States army, as second lieutenant, with a view of being retired from active service on account of said disability: Therefore,

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of War is hereby authorized to place the name of said Samuel Ross on the list of officers retired from active service, according to the proceedings and report of said retiring board, to take effect for rank and pay from the first day of January, eighteen hundred and seventy-one, and to correct the army records and register so that the name of said Ross will appear as continuously in service; Provided, That any and all moneys as pay or emoluments received by said Ross, on account of being declared mustered out as aforesaid, shall be deducted from his pay as such retired officer, accruing from, on, and after the said first day of January, eighteen hundred and seventy-one.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the commissioners of claims shall have authority to appoint special commissioners to take testimony, to be used in cases pending before them, who shall have authority to administer oaths and affirmations, and to take the depositions of witnesses: Provided, The claimants shall pay the fees of such special commissioners for taking the depositions of witnesses called by them; but such fees shall in no case exceed ten cents per folio if the claim is less than one thousand dollars.

SEC. 2. That any person who shall knowingly and willfully swear falsely before the said commissioners of claims, or either of them, or before any special commissioner appointed by virtue of this act, in any matter or claim pending before said commissioners, shall be deemed guilty of perjury, and, on conviction thereof, shall be punished in the same manner prescribed by law in cases of willful and corrupt perjury.

SEC. 3. That the commissioners of claims may appoint and employ agents, but not more than three at any time, whose duty it shall be, under the direction and authority of said commissioners, to investigate claims pending before them, to procure evidence, to secure the attendance of witnesses on behalf of the government, and to examine the same, and to cross-examine the witnesses produced by claimants, and to perform such other duties as may be required of them by said commissioners, who may discharge them at any time. The said agents shall be allowed their actual and necessary travelling expenses; the expenses paid out in investigating claims, procuring witnesses, and taking testimony, and six dollars per day while employed in the discharge of their duties; of all which, at the end of each month, they shall make a statement in detail, specifying the amounts by them paid out, to whom paid, when and where and for what purpose, and the number of days employed in their duties, and shall transmit the same, duly certified, to the commissioners. But no claim where the amount exceeds ten thousand dollars shall be examined, decided, and reported by the commissioners to Congress, except the testimony on behalf of the claimant in such case shall have been taken orally before the commissioners or some one of them personally, or shall have been taken previous to the third day of March, eighteen hundred and seventy-one, to be used in the court of claims or before some department of the government.

SEC. 5. That all the expenses incurred under the provisions of this act shall be allowed and paid in the same manner, and out of the same appropriation provided for in the act organizing the said commissioners of claims, being an act entitled "An act making appropriations for the support of the army for the year ending June thirtieth, eighteen hundred and seventy-two, and for other purposes," approved March third, eighteen hundred and seventy-one.

SEC. 6. That it shall be the duty of the said commissioners of claims to receive, examine, and consider the justice and validity of such claims as shall be brought before them of those citizens who remained loyal adherents to the cause and government of the United States during the war, for stores or supplies taken or furnished during the rebellion for the use of the navy of the United States, in the same manner and with
CHAP. CLVII. — An Act to carry out certain Provisions of the Cherokee Treaty of eighteen hundred and sixty-six, and for the Benefit of Settlers on the Cherokee Lands in the State of Kansas.

Whereas in order that certain provisions of the treaty of July nineteenth, eighteen hundred and sixty-six, between the United States and the Cherokee nation may be rendered clearer, and made more satisfactory to settlers upon the lands known as the "Cherokee strip," in the State of Kansas, said settlers having moved thereon since the date of said treaty, and for the purpose of facilitating the sale of said lands: Therefore,

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the strip of land lying west of the Neosho river, and included in the State of Kansas, conveyed to the Cherokee nation of Indians by the United States, and now belonging to said nation, shall be surveyed, under the direction of the commissioner of the general land office, in the same manner as the public lands of the United States are surveyed, and shall be by him offered for sale under the provisions and restrictions of this act; and all the lands in said tract lying east of the Arkansas river shall be sold at two dollars per acre, and all lands in said tract lying west of said river shall be sold at one dollar and fifty cents per acre, except as hereinafter provided: Provided, That where there is a fraction of land less than forty acres, the same shall be sold with the contiguous tract, expense of survey to be paid out of the proceeds of said land in accordance with the treaty of July ninth, eighteen hundred and sixty-six.

Sec. 2. That each person being the head of a family or over twenty-one years of age who has made a bona-fide settlement and improvement upon any portion of said lands, and is now occupying the same, or, in case of his or her death, the heirs of such, or, if such heirs are minors, their guardians for them, shall be entitled to enter and purchase the lands so settled upon and occupied, not exceeding one hundred and sixty acres, at the price fixed in the first section of this act, provided for in the fifth section hereof; and all persons heads of families or over twenty-one years of age who may settle upon said lands at any time within one year from the date of the approval of the Secretary of the Interior of the acceptance of the provisions of this act, may purchase the land so settled upon, not exceeding one hundred and sixty acres, at the price fixed in the first section of this act, and shall make payment therefor within one year from the date of said settlement: Provided, That all lands not sold under the foregoing provisions of this section, and all lands settled upon but unpaid for at the expiration of the limitation named in the foregoing provisions of this act, shall, unless such payment be suspended by reason of contest or appeal, be sold by the Secretary of the Interior, on sealed bids, after due advertisement, in tracts not exceeding one hundred and sixty acres, and at not less than the price fixed in the first section of this act: Provided further, That proof of settlement, entry, and payment shall be made at the land-office of the proper district, under such regulations as the commissioner of the general land office shall prescribe: And provided further, That the town-site laws shall be, and hereby are, extended to and made applicable to said lands, subject to the provisions of this act: And provided further, That the Secretary of the Interior may cause public advertisement to be made of the provisions of this act.

Sec. 3. That any Cherokee citizen, or the heirs at law of such who had rights under the Cherokee laws to any portion of said lands, and
whose titles were valid at the date of the treaty of eighteen hundred and sixty-six, and who may be able to establish such validity within one year from the date of the passage of this act, under such rules as the Secretary of the Interior may prescribe, shall receive the proceeds of the sale of such identical lands, not exceeding one hundred and sixty acres, instead of their being invested as hereinafter provided for in the fourth section of this act.

Sec. 4. That all moneys accruing from the sales of land under this act shall, without unnecessary delay, be invested in the registered five per centum bonds of the United States, as provided in the twenty-third article of the treaty of eighteen hundred and sixty-six.

Sec. 5. That the sale of said lands, as hereinbefore provided for, shall not take place until the provisions of this act are accepted by the Cherokee national council, or by a delegation duly authorized thereby; which acceptance shall be filed with the Secretary of the Interior, and, when approved by him, the same shall be final and conclusive.

CHAPEL. CLVIII. — An Act to authorize the Construction of a Bridge across the Missouri River, at Boonville, Missouri.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Boonville Railroad Bridge Company, a corporation existing under the laws of the State of Missouri, be, and is hereby, authorized to construct and maintain a bridge over the Missouri river, between the city of Boonville, in Cooper county, and Franklin, in Howard county, in said State, and to lay on or over said bridge railway-tracks for the more perfect connection of any railroads that are, or shall be, constructed to the said river at or opposite said point, under the limitations and conditions hereinafter provided; that said bridge shall not interfere with the free navigation of said river beyond what is necessary in order to carry into effect the rights and privileges hereby granted; and in case of any litigation arising from any obstruction, or alleged obstruction, to the free navigation of said river, the cause may be tried before the district court of the United States of the State of Missouri in which any portion of said obstruction or bridge touches.

Sec. 2. That any bridge built under the provisions of this act may, at the option of the company building the same, be built as a draw-bridge, with a pivot or other form of draw, or with unbroken or continuous spans: Provided, That if the said bridge shall be made with unbroken and continuous spans, it shall not be of less elevation, in any case, than fifty feet above extreme high-water mark, as understood at the point of location, to the bottom chord of the bridge; nor shall the spans of said bridge be less than two hundred and fifty feet in length; and the piers of said bridge shall be parallel with the current of the river; and the main span shall be over the main channel of the river, and not less than three hundred feet in length. And provided also, That if any bridge built under this act shall be constructed as a draw-bridge, the same shall be constructed as a pivot draw-bridge, with a draw over the main channel of the river at an accessible and navigable point, and with spans of not less than one hundred and sixty feet in length in the clear on each side of the central or pivot pier of the draw; and the next adjoining spans to the draw shall not be less than two hundred and fifty feet; and said spans shall not be less than thirty feet above low-water mark, and not less than ten above extreme high-water mark, measuring to the bottom chord of the bridge; and the piers of said bridge shall be parallel with the current of the river: And provided also, That said draw shall be opened promptly, upon reasonable signal, for the passage of boats; and in no case shall unnecessary delay occur in opening the said draw during or after the passage of trains.
SEC. 3. That any bridge constructed under this act, and according to its limitations, shall be a lawful structure, and shall be known and recognized as a post-route, upon which, also, no higher charge shall be made for the transmission over the same of the mails, the troops, and the munitions of war of the United States than the rate per mile paid for their transportation over the railroads or public highways leading to the said bridge, and the United States shall have the right of way for postal-telegraph purposes across said bridge.

SEC. 4. That all railway companies desiring to use the said bridge shall have and be entitled to equal rights and privileges in the passage of the same, and in the use of the machinery and fixtures thereof, and of all the approaches thereto, under and upon such terms and conditions as shall be prescribed by the Secretary of War, upon hearing the allegations and proofs of the parties in case they shall not agree.

SEC. 5. That the structure herein authorized shall be built under and subject to such regulations for the security of the navigation of said river and lake as the Secretary of War shall prescribe; and the said structure shall be at all times so kept and managed as to offer reasonable and proper means for the passage of vessels through and under said structure; and the said structure shall be changed at the cost and expense of the owners thereof, from time to time, as Congress may direct, so as to preserve the free and convenient navigation of said river; and the authority to erect and continue said bridge shall be subject to revocation by law whenever the public good shall, in the judgment of Congress, so require.

SEC. 6. That the right to alter or amend this act so as to prevent or remove all material obstructions to the navigation of said river by the construction of bridges is hereby expressly reserved.

That every person owning or occupying any brewery, or premises used or intended to be used for the purpose of brewing or making such fermented liquors, or who shall have such premises under his control or superintendence, as agent for the owner or occupant, or shall have in his possession or custody any brewing materials, utensils, or

Persons owning or occupying breweries, &c., to make entries daily in books kept for the purpose, of the
apparatus, used or intended to be used on said premises in the manufacture of beer, lager-beer, ale, porter, or other similar fermented liquors, either as owner, agent, or superintendent, shall, from day to day, enter, or cause to be entered, in a book to be kept by him for that purpose, the kind of such malt liquors, the estimated quantity produced in barrels, and the actual quantity sold or removed for consumption or sale in barrels or fractional parts of barrels, and shall also, from day to day, enter, or cause to be entered, in a separate book to be kept by him for that purpose, an account of all materials by him purchased for the purpose of producing such fermented liquors, including grain and malt; and shall render to said assessor or assistant assessor, on or before the tenth day of each month, a true statement, in writing, taken from his books, of the estimated quantity in barrels of such malt-liquors brewed, and the actual quantity sold or removed for consumption or sale during the preceding month; and shall verify, or cause to be verified, the said statement, and the facts therein set forth, by oath or affirmation, to be taken before the assessor or assistant assessor of the district, according to the form required by law, and shall immediately forward to the collector of the district a duplicate of said statement duly certified by the assessor or assistant assessor; and said books shall be open at all times for the inspection of any assessor or assistant assessor, collector, deputy-collector, inspector, or revenue-agent, who may take memorandums and transcripts therefrom.

SEC. 20. That the entries made in such books shall, on or before the tenth day of each month, be verified by the oath or affirmation of the person or persons by whom such entries shall have been made; which oath or affirmation shall be written in the book at the end of such entries, and be certified by the officer administering the same, and shall be in form as follows: "I do swear (or affirm) that the foregoing entries were made by me; and that they state truly, according to the best of my knowledge and belief, the estimated quantity of the whole amount of such malt-liquors brewed, and the actual quantity removed from the brewery owned by ——, in the county of ——; and, further, that I have no knowledge of any matter or thing required by law to be stated in said entries which has been omitted therefrom." And the owner, agent, or superintendent aforesaid shall also, in case the original entries made in his book shall not have been made by himself, subjoin thereto the following oath or affirmation, to be taken in manner as aforesaid: "I do swear (or affirm) that, to the best of my knowledge and belief, the foregoing entries fully set forth all the matters therein required by law; and that the same are just and true; and that I have taken all the means in my power to make them so."

SEC. 21. That the owner, agent, or superintendent of any brewery, vessels, or utensils used in making fermented liquors, who shall evade, or attempt to evade, the payment of the tax thereon, or fraudulently neglect or refuse to make true and exact entry and report of the same in the manner required by law, or to do, or cause to be done, any of the things by law required to be done by him as aforesaid, or who shall intentionally make false entry in said book or in said statement, or knowingly allow or procure the same to be done, shall forfeit, for every such offence, all the liquors made by him or for him, and all the vessels, utensils, and apparatus used in making the same, and be liable to a penalty of not less than five hundred nor more than one thousand dollars, to be recovered with costs of suit, and shall be deemed guilty of a misdemeanor, and shall be imprisoned for a term not exceeding one year. And any brewer who shall neglect to keep books, or refuse to furnish the account and duplicate thereof as provided by law, or shall refuse to permit the proper officer to examine the books in the manner provided, shall, for every such refusal or neglect, forfeit and pay the sum of three hundred dollars.

SEC. 22. That the commissioner of internal revenue shall cause to be
prepared, for the payment of the tax aforesaid, suitable stamps denoting the amount of tax required to be paid on the hogsheads, barrels, and
halves, quarters, sixths, and eighths of a barrel of such fermented liquors
(and shall also cause to be prepared suitable permits for the purpose hereinafter mentioned), and shall furnish the same to the collectors of internal
revenue, who shall each be required to keep on hand at all times a suffi-
cient supply of permits, and a supply of stamps equal in amount to two
months' sale thereof, if there shall be any brewery or brewery warehouse
in his district, and the said stamps shall be sold, and the said permits
granted and delivered by such collectors, only to the brewers of their dis-
trict respectively; and such collectors shall keep an account of the number
of permits delivered and also the number and value of the stamps sold by
them to each of such brewers respectively; and the commissioner of inter-
nal revenue shall allow upon all sales of such stamps to any brewer, and
by him used in his business, a deduction of seven and a half per centum.
And the amount paid into the treasury by any collector on account of the
sale of such stamps to brewers shall be included in estimating the com-
misions of such collector and of the assessor of the same district.

Sec. 23. That every brewer shall obtain, from the collector of the dis-
trict in which his brewery or brewery warehouse may be situated, and
not otherwise, unless such collector shall fail to furnish the same upon
application to him, the proper stamp or stamps, and shall affix upon the
spigot-hole, or tap (of which there shall be but one) of each and every
hogshead, barrel, keg, or other receptacle, in which any fermented liquor
shall be contained, when sold or removed from such brewery or ware-
house (except in case of removal under permit as hereinafter provided),
a stamp denoting the amount of the tax required upon such fermented
liquor, in such a way that the said stamp or stamps will be destroyed
upon the withdrawal of the liquor from such hogshead, barrel, keg, or other
vessel, or upon the introduction of a faucet or other instrument for
that purpose; and shall also, at the time of affixing such stamp or stamps,
as aforesaid, cancel the same by writing or imprinting thereon the name
of the person, firm, or corporation by whom such liquor may have been
made, or the initial letters thereof, and the date when cancelled. Every
brewer who shall refuse or neglect to affix and cancel the stamp or stamps
required by law shall not have been affixed, or on which a false or
fraudulent stamp or permit, in case of removal required by law shall not have been affixed, or on which a false or fraudulant stamp thereto, or knowingly permit the same to be done, shall
be liable to pay a penalty of one hundred dollars for each barrel or pack-
age on which such omission or fraud occurs, and shall be liable to impris-
onment for not more than one year.

Sec. 24. That any brewer, cartman, agent for transportation, or other
person who shall sell, remove, receive, or purchase, in any way aid in
the sale, removal, receipt, or purchase, of any fermented liquor con-
tained in any hogshead, barrel, keg, or other vessel from any brewery
or brewery warehouse, upon which the stamp or permit in case of re-
moval required by law shall not have been affixed, or on which a false or
fraudulent stamp or permit, in case of removal is affixed, with knowl-
edge that it is such, or on which a stamp or permit, in case of removal,
once cancelled, is used a second time; and any retail dealer or other
person who shall withdraw or aid in the withdrawal of any fermented liquor
from any hogshead, barrel, keg, or other vessel containing the same, with-
out destroying or defacing the stamp affixed upon the same, or shall with-
draw or aid in the withdrawal of any fermented liquor from any hogshead,
barrel, keg, or other vessel, upon which the proper stamp shall not have
been affixed, or on which a false or fraudulent stamp is affixed, shall be
liable to a fine of one hundred dollars, and to imprisonment for not more
than one year. Every person who shall make, sell, or use any false or
counterfeit stamp, or permit, or die for printing or making stamps or per-
mits which shall be in imitation of, or purport to be a lawful stamp, per-

mit, or die of the kind before mentioned, or who shall procure the same to be done, shall be imprisoned for not less than one nor more than five years; Provided, That every brewer who sells fermented liquor at retail at the brewery, or other place where the same is made, shall affix and cancel the proper stamp or stamps upon the hogsheads, barrels, kegs, or other vessels in which the same is contained, and shall keep an account of the quantity so sold by him, and of the number and size of the hogsheads, barrels, kegs, or other vessels in which the same has been contained, and shall make a report thereof, verified by oath, monthly, to the assessor, and forward a duplicate of the same to the collector of the district: And provided further, That brewers may remove or transport, or cause to be removed or transported, malt liquor of their own manufacture, known as lager-beer, in quantities of not less than six barrels in one vessel, and may also remove or transport, or cause to be removed or transported, malt liquors known as ale or porter, or any other malt liquor not herefore mentioned, in quantities not less than fifty barrels at a time, from their breweries or other places of manufacture, to a depot, warehouse, or other place used exclusively for storage or sale in bulk, and occupied by them, from one part of one collection-district to another part of the same collection-district, or from one collection-district to another collection-district, without affixing the proper stamp on said vessels of lager-beer, ale, porter, and other malt liquor at the brewery or place of manufacture, under a permit to be obtained from the collector of the district (who is to grant the same upon application) wherein said malt liquor is manufactured, to said depot or warehouse, but to no other place, under such rules and regulations as the commissioner of internal revenue may prescribe, and thereafter the manufacturer of the malt liquor so removed shall stamp the same when it leaves such depot or warehouse, in the same manner and under the same penalties and liabilities as when stamped at the brewery as herein provided; and the collector of the district in which such depot or warehouse is situated shall furnish the manufacturer with the stamps for stamping the same, as if the said malt liquor had been manufactured in his district: And provided further, That said permit must be affixed to each and every such vessel or cask, and cancelled or destroyed in such manner as the commissioner of internal revenue shall prescribe, and under the same penalties and liabilities as herein provided as to stamps: And provided further, That when fermented liquor has become sour or damaged, so as to be incapable of use as such, brewers may sell the same for manufacturing purposes, and may remove the same to places where it may be used for such purposes, in casks or other vessels, unlike those ordinarily used for fermented liquors, containing, respectively, not less than one barrel each, and having the nature of their contents marked upon them, without affixing thereon the permit, stamp, or stamps required.

Sec. 25. That every brewer shall by branding mark, or cause to be marked, upon every hogshead, barrel, keg, or other vessel containing the fermented liquor made by him, before it is sold or removed from the brewery, or brewery warehouse, or other place of manufacture, the name of the person, firm, or corporation by whom such liquor was manufactured, and the place where the same shall have been made. And any person, other than the owner thereof, or his agent, authorized so to do, who shall intentionally remove or deface such marks therefrom, shall be liable to a penalty of fifty dollars for each cask or vessel from which the mark is so removed or defaced: Provided, however, That when a brewer shall purchase fermented liquor finished and ready for sale from another brewer, in order to supply the customers of such purchaser, such purchaser may, upon written notice to the collector of his intention so to do, and under such regulations as the commissioner of internal revenue may prescribe, furnish his own vessels, branded with his name and the place where his
brewery is located, to be filled with the fermented liquor so purchased, and to be so removed; the proper stamp or stamps to be affixed and canceled as aforesaid, by the manufacturer, before removal.

**Sec. 26.** That where a brewer shall by reason of an accident by fire or flood, or by reason of his brewery undergoing repairs, or other circumstances which may, in the opinion of the collector of the proper district, require or render it proper that such a brewer shall be permitted to conduct his business wholly or partially at some other place within the same or adjoining district for a temporary period, it shall be lawful for such collector, under such regulations and subject to such limitation of time as the commissioner of internal revenue may prescribe, to issue a permit to such brewer authorizing him to conduct his business wholly or partially, according to the circumstances, at such other place for a period in such permit to be stated, and such brewer shall not be required to pay another special tax for the purpose.

**Sec. 27.** That where malt liquor or tun liquor, in the first stages of fermentation, known as unfermented worts, of whatever kind, is sold by one brewer to another for the purpose of producing fermentation or enlivening old or stale ale, porter, lager-beer, or other fermented liquors, it shall not be liable to a tax to be paid by the seller thereof, but the tax on the same shall be paid by the purchaser thereof, when the same, having been mixed with the old or stale beer, is sold by him as provided by law, and such sale or transfer shall be subject to such restrictions and regulations as the commissioner of internal revenue may prescribe.

**Sec. 28.** That the ownership or possession by any person of any fermented liquor after its sale or removal from brewery or warehouse, or other place where it was made, upon which the tax required shall not have been paid, shall render the same liable to seizure wherever found, and to forfeiture, removal under said permits excepted, and that the want of a proper stamp or stamps upon any hogshead, barrel, keg, or other vessel in which fermented liquor may be contained after its sale or removal from the brewery where the same was made, or warehouse, as aforesaid, shall be notice to all persons that the tax has not been paid thereon, and shall be prima-facie evidence of the non-payment thereof.

**Sec. 29.** That any person, other than the purchaser or owner of any fermented liquor, or person acting on his behalf, or as his agent, who shall intentionally remove or deface the stamp or permit affixed upon the hogshead, barrel, keg, or other vessel in which the same may be contained, shall be liable to a fine of fifty dollars for each such vessel from which the stamp or permit is so removed or defaced, and to render compensation to such purchaser or owner for all damage sustained by him therefrom.

**Sec. 30.** That any person who shall withdraw any fermented liquor from any hogshead, barrel, keg, or other vessel upon which the proper stamp or stamps shall not have been affixed, for the purpose of bottling the same, or who shall carry on, or attempt to carry on, the business of bottling fermented liquor in any brewery or other place in which fermented liquor is made, or upon any premises having communication with such brewery or any warehouse, shall be liable to a fine of five hundred dollars, and the property used in such bottling or business shall be liable to forfeiture.

**Tobacco.**

**Sec. 81.** That and after the first day of July next the act entitled "An act imposing taxes on distilled spirits and tobacco, and for other purposes," approved July twentieth, eighteen hundred and sixty-eight, be, and the same is hereby, amended as follows:

---

**Amendment of 1868, ch. 186.**

"An act imposing taxes on distilled spirits and tobacco, and for other purposes," approved July twentieth, eighteen hundred and sixty-eight, be, and the same is hereby, amended as follows:
That section sixty-one be amended by striking out all after the second paragraph, and inserting in lieu thereof the following words: “On all chewing and smoking tobacco, fine-cut, cavendish, plug, or twist, cut or granulated, of every description; on tobacco twisted by hand or reduced into a condition to be consumed, or in any manner other than the ordinary mode of drying and curing, prepared for sale or consumption, even if prepared without the use of any machine or instrument, and without being pressed or sweetened; and on all fine-cut shorts and refuse scraps, clippings, cuttings, and sweepings of tobacco, a tax of twenty cents per pound.”

That section fifty-nine be amended by striking out all of paragraphs seven, eight, nine, and ten, and inserting in lieu thereof the following, to wit: “Dealers in leaf-tobacco, except retail dealers in leaf-tobacco, as hereinafter defined, shall each pay twenty-five dollars. Every person shall be regarded as a dealer in leaf-tobacco whose business it is, for himself or on commission, to sell, or offer for sale, or consign for sale on commission, leaf-tobacco; and payment of a special tax as dealer in tobacco, manufacturer of tobacco, manufacturer of cigars, or any other special tax, shall not exempt any person dealing in leaf-tobacco from the payment of the special tax therefor hereby required. But no farmer or planter shall be required to pay a special tax as a dealer in leaf-tobacco, for selling tobacco of his own production, or tobacco received by him as rent from tenants who have produced the same on his land. But nothing in this section shall be construed to exempt from a special tax any farmer or planter who shall, by peddling or otherwise, sell leaf-tobacco at retail directly to consumers, or who shall sell or assign, consign, transfer, or dispose of to persons other than those who have paid a special tax as leaf-dealers or manufacturers of tobacco, snuff, or cigars, or to persons purchasing leaf-tobacco for export. And it shall be the duty of every farmer or planter producing and selling leaf-tobacco, on demand of any internal revenue officer, or other authorized agent of the Treasury Department, to furnish said officer or agent a true and correct statement, verified by oath or affirmation, of all his sales of leaf-tobacco, the number of hogsheads, cases, or pounds, with the name and residence, in each instance, of the person to whom sold, and the place to which it is shipped. And any such farmer or planter who shall wilfully refuse to furnish such information, or who shall knowingly make false statements as to any of the facts aforesaid, shall be liable to a penalty not exceeding five hundred dollars.”

Dealers in leaf-tobacco shall hereafter sell only to other dealers who have paid a special tax as such, and to manufacturers of tobacco, snuff, or cigars, and to such persons as are known to be purchasers of leaf-tobacco for export. Retail dealers in leaf-tobacco shall each pay five hundred dollars, and, if their annual sales exceed one thousand dollars, shall each pay, in addition thereto, fifty cents for every dollar in excess of one thousand dollars of their sales. Every person shall be regarded as a retailer in leaf-tobacco whose business it is to sell leaf-tobacco in quantities less than an original hogshead, case, or bale; or who shall sell directly to consumers, or to persons other than dealers in leaf-tobacco, who have paid a special tax as such; or to manufacturers of tobacco, snuff, or cigars who have paid a special tax; or to persons who purchase in original packages for export. Retail dealers in leaf-tobacco shall also keep a book, and enter therein daily their purchases and sales, in a form and manner to be prescribed by the commissioner of internal revenue, which book shall be open at all times for the inspection of any revenue officer. Dealers in tobacco shall each pay five dollars. Every person whose business it is to sell, or offer for sale, manufactured tobacco, snuff, or cigars, shall be regarded as a dealer in tobacco, and the payment of a
special tax as a wholesale or retail liquor-dealer, or the payment of any other special tax, shall not relieve any person who sells manufactured tobacco and cigars from the payment of this tax: Provided, That no manufacturer of tobacco, snuff, or cigars shall be required to pay a special tax as dealer in manufactured tobacco and cigars for selling his own products at the place of manufacture.

Manufacturers of tobacco shall each pay ten dollars. Every person whose business it is to manufacture tobacco or snuff, whether such manufacturer shall be by cutting, pressing, grinding, crushing, or rubbing of any raw or leaf tobacco, or otherwise preparing raw or leaf tobacco, or manufactured or partially manufactured tobacco or snuff, or the putting up for use or consumption of scraps, waste, clippings, stems, or deposits of tobacco resulting from any process of handling tobacco, shall be regarded as a manufacturer of tobacco.

Manufacturers of cigars shall each pay ten dollars. Every person whose business it is to make or manufacture cigars, and who shall employ others to make or manufacture cigars, shall be regarded as a manufacturer of cigars. No special-tax receipt shall be issued to any manufacturer of cigars until he shall have given the bond required by law. Every person whose business it is to make cigars for others, either for pay, upon commission, on shares, or otherwise, from material furnished by others, shall be regarded as a cigar-maker. Every cigar-maker shall cause his name and residence to be registered, without previous demand, with the assistant assessor of the division in which such cigar-maker shall be employed; and any manufacturer of cigars employing any cigar-maker who shall have neglected or refused to make such registry shall, on conviction, be fined five dollars for each day that such cigar-maker so offending, by neglect or refusal to register, shall be employed by him.

"Peddlers of tobacco shall be classified and rated as follows, to wit: When travelling with more than two horses, mules, or other animals, the first class, and shall pay fifty dollars; when travelling with two horses, mules, or other animals, the second class, and shall pay twenty-five dollars; when travelling with one horse, mule, or other animal, the third class, and shall pay fifteen dollars; when travelling on foot or by public conveyance, the fourth class, and shall pay ten dollars. Any person who sells or offers to sell and deliver manufactured tobacco, snuff, or cigars, travelling from place to place, in the town or through the country, shall be regarded as a peddler of tobacco. Every peddler of tobacco, before commencing, or, if already commenced, before continuing to peddle tobacco, shall furnish to the collector of his district a statement accurately setting forth the place of his residence, and, if in a city, the street and number of the street where he resides; also the State or States through which he proposes to travel; the mode of travel, whether on foot, by public conveyance, or to travel with one, two, or more horses, mules, or other animals; to state also whether he proposes to sell his own manufactures or manufactures of others, and, if he sells for other parties, to name the person or persons for whom he sells. He shall also give a bond in the sum of two thousand dollars, to be approved by the collector of the district, that he will not engage in any attempt, by himself or by collusion with others, to defraud the government of any tax on tobacco, snuff, or cigars; that he will neither sell, nor offer for sale any tobacco, snuff, or cigars, except in original and full packages, as the law requires the same to be put up and prepared by the manufacturer for sale, or for removal for sale or consumption, and except such packages of tobacco, snuff, and cigars as bear the manufacturer's label or caution-notice, and his legal marks and brands, and genuine internal-revenue stamps which have never before been used. Every peddler of tobacco, snuff, or cigars, travelling with a wagon shall affix and keep on the same, in a conspicuous place, a sign painted in travelling with wagons, to keep
oil-colors, or gilded, giving his full name, business, and collection-district, and shall obtain a certificate from the collector of the district, who is hereby authorized and directed to issue the same, giving the name of the peddler, his residence, the class of his special-tax receipt, and the fact of his having filed the required bond; and every person peddling tobacco shall, on demand of any officer of internal revenue, produce and exhibit said collector's certificate, and, unless he shall do so, may be taken and deemed not to have paid the special tax, nor otherwise to have complied with the law. And in case any peddler shall refuse to exhibit his or her receipt as aforesaid, when demanded by any officer of internal revenue, said officer may seize the horse, or mule, wagon and contents, or pack, bundle, or basket of any person so refusing; and the assessor of the district in which the seizure has occurred may, on ten days' notice, published in any newspaper in the district, or served personally on the peddler, or at his dwelling-house, require such peddler to show cause, if any he has, why the horses or mules, wagon and contents, pack, bundle, or basket so seized shall not be forfeited; and in case no sufficient cause is shown the assessor may direct a forfeiture, and issue an order to the collector, or to any deputy-collector of the district, for the sale of the property so forfeited; and the same, after payment of the expenses of the proceedings, shall be paid to the collector for the use of the United States; and all such special taxes shall become due on the first day of May in each year, or on commencing business; and if such peddler shall not have paid the special tax for the current year he shall pay the same within thirty days after the passage of this act. In the former case the tax shall be reckoned for one year, and in the latter case proportionately for that part of the year from the first day of the month in which the liability to a special tax commenced to the first day of May following. And any person who shall, after the passage of this act, be found peddling tobacco, snuff, or cigars, without having given the bond, or without having previously obtained the collector's certificate as herein provided, or who shall sell tobacco, snuff, or cigars otherwise than in original and full packages as put up by the manufacturer; or who shall have in his possession any internal-revenue stamp or stamps which have been removed from any box or other package of tobacco, snuff, or cigars, or any empty or partially emptied box or other package which has been used for tobacco, snuff, or cigars, the stamp or stamps on which have not been destroyed; or shall fail to have affixed to his wagon, in a conspicuous place, a sign, painted in oil-colors, or gilded, giving his full name, business, and collection-district, shall, for each such offence, on conviction, be fined not less than one hundred dollars nor more than five hundred dollars, or imprisoned not less than six months nor more than one year, or both, at the discretion of the court."

That section sixty be amended by adding at the end of the section the following words, to wit: "And if any manufacturer of tobacco, snuff, or cigars shall sell, or remove for sale or consumption, any tobacco, snuff, or cigars upon which a tax is required to be paid by stamps, without the use of the proper stamps, in addition to the other penalties imposed by law for such sale or removal, it shall be the duty of the proper assessor or assistant assessor, or any internal-revenue officer detailed by the commissioner of internal revenue for that purpose, within a period of not more than two years after such sale or removal, upon such information as he can obtain, to estimate the amount of tax which has been omitted to be paid, and to make an assessment therefor, and certify the same to the collector. And the subsequent proceedings for collection shall be in all respects like those for the collection of taxes upon manufactures and productions."
paragraph relating to smoking-tobacco, by inserting after the words "all smoking-tobacco" the words "and all cut and granulated tobacco other than fine-cut chewing, and shorts, the refuse of fine-cut chewing:" also, in the same paragraph, by inserting after the words "refuse scraps" the words "clippings, cuttings," and by striking out from the last paragraph the words "or the proprietor's name and his trade-mark," and by adding at the end of said paragraph the following words: "And provided further, That fine-cut shorts, the refuse of fine-cut chewing-tobacco, refuse scraps, clippings, cuttings, and sweepings of tobacco may be sold in bulk as material, and without the payment of tax, by one manufacturer directly to another manufacturer, or for export, under such restrictions, rules, and regulations as the commissioner of internal revenue may prescribe: And provided further, That wood and other materials may be used separately or in combination for packing tobacco, snuff, and cigars, under such regulations as the commissioner of internal revenue may establish.

That section sixty-three be amended by striking out the words "and the sum of the said bond may be increased, from time to time, and additional sureties required by the collector, under the instructions of the commissioner of internal revenue." and inserting in lieu thereof the following words: "additional sureties may be required by the collector, from time to time, but the penal sum of said bond shall not be computed by him in excess of the sum of twenty thousand dollars, except under special instructions of the commissioner of internal revenue."

That section sixty-seven be amended by striking out the word "warehouse" and inserting in lieu thereof the word "export;" also, by adding to the end of the said section the following: "That such stamps as may be required to stamp tobacco, snuff, or cigars, sold under distress by any collector of internal revenue, or for stamping, any tobacco, snuff, or cigars which may have been abandoned, condemned, or forfeited, and sold by order of court or of any government officer for the benefit of the United States, may, under such rules and regulations as the commissioner of internal revenue shall prescribe, be used by the collector making such sale, or furnished by a collector to a United States marshal, or to any other government officer making such sale for the benefit of the United States, without making payment for said stamps so used or delivered; and any revenue collector using or furnishing stamps in manner as aforesaid, on presenting vouchers satisfactory to the commissioner of internal revenue, shall be allowed credit for the same in settling his stamp account with the department: And provided further, That in case it shall appear that any abandoned, condemned, or forfeited tobacco, snuff, or cigars, when offered for sale, will not bring a price equal to the tax due and payable thereon, such goods shall not be sold for consumption in the United States; and upon application made to the commissioner of internal revenue, he is authorized and hereby directed to order the destruction of such tobacco, snuff, or cigars by the officer in whose custody and control the same may be at the time, and in such manner and under such regulations as the commissioner of internal revenue may prescribe."

That section sixty-nine be amended by inserting after the words "imitation of any stamp required by this act" the words "or any stamp or stamps which have been previously used."
same words occur the second time, insert instead thereof the words “the
 stamp or stamps taken from any such empty box, bag, vessel, wrapper, or
 envelope of any kind;” also, by inserting in the last sentence, after the
 words “emptied, or partially emptied,” the words “or shall have in his
 possession, or shall affix to any box or other package any stamp or stamps
 which have been previously used, or who shall sell, or offer for sale, any
 box or other package of tobacco, snuff, or cigars, having affixed thereon
 any fraudulent, spurious, imitation, or counterfeit stamp or stamps, or
 stamp or stamps that have been previously used, or shall sell from any
 such fraudulently stamped box or package, or shall have in his possession
 any box or package as aforesaid, knowing the same to be fraudulently
 stamped.”

That section seventy-three be amended by striking out all after the
 enacting clause and inserting in lieu thereof the following, to wit:
“ That manufactured tobacco, snuff, and cigars intended for immediate
 exportation, after being properly inspected, marked, and branded, may be
 removed from the manufactory in bond without having affixed thereto
 internal revenue stamps indicating the payment of the tax thereon. The
 removal from the manufactory of such tobacco, snuff, and cigars shall be
 made under such rules and regulations, and after making such entries and
 executing and filing, with the collector of the district from which the re-
 moval is to be made, such bonds and bills of lading, and giving such
 other additional security as may be prescribed by the commissioner of
 internal revenue and approved by the Secretary of the Treasury. All
 tobacco, snuff, and cigars intended for immediate export as aforesaid,
 before being removed from the manufactory, shall have affixed to each
 package an engraved stamp, indicative of such intention, to be provided
 and furnished to the several collectors as in the case of other stamps, and to
 be charged to them and accounted for in the same manner; and for the
 expense attending the providing and affixing of such stamps, ten cents for
 each package so stamped shall be paid to the collector on making the
 entry for such transportation. When the manufacturer shall have made
 the proper entries, filed the bonds, and otherwise complied with all the
 requirements of the law and regulations as herein provided, the collector
 shall issue to him a permit for the removal, said permit accurately de-
 scribing the tobacco, snuff, and cigars to be shipped, the number and kind
 of packages, the number of pounds, the amount of tax, the marks and
 brands, the State and collection-district from which the same are shipped,
 and the number of the manufactory and the manufacturer’s name, together
 with the port from which the said tobacco, snuff, and cigars are to be ex-
 ported, and the route or routes over which the same are to be sent to the
 port of shipment, and the name of the vessel or line by which they are to
 be conveyed to the foreign port. The bonds required to be given for the
 exportation of the tobacco, snuff, and cigars shall be cancelled upon the
 presentation of the proper certificates that said tobacco, snuff, and cigars
 have been landed at any port without the jurisdiction of the United
 States, or upon satisfactory proof that after shipment the same were lost
 at sea.”

That section seventy-four be amended by striking out all after the en-
 acting clause and inserting in lieu thereof the following, to wit: “That
 from and after the date on which this act takes effect there shall be an
 allowance of drawback on tobacco, snuff, and cigars on which the internal
 tax has been paid by suitable revenue-stamps affixed to the same before
 removal from the place of manufacture, when the same are exported, equal
 in amount to the value of the stamps found to have been so affixed,
 the evidence that the stamps were so affixed, and the amount of tax so
 paid, and of the subsequent exportation of the said tobacco, snuff, and
 cigars, to be ascertained under such rules and regulations as shall be

F., severally known to me to be the same persons who executed the foregoing instrument, who each for himself acknowledged to me that he had read or had heard read the same; that he was by me made acquainted with the conditions thereof, and understood the same; and that, while sober and not in a state of intoxication, he signed it freely and voluntarily, for the uses and purposes therein mentioned."

Sec. 14. That, first, if any person shall be carried to sea as one of the crew on board of any ship making a voyage as hereinbefore specified without entering into an agreement with the master of said ship, in the form and manner and at the place and times hereby in such cases required, the ship shall be held liable, and for each such offence shall incur a penalty not exceeding two hundred dollars: Provided always, That the ship shall not be held liable for any person carried to sea who shall have secretly stowed away himself without the knowledge of captain, mate, or of any of the officers of the ship, or who shall have falsely personated himself to the captain, mate, or officers of the ship for the purpose of being carried to sea; secondly, if any master, mate, or other officer of a ship knowingly receives, or accepts to be entered on board of any merchant ship, any seaman who has been engaged or supplied contrary to the provisions of this act, the ship on board of which such seaman shall be found shall, for every such seaman, be liable to and incur a penalty of a sum not exceeding two hundred dollars: Provided further, That in case of desertion, or of casualty resulting in the loss of one or more seamen, the master may ship a number equal to the number of whose services he has been deprived by desertion or casualty, and report the same to the United States consul at the first port at which he shall arrive, without incurring such penalty.

Sec. 15. That every master of a merchant ship of the United States who engages any seaman at a place out of the United States, in which there is a consular officer or commercial agent, shall, before carrying such seaman to sea, procure the sanction of such officer, and shall engage seamen before such officer; and the same rules as are hereinbefore contained with respect to the engagement of seamen before a shipping-commissioner in the United States shall apply to such engagements made before consular officer or commercial agent; and upon every such engagement the consular officer or commercial agent shall indorse upon the agreement his sanction thereof, and an attestation to the effect that the same has been signed in his presence, and otherwise made as hereby required; and every master who engages any seaman in any place in which there is a consular officer or commercial agent otherwise than as hereinbefore required shall incur a penalty not exceeding one hundred dollars, for which penalty the ship shall be held liable; and all such agreements so made shall be void, and the sea-

shall be given to any seaman except in the presence of the shipping-com-
misssioner.

Sec. 18. That if any advance of wages is made or advance security
given to any seaman in any such manner as to constitute a breach of any
of the above provisions, the wages of such seaman shall be recoverable by
him as if no such advance had been made or promised; and in the case of
any advance security so given no person shall be sued thereon unless he
was a party to such breach.

Sec. 19. That whenever any advance security is discounted for any
seaman, such seaman shall sign or set his mark to a receipt indorsed on
the security, stating the sum actually paid or accounted for to him by
the person discounting the same; and if the seaman sails in the ship from
the port of departure mentioned in the security, and is then duly earning
his wages, or is previously discharged with the consent of the master, but
not otherwise, the person discounting the security may, ten days after the
final departure of the ship from the said port of departure mentioned in
the security, sue for and recover the amount promised by the security,
with costs, either from the owner or from any agent who has drawn or
authorized the drawing of the security, in any justice's or other compe-

son to prove the security was given by the owner or master, or some
other authorized agent, and that the same was discounted to and receipted
by the seaman, and the seaman shall be presumed to have sailed in the
ship from such port as aforesaid, and to be duly earning his wages, unless
the contrary is proved.

ter or owner, in addition to any wages he may have earned, a sum equal
in amount to one month's wages as compensation, and may, on adducing
such evidence as the court hearing the case deems satisfactory of having
been so improperly discharged as aforesaid, recover such compensation
as if it were wages duly earned.

Sec. 22. That all seamen discharged in the United States from mer-

shall be discharged and receive their wages in the presence of a duly
authorized shipping-commissioner under this act, except in cases where

all the effect of the original of which it purports to be a copy; fourthly,

that he has made the payments therein mentioned.

Sec. 28. That upon every discharge effected before a shipping-commis-

thereto annexed, a report of the conduct, character, and qualifications of
the persons discharged, or may state on said form that he declines to give
any opinion upon such particulars, or upon any of them; and the com-
missioner shall keep a register of the same, and shall, if desired so to do
by any seaman, give to him or indorse on his certificate of discharge a
copy of so much of such report as concerns him.

any merchant ship of the United States, any thing to the contrary in any

SEC. 85. That the master or owner of any ship making voyages as hereinbefore described in section twelve of this act, except foreign-going ships, shall pay to every seaman his wages within two days after the termination of the agreement, or at the time such seaman is discharged, whichever first happens; and in the case of foreign-going ships, within three days after the cargo has been delivered, or within five days after the seaman's discharge, whichever first happens; and in all cases the seaman shall, at the time of his discharge, be entitled to be paid, on account, a sum equal to one-fourth part of the balance due to him; and every master or owner who neglects or refuses to make payment in manner aforesaid without sufficient cause shall pay to the seaman a sum not exceeding the amount of two days' pay for each of the days, not exceeding ten days, during which payment is delayed beyond the respective periods aforesaid; and such sum shall be recoverable as wages in any claim made before the court: Provided, That this section shall not apply to the masters or owners of any vessel where the seaman is entitled to share in the profits of the cruise or voyage.

SEC. 87. That if the officer to whom any such complaint as last aforesaid is made certifies in such statement as aforesaid that there was no reasonable ground for such complaint, each of the parties so complaining shall be liable to forfeit to the master or owner, out of his wages, a sum not exceeding one week's wages.

during the voyage, bad in quality, and unfit for use, the seaman shall re-

in addition to, and to be recoverable as, wages, that is to say: First, if
his allowance is reduced by any quantity not exceeding one-third of the
quantity specified in the agreement, a sum not exceeding fifty cents a day;
secondly, if his allowance is reduced by more than one-third of such
quantity, a sum not exceeding one dollar a day; thirdly, in respect of
such bad quality, as aresaid, a sum not exceeding one dollar a day.
But if it is shown to the satisfaction of the court before which the case
is tried that any provisions, the allowance of which has been reduced
could not be procured or supplied in sufficient quantities, or were un-

were supplied in lieu thereof in a reasonable time, the court shall take
such circumstances into consideration, and shall modify or refuse compen-
sation, as the justice of the case may require.

Sec. 40. That every ship belonging to a citizen or citizens of the
United States, as described in section twelve of this act, shall be provided
with a chest of medicines; and every sailing-ship bound on a voyage

stores, lime or lemon juice, or other articles, sugar, and vinegar, as are
hereinbefore provided, are not provided and kept on board, as hereinbefore
required, the master or owner shall incur a penalty not exceeding five
hundred dollars; and if the master of any such ship as aforesaid neglects
to serve out the lime or lemon juice, and sugar and vinegar in the case
and manner hereinbefore directed, he shall for each such offence incur a
penalty not exceeding one hundred dollars; and if any master is con-
victed in either of the last mentioned penalties, and it appears that the
offence is owing to the act or default of the owner, such master may re-
cover the amount of such penalty, and the costs incurred by him, from
the owner.

Sec. 42. That every master shall keep on board proper weights and
measures for the purpose of determining the quantities of the several
provisions and articles served out, and shall allow the same to be used at the time of serving out such provisions and articles, in the presence of a witness, whenever any dispute arises about such quantities, and in default, shall, for every offence, incur a penalty not exceeding fifty dollars. SEC. 300. That the Postmaster-General may, upon evidence satisfactory to him that any person, firm, or corporation is engaged in conducting any fraudulent lottery, gift-enterprise, or scheme for the distribution of money, or of any real or personal property, by lot, chance, or drawing of any kind, or in conducting any other scheme or device for obtaining money through the mails by means of false or fraudulent pretences, representations, or promises, forbid the payment by any postmaster to any such person, firm, or corporation of any postal money-order drawn to the order or in favor of him or of them, and may provide by regulations for the return to the remitters of the sums named in such money-
orders. And the Postmaster-General may also, upon like evidence, instruct postmasters at any post-offices at which registered letters shall arrive directed to any such person, firm, or corporation, to return all such registered letters to the postmasters at the offices at which they were originally mailed, with the word "fraudulent" plainly written or stamped upon the outside of said letters; and all such letters so returned to such postmasters shall be by them returned to the writers thereof, under such regulations as the Postmaster-General may prescribe: Provided, That nothing in this act contained shall be so construed as to authorize any postmaster or other person to open any letter not addressed to himself.

Sec. 301. That if any person having devised or intending to devise any scheme or artifice to defraud, or be effected by either opening or intending to open correspondence or communication with any other person (whether resident within or outside of the United States), by means of the post-office establishment of the United States, or by inciting such other person to open communication with the person so deviating or intending, shall, in good faith and for executing such scheme or artifice (or attempting so to do), place any letter or packet in any post-office of the United States, or take or receive any therefrom, such person, so misusing the post-office establishment, shall be guilty of a misdemeanor, and shall be punished with a fine of not more than five hundred dollars, with or without such imprisonment, as the court shall direct, not exceeding eighteen calendar months. The indictment, information, or complaint may severally charge offences to the number of three when committed within the same six calendar months; but the court thereupon shall give a single sentence, and shall proportion the punishment especially to the degree in which the abuse of the post-office establishment enters as an instrument into such fraudulent scheme and device.

Sec. 302. That all letters, packets, or other matter which may be seized or detained for violation of law shall be returned to the owner or sender of the same, or otherwise disposed of as the Postmaster-General may direct.

Sec. 303. That all suits arising under the postal laws, or the regulations of the Postmaster-General pursuant thereto, shall be instituted in the name of the United States of America, and the demands in such suits shall have all the privileges and priorities in adjudication and payment secured by law to other claims of the United States.

Sec. 304. That all causes of action arising under the postal laws may be sued, and all offenders against the same may be prosecuted, before the circuit or district courts of the United States.

Sec. 305. That all causes of action arising under the postal laws may be sued, and all offenders against the same may be prosecuted, before the justices of the peace, magistrates, or other judicial courts of the several States and Territories, having competent jurisdiction by the laws thereof, to the trial of claims and demands of as great value, and of prosecutions where the punishments are of as great extent; and such justices, magistrates, or judiciary shall take cognizance thereof, and proceed to judgment and execution as in other cases.

Sec. 306. That in all suits or causes arising under the postal laws the court shall proceed to trial and render judgment the first term after commencement of suit; but whenever service of process shall not be made at least twenty days previous to the return-day of such term, the defendant shall be entitled to one continuance, if on his statement the court shall deem it expedient: and if said defendant shall make affidavit that he has a claim against the Post-office Department, which has been submitted to and disallowed by the auditor for said department, and shall specify such claim in his affidavit, and that he could not be prepared for trial at such term for want of evidence, the court, being satisfied in these respects, may grant a continuance until the next succeeding term.

Poor debtors may be dis.

Sec. 807. That no claim for a credit shall be allowed upon the trial of any suit for delinquency against a postmaster, contractor, or other officer, agent, or employee of the Post-office Department, unless the same shall have been presented to the auditor for said department and by him disallowed, in whole or in part, unless it shall be proved, to the satisfaction of the court, that the defendant is, at the time of trial, in possession of vouchers not before in his power to procure, and that he was prevented from exhibiting to the said auditor a claim for such credit by some unavoidable accident.

Sec. 808. That in all suits for balances due the Post-office Department, interest thereon shall be recovered from the time of the default until payment at the rate of six per centum per annum.

Sec. 809. That in the prosecution of any suit for money due the Post-office Department, the United States attorney shall obey the directions which may be given him by the Department of Justice; and immediately after the end of every term of any court in which any suit has been pending, said attorney shall forward to the Department of Justice a statement of any judgment or order made, or step taken in the same, during such term, accompanied by a certificate of the clerk, showing the parties to and amount of every such judgment, with such other information as the Department of Justice may require. And the said attorney shall direct speedy and effectual execution upon said judgment, and the United States marshal to whom the same is directed shall make returns of the proceedings thereon to the Department of Justice at such times as it may direct.

Sec. 810. That when proceedings at law for money due the Post-office Department shall be fruitless, the said Department of Justice may direct the institution of a suit in chancery in any United States district or circuit court, to set aside fraudulent conveyances or trusts, or attach debts due the defendant, or obtain any other proper exercise of the powers of equity to have satisfaction of any judgment against such defendant.

Sec. 811. That in case of delinquency of any postmaster, contractor, or other officer, agent, or employee of the Post-office Department, in which suit may be brought, the auditor for said department shall forward to the Department of Justice certified copies of all papers in his office tending to sustain the claim.

Sec. 812. That copies of the quarterly returns of postmasters, and of any papers pertaining to the accounts, in the office of the auditor for the Post-office Department, and transcripts from the money-order account-books of said office, when certified by the auditor under his seal, shall be admitted as evidence in the courts of the United States, both in criminal and civil cases.

Sec. 813. That in all suits for the recovery of balances due from postmasters, a copy, duly certified under the seal of the auditor for the Post-office Department, of the statement of any postmaster, special agent, or other person employed by the Postmaster-General or the auditor for that purpose, that he has mailed a letter to such delinquent postmaster at the post-office where the indebtedness accrued, or at his last usual place of abode; that a sufficient time has elapsed for said letter to have reached its destination in the ordinary course of the mail; and that payment of such balance has not been received within the time designated in his instructions, shall be received as sufficient evidence in the courts of the United States, or other courts, that a demand has been made upon the delinquent postmaster; but when the account of a late postmaster has been once adjusted and settled, and a demand has been made for the balance appearing to be due, and afterward allowances are made or credits entered, it shall not be necessary to make a further demand for the new balance found to be due.

Sec. 814. That the Postmaster-General may discharge from imprisonment any person confined in jail on any judgment in a civil case, obtained
in behalf of the department, if it be made to appear that the defendant has no property of any description; but such release shall not bar a subsequent execution against the property of the defendant on the same judgment.

Sec. 315. That in all cases where a judgment shall have been obtained for a debt or damages due the Post-office Department, and it shall satisfactorily appear that such judgment, or so much thereof as remains unpaid, cannot be collected by due process of law, the auditor for the said department may, with the written consent of the Postmaster-General, compromise such judgment, and accept in satisfaction less than the full amount thereof.

Sec. 316. That in all cases of fine, penalty, forfeiture, or disability, or alleged liability for any sum of money by way of damages or otherwise, under any provision of law in relation to the officers, employees, operations, or business of the postal service, the Postmaster-General may prescribe such general rules and modes of proceeding as shall appear to be expedient, for the government of the auditor for the Post-office Department, in ascertaining the fact in each case in which said auditor shall certify to him that the interests of the department probably require the exercise of the power conferred by this and the preceding section; and upon the fact being ascertained, said auditor may, with the written consent of the Postmaster-General, mitigate or remit such fine, penalty, or forfeiture, remove such disability, or compromise, release, or discharge such claim for such sum of money and damages, and on such terms as the said auditor shall deem just and expedient.

Sec. 317. That one-half of all pecuniary penalties and forfeitures incurred for the violation of any law in relation to the postal service shall be for the use of the person informing and prosecuting for the same, and the other for the use of the United States, except where other disposition thereof is specially provided.

Sec. 318. That in all cases where debts are due from delinquent postmasters, contractors, or other officers, agents, or employees of the Post-office Department, a warrant of attachment may issue against all real and personal property and legal and equitable rights belonging to such officer, agent, or employee, and his sureties, or either of them, in the following cases:

First. When such officer, agent, or employee, and his sureties, or either of them, is a non-resident of the district where such officer, agent, or employee was appointed, or has departed from such district for the purpose of permanently residing out of the same, or of defrauding the United States, or of avoiding the service of civil process.

Second. When such officer, agent, or employee, and his sureties, or either of them, has conveyed away, or is about to convey away, his property, or any part thereof, or has removed, or is about to remove, the same, or any part thereof, from the district wherein it is situated, with intent to defraud the United States.

And when any such property has been removed, certified copies of the warrant may be sent to the marshal of the district into which the same has been removed, under which certified copies he may seize said property and convey it to some convenient point within the jurisdiction of the court from which the warrant originally issued. And alias warrants may be issued in such cases upon due application, and the validity of the warrant first issued shall continue until the return-day thereof.

Sec. 319. That application for such warrant of attachment may be made by any district or assistant district attorney, or by any other person authorized by the Postmaster-General, before the judge, or, in his absence, before the clerk of any court of the United States having original jurisdiction of the cause of action. And such application shall be made upon an affidavit of the applicant, or some other credible person, stating the existence of either of the grounds of attachment enumerated in the preceding section, and upon production of legal evidence of the debt.

Sec. 320. That upon any such application, and upon due order of any judge of the court, or, in his absence, without such order, the clerk shall issue a warrant for the attachment of all the property of any kind belonging to the person specified in the affidavit, which warrant shall be executed with all possible dispatch by the marshal, who shall take the property attached, if personal, into his custody, and hold the same subject to all interlocutory or final orders of the court.

Sec. 321. That any time within twenty days before the return-day of such warrant, the party whose property is attached may, on giving notice to the district attorney of his intention, file a plea in abatement, traversing the allegations of the affidavit, or denying the ownership of the property attached to be in the defendants, or either of them, in which case the court may, upon application of either party, order an immediate trial by jury of the issues raised by the affidavit and plea; but the parties may, by consent, waive a trial by jury, in which case the court shall decide the issues raised.

Any party claiming ownership of the property attached, and a specific return thereof, shall be confined to the remedy herein afforded, but his right to an action of trespass, or other action for damages, shall not be impaired hereby.

Sec. 322. That when the property attached shall be sold on an interlocutory order of the court, or when it shall be producing any revenue, the money arising from such sale or revenue shall be invested in securities of the United States, under the order of the court, and all accretions shall be held subject to the orders of the same.

Sec. 323. That immediately upon the execution of any such warrant of attachment, the marshal shall cause due publication thereof to be made, in case of absconding debtors for two months, and of non-residents for four months. The publication shall be made in some newspaper published in the district where the property is situate, and the details thereof shall be regulated by the order under which the warrant is issued.

Sec. 324. That after the first publication of such notice of attachment as required by law, every person indebted to, or having possession of any property belonging to, the said defendants, or either of them, and having knowledge of such notice, shall account and answer for the amount of such debt, and the value of such property; and any disposal or attempt to dispose of any such property, to the injury of the United States, shall be illegal and void. And when the person indebted to, or having possession of the property of, such defendants, or either of them, shall be known to the district attorney or marshal, such officer shall see that personal notice of the attachment is served upon such person; but the want of such notice shall not invalidate the attachment.

Sec. 325. That upon application of the party whose property has been attached, the court, or any judge thereof, may discharge the warrant of attachment as to the property of the applicant, provided such applicant shall execute to the United States a good and sufficient penal bond, in double the value of such property, to be approved by a judge of the court, and with condition for the return of said property, or to answer any judgment which may be rendered by the court in the premises.

Sec. 326. That nothing herein contained shall be construed to limit or abridge, in any manner, such rights of the United States as have accrued or been allowed in any district under the former practice of, or the adoption of State laws by, the United States courts.

Sec. 327. That the following acts and parts of acts and resolutions and parts of resolutions are hereby repealed, but such repeal shall not be construed to affect or extend to any crimes or offences heretofore committed, and which are punishable under any law hereby repealed; but all such crimes and offences shall be prosecuted, determined, and punished according to the said laws, the same as if this act had not passed; nor shall such repeal be construed to affect any appointment to office, or any contract,
debt, or demand under or by virtue of the said laws, but all such appoint-
ments, contracts, debts, and demands shall have full force and effect, the
same as if this act had not passed. That the references to the said acts hereby repealed are to the same as contained in the edition of the
Statutes at Large, published by Little, Brown, and Company, under and

five, and the continuation thereof.

CHAP. CCCXXXVII. — An Act to provide for the Redemption and Sale of Lands held by the United States under the several Acts laying direct Taxes, and for other Purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all the lands now owned or held by the United States, by virtue of proceedings under the act entitled "An act for the collection of direct taxes in insurrectionary districts within the United States, and for other purposes," approved June seventh, eighteen hundred and sixty-two, and under acts supplementary thereto, or upon the same subject-matter, may be redeemed and restored to such persons as shall make application therefor to the Secretary of the Treasury, through the Commissioner of Internal Revenue, within two years from the passage of this act, and furnish satisfactory evidence to said department
that such person or applicant in each case was, at the time the United States acquired title thereto, the legal owner of such land, or the heir at law, or devisee (or grantee, in good faith, and for valuable consideration,) of such legal owner; but before such redemption shall be awarded and title restored on any such application and proof, such applicant shall pay into the treasury of the United States the direct tax charged against the lands described in such application, together with the cost of advertising and of the sale of said lands, and all other proper charges against the same, and interest on said tax from the date of its assessment at the rate of ten per centum per annum, and interest on said costs and charges at the same rate, from the time they accrued and were payable; Provided, however, that if any other person or persons than such applicant shall in any case make satisfactory evidence to said department that he or they, after the acquisition of title by the United States, and before the passage of this act, made valuable and permanent improvements on said land in good faith and under color of legal title, it shall then be the additional duty of such applicant for redemption to pay to such person or persons the reasonable value of such permanent improvements at the time of actual redemption; and if the applicant and such person or persons fail to agree upon and amicably settle such claim for improvements, then the value thereof shall be assessed and reported to the Secretary of the Treasury, under oath, by three competent and disinterested freeholders, residents of the county or parish in which such land is situate, who shall be appointed for that purpose by the United States district judge of the district where the lands are situate, upon information from the Secretary of the Treasury that a claim for compensation for such permanent improvements is pending in any case, and unadjusted by the parties thereto. It shall also be the duty of said board of freeholders to state in their report the nature of said improvements, when they were made, by whom, and the reasonable value thereof, as aforesaid, and any other facts that may be in their judgment material to a fair and just determination of the rights of the parties. They shall send one copy of such report to the Secretary of the Treasury, and file a duplicate thereof in the office of the clerk of the highest court of record of the State, in the county or parish where such land is situate. The reasonable fees of said board shall be borne and paid equally by the parties to said controversy.

Sec. 2. That whenever the foregoing conditions have been complied with, and redemption and restoration of title has been awarded in any case by the Secretary of the Treasury, it shall be the duty of the commissioner of the internal revenue to make out a certificate of release of the interest and title of the United States in and to such lands, in duplicate, which shall be approved, in writing, by the Secretary of the Treasury, and his approval endorsed thereon, and then one copy thereof shall be delivered to such applicant and the other filed in the office of said commissioner.

Sec. 3. That the commissioner of internal revenue, with the approval of the Secretary of the Treasury, shall, as soon as may be after the passage of this act, prescribe and promulgate such rules and regulations, not inconsistent with the provisions of this act, as may be necessary and proper to facilitate the execution of this act and secure the most speedy and least expensive attainment of the purpose hereof that is practicable.

Sec. 4. That if, at the expiration of the time hereinbefore allowed for redemption, there shall remain any of said lands unredeemed, it shall then be the duty of the said commissioner of internal revenue, under the direction of the Secretary of the Treasury, to proceed to sell at public auction, as soon as may be consistent with the public interests, the lands not redeemed and restored, and to release and convey the same to the purchasers in the manner aforesaid, and in the mean time and until so sold to release the same.
SEC. 5. That all lands now owned by the United States, acquired under the provisions of any of the United States direct-tax acts, situated in the State of South Carolina, including all tracts or lots of land purchased under "army and navy" sales, not paid for in full at the present time, shall be included in the provisions of this act: Provided, however, That the applications of the purchasers under "army and navy" sales shall, for six months after the passage of this act, have precedence so far as relates to the land purchased by them.

SEC. 6. That all money derived from the sale of "school-farm" lands, under the provisions of section eight of an act entitled "An act to continue in force and to amend An act to establish a bureau for the relief of freedmen, and refugees, and for other purposes," approved July sixteenth, eighteen hundred and sixty-six, and which money is now in the custody of the Freedmen's Bureau, be, and the same is hereby, appropriated for the use and support of free public schools in the parishes of Saint Helena and Saint Luke, South Carolina, in equal parts, to be expended under the direction and control of a special board of three commissioners, who shall be appointed by and act under the direction of the Secretary of the Treasury, and shall be duly sworn that they will faithfully discharge their duties as such commissioners, and shall give such good and sufficient bonds therefor as said Secretary shall require, and who shall not receive more than one hundred dollars per year each for their services.

SEC. 7. That the provisions of this act shall not be construed to apply to or embrace, any lands, farms, plantations, or lots which are now, in whole or in part, used or occupied by the United States for national cemeteries, or for the burial of the dead, or other public purposes, or which have been set apart to any such purpose, or which, under the instruction of the President of the United States, have been reserved for military or naval purposes, or such lots of land on Hunting Island, South Carolina, as may be necessary as a site for the erection of a lighthouse.

SEC. 8. That the premises known and designated as block one hundred and twenty-three on the plat of the late commissioners of direct taxes for said State, in the town of Beaufort aforesaid, now occupied as a court-house for the county of Beaufort, in said State, be, and the same are hereby, released unto said county, for the public uses of said county; and that all sums of money due, to the United States on account of said premises be, and they are hereby, released in favor of said county.

SEC. 9. That section two of an act entitled "An act for the relief of purchasers of land sold for direct taxes in the insurrectionary States," approved May ninth, eighteen hundred and seventy-two, be, and the same is hereby, amended to read as follows:

"SEC. 2. Sec. 14. That the gold coins of the United States shall be a one-dollar piece, which, at the standard weight of twenty-five and eight-tenths grains, shall be the unit of value; a quarter-eagle, or two-and-a-half dollar piece; a three-dollar piece; a half-eagle, or five-dollar piece; an eagle, or ten-dollar piece; and a double eagle, or twenty-dollar piece. And the standard weight of the gold dollar shall be twenty-five and eight-tenths grains; of the quarter-eagle, or two-and-a-half dollar piece, sixty-four and a half grains; of the three-dollar piece, seventy-seven and four-tenths grains; of the eagle, or ten-dollar piece, two hundred and fifty-eight grains; of the double-eagle, or twenty-dollar piece, five hundred and sixteen grains; which coins shall be a legal tender in all payments at their nominal value when not below the standard weight and limit of tolerance provided in this act for the single piece, and, when reduced in weight, below said standard and tolerance, shall be a legal tender at valuation in proportion to their actual weight; and any gold coin of the United States, if reduced in weight by natural abrasion not more than one-half of one per centum below the standard weight prescribed by law, after a circulation of twenty years, as shown by its date of coinage, and at a ratable proportion for any period less than twenty years, shall be received at their nominal value by the United States treasury and its offices, under such regulations as the Secretary of the Treasury may prescribe for the protection of the government against fraudulent abrasion or
other practices; and any gold coins in the treasury of the United States reduced in weight below this limit of abrasion shall be recoined.

Sec. 15. That the silver coins of the United States shall be a trade-dollar, a half-dollar, or fifty-cent piece, a quarter-dollar, or twenty-five-cent piece, a dime, or ten-cent piece; and the weight of the trade-dollar shall be four hundred and twenty grains troy; the weight of the half-dollar shall be twelve grams (grammes) and one-half of a gram, (gramme;)

the quarter-dollar and the dime shall be respectively, one-half and onefifth of the weight of said half-dollar; and said coins shall be a legal tender at their nominal value for any amount not exceeding five dollars in any one payment.

Sec. 16. That the minor coins of the United States shall be a five-cent piece, a three-cent piece, and a one-cent piece, and the alloy for the five and three cent pieces shall be of copper and nickel, to be composed of three-fourths copper and one-fourth nickel, and the alloy of the one-cent piece shall be ninety-five per centum of copper and five per centum of tin and zinc, in such proportions as shall be determined by the director of the mint. The weight of the piece of five cents shall be seventy-seven and sixteenth grains, troy; of the three-cent piece, thirty grains; and of the one-cent piece, forty-eight grains; which coins shall be a legal tender, at their nominal value, for any amount not exceeding twenty-five cents in any one payment.

Sec. 17. That no coins, either of gold, silver, or minor coinage, shall hereafter be issued from the mint other than those of the denominations, standards, and weights herein set forth.

Sec. 18. That upon the coins of the United States there shall be the following devices and legends: Upon one side there shall be an impression emblematic of liberty, with an inscription of the word “Liberty” and the year of the coinage, and upon the reverse shall be the figure or representation of an eagle, with the inscriptions “United States of America” and “E Pluribus Unum,” and a designation of the value of the coin; but on the gold dollar and three-dollar piece, the dime, five, three, and one cent piece the figure of the eagle shall be omitted; and on the reverse of the silver trade-dollar, the weight and fineness of the coin shall be inscribed; and the director of the mint, with the approval of the Secretary of the Treasury, may cause the motto “In God we trust” to be inscribed upon such coins as shall admit of such motto; and any one of the foregoing inscriptions may be on the rim of the gold and silver coins.

Sec. 19. That at the option of the owner, gold or silver may be cast into bars of fine metal, or of standard fineness, or unparted, as he may prefer, with a stamp upon the same designating the weight and fineness, and with such devices impressed thereon as may be deemed expedient to prevent fraudulent imitation, and no such bars shall be issued of a less weight than five ounces.

Sec. 20. That any owner of gold bullion may deposit the same at any mint, to be formed into coin or bars for his benefit; but it shall be lawful to refuse any deposit of less value than one hundred dollars, or any bullion so base as to be unsuitable for the operations of the mint; and when gold and silver are combined, if either metal be in such small proportion that it cannot be separated advantageously, no allowance shall be made to the depositor for its value.

Sec. 21. That any owner of silver bullion may deposit the same at any mint, to be formed into bars, or into dollars of the weight of four hundred and twenty grains, troy, designated in this act as trade-dollars, and no deposit of silver for other coinage shall be received; but silver bullion contained in gold deposits, and separated therefrom, may be paid for in silver coin, at such valuation as may be, from time to time, established by the director of the mint.
FORTY-SECOND CONGRESS. Sess. III. Ch. 131. 1873.

**Sec. 22.** That when bullion is deposited in any of the mints, it shall be weighed by the superintendent, and, when practicable, in the presence of the depositor, to whom a receipt shall be given, which shall state the description and weight of the bullion; but when the bullion is in such a state as to require melting, or the removal of base metals, before its value can be ascertained, the weight, after such operation, shall be considered as the true weight of the bullion deposited. The fitness of the bullion to be received shall be determined by the assayer, and the mode of melting by the melter and refiner.

**Sec. 23.** That from every parcel of bullion deposited for coinage or bars, the superintendent shall deliver to the assayer a sufficient portion for the purpose of being assayed, but all such bullion remaining from the operations of the assay shall be returned to the superintendent by the assayer.

**Sec. 24.** That the assayer shall report to the superintendent the quality or fineness of the bullion assayed by him, and such information as will enable him to compute the amount of the charges hereinafter provided for, to be made to the depositor.

**Sec. 25.** That the charge for converting standard gold bullion into bars shall be one-fifth of one per centum; and the charges for converting standard silver into trade-dollars, for melting and refining when bullion is below standard, for toughening when metals are contained in it which render it unfit for coinage, for copper used for alloy, when the bullion is above standard, for separating the gold and silver when these metals exist together in the bullion, and for the preparation of bars, shall be fixed, from time to time, by the director, with the concurrence of the Secretary of the Treasury, so as to equal but not exceed, in their judgment, the actual average cost to each mint and assay-office of the material, labor, wastage, and use of machinery employed in each of the cases aforementioned.

**Sec. 26.** That the assayer shall verify all calculations made by the superintendent of the value of deposits, and, if satisfied of the correctness thereof, shall countersign the certificate required to be given by the superintendent to the depositor.

**Sec. 27.** That in order to procure bullion for the silver coinage authorized by this act, the superintendents, with the approval of the director of the mint, as to price, terms, and quantity, shall purchase such bullion with the bullion-fund. The gain arising from the coinage of such silver bullion into coin of a nominal value exceeding the cost thereof shall be credited to a special fund denominated the silver-profit fund. This fund shall be charged with the wastage incurred in the silver coinage, and with the expense of distributing said coins as hereinafter provided. The balance to the credit of this fund shall be from time to time, and at least twice a year, paid into the treasury of the United States.

**Sec. 28.** That silver coins other than the trade-dollar shall be paid out at the several mints, and at the assay-office in New York city, in exchange for gold coins at par, in sums not less than one hundred dollars; and it shall be lawful, also, to transmit parcels of the same, from time to time, to the assistant treasurers, depositaries, and other officers of the United States, under general regulations proposed by the director of the mint, and approved by the Secretary of the Treasury; but nothing herein contained shall prevent the payment of silver coins, at their nominal value, for silver parted from gold, as provided in this act, or for change less than one dollar in settlement for gold deposits: Provided, That for two years after the passage of this act, silver coins shall be paid at the mint in Philadelphia and the assay-office in New York city for silver bullion purchased for coinage, under such regulations as may be pre-
scribed by the director of the mint, and approved by the Secretary of the
Treasury.

Sec. 29. That for the purchase of metal for the minor coinage authorized
by this act, a sum not exceeding fifty thousand dollars in lawful money of
the United States shall be transferred by the Secretary of the Treasury to
the credit of the superintendent of the mint at Philadelphia, at which
establishment only, until otherwise provided by law, such coinage shall be
carried on. The superintendent, with the approval of the director of the
mint as to price, terms, and quantity, shall purchase the metal required
for such coinage by public advertisement, and the lowest and best bid
shall be accepted; the fineness of the metals to be determined on the mint
assay. The gain arising from the coinage of such metals into coin of a
nominal value, exceeding the cost thereof, shall be credited to the special
fund denominated the minor-coinage profit fund; and this fund shall be
charged with the wastage incurred in such coinage, and with the cost of
distributing said coins as hereinafter provided. The balance remaining to
the credit of this fund, and any balance of profits accrued from minor
coinage under former acts, shall be, from time to time, and at least twice a
year, covered into the treasury of the United States.

Sec. 30. That the minor coins authorized by this act may, at the dis-
cretion of the director of the mint, be delivered in any of the principal
cities and towns of the United States, at the cost of the mint, for trans-
portation, and shall be exchangeable at par at the mint in Philadelphia,
at the discretion of the superintendent, for any other coins of copper,
bronze, or copper-nickel heretofore authorized by law; and it shall be
lawful for the treasurer and the several assistant treasurers and depos-
itories of the United States to redeem, in lawful money, under such rules
as may be prescribed by the Secretary of the Treasury, all copper, bronze,
and copper-nickel coins authorized by law when presented in sums of not
less than twenty dollars; and whenever, under this authority, these coins
are presented for redemption in such quantity as to show the amount
outstanding to be redundant, the Secretary of the Treasury is authorized
and required to direct that such coinage shall cease until otherwise ordered
by him.

Sec. 31. That parcels of bullion shall be, from time to time, trans-
ferred by the superintendent to the melter and refiner; a careful record
of these transfers, noting the weight and character of the bullion, shall
be kept, and vouchers shall be taken for the delivery of the same, duly
received by the melter and refiner, and the bullion thus placed in the
hands of the melter and refiner shall be subjected to the several processes
which may be necessary to form it into ingots of the legal standard; and
of a quality suitable for coinage.

Sec. 32. That the ingots so prepared shall be assayed; and if they
prove to be within the limits allowed for deviation from the standard, the
assayer shall certify the fact to the superintendent, who shall thereupon
receive for the same, and transfer them to the coiner.

Sec. 33. That no ingots shall be used for coinage which differ from
the legal standard more than the following proportions, namely: In gold
ingots, one thousandth; in silver ingots, three thousandths; in minor-
coinage alloys, twenty-five thousandths, in the proportion of nickel.

Sec. 34. That the melter and refiner shall prepare all bars required
for the payment of deposits; but the fineness thereof shall be ascertained
and stamped thereon by the assayer; and the melter and refiner shall
deliver such bars to the superintendent, who shall receipt for the same.

Sec. 35. That the superintendent shall, from time to time, deliver to
the coiner ingots for the purpose of coinage; a careful record of these
transfers, noting the weight and character of the bullion, shall be kept,
and vouchers shall be taken for the delivery of the same, duly received
by the coiner; and the ingots thus placed in the hands of the coiner shall

be subjected to the several processes necessary to make from them coins in all respects conformable to law.

Sec. 86. That in adjusting the weights of the gold coins, the following deviations shall not be exceeded in any single piece: In the double-eagle and the eagle, one-half of a grain; in the half-eagle, the three-dollar piece, the quarter-eagle, and the one-dollar piece, one-fourth of a grain. And in weighing a number of pieces together, when delivered by the coiner to the superintendent, and by the superintendent to the depositor, the deviation from the standard weight shall not exceed one-hundredth of an ounce in five thousand dollars in double-eagles, eagles, half-eagles, or quarter-eagles, in one thousand three-dollar pieces, and in one thousand one-dollar pieces.

Sec. 87. That in adjusting the weight of the silver coins the following deviations shall not be exceeded in any single piece: In the dollar, the half and quarter dollar, and in the dime, one and one-half grains; and in weighing large numbers of pieces together, when delivered by the coiner to the superintendent, and by the superintendent to the depositor, the deviations from the standard weight shall not exceed two-hundredths of an ounce in one thousand dollars, half-dollars, or quarter-dollars, and one-hundredth of an ounce in one thousand dimes.

Sec. 88. That in adjusting the weight of the minor coins provided by this act, there shall be no greater deviation allowed than three grains for the five-cent piece and two grains for the three and one cent pieces.

Sec. 89. That the coiner shall, from time to time, as coins are prepared, deliver them to the superintendent, who shall receive for the same, and who shall keep a careful record of their kind, number, and actual weight; and in receiving coins it shall be the duty of the superintendent to ascertain, by the trial of a number of single pieces separately, whether the coins of that delivery are within the legal limits of the standard weight; and if his trials for this purpose shall not prove satisfactory, he shall cause all the coins of such delivery to be weighed separately, and such as are not of legal weight shall be defaced and delivered to the melter and refiner as standard bullion, to be again formed into ingots and coined; or the whole delivery may, if more convenient, be remelted.

Sec. 90. That at every delivery of coins made by the coiner to a superintendent, it shall be the duty of such superintendent, in the presence of the assayer, to take indiscriminately a certain number of pieces of each variety for the annual trial of coins, the number for gold coins being not less than one piece for each one thousand pieces or any fractional part of one thousand pieces delivered; and for silver coins one piece for each two thousand pieces or any fractional part of two thousand pieces delivered. The pieces so taken shall be carefully sealed up in an envelope, properly labelled, stating the date of the delivery, the number and denomination of the pieces inclosed, and the amount of the delivery from which they were taken. These sealed parcels containing the reserved pieces shall be deposited in a pyx, designated for the purpose at each mint, which shall be kept under the joint care of the superintendent and assayer, and be so secured that neither can have access to its contents without the presence of the other, and the reserved pieces in their sealed envelopes from the coinage of each mint shall be transmitted quarterly to the mint at Philadelphia. A record shall also be kept at the same time of the number and denomination of the pieces so taken for the annual trial of coins, and of the number and denomination of the pieces represented by them and so delivered, a copy of which record shall be transmitted quarterly to the director of the mint. Other pieces may, at any time, be taken for such tests as the director of the mint shall prescribe.
process of coining; and the superintendent shall receipt for the same and keep a careful record of their weight and character.

Sec. 42. That the superintendent shall debit the coiner with the amount of weight of standard metal of all the bullion placed in his hands, and credit him with the amount of weight of all the coins, clippings, and other bullion returned by him to the superintendent. Once at least in every year, and at such time as the director of the mint shall appoint, there shall be an accurate and full settlement of the accounts of the coiner and the melter and refiner, at which time the said officers shall deliver up to the superintendent all the coins, clippings, and other bullion in their possession, respectively, accompanied by statements of all the bullion delivered to them since the last annual settlement, and all the bullion returned by them during the same period, including the amount returned for the purpose of settlement.

Sec. 43. That when all the coins, clippings, and other bullion have been delivered to the superintendent, it shall be his duty to examine the accounts and statements rendered by the coiner and the melter and refiner, and the difference between the amount charged and credited to each officer shall be allowed as necessary wastage, if the superintendent shall be satisfied that there has been a bona-fide waste of the precious metals, and if the amount shall not exceed, in the case of the melter and refiner, one thousandth of the whole amount of gold, and one and one-half thousandth of the whole amount of silver delivered to him since the last annual settlement, and in the case of the coiner, one thousandth of the whole amount of silver, and one-half thousandth of the whole amount of gold that has been delivered to him by the superintendent; and all copper used in the alloy of gold and silver bullion shall be separately charged to the melter and refiner, and accounted for by him.

Sec. 44. That it shall also be the duty of the superintendent to forward a correct statement of his balance-sheet, at the close of such settlement, to the director of the mint, who shall compare the total amount of gold and silver bullion and coin on hand with the total liabilities of the mint. At the same time a statement of the ordinary expense account, and the money therein, shall also be made by the superintendent.

Sec. 45. That when the coins or bars which are the equivalent to any deposit of bullion are ready for delivery, they shall be paid to the depositor, or his order, by the superintendent; and the payments shall be made, if demanded, in the order in which the bullion shall have been brought to the mint; but in cases where there is delay in manipulating a refractory deposit, or for any other unavoidable cause, the payment of subsequent deposits, the value of which is known, shall not be delayed thereby; and in the denominations of coin delivered, the superintendent shall comply with the wishes of the depositor, except when impracticable or inconvenient to do so.

Sec. 46. That unpard bullion may be exchanged at any of the mints for fine bars, on such terms and conditions as may be prescribed by the minister of the mint, with the approval of the Secretary of the Treasury; and the fineness, weight, and value of the bullion received and given in exchange shall in all cases be determined by the mint assay. The charge to the depositor for refining or parting shall not exceed that allowed and deducted for the same operation in the exchange of unrefined for refined bullion.

Sec. 47. That for the purpose of enabling the mints and the assay-office in New York to make returns to depositors with as little delay as possible, it shall be the duty of the Secretary of the Treasury to keep in the said mints and assay-office, when the state of the treasury will admit thereof, such an amount of public money, or bullion procured for the purpose, as he shall judge convenient and necessary, out of which those who bring bullion to the said mints and assay-office may be paid the value.

SEC. 48. That to secure a due conformity in the gold and silver coins to their respective standards of fineness and weight, the judge of the district court of the United States for the eastern district of Pennsylvania, the comptroller of the currency, the assayer of the assay-office at New York, and such other persons as the President shall, from time to time, designate, shall meet as assay-commissioners, at the mint in Philadelphia, to examine and test, in the presence of the director of the mint, the fineness and weight of the coins reserved by the several mints for this purpose, on the second Wednesday in February, annually, and may continue their meetings by adjournment, if necessary; if a majority of the commissioners shall fail to attend at any time appointed for their meeting, the director of the mint shall call a meeting of the commissioners at such other time as he may deem convenient; and if it shall appear by such examination and test that these coins do not differ from the standard fineness and weight by a greater quantity than is allowed by law, the trial shall be considered and reported as satisfactory; but if any greater deviation from the legal standard or weight shall appear, this fact shall be certified to the President of the United States; and if, on a view of the circumstances of the case, he shall so decide, the officer or officers implicated in the error shall be thenceforward disqualified from holding their respective offices.

SEC. 49. That for the purpose of securing a due conformity in weight of the coins of the United States to the provisions of this act, the brass troy-pound weight procured by the minister of the United States at London, in the year eighteen hundred and twenty-seven, for the use of the mint, and now in the custody of the mint at Philadelphia, shall be the standard troy pound of the mint of the United States, conformably to which the coinage thereof shall be regulated.

SEC. 50. That it shall be the duty of the director of the mint to procure for each mint and assay-office, to be kept safely thereat, a series of standard weights corresponding to the aforesaid troy pound, consisting of a one-pound weight and the requisite subdivisions and multiples thereof, from the hundredth part of a grain to twenty-five pounds; and the troy weights ordinarily employed in the transactions of such mints and assay-offices shall be regulated according to the above standards at least once in every year, under the inspection of the superintendent and assayer; and the accuracy of those used at the mint at Philadelphia shall be tested annually, in the presence of the assay-commissioners, at the time of the annual examination and test of coins.

SEC. 51. That the obverse working-dies at each mint shall, at the end of each calendar year, be defaced and destroyed by the coiner in the presence of the superintendent and assayer.

SEC. 52. That dies of a national character may be executed by the engraver, and national and other medals struck by the coiner of the mint at Philadelphia, under such regulations as the superintendent, with the approval of the director of the mint, may prescribe: Provided, That such work shall not interfere with the regular coinage operations, and that no private medal dies shall be prepared at said mint, or the machinery or apparatus thereof be used for that purpose.

SEC. 53. That the moneys arising from all charges and deductions on and from gold and silver bullion and the manufacture of medals, and from all other sources, except as hereinbefore provided, shall, from time to time, be covered into the treasury of the United States, and no part of such deductions or medal charges, or profit on silver or minor coinage, shall be expended in salaries or wages; but all expenditures of the mints
and assay-offices, not herein otherwise provided for, shall be paid from appropriations made by law on estimates furnished by the Secretary of the Treasury.

SEC. 54. That the officers of the United States assay-office at New York shall be a superintendent, an assayer, and a melter and refiner, who shall be appointed by the President, by and with the advice and consent of the Senate. The business of said assay-office shall be in all respects similar to that of the mints, except that bars only, and not coin, shall be manufactured therein; and no metals shall be purchased for minor coinage. All bullion intended by the depositor to be converted into coins of the United States, and silver bullion purchased for coinage, when assayed, parted, and refined, and its net value certified, shall be transferred to the mint at Philadelphia, under such directions as shall be made by the Secretary of the Treasury, at the expense of the contingent fund of the mint, and shall be there coined, and the proceeds returned to the assay-office. And the Secretary of the Treasury is hereby authorized to make the necessary arrangements for the adjustment of the accounts upon such transfers between the respective offices.

SEC. 55. That the duties of the superintendent, assayer, and melter and refiner of said office shall correspond to those of superintendents, assayers, and melters and refiners of mints; and all parts of this act relating to mints and their officers, the duties and responsibilities of such officers, and others employed therein, the oath to be taken, and the bonds and sureties to be given by them, (as far as the same may be applicable,) shall extend to the assay-office at New York, and to its officers, assistants, clerks, workmen, and others employed therein.

The salaries of said officers shall not exceed the sum of two thousand five hundred dollars to the assayer and melter, one thousand eight hundred dollars each to the clerks, and the workmen and laborers shall receive such wages as are customary, according to their respective stations and occupations.

SEC. 58. That each officer and clerk to be appointed at such assay-offices, before entering upon the execution of his office, shall take an oath or affirmation before some judge of the United States, or of the supreme court, as prescribed by the act of July second, eighteen hundred and sixty-two, and each become bound to the United States of America, with one or more sureties, to the satisfaction of the director of the mint or of one of the judges of the supreme court of the State or Territory in which the same may be located, and of the Secretary of the Treasury, conditioned for the faithful performance of the duties of their offices; and the said assayers shall discharge the duties of disbursing agents for the payment of the expenses of their respective assay-offices.

Sec. 59. That the general direction of the business of assay-offices of the United States shall be under the control and regulation of the director of the mint, subject to the approbation of the Secretary of the Treasury; and for that purpose it shall be the duty of the said director to prescribe such regulations and to require such returns, periodically and occasionally, and to establish such charges for melting, parting, assaying, and stamping bullion as shall appear to him to be necessary for the purpose of carrying into effect the intention of this act.

Sec. 60. That all the provisions of this act for the regulation of the mints of the United States, and for the government of the officers and persons employed therein, and for the punishment of all offences connected with the mints or coinage of the United States, shall be, and they are hereby declared to be, in full force in relation to the assay-offices, as far as the same may be applicable thereto.

Sec. 61. That if any person or persons shall falsely make, forge, or counterfeit, or cause or procure to be falsely made, forged, or counterfeited, or willingly aid or assist in falsely making, forging, or counterfeiting, any coin or bars in resemblance or similitude of the gold or silver coins or bars, which have been, or hereafter may be, coined or stamped at the mints and assay-offices of the United States; or in resemblance or similitude of any foreign gold or silver coin which by law is, or hereafter may be made, current in the United States, or are in actual use and circulation as money within the United States, or shall pass, utter, publish, or sell, or attempt to pass, utter, publish, or sell, or bring into the United States from any foreign place, or have in his possession, any such false, forged, or counterfeited coin or bars, knowing the same to be false, forged, or counterfeited, every person so offending shall be deemed guilty of felony, and shall, on conviction thereof, be punished by fine not exceeding five thousand dollars, and by imprisonment and confinement at hard labor not exceeding ten years, according to the aggravation of the offense.

Sec. 62. That if any person or persons shall falsely make, forge, or counterfeit, or cause or procure to be falsely made, forged, or counterfeited, or willingly aid or assist in falsely making, forging, or counterfeiting, any coin in the resemblance or similitude of any of the minor coinage which has been, or hereafter may be, coined at the mints of the United States; or shall pass, utter, publish, or sell, or bring into the United States from any foreign place, or have in his possession any such false, forged, or counterfeited coin, with intent to defraud any body politic or corporation, or any person or persons whatsoever, every person so offending shall be deemed guilty of felony, and shall, on conviction thereof, be punished by fine not exceeding one thousand dollars and by imprisonment and confinement at hard labor not exceeding three years.

Sec. 63. That if any person shall fraudulently, by any art, way, or means whatsoever, deface, mutilate, impair, diminish, falsify, scale, or lighten the gold or silver coins which have been, or which shall hereafter be, coined at the mints of the United States, or any foreign gold or silver coins which are by law made current, or are in actual use and circulation as money within the United States, every person so offending shall be deemed guilty of a high misdemeanor, and shall be imprisoned not exceeding two years, and fined not exceeding two thousand dollars.

shall embezzle any of the metals which shall at any time be committed to
their charge for the purpose of being coined, or any of the coins which
shall be struck or coined at the said mints, or any medals, coins, or other
moneys of said mints or assay-offices at any time committed to their
charge, or of which they may have assumed the charge, every such officer
or person who shall commit any or either of the said offenses shall be
deemed guilty of felony, and shall be imprisoned at hard labor for a term
not less than one year nor more than ten years, and shall be fined in a
sum not exceeding ten thousand dollars.

SEC. 65. That this act shall take effect on the first day of April, eigh-
teen hundred and seventy-three, when the offices of the treasurer of the
mints in Philadelphia, San Francisco, and New Orleans shall be vacated;
and the assistant treasurer at New York shall cease to perform the duties
of treasurer of the assay-office. The other officers and employees of the
mints and assay-offices now appointed shall continue to hold their respec-
tive offices, they having first given the necessary bonds, until further
appointments may be required, the director of the mint at Philadelphia
being styled and acting as superintendent thereof. The duties of the

CHAP. CCCXIX.—An Act repealing an Act entitled "An Act for the Relief of certain

to settle by Commission all Rights and Equities respecting the Property to which said
Act refers.

Whereas, by an act entitled "An act for the relief of certain Indians in the Central superintendency" approved June tenth, eighteen hundred and seventy-two, the Secretary of the Interior was authorized and
directed to appoint three commissioners and to take an inventory of, appraise, and sell certain lands, bonds, notes, accounts, contracts, mortgages, and other property or assets held or acquired in any manner under a trust in respect to education, created and confirmed by treaties with the

Preamble.
Ottawa Indians of Blanchard's Fork and Roche de Beuf, proclaimed July twenty-eighth, eighteen hundred and sixty-two, and October fourteenth, eighteen hundred and sixty-eight, and to pay the proceeds of such sale to the several members of the said tribe, their heirs or assigns, per capita; and whereas counter-claims of rights and equities in said lands, bonds, notes, accounts, contracts, mortgages, and other property or assets having been set forth and affirmed by the trustees under said trust, and by the American Baptist Home Mission Society, the Secretary of the Interior has referred to Congress the question of further legislation; and whereas representatives of all the said parties have united in an agreement to make friendly application to Congress for legislation providing for the ascertainment of all such property, real and personal, and the severance and satisfaction by commission, of the equitable interests of the contending parties: Now, therefore, in order that the perfect justice may be done in the premises to all the said parties,

Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That Walter R. Irwins, Luther Smith, commissioner appointed by the Secretary of the Interior under the aforementioned act, together with Henry S. Neal, of Ohio, Joseph Henry, of Washington, D. C., and Emory Washburn, of Massachusetts, be, and they are hereby, constituted a commission to investigate and ascertain all the property, real or personal, rights and interests legal or equitable, held or acquired under such trust, and to determine and award upon the rights and equities of the said parties in the property aforesaid for which purpose they are invested with sufficient power and authority to hear and determine, and to make such rules and orders thereunto as may be necessary, and their award shall be final and conclusive of all the rights and claims of all parties.

Sec. 2. That the said commission shall assemble on or before the first Wednesday in August, eighteen hundred and seventy-three, at such place as a majority of its members may select, and, upon being duly sworn by any person authorized to administer oaths, they shall proceed to organize by the election of one of their number as president and of another as secretary, with authority to procure rooms and attendance. A majority shall constitute a quorum for all business, and they may adjourn to any place deemed by them more convenient. The Secretary of the Interior shall be authorized to detail a stenographer for the service of the commission. In order to the prompt and easy carrying into effect of their final award the commission shall proceed to demand and take possession of all the lands, bonds, notes, accounts, choses in action, contracts, mortgages, records and other property or assets, held or required under said trust, and in case of the refusal of any person or persons to give possession of and deliver such lands, bonds, notes, accounts, choses in action, contracts, mortgages, records and other property or assets, shall bring suit, or suits in behalf of the parties in interest, in the name of the United States as plaintiff, for the same in the United States circuit court for the eighth judicial circuit, which court shall have power to appoint a receiver; and it shall be the duty of the Attorney-General to prosecute the said suit or suits to final judgment. The commission shall, nevertheless, proceed to inquire, to investigate, determine and award as if in actual possession of the property; and the said commission shall determine and adjudge the various claims according to what they shall deem the rights and equities of the case. After meeting the necessary expenses of this adjudication as hereinafter provided, any lands or other property, interest or equities which may be awarded to the Indians aforesaid shall be sold, paid, or delivered for their benefit as the commission may direct; and any equities which may be awarded to the said trustees and to the said Home Mission Society shall be paid or delivered as the commission may direct.

Patents. Patents of lands may be issued by the Secretary of the Interior, and he
shall be authorized and empowered to do any other act necessary, in his 
judgment, to carry into effect the awards of this commission, on notice to 
him by the said commissioners of their final award. Lands so patented 
shall be liable to taxation under the laws of Kansas after five years from 
the passing of this act, or sooner if sold by the parties to whom they may 
be patented under the said award: Provided, however, That the section on 
which the Ottawa University stands, or any part of it, which may remain 
as a site of an institution of learning, shall remain free from taxation until 
the legislature of Kansas shall otherwise order. The said commissioners 
shall be required to make an award in writing which, within thirty days 
after the case is finally submitted, shall be filed in the office of the Secre-
tary of Interior, and a copy thereof shall be delivered by the Secre-
tary of the Interior to each of said parties when the same is so filed; and 
the concurrence of a majority of said commissioners in such award shall 
be necessary. Said commissioners shall also fix the amount of fees or 
compensation to be paid to the counsel of said Indians for services already 
rendered before the passing of this act, and which may be rendered here-
after in the premises, together with their expenses, which compensation 
and expenses shall be paid out of the funds, property and assets awarded 
to said Indians; and they shall also audit the costs of proceedings before 
this commission, which, with the compensation of the commissions to be 
fixed by the Secretary of the Interior, and their expenses, together with 
the compensation and expenses of the commission appointed under the 
act of June tenth, eighteen hundred and seventy-two, to be presented by the 
Secretary of the Interior shall be paid out of the property as a whole, 
and in proportion to the several interests as adjudged.

Sec. 3. That any vacancy occurring in this commission shall be filled 
by the President of the United States.

Sec. 4. That any person or party interested in the awards to be 
made under this act shall have the right to institute suit or suits at law, 
or in chancery, before the circuit court of the United States within the 
State of Kansas, to carry into effect and enforce any decision made by 
the commissioners appointed under this act, and for this purpose, juris-
diction is hereby given to said court in all cases thus arising, and from 
the orders, decrees, and judgments of said court in such cases appeals 
can be taken as in other cases.

Sec. 5. That if, at any time before the rendering of a decision by the 
commission aforesaid, the parties to the questions in controversy shall 
agree upon a settlement, and the said settlement shall be approved by 
the Secretary of the Interior, then the Secretary of the Interior is 
hereby authorized and empowered to issue patents of lands, and to do 
any other act necessary, in his judgment, to carry such settlement into 
effect, as if it were an award of the said commission, and each and all 
of the said parties shall have the right to enforce the terms of the set-
tlement by suit suits in law or in chancery as provided for in section 
four of this act.

Sec. 6. That upon carrying into effect of the award or settlement 
aforesaid, the jurisdiction of the United States over the questions and pro-

aforenamed treaties shall cease and determine.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA: May 3, 1871.

A PROCLAMATION.

The act of Congress, entitled "An act to enforce the provisions of the fourteenth amendment to the Constitution of the United States, and for other purposes," approved April 20, A. D. 1871, being a law of extraordinary public importance, I consider it my duty to issue this my proclamation calling the attention of the people of the United States thereto; enjoining upon all good citizens, and especially upon all public officers, to be zealous in the enforcement thereof, and warning all persons to abstain from committing any of the acts thereby prohibited.

This law of Congress applies to all parts of the United States, and will be enforced everywhere, to the extent of the powers vested in the Executive. But inasmuch as the necessity therefore is well known to have been caused chiefly by persistent violations of the rights of citizens of the United States, by combinations of lawless and disaffected persons in certain localities lately the theatre of insurrection and military conflict, I do particularly exhort the people of these parts of the country to suppress all such combinations by their own voluntary efforts through the agency of local laws, and to maintain the rights of People in certain particularly ex-
APPENDIX.

All citizens of the United States, and to secure to all such citizens the equal protection of the laws.

Fully sensible of the responsibility imposed upon the Executive by the act of Congress to which public attention is now called, and reluctant to call into exercise any of the extraordinary powers thereby conferred upon me, except in cases of imperative necessity, I do, nevertheless, deem it my duty to make known that I will not hesitate to exhaust the powers thus vested in the Executive, whenever and wherever it shall become necessary to do so for the purpose of securing to all citizens of the United States the peaceful enjoyment of the rights guaranteed to them by the Constitution and laws.

It is my earnest wish that peace and cheerful obedience to law may prevail throughout the land, and that all traces of our late unhappy civil strife may be speedily removed. These ends can be easily reached by acquiescence in the results of the conflict, now written in our Constitution, and by the due and proper enforcement of equal, just, and impartial laws in every part of our country.

The failure of local communities to furnish such means for the attainment of results so earnestly desired imposes upon the National Government the duty of putting forth all its energies for the protection of its citizens of every race and color, and for the restoration of peace and order throughout the entire country.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

A PROCLAMATION.

WHEREAS unlawful combinations and conspiracies have long existed and do still exist in the State of South Carolina, for the purpose of depriving certain portions and classes of the people of that State of the rights, privileges, immunities, and protection named in the Constitution of the United States, and secured by the act of Congress approved April the twentieth, one thousand eight hundred and seventy-one, entitled "An act to enforce the provisions of the fourteenth amendment to the Constitution of the United States;"

Whereas by an act of Congress, entitled "An act to enforce the provisions of the fourteenth amendment to the Constitution of the United States, and for other purposes," approved the twentieth day of April, anno Domini one thousand eight hundred and seventy-one, power is given to the President of the United States, when, in his judgment, the public safety shall require it, to suspend the privileges of the writ of habeas corpus in any State or part of a State whenever combinations and conspiracies exist in such State or part of a State, for the purpose of depriving any portion or class of the people of such State of the rights, privileges, immunities, and protection claimed in the Constitution of the United States, and secured by the act of Congress aforesaid; and whenever such combinations and conspiracies do obstruct and hinder the execution of the laws of any such State, and of the United States, as to deprive the people aforesaid of the rights, privileges, immunities, and protection aforesaid, and do oppose and obstruct the laws of the United States and their due execution, and impede and obstruct the due course of justice under the same; and whenever such combinations shall be organized and armed, and so numerous and powerful as to be able by violence either to overthrow or to set at defiance the constituted authorities of said State and of the United States within such State; and whenever, by reason of said causes, the conviction of such offenders and the preservation of the public peace shall become in such State or part of a State impracticable;

And whereas such unlawful combinations and conspiracies for the purposes aforesaid are declared by the act of Congress aforesaid to be rebellion against the Government of the United States;

And whereas by said act of Congress it is provided that before the President shall suspend the privileges of the writ of habeas corpus, he shall first have made proclamation commanding such insurgents to disperse;

And whereas on the twelfth day of the present month of October the President of the United States did issue his proclamation, reciting therein, among other things, that such combinations and conspiracies did then exist in the counties of Spartanburg, York, Marion, Chester, Laurens, Newberry, Fairfield, Lancaster, and Chesterfield, in the State of South Carolina, and commanding thereby all persons composing such unlawful combinations and conspiracies to disperse and retire peaceably to their homes within five days from the date thereof, and to deliver to the marshal of the United States for the district of South Carolina, or to any of his deputies, or to any military officer of the United States within said counties, all arms, ammunition, uniforms, disguises, and other means and implements used, kept, possessed, or controlled by them for carrying out the unlawful purposes for which the said combinations and conspiracies are organized;

Now, therefore, I, ULYSSES S. BY THE PRESIDENT OF THE UNITED STATES OF AMERICA:

A PROCLAMATION.

Thursday, November 28, 1871, recommended to be observed as a day of National Thanksgiving.

The process of the seasons has again enabled the husbandman to garner the fruits of successful toil. Industry has been generally well rewarded. We are at peace with all nations, and tranquillity, with few exceptions, prevails at home. Within the past year we have in the main been free from ills which elsewhere have afflicted our kind. If some of us have had calamities, these should be an occasion for sympathy with the sufferers, of resignation on their part to the will of the Most High, and of rejoicing to the many who have been more favored.

I therefore recommend that, on Thursday, the thirtieth day of November next, the people meet in their respective places of worship, and there make the usual annual acknowledgments to Almighty God for the blessings He has conferred upon them, for their merciful exemption from evils, and invoke His protection and kindness for their less fortunate brethren, whom, in His wisdom, He has deemed it best to chastise.

In witness whereof I have hereunto set my hand, and caused the seal of the United States to be affixed.

Whereas the revolution of another year has again brought the time when it is usual to look back upon the past, and publicly to thank Almighty for his mercies and his blessings;

And whereas if any one people has more occasion than another for such thankfulness, it is the citizens of the United States, whose government is their creature, subject to their behests; who have reserved to themselves ample civil and religious freedom and equality before the law; who, during the last twelvemonth, have enjoyed exemption from any grievous or general calamity, and to whom prosperity in agriculture, manufactures, and commerce has been vouchsafed:

A PROCLAMATION.

Whereas, upon information received by me from His Majesty the Emperor of the French, that discriminating duties before the date of said information levied in French ports upon merchandise imported from the countries of origin in vessels of the United States were discontinued and abolished, and in pursuance of the provisions of an act of Congress of the 7th of January, 1824, and of an act in addition thereto of the 24th of May, 1828, I did, on the 12th day of June, 1869, issue my proclamation declaring that the discriminating duties before that date levied upon merchandise imported from the countries of origin into ports of the United States in French vessels were thereby discontinued and abolished;

And whereas, upon information subsequently received by me that the 1st of such duties on all merchandise imported into France in vessels of the United States, whether from the country of its origin or from other countries, had been discontinued, I did, on the 20th of November, 1869, in pursuance of the provisions of the said acts of Congress, and by the authority in me vested thereby, issue my proclamation declaring that the discriminating duties before that date levied upon merchandise imported from the countries of origin into ports of the United States in French vessels, either from the country of its origin or from any other country, were thereby discontinued and abolished;

And whereas, by the provisions of the said acts of Congress of January 7th, 1824, and of the 24th of May, 1828, as well as by the terms of the said proclamations of the 12th of June, 1869, and of the 30th of November, 1869, the said suspension of discriminating duties upon merchandise imported into the United States in French vessels was granted by the United States on condition that, so to continue so long as merchandise imported into France in vessels of the United States should be admitted into the ports of France on the same terms of exemption from the payment of such discriminating duties;
And whereas information has been received by me that, by a law of the French republic, passed on the 80th of January, 1872, and published on the 8th of February, 1872, merchandise imported into France in vessels of the United States, from countries other than the United States, is (with the exception of certain articles enumerated in said law) subjected to discriminating duties;

And whereas, by the operation of said law of the French republic of the 80th of January, 1872, the exemption of French vessels and their cargoes granted by the terms of the said proclamations of the 12th of June, 1869, and of the 20th of November, 1869, in accordance with the provisions of the acts of Congress aforesaid, has ceased to be reciprocal on the part of France towards vessels owned by citizens of the United States and their cargoes:

Now, therefore, I, ULYSSES S. GRANT, President of the United States of America, by virtue of the authority vested in me by an act of Congress of the seventh day of January, one thousand eight hundred and twenty-four, and by an act in addition thereto of the twenty-fourth day of May, one thousand eight hundred and twenty-eight, do hereby declare and proclaim that on and after this date the said suspension of the collection of discriminating duties upon merchandise imported into the United States in French vessels from countries other than France, provided for by my said proclamations of the twelfth day of June, one thousand eight hundred and sixty-nine, and the twentieth day of November, one thousand eight hundred and sixty-nine, shall cease and determine, and all the provisions of the acts imposing discriminating foreign tonnage and import duties in the United States are hereby revived, and shall henceforth be and remain in full force, as relates to goods and merchandise imported into the United States in French vessels from countries other than France, so long as any discriminating duties shall continue to be imposed by France upon goods and merchandise imported into France in vessels of the United States from countries other than the United States.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.
