SEC. 2. That the entire amount found to be due and awarded as damages and benefits, and in respect of the land condemned for the extension of Rittenhouse street, as herein provided shall be assessed by the jury hereinafter provided for as benefits, and to the extent of such benefits, against those pieces or parcels of land on each side of said street as extended, and also on any or all pieces or parcels of land which will be benefited by the extension of said street as said jury may find said pieces or parcels of land will be benefited, and in determining the amounts to be assessed against said pieces or parcels of lands the jury shall take into consideration the respective situations of such pieces or parcels of land and the benefits they may severally receive from the extension of said street as aforesaid, and the verdict of said jury shall also be for a sufficient sum to cover all the costs of the condemnation proceedings herein provided for: Provided, That the remaining portion of any parcel of land of any party dedicating shall be exempt from any assessment in respect to the cost of condemning any portion of said street that may not be dedicated or from any assessment for benefits of the extension of Rittenhouse street.

Jury.

SEC. 4. That after the return of the marshal and the filing of proof of publication of the notice provided for in the preceding section, said court shall cause a jury of seven judicious, disinterested men, not related to any person interested in the proceedings, and not in the service or employment of the District of Columbia or of the United States, to be summoned by the marshal of the District of Columbia, to which jurors said court shall administer an oath or affirmation that they are not interested in any manner in the land to be condemned nor are in any way related to the parties interested therein, and that they will, without favor or partiality, to the best of their judgment, assess the damages each owner of land taken may sustain by reason of the extension of said street and the condemnation of lands for the purposes of such extension, and assess the benefits resulting therefrom as hereinbefore provided. The court, before accepting the jury, shall hear any objections that may be made to any member thereof, and shall have full power to

When the hearing is concluded the jury, or a majority of them, shall return to said court, in writing, its verdict of the amount to be found due and payable as damages sustained by reason of the extension of said street under the provisions thereof, and of the pieces or parcels of land benefited by such extension and the amount of the assessment for such benefits against the same, including its proportionate share of the cost of the condemnation proceedings herein provided for.

Sec. 5. That if the use of a part only of any piece or parcel of ground shall be condemned, the jury, in determining its value, shall not take into consideration any benefits that may accrue to the remainder thereof from the extension of said street or highway, but such benefits shall be considered in determining what assessment shall be made on or against such part of such piece or parcel of land as may not be taken as hereinbefore provided.

Sec. 6. That the court shall have power to hear and determine any objections which may be filed to said verdict or award, and to set aside and vacate the same, in whole or in part, when satisfied that it is unjust or unreasonable, and in such event a new jury shall be summoned, who shall proceed to assess the damages or benefits, as the case may be, in respect of the land as to which the verdict may be vacated, as in the case of the first jury: Provided, That if vacated in part, the residue of the verdict and award as to the land condemned or assessed shall not be affected thereby: And provided further, That the exceptions or objections to the verdict and award shall be filed within thirty days after the return of such verdict and award.

Sec. 7. That when the verdict of said jury shall have been finally ratified and confirmed by the court, as herein provided, the amounts of money awarded and adjudged to be payable for lands taken under the provisions hereof shall be paid to the owners of said land by the Treasurer of the United States, ex officio commissioner of the sinking fund of the District of Columbia, upon the warrant of the Commissioners of said District, out of the revenues of the District of Columbia; and a sufficient sum to pay the amounts of said judgments and awards is hereby appropriated out of the revenues of the District of Columbia.

In all cases of payments the accounting officers shall take into account the assessment for benefits and the award for damages, and shall pay only such part of said award in respect of any lot as may be in excess of the assessment for benefits against the part of such lot not taken, and there shall be credited on said assessment the amount of said award not in excess of said assessment.

Sec. 9. That said court may allow amendments in form or substance in any petition, process, record, or proceeding, or in the description of property proposed to be taken, or of property assessed for benefits whenever such amendments will not interfere with the substantial rights of the parties interested.
Sec. 10. That each juror shall receive as compensation the sum of five dollars per day for his services during the time he shall be actually engaged in such services under the provisions hereof.

Sec. 11. That the sum of three hundred dollars is hereby appropriated, out of the revenues of the District of Columbia, to provide the necessary funds for the costs and expenses of the condemnation proceedings taken pursuant hereto, to be repaid to the District of Columbia from said assessments for benefits when the same are collected as herein provided.

Sec. 12. That no appeal by any interested party from the decision of the supreme court of the District of Columbia confirming the assessment or assessments of benefits or damages herein provided for, nor any other proceeding at law or in equity by such party against the confirmation of such assessment or assessments, shall delay or prevent the payment of award to others in respect to the property condemned, nor delay or prevent the taking of any of said property sought to be condemned, nor the opening of such street: Provided, however, That upon the final determination of said appeal or other proceeding at law or in equity the amount found to be due and payable as damages sustained by reason of the extension of said street under the provisions hereof shall be paid as hereinbefore provided.

PROCLAMATIONS. Nos. 10, 11.

[No. 10.]

October 31, 1903.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Preamble.

The season is at hand when according to the custom of our people it falls upon the President to appoint a day of praise and thanksgiving to God.

During the last year the Lord has dealt bountifully with us, giving us peace at home and abroad and the chance for our citizens to work for their welfare unhindered by war, famine or plague. It behooves us not only to rejoice greatly because of what has been given us, but to accept it with a solemn sense of responsibility, realizing that under Heaven it rests with us ourselves to show that we are worthy to use aright what has thus been entrusted to our care. In no other place and at no other time has the experiment of government of the people, by the people, been tried on so vast a scale as here in our own country in the opening years of the 20th Century. Failure would not only be a dreadful thing for us, but a dreadful thing for all mankind, because it would mean loss of hope for all who believe in the power and the righteousness of liberty. Therefore, in thanking God for the mercies extended to us in the past, we beseech Him that He may not withhold them in the future, and that our hearts may be roused to war steadfastly for good and against all the forces of evil, public and private. We pray for strength, and light, so that in the coming years we may with cleanliness, fearlessness, and wisdom, do our allotted work on the earth in such manner as to show that we are not altogether unworthy of the blessings we have received.

Now, therefore, I, THEODORE ROOSEVELT, President of the United States, do hereby designate as a day of general thanksgiving Thursday, the twenty-sixth of the coming November; and do recommend that throughout the land the people cease from their wonted occupations, and in their several homes and places of worship render thanks unto Almighty God for His manifold mercies.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this 31st day of October in the year of our Lord one thousand nine hundred and three and of the independence of the United States the one hundred and twenty-eighth.

hereafter be made establishing any forest reserve, and by such modifi-

reserve, or may vacate altogether any order creating such reserve";
And whereas, the public lands in the State of Utah, within the limits
hereinafter described, are in part covered with timber, and it appears

[No. 18.]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA,

A PROCLAMATION.

Preamble.

WHEREAS a state of war unhappily exists between Japan, on the one side, and Russia, on the other side;

AND WHEREAS the United States are on terms of friendship and amity with both the contending powers, and with the persons inhabiting their several dominions;

AND WHEREAS there are citizens of the United States residing within the territories or dominions of each of the said belligerents and carrying on commerce, trade, or other business or pursuits therein, protected by the faith of treaties;

AND WHEREAS there are subjects of each of the said belligerents residing within the territory or jurisdiction of the United States, and carrying on commerce, trade, or other business or pursuits therein;

AND WHEREAS the laws of the United States, without interfering with the free expression of opinion and sympathy, or with the open manufacture or sale of arms or munitions of war, nevertheless impose upon all persons who may be within their territory and jurisdiction, the duty of an impartial neutrality during the existence of the contest;

AND WHEREAS it is the duty of a neutral government not to permit or suffer the making of its waters subservient to the purposes of war;

NOW, THEREFORE, I, THEODORE ROOSEVELT, President of the United States of America, in order to preserve the neutrality of the United States and of their citizens and of persons within their territory and jurisdiction, and to enforce their laws, and in order that all persons, being warned of the general tenor of the laws and treaties of the United States in this behalf, and of the law of nations, may thus be prevented from an unintentional violation of the same, do hereby declare and proclaim that by the act passed on the 20th day of April, A. D. 1818, commonly known as the "neutrality law", the following acts are forbidden to be done, under severe penalties, within the territory and jurisdiction of the United States, to wit:—

1. Accepting and exercising a commission to serve either of the said belligerents by land or by sea against the other belligerent.

2. Enlisting or entering into the service of either of the said belligerents as a soldier, or as a marine, or seaman on board of any vessel of war, letter of marque, or privateer.

3. Hiring or retaining another person to enlist or enter himself in the service of either of the said belligerents as a soldier, or as a marine, or seaman on board of any vessel of war, letter of marque, or privateer.

4. Hiring another person to go beyond the limits or jurisdiction of the United States with intent to be enlisted as aforesaid.

5. Hiring another person to go beyond the limits of the United States with intent to be entered into service as aforesaid.

6. Retaining another person to go beyond the limits of the United States with intent to be enlisted as aforesaid.
7. Retaining another person to go beyond the limits of the United States with intent to be entered into service aforesaid. (But the said act is not to be construed to extend to a citizen or subject of either belligerent who, being transiently within the United States, shall, on board of any vessel of war, which, at the time of its arrival within the United States, was fitted and equipped as such vessel of war, enlist or enter himself or hire or retain another subject or citizen of the same belligerent, who is transiently within the United States, to enlist or enter himself to serve such belligerent on board such vessel of war, if the United States shall then be at peace with such belligerent.)

8. Fitting out and arming, or attempting to fit out and arm, or procuring to be fitted out and armed, or knowingly being concerned in the furnishing, fitting out, or arming of any ship or vessel with intent that such ship or vessel shall be employed in the service of either of the said belligerents.

9. Issuing or delivering a commission within the territory or jurisdiction of the United States for any ship or vessel to the intent that she may be employed as aforesaid.

10. Increasing or augmenting, or procuring to be increased or augmented, or knowingly being concerned in increasing or augmenting, the force of any ship of war, cruiser, or other armed vessel, which at the time of her arrival within the United States was a ship of war, cruiser, or armed vessel in the service of either of the said belligerents, or belonging to the subjects of either, by adding to the number of guns of such vessels, or by changing those on board of her for guns of a larger calibre, or by the addition thereto of any equipment solely applicable to war.

11. Beginning or setting on foot or providing or preparing the means for any military expedition or enterprise to be carried on from the territory or jurisdiction of the United States against the territories or dominions of either of the said belligerents.

And I do hereby further declare and proclaim that any frequenting of the waters within the territorial jurisdiction of the United States by the armed vessels of either belligerent, whether public ships or privateers, for the purpose of preparing for hostile operations, or as posts of observations upon the ships of war or privateers or merchant vessels of the other belligerent lying within or being about to enter the jurisdiction of the United States, must be regarded as unfriendly and offensive, and in violation of that neutrality which it is the determination of this government to observe; and to the end that the hazard and inconvenience of such apprehended practices may be avoided, I further proclaim and declare that from and after the fifteenth day of February instant, and during the continuance of the present hostilities between Japan and Russia, no ship of war or privateer of either belligerent shall be permitted to make use of any port, harbor, roadstead, or waters subject to the jurisdiction of the United States from which a vessel of the other belligerent (whether the same shall be a ship of war, a privateer, or a merchant ship) shall have previously departed, until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the jurisdiction of the United States. If any ship of war or privateer of either belligerent shall, after the time this notification takes effect, enter any port, harbor, roadstead, or waters of the United States, such vessel shall be required to depart and to put to sea within twenty-four hours after her entrance into such port, harbor, roadstead, or waters, except in case of stress of weather or of her requiring provisions or things necessary for the subsistence of her crew, or for repairs; in either of which cases the authorities of the port or of the nearest port (as the case may be) shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been permitted to remain within the waters of the United States for the purpose of repair shall continue within such port, harbor, roadstead, or waters for a longer period than twenty-four hours after her necessary repairs shall have been completed, unless within such twenty-four hours a vessel, whether ship of war, privateer, or merchant ship of the other belligerent, shall have departed therefrom, in which case the time limited for the departure of such ship of war or privateer shall...
be extended so far as may be necessary to secure an interval of not less than twenty-four hours between such departure and that of any ship of war, privateer, or merchant ship of the other belligerent which may have previously quit the same port, harbor, roadstead, or waters. No ship of war or privateer of either belligerent shall be detained in any port, harbor, roadstead, or water; of the United States more than twenty-four hours, by reason of the successive departures from such port, harbor, roadstead, or waters of more than one vessel of the other belligerent. But if there be several vessels of each or either of the two belligerents in the same port, harbor, roadstead, or waters, the order of their departure therefrom shall be so arranged as to afford the opportunity of leaving alternately to the vessels of the respective belligerents, and to cause the least detention consistent with the objects of this proclamation. No ship of war or privateer of either belligerent shall be permitted, while in any port, harbor, roadstead, or waters within the jurisdiction of the United States, to take in any supplies except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel, if without any sail power, to the nearest port of her own country; or in case the vessel is rigged to go under sail, and may also be propelled by steam power, then with half the quantity of coal which she would be entitled to receive, if dependent upon steam alone, and no coal shall be again supplied to any such ship of war or privateer in the same or any other port, harbor, roadstead, or waters of the United States, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within the waters of the United States, unless such ship of war or privateer shall, since last thus supplied, have entered a port of the government to which she belongs.

Rights of neutrals at sea.

And I further declare and proclaim that by the first article of the Convention as to rights of neutrals at sea, which was concluded between the United States of America and His Majesty the Emperor of all the Russias on the 22nd day of July A.D. 1854, the following principles were recognized as permanent and immutable, to-wit:

1. That free ships make free goods, that is to say, that the effects or goods belonging to subjects or citizens of a Power or State at war are free from capture and confiscation when found on board of neutral vessels, with the exception of articles contraband-of war.

2. That the property of neutrals on board an enemy's vessel is not subject to confiscation, unless the same be contraband-of war.

And I do further declare and proclaim that the statutes of the United States and the law of nations alike require that no person, within the territory and jurisdiction of the United States, shall take part, directly or indirectly, in the said war, but shall remain at peace with each of the said belligerents, and shall maintain a strict and impartial neutrality, and that whatever privileges shall be accorded to one belligerent within the ports of the United States, shall be, in like manner, accorded to the other.

And I do hereby enjoin all the good citizens of the United States, and all persons residing or being within the territory or jurisdiction of the United States, to observe the laws thereof, and to commit no act contrary to the provisions of the said statutes, or in violation of the law of nations in that behalf.

And I do hereby warn all citizens of the United States, and all persons residing or being within their territory or jurisdiction that, while the free and full expression of sympathies in public and private is not restricted by the laws of the United States, military forces in aid of either belligerent cannot lawfully be originated or organized within their jurisdiction; and that while all persons may lawfully, and without restriction by reason of the aforesaid state of war, manufactu
and sell within the United States arms and munitions of war, and other articles ordinarily known as "contraband of war", yet they cannot carry such articles upon the high seas for the use or service of either belligerent, nor can they transport soldiers and officers of either, or attempt to break any blockade which may be lawfully established and maintained during the war, without incurring the risk of hostile capture, and the penalties denounced by the law of nations in that behalf.

And I do hereby give notice that all citizens of the United States and others who may claim the protection of this government, who may misconduct themselves in the premises, will do so at their peril, and that they can in no wise obtain any protection from the government of the United States against the consequences of their misconduct.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixed.

JOHN HAY

Secretary of State.
WHEREAS, it is provided in the Act of Congress approved March 3, 1893, entitled "An Act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-four, and for other purposes" "That the President is hereby authorized by proclamation to withhold from sale and grant for public use to the municipal corporation in which the same is situated all or any portion of any abandoned military reservation not exceeding twenty acres in one place".

And Whereas, the Fort Marcy Military reservation at Santa Fe, New Mexico, containing seventeen and three-quarter acres more or less, as described in Executive Order of August 28, 1868, creating same, was by Executive Order of June 15, 1895, placed under the custody of the Interior Department for disposal under the Act of July 5, 1884, being "An Act to provide for the disposal of abandoned and useless military reservations".

And Whereas, the Legislative Assembly of the Territory of New Mexico has petitioned that the said reservation be granted to the municipal corporation of Santa Fe, New Mexico.

And Whereas, it appears that on the fourteenth day of August, 1902, the city of Santa Fe, New Mexico, entered into an agreement with the Board of Education of the said city of Santa Fe, whereby it was agreed on the part of said city that in case the President of the United States should grant, under the provisions of said Act of March 3, 1893, said reservation to the city of Santa Fe for public purposes, the said city would, by its municipal authorities, turn over and deliver to the said Board of Education and its successors, the said reservation to be held by said Board forever, to aid and assist in the support of the public schools of the city of Santa Fe; and that, by the same agreement, the said Board of Education, on its part, agreed and undertook that it would accept the said reservation, for the purposes so designated by the city of Santa Fe, and keep and use the same and the proceeds thereof, for the use, benefit and maintenance of the public schools and turn over said property or such parts of it as might be in its possession, to its successors.

Now, Therefore, I, THEODORE ROOSEVELT, by virtue of the power in me vested by the Act of Congress aforesaid, do hereby withdraw from sale, entry or other disposition, the lands embraced within the former Fort Marcy Military reservation, as the same are described in Executive Order approved August 28, 1868, and do hereby grant for public use, the said described land to the incorporated city of Santa Fe, New Mexico.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington, this 10th day of March, in the year of our Lord, one thousand nine hundred and four, and of [seal.] the Independence of the United States the one hundred and twenty-eighth.

THEODORE ROOSEVELT

By the President:

JOHN HAY

And whereas it appears that said land is no longer required for use by said school, and that it adjoins the City of Lawton, Oklahoma Territory, and the city authorities of said city desire to make entry thereof for park purposes under the act of Congress approved September 30, 1890 (26 Stat., 502);

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by section six of said act of Congress of June 6, 1900, do hereby declare and make known that said land is hereby restored to the public domain, to be disposed of to said city, for park purposes under said act of Congress approved September 30, 1890.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

THEODORE ROOSEVELT

By the President:

JOHN HAY

Secretary of State.

[No. 28.]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Whereas, by an agreement between the Sioux tribe of Indians on the Rosebud Reservation, in the State of South Dakota, on the one part, and James McLaughlin, a United States Indian Inspector, on the other part, amended and ratified by act of Congress approved April 23, 1904 (Public—No. 148), the said Indian tribe ceded, conveyed, transferred, relinquished, and surrendered, forever and absolutely, without any reservation whatsoever, expressed or implied, unto the United States of America, all their claim, title, and interest of every kind and character in and to the unallotted lands embraced in the following described tract of country now in the State of South Dakota, to wit:

Commencing in the middle of the main channel of the Missouri River at the intersection of the south line of Brule County; thence down said middle of the main channel of said river to the intersection of the ninety-ninth degree of west longitude from Greenwich; thence due south to the forty-third parallel of latitude; thence west along said parallel of latitude to its intersection with the tenth guide meridian; thence north along said guide meridian to its intersection with the township line between townships one hundred and one hundred and one north; thence east along said township line to the point of beginning.

The unallotted and unreserved land to be disposed of hereunder approximates three hundred and eighty-two thousand (382,000) acres, lying and being within the boundaries of Gregory County, South Dakota, as said county is at present defined and organized.

And whereas, in pursuance of said act of Congress ratifying the agreement named, the lands necessary for sub-issue station, Indian day school, one Catholic mission, and two Congregational missions are by this proclamation, as hereinafter appears, reserved for such purposes, respectively:

And whereas, in the act of Congress ratifying the said agreement, it is provided:

Sec. 2. That the lands ceded to the United States under said agreement, excepting such tracts as may be reserved by the President, not exceeding three hundred and ninety-eight and sixty-seven one-hundredths acres in all, for sub-issue station, Indian day school, one Catholic mission, and two Congregational missions, shall be disposed of under the general provisions of the homestead and townsite laws of the
United States, and shall be opened to settlement and entry by proclamation of the President, which proclamation shall prescribe the manner in which these lands may be settled upon, occupied, and entered by persons entitled to make entry thereof; and no person shall be permitted to settle upon, occupy, or enter any of said lands, except as prescribed in such proclamation, until after the expiration of sixty days from the time when the same are opened to settlement and entry: Provided, That the rights of honorably discharged Union soldiers and sailors of the late civil and Spanish war or Philippine insurrection, as defined and described in sections twenty-three and four and twenty-three hundred and five of the Revised Statutes, as amended by the Act of March first, nineteen hundred and one, shall not be abridged; and provided further, That the price of said lands entered as homesteads under the provisions of this Act shall be as follows: Upon all lands entered or filed upon within three months after the same shall be opened for settlement and entry, four dollars per acre, to be paid as follows: One dollar per acre when entry is made; seventy-five cents per acre within two years after entry; seventy-five cents per acre within three years after entry; seventy-five cents per acre within four years after entry, and seventy-five cents per acre within six months after the expiration of five years after entry. And upon all land entered or filed upon after the expiration of three months and within six months after the same shall be opened for settlement and entry, three dollars per acre, to be paid as follows: One dollar per acre when entry is made; fifty cents per acre within two years after entry; fifty cents per acre within three years after entry; fifty cents per acre within four years after entry, and fifty cents per acre within six months after the expiration of five years after entry. After the expiration of six months after the same shall be opened for settlement and entry the price shall be two dollars and fifty cents per acre, to be paid as follows: Seventy-five cents when entry is made; fifty cents per acre within two years after entry; fifty cents per acre within three years after entry; fifty cents per acre within four years after entry, and twenty-five cents per acre within six months after the expiration of five years after entry: Provided, That in case any entryman fails to make such payment or any of them within the time stated all rights in and to the land covered by his or her entry shall at once cease, and any payments theretofore made shall be forfeited, and the entry shall be forfeited and held for cancellation and the same shall be canceled: And provided, That nothing in this Act shall prevent homestead settlers from commuting their entries under section twenty-three hundred and one, Revised Statutes, by paying for the land entered the price fixed herein, receiving credit for payments previously made. In addition to the price to be paid for the land, the entryman shall pay the same fees and commissions at the time of commutation or final entry, as now provided by law, where the price of the land is one dollar and twenty-five cents per acre; And provided further, That all lands herein ceded and opened to settlement under this Act, remaining undisposed of at the expiration of four years from the taking effect of this act, shall be sold and disposed of for cash, under rules and regulations to be prescribed by the Secretary of the Interior, not more than six hundred and forty acres to any one purchaser.

Sec. 4. That sections sixteen and thirty-six of the lands hereby acquired in each township shall not be subject to entry, but shall be reserved for the use of the common schools and paid for by the United States at two dollars and fifty cents per acre, and the same are hereby granted to the State of South Dakota for such purpose; and in case any of said sections, or parts thereof, of the land in said county of Gregory are lost to said State of South Dakota by reason of allotments thereof to any Indian or Indians, now holding the same, or otherwise, the governor of said State, with the approval of the Secretary of the Interior, is hereby authorized, in the tract herein ceded to locate other lands not occupied not exceeding two sections in any one township, which shall be paid for by the United States as herein provided in quantity equal to the loss, and such selections shall be made prior to the opening of such lands to settlement.

And whereas, all of the conditions required by law to be performed prior to the opening of said tracts of land to settlement and entry have been, as I hereby declare, duly performed:

NOW, THEREFORE, I, THEODORE ROOSEVELT, President of the United States of America, by virtue of the power vested in me by law, do hereby declare and make known that all of the lands so as afore-said ceded by the Sioux tribe of Indians of the Rosebud Reservation, saving and excepting sections sixteen and thirty-six in each township, and all lands located or selected by the State of South Dakota as indemnity school or educational lands, and saving and excepting the W1/4 of the NE1/4 and the E1/4 of the NW1/4 of Sec. 25, T. 96 N., R. 72 W., of the 5th P. M., which is hereby reserved for use as a sub-issue station; and the NE1/4 of the SW1/4 of Sec. 28, T. 96 N., R. 72 W., of the 5th P. M., which is hereby reserved for use as an Indian day school; and saving and excepting the N1/4 of the NE1/4 of Sec. 25, T. 95 N., R. 71 W.,
of the 5th P. M., and the NW$\frac{1}{4}$ of the NW$\frac{1}{4}$ of Sec. 20, T. 95 N., R. 70 W., of the 5th P. M., both of which tracts are hereby reserved for use of the American Missionary Society for mission purposes; and the NW$\frac{1}{4}$ of Sec. 7, T. 96 N., R. 71 W., of the 5th P. M., which is hereby reserved for the Roman Catholic Church for use for mission purposes, will, on the eighth day of August, 1904, at 9 o'clock a.m., in the manner herein prescribed and not otherwise, be opened to entry and settlement and to disposition under the general provisions of the homestead and townsite laws of the United States.

Commencing at 9 o'clock a.m., Tuesday, July 5, 1904, and ending at 6 o'clock p.m., Saturday, July 23, 1904, a registration will be held at Chamberlain, Yankton, Bonesteel, and Fairfax, State of South Dakota, for the purpose of ascertaining what persons desire to enter, settle upon, and acquire title to any of said lands under the homestead law, and of ascertaining their qualifications so to do. To obtain registration each applicant will be required to show himself duly qualified, by written application to be made only on a blank form provided by the Commissioner of the General Land Office, to make homestead entry of these lands under existing laws and to give the registering officer such appropriate matters of description and identity as will protect the applicant and the government against any attempted impersonation. Registration can not be effected through the use of the mails or the employment of an agent, excepting that honorably discharged soldiers and sailors entitled to the benefits of section twenty-three hundred and forty of the Revised Statutes of the United States, as amended by the act of Congress approved March 1, 1901, (31 Stat., 847) may present their applications for registration and due proofs of their qualifications through an agent of their own selection, having a duly executed power of attorney, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name. Each applicant who shows himself duly qualified will be registered and given a non-transferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder; but the only purpose for which he can go upon and examine said lands is that of enabling him later on, as hereinin provided, to understandingly select the lands for which he will make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands, and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers.

The order in which, during the first sixty days following the opening, the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by a drawing for the district publicly held at Chamberlain, South Dakota, commencing at 9 o'clock a.m., Thursday, July 28, 1904, and continuing for such period as may be necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of its fairness. The members of this committee will be appointed by the Secretary of the Interior, who will prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully pre-
served and remained sealed until opened in the course of the drawing herein provided. When the registration is completed, all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each enclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice of the drawings, stating the name of each applicant and number assigned to him by the drawing, will be posted each day at the place of drawing, and each applicant will be notified of his number and of the day upon which he must make his entry, by a postal card mailed to him at the address given by him at the time of registration. The result of each day's drawing will also be given to the press to be published as a matter of news. Applications for homestead entry of said lands during the first sixty days following the opening can be made only by registered applicants and in the order established by the drawing. The land officers for the district will receive applications for entries at Bonesteel, South Dakota, in their district, beginning August 8, 1904, and until and including September 10, 1904, and thereafter at Chamberlain. Commencing Monday, August 8, 1904, at 9 o'clock a.m., the applications of those drawing numbers 1 to 100, inclusive, must be presented and will be considered in their numerical order during the first day, and the applications of those drawing numbers 101 to 200, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired thereunder have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, and then he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing. To obtain the allowance of a homestead entry, each applicant must personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, and make the first payment of one dollar per acre for the land embraced in his application, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration. The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time of considering his regular application for entry it appear that an applicant is disqualified from making homestead entry of these lands his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once thereunder, or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for, and will be precluded from entering or settling upon any of said lands during the first sixty days following said opening.

Any person or persons desiring to found, or to suggest establishing, a town site upon any of said ceded lands, at any point, may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commis-
sioner of the General Land Office with their recommendation in the premises. Such Commissioner, if he believes the public interests will be subserved thereby, will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for townsite settlement, entry, and disposition only. In such event, the lands so withheld from homestead entry and settlement will, at the time of said opening and not before, become subject to settlement, entry, and disposition under the general townsite laws of the United States. None of said ceded lands will be subject to settlement, entry, or disposition under such general townsite laws except in the manner herein prescribed until after the expiration of sixty days from the time of said opening.

All persons are especially admonished that under the said act of Congress approved April 23, 1904, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said ceded lands except in the manner prescribed in this proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry. After the expiration of the said period of sixty days, but not before, and until the expiration of three months after the same shall have been opened for settlement and entry, as hereinbefore prescribed, any of said lands remaining undisposed of may be settled upon, occupied, and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy, and entry had not been prescribed herein in obedience to law, subject, however, to the payment of four dollars per acre for the land entered, in the manner and at the time required by the said act of Congress above mentioned. After the expiration of three months, and not before, and until the expiration of six months after the same shall have been opened for settlement and entry, as aforesaid, any of said lands remaining undisposed of may also be settled upon, occupied, and entered under the general provisions of the same laws and in the same manner, subject, however, to the payment of three dollars per acre for the land entered in the manner and at the times required by the same act of Congress. After the expiration of six months, and not before, after the same shall have been opened for settlement and entry, as aforesaid, any of said lands remaining undisposed of may also be settled upon, occupied, and entered under the general provisions of the same laws and in the same manner, subject, however, to the payment of two dollars and fifty cents per acre for the land entered, in the manner and at the times required by the same act of Congress. And after the expiration of four years from the taking effect of this act, and not before, any of said lands remaining undisposed of shall be sold and disposed of for cash, under rules and regulations to be prescribed by the Secretary of the Interior, not more than six hundred and forty acres to any one purchaser.

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

WHEREAS, it is provided by section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as
public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof"; And whereas, the public lands in the State of Utah, within the limits hereinafter described, are in part covered with timber, and it appears that the public good would be promoted by setting apart and reserving said lands as public reservations; Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by section twenty-four of the aforesaid Act of Congress, do hereby make known and proclaim that there are hereby reserved from entry or settlement and set apart as public reservations all those certain tracts, pieces or parcels of land lying and being situate in the State of Utah, and within the boundaries particularly described as follows, to wit:

JOHN HAY

Secretary of State.
PROCLAMATIONS. No. 32.  

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.  

A PROCLAMATION.

W hile by an agreement between the Sisseton, Wahpeton, and Cut-Head bands of the Sioux tribe of Indians on the Devils Lake Reservation, in the State of North Dakota, on the one part, and James McLaughlin, a United States Indian Inspector, on the other part, amended and ratified by act of Congress approved April 27, 1904 (Public No. 179), the said bands of the said Indian tribe ceded, conveyed, transferred, relinquished, and surrendered, forever and absolutely, without any reservation whatsoever, expressed or implied, unto the United States of America, all their claim, title, and interest of every kind and character in and to the unallotted lands embraced in the following-described tract of country now in the State of North Dakota, to wit:

All that part of the Devils Lake Indian Reservation now remaining unallotted, including the tract of land at present known as the Fort Totten Military Reserve, situated within the boundaries of the said Devils Lake Indian Reservation, and being a part of the same; except six thousand one hundred and sixty acres required for allotments to sixty-one Indians of said reservation entitled to allotments.

The unallotted and unreserved land to be disposed of hereunder approximates 88,000 acres.

And whereas, in pursuance of said act of Congress ratifying the agreement named, the lands necessary for church, mission, and agency purposes, and for the Fort Totten Indian school, and for a public park, are by this proclamation, as hereinafter appears, reserved for such purposes, respectively:

And whereas, in the act of Congress ratifying the said agreement, it is provided:

Sec. 4. That the lands ceded to the United States under said agreement, including the Fort Totten abandoned military reservation, which are exclusive of six thousand one hundred and sixty acres which are required for allotments, excepting sections sixteen and thirty-six or an equivalent of two sections in each township, and such tracts as may be reserved by the President as hereinafter provided, shall be disposed of under the general provisions of the homestead and townsite laws of the United States, and shall be opened to settlement and entry by proclamation of the President, which proclamation shall prescribe the manner in which these lands may be settled upon, occupied, and entered by persons entitled to make entry thereof, and no person shall be permitted to settle upon, occupy, or enter any of said lands, except as prescribed in such proclamation, until after the expiration of sixty days from the time when the same are opened to settlement and entry; Provided, That the rights of honorably discharged Union soldiers and sailors of the late civil and the Spanish war, as defined and described in sections twenty-three hundred and four and twenty-three hundred and five of the Revised Statutes, as amended by the Act of March first, nineteen hundred and one, shall not be abridged: And provided further, That the price of said lands entered under the provisions of this Act shall be four dollars and fifty cents per acre, payable as follows: One dollar and fifty cents when the entry is made, and the remainder in annual installments of fifty cents per acre until paid for: Provided further, That in case any entryman fails to make such payments, or any of them, within the time stated, all rights in and to the land covered by his or her entry shall at once cease, and any payments theretofore made shall be forfeited and the entry shall be canceled: And provided further, That the lands embraced within such canceled entry shall, after the cancellation of such entry, be subject to entry under the provisions of the homestead law at four dollars and fifty cents per acre up to and until provision may be made for the disposition of said land by proclamation of the President as hereinafter provided; And provided further, That nothing in this Act shall prevent homestead settlers from commuting their entries under section twenty-three hundred and one, Revised Statutes, by paying for the land entered the price fixed herein, receiving credit for payments previously made. In addition to the price to be paid for the land, the entryman shall pay the same fees and commissions at the time of commutation or final entry, as now provided by law, where the price of the land is one dollar and twenty-five cents per acre: And provided further, That aliens who have declared their intention to become citizens of the United States may become purchasers under this Act, but...
before proving up and acquiring title must take out their full naturalization papers; and provided further, that when, in the judgment of the President no more of the land herein ceded can be disposed of at said price, he may by proclamation, to be repeated in his discretion, sell from time to time the remaining lands subject to the provisions of the homestead law or otherwise as he may deem most advantageous, at such price or prices, in such manner, upon such conditions, with such restrictions, and upon such terms as he may deem best for all interests concerned: And provided further, that the President is hereby authorized to reserve, in his proclamation for the opening of the said lands, so much of the tracts heretofore reserved for church, mission, and agency purposes, as he may deem necessary, not to exceed nine hundred acres, and also not exceeding two and one-half sections for the Fort Totten Indian school, and the United States stipulates and agrees to pay for said reserved lands at the rate of three dollars and twenty-five cents per acre. The President is also authorized to reserve a tract embracing Sulphur Hill, in the northeastern portion of the abandoned military reservation, about nine hundred and sixty acres, as a public park.

Sec. 5. That sections sixteen and thirty-six of the lands hereby acquired in each township shall not be subject to entry, but shall be reserved for the use of the common schools and paid for by the United States at three dollars and twenty-five cents per acre, and the same are hereby granted to the State of North Dakota for such purpose; and in case any of said sections, or parts thereof, of the land in the said Devil Lake Indian Reservation or Fort Totten abandoned military reservation should be lost to said State of North Dakota by reason of allotments thereof to any Indian or Indians now holding the same, or otherwise, the governor of said State, with the approval of the Secretary of the Interior, is hereby authorized to locate other lands not occupied, in the townships where said lands are lost, provided sufficient lands are not to be located in the said townships, otherwise the selections to be made elsewhere within the ceded tract, which shall be paid for by the United States, as provided in article two of the treaty as herein amended, in quantity equal to the loss, and such selections shall be made prior to the opening of such lands to settlement.

And whereas, all of the conditions required by law to be performed prior to the opening of said tracts of land to settlement and entry have been, as I hereby declare, duly performed;

Now, Therefore, I, Theodore Roosevelt, President of the United States of America, by virtue of the power vested in me by law, do hereby declare and make known that all of the lands so as aforesaid ceded by the Sisseton, Wahpeton, and Cut-Head bands of the Sioux tribe of Indians belonging to the Devil's Lake Reservation, saving and excepting sections 16 and 36 in each township, and all lands located or selected by the State of North Dakota as indemnity schoolor educational lands, and saving and excepting the NNE of the NW corner of Sec. 14, and the SE of the NE corner of Sec. 15, T. 152 N., R. 66 W., of the fifth principal meridian, which are hereby reserved for the use of the Raven Hill Presbyterian Church; and saving and excepting the NE of the NW corner of Sec. 14, the NW of the NE corner of Sec. 15, the SE of the SW corner of Sec. 11, and the SE of the NE corner of the SE of the SE corner of Sec. 10, T. 151 N., R. 64 W., of the fifth principal meridian, which are hereby reserved for the use of the Wood Lake Presbyterian Church; and saving and excepting the SE of the SW corner and Lot 8 of Sec. 8, the NE of the NW corner, the NW of the NE corner and a tract of 4.43 acres in the southwest corner of Lot 1, Sec. 17, T. 152 N., R. 65 W., of the fifth principal meridian, which are hereby reserved for the use of the Mission of Sisters of Charity from Montreal; and saving and excepting the NW of the SE corner, i.e. NE of the SW corner, Lot 5, and a tract of 1.60 acres in Lot 6, Sec. 17, T. 152 N., R. 64 W., of the fifth principal meridian, which are hereby reserved for the use of St. Michael's Church, Bureau of Catholic Indian Missions; and saving and excepting the W of the NW corner of Sec. 15, T. 152 N., R. 66 W., of the fifth principal meridian, which is hereby reserved for the use of St. Jerome's Church, Bureau of Catholic Indian Missions; and saving and excepting the W of Sec. 21, the W of the NE corner of Sec. 21, the E of Sec. 20, the NW of Sec. 20, and Lots 6, 7, and 8 and the SE of the SW corner of Sec. 16 (excepting 7 acres thereof, which are hereby reserved for the use of the Protestant Episcopal Church), and Lots 6, 7, 8, and 9 of Sec. 17, T. 152 N., R. 65 W., of the fifth principal

M., in the manner herein prescribed, and not otherwise, be opened to entry and settlement and to disposition under the general provisions of the homestead and townsite laws of the United States.

Registration.

Commencing at 9 o'clock A. M., Monday, August 5th, 1904, and ending at 6 o'clock P. M., Saturday, August 20th, 1904, a registration will be had at Devils Lake and Grand Forks, State of North Dakota, for the purpose of ascertaining what persons desire to enter, settle upon, and acquire title to any of said lands under the homestead law, and of ascertaining their qualifications so to do. To obtain registration each applicant will be required to show himself duly qualified, by written application to be made only on a blank form provided by the Commissioner of the General Land Office, to make homestead entry of these lands under existing laws, and to give the registering officer such appropriate matters of description and identity as will protect the applicant and the Government against any attempted impersonation. Registration cannot be effected through the use of the mails or the employment of an agent, excepting that honorably discharged soldiers and sailors entitled to the benefits of section 2304 of the Revised Statutes of the United States, as amended by the act of Congress approved March 1, 1901 (31 Stat., 847), may present their applications for registration and due proofs of their qualifications through an agent of their own selection, having a duly executed power of attorney, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name.

Applicants.

Each applicant who shows himself duly qualified will be registered and given a nontransferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder; but the only purpose for which he can go upon and examine said lands is that of enabling him later on, as herein provided, to understandingly select the lands for which he will make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands, and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers. The order in which, during the first sixty days following the opening, the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by a drawing for

the district publicly held at Devils Lake, North Dakota, commencing at 9 o'clock A.M., Wednesday, August 24th, 1904, and continuing for such period as may be necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of its fairness. The members of this committee will be appointed by the Secretary of the Interior, who will prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed, all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each enclosed card a number in the order in which the envelope containing the same was drawn. The result of the drawing will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice of drawings. Applications for homestead entry of said lands during the first sixty days following the opening can be made only by registered applicants and in the order established by the drawing. At the land office for the district at Devils Lake, North Dakota, commencing Tuesday, September 6, 1904, at 9 o'clock A.M.; the applications of those drawing numbers 1 to 50, inclusive, must be presented and will be considered in their numerical order during the first day, and the applications of those drawing numbers 51 to 100, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired under, have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing.

To obtain the allowance of a homestead entry, each applicant must personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, and make the first payment of one dollar and fifty cents per acre for the land embraced in his application, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration. The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time
of considering his regular application for entry it appear that an applicant is disqualified from making homestead entry of these lands, his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once hereunder, or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for, and will be precluded from entering or settling upon any of said lands during the first sixty days following said opening.

Any person, or persons desiring to found, or to suggest establishing, a townsite upon any of said ceded lands, at any point, may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendation in the premises. Such Commissioner, if he believes the public interests will be subserved thereby, will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for townsite settlement, entry, and disposition only. In such event the lands so withheld from homestead entry and settlement will, at the time of said opening, and not before, become subject to settlement, entry, and disposition under the general townsite laws of the United States. None of said ceded lands will be subject to settlement, entry, or disposition under such general townsite laws except in the manner herein prescribed until after the expiration of sixty days from the time of said opening.

All persons are especially admonished that under the said act of Congress approved April 27, 1904, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said ceded lands except in the manner prescribed in this proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry. After the expiration of the said period of sixty days, but not before, any of said lands remaining undisposed of may be settled upon, occupied, and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy, and entry had not been prescribed herein in obedience to law, subject, however, to the payment of four dollars and fifty cents per acre for the land entered, in the manner and at the times required by the said act of Congress above mentioned.

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this 2nd day of June, in the year of our Lord 1904, and of the Independence of the United States the one hundred and twenty-eighth.

November 1, 1904.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

It has pleased Almighty God to bring the American people in safety and honor through another year, and, in accordance with the long unbroken custom handed down to us by our forefathers, the time has come when a special day shall be set apart in which to thank Him who holds all nations in the hollow of His hand for the mercies thus vouchsafed to us. During the century and a quarter of our national life we as a people have been blessed beyond all others, and for this we owe humble and heartfelt thanks to the Author of all blessings. The year that has closed has been one of peace within our own borders as well as between us and all other nations. The harvests have been
abundant, and those who work, whether with hand or brain, are prospering greatly. Reward has waited upon honest effort. We have been enabled to do our duty to ourselves and to others. Never has there been a time when religious and charitable effort has been more evident. Much has been given to us and much will be expected from us. We speak of what has been done by this nation in no spirit of boastfulness or vainglory, but with full and reverent realization that our strength is as nothing unless we are helped from above. Hitherto we have been given the heart and the strength to do the tasks allotted to us as they severally arose. We are thankful for all that has been done for us in the past, and we pray that in the future we may be strengthened in the unending struggle to do our duty fearlessly and honestly, with charity and goodwill, with respect for ourselves and with love toward our fellow-men. In this great republic the effort to combine national strength with personal freedom is being tried on a scale more gigantic than ever before in the world's history. Our success will mean much not only for ourselves, but for the future of all mankind; and every man or woman in our land should feel the grave responsibility resting upon him or her, for in the last analysis this success must depend upon the high average of our individual citizenship, upon the way in which each of us does his duty by himself and his neighbor.

Now, therefore, I, Theodore Roosevelt, President of the United States, do hereby appoint and set apart Thursday, the twenty-fourth of this November, to be observed as a day of festival and thanksgiving by all the people of the United States at home or abroad, and do recommend that on that day they cease from their ordinary occupations and gather in their several places of worship or in their homes, devoutly to give thanks unto Almighty God for the benefits he has conferred upon us as individuals and as a nation, and to beseech Him that in the future His Divine favor may be continued to us.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this 1st day of November in the year of our Lord one thousand nine hundred and four and of the independence of the United States the one hundred and twenty-ninth.

A PROCLAMATION.

Whereas, The Big Horn Forest Reserve, in the State of Wyoming, was established by proclamation dated February twenty-second, eighteen hundred and ninety-seven, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; under which provision, the boundary lines of the said forest reserve were changed and enlarged by proclamations dated June twenty-ninth, nineteen hundred, and May twenty-second, nineteen hundred and two;
