twenty days after due notice to the parties in interest, which notice shall be given in the form required by the order of said supreme court of the District of Columbia, or a judge thereof, appointing said commissioners, and said commissioners shall proceed to estimate, after viewing the premises, the value of the land so proposed to be taken by said company, and the damages, if any, to the residue of the tract so taken or occupied, or to be taken or occupied, or the material so used or taken away, as the case may be, having due regard to and making just allowance for the advantages which may have resulted, or which may seem likely to result, to the owner or owners of said land or materials in consequence of the making or opening of said railroad and of the construction of the works connected therewith, and after having made a fair and just comparison of said advantages and disadvantages they shall estimate and determine whether any and, if any, what amount of damages have been or may be sustained, and to whom payable, and make report in writing signed by them, or a majority of them, and file the same with the clerk of the supreme court of the District of Columbia; and if any damages be awarded, and the report be confirmed by the said court, judgment shall be entered thereon, and if the amount thereof be not paid within thirty days after the entry of such judgment execution may issue thereon as in the case of other judgments of said court for the sum so awarded, and the cost and expenses incurred shall be defrayed by the said railroad company; and each of said commissioners shall be entitled to ten dollars per day for every day necessarily employed in the performance of the duties herein prescribed, to be paid by such railroad company. Should said company desire to take possession of the land and property mentioned in its said application prior to the determination of the appeal, it shall have the right so to do upon paying into court such sum of money as the court may deem necessary to pay such judgment as the court may render upon the trial of the appeal. In case the judgment rendered by the court upon said appeal, either with or without a trial by jury, shall be for a sum less than the amount awarded by the commissioners aforesaid, then the costs shall be paid by the parties defendant; in case the judgment shall be for a greater sum than the amount awarded by the commissioners, then the costs shall be paid by the company, and judgment for costs shall be rendered accordingly. One first-class battle ship, carrying as heavy armor and as powerful armament as any known vessel of its class, to have the highest practicable speed and greatest practicable radius of action, and to cost, exclusive of armament and armor, not exceeding six million dollars: Provided, That before approving any plans or specifications for the construction of such battle ship the Secretary of the Navy shall afford, by advertisement or otherwise, in his discretion, a reasonable opportunity to any competent constructor who may desire so to do, to submit plans and specifications for his consideration, for which said plans, should the same be used by the Department and be not submitted by or on behalf of a successful bidder for the contract, such compensation shall be paid as the Secretary of the Navy shall deem just and equitable out of the amount herein appropriated under the head “Contingent, Navy”: Provided, That before any proposals for said battle ship shall be issued or any bids received and accepted the Secretary of the Navy shall report to Congress at its next session full details covering the type of such battle ship and the specifications for the same, including its displacement, draft, and dimensions, and the kind and extent of armor and armament therefor.

Three torpedo-boat destroyers, to have the highest practicable speed, and to cost, exclusive of armament, not to exceed seven hundred and fifty thousand dollars each.

But this provision shall not apply to or interfere with contracts for such armor already entered into, signed and executed by the Secretary of the Navy.

Total increase of the Navy, thirty-three million four hundred and seventy-five thousand dollars.

That no part of any sum appropriated by this Act shall be used for any expense of the Navy Department at Washington unless specific authority be given for such expenditure.

The term 'common carrier' as used in this Act shall include express companies and sleeping car companies. The term ‘railroad,’ as used in this Act, shall include all bridges and ferries used or operated in connection with any railroad, and also all the road in use by any corporation operating a railroad, whether owned or operated under a contract, agreement, or lease, and shall also include all switches, spurs, tracks, and terminal facilities of every kind used or necessary in the transportation of the persons or property designated herein, and also all freight depots, yards, and grounds used or necessary in the transportation or delivery of any of said property; and the term ‘transportation’ shall include cars and other vehicles and all instrumentalities and facilities of shipment or carriage, irrespective of ownership or of any contract, express or implied, for the use thereof and all services in connection with the receipt, delivery, elevation, and transfer in transit, ventilation, refrigeration or icing, storage, and handling of property transported; and it shall be the duty of every carrier subject to the provisions of this Act to provide and furnish such transportation upon reasonable request therefor, and to establish through routes and just and reasonable rates applicable thereto. All charges made for any service rendered or to be rendered in the transportation of passengers or property as aforesaid, or in connection therewith, shall be just and reasonable; and every unjust and unreasonable charge for such service or any part thereof is prohibited and declared to be unlawful.

No common carrier subject to the provisions of this Act, shall, after January first, nineteen hundred and seven, directly or indirectly,

Any common carrier violating this provision shall be deemed guilty of a misdemeanor and for each offense, on conviction, shall pay to the United States a penalty of not less than one hundred dollars nor more than two thousand dollars, and any person, other than the persons excepted in this provision, who uses any such interstate free ticket, free pass, or free transportation, shall be subject to a like penalty. Jurisdiction of offenses under this provision shall be the same as that provided for offenses in an Act entitled `An Act to further regulate commerce with foreign nations and among the States,' approved February nineteenth, nineteen hundred and three, and any amendment thereof.

"From and after May first, nineteen hundred and eight, it shall be unlawful for any railroad company to transport from any State, Territory, or the District of Columbia, to any other State, Territory, or the District of Columbia, or to any foreign country, any article or commodity, other than timber and the manufactured products thereof, manufactured, mined, or produced by it, or under its authority, or which it may own in whole, or in part, or in which it may have any interest direct or indirect except such articles or commodities as may be necessary and intended for its use in the conduct of its business as a common carrier.

"Any common carrier subject to the provisions of this Act, upon application of any lateral, branch line of railroad, or of any shipper tendering interstate traffic for transportation, shall construct, maintain, and operate upon reasonable terms a switch connection with any such lateral, branch line of railroad, or private side track which may be constructed to connect with its railroad, where such connection is reasonably practicable and can be put in with safety and will furnish sufficient business to justify the construction and maintenance of the same; and shall furnish cars for the movement of such traffic to the best of its ability without discrimination in favor of or against any such shipper. If any common carrier shall fail to install and operate any such switch or connection as aforesaid, on application therefor in writing by any shipper, such shipper may make complaint to the Commission, as provided in section thirteen of this Act, and the Commission shall hear and investigate the same and shall determine as to the safety and practicability thereof and justification and reasonable compensation..."
therefore and the Commission may make an order, as provided in section fifteen of this Act, directing the common carrier to comply with the provisions of this section in accordance with such order, and such order shall be enforced as hereinafter provided for the enforcement of all other orders by the Commission, other than orders for the payment of money.

SEC. 2. That section six of said Act, as amended March second, eighteen hundred and eighty-nine, be amended so as to read as follows:

"Sec. 6. That every common carrier subject to the provisions of this Act shall file with the Commission created by this Act and print and keep open to public inspection schedules showing all the rates, fares, and charges for transportation between different points on its own route and between points on its own route and points on the route of any other carrier by railroad, by pipe line, or by water when a through route and joint rate have been established. If no joint rate over the through route has been established, the several carriers in such through route shall file, print and keep open to public inspection as aforesaid, the separately established rates, fares and charges applied to the through transportation. The schedules printed as aforesaid by any such common carrier shall plainly state the places between which property and passengers will be carried, and shall contain the classification of freight in force, and shall also state separately all terminal charges, storage charges, icing charges, and all other charges which the Commission may require, all privileges or facilities granted or allowed and any rules or regulations which in any wise change, affect, or determine any part or the aggregate of such aforesaid rates, fares, and charges, or the value of the service rendered to the passenger, shipper, or consignee. Such schedules shall be plainly printed in large type, and copies for the use of the public shall be kept posted in two public and conspicuous places in every depot, station, or office of such carrier where passengers or freight, respectively, are received for transportation, in such form that they shall be accessible to the public and can be conveniently inspected. The provisions of this section shall apply to all traffic, transportation, and facilities defined in this Act.

"Any common carrier subject to the provisions of this Act receiving freight in the United States to be carried through a foreign country to any place in the United States shall also in like manner print and keep open to public inspection, at every depot or office where such freight is received for shipment, schedules showing the through rates established and charged by such common carrier to all points in the United States beyond the foreign country to which it accepts freight for shipment; and any freight shipped from the United States through a foreign country into the United States the through rate on which shall not have been made public, as required by this Act, shall, before it is admitted into the United States from said foreign country, be subject to customs duties as if said freight were of foreign production.

"No change shall be made in the rates, fares, and charges or joint rates, fares, and charges which have been filed and published by any common carrier in compliance with the requirements of this section, except after thirty days' notice to the Commission and to the public published as aforesaid, which shall plainly state the changes proposed to be made in the schedule then in force and the time when the changed rates, fares, or charges will go into effect; and the proposed changes shall be shown by printing new schedules, or shall be plainly indicated upon the schedules in force at the time and kept open to public inspection; Provided, That the Commission may, in its discretion and for good cause shown, allow changes upon less than the notice herein specified, or modify the requirements of this section in respect to publishing, posting, and filing of tariffs, either in particular instances or..."
by a general order applicable to special or peculiar circumstances or conditions.

"The names of the several carriers which are parties to any joint tariff shall be specified therein, and each of the parties thereto, other than the one filing the same, shall file with the Commission such evidence of concurrence therein or acceptance thereof as may be required or approved by the Commission, and where such evidence of concurrence or acceptance is filed it shall not be necessary for the carriers filing the same to also file copies of the tariffs in which they are named as parties.

Every common carrier subject to this Act shall also file with said Commission copies of all contracts, agreements, or arrangements with other common carriers in relation to any traffic affected by the provisions of this Act to which it may be a party.

"The Commission may determine and prescribe the form in which the schedules required by this section to be kept open to public inspection shall be prepared and arranged and may change the form from time to time as shall be found expedient.

"No carrier, unless otherwise provided by this Act, shall engage or participate in the transportation of passengers or property, as defined in this Act, unless the rates, fares, and charges upon which the same are transported by said carrier have been filed and published in accordance with the provisions of this Act; nor shall any carrier charge or demand or collect or receive a greater or less or different compensation for such transportation of passengers or property, or for any service in connection therewith, between the points named in such tariffs than the rates, fares, and charges which are specified in the tariff filed and in effect at the time; nor shall any carrier refund or remit in any manner or by any device any portion of the rates, fares, and charges so specified, nor extend to any shipper or person any privileges or facilities in the transportation of passengers or property, except such as are specified in such tariffs: Provided, That wherever the word "carrier" occurs in this Act it shall be held to mean "common carrier."

"That in time of war or threatened war preference and precedence shall, upon the demand of the President of the United States, be given, over all other traffic, to the transportation of troops and material of war, and carriers shall adopt every means within their control to facilitate and expedite the military traffic."

That section one of the Act entitled "An Act to further regulate commerce with foreign nations and among the States," approved February nineteenth, nineteen hundred and three, be amended so as to read as follows:

"That anything done or omitted to be done by a corporation common carrier, subject to the Act to regulate commerce and the Acts amendatory thereof, which, if done or omitted to be done by any director or officer thereof, or any receiver, trustee, lessee, agent, or person acting for or employed by such corporation, would constitute a misdemeanor under said Acts or under this Act, shall also be held to be a misdemeanor committed by such corporation, and upon conviction thereof it shall be subject to like penalties as are prescribed in said Acts or by this Act with reference to such persons, except as such penalties are herein changed. The willful failure upon the part of any carrier subject to said Acts to file and publish the tariffs or rates and charges as required by said Acts, or strictly to observe such tariffs until changed according to law, shall be a misdemeanor, and upon conviction thereof the corporation offending shall be subject to a fine of not less than one thousand dollars nor more than twenty thousand dollars for each offense; and it shall be unlawful for any person, persons, or corporation to offer, grant, or give, or to solicit, accept or
receive any rebate, concession, or discrimination in respect to the transportation of any property in interstate or foreign commerce by any common carrier subject to said Act to regulate commerce and the Acts amendatory thereof whereby any such property shall by any device whatever be transported at a less rate than that named in the tariffs published and filed by such carrier, as is required by said Act to regulate commerce and the Acts amendatory thereof, or whereby any other advantage is given or discrimination is practiced. Every person or corporation, whether carrier or shipper, who shall, knowingly, offer, grant, or give, or solicit, accept, or receive any such rebate, concession, or discrimination shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than one thousand dollars nor more than twenty thousand dollars. Provided, That any person, or any officer or director of any corporation subject to the provisions of this Act, or the Act to regulate commerce and the Acts amendatory thereof, or any receiver, trustee, lessee, agent, or person acting for or employed by any such corporation, who shall be convicted as aforesaid, shall, in addition to the fine herein provided for, be liable to imprisonment in the penitentiary for a term of not exceeding two years, or both such fine and imprisonment, in the discretion of the court. Every violation of this section shall be prosecuted in any court of the United States having jurisdiction of crimes within the district in which such violation was committed, or through which the transportation may have been conducted; and whenever the offense is begun in one jurisdiction and completed in another it may be dealt with, inquired of, tried, determined, and punished in either jurisdiction in the same manner as if the offense had been actually and wholly committed therein.

In construing and enforcing the provisions of this section, the act, omission, or failure of any officer, agent, or other person acting for or employed by any common carrier, or shipper, acting within the scope of his employment, shall in every case be also deemed to be the act, omission, or failure of such carrier or shipper as well as that of the person. Whenever any carrier files with the Interstate Commerce Commission or publishes a particular rate under the provisions of the Act to regulate commerce or Acts amendatory thereof, or participates in any rates so filed or published, that rate as against such carrier, its officers or agents, in any prosecution begun under this Act shall be conclusively deemed to be the legal rate, and any departure from such rate, or any offer to depart therefrom, shall be deemed to be an offense under this section of this Act.

“Any person, corporation, or company who shall deliver property for interstate transportation to any common carrier, subject to the provisions of this Act, or for whom as consignor or consignee, any such carrier shall transport property from one State, Territory, or the District of Columbia to any other State, Territory, or the District of Columbia, or foreign country, who shall knowingly by employee, agent, officer, or otherwise, directly or indirectly, by or through any means or device whatsoever, receive or accept from such common carrier any sum of money or any other valuable consideration as a rebate or offset against the regular charges for transportation of such property, as fixed by the schedules of rates provided for in this Act, shall in addition to any penalty provided by this Act forfeit to the United States a sum of money three times the amount of money so received or accepted and three times the value of any other consideration so received or accepted, to be ascertained by the trial court; and the Attorney-General of the United States is authorized and directed, whenever he has reasonable grounds to believe that any such person, corporation, or company has knowingly received or accepted from any such common carrier any sum of money or other
valuable consideration as a rebate or offset as aforesaid, to institute in any court of the United States of competent jurisdiction, a civil action to collect the said sum or sums so forfeited as aforesaid; and in the trial of said action all such rebates or other considerations so received or accepted for a period of six years prior to the commencement of the action, may be included therein, and the amount recovered shall be three times the total amount of money, or three times the total value of such consideration, so received or accepted, or both, as the case may be."

Sec. 3. That section fourteen of said Act, as amended March second, eighteen hundred and eighty-nine, be amended so as to read as follows:

"Sec. 14. That whenever an investigation shall be made by said Commission, it shall be its duty to make a report in writing in respect thereto, which shall state the conclusions of the Commission, together with its decision, order, or requirement in the premises; and in case damages are awarded such report shall include the findings of fact on which the award is made.

"All reports of investigations made by the Commission shall be entered of record, and a copy thereof shall be furnished to the party who may have complained, and to any common carrier that may have been complained of.

"The Commission may provide for the publication of its reports and decisions in such form and manner as may be best adapted for public information and use, and such authorized publications shall be competent evidence of the reports and decisions of the Commission therein contained in all courts of the United States and of the several States without any further proof or authentication thereof. The Commission may also cause to be printed for early distribution its annual reports."

Sec. 4. That section fifteen of said Act be amended so as to read as follows:

"Sec. 15. That the Commission is authorized and empowered, and it shall be its duty, whenever, after full hearing upon a complaint made as provided in section thirteen of this Act, or upon complaint of any common carrier, it shall be of the opinion that any of the rates, or charges whatsoever, demanded, charged, or collected by any common carrier or carriers, subject to the provisions of this Act, for the transportation of persons or property as defined in the first section of this Act, or that any regulations or practices whatsoever of such carrier or carriers affecting such rates, are unjust or unreasonable, or unjustly discriminatory, or unduly preferential or prejudicial, or otherwise in violation of any of the provisions of this Act, to determine and prescribe what will be the just and reasonable rate or rates, charges or charges, to be thereafter observed in such case as the maximum to be charged; and what regulation or practice in respect to such transportation is just, fair, and reasonable to be thereafter followed; and to make an order that the carrier shall cease and desist from such violation, to the extent to which the Commission find the same to exist, and shall not thereafter publish, demand, or collect any rate or charge for such transportation in excess of the maximum rate or charge so prescribed, and shall conform to the regulation or practice so prescribed. All orders of the Commission, except orders for the payment of money, shall take effect within such reasonable time, not less than thirty days, and shall continue in force for such period of time, not exceeding two years, as shall be prescribed in the order of the Commission, unless the same shall be suspended or modified or set aside by the Commission or be suspended or set aside by a court of competent jurisdiction. Whenever the carrier or carriers, in obedience to such order of the Commission or otherwise, in respect to joint rates, fares, or charges, shall fail to agree among themselves..."
upon the apportionment or division thereof, the Commission may, after hearing make a supplemental order prescribing the just and reasonable proportion of such joint rate to be received by each carrier party thereto, which order shall take effect as a part of the original order.

"The Commission may also, after hearing on a complaint, establish through routes and joint rates as the maximum to be charged and prescribe the division of such rates as hereinafter provided, and the terms and conditions under which such through routes shall be operated, when that may be necessary to give effect to any provision of this Act, and the carriers complained of have refused or neglected to voluntarily establish such through routes and joint rates, provided no reasonable or satisfactory through route exists, and this provision shall apply when one of the connecting carriers is a water line.

"If the owner of property transported under this Act directly or indirectly renders any service connected with such transportation, or furnishes any instrumentality used therein, the charge and allowance therefor shall be no more than is just and reasonable, and the Commission may, after hearing on a complaint, determine what is a reasonable charge as the maximum to be paid by the carrier or carriers for the service so rendered or for the use of the instrumentality so furnished, and fix the same by appropriate order, which order shall have the same force and effect and be enforced in like manner as the orders above provided for in this section.

The foregoing enumeration of powers shall not exclude any power which the Commission would otherwise have in the making of an order under the provisions of this Act."

"SEC. 5. That section sixteen of said Act, as amended March second, eighteen hundred and eighty-nine, be amended so as to read as follows:"

"SEC. 16. That if, after hearing on a complaint made as provided in section thirteen of this Act, the Commission shall determine that any party complainant is entitled to an award of damages under the provisions of this Act for a violation thereof, the Commission shall make an order directing the carrier to pay to the complainant the sum to which he is entitled on or before a day named.

Proceedings in circuit court if money be not paid.

"If a carrier does not comply with an order for the payment of money within the time limit in such order, the complainant, or any person for whose benefit such order was made, may file in the circuit court of the United States for the district in which he resides or in which is located the principal operating office of the carrier, or through which the road of the carrier runs, a petition setting forth briefly the causes for which he claims damages, and the order of the Commission in the premises. Such suit shall proceed in all respects like other civil suits for damages, except that on the trial of such suit the findings and order of the Commission shall be prima facie evidence of the facts therein stated, and except that the petitioner shall not be liable for costs in the circuit court nor for costs at any subsequent stage of the proceedings unless they accrue upon his appeal. If the petitioner shall finally prevail he shall be allowed a reasonable attorney's fee, to be taxed and collected as a part of the costs of the suit. All complaints for the recovery of damages shall be filed with the Commission within two years from the time the cause of action accrues, and not after, and a petition for the enforcement of an order for the payment of money shall be filed in the circuit court within one year from the date of the order, and not after: Provided, That claims accrued prior to the passage of this Act may be presented within one year.

In such suits all parties in whose favor the Commission may have made an award for damages by a single order may be joined as plaintiffs, and all of the carriers parties to such order awarding such damages may be joined as defendants, and such suit may be maintained by

such joint plaintiffs and against such joint defendants in any district
where any one of such joint plaintiffs could maintain such suit against
any one of such joint defendants; and service of process against any
one of such defendants as may not be found in the district where the
suit is brought may be made in any district where such defendant car-
rier has its principal operating office. In case of such joint suit the
recovery, if any, may be by judgment in favor of any one of such
plaintiffs, against the defendant found to be liable to such plaintiff.

"Every order of the Commission shall be forthwith served by mail-
ing to any one of the principal officers or agents of the carrier at his
usual place of business a copy thereof; and the registry mail receipt
shall be prima facie evidence of the receipt of such order by the car-
rier in due course of mail.

"The Commission shall be authorized to suspend or modify its orders
upon such notice and in such manner as it shall deem proper.

"It shall be the duty of every common carrier, its agents and
employees, to observe and comply with such orders so long as the
same shall remain in effect.

"Any carrier, any officer, representative, or agent of a carrier, or
any receiver, trustee, lessee, or agent of either of them, who know-
ingly fails or neglects to obey any order made under the provisions of
section fifteen of this Act, shall forfeit to the United States the sum of
five thousand dollars for each offense. Every distinct violation shall
be a separate offense, and in case of a continuing violation each day
shall be deemed a separate offense.

"The forfeiture provided for in this Act shall be payable into the
Treasury of the United States, and shall be recoverable in a civil suit
in the name of the United States, brought in the district where the
carrier has its principal operating office, or in any district through
which the road of the carrier runs.

"It shall be the duty of the various district attorneys, under the direc-
tion of the Attorney-General of the United States, to prosecute for
the recovery of forfeitures. The costs and expenses of such prosecu-
tion shall be paid out of the appropriation for the expenses of the
courts of the United States. The Commission may, with the consent
of the Attorney-General, employ special counsel in any proceeding
under this Act, paying the expenses of such employment out of its
own appropriation.

"If any carrier fails or neglects to obey any order of the Commis-
sion, other than for the payment of money, while the same is in effect,
any party injured thereby, or the Commission in its own name, may
apply to the circuit court in the district where such carrier has its
principal operating office, or in which the violation or disobedience
of such order shall happen, for an enforcement of such order. Such
application shall be by petition, which shall state the substance of the
order and the respect in which the carrier has failed of obedience, and
shall be served upon the carrier in such manner as the court may
direct, and the court shall prosecute such inquiries and make such
investigations, through such means as it shall deem needful in the
ascertainment of the facts at issue or which may arise upon the hear-
ing of such petition. If, upon such hearing as the court may deter-
mine to be necessary, it appears that the order was regularly made
and duly served, and that the carrier is in disobedience of the same,
the court shall enforce obedience to such order by a writ of injunctio
or other proper process, mandatory or otherwise, to restrain such
carrier, its officers, agents, or representatives, from further disobedi-
ence of such order, or to enjoin upon it, or them, obedience to the
same; and in the enforcement of such process the court shall have
those powers ordinarily exercised by it in compelling obedience to its
writs of injunction and mandamus.
Appeals to Supreme Court.

From any action upon such petition an appeal shall lie by either party to the Supreme Court of the United States, and in such court the case shall have priority in hearing and determination over all other causes except criminal causes, but such appeal shall not vacate or suspend the order appealed from.

Venue of suits against Commission.

The venue of suits brought in any of the circuit courts of the United States against the Commission to enjoin, set aside, annul, or suspend any order or requirement of the Commission shall be in the district where the carrier against whom such order or requirement may have been made has its principal operating office, and may be brought at any time after such order is promulgated. And if the order or requirement has been made against two or more carriers then in the district where any one of said carriers has its principal operating office, and if the carrier has its principal operating office in the District of Columbia then the venue shall be in the district where said carrier has its principal office; and jurisdiction to hear and determine such suits is hereby vested in such courts. The provisions of 'An Act to expedite the hearing and determination of suits in equity, and so forth,' approved February eleventh, nineteen hundred and three, shall be, and are hereby, made applicable to all such suits, including the hearing on an application for a preliminary injunction, and are also made applicable to any proceeding in equity to enjoin or annul any order or requirement of the Commission, or any of the provisions of the Act to regulate commerce approved February fourth, eighteen hundred and eighty-seven, and all Acts amendatory thereof or supplemental thereto. It shall be the duty of the Attorney-General in every such case to file the certificate provided for in said expediting Act of February eleventh, nineteen hundred and three, as necessary to the application of the provisions thereof, and upon appeal as therein authorized to the Supreme Court of the United States, the case shall have in such court priority in hearing and determination over all other causes except criminal causes: Provided, That no injunction, interlocutory order or decree suspending or restraining the enforcement of an order of the Commission shall be granted except on hearing after not less than five days' notice to the Commission. An appeal may be taken from any interlocutory order or decree granting or continuing an injunction in any suit, but shall lie only to the Supreme Court of the United States: Provided further, That the appeal must be taken within thirty days from the entry of such order or decree and it shall take precedence in the appellate court over all other causes, except causes of like character and criminal causes.

Schedules of rates, etc., to be kept as public records.

The copies of schedules and tariffs of rates, fares, and charges, and of all contracts, agreements, or arrangements between common carriers filed with the Commission as herein provided, and the statistics, tables, and figures contained in the annual reports of carriers made to the Commission, as required by the provisions of this Act, shall be preserved as public records in the custody of the secretary of the Commission, and shall be received as prima facie evidence of what they purport to be for the purpose of investigations by the Commission and in all judicial proceedings; and copies of or extracts from any of said schedules, tariffs, contracts, agreements, arrangements, or reports made public records as aforesaid, certified by the secretary under its seal, shall be received in evidence with like effect as the originals.

Rehearings.

Sec. 6. That a new section be added to said Act immediately after section sixteen, to be numbered as section sixteen a, as follows:

"Sec. 16a. That after a decision, order, or requirement has been made by the Commission in any proceeding any party thereto may at any time make application for rehearing of the same, or any matter determined therein, and it shall be lawful for the Commission in its discre-
tion to grant such a rehearing if sufficient reason therefor be made to appear. Applications for rehearing shall be governed by such general rules as the Commission may establish. No such application shall excuse any carrier from complying with or obeying any decision, order, or requirement of the Commission, or operate in any manner to stay or postpone the enforcement thereof, without the special order of the Commission. In case a rehearing is granted the proceedings thereupon shall conform as nearly as may be to the proceedings in an original hearing, except as the Commission may otherwise direct; and if, in its judgment, after such rehearing and the consideration of all facts, including those arising since the former hearing, it shall appear that the original decision, order, or requirement is in any respect unjust or unwarranted, the Commission may reverse, change, or modify the same accordingly. Any decision, order, or requirement made after such rehearing, reversing, changing, or modifying the original determination shall be subject to the same provisions as an original order.

Sec. 7. That section twenty of said Act be amended so as to read as follows:

"Sec. 20. That the Commission is hereby authorized to require annual reports from all common carriers subject to the provisions of this Act, and from the owners of all railroads engaged in interstate commerce as defined in this Act, to prescribe the manner in which such reports shall be made, and to require from such carriers specific answers to all questions upon which the Commission may need information. Such annual reports shall show in detail the amount of capital stock issued, the amounts paid therefor, and the manner of payment for the same; the dividends paid, the surplus fund, if any, and the number of stockholders; the funded and floating debts and the interest paid thereon; the cost and value of the carrier's property, franchises, and equipments; the number of employees and the salaries paid each class; the accidents to passengers, employees, and other persons, and the causes thereof; the amounts expended for improvements each year; how expended, and the character of such improvements; the earnings and receipts from each branch of business and from all sources; the operating and other expenses; the balances of profit and loss; and a complete exhibit of the financial operations of the carrier each year, including an annual balance sheet. Such reports shall also contain such information in relation to rates or regulations concerning fares or freights, or agreements, arrangements, or contracts affecting the same as the Commission may require; and the Commission may, in its discretion, for the purpose of enabling it the better to carry out the purposes of this Act, prescribe a period of time within which all common carriers subject to the provisions of this Act shall have, as near as may be, a uniform system of accounts, and the manner in which such accounts shall be kept.

"Said detailed reports shall contain all the required statistics for the period of twelve months ending on the thirtieth day of June in each year, and shall be made out under oath and filed with the Commission, at its office in Washington, on or before the thirtieth day of September then next following, unless additional time be granted in any case by the Commission; and if any carrier, person, or corporation subject to the provisions of this Act shall fail to make and file said annual reports within the time above specified, or within the time extended by the Commission for making and filing the same, or shall fail to make specific answer to any question authorized by the provisions of this section within thirty days from the time it is lawfully required so to do, such parties shall forfeit to the United States the sum of one hundred dollars for each and every day it shall continue to be in default with respect thereto. The Commission shall also have
authority to require said carriers to file monthly reports of earnings
and expenses or special reports within a specified period, and if any
such carrier shall fail to file such reports within the time fixed by the
Commission it shall be subject to the forfeitures last above provided.

"Said forfeitures shall be recovered in the manner provided for the
recovery of forfeitures under the provisions of this Act.

"The oath required by this section may be taken before any person
authorized to administer an oath by the laws of the State in which the
same is taken.

"The Commission may, in its discretion, prescribe the forms of
any and all accounts, records, and memoranda to be kept by carriers
subject to the provisions of this Act, including the accounts, records,
and memoranda of the movement of traffic as well as the receipts and
expenditures of moneys. The Commission shall at all times have
access to all accounts, records, and memoranda kept by carriers sub-
ject to this Act, and it shall be unlawful for such carriers to keep
any other accounts, records, or memoranda than those prescribed or
approved by the Commission, and it may employ special agents or
examiners, who shall have authority under the order of the Commis-
sion to inspect and examine any and all accounts, records, and mem-
oranda kept by such carriers. This provision shall apply to receivers
of carriers and operating trustees.

"In case of failure or refusal on the part of any such carrier,
receiver, or trustee to keep such accounts, records, and memoranda
on the books and in the manner prescribed by the Commission, or to
submit such accounts, records, and memoranda as are kept to the
inspection of the Commission or any of its authorized agents or exam-
iners, such carrier, receiver, or trustee shall forfeit to the United
States the sum of five hundred dollars for each such offense and for
each and every day of the continuance of such offense, such forfeitures
to be recoverable in the same manner as other forfeitures provided for
in this Act.

"Any person who shall willfully make any false entry in the
accounts of any book of accounts or in any record or memoranda
kept by a carrier, or who shall willfully destroy, mutilate, alter, or
by any other means or device falsify the record of any such account,
record, or memoranda, or who shall willfully neglect or fail to make
full, true, and correct entries in such accounts, records, or memoranda
of all facts and transactions appertaining to the carrier's business, or
shall keep any other accounts, records, or memoranda than those pre-
scribed or approved by the Commission, shall be deemed guilty of a
misdemeanor and shall be subject, upon conviction in any court of the
United States of competent jurisdiction, to a fine of not less than one
thousand dollars nor more than five thousand dollars, or imprisonmen-
t for a term not less than one year nor more than three years, or both
such fine and imprisonment.

"Any examiner who divulges any fact or information which may
come to his knowledge during the course of such examination, except
in so far as he may be directed by the Commission or by a court or
judge thereof, shall be subject, upon conviction in any court of the
United States of competent jurisdiction, to a fine of not more than
five thousand dollars or imprisonment for a term not exceeding two
years, or both.

"That the circuit and district courts of the United States shall have
jurisdiction, upon the application of the Attorney-General of the
United States at the request of the Commission, alleging a failure to
comply with or a violation of any of the provisions of said Act to
regulate commerce or of any Act supplementary thereto or amend-
tory thereof by any common carrier, to issue a writ or writs of man-
damus commanding such common carrier to comply with the provisions of said Acts, or any of them.

"And to carry out and give effect to the provisions of said Acts, or any of them, the Commission is hereby authorized to employ special agents or examiners who shall have power to administer oaths, examine witnesses, and receive evidence.

"That any common carrier, railroad, or transportation company receiving property for transportation from a point in one State to a point in another State shall issue a receipt or bill of lading therefor and shall be liable to the lawful holder thereof for any loss, damage, or injury to such property caused by it or by any common carrier, railroad, or transportation company to which such property may be delivered or over whose line or lines such property may pass, and no contract, receipt, rule, or regulation shall exempt such common carrier, railroad, or transportation company from the liability hereby imposed:

Provided, That nothing in this section shall deprive any holder of such receipt or bill of lading of any remedy or right of action which he has under existing law.

"That the common carrier, railroad, or transportation company issuing such receipt or bill of lading shall be entitled to recover from the common carrier, railroad, or transportation company on whose line the loss, damage, or injury shall have been sustained the amount of such loss, damage, or injury as it may be required to pay to the owners of such property, as may be evidenced by any receipt, judgment, or transcript thereof."

SEC. 8. That a new section be added to said Act at the end thereof, to be numbered as section twenty-four, as follows:

"That the Interstate Commerce Commission is hereby enlarged so as to consist of seven members with terms of seven years, and each shall receive ten thousand dollars compensation annually. The qualifications of the Commissioners and the manner of the payment of their salaries shall be as already provided by law. Such enlargement of the Commission shall be accomplished through appointment by the President, by and with the advice and consent of the Senate, of two additional Interstate Commerce Commissioners, one for a term expiring December thirty-first, nineteen hundred and eleven, one for a term expiring December thirty-first, nineteen hundred and twelve. The terms of the present Commissioners, or of any successor appointed to fill a vacancy caused by the death or resignation of any of the present Commissioners, shall expire as heretofore provided by law. SEC. 11. That this Act shall take effect and be in force from and after its passage.

Whenever any certificate of citizenship shall be set aside or canceled, as herein provided, the court in which such judgment or decree is rendered shall make an order canceling such certificate of citizenship and shall send a certified copy of such order to the Bureau of Immigration and Naturalization; and in case such certificate was not originally issued by the court making such order it shall direct the clerk of the court to transmit a copy of such order and judgment to the court out of which such certificate of citizenship shall have been originally issued. And it shall thereupon be the duty of the clerk of the court receiving such certified copy of the order and judgment of the court to enter the same of record and to cancel such original certificate of citizenship upon the records and to notify the Bureau of Immigration and Naturalization of such cancellation.

The said marshal shall summons a jury and administer an oath to them that they will, without favor or partiality to anyone, to the best of their judgment, appraise and determine the amount of damages to which each owner of any such property so affected by

verdict, to be signed by them, or a majority of them, and attested by
the marshal, who shall return the same to the court and a copy thereof
to the Commissioners of the District of Columbia: that said verdict,
when confirmed by the court, shall be final. The verdict of the jury

as nearly as may be to the laws of the State of Arkansas in respect of condemning land for the right of way for railroad purposes: Provided, That to insure compliance with the forms of the contract or of this Act, or to protect the interests of navigation, the Secretary of War shall have power at any time, before or after the completion of the work, to order a suspension of all privileges granted by this Act: And provided further, That compliance with such order of suspension may be enforced by the injunction of the circuit court of the United States exercising jurisdiction in the district in which the work is situated, and proper proceedings to this end shall be instituted by the Attorney-General upon request of the Secretary of War.

That for the purpose of preventing the use in interstate or foreign
commerce, as hereinafter provided, of meat and meat food products
which are unsound, unhealthful, unwholesome, or otherwise unfit for
human food, the Secretary of Agriculture, at his discretion, may cause
to be made, by inspectors appointed for that purpose, an examina-
tion and inspection of all cattle, sheep, swine, and goats before they
shall be allowed to enter into any slaughtering, packing, meat-canning,
rendering, or similar establishment, in which they are to be slaugh-
tered and the meat and meat food products thereof are to be used in
interstate or foreign commerce; and all cattle, swine, sheep, and goats
found on such inspection to show symptoms of disease shall be set
apart and slaughtered separately from all other cattle, sheep, swine,
or goats, and when so slaughtered the carcasses of said cattle, sheep,
swine, or goats shall be subject to a careful examination and inspec-
tion, all as provided by the rules and regulations to be prescribed by
the Secretary of Agriculture as herein provided for.

That for the purposes hereinbefore set forth the Secretary of Agri-

State, Territory, or the District of Columbia for transportation or sale as articles of interstate or foreign commerce; and the carcasses and parts thereof of all such animals found to be sound, healthful, wholesome, and fit for human food shall be marked, stamped, tagged, or labeled as "Inspected and passed;" and said inspectors shall label, mark, stamp, or tag as "Inspected and condemned," all carcasses and parts thereof of animals found to be unsound, unhealthful, unwholesome, or otherwise unfit for human food; and all carcasses and parts thereof thus inspected and condemned shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Secretary of Agriculture may remove inspectors from any such establishment which fails to so destroy any such condemned carcass or part thereof, and said inspectors, after said first inspection shall, when they deem it necessary, reinspect said carcasses or parts thereof to determine whether since the first inspection the same have become unsound, unhealthful, unwholesome, or in any way unfit for human food, and if any carcass or any part thereof shall, upon examination and inspection subsequent to the first examination and inspection, be found to be unsound, unhealthful, unwholesome, or otherwise unfit for human food, it shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Secretary of Agriculture may remove inspectors from any establishment which fails to so destroy any such condemned carcass or part thereof.

The foregoing provisions shall apply to all carcasses or parts of carcasses of cattle, sheep, swine, and goats, or the meat or meat products thereof which may be brought into any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, and such examination and inspection shall be had before the said carcasses or parts thereof shall be allowed to enter into any department wherein the same are to be treated and prepared for meat food products; and the foregoing provisions shall also apply to all such products which, after having been issued from any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, shall be returned to the same or to any similar establishment where such inspection is maintained.

when no substance is used in the preparation or packing thereof in conflict with the laws of the foreign country to which said article is to be exported; but if said article shall be in fact sold or offered for sale for domestic use or consumption then this proviso shall not exempt said article from the operation of all the other provisions of this Act.

That when any meat or meat food product prepared for interstate or foreign commerce which has been inspected as hereinbefore provided and marked “Inspected and passed” shall be placed or packed in any can, pot, tin, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Act is maintained, the person, firm, or corporation preparing said product shall cause a label to be attached to said can, pot, tin, canvas, or other receptacle or covering, under the supervision of an inspector, which label shall state that the contents thereof have been “inspected and passed” under the provisions of this Act; and no inspection and examination of meat or meat food products deposited or inclosed in cans, tins, pots, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Act is maintained shall be deemed to be complete until such meat or meat food products have been sealed or inclosed in said can, tin, pot, canvas, or other receptacle or covering under the supervision of an inspector, and no such meat or meat food products shall be sold or offered for sale by any person, firm, or corporation in interstate or foreign commerce under any false or deceptive name; but established trade name or names which are usual to such products and which are not false and deceptive and which shall be approved by the Secretary of Agriculture are permitted.

The Secretary of Agriculture shall cause to be made, by experts in sanitation or by other competent inspectors, such inspection of all slaughtering, meat canning, salting, packing, rendering, or similar establishments in which cattle, sheep, swine, and goats are slaughtered and the meat and meat food products thereof are prepared for interstate or foreign commerce as may be necessary to inform himself concerning the sanitary conditions of the same, and to prescribe the rules and regulations of sanitation under which such establishments shall be maintained; and where the sanitary conditions of any such establishment are such that the meat or meat food products are rendered unclean, unsound, unhealthful, unwholesome, or otherwise unfit for human food, he shall refuse to allow said meat or meat food products to be labeled, marked, stamped, or tagged as “inspected and passed.”

That the Secretary of Agriculture shall cause an examination and inspection of all cattle, sheep, swine, and goats, and the food products thereof, slaughtered and prepared in the establishments hereinbefore described for the purposes of interstate or foreign commerce to be made during the nighttime as well as during the daytime when the slaughtering of said cattle, sheep, swine, and goats, or the preparation of said food products is conducted during the nighttime.

under existing law, shall be examined and labeled under such rules and regulations as the Secretary of Agriculture shall prescribe, and shall then be allowed to be sold in interstate or foreign commerce.

That no person, firm, or corporation, or officer, agent, or employee thereof, shall forge, counterfeit, simulate, or falsely represent, or shall without proper authority use, fail to use, or detach, or shall knowingly or wrongfully alter, deface, or destroy, or fail to deface or destroy, any of the marks, stamps, tags, labels, or other identification devices provided for in this Act, or in and as directed by the rules and regulations prescribed hereunder by the Secretary of Agriculture, on any carcasses, parts of carcasses, or the food product, or containers thereof, subject to the provisions of this Act, or any certificate in relation thereto, authorized or required by this Act or by the said rules and regulations of the Secretary of Agriculture.

That the Secretary of Agriculture shall cause to be made a careful inspection of all cattle, sheep, swine, and goats intended and offered for export to foreign countries at such times and places, and in such manner as he may deem proper, to ascertain whether such cattle, sheep, swine, and goats are free from disease.

And for this purpose he may appoint inspectors who shall be authorized to give an official certificate clearly stating the condition in which such cattle, sheep, swine, and goats are found.

And no clearance shall be given to any vessel having on board cattle, sheep, swine, or goats for export to a foreign country until the owner or shipper of such cattle, sheep, swine, or goats has a certificate from the inspector herein authorized to be appointed, stating that the said cattle, sheep, swine, or goats are sound and healthy, or unless the Secretary of Agriculture shall have waived the requirement of such certificate for export to the particular country to which such cattle, sheep, swine, or goats are to be exported.

That the Secretary of Agriculture shall also cause to be made a careful inspection of the carcasses and parts thereof of all cattle, sheep, swine, and goats, the meat of which, fresh, salted, canned, corned, packed, cured, or otherwise prepared, is intended and offered for export to any foreign country, at such times and places and in such manner as he may deem proper.

And for this purpose he may appoint inspectors who shall be authorized to give an official certificate stating the condition in which said cattle, sheep, swine, or goats, and the meat thereof, are found.

And no clearance shall be given to any vessel having on board any fresh, salted, canned, corned, or packed beef, mutton, pork, or goat meat, being the meat of animals killed after the passage of this Act, or except as hereinbefore provided for export to and sale in a foreign country from any port in the United States, until the owner or shipper thereof shall obtain from an inspector appointed under the provisions of this Act a certificate that the said cattle, sheep, swine, and goats were sound and healthy at the time of inspection, and that their meat is sound and wholesome, unless the Secretary of Agriculture shall have waived the requirements of such certificate for the country to which said cattle, sheep, swine, and goats or meats are to be exported.

That the inspectors provided for herein shall be authorized to give official certificates of the sound and wholesome condition of the cattle, sheep, swine, and goats, their carcasses and products as herein described, and one copy of every certificate granted under the provisions of this Act shall be filed in the Department of Agriculture, another copy shall be delivered to the owner or shipper, and when the cattle, sheep, swine, and goats or their carcasses and products are sent abroad, a third copy shall be delivered to the chief officer of the vessel on which the shipment shall be made.
That no person, firm, or corporation engaged in the interstate commerce of meat or meat food products shall transport or offer for transportation, sell or offer to sell any such meat or meat food products in any State or Territory or in the District of Columbia or any place under the jurisdiction of the United States, other than in the State or Territory or in the District of Columbia or any place under the jurisdiction of the United States in which the slaughtering, packing, canning, rendering, or other similar establishment owned, leased, operated by said firm, person, or corporation is located unless and until said person, firm, or corporation shall have complied with all of the provisions of this Act.

shall be a tariff or customs duty shall be admitted free of the payment of such duty, customs, fees, or charges, under such regulations as the Secretary of the Treasury shall prescribe; but it shall be lawful at any time during the exposition to sell, for delivery at the close thereof, any goods or property imported for and actually on exhibition in the exposition buildings or on the grounds, subject to such regulations for the security of the revenue and for the collection of import duties as the Secretary of the Treasury may prescribe: Provided, That all such articles, when sold or withdrawn for consumption or use in the United States, shall be subject to the duty, if any, imposed upon such articles by the revenue laws in force at the date of withdrawal, and on articles which shall have suffered diminution or deterioration from incidental handling and necessary exposure the duty, if paid, shall be assessed according to the appraised value at the time of withdrawal for consumption or use, and the penalties prescribed by law shall be enforced against any person guilty of any illegal sale or withdrawal: Provided further, That nothing in this section contained shall be construed as an invitation, express or implied, from the Government of the United States to any foreign government, state, municipality, corporation, partnership, or individual to import any such articles for the purpose of exhibition at the said exposition.

That medals with appropriate devices, emblems, and inscriptions commemorative of said Jamestown Tercentennial Exposition and of the awards to be made to the exhibitors thereat and to successful contestants in aquatic and other contests shall be prepared for the Jamestown Exposition Company by the Secretary of the Treasury at some mint of the United States, subject to the provisions of the fifty-second section of the coinage Act of eighteen hundred and ninety-three, upon the payment by the Jamestown Exposition Company of a sum equal to the cost thereof; and authority play be given by the Secretary of the Treasury to the holder of a medal properly awarded to him to have duplicates thereof made at any of the mints of the United States from gold, silver, or bronze upon the payment by him for the same of a sum equal to the cost thereof.

That in aid of the Negro Development and Exposition Company of the United States of America to enable it to make an exhibit of the progress of the negro race in this country at the said exposition, the sum of one hundred thousand dollars is hereby appropriated out of any money in the Treasury not otherwise appropriated. This sum shall be expended by the Jamestown Tercentennial Commission under rules and regulations prescribed by it and for such objects as shall be approved by both the said Negro Development and Exposition Company of the United States of America and the said Commission: Provided, however, That a reasonable proportion of said appropriation shall be expended for a building within which to make such exhibit.

That except to the extent and in the manner by this Act provided and authorized the United States Government shall not be liable on any account whatever in connection with the said exposition, and nothing in this Act shall be construed so as to create any liability upon the part of the United States Government, direct or indirect, for any debt or obligation incurred, or for any claim for aid or pecuniary assistance from Congress or the Treasury of the United States in support of or in liquidation of any debts or obligations created by said Tercentennial Commission, or any other board, commission, or any person or persons whomsoever, acting or claiming to act by authority of this Act in excess of the appropriations provided for by this Act.

The United States shall in no event be liable, directly or indirectly, upon any ground or for any cause whatsoever in connection with or on account of its participation in said Jamestown Tercentennial Exposition beyond the sums expressly appropriated by the Act of March third, nineteen hundred and five and by this Act.
That all moneys appropriated by this Act which the Jamestown Tercentennial Commission is authorized to expend shall be drawn out of the Treasury in such manner and under such regulations as such Commission may determine, subject to the approval of the Secretary of the Treasury; and at the close of the exposition period, and after the work of such Commission is completed, such Commission shall make a complete report of their actions hereunder and a complete statement of all expenditures for each of the purposes herein specified to the President of the United States for transmission to Congress.

Sixth. If it consists in whole or in part of a filthy, decomposed, or putrid animal or vegetable substance, or any portion of an animal unit for food, whether manufactured or not, or if it is the product of a diseased animal, or one that has died otherwise than by slaughter.

SEC. 8. That the term “misbranded,” as used herein, shall apply to all drugs, or articles of food, or articles which enter into the composition of food, the package or label of which shall bear any statement, design, or device regarding such article, or the ingredients or substances contained therein which shall be false or misleading in any particular, and to any food or drug product which is falsely branded as to the State, Territory, or country in which it is manufactured or produced.

That for the purposes of this Act an article shall also be deemed to be misbranded:

In case of drugs:

First. If it be an imitation of or offered for sale under the name of another article.

Second. If the contents of the package as originally put up shall have been removed, in whole or in part, and other contents shall have been placed in such package, or if the package fail to bear a statement on the label of the quantity or proportion of any alcohol, morphine, opium, cocaine, heroin, alpha or beta eucaine, chloroform, cannabis indica, chloral hydrate, or acetalnilde, or any derivative or preparation of any such substances contained therein.

In the case of food:

First. If it be an imitation of or offered, for sale under the distinctive name of another article.

Second. If it be labeled or branded so as to deceive or mislead the purchaser, or purport to be a foreign product when not so, or if the contents of the package as originally put up shall have been removed in whole or in part and other contents shall have been placed in such package, or if it fail to bear a statement on the label of the quantity or proportion of any morphine, opium, cocaine, heroin, alpha or beta eucaine, chloroform, cannabis indica, chloral hydrate, or acetalnilde, or any derivative or preparation of any of such substances contained therein.
Third. If in package form, and the contents are stated in terms of weight or measure, they are not plainly and correctly stated on the outside of the package.

Fourth. If the package containing it or its label shall bear any statement, design, or device regarding the ingredients or the substances contained therein, which statement, design, or device shall be false or misleading in any particular; Provided, That an article of food which does not contain any added poisonous or deleterious ingredients shall not be deemed to be adulterated or misbranded in the following cases:

First. In the case of mixtures or compounds which may be now or from time to time hereafter known as articles of food, under their own distinctive names, and not an imitation of or offered for sale under the distinctive name of another article, if the name be accompanied on the same label or brand with a statement of the place where said article has been manufactured or produced.

Second. In the case of articles labeled, branded, or tagged so as to plainly indicate that they are compounds, imitations, or blends, and the word "compound," "imitation," or "blend," as the case may be, is plainly stated on the package in which it is offered for sale: Provided, That the term blend as used herein shall be construed to mean a mixture of like substances, not excluding harmless coloring or flavoring ingredients used for the purpose of coloring and flavoring only: And provided further, That nothing in this Act shall be construed as requiring or compelling proprietors or manufacturers of proprietary foods which contain no unwholesome added ingredient to disclose their trade formulas, except in so far as the provisions of this Act may require to secure freedom from adulteration or misbranding.

Sec. 9. That no dealer shall be prosecuted under the provisions of this Act when he can establish a guaranty signed by the wholesaler, jobber, manufacturer, or other party residing in the United States, from whom he purchases such articles, to the effect that the same is not adulterated or misbranded within the meaning of this Act, designating it. Said guaranty, to afford protection, shall contain the name and address of the party or parties making the sale of such articles to such dealer, and in such case said party or parties shall be amenable to the prosecutions, fines, and other penalties which would attach, in due course, to the dealer under the provisions of this Act.

Sec. 10. That any article of food, drug, or liquor that is adulterated or misbranded within the meaning of this Act, and is being transported from one State, Territory, District, or insular possession to another, or, having been transported, remains unloaded, unsold, or in original unbroken packages, or if it be sold or offered for sale in the District of Columbia or the Territories, or insular possessions of the United States, or if it be imported from a foreign country for sale, or if it is intended for export to a foreign country, shall be liable to be proceeded against in any district court of the United States within the district where the same is found, and seized for confiscation by a process of libel for condemnation. And if such article is condemned as being adulterated or misbranded, or of a poisonous or deleterious character, within the meaning of this Act, the same shall be disposed of by destruction or sale, as the said court may direct, and the proceeds thereof, if sold, less the legal costs and charges, shall be paid into the Treasury of the United States, but such goods shall not be sold in any jurisdiction contrary to the provisions of this Act or the laws of that jurisdiction: Provided, however, That upon the payment of the costs of such libel proceedings and the execution and delivery of a good and sufficient bond to the effect that such articles shall not be sold or otherwise disposed of contrary to the provisions of this Act, or the laws of any State, Territory, District, or insular possession, the court may by order direct that such articles be delivered to the owner thereof. The
proceedings of such libel cases shall conform, as near as may be, to the proceedings in admiralty, except that either party may demand trial by jury of any issue of fact joined in any such case, and all such proceedings shall be at the suit of and in the name of the United States.

Sec. 11. The Secretary of the Treasury shall deliver to the Secretary of Agriculture, upon his request from time to time, samples of foods and drugs which are being imported into the United States or offered for import, giving notice thereof to the owner or consignee, who may appear before the Secretary of Agriculture, and have the right to introduce testimony, and if it appear from the examination of such samples that any article of food or drug offered to be imported into the United States is adulterated or misbranded within the meaning of this Act, or is otherwise dangerous to the health of the people of the United States, or is of a kind forbidden entry into, or forbidden to be sold or restricted in sale in the country in which it is made or from which it is exported, or is otherwise falsely labeled in any respect, the said article shall be refused admission, and the Secretary of the Treasury shall refuse delivery to the consignee and shall cause the destruction of any goods refused delivery which shall not be exported by the consignee within three months from the date of notice of such refusal under such regulations as the Secretary of the Treasury may prescribe: Provided, That the Secretary of the Treasury may deliver to the consignee such goods pending examination and decision in the matter on execution of a penal bond for the amount of the full invoice value of such goods, together with the duty thereon, and on refusal to return such goods for any cause to the custody of the Secretary of the Treasury, when demanded, for the purpose of excluding them from the country, or for any other purpose, said consignee shall forfeit the full amount of the bond: And provided further, That all charges for storage, cartage, and labor on goods which are refused admission or delivery shall be paid by the owner or consignee, and in default of such payment shall constitute a lien against any future importation made by such owner or consignee. 

Sec. 12. That the term "Territory" as used in this Act shall include the insular possessions of the United States. The word "person" as used in this Act shall be construed to import both the plural and the singular, as the case demands, and shall include corporations, companies, societies and associations. When construing and enforcing the provisions of this Act, the act, omission, or failure of any officer, agent, or other person acting for or employed by any corporation, company, society, or association, within the scope of his employment or office, shall in every case be also deemed to be the act, omission, or failure of such corporation, company, society, or association as well as that of the person.

Sec. 13. That this Act shall be in force and effect from and after the first day of January, nineteen hundred and seven.

Preamble.

CHAP. 394.—An Act Giving the consent of Congress to an agreement or compact entered into between the State of New Jersey and the State of Delaware respecting the territorial limits and jurisdiction of said States.

Whereas commissioners duly appointed on the part of the State of New Jersey and commissioners duly appointed on the part of the State of Delaware, for the purpose of agreeing upon and settling the jurisdiction and territorial limits of the two States, have executed certain articles, which are contained in the words following, namely:

First. Whereas a controversy hath heretofore existed between the State of New Jersey and Delaware relative to the jurisdiction of such portion of the Delaware River as is included within the circle of twelve-mile radius, an arc of which constitutes the northern boundary of the State of Delaware, and it is the mutual desire of said States to so settle and determine such controversy as to prevent future complications arising therefrom; and

" Whereas there is now pending in the Supreme Court of the United States a cause wherein the said State of New Jersey is the complainant and the said State of Delaware is the defendant, in which cause an
injunction has been issued against the State of Delaware restraining the execution of certain statutes of the State of Delaware relating to fisheries in said river, which said litigation hath been pending for twenty-seven years and upwards; and

"Whereas for the purpose of adjusting the differences between the said two States arising out of said conflict of jurisdiction, Edward C. Stokes, Robert H. McCarter, Franklin Murphy, and Chauncey G. Parker have been appointed commissioners on the part of the State of New Jersey by joint resolution of the legislature of said State, and Preston Lea, Robert H. Richards, Herbert H. Ward, and George H. Bates have been appointed commissioners on the part of the State of Delaware by joint resolution of the general assembly of said State, to frame a compact or agreement between the said States and legislation consequent thereon, to be submitted to the legislatures of said two States for action thereon, looking to the amicable termination of said suit between said States now pending in the Supreme Court of the United States, and the final adjustment of all controversies relating to the boundary line between said States, and to their respective rights in the Delaware River and Bay: Now therefore,

"The said State of New Jersey, by its commissioners above named, and the said State of Delaware, by its commissioners above named, do hereby make and enter into a compact or agreement between said States as follows:

"ARTICLE I. Criminal process issued under the authority of the State of New Jersey against any person accused of an offense committed upon the soil of said State, or upon the eastern half of said Delaware River, or committed on board of any vessel being under the exclusive jurisdiction of that State, and also civil process issued under the authority of the State of New Jersey against any person domiciled in that State, or against property taken out of that State to evade the laws thereof, may be served upon any portion of the Delaware River between said States from low-water mark on the New Jersey shore to low-water mark on the Delaware shore, except upon Reedy and Pea Patch islands, unless said person or property shall be on board a vessel aground upon or fastened to the shore of the State of Delaware, or the shores of said islands, or fastened to a wharf adjoining thereto, or unless such person shall be under arrest or such property shall be under seizure by virtue of process or authority of the State of New Jersey.

"ARTICLE II. Criminal process issued under the authority of the State of Delaware against any person accused of an offense committed upon the soil of said State, or upon the western half of said Delaware River, or committed on board of any vessel being under the exclusive jurisdiction of that State, and also civil process issued under the authority of the State of Delaware against any person domiciled in that State, or against property taken out of that State to evade the laws thereof, may be served upon any portion of the Delaware River between said States from low-water mark on the Delaware shore to low-water mark on the New Jersey shore, unless said person or property shall be on board a vessel aground upon or fastened to the shore of the State of Delaware, or the shores of said islands, or fastened to a wharf adjoining thereto, or unless such person shall be under arrest or such property shall be under seizure by virtue of process or authority of the State of New Jersey.

"ARTICLE III. The inhabitants of the said States of Delaware and New Jersey shall have and enjoy a common right of fishery throughout, in, and over the waters of said river between low-water marks on each side of said river between the said States, except so far as either State may have heretofore granted valid and subsisting private rights of fishery.
"Art. IV. Immediately upon the execution hereof the legislature of the State of New Jersey shall appoint three commissioners to confer with three commissioners to be immediately appointed by the general assembly of the State of Delaware for the purpose of drafting uniform laws to regulate the catching and taking of fish in the Delaware River and Bay between said two States, which said commissioners for each State, respectively, shall, within two years from the date of their appointment, report to the legislature of each of said States the proposed laws so framed and recommended by said joint commission. Upon the adoption and passage of said laws so recommended by the respective legislatures of said two States said laws shall constitute the sole laws for the regulation of the taking and catching of fish in the said river and bay between said States. Said laws shall remain in force until altered, amended, or repealed by concurrent legislation of the said two States. Said commissioners shall also ascertain the dividing line between said river and bay, and upon each of the shores of said two States where said dividing line extended shall intersect the same, shall, at the joint expense of said States, erect a suitable monument to mark the said dividing line. Said dividing line between said monuments shall be the division line between the said river and bay for the interpretation of and for all purposes of this compact, and of the concurrent legislation provided for therein.

"The faith of the said contracting States is hereby pledged to the enactment of said laws so recommended by said commissioners, or to such concurrent legislation as may seem judicious and proper in the premises to the respective legislatures thereof.

"Each State shall have and exercise exclusive jurisdiction within said river to arrest, try, and punish its own inhabitants for violation of the concurrent legislation relating to fishery herein provided for.

"Art. V. All laws of said States relating to the regulation of fisheries in the Delaware River not inconsistent with the right of common fishery hereinabove mentioned shall continue in force in said respective States until the enactment of said concurrent legislation as herein provided.

"Art. VI. Nothing herein contained shall affect the planting, catching, or taking of oysters, clams, or other shell fish, or interfere with the oyster industry as now or hereafter carried on under the laws of either State.

"Art. VII. Each State may, on its own side of the river, continue to exercise riparian jurisdiction of every kind and nature, and to make grants, leases, and conveyances of riparian lands and rights under the laws of the respective States.

"Art. VIII. Nothing herein contained shall affect the territorial limits, rights, or jurisdiction of either State of, in, or over the Delaware River, or the ownership of the subaqueous soil thereof, except as herein expressly set forth.

"Art. IX. This agreement shall be executed by the said commissioners when authorized to do so by the legislatures of the said States. It shall thereupon be submitted to Congress for its consent and approval. Upon the ratification thereof by Congress it shall be and become binding in perpetuity upon both of said States; and thereupon the suit now pending in the Supreme Court of the United States, in which the State of New Jersey is complainant and the State of Delaware is defendant, shall be discontinued without costs to either party and without prejudice. Pending the ratification hereof by Congress said suit shall remain in statu quo.

"Done in two parts (one of which is retained by the commissioners of Delaware, to be delivered to the governor of that State, and the other one of which is retained by the commissioners of New Jersey, to
be delivered to the governor of that State) this twenty-first day of March, in the year of our Lord one thousand nine hundred and five."

And whereas the said agreement has been confirmed by the legislatures of the said States of New Jersey and Delaware, respectively:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of the Congress of the United States is hereby given to the said agreement and to each and every part and article thereof: Provided, That nothing therein contained shall be construed to impair or in any manner affect any right or jurisdiction of the United States in and over the islands or waters which form the subject of the said agreement.

Sec. 2. That upon the taking effect of this Act the Graduate Nurses' Association of the District of Columbia shall nominate ten of its members who have had not less than five years' experience in the profession. These nominations shall be submitted to the Commissioners of the District of Columbia, who shall, from said nominations, appoint.
within thirty days after said nominations are submitted to them, a nurses' examining board to be composed of five members. All appointments shall be made so that the term of one member shall expire on the thirtieth day of June of each year, and upon the expiration of the term of office of any examiner the said Commissioners shall likewise fill the vacancy for a term of five years from a list of three nominees submitted to them each year by the Graduate Nurses' Association of the District of Columbia. An unexpired term shall be filled by said Commissioners from three additional names furnished by the Graduate Nurses' Association upon request of the said Commissioners. No member of said board shall enter upon the discharge of her duties until she has taken oath to faithfully and impartially perform the same; and the said Commissioners may remove any member of said board for neglect of duty or for any just cause.

Sec. 3 That the nurses' examining board shall meet in the District of Columbia within ten days after their appointment and organize the board, and annually thereafter shall meet in the month of April and shall elect from its members a president, and also a secretary who shall be treasurer. It shall frame all such by-laws as it shall deem necessary for carrying into effect the provisions of this Act, and may amend such rules from time to time at discretion of said board. The secretary shall be required to keep a record of all meetings of the board, and also a register of the names of all nurses duly registered under this Act, and to furnish a certificate of registration to all such nurses. The said board shall hold examinations not less frequently than once a year, and the notice of each examination shall be given in one daily newspaper published in Washington City and in one nursing journal at least thirty days prior to said examination.

Sec. 4. That every nurse desiring to style herself "a registered nurse" in the District of Columbia shall make application to the nurses' examining board for registration, and at the time of making such application shall pay to the treasurer of said board five dollars. Said applicant must furnish satisfactory evidence that she is over twenty-three years of age, of good moral character, and free from habits liable to interfere with her services as a nurse, and, further, that she holds a diploma from a training school for nurses which has been registered by the nurses' examining board of the District of Columbia: Provided, however, that no training school shall be registered which does not maintain proper educational standards and give not less than two years' training in a general hospital, or instruction of the same kind, and, to at least the same extent, as that given in the general hospital, all of which shall be determined by the nurses' examining board.

Sec. 5. That any person possessing the qualifications required in section four of this Act who has been engaged in nursing in the District of Columbia five years after graduation immediately preceding the passage of this Act, or shall have graduated from any training school in the District of Columbia within the five years immediately preceding the passage of this Act, shall be entitled to registration without examination upon payment of the registration fee. And, further, that any person who has been engaged in nursing in the District of Columbia for four years immediately preceding the passage of this Act and shall have spent, in addition, one year in a hospital or sanatorium, shall be permitted to register after passing a practical examination: Provided, That such certificates shall not declare that the persons holding them have fulfilled all the requirements expressed in section four.

Sec. 6. That the registration of any person as a nurse in the District of Columbia may be revoked and the certificate of such person canceled if she be found to have obtained the same by fraud, or be found guilty by the nurses' examining board of any act derogatory to the standing
and morals of the profession of nursing. But before any certificate shall be revoked the holder thereof shall be entitled to thirty days' notice of the charges against her, and after a full and fair hearing the certificate can be revoked by a majority vote of the whole board.

Sec. 7. That all expenses incident to the execution of the provisions of this Act shall be paid from the fees collected from applicants for registration as nurses, and if any balance remains on hand on the thirtieth day of June of any year the secretary and treasurer of the nurses' examining board shall receive of such balance the sum of one hundred dollars, and each other member of the said board shall receive five dollars for each day actually spent in the discharge of official duties. All moneys shall be paid to the treasurer of the board and shall be paid out under the orders of the board.

Sec. 8. That any person who shall violate any of the provisions of this Act shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not exceeding two hundred dollars or by imprisonment in the workhouse for a period not exceeding sixty days.

Sec. 9. That the nurses' examining board shall have power to register, in like manner, without examination, any person who has been registered as a professional nurse in another State or Territory under laws which in the opinion of said board maintain a standard substantially equivalent to that provided for by this Act.

Sec. 10. That nothing in this Act shall be construed to prevent any person from nursing any other person in the District of Columbia either gratuitously or for hire, provided that such person so nursing shall not represent herself as being a registered nurse. Nothing in this Act shall be construed as authorizing any person to practice medicine or surgery, or midwifery, in said District otherwise than in accordance with an Act entitled "An Act to regulate the practice of medicine and surgery, to license physicians and surgeons, and to punish persons violating the provisions thereof," approved June third, eighteen hundred and ninety-six.

Sec. 11. That the word "she" and the derivatives thereof, wherever they occur in this Act, shall be construed so as to include the word "he" and derivatives.

Such list shall contain the name, age, sex, nationality, residence in the United States, occupation, and the time of last arrival of every such alien in the United States, and no master of any such vessel shall be granted clearance papers for his vessel until he has deposited such list or lists with the collector of customs at the port of departure and made oath that they are full and complete as to the name and other information herein required concerning each alien taken on board his vessel; and any neglect or omission to comply with the requirements of this section shall be punishable as provided in section fifteen of this Act. That the collector of customs with whom any such list has been deposited in accordance with the provisions of this section, shall promptly notify the Commissioner-General of Immigration that such list has been deposited with him as provided, and shall make such further disposition thereof as may be required by regulations to be issued by the Commissioner-General of Immigration with the approval of the Secretary of Commerce and Labor: Provided, That in the case of vessels making regular trips to ports of the United States the Commissioner-General of Immigration, with the approval of the Secretary of Commerce and Labor, may, when expedient, arrange for the delivery of such lists of outgoing aliens at a later date: Provided further, That it shall be the duty of the master or commanding officer of any vessel sailing from ports in the Philippine Islands, Guam, Porto Rico, or Hawaii to any port of the United States on the North American Continent to deliver to the immigration officers at the port of arrival lists or manifests made at the time and place of embarkation, giving the names of all aliens on board said vessel. Sec. 13. That all aliens arriving by water at the ports of the United States shall be listed in convenient groups, and no one list or manifest shall contain more than thirty names. To each alien or head of a family shall be given a ticket on which shall be written his name, a number or letter designating the list in which his name, and so forth, is contained, and his number on said list, for convenience of identification on arrival. Each list or manifest shall be verified by the signature and the oath of affirmation of the master or commanding officer, or the first or second below him in command, taken before an immigration officer at the port of arrival, to the effect that he has caused the surgeon of said vessel sailing therewith to make a physical and oral examination of each of said aliens, and that from the report of said surgeon and from his own investigation he believes that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or
for any other immoral purpose, and that also, according to the best of his knowledge and belief, the information in said lists or manifests concerning each of said aliens named therein is correct and true in every respect.

SEC. 14. If no surgeon sails with any vessel bringing aliens the mental and physical examinations and the verifications of the lists or manifests shall be made by some competent surgeon employed by the owners of the said vessel.

SEC. 15. That in the case of the failure of the master or commanding officer of any vessel to deliver to the said immigration officers lists or manifests of all aliens on board thereof, as required in sections twelve, thirteen, and fourteen of this Act, he shall pay to the collector of customs at the port of arrival the sum of ten dollars for each alien concerning whom the above information is not contained in any list as aforesaid: Provided, That in the case of failure without good cause to deliver the list of passengers required by section twelve of this Act from the master or commanding officer of every vessel taking alien passengers out of the United States, the penalty shall be paid to the collector of customs at the port of departure and shall be a fine of ten dollars for each alien not included in said list; but in no case shall the aggregate fine exceed one hundred dollars.

SEC. 16. That upon the receipt by the immigration officers at any port of arrival of the lists or manifests of incoming aliens provided for in sections twelve, thirteen, and fourteen of this Act, it shall be the duty of said officers to go or to send competent assistants to the vessel to which said lists or manifests refer, and there inspect all such aliens, or said immigration officers may order a temporary removal of such aliens for examination at a designated time and place, but such temporary removal shall not be considered a landing, nor shall it relieve the transportation lines, masters, agents, owners, or consignees of the vessel upon which said aliens are brought to any port of the United States from any of the obligations which, in case such aliens remain on board, would, under the provisions of this Act, bind the said transportation lines, masters, agents, owners, or consignees: Provided, That where a suitable building is used for the detention and examination of aliens the immigration officials shall there take charge of such aliens, and the transportation companies, masters, agents, owners, and consignees of the vessels bringing such aliens shall be relieved of the responsibility for their detention thereafter until the return of such aliens to their care.

SEC. 17. That the physical and mental examination of all arriving aliens shall be made by medical officers of the United States Public Health and Marine-Hospital Service, who shall have had at least two years' experience in the practice of their profession since receiving the degree of doctor of medicine and who shall certify for the information of the immigration officers and the boards of special inquiry hereinafter provided for, any and all physical and mental defects or diseases observed by said medical officers in any such alien, or, should medical officers of the United States Public Health and Marine-Hospital Service be not available, civil surgeons of not less than four years' professional experience may be employed in such emergency for such service, upon such terms as may be prescribed by the Commissioner-General of
Immigration under the direction or with the approval of the Secretary of Commerce and Labor. The United States Public Health and Marine-Hospital Service shall be reimbursed by the immigration service for all expenditures incurred in carrying out the medical inspection of aliens under regulations of the Secretary of Commerce and Labor.

Sec. 18. That it shall be the duty of the owners, officers, or agents of any vessel or transportation line, other than those railway lines which may enter into a contract as provided in section thirty-two of this Act, bringing an alien to the United States to prevent the landing of such alien in the United States at any time or place other than as designated by the immigration officers, and the negligent failure of any such owner, officer, or agent to comply with the foregoing requirements shall be deemed a misdemeanor and be punished by a fine in each case of not less than one hundred nor more than one thousand dollars or by imprisonment for a term not exceeding one year, or by both such fine and imprisonment; and every such alien so landed shall be deemed to be unlawful in the United States and shall be deported as provided in sections twenty and twenty-one of this Act.

Sec. 19. That all aliens brought to this country in violation of law shall, if practicable, be immediately sent back to the country whence they respectively came on the vessels bringing them. The cost of their maintenance while on land, as well as the expense of the return of such aliens, shall be borne by the owner or owners of the vessels on which they respectively came; and if any master, person in charge, agent, owner, or consignee of any such vessel shall refuse to receive back on board thereof, or on board of any other vessel owned or operated by the same interests, such aliens, or shall fail to detain them thereon, or shall refuse or fail to return them to the foreign port from which they came, or to pay the cost of their maintenance while on land, or shall make any charge for the return of any such alien, or shall take any security from him for the payment of such charge, such master, person in charge, agent, owner, or consignee shall be deemed guilty of a misdemeanor and shall, on conviction, be punished by a fine of not less than three hundred dollars for each and every such offense; and no vessel shall have clearance from any port of the United States while any such fine is unpaid: Provided, That the Commissioner-General of Immigration, with the approval of the Secretary of Commerce and Labor, may suspend, upon conditions to be prescribed by the Commissioner-General of Immigration, the deportation of any alien found to have come in violation of any provision of this Act, if, in his judgment, the testimony of such alien is necessary on behalf of the United States Government in the prosecution of offenders against any provision of this Act: Provided, That the cost of maintenance of any person so detained resulting from such suspension of deportation shall be paid from the "immigrant fund" but no alien certified, as provided in section seventeen of this Act, to be suffering from tuberculosis or from a loathsome or dangerous contagious disease other than one of quarantinable nature shall be permitted to land for medical treatment thereof in any hospital in the United States, unless with the express permission of the Secretary of Commerce and Labor: Provided, That upon the certificate of a medical officer of the United States Public Health and Marine-Hospital Service to the effect that the health or safety of an insane alien would be unduly imperiled by immediate deportation, such alien may, at the expense of the "immigrant fund," be held for treatment until such time as such alien may, in the opinion of such medical officer, be safely deported.

Sec. 20. That any alien who shall enter the United States in violation of law, and such as become public charges from causes existing prior to landing, shall, upon the warrant of the Secretary of Commerce and
Labor, be taken into custody and deported to the country whence he came at any time within three years after the date of his entry into the United States. Such deportation, including one-half of the entire cost of removal to the port of deportation, shall be at the expense of the contractor, procurer, or other person by whom the alien was unlawfully induced to enter the United States, or, if that can not be done, then the cost of removal to the port of deportation shall be at the expense of the “immigrant fund” provided for in section one of this Act, and the deportation from such port shall be at the expense of the owner or owners of such vessel or transportation line by which such aliens respectively came: Provided, That pending the final disposal of the case of any alien so taken into custody he may be released under a bond in the penalty of not less than five hundred dollars with security approved by the Secretary of Commerce and Labor, conditioned that such alien shall be produced when required for a hearing or hearings in regard to the charge upon which he has been taken into custody, and for deportation if he shall be found to be unlawfully within the United States.

SEC. 21. That in case the Secretary of Commerce and Labor shall be satisfied that an alien has been found in the United States in violation of this Act, or that an alien is subject to deportation under the provisions of this Act or of any law of the United States, he shall cause such alien within the period of three years after landing or entry therein to be taken into custody and returned to the country whence he came, as provided by section twenty of this Act, and a failure or refusal on the part of the masters, agents, owners, or consignees of vessels to comply with the order of the Secretary of Commerce and Labor to take on board, guard safely, and return to the country whence he came any alien ordered to be deported under the provisions of this Act shall be punished by the imposition of the penalties prescribed in section nineteen of this Act: Provided, That when in the opinion of the Secretary of Commerce and Labor the mental or physical condition of such alien is such as to require personal care and attendance, he may employ a suitable person for that purpose, who shall accompany such alien to his or her final destination, and the expense incident to such service shall be defrayed in like manner.

SEC. 22. That the Commissioner-General of Immigration, in addition to such other duties as may by law be assigned to him, shall, under the direction of the Secretary of Commerce and Labor, have charge of the administration of all laws relating to the immigration of aliens into the United States, and shall have the control, direction, and supervision of all officers, clerks, and employees appointed thereunder. He shall establish such rules and regulations, prescribe such forms of bond, reports, entries, and other papers, and shall issue from time to time such instructions, not inconsistent with law, as he shall deem best calculated for carrying out the provisions of this Act and for protecting the United States and aliens migrating thereto from fraud and loss, and shall have authority to enter into contract for the support and relief of such aliens as may fall into distress or need public aid; all under the direction or with the approval of the Secretary of Commerce and Labor. And it shall be the duty of the Commissioner-General of Immigration to detail officers of the immigration service from time to time as may be necessary, in his judgment, to secure information as to the number of aliens restrained in the penal, reformatory, and charitable institutions (public and private) of the several States and Territories, the District of Columbia, and other territory of the United States and to inform the officers of such institutions of the provisions of law in relation to the deportation of aliens who have become public charges: Provided, That the Commissioner-General of Immigration may, with the approval of the Secretary of Commerce and Labor, whenever in his judgment such
action may be necessary to accomplish the purposes of this Act, detail immigration officers, and also surgeons, in accordance with the provisions of section seventeen, for service in foreign countries.

Sec. 23. That the duties of the commissioners of immigration shall be of an administrative character, to be prescribed in detail by regulations prepared, under the direction or with the approval of the Secretary of Commerce and Labor.

Sec. 24. That immigrant inspectors and other immigration officers, clerks, and employees shall hereafter be appointed and their compensation fixed and raised or decreased from time to time by the Secretary of Commerce and Labor, upon the recommendation of the Commissioner-General of Immigration and in accordance with the provisions of the civil-service Act of January sixteenth, eighteen hundred and eighty-three: Provided, That said Secretary, in the enforcement of that portion of this Act which excludes contract laborers, may employ, without reference to the provisions of the said civil service Act, or to the various Acts relative to the compilation of the official register, such persons as he may deem advisable and from time to time fix, raise, or decrease their compensation. He may draw from the "immigrant fund" annually fifty thousand dollars or as much thereof as may be necessary, to be expended for the salaries and expenses of persons so employed and for expenses incident to such employment; and the accounting officers of the Treasury shall pass to the credit of the proper disbursing officer expenditures from said sum without itemized account whenever the Secretary of Commerce and Labor certifies that an itemized account would not be for the best interests of the Government: Provided further, That nothing herein contained shall be construed to alter the mode of appointing commissioners of immigration at the several ports of the United States as provided by the sundry civil appropriation Act approved August eighteenth, eighteen hundred and ninety-four, or the official status of such commissioners heretofore appointed. Immigration officers shall have power to administer oaths and to take and consider evidence touching the right of any alien to enter the United States, and, where such action may be necessary, to make a written record of such evidence: and any person to whom such an oath has been administered under the provisions of this Act who shall knowingly or wilfully give false evidence or swear to any false statement in any way affecting or in relation to the right of any alien to admission to the United States shall be deemed guilty of perjury and be punished as provided by section fifty-three hundred and ninety-two, United States Revised Statutes. The decision of any such officer, if favorable to the admission of any alien, shall be subject to challenge by any other immigration officer, and such challenge shall operate to take the alien whose right to land is so challenged before a board of special inquiry for its investigation. Every alien who may not appear to the examining immigrant inspector at the port of arrival to be clearly and beyond a doubt entitled to land shall be detained for examination in relation thereto by a board of special inquiry.

Sec. 25. That such boards of special inquiry shall be appointed by the commissioner of immigration at the various ports of arrival as may be necessary for the prompt determination of all cases of immigrants detained at such ports under the provisions of law. Each board shall consist of three members, who shall be selected from such of the immigrant officials in the service as the Commissioner-General of Immigration, with the approval of the Secretary of Commerce and Labor, shall from time to time designate as qualified to serve on such boards: Provided, That at ports where there are fewer than three immigrant inspectors, the Secretary of Commerce and Labor, upon the recommendation of the Commissioner-General of Immigration, may designate other United States officials for service on such boards of special
inquiry. Such boards shall have authority to determine whether an alien who has been duly held shall be allowed to land or shall be deported. All hearings before boards shall be separate and apart from the public, but the said boards shall keep a complete permanent record of their proceedings and of all such testimony as may be produced before them; and the decision of any two members of a board shall prevail, but either the alien or any dissenting member of the said board may appeal through the commissioner of immigration at the port of arrival and the Commissioner-General of Immigration to the Secretary of Commerce and Labor, and the taking of such appeal shall operate to stay any action in regard to the final disposal of any alien whose case is so appealed until the receipt by the commissioner of immigration at the port of arrival of such decision which shall be rendered solely upon the evidence adduced before the board of special inquiry: Provided, That in every case where an alien is excluded from admission into the United States, under any law or treaty now existing or hereafter made, the decision of the appropriate immigration officers, if adverse to the admission of such alien, shall be final, unless reversed on appeal to the Secretary of Commerce and Labor; but nothing in this section shall be construed to admit of any appeal in the case of an alien rejected as provided for in section ten of this Act.

Sec. 26. That any alien liable to be excluded because likely to become a public charge or because of physical disability other than tuberculosis or a loathsome or dangerous contagious disease may, if otherwise admissible, nevertheless be admitted in the discretion of the Secretary of Commerce and Labor upon the giving of a suitable and proper bond or undertaking, approved by said Secretary in such amount and containing such conditions as he may prescribe, to the people of the United States, holding the United States or any State, Territory, county, municipality, or district thereof harmless against such alien becoming a public charge. The admission of such alien shall be a consideration for the giving of such bond or undertaking. Suit may be brought thereon in the name and by the proper law officers either of the United States Government or of any State, Territory, district, county, or municipality in which such alien becomes a public charge.

Sec. 27. That no suit or proceeding for a violation of the provisions of this Act shall be settled, compromised, or discontinued without the consent of the court in which it is pending, entered of record, with the reasons therefor.

Sec. 28. That nothing contained in this Act shall be construed to affect any prosecution, suit, action, or proceedings brought, or any act, thing, or matter, civil or criminal, done or existing at the time of the taking effect of this Act; but as to all such prosecutions, suits, actions, proceedings, acts, things, or matters the laws or parts of laws repealed or amended by this Act are hereby continued in force and effect.

Sec. 29. That the circuit and district courts of the United States are hereby invested with full and concurrent jurisdiction of all causes, civil and criminal, arising under any of the provisions of this Act.

Sec. 30. That all exclusive privileges of exchanging money, transporting passengers or baggage, or keeping eating houses, and all other like privileges in connection with any United States immigrant station, shall be disposed of after public competition, subject to such conditions and limitations as the Commissioner-General of Immigration, under the direction or with the approval of the Secretary of Commerce and Labor, may prescribe: Provided, That no intoxicating liquors shall be sold in any such immigrant station; that all receipts accruing from the disposal of such exclusive privileges as herein provided shall be paid into the Treasury of the United States to the credit of the "immigrant fund" provided for in section one of this Act.
SEC. 31. That for the preservation of the peace and in order that arrests may be made for crimes under the laws of the States and Territories of the United States where the various immigrant stations are located, the officers in charge of such stations, as occasion may require, shall admit therein the proper State and municipal officers charged with the enforcement of such laws, and for the purpose of this section the jurisdiction of such officers and of the local courts shall extend over such stations.

SEC. 32. That the Commissioner-General of Immigration, under the direction or with the approval of the Secretary of Commerce and Labor, shall prescribe rules for the entry and inspection of aliens along the borders of Canada and Mexico, so as not to unnecessarily delay, impede, or annoy passengers in ordinary travel between the United States and said countries, and shall have power to enter into contracts with transportation lines for the said purpose.

SEC. 33. That for the purpose of this Act the term "United States" as used in the title as well as in the various sections of this Act shall be construed to mean the United States and any waters, territory, or other place subject to the jurisdiction thereof, except the Isthmian Canal Zone: Provided, That if any alien shall leave the canal zone and attempt to enter any other place under the jurisdiction of the United States, nothing contained in this Act shall be construed as permitting him to enter under any other conditions than those applicable to all aliens.

SEC. 34. That the Commissioner-General of Immigration, with the approval of the Secretary of Commerce and Labor, may appoint a commissioner of immigration to discharge at New Orleans, Louisiana, the duties now required of other commissioners of immigration at their respective posts.

SEC. 35. That the deportation of aliens arrested within the United States after entry and found to be illegally therein, provided for in this Act, shall be to the trans-Atlantic or trans-Pacific ports from which said aliens embarked for the United States; or, if such embarkation was for foreign contiguous territory, to the foreign port at which said aliens embarked for such territory.

SEC. 36. That all aliens who shall enter the United States except at the seaports thereof, or at such place or places as the Secretary of Commerce and Labor may from time to time designate, shall be adjudged to have entered the country unlawfully and shall be deported as provided by sections twenty and twenty-one of this Act: Provided, That nothing contained in this section shall affect the power conferred by section thirty-two of this Act upon the Commissioner-General of Immigration to prescribe rules for the entry and inspection of aliens along the borders of Canada and Mexico.

SEC. 37. That whenever an alien shall have taken up his permanent residence in this country, and shall have filed his declaration of intention to become a citizen, and thereafter shall send for his wife, or minor children to join him, if said wife or any of said children shall be found to be affected with any contagious disorder, such wife or children shall be held, under such regulations as the Secretary of Commerce and Labor shall prescribe, until it shall be determined whether the disorder will be easily curable, or whether they can be permitted to land without danger to other persons; and they shall not be either admitted or deported until such facts have been ascertained; and if it shall be determined that the disorder is easily curable or that they can be permitted to land without danger to other persons, they shall, if otherwise admissible, thereupon be admitted.

SEC. 38. That no person who disbelieves in or who is opposed to all organized government, or who is a member of or affiliated with any organization entertaining and teaching such disbelief in or opposition
to all organized government, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government, because of his or their official character, shall be permitted to enter the United States or any territory or place subject to the jurisdiction thereof. This section shall be enforced by the Secretary of Commerce and Labor under such rules and regulations as he shall prescribe. That any person who knowingly aids or assists any such person to enter the United States or any territory or place subject to the jurisdiction thereof, or who connives or conspires with any person or persons to allow, procure, or permit any such person to enter therein, except pursuant to such rules and regulations made by the Secretary of Commerce and Labor shall be fined not more than five thousand dollars, or imprisoned for not more than five years, or both.

Sec. 39. That a commission is hereby created, consisting of three Senators, to be appointed by the President of the Senate, and three members of the House of Representatives, to be appointed by the Speaker of the House of Representatives, and three persons, to be appointed by the President of the United States. Said commission shall make full inquiry, examination, and investigation by subcommittee or otherwise into the subject of immigration. For the purpose of said inquiry, examination, and investigation, said commission is authorized to send for persons and papers, make all necessary travel, either in the United States or any foreign country, and, through the chairman of the commission or any member thereof to administer oaths and to examine witnesses and papers respecting all matters pertaining to the subject, and to employ necessary clerical and other assistance. Said commission shall report to the Congress the conclusions reached by it and make such recommendations as in its judgment may seem proper. Such sums of money as may be necessary for the said inquiry, examination, and investigation are hereby appropriated and authorized to be paid out of the “immigrant fund” on the certificate of the chairman of said commission, including all expenses of the commissioners and a reasonable compensation, to be fixed by the President of the United States, for those members of the commission who are not members of Congress; and the President of the United States is also authorized, in the name of the Government of the United States, to call, in his discretion, an international conference, to assemble at such point as may be agreed upon, or to send special commissioners to any foreign country, for the purpose of regulating by international agreement, subject to the advice and consent of the Senate of the United States, the immigration of aliens to the United States; of providing for the mental, moral and physical examination of such aliens by American consuls or other officers of the United States Government at the ports of embarkation, or elsewhere; of securing the assistance of foreign governments in their own territories to prevent the evasion of the laws of the United States governing immigration to the United States; of entering into such international agreements as may be proper to prevent the immigration of aliens who, under the laws of the United States, are or may be excluded from entering the United States, and of regulating any matters pertaining to such immigration.

Sec. 40. Authority is hereby given the Commissioner-General of Immigration to establish, under the direction and control of the Secretary of Commerce and Labor, a division of information in the Bureau of Immigration and Naturalization; and the Secretary of Commerce and Labor shall provide such clerical assistance as may be necessary. It shall be the duty of said division to promote a beneficial distribution of aliens admitted into the United States among the several States and
Territories desiring immigration. Correspondence shall be had with the proper officials of the States and Territories, and said division shall gather from all available sources useful information regarding the resources, products, and physical characteristics of each State and Territory, and shall publish such information in different languages and distribute the publications among all admitted aliens who may ask for such information at the immigrant stations of the United States and to such other persons as may desire the same. When any State or Territory appoints and maintains an agent or agents to represent it at any of the immigrant stations of the United States, such agents shall, under regulations prescribed by the Commissioner-General of Immigration, subject to the approval of the Secretary of Commerce and Labor, have access to aliens who have been admitted to the United States for the purpose of presenting, either orally or in writing, the special inducements offered by such State or Territory to aliens to settle therein. While on duty at any immigrant station such agents shall be subject to all the regulations prescribed by the Commissioner-General of Immigration, who, with the approval of the Secretary of Commerce and Labor, may, for violation of any such regulations, deny to the agent guilty of such violation any of the privileges herein granted.

Sec. 41. That nothing in this Act shall be construed to apply to accredited officials of foreign governments nor to their suites, families, or guests.

Sec. 42. It shall not be lawful to carry or bring passengers on any deck other than the decks above mentioned. eight years of age shall be counted as one passenger; and any person 
brought in any such vessel who shall have been, during the voyage,

not be included in such computation. The master of a vessel coming 
to a port or place in the United States in violation of either of the 
provisions of this section shall be deemed guilty of a misdemeanor; 
and if the number of passengers other than cabin passengers carried 
or brought in the vessel, or in any compartment, space, poop, or deck 
house thereof, is greater than the number allowed to be carried or 
brought therein, respectively, as hereinbefore prescribed, the said 
master shall be fined fifty dollars for each and every passenger in

CHAP. 2115. — An Act Authorizing the extension of W and Adams streets northwest.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That upon the conveyance in proper form to the United States by the president and secretary of the Prospect Hill Cemetery, incorporated under the Act of Congress approved June thirteenth, eighteen hundred and sixty (Twelfth Statutes, page thirty-two), of the land necessary for the extension of W and Adams streets northwest, east to North Capitol street, said W street to be eighty feet wide and said Adams street to be ninety feet wide, the Commissioners of the District of Columbia are hereby authorized and directed to draw their warrant upon the Treasury of the United States, payable to the order of the Prospect Hill Cemetery, for the sum of four thousand dollars, in payment in full for the land necessary for the extension of said streets as above provided. Said sum shall be payable wholly from the revenues of the District of Columbia.

SEC. 2. That all of said amount of four thousand dollars, as herein provided, shall be assessed by the jury hereinafter provided for as benefits, and to the extent of such benefits, on any or all pieces or parcels of land which will be benefited by the extension of said streets, as said jury may find said pieces or parcels of land will be benefited, except the lands of the Prospect Hill Cemetery, and in determining the amounts to be assessed against said pieces or parcels of land the jury shall take into consideration the respective situations of such pieces or parcels of land and the benefits they may severally receive from the extension of said streets as aforesaid.

SEC. 3. That the Commissioners of the District of Columbia be, and they are hereby, authorized and directed, as soon as practicable after the payment of the said sum of four thousand dollars, to institute proceedings in the proper court in the District of Columbia for the purpose of the assessment of said benefits upon the pieces or parcels of land which may be benefited by the extension of said streets. Said court shall cause public notice of not less than ten days to be given of the filing of said proceedings by advertisement in such manner as the court may prescribe, which notice shall warn all persons having any interest in the proceedings to attend court at a day to be named in said notice and to continue in attendance until the court shall have made its final order ratifying and confirming the assessments of benefits by the jury; and in addition to such public notice said court, whenever in its judgment it is practicable to do so, may cause a copy of said notice to be served by the marshal of the District of Columbia or his deputies upon such owners of the land to be so benefited by the opening of said streets as may be found by said marshal or his deputies within the District of Columbia.

SEC. 4. That after the return of the marshal and the filing of proof of publication of the notice above provided for, said court shall cause a jury of seven judicious, disinterested men, not related to any person interested in the proceedings and not in the service or employment of the District of Columbia or of the United States, to be summoned by the marshal of the District of Columbia, to which jurors said court shall administer an oath or affirmation that they are not interested in any manner in the land to be condemned nor are in any way related to the parties interested therein, and that they will, without favor or partiality, to the best of their judgment assess the benefits resulting from the opening of said streets. The court before accepting the jury shall hear any objections that may be made to any member thereof, and shall have full power to decide upon all such objections, and to excuse any juror or cause any vacancy in the jury, when impaneled, to be filled;
and after said jury shall have been organized and shall have viewed
the premises said jury shall proceed in the presence of the court, if
the court shall so direct, or otherwise as the court may direct, to hear
and receive such evidence as may be offered or submitted on behalf
of the District of Columbia, and by any person or persons having any
interest in the proceedings for the extension of said streets. When
the hearing is concluded, the jury, or a majority of them, shall return
to said court in writing its verdict setting forth the pieces or parcels
of land benefited by such extension and the amount of the assessment
for such benefits against the same.

Sec. 5. That the court shall have power to hear and determine any
objections which may be filed to said verdict and to set aside and vacate
the same in whole or in part when satisfied that it is unjust or unreas-
sonable, and in such event a new jury shall be summoned who shall
proceed to assess the benefits in respect of the land as to which the
verdict may be vacated as in the case of the first jury: Provided, That
if vacated in part, the residue of the verdict as to the land benefited
shall not be affected thereby: And provided further, That the excep-
tions or objections to the verdict shall be filed within thirty days after
the return of such verdict.

Sec. 6. That when confirmed by the court the several assessments
for benefits herein provided to be made shall severally be a lien upon
the land assessed and shall be collected as special improvement taxes
in the District of Columbia, and shall be payable in five equal annual
installments, with interest at the rate of four per centum per annum
from and after sixty days after the confirmation of said verdict. That
court may allow amendments in form or substance in any petition,
process, record, or proceeding, or in the description of property
assessed or proposed to be assessed for benefits whenever such amend-
ments will not interfere with the substantial rights of the parties
interested.

Sec. 7. That each juror shall receive as compensation the sum of
five dollars per day for his services during the time he shall be actually
engaged in such services under the provisions hereof.

Sec. 8. That the sum of three hundred dollars is hereby appropri-
ated, to provide the necessary funds for the costs and expenses of the
proceedings taken pursuant hereto, out of the revenues of the District
of Columbia.

Sec. 9. That no appeal by any party from the decision of said court
confirming the assessment of benefits as herein provided for, nor any
other proceeding at law or in equity by such party against the con-
firmation of such assessment or assessments, shall delay or prevent
the payment for the land necessary for the opening of said streets
nor the extension of such streets. The Act approved June thirteenth,
eighteen hundred and sixty, entitled "An Act to incorporate the pro-
rietors of Prospect Hill Cemetery" (Twelfth Statutes, page thirty-
two), is hereby amended so as to authorize and empower the con-
veyance of the land necessary for the opening of W and Adams streets,
as is herein provided, and to that extent only.
