"ART. II. In consideration of the land ceded, relinquished, and conveyed by Article I of this agreement the United States stipulates and agrees to sell, subject to the homestead laws of the United States, under rules and regulations to be prescribed by the Secretary of the Interior, in tracts not to exceed one hundred and sixty acres to each individual, all of said lands, except lands remaining unsold after five years from the first sale hereunder, which may be sold without reference to the provisions of the homestead law. Said land shall be sold for not less than four dollars per acre, and shall be sold upon the following terms: One-fifth of the purchase price to be paid at the time of sale and the balance of the purchase price of said land to be paid in five equal annual installments due in one, two, three, four, and five years from date of sale, respectively, and to pay over to said Indians all of the proceeds realized from the sale of the said lands as herein provided.

"ART. IV. It is further agreed that the said Indians belonging on the said Red Lake Indian Reservation, Minnesota, shall possess their diminished reservation independent of all other bands of the Chippewa tribe of Indians and shall be entitled to allotments thereon of one hundred and sixty acres each, of either agricultural or pine land,
the different classes of land to be apportioned as equitably as possible among the allottees.

Sec. 2. That said agreement be, and the same is hereby, accepted and ratified as herein amended.

Sec. 3. And the said land shall be sold for not less than four dollars per acre, and shall be sold upon the following terms: One-fifth of the price bid therefor to be paid at the time the bid is made, and the balance of the purchase price of said land to be paid in five equal annual installments, due in one, two, three, four, and five years from date of sale, respectively, payment to be made to the receiver of the United States land office for the district in which said land may be situated. And in case any purchaser fails to make such annual payments promptly when due, or within sixty days thereafter, all rights in and to the land covered by his or her purchase shall at once cease, and any payments made shall thereupon be forfeited and the Secretary of the Interior shall thereupon declare such forfeiture by reoffering said land for sale. And no patent shall issue to the purchaser until the purchaser shall have paid the purchase price and in all respects complied with the terms and provisions of the homestead laws of the United States: Provided, That such purchaser shall have the right of commutation as provided by section twenty-three hundred and one of the Revised Statutes of the United States, by paying for the land at the price for which it sold, receiving credit for payments previously made: Provided further, That such purchaser shall make his final proof conformable to the homestead laws within six years from the date of sale; that aliens who have declared their intention to become citizens of the United States may become purchasers under this Act, but before making final proof and acquiring title must take out their full naturalization papers; and that persons who may have heretofore exhausted their rights under the homestead law may become purchasers under this Act: Provided further, That after the first sale hereunder shall be closed, the lands remaining unsold shall be subject to sale and entry at the price of four dollars per acre by qualified purchasers, subject to the same terms and conditions as herein prescribed as to lands sold at said first sale: Provided further, That all lands above described which shall remain unsold at the expiration of five years from the date of the first sale hereunder shall be offered for sale at not less than four dollars per acre (and lands remaining unsold after such sale shall be subject to private entry and sale at said price), without any conditions whatever except the payment of the purchase price: And provided further, That wherever the boundary line of said reservation runs diagonally so as to divide any Government subdivision of a section, and the owner of that portion of such subdivision now being outside of the reservation becomes the
purchaser of that portion of such subdivision lying within the reservation, residents and improvements upon either portions of such subdivision as provided by the homestead law shall constitute a compliance as to all such Government subdivisions.

All of the Indians residing upon the tract above described shall remove therefrom to the diminished reservation within six months after the passage of this Act; and there is hereby appropriated from the proceeds of said sale the sum of twenty thousand dollars, or so much thereof as may be necessary, to be paid to those thus removing in proportion to their respective improvements, which payment to the said Red Lake Indians shall be in full for all improvements which they will abandon, and also for the expense of removal within the diminished reservation of their dead from where they are now buried on the tract above described, and the expense of making allotments.

The proceeds of said lands as realized from time to time shall be paid into the United States Treasury to the credit of the Indians belonging on said reservation. Of the amount realized from the sale of said lands a sum not exceeding three hundred thousand dollars shall be paid in cash, per capita, share and share alike, to each man, woman, and child belonging on said Red Lake Indian Reservation within ninety days after the first sale herein provided for, and the remainder of the proceeds of the sale of said lands shall be paid in cash, per capita, in fifteen annual installments, the first installment to be paid in the month of October of the year following that in which the payment of the three hundred thousand dollars is made; and all moneys received after the expiration of said fifteen years shall be apportioned in like manner among said Indians and paid to them on the first day of October in each year.

The Secretary of the Interior is hereby vested with full power and authority to make such rules and regulations as to the time of notice, manner of sale, and other matters incident to the carrying out of the provisions of this Act as he may deem necessary, and with authority to continue making sale of said lands until all of said lands shall have been sold.

SEC. 4. That nothing in this Act contained shall in any manner bind the United States to purchase any portion of the land herein described, or to guarantee to find purchasers for said lands or any portion thereof, it being the intention of this Act that the United States shall act as trustee for said Indians to dispose of said lands and to expend and receive over the proceeds received from the sale thereof only as received as herein provided.

Sec. 10. That this Act shall be null and void unless actual construction of said bridge shall be commenced within one year and completed within three years from the date hereof: Provided, however, That the Secretary of War may, on showing of good faith in construction of said bridge, extend the time for completion of the same.

FIFTY-EIGHTH CONGRESS. Sess. II. Ch. 817. 1904.

CHAP. 817.—An Act To approve and ratify Act Numbered Seventy-three of the legislative assembly of the Territory of Arizona:

Whereas on the nineteenth day of March, nineteen hundred and three, the legislative assembly of the Territory of Arizona enacted the following law:

“"To provide for the loan of one hundred thousand dollars for the purpose of making improvements to the Territorial Asylum for the Insane and for authorizing the issuance of bonds for said amount, and for other purposes; and

"Whereas the number of insane persons confined in the Territorial Asylum for the Insane is now almost three hundred; and

"Whereas the accommodations for such insane persons at the Territorial Asylum for the Insane are not adequate for the proper care and accommodation of more than one hundred and fifty insane patients; and

"Whereas as a result of this overcrowded condition in the Territorial Asylum for the Insane many patients are crowded into small rooms only suitable for the accommodation of one or two patients at the most; and, as a further result, it is impossible under existing conditions to make adequate sanitary provisions for the health and welfare of the inmates of said institution for the insane, rendering it impossible for those in charge of said institution to properly separate and classify these unfortunate beings possessed of different kinds and degrees of insanity and kindred affections, but such management is obliged to confine the patients so afflicted in the same wards and rooms miscellaneously; and

"Whereas some of the rooms and wards of the Territorial Asylum for the Insane provided for such unfortunate are so located as not to be accessible to the sunlight at any season of the year, and the health of the patients kept in such cells is thereby greatly endangered and the possibility of restoration to reason and an ultimate cure prevented; and

"Whereas on account of the foregoing conditions it is impossible for the warden of the Territorial Asylum for the Insane to render adequate and oftentimes necessary medical aid and attention to the inmates: Now, therefore,

"Be it enacted by the legislative assembly of the Territory of Arizona.

SECTION 1. That for the purpose of erecting such buildings and making such other improvements on the grounds now owned by the Territory of Arizona and used as grounds for the Territorial Asylum for the Insane in Maricopa County, Arizona Territory, as will in their judgment best serve the purposes of relieving the unsatisfactory conditions prevailing at the said Territorial Asylum for the Insane, the board of control of the Territory of Arizona is hereby authorized and empowered to procure a loan on the faith and credit of the Territory of Arizona as follows:

"Sec. 2. levy shall be determined by the board of equalization, which said board shall notify the proper county officer of each county of the amount of said tax levy, and the tax when collected shall be paid into a separate fund, to be known as the interest fund for the payment of interest on the bonds of the Territorial Asylum for the Insane. If any surplus remains in the said interest fund after the payment of interest then due, the board of control may by resolution transfer the said surplus remaining in the interest fund of the Territorial Asylum for the Insane to the bond-redeemption fund for the Territorial Asylum for the Insane.

"Sec. 7. Fifteen years after the date of this act, in the year nineteen hundred and eighteen, and annually thereafter and until the bonds as herein provided shall have matured, there shall be levied an additional tax upon all taxable property, real or personal, in the Territory of Arizona in the same manner as other taxes are levied to create a sufficient sinking fund to redeem the bonds as herein provided when the same shall have become redeemable or due and payable.

"The manner and amount of each tax levy shall be determined as provided in sections five and six of this act for the payment of interest on the bonds, except that the money shall be kept in a separate fund by the Territorial treasurer, which said fund shall be known as the sinking fund for the redemption of the bonds of the Territorial Asylum for the Insane.

"Sec. 8. Whenever, after the expiration of the twenty-five years from the date of the issuance of any bond under this act, there shall be in the sinking fund for the redemption of bonds of the Territorial Asylum for the Insane the sum of two thousand five hundred dollars or more, it shall be the duty of the Territorial treasurer to advertise for the space of thirty days, in like manner as hereinafter provided, for the sale of said bonds, which said fund shall be known as the sinking fund for the redemption of the bonds of the Territorial Asylum for the Insane.

The sealed proposals shall be received by the said board of control for the purchase of said bonds, within one month from the expiration of said publication, and at the place and on the date and hour named in said notice. Said board of
control shall open all sealed proposals received by it, and shall award the purchase of said bonds to the highest bidder or bidders therefor; Provided, That said board of control may reject any and all bids if they deem it to the advantage of the Territory of Arizona: And provided further, That they may reject any and all bids unless security shall be furnished by the bidder or bidders for compliance with the terms thereof, or if in the judgment of the said board of control such rejection will benefit the Territory.

"Sec. 10. That in addition to the powers expressly conferred or acts directed to be performed herein, the said board of control of Arizona is by this act authorized, empowered, and directed to do and perform whatever act or acts are necessary to be performed in the premises, to fully carry out and complete the terms, intent, and purposes of this act.

"Whereas said company is at the present time supplying light and power to the inhabitants of the said district of Honolulu, island of Oahu; and

"Sec. 2. The right is hereby granted to the Hawaiian Electric Company, Limited, as a body corporate under that or such other name as the said company may hereafter adopt, and its successors and assigns, to manufacture, sell, furnish, and supply electric light, electric current, or electric power in the district of Honolulu, on the island of Oahu, Territory of Hawaii, for lighting the streets, roads, public or private buildings, or for motive power, or for any other purpose which it or they may deem advisable, and from time to time, for the purposes above mentioned, to construct, maintain, and operate suitable poles, lines, wires, cables, lamps, lamp-posts, conductors, conduits, and such other appliances and appurtenances as may from time to time be necessary for the transmission, distribution, or supply of electricity to consumers thereof, under, along, upon, and over the streets, sidewalks, roads, squares, bridges, alleys, and lanes in said district of Honolulu, and to connect the said lines, wires, and conductors with any manufacturing, private or public buildings, lamp, lamp-posts, or other structure or object with the place of supply.

"Buildings and stations.

"Sec. 3. Said company shall also have the right to maintain and operate its present light and power station on the corner of Halekauwila and Alakea streets, in said Honolulu, and also to construct, maintain, and operate, at such points as may from time to time be necessary, light and power stations or houses, or such other buildings and structures as may be necessary and proper, and to use machinery therein for the purposes of the company.

"Meters, rates, and charges.

"Sec. 4. Said company shall also have the right to maintain, operate, and use electric meters or other means of measuring electric light, power, or current supplied from time to time, and to locate the same at such places as may be deemed necessary for their protection; and said company shall also have the right to charge, receive, and collect from all consumers of electricity such reasonable prices as may from time to time be fixed and determined by the company, but such charge shall not at any time exceed seventeen cents per kilowatt hour or one thousand watt hours: Provided, however, That the company shall have the right to charge, receive, and collect from each consumer of electricity for lighting the sum of two dollars per month, and from each consumer of electricity for power the sum of one dollar per month per horsepower of apparatus connected to the service of the company: Provided. "Connections.

"Sec. 5. Said company shall also have the right to charge consumers, or applicants for the use of electricity, for one-half of the cost and expense of making connections between the company's main lines and the premises where the electricity is to be used; such cost and expense to include the price of all wires, poles, insulators, and other materials, and labor necessary to be used in making such connections: Provided, however, That the company shall not be required to make, construct, or maintain said connections as aforesaid for supplying light or power unless the applicant or applicants for such light or power, if required, shall deposit in advance with the company a
sum of money sufficient to pay one-half of the cost and expense of making and constructing such connections and for current for the period of one month.

"Sec. 6. The company shall not be required to extend, construct, or maintain its main lines beyond a distance of three hundred feet unless there be an applicant for each three hundred feet of extension or fraction thereof, and unless each applicant shall, in addition to the other requirements in this Act provided, agree to take, install, and maintain five sixteen-candlepower lights or one horsepower of power apparatus for not less than one year: Provided, however, That if the company is unable to furnish power or light applied for by reason of lack of capacity of the apparatus for producing electricity, the company shall be allowed a reasonable time, not to exceed nine months from the date of any application, to procure such additional apparatus as may be necessary to furnish such applicant.

"Supply of Electricity."

"Sec. 7. The company shall have the right to discontinue or cut off the supply of electricity to any consumer who shall refuse or fail to pay the amount due for electricity supplied by said company within such reasonable time as said company may fix for the payment of the same, and such discontinuance of service or supply of electricity shall not prejudice the right of the company to any remedies now or which may hereafter be authorized by law for the recovery and collection of said amount.

"Rules and Regulations."

"Sec. 8. The superintendent of public works is hereby authorized to make, and from time to time to change, amend, or add to, reasonable rules regulating the placing of poles and wires, the insulation of wires and apparatus carrying the electric current, and the maintenance in good repair of all poles, wires, and apparatus, and generally concerning the manufacture and supply of electricity, which may be necessary or proper for the public safety and welfare. No person, firm, or corporation shall be allowed to place or maintain poles or wires along, upon, or across any public street except such as are authorized by the superintendent of public works. Any person violating this provision last above mentioned shall, upon conviction, be deemed guilty of a misdemeanor and be punished by a fine of not exceeding fifty dollars or by imprisonment not exceeding three months. The superintendent of public works may at any time cause such poles or wires to be removed at the expense of the person, firm, or corporation placing them or causing them to be placed in such position.

"If at any time the company, after reasonable notice given to it in writing, shall fail to observe or execute the rules and regulations hereinbefore provided for, relative to the placing of poles and wires, the insulation of wires and apparatus carrying electric current, and the repair of all poles and apparatus, the superintendent of public works shall, after giving the company reasonable notice thereof in writing of his intention so to do, proceed to remedy such failure, and the cost of such repairs or changes may be recovered from the company by the Territory.

"Supervision."

"Sec. 9. The entire plant, operation, books, and accounts of the company shall at all times be subject to the inspection of the superintendent of public works or other officer appointed by him for that purpose."
Payments to the Government.

"SEC. 10. The said company shall, within one month after the expiration of each year, file with the superintendent of public works a statement showing the gross receipts from the sale of electric light and power furnished by the company, and shall at the same time pay to the superintendent of public works two and one-half per centum of the gross receipts of the company from all electric light or power furnished to consumers during the year preceding.

Purchase or lease.

"SEC. 11. The said company shall have the right to acquire, hold, or take over, either by purchase or lease, property, both real, personal, or mixed, and such other property as may be necessary or incidental to the proper conduct of its business; said company shall, however, not have the right to purchase franchises and property of whatever nature of another company of like nature.

Borrowing money and issue of bonds.

"SEC. 12. The said company, whenever from time to time it shall be deemed expedient in the furtherance of the objects of the company, shall have the power to borrow money and to secure the payment thereof, with the interest agreed upon, by mortgage of all or any portion of the property, and the franchises and privileges granted or obtained by virtue of this act, or if it be deemed advisable, bonds may be issued, secured by a deed of trust of such property as aforesaid, not to exceed sixty per centum of the actual value thereof, together with all future acquired property, as well as the income and receipts of the property from whatever source derived, and in such form and under such terms as said company may deem advisable: Provided, That nothing in this section contained shall operate to prevent said company from obtaining the usual business credits and to make promissory notes without security.

Penalties.

"SEC. 13. Whenever said company refuses or fails to do or perform or comply with any act, matter, or thing requisite or required to be done under the terms of this act, and shall continue so to refuse or fail to do or perform or comply therewith after reasonable notice given by the superintendent of public works to comply therewith, the said superintendent of public works shall, with the consent of the governor and the attorney-general, cause proceedings to be instituted before the proper tribunal to have the franchise granted by this act and all rights and privileges granted thereunder forfeited and declared null and void.

"SEC. 14. Any person who shall willfully or intentionally injure, molest, or destroy any of the poles, lines, wires, meters, or other appliances, or the material or property belonging thereto, or shall without permission or authority of the company connect or cause to be connected by poles and wires, or by any device, with the wires, cables, or conductors of the company, for the purpose of obtaining electric current for light, heat, or power, or whoever shall, without such permission or authority, cut or cause to be cut wires or other devices connected with any meter or meters erected or set up for the purpose of registering or recording the amount of electric current supplied to any consumer by the company, or who shall, without such permission or authority, tamper with any such meter or meters with any such meter in such manner that such meter or meters will not measure or record the amount of electric current supplied to any consumer by the company, shall be
guilty of a misdemeanor, and upon conviction thereof in the district
court of Honolulu, or other court having jurisdiction thereof, shall
be punished by a fine not exceeding one hundred dollars or by
imprisonment with hard labor not exceeding six months: Provided,
however, That nothing herein contained shall be deemed to affect the
right of the company to recover by action at law damages for any
injury done by such unlawful action.

"GRANT NOT EXCLUSIVE.

"SEC. 15. It is hereby expressly provided that nothing herein con-
tained shall be so construed as to grant to the company the exclusive
right to furnish, sell, or supply electric light or power.

"SEC. 16. This act shall take effect and become law from and after
the date of its approval.

"Approved this 28th day of April, A. D. 1903.

CHAP. 1406.—An Act To ratify, approve, and confirm an act duly enacted by the
legislature of the Territory of Hawaii, to authorize and provide for the maintenance
and supply of fuel and illuminating gas and its by-products in Honolulu.

manufacture and supply fuel and illuminating gas and its by-products
in Honolulu; and

Whereas the governor of said Territory did approve said act on the

Whereas the Act of Congress to provide a government for the
Territory of Hawaii, approved April thirtieth, nineteen hundred, pro-

Now, therefore,

Be it enacted by the Senate and House of Representatives of the United

approved, and confirmed, and amended so as to read as follows, to wit:

"ACT NUMBERED THIRTY.

"An act to authorize W. W. Dimond, his associates, successors, and
assigns to manufacture and supply fuel and illuminating gas and its
by-products in Honolulu.

"Be it enacted by the legislature of the Territory of Hawaii, Section 1.
That W. W. Dimond, of Honolulu, island of Oahu, Territory of
Hawaii, his associates, successors, and assigns, or such corporation as
he or they shall cause to be incorporated under the laws of the Terri-
tory of Hawaii (he or they being hereinafter referred to as W. W. Dimond), are hereby authorized and empowered to manufacture and supply gas for use as a fuel, for illuminating purposes, and otherwise, in Honolulu, which, for the purposes of this act, shall be held to include all of that portion of the island of Oahu extending from the westerly limits of Moanalua to the southeastern extremity of said island, and lying to the southwest of the Konahuanui range of mountains on said island.

"Sec. 2. Said W. W. Dimond shall have the right to erect and maintain at such places, within the limits mentioned in section one, as the superintendent of public works shall approve, such buildings, machinery, and appurtenances as may be necessary for the production, manufacture, and storage of such gas, together with its various by-products, as may be required from time to time during the existence of the rights hereby granted.

"Sec. 3. Said W. W. Dimond, for the purpose of distributing such gas for use as by this act authorized, shall have the right from time to time to lay pipes or other conduits for such distribution, in or under the streets, roads, and places in the said district; and whenever supply pipes and mains shall be laid in any block, connections shall be made and pipes shall be laid from said main to the curb line of the street for the purpose of supplying gas to the property holders adjoin ing such street, and each of such connections shall be provided with stopcocks inside of such curb line: Provided, That nothing herein shall prevent the laying down of additional branches or connections at any time when future requirements render the same necessary. But the methods by which such streets, roads, and places are to be used shall be subject to prior consent and approval of the superintendent of public works, and all instructions and directions made by him shall be strictly followed, to the end that the general public shall be inconvenienced as little as possible; and provided, likewise, that whenever any street, road, or other place shall be excavated and holes or trenches made therein for laying, maintaining, replacing or repairing such pipes, conduits, or connections, such holes or trenches shall be safeguarded and refilled as soon as possible, and the pavement, if any, and such street, road, or place shall be replaced in good order and condition: Provided, That if such repair or restoration shall not be made to the satisfaction of the superintendent of public works within a reasonable time, whereof he shall be judge, he may cause it to be done at the expense of the said W. W. Dimond.

"Sec. 4. Said W. W. Dimond shall also have the right to erect and maintain lamp-posts or other appliances for lighting streets, roads, or other places, and of connecting the same with the supply pipes: Provided, That such use of said streets, roads, or other places shall first be approved by said superintendent of public works: And provided further, That if said W. W. Dimond shall manufacture and supply illuminating gas, as well as gas for fuel, and shall erect lamp-posts as aforesaid, he shall, on requisition of the superintendent of public works, furnish free of cost gas for fifty street lights, and thereafter shall each year furnish five more in addition to the number furnished the preceding year.

"Sec. 5. Said W. W. Dimond shall also have the right to maintain and use gas meters or other means for measuring the amount of gas used from time to time and in such places as may be deemed necessary, and to operate the same for all purposes connected with the use of such gas, and shall also have the right to charge, receive, and collect from all consumers of gas such reasonable prices as he or such persons or corporation may from time to time fix and determine, but not at any time to exceed two dollars and twenty-five cents per thousand cubic feet, with a discount of ten per cent on all payments made within
ten days after due and demanded, and shall also have the right to charge consumers or intended consumers of gas for the cost and expense of making connections between the mains and premises where such gas is to be used, and may include also the price for all connecting pipe, gas fixtures, and other material necessary: Provided, That power is hereby conferred upon the courts of appropriate jurisdiction at all times and upon the petition of any consumer or the said W. W. Dimond, his associates, successors, or assigns, or of such corporation to hear and determine from time to time what rate or rates are reasonable, and to enforce the same by appropriate judgment or decree.

"Sec. 6. Said W. W. Dimond shall also have the right to cut off the supply of gas from any consumer who shall refuse or fail to pay amounts due for gas so supplied by the said W. W. Dimond, within such reasonable time as may be fixed for payment of the same; but such cutting off shall not prevent the said W. W. Dimond from using any remedies now or which may hereafter be authorized by law for collecting debts.

"Sec. 7. Said W. W. Dimond may erect and construct all buildings, machinery, and other appurtenances necessary to the operation of the rights hereby granted, and may maintain and operate the plant necessary to the enjoyment of the rights hereby granted, either personally or in connection with others as partners; or the rights, powers, and authorities hereby granted may be assigned to other persons, or to a corporation to be by him or them incorporated under the laws of the Territory of Hawaii, but in all cases, by whomever the rights, powers, and authorities hereby granted shall be exercised, such exercise and operation shall be in such manner as to cause the least inconvenience to the public, and he or they shall, in such use, provide fuel and illuminating gas of the best quality obtainable, which quality shall be subject to the control of such reasonable rules and regulations as the superintendent of public works shall from time to time deem necessary for the protection of the public, and the buildings and machinery, with all appurtenances, to be erected, and general plant to be maintained in connection therewith, together with the offices, books, and accounts of the said persons or corporation shall be open to examination and inspection at all times by the superintendent of public works or his agent duly authorized for that purpose.

"Sec. 8. It is further provided that the rights hereby granted shall cease and determine, if operations hereunder are not commenced by beginning the construction of buildings or other works for manufacturing or supplying such gas, or by laying pipes or other conduits in any of such streets, roads, or places within one year from and after the passage of this act, or within one year after the franchise hereby granted shall be approved by the Congress of the United States, should such approval be deemed necessary to the legality hereof; and also that such works shall be in operation and gas shall be supplied for the purpose of this act within two years after such work has been so commenced: Provided, That the rights hereby granted shall not be considered exclusive.

"Sec. 9. On the first day of July of each year there shall be payable to the treasurer of the Territory of Hawaii, for and on behalf of such Territory, two and one-half per centum of the gross receipts of said W. W. Dimond for all gas furnished to consumers under the terms of this act.

"Sec. 10. This act shall take effect from and after the date of its approval.

"Approved this 15th day of April, 1903.

CHAP. 1418.—An Act For the extension of Eighth street northwest, or Wrights road, District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That within thirty days after the passage of this Act the Commissioners of the District of Columbia be, and they are hereby, authorized and directed to institute in the supreme court of the District of Columbia, sitting as a district court, by petition particularly describing the lands to be taken, a proceeding in rem to condemn the land that may be necessary for the extension of Eighth street northwest, otherwise known as Wrights road, District of Columbia, northward to Irving street, through lot four of Todd and Brown's subdivision, with the full width of said lot.

SEC. 2. That the entire amount found to be due and awarded as damages for and in respect of the land condemned for the extension of Eighth street, or Wrights road, as herein provided shall be assessed by the jury hereinafter provided as benefits, and to the extent of such benefits against those pieces or parcels of land on each side of said Eighth street, or Wrights road, as extended, and also on any or all pieces or parcels of land which will be benefited by the extension of said Eighth street, or Wrights road, as said jury may find pieces or parcels of land will be benefited; and in determining the amounts to be assessed against said pieces or parcels of land the jury shall take into consideration the respective situations of such pieces or parcels of land and the benefits they may severally receive from the extension of Eighth street, or Wrights road, as aforesaid.

SEC. 3. That the said court shall cause public notice of not less than ten days to be given of the filing of said proceedings, by advertisement in such manner as the court shall prescribe, which notice shall warn all persons having any interest in the proceedings to attend court at a day to be named in said notice and to continue in attendance until the court shall have made its final order ratifying and confirming the award of damages and assessment of benefits of the jury; and in addition to such public notice said court, whenever in its judgment it is practicable to do so, may cause a copy of said notice to be served by the marshal of the District of Columbia, or his deputies, upon such owners of the land to be condemned as may be found by said marshal, or his deputies, within the District of Columbia.

SEC. 4. That after the return of the marshal and the filing of proof of publication of the notice provided for in the preceding section, said court shall cause a jury of seven judicious, disinterested men, not related to any person interested in the proceedings, and not in the service or employment of the District of Columbia or of the United States, to be summoned by the marshal of the District of Columbia, to which jurors said court shall administer an oath or affirmation that they are not interested in any manner in the land to be condemned nor are in any way related to the parties interested therein, and that they will, without favor or partiality, to the best of their judgment, assess the damages each owner of land taken may sustain by reason of the extension of said street and the condemnation of lands for the purposes of such extension, and assess the benefits resulting therefrom as hereinbefore provided. The court, before accepting the jury, shall hear any objections that may be made to any member thereof, and shall have full power to decide upon all such objections, and to excuse any juror or cause any vacancy in the jury, when impaneled, to be filled; and after said jury shall have been organized and shall have viewed the premises, said jury shall proceed, in the presence of the court, if the court shall so direct, or otherwise as the court may direct, to hear and receive such evidence as may be offered or submitted on behalf of the District of Columbia and by any person or persons having any
interest in the proceedings for the extension of said street. When the hearing is concluded the jury, or a majority of them, shall return to said court, in writing, its verdict of the amount to be found due and payable as damages sustained by reason of the extension of said street under the provisions thereof, and of the pieces or parcels of land benefited by such extension and the amount of the assessment for such benefits against the same.

Sec. 5. That if the use of a part only of any piece or parcel of ground shall be condemned, the jury, in determining its value, shall not take into consideration any benefits that may accrue to the remainder thereof from the extension of said street or highway, but such benefits shall be considered in determining what assessment shall be made on or against such part of such piece or parcel of land as may not be taken as hereinbefore provided.

Sec. 6. That the court shall have power to hear and determine any objections which may be filed to said verdict or award, and to set aside and vacate the same, in whole or in part, when satisfied that it is unjust or unreasonable, and in such event a new jury shall be summoned, who shall proceed to assess the damages or benefits, as the case may be, in respect of the land as to which the verdict may be vacated, as in the case of the first jury: Provided, That if vacated in part, the residue of the verdict and award as to the land condemned or assessed shall not be affected thereby: And provided further, That the exceptions or objections to the verdict and award shall be filed within thirty days after the return of such verdict and award.

Sec. 7. That when the verdict of said jury shall have been finally ratified and confirmed by the court, as herein provided, the amounts of money awarded and adjudged to be payable for lands taken under the provisions hereof shall be paid to the owners of said land by the Treasurer of the United States, ex officio commissioner of the sinking fund of the District of Columbia, upon the warrant of the Commissioners of said District, out of the revenues of the District of Columbia; and a sufficient sum to pay the amounts of said judgments and awards is hereby appropriated out of the revenues of the District of Columbia.

Sec. 8. That when confirmed by the court the several assessments herein provided to be made shall severally be a lien upon the land assessed, and shall be collected as special improvement taxes in the District of Columbia, and shall be payable in five equal annual installments, with interest at the rate of four per centum per annum from and after sixty days after the confirmation of the verdict and award.

In all cases of payments the accounting officers shall take into account the assessment for benefits and the award for damages, and shall pay only such part of said award in respect of any lot as may be in excess of the assessment for benefits against the part of such lot not taken, and there shall be credited on said assessment the amount of said award not in excess of said assessment.

That said court may allow amendments in form or substance in any petition, process, record, or proceeding, or in the description of property proposed to be taken, or of property assessed for benefits whenever such amendments will not interfere with the substantial rights of the parties interested.

Sec. 9. That each juror shall receive as compensation the sum of five dollars per day for his services during the time he shall be actually engaged in such services under the provisions hereof.

Sec. 10. That the sum of three hundred dollars is hereby appropriated, out of the revenues of the District of Columbia, to provide the necessary funds for the costs and expenses of the condemnation proceedings taken pursuant hereto.

Sec. 11. That no appeal by any interested party from the decision of the supreme court of the District of Columbia confirming the assessment or assessments of benefits or damages herein provided for, nor
any other proceeding at law or in equity by such party against the
confirmation of such assessment or assessments, shall delay or prevent
the payment of award to others in respect to the property condemned,
nor delay or prevent the taking of any of said property sought to be
condemned, nor the opening of such street: Provided, however, That
upon the final determination of said appeal or other proceeding at law
or in equity the amount found to be due and payable as damages sus-
tained by reason of the extension of said street under the provisions
hereof shall be paid as hereinbefore provided.

To fill all vacancies in the office of road overseer in his precinct.

To cause a record to be made defining the boundaries of said road district.

TERM OF OFFICE AND QUALIFICATION OF ROAD OVERSEERS.

All road overseers shall hold office for one year and until their successors are appointed and qualified.

Every person appointed to the office of road overseer of any road district shall reside in the road district to which he has been appointed, and shall, within thirty days after he shall have been notified of his appointment, take and subscribe to an oath of office obligating himself to the faithful performance of the duties of his office, and shall forthwith cause such oath to be filed in the office of the commissioner of his precinct, and in case any such road overseer shall become nonresident of his road district, his office shall at once become vacant.

Each road overseer shall, before entering upon the duties of his office, execute a bond to the United States in a sum not less than
double the amount of money which will probably come into his hands at any time during his term of office, with two or more sureties, the amount and sufficiency of the bond to be approved by the commissioner of the precinct, conditioned for the faithful discharge of the duties of his office, which bond shall be by him forthwith filed in the office of the commissioner and ex officio recorder. The approval of such bond shall be indorsed thereon by the commissioner.

DUTIES OF ROAD OVERSEER.

The duties of road overseer shall be such as may be prescribed by law.

Each road overseer shall keep an accurate account of all money received by virtue of his office and the manner in which the same has been disbursed, and to whom, and shall, on the last Saturday of March in each year, exhibit such account, together with his vouchers, to the commissioner for adjustment and settlement. Such account shall be in writing, verified by affidavit of the overseer that the same is in all respects a full and true account of all money received by him during the full term for which he should make settlement and the amounts expended and the manner in which they were expended.

If any person appointed to the office of road overseer, unless unable from disease or other infirmity to discharge the duties of such office, shall refuse or neglect to serve therein, he shall be liable to a fine of twenty-five dollars; but no person so appointed who shall have served for a term next preceding such appointment shall be liable to such fine for refusing to serve if he shall have given notice in writing of refusal to the commissioner within twenty days after having been notified of his appointment.

Every road overseer who shall, after the expiration of his term of office, neglect or refuse to deliver on demand to his successor in office, after such successor shall have been duly qualified according to law, all moneys, records, books, papers, or other property appertaining to such office shall be liable to a fine of not less than fifty nor more than five hundred dollars.

Road overseers of the different precincts are authorized, and it is made their duty, to warn out all male persons between eighteen and fifty years of age who have resided thirty days in the district of Alaska, who are capable of performing labor on roads or trails, and who are not a precinct charge, to perform two days' work of eight hours each in locating, constructing, or repairing public roads or trails, under the direction of the road overseer within whose precinct they may respectively reside, or furnish a substitute to do the same, or pay the sum of four dollars per day for two days' labor, and said road overseer shall receipt for the same and shall expend it in location, construction, or repairs on the public roads and trails within his precinct; and any moneys so received and not expended shall be paid over to his successor in office, who shall expend the same as above provided.

The overseer of roads and trails in each precinct shall give notice to persons residing in his precinct liable to or charged with a road or trail tax of the time and place and the kind of work expected to be performed on the road or trail, and may direct what implements such persons shall bring with which to perform such work.

Whenever it shall happen, in consequence of sickness or absence from home, or any other cause, that the two days' work aforesaid shall not be performed within the time specified in this Act, the overseer shall be authorized to require the performance of such work at any time prior to the first day of October then next ensuing; and in case any person shall neglect or refuse to do the two days' work, or furnish a substitute, or pay in money the price of two days' labor, as provided
in this Act, he shall be deemed guilty of a misdemeanor and shall be fined in the sum of ten dollars for each day refusing so to work upon conviction before any justice of the peace of the precinct.

If any person shall appear at the proper time and place as directed by the overseer and neglect or refuse to do a reasonable day's work according to his ability, he shall be liable the same as if he had neglected or refused to appear, or furnish a substitute, or pay the sum of money as provided herein.

Under the direction of the overseer, and at his discretion, the above road tax may be performed by one day's work, together with an able-bodied man, a two-horse team with wagon, or a dog team consisting of not less than five dogs and a sleigh, or a reindeer team of not less than two reindeer and sleigh or cart.

It shall be the duty of each road overseer to receipt to each person who performs labor on the public roads and trails of his precinct under the provisions of this Act for the amount of labor so performed, and no person shall be compelled to pay road tax except in one precinct in the district of Alaska during one calendar year.

Each road overseer shall, on or before the first day of April in each year, report to the commissioner of the precinct the names of all persons subject to the two days' road tax for the preceding year, the names of those who have worked out said tax, the names of those who have paid the said tax in money, and the names of those delinquent, and also all moneys received by him from all sources, and how expended, and the account of said road overseer of the work performed by himself, which report shall be approved by said commissioner before any final settlement shall be made with such road overseer.

Each and every road overseer who shall neglect or refuse to perform the several duties enjoined upon him by this Act, or who shall, under any pretense whatsoever, give or sign a receipt or certificate for labor performed or money paid, unless the labor shall have been performed or money paid prior to the signing or giving of such receipts or certificates, shall forfeit for every such offense not less than five nor more than fifty dollars, to be recovered by an action before any justice of the peace within the precinct where such overseer may reside, and it is hereby made the duty of every United States attorney or assistant to prosecute all offenses against the provisions of this Act not otherwise provided for.

**PER DIEM.**

Road overseers shall be allowed four dollars per day for all services required by this Act and actually performed in their respective precincts, to be retained out of money paid said road overseers from persons paying money or fines in lieu of two days' labor, upon the certified statement of the overseers, approved by the commissioner of the precinct: Provided, That no overseer shall receive pay for more than ten days in any one year, and not until he has made the return as provided in the preceding section, in duplicate, one copy to be retained by the commissioner and one copy filed with the clerk of the district court in the division in which the said precinct is situated.
