Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Rock Island, Arkansas and Louisiana Railroad Company, a consolidated corporation created and existing by virtue of the laws of the States of Arkansas and Louisiana, its successors and assigns, is hereby, authorized to construct and maintain bridges across the Ouachita River and such other navigable rivers in the State of Arkansas as may be necessary for the crossing of said rivers with its railroad line, at such points as may be selected by said railroad company and approved by the Secretary of War. Said bridges shall be constructed to provide for the passage of railroad trains, and, at the option of said railroad company by which they may be built, may be used for the passage of wagons and vehicles of all kinds, for the transit of animals and for foot passengers, for such reasonable rates of toll as may be fixed by said railroad company and approved by the Secretary of War.

SEC. 2. That the bridges constructed, maintained, and operated under this Act and according to its limitations shall be lawful structures, and shall be recognized and known as post routes, upon which also no higher charge shall be made for the transportation over the same of the mails, the troops, and the munitions of war of the United States than the rate per mile paid for the transportation of said mails, troops, and munitions over the railroads and public highways leading to said bridges, and the United States shall have the right of way for postal telegraph and telephone purposes over said bridges.

SEC. 3. That all railroad companies desiring the use of said bridges shall have and be entitled to equal rights and privileges relative to the passage of railway trains over the same and over the approaches thereto upon the payment of a reasonable compensation for such use; and in case the owner or owners of said bridges and the several railroad companies, or any of them, desiring such use shall fail to agree upon the sum or sums to be paid and upon the rules and conditions to which each shall conform in using said bridges, all matters at issue between them shall be decided by the Secretary of War upon a hearing of the allegation and proofs of the parties.

CHAP. 2.—An Act To authorize the construction of a bridge across the Columbia River by the Portland and Seattle Railway Company.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Portland and Seattle Railway Company, a corporation existing under the laws of the State of Washington, its successors and assigns, be, and is hereby, authorized to construct and maintain a bridge across the Columbia River at a place suitable to commerce and not interfering with navigation, at a point at or near Vancouver, in the State of Washington, and to lay on or over said bridge a track or tracks for the more perfect connection of any railroad or railroads that are or shall be constructed to said river, on either or both sides thereof at or opposite said point, under the limitations and conditions hereinafter provided; that said bridge shall not interfere with the free navigation of said river, and in case of any litigation arising from any obstruction or alleged obstruction to the free navigation of said river by reason of the construction of said bridge, the cause may be tried before the circuit court of the United States in and for any district in whose jurisdiction any portion of said obstruction or bridge may be. Said bridge shall be constructed to provide for the passage of railroad trains, and, at the option of the said company or corporation, its successors and assigns, for the safe and convenient passage of wagons and vehicles of all kinds, animals, and foot passengers for such reasonable rates of toll as may be fixed from time to time by the Secretary of War.

SEC. 2. That said bridge shall be provided with two or more draw openings, each having not less than two hundred feet clear channel way, and in addition to said draw openings one or more fixed channel spans, each having not less than three hundred and fifty feet clear channel way; and every part of the superstructure of said bridge shall give a clear headroom of not less than six feet above extreme known high-water mark: Provided, That all spans shall be so located as to afford the greatest possible accommodation to the river traffic, and a draw opening shall, if practicable, be located next or near shore: Provided also, That if the physical characteristics of the locality so require, and the interests of navigation be not injured thereby, the lengths of the fixed spans or the number of draw openings may be reduced: Provided also, That for any two adjacent draw openings of two hundred feet each
one draw opening of three hundred feet may be substituted if, in the opinion of the Secretary of War, the interests of navigation be not injured thereby.

Sec. 3. That all draw spans authorized by this Act shall be operated by steam or other reliable mechanical power, and shall be opened promptly upon reasonable signal for the passage of boats, except when trains are passing over said span or spans; but in no case shall unnecessary delay occur in opening said draw after the passage of trains, and also that in case the opening of a draw is delayed by reason of the passing of a train after the signal has been given from a boat ready to pass through, the draw shall be opened for the passage of such boat before another train is allowed to pass over the said span or spans; nor shall there be any unnecessary delay in the passage of trains over the bridge.

Sec. 4. That all piers shall be built parallel with the current of the river at that stage of water which is most important for navigation, and the bridge itself shall be built as nearly as may be at right angles thereto; and that ripraping or other protection for imperfect foundations which will lessen the required waterway shall not be permitted; and also that piers which will produce cross currents or bars dangerous to navigation shall not be constructed; and if, after construction, any piers or accessory works are found to produce the above-mentioned effects, or if any ripraping or other protection prohibited by this section is found to exist, the nuisance shall be abated or corrected under the direction of the Secretary of War, at the expense of the company or persons owning, controlling, or operating said bridge.

Sec. 5. That the approaches to said bridge shall be so designed and constructed as not to interfere with the free discharge of said river in seasons of flood; and any encroachment on the high-water cross section by piers, solid embankments, or otherwise, which will result in unduly accelerating the high-water current at the site of the bridge shall not be allowed.

Sec. 6. That any corporation, company, or persons owning, controlling, or operating the bridge built under the authority of this Act shall build and maintain at all times, as accessory works to such bridge, such booms, piers, dikes, guard fences, and similar devices as may be necessary to insure at all times a permanent channel for a sufficient distance above and below the bridge site and for the guiding of rafts, steamboats, and other water craft safely under or through said bridge; and if at any time after the construction of the bridge and its accessory works the approaches to draw openings, channel spans, or raft passages in said bridge are found to be dangerous or difficult of access by any important class of river traffic, the Secretary of War may, upon the recommendation of the Chief of Engineers, United States Army, order the corporation, company, or persons owning, controlling, or operating said bridge to construct, under his directions, and to maintain such additional sheer booms, dikes, and other devices as will obviate the difficulty mentioned, which additional sheer booms, dikes, and other devices shall be built and maintained at their own expense by said company or persons; and that said company or persons shall maintain, at their own expense, from sunset to sunrise throughout the season of navigation such lights and other signals on said bridge as may be required by the Light-House Board for the security of navigation.

Sec. 7. That the bridge authorized to be constructed by this Act shall be located and built under and subject to such regulations for the security of navigation on said river as the Secretary of War shall prescribe; and to secure that object said corporation shall submit for his examination a design and drawings of the bridge, piers, approaches, and accessory works, and a map of the location, giving for a space of at least three miles above and one mile below the proposed location the topography of the banks of the river and the shore lines at high and

low water. This map shall be accompanied by others drawn on the scale of one inch to two hundred feet, giving for a space of one-half mile above the line of the proposed bridge and one-fourth mile below an accurate representation of the bottom of the river, by contour lines two feet apart, determined by accurate soundings, and also showing over the whole width of this part of the river the force and directions of the currents at low water, at high water, and at least one intermediate stage by triangulated observations on suitable floats. The maps shall also show the location of other bridges in the vicinity, and shall give such information as the Secretary of War may require for a full and satisfactory understanding of the subject; and the construction of the proposed bridge shall not be commenced until the location and plans thereof are approved by the Secretary of War.

Sec. 8. That any bridge constructed under the authority of this Act shall be built under the general supervision of the Secretary of War, and no changes or alterations in plans shall be made during construction of said bridge or after its completion unless said changes or alterations conform to the provisions of this Act and are authorized by the Secretary of War; that such alterations and changes as may be required by the Secretary of War in said bridge so as to preserve free and convenient navigation shall be made under the direction of the Secretary of War, at their own expense, by the company or persons owning, controlling, or operating said bridge; that during original construction or in carrying out any authorized changes or repairs of said bridge a navigable channel shall be preserved at the site of the bridge at all times, and the waterway of the river shall not be obstructed to a greater extent than is absolutely necessary; and such lights and buoys shall be kept on all cofferdams, piles, and so forth, as may be necessary for the security of navigation.

Sec. 9. That all railroad companies desiring the use of the bridge authorized by this Act shall have and be entitled to equal rights and privileges relative to the passage of railway trains or cars over the same and over the approaches thereto upon the payment of a reasonable compensation for such use; and in case the owner or owners of said bridge and the several railroad companies, or any one of them, desiring such use shall fail to agree upon the sum or sums to be paid, and upon rules and conditions to which each shall conform in using said bridge, all matters at issue between them shall be decided by the Secretary of War upon a hearing of the allegations and proofs of the parties; and equal privileges in the use of said bridge shall be granted to all telegraph and telephone companies.

Sec. 10. That the bridge constructed, maintained, and operated under this Act and according to its limitations shall be a lawful structure, and shall be recognized and known as a post route, upon which also no higher charge shall be made for the transportation over the same of the mails, the troops, and the munitions of war of the United States than the rate per mile paid for the transportation of said mails, troops, and munitions over the railroads and public highways leading to said bridge; and the United States shall have the right of way for postal telegraph and telephone purposes over said bridge.

Sec. 11. That this Act shall be null and void if actual construction of the bridge herein authorized be not commenced within one year and completed within three years from the date of approval thereof.

Sec. 12. That the right to alter, amend, or repeal this Act is hereby expressly reserved.

Sec. 3. That the said court shall cause public notice of not less than ten days to be given of the filing of said proceedings, by advertisement in such manner as the court shall prescribe, which notice shall warn all persons having any interest in the proceedings to attend court at a day to be named in said notice, and to continue in attendance until the court shall have made its final order ratifying and confirming the award of damages and assessment of benefits of the jury; and in addition to such public notice said court, whenever in its judgment it is practicable to do so, may cause a copy of said notice to be served by the marshal of the District of Columbia, or his deputies, within the District of Columbia, upon such owners of the land to be condemned as may be found by said marshal, or his deputies, within the District of Columbia.

Sec. 4. That after the return of the marshal and the filing of proof of publication of the notice provided for in the preceding section, said court shall cause a jury of seven judicious, disinterested men, not related to any person interested in the proceedings, and not in the service or employment of the District of Columbia or of the United States, to be summoned by the marshal of the District of Columbia, to which jurors said court shall administer an oath or affirmation that they are not interested in any manner in the land to be condemned.

That said court may allow
amendments in form or substance in any petition, process, record, or proceeding, or in the description of property proposed to be taken, or of property assessed for benefits, whenever such amendments will not interfere with the substantial rights of the parties interested.

Sec. 9. That each juror shall receive as compensation the sum of five dollars per day for his services during the time he shall be actually engaged in such services under the provisions hereof.

Sec. 10. That the sum of three hundred dollars is hereby appropriated, out of the revenues of the District of Columbia, to provide the necessary funds for the costs and expenses of the condemnation proceedings taken pursuant hereto.

Sec. 11. That no appeal by any interested party from the decision of the supreme court of the District of Columbia confirming the assessment or assessments of benefits or damages herein provided for nor any other proceeding at law or in equity by such party against the confirmation of such assessment or assessments shall delay or prevent the payment of award to others in respect to the property condemned, nor delay or prevent the taking of any of said property sought to be condemned, nor the extension of such avenue: Provided, however, That upon the final determination of said appeal or other proceeding at law or in equity the amount found to be due and payable as damages sustained by reason of the extension of said avenue under the provisions hereof shall be paid as hereinbefore provided.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That if within the limits of the Yakima Indian Reservation, in the State of Washington, as described in the Act approved December twenty-first, nineteen hundred and four, entitled “An Act to authorize the sale and disposition of surplus or unallotted lands of the Yakima Indian Reservation, in the State of Washington,” there shall be found surplus or unallotted lands under irrigation projects deemed practicable and undertaken under the provisions of the Act of Congress approved June seventeenth, nineteen hundred and two, known as the reclamation Act, the Secretary of the Interior is hereby authorized to exclude from the provisions of said Act of December twenty-first, nineteen hundred and four, such surplus or unallotted lands which can be irrigated under such project and to dispose of the same in the manner hereinafter provided, and he is further authorized to make withdrawals of such lands for the purposes provided in said reclamation Act.

Payments for the land shall be made in annual installments, the number and time of beginning being fixed by the Secretary of the Interior, and shall be deposited in the Treasury of the United States and credited to the Yakima Indian fund, and disposed of as provided by section four of the said Act of December twenty-first, nineteen hundred and four. Such payments shall be in addition to the charges for construction and maintenance of the irrigation system made payable into the reclamation fund by the provisions of the reclamation Act. The lands embraced within such canceled entry shall be subject to further entry under the reclamation Act at the appraised value until otherwise directed by the President, who may by proclamation, as provided by said Act of December twenty-first, nineteen hundred and four, from time to time fix such price as he may deem most advantageous upon all lands within such projects not disposed of.

Sec. 3. That if any lands heretofore allotted or patented to Indians on said Yakima Indian Reservation shall be found irrigable under any project the Secretary of the Interior is hereby authorized, upon the request or with the consent of such allottee or patentee, to dispose of all land in excess of twenty acres in each case, in tracts of an area approved by him and subject to all the provisions of the reclamation Act to any person qualified to acquire water rights under the provisions of the reclamation Act at a price satisfactory to the allottee or patentee and approved by the Secretary of the Interior, or at public sale to the highest bidder. Sec. 4. That from the payments received from the sale of such individual Indian lands there shall be covered into the reclamation fund the amounts fixed by the Secretary of the Interior as the annual charges on account of the land retained by such Indian for the construction and maintenance of the irrigation system as required under the reclamation Act. The balance, if any, shall be deposited in the Treasury of the United States to the credit of the individual Indians, and may be paid to any of them if, in the opinion of the Secretary of the Interior, such payments will tend to improve the condition and advance the progress of said Indians, but not otherwise.

Maintenance, etc., charges.

Sec. 5. That the Secretary of the Interior is hereby authorized to cover into the reclamation fund from the money of any such Indian, either from his individual credit or from the general Yakima Indian fund, for the payment of charges for construction and maintenance for the water rights appurtenant to the land retained by him or for the annual maintenance charges payable on account of such water rights after the construction charge thereon has been paid in full. After unconditional title in fee has passed from the United States for any lands retained by such Indians, the water for irrigating such lands shall be furnished under the same conditions in all respects as for other lands under the project: Provided, That any Indian taking advantage of this Act shall have a perpetual water right so long as the maintenance charges are paid, whether he uses the water or not, and the Secretary of the Interior is hereby authorized to use the funds of the tribe to pay such maintenance charges, which in his discretion it is necessary to preserve said water right: Provided further, That he may, in his discretion, use said funds to pay for water rights and the maintenance charges on twenty acres of any Indian allotment if the sum obtained from the sale of the allottee's land in excess of twenty acres and his interest in the tribal funds be insufficient for those purposes.

Patent in fee.

Sec. 6. That the Secretary of the Interior shall be authorized, upon compliance with the provisions of this Act and of the reclamation Act, by any party having purchased such allotted or patented lands as
herein provided, to issue patent passing unconditional title in fee by the United States as trustee for the allottee or patentee, and shall cancel any allotment as to the lands disposed of under this Act.

SEC. 7. That the irrigation works heretofore constructed for the Yakima Indian Reservation may be at a cost to be determined by the Secretary of the Interior included in any project developed under the provisions of the reclamation Act and of this Act, and become a part of said project for all purposes of the reclamation Act, and the cost of same shall be included in the cost of such project and be paid into the Yakima Indian fund out of the proceeds arising from the sale of water rights from time to time, as payments on account thereof are received. The provisions of this Act shall be construed as superseding or amending any provisions of the said Act of December twenty-first, nineteen hundred and four, so far as any conflict may appear.

SEC. 8. That the Secretary of the Interior is hereby authorized to perform any and all acts and to make such rules and regulations as may be necessary and proper for the purpose of carrying the provisions of this Act into full force and effect.

And if any conveyance shall be made of the lands so held in trust by any allottee or his heirs, or any contract made touching the same, except as hereinafter provided, before the expiration of the time above mentioned, such conveyance or contract shall be absolutely null and void.

SEC. 2. That any allottee to whom any trust patent shall be issued under the provisions of the foregoing section may sell and convey all the lands covered thereby, except eighty acres, under rules and regulations prescribed by the Secretary of the Interior. And the heirs of any deceased Indian to whom a patent shall be issued under said section may in like manner sell and convey all of such inherited allotment except eighty acres, but in case of minor heirs their interests shall be sold only by a guardian duly appointed by the proper court upon the order of such court, made upon petition filed by the guardian, but all such conveyances shall be subject to the approval of the Secretary of
the Interior, and when so approved shall convey a full title to the purchaser the same as if a final patent without restrictions upon alienation had been issued to the allottee. All allotted land alienated under the provisions of this Act shall thereupon be subject to taxation under the laws of the State of Washington.

United States, not capital or otherwise infamous, and not punishable by imprisonment in the penitentiary, committed within the District of Columbia, except libel, conspiracy, and violations of the post-office and pension laws of the United States, and also of all offenses of persons under seventeen years of age hereafter committed against the laws, ordinances, and regulations of the District of Columbia, and shall have power to examine and commit or hold to bail all persons under seventeen years of age, either for trial or further examination, in all cases, whether cognizable therein or in the supreme court of the District of Columbia. Said juvenile court shall have all the powers and jurisdiction conferred by the Act entitled “An Act for the protection of children, and so forth,” approved February thirteenth, eighteen hundred and eighty-five, upon the police court of the District of Columbia, and shall also have original and exclusive jurisdiction of all cases involving the legal punishment of children under the provisions of “An Act to provide for the care of dependent children in the District of Columbia and to create a Board of Children’s Guardians,” approved July twenty-sixth, eighteen hundred and ninety-two (Twenty-seventh Statutes, page two hundred and sixty-eight), and of the Acts amendatory thereof; also of all cases under the provisions of “An Act to enlarge the powers of the courts of the District of Columbia in cases involving delinquent children, and for other purposes,” approved March third, nineteen hundred and one (Thirty-first Statutes, page ten hundred and ninety-three), and said juvenile court may hereafter, concurrently with the criminal court, have and exercise all the powers and jurisdiction conferred by said last-mentioned Act upon the police court of the District of Columbia in the case of parents or guardians who shall refuse or neglect to provide food, clothing, and shelter for any child under the age of fourteen years: And it is further provided, that the court may impose conditions upon any person found guilty under the said last-mentioned Act, and so long as such person shall comply therewith to the satisfaction of the court the sentence imposed may be suspended, and may impose similar conditions in all cases of dependent or delinquent children cognizable under existing laws in any court of the District of Columbia, except in the cases hereinbefore already excepted; and the said juvenile court may also hear, try, and determine all cases of persons less than seventeen years of age charged with habitual truancy from school, and in its discretion to commit them to the Board of Children’s Guardians, who are hereby given the care and supervision thereof when so committed. No person under seventeen years of age shall hereafter be placed in any institution supported wholly or in part at the public expense until the fact of delinquency or dependency has been first ascertained and declared by the said juvenile court. All children of the class now liable to be committed to the Reform School for Boys and the Reform School for Girls shall hereafter be committed by the juvenile court to said schools respectively. All other children delinquent, neglected, or dependent (with the exceptions hereinbefore stated) shall hereafter be committed by the juvenile court to the care of the Board of Children’s Guardians, either for a limited period on probation or during minority, as circumstances may require, and no child once committed to any public institution by the order of the juvenile court shall be discharged or paroled therefrom or transferred to another institution without the consent and approval of the said court.

Sec. 9. That the terms “dependent” or “neglected” children as used in this Act shall be held to mean and include any child who is destitute or homeless or abandoned or dependent upon the public for support, or who has not the proper parental care or guardianship, or who habitually begs or receives alms, or whose home, by reason of neglect or cruelty or depravity of the parents, is an unfit place for
such a child, or any child under eight years of age found peddling on the streets. The term "delinquent" child or children as used in this Act shall be held to mean and include any child who has been convicted more than once of violating any law of the United States, or any laws, ordinances, or regulations in force in the District of Columbia.

Sec. 10. That any unlawful removal or attempt to remove any child committed by the juvenile court to any institution or agency shall be a misdemeanor, which, if committed by any person or persons over seventeen years of age, shall be punishable, on conviction in the police court, by a fine not exceeding fifty dollars, or imprisonment not more than three months; but if committed by a person or persons under seventeen years of age, shall be punishable, on conviction in the juvenile court, by a like fine, or by imprisonment in some correctional institution to be designated by said court, other than the jail or workhouse, for such reasonable period as such court shall direct.

Sec. 11. That there shall be no fee charged for any service by the clerk.

Sec. 12. That prosecutions in the juvenile court shall be on information by the corporation counsel or his assistant. In all prosecutions within the jurisdiction of said court in which, according to the Constitution of the United States, the accused would be entitled to a jury trial, the trial shall be by jury unless the accused shall in open court expressly waive such trial by jury and request to be tried by the judge, in which case the trial shall be by such judge, and the judgment and sentence shall have the same force and effect in all respects as if the same had been entered and pronounced upon the verdict of a jury. In all cases where the accused would not under the Constitution of the United States be entitled to a trial by jury, the trial shall be by the court without a jury, unless in such of said last-named cases wherein the fine or penalty may be fifty dollars or more, or imprisonment as punishment for the offense may be thirty days or more, the accused shall demand a trial by jury, in which case the trial shall be by jury. In all cases where said court shall impose a fine it may, in default of the payment of the fine imposed, commit the defendant for such a term as the court thinks right and proper, not to exceed one year.

Sec. 13. That in all cases of riot, general disorder, conspiracy, and the like, where two or more persons are charged with the commission of a joint offense, and one or more of the persons so charged shall be under the age of seventeen years, it shall not be necessary to hold the trial of such case or cases in the said juvenile court, but the trial of such offenders shall be conducted as heretofore, anything in this Act to the contrary notwithstanding.

Sec. 14. That the jury for service in said court shall consist of twelve men, who shall have the legal qualifications necessary for jurors in the supreme court of the District, and shall receive a like compensation for their services, and such jurors shall be known and selected under and in pursuance of the laws concerning the drawing and selection of jurors for service in said court. The term of service of jurors drawn for service in said juvenile court shall be for three successive monthly terms of said court, and in any case on trial at the expiration of such time until a verdict shall have been rendered or the jury shall be discharged. The said jury terms shall begin on the first Monday in January, the first Monday in April, the first Monday in July, and the first Monday in October of each year, and shall terminate, subject to the foregoing provisions, on the Saturday prior to the beginning of the following term. When at any term of said court it shall happen that in a pending trial no verdict shall be found, nor the jury otherwise discharged before the next succeeding term of the court, the court
shall proceed with the trial by the same jury as if said term had not
commenced.

SEC. 15. That at least ten days before the term of service of said
jurors shall begin, as herein provided for, such jurors shall be drawn
as hereinbefore directed, and at least twenty-six names so drawn shall
be certified by the clerk of the supreme court of said District of Colum-
bia to the said juvenile court for service as jurors for the then ensuing
term. Deficiencies in any panel of any such jury may be filled accord-
ing to the law applicable to jurors in said supreme court, and for this
purpose the judge of said juvenile court shall possess all the powers
of a judge of said supreme court and of said court sitting as a special
term. No person shall be eligible for service on a jury in said juve-
nile court for more than one jury term in any period of twelve con-
secutive months, but no verdict shall be set aside on such ground unless
objection shall be made before the trial begins. The marshal of said
District, by himself or deputy, shall have charge of said jury, and may
appoint a deputy for that purpose, who shall be paid three dollars a
day while so employed.

SEC. 16. That in all cases tried before said court the judgment of
the court shall be final, except as hereinafter provided.

SEC. 17. That the said court shall have power to issue process for
the arrest of persons against whom information may be filed or com-
plaint under oath made, and to compel the attendance of witnesses; to
punish contempts by fine not exceeding twenty dollars and imprison-
ment for not more than forty-eight hours, or either, and to enforce any of
its judgments by fine or imprisonment, or both, and to make such rules
and regulations as may be deemed necessary and proper for conducting
business in said court. In all cases where the said court shall impose
a fine, it may, in default of the payment of the fine imposed, commit
the defendant for such a term as the court thinks right and proper,
not to exceed one year. That every person charged with an offense
triable in the juvenile court of the District of Columbia may give secu-
rity for his appearance for trial or for further hearing, either by giving
bond to the satisfaction of the court or by depositing money as col-
sertary with the appropriate officer of the said juvenile court
or the station keeper of the police precinct within which such person
may be apprehended. And whenever any sum of money shall be depos-
ited as collateral security as hereby provided it shall remain, in contem-
pilation of law, the property of the person depositing it until duly for-
feited by the court; and when forfeited it shall be, in contemplation of
law, the property of the United States of America, or of the District
of Columbia, according as the charge against the person depositing it is
instituted on behalf of the United States or of the said District, and
every person receiving any sum of money deposited as hereby provided
shall be deemed in law the agent of the person depositing the same or of
the United States or the said District, as the case may be, for all purposes
of properly preserving and accounting for such money. And all fines
payable and paid under judgment of the said juvenile court shall, upon
their payment immediately become, in contemplation of law, the prop-
erty of the United States or the said District, according to the charge
upon which such fine may be adjudged, and the person receiving any
such fine shall be deemed in law the agent of the said United States or
the said District, as aforesaid, as the case may be; and any person,
being an agent as hereinbefore contemplated and defined, who shall
wrongfully convert to his own use any money received by him as here-
inbefore provided shall be deemed guilty of embezzlement, and upon
conviction thereof shall be punished by a fine not exceeding five thou-
sand dollars or by imprisonment not exceeding five years, or both.

SEC. 18. That the said court shall have a seal, and the judge or the
acting judge thereof shall have power to administer oaths and affirma-
tions.
SEC. 19. That the said court shall hold a term on the first Monday of every month and continue the same from day to day as long as it may be necessary for the transaction of its business.

SEC. 20. That all fines, penalties, costs, and forfeitures imposed or taxed by the said juvenile court shall be paid to the clerk of said court, either with or without process, or on process ordered by said court. The clerk of said court shall, on the first secular day of each week, deposit with the collector of taxes the total amount of all fines, penalties, costs, and forfeitures collected by him during the week next preceding the date of such deposit, to be covered into the Treasury to the credit of the District of Columbia. The said clerk shall render an itemized statement of each deposit aforesaid upon such forms and in such manner as shall be prescribed by the auditor of the District of Columbia.

SEC. 21. That it shall be the duty of the auditor of the District of Columbia, and he is hereby required, to audit the accounts of the clerk of the juvenile court at the end of every quarter and to make prompt report thereof in writing to the Commissioners of the District of Columbia. The auditor of the District shall have free access to all books, papers, and records of the said court.

SEC. 22. That all appeals from the juvenile court shall be heard and determined in the court of appeals of the District of Columbia. If, upon the trial of any cause in the juvenile court, an exception be taken by or on behalf of the United States, the District of Columbia, or any defendant, to any ruling or instruction of the court upon matter of law, the same shall be reduced to writing and stated in a bill of exceptions, with so much of the evidence as may be material to the question or questions raised, which said bill of exceptions shall be settled and signed by the judge within such time as may be prescribed by rules and regulations which shall be made by the said court of appeals for the transaction of business to be brought before it under this section, and for the time and method for the entry of appeals and for giving notice of writs of error thereto from the said juvenile court; and if upon presentation to any justice of the said court of appeals of a petition which, in the case of a defendant, shall be verified, setting forth the matter or matters so excepted to, such justice shall be of opinion that the same ought to be reviewed, he may allow a writ of error in the cause, which shall issue out of the said court of appeals addressed to the said juvenile court, which shall forthwith send up the information filed in the cause and a transcript of the record therein, certified under the seal of his said court, to said court of appeals for review and such action as the law may require, which record shall be filed in said court of appeals within such time as may be prescribed by the said court of appeals as hereinbefore provided. Any party desiring the benefit of the provisions of this section shall give notice in open court of his, her, or its intention to apply for a writ of error upon such exceptions, and thereupon proceedings therein shall be stayed for ten days: Provided, That the defendant seeking an appeal shall there and then enter into recognizance, with sufficient surety, to be approved by the judge of the juvenile court, conditioned that in the event of a denial of his application for a writ of error he will, within five days next after the expiration of said ten days, appear in said juvenile court and abide by and perform its judgment, and that in the event of the granting of such writ of error he will appear in said court of appeals and prosecute the writ of error and abide by and perform its judgment in the premises. Upon failure of any defendant to enter into the recognizance provided for in this section the sentence of the juvenile court shall stand and be executed; otherwise execution shall be stayed pending proceedings upon his or her application for a writ of error and until final disposition thereof by the said court of appeals.
SEC. 23. That the marshal of the District of Columbia is authorized and directed to designate one of his deputies to serve at the juvenile court, where he shall perform such services as are required by the presiding judge.

SEC. 24. That in all cases where any child shall be found to be a delinquent child, as defined in section nine of this Act, the parent or parents, legal guardian, or person having the custody of such child, or any other person responsible for or by any act encouraging, causing, or contributing to the delinquency of such child, shall be guilty of a misdemeanor, and upon trial and conviction thereof in the juvenile court of the District of Columbia, which is hereby given jurisdiction, shall be fined in a sum not exceeding two hundred dollars or imprisoned in the District jail for a period not exceeding three months, or by both such fine and imprisonment. The court may impose conditions upon any person found guilty under this Act, and as long as such person shall comply therewith to the satisfaction of the court the sentence imposed may be suspended.

SEC. 25. That the provisions of this Act shall be in full force and effect on and after July first, nineteen hundred and six, and all laws or parts of laws inconsistent with the provisions of this Act are hereby repealed.

the structure, unless the modification of such plans has previously been 
submitted to and received the approval of the Chief of Engineers and 
of the Secretary of War.

Sec. 2. That any bridge built in accordance with the provisions of 
this Act shall be a lawful structure and shall be recognized and known 
as a post route, upon which no higher charge shall be made for the 
transmission over the same of the mails, the troops, and the munitions

In case of forfeiture of a recognizance and enforcement thereof by execution, the sum recovered may, in the discretion of the court, be paid in whole or in part to the wife, or to the guardian or custodian of the minor child or children.

[C.H. 1659.—An Act To authorize the Fayette Bridge Company to construct a bridge over the Monongahela River, Pennsylvania, from a point in the borough of Brownsville, Fayette County, to a point in the borough of West Brownsville, Washington County.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Fayette Bridge Company, a corporation existing under the laws of the State of Pennsylvania, is hereby authorized to construct, maintain, and operate a highway bridge across the Monongahela River from a point in the borough of Brownsville, county of Fayette, and State of Pennsylvania, to a point on the opposite side of the river, in the borough of West Brownsville, county of Washington, and State of Pennsylvania. The said bridge, when built in accordance with the requirements of this Act, shall be a legal structure and may be used for all purposes of a highway bridge.

Sec. 2. That the bridge authorized to be constructed under this Act shall be located and built under and subject to such regulations for the
security of navigation of said river as the Secretary of War shall prescribe, and to secure that object the bridge company shall submit to the Secretary of War, for his examination and approval, a design and drawing of the bridge and the map of the location, giving for the space of three-fourths of a mile above the proposed location the depth and currents at all points of the same and the depths and currents as far below the proposed location as he may require, and the location of any other bridge or bridges three-fourths of a mile above and below the proposed location, together with all other information touching said bridge and river as may be deemed requisite by the Secretary of War to determine whether said bridge, when built, will conform to the provisions of this Act, and cause any serious obstruction to the navigation of the river or injuriously affect the flow of water.

Sec. 3. That the Secretary of War is hereby authorized and directed, upon receiving said plan and map, and upon being satisfied that a bridge built upon such a plan and at said locality will conform to the provisions of this Act and cause no unreasonable obstruction to the navigation of the river or injuriously affect the flow of water, to notify said company that he approves the same; and upon receiving such notification, the said company may proceed to the erection of said bridge, conforming strictly to the approved plan and location. But until the Secretary of War shall approve the plan and location of the said bridge, and notify the said company of the same in writing, the bridge shall not be commenced; and no change shall be made in the approved plan of the bridge during the progress of the work thereon or after completion unless such change is approved by the Secretary of War.

Sec. 4. That said bridge shall be constructed and used for the passage of wagons and vehicles of all kinds, for the transit of animals and foot passengers, for the erection and maintenance thereon of telegraph and telephone wires, and the passage and operation of street cars over the same for such reasonable rates of toll as may be fixed by the laws of the State of Pennsylvania, or may be agreed upon between the bridge company and such persons or corporations using the same where the rates of toll are not fixed by law; and in case the parties interested shall fail to agree on the sum to be paid and on the rules and conditions to which each shall conform in using said bridge, all matters at issue between them shall, upon the application of either party, be determined by the circuit court of the United States in and for any district in which any portion of said bridge may be. The United States shall also have the right of way over said bridge for postal, telegraph, and telephone purposes. Provided, That all street railroad companies desiring the use of said bridge shall have and be entitled to equal rights and privileges relative to the passage of railway trains or cars over the same and over the approaches thereto, and all telegraph and telephone companies shall be granted equal rights and privileges in the construction and operation of their lines across the bridge.

Sec. 5. That said bridge herein authorized to be constructed shall so be kept and managed at all times as to afford proper means and ways for the passage of vessels, barges, or rafts, both by day and by night, and there shall be displayed on said bridge by the owners thereof, from sunset to sunrise, such lights or other signals as the Light-House Board may prescribe; and such changes shall be made from time to time in the structure of said bridge, by the owners thereof, at their own expense, as the Secretary of War may deem necessary and order in the interest of navigation; and in case of any litigation arising from any alleged obstruction to the navigation of any of said rivers created by the construction of any bridge under this Act, the cause or question arising may be tried before the circuit court of the United States in and for any district in which any portion of
said obstruction or bridge may be: Provided, That nothing in this Act shall be so construed as to repeal or modify any of the provisions of law now existing in reference to the protection of the navigation of rivers, or to exempt said bridge from the operation of the same.

SEC. 6. That any bridge built under this Act and subject to its limits shall be a lawful structure, and shall be recognized and known as a post route, upon which also no higher charge shall be made for the transportation over the same of the mails, troops, and munitions of war of the United States than the rate per mile for the transportation over the railroads or public highways leading to said bridge, and it shall enjoy the rights and privileges of other post-roads in the United States.

SEC. 7. That this Act shall be null and void unless the construction of said bridge shall be commenced within one year and completed within three years from the passage of this Act.

SEC. 8. That the right to alter, amend, or repeal this Act is hereby expressly reserved.

The person, company, or corporation owning or operating any such dam shall maintain, at their own expense, such lights and other signals thereon and such fishways as the Secretary of Commerce and Labor shall prescribe.

The provisions of section nine of the Creek agreement ratified by Act approved March first, nineteen hundred and one, authorizing the use of funds of the Creek tribe for equalizing allotments, are hereby restored and reenacted, and after the expiration of nine months from the date of the original selection of an allotment of land in the Choctaw, Chickasaw, Cherokee, Creek, or Seminole tribes, and after the expiration of six months from the passage of this Act as to allotments heretofore made, no contest shall be instituted against such allotment: Provided, That the rolls of the tribes affected by this Act shall be fully completed on or before the fourth day of March, nineteen hundred and seven, and the Secretary of the Interior shall have no jurisdiction to approve the enrollment of any person after said date: Provided further, That nothing herein shall be construed so as to hereafter permit any person to file an application for enrollment in any tribe where the date for filing application has been fixed by agreement between said tribe and the United States: Provided, That nothing herein shall apply to the intermarried whites in the Cherokee Nation, whose cases are now pending in the Supreme Court of the United States.

The roll of Cherokee freedmen shall include only such persons of African descent, either free colored or the slaves of Cherokee citizens and their descendants, who were actual personal bona fide residents of the Cherokee Nation August eleventh, eighteen hundred and sixty-six, or who actually returned and established such residence in the Cherokee Nation on or before February eleventh, eighteen hundred and sixty-seven; but this provision shall not prevent the enrollment of any person who has heretofore been enrolled and their enrollment approved by the Commissioner to the Five Civilized Tribes or its successor and has been adjudged entitled to enrollment by the Secretary of the Interior.

Lands allotted to freedmen of the Choctaw and Chickasaw tribes shall be considered “homesteads,” and shall be subject to all the provisions of this or any other Act of Congress applicable to homesteads of citizens of the Choctaw and Chickasaw tribes.

SEC. 4. That no name shall be transferred from the approved freedmen, or any other approved rolls of the Choctaw, Chickasaw, Cherokee, Creek, or Seminole tribes, respectively, to the roll of citizens by blood, unless the records in charge of the Commissioner to the Five Civilized Tribes show that application for enrollment as a citizen by blood was made within the time prescribed by law by or for the party seeking the transfer, and said records shall be conclusive evidence as to the fact of such application, unless it be shown by documentary evidence that the Commission to the Five Civilized Tribes actually received such application within the time prescribed by law.

SEC. 5. That all patents or deeds to allottees in any of the Five Civilized Tribes to be hereafter issued shall issue in the name of the allottee, and if any such allottee shall die before such patent or deed becomes effective, the title to the lands described therein shall inure to and vest in his heirs, and in case any allottee shall die after restrictions have been removed, his property shall descend to his heirs or his
lauthful assigns, as if the patent or deed had issued to the allottee during
his life, and all patents heretofore issued, where the allottee died
before the same became effective, shall be given like effect; and all
patents or deeds to allottees and other conveyances affecting lands of
any of said tribes shall be recorded in the office of the Commissioner
to the Five Civilized Tribes, and when so recorded shall convey legal
title, and shall be delivered under the direction of the Secretary of the
Interior to the party entitled to receive the same: Provided, The pro-
visions of this section shall not affect any rights involved in contests
pending before the Commissioner to the Five Civilized Tribes or the
Department of the Interior at the date of the approval of this Act.

Sec. 6. That if the principal chief of the Choctaw, Cherokee, Creek,
or Seminole tribe, or the governor of the Chickasaw tribe shall refuse
or neglect to perform the duties devolving upon him, he may be
removed from office by the President of the United States, or if any
such executive become permanently disabled, the office may be declared
vacant by the President of the United States, who may fill any vacancy
arising from removal, disability or death of the incumbent, by appoint-
ment of a citizen by blood of the tribe.

If any such executive shall fail, refuse or neglect, for thirty days
after notice that any instrument is ready for his signature, to appear
at a place to be designated by the Secretary of the Interior and execute
the same, such instrument may be approved by the Secretary of the
Interior without such execution, and when so approved and recorded
shall convey legal title, and such approval shall be conclusive evidence
that such executive or chief refused or neglected after notice to execute
such instrument.

Provided, That the principal chief of the Seminole Nation is hereby
authorized to execute the deeds to allottees in the Seminole Nation
prior to the time when the Seminole government shall cease to exist.

Sec. 7. That the Secretary of the Interior shall, by written order,
within ninety days from the passage of this Act, segregate and reserve
from allotment sections one, two, three, four, five, nine, ten, eleven,
twelve, thirteen, fourteen, fifteen, the east half of section sixteen, and
the northeastern quarter of section six, in township nine south, range

and the west half of section sixteen, in township nine south, range
twenty-seven east, Choctaw Nation, Indian Territory, except such por-
tions of said lands upon which substantial, permanent, and valuable
improvements were erected and placed prior to the passage of this Act
and not for speculation, but by members and freedmen of the tribes
actually themselves and for themselves for allotment purposes, and
where such identical members or freedmen of said tribes now desire to
select some as portions of their allotments, and the action of the Secre-
tary of the Interior in making such segregation shall be conclusive.
The Secretary of the Interior shall also cause to be estimated and
appraised the standing pine timber on all of said land, and the land
segregated shall not be allotted, except as hereinbefore provided, to
any member or freedman of the Choctaw and Chickasaw tribes. Said
segregated land and the pine timber thereon shall be sold and disposed
of at public auction, or by sealed bids for cash, under the direction of
the Secretary of the Interior.

Sec. 8. That the records of each of the land offices in the Indian
Territory, should such office be hereafter discontinued, shall be trans-
ferred to and kept in the office of the clerk of the United States court
in whose district said records are now located. The officer having
custody of any of the records pertaining to the enrollment of the
members of the Choctaw, Chickasaw, Cherokee, Creek, or Seminole
tribes, and the disposition of the land and other property of said tribes,
upon proper application and payment of such fees as the Secretary of
the Interior may prescribe, may make certified copies of such records, which shall be evidence equally with the originals thereof; but fees shall not be demanded for such authenticated copies as may be required by officers of any branch of the Government nor for such unverified copies as such officer, in his discretion, may deem proper to furnish. Such fees shall be paid to bonded officers or employees of the Government, designated by the Secretary of the Interior, and the same or so much thereof as may be necessary may be expended under the direction of the Secretary of the Interior for the purposes of this section, and any unexpended balance shall be deposited in the Treasury of the United States, as are other public moneys.

Sec. 9. The disbursements, in the sum of one hundred and eighty-six thousand dollars, to and on account of the loyal Seminole Indians, by James E. Jenkins, special agent appointed by the Secretary of the Interior, and by A. J. Sec. 5. That no person having authority to prevent shall permit any building or part of building condemned to be occupied except as specially authorized by the board for the condemnation of insanitary buildings in the District of Columbia, under authority of section six of this Act, after thirty days, exclusive of Sundays and legal holidays, from and after the date of the service of a copy of the order of condemnation on the owner of such building; or, if there be several part owners of such building, from the latest date of service on any part owner; or, if a copy or copies of such order of condemnation has been affixed to the condemned building or part of building at a date subsequent to the date of service of the notice on any owner or the latest date of service on any part owner, after thirty days from the date on which said copy or copies of such order of condemnation was so affixed.

Sec. 6. That if the owner or owners of any building or part of building condemned under the provisions of this Act shall make such changes or repairs as will remedy in a manner satisfactory to said board the conditions which led to the condemnation of such building or part of building, said board shall cancel its order of condemnation and the building may be again occupied; and if such owner or owners can not make such changes or repairs within the period within which they may lawfully permit such building or part of building to be occupied under section five of this Act, but proceed with such changes or repairs with reasonable diligence during that period, said board may, by special order, extend from time to time the period within which the occupants of said building or part of building may remain therein and within which the owner or owners thereof may permit them so to do.

Sec. 7. That the owner or owners of any building or buildings condemned under the provisions of this Act, which can not be so changed or repaired as to remedy the condition which led to the condemnation thereof, shall demolish and remove such building or part of building within a time to be specified by said board in the order of condemnation. And if any owner or part owner shall fail or refuse to demolish and remove said building or part of building within the time so specified he shall be deemed guilty of a misdemeanor and liable to the penalties provided by section thirteen of this Act, and such building or part of building shall be demolished and removed under the direction of the board for the condemnation of insanitary buildings in the District of Columbia, and the cost of such demolition and removal, less the amount, if any, received from the sale of the old material, but including the cost of making good such damage to adjoining premises as may have resulted from carelessness or willful recklessness in the demolition of such building and the cost of publication, if any, herein provided for, shall be assessed by the Commissioners of the District of Columbia as a tax against the premises on which such building or part of building was situated, such tax to be collected in the same manner as general taxes are collected, and when collected shall be deposited in the Treasury to the credit of the United States and the District of Columbia in equal parts.

Sec. 8. That whenever the title to any building or part of a building the condemnation of which is contemplated is in litigation, said board for the condemnation of insanitary buildings shall notify all parties to
the suit and shall report the circumstances to the corporation counsel of the District of Columbia, who shall bring such circumstances to the attention of the court in which such litigation is pending for the purpose of securing such order or decree as will enable said board to continue such proceedings looking toward condemnation, and such court is hereby authorized to make such decrees and orders in such pending suit as may be necessary for that purpose.

Sec. 9. That whenever the title to any building or part of building is vested in a person non compos mentis, or a minor child or minor children without legal guardian, said board for the condemnation of insanitary buildings shall report that fact to the corporation counsel of the District of Columbia, who shall take due legal steps to secure the appointment of a guardian or guardians for such person non compos mentis, or minor child or children aforesaid, for the purpose of the condemnation proceedings authorized by this Act. And any justice of the supreme court of the District of Columbia holding the equity court is hereby authorized to appoint a guardian or guardians for that purpose.

Sec. 10. That any notice required by this Act to be served shall be deemed to have been served if delivered to the person to be notified, or if left at the usual residence or place of business of the person to be notified, with a person of suitable age and discretion then resident therein; or if no such residence or place of business can be found in the District of Columbia by reasonable search, if left with any person of suitable age and discretion employed therein at the office of any agent of the person to be notified, which agent has any authority or duty with reference to the land or tenement to which said notice relates; or if no such office can be found in said District by reasonable search, if forwarded by registered mail to the last known address of the person to be notified and not returned by the post-office authorities; or if no address be known or can by reasonable diligence be ascertained, or if any notice forwarded as authorized by the preceding clause of this section be returned by the post-office authorities, if published on ten consecutive days in a daily newspaper published in the District of Columbia; or if by reason of an outstanding unrecorded transfer of title the name of the owner in fact can not be ascertained beyond a reasonable doubt, if served on the owner of record in the manner hereinbefore in this section provided. Any notice to a corporation shall, for the purposes of this Act, be deemed to have been served on such corporation if served on the president, secretary, treasurer, general manager, or any principal officer of such corporation in the manner hereinbefore provided for the service of notices on natural persons holding property in their own right; and notice to a foreign corporation shall, for the purposes of this Act, be deemed to have been served if served on any agent of such corporation personally, or if left with any person of suitable age and discretion residing at the usual residence or employed at the usual place of business of such agent in the District of Columbia.

Sec. 11. That no person shall interfere with any member of the board for the condemnation of insanitary buildings or with any person acting under authority and by direction of said board in the discharge of his lawful duties, nor hinder, prevent, or refuse to permit any lawful inspection or the performance of any work authorized by this Act to be done by or by authority and direction of said board.

Sec. 12. That no person shall, without the consent of said board for the condemnation of insanitary buildings, deface, obliterate, remove, or conceal any copy of any order of condemnation which has been affixed to any building or part of building by order of said board; and the owner and the person having custody of any building or part of building to which a copy or copies of any such order has been affixed shall, if said copy of said order has been to his knowledge defaced,
obliterated, or removed, forthwith report that fact in writing to said board, unless he has good reason to believe that such copy of such an order has been removed by authority of said board, and if such copy of such order has been concealed shall forthwith expose the same to view.

SEC. 13. That any person violating or aiding or abetting in violating any of the provisions of this Act shall, upon conviction thereof in the police court of the District of Columbia, upon information filed in the name of said District, be punished by a fine of not more than one hundred dollars or by imprisonment for not more than ninety days; and each day on which such unlawful act is done or during which such unlawful negligence continues shall constitute a separate and distinct offense.

SEC. 14. That the owner or owners of any building or part of building condemned under the provisions of this Act may, within the time specified in the order of condemnation, institute proceedings in the supreme court of the District of Columbia, sitting as a district court, for the modification or vacation of the order of condemnation aforesaid, and the court shall give precedence to any such case and shall hear the testimony adduced therein; and unless the court shall find that there is sufficient proof made of the necessity of the destruction of such building or part of building, the order of the board for the condemnation of insanitary buildings shall be modified or set aside, as said court shall direct; otherwise the court shall issue such orders and decrees as may be necessary to carry the order of said board, as made by the board or as modified by the court, into effect; and the court may appoint a committee of award, consisting of three persons, each of whom shall have the qualifications of jurors in the District of Columbia, who, after taking the oath required of jurors in the trial of civil causes, shall proceed to hear and receive evidence respecting the amount of damages to be awarded to the owner or owners of such condemned building or part of building aforesaid, and said committee may issue subpoenas requiring the attendance of witnesses before them and may administer oaths to such witnesses. Witnesses may be compelled to appear and testify before said committee in the same manner as witnesses may be compelled to appear and testify in the supreme court of the District of Columbia; and, if need be, said committee shall be entitled, upon application, to the aid of said court to compel such attendance and giving of testimony. Unless the court shall order otherwise, the hearing of evidence before said committee need not be in the presence of the court, but they may meet in any room assigned to them by the United States marshal for the District of Columbia, who shall, in person or by deputy, attend such hearings. In such proceedings evidence shall be received by the committee of award appointed as aforesaid, to prove—

First. That the rental of the building was enhanced by reason of the same being used for illegal purposes, or being so overcrowded as to be dangerous or injurious to the health of the inmates; or

Second. That the building is in a state of defective sanitation, or is not in reasonably good repair; or

Third. That the building is unfit and not reasonably capable of being made fit for human habitation; and if the committee, or a majority of the members thereof, is satisfied by such evidence that compensation should be awarded, then the compensation—

(a) Shall in the first case, so far as it is based on rental, be on the rental of the building (as distinct from the ground rent), which would have been obtainable if the building was occupied for legal purposes, and only by the number of persons whom the building was, under all the circumstances of the case, fitted to accommodate without such
overcrowding as is dangerous or injurious to the health of the inmates; and

(b) Shall in the second case be the amount estimated as the value of the building if it had been put into a sanitary or safe condition, or into reasonably good repair, after deducting the estimated expense of putting it into such condition or repair; and

(c) Shall in the third case be the value of the materials of the building.

That after hearing and considering the testimony offered by the owner and offered on behalf of the District of Columbia, the said committee of award shall report to the court in writing the compensation allowed by them to the owner according to the provisions of this section. Unless cause be shown to the court within ten days from the filing of said report why the same should not be confirmed, the court shall confirm the same and judgment be entered thereon accordingly; but from the damages awarded in any case the cost of removing the building, including the cost of making good such damage to adjoining premises as may have resulted from carelessness or willful recklessness in such removal, and the cost of publication, if any, authorized by section ten of this Act, shall be deducted unless the owner shall, at his own expense, remove the same within such time as may be fixed by the court in the order confirming the report of the said committee as hereinbefore provided.

That each member of the committee of award appointed by the court as aforesaid shall receive for each day's attendance the sum of five dollars, and any vacancy caused by death, sickness, or disqualification may be filled by appointment by the court.

SEC. 15. That except as herein otherwise authorized all expenses incident to the enforcement of this Act shall be paid from appropriations made from time to time for that purpose, one-half from the revenues of the District of Columbia and one-half from any money in the Treasury not otherwise appropriated.

SEC. 16. That all Acts and parts of Acts inconsistent with the provisions of this Act be, and the same are hereby, repealed.

One-fourth of said fund, or so much thereof as may be necessary, shall be devoted to the establishment and maintenance of public schools in said district; five per centum of said fund shall be devoted to the care and maintenance of insane persons in said district, or so much of said five per centum as may be needed; and all the residue of said fund shall be devoted to the construction and maintenance of wagon roads, bridges, and trails in said district: And provided further, That the clerk of the court of each judicial division of said district is authorized, and he is hereby directed, whenever considered necessary, to call upon the United States marshal of said judicial division to aid in the collection of said license moneys by designating regular or special deputies of his office to act as temporary license inspectors, and it shall be the duty of said United States marshal to render such aid; and the said regular or special deputies, while actually engaged in the performance of this duty, shall receive the same fees and allowances and be paid in the same manner as when performing their regular duties."

The engineer officer of the board shall in all cases supervise the work of construction and see that the same is properly performed. CHAP. 3076.—An Act For the extension of Euclid street, in Meridian Hill, District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That within sixty days after the passage of this Act the Commissioners of the District of Columbia be, and they are hereby, authorized and directed to institute in the supreme court of the District of Columbia, sitting as a district court, by petition particularly describing the lands to be taken, a proceeding in rem to condemn the land that may be necessary for the extension of Euclid street, in a straight line with a width of fifty feet, from Champlain street to Columbia road.

Sec. 2. That the entire amount found to be due and awarded as damages for and in respect of the land condemned for the extension of Euclid street as herein provided shall be assessed by the jury hereinafter provided for as benefits, and to the extent of such benefits, against those pieces or parcels of land on each side of said street as extended, and also on any or all pieces or parcels of land which will be benefited by the extension of said street as said jury may find said pieces or parcels of land will be benefited, and in determining the amounts to be assessed against said pieces or parcels of lands the jury shall take into consideration the respective situations of such pieces or parcels of land and the benefits they may severally receive from the extension of said street as aforesaid, and the verdict of said jury shall also be for
a sufficient sum to cover all the costs of the condemnation proceedings herein provided for.

Sec. 3. That the said court shall cause public notice of not less than ten days to be given of the filing of said proceedings, by advertisement in such manner as the court shall prescribe, which notice shall warn all persons having any interest in the proceedings to attend court at a day to be named in said notice and to continue in attendance until the court shall have made its final order ratifying and confirming the award of damages and assessment of benefits of the jury; and in addition to such public notice said court, whenever in its judgment it is practicable to do so, may cause a copy of said notice to be served by the marshal of the District of Columbia or his deputies upon such owners of the land to be condemned as may be found by said marshal or his deputies within the District of Columbia.

Sec. 4. That after the return of the marshal and the filing of proof of publication of the notice provided for in the preceding section, said court shall cause a jury of seven judicious, disinterested men, not related to any person interested in the proceedings, and not in the service or employment of the District of Columbia or of the United States, to be summoned by the marshal of the District of Columbia, to which jurors said court shall administer an oath or affirmation that they are not interested in any manner in the land to be condemned nor are in any way related to the parties interested therein, and that they will, without favor or partiality, to the best of their judgment, assess the damages each owner of land taken may sustain by reason of the extension of said street and the condemnation of lands for the purposes of such extension, and assess the benefits resulting therefrom as hereinbefore provided. The court, before accepting the jury, shall hear any objections that may be made to any member thereof, and shall have full power to decide upon all such objections and to excuse any juror or cause any vacancy in the jury, when impaneled to be filled; and after said jury shall have been organized and shall have viewed the premises, said jury shall proceed, in the presence of the court, if the court shall so direct, or otherwise as the court may direct, to hear and receive such evidence as may be offered or submitted on behalf of the District of Columbia and by any person or persons having any interest in the proceedings for the extension of said street. When the hearing is concluded the jury, or a majority of them, shall return to said court, in writing, its verdict of the amount to be found due and payable as damages sustained by reason of the extension of said street under the provisions thereof, and of the pieces or parcels of land benefited by such extension and the amount of the assessment for such benefits against the same, including its proportionate share of the cost of the condemnation proceedings herein provided for.

Sec. 5. That if the use of a part only of any piece or parcel of ground shall be condemned, the jury, in determining its value, shall not take into consideration any benefits that may accrue to the remainder thereof from the extension of said street or highway, but such benefits shall be considered in determining what assessment shall be made on or against such part of such piece or parcel of land as may not be taken as hereinbefore provided.

Sec. 6. That the court shall have power to hear and determine any objections which may be filed to said verdict or award, and to set aside and vacate the same, in whole or in part, when satisfied that it is unjust or unreasonable, and in such event a new jury shall be summoned, who shall proceed to assess the damages or benefits, as the case may be, in respect of the land as to which the verdict may be vacated, as in the case of the first jury: Provided, That if vacated in part, the residue of the verdict and award as to the land condemned or assessed shall not be affected thereby: And provided further, That the exceptions or objections to the verdict and award shall be filed within thirty days after the return of such verdict and award.
SEC. 7. That when the verdict of said jury shall have been finally ratified and confirmed by the court, as herein provided, the amounts of money awarded and adjudged to be payable for lands taken under the provisions hereof shall be paid to the owners of said land by the disbursing officer of the District of Columbia from moneys advanced to him by the Secretary of the Treasury upon requisitions of the Commissioners of said District, as provided by law; and a sufficient sum to pay the amounts of said judgments and awards is hereby appropriated from the revenues of the District of Columbia.

SEC. 8. When confirmed by the court, the several assessments herein provided to be made shall severally be a lien upon the land assessed, and shall be collected as special improvement taxes in the District of Columbia, and shall be payable in two equal annual installments, with interest at the rate of four per centum per annum from and after sixty days after the confirmation of the verdict and award. In all cases of payments the accounting officers shall take into account the assessment for benefits and the award for damages, and shall pay only such part of said award in respect of any lot as may be in excess of the assessment for benefits against the part of such lot not taken, and there shall be credited on said assessment the amount of said award not in excess of said assessment.

SEC. 9. That said court may allow amendments in form or substance in any petition, process, record, or proceeding, or in the description of property proposed to be taken, or of property assessed for benefits whenever such amendments will not interfere with the substantial rights of the parties interested.

SEC. 10. That each juror shall receive as compensation the sum of five dollars per day for his services during the time he shall be actually engaged in such services under the provisions hereof.

SEC. 11. That the sum of three hundred dollars is hereby appropriated, out of the revenues of the District of Columbia, to provide the necessary funds for the costs and expenses of the condemnation proceedings taken pursuant hereto, to be repaid to the District of Columbia from said assessments for benefits when the same are collected as herein provided.

SEC. 12. That no appeal by any interested party from the decision of the supreme court of the District of Columbia confirming the assessment or assessments of benefits or damages herein provided for, nor any other proceeding at law or in equity by such party against the confirmation of such assessment or assessments, shall delay or prevent the payment of award to others in respect to the property condemned, nor delay or prevent the taking of any of said property sought to be condemned, nor the opening of such street: Provided, however, That upon the final determination of said appeal or other proceeding at law or in equity the amount found to be due and payable as damages sustained by reason of the extension of said street under the provisions hereof shall be paid as hereinbefore provided.

APPLICATION FOR LICENSE.

SEC. 3. That an application for a license must be made in writing in the form prescribed by the Commissioners of the District of Colum-
bia, and may be made at any time, and every license shall date from the first day of the month in which it is issued and shall expire on the thirty-first day of October following its issue, unless sooner revoked. Every application for such license shall contain the full name of the applicant therefor, together with his place of residence by street and number if so designated. If the applicant is a corporation, the application must specify the names and like addresses of the president, treasurer, and secretary thereof, or other officers performing corresponding duties and under different names; and the said Commissioners may, in their discretion, require the names and like addresses of all the officers, including the directors, of any corporate applicant for a license. If the applicant is a partnership or unincorporated association, the names and like addresses of all the members thereof must be specified in the application. The application must be subscribed by the applicant or applicants therefor, if natural persons, and if a corporation in the corporate name, by the president or chief officer thereof, attested by the secretary or assistant secretary, with the corporate seal attached, and each application must be acknowledged. The said Commissioners may refuse to receive any application for such license which does not meet the requirements of this section. The Commissioners of the District of Columbia must be satisfied that the applicant is a person of good general character, or, if a corporation, that the officers thereof and those under whose direction the business of the employment agency is to be carried on are persons of good general character, and may for that purpose require any other statements to be made in the application for the license or otherwise which said Commissioners deem necessary. such licensed person and shall recover judgment against him therefor,
such person may, after the return unsatisfied either in whole or in part
of any execution issued upon such judgment, maintain an action in his
own name, upon the bond of such employment agency, in any court
having jurisdiction of the amount claimed. The Commissioners of the
District of Columbia shall furnish to anyone applying therefor a certi-

fee of twenty-five cents, and such certified copy shall be prima facie
evidence in any court that such bond was duly executed and delivered
by the persons or corporations whose names appear thereon.

SEC. 5. That every license certificate shall contain the names of the
persons licensed and a designation of the city, street, number, and
floor of the house in which the person licensed is authorized to con-

Whereas the Act of Congress to provide a government for the Territory of Hawaii, approved April thirtieth, nineteen hundred, provides that the legislature of the Territory of Hawaii shall not grant to any corporation, association, or individual any special privilege or franchise without the approval of the Congress of the United States: Now, therefore,

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the act of the legislature of the Territory of Hawaii entitled “An act to authorize and provide for the construction, maintenance, and operation of a telephone system on the island of Oahu, Territory of Hawaii, by the Standard Telephone Company (Limited),” approved by the governor of the Territory April 20, 1906, is hereby ratified and confirmed.
to authorize and provide for the construction, maintenance, and operation of a telephone system on the island of Oahu, Territory of Hawaii, by the Standard Telephone Company (Limited)." 

"Be it enacted by the legislature of the Territory of Hawaii:"

"SECTION 1. The right is hereby granted to the Standard Telephone Company (Limited), a corporation organized under the laws of the Territory of Hawaii, to construct, operate, and maintain, for the term of twenty-five years from the date of the approval of this act, a telephone and electrical communicative system, aerial, underground, or subaqueous, in, upon, along, and under the highways and public roads of the said island of Oahu, and under the lands and waters of said island."

"SEC. 2. All franchises thus acquired shall be subject to all the conditions and limitations of this act."

"SEC. 4. All underground wires shall be in conduits not less than two feet beneath the surface of the street, which surface shall be securely supported so as not to impair the use and enjoyment of said streets by the public, and all trenches in which conduits are placed, as well as the manholes connected with the system, shall be constructed in a substantial and workmanlike manner."

"SEC. 5. And in all cases of street improvements by the Territory, county, or municipality, the said Standard Telephone Company shall conform to all such improvements as directed by the superintendent of public works or other officials or boards having charge of said streets or roads. In case of neglect by said Standard Telephone Company to make such repairs, changes, or improvements required of it by this section, they shall be made by the Territory, county, or municipality which maintains said streets or roads, and the cost of such repairs, changes, and improvements shall be recovered from the said Standard Telephone Company.

"Sec. 8. The said Standard Telephone Company (Limited) shall from time to time make such rules and regulations for the government of its affairs, not inconsistent with the laws of the Territory of Hawaii, as will protect it from loss, misuse of its instruments, or abuse of its service.

"Sec. 9. Any person willfully and maliciously doing any of the following acts, to wit: Obstructing the free communication of intelligence, message, conversation, or tapping the lines of the said Standard Telephone Company (Limited); defacing, marring, or injuring the poles, wires, or other appliances used in operating, using the poles, fences, houses, or other property, without consent, for advertising purposes, or in any other manner inflicting injury to the property, or causing annoyance and embarrassment in the enjoyment of its property, rights, or franchises to the said Standard Telephone Company (Limited) shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by fine not exceeding fifty dollars or by imprisonment not exceeding a term of three months, or, upon a second or further conviction, by both such fine and imprisonment.

the property, real or personal, rights, privileges, and franchises, of
any other telephone company, and shall have, when so acquired, and

company, whether the same be derived by charter, by municipal
authority, by act of the legislature of the Territory of Hawaii, or by
the United States Congress. All franchises and property thus acquired
shall be subject to all the conditions and limitations of this act.

the objects by this act authorized, shall have the power to borrow
money and to secure the payment thereof with interest agreed upon
by mortgages of all or any portion of its property, which may include
the franchise, and any such mortgages may be issued, if it be deemed
advisable, in the form of mortgage bonds; such mortgages or trust

may deem advisable and proper for the protection of all concerned,
relative to payment of interest and principal, possession and operation of
said telephone system or other property, default, remedies, fore-
closures, powers of mortgagees or trustees in the matter, and all and
every other matter which may be deemed wise and proper to insert
 therein.

"Sec. 14. The said Standard Telephone Company (Limited) shall

two years from the date of the approval of this act by the Congress of
the United States. Such payments shall be made quarterly.

"Sec. 15. In case of purchase, lease, or acquirement of the prop-
erty of any other telephone company, as provided in sections three

then and in that case all rights under this act shall be forfeited, and
the privileges hereby granted shall forthwith cease and determine.
