CHAP. 126.—An Act To amend the Act approved June twenty-fifth, nineteen hundred and ten, authorizing the postal savings system, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That such part of section six of the Act approved June twenty-fifth, nineteen hundred and ten, authorizing a system of postal savings depositories, as reads "but no one shall be permitted to deposit more than $100 in any one calendar month" is hereby amended to read as follows: "but the balance in the credit of any person, upon which interest is payable, shall not exceed $1,000, exclusive of accumulated interest."; and said Act is further amended so that the proviso in section seven thereof shall read as follows: "Provided, That the board of trustees may, in their discretion, and under such regulations as such board may promulgate, accept additional deposits not to exceed in the aggregate $1,000 for each depositor, but upon which no interest shall be paid."

Sec. 2. That postal savings funds received under the provisions of this Act shall be deposited in solvent banks, whether organized under National or State laws, and whether member banks or not of the Federal reserve system established by the Act approved December twenty-third, nineteen hundred and thirteen, being subject to National or State supervision and examination, and the sums deposited shall bear interest at the rate of not less than two and one-fourth per centum per annum, which rate shall be uniform throughout the United States and Territories thereof; but five per centum of such funds shall be withdrawn by the board of trustees and kept with the Treasurer of the United States, who shall be treasurer of the board of trustees, in lawful money as a reserve. The board of trustees shall take from such banks such security in public bonds or other securities, authorized by Act of Congress or supported by the taxing power, as the board may prescribe, approve, and deem sufficient and necessary to insure the safety and prompt payment of such deposits on demand. The funds received at the postal savings depository offices in each city, town, village, and other locality shall
be deposited in banks located therein (substantially in proportion to the capital and surplus of each such bank) willing to receive such deposits under the terms of this Act and the regulations made by authority thereof: Provided, however, If one or more member banks of the Federal reserve system established by the Act approved December twenty-third, nineteen hundred and thirteen, exists in the city, town, village, or locality where the postal savings deposits are made, such deposits shall be placed in such qualified member banks substantially in proportion to the capital and surplus of each such bank, but if such member banks fail to qualify to receive such deposits, then any other bank located therein may, as hereinbefore provided, qualify and receive the same. If no such member bank and no other qualified bank exists in any city, town, village, or locality, or if none where such deposits are made will receive such deposits on the terms prescribed, then such funds shall be deposited under the terms of this Act in the bank most convenient to such locality. If no such bank in any State or Territory is willing to receive such deposits on the terms prescribed, then such funds shall be deposited with the treasurer of the board of trustees and shall be counted in making up the reserve of five per centum. Such funds may be withdrawn from the treasurer of said board of trustees, and all other postal savings funds, or any part of such funds, may be at any time withdrawn from the banks and savings depository offices for the repayment of postal savings depositors when required for that purpose. If at any time the postal savings deposits in any State or Territory shall exceed the amount which the qualified banks therein are willing to receive under the terms of this Act, and such excess amount is not required to make up the reserve fund of five per centum hereinbefore provided for, the board of trustees may invest all or any part of such excess amount in bonds or other securities of the United States. When, in the judgment of the President, the general welfare and interests of the United States so require, the board of trustees may invest all or any part of the postal savings funds, except the reserve fund of five per centum herein provided for, in bonds or other securities of the United States. The board of trustees may in its discretion purchase from the holders thereof bonds which have been or may be issued under the provisions of section ten of the Act of June twenty-fifth, nineteen hundred and ten. Interest and profit accruing from the deposits or investment of postal savings funds shall be applied to the payment of interest due to postal savings depositors, as hereinbefore provided, and the excess thereof, if any, shall be covered into the Treasury of the United States as a part of the postal revenue: Provided further, That postal savings funds in the treasury of said board shall be subject to disposition as provided in this Act, and not otherwise: And provided further, That the board of trustees may at any time dispose of bonds held as postal savings investments and use the proceeds to meet withdrawals of deposits by depositors. For the purposes of this Act the word "Territory" as used herein shall be held to include the District of Columbia, the District of Alaska, and Porto Rico, and the word "bank" shall be held to include savings banks and trust companies doing a banking business.

Sec. 3. That the Postmaster General, in cases of emergency, between October first and April first of any year, may hereafter return to the mails empty mail bags theretofore withdrawn therefrom as required by law, and for such times may pay for their railroad transportation out of the appropriation for inland transportation by railroad routes at not exceeding the rate per pound per mile as shown by the last adjustment for mail service on the route over which they may be carried, and pay for necessary cartage out of the appropriation for freight or expressage.
Sec. 4. That when, during a weighing period, on account of floods or other causes, interruptions in service occur on railroad routes and the weights of mail are decreased below the normal, or where there is an omission to take weights, the Postmaster General, for the purpose of readjusting compensation on such railroad routes as are affected thereby, is hereafter authorized, in his discretion, to add to the weights of mails ascertained on such routes during that part of the weighing period when conditions are shown to have been normal the estimated weights for that part of the weighing period when conditions are shown to have been not normal, or where there has been an omission to take weights, based upon the average of weights taken during that part of the weighing period during which conditions are shown to have been normal, the actual weights and the estimated weights to form the basis for the average weight per day upon which to readjust the compensation according to law on such railroad routes for the transportation of the mails, notwithstanding the provision of the Act of Congress approved March third, nineteen hundred and five, requiring that the average weight shall be ascertained by the actual weighing of the mails for such a number of successive working days, not less than ninety, as the Postmaster General may direct: Provided further, That readjustments from July first, nineteen hundred and thirteen, may be made under this provision on routes in the first section affected by the floods in the Ohio Valley and tributary territories, commencing about March twenty-fifth, nineteen hundred and thirteen.

That so much of section four of "An Act making appropriations for the service of the Post Office Department for the fiscal year ending June thirty-first, nineteen hundred and thirteen, and for other purposes," approved August twenty-fourth, nineteen hundred and twelve, as provides that no adjustment shall be made unless the diverted mails equal at least ten per centum of the average daily weight on any of the routes affected is hereby repealed.

Sec. 6. That section thirty-nine hundred and forty-nine of the Revised Statutes be amended to read as follows:

"All contracts for carrying the mail shall be in the name of the United States and shall be awarded to the lowest bidder tendering sufficient guaranties for faithful performance in accordance with the terms of the advertisement: Provided, however, That such contracts require due celerity, certainty, and security in the performance of the service; but the Postmaster General shall not be bound to consider the bid of any person who has willfully or negligently failed to perform a former contract."

Sec. 7. That whenever in the judgment of the Postmaster General the bids received for any star route are exorbitant or unreasonable, or whenever he has reason to believe that a combination of bidders has been entered into to fix the rate for star-route service, the Postmaster General be, and he is hereby, authorized, out of the appropriation for inland transportation by star routes, to employ and use such means or methods to provide the desired service as he may deem expedient, without reference to existing law or laws respecting the employment of personal service or the procurement of conveyances, materials, or supplies.

Sec. 8. That whenever an accepted bidder shall fail to enter into contract, or a contractor on any mail route shall fail or refuse to perform the service on said route according to his contract, or when a new route shall be established or new service required, or when, from any other cause, there shall not be a contractor legally bound or required to perform such service, the Postmaster General may make a temporary contract for carrying the mail on such route, without advertisement, for such period as may be necessary, not in any case exceed-
ing one year, until the service shall have commenced under a contract made according to law: Provided, That the cost of temporary service rendered necessary by reason of the failure of any accepted bidder to enter into contract or a contractor to perform service shall be charged to such bidder or contractor.

Sec. 9. That if any person shall hereafter perform any service for any contractor or subcontractor in carrying the mail, he shall, upon filing in the department his contract for such service and satisfactory evidence of its performance, thereafter have a lien on any money due such contractor or subcontractor for such service to the amount of same; and if such contractor or subcontractor shall fail to pay the party or parties who have performed service as aforesaid the amount due for such service within two months after the expiration of the month in which such service shall have been performed the Postmaster General may cause the amount due to be paid said party or parties and charged to the contractor: Provided, That such payment shall not in any case exceed the rate of pay per annum of the contractor or subcontractor.

Sec. 10. That the Act of March fourth, nineteen hundred and nine (Thirty-fifth Statutes, page eleven hundred and twenty-six), be amended to read as follows: "That whoever shall willfully or maliciously injure, tear down, or destroy any letter box or other receptacle intended or used for the receipt or delivery of mail on any mail route, or shall break open the same, or shall willfully or maliciously injure, deface, or destroy any mail deposited therein, or shall willfully take or steal such mail from or out of such letter box or other receptacle, or shall willfully aid or assist in any of the aforementioned offenses, shall for every such offense be punished by a fine of not more than $1,000 or by imprisonment for not more than three years." 

Sec. 11. That the limit of weight of mail matter of the first class shall be the same as is applicable to mail of the fourth class: Provided, That no article or package exceeding four pounds in weight shall be admitted to the mails under the penalty privilege unless it comes within the exceptions named in the Acts of June eighth, eighteen hundred and ninety-six (chapter three hundred and seventy, Twenty-ninth Statutes, page two hundred and sixty-two), and June twenty-sixth, nineteen hundred and six (chapter thirty-five hundred and forty-six, Thirty-fourth Statutes, page four hundred and seventy-seven).

Sec. 12. That postage stamps affixed to all mail matter or to stamped envelopes in which the same is inclosed shall, when deposited for mailing or delivery, be defaced by the postmaster at the mailing office; Provided, That when practicable postage stamps may be furnished to postmasters precanceled by printing on them the name of the post office at which they are to be used, under such regulations as the Postmaster General may prescribe.
Provided, That postage shall be fully prepaid thereon at the rate required by law for a single piece of such matter.

Sec. 14. That the Act approved January twenty-first, nineteen hundred and fourteen (Thirty-eighth Statutes, page two hundred and seventy-eight), authorizing the Postmaster General to adjust certain claims of postmasters for loss by burglary, fire, or other unavoidable casualty, be so amended as to include Navy mail clerks and assistant Navy mail clerks.

Sec. 15. That hereafter the Postmaster General may enter into contracts for the conduct of contract stations for a term not exceeding two years.

Sec. 16. That on and after July first, nineteen hundred and sixteen, when the total compensation of any postmaster at a post office of the fourth class for four consecutive quarters shall amount to $1,000, exclusive of commissions on money orders issued, and the receipts of such post office for the same period shall aggregate as much as $1,900, the Auditor for the Post Office Department shall so report to the Postmaster General, who shall, in pursuance of such report, assign such post office to its proper class, to become effective at the beginning of the next succeeding quarterly period, and fix the salary of the postmaster accordingly.

Sec. 17. That all laws or parts of laws in conflict with the provisions of this Act are hereby repealed.

Approved. May 18, 1916.

Said extra officers, together with the two hundred detached officers provided for by the Act of Congress approved March third, nineteen hundred and eleven, shall, on and after July first, nineteen hundred and sixteen, constitute the Detached Officers' List, and all positions vacated by officers assigned to said list, and the officers so assigned, shall be subject to the provisions of section twenty-seven of the Act of Congress approved February second, nineteen hundred and one, with reference to details to the staff corps. The total number of officers hereby authorized for each grade on said list entire shall be in proportion to the total number of officers of the corresponding grade now...
authorized by law other than this Act for all of the said four arms combined, exclusive of second lieutenants and of the two hundred extra officers authorized by the Act of Congress approved March third, nineteen hundred and eleven, and exclusive also of the additional officers authorized by the Act to restore lineal rank lost through the system of regimental promotion formerly in force; and the total number of officers hereby authorized for each grade in each of said arms on said list shall be in the proportion borne by the number of officers now authorized by law other than this Act for such grade and arm to the total number of officers now authorized by law other than this Act for the corresponding grade in all of the said four arms combined, exclusive of the extra and additional officers last hereinbefore specified and excluded: Provided, That all vacancies created or caused by the foregoing provisions of this section in grades above that of second lieutenant shall be filled by promotion according to law existing on and before the date of approval of this Act, and subject to the examinations prescribed by existing law. As soon as practicable after such promotions shall have been made, there shall be detached from each arm and assigned to the Detached Officers' List a number of officers of each grade equal to the number of officers of said grade by which said arm shall have been increased by the foregoing provisions of this section; and thereafter any vacancy created or caused in any of the said arms of the service by the assignment of an officer of any grade to said Detached Officers' List shall be filled, subject to such examination as is now or may hereafter be prescribed by law, by the promotion of the officer who shall be the senior in length of commissioned service of those eligible to promotion in the next lower grade in the arm in which such vacancy shall occur: Provided further, That no officer of any of said arms of the service shall be permitted to remain on said Detached Officers' List for more than forty-five days unless he shall have been actually present for duty for at least two years out of the last preceding six years with an organization composed of one or more statutory units, or the equivalent thereof, of the arm to which he shall belong. Any vacancy created in said list by the removal of any officer therefrom because he shall not have been present for duty as before prescribed in this proviso shall be filled by the transfer to said list of an officer having the same grade and belonging to the same arm as the officer whose removal from said list shall have created said vacancy; but, except as before prescribed in this proviso, all officers who shall have been assigned to said list shall remain thereon for not less than four years from the respective dates of their assignment thereto, unless in the meantime they shall have been separated entirely from the Army, or shall have been promoted or appointed to higher offices, or shall have been retired from active service: Provided further, That the apportionment of officers to said Detached Officers' List shall have been made as authorized by this Act, whenever any vacancy shall have been caused in said list by the separation of an officer of any grade therefrom, such vacancy shall, except as prescribed in the last preceding proviso, be filled by the detail and assignment to said list of an officer of the corresponding grade in that arm in which there shall be found the officer of the next lower grade who at that time shall be the senior in length of commissioned service of all the officers of the said lower grade in all of the four arms hereinbefore specified; if two or more officers of different arms shall be found to have equal seniority in length of commissioned service in said lower grade, the question of seniority shall be decided by their relative standing on the list of the commissioned officers of the Army: Provided further, That, with a view further to equalize inequalities in past promotions of officers of the line of the Army, on July first, nineteen hundred and
sixteen, the Cavalry shall be increased by seventeen colonels, and
the Infantry by four colonels, all of whom shall be additional officers
in that grade, and shall not bar nor retard the promotion to which
any officer would be entitled if the appointment of the said additional
officers had never been authorized; and after July first, nineteen
hundred and nineteen, no vacancies occurring among the said
additional officers shall be filled and the offices so vacated shall cease

Reenlistment in time of war.—For the purpose of utilizing as an auxiliary to the Regular Army Reserves the services of men who have had experience and training in the Regular Army, or in the United States Volunteers, outside of the continental limits of the United States, in time of actual or threatened hostilities, and after the President shall, by proclamation, have called upon honorably discharged soldiers of the Regular Army to present themselves for reenlistment therein within a specified period, subject to such conditions as may be prescribed, any person who shall have been honorably discharged soldiers of the Regular Army to present themselves for reenlistment therein within a specified period, subject to such conditions as may be prescribed, any person who shall have been honorably discharged from said Army, with character reported as at least good, and who, having been found physically qualified for the duties of a soldier, if not over fifty years of age, shall reenlist in the line of said Army, or in the Signal, Quartermaster, or Medical Department thereof, within the period that shall be specified in said proclamation, shall receive on so reenlistment a bounty which shall be computed at the rate of $8 for each month for the first year of the period that shall have elapsed since his last discharge from the Regular Army and the date of his reenlistment therein under the terms of said proclamation; at the rate of $6 per month for the second year of such period; at the rate of $4 per month for the third year of such period; and at the rate of $2 per month for any subsequent year of such period; but no bounty in excess of $300 shall be paid to any person under the terms of this section.

SEC. 36. SERGEANTS FOR DUTY WITH THE NATIONAL GUARD.—For the purpose of assisting in the instruction of the personnel and care of property in the hands of the National Guard the Secretary of War is authorized to detail from the Infantry, Cavalry, Field Artillery, Corps of Engineers, Coast Artillery Corps, Medical Department, and Signal Corps of the Regular Army not to exceed one thousand sergeants for duty with corresponding organizations of the National Guard and not to exceed one hundred sergeants for duty with the disciplinary organizations at the United States Disciplinary Barracks, who shall be additional to the sergeants authorized by this Act for the corps, companies, troops, batteries, and detachments from which they may be detailed.

SEC. 37. THE OFFICERS' RESERVE CORPS.—For the purpose of securing a reserve of officers available for service as temporary officers in the Regular Army, as provided for in this Act and in section eight of the Act approved April twenty-fifth, nineteen hundred and fourteen, as officers of the Quartermaster Corps and other staff corps and departments, as officers for recruit rendezvous and depots, and as officers of volunteers, there shall be organized, under such rules and regulations as the President may prescribe not inconsistent with the provisions of this Act, an Officers' Reserve Corps of the Regular Army. Said corps shall consist of sections corresponding to the various arms, staff corps, and departments of the Regular Army. Except as otherwise herein provided, a member of the Officers' Reserve Corps shall not be subject to call for service in time of peace, and whenever called upon for service shall not, without his consent, be so called in a lower grade than that held by him in said reserve corps.

The President alone shall be authorized to appoint and commission as reserve officers in the various sections of the Officers' Reserve Corps, in all grades up to and including that of major, such citizens as, upon examination prescribed by the President, shall be found physically, mentally, and morally qualified to hold such commissions: Provided, That the proportion of officers in any section of the Officers' Reserve Corps shall not exceed the proportion for the same grade in the corresponding arm, corps, or department of the Regular Army, except that the number commissioned in the lowest authorized grade in any section of the Officers' Reserve Corps shall not be limited.

All persons now carried as duly qualified and registered pursuant to section twenty-three of the Act of Congress approved January twenty-first, nineteen hundred and three, shall, for a period of three years after the passage of this Act, be eligible for appointment in the Officers' Reserve Corps in the section corresponding to the arm, corps, or department for which they have been found qualified, without further examination, except a physical examination, and subject to the limitations as to age and rank herein prescribed: Provided, That any person carried as qualified and registered in the grade of colonel or lieutenant colonel pursuant to the provisions of said Act on the date when this Act becomes effective may be commissioned and recommissioned in the Officers' Reserve Corps with the rank for which he has been found qualified and registered, but when such person thereafter shall become separated from the Officers' Reserve Corps for any reason the vacancy so caused shall not be filled, and such office shall cease and determine.

No person shall, except as hereinafter provided, be appointed or reappointed a second lieutenant in the Officers' Reserve Corps after
he shall have reached the age of thirty-two years, a first lieutenant after he shall have reached the age of thirty-six years, a captain after he shall have reached the age of forty years, or a major after he shall have reached the age of forty-five years. When an officer of the Reserve Corps shall reach the age limit fixed for appointment or reappointment in the grade in which commissioned he shall be honorably discharged from the service of the United States, and be entitled to retain his official title and, on occasions of ceremony, to wear the uniform of the highest grade he shall have held in the Officers' Reserve Corps: Provided, That nothing in the foregoing provisions as to the ages of officers shall apply to the appointment or reappointment of officers of the Quartermaster, Engineer, Ordnance, Signal, Judge Advocate, and Medical sections of said Reserve Corps.

One year after the passage of this Act the Medical Reserve Corps, as now constituted by law, shall cease to exist. Members thereof may be commissioned in the Officers' Reserve Corps, subject to the provisions of this Act, or may be honorably discharged from the service. The Secretary of War may, in time of peace, order first lieutenants of the medical section of the Officers' Reserve Corps, with their consent, to active duty in the service of the United States in such numbers as the public interests may require and the funds appropriated may permit, and may relieve them from such duty when their services are no longer necessary. While on such duty they shall receive the pay and allowances, including pay for periods of sickness and leaves of absence, of officers of corresponding rank and length of active service in the Regular Army.

The commissions of all officers of the Officers' Reserve Corps shall be in force for a period of five years unless sooner terminated in the discretion of the President. Such officers may be recommissioned, either in the same or higher grades, for successive periods of five years, subject to such examinations and qualifications as the President may prescribe and to the age limits prescribed herein: Provided, That officers of the Officers' Reserve Corps shall have rank therein in the various sections of said Reserve Corps according to grades and to length of service in their grades.

SEC. 38. THE OFFICERS' RESERVE CORPS IN WAR.—In time of actual or threatened hostilities the President may order officers of the Officers' Reserve Corps, subject to such subsequent physical examinations as he may prescribe, to temporary duty with the Regular Army in grades thereof which can not, for the time being, be filled by promotion, or as officers in volunteer or other organizations that may be authorized by law, or as officers at rendezvous and depots, or on such other duty as the President may prescribe. While such reserve officers are on such service they shall, by virtue of their commissions as reserve officers, exercise command appropriate to their grade and rank in the organizations to which they may be assigned, and shall be entitled to the pay and allowances of the corresponding grades in the Regular Army, with increase of pay for length of active service, as allowed by law for officers of the Regular Army, from the date upon which they shall be required by the terms of their orders to obey the same: Provided, That officers so ordered to active service shall take temporary rank among themselves, and in their grades in the organizations to which assigned, according to the dates of orders placing them on active service; and they may be promoted, in accordance with such rank, to vacancies in volunteer organizations or to temporary vacancies in the Regular Army thereafter occurring in the organizations in which they shall be serving: Provided further, That officers of the Officers' Reserve Corps shall not be entitled to retirement or retired pay, and shall be entitled to pension only for disability incurred in the line of duty and while in active service.
Any officer who, while holding a commission in the Officers' Reserve Corps, shall be ordered to active service by the Secretary of War shall, from the time he shall be required by the terms of his order to obey the same, be subject to the laws and regulations for the government of the Army of the United States, in so far as they are applicable to officers whose permanent retention in the military service is not contemplated.

SEC. 39. INSTRUCTION OF OFFICERS OF THE OFFICERS' RESERVE CORPS.—To the extent provided for from time to time by appropriations for this specific purpose, the Secretary of War is authorized to order reserve officers to duty with troops or at field exercises, or for instruction, for periods not to exceed fifteen days in any one calendar year, and while so serving such officers shall receive the pay and allowances of their respective grades in the Regular Army: Provided, That, with the consent of the reserve officers concerned, and within the limit of funds available for the purpose, such periods of duty may be extended for reserve officers as the Secretary of War may direct: Provided further, That in time of actual or threatened hostilities, after all available officers of any section of the Officers' Reserve Corps corresponding to any arm, corps, or department of the Regular Army shall have been ordered into active service, officers of Volunteers may be appointed in such arm, corps, or department as may be authorized by law: Provided further, That nothing herein shall operate to prevent the appointment of any officer of the Regular Army as an officer of Volunteers before all the officers of the Officers' Reserve Corps or any section thereof shall have been ordered into active service: And provided further, That in determining the relative rank and the right to retirement of an officer of the Regular Army, active duty performed by him while serving in the Officers' Reserve Corps shall not be reckoned.

SEC. 40. THE RESERVE OFFICERS' TRAINING CORPS.—The President is hereby authorized to establish and maintain in civil educational institutions a Reserve Officers' Training Corps, which shall consist of a senior division organized at universities and colleges requiring four years of collegiate study for a degree, including State universities and those State institutions that are required to provide instruction in military tactics under the provisions of the Act of Congress of July second, eighteen hundred and sixty-two, donating lands for the establishment of colleges where the leading object shall be practical instruction in agriculture and the mechanic arts, including military tactics, and a junior division organized at all other public or private educational institutions, except that units of the senior division may be organized at those essentially military schools which do not confer an academic degree but which, as a result of the annual inspection of such institutions by the War Department, are specially designated by the Secretary of War as qualified for units of the senior division, and each division shall consist of units of the several arms or corps in such number and of such strength as the President may prescribe.

SEC. 41. The President may, upon the application of any State institution described in section forty of this Act, establish and maintain at such institution or any public or private educational institution other than State institutions described in section forty of this Act, the authorities of which agree to establish and maintain a two years' elective or com-
pulsory course of military training as a minimum for its physically fit male students, which course when entered upon by any student shall, as regards such student, be a prerequisite for graduation, establish and maintain at such institution one or more units of the Reserve Officers' Training Corps: Provided, That no such unit shall be established or maintained at any such institution until an officer of the Army shall have been detailed as professor of military science and tactics, nor until such institution shall maintain under military instruction at least one hundred physically fit male students.

Sec. 43. The Secretary of War is hereby authorized to prescribe standard courses of theoretical and practical military training for units of the Reserve Officers' Training Corps, and no unit of the senior division shall be organized or maintained at any educational institution the authorities of which fail or neglect to adopt into their curriculum the prescribed courses of military training for the senior division or to devote at least an average of three hours per week per academic year to such military training; and no unit of the junior division shall be organized or maintained at any educational institution the authorities of which fail or neglect to adopt into their curriculum the prescribed courses of military training for the junior division, or to devote at least an average of three hours per week per academic year to such military training.

Sec. 44. Eligibility to membership in the Reserve Officers' Training Corps shall be limited to students of institutions in which units of such corps may be established who are citizens of the United States, who are not less than fourteen years of age, and whose bodily condition indicates that they are physically fit to perform military duty, or will be so upon arrival at military age.

Sec. 45. The President is hereby authorized to detail such numbers of officers of the Army, either active or retired, not above the grade of colonel, as may be necessary, for duty as professors and assistant professors of military science and tactics at institutions where one or more units of the Reserve Officers' Training Corps are maintained; but the total number of active officers so detailed at educational institutions shall not exceed three hundred, and no active officer shall be so detailed who has not had five years' commissioned service in the Army. In time of peace retired officers shall not be detailed under the provisions of this section without their consent. Retired officers below the grade of lieutenant colonel so detailed shall receive the full pay and allowances of their grade, and retired officers above the grade of major so detailed shall receive the same pay and allowances as a retired major would receive under a like detail. No detail of officers on the active list of the Regular Army under the provisions of this section shall extend for more than four years.

Sec. 46. The President is hereby authorized to detail for duty at institutions where one or more units of the Reserve Officers' Training Corps are maintained such number of enlisted men, either active or retired or of the Regular Army Reserve, as he may deem necessary, but the number of active noncommissioned officers so detailed shall not exceed five hundred, and all active noncommissioned officers so detailed shall be additional in their respective grades to those otherwise authorized for the Army. Retired enlisted men or members of the Regular Army Reserve shall not be detailed under the provisions of this section without their consent. While so detailed they shall receive active pay and allowances.

Sec. 47. SEC. 49. The President alone, under such regulations as he may prescribe, is hereby authorized to appoint in the Officers' Reserve Corps any graduate of the senior division of the Reserve Officers' Training Corps who shall have satisfactorily completed the further training provided for in section fifty of this Act, or any graduate of the junior division who shall have satisfactorily completed the courses of military training prescribed for the senior division and the further training provided for in section fifty of this Act, and shall have participated in such practical instruction subsequent to graduation as the Secretary of War shall prescribe, who shall have arrived at the age of twenty-one years and who shall agree, under oath in writing, to serve the United States in the capacity of a reserve officer of the Army during a period of at least ten years from the date of his appointment as such reserve officer, unless sooner discharged by proper authority; but the total number of reserve officers so appointed shall not exceed fifty thousand: Provided, That any graduate qualified under the provisions of this section undergoing a postgraduate course at any institution shall not be eligible for appointment as a reserve officer while undergoing such postgraduate course, but his ultimate eligibility upon completion of such postgraduate course for such appointment shall not be affected because of his having undergone such postgraduate course.

SEC. 50. When any member of the senior division of the Reserve Officers' Training Corps has completed two academic years of service in that division, and has been selected for further training by the president of the institution and by its professor of military science and tactics, and has agreed in writing to continue in the Reserve Officers' Training Corps for the remainder of his course in the institution, devoting five hours per week to the military training prescribed by the Secretary of War, and has agreed in writing to pursue the courses in camp training prescribed by the Secretary of War, he may be furnished, at the expense of the United States, with commutation of subsistence at such rate, not exceeding the cost of the garrison ration prescribed for the Army, as may be fixed by the Secretary of War, during the remainder of his service in the Reserve Officers' Training Corps.

SEC. 51. Any physically fit male citizen of the United States, between the ages of twenty-one and twenty-seven years, who shall have graduated prior to the date of this Act from any educational institution at which an officer of the Army was detailed as professor of military science and tactics, and who, while a student at such
institution, completed courses of military training under the direction of such professor of military science and tactics substantially equivalent to those prescribed pursuant to this Act for the senior division, shall, after satisfactorily completing such additional practical military training as the Secretary of War shall prescribe, be eligible for appointment to the Officers’ Reserve Corps and as a temporary additional second lieutenant in accordance with the terms of this Act.

Sec. 52. The President alone is hereby authorized to appoint and commission as a temporary second lieutenant of the Regular Army in time of peace purposes of instruction, for a period not exceeding six months, with the allowances now provided by law for that grade, but with pay at the rate of $100 per month, any reserve officer appointed pursuant to sections forty-nine and fifty-one of this Act and to attach him to a unit of the Regular Army for duty and training during the period covered by his appointment as such temporary second lieutenant, and upon the expiration of such service with the Regular Army such officer shall revert to his status as a reserve officer.

Sec. 53. No reserve officer or temporary second lieutenant appointed pursuant to this Act shall be entitled to retirement or to retired pay and shall be eligible for pension only for disability incurred in line of duty in active service or while serving with the Regular Army pursuant to the provisions of this Act: Provided, That in time of war the President may order reserve officers appointed under the provisions of this Act to active duty with any of the military forces of the United States in any grades not below that of second lieutenant, and while on such active duty they shall be subject to the Rules and Articles of War: And provided further, That The Adjutant General of the Army shall, under the direction and supervision of the Secretary of War, obtain, compile, and keep continually up to date all obtainable information as to the names, ages, addresses, occupations, and qualifications for appointment as commissioned officers of the Army, in time of war or other emergency, of men of suitable ages who, by reason of having received military training in civilian educational institutions or elsewhere, may be regarded as qualified and available for appointment as such commissioned officers.

Sec. 54, TRAINING CAMPS.—The Secretary of War is hereby authorized to maintain, upon military reservations or elsewhere, camps for the military instruction and training of such citizens as may be selected for such instruction and training, upon their application and under such terms of enlistment and regulations as may be prescribed by the Secretary of War, to use, for the purpose of maintaining said camps and imparting military instruction and training thereat, such arms, ammunition, accouterments, equipments, tentage, field equipage, and transportation belonging to the United States as he may deem necessary; to furnish, at the expense of the United States, uniforms, subsistence, transportation by the most usual and direct route within such limits as to territory as the Secretary of War may prescribe, and medical supplies to persons receiving instruction at said camps during the period of their attendance thereat, to authorize such expenditures, from proper Army appropriations, as he may deem necessary for water, fuel, light, temporary structures, not including quarters for officers nor barracks for men, screening, and damages resulting from field exercises, and other expenses incidental to the maintenance of said camps, and the theoretical winter instruction in connection therewith; and to sell to persons receiving instruction at said camps, for cash and at cost price plus ten per centum, quartermaster and ordnance property, the amount of such property sold to any one person to be limited to that which is required for his proper equipment. All moneys arising from such sales shall remain available throughout the fiscal year following that in which the sales are made, for the purpose
of that appropriation from which the property sold was authorized to be supplied at the time of the sale. The Secretary of War is authorized further to prescribe the courses of theoretical and practical instruction to be pursued by persons attending the camps authorized by this section; to fix the periods during which such camps shall be maintained; to prescribe rules and regulations for the government thereof; and to employ thereat officers and enlisted men of the Regular Army in such numbers and upon such duties as he may designate.

Sec. 55. The Enlisted Reserve Corps.—For the purpose of securing an additional reserve of enlisted men for military service with the Engineer, Signal, and Quartermaster Corps and the Ordnance and Medical Departments of the Regular Army, an Enlisted Reserve Corps, to consist of such number of enlisted men of such grade or grades as may be designated by the President from time to time, is hereby authorized, such authorization to be effective on and after the first day of July, nineteen hundred and sixteen.

There may be enlisted in the grade or grades hereinbefore specified, for a period of four years, under such rules as may be prescribed by the President, citizens of the United States, or persons who have declared their intentions to become citizens of the United States, subject to such physical, educational, and practical examination as may be prescribed in said rules. For men enlisting in said grade or grades certificates of enlistment in the Enlisted Reserve Corps shall be issued by The Adjutant General of the Army, but no such man shall be enlisted in said corps unless he shall be found physically, mentally, and morally qualified to hold such certificate and unless he shall be between the ages of eighteen and forty-five years. The certificates so given shall confer upon the holders when called into active service or for purposes of instruction and training, and during the period of such active service, instruction, or training, all the authority, rights, and privileges of like grades of the Regular Army. Enlisted men of the Enlisted Reserve Corps shall take precedence in said corps according to the dates of their certificates of enlistment therein and when called into active service or when called out for purposes of instruction or training shall take precedence next below all other enlisted men of like grades in the Regular Army. And the Secretary of War is hereby authorized to issue to members of the Enlisted Reserve Corps and to persons who have participated in at least one encampment for the military instruction of citizens, conducted under the auspices of the War Department, distinctive rosettes or knots designed for wear with civilian clothing; and whenever a rosette or knot issued under the provisions of this section shall have been lost, destroyed, or rendered unfit for use without fault or neglect upon the part of the person to whom it is issued, the Secretary of War shall cause a new rosette or knot to be issued to such person without charge therefor. Any person who is not an enlisted man of the Enlisted Reserve Corps and shall not have participated in at least one encampment for the military instruction of citizens, conducted under the auspices of the War Department, and who shall wear such rosette or knot shall be guilty of misdemeanor punishable by a fine of not exceeding $300, or imprisonment not exceeding six months, or both.

The President is authorized to assign members of the Enlisted Reserve Corps as reserves to particular organizations of the Regular Army, or to organize the Enlisted Reserve Corps, or any part thereof, into units or detachments of any arm, corps, or department in such manner as he may prescribe; and to assign to such units and detachments officers of the Regular Army or of the Officers' Reserve Corps, herein provided for.

To the extent provided from time to time by appropriations the Secretary of War may order enlisted men of the Enlisted Reserve
Corps to active service for purposes of instruction or training for periods not to exceed fifteen days in any one calendar year: Provided, That, with the consent of such enlisted men and within the limits of funds available for such purposes, such periods of active service may be extended for such number of enlisted men as may be deemed necessary.

Enlisted men of the Enlisted Reserve Corps shall receive the pay and allowances of their respective grades, but only when ordered into active service, including the time required for actual travel from their homes to the places to which ordered and return to their homes: Provided, That said enlisted men shall not be entitled to retirement or retirement pay, nor shall they be entitled to pensions except for physical disability incurred in line of duty while in active service or while traveling under orders of competent authority to or from designated places of duty.

The uniform to be worn by enlisted men of the Enlisted Reserve Corps, except corps insignia, shall be the same as prescribed for enlisted men of the Regular Army Reserve, and that in lieu of any money allowance for clothing there shall be issued to each enlisted man of the Enlisted Reserve Corps in time of peace such articles of clothing and equipment as the President may direct: Provided, That any clothing or other equipment issued to any enlisted man of the said corps shall remain the property of the United States, and in case of loss or destruction of any article, the article so lost or destroyed shall be replaced by issue to the enlisted man and the value thereof deducted from any pay due or to become due him, unless it shall be made to appear that such loss or destruction was not due to neglect or other fault on his part: Provided further, That any clothing or other equipment issued to enlisted men of the Enlisted Reserve Corps which shall have become unserviceable through ordinary wear and tear in the service of the United States shall be received back by the United States and serviceable like articles issued in lieu thereof: Provided further, That when enlisted men of the Enlisted Reserve Corps shall be discharged or otherwise separated from the service, all arms, equipage, clothing, and other property issued to them shall be accounted for under such regulations as may be prescribed by the Secretary of War.

Any enlisted man of the Enlisted Reserve Corps ordered to active service or for purposes of instruction or training shall, from the time he is required by the terms of the order to obey the same, be subject to the laws and regulations for the government of the Army of the United States.

The Secretary of War is hereby authorized to discharge any enlisted member of the Enlisted Reserve Corps when his services shall be no longer required, or when he shall have by misconduct unfitted himself for further service in the said corps: Provided, That any enlisted man of said corps who shall be ordered upon active duty as herein provided and who shall willfully fail to comply with the terms of the order so given him shall, in addition to any other penalty to which he may be subject, forfeit his certificate of enlistment.

In time of actual or threatened hostilities the President may order the Enlisted Reserve Corps, in such numbers and at such times as may be considered necessary, to active service with the Regular Army, and while on such service members of said corps shall exercise command appropriate to their several grades and rank in the organizations to which they shall be assigned and shall be entitled to the pay and allowances of the corresponding grades in the Regular Army, with increase of pay for length of service as now allowed by law for the Regular Army: Provided, That upon a call by the President for a volunteer force the members of the Enlisted Reserve Corps may be mustered
into the service of the United States as volunteers for duty with the Army in the grades held by them in the said corps, and shall be entitled to the pay and allowances of the corresponding grades in the Regular Army, with increase of pay for length of service, as now provided by law for the Regular Army: And provided further, That enlisted men of the Enlisted Reserves Corps shall not acquire by virtue of issuance of certificates of enlistment to them a vested right to be mustered into the volunteer service of the United States.

SEC. 56. MILITARY EQUIPMENT AND INSTRUCTORS AT OTHER SCHOOLS AND COLLEGES.—Such arms, tentage, and equipment as the Secretary of War shall deem necessary for proper military training shall be supplied by the Government to schools and colleges, other than those provided for in section forty-seven of this Act, having a course of military training prescribed by the Secretary of War and having not less than one hundred physically fit male students above the age of fourteen years, under such rules and regulations as he may prescribe; and the Secretary of War is hereby authorized to detail such commissioned and noncommissioned officers of the Army to said schools and colleges, other than those provided for in section forty-five and forty-six of this Act, detailing not less than one such officer or noncommissioned officer to each five hundred students under military instruction.

SEC. 57. SEC. 60. ORGANIZATION OF NATIONAL GUARD UNITS.—Except as otherwise specifically provided herein, the organization of the National Guard, including the composition of all units thereof, shall be the same as that which is or may hereafter be prescribed for the Regular Army, subject in time of peace to such general exceptions as may be authorized by the Secretary of War. And the President may prescribe the particular unit or units, as to branch or arm of service, to be maintained in each State, Territory, or the District of Columbia in order to secure a force which, when combined, shall form complete higher tactical units.

SEC. 61. MAINTENANCE OF OTHER TROOPS BY THE STATES.—No State shall maintain troops in time of peace other than as authorized in accordance with the organization prescribed under this Act: Provided, That nothing contained in this Act shall be construed as limiting the rights of the States and Territories in the use of the National Guard within their respective borders in time of peace: Provided further, That nothing contained in this Act shall prevent the organization and maintenance of State police or constabulary.

SEC. 62. SEC. 65. CHIEFS OF STAFF OF NATIONAL GUARD DIVISIONS.—The President may detail one officer of the Regular Army as chief of staff and one officer of the Regular Army or the National Guard as assistant to the chief of staff of any division of the National Guard in the service of the United States as a National Guard organization: Provided, That in order to insure the prompt mobilization of the National Guard in time of war or other emergency, the President may, in time of peace, detail an officer of the Regular Army to perform the duties of chief of staff for each fully organized tactical division of the National Guard.

SEC. 66. ADJUTANTS GENERAL OF STATES, AND SO FORTH.—The adjutants general of the States, Territories, and the District of Columbia and the officers of the National Guard shall make such returns and reports to the Secretary of War, or to such officers as he may designate, at such times and in such form as the Secretary of War may from time to time prescribe: Provided, That the adjutants general of the Territories and of the District of Columbia shall be appointed by the President with such rank and qualifications as he may prescribe, and each adjutant general for a Territory shall be a citizen of the Territory for which he is appointed.

SEC. 67. APPROPRIATION, APPORTIONMENT, AND DISBURSEMENT OF FUNDS FOR THE NATIONAL GUARD.—A sum of money shall hereafter be appropriated annually, to be paid out of any money in the Treasury not otherwise appropriated, for the support of the National Guard, including the expense of providing arms, ordnance stores, quartermaster stores, and camp equipage, and all other military supplies for issue to the National Guard, and such other expenses pertaining to said guard as are now or may hereafter be authorized by law.

The appropriation provided for in this section shall be apportioned among the several States and Territories under just and equitable procedure to be prescribed by the Secretary of War and in direct ratio to the number of enlisted men in active service in the National Guard existing in such States and Territories at the date of apportionment of said appropriation, and to the District of Columbia, under such regulations as the President may prescribe: Provided, That the sum so apportioned among the several States, Territories, and the District of Columbia, shall be available under such rules as may be prescribed by the Secretary of War for the actual and necessary expenses incurred by officers and enlisted men of the Regular Army when traveling on duty in connection with the National Guard; for the transportation of supplies furnished to the National Guard for the permanent equipment thereof; for office rent and necessary office expenses of officers of the Regular Army on duty with the National Guard; for the expenses of the Militia Bureau, including clerical services, now authorized for the Division of Militia Affairs; for expenses of enlisted men of the Regular Army on duty with the National Guard, including quarters, fuel, light, medicines, and medical attendance; and such expenses shall constitute a charge against the whole sum annually appropriated for the support of the National Guard, and shall be paid therefrom and not from the allotment duly apportioned to any particular State, Territory, or the District of Columbia; for the promotion of rifle practice, including the acquisition, construction, maintenance, and equipment of shooting galleries and suitable target ranges; for the hiring of horses and draft animals for the use of mounted troops, batteries, and wagons; for forage for the same; and for such other incidental expenses in
connection with lawfully authorized encampments, maneuvers, and field instruction as the Secretary of War may deem necessary, and for such other expenses pertaining to the National Guard as are now or may hereafter be authorized by law.

The governor of each State and Territory and the commanding general of the National Guard of the District of Columbia shall appoint, designate, or detail, subject to the approval of the Secretary of War, an officer of the National Guard of the State, Territory, or District of Columbia who shall be regarded as property and disbursing officer for the United States. He shall receive and account for all funds and property belonging to the United States in possession of the National Guard of his State, Territory, or District, and shall make such returns and reports concerning the same as may be required by the Secretary of War. The Secretary of War is authorized, on the requisition of the governor of a State or Territory or the commanding general of the National Guard of the District of Columbia, to pay to the property and disbursing officer thereof so much of its allotment out of the annual appropriation for the support of the National Guard as shall, in the judgment of the Secretary of War, be necessary for the purposes enumerated therein. He shall render, through the War Department, such accounts of Federal funds intrusted to him for disbursement as may be required by the Treasury Department. Before entering upon the performance of his duties as property and disbursing officer he shall be required to give good and sufficient bond to the United States, the amount thereof to be determined by the Secretary of War, for the faithful performance of his duties and for the safe-keeping and proper disposition of the Federal property and funds intrusted to his care. He shall, after having qualified as property and disbursing officer, receive pay for his services at a rate to be fixed by the Secretary of War, and such compensation shall be a charge against the whole sum annually appropriated for the support of the National Guard: Provided, That when traveling in the performance of his official duties under orders issued by the proper authorities he shall be reimbursed for his actual necessary traveling expenses, the sum to be made a charge against the allotment of the State, Territory, or District of Columbia: Provided further, That the Secretary of War shall cause an inspection of the accounts and records of the property and disbursing officer to be made by an inspector general of the Army at least once each year: And provided further, That the Secretary of War is empowered to make all rules and regulations necessary to carry into effect the provisions of this section.

Sec. 68. Location of units.—The States and Territories shall have the right to determine and fix the location of the units and headquarters of the National Guard within their respective borders: Provided, That no organization of the National Guard, members of which shall be entitled to and shall have received compensation under the provisions of this Act, shall be disbanded without the consent of the President, nor, without such consent, shall the commissioned or enlisted strength of any such organization be reduced below the minimum that shall be prescribed therefor by the President.

Sec. 69. Enlistments in the National Guard.—Hereafter the period of enlistment in the National Guard shall be for six years, the first three years of which shall be in an active organization and the remaining three years in the National Guard Reserve, hereinafter provided for, and the qualifications for enlistment shall be the same as those prescribed for admission to the Regular Army: Provided, That in the National Guard the privilege of continuing in active service during the whole of an enlistment period and of reenlisting in said service shall not be denied by reason of anything contained in this Act.
SEC. 70. FEDERAL ENLISTMENT CONTRACT.—Enlisted men in the National Guard of the several States, Territories, and the District of Columbia now serving under enlistment contracts which contain an obligation to defend the Constitution of the United States and to obey the orders of the President of the United States shall be recognized as members of the National Guard under the provisions of this Act for the unexpired portion of their present enlistment contracts. When any such enlistment contract does not contain such obligation, the enlisted man shall not be recognized as a member of the National Guard until he shall have signed an enlistment contract and taken and subscribed to the following oath of enlistment, upon signing which credit shall be given for the period already served under the old enlistment contract: "I do hereby acknowledge to have voluntarily enlisted this — day of ——, 19—, as a soldier in the National Guard of the United States and of the State of ———, for the period of three years in service and three years in the reserve, under the conditions prescribed by law, unless sooner discharged by proper authority. And I do solemnly swear that I will bear true faith and allegiance to the United States of America and to the State of ———, and that I will serve them honestly and faithfully against all their enemies whomsoever, and that I will obey the orders of the President of the United States and of the governor of the State of ———, and of the officers appointed over me according to law and the rules and articles of war:"

SEC. 71. Hereafter all men enlisting for service in the National Guard shall sign an enlistment contract and take and subscribe to the oath prescribed in the preceding section of this Act.

SEC. 72. DISCHARGE OF ENLISTED MEN FROM THE NATIONAL GUARD.—An enlisted man discharged from service in the National Guard shall receive a discharge in writing in such form and with such classification as is or shall be prescribed for the Regular Army, and in time of peace discharges may be given prior to the expiration of terms of enlistment under such regulations as the President may prescribe.

SEC. 73. FEDERAL OATH FOR NATIONAL GUARD OFFICERS.—Commissioned officers of the National Guard of the several States, Territories, and the District of Columbia now serving under commissions regularly issued shall continue in office, as officers of the National Guard, without the issuance of new commissions: Provided, That said officers have taken, or shall take and subscribe to the following oath of office: "I, ———, do solemnly swear that I will support and defend the Constitution of the United States and the constitution of the State of ———, against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I will obey the orders of the President of the United States and of the governor of the State of ———; that I make this obligation freely, without any mental reservation or purpose of evasion, and that I will well and faithfully discharge the duties of the office of ——— in the National Guard of the United States and of the State of ——— upon which I am about to enter, so help me God:"

SEC. 74. QUALIFICATIONS FOR NATIONAL GUARD OFFICERS.—Persons hereafter commissioned as officers of the National Guard shall not be recognized as such under any of the provisions of this Act unless they shall have been selected from the following classes and shall have taken and subscribed to the oath of office prescribed in the preceding section of this Act: Officers or enlisted men of the National Guard; officers on the reserve or unassigned list of the National Guard; officers, active or retired, and former officers of the United States Army, Navy, and Marine Corps; graduates of the United States Military and Naval Academies and graduates of schools, colleges, and universities where military science is taught under the super-
vision of an officer of the Regular Army, and, for the technical branches and staff corps or departments, such other civilians as may be especially qualified for duty therein.

Sec. 75. The provisions of this Act shall not apply to any person hereafter appointed an officer of the National Guard unless he first shall have successfully passed such tests as to his physical, moral, and professional fitness as the President shall prescribe. The examination to determine such qualifications for commission shall be conducted by a board of three commissioned officers appointed by the Secretary of War from the Regular Army or the National Guard, or both.

Sec. 76. Filling of vacancies when drafted into Federal service.—All vacancies occurring in any grade of commissioned officers in any organization in the military service of the United States and composed of persons drafted from the National Guard under the provisions of this Act shall be filled by the President, as far as practicable, by the appointment of persons similarly taken from said guard, and in the manner prescribed by law for filling similar vacancies occurring in the volunteer forces.

Sec. 77. Elimination and disposition of officers.—At any time the moral character, capacity, and general fitness for the service of any National Guard officer may be determined by an efficiency board of three commissioned officers, senior in rank to the officer whose fitness for service shall be under investigation, and if the findings of such board be unfavorable to such officer and be approved by the official authorized to appoint such an officer, he shall be discharged. Commissions of officers of the National Guard may be vacated upon resignation, absence without leave for three months, upon the recommendation of an efficiency board, or pursuant to sentence of a court-martial. Officers of said guard rendered surplus by the disbandment of their organizations shall be placed in the National Guard Reserve. Officers may, upon their own application, be placed in the said reserve. Sec. 78. The National Guard Reserve.—Subject to such rules and regulations as the President may prescribe, a National Guard Reserve shall be organized in each State, Territory, and the District of Columbia, and shall consist of such organizations, officers, and enlisted men as the President may prescribe, or members thereof may be assigned as reserves to an active organization of the National Guard: Provided, That members of said reserve, when engaged in field or coast-defense training with the active National Guard, shall receive the same Federal pay and allowances as enlisted men on the active list of said guard when likewise engaged: Provided further, That, except as otherwise specifically provided in this Act, no commissioned or enlisted reservist shall receive any pay or allowances out of any appropriation made by Congress for National Guard purposes. Sec. 79. Reserve Battalions for Recruit Training.—When members of the National Guard and the enlisted reserve thereof of any State, Territory, or the District of Columbia shall have been brought into the service of the United States in time of war, there shall be immediately organized, either from such enlisted reserve or from the unorganized militia, in such State, Territory, or District, one reserve battalion for each regiment of Infantry or Cavalry, or each nine batteries of Field Artillery, or each twelve companies of Coast Artillery, brought into the service of the United States, and such reserve battalion shall constitute the fourth battalion of any such regiment or twelve companies of Coast Artillery. Reserve battalions shall consist of four companies of such strength as may be prescribed by the President of the United States. When the members of three or more regiments of the National Guard of any
State, Territory, or District shall have been brought into the service of the United States, the reserve battalions of such regiments may be organized into provisional regiments and higher units. If for any reason there shall not be enough voluntary enlistments to keep the reserve battalions at the prescribed strength, a sufficient number of the unorganized militia shall be drafted into the service of the United States to maintain each of such battalions at the proper strength. As vacancies occur from death or other causes in any organization in the service of the United States and composed of men taken from the National Guard, men shall be transferred from the reserve battalions to the organizations in the field so that such organizations may be maintained at war strength. Officers for the reserve battalions provided for herein shall be drafted from the National Guard Reserve or Coast Artillery companies of the National Guard or the Officers' Reserve Corps, such officers to be taken, if practicable, from the States, respectively, in which the battalions shall be organized. Officers and noncommissioned officers returned to their home stations because of their inability to perform active field service may be assigned to reserve battalions for duty, and all soldiers invalided home shall be assigned to and carried on the rolls of reserve battalions until returned to duty or until discharged.

SEC. 80. LEAVES OF ABSENCE FOR CERTAIN GOVERNMENT EMPLOYEES.—All officers and employees of the United States and of the District of Columbia who shall be members of the National Guard shall be entitled to leave of absence from their respective duties, without loss of pay, time, or efficiency rating, on all days during which they shall be engaged in field or coast-defense training ordered or authorized under the provisions of this Act.

SEC. 81. MILITIA BUREAU OF THE WAR DEPARTMENT.—The National Militia Board created by section eleven of the Act of May twenty-seventh, nineteen hundred and eight, amending section twenty of the Act of January twenty-first, nineteen hundred and three, shall, from the date of the approval of this Act, be abolished. The Militia Division now existing in the War Department shall hereafter be known as the Militia Bureau of said department, shall, like other bureaus of said department, be under the immediate supervision of the Secretary of War, and shall not form a part of any other bureau, office, or other organization, but the Chief of the Militia Bureau shall be ex officio a member of the General Staff Corps: Provided, That the President may, in his discretion, assign to duty in the Militia Bureau as assistants to the chief thereof not to exceed one colonel and one lieutenant colonel of the National Guard, for terms of four years, and any such officer while so assigned shall, subject to such regulations as the President may prescribe, receive out of the whole fund appropriated for the support of the militia the pay and allowances of a Regular Army officer having the same rank and length of service as said National Guard officer, whose prior service in the Organized Militia shall be counted in ascertaining his rights under this proviso.

SEC. 82. ARMAMENT, EQUIPMENT, AND UNIFORM OF THE NATIONAL GUARD.—The National Guard of the United States shall, as far as practicable, be uniformed, armed, and equipped with the same type of uniforms, arms, and equipments as are or shall be provided for the Regular Army.

SEC. 83. The Secretary of War is hereby authorized to procure, under such regulations as the President may prescribe, by purchase or manufacture, within the limits of available appropriations made by Congress, and to issue from time to time to the National Guard, upon requisition of the governors of the several States and Territories or the commanding general of the National Guard of the District of
NATIONAL GUARD.

Columbia, such number of United States service arms, with all accessories, field-artillery matériel, engineer, coast artillery, signal, and sanitary matériel, accouterments, field uniforms, clothing, equipage, publications, and military stores of all kinds, including public animals, as are necessary to arm, uniform, and equip for field service the National Guard in the several States, Territories, and the District of Columbia: Provided, That as a condition precedent to the issue of any property as provided for by this Act, the State, Territory, or the District of Columbia desiring such issue shall make adequate provision, to the satisfaction of the Secretary of War, for the protection and care of such property: Provided further, That, whenever it shall be shown to the satisfaction of the Secretary of War that the National Guard of any State, Territory, or the District of Columbia, is properly organized, armed, and equipped for field service, funds allotted to that State, Territory, or District for the support of its National Guard may be used for the purchase, from the War Department, of any article issued by any of the supply departments of the Army.

Sec. 84. Under such regulations as the President may prescribe, whenever a new type of equipment, small arm, or field gun shall have been issued to the National Guard of the several States, Territories, and the District of Columbia, such equipment, small arms, and field guns, including all accessories, shall be furnished without charging the cost or value thereof or any expense connected therewith against the appropriations provided for the support of the National Guard.

Sec. 85. Each State, Territory, and the District of Columbia shall, on the receipt of new property issued to replace obsolete or condemned prior issues, turn in to the War Department or otherwise dispose of, in accordance with the directions of the Secretary of War, all property so replaced or condemned, and shall not receive any money credit therefor.

Sec. 86. Any State, Territory, or the District of Columbia may, with the approval of the Secretary of War, purchase for cash from the War Department for the use of the National Guard, including the officers thereof, any stores, supplies, material of war, and military publications furnished to the Army, in addition to those issued under the provisions of this Act, at the price at which they shall be listed to the Army, with cost of transportation added. The funds received from such sale shall be credited to the appropriation to which they shall belong, shall not be covered into the Treasury, and shall be available until expended to replace therewith the supplies sold to the States in the manner herein authorized: Provided, That stores, supplies, and matériel of war so purchased by a State, Territory, or the District of Columbia may, in time of actual or threatened war, be requisitioned by the United States for use in the military service thereof, and when so requisitioned by the United States and delivered credit for the ultimate return of such property in kind shall be allowed to such State, Territory, or the District of Columbia.

Sec. 87. Disposition and replacement of damaged property, and so forth.—All military property issued to the National Guard as herein provided shall remain the property of the United States. Whenever any such property issued to the National Guard in any State or Territory or the District of Columbia shall have been lost, damaged, or destroyed, or become unserviceable or unsuitable by use in service or from any other cause, it shall be examined by a disinterested surveying officer of the Regular Army or the National Guard, detailed by the Secretary of War, and the report of such surveying officer shall be forwarded to the Secretary of War, or to such officer as he shall designate to receive such reports; and if it shall appear to the Secretary of War from the record of survey that the property was lost, damaged, or destroyed through unavoidable...
causes, he is hereby authorized to relieve the State or Territory or
the District of Columbia from further accountability therefor. If it
shall appear that the loss, damage, or destruction of property was
due to carelessness or neglect, or that its loss, damage, or destruction
could have been avoided by the exercise of reasonable care, the
money value of such property shall be charged to the accountable
State, Territory, or District of Columbia, to be paid from State,
Territory, or District funds, or any funds other than Federal. If the
articles so surveyed are found to be unserviceable or unsuitable, the
Secretary of War shall direct what disposition, by sale or otherwise,
shall be made of them; and if sold, the proceeds of such sale, as well
as stoppages against officers and enlisted men, and the net proceeds
of collections made from any person or from any State, Territory, or
District to reimburse the Government for the loss, damage, or
destruction of any property, shall be deposited in the Treasury of
the United States as a credit to said State, Territory, or the District
of Columbia, accountable for said property, and as a part of and in
addition to that portion of its allotment set aside for the purchase of
similar supplies, stores, or material of war: Provided further, That if
any State, Territory, or the District of Columbia shall neglect or
refuse to pay, or to cause to be paid, the money equivalent of any
loss, damage, or destruction of property charged against such State,
Territory, or the District of Columbia by the Secretary of War after
survey by a disinterested officer appointed as hereinbefore provided,
the Secretary of War is hereby authorized to debar such State,
Territory, or the District of Columbia from further participation in
any and all appropriations for the National Guard until such pay-
ment shall have been made.

SEC. 88. The net proceeds of the sale of condemned stores issued
to the National Guard and not charged to State allotments shall be
covered into the Treasury of the United States, as shall also stop-
pages against officers and enlisted men, and the net proceeds of col-
lections made from any person to reimburse the Government for
the loss, damage, or destruction of said property not charged against
the State allotment issued for the use of the National Guard.

SEC. 89. HORSES FOR CAVALRY AND FIELD ARTILLERY OF NA-
TIONAL GUARD.—Funds allotted by the Secretary of War for the sup-
port of the National Guard shall be available for the purchase, under
such regulations as the Secretary of War may prescribe, of horses
conforming to the Regular Army standards for the use of Field
Artillery and Cavalry of the National Guard, said horses to remain
the property of the United States and to be used solely for military
purposes.

Horses so purchased may be issued not to exceed thirty-two to any
one battery or troop, under such regulations as the Secretary of War
may prescribe; and the Secretary of War is further authorized to
issue, in lieu of purchase, for the use of such organizations, con-
demned Army horses which are no longer fit for service, but which
may be suitable for the purposes of instruction, such horses to be
sold as now provided by law when said purposes shall have been
served.

Approved, June 5, 1916.
CHAP. 137.—An Act to alter and amend an Act entitled "An Act granting lands to aid in the construction of a railroad and telegraph line from the Central Pacific Railroad, in California, to Portland, in Oregon," approved July twenty-fifth, eighteen hundred and sixty-five, as amended by the Acts of eighteen hundred and sixty-six, eighteen hundred and sixty-eight, and eighteen hundred and sixty-nine, and to alter and amend an Act entitled "An Act granting lands to aid in the construction of a railroad and telegraph line from Portland to Astoria and McMinnville, in the State of Oregon," approved May fourth, eighteen hundred and seventy, and for other purposes.

Whereas by the Acts of Congress approved April tenth, eighteen hundred and sixty-nine (Fourteenth Statutes at Large, page two hundred and thirty-nine), and May fourth, eighteen hundred and seventy (Sixteenth Statutes at Large, page ninety-four), it was provided that the lands granted to aid in the construction of certain railroads from Portland, in the State of Oregon, to the Northern boundary of the State of California, and from Portland to Astoria and McMinnville, in the State of Oregon, should be sold to actual settlers only, in quantities not exceeding one hundred and sixty acres to each person and at prices not greater than $2.50 per acre; and

Whereas the Oregon and California Railroad Company, beneficiary of said acts, has violated the terms under which the said lands were granted by selling certain of said lands to persons other than actual settlers, by selling in quantities of more than one-quarter section to each person, by selling at prices in excess of $2.50 per acre, and by refusing to sell any further portions of such lands to actual settlers at any price, and in so doing has willfully violated the terms of the statutes by which the said lands were granted; and

Whereas the Oregon and California Railroad Company, beneficiary of said acts, has violated the terms under which the said lands were granted by selling certain of said lands to persons other than actual settlers, by selling in quantities of more than one-quarter section to each person, by selling at prices in excess of $2.50 per acre, and by refusing to sell any further portions of such lands to actual settlers at any price, and in so doing has willfully violated the terms of the statutes by which the said lands were granted; and

Whereas in the suit instituted by the Attorney General of the United States, pursuant to the authority and direction contained in the joint resolution of April thirtieth, nineteen hundred and eighty (Thirty-fifth Statutes at Large, page five hundred and seventy-one), the Supreme Court of the United States, in its decision rendered June twenty-first, nineteen hundred and fifteen (Two hundred and thirty-eighth United States, page three hundred and ninety-three), ordered that the Oregon and California Railroad Company be enjoined from making further sales of lands in violation of the law, and that the said railroad company be further enjoined from making any sales whatever of either the land or the timber thereon until Congress should have a reasonable opportunity to provide for the disposition of said lands in accordance with such policy as Congress might deem fitting under the circumstances and at the same time secure to the railroad company all the value conferred by the granting Acts; and

Whereas it was expressly provided by section twelve of the Act of July twenty-fifth, eighteen hundred and sixty-six (Fourteenth Statutes at Large, page two hundred and thirty-nine), that Congress might at any time, having due regard for the rights of the grantee railroad company, add to, alter, amend, or repeal the Act making the grant; and

Whereas the Oregon and California Railroad Company and its predecessors in interest received a large sum of money from sales of said land for prices in excess of $2.50 per acre, and from leases, interest on contracts, and so forth; and

Whereas the aforesaid granting Acts conferred upon the said railroad company the right to receive not more than $2.50 per acre for each acre of land so granted; Therefore

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the title to so much of the lands granted by the Act of July twenty-fifth, eighteen hundred and sixty-six, entitled "An Act granting lands to aid in the construction of a railroad and telegraph line from the Central Pacific Railroad in California to Portland, in Oregon," as amended by the Acts of
eighteen hundred and sixty-eight and eighteen hundred and sixty-nine, for which patents have been issued by the United States, or for which the grantee is entitled to receive patents under said grant, and to so much of the lands granted by the Act of May fourth, eighteen hundred and seventy, entitled "An Act granting lands to aid in the construction of a railroad and telegraph line from Portland to Astoria and McMinnville, in the State of Oregon," for which patents have been issued by the United States, or for which the grantee is entitled to receive patents under said grant, as had not been sold by the Oregon and California Railroad Company prior to July first, nineteen hundred and thirteen, be, and the same is hereby, vested in the United States: Provided, That the provisions of this Act shall not apply to the right of way to the extent of one hundred feet in width on each side of the railroad and all lands in actual use by said railroad company on December ninth, nineteen hundred and fifteen, for depots, sidetracks, wood yards, and standing grounds.

Sec. 2. That the Secretary of the Interior, in cooperation with the Secretary of Agriculture, or otherwise, is hereby authorized and directed, after due examination in the field, to classify said lands by the smallest legal subdivisions thereof into three classes, as follows:

Class one. Power-site lands, which shall include only such lands as are chiefly valuable for water-power sites, which lands shall be subject to withdrawal and such use and disposition as has been or may be provided by law for other public lands of like character.

Class two. Timberlands, which shall include lands bearing a growth of timber not less than three hundred thousand feet board measure on each forty-acre subdivision.

Class three. Agricultural lands, which shall include all lands not falling within either of the two other classes:

Provided. That any of said lands, however classified, may be reclassified, if, because of a change of conditions or other reasons, such action is required to denote properly the true character and class of such lands: Provided further, That all the general laws of the United States now existing or hereafter enacted relating to the granting of rights of way over or permits for the use of public lands shall be applicable to all lands title to which is vested in the United States under the provisions of this Act. All lands disposed of under the provisions of this Act shall be subject to all rights of way which the Secretary of the Interior shall at any time deem necessary for the removal of the timber from any lands of class two.

Sec. 3. That the classification provided for by the preceding section shall not operate to exclude from exploration, entry, and disposition, under the mineral-land laws of the United States, any of said lands, except power sites, which are chiefly valuable for the mineral deposits contained therein, and the general mineral laws are hereby extended to all of said lands, except power sites: Provided, That any person entering mineral lands of class two shall not acquire title to the timber thereon, which shall be sold as hereinafter provided in section four, but he shall have the right to use so much of the timber thereon as may be necessary in the development and operation of his mine until such time as such timber is sold by the United States.

Sec. 4. That nonmineral lands of class two shall not be disposed of until the Secretary of the Interior has determined and announced that the merchantable timber thereon has been removed, and thereupon said lands shall fall into class three and be disposed of in the manner hereinafter provided for the disposal of lands of that class.

The timber on lands of class two shall be sold for cash by the Secretary of the Interior, in cooperation with the Secretary of Agriculture, or otherwise, to citizens of the United States, associations of such citizens, and corporations organized under the laws of the
United States, or any State, Territory, or District thereof, at such times, in such quantities, and under such plan of public competitive bidding as in the judgment of the Secretary of the Interior may produce the best results: Provided, That said Secretary shall have the right to reject any bid where he has reason to believe that the price offered is inadequate, and may reoffer the timber until a satisfactory bid is received: Provided further, That upon application of a qualified purchaser that any legal subdivision shall be separately offered for sale such subdivision shall be separately offered before being included in any offer of a larger unit, if such application be filed within ninety days prior to such offer: And provided further, That said timber shall be sold as rapidly as reasonable prices can be secured therefor in a normal market.

The Secretary of the Interior shall as soon as the purchase price is fully paid by any person purchasing under the provisions of this section issue to such purchaser a patent conveying the timber and expressly reserving the land to the United States. The timber thus purchased may be cut and removed by the purchaser, his heirs or assigns, within such period as may be fixed by the Secretary of the Interior, which period shall be designated in the patent; all rights under said patent shall cease and terminate at the expiration of said period: Provided, That in the event the timber is removed prior to the expiration of said period the Secretary of the Interior shall make due announcement thereof, whereupon all rights under the patent shall cease.

No timber shall be removed until the issuance of patent therefor. All timber sold under this Act shall be subject to the taxing power of the States apart from the land as soon as patents are issued as provided for herein.

Sec. 5. That nonmineral lands of class three shall be subject to entry under the general provisions of the homestead laws of the United States, except as modified herein, and opened to entry in accordance with the provisions of the Act of September thirtieth, nineteen hundred and thirteen (Thirty-eighth Statutes at Large, page one hundred and thirteen). Fifty cents per acre shall be paid at the time the original entry is allowed and $2 per acre when final proof is made. The provisions of section twenty-three hundred and one Revised Statutes, shall not apply to any entry hereunder and no patent shall issue until the entryman has resided upon and cultivated the land for a period of three years, proof of which shall be made at any time within five years from date of entry. The area cultivated shall be such as to satisfy the Secretary of the Interior that the entry is made in good faith for the purpose of settlement and not for speculation: Provided, That the payment of $2.50 per acre shall not be required from homestead entrymen upon lands of class two when the same shall become subject to entry as agricultural lands in class three: Provided further, That during the period fixed for the submission of applications to make entry under this section any person duly qualified to enter such lands who has resided thereon, to the same extent and in the same manner as is required under the homestead laws, since the first day of December, nineteen hundred and thirteen, and who has improved the land and devoted some portion thereof to agricultural use, and who shall have maintained his residence to the date of such application, shall have the preferred right to enter the quarter section upon which he was so residing whether such lands shall be of class two or class three and where such quarter section does not contain more than one million two hundred thousand feet board measure of timber, and where the quarter section contains more than the said quantity of timber such person may enter the forty-acre tract, or lot or lots containing approximately forty acres, upon which
his improvements, or the greater part thereof, are situated: Provided further, That a prior exercise of the homestead right by any such person shall not be a bar to the exercise of such preference rights: And provided further, That all of the following described lands which may become re vested in the United States by operation of this Act, to-wit: Township one south, range five east, sections twenty-three and thirty-five; township one south, range six east, sections three, five, seven, nine, seventeen, nineteen, twenty-nine, thirty-one, and thirty-three; township two south, range five east, sections one and three; township two south, range six east, sections one, three, five, seven, nine, and eleven; township two south, range seven east, section seven; township three south, range three east, section fifteen; township four south, range four east, sections eleven and thirteen; township four south, range five east, sections nineteen and twenty-nine; and township twelve south, range seven west, sections fifteen, twenty-one, twenty-three, twenty-seven, thirty-three, and thirty-five Willamette meridian and base, State of Oregon, shall be withheld from entry or other disposition for a period of two years after the approval hereof.

Sec. 6. That persons who purchase timber on lands of class two shall be required to pay a commission of one-fifth of one per centum of the purchase price paid, to be divided equally between the register and receiver, within the maximum compensation allowed them by law; and the register and receiver shall receive no other compensation whatever for services rendered in connection with the sales of timber under the provisions of section four of this Act.

Sec. 7. That the Attorney General of the United States be, and he is hereby, authorized and directed to institute and prosecute any and all suits in equity and actions at law against the Oregon and California Railroad Company, and any other proper party which he may deem appropriate, to have determined the amount of money which have been received by the said railroad company or its predecessors from or on account of any of said granted lands, whether sold or unsold, patented or unpatented, and which should be charged against it as a part of the "full value" secured to the grantees under said granting Acts as heretofore interpreted by the Supreme Court. In making this determination the court shall take into consideration and give due and proper legal effect to all receipts of money from sales of land or timber, forfeited contracts, rent, timber depredations, and interest on contracts, or from any other source relating to said lands; also to the value of timber taken from said lands and used by said grantees or their successor or successors. In making this determination in the aforementioned suit or suits the court shall also determine, on the application of the Attorney General, the amount of the taxes on said lands paid by the United States, as provided in this Act, and which should in law have been paid by the said Oregon and California Railroad Company, and the amount thus determined shall be treated as money received by said railroad company.

Sec. 8. That the title to all money arising out of said grant lands and now on deposit to await the final outcome of said suit commenced by the United States in pursuance of said joint resolution of nineteen hundred and eight is hereby vested in the United States, and the United States is subrogated to all the rights and remedies of the obligee or obligees, and especially of Louis L. Sharp as commissioner, under any contract for the purchase of timber on the grant lands.

Sec. 9. That the taxes accrued and now unpaid on the lands vested in the United States, whether situate in the State of Oregon or State of Washington, shall be paid by the Treasurer of the United States, upon the order of the Secretary of the Interior, as soon as may be after the approval of this Act, and a sum sufficient to make such
Receipts from lands and timber to constitute special fund.

Distribution after paying railroad company, etc.

From sales of lands and timber.

Payment is hereby appropriated, out of any money in the Treasury not otherwise appropriated.

Sec. 10. That all moneys received from or on account of said lands and timber under the provisions of this Act shall be deposited in the Treasury of the United States in a special fund, to be designated "The Oregon and California land-grant fund," which fund shall be disposed of in the following manner: The Secretary of the Interior shall ascertain as soon as may be the exact number of acres of said lands, sold or unsold, patented to the Oregon and California Railroad Company, or its predecessors, and the number of acres of unpatented lands which said railroad company is entitled to receive under the terms of said grants and the value of said lands at $2.50 per acre. From the sum thus ascertained he shall deduct the amount already received by the said railroad company and its predecessors in interest on account of said lands and which should be charged against it as determined under section seven of this Act; and a sum equal to the balance thus resulting shall be paid, as herein provided, to the said railroad company, its successors or assigns, and to those having liens on the land, as their respective interests may appear. The amount due lien holders shall be evidenced either by the consent, in writing, of the railroad company or by a judgment of a court of competent jurisdiction in a suit to which the railroad company and the lien holders are parties. Payments shall be made from time to time, as the fund accumulates, by the Treasurer of the United States upon the order of the Secretary of the Interior. Provided, however, That if, upon the expiration of ten years from the approval of this Act, the proceeds derived from the sale of lands and timber are not sufficient to pay the full amount which the said railroad company, its successors or assigns, are entitled to receive, the balance due shall be paid from the general funds in the Treasury of the United States, and an appropriation shall be made therefor. After the said railroad company, its successors or assigns, and the lien holders have been paid the amount to which they are entitled, as provided herein, an amount equal to that paid for accumulated taxes, as provided in section nine hereof, shall be deposited in the Treasury to the credit of the United States, thereafter all other moneys received from the sales of land and timber shall be distributed as follows:

A separate account shall be kept in the General Land Office of the sales of land and timber within each county in which any of said lands are situated, and, after deducting from the amount of the proceeds arising from such sales in each county a sum equal to that applied to pay the accrued taxes in that county and a sum equal to $2.50 per acre for each acre of such land therein title to which is re vested in the United States under this Act, twenty-five per centum of the remainder shall be paid to the State treasurer of the State in which the land is located, to be and become a part of the irreducible school fund of the State; twenty-five per centum shall be paid to the treasurer of the county for common schools, roads, highways, bridges, and port districts, to be apportioned by the county courts for the several purposes above named; forty per centum shall be paid into, reserved, and appropriated as a part of the fund created by the Act of Congress approved June seventeenth, nineteen hundred and two, known as the reclamation Act; ten per centum shall become a part of the general fund in the Treasury of the United States; and of the balance remaining in said Oregon and California land grant fund from whatsoever source derived twenty-five per centum shall be paid to the State treasurer of the State in which the land is located, to be and become a part of the irreducible school fund of the State; twenty-five per centum shall be paid to the treasurer of the county for common schools, roads, highways, bridges, and port districts, to be apportioned by the county
courts for the several purposes above named; and the remainder shall become a part of the general fund in the Treasury of the United States. The payments herein authorized shall be made to the treasurers of the States and counties, respectively, by the Treasurer of the United States, upon the order of the Secretary of the Interior, as soon as may be after the close of each fiscal year during which the moneys were received: Provided, That none of the payments to the States and counties and to the reclamation fund in this section provided for shall be made until the amount due the Oregon and California Railroad Company, its successors or assigns, has been fully paid, and the Treasury reimbursed for all taxes paid pursuant to the provisions of section nine of this Act.

Sec. 11. That the Secretary of the Interior is hereby authorized to perform any and all acts and to make such rules and regulations as may be necessary and proper for the purpose of carrying the provisions of this Act into full force and effect; and any person, applicant, purchaser, entryman, or witness who shall swear falsely in any affidavit or proceeding required hereunder or under the regulations issued by the Secretary of the Interior shall be guilty of perjury and liable to the penalties prescribed therefor.

Sec. 12. That the sum of $100,000 be, and the same is hereby, appropriated, out of any moneys in the Treasury not otherwise appropriated, to enable the Secretary of the Interior, in cooperation with the Secretary of Agriculture, or otherwise, to complete the classification of the lands as herein provided, which amount shall be immediately available and shall remain available until such classification shall have been completed.

The value of the franchise or good will or any other intangible element shall not be considered in determining the amount to be paid.

Either the association or the purchaser may appeal to the Supreme Court of Hawaii from the decision of such commission by filing a written notice of appeal with the commission within five days after the decision is rendered. It shall thereafter be the duty of the commission immediately to certify up to the supreme court the record of its proceedings, showing in such certificate the valuation claimed by the association, the valuation claimed by the purchaser, and the valuation as determined by the commission. Such certificate shall be accompanied by copies of all papers, documents, and evidence upon which the decision of the commission was based and a copy of such decision. Upon any such appeal the supreme court may in its behalf take or require further evidence to be introduced by either party.

Within six months after the determination of the purchase price aforesaid the same shall be paid to the association, and thereupon the franchise granted hereby shall cease and determine, and all the property of said association shall become the property of such purchaser without any further conveyance; but said association shall make all such further conveyances as may be desired by the purchaser and approved by said commission or said court on appeal."

CHAP. 241.—An Act To provide that the United States shall aid the States in the construction of rural post roads, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of Agriculture is authorized to cooperate with the States, through their respective State highway departments, in the construction of rural post roads; but no money apportioned under this Act to any State shall be expended therein until its legislature shall have assented to the provisions of this Act, except that, until the final adjournment of the first regular session of the legislature held after the passage of this Act, the assent of the governor of the State shall be sufficient. The Secretary of Agriculture and the State highway department of each State shall agree upon the roads to be constructed therein and the
character and method of construction: Provided, That all roads constructed under the provisions of this Act shall be free from tolls of all kinds.

Sec. 2. That for the purpose of this Act the term "rural post road" shall be construed to mean any public road over which the United States mails now are or may hereafter be transported, excluding every street and road in a place having a population, as shown by the latest available Federal census, of two thousand five hundred or more, except that portion of any such street or road along which the houses average more than two hundred feet apart; the term "State highway department" shall be construed to include any department of another name, or commission, or official or officials, of a State empowered, under its laws, to exercise the functions ordinarily exercised by a State highway department; the term "construction" shall be construed to include reconstruction and improvement of roads; "properly maintained" as used herein shall be construed to mean the making of needed repairs and the preservation of a reasonably smooth surface considering the type of the road; but shall not be held to include extraordinary repairs, nor reconstruction; necessary bridges and culverts shall be deemed parts of the respective roads covered by the provisions of this Act.

Sec. 3. That for the purpose of carrying out the provisions of this Act there is hereby appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending June thirtieth, nineteen hundred and seventeen, the sum of $5,000,000; for the fiscal year ending June thirtieth, nineteen hundred and eighteen, the sum of $10,000,000; for the fiscal year ending June thirtieth, nineteen hundred and nineteen, the sum of $15,000,000; for the fiscal year ending June thirtieth, nineteen hundred and twenty, the sum of $20,000,000; and for the fiscal year ending June thirtieth, nineteen hundred and twenty-one, the sum of $25,000,000. So much of the appropriation apportioned to any State for any fiscal year as remains unexpended at the close thereof shall be available for expenditure in that State until the close of the succeeding fiscal year, except that amounts apportioned for any fiscal year to any State which has not a State highway department shall be available for expenditure in that State until the close of the third fiscal year succeeding the close of the fiscal year for which such apportionment was made. Any amount apportioned under the provisions of this Act unexpended at the end of the period during which it is available for expenditure under the terms of this section shall be reapportioned, within sixty days thereafter, to all the States in the same manner and on the same basis, and certified to the Secretary of the Treasury and to the State highway departments and to the governors of States having no State highway departments in the same way as if it were being apportioned under this Act for the first time: Provided, That in States where the constitution prohibits the State from engaging in any work of internal improvements, then the amount of the appropriation under this Act apportioned to any such State shall be turned over to the highway department of the State or to the governor of said State to be expended under the provisions of this Act and under the rules and regulations of the Department of Agriculture, when any number of counties in any such State shall appropriate or provide the proportion or share needed to be raised in order to entitle such State to its part of the appropriation apportioned under this Act.

Sec. 4. That so much, not to exceed three per centum, of the appropriation for any fiscal year made by or under this Act as the Secretary of Agriculture may estimate to be necessary for administering the provisions of this Act shall be deducted for that purpose,
available until expended. Within sixty days after the close of each fiscal year the Secretary of Agriculture shall determine what part, if any, of the sums theretofore deducted for administering the provisions of this Act will not be needed for that purpose and apportion such part, if any, for the fiscal year then current in the same manner and on the same basis, and certify it to the Secretary of the Treasury and to the State highway departments, and to the governors of States having no State highway departments, in the same way as other amounts authorized by this Act to be apportioned among all the States for such current fiscal year. The Secretary of Agriculture, after making the deduction authorized by this section, shall apportion the remainder of the appropriation for each fiscal year among the several States in the following manner: One-third in the ratio which the area of each State bears to the total area of all the States; one-third in the ratio which the population of each State bears to the total population of all the States, as shown by the latest available Federal census; one-third in the ratio which the mileage of rural delivery routes and star routes in each State bears to the total mileage of rural delivery routes and star routes in all the States, at the close of the next preceding fiscal year, as shown by the certificate of the Postmaster General, which he is directed to make and furnish annually to the Secretary of Agriculture.

Sec. 5. That within sixty days after the approval of this Act the Secretary of Agriculture shall certify to the Secretary of the Treasury and to each State highway department and to the governor of each State having no State highway department the sum which he has estimated to be deducted for administering the provisions of this Act and the sum which he has apportioned to each State for the fiscal year ending June thirtieth, nineteen hundred and seventeen, and on or before January twentieth next preceding the commencement of each succeeding fiscal year shall make like certificates for such fiscal year.

Sec. 6. That any State desiring to avail itself of the benefits of this Act shall, by its State highway department, submit to the Secretary of Agriculture project statements setting forth proposed construction of any rural post road or roads therein. If the Secretary of Agriculture approve a project, the State highway department shall furnish to him such surveys, plans, specifications, and estimates therefor as he may require: Provided, however, That the Secretary of Agriculture shall approve only such projects as may be substantial in character and the expenditure of funds hereby authorized shall be applied only to such improvements. Items included for engineering, inspection, and unforeseen contingencies shall not exceed ten per centum of the total estimated cost of the work. If the Secretary of Agriculture approve the plans, specifications, and estimates, he shall notify the State highway department and immediately certify the fact to the Secretary of the Treasury. The Secretary of the Treasury shall thereupon set aside the share of the United States payable under this Act on account of such project, which shall not exceed fifty per centum of the total estimated cost thereof. No payment of any money apportioned under this Act shall be made on any project until such statement of the project, and the plans, specifications, and estimates therefor, shall have been submitted to and approved by the Secretary of Agriculture.

When the Secretary of Agriculture shall find that any project so approved by him has been constructed in compliance with said plans and specifications he shall cause to be paid to the proper authority of said State the amount set aside for said project: Provided, That the Secretary of Agriculture may, in his discretion, from time to time make payments on said construction as the same progresses,
but these payments including previous payments, if any, shall not be more than the United States' pro rata part of the value of the labor and materials which have been actually put into said construction in conformity to said plans and specifications; nor shall any such payment be in excess of $10,000 per mile, exclusive of the cost of bridges of more than twenty feet clear span. The construction work and labor in each State shall be done in accordance with its laws, and under the direct supervision of the State highway department, subject to the inspection and approval of the Secretary of Agriculture and in accordance with the rules and regulations made pursuant to this Act.

The Secretary of Agriculture and the State highway department of each State may jointly determine at what times, and in what amounts, payments, as work progresses, shall be made under this Act. Such payments shall be made by the Secretary of the Treasury, on warrants drawn by the Secretary of Agriculture, to such official, or officials, or depository, as may be designated by the State highway department and authorized under the laws of the State to receive public funds of the State or county.

Section 7. To maintain the roads constructed under the provisions of this Act shall be the duty of the States or their civil subdivisions, according to the laws of the several States. If at any time the Secretary of Agriculture shall find that any road in any State constructed under the provisions of this Act is not being properly maintained he shall give notice of such fact to the highway department of such State and if within four months from the receipt of said notice said road has not been put in a proper condition of maintenance then the Secretary of Agriculture shall thereafter refuse to approve any project for road construction in said State, or the civil subdivision thereof, as the case may be, whose duty it is to maintain said road, until it has been put in a condition of proper maintenance.

Section 8. That there is hereby appropriated and made available for roads and trails in, for use, etc., of adjacent communities.

National forests.

Appropriation for roads and trails in, for use, etc., of adjacent communities.

Procurement.

Cooperation required.

Limit of expenditures.

Report to Congress.

Notification of amount determined upon.

Provided, That the State, Territory, or county shall enter into a cooperative agreement with the Secretary of Agriculture for the survey, construction, and maintenance of such roads or trails upon a basis equitable to both the State, Territory, or county, and the United States: And provided also, That the aggregate expenditures in any State, Territory, or county shall not exceed ten per centum of the value, as determined by the Secretary of Agriculture, of the timber and forage resources which are or will be available for income upon the national forest lands within the respective county or counties wherein the roads or trails will be constructed; and the Secretary of Agriculture shall make annual report to Congress of the amounts expended hereunder.

That immediately upon the execution of any cooperative agreement hereunder the Secretary of Agriculture shall notify the Secretary of the Treasury of the amount to be expended by the United States within or adjacent to any national forest thereunder, and beginning
with the next fiscal year and each fiscal year thereafter the Secretary of the Treasury shall apply from any and all revenues from such forest, ten per centum thereof to reimburse the United States for expenditures made under such agreement until the whole amount advanced under such agreement shall have been returned from the receipts from such national forest.

Sec. 9. That out of the appropriations made by or under this Act, the Secretary of Agriculture is authorized to employ such assistants, clerks, and other persons in the city of Washington and elsewhere, to be taken from the eligible lists of the Civil Service Commission, to rent buildings outside of the city of Washington, to purchase such supplies, material, equipment, office fixtures, and apparatus, and to incur such travel and other expense as he may deem necessary for carrying out the purposes of this Act.

credit and organization. Said board is hereby authorized to use a
reasonable portion of the organization fund provided in section thirty-
three of this Act for the objects specified in this paragraph, and is
instructed to lay before the Congress at each session its recommenda-
tions for further appropriations to carry out said objects.

FEDERAL LAND BANKS.

Sec. 4. That as soon as practicable the Federal Farm Loan Board
shall divide the continental United States, excluding Alaska, into
twelve districts, which shall be known as Federal land bank districts,
and may be designated by number. Said districts shall be apportioned
with due regard to the farm loan needs of the country, but no such
district shall contain a fractional part of any State. The bounda-
ries thereof may be readjusted from time to time in the discretion of
said board.

The Federal Farm Loan Board shall establish in each Federal land
bank district a Federal land bank, with its principal office located in
such city within the district as said board shall designate. Each
Federal land bank shall include in its title the name of the city in
which it is located. Subject to the approval of the Federal Farm
Loan Board, any Federal land bank may establish branches within the
land bank district.

Each Federal land bank shall be temporarily managed by five
directors appointed by the Federal Farm Loan Board. Said directors
shall be citizens of the United States and residents of the district.
They shall each give a surety bond, the premium on which shall be
paid from the funds of the bank. They shall receive such compensa-
tion as the Federal Farm Loan Board shall fix. They shall choose
from their number, by majority vote, a president, a vice president, a
secretary and a treasurer. They are further authorized and em-
powered to employ such attorneys, experts, assistants, clerks,
laborers, and other employees as they may deem necessary, and to fix
their compensation, subject to the approval of the Federal Farm Loan
Board.

Said temporary directors shall, under their hands, forthwith make
an organization certificate, which shall specifically state:

First. The name assumed by such bank.

Second. The district within which its operations are to be carried
on, and the particular city in which its principal office is to be located.

Third. The amount of capital stock and the number of shares into
which the same is to be divided: Provided, That every Federal land
bank organized under this Act shall by its articles of association permit
an increase of its capital stock from time to time for the purpose of
providing for the issue of shares to national farm loan associations and
stockholders who may secure loans through agents of Federal land
banks in accordance with the provisions of this Act.

Fourth. The fact that the certificate is made to enable such persons
to avail themselves of the advantages of this Act. The organization
certificate shall be acknowledged before a judge or clerk of some court
of record or notary public, and shall be, together with the acknowl-
dgment thereof, authenticated by the seal of such court or notary,
transmitted to the Farm Loan Commissioner, who shall record and
carefully preserve the same in his office, where it shall be at all times
open to public inspection.
The Federal Farm Loan Board is authorized to direct such changes in or additions to any such organization certificate, not inconsistent with this Act, as it may deem necessary or expedient.

Upon duly making and filing such organization certificate the bank shall become, as from the date of the execution of its organization certificate, a body corporate, and as such, and in the name designated in the organization certificate, it shall have power—

First. To adopt and use a corporate seal.

Second. To have succession until it is dissolved by Act of Congress or under the provisions of this Act.

Third. To make contracts.

Fourth. To sue and be sued, complain, interplead, and defend, in any court of law or equity, as fully as natural persons.

Fifth. To elect or appoint directors, and by its board of directors to elect a president and a vice president, appoint a secretary and a treasurer and other officers and employees, define their duties, require bonds of them, and fix the penalty thereof; by action of its board of directors dismiss such officers and employees, or any of them, at pleasure and appoint others to fill their places.

Sixth. To prescribe, by its board of directors, subject to the supervision and regulation of the Federal Farm Loan Board, by-laws not inconsistent with law, regulating the manner in which its stock shall be transferred, its directors elected, its officers elected or appointed, its property transferred, its general business conducted, and the privileges granted to it by law exercised and enjoyed.

Seventh. To exercise, by its board of directors or duly authorized officers or agents, subject to law, all such incidental powers as shall be necessary to carry on the business herein described.

After the subscriptions to stock in any Federal land bank by national farm loan associations, hereinafter authorized, shall have reached the sum of $100,000, the officers and directors of said land bank shall be chosen as herein provided and shall, upon becoming duly qualified, take over the management of said land bank from the temporary officers selected under this section.

The board of directors of every Federal land bank shall be selected as hereinafter specified and shall consist of nine members, each holding office for three years. Six of said directors shall be known as local directors, and shall be chosen by and be representative of national farm loan associations, and the remaining three directors shall be known as district directors, and shall be appointed by the Federal Farm Loan Board and represent the public interest.

At least two months before each election the Farm Loan Commissioner shall notify each national farm loan association in writing that such election is to be held, giving the number of directors to be elected for its district, and requesting each association to nominate one candidate for each director to be elected. Within ten days of the receipt of such notice each association shall forward its nominations to said Farm Loan Commissioner. Said commissioner shall prepare a list of candidates for local directors consisting of the twenty persons securing the highest number of votes from national farm loan associations making such nominations.

At least one month before said election said Farm Loan Commissioner shall mail to each national farm loan association the list of candidates. The directors of each national farm loan association shall cast the vote of said association for as many candidates on said list as there are vacancies to be filled, and shall forward said vote to the Farm Loan Commissioner within ten days after said list of candidates is received by them. The candidates receiving the highest number of votes shall be elected as local directors. In case of a tie the Farm Loan Commissioner shall determine the choice.
The Federal Farm Loan Board shall designate one of the district directors to serve for three years and to act as chairman of the board of directors. It shall designate one of said directors to serve for a term of two years and one to serve for a term of one year. After the first appointments each district director shall be appointed for a term of three years.

At the first regular meeting of the board of directors of each Federal land bank it shall be the duty of the local directors to designate two of the local directors whose term of office shall expire in one year from the date of such meeting, two whose term of office shall expire in two years from said date, and two whose term of office shall expire in three years from said date. Thereafter every local director of a Federal land bank chosen as hereinbefore provided shall hold office for a term of three years. Vacancies that may occur in the board of directors shall be filled for the unexpired term in the manner provided for the original selection of such directors.

Directors of Federal land banks shall have been for at least two years residents of the district for which they are appointed or elected, and at least one district director shall be experienced in practical farming and actually engaged at the time of his appointment in farming operations within the district. No director of a Federal land bank shall, during his continuance in office, act as an officer, director, or employee of any other institution, association, or partnership engaged in banking or in the business of making or selling land mortgage loans.

Directors of Federal land banks shall receive, in addition to any compensation otherwise provided, a reasonable allowance for necessary expenses in attending meetings of their respective boards, to be paid by the respective Federal land banks. Any compensation that may be provided by boards of directors of Federal land banks for directors, officers, or employees shall be subject to the approval of the Federal Farm Loan Board.

CREDIT STOCK OF FEDERAL LAND BANKS.

SEC. 5. That every Federal land bank shall have, before beginning business, a subscribed capital of not less than $750,000. The Federal Farm Loan Board is authorized to prescribe the times and conditions of the payment of subscriptions to capital stock, to reject any subscription in its discretion, and to require subscribers to furnish adequate security for the payment thereof.

The capital stock of each Federal land bank shall be divided into shares of $5 each, and may be subscribed for and held by any individual, firm, or corporation, or by the Government of any State or of the United States.

Stock held by national farm loan associations shall not be transferred or hypothecated, and the certificates therefor shall so state.

Stock owned by the Government of the United States in Federal land banks shall receive no dividends, but all other stock shall share in dividend distributions without preference. Each national farm loan association and the Government of the United States shall be entitled to one vote for each share of stock held by it in deciding all questions at meetings of shareholders, and no other shareholder shall be permitted to vote. Stock owned by the United States shall be voted by the Farm Loan Commissioner, as directed by the Federal Farm Loan Board.

It shall be the duty of the Federal Farm Loan Board, as soon as practicable after the passage of this Act, to open books of subscription for the capital stock of a Federal land bank in each Federal land bank district. If within thirty days after the opening of said books any part of the minimum capitalization of $750,000 herein prescribed for Federal land banks shall remain unsubscribed, it shall
be the duty of the Secretary of the Treasury to subscribe the balance thereof on behalf of the United States, said subscription to be subject to call in whole or in part by the board of directors of said land bank upon thirty days' notice with the approval of the Federal Farm Loan Board; and the Secretary of the Treasury is hereby authorized and directed to take out shares corresponding to the unsubscribed balance as called, and to pay for the same out of any moneys in the Treasury not otherwise appropriated. Thereafter no stock shall be issued except as hereinafter provided.

After the subscriptions to capital stock by national farm loan associations shall amount to $750,000 in any Federal land bank, said bank shall apply semiannually to the payment and retirement of the shares of stock which were issued to represent the subscriptions to the original capital twenty-five per centum of all sums thereafter subscribed to capital stock until all such original capital stock is retired at par.

At least twenty-five per centum of that part of the capital of any Federal land bank for which stock is outstanding in the name of national farm loan associations shall be held in quick assets, and may consist of cash in the vaults of said land bank, or in deposits in member banks of the Federal reserve system, or in readily marketable securities which are approved under rules and regulations of the Federal Farm Loan Board: Provided, That not less than five per centum of such capital shall be invested in United States Government bonds.

GOVERNMENT DEPOSITARIES.

SEC. 6. That all Federal land banks and joint stock land banks organized under this Act, when designated for that purpose by the Secretary of the Treasury, shall be depositaries of public money, except receipts from customs, under such regulations as may be prescribed by said Secretary; and they may also be employed as financial agents of the Government; and they shall perform all such reasonable duties, as depositaries of public money and financial agents of the Government, as may be required of them. And the Secretary of the Treasury shall require of the Federal land banks and joint stock land banks thus designated satisfactory security, by the deposit of United States bonds or otherwise, for the safekeeping and prompt payment of the public money deposited with them, and for the faithful performance of their duties as financial agents of the Government. No Government funds deposited under the provisions of this section shall be invested in mortgage loans or farm loan bonds.

NATIONAL FARM LOAN ASSOCIATIONS.

SEC. 7. That corporations, to be known as national farm loan associations, may be organized by persons desiring to borrow money on farm mortgage security under the terms of this Act. Such persons shall enter into articles of association which shall specify in general terms the object for which the association is formed and the territory within which its operations are to be carried on, and which may contain any other provision, not inconsistent with law, which the association may see fit to adopt for the regulation of its business and the conduct of its affairs. Said articles shall be signed by the persons uniting to form the association, and a copy thereof shall be forwarded to the Federal land bank for the district, to be filed and preserved in its office.

Every national farm loan association shall elect, in the manner prescribed for the election of directors of national banking associa-
tions, a board of not less than five directors, who shall hold office for
the same period as directors of national banking associations. It
shall be the duty of said board of directors to choose in such manner
as they may prefer a secretary-treasurer, who shall receive such
compensation as said board of directors shall determine. The
board of directors shall elect a president, a vice president, and a loan
committee of three members.

The directors and all officers except the secretary-treasurer shall
serve without compensation, unless the payment of salaries to them
shall be approved by the Federal Farm Loan Board. All officers
and directors except the secretary-treasurer shall, during their term
of office, be bona fide residents of the territory within which the
association is authorized to do business, and shall be shareholders
of the association.

It shall be the duty of the secretary-treasurer of every national
farm loan association to act as custodian of its funds and to deposit
the same in such bank as the board of directors may designate, to pay
over to borrowers all sums received for their account from the Federal
land bank upon first mortgage as in this Act prescribed, and to meet
all other obligations of the association, subject to the orders of the
board of directors and in accordance with the by-laws of the associa-
tion. It shall be the duty of the secretary-treasurer, acting under
the direction of the national farm loan association, to collect, receipt
for, and transmit to the Federal land bank payments of interest,
amortization installments, or principal arising out of loans made
through the association. He shall be the custodian of the securities,
records, papers, certificates of stock, and all documents relating to or
bearing upon the conduct of the affairs of the association. He shall
furnish a suitable surety bond to be prescribed and approved by the
Federal Farm Loan Board for the proper performance of the duties im-
posed upon him under this Act, which shall cover prompt collection
and transmission of funds. He shall make a quarterly report to the
Federal Farm Loan Board upon forms to be provided for that purpose.
Upon request from said board said secretary-treasurer shall furnish
information regarding the condition of the national farm loan asso-
ciation for which he is acting, and he shall carry out all duly author-
ized orders of said board. He shall assure himself from time to time
that the loans made through the national farm loan association of
which he is an officer are applied to the purposes set forth in the
application of the borrower as approved, and shall forthwith report
to the land bank of the district any failure of any borrower to comply
with the terms of his application or mortgage. He shall also ascer-
tain and report to said bank the amount of any delinquent taxes on
land mortgaged to said bank and the name of the delinquent.

The reasonable expenses of the secretary-treasurer, the loan com-
mittee, and other officers and agents of national farm loan associa-
tions, and the salary of the secretary-treasurer, shall be paid from the
general funds of the association, and the board of directors is author-
ized to set aside such sums as it shall deem requisite for that purpose
and for other expenses of said association. When no such funds are
available, the board of directors may levy an assessment on members
in proportion to the amount of stock held by each, which may be
repaid as soon as funds are available, or it may secure an advance
from the Federal land bank of the district, to be repaid with interest
at the rate of six per centum per annum, from dividends belonging
to said association. Said Federal land bank is hereby authorized to
make such advance and to deduct such repayment.

Ten or more natural persons who are the owners, or about to
become the owners, of farm land qualified as security for a mortgage
loan under section twelve of this Act, may unite to form a national
farm loan association. They shall organize subject to the requirements and the conditions specified in this section and in section four of this Act, so far as the same may be applicable: Provided, That the board of directors may consist of five members only, and instead of a secretary and a treasurer there shall be a secretary-treasurer, who need not be a shareholder of the association.

When the articles of association are forwarded to the Federal land bank of the district as provided in this section, they shall be accompanied by the written report of the loan committee as required in section ten of this Act, and by an affidavit stating that each of the subscribers is the owner, or is about to become the owner, of farm land qualified under section twelve of this Act as the basis of a mortgage loan; that the loan desired by each person is not more than $10,000, nor less than $100, and that the aggregate of the desired loans is not less than $20,000; that said affidavit is accompanied by a subscription to stock in the Federal land bank equal to five per centum of the aggregate sum desired on mortgage loans; and that a temporary organization of said association has been formed by the election of a board of directors, a loan committee, and a secretary-treasurer who subscribes to said affidavit, giving his residence and post office address.

Upon receipt of such articles of association, with the accompanying affidavit and stock subscription, the directors of said Federal land bank shall send an appraiser to investigate the solvency and character of the applicants and the value of their lands, and shall then determine whether in their judgment a charter should be granted to such association. They shall forward such articles of association and the accompanying affidavit to the Federal Farm Loan Board with their recommendation. If said recommendation is unfavorable, the charter shall be refused.

If said recommendation is favorable, the Federal Farm Loan Board shall thereupon grant a charter to the applicants therefor, designating the territory in which such association may make loans, and shall forward said charter to said applicants through said Federal land bank: Provided, That said Federal Farm Loan Board may for good cause shown in any case refuse to grant a charter.

Upon receipt of its charter such national farm loan association shall be authorized and empowered to receive from the Federal land bank of the district sums to be loaned to its members under the terms and conditions of this Act.

Whenever any national farm loan association shall desire to secure for any member a loan on first mortgage from the Federal land bank of its district it shall subscribe for capital stock of said land bank to the amount of five per centum of such loan, such subscription to be paid in cash upon the granting of the loan by said land bank. Such capital stock shall be held by said land bank as collateral security for the payment of said loan, but said association shall be paid any dividends accruing and payable on said capital stock while it is outstanding. Such stock may, in the discretion of the directors, and with the approval of the Federal Farm Loan Board, be paid off at par and retired, and it shall be so paid off and retired upon full payment of the mortgage loan. In such case the national farm loan association shall pay off at par and retire the corresponding shares of its stock which were issued when said land bank stock was issued. The capital stock of a Federal land bank shall not be reduced to an amount less than five per centum of the principal of the outstanding farm loan bonds issued by it.

CAPITAL STOCK OF NATIONAL FARM LOAN ASSOCIATIONS.

SEC. 8. That the shares in national farm loan associations shall be of the par value of $5 each.
Every shareholder shall be entitled to one vote on each share of stock held by him at all elections of directors and in deciding all questions at meetings of shareholders: Provided, That the maximum number of votes which may be cast by any one shareholder shall be twenty.

No persons but borrowers on farm land mortgages shall be members or shareholders of national farm loan associations. Any person desiring to borrow on farm land mortgage through a national farm loan association shall make application for membership and shall subscribe for shares of stock in such farm loan association to an amount equal to five per centum of the face of the desired loan, said subscription to be paid in cash upon the granting of the loan. If the application for membership is accepted and the loan is granted, the applicant shall, upon full payment therefor, become the owner of one share of capital stock in said loan association for each $100 of the face of his loan, or any major fractional part thereof. Said capital stock shall be paid off at par and retired upon full payment of said loan. Said capital stock shall be held by said association as collateral security for the payment of said loan, but said borrower shall be paid any dividends accruing and payable on said capital stock while it is outstanding.

Every national farm loan association formed under this Act shall provide for an increase of its capital stock from time to time for the purpose of securing additional loans for its members and providing for the issue of shares to borrowers in accordance with the provisions of this Act. Such increases shall be included in the quarterly reports to the Federal Farm Loan Board.

SEC. 9. That any person whose application for membership is accepted by a national farm loan association shall be entitled to borrow money on farm land mortgage upon filing his application in accordance with section eight and otherwise complying with the terms of this Act whenever the Federal land bank of the district has funds available for that purpose, unless said land bank or the Federal Farm Loan Board shall, in its discretion, otherwise determine.

Any person desiring to secure a loan through a national farm loan association under the provisions of this Act may, at his option, borrow from the Federal land bank through such association the sum necessary to pay for shares of stock subscribed for by him in the national farm loan association, such sum to be made a part of the face of the loan and paid off in amortization payments: Provided, however, That such addition to the loan shall not be permitted to increase said loan above the limitation imposed in subsection fifth of section twelve.

Subject to rules and regulations prescribed by the Federal Farm Loan Board, any national farm loan association shall be entitled to retain as a commission from each interest payment on any loan indorsed by it an amount to be determined by said board not to exceed one-eighth of one per centum semiannually upon the unpaid principal of said loan, any amounts so retained as commissions to be deducted from dividends payable to such farm loan association by the Federal land bank, and to make application to the land bank of the district for loans not exceeding in the aggregate one-fourth of its total stock holdings in said land bank. The Federal land banks shall have power to make such loans to associations applying therefor and to charge interest at a rate not exceeding six per centum per annum.
Shareholders of every national farm loan association shall be held individually responsible, equally and ratably, and not one for another, for all contracts, debts, and engagements of such association to the extent of the amount of stock owned by them at the par value thereof, in addition to the amount paid in and represented by their shares.

After a charter has been granted to a national farm loan association, any natural person who is the owner, or about to become the owner, of farm land qualified under section twelve of this Act as the basis of a mortgage loan, and who desires to borrow on a mortgage of such farm land, may become a member of the association by a two-thirds vote of the directors upon subscribing for one share of the capital stock of such association for each $100 of the face of his proposed loan or any major fractional part thereof. He shall at the same time file with the secretary-treasurer his application for a mortgage loan, giving the particulars required by section twelve of this Act.

APPRAISAL.

Sec. 10. That whenever an application for a mortgage loan is made to a national farm loan association, it shall be first referred to the loan committee provided for in section seven of this Act. Said loan committee shall examine the land which is offered as security for the desired loan and shall make a detailed written report signed by all three members, giving the appraisal of said land as determined by them, and such other information as may be required by rules and regulations to be prescribed by the Federal Farm Loan Board. No loan shall be approved by the directors unless said loan committee agrees upon a favorable report.

The written report of said loan committee shall be submitted to the Federal land bank, together with the application for the loan, and the directors of said land bank shall examine said written report when they pass upon the loan application which it accompanies, but they shall not be bound by said appraisal.

Before any mortgage loan is made by any Federal land bank, or joint stock land bank, it shall refer the application and written report of the loan committee to one or more of the land bank appraisers appointed under the authority of section three of this Act, and such appraiser or appraisers shall investigate and make a written report upon the land offered as security for said loan. No such loan shall be made by said land bank unless said written report is favorable.

Forms for appraisal reports for farm loan associations and land banks shall be prescribed by the Federal Farm Loan Board.

Land bank appraisers shall make such examinations and appraisals and conduct such investigations, concerning farm loan bonds and first mortgages, as the Federal Farm Loan Board shall direct.

No borrower under this Act shall be eligible as an appraiser under this section, but borrowers may act as members of a loan committee in any case where they are not personally interested in the loan under consideration. When any member of a loan committee or of a board of directors is interested, directly or indirectly, in a loan, a majority of the board of directors of any national farm loan association shall appoint a substitute to act in his place in passing upon such loan.

Second. Every such mortgage shall contain an agreement providing for the repayment of the loan on an amortization plan by means of a fixed number of annual or semiannual installments sufficient to cover, first, a charge on the loan, at a rate not exceeding the interest rate in the last series of farm loan bonds issued by the land bank making the loan; second, a charge for administration and profits at a rate not exceeding one per centum per annum on the unpaid principal, said two rates combined constituting the interest rate on the mortgage; and, third, such amounts to be applied on the principal as will extinguish the debt within an agreed period, not less than five years nor more than forty years: Provided, That after five years from the date upon which a loan is made additional payments in sums of $25 or any multiple thereof for the reduction of the principal, or the payment of the entire principal, may be made on any regular installment date under the rules and regulations of the Federal Farm Loan Board:

Third. No loan on mortgage shall be made under this Act at a rate of interest exceeding six per centum per annum, exclusive of amortization payments.

Fourth. Such loans may be made for the following purposes and for no other:

In making said appraisal the value of the land for agricultural purposes shall be the basis of appraisal and the earning power of said land shall be a principal factor.

A reappraisal may be permitted at any time in the discretion of the Federal land bank, and such additional loan may be granted as such reappraisal will warrant under the provisions of this paragraph. Whenever the amount of the loan applied for exceeds the amount that may be loaned under the appraisal as herein limited, such loan may be granted to the amount permitted under the terms of this paragraph without requiring a new application or appraisal.

Sixth. No such loan shall be made to any person who is not at the time, or shortly to become, engaged in the cultivation of the farm mortgaged. Every borrower shall undertake to keep insured to the satisfaction of the Federal Farm Loan Board all buildings the value of which was a factor in determining the amount of the loan. The borrower may pay such fees and charges or he may arrange with the Federal land bank making the loan to advance the same, in which case said expenses shall be made a part of the face of the loan and paid off in amortization payments. Such addition to the loan shall not be permitted to increase said loan above the limitations provided in section twelve.

other business not expressly authorized by the provisions of this Act.

Second. To loan on first mortgage except through national farm loan associations as provided in section seven and section eight of this Act, or through agents as provided in section fifteen.

AGENTS OF FEDERAL LAND BANKS.

Sec. 15. That whenever, after this Act shall have been in effect one year, it shall appear to the Federal Farm Loan Board that national farm loan associations have not been formed, and are not likely to be formed, in any locality, because of peculiar local conditions, said board may, in its discretion, authorize Federal land banks to make loans on farm lands through agents approved by said board.

Such loans shall be subject to the same conditions and restrictions as if the same were made through national farm loan associations, and each borrower shall contribute five per centum of the amount of his loan to the capital of the Federal land bank, and shall become the owner of as much capital stock of the land bank as such contribution shall warrant.

No agent other than a duly incorporated bank, trust company, mortgage company, or savings institution, chartered by the State in which it has its principal office, shall be employed under the provisions of this section.

Federal land banks may pay to such agents the actual expense of appraising the land offered as security for a loan, examining and certifying the title thereof, and making, executing, and recording the mortgage papers; and in addition may allow said agents not to exceed one-half of one per centum per annum upon the unpaid principal of said loan, such commission to be deducted from dividends payable to the borrower on his stock in the Federal land bank.

Actual expenses paid to agents under the provisions of this section shall be added to the face of the loan and paid off in amortization payments subject to the limitations provided in subsection ninth of section thirteen of this Act.

Said agents, when required by the Federal land banks, shall collect and forward to such banks without charge all interest and amortization payments on loans indorsed by them.

Any agent negotiating any such loan shall indorse the same and become liable for the payment thereof, and for any default by the mortgagor, on the same terms and under the same penalties as if the loan had been originally made by said agent as principal and sold by said agent to said land bank, but the aggregate of the unpaid principal of mortgage loans received from any such agent shall not exceed ten times its capital and surplus.

If at any time the district represented by any agent under the provisions of this section shall, in the judgment of the Federal Farm Loan Board, be adequately served by national farm loan associations, no further loans shall be negotiated therein by agents under this section.
JOINT STOCK LAND BANKS.

SEC. 16. That corporations, to be known as joint stock land banks, for carrying on the business of lending on farm mortgage security and issuing farm loan bonds, may be formed by any number of natural persons not less than ten. No joint stock land bank shall issue any bonds until after the capital stock is entirely paid up.

Farm loan bonds issued by joint stock land banks shall be so engraved as to be readily distinguished in form and color from farm loan bonds issued by Federal land banks, and shall otherwise bear such distinguishing marks as the Federal Farm Loan Board shall direct.

Joint stock land banks shall not be subject to the provisions of subsection (b) of section seventeen of this Act as to interest rates on mortgage loans or farm loan bonds, nor to the provisions of subsections first, fourth, sixth, seventh, and tenth of section twelve as to restrictions on mortgage loans: Provided, however, That no loans shall be made which are not secured by first mortgages on farm lands within the State in which such joint stock land bank has its principal office, or within some one State contiguous to such State. Such joint stock land banks shall be subject to all other restrictions on mortgage loans imposed on Federal land banks in section twelve of this Act.

Joint stock land banks shall in no case charge a rate of interest on farm loans exceeding by more than one per centum the rate of interest established for the last series of farm loan bonds issued by them.

Joint stock land banks shall in no case demand or receive, under any form or pretense, any commission or charge not specifically authorized in this Act.

Each joint stock land bank organized under this Act shall have authority to issue bonds based upon mortgages taken by it in accordance with the terms of this Act. Such bonds shall be in form pre-
scribed by the Federal Farm Loan Board, and it shall be stated in such bonds that such bank is organized under section sixteen of this Act, is under Federal supervision, and operates under the provisions of this Act.

POWERS OF FEDERAL FARM LOAN BOARD.

SEC. 17. That the Federal Farm Loan Board shall have power—

(a) To organize and charter Federal land banks, and to charter national farm loan associations and joint stock land banks subject to the provisions of this Act, and in its discretion to authorize them to increase their capital stock.

(b) To review and alter at its discretion the rate of interest to be charged by Federal land banks for loans made by them under the provisions of this Act, said rates to be uniform so far as practicable.

(g) To require Federal land banks to pay forthwith to any Federal land bank their equitable proportion of any sums advanced by said land bank to pay the coupons of any other land bank, basing said required payments on the amount of farm loan bonds issued by each land bank and actually outstanding at the time of such requirement.

(h) To suspend or to remove for cause any district director or any registrar, appraiser, examiner, or other official appointed by said board under authority of section three of this Act, the cause of such suspension or removal to be communicated forthwith in writing by the Federal Farm Loan Board to the person suspended or removed, and in case of a district director to the proper Federal land bank.

APPLICATIONS FOR FARM LOAN BONDS.

SEC. 18. That any Federal land bank, or joint stock land bank, which shall have voted to issue farm loan bonds under this Act, shall make written application to the Federal Farm Loan Board, through the farm loan registrar of the district, for approval of such issue. With said application said land bank shall tender to said farm loan registrar as collateral security first mortgages on farm lands qualified under the provisions of section twelve, section fifteen, or section sixteen of this Act, or United States Government bonds, not less in aggregate amount than the sum of the bonds proposed to be issued. Said bank shall furnish with such mortgages a schedule containing a description thereof and such further information as may be prescribed by the Federal Farm Loan Board.

Upon receipt of such application said farm loan registrar shall verify said schedule and shall transmit said application and said
schedule to the Federal Farm Loan Board, giving such further information pertaining thereto as he may possess. The Federal Farm Loan Board shall forthwith cause to be made such investigation and appraisement of the securities tendered as it shall deem wise, and it shall grant in whole or in part, or reject entirely, such application.

The Federal Farm Loan Board shall promptly transmit its decision as to any issue of farm loan bonds to the land bank applying for the same and to the farm loan registrar of the district. Said registrar shall furnish, in writing, such information regarding any issue of farm loan bonds as the Federal Farm Loan Board may at any time require.

No issue of farm loan bonds shall be authorized unless the Federal Farm Loan Board shall approve such issue in writing.

**ISSUE OF FARM LOAN BONDS.**

**Sec. 19.** That whenever any farm loan registrar shall receive from the Federal Farm Loan Board notice that it has approved any issue of farm loan bonds under the provisions of section eighteen he shall forthwith take such steps as may be necessary, in accordance with the provisions of this Act, to insure the prompt execution of said bonds and the delivery of the same to the land bank applying therefor.

Whenever the Federal Farm Loan Board shall reject entirely any application for an issue of farm loan bonds, the first mortgages and bonds tendered to the farm loan registrar as collateral security therefor shall be forthwith returned to said land bank by him.

Whenever the Federal Farm Loan Board shall approve an issue of farm loan bonds, the farm loan registrar having the custody of the first mortgages and bonds tendered as collateral security for such issue of bonds shall retain in his custody those first mortgages and bonds which are to be held as collateral security, and shall return to the bank owning the same any of said mortgages and bonds which are not to be held by him as collateral security. The land bank which is to issue said farm loan bonds shall transfer to said registrar, by assignment, all first mortgages and bonds which are to be held by said registrar as collateral security, said assignment providing for the right of redemption at any time by payment as provided in this Act and reserving the right of substitution of other mortgages qualified under sections twelve, fifteen, and sixteen of this Act. Said mortgages and bonds shall be deposited in such deposit vault or bank as the Federal Farm Loan Board shall approve, subject to the control of said registrar and in his name as trustee for the bank issuing the farm loan bonds and for the prospective holders of said farm loan bonds.

No mortgage shall be accepted by a farm loan registrar from a land bank as part of an offering to secure an issue of farm loan bonds, either originally or by substitution, except first mortgages made subject to the conditions prescribed in said sections twelve, fifteen, and sixteen.

It shall be the duty of each farm loan registrar to see that the farm loan bonds delivered by him and outstanding do not exceed the amount of collateral security pledged therefor. Such registrar may, in his discretion, temporarily accept, in place of mortgages withdrawn, United States Government bonds or cash.

The Federal Farm Loan Board may, at any time, call upon any land bank for additional security to protect the bonds issued by it.

Farm loan bonds shall be delivered through the registrar of the district to the bank applying for the same.

Said registrar shall forthwith cause such payment to be duly credited upon the mortgage entitled to such credit. Whenever any such mortgage is paid in full, said registrar shall cause the same to be canceled and delivered to the proper land bank, which shall promptly satisfy and discharge the lien of record and transmit such canceled mortgage to the original maker thereof, or his heirs, administrators, executors, or assigns.

Upon written application by any Federal land bank, or joint stock land bank, to the farm loan registrar, it may be permitted, in the discretion of said registrar, to withdraw any mortgages or bonds pledged as collateral security under this Act, and to substitute therefor other similar mortgages or United States Government bonds not less in amount than the mortgages or bonds desired to be withdrawn.

(a) To pay off farm loan bonds issued by said bank as they mature.
(b) To purchase at or below par farm loan bonds issued by said bank or by any other Federal land bank.
RESERVES AND DIVIDENDS OF LAND BANKS.

SEC. 23. That every Federal land bank, and every joint stock land bank, shall semiannually carry to reserve account twenty-five per centum of its net earnings until said reserve account shall show a credit balance equal to twenty per centum of the outstanding capital stock of said land bank. Whenever said reserve shall have been impaired, said balance of twenty per centum shall be fully restored before any dividends are paid. After said reserve has reached the sum of twenty per centum of the outstanding capital stock, five per centum of the net earnings shall be annually added thereto. For the period of two years from the date when any default occurs in the payment of the interest, amortization installments, or principal on any first mortgage, by both mortgagor and indorser, the amount so defaulted shall be carried to a suspense account, and at the end of the two-year period specified, unless collected, shall be debited to reserve account.

After deducting the twenty-five per centum or the five per centum hereinbefore directed to be deducted for credit to reserve account, any Federal land bank or joint stock land bank may declare a dividend to shareholders of the whole or any part of the balance of its net earnings. The reserves of land banks shall be invested in accordance with rules and regulations to be prescribed by the Federal Farm Loan Board.

RESERVE AND DIVIDENDS OF NATIONAL FARM LOAN ASSOCIATIONS.

SEC. 24. That every national farm loan association shall, out of its net earnings, semiannually carry to reserve account a sum not less than ten per centum of such net earnings until said reserve account shall show a credit balance equal to twenty per centum of the outstanding capital stock of said association.

Whenever said reserve shall have been impaired, said credit balance of twenty per centum shall be fully restored before any dividends are paid. After said reserve has reached said sum of twenty per centum, two per centum of the net earnings shall be annually added thereto.
After deducting the ten per centum or the two per centum hereinbefore directed to be credited to reserve account, said association may, at its discretion, declare a dividend to shareholders of the whole or any part of the balance of said net earnings.

The reserves of farm loan associations shall be invested in accordance with rules and regulations to be prescribed by the Federal Farm Loan Board.

Whenever any farm loan association shall be voluntarily liquidated a sum equal to its reserve account as herein required shall be paid to and become the property of the Federal land bank in which such loan association may be a shareholder.

DEFAULTED LOANS.

SEC. 25. That if there shall be default under the terms of any indorsed first mortgage held by a Federal land bank under the provisions of this Act, the national farm loan association or agent through which said mortgage was received by said Federal land bank shall be notified of said default. Said association or agent may thereupon be required, within thirty days after such notice, to make good said default, either by payment of the amount unpaid thereon in cash, or by the substitution of an equal amount of farm loan bonds issued by said land bank, with all unmatured coupons attached.

EXEMPTION FROM TAXATION.

SEC. 26. That every Federal land bank and every national farm loan association, including the capital and reserve or surplus therein and the income derived therefrom, shall be exempt from Federal, State, municipal, and local taxation, except taxes upon real estate held, purchased, or taken by said bank or association under the provisions of section eleven and section thirteen of this Act. First mortgages executed to Federal land banks, or to joint stock land banks, and farm loan bonds issued under the provisions of this Act, shall be deemed and held to be instrumentalities of the Government of the United States, and as such they and the income derived therefrom shall be exempt from Federal, State, municipal, and local taxation.

Nothing herein shall prevent the shares in any joint stock land bank from being included in the valuation of the personal property of the owner or holder of such shares, in assessing taxes imposed by authority of the State within which the bank is located; but such assessment and taxation shall be in manner and subject to the conditions and limitations contained in section fifty-two hundred and nineteen of the Revised Statutes with reference to the shares of national banking associations.

INVESTMENT IN FARM LOAN BONDS.

SEC. 27. That farm loan bonds issued under the provisions of this Act by Federal land banks or joint stock land banks shall be a lawful investment for all fiduciary and trust funds, and may be accepted as security for all public deposits.

Any member bank of the Federal Reserve System may buy and sell farm loan bonds issued under the authority of this Act.

Any Federal reserve bank may buy and sell farm loan bonds issued under this Act to the same extent and subject to the same limitations.
placed upon the purchase and sale by said banks of State, county, district, and municipal bonds under subsection (b) of section fourteen of the Federal Reserve Act approved December twenty-third, nineteen hundred and thirteen.

EXAMINATIONS.

Sec. 28. That the Federal Farm Loan Board shall appoint as many land bank examiners as in its judgment may be required to make careful examinations of the banks and associations permitted to do business under this Act.

Said examiners shall be subject to the same requirements, responsibilities and penalties as are applicable to national bank examiners under the national bank Act, the Federal Reserve Act and other provisions of law. Whenever directed by the Federal Farm Loan Board, said examiners shall examine the condition of any national farm loan association and report the same to the Farm Loan Commissioner. They shall examine and report the condition of every Federal land bank and joint stock land bank at least twice each year.

Said examiners shall receive salaries to be fixed by the Federal Farm Loan Board.

DISSOLUTION AND APPOINTMENT OF RECEIVERS.

Sec. 29. That upon receiving satisfactory evidence that any national farm loan association has failed to meet its outstanding obligations of any description the Federal Farm Loan Board may forthwith declare such association insolvent and appoint a receiver and require of him such bond and security as it deems proper: Provided, That no national farm loan association shall be declared insolvent by said board until the total amount of defaults of current interest and amortization installments on loans indorsed by national farm loan associations shall amount to at least $150,000 in the Federal land bank district, unless such association shall have been in default for a period of two years. Such receiver, under the direction of the Federal Farm Loan Board, shall take possession of the books, records, and assets of every description of such association, collect all debts, dues, and claims belonging to it, and, with the approval of the Federal Farm Loan Board, or upon the order of a court of record of competent jurisdiction, may sell or compound all bad or doubtful debts, and, on a like approval or order, may sell all the real and personal property of such association, on such terms as the Federal Farm Loan Board or said court shall direct.

Such receiver shall pay over all money so collected to the Treasurer of the United States, subject to the order of the Federal Farm Loan Board, and also make report to said board of all his acts and proceedings. The Secretary of the Treasury shall have authority to deposit at interest any money so received.

Upon default of any obligation, Federal land banks and joint stock land banks may be declared insolvent and placed in the hands of a receiver by the Federal Farm Loan Board, and proceedings shall thereupon be had in accordance with the provisions of this section regarding national farm loan associations.

If any national farm loan association shall be declared insolvent and a receiver shall be appointed therefor by the Federal Farm Loan Board, the stock held by it in the Federal land bank of its district shall be canceled without impairment of its liability and all payments on such stock, with accrued dividends, if any, since the date of the last dividend shall be first applied to all debts of the insolvent farm loan association to the Federal land bank and the balance, if any,
shall be paid to the receiver of said farm loan association. Provided, That in estimating said debts contingent liabilities incurred by national farm loan associations under the provisions of this Act on account of default of principal or interest of indorsed mortgages shall be estimated and included as a debt, and said contingent liabilities shall be determined by agreement between the receiver and the Federal land bank of the district, subject to the approval of the Federal Farm Loan Board, and if said receiver and said land bank cannot agree, then by the decision of the Farm Loan Commissioner, and the amount thus ascertained shall be deducted in accordance with the provisions of this section from the amount otherwise due said national farm loan association for said canceled stock. Whenever the capital stock of a Federal land bank shall be reduced, the board of directors shall cause to be executed a certificate to the Federal Farm Loan Board, showing such reduction of capital stock, and, if said reduction shall be due to the insolvency of a national farm loan association, the amount repaid to such association.

No national farm loan association, Federal land bank or joint stock land bank shall go into voluntary liquidation without the written consent of the Federal Farm Loan Board, but national farm loan associations may consolidate under rules and regulations promulgated by the Federal Farm Loan Board.

STATE LEGISLATION.

Sec. 30. That it shall be the duty of the Farm Loan Commissioner to make examination of the laws of every State of the United States and to inform the Federal Farm Loan Board as rapidly as may be whether in his judgment the laws of each State relating to the conveying and recording of land titles, and the foreclosure of mortgages or other instruments securing loans, as well as providing homestead and other exemptions and granting the power to waive such exemptions as respects first mortgages, are such as to assure the holder thereof adequate safeguards against loss in the event of default on loans secured by any such mortgages.

Pending the making of such examination in the case of any State, the Federal Farm Loan Board may declare first mortgages on farm lands situated within such State ineligible as the basis for an issue of farm loan bonds; and if said examination shall show that the laws of any such State afford insufficient protection to the holder of first mortgages of the kinds provided in this Act, said Federal Farm Loan Board may declare said first mortgages on land situated in such State ineligible during the continuance of the laws in question. In making his examination of the laws of the several States and forming his conclusions thereon said Farm Loan Commissioner may call upon the office of the Attorney General of the United States for any needed legal advice or assistance, or may employ special counsel in any State where he considers such action necessary.

At the request of the Executive of any State the Federal Farm Loan Board shall prepare a statement setting forth in what respects the requirements of said board can not be complied with under the existing laws of such State.

Such investigation will further include the consideration of the effects on the Rural Free Delivery Service such extension of the Parcel Post System will have, and report of conclusions reached shall be made to Congress. For the purpose of pursuing such experiments and investigations the sum of $10,000 is hereby appropriated, to be paid as other appropriations in this Act.

Sec. 2. That so much of section one of the “Act making appropriations for the service of the Post Office Department for the fiscal year ending June thirtieth, nineteen hundred and thirteen, and for other purposes,” approved August twenty-fourth, nineteen hundred and twelve, which provides that the Post Office Department shall not extend or enlarge its present policy of sending second-class matter by freight trains, is hereby repealed, but no publication shall be sent by freight if such method of transportation results in unfair discrimination: Provided, That whenever the owner of any publication required by an order of the Post Office Department to be transmitted by freight believes that he is unfairly discriminated against, he may apply to the Post Office Department for an opportunity to be heard; that upon such application being duly filed in writing, the owner of such publication shall have opportunity for a full and fair hearing before said department, and pending final determination no change shall be made in the method of transportation of such publication as ordered by the department. The testimony in any such hearing or proceedings shall be reduced to writing and filed in the Post Office Department prior to entering an order upon such hearing. That upon such hearing if the Post Office Department decides adversely to the contention of the publisher, such publisher shall have the right, within the period of twenty days after the date of the order of the Post Office Department made upon such hearing, to appeal to the
United States court of appeals of the District of Columbia, for a review of such order by said court of appeals, by filing in the court a written petition praying that the order of the Post Office Department be set aside. A copy of such petition shall be forthwith served upon the Post Office Department and thereupon the said department forthwith shall certify and file in the court a transcript of the record and testimony. Upon the filing of such transcript the court shall have jurisdiction to affirm, set aside or modify the order of the department.

The jurisdiction of the court of appeals of the District of Columbia to affirm, set aside or modify such orders of the Post Office Department shall be exclusive.

Such proceedings in the court of appeals of the District of Columbia shall be given precedence over other cases pending therein and shall be in every way expedited.

Sec. 4. That on account of the increased weight of mails resulting from Postmaster General's order numbered seventy-three hundred and forty-nine, of July twenty-fifth, nineteen hundred and thirteen, respacing rates upon the limit of weight of parcel-post packages in the local, first, and second zones, and effective from August fifteenth, nineteen hundred and thirteen, the Postmaster General is authorized to add to the compensation paid for transportation on railroad routes on and after August fifteenth, nineteen hundred and thirteen, for the remainder of the contract terms, not exceeding one-half of one per centum thereof per annum.

Sec. 5. That the Postmaster General is authorized and directed to readjust the compensation to be paid to railroad companies from and after the thirtieth day of June, nineteen hundred and sixteen, or as soon thereafter as may be practicable, for the transportation and handling of the mails and furnishing facilities and services in connection therewith upon the conditions and at the rates hereinafter provided.

The Postmaster General may state railroad mail routes and authorize mail service thereon of the following four classes, namely: Full railway post-office car service, apartment railway post-office car service, storage-car service, and closed-pouch service.

Full railway post-office car mail service shall be service by cars forty feet or more in length, constructed, fitted up, and maintained for the distribution of mails on trains. The authorizations of full railway post-office cars shall be for standard-sized cars sixty feet in length, inside measurement, except as hereinafter provided.

Apartment railway post-office car mail service shall be service by apartments less than forty feet in length in cars constructed, fitted up, and maintained for the distribution of mails on trains. Two standard sizes of apartment railway post-office cars may be authorized and paid for, namely, apartments fifteen feet and thirty feet in length, inside measurement, except as hereinafter provided.

Storage-car mail service shall be service by cars used for the storage and carriage of mails in transit other than by full and apartment railway post-office cars. The authorizations for storage cars shall be for cars sixty feet in length, inside measurement, except as hereinafter provided: Provided, That storage space in units of three feet, seven feet, fifteen feet, and thirty feet, both sides of car, may

be authorized in baggage cars at not exceeding pro rata of the rates hereinafter named for sixty-foot storage cars.

Service by full and apartment railway post-office cars and storage cars shall include the carriage therein of all mail matter, equipment, and supplies for the mail service and the employees of the Postal Service or Post Office Department, as shall be directed by the Postmaster General to be so carried.

Closed-pouch mail service shall be the transportation and handling by railroad employees of mails on trains on which full or apartment railway post-office cars are not authorized, except as hereinbefore provided. The authorizations for closed-pouch service shall be for units of seven feet and three feet in length, both sides of car.

The rates of payment for the services authorized in accordance with this section shall be as follows, namely:

For full railway post-office car mail service at not exceeding 21 cents for each mile of service by a sixty-foot car.

In addition thereto he may allow not exceeding $4.25 as a combined initial and terminal rate for each one-way trip of a sixty-foot car.

For apartment railway post-office car mail service at not exceeding 11 cents for each mile of service by a thirty-foot apartment car and 6 cents for each mile of service by a fifteen-foot apartment car.

In addition thereto he may allow not exceeding $2.75 as a combined initial and terminal rate for each one-way trip of a thirty-foot apartment car and $2 as a combined initial and terminal rate for each one-way trip of a fifteen-foot apartment car.

For storage-car mail service at not exceeding 21 cents for each mile of service by a sixty-foot car.

In addition thereto he may allow not exceeding $4.25 as a combined initial and terminal rate for each one-way trip of a sixty-foot car.

Where authorizations are made for cars of the standard lengths of sixty, thirty, and fifteen feet, as provided by this section, and the railroad company is unable to furnish such cars of the length authorized, but furnishes cars of lesser length than those authorized, but which are determined by the department to be sufficient for the service, the Postmaster General may accept the same and pay only for the actual space furnished and used, the compensation to be not exceeding pro rata of that provided by this section for the standard length so authorized: Provided, That the Postmaster General may accept cars and apartments of greater length than those of the standard requested, but no compensation shall be allowed for such excess lengths.

For closed-pouch service, at not exceeding 14 cents for each mile of service when a three-foot unit is authorized, and 3 cents for each mile of service when a seven-foot unit is authorized.

In addition thereto he may allow not exceeding 25 cents as the combined initial and terminal rate for each one-way trip of a three-foot unit of service and 50 cents as a combined initial and terminal rate for each one-way trip of a seven-foot unit of service.

Railroad companies whose railroads were constructed in whole or in part by a land grant made by Congress, on the condition that the mails should be transported over their roads at such price as Congress should by law direct, shall receive only eighty per centum of the compensation otherwise authorized by this section.

The initial and terminal rates provided for herein shall cover expenses of loading and unloading mails, switching, lighting, heating, cleaning mail cars, and all other expenses incidental to station service and required by the Postmaster General in connection with the mails that are not included in the car-mile rate. The allowance for full railway post-office cars, apartment railway post-office cars, and storage cars may be varied in accordance with the approximate difference in their respective cost of construction and maintenance.
In computing the car miles of the full railway post-office cars and apartment railway post-office cars, the maximum space authorized in either direction of a round-trip car run shall be regarded as the space to be computed in both directions, unless otherwise mutually agreed upon.

In computing the car miles of storage cars, the maximum space authorized in either direction of a round-trip car run shall be regarded as the space to be computed in both directions, unless the car be used by the company in the return movement, or otherwise mutually agreed upon.

New service and additional service may be authorized at not exceeding the rates herein provided, and service may be reduced or discontinued with pro rata reductions in pay, as the needs of the Postal Service may require: Provided, That no additional pay shall be allowed for additional service unless specifically authorized by the Postmaster General.

The Postmaster General is authorized to make special contracts with the railroad companies for the transportation of the mails where in his judgment the conditions warrant the application of higher rates than those herein specified, and make report to Congress of all cases where such special contracts are made and the terms and reasons therefor.

All cars or parts of cars used for the Railway Mail Service shall be of such construction, style, length, and character, and furnished in such manner as shall be required by the Postmaster General, and shall be constructed, fitted up, maintained, heated, lighted, and cleaned by and at the expense of the railroad companies. No pay shall be allowed for service by any railway post-office car which is not sound in material and construction and which is not equipped with sanitary drinking-water containers and toilet facilities, nor unless such car is regularly and thoroughly cleaned. No pay shall be allowed for service by any wooden full railway post-office car unless constructed substantially in accordance with the most approved plans and specifications of the Post Office Department for such type of cars, nor for service by any wooden full railway post-office car run in any train between adjoining steel cars, or between the engine and a steel car adjoining. After the first of July, nineteen hundred and seventeen, the Postmaster General shall not approve or allow to be used, or pay for service by, any full railway postoffice car not constructed of steel or steel underframe construction, and all full railway post-office cars accepted for this service and contracted for by the railroad companies hereafter shall be constructed of steel. Until July first, nineteen hundred and seventeen, in cases of emergency and in cases where the necessities of the service require it, the Postmaster General may provide for service by full railway post-office cars of other than steel or steel underframe construction, and fix therefor such rate of compensation within the maximum herein provided as shall give consideration to the inferior character of construction, and the railroad companies shall furnish service by such cars at such rates so fixed.

Service over property owned or controlled by another company or a terminal company shall be considered service of the railroad company using such property and not that of the other or terminal company: Provided, That service over land-grant road shall be paid for as herein provided.

Railroad companies carrying the mails shall furnish all necessary facilities for caring for and handling them while in their custody. They shall furnish all cars or parts of cars used in the transportation and distribution of the mails, except as herein otherwise provided, and place them in stations before the departure of trains at such times and when required to do so. They shall provide station space...
and rooms for handling, storing, and transfer of mails in transit, including the separation thereof, by packages for connecting lines, and such distribution of registered mail in transit as may be necessary, and for offices for the employees of the Railway Mail Service engaged in such station work when required by the Postmaster General, in which mail from station boxes may be distributed if it does not require additional space.

If any railroad company carrying the mails shall fail or refuse to provide cars or apartments in cars for distribution purposes when required by the Postmaster General, or shall fail or refuse to construct, fit up, maintain, heat, light, and clean such cars and provide such appliances for use in case of accident as may be required by the Postmaster General, it shall be fined such reasonable sum as may, in the discretion of the Postmaster General, be deemed proper.

The Postmaster General shall in all cases decide upon what trains and in what manner the mails shall be conveyed. Every railroad company carrying the mails shall carry on any train it operates, and with due speed, all mailable matter, equipment, and supplies directed to be carried thereon. If any such railroad company shall fail or refuse to transport the mails, equipment, and supplies when required by the Postmaster General on any train or trains it operates, such company shall be fined such reasonable amount as may, in the discretion of the Postmaster General, be deemed proper.

The Postmaster General may make deductions from the pay of railroad companies carrying the mails under the provisions of this section for reduction in service or infrequency of service where, in his judgment, the importance of the facilities withdrawn or reduced requires it, and impose fines upon them for delinquencies. He may deduct the price of the value of the service in cases where it is not performed, and not exceeding three times its value if the failure be occasioned by the fault of the railroad company.

The provisions of this section shall apply to service operated by railroad companies partly by railroad and partly by steamboats.

The provisions of this section respecting the rates of compensation shall not apply to mails conveyed under special arrangement in freight trains, for which rates not exceeding the usual and just freight rates may be paid, in accordance with the classifications and tariffs approved by the Interstate Commerce Commission.

The Postmaster General may, in his discretion distinguish between the several classes of mail matter and provide for less frequent dis-
patches of mail matter of the third and fourth classes and periodicals when lower rates for transportation or other economies may be secured thereby without material detriment to the service.

The Postmaster General is authorized to return to the mails, when practicable for the utilization of car space paid for and not needed for the mails, postal cards, stamped envelopes, newspaper wrappers, empty mail bags, furniture, equipment, and other supplies for the Postal Service.

The Postmaster General, in cases of emergency between October first and April first of any year, may hereafter return to the mails empty mail bags and other equipment theretofore withdrawn therefrom as required by law, and, where such return requires additional authorization of car space under the provisions of this section, to pay for the transportation thereof as provided for herein out of the appropriation for inland transportation by railroad routes.

The Postmaster General may have the weights of mail taken on railroad mail routes, and computations of the average loads of the several classes of cars and other computations for statistical and administrative purposes made at such times as he may elect, and pay the expense thereof out of the appropriation for inland transportation by railroad routes.

Pending the decision of the Interstate Commerce Commission, as hereinafter provided for, the existing method and rates of railway mail pay shall remain in effect, except on such routes or systems as the Postmaster General shall select, and to the extent he may find it practicable and necessary to place upon the space system of pay in the manner and at the rates provided in this section, with the consent and approval of the Interstate Commerce Commission, in order to properly present to the Interstate Commerce Commission the matters hereinafter referred thereto: Provided, That if the final decision of the Interstate Commerce Commission shall be adverse to the space system, and if the rates established by it under whatever method or system is adopted shall be greater or less than the rates under this section, the Postmaster General shall readjust the compensation of the carriers on such selected routes and systems in accordance therewith, from the dates on which the rates named in this section became effective.

All railway common carriers are hereby required to transport such mail matter as may be offered for transportation by the United States in the manner, under the conditions, and with the service prescribed by the Postmaster General and shall be entitled to receive fair and reasonable compensation for such transportation and for the service connected therewith.

The Interstate Commerce Commission is hereby empowered and directed as soon as practicable to fix and determine from time to time the fair and reasonable rates and compensation for the transportation of such mail matter by railway common carriers and the service connected therewith, prescribing the method or methods by weight, or space, or both, or otherwise, for ascertaining such rate or compensation, and to publish the same, and orders so made and published shall continue in force until changed by the commission after due notice and hearing.

In fixing and determining the fair and reasonable rates for such service the commission shall consider the relation existing between the railroads as public service corporations and the Government, and the nature of such service as distinguished, if there be a distinction, from the ordinary transportation business of the railroads.

The procedure for the ascertainment of said rates and compensation shall be as follows:

Within three months from and after the approval of this Act, or as soon thereafter as may be practicable, the Postmaster General shall

file with the commission a statement showing the transportation required of all railway common carriers, including the number, equipment, size, and construction of the cars necessary for the transaction of the business; the character and speed of the trains which are to carry the various kinds of mail; the service, both terminal and en route, which the carriers are to render; and all other information which may be material to the inquiry, but such other information may be filed at any time in the discretion of the commission.

The Postmaster General is authorized to employ such clerical and other assistance as shall be necessary to carry out the provisions of this section, and to rent quarters in Washington, District of Columbia, if necessary, for the clerical force engaged thereon, and to pay for the same out of the appropriation for inland transportation by railroad routes. The Postmaster General shall file with the commission a comprehensive plan for the transportation of the mails on said railways and shall embody therein what he believes to be the reasonable rate or compensation the said railway carriers should receive.

Thereupon the commission shall give notice of not less than thirty days to each carrier so required to transport mail and render service, and upon a day to be fixed by the commission, not later than thirty days after the expiration of the notice herein required, each of said carriers shall make answer and the commission shall proceed with the hearing as now provided by law for other hearings between carriers and shippers or associations.

All the provisions of the law for taking testimony, securing evidence, penalties, and procedure are hereby made applicable.

For the purpose of determining and fixing rates or compensation hereunder the commission is authorized to make such classification of carriers as may be just and reasonable and, where just and equitable, fix general rates applicable to all carriers in the same classification.

Pending such hearings, and the final determination of the question, if the Interstate Commerce Commission shall determine that it is necessary or advisable, in order to carry out the provisions of this section, to have additional and more frequent weighing of the mails for statistical purposes, the Postmaster General, upon request of the commission, shall provide therefor in the manner now prescribed by law, but such weighing need not be for more than thirty days.

At the conclusion of the hearing the commission shall establish by order a fair, reasonable rate or compensation to be received, at such stated times as may be named in the order, for the transportation of mail matter and the service connected therewith, and during the continuance of the order the Postmaster General shall pay the carrier from the appropriation herein made such rate or compensation.

Either the Postmaster General or any such carrier may at any time after the lapse of six months from the entry of the order assailed apply for a reexamination, and thereupon substantially similar proceedings shall be had with respect to the rate or rates for service covered by said application, provided said carrier or carriers have an interest therein.

For the purposes of this section the Interstate Commerce Commission is hereby vested with all the powers which it is now authorized by law to exercise in the investigation and ascertainment of the justness and reasonableness of freight, passenger, and express rates to be paid by private shippers.

The Interstate Commerce Commission shall allow to railroad companies whose railroads were constructed in whole or in part by a land grant made by Congress on condition that the mails should be transported over their roads at such price as Congress should by law direct only eighty per centum of the compensation paid other rail-
roads for transporting the mails and all service by the railroads in connection therewith.

The existing law for the determination of mail pay, except as herein modified, shall continue in effect until the Interstate Commerce Commission under the provisions hereof fixes the fair, reasonable rate or compensation for such transportation and service.

That the appropriations for inland transportation by railroad routes and for railway post-office car service for the fiscal year ending June thirty, nineteen hundred and twelve, are hereby made available for the purposes of this section.

That it shall be unlawful for any railroad company to refuse to perform mail service at the rates or methods of compensation provided by law when required by the Postmaster General so to do, and for such offense shall be fined $1,000. Each day of refusal shall constitute a separate offense.

Sec. 6. If the Postmaster General shall find on experience that the classification of articles mailable, as well as the weight limit, or the rates of postage, zone or zones, and other conditions of mailability, under section eight of the Act approved August twenty-fourth, nineteen hundred and twelve, are such as to prevent the shipment of articles desirable, or to permanently render the cost of the service greater than the receipts of the revenue therefrom, he is hereby authorized to re-form from time to time such classification, weight limit, rates, zone or zones, or conditions, or either, in order to promote the service to the public or to insure the receipt of revenue from such service adequate to pay the cost thereof; Provided, however, that before any change is hereafter made in weight limit, rates of postage, or zone or zones, the Postmaster General, with the proposed change shall be approved by the Interstate Commerce Commission after thorough and independent consideration by that body in such manner as it may determine.

Upon any such appeal the supreme court may in its behalf take or require further evidence to be introduced by either party.

"Within six months after the determination of the purchase price, as aforesaid, the same shall be paid to the association, and thereupon the franchise granted hereby shall cease and determine, and all the property of said association shall become the property of such purchaser without any further conveyance; but said association shall make all such further conveyances as may be desired by the purchaser and approved by said commission or said court on appeal."

That this Part, to be known as the United States cotton futures Act, be, and hereby is, enacted to read and be effective hereafter as follows:

"That this Act shall be known by the short title of the 'United States cotton futures Act.'

"Sec. 2. That, for the purposes of this Act, the term 'contract of sale' shall be held to include sales, agreements of sale, and agreements to sell. That the word 'person,' wherever used in this Act, shall be construed to import the plural or singular, as the case demands, and shall include individuals, associations, partnerships, and corporations. When construing and enforcing the provisions of this Act, the act, omission, or failure of any official, agent, or other person acting for or employed by any association, partnership, or corporation within the scope of his employment or office, shall, in every case, also be deemed the act, omission, or failure of such association, partnership, or corporation as well as that of the person.

"Sec. 3. That upon each contract of sale of any cotton for future delivery made at, on, or in any exchange, board of trade, or similar institution or place of business, there is hereby levied a tax in the nature of an excise of 2 cents for each pound of the cotton involved in any such contract.

"Sec. 4. That each contract of sale of cotton for future delivery mentioned in section three of this Act shall be in writing plainly stating, or evidenced by written memorandum showing, the terms of such contract, including the quantity of the cotton involved and the names and addresses of the seller and buyer, in such contract, and shall be signed by the party to be charged, or by his agent in his behalf. If the contract or memorandum specify in bales the quantity of the cotton involved, without giving the weight, each bale shall, for the purposes of this Act, be deemed to weigh five hundred pounds.

"Sec. 5. That no tax shall be levied under this Act on any contract of sale mentioned in section three hereof if the contract comply with each of the following conditions:

"First. Conform to the requirements of section four of, and the rules and regulations made pursuant to, this Act.

"Second. Specify the basis grade for the cotton involved in the contract, which shall be one of the grades for which standards are established by the Secretary of Agriculture, except grades prohibited from being delivered on a contract made under this section by the
fifth subdivision of this section, the price per pound at which the cotton of such basis grade is contracted to be bought or sold, the date when the purchase or sale was made, and the month or months in which the contract is to be fulfilled or settled: Provided, That middling shall be deemed the basis grade incorporated into the contract if no other basis grade be specified either in the contract or in the memorandum evidencing the same.

"Third. Provide that the cotton dealt with therein or delivered thereunder shall be of or within the grades for which standards are established by the Secretary of Agriculture except grades prohibited from being delivered on a contract made under this section by the fifth subdivision of this section and no other grade or grades.

"Fourth. Provide that in case cotton of grade other than the basis grade be tendered or delivered in settlement of such contract, the differences above or below the contract price which the receiver shall pay for such grades other than the basis grade shall be the actual commercial differences, determined as hereinafter provided.

"Fifth. Provide that cotton that, because of the presence of extraneous matter of any character or irregularities or defects, is reduced in value below that of Good Ordinary, or cotton that is below the grade of Good Ordinary, or, if tinged, cotton that is below the grade of Low Middling, or, if stained, cotton that is below the grade of Middling, the grades mentioned being of the official cotton standards of the United States, or cotton that is less than seven-eighths of an inch in length of staple, or cotton of perished staple or of immature staple, or cotton that is 'gin cut' or reginned, or cotton that is 'repacked' or 'false packed' or 'mixed packed' or 'water packed,' shall not be delivered on, under, or in settlement of such contract.

"Sixth. Provide that all tenders of cotton under such contract shall be the full number of bales involved therein, except that such variations of the number of bales may be permitted as is necessary to bring the total weight of the cotton tendered within the provisions of the contract as to weight; that, on the fifth business day prior to delivery, the person making the tender shall give to the person receiving the same written notice of the date of delivery, and that, on or prior to the date so fixed for delivery, and in advance of final settlement of the contract, the person making the tender shall furnish to the person receiving the same a written notice or certificate stating the grade of each individual bale to be delivered and, by means of marks or numbers, identifying each bale with its grade.

"Seventh. Provide that, in case a dispute arises between the person making the tender and the person receiving the same, as to the classification of any cotton tendered under the contract, either party may refer the question of the true classification of said cotton to the Secretary of Agriculture for determination, and that such dispute shall be referred and determined, and the costs thereof fixed, assessed, collected, and paid in such manner and in accordance with such rules and regulations as may be prescribed by the Secretary of Agriculture.

"The provisions of the third, fourth, fifth, sixth, and seventh subdivisions of this section shall be deemed fully incorporated into any such contract if there be written or printed thereon, or on the memorandum evidencing the same, at or prior to the time the same is signed, the phrase 'Subject to United States cotton futures Act, section five.'

"The Secretary of Agriculture is authorized to prescribe rules and regulations for carrying out the purposes of the seventh subdivision of this section, and his findings, upon any dispute referred to him under said seventh subdivision, made after the parties in interest have had an opportunity to be heard by him or such officer, officers, agent, or agents of the Department of Agriculture as he may designate, shall be accepted in the courts of the United States in all suits be-
Between such parties, or their privies, as prima facie evidence of the true classification of the cotton involved.

"Sec. 6. That for the purposes of section five of this Act the differences above or below the contract price which the receiver shall pay for cotton of grades above or below the basis grade in the settlement of a contract of sale for the future delivery of cotton shall be determined by the actual commercial differences in value thereof upon the sixth business day prior to the day fixed, in accordance with the sixth subdivision of section five, for the delivery of cotton on the contract, established by the sale of spot cotton in the market where the future transaction involved occurs and is consummated if such market be a bona fide spot market; and in the event there be no bona fide spot market at or in the place in which such future transaction occurs, then, and in that case, the said differences above or below the contract price which the receiver shall pay for cotton above or below the basis grade shall be determined by the average actual commercial differences in value thereof, upon the sixth business day prior to the day fixed, in accordance with the sixth subdivision of section five, for the delivery of cotton on the contract, in the spot markets of not less than five places designated for the purpose from time to time by the Secretary of Agriculture, as such values were established by the sales of spot cotton, in such designated five or more markets: Provided, That for the purposes of this section such values in the said spot markets be based upon the standards for grades of cotton established by the Secretary of Agriculture: And provided further, That whenever the value of one grade is to be determined from the sale or sales of spot cotton of another grade or grades, such value shall be fixed in accordance with rules and regulations which shall be prescribed for the purpose by the Secretary of Agriculture.

"Sec. 6A. That no tax shall be levied under this Act on any contract of sale mentioned in section three hereof if the contract provide that, in case cotton of grade or grades other than the basis grade specified in the contract shall be tendered in performance of the contract, the parties to such contract may agree, at the time of the tender, as to the price of the grade or grades so tendered, and that if they shall not then agree as to such price, then, and in that event, the buyer of said contract shall have the right to demand the specific fulfillment of such contract by the actual delivery of cotton of the basis grade named therein and at the price specified for such basis grade in said contract, and if the contract also comply with all the terms and conditions of section five hereof not inconsistent with this section: Provided, That nothing in this section shall be so construed as to relieve from the tax levied by section three of this Act any contract in which, or in the settlement of or in respect to which, any device or arrangement whatever is resorted to, or any agreement is made, for the determination or adjustment of the price of the grade or grades tendered other than the basis grade specified in the contract by any ‘fixed difference’ system, or by arbitration, or by any other method not provided for by this Act.

Contracts made in compliance with this section shall be known as ‘Section six A Contracts.’ The provisions of this section shall be deemed fully incorporated into any such contract if there be written or printed thereon, or on the memorandum evidencing the same, at or prior to the time the same is signed, the phrase ‘Subject to United States cotton futures Act, section six A.’

Section ten of this Act shall not be construed to apply to any contract of sale made in compliance with section six A hereof.

"Sec. 7. That for the purposes of this Act the only markets which shall be considered bona fide spot markets shall be those which the Secretary of Agriculture shall, from time to time, after investigation, determine and designate to be such, and of which he shall give public notice.
"Sec. 8. That in determining, pursuant to the provisions of this Act, what markets are bona fide spot markets, the Secretary of Agriculture is directed to consider only markets in which spot cotton is sold in such volume and under such conditions as customarily to reflect accurately the value of middling cotton and the differences between the prices or values of middling cotton and of other grades of cotton for which standards shall have been established by the Secretary of Agriculture: Provided, That if there be not sufficient places, in the markets of which are made bona fide sales of spot cotton of grades for which standards are established by the Secretary of Agriculture, to enable him to designate at least five spot markets in accordance with section six of this Act, he shall, from data as to spot sales collected by him, make rules and regulations for determining the actual commercial differences in the value of spot cotton of the grades established by him as reflected by bona fide sales of spot cotton of the same or different grades, in the markets selected and designated by him from time to time, for that purpose, and in that event, differences in value of cotton of various grades involved in contracts made pursuant to section five of this Act shall be determined in compliance with such rules and regulations.

"Sec. 9. That the Secretary of Agriculture is authorized, from time to time, to establish and promulgate standards of cotton by which its quality or value may be judged or determined, including its grade, length of staple, strength of staple, color, and such other qualities, properties, and conditions as may be standardized in practical form, which, for the purposes of this Act, shall be known as the 'Official cotton standards of the United States,' and to adopt, change, or replace the standard for any grade of cotton established under the Act making appropriations for the Department of Agriculture for the fiscal year ending June thirtieth, nineteen hundred and nine (Thirty-fifth Statutes at Large, page two hundred and fifty-one), and Acts supplementary thereto: Provided, That any standard of any cotton established and promulgated under this Act by the Secretary of Agriculture shall not be changed or replaced within a period less than one year from and after the date of the promulgation thereof by the Secretary of Agriculture: Provided further, That, subsequent to six months after the date section three of this Act becomes effective, no change or replacement of any standard of any cotton established and promulgated under this Act by the Secretary of Agriculture shall become effective until after one year's public notice thereof, which notice shall specify the date when the same is to become effective. The Secretary of Agriculture is authorized and directed to prepare practical forms of the official cotton standards which shall be established by him, and to furnish such practical forms from time to time, upon request, to any person, the cost thereof, as determined by the Secretary of Agriculture, to be paid by the person requesting the same, and to certify such practical forms under the seal of the Department of Agriculture and under the signature of the said Secretary, thereto affixed by himself or by some official or employee of the Department of Agriculture thereunto duly authorized by the said Secretary.

"Sec. 10. That no tax shall be levied under this Act on any contract of sale mentioned in section three hereof, if the contract comply with each of the following conditions:

"First. Conform to the rules and regulations made pursuant to this Act.

"Second. Specify the grade, type, sample, or description of the cotton involved in the contract, the price per pound at which such cotton is contracted to be bought or sold, the date of the purchase or sale, and the time when shipment or delivery of such cotton is to be made.
Providing for delivery of cotton contracted for.

"Third. Provide that cotton of or within the grade or of the type, or according to the sample or description, specified in the contract shall be delivered thereunder, and that no cotton which does not conform to the type, sample, or description, or which is not of or within the grade specified in the contract shall be tendered or delivered thereunder.

"Fourth. Provide that the delivery of cotton under the contract shall not be effected by means of 'set-off' or 'ring' settlement, but only by the actual transfer of the specified cotton mentioned in the contract.

The provisions of the first, third, and fourth subdivisions of this section shall be deemed fully incorporated into any such contract if there be written or printed thereon, or on the document or memorandum evidencing the same, at or prior to the time the same is entered into, the words 'Subject to United States cotton futures Act, section ten.

"This Act shall not be construed to impose a tax on any sale of spot cotton.

"This section shall not be construed to apply to any contract of sale made in compliance with section five of this Act.

"Sec. 11. That the tax imposed by section three of this Act shall be paid by the seller of the cotton involved in the contract of sale, by means of stamps which shall be affixed to such contracts, or to the memoranda evidencing the same, and canceled in compliance with rules and regulations which shall be prescribed by the Secretary of the Treasury.

"Sec. 12. That no contract of sale of cotton for future delivery mentioned in section three of this Act which does not conform to the requirements of section four hereof and has not the necessary stamps affixed thereto as required by section eleven hereof shall be enforceable in any court of the United States by, or on behalf of, any party to such contract or his privies.

"Sec. 13. That the Secretary of the Treasury is authorized to make and promulgate such rules and regulations as he may deem necessary to collect the tax imposed by this Act and otherwise to enforce its provisions. Further to effect this purpose, he shall require all persons coming within its provisions to keep such records and statements of account, and may require such persons to make such returns verified under oath or otherwise, as will fully and correctly disclose all transactions mentioned in section three of this Act, including the making, execution, settlement, and fulfillment thereof; he may require all persons who act in the capacity of a clearing house, clearing association, or similar institution for the purpose of clearing, settling, or adjusting transactions mentioned in section three of this Act to keep such records and to make such returns as will fully and correctly disclose all facts in their possession relating to such transactions; and he may appoint agents to conduct the inspection necessary to collect said tax and otherwise to enforce this Act and all rules and regulations made by him in pursuance hereof, and may fix the compensation of such agents. "Sec. 15. That in addition to the foregoing punishment there is hereby imposed, on account of each violation of this Act, a penalty of $2,000, to be recovered in an action founded on this Act in the name of the United States as plaintiff, and when so recovered one-half of said amount shall be paid over to the person giving the information upon which such recovery was based. It shall be the duty of United States attorneys, to whom satisfactory evidence of violations of this Act is furnished, to institute and prosecute actions for the recovery of the penalties prescribed by this section.

"Sec. 16. That no person whose evidence is deemed material by the officer prosecuting on behalf of the United States in any case brought under any provision of this Act shall withhold his testimony because of complicity by him in any violation of this Act or of any regulation made pursuant to this Act, but any such person called by such officer who testifies in such case shall be exempt from prosecution for any offense to which his testimony relates.

"Sec. 17. That the payment of any tax levied by this Act shall not exempt any person from any penalty or punishment now or hereafter provided by the laws of any State for entering into contracts of sale of cotton for future delivery, nor shall the payment of any tax imposed by this Act be held to prohibit any State or municipality from imposing a tax on the same transaction.

"Sec. 18. That there is hereby appropriated, out of any moneys in the Treasury not otherwise appropriated, for the fiscal year ending June thirtieth, nineteen hundred and fifteen (Thirty-eighth Statutes at Large, page one thousand and seventeen), for collecting the cotton futures tax, or so much thereof as may be necessary, to enable the Secretary of the Treasury to carry out the provisions of this Act and any duties remaining to be performed by him under the United States cotton futures Act of August eighteenth, nineteen hundred and fourteen (Thirty-eight Statutes at Large, page six hundred and ninety-three).

"Sec. 19. That there are hereby appropriated, out of any moneys in the Treasury not otherwise appropriated, available until expended, the unexpended balance of the sum appropriated by the Act of March fourth, nineteen hundred and fifteen (Thirty-eighth Statutes at Large, page one thousand and seventeen), for collecting the cotton futures tax, or so much thereof as may be necessary, to enable the Secretary of the Treasury to carry out the provisions of this Act and any duties remaining to be performed by him under the United States cotton futures Act of August eighteenth, nineteen hundred and fourteen (Thirty-eight Statutes at Large, page six hundred and ninety-three).

"Sec. 20. That sections nine, eighteen, and nineteen of this Act and all provisions of this Act authorizing rules and regulations to be prescribed shall be effective immediately. All other sections of this
Act shall become and be effective on and after the first day of the calendar month next succeeding the date of the passage of this Act: Provided, That nothing in this Act shall be construed to apply to any contract of sale of any cotton for future delivery mentioned in section three of this Act which shall have been made prior to the first day of the calendar month next succeeding the date of the passage of this Act.

"Sec. 21. That the Act entitled 'An Act to tax the privilege of dealing on exchanges, boards of trade, and similar places in contracts of sale of cotton for future delivery, and for other purposes,' approved August eighteenth, nineteen hundred and fourteen (Thirty-eighth Statutes at Large, page six hundred and ninety-three), is hereby repealed, effective on and after the first day of the calendar month next succeeding the date of the passage of this act: Provided, That nothing in this Act shall be construed to affect any right or privilege accrued, any penalty or liability incurred, or any proceeding commenced under said Act of August eighteenth, nineteen hundred and fourteen, or to diminish any authority conferred by said Act on any official of the United States necessary to enable him to carry out any duties remaining to be performed by him under the said Act, or to impair the effect of the findings of the Secretary of Agriculture upon any dispute referred to him under said Act, or to affect any right in respect to, or arising out of, any contract mentioned in section three of said Act, made on or subsequent to February eighteenth, nineteen hundred and fifteen, and prior to the first day of the calendar month next succeeding the date of the passage of this Act, but so far as concerns any such contract said Act of August eighteenth, nineteen hundred and fourteen, shall remain in force with the same effect as if this Act had not been passed.

That if any clause, sentence, paragraph, or part of this Act shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment shall have been rendered."

**PART B.**

That this Part, to be known as the United States grain standards Act, be and is hereby enacted, to read and be effective hereafter as follows:

"That this Act shall be known by the short title of the 'United States grain standards Act.' The word 'person,' wherever used in this Act, shall be construed to import the plural or singular, as the case demands, and shall include individuals, associations, partnerships, and corporations; the words 'in interstate or foreign commerce,' wherever used in this Act, mean 'from any State, Territory, or District to or through any other State, Territory, or District, or to or through any foreign country, or within any Territory or District.' When construing and enforcing the provisions of this Act, the act, omission, or failure of any official, agent, or other person acting for or employed by any association, partnership, or corporation within the scope of his employment or office shall, in every case, also be deemed the act, omission, or failure of such association, partnership, or corporation as well as that of the person."

"Sec. 2. That the Secretary of Agriculture is hereby authorized to investigate the handling, grading, and transportation of grain and to fix and establish as soon as may be after the enactment hereof standards of quality and condition for corn (maize), wheat, rye, oats, barley, flaxseed, and such other grains as in his judgment the usages of the trade may warrant and permit, and the Secretary of Agricul-
ture shall have power to alter or modify such standards whenever the necessities of the trade may require. In promulgating the standards, or any alteration or modification of such standards, the Secretary shall specify the date or dates when the same shall become effective, and shall give public notice, not less than ninety days in advance of such date or dates, by such means as he deems proper.

"Sec. 3. That the standards so fixed and established shall be known as the official grain standards of the United States.

"Sec. 4. That whenever standards shall have been fixed and established under this Act for any grain no person thereafter shall ship or deliver for shipment in interstate or foreign commerce any such grain which is sold, offered for sale, or consigned for sale by grade unless the grain shall have been inspected and graded by an inspector licensed under this Act and the grade by which it is sold, offered for sale, or consigned for sale be one of the grades fixed therefor in the official grain standards of the United States: Provided, That any person may sell, offer for sale, or consign for sale, ship, or deliver for shipment in interstate or foreign commerce any such grain by sample or by type, or under any name, description, or designation which is not false or misleading, and which name, description, or designation does not include in whole or in part the terms of any official grain standard of the United States: Provided further, That any such grain sold, offered for sale, or consigned for sale by grade may be shipped or delivered for shipment in interstate or foreign commerce without inspection at point of shipment by an inspector licensed under this Act, to or through any place at which an inspector licensed under this Act is located, subject to be inspected by a licensed inspector at the place to which shipped or at some convenient point through which shipped for inspection, which inspection shall be under such rules and regulations as the Secretary of Agriculture shall prescribe, and subject further to the right of appeal from such inspection, as provided in section six of this Act: And provided further, That any such grain sold, offered for sale, or consigned for sale by any of the grades fixed therefor in the official grain standards may, upon compliance with the rules and regulations prescribed by the Secretary of Agriculture, be shipped in interstate or foreign commerce without inspection from a place at which there is no inspector licensed under this Act to a place at which there is no such inspector, subject to the right of either party to the transaction to refer any dispute as to the grade of the grain to the Secretary of Agriculture, who may determine the true grade thereof. No person shall in any certificate or in any contract or agreement of sale or agreement to sell by grade, either oral or written, involving, or in any invoice or bill of lading or other shipping document relating to, the shipment or delivery for shipment, in interstate or foreign commerce, of any grain for which standards shall have been fixed and established under this Act, describe, or in any way refer to, any of such grain as being of any grade other than a grade fixed therefor in the official grain standards of the United States.

"Sec. 5. That no person, except as permitted in section four, shall represent that any grain shipped or delivered for shipment in interstate or foreign commerce is of a grade fixed in the official grain standards other than as shown by a certificate thereof issued in compliance with this Act; and the Secretary of Agriculture is authorized to cause examinations to be made of any grain for which standards shall have been fixed and established under this Act, and which has been certified to conform to any grade fixed therefor in such official grain standards, or which has been shipped or delivered for shipment in interstate or foreign commerce. Whenever, after opportunity for hearing is given to the owner or shipper of the grain involved, and to the inspector thereof if the same has been inspected, it is determined...
by the Secretary that any quantity of grain has been incorrectly
certified to conform to a specified grade, or has been sold, offered for
sale, or consigned for sale under any name, description, or designation
which is false or misleading, he may publish his findings.

"SEC. 5. That whenever standards shall have been fixed and estab-
lished under this Act for any grain and any quantity of such grain
sold, offered for sale, or consigned for sale, or which has been shipped,
or delivered for shipment in interstate or foreign commerce shall have
been inspected and a dispute arises as to whether the grade as deter-
mimed by such inspection of any such grain in fact conforms to the
standard of the specified grade, any interested party may, either
with or without reinspection, appeal the question to the Secretary of
Agriculture, and the Secretary of Agriculture is authorized to cause
such investigation to be made and such tests to be applied as he may
deem necessary and to determine the true grade: Provided, That
any appeal from such inspection and grading to the Secretary of
Agriculture shall be taken before the grain leaves the place where the
inspection appealed from was made and before the identity of the
grain has been lost, under such rules and regulations as the Secretary
of Agriculture shall prescribe. Whenever an appeal shall be taken
or a dispute referred to the Secretary of Agriculture under this Act,
he shall charge and assess, and cause to be collected, a reasonable fee,
in amount to be fixed by him, which fee, in case of an appeal, shall be
refunded if the appeal is sustained. All such fees, not so refunded,
shall be deposited and covered into the Treasury as miscellaneous
receipts. The findings of the Secretary of Agriculture as to grade,
signed by him or by such officer or officers, agent or agents, of the
Department of Agriculture as he may designate, made after the
parties in interest have had opportunity to be heard, shall be accepted
in the courts of the United States as prima facie evidence of the true
grade of the grain determined by him at the time and place specified
in the findings.

"SEC. 7. The Secretary of Agriculture may issue a license to any per-
son, upon presentation to him of satisfactory evidence that such person
is competent, to inspect and grade grain and to certificate the grade
thereof for shipment or delivery for shipment in interstate or foreign
commerce, under this Act and the rules and regulations prescribed there-
under. No person authorized or employed by any State, county, city,
town, board of trade, chamber of commerce, corporation, society, part-
nership, or association to inspect or grade grain shall certify, or other-
wise state or indicate in writing, that any grain for shipment or deliv-
ery for shipment in interstate or foreign commerce, which has been
inspected or graded by him, or by any person acting under his author-
ity, is of one of the grades of the official grain standards of the United
States, unless he holds an unsuspended and unrevoked license issued
by the Secretary of Agriculture: Provided, That in any State which
has, or which may hereafter have a State grain inspection department
established by the laws of such State, the Secretary of Agriculture shall
issue licenses to the persons duly authorized and employed to inspect
and grade grain under the laws of such State. The Secretary of Agri-
culture may suspend or revoke any license issued by him under this
Act whenever, after opportunity for hearing has been given to the
licensee, the Secretary shall determine that such licensee is incompe-
tent or has knowingly or carelessly graded grain improperly or by any
other standard than is authorized under this Act, or has issued any
false certificate of grade, or has accepted any money or other consid-
eration, directly or indirectly, for any neglect or improper performance
of duty, or has violated any provision of this Act or of the rules and
regulations made hereunder. Pending investigation the Secretary of
Agriculture, whenever he deems necessary, may suspend a license tem-
porarily without hearing. Provided further, That no person licensed by
the Secretary of Agriculture to inspect or grade grain or employed by
him in carrying out any of the provisions of this Act shall, during the
term of such license or employment, be interested, financially or
otherwise, directly or indirectly, in any grain elevator or warehouse,
or in the merchandising of grain, nor shall he be in the employment
of any person or corporation owning or operating any grain elevator
or warehouse.

"The Secretary of Agriculture shall require every inspector licensed
under this Act to keep complete and correct records of all grain
graded and inspected by him, and to make reports to the Secretary
of Agriculture, in such forms and at such times as he may require,
showing the place of inspection, the date of inspection, the name of
the elevator or warehouse, if any, to which the grain was delivered
or from which it was shipped, the kind of grain, the quantity of each
kind, the grade thereof, and such other information as the Secretary
of Agriculture may deem necessary. The Secretary of Agriculture,
on each first Tuesday in January and each first Tuesday in July of
each year shall make publication of a summary of such facts as are
ascertained, showing in as great detail as possible all the facts, includ-
ing a summary as to the amount and grade of grain delivered to the
elevator or warehouse and the amount and grade of grain delivered
from such elevator or warehouse, and the estimated amount received
on sample or type by such elevator or warehouse, and the estimated
amount delivered therefrom on sample or type.

"Sec. 8. That the Secretary of Agriculture shall, from time to
time, make such rules and regulations as he may deem necessary
for the efficient execution of the provisions of this Act.

"Sec. 9. That any person who shall knowingly violate any of the
provisions of sections four or seven of this Act, or any inspector
licensed under this Act who shall knowingly inspect or grade im-
properly any grain which has been shipped or delivered for shipment
in interstate or foreign commerce, or shall knowingly give any false
certificate of grade, or shall accept money or other consideration,
directly or indirectly, for any neglect or improper performance of
duty, and any person who shall improperly influence or attempt to
improperly influence any such inspector in the performance of his
duty, shall be guilty of a misdemeanor, and upon conviction thereof
shall be fined not more than $1,000, or be imprisoned not more than
one year, or both.

"Sec. 10. That every person who forcibly assaults, resists, im-
pedes, or interferes with any officer or employee of the United States
Department of Agriculture in the execution of any duties authorized
to be performed by this Act or the rules and regulations made here-
under shall, upon conviction thereof, be fined not more than $1,000,
or be imprisoned not more than one year, or both.

"Sec. 11. That if any clause, sentence, paragraph, or part of this
Act shall, for any reason, be adjudged by any court of competent
jurisdiction to be invalid, such judgment shall not affect, impair, or
invalidate the remainder thereof, but shall be confined in its opera-
tion to the clause, sentence, paragraph, or part thereof, directly
involved in the controversy in which such judgment shall have been
rendered.

"Sec. 12. That there is hereby appropriated, out of any money in
the Treasury not otherwise appropriated, the sum of $250,000,
which shall be available until expended, for the expenses of carrying
into effect the provisions of this Act, including such rent and the
employment of such persons and means as the Secretary of Agricul-
ture may deem necessary in the city of Washington and elsewhere."

"Sec. 20. That while an original receipt issued under this Act is outstanding and uncanceled by the warehouseman issuing the same no other or further receipt shall be issued for the agricultural product covered thereby or for any part thereof, except that in the case of a lost or destroyed receipt a new receipt, upon the same terms and subject to the same conditions and bearing on its face the number and date of the receipt in lieu of which it is issued, may be issued upon compliance with the statutes of the United States applicable thereto in places under the exclusive jurisdiction of the United States or upon compliance with the laws of any State applicable thereto in any place not under the exclusive jurisdiction of the United States: Provided, That if there be in such case no statute of the United States or law of a State applicable thereto such new receipts may be issued upon the giving of satisfactory security in compliance with the rules and regulations made pursuant to this Act.

"Sec. 21. That a warehouseman conducting a warehouse licensed under this Act, in the absence of some lawful excuse, shall, without unnecessary delay, deliver the agricultural products stored therein upon a demand made either by the holder of a receipt for such agricultural products or by the depositor thereof if such demand be accompanied with (a) an offer to satisfy the warehouseman's lien; (b) an offer to surrender the receipt, if negotiable, with such endorsements as would be necessary for the negotiation of the receipt; and (c) a readiness and willingness to sign, when the products are delivered, an acknowledgment that they have been delivered if such signature is requested by the warehouseman.
"Sec. 22. That a warehouseman conducting a warehouse licensed under this Act shall plainly cancel upon the face thereof each receipt returned to him upon the delivery by him of the agricultural products for which the receipt was issued.

"Sec. 24. That the Secretary of Agriculture is authorized to cause examinations to be made of any agricultural product stored in any warehouse licensed under this Act. Whenever, after opportunity for hearing is given to the warehouseman conducting such warehouse, it is determined that he is not performing fully the duties imposed on him by this Act and the rules and regulations made hereunder, the Secretary may publish his findings.

"Sec. 25. That the Secretary of Agriculture may, after opportunity for hearing has been afforded to the licensee concerned, suspend or revoke any license issued to any warehouseman conducting a warehouse under this Act, for any violation of or failure to comply with any provision of this Act or of the rules and regulations made hereunder or upon the ground that unreasonable or exorbitant charges have been made for services rendered. Provided, That the United States and all persons legally holding

lands included in said irrigation district. Officially certified lists
of the amounts of charges assessed against the smallest legal sub-
division of said lands shall be furnished to the register and receiver

lands and upon lands covered by unpatented entries included in said
irrigation district; and said lien upon said land covered by unpatented

Sec. 4. Provided, That upon the approval of the district map or plat as herebefore provided by the Secretary of the Interior the register and receiver will note said approval upon their records where any unentered or entered and unpatented lands are affected.

Sec. 5. Provided that no public lands which were unentered at the time any tax or assessment was levied against same by such irrigation district shall be sold for such taxes or assessments, but such tax or assessment shall be and continue a lien upon such lands, and not more than one hundred and sixty acres of such land shall be entered by any one person; and when such lands shall be applied for, after said approval by the Secretary of the Interior, under the homestead or desert-land laws of the United States the application shall be suspended for a period of thirty days to enable the applicant to present a certificate from the proper district or county officer showing that no unpaid district charges are due and delinquent against said land.

Sec. 6. That any entered but unpatented lands not subject to the reclamation Act of June seventeenth, nineteen hundred and two (Thirty-second Statutes, page three hundred and eighty-eight), sold in the manner and for the purposes mentioned in this Act may be patented to the purchaser thereof or his assignee at any time after the expiration of the period of redemption allowed by law under which it may have been sold (no redemption having been made) upon the payment to the receiver of the local land office of the minimum price of $1.25 per acre, or such other price as may be fixed by law for such lands, together with the usual fees and commissions charged in entries of like lands under the homestead laws, and upon a satisfactory showing that the irrigation works have been constructed and that water of the district is available for such land; but the purchaser or his assignee shall, at the time of application for patent, have the qualification of a homestead entryman or desert-land entryman, and not more than one hundred and sixty acres of said land shall be patented to any one purchaser under the provisions of this Act.

Application.

These limitations shall not apply to sales to irrigation districts, but shall apply to purchasers from such irrigation districts of such land bid in by said district.

That unless the purchaser or his assignee of such lands shall, within ninety days after the time for redemption has expired, pay to the proper receiver all fees and commissions and the purchase price to which the United States shall be entitled as provided for in this Act, any person having the qualification of a homestead entryman or a desert-land entryman may pay to the proper receiver, for not more
than one hundred and sixty acres of said lands, for which payment has not been made, the unpaid purchase price, fees, and commissions to which the United States may be entitled; and upon satisfactory proof that he has paid to the purchaser at the tax sale, or his assignee, or to the proper officer of the district for such purchaser or for the district, as the case may be, the sum for which the land was sold at sale for irrigation district charges or bid in by the district at such sale, and in addition thereto the interest and penalties on the amount bid at the rate allowed by law, shall be subrogated to the rights of such purchaser to receive patent for said land.

In any case where any tract of entered land lying within such approved irrigation district shall become vacant by relinquishment or cancellation for any cause, any subsequent applicant therefor shall be required, in addition to the qualifications and requirements otherwise provided, to furnish satisfactory proof by certificate from the proper district or county officer that he has paid all charges then due to the district upon said land and also has paid to the proper district or county officer for the holder or holders of any tax certificates, delinquency certificates, or other proper evidence of purchase at tax sale the amount for which the said land was sold at tax sale, together with the interest and penalties therein provided by law.

Sec. 7. That all notices required by the irrigation district laws mentioned in this act shall, as soon as such notices are issued, be delivered to the register and receiver of the proper land office in cases where unpatented lands are affected thereby, and to the entryman whose unpatented lands are included therein, and the United States, and such entryman shall be given the same rights to be heard by petition, answer, remonstrance, appeal, or otherwise as are given to persons holding lands in private ownership, and all entrymen shall be given the same rights of redemption as are given to the owners of lands held in private ownership.

Sec. 8. That all moneys derived by the United States from the sale of public lands herein referred to shall be paid into such funds and applied as provided by law for the disposal of the proceeds from the sale of public lands.

am, Porto Rico, the Philippines, Hawaii, or foreign countries, or to
impose the liabilities set forth in this section for so doing.

Sec. 5. That when more than one order bill is issued in a State for
the same goods to be transported to any place in the United States
on the Continent of North America, except Alaska and Panama, the
word "duplicate," or some other word or words indicating that the
document is not an original bill, shall be placed plainly upon the
face of every such bill except the one first issued. A carrier shall be
liable for the damage caused by his failure so to do to anyone who has
purchased the bill for value in good faith as an original, even though
the purchase be after the delivery of the goods by the carrier to the
holder of the original bill: Provided, however, That nothing con-
tained in this section shall in such case for such transportation of
goods to Alaska, Panama, Porto Rico, the Philippines, Hawaii, or
foreign countries be interpreted or construed so as to require the
placing of the word "duplicate" thereon, or to impose the liabilities
set forth in this section for failure so to do.

Sec. 6. That a straight bill shall have placed plainly upon its
face by the carrier issuing it "nonnegotiable" or "not negotiable."

This section shall not apply, however, to memoranda or acknowled-
gments of an informal character.

Sec. 7. That the insertion in an order bill of the name of a person
to be notified of the arrival of the goods shall not limit the negotia-
bility of the bill or constitute notice to a purchaser thereof of any
rights or equities of such person in the goods.

Sec. 8. That a carrier, in the absence of some lawful excuse, is
bound to deliver goods upon a demand made either by the con-
signee named in the bill for the goods or, if the bill is an order bill,
by the holder thereof, if such a demand is accompanied by—
(a) An offer in good faith to satisfy the carrier's lawful lien upon
the goods;
(b) Possession of the bill of lading and an offer in good faith to
surrender, properly indorsed, the bill which was issued for the
goods, if the bill is an order bill; and
(c) A readiness and willingness to sign, when the goods are de-
ivered, an acknowledgment that they have been delivered, if such
signature is requested by the carrier.

In case the carrier refuses or fails to deliver the goods, in com-
pliance with a demand by the consignee or holder so accompanied,
the burden shall be upon the carrier to establish the existence of a
lawful excuse for such refusal or failure.

Sec. 9. That a carrier is justified, subject to the provisions of the
three following sections, in delivering goods to one who is—
(a) A person lawfully entitled to the possession of the goods, or
(b) The consignee named in a straight bill for the goods, or
(c) A person in possession of an order bill for the goods, by the
terms of which the goods are deliverable to his order; or which has
been indorsed to him, or in blank by the consignee, or by the mediate
or immediate indorsee of the consignee.

Sec. 10. That where a carrier delivers goods to one who is not
lawfully entitled to the possession of them, the carrier shall be liable
to anyone having a right of property or possession in the goods if he
delivered the goods otherwise than as authorized by subdivisions (b)
and (c) of the preceding section; and, though he delivered the goods
as authorized by either of said subdivisions, he shall be so liable if
prior to such delivery he—
(a) Had been requested, by or on behalf of a person having a right
of property or possession in the goods, not to make such delivery, or
(b) Had information at the time of the delivery that it was to a
person not lawfully entitled to the possession of the goods.

Such request or information, to be effective within the meaning of
this section, must be given to an officer or agent of the carrier, the
actual or apparent scope of whose duties includes action upon such a
request or information, and must be given in time to enable the officer
or agent to whom it is given, acting with reasonable diligence, to stop
delivery of the goods.

Sec. 11. That except as provided in section twenty-six, and except
when compelled by legal process, if a carrier delivers goods for which
an order bill had been issued, the negotiation of which would transfer
the right to the possession of the goods, and fails to take up and
cancel the bill, such carrier shall be liable for failure to deliver the
goods to anyone who for value and in good faith purchases such bill,
whether such purchaser acquired title to the bill before or after the
delivery of the goods by the carrier and notwithstanding delivery
was made to the person entitled thereto.

Sec. 12. That except as provided in section twenty-six, and except
when compelled by legal process, if a carrier delivers part of the goods
for which an order bill had been issued and fails either—
(a) To take up and cancel the bill, or
(b) To place plainly upon it a statement that a portion of the goods
has been delivered with a description which may be in general terms
either of the goods or packages that have been so delivered or of the
goods or packages which still remain in the carrier’s possession, he
shall be liable for failure to deliver all the goods specified in the bill
to anyone who for value and in good faith purchases it, whether such
purchaser acquired title to it before or after the delivery of any por-
tion of the goods by the carrier, and notwithstanding such delivery
was made to the person entitled thereto.

Sec. 13. That any alteration, addition, or erasure in a bill after its
issue without authority from the carrier issuing the same, either in
writing or noted on the bill, shall be void, whatever be the nature
and purpose of the change, and the bill shall be enforceable according
to its original tenor.

Sec. 14. That where an order bill has been lost, stolen, or destroyed
a court of competent jurisdiction may order the delivery of the goods
upon satisfactory proof of such loss, theft, or destruction and upon
the giving of a bond, with sufficient surety, to be approved by the
court, to protect the carrier or any person injured by such delivery
from any liability or loss incurred by reason of the original bill
remaining outstanding. The court may also in its discretion order
the payment of the carrier's reasonable costs and counsel fees: Provided, a voluntary indemnifying bond without order of court shall be binding on the parties thereto.

The delivery of the goods under an order of the court, as provided in this section, shall not relieve the carrier from liability to a person to whom the order bill has been or shall be negotiated for value without notice of the proceedings or of the delivery of the goods.

Sec. 15. That a bill, upon the face of which the word "duplicate," or some other word or words indicating that the document is not an original bill is placed, plainly shall impose upon the carrier issuing the same the liability of one who represents and warrants that such bill is an accurate copy of an original bill properly issued, but no other liability.

Sec. 16. That no title to goods or right to their possession asserted by a carrier for his own benefit shall excuse him from liability for refusing to deliver the goods according to the terms of a bill issued for them, unless such title or right is derived directly or indirectly from a transfer made by the consignor or consignee after the shipment, or from the carrier's lien.

Sec. 17. That if more than one person claim the title or possession of goods, the carrier may require all known claimants to interplead, either as a defense to an action brought against him for nondelivery of the goods or as an original suit, whichever is appropriate.

Sec. 18. That if some one other than the consignee or the person in possession of the bill has a claim to the title or possession of the goods, and the carrier has information of such claim, the carrier shall be excused from liability for refusing to deliver the goods, either to the consignee or person in possession of the bill or to the adverse claimant, until the carrier has had a reasonable time to ascertain the validity of the adverse claim or to bring legal proceedings to compel all claimants to interplead.

Sec. 19. That except as provided in the two preceding sections and in section nine, no right or title of a third person, unless enforced by legal process, shall be a defense to an action brought by the consignee of a straight bill or by the holder of an order bill against the carrier for failure to deliver the goods on demand.

Sec. 20. That when goods are loaded by a carrier such carrier shall count the packages of goods, if package freight, and ascertain the kind and quantity if bulk freight, and such carrier shall, in such cases, insert in the bill of lading or in any notice, receipt, contract, rule, regulation, or tariff, "Shipper's weight, load, and count," or other words of like purport, indicating that the goods were loaded by the shipper and the description of them made by him or in case of bulk freight and freight not concealed by packages the description made by him. If so inserted, contrary to the provisions of this section, said words shall be treated as null and void and as if not inserted therein.

Sec. 21. That when package freight or bulk freight is loaded by a shipper and the goods are described in a bill of lading merely by a statement of marks or labels upon them or upon packages containing them, or by a statement that the goods are said to be goods of a certain kind or quantity, or in a certain condition, or it is stated in the bill of lading that packages are said to contain goods of a certain kind or quantity or in a certain condition, or that the contents or condition of the contents of packages are unknown, or words of like purport are contained in the bill of lading, such statements, if true, shall not make liable the carrier issuing the bill of lading, although the goods are not of the kind or quantity or in the condition which the marks or labels upon them indicate, or of the kind or quantity or in the condition they were said to be by the consignor. The carrier may also by inserting in the bill of lading the words "Shipper's weight, load, and count."
weight, load, and count,” or other words of like purport indicate that
the goods were loaded by the shipper and the description of them
made by him; and if such statement be true, the carrier shall not be
liable for damages caused by the improper loading or by the non-
receipt or by the misdescription of the goods described in the bill of
lading: Provided, however, Where the shipper of bulk freight installs
and maintains adequate facilities for weighing such freight, and the
same are available to the carrier, then the carrier, upon written
request of such shipper and when given a reasonable opportunity so to
do, shall ascertain the kind and quantity of bulk freight within a
reasonable time after such written request, and the carriers shall not in
such cases insert in the bill of lading the words “Shipper’s weight,”
or other words of like purport, and if so inserted contrary to the pro-
visions of this section, said words shall be treated as null and void
and as if not inserted therein.

SEC. 22. That if a bill of lading has been issued by a carrier or on his
behalf by an agent or employee the scope of whose actual or apparent
authority includes the receiving of goods and issuing bills of lading
therefor for transportation in commerce among the several States
and with foreign nations, the carrier shall be liable to (a) the owner
of goods covered by a straight bill subject to existing right of stop-
page in transitu or (b) the holder of an order bill, who has given
value in good faith, relying upon the description therein of the goods,
for damages caused by the nonreceipt by the carrier of all or part of
the goods or their failure to correspond with the description thereof in
the bill at the time of its issue.

SEC. 23. That if goods are delivered to a carrier by the owner or by
a person whose act in conveying the title to them to a purchaser for
value in good faith would bind the owner, and an order bill is issued
for them, they can not thereafter, while in the possession of the carrier,
be attached by garnishment or otherwise or be levied upon under an
execution unless the bill be first surrendered to the carrier or its nego-
tiation enjoined. The carrier shall in no such case be compelled to
deliver the actual possession of the goods until the bill is surrendered
to him or impounded by the court.

SEC. 24. That a creditor whose debtor is the owner of an order
creditors.
bill shall be entitled to such aid from courts of appropriate jurisdic-
tion by injunction and otherwise in attaching such bill or in satisfying
the claim by means thereof as is allowed at law or in equity in regard
to property which can not readily be attached or levied upon by
ordinary legal process.

SEC. 25. That if an order bill is issued the carrier shall have a lien
on the goods therein mentioned for all charges on those goods
for freight, storage, demurrage and terminal charges, and expenses
necessary for the preservation of the goods or incident to their trans-
portation subsequent to the date of the bill and all other charges
incurred in transportation and delivery, unless the bill expressly
enumerates other charges for which a lien is claimed. In such case
there shall also be a lien for the charges enumerated so far as they
are allowed by law and the contract between the consignor and
the carrier.

SEC. 26. That after goods have been lawfully sold to satisfy a
carrier’s lien, or because they have not been claimed, or because they
are perishable or hazardous, the carrier shall not thereafter be liable
for failure to deliver the goods themselves to the consignee or owner
of the goods, or to a holder of the bill given for the goods when they
were shipped, even if such bill be an order bill.

SEC. 27. That an order bill may be negotiated by delivery where,
by the terms of the bill, the carrier undertakes to deliver the goods
to the order of a specified person, and such person or a subsequent
indorsee of the bill has indorsed it in blank.
SEC. 28. That an order bill may be negotiated by the indorsement of the person to whose order the goods are deliverable by the tenor of the bill. Such indorsement may be in blank or to a specified person. If indorsed to a specified person, it may be negotiated again by the indorsement of such person in blank or to another specified person. Subsequent negotiation may be made in like manner.

SEC. 29. That a bill may be transferred by the holder by delivery, accompanied with an agreement, express or implied, to transfer the title to the bill or to the goods represented thereby. A straight bill can not be negotiated free from existing equities, and the indorsement of such a bill gives the transferee no additional right.

SEC. 30. That an order bill may be negotiated by any person in possession of the same, however such possession may have been acquired, if by the terms of the bill the carrier undertakes to deliver the goods to the order of such person, or if at the time of negotiation the bill is in such form that it may be negotiated by delivery.

SEC. 31. That a person to whom an order bill has been duly negotiated acquires thereby—
(a) Such title to the goods as the person negotiating the bill to him had or had ability to convey to a purchaser in good faith for value, and also such title to the goods as the consignee and consignor had or had power to convey to a purchaser in good faith for value; and
(b) The direct obligation of the carrier to hold possession of the goods for him according to the terms of the bill as fully as if the carrier had contracted directly with him.

SEC. 32. That a person to whom a bill has been transferred, but not negotiated, acquires thereby as against the transferor the title to the goods, subject to the terms of any agreement with the transferor. If the bill is a straight bill such person also acquires the right to notify the carrier of the transfer to him of such bill and thereby to become the direct obligee of whatever obligations the carrier owed to the transferor of the bill immediately before the notification.

Prior to the notification of the carrier by the transferor or transferee of a straight bill the title of the transferee to the goods and the right to acquire the obligation of the carrier may be defeated by garnishment or by attachment or execution upon the goods by a creditor of the transferor, or by a notification to the carrier by the transferor or a subsequent purchaser from the transferor of a subsequent sale of the goods by the transferor.

A carrier has not received notification within the meaning of this section unless an officer or agent of the carrier, the actual or apparent scope of whose duties includes action upon such a notification, has been notified; and no notification shall be effective until the officer or agent to whom it is given has had time, with the exercise of reasonable diligence, to communicate with the agent or agents having actual possession or control of the goods.

SEC. 33. That where an order bill is transferred for value by delivery, and the indorsement of the transferor is essential for negotiation, the transferee acquires a right against the transferor to compel him to indorse the bill, unless a contrary intention appears. The negotiation shall take effect as of the time when the indorsement is actually made. This obligation may be specifically enforced.

SEC. 34. That a person who negotiates or transfers for value a bill by indorsement or delivery, unless a contrary intention appears, warrants—
(a) That the bill is genuine;
(b) That he has a legal right to transfer it;
(c) That he has knowledge of no fact which would impair the validity or worth of the bill;
(d) That he has a right to transfer the title to the goods, and that the goods are merchantable or fit for a particular purpose whenever
sue warranties would have been implied if the contract of the parties
had been to transfer without a bill the goods represented thereby.

Sec. 35. That the indorsement of a bill shall not make the indorser
liable for any failure on the part of the carrier or previous indorsers
of the bill to fulfill their respective obligations.

Sec. 36. That a mortgagee or pledgee or other holder of a bill for
security who in good faith demands or receives payment of the debt
for which such bill is security, whether from a party to a draft drawn
for such debt or from any other person, shall not be deemed by so
doing to represent or warrant the genuineness of such bill or the quan-
tity or quality of the goods therein described.

Sec. 37. That the validity of the negotiation of a bill is not im-
paired by the fact that such negotiation was a breach of duty on the
part of the person making the negotiation, or by the fact that the
owner of the bill was deprived of the possession of the same by fraud,
accident, mistake, duress, loss, theft, or conversion, if the person to
whom the bill was negotiated, or a person to whom the bill was sub-
sequently negotiated, gave value therefor in good faith, without
notice of the breach of duty, or fraud, accident, mistake, duress, loss,
thief, or conversion.

Sec. 38. That where a person, having sold, mortgaged, or pledged
goods which are in a carrier's possession and for which an order bill
has been issued, or having sold, mortgaged, or pledged the order bill
representing such goods, continues in possession of the order bill, the
subsequent negotiation thereof by that person under any sale, pledge,
or other disposition thereof to any person receiving the same in good
faith, for value and without notice of the previous sale, shall have
the same effect as if the first purchaser of the goods or bill had ex-
pressly authorized the subsequent negotiation.

Sec. 39. That where an order bill has been issued for goods no
seller's lien or right of stoppage in transitu shall defeat the rights of
any purchaser for value in good faith to whom such bill has been
negotiated, whether such negotiation be prior or subsequent to the
notification to the carrier who issued such bill of the seller's claim to
a lien or right of stoppage in transitu. Nor shall the carrier be
obliged to deliver or justified in delivering the goods to an unpaid
seller unless such bill is first surrendered for cancellation.

Sec. 40. That, except as provided in section thirty-nine, nothing
in this Act shall limit the rights and remedies of a mortgagee or lien
holder whose mortgage or lien on goods would be valid, apart from
this Act, as against one who for value and in good faith purchased
from the owner, immediately prior to the time of their delivery to the
carrier, the goods which are subject to the mortgage or lien and
obtained possession of them.

Sec. 41. That any person who, knowingly or with intent to defraud,
false makes, alters, forges, counterfeits, prints or photographs any
bill of lading purporting to represent goods received for shipment
among the several States or with foreign nations, or with like intent
utters or publishes as true and genuine any such falsely altered, forged,
counterfeited, falsely printed or photographed bill of lading, knowing
it to be falsely altered, forged, counterfeited, falsely printed or photo-
ographed, or aids in making, altering, forging, counterfeiting, printing
or photographing, or uttering or publishing the same, or issues or aids
in issuing or procuring the issue of, or negotiates or transfers for value
a bill which contains a false statement as to the receipt of the goods,
or as to any other matter, or who, with intent to defraud, violates,
of fails to comply with, or aids in any violation of, or failure to comply
with any provision of this Act, shall be guilty of a misdemeanor, and,
upon conviction, shall be punished for each offense by imprisonment
not exceeding five years, or by a fine not exceeding $5,000, or both,
SEC. 42. First. That in this Act, unless the context of subject matter otherwise requires—
“Action” includes counterclaim, set-off, and suit in equity.
“Bill” means bill of lading governed by this Act.
“Consignee” means the person named in the bill as the person to whom delivery of the goods is to be made.
“Consignor” means the person named in the bill as the person from whom the goods have been received for shipment.
“Goods” means merchandise or chattels in course of transportation or which have been or are about to be transported.
“Holder” of a bill means a person who has both actual possession of such bill and a right of property therein.
“Order” means an order by indorsement on the bill.
“Person” includes a corporation or partnership, or two or more persons having a joint or common interest.
To “purchase” includes to take as mortgagee and to take as pledgee.
“State” includes any Territory, District, insular possession, or isthmian possession.

Sec. 43. That the provisions of this Act do not apply to bills made and delivered prior to the taking effect thereof.
