AN ACT

To authorize the Secretary of the Interior to construct, operate, and maintain the Manson unit, Chelan division, Chief Joseph Dam project, Washington, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, for the purposes of supplying irrigation water for approximately five thousand eight hundred acres of land, undertaking the rehabilitation and betterment of works serving a major portion of these lands, conservation and development of fish and wildlife resources, and enhancement of recreation opportunities, the Secretary of the Interior is authorized to construct, operate, and maintain the Manson unit, Chelan division, Chief Joseph Dam project, Washington, in accordance with the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto). The principal works of the unit shall consist of dams and related works for enlargement of Antilon Lake storage, related canals, conduits, and distribution systems, and works incidental to the rehabilitation of the existing irrigation system.

Sec. 2. Irrigation repayment contracts shall provide for repayment of the obligation assumed thereunder with respect to any contract unit over a period of not more than fifty years exclusive of any development period authorized by law. Construction costs allocated to irrigation beyond the ability of the irrigators to repay during the repayment period shall be returned to the reclamation fund within said repayment period from revenues derived by the Secretary from the disposition of power marketed through the Bonneville Power Administration. The term "construction costs," as used herein, shall include any irrigation operation, maintenance, and replacement costs during the development period which the Secretary finds it proper to fund because they are beyond the ability of the irrigators to pay during that period. Power and energy required for irrigation water pumping for the Manson unit shall be made available by the Secretary from the Federal Columbia River power system at charges determined by the Secretary.

Sec. 3. The conservation and development of the fish and wildlife resources and the enhancement of recreation opportunities in connection with the Manson unit shall be in accordance with provisions of the Federal Water Project Recreation Act (79 Stat. 218).

Sec. 4. For a period of ten years from the date of enactment of this Act, no water shall be delivered to any water user on the Manson unit,
Chelan division, for the production on newly irrigated lands of any basic agricultural commodity, as defined in the Agricultural Act of 1949, or any amendment thereof, if the total supply of such commodity for the marketing year in which the bulk of the crop would normally be marketed is in excess of the normal supply as defined in section 301(b)(10) of the Agricultural Adjustment Act of 1938, as amended, unless the Secretary of Agriculture calls for an increase in production of such commodity in the interest of national security.

Sec. 5. There are hereby authorized to be appropriated for construction of the new works involved in the Manson unit, $13,344,000 (April 1965 prices), plus or minus such amounts, if any, as may be required by reason of changes in the cost of construction work of the types involved therein as shown by engineering cost indexes and, in addition thereto, such sums as may be required to operate and maintain said unit.

AN ACT

To provide that the Secretary of Agriculture shall conduct the soil survey program of the United States Department of Agriculture so as to make available soil surveys needed by States and other public agencies, including community development districts, for guidance in community planning and resource development, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in recognition of the increasing need for soil surveys by the States and other public agencies in connection with community planning and resource development for protecting and improving the quality of the environment, meeting recreational needs, conserving land and water resources, providing for multiple uses of such resources, and controlling and reducing pollution from sediment and other pollutants in areas of rapidly changing uses, including farmlands being shifted to other uses, resulting from rapid expansions in the uses of land for industry, housing, transportation, recreation, and related services, it is the sense of Congress that the soil survey program of the United States Department of Agriculture should be conducted so as to make available soil surveys to meet such needs of the States and other public agencies in connection with community planning and resource development.

Sec. 2. In order to provide soil surveys to assist States, their political subdivisions, soil and water conservation districts, towns, cities, planning boards and commissions, community development districts, and other public agencies in community planning and resource development for the protection and improvement of the quality of the environment, recreational development, the conservation of land and water resources, the development of multiple uses of such resources, and the control and prevention of pollution from sediment and other pollutants in areas of rapidly changing uses, including farm and nonfarm areas, the Secretary of Agriculture shall, upon the request of a State or other public agency, provide by means of such cooperative arrangements with the State or other public agency as he may deem advisable, the following assistance with respect to such areas and purposes:

1. the making of studies and reports necessary for the classification and interpretation of kinds of soil;
2. an intensification of the use and benefits of the National Cooperative Soil Survey;
3. the furnishing of technical and other assistance needed for use of soil surveys; and
4. consultation with other Federal agencies participating or assisting in the planning and development of such areas in order to assure the coordination of the work under this Act with the related work of such other agencies.

The provision by the Secretary of such assistance shall not interfere with the furnishing of engineering services by private engineering firms or consultants for on-site sampling and testing of sites or for design and construction of specific engineering works.

Sec. 3. It is further the sense of the Congress that the Secretary shall make a reasonable effort to assure that the contributions of any State or other public agency under any cooperative agreement which may be entered into between the Secretary and such State or other public agency with respect to a soil survey shall be a substantial portion of the cost of such soil survey.

Sec. 4. There are hereby authorized to be appropriated such sums as may be necessary to carry out the purposes of this Act, such sums to remain available until expended.

SEC. 4. The Secretary, pursuant to the authority contained in sections 2 and 3 of this Act, shall submit to the Committees on Interior and Insular Affairs of the Senate and House of Representatives within one year after completion of the final feasibility plan those studies of proposals determined to be feasible, with whatever alternate studies that may have been developed for the construction, operation, and maintenance of each water resource project or proposal in all instances where practical alternatives are known to the Secretary. The Secretary shall provide all the data and information developed on short-term and long-term benefits and costs necessary for the comprehensive and integrated development of each water resource project or proposal, including any and all factors directly, indirectly, ancillary, and/or incidental to the comprehensive development of each water resource project or proposal.

SEC. 5. The Secretary may accelerate feasibility studies authorized by law when and to the extent that the costs of such studies shall have been advanced by non-Federal sources.

SEC. 6. Section 2 of the Act entitled "An Act to authorize the Secretary of the Interior to construct, operate, and maintain a third power-plant at the Grand Coulee Dam, Columbia Basin project, Washington, and for other purposes", approved June 14, 1966 (80 Stat. 200) is amended—

(1) by inserting "(a)" after "SEC. 2";
(2) by striking out "That" at the beginning of the third sentence and inserting in lieu thereof "Subject to the provisions of subsection (b) of this section, that"; and
(3) by inserting at the end of such section two new subsections as follows:

"It is declared to be the policy of the Congress that reclamation projects hereafter authorized in the Pacific Northwest to receive financial assistance from the Federal Columbia River power system shall receive such assistance only from the net revenues of that system as provided in this subsection, and that their construction shall be so scheduled that such assistance, together with similar assistance for previously authorized reclamation projects (including projects not now receiving such assistance for which the Congress may hereafter authorize financial assistance) will not cause increases in the rates and charges of the Bonneville Power Administration. It is further declared to be the policy of the Congress that the total assistance to all irrigation projects, both existing and future, in the Pacific Northwest shall not average more than $30,000,000 annually in any period of twenty consecutive years. Any analyses and studies authorized by the Congress for reclamation projects in the Pacific Northwest shall be prepared in accordance with the provisions of this section. As used in this section, the term "net revenues" means revenues as determined from time to time which are not required for the repayment of (1) all costs allocated to power at projects in the Pacific Northwest then existing or authorized, including the cost of acquiring power by purchase
or exchange, and (2) presently authorized assistance from power to irrigation at projects in the Pacific Northwest existing and authorized prior to the date of enactment of this subsection.

"(c) On December 20, 1974, and thereafter at intervals coinciding with anniversary dates of Federal Power Commission general review of the rates and charges of the Bonneville Power Administration, the Secretary of the Interior shall recommend to the Congress any changes in the dollar limitations herein placed upon financial assistance to Pacific Northwest reclamation projects that he believes justified by changes in the cost-price levels existing on July 1, 1966, or by other relevant changes of circumstances."

AN ACT

To provide for a coordinated national safety program and establishment of safety standards for motor vehicles in interstate commerce to reduce accidents involving motor vehicles and to reduce the deaths and injuries occurring in such accidents.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That Congress hereby declares that the purpose of this Act is to reduce traffic accidents and deaths and injuries to persons resulting from traffic accidents. Therefore, Congress determines that it is necessary to establish motor vehicle safety standards for motor vehicles and equipment in interstate commerce; to undertake and support necessary safety research and development; and to expand the national driver register.

TITLE I—MOTOR VEHICLE SAFETY STANDARDS

Short title. Sec. 101. This Act may be cited as the "National Traffic and Motor Vehicle Safety Act of 1966".

Definitions. Sec. 102. As used in this title—

1. "Motor vehicle safety" means the performance of motor vehicles or motor vehicle equipment in such a manner that the public is protected against unreasonable risk of accidents occurring as a result of the design, construction or performance of motor vehicles and is also protected against unreasonable risk of death or injury to persons in the event accidents do occur, and includes nonoperational safety of such vehicles.

2. "Motor vehicle safety standards" means a minimum standard for motor vehicle performance, or motor vehicle equipment performance, which is practicable, which meets the need for motor vehicle safety and which provides objective criteria.

3. "Motor vehicle" means any vehicle driven or drawn by mechanical power manufactured primarily for use on the public streets, roads, and highways, except any vehicle operated exclusively on a rail or rails.

4. "Motor vehicle equipment" means any system, part, or component of a motor vehicle as originally manufactured or any similar part or component manufactured or sold for replacement or improvement of such system, part, or component or as an accessory, or addition to the motor vehicle.

5. "Manufacturer" means any person engaged in the manufacturing or assembling of motor vehicles or motor vehicle equipment, including any person importing motor vehicles or motor vehicle equipment for resale.

6. "Distributor" means any person primarily engaged in the sale and distribution of motor vehicles or motor vehicle equipment for resale.

7. "Dealer" means any person who is engaged in the sale and distribution of new motor vehicles or motor vehicle equipment primarily to purchasers who in good faith purchase any such vehicle or equipment for purposes other than resale.

8. "State" includes each of the several States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, the Canal Zone, and American Samoa.

9. "Interstate commerce" means commerce between any place in a State and any place in another State, or between places in the same State through another State.

10. "Secretary" means Secretary of Commerce.
(11) "Defect" includes any defect in performance, construction, components, or materials in motor vehicles or motor vehicle equipment.

(12) "United States district courts" means the Federal district courts of the United States and the United States courts of the Commonwealth of Puerto Rico, Guam, the Virgin Islands, the Canal Zone, and American Samoa.

(13) "Vehicle Equipment Safety Commission" means the Commission established pursuant to the joint resolution of the Congress relating to highway traffic safety, approved August 20, 1958 (72 Stat. 635), or as it may be hereafter reconstituted by law.

SEC. 103. (a) The Secretary shall establish by order appropriate Federal motor vehicle safety standards. Each such Federal motor vehicle safety standard shall be practicable, shall meet the need for motor vehicle safety, and shall be stated in objective terms.

(b) The Administrative Procedure Act shall apply to all orders establishing, amending, or revoking a Federal motor vehicle safety standard under this title.

(c) Each order establishing a Federal motor vehicle safety standard shall specify the date such standard is to take effect which shall not be sooner than one hundred and eighty days or later than one year from the date such order is issued, unless the Secretary finds, for good cause shown, that an earlier or later effective date is in the public interest, and publishes his reasons for such finding.

(d) Whenever a Federal motor vehicle safety standard established under this title is in effect, no State or political subdivision of a State shall have any authority either to establish, or to continue in effect, with respect to any motor vehicle or item of motor vehicle equipment any safety standard applicable to the same aspect of performance of such vehicle or item of equipment which is not identical to the Federal standard. Nothing in this section shall be construed to prevent the Federal Government or the government of any State or political subdivision thereof from establishing a safety requirement applicable to motor vehicles or motor vehicle equipment procured for its own use if such requirement imposes a higher standard of performance than that required to comply with the otherwise applicable Federal standard.

(e) The Secretary may by order amend or revoke any Federal motor vehicle safety standard established under this section. Such order shall specify the date on which such amendment or revocation is to take effect which shall not be sooner than one hundred and eighty days or later than one year from the date the order is issued, unless the Secretary finds, for good cause shown, that an earlier or later effective date is in the public interest, and publishes his reasons for such finding.

(f) In prescribing standards under this section, the Secretary shall—

(1) consider relevant available motor vehicle safety data, including the results of research, development, testing and evaluation activities conducted pursuant to this Act;

(2) consult with the Vehicle Equipment Safety Commission, and such other State or interstate agencies (including legislative committees) as he deems appropriate;

(3) consider whether any such proposed standard is reasonable, practicable and appropriate for the particular type of motor vehicle or item of motor vehicle equipment for which it is prescribed; and

(4) consider the extent to which such standards will contribute to carrying out the purposes of this Act.
(g) In prescribing safety regulations covering motor vehicles subject to part II of the Interstate Commerce Act, as amended (49 U.S.C. 301 et seq.), or the Transportation of Explosives Act, as amended (18 U.S.C. 831-835), the Interstate Commerce Commission shall not adopt or continue in effect any safety regulation which differs from a motor vehicle safety standard issued by the Secretary under this title, except that nothing in this subsection shall be deemed to prohibit the Interstate Commerce Commission from prescribing for any motor vehicle operated by a carrier subject to regulation under either or both of such Acts, a safety regulation which imposes a higher standard of performance subsequent to its manufacture than that required to comply with the applicable Federal standard at the time of manufacture.

(h) The Secretary shall issue initial Federal motor vehicle safety standards based upon existing safety standards on or before January 31, 1967. On or before January 31, 1968, the Secretary shall issue new and revised Federal motor vehicle safety standards under this title.

Sec. 104. (a) The Secretary shall establish a National Motor Vehicle Safety Advisory Council, a majority of which shall be representatives of the general public, including representatives of State and local governments, and the remainder shall include representatives of motor vehicle manufacturers, motor vehicle equipment manufacturers, and motor vehicle dealers.

(b) The Secretary shall consult with the Advisory Council on motor vehicle safety standards under this Act.

(c) Members of the National Motor Vehicle Safety Advisory Council may be compensated at a rate not to exceed $100 per diem (including travel time) when engaged in the actual duties of the Advisory Council. Such members, while away from their homes or regular places of business, may be allowed travel expenses, including per diem in lieu of subsistence as authorized by section 5 of the Administrative Expenses Act of 1946 (5 U.S.C. 73b-2), for persons in the Government service employed intermittently. Payments under this section shall not render members of the Advisory Council employees or officials of the United States for any purpose.

Sec. 105. (a) (1) In a case of actual controversy as to the validity of any order under section 103, any person who will be adversely affected by such order when it is effective may at any time prior to the sixtieth day after such order is issued file a petition with the United States court of appeals for the circuit wherein such person resides or has his principal place of business, for a judicial review of such order. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary or other officer designated by him for that purpose. The Secretary thereupon shall file in the court the record of the proceedings on which the Secretary based his order, as provided in section 2112 of title 28 of the United States Code.

(2) If the petitioner applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the proceeding before the Secretary, the court may order such additional evidence (and evidence in rebuttal thereof) to be taken before the Secretary, and to be adduced upon the hearing, in such manner and upon such terms and conditions as to the court may seem proper. The Secretary may modify his findings as to the facts, or make new findings, by reason of the additional evidence so taken, and he shall file such modified or new findings, and his recommendation, if any, for the modification or setting aside of his original order, with the return of such additional evidence.
(3) Upon the filing of the petition referred to in paragraph (1) of this subsection, the court shall have jurisdiction to review the order in accordance with section 10 of the Administrative Procedure Act (5 U.S.C. 1009) and to grant appropriate relief as provided in such section.

(4) The judgment of the court affirming or setting aside, in whole or in part, any such order of the Secretary shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28 of the United States Code.

(5) Any action instituted under this subsection shall survive, notwithstanding any change in the person occupying the office of Secretary of any vacancy in such office.

(6) The remedies provided for in this subsection shall be in addition to and not in substitution for any other remedies provided by law.

(b) A certified copy of the transcript of the record and proceedings under this section shall be furnished by the Secretary to any interested party at his request, and payment of the costs thereof, and shall be admissible in any criminal, exclusion of imports, or other proceeding arising under or in respect of this title, irrespective of whether proceedings with respect to the order have previously been initiated or become final under subsection (a).

SEC. 106. (a) The Secretary shall conduct research, testing, development, and training necessary to carry out the purposes of this title, including, but not limited to—

(1) collecting data from any source for the purpose of determining the relationship between motor vehicle or motor vehicle equipment performance characteristics and (A) accidents involving motor vehicles, and (B) the occurrence of death, or personal injury resulting from such accidents;

(2) procuring (by negotiation or otherwise) experimental and other motor vehicles or motor vehicle equipment for research and testing purposes;

(3) selling or otherwise disposing of test motor vehicles and motor vehicle equipment and reimbursing the proceeds of such sale or disposal into the current appropriation available for the purpose of carrying out this title.

(b) The Secretary is authorized to conduct research, testing, development, and training as authorized to be carried out by subsection (a) of this section by making grants for the conduct of such research, testing, development, and training to States, interstate agencies, and nonprofit institutions.

(c) Whenever the Federal contribution for any research or development activity authorized by this Act encouraging motor vehicle safety is more than minimal, the Secretary shall include in any contract, grant, or other arrangement for such research or development activity, provisions effective to insure that all information, uses, processes, patents, and other developments resulting from that activity will be made freely and fully available to the general public. Nothing herein shall be construed to deprive the owner of any background patent of any right which he may have thereunder.

SEC. 107. The Secretary is authorized to advise, assist, and cooperate with, other Federal departments and agencies, and State and other interested public and private agencies, in the planning and development of—

(1) motor vehicle safety standards;

(2) methods for inspecting and testing to determine compliance with motor vehicle safety standards.
SEC. 108. (a) No person shall—

(1) manufacture for sale, sell, offer for sale, or introduce or deliver for introduction in interstate commerce, or import into the United States, any motor vehicle or item of motor vehicle equipment manufactured on or after the date any applicable Federal motor vehicle safety standard takes effect under this title unless it is in conformity with such standard except as provided in subsection (b) of this section;

(2) fail or refuse access to or copying of records, or fail to make reports or provide information, or fail or refuse to permit entry or inspection, as required under section 112;

(3) fail to issue a certificate required by section 114, or issue a certificate to the effect that a motor vehicle or item of motor vehicle equipment conforms to all applicable Federal motor vehicle safety standards, if such person in the exercise of due care has reason to know that such certificate is false or misleading in a material respect;

(4) fail to furnish notification of any defect as required by section 113.

(b) (1) Paragraph (1) of subsection (a) shall not apply to the sale, the offer for sale, or the introduction or delivery for introduction in interstate commerce of any motor vehicle or motor vehicle equipment after the first purchase of it in good faith for purposes other than resale. In order to assure a continuing and effective national traffic safety program, it is the policy of Congress to encourage and strengthen the enforcement of State inspection of used motor vehicles. Therefore to that end the Secretary shall conduct a thorough study and investigation to determine the adequacy of motor vehicle safety standards and motor vehicle inspection requirements and procedures applicable to used motor vehicles in each State, and the effect of programs authorized by this title upon such standards, requirements, and procedures for used motor vehicles, and report to Congress as soon as practicable but not later than one year after the date of enactment of this title, the results of such study, and recommendations for such additional legislation as he deems necessary to carry out the purposes of this Act. As soon as practicable after the submission of such report, but no later than one year from the date of submission of such report, the Secretary, after consultation with the Council and such interested public and private agencies and groups as he deems advisable, shall establish uniform Federal motor vehicle safety standards applicable to all used motor vehicles. Such standards shall be expressed in terms of motor vehicle safety performance. The Secretary is authorized to amend or revoke such standards pursuant to this Act.

(2) Paragraph (1) of subsection (a) shall not apply to any person who establishes that he did not have reason to know in the exercise of due care that such vehicle or item of motor vehicle equipment is not in conformity with applicable Federal motor vehicle safety standards, or to any person who, prior to such first purchase, holds a certificate issued by the manufacturer or importer of such motor vehicle or motor vehicle equipment, to the effect that such vehicle or equipment conforms to all applicable Federal motor vehicle safety standards, unless such person knows that such vehicle or equipment does not so conform.

(3) A motor vehicle or item of motor vehicle equipment offered for importation in violation of paragraph (1) of subsection (a) shall be refused admission into the United States under joint regulations issued by the Secretary of the Treasury and the Secretary; except that the Secretary of the Treasury and the Secretary may, by such regulations, provide for authorizing the importation of such motor vehicle or item.
of motor vehicle equipment into the United States upon such terms and conditions (including the furnishing of a bond) as may appear to them appropriate to insure that any such motor vehicle or item of motor vehicle equipment will be brought into conformity with any applicable Federal motor vehicle safety standard prescribed under this title, or will be exported or abandoned to the United States.

(4) The Secretary of the Treasury and the Secretary may, by joint regulations, permit the temporary importation of any motor vehicle or item of motor vehicle equipment after the first purchase of it in good faith for purposes other than resale.

(5) Paragraph (1) of subsection (a) shall not apply in the case of a motor vehicle or item of motor vehicle equipment intended solely for export, and so labeled or tagged on the vehicle or item itself and on the outside of the container, if any, which is exported.

(c) Compliance with any Federal motor vehicle safety standard issued under this title does not exempt any person from any liability under common law.

Sec. 109. (a) Whoever violates any provision of section 108, or any regulation issued thereunder, shall be subject to a civil penalty of not to exceed $1,000 for each such violation. Such violation of a provision of section 108, or regulations issued thereunder, shall constitute a separate violation with respect to each motor vehicle or item of motor vehicle equipment or with respect to each failure or refusal to allow or perform an act required thereby, except that the maximum civil penalty shall not exceed $400,000 for any related series of violations.

(b) Any such civil penalty may be compromised by the Secretary. In determining the amount of such penalty, or the amount agreed upon in compromise, the appropriateness of such penalty to the size of the business of the person charged and the gravity of the violation shall be considered. The amount of such penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the United States to the person charged.

Sec. 110. (a) The United States district courts shall have jurisdiction, for cause shown and subject to the provisions of rule 65 (a) and (b) of the Federal Rules of Civil Procedure, to restrain violations of this title, or to restrain the sale, offer for sale, or the introduction or delivery for introduction, in interstate commerce, or the importation into the United States, of any motor vehicle or item of motor vehicle equipment which is determined, prior to the first purchase of such vehicle in good faith for purposes other than resale, not to conform to applicable Federal motor vehicle safety standards prescribed pursuant to this title, upon petition by the appropriate United States attorney or the Attorney General on behalf of the United States. Whenever practicable, the Secretary shall give notice to any person against whom an action for injunctive relief is contemplated and afford him an opportunity to present his views, and, except in the case of a knowing and willful violation, shall afford him reasonable opportunity to achieve compliance. The failure to give such notice and afford such opportunity shall not preclude the granting of appropriate relief.

(b) In any proceeding for criminal contempt for violation of an injunction or restraining order issued under this section, which violation also constitutes a violation of this title, trial shall be by the court or, upon demand of the accused, by a jury. Such trial shall be conducted in accordance with the practice and procedure applicable in the case of proceedings subject to the provisions of rule 42 (b) of the Federal Rules of Criminal Procedure.

(d) In any actions brought under subsection (a) of this section and section 109(a) of this title, subpoenas for witnesses who are required to attend a United States district court may run into any other district.

(e) It shall be the duty of every manufacturer offering a motor vehicle or item of motor vehicle equipment for importation into the United States to designate in writing an agent upon whom service of all administrative and judicial processes, notices, orders, decisions and requirements may be made for and on behalf of said manufacturer, and to file such designation with the Secretary, which designation may from time to time be changed by like writing, similarly filed. Service of all administrative and judicial processes, notices, orders, decisions and requirements may be made upon said manufacturer by service upon such designated agent at his office or usual place of residence with like effect as if made personally upon said manufacturer, and in default of such designation of such agent, service of process, notice, order, requirement or decision in any proceeding before the Secretary or in any judicial proceeding for enforcement of this title or any standards prescribed pursuant to this title may be made by posting such process, notice, order, requirement or decision in the Office of the Secretary.

SEC. 111. (a) If any motor vehicle or item of motor vehicle equipment is determined not to conform to applicable Federal motor vehicle safety standards, or contains a defect which relates to motor vehicle safety, after the sale of such vehicle or item of equipment by a manufacturer or a distributor to a distributor or a dealer and prior to the sale of such vehicle or item of equipment by such distributor or dealer:  

(1) The manufacturer or distributor, as the case may be, shall immediately repurchase such vehicle or item of motor vehicle equipment from such distributor or dealer at the price paid by such distributor or dealer, plus all transportation charges involved and a reasonable reimbursement of not less than 1 per centum per month of such price paid prorated from the date of notice of such nonconformance to the date of repurchase by the manufacturer or distributor; or

(2) In the case of motor vehicles, the manufacturer or distributor, as the case may be, at his own expense, shall immediately furnish the purchasing distributor or dealer the required conforming part or parts or equipment for installation by the distributor or dealer on or in such vehicle and for the installation involved the manufacturer shall reimburse such distributor or dealer for the reasonable value of such installation plus a reasonable reimbursement of not less than 1 per centum per month of the manufacturer's or distributor's selling price prorated from the date of notice of such nonconformance to the date such vehicle is brought into conformance with applicable Federal standards:  
Provided, however, That the distributor or dealer proceeds with reasonable diligence with the installation after the required part, parts or equipment are received.

(b) In the event any manufacturer or distributor shall refuse to comply with the requirements of paragraphs (1) and (2) of subsection (a), then the distributor or dealer, as the case may be, to whom such nonconforming vehicle or equipment has been sold may bring suit against such manufacturer or distributor in any district court of the
United States in the district in which said manufacturer or distributor resides, or is found, or has an agent, without respect to the amount in controversy, and shall recover the damage by him sustained, as well as all court costs plus reasonable attorneys' fees. Any action brought pursuant to this section shall be forever barred unless commenced within three years after the cause of action shall have accrued.

(c) The value of such installations and such reasonable reimbursements as specified in subsection (a) of this section shall be fixed by mutual agreement of the parties, or failing such agreement, by the court pursuant to the provisions of subsection (b) of this section.

SEC. 112. (a) The Secretary is authorized to conduct such inspection and investigation as may be necessary to enforce Federal vehicle safety standards established under this title. He shall furnish the Attorney General and, when appropriate, the Secretary of the Treasury any information obtained indicating noncompliance with such standards, for appropriate action.

(b) For purposes of enforcement of this title, officers or employees duly designated by the Secretary, upon presenting appropriate credentials and a written notice to the owner, operator, or agent in charge, are authorized (1) to enter, at reasonable times, any factory, warehouse, or establishment in which motor vehicles or items of motor vehicle equipment are manufactured, or held for introduction into interstate commerce or are held for sale after such introduction; and (2) to inspect, at reasonable times and within reasonable limits and in a reasonable manner, such factory, warehouse, or establishment. Each such inspection shall be commenced and completed with reasonable promptness.

(c) Every manufacturer of motor vehicles and motor vehicle equipment shall establish and maintain such records, make such reports, and provide such information as the Secretary may reasonably require to enable him to determine whether such manufacturer has acted or is acting in compliance with this title and motor vehicle safety standards prescribed pursuant to this title and shall, upon request of an officer or employee duly designated by the Secretary, permit such officer or employee to inspect appropriate books, papers, records, and documents relevant to determining whether such manufacturer has acted or is acting in compliance with this title and motor vehicle safety standards prescribed pursuant to this title.

(d) Every manufacturer of motor vehicles and motor vehicle equipment shall provide to the Secretary such performance data and other technical data related to performance and safety as may be required to carry out the purposes of this Act. The Secretary is authorized to require the manufacturer to give such notification of such performance and technical data at the time of original purchase to the first person who purchases a motor vehicle or item of equipment for purposes other than resale, as he determines necessary to carry out the purposes of this Act.

(e) All information reported to or otherwise obtained by the Secretary or his representative pursuant to subsection (b) or (c) which information contains or relates to a trade secret or other matter referred to in section 1905 of title 18 of the United States Code, shall be considered confidential for the purpose of that section, except that such information may be disclosed to other officers or employees concerned with carrying out this title or when relevant in any proceeding under this title. (b) The notification required by subsection (a) shall be accomplished—

(1) by certified mail to the first purchaser (not including any dealer of such manufacturer) of the motor vehicle or motor vehicle equipment containing such a defect, and to any subsequent purchaser to whom has been transferred any warranty on such motor vehicle or motor vehicle equipment; and

(2) contains a defect which relates to motor vehicle safety; then he shall immediately notify the manufacturer of such motor vehicle or item of motor vehicle equipment of such defect or failure to comply. The notice shall contain the findings of the Secretary and shall include all information upon which the findings are based. The Secretary shall afford such manufacturer an opportunity to present his views and evidence in support thereof, to establish that there is no failure of compliance or that the alleged defect does not affect motor vehicle safety. If after such presentation by the manufacturer the Secretary determines that such vehicle or item of equipment does not comply with applicable Federal motor vehicle safety standards, or contains a defect which relates to motor vehicle safety, the Secretary shall direct the manufacturer to furnish the notification specified in subsection (c) of this section to the purchaser of such motor vehicle or item of motor vehicle equipment as provided in subsections (a) and (b) of this section.

Sec. 114. Every manufacturer or distributor of a motor vehicle or motor vehicle equipment shall furnish to the distributor or dealer at the time of delivery of such vehicle or equipment by such manufacturer or distributor the certification that each such vehicle or item of motor vehicle equipment conforms to all applicable Federal motor vehicle safety standards. In the case of an item of motor vehicle equipment
such certification may be in the form of a label or tag on such item or on the outside of a container in which such item is delivered. In the case of a motor vehicle such certification shall be in the form of a label or tag permanently affixed to such motor vehicle.

SEC. 117. (a) The Act entitled “An Act to provide that hydraulic brake fluid sold or shipped in commerce for use in motor vehicles shall meet certain specifications prescribed by the Secretary of Commerce”, approved September 5, 1962 (76 Stat. 437; Public Law 87-637), and the Act entitled “An Act to provide that seat belts sold or shipped in interstate commerce for use in motor vehicles shall meet certain safety standards”, approved December 13, 1963 (77 Stat. 361; Public Law 88-201), are hereby repealed.

of applicable Federal motor vehicle standards; (4) a summary of all 
current research grants and contracts together with a description of 
the problems to be considered by such grants and contracts; (5) an

the improvement of traffic safety and to strengthen the national traffic 
safety program.

Sec. 121. (a) There is authorized to be appropriated for the purpose

Sec. 201. In all standards for pneumatic tires established under 
title I of this Act, the Secretary shall require that tires subject thereto 
be permanently and conspicuously labeled with such safety information 
as he determines to be necessary to carry out the purposes of this 
Act. Such labeling shall include—

(1) suitable identification of the manufacturer, or in the case 
of a retreaded tire suitable identification of the retreader, unless 
the tire contains a brand name other than the name of the manu-
facturer in which case it shall also contain a code mark which 
would permit the seller of such tire to identify the manufacturer 
thereof to the purchaser upon his request.

(2) the composition of the material used in the ply of the tire.

(3) the actual number of plies in the tire.

(4) the maximum permissible load for the tire.

(5) a recital that the tire conforms to Federal minimum safe 
performance standards, except that in lieu of such recital the 
Secretary may prescribe an appropriate mark or symbol for use 
by those manufacturers or retreaders who comply with such 
standards.
The Secretary may require that additional safety related information be disclosed to the purchaser of a tire at the time of sale of the tire.

Sec. 202. In standards established under title I of this Act the Secretary shall require that each motor vehicle be equipped by the manufacturer or by the purchaser thereof at the time of the first purchase thereof in good faith for purposes other than resale with tires which meet the maximum permissible load standards when such vehicle is fully loaded with the maximum number of passengers it is designed to carry and a reasonable amount of luggage.

Sec. 203. In order to assist the consumer to make an informed choice in the purchase of motor vehicle tires, within two years after the enactment of this title, the Secretary shall, through standards established under title I of this Act, prescribe by order, and publish in the Federal Register, a uniform quality grading system for motor vehicle tires. Such order shall specify the date such system is to take effect which shall not be sooner than one hundred and eighty days or later than one year from the date such order is issued, unless the Secretary finds, for good cause shown, that an earlier or later effective date is in the public interest, and publishes his reasons for such finding. The Secretary shall also cooperate with industry and the Federal Trade Commission to the maximum extent practicable in efforts to eliminate deceptive and confusing tire nomenclature and marketing practices.

Sec. 204. (a) No person shall sell, offer for sale, or introduce for sale or deliver for introduction in interstate commerce, any tire or motor vehicle equipped with any tire which has been regrooved, except that the Secretary may by order permit the sale of regrooved tires and motor vehicles equipped with regrooved tires which he finds are designed and constructed in a manner consistent with the purposes of this Act.

(b) Violations of this section shall be subject to civil penalties and injunction in accordance with sections 109 and 110 of this Act.

(c) For the purposes of this section the term "regrooved tire" means a tire on which a new tread has been produced by cutting into the tread of a worn tire.

Sec. 205. In the event of any conflict between the requirements of orders or regulations issued by the Secretary under this title and title I of this Act applicable to motor vehicle tires and orders or administrative interpretations issued by the Federal Trade Commission, the provisions of orders or regulations issued by the Secretary shall prevail.

TITLE III—ACCIDENT AND INJURY RESEARCH AND TEST FACILITY

Sec. 301. The Secretary of Commerce is hereby authorized to make a complete investigation and study of the need for a facility or facilities to conduct research, development, and testing in traffic safety (including but not limited to motor vehicle and highway safety) authorized by law, and research, development, and testing relating to the safety of machinery used on highways or in connection with the maintenance of highways (with particular emphasis on tractor safety) as he deems appropriate and necessary.

Sec. 302. The Secretary shall report the results of his investigation and study to Congress not later than December 31, 1967. Such report shall include but not be limited to (1) an inventory of existing capabilities, equipment, and facilities, either publicly or privately owned or operated, which could be made available for use by the Secretary in carrying out the safety research, development, and testing referred to
in section 301, (2) recommendations as to the site or sites for any recommended facility or facilities, (3) preliminary plans, specifications, and drawings for such recommended facility or facilities (including major research, development, and testing equipment), and (4) the estimated cost of the recommended sites, facilities, and equipment.

Sec. 303. There is hereby authorized to be appropriated not to exceed $3,000,000 for the investigation, study, and report authorized by this title. Any funds so appropriated shall remain available until expended.

TITLE IV—NATIONAL DRIVER REGISTER

Sec. 401. The Act entitled “An Act to provide for a register in the Department of Commerce in which shall be listed the names of certain persons who have had their motor vehicle operator’s licenses revoked”, approved July 14, 1960, as amended (74 Stat. 526; 23 U.S.C. 313 note), is hereby amended to read as follows: “That the Secretary of Commerce shall establish and maintain a register identifying each individual reported to him by a State, or political subdivision thereof, as an individual with respect to whom such State or political subdivision has denied, terminated, or temporarily withdrawn (except a withdrawal for less than six months based on a series of nonmoving violations) an individual’s license or privilege to operate a motor vehicle.

“Sec. 2. Only at the request of a State, a political subdivision thereof, or a Federal department or agency, shall the Secretary furnish information contained in the register established under the first section of this Act, and such information shall be furnished only to the requesting party and only with respect to an individual applicant for a motor vehicle operator’s license or permit.

AN ACT

To provide for a coordinated national highway safety program through financial assistance to the States to accelerate highway traffic safety programs, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I—HIGHWAY SAFETY

Sec. 101. Title 23, United States Code, is hereby amended by adding at the end thereof a new chapter:

"Chapter 4.—HIGHWAY SAFETY

"Sec. 401. Authority of the Secretary.
"Sec. 402. Highway safety programs.
"Sec. 403. Highway safety research and development.

"§ 401. Authority of the Secretary

"The Secretary is authorized and directed to assist and cooperate with other Federal departments and agencies, State and local governments, private industry, and other interested parties, to increase highway safety.

"§ 402. Highway safety programs

"(a) Each State shall have a highway safety program approved by the Secretary, designed to reduce traffic accidents and deaths, injuries, and property damage resulting therefrom. Such programs shall be in accordance with uniform standards promulgated by the Secretary. Such uniform standards shall be expressed in terms of performance criteria. Such uniform standards shall be promulgated by the Secretary so as to improve driver performance (including, but not limited to, driver education, driver testing to determine proficiency to operate motor vehicles, driver examinations (both physical and mental) and driver licensing) and to improve pedestrian performance. In addition such uniform standards shall include, but not be limited to, provisions for an effective record system of accidents (including injuries and deaths resulting therefrom), accident investigations to determine the probable causes of accidents, injuries, and deaths, vehicle registration, operation, and inspection, highway design and maintenance (including lighting, markings, and surface treatment), traffic control, vehicle codes and laws, surveillance of traffic for detection and correction of high or potentially high accident locations, and emergency services. Such standards as are applicable to State highway safety programs shall, to the extent determined appropriate by the Secretary, be applicable to federally administered areas where a Federal department or agency controls the highways or supervises traffic operations. The Secretary shall be authorized to amend or waive standards on a temporary basis for the purpose of evaluating new or different highway safety programs instituted on an experimental, pilot, or demonstration basis by one or more States, where the Secretary finds that the public interest would be served by such amendment or waiver.

"(b) (1) The Secretary shall not approve any State highway safety program under this section which does not—

"(A) provide that the Governor of the State shall be responsible for the administration of the program,

"(B) authorize political subdivisions of such State to carry out local highway safety programs within their jurisdictions as a
Use of funds.

part of the State highway safety program if such local highway safety programs are approved by the Governor and are in accordance with the uniform standards of the Secretary promulgated under this section.

“(C) provide that at least 40 per centum of all Federal funds apportioned under this section to such State for any fiscal year will be expended by the political subdivisions of such State in carrying out local highway safety programs authorized in accordance with subparagraph (B) of this paragraph.

“(D) provide that the aggregate expenditure of funds of the State and political subdivisions thereof, exclusive of Federal funds, for highway safety programs will be maintained at a level which does not fall below the average level of such expenditures for its last two full fiscal years preceding the date of enactment of this section.

“(E) provide for comprehensive driver training programs, including (1) the initiation of a State program for driver education in the school systems or for a significant expansion and improvement of such a program already in existence, to be administered by appropriate school officials under the supervision of the Governor as set forth in subparagraph (A) of this paragraph; (2) the training of qualified school instructors and their certification; (3) appropriate regulation of other driver training schools, including licensing of the schools and certification of their instructors; (4) adult driver training programs, and programs for the retraining of selected drivers; and (5) adequate research, development and procurement of practice driving facilities, simulators, and other similar teaching aids for both school and other driver training use.

“(2) The Secretary is authorized to waive the requirement of subparagraph (C) of paragraph (1) of this subsection, in whole or in part, for a fiscal year for any State whenever he determines that there is an insufficient number of local highway safety programs to justify the expenditure in such State of such percentage of Federal funds during such fiscal year.

“(c) Funds authorized to be appropriated to carry out this section shall be used to aid the States to conduct the highway safety programs approved in accordance with subsection (a), shall be subject to a deduction not to exceed 5 per centum for the necessary costs of administering the provisions of this section, and the remainder shall be apportioned among the several States. For the fiscal years ending June 30, 1967, June 30, 1968, and June 30, 1969, such funds shall be apportioned 75 per centum on the basis of population and 25 per centum as the Secretary in his administrative discretion may deem appropriate and thereafter such funds shall be apportioned as Congress, by law enacted hereafter, shall provide. On or before January 1, 1969, the Secretary shall report to Congress his recommendations with respect to a nondiscretionary formula for apportionment of funds authorized to carry out this section for the fiscal year ending June 30, 1970, and fiscal years thereafter. After December 31, 1968, the Secretary shall not apportion any funds under this subsection to any State which is not implementing a highway safety program approved by the Secretary in accordance with this section. Federal aid highway funds apportioned on or after January 1, 1969, to any State which is not implementing a highway safety program approved by the Secretary in accordance with this section shall be reduced by amounts equal to 10 per centum of the amounts which would otherwise be apportioned to such State under section 104 of this title, until
such time as such State is implementing an approved highway safety program. Whenever he determines it to be in the public interest, the Secretary may suspend, for such periods as he deems necessary, the application of the preceding sentence to a State. Any amount which is withheld from apportionment to any State under this section shall be reapportioned to the other States in accordance with the applicable provisions of law.

"(d) All provisions of chapter 1 of this title that are applicable to Federal-aid primary highway funds other than provisions relating to the apportionment formula and provisions limiting the expenditure of such funds to the Federal-aid systems, shall apply to the highway safety funds authorized to be appropriated to carry out this section, except as determined by the Secretary to be inconsistent with this section. In applying such provisions of chapter 1 in carrying out this section the term ‘State highway department’ as used in such provisions shall mean the Governor of a State for the purposes of this section.

"(e) Uniform standards promulgated by the Secretary to carry out this section shall be developed in cooperation with the States, their political subdivisions, appropriate Federal departments and agencies, and such other public and private organizations as the Secretary deems appropriate.

"(f) The Secretary may make arrangements with other Federal departments and agencies for assistance in the preparation of uniform standards for the highway safety programs contemplated by subsection (a) and in the administration of such programs. Such departments and agencies are directed to cooperate in such preparation and administration, on a reimbursable basis.

"(g) Nothing in this section authorizes the appropriation or expenditure of funds for (1) highway construction, maintenance, or design (other than design of safety features of highways to be incorporated into standards) or (2) any purpose for which funds are authorized by section 403 of this title.

"§ 403. Highway safety research and development

"The Secretary is authorized to use funds appropriated to carry out this section to carry out safety research which he is authorized to conduct by subsection (a) of section 307 of this title. In addition, the Secretary may use the funds appropriated to carry out this section, either independently or in cooperation with other Federal departments or agencies, for (1) grants to State or local agencies, institutions, and individuals for training or education of highway safety personnel, (2) research fellowships in highway safety, (3) development of improved accident investigation procedures, (4) emergency service plans, (5) demonstration projects, and (6) related activities which are deemed by the Secretary to be necessary to carry out the purposes of this section.

"§ 404. National Highway Safety Advisory Committee

"(a) (1) There is established in the Department of Commerce a National Highway Safety Advisory Committee, composed of the Secretary or an officer of the Department appointed by him, who shall be chairman, the Federal Highway Administrator, and twenty-nine members appointed by the President, no more than four of whom shall be Federal officers or employees. The appointed members, having due regard for the purposes of this chapter, shall be selected from among representatives of various State and local governments, including State legislatures, of public and private interests contributing to,
affected by, or concerned with highway safety, and of other public and private agencies, organizations, or groups demonstrating an active interest in highway safety, as well as research scientists and other individuals who are expert in this field.

"(2) (A) Each member appointed by the President shall hold office for a term of three years, except that (i) any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term, and (ii) the terms of office of members first taking office after the date of enactment of this section shall expire as follows: ten at the end of one year after such date, ten at the end of two years after such date, and nine at the end of three years after such date, as designated by the President at the time of appointment, and (iii) the term of any member shall be extended until the date on which the successor's appointment is effective. None of the members appointed by the President other than Federal officers or employees shall be eligible for reappointment within one year following the end of his preceding term.

"(B) Members of the Committee who are not officers or employees of the United States shall, while attending meetings or conferences of such Committee or otherwise engaged in the business of such Committee, be entitled to receive compensation at a rate fixed by the Secretary, but not exceeding $100 per diem, including traveltime, and while away from their homes or regular places of business they may be allowed travel expenses, including per diem in lieu of subsistence, as authorized in section 5 of the Administrative Expenses Act of 1946 (5 U.S.C. 73b–2) for persons in the Government service employed intermittently. Payments under this section shall not render members of the Committee employees or officials of the United States for any purpose.

"(b) The National Highway Safety Advisory Committee shall advise, consult with, and make recommendations to, the Secretary on matters relating to the activities and functions of the Department in the field of highway safety. The Committee is authorized (1) to review research projects or programs submitted to or recommended by it in the field of highway safety and recommend to the Secretary, for prosecution under this title, any such projects which it believes show promise of making valuable contributions to human knowledge with respect to the cause and prevention of highway accidents; and (2) to review, prior to issuance, standards proposed to be issued by order of the Secretary under the provisions of section 402(a) of this title and to make recommendations thereon. Such recommendations shall be published in connection with the Secretary's determination or order.

"(c) The National Highway Safety Advisory Committee shall meet from time to time as the Secretary shall direct, but at least once each year.

"(d) The Secretary shall provide to the National Highway Safety Committee from among the personnel and facilities of the Department of Commerce such staff and facilities as are necessary to carry out the functions of such Committee."

Sec. 102. (a) Sections 135 and 313 of title 23 of the United States Code are hereby repealed.

(b) (1) The analysis of chapter 1 of title 23, United States Code, is hereby amended by deleting:

"135. Highway safety programs."
(2) The analysis of chapter 3 of title 23, United States Code, is hereby amended by deleting:

"313. Highway safety conference."

The President is authorized to carry out the provisions of the National Traffic and Motor Vehicle Safety Act of 1966 through the Agency and Administrator authorized by this section.

Sec. 202. (a) The Secretary shall prepare and submit to the President for transmittal to the Congress on March 1 of each year a comprehensive report on the administration of the Highway Safety Act of 1966 (including chapter 4 of title 23 of the United States Code) for the preceding calendar year. Such report should include but not be restricted to (1) a thorough statistical compilation of the accidents and injuries occurring in such year; (2) a list of all safety standards issued or in effect in such year; (3) the scope of observance of applicable Federal standards; (4) a statement of enforcement actions including judicial decisions, settlements, or pending litigation during the year; (5) a summary of all current research grants and contracts together with a description of the problems to be considered by such grants and contracts; (6) an analysis and evaluation of completed research activities and technological progress achieved during such year together with the relevant policy recommendations flowing therefrom; (7) the effectiveness of State highway safety programs (including local highway safety programs) and (8) the extent to which technical information was being disseminated to the scientific community and consumer-oriented material was made available to the motoring public.

Sec. 203. The Secretary of Commerce shall report to Congress, not later than July 1, 1967, all standards to be initially applied in carrying out section 402 of title 23 of the United States Code.

Sec. 501. (a) The first sentence of section 515 of Public Law 84–161 (69 Stat. 352), as amended, is amended by striking out “1966 through and including 1967” and inserting in lieu thereof “1967 and 1968”.
(b) Such section 515 is further amended by adding at the end thereof a new sentence as follows: “In addition to the foregoing, not more than 500 housing units may be leased during the fiscal years 1967 and 1968 in the State of Hawaii in order to provide temporary housing relief at or near military installations in such State.”

Sec. 502. Section 1594j of title 42, United States Code, is amended at subsection (a) by deleting the period at the end thereof, substituting a colon therefor, and adding the following: “Provided, That notwithstanding the fair rental value of such quarters, or of any other housing facilities under the jurisdiction of a department or agency of the United States, no rental charge for occupancy of family units designated as other than public quarters shall be made against the basic allowance for quarters of a member of a uniformed service in excess of 75 per centum of such allowance, except that in no event shall the net rental value charged to the member’s basic allowance for quarters be less than the costs of maintaining and operating the housing.”

Sec. 503. There is authorized to be appropriated for use by the Secretary of Defense or his designee as authorized by law for support of military family housing, including operating expenses, leasing, maintenance of real property, payments of principal and interest on mortgage debts incurred, payments to the Commodity Credit Corporation and mortgage insurance premiums authorized under section 222 of the National Housing Act, as amended (12 U.S.C. 1715m), an amount not to exceed $511,196,000.
Sect. 601. The Secretary of each military department may proceed to establish or develop installations and facilities under this Act without regard to section 3648 of the Revised Statutes, as amended (31 U.S.C. 529), and sections 4774(d) and 9774(d) of title 10, United States Code. The authority to place permanent or temporary improvements on land includes authority for surveys, administration, overhead, planning, and supervision incident to construction. That authority may be exercised before title to the land is approved under section 355 of the Revised Statutes, as amended (40 U.S.C. 255), and even though the land is held temporarily. The authority to acquire real estate or land includes authority to make surveys and to acquire land, and interests in land (including temporary use), by gift, purchase, exchange of Government-owned land, or otherwise.

Sect. 602. There are authorized to be appropriated such sums as may be necessary for the purposes of this Act, but appropriations for public works projects authorized by titles I, II, III, IV, and V shall not exceed—

1. for title I: Inside the United States, $57,219,000; Outside the United States, $36,141,000; section 102, $33,000,000; or a total of $126,360,000.
2. for title II: Inside the United States, $114,138,000; Outside the United States, $9,948,000; section 202, $13,788,000; or a total of $137,874,000.
3. for title III: Inside the United States, $107,098,000; Outside the United States, $14,091,000; section 302, $76,825,000; or a total of $198,014,000.
4. for title IV: a total of $5,875,000.
5. for title V: Military Family Housing, a total of $511,196,000.

Sect. 603. Any of the amounts named in titles I, II, III, and IV of this Act, may, in the discretion of the Secretary concerned, be increased by 5 per centum for projects inside the United States (other than Alaska) and by 10 per centum for projects outside the United States or in Alaska, if he determines in the case of any particular project that such increase (1) is required for the sole purpose of meeting unusual variations in cost arising in connection with that project, and (2) could not have been reasonably anticipated at the time such project was submitted to the Congress. However, the total costs of all projects in each such title may not be more than the total amount authorized to be appropriated for projects in that title.

Sect. 604. Whenever—

1. the President determines that compliance with section 2913 (b) of title 10, United States Code, for contracts made under this Act for the establishment or development of military installations and facilities in foreign countries would interfere with the carrying out of this Act; and
2. the Secretary of Defense and the Comptroller General have agreed upon alternative methods of adequately auditing those contracts;
the President may exempt those contracts from the requirements of that section.

Sect. 605. Contracts for construction made by the United States for performance within the United States and its possessions under this Act shall be executed under the jurisdiction and supervision of the
Corps of Engineers, Department of the Army, or the Naval Facilities Engineering Command, Department of the Navy, unless the Secretary of Defense or his designee determines that because such jurisdiction and supervision is wholly impracticable such contracts should be executed under the jurisdiction and supervision of another department or Government agency, and shall be awarded, insofar as practicable, on a competitive basis to the lowest responsible bidder, if the national security will not be impaired and the award is consistent with chapter 137 of title 10, United States Code. Regulations issued by the Secretary of Defense implementing the provisions of this section shall provide the department or agency requiring such construction with the right to select either the Corps of Engineers, Department of the Army, or the Naval Facilities Engineering Command, Department of the Navy, as its construction agent, providing that under the facts and circumstances that exist at the time of the selection of the construction agent, such selection will not result in any increased cost to the United States. The Secretaries of the military departments shall report semiannually to the President of the Senate and the Speaker of the House of Representatives with respect to all contracts awarded on other than a competitive basis to the lowest responsible bidder.

Sec. 606. (a) Notwithstanding the repeal provisions of section 606 of the Act of September 16, 1965, Public Law 89–188 (79 Stat. 815), all authorizations for military public works (other than family housing), contained in the Act of August 1, 1964, Public Law 88–360 (78 Stat. 363), and all such authorizations contained in the Act of September 16, 1965, Public Law 89–188, including prior authorizations extended by section 606(a)(3) of said Act of September 16, 1965, to be accomplished by the Secretary of a military department in connection with the establishment or development of military installations and facilities, and all authorizations for appropriations therefor, and not superseded or otherwise modified, are hereby authorized, and shall remain in full force and effect until October 1, 1968.

(b) Notwithstanding the provisions of section 606 of the Act of September 16, 1965, Public Law 89–188 (79 Stat. 815), effective October 1, 1968, all authorizations for construction of family housing which are contained in this Act or the Act of September 16, 1965, Public Law 89–188, including prior authorizations for construction of family housing saved from repeal by the provisions of section 606(b) of such Act of September 16, 1965, are repealed except the authorization for family housing projects as to which funds have been obligated for construction contracts or land acquisitions or manufactured structural component contracts in whole or in part before such date.

Sec. 607. Notwithstanding any other provision of law, none of the military public works authorized by title I, II, III, or IV of this Act may be placed under contract until such time as those military public works previously authorized by law, and for which funds have been appropriated and for which the authorization has been extended by section 606 of this Act, have been placed under contract. The foregoing provision shall not apply to military public works previously authorized by law which have heretofore been deferred and which are certified by the Secretary of Defense to be no longer current and necessary to the mission of the military department or military installation concerned. Certifications by the Secretary of Defense under this section shall be made in writing to the Committees on Armed Services of the Senate and House of Representatives.

Notwithstanding the foregoing provisions of this section, any military public work authorized by title I, II, III, or IV of this Act may
be placed under contract if the Secretary of Defense determines and
certifies in writing to the Committees on Armed Services of the Senate
and the House of Representatives that such project is (1) urgently
required in the interests of national defense, and (2) more essential
to the interests of national defense than those military public works
previously authorized by law, described in the first sentence of this
section.

Sec. 608. The last sentence of section 2674(a) of title 10, United
States Code, as amended, is amended by changing the figure "$15,000"
to "$25,000".

Sec. 609. None of the authority contained in titles I, II, III, and IV
of this Act shall be deemed to authorize any building construction
project inside the United States (other than Alaska) at a unit cost in excess of—

(1) $32 per square foot for cold-storage warehousing;
(2) $8 per square foot for regular warehousing;
(3) $2,300 per man for permanent barracks;
(4) $8,500 per man for bachelor officer quarters; unless the
Secretary of Defense or his designee determines that, because of
special circumstances, application to such project of the limita-
tions on unit costs contained in this section is impracticable.

Sec. 610. (a) On and after the date of enactment of this Act all con-
struction authorized in annual military construction authorization
Acts shall be designed using techniques developed by the Office of
Civil Defense to maximize fallout protection, where such can be done
without impairing the purpose for which the construction is author-
orized or the effectiveness of the structure, unless exempted from this
requirement under regulations prescribed by the Secretary of Defense
or his designee.

(b) The Secretary of Defense shall make appropriate provision for
the utilization of technical design and construction methods in the
preparation of design and construction plans and in construction un-
der this Act, to assure carrying out the purposes of this section, and
for such purposes expenditures on individual projects shall not exceed
one per centum of the amount authorized for that project.

Sec. 611. Section 607(b) of Public Law 89-188 is amended by
deleting the words "July 1, 1967" and inserting in lieu thereof the
words "December 31, 1970" and adding at the end thereof "nor shall
any of this land be set aside or committed by the Department of
Defense for use by any other agency of the Federal Government other
than the Department of Defense. However, the Department of De-
fense may, if and when directed by the President, enter into a leasing
arrangement with the Federal Aviation Agency for a period not to
extend beyond December 31, 1970, and subject to a one-year revocation
provision whereby the Federal Aviation Agency or its designee may
operate the runways, taxiways, hangars, parking aprons, and other
related facilities at the Bolling-Anacostia complex for appropriate
aviation purposes. The said lease shall not include facilities which are
required for military activities. Such leasing arrangements shall be
be reported to the Committees on Armed Services of the Senate and
the House of Representatives."

Sec. 612. In the case of any public works project for which advance
planning, construction design and architectural services are estimated
to cost $150,000 or more, which are to be funded from moneys here-
after appropriated for such purposes pursuant to authority of section
723 of title 31, U.S.C., the Secretary of Defense shall describe the
project and report the estimated cost of such services not less than 30
days prior to initial obligation of funds therefor to the Committees on Armed Services of the Senate and House of Representatives.

Sec. 613. Section 611 of the Military Construction Authorization Act, 1966 (79 Stat. 818), is amended to read as follows:

"(a) No camp, post, station, base, yard, or other installation under the authority of the Department of Defense shall be closed or abandoned until the expiration of thirty days of continuous session of the Congress following the date on which the Secretary of Defense or the Secretary of a military department makes a full report of the facts including the justification for such proposed action to the Congress.

"(b) For the purposes of subparagraph (a) continuity of session shall be considered as broken only by an adjournment of the Congress sine die; but in the computation of the thirty-day period there shall be excluded the days on which either House is not in session because of an adjournment of more than three days to a day certain.

"(c) This section shall apply only to posts, camps, stations, bases, yards, or other installations that are located in the United States and Puerto Rico and have a total military and civilian complement of more than two hundred and fifty. It shall not apply to any facility used primarily for river and harbor projects or flood control projects."

Sec. 614. The Secretary of Defense is authorized and directed to make a comprehensive study with respect to the desirability of (1) transferring the Defense Language Institute from the Washington, D.C. area to the lands formerly constituting Biggs Air Force Base, Texas, and (2) demolishing the four existing piers at the Boston Naval Shipyard, Boston, Massachusetts, and constructing three new piers and carrying out related operations associated therewith at such shipyard. The Secretary shall report the findings of such study, together with such recommendations as he deems appropriate, to the Committees on Armed Services of the Senate and the House of Representatives not later than six months after the date of enactment of this Act.

Sec. 615. Titles I, II, III, IV, V, and VI of this Act may be cited as the “Military Construction Authorization Act, 1967”.

"(1) GENERAL RULE.—At the election of the taxpayer, expenditures paid or incurred during the taxable year for the purpose of ascertaining the existence, location, extent, or quality of any deposit of ore or other mineral in the United States or on the Outer Continental Shelf (within the meaning of section 2 of the Outer Continental Shelf Lands Act, as amended and supplemented; 43 U.S.C. 1331), and paid or incurred before the beginning of the development stage of the mine, shall be allowed as a deduction in computing taxable income. This subsection shall apply only with respect to the amount of such expenditures which, but for this subsection, would not be allowable as a deduction for the taxable year. This subsection shall not apply to expenditures for the acquisition or improvement of property of a character which is subject to the allowance for depreciation provided in section 167, but allowances for depreciation shall be considered, for purposes of this subsection, as expenditures paid or incurred. In no case shall this subsection apply with respect to amounts paid or incurred for the purpose of ascertaining the existence, location, extent, or quality of any deposit of oil or gas or of any mineral with respect to which a deduction for percentage depletion is not allowable under section 613.

"(2) ELECTIONS.—

"(A) METHOD.—Any election under this subsection shall be made in such manner as the Secretary or his delegate may by regulations prescribe.

"(B) TIME AND SCOPE.—The election provided by paragraph (1) for the taxable year may be made at any time before the expiration of the period prescribed for making a claim for credit or refund of the tax imposed by this chapter for the taxable year. "(C) DEFICIENCIES.—The statutory period for the assessment of any deficiency for any taxable year, to the extent such deficiency is attributable to an election or revocation of an election under this subsection, shall not expire before the last day of the 2-year period beginning on the day after the date on which such election or revocation of election is
made; and such deficiency may be assessed at any time before the expiration of such 2-year period, notwithstanding any law or rule of law which would otherwise prevent such assessment.

"(b) Recapture on Reaching Producing Stage.—

"(1) Recapture.—If, in any taxable year, any mine with respect to which expenditures were deducted pursuant to subsection (a) reaches the producing stage, then—

"(A) If the taxpayer so elects with respect to all such mines reaching the producing stage during the taxable year, he shall include in gross income for the taxable year an amount equal to the adjusted exploration expenditures with respect to such mines, and the amount so included in income shall be treated for purposes of this subtitle as expenditures which (i) are paid or incurred on the respective dates on which the mines reach the producing stage, and (ii) are properly chargeable to capital account.

"(B) If subparagraph (A) does not apply with respect to any such mine, then the deduction for depletion under section 611 with respect to the property shall be disallowed until the amount of depletion which would be allowable but for this subparagraph equals the amount of the adjusted exploration expenditures with respect to such mine.

"(2) Elections.—

"(A) Method.—Any election under this subsection shall be made in such manner as the Secretary or his delegate may by regulations prescribe.

"(B) Time and Scope.—The election provided by paragraph (1) for any taxable year may be made or changed not later than the time prescribed by law for filing the return (including extensions thereof) for such taxable year.

"(c) Recapture in Case of Bonus or Royalty.—If an election has been made under subsection (a) with respect to expenditures relating to a mining property and the taxpayer receives or accrues a bonus or a royalty with respect to such property, then the deduction for depletion under section 611 with respect to the bonus or royalty shall be disallowed until the amount of depletion which would be allowable but for this subsection equals the amount of the adjusted exploration expenditures with respect to the property to which the bonus or royalty relates.

"(d) Gain from Dispositions of Certain Mining Property.—

"(1) General Rule.—Except as otherwise provided in this subsection, if mining property is disposed of the lower of—

"(A) the adjusted exploration expenditures with respect to such property, or

"(B) the excess of—

"(i) the amount realized (in the case of a sale, exchange, or involuntary conversion), or the fair market value (in the case of any other disposition), over

"(ii) the adjusted basis of such property,

shall be treated as gain from the sale or exchange of property which is neither a capital asset nor property described in section 1231. Such gain shall be recognized notwithstanding any other provision of this subtitle.

"(2) Disposition of Portion of Property.—For purposes of paragraph (1)—

"(A) In the case of the disposition of a portion of a mining property (other than an undivided interest), the entire amount of the adjusted exploration expenditures with respect
to such property shall be treated as attributable to such portion to the extent of the amount of the gain to which paragraph (1) applies.

"(B) In the case of the disposition of an undivided interest in a mining property (or a portion thereof), a proportionate part of the adjusted exploration expenditures with respect to such property shall be treated as attributable to such undivided interest to the extent of the amount of the gain to which paragraph (1) applies.

This paragraph shall not apply to any expenditure to the extent the taxpayer establishes to the satisfaction of the Secretary or his delegate that such expenditure relates neither to the portion (or interest therein) disposed of nor to any mine, in the property held by the taxpayer before the disposition, which has reached the producing stage.

"(3) Exceptions and Limitations.—Paragraphs (1), (2), and (3) of section 1245(b) (relating to exceptions and limitations with respect to gain from disposition of certain depreciable property) shall apply in respect of this subsection in the same manner and with the same effect as if references in section 1245(b) to section 1245 or any provision thereof were references to this subsection or the corresponding provisions of this subsection and as if references to section 1245 property were references to mining property.

"(4) Application of Subsection.—This subsection shall apply notwithstanding any other provision of this subtitle.

"(e) Basis of Property.—

"(1) Basis.—The basis of any property shall not be reduced by the amount of any depletion which would be allowable but for the application of this section.

"(2) Adjustments.—The Secretary or his delegate shall prescribe such regulations as he may deem necessary to provide for adjustments to the basis of property to reflect gain recognized under subsection (d)(1).

"(f) Definitions.—For purposes of this section—

"(1) Adjusted Exploration Expenditures.—The term 'adjusted exploration expenditures' means, with respect to any property or mine—

"(A) the amount of the expenditures allowed for the taxable year and all preceding taxable years as deductions under subsection (a) to the taxpayer or any other person which are properly chargeable to such property or mine (but for the election under subsection (a)) would be reflected in the adjusted basis of such property or mine, reduced by

"(B) for the taxable year and for each preceding taxable year, the amount (if any) by which (i) the amount which would have been allowable for percentage depletion under section 613 but for the deduction of such expenditures, exceeds (ii) the amount allowable for depletion under section 611, properly adjusted for any amounts included in gross income under subsection (b) or (c) and for any amounts of gain to which subsection (d) applied.

"(2) Mining Property.—The term 'mining property' means any property (within the meaning of section 614 after the application of subsections (c) and (e) thereof) with respect to which any expenditures allowed as a deduction under subsection (a)(1) are properly chargeable.
“(3) Disposal of coal or domestic iron ore with a retained economic interest.—A transaction which constitutes a disposal of coal or iron ore under section 631(c) shall be treated as a disposition. In such a case, the excess referred to in subsection (d)(1)(B) shall be treated as equal to the gain (if any) referred to in section 631(c).

(g) Special Rules Relating to Partnership Property.—

“(1) Property distributed to partner.—In the case of any property or mine received by the taxpayer in a distribution with respect to part or all of his interest in a partnership, the adjusted exploration expenditures with respect to such property or mine include the adjusted exploration expenditures (not otherwise included under subsection (f)(1)) with respect to such property or mine immediately prior to such distribution, but the adjusted exploration expenditures with respect to any such property or mine shall be reduced by the amount of gain to which section 751(b) applied realized by the partnership (as constituted after the distribution) on the distribution of such property or mine.

“(2) Property retained by partnership.—In the case of any property or mine held by a partnership after a distribution to a partner to which section 751(b) applied, the adjusted exploration expenditures with respect to such property or mine shall, under regulations prescribed by the Secretary or his delegate, be reduced by the amount of gain to which section 751(b) applied realized by such partner with respect to such distribution on account of such property or mine.

“(h) Cross Reference.—

(1) by striking out "section 1245 property (as defined in section 1245(a)(3))" and inserting in lieu thereof "mining property (as defined in section 617(f)(2)), section 1245 property (as defined in section 1245(a)(3))", and

"SEC. 617. Additional exploration expenditures in the case of domestic mining."
SEC. 2. (a) Section 615 of the Internal Revenue Code of 1954 (relating to exploration expenditures) is amended by adding at the end thereof the following new subsections:

“(e) Election To Have Section Apply.—This section (other than subsections (f) and (g)) shall apply only if the taxpayer so elects in such manner as the Secretary or his delegate may by regulations prescribe. Such election shall be made before the expiration of 3 years after the time prescribed by law (determined without any extension thereof) for filing the return for the first taxable year ending after the date of the enactment of this subsection in which expenditures described in subsection (a) are paid or incurred after such date. For purposes of the preceding sentence, a transferor of mineral property who made an election under subsection (a) of section 617 or subsection (e) of this section before the transfer but who revokes such election after the transfer shall be treated with respect to such property as not having made an election under either such subsection.

“(C) the taxpayer has made or makes an election under section 617(a),

then in applying section 617 with respect to the transferee, the amounts allowed as deductions under this section to the transferor, which (but for the transferor's election) would be reflected in the adjusted basis of such property in the hands of the transferee, shall be treated as expenditures allowed as deductions under section 617(a) to the transferor. Notwithstanding subsections (b) and (d) of this section (and section 381(c)(10)), any deferred expenses described in subsection (b) which are not allowed as deductions to the transferor for a period before the transfer may not be deducted by the transferee and in his hands shall be charged to capital account.”

AN ACT

To promote health and safety in metal and nonmetallic mineral industries, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Federal Metal and Nonmetallic Mine Safety Act."

DEFINITIONS AND EXEMPTIONS

Sec. 2. For the purposes of this Act.

(a) The term "commerce" means trade, traffic, commerce, transportation, or communication between any State, the Commonwealth of Puerto Rico, the District of Columbia, or any territory or possession of the United States, and any other place outside the respective boundaries thereof, or wholly within the District of Columbia, or any territory or possession of the United States, or between points in the same State, if passing through any point outside the boundaries thereof.

(b) The term "mine" means (1) an area of land from which minerals other than coal or lignite are extracted in nonliquid form or, if in liquid
form, are extracted with workers underground, (2) private ways and roads appurtenant to such area, and (3) land, excavations, underground passageways, and workings, structures, facilities, equipment, machines, tools, or other property, on the surface or underground, used in the work of extracting such minerals other than coal or lignite from their natural deposits in nonliquid form, or if in liquid form, with workers underground, or used in the milling of such minerals, except that with respect to protection against radiation hazards such term shall not include property used in the milling of source material as defined in the Atomic Energy Act of 1954, as amended.

(c) The term "operator" means the person, partnership, association, or corporation, or subsidiary of a corporation operating a mine, and owning the right to do so, and includes any agent thereof charged with responsibility for the operation of such mine.

(d) The term "Secretary" means the Secretary of the Interior or his duly authorized representative.

(e) The term "Board" means the Federal Metal and Nonmetallic Mine Safety Board of Review created by section 10.

SEC. 3. (a) Each mine the products of which regularly enter commerce, or the operations of which affect commerce, shall be subject to this Act.

(b) The Secretary may, by published rules adopted pursuant to the Administrative Procedure Act, decline to assert jurisdiction under this Act over any class or category of mines where, in the opinion of the Secretary, the effect of the operations of such mines on commerce is not sufficiently substantial to warrant the exercise of jurisdiction under this Act, and the record of injuries and accidents in such class or category of mines warrants such a declination of jurisdiction.

INSPECTIONS

SEC. 4. The Secretary of the Interior is authorized at any time to cause to be made such inspections and investigations as he shall deem necessary in mines which are subject to this Act (1) for the purpose of obtaining, utilizing, and disseminating information relating to health and safety conditions in such mines, the causes of accidents involving bodily injury or loss of life, or the causes of occupational diseases originating therein, (2) for the purpose of determining whether or not there is compliance with a health and safety standard or order issued under this Act, or (3) for the purpose of evaluating the manner in which a State plan approved under section 16 is being carried out. At least once each calendar year the Secretary shall inspect each underground mine which is subject to this Act.

SEC. 5. For the purpose of making any inspection or investigation authorized by this Act, authorized representatives of the Secretary shall be entitled to admission to, and shall have the right of entry to, upon, or through, any mine which is subject to this Act.
SEC. 6. (a) The Secretary shall develop, and from time to time revise, after consultation with advisory committees appointed pursuant to section 7 of this Act, and promulgate health and safety standards for the purpose of the protection of life, the promotion of health and safety, and the prevention of accidents in mines which are subject to this Act.

(b) After consultation with an appropriate advisory committee established pursuant to section 7 of this Act, the Secretary, by a notice published in the Federal Register, shall designate as mandatory standards those standards promulgated pursuant to subsection (a) of this section which deal with conditions or practices of a kind which could reasonably be expected to cause death or serious physical harm, and the operators of mines to which such standards are applicable shall comply with such mandatory standards pursuant to the provisions of section 8 and section 9 of this Act.

(c) The Secretary shall publish in the Federal Register, health and safety standards which he proposes to promulgate, and he shall specifically identify those standards which he proposes to designate as mandatory standards, and he shall also specifically designate those mandatory standards which have been recommended by an Advisory Committee appointed pursuant to section 7 of this Act. Interested persons shall be afforded a period of not less than 30 days after the publication of the proposed standards in which to submit written data, views, or arguments. Except as provided in subsection (d) of this section, the Secretary may, upon the expiration of such period and after consideration of all relevant matter presented, promulgate such standards.

(d) (1) On or before the last day of a period fixed for the submission of written data, views, or arguments, any person who may be adversely affected by a health and safety standard which the Secretary proposes to promulgate and to designate as a mandatory standard may file with the Secretary written objections thereto stating the grounds therefor, and requesting a public hearing (subject to the provisions of the Administrative Procedure Act) on such objections. The Secretary shall not promulgate any proposed mandatory standard respecting which such objections have been filed, until he has taken final action upon them as provided in paragraph (2) of this subsection.

As soon as practicable after the period for filing such objections has expired, the Secretary shall publish in the Federal Register a notice specifying the proposed mandatory standards to which such objections have been filed.

(2) If such objections requesting a public hearing are filed, as soon after the expiration of the period for filing such objections as is practical, the Secretary, after due notice, shall hold a public hearing for the purpose of receiving evidence relevant and material to the issues raised by such objections. At the hearing, any interested person may
be heard. As soon as practicable after completion of the hearing, the Secretary shall act upon such objections and make his decision public. Such decision shall be based only on substantial evidence of record at such hearing and shall set forth detailed findings of fact on which the decision is based.

(3) Any person aggrieved by a decision of the Secretary under paragraph (2) of this subsection may obtain a review of such order by the United States Court of Appeals for the District of Columbia by filing in such court within 20 days following the issuance of such decision a petition praying that the decision of the Secretary be modified or set aside in whole or in part. A copy of such petition shall forthwith be served upon the Secretary, and thereupon the Secretary shall certify and file in the court the record upon which the decision complained of was issued. The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action and shall certify to the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence. The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code. The commencement of a proceeding under this paragraph (3) shall not, unless specifically ordered by the court, operate as a stay of the Secretary's decision.

(e) The provisions of subsection (d) of this section shall not be applicable to any proposed mandatory standard which has been recommended by an Advisory Committee appointed pursuant to section 7 of this Act.

ADVISORY COMMITTEES

Sec. 7. (a) The Secretary is authorized to establish advisory committees to assist him in the development of health and safety standards for mines which are subject to this Act, and to advise him on other matters relating to health and safety in such mines. Each such advisory committee shall include among its members an equal number of persons qualified by experience and affiliation to present the viewpoint of operators of such mines, and of persons similarly qualified to present the viewpoint of workers in such mines, as well as one or more representatives of mine inspection or safety agencies of the States.

(b) Members appointed to such a committee from private life shall, while serving on business of the committee, be entitled to receive compensation at rates fixed by the Secretary, but not exceeding $100 per day, including travel time; and while so serving away from their homes or regular places of business, they may be paid travel expenses and per diem in lieu of subsistence at the rates authorized by section 5 of the Administrative Expenses Act of 1946 (5 U.S.C., sec. 73b-2).

FINDINGS AND ORDERS

Sec. 8. (a) If, upon any inspection or investigation of a mine which is subject to this Act, an authorized representative of the Secretary finds that conditions or practices in such mine are such that a danger exists which could reasonably be expected to cause death or serious physical harm immediately or before the imminence of such danger can be eliminated, such representative shall determine the extent of the area of such mine throughout which the danger exists, and there-
upon issue an order requiring the operator of such mine to cause all persons, except the following persons whose presence in such area is necessary to eliminate the danger described in such order, to be withdrawn from, and to be debarred from, entering such area:

   (1) Any person whose presence in such area is necessary, in the judgment of the operator of the mine, to eliminate the danger described in the order; (2) any public official whose official duties require him to enter such area; or (3) any legal or technical consultant, or any representative of the employees of the mine, who is a certified person qualified to make mine examinations, or is accompanied by such a person, and whose presence in such area is necessary, in the judgment of the operator of the mine, for the proper investigation of the conditions described in the order.

   (b) If, upon any such inspection or investigation, an authorized representative finds that there has been a failure to comply with a mandatory standard which is applicable to such mine, but that such failure to comply has not created a danger that could reasonably be expected to cause death or serious physical harm in such mine immediately or before the imminence of such danger can be eliminated, he shall find what would be a reasonable period of time within which such violation should be totally abated and thereupon issue a notice fixing a reasonable time for the abatement of the violation. If, upon the expiration of such period of time as originally fixed or extended, the authorized representative finds that such violation has not been totally abated, and if he also finds that such period of time should not be further extended, he shall also find the extent of the area which is affected by such violation. Thereupon, he shall promptly make an order requiring the operator of such mine to cause all persons in such area, excepting the following persons whose presence in such area is necessary to abate the violation described in the order, to be withdrawn from, and to be debarred from, entering such area:

   (1) Any person whose presence in such area is necessary, in the judgment of the operator of the mine, to abate the violation described in the order; (2) any public official whose official duties require him to enter such area; or (3) any legal or technical consultant, or any representative of the employees of the mine, who is a certified person qualified to make mine examinations, or is accompanied by such a person, and whose presence in such area is necessary, in the judgment of the operator of the mine, for the proper investigation of the conditions described in the order.

   (c) Findings and orders issued pursuant to this section shall contain a detailed description of the conditions or practices which cause and constitute a situation of imminent danger or a violation of a mandatory standard, and a description of the area of the mine throughout which persons must be withdrawn and debarred.

   (d) Each finding made and notice or order issued under this section shall be given promptly to the operator of the mine to which it pertains by the person making such finding or order, and all such findings, orders, and notices shall be in writing, and shall be signed by the person making them. A notice or order issued pursuant to this section may be annulled, canceled, or revised by an authorized representative of the Secretary.

   (e) If an order is made pursuant to subsection (a) of this section, and a State inspector did not participate in the inspection on which such order is based, the duly authorized representative of the Secretary who issued the order shall notify the State mine inspection or safety agency immediately, but not later than twenty-four hours after the issuance of such order, that such order has been issued. Following such order the operator of the mine may immediately request the State
mine inspection or safety agency to assign a State inspector to inspect the mine. The State agency shall then promptly assign a State inspector to inspect the mine affected by such order and file an inspection report with the Secretary and the State agency. The order of the duly authorized representative of the Secretary shall remain in effect, but shall immediately be subject to review as provided in this Act.

**REVIEW BY SECRETARY**

Sec. 9. (a) An operator notified of an order made pursuant to section 8(a) may apply to the Secretary for annulment or revision of such order. Upon receipt of such application the Secretary shall make a special inspection of the mine affected by such order, or cause three duly authorized representatives of the Secretary of the Interior, other than the representative who made such order, to make such inspection of such mine and to report thereon to him. Upon making such special inspection himself, or upon receiving the report of such inspection made by such representatives, the Secretary shall find whether or not danger throughout the area of such mine as set out in such order existed at the time of making such special inspection. If he finds that such danger did not then exist throughout such area of such mine, he shall make an order, consistent with his findings, revising or annulling the order under review. If he finds that such danger did then exist throughout such area of such mine, he shall make an order denying such application.

(b) An operator notified of an order made pursuant to section 8(b) may apply to the Secretary for annulment or revision of such order. Upon receipt of such application the Secretary shall make a special inspection of the mine affected by such order, or cause three duly authorized representatives of the Secretary of the Interior, other than the representative who made such order, to make such inspection of such mine and report thereon to him. Upon making such special inspection himself, or upon receiving the report of such inspection made by such representatives, the Secretary shall find whether or not there was a violation of a mandatory safety standard as described in such order, at the time of the making of such order. If he finds there was no such violation, he shall make an order annulling the order under review. If he finds there was such a violation, he shall also find whether or not such violation was totally abated at the time of the making of such special inspection. If he finds that such violation was totally abated at such time, he shall make an order annulling the order under review. If he finds that such violation was not totally abated at such time, he shall find whether or not the period of time within which such violation should be totally abated, fixed under section 8(b), should be extended. If he finds that such period of time should be extended, he shall find what a reasonable extension of such period of time would be. Thereupon he shall find the extent of the area of such mine which was affected by such violation at the time such special inspection was made, and then he shall make an order, consistent with his findings, revising the order under review. If he finds that such violation was not totally abated at the time such special inspection was made, and he shall then make an order, consistent with his findings, affirming or revising the order under review.

(c) In view of the urgent need for prompt decision of matters submitted to the Secretary under this section, all actions which the Secre-
tary or his representatives are required to take under this section shall be taken as rapidly as practicable, consistent with adequate consideration of the issues involved.

CREATION OF REVIEW BOARD

SEC. 10. (a) An agency is hereby created to be known as the Federal Metal and Nonmetallic Mine Safety Board of Review, which shall be composed of five members who shall be appointed by the President, by and with the advice and consent of the Senate.

(b) The terms of office of members of the Board shall be five years, except that the terms of office of the members first appointed shall commence on the effective date of this section and shall expire one at the end of one year, one at the end of two years, one at the end of three years, one at the end of four years and one at the end of five years, as designated by the President at the time of appointment. A member appointed to fill a vacancy caused by the death, resignation, or removal of a member prior to the expiration of the term for which he was appointed shall be appointed only for the remainder of such unexpired term. The members of the Board may be removed by the President for inefficiency, neglect of duty, or malfeasance in office.

(c) Each member of the Board shall be compensated at the rate of $50 for each day of actual service (including each day he is traveling on official business) and shall, notwithstanding the Travel Expense Act of 1949, be fully reimbursed for traveling, subsistence, and other related expenses. The Board, at all times, shall consist of two persons who by reason of previous training and experience may reasonably be said to represent the viewpoint of metal and nonmetallic mine operators, two persons who by reason of previous training and experience may reasonably be said to represent the viewpoint of metal and nonmetallic mine workers, and one person, who shall be Chairman of the Board, who shall be a graduate engineer with experience in the metal and nonmetallic mining industry or shall have had at least five years’ experience as a practical mining engineer in the metal and nonmetallic mining industry, and who shall not, within one year of his appointment as a member of the Board, have had a pecuniary interest in, or have been regularly employed or engaged in, the metal or nonmetallic mining industry, or have regularly represented either metal or nonmetallic mine operators or workers, or have been an officer or employee of the Department of the Interior assigned to duty in the Bureau of Mines.

(d) The principal office of the Board shall be in the District of Columbia. Whenever the Board deems that the convenience of the public or of the parties may be promoted, or delay or expense may be minimized, it may hold hearings or conduct other proceedings at any other place. The Board shall have an official seal which shall be judicially noticed and which shall be preserved in the custody of the secretary of the Board.

(e) The Board shall, without regard to the civil service laws, appoint and prescribe the duties of a secretary of the Board and such legal counsel as it deems necessary. Subject to the civil service laws, the Board shall appoint such other employees as it deems necessary in exercising its powers and duties. The compensation of all employees appointed by the Board shall be fixed in accordance with the Classification Act of 1949, as amended.

(f) Three members of the Board shall constitute a quorum, and official actions of the Board shall be taken only on the affirmative vote of at least three members; but a special panel composed of one or more members, upon order of the Board, shall conduct any hearing provided for in section 11 and submit the transcript of such hearing.
to the entire Board for its action thereon. Every official act of the Board shall be entered of record, and its hearings and records thereof shall be open to the public.

(g) The Board shall hear and determine applications filed pursuant to section 11 for annulment or revision of orders made pursuant to section 8 or section 9. The Board shall not make or cause to be made any inspection of a mine for the purpose of determining any pending application.

(h) The Board is authorized to make such rules as are necessary for the orderly transaction of its proceedings, which shall include requirement for adequate notice of hearings to all parties.

(i) Any member of the Board may sign and issue subpoenas for the attendance and testimony of witnesses and the production of relevant papers, books, and documents, and administer oaths. Witnesses summoned before the Board shall be paid the same fees and mileage that are paid witnesses in the courts of the United States.

(j) The Board may order testimony to be taken by deposition in any proceeding pending before it, at any stage of such proceeding. Reasonable notice must first be given in writing by the party or his attorney proposing to take such deposition to the opposite party or his attorney of record, which notice shall state the name of the witness and the time and place of the taking of his deposition. Any person may be compelled to appear and depose, and to produce books, papers, or documents, in the same manner as witnesses may be compelled to appear and testify and produce like documentary evidence before the Board, as provided in subsection (i). Witnesses whose depositions are taken under this subsection, and the persons taking such depositions, shall be entitled to the same fees as are paid for like services in the courts of the United States.

(k) In the case of contumacy by, or refusal to obey a subpoena served upon, any person under this section, the Federal district court for any district in which such person is found or resides or transacts business, upon application by the United States, and after notice to such person and hearing, shall have jurisdiction to issue an order requiring such person to appear and give testimony before the Board or to appear and produce documents before the Board, or both; and any failure to obey such order of the court may be punished by such court as a contempt thereof.

(l) The Board shall submit annually to the Congress as soon as practicable after the beginning of each regular session, a full report of its activities during the preceding calendar year. Such report shall include, either in summary or detailed form, information regarding the cases heard by it and the disposition of each.

REVIEW BY BOARD

Sec. 11. (a) An operator notified of an order made pursuant to section 8 may apply to the Federal Metal and Nonmetallic Mine Safety Board of Review for annulment or revision of such order without seeking its annulment or revision under section 9. An operator notified of an order made pursuant to section 9 may apply to the Board for annulment or revision of such order.

(b) The operator shall be designated as the applicant in such proceeding, and the application filed by him shall recite the order complained of and other facts sufficient to advise the Board of the nature of the proceeding. He may allege in such application: that danger as set out in such order does not exist at the time of the filing of such application; that violation of a mandatory safety standard, as set out in such order, has not occurred; that such violation has been totally
Temporary relief pending hearing.

(c) Immediately upon the filing of such an application the Board shall fix the time for a prompt hearing thereof.

(d) Pending such hearing the applicant may file with the Board a written request that the Board grant such temporary relief from such order as the Board may deem just and proper. Such temporary relief may be granted by the Board only after a hearing by the Board at which both the applicant and the respondent were afforded an opportunity to be heard, and only if respondent was given ample notice of the filing of applicant's request and of the time and place of the hearing thereon as fixed by the Board.

(e) The Board shall not be bound by any previous findings of fact by the respondent. Evidence relating to the making of the order complained of and relating to the questions raised by the allegations of the pleadings or other questions pertinent in the proceeding may be offered by both parties to the proceeding. If the respondent claims that imminent danger or violation of a mandatory safety standard, as set out in such order, existed at the time of the filing of the application, the burden of proving the then existence of such danger or violation shall be upon the respondent, and the respondent shall present his evidence first to prove the then existence of such danger or violation. Following presentation of respondent's evidence the applicant may present his evidence, and thereupon the respondent may present evidence to rebut the applicant's evidence.

(f) If the proceeding is one in which an operator seeks annulment or revision of an order made pursuant to section 8(a) the Board, upon conclusion of the hearing, shall find whether or not danger throughout the area of such mine as set out in such order existed at the time of the filing of the operator's application. If the Board finds that such danger did not then exist throughout such area of such mine, the Board shall make an order, consistent with its findings, revising or annulling the order under review. If the Board finds that such danger did then exist throughout such area of such mine, the Board shall make an order denying such application.

(g) If the proceeding is one in which an operator seeks annulment or revision of an order made pursuant to section 8(b), the Board upon conclusion of the hearing shall find whether or not there was a violation of a mandatory safety standard as described in such order, at the time of the making of such order. If the Board finds there was no such violation, the Board shall make an order annulling the order under review. If the Board finds there was such a violation, the Board shall also find whether or not such violation was totally abated at the time of the filing of the operator's application. If the Board finds that such violation was totally abated at such time, the Board shall make an order annulling the order under review. If the Board finds that such violation was not totally abated at such time, the Board shall find whether or not the period of time within which such violation should be totally abated fixed under section 8(b) or section 9(b) should be extended. If the Board finds that such period of time should
be extended, the Board shall also find what a reasonable extension of
time should be, and shall immediately also find the extent of the area
of such mine which was affected by such violation at the time of the
filing of such application and the Board shall then make an order
consistent with its findings, revising the order under review. If the
Board finds that such violation was not totally abated at the time of
the filing of the operator's application and that such period of time
should not be extended, the Board shall find the extent of the area of
such mine which was affected by such violation at such time, and shall
make an order, consistent with its findings, affirming or revising the
order under review.

(h) Each finding and order made by the Board shall be in writing.
It shall show the date on which it is made, and shall bear the signatures
of the members of the Board who concur therein. Upon making a
finding and order the Board shall cause a true copy thereof to be sent
by registered mail or by certified mail to all parties or their attorneys
of record. The Board shall cause each such finding and order to be
entered on its official record, together with any written opinion pre-
pared by any members in support of, or dissenting from, any such
finding or order.

(i) In view of the urgent need for prompt decision of matters
submitted to the Board under this section, all action which the Board
is required to take under this section shall be taken as rapidly as prac-
ticable, consistent with adequate consideration of the issues involved.

JUDICIAL REVIEW

SEC. 12. (a) Any final order issued by the Board under section 11
shall be subject to judicial review by the United States court of appeals
for the circuit in which the mine affected is located, upon the filing in
such court of a notice of appeal by the Secretary or the operator ag-
grieved by such final order within thirty days from the date of the
making of such final order.

(b) The party making such appeal shall forthwith send a copy of
such notice of appeal, by registered mail or by certified mail, to the
other party and to the Board. Upon receipt of such copy of a notice
of appeal the Board shall promptly certify and file in such court a
complete transcript of the record upon which the order complained of
was made. The costs of such transcript shall be paid by the party
making the appeal.

(c) The court shall hear such appeal on the record made before the
Board, and shall permit argument, oral or written or both, by both
parties. The court shall permit such pleadings, in additions to the
pleadings before the Board, as it deems to be required or as provided
for in the Rules of Civil Procedure governing appeals in such court.

(d) Upon such conditions as may be required and to the extent
necessary to prevent irreparable injury, the United States court of
appeals may, after due notice to and hearing of the parties to the ap-
peal, issue all necessary and appropriate process to postpone the ef-
fective date of the final order of the Board or to grant such other re-
lied as may be appropriate pending final determination of the appeal.

(e) The United States court of appeals may affirm, annul, or revise
the final order of the Board, or it may remand the proceeding to the
Board for such further action as it directs. The findings of the Board
as to facts, if supported by substantial evidence on the record consid-
ered as a whole, shall be conclusive.

(f) The decision of a United States court of appeals on an appeal
from the Board shall be final, subject only to review by the Supreme
Court as provided in section 1254 of title 28 of the United States Code.
MANDATORY REPORTING

SEC. 13. The Secretary shall require operators of mines which are subject to this Act to submit, at least annually and at such other times as he deems necessary, and in such form as he may prescribe, reports of accidents, injuries, and occupational diseases, and related data, and the Secretary shall compile, analyze, and publish, either in summary or detailed form, the information obtained; and all information, reports, orders, or findings, obtained or issued under this Act may be published and released to any interested person, and shall be made available for public inspection.

PENALTIES

SEC. 14. (a) Whenever an operator (1) violates or fails or refuses to comply with any order of withdrawal and debarment issued under section 8 or section 9 of this Act, or (2) interferes with, hinders, or delays the Secretary, or his duly authorized representative, in carrying out his duties under this Act, or (3) refuses to admit an authorized representative of the Secretary to any mine which is subject to this Act, or (4) refuses to permit the inspection or investigation of any mine which is subject to this Act, or of an accident, injury, or occupational disease occurring in or connected with such a mine or (5) being subject to the provisions of section 13 of this Act, refuses to furnish any information or report requested by the Secretary, a civil action for preventive relief, including an application for a permanent or temporary injunction, restraining order, or other order, may be instituted by the Secretary in the district court of the United States for the district in which the mine in question is located or in which the mine operator has its principal office.

(b) Whoever violates or fails or refuses to comply with an order of withdrawal and debarment issued (1) under subsection (a) of section 8 or (2) under subsection (b) of section 8 if the failure to comply with an order of abatement has created a danger that could cause death or serious physical harm in such mine immediately or before the imminence of such danger can be eliminated, shall upon conviction thereof be punished for each such offense by a fine of not less than $100, or more than $3,000, or by imprisonment not to exceed sixty days, or both. In any instance in which such offense is committed by a corporation, the officer or authorized representative of such corporation who knowingly permits such offense to be committed shall, upon conviction, be subject to the same fine or imprisonment, or both.

safety agency, a State plan for the development of such standards and their enforcement.

(c) The Secretary shall approve the plan submitted by a State under subsection (b), or any modification thereof, whenever the State gives evidence satisfactory to the Secretary that under such plan—

(1) the State agency submitting such plan is the sole agency responsible for administering the plan throughout the State and contains satisfactory evidence that such agency will have the authority to carry out the plan: Provided, That the Secretary may, upon request of the Governor or other appropriate executive or legislative authority of the State responsible for determining or revising the organizational structure of State government, waive the single State agency provision hereof and approve another State administrative structure or arrangement if the Secretary determines that the objectives of this Act will not be endangered by the use of such other State structure or arrangement,

(2) such agency has adequate legal authority to enforce existing health and safety standards for the purpose of the protection of life, the promotion of health and safety, and the prevention of accidents in mines in the State that are subject to this Act, which are, in his judgment, substantially as effective for such purposes as the mandatory standards designated under section 6(b) and which provide for inspection at least annually of all such mines, other than quarries and sand and gravel pits,

(3) the agency has adequate qualified personnel necessary for the enforcement of the plan,

(4) the State will devote adequate funds to the administration and enforcement of such standards,

(5) reasonable safeguards exist against loss of life or property arising from mines which are closed or abandoned after the effective date of this Act, and

(6) the agency shall make such reports to the Secretary, in such form and containing such information, as the Secretary shall require.

(6) improvement of service under the parcel post system in terms of reliability, delivery, and handling of parcels;
(7) the ability of the Post Office Department to handle parcels in excess of seventy-eight inches length and girth combined in an efficient, economical, and businesslike manner;
(8) the effect that the size increases effective on July 1, 1971, will have on the financial stability and continued operation of common carriers primarily engaged in express service, and on such carriers’ ability to maintain existing employee rights, privileges, levels, and conditions of employment;
(9) the advisability in terms of the public interest and the needs of the consumer and the shipper generally to permit parcels in excess of seventy-eight inches in length and girth combined to be carried by parcel post;
(10) the necessity for and type of protection to be afforded common carriers primarily engaged in express service and their employees if the Commission finds that it is in the public interest to permit the carriage by parcel post of parcels in excess of seventy-eight inches length and girth combined;
(11) such other matters relating to small parcel distribution as the Commission may deem appropriate.

(d) On or before January 1, 1968, the Commission shall submit to the President and the Congress an interim report concerning its activities during the preceding year, including such recommendations as it may deem appropriate. On or before January 1, 1969, the Commission shall submit to the President and the Congress its final report and recommendations. Such report shall include specific recommendations on the matters contained in paragraphs (8), (9), and (10) of subsection (c) of this section. If such Commission finds that the increases in parcel post size and weight limits established by this Act will seriously endanger the ability of common carriers primarily engaged in the express service to continue operations and are not in the public interest, Congress shall during the 91st Congress consider the advisability of further legislation to eliminate the increase in size limitations on parcel post to take effect on July 1, 1971, established by this Act.

(e) The Commission shall have the power to appoint and fix the compensation of an executive director and such other personnel as it deems advisable, in accordance with the provisions of the civil service laws and the Classification Act of 1949, as amended. The Commission may also procure, without regard to the civil service laws and the Classification Act of 1949, as amended, temporary and intermittent services to the same extent as is authorized for the departments by section 15 of the Act of August 2, 1946 (60 Stat. 810), but at rates not to exceed $100 per diem for individuals.

(f) The Commission is authorized to secure directly from any executive department, bureau, agency, board, commission, office, independent establishment, or instrumentality of the Federal Government information for the purposes of this section; and each such department, bureau, agency, board, commission, office, establishment, or instrumentality is authorized and directed to furnish such information directly to the Commission upon request made by the Chairman of the Commission.

(g) Members of the Commission shall each receive $100 per diem when engaged in the actual performance of duties vested in the Commission, including traveltime, and may receive travel expenses, includ-
ing per diem in lieu of subsistence, as authorized by section 5 of the Administrative Expenses Act of 1946 (5 U.S.C. 73b-2) for persons in the Government service employed intermittently.

(h) There are hereby authorized to be appropriated to the Commission such sums, not to exceed $100,000 for any year, as may be necessary to carry out the provisions of this section.

(i) The Commission shall cease to exist thirty days after the submission of the final report provided for in subsection (d).

Sec. 6. This section and section 5 shall become effective on the date of enactment of this Act. The provisions of the first section and section 2 of this Act shall become effective on January 15, 1967. The provisions of section 3 of this Act shall become effective on July 1, 1967.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the second sentence of section 203(b) of the Federal Farm Loan Act, as amended (12 U.S.C. 1042), relating to debentures issued by Federal intermediate credit banks, is amended by deleting “, not exceeding 6 per centum per annum” therefrom.

Approved September 20, 1966.
To authorize the Secretary of the Interior to construct, operate, and maintain the Tualatin Federal reclamation project, Oregon, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to supply irrigation water to approximately seventeen thousand acres of land in the Tualatin River Valley, Oregon, to develop municipal and industrial water supplies, to provide facilities for river regulation and control of floods, to enhance recreation opportunities, to provide for the conservation and development of fish and wildlife resources, and for other purposes, the Secretary of the Interior is authorized to construct, operate, and maintain the Tualatin Federal reclamation project in accordance with the Federal reclamation laws (Act of June 17, 1902 (32 Stat. 388), and Acts amendatory thereof and supplementary thereto). The principal features of the said project shall be a dam and reservoir on Scoggin Creek, canals, pumping plants and water distribution facilities.

Sec. 2. Irrigation repayment contracts shall provide, with respect to any contract unit, for repayment of the irrigation construction costs assigned for repayment to the irrigators over a period of not more than fifty years exclusive of any development period authorized by law. Construction costs allocated to irrigation beyond the ability of the irrigators to repay during the repayment period shall be returned to the reclamation fund within said repayment period from revenues derived by the Secretary from the disposition of power marketed through the Bonneville Power Administration. Power and energy required for irrigation water pumping for the Tualatin project shall be made available by the Secretary from the Federal Columbia River power system at charges determined by him.

Sec. 3. The conservation and development of the fish and wildlife resources and the enhancement of recreation opportunities in connection with the Tualatin project shall be in accordance with the provisions of the Federal Water Project Recreation Act (79 Stat. 213).

Sec. 4. (a) Costs of the project allocated to municipal water supply shall be repayable, with interest, by the municipal water users over a period of not more than fifty years from the date that water is first delivered for that purpose, pursuant to contracts with municipal corporations, or other organizations, as defined in section 2(g) of the Reclamation Project Act of 1939 (53 Stat. 1187). Contracts may be entered into with water users’ organizations pursuant to the provisions of this Act without regard to the last sentence of subsection 9(c) of the Reclamation Project Act of 1939, supra.

(b) The interest rate used for computing interest during construction and interest on the unpaid balance of the costs of the project allocated to municipal water supply shall be determined by the Secretary of the Treasury, as of the beginning of the fiscal year in which construction is commenced, on the basis of the computed average interest rate payable by the Treasury upon its outstanding marketable public obligations which are neither due nor callable for redemption for fifteen years from date of issue, and by adjusting such interest rate to the nearest multiple of one-eighth of one cent if the computed average interest rate is not a multiple of one-eighth of one cent. Costs of the project allocated to highway transportation shall be nonreimbursable in accordance with section 208 of the Flood Control Act of 1962 (76 Stat. 1196).

Sec. 5. For a period of ten years from the date of enactment of this Act, no water shall be delivered to any water user on the Tualatin
project for the production on newly irrigated lands of any basic agricultural commodity, as defined in the Agricultural Act of 1949, or any amendment thereof, if the total supply of such commodity for the marketing year in which the bulk of the crop would normally be marketed is in excess of the normal supply as defined in section 301(b)(10) of the Agricultural Adjustment Act of 1938, as amended, unless the Secretary of Agriculture calls for an increase in production of such commodity in the interest of national security.

Sec. 6. There is hereby authorized to be appropriated for the construction of the Tualatin project the sum of $20,900,000 (January 1965 prices) plus or minus such amounts, if any, as may be justified by reason of ordinary fluctuations in construction costs as indicated by engineering cost indexes applicable to the types of construction involved therein, and, in addition thereto, such sums as may be required to operate and maintain said project.

instruments in writing shall not exceed in amount the principal
of the outstanding indebtedness to be refunded and the accrued
interest thereon to the date of such refunding.

“(8) To provide that all negotiable notes, bonds and other

(c) No additional power or powers shall be exercised by such Kansas City Area Transportation Authority under part (11) of article III of such compact unless and until such power or powers are conferred upon such Authority by the legislature of one of the States participating in the compact, agreed to by the legislature of the other participating State, and consented to by the Congress of the United States.

AN ACT

To direct the Secretary of Interior to cooperate with the States of New York and New Jersey on a program to develop, preserve, and restore the resources of the Hudson River and its shores and to authorize certain necessary steps to be taken to protect those resources from adverse Federal actions until the States and Congress shall have had an opportunity to act on that program.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Congress hereby finds and declares that the Hudson River Basin contains resources of immense economic, natural, scenic, historic, and recreation value to all the citizens of the United States; that the States of New York and New Jersey (hereinafter referred to as the “States”) are now working toward a joint program to develop, preserve, and restore the resources of the Hudson River and have requested the aid and participation of the Federal Government; that it is in the best interests of the citizens of the United States that the Federal Government lend aid and assistance to the States, their political subdivisions, and agencies in developing a compact to assure the development, preservation, and restoration of the natural, scenic, historic, and recreational resources of the Hudson River Basin; and that it is the sense of the Congress that Federal departments and agencies should, insofar as possible, consider the effect of projects or actions upon achievement of the objectives of this Act until the compact has been acted upon by the States and the Federal Government.

SEC. 2. As used in this Act, the term—

(a) “The Hudson River” means the Hudson River and its tributaries from their source to the mouth of the Lower Bay.
(b) "The Hudson River Basin" means the Hudson River and those parts of the States of New York, New Jersey, Vermont, Massachusetts, and Connecticut within and from which water naturally drains into the Hudson River.

(c) "The Hudson Riverway" means the Hudson River and related land.

Sec. 3. The consent of the Congress is hereby given to the States of New York and New Jersey and, if they or any of them wish to participate, the States of Vermont, Massachusetts and Connecticut to negotiate with each other and with the United States for the purpose of entering into a compact relating to the preservation, restoration, utilization and development of the natural, scenic, historic, and recreational resources of those portions of the Hudson River Basin which lie within the boundaries of the participating States. The Secretary of the Interior shall serve as the representative of the United States in such negotiations, shall consult with the heads of other Federal agencies concerned, and shall make a report to the President on the negotiations and on such terms of a compact as may have been agreed to by the negotiators not later than July 1, 1968, and may include in said report his recommendations concerning the matters covered therein or omitted therefrom. The Secretary's report shall include his recommendations concerning the need for and the preparation of a comprehensive plan and standards for carrying out the purposes of this Act and for enforcement of the terms of the compact. The President shall transmit the report to the Congress together with such recommendations as he may deem appropriate. No compact negotiated pursuant to this Act shall be binding or obligatory upon any of the parties thereto unless and until the same shall have been ratified by the States of New York and New Jersey and by any other State to which its terms apply and consented to or approved by an Act of Congress.

Sec. 4. In the negotiation of the compact consideration shall be given to:

(a) the need to encourage all beneficial uses of the lands and waters of the Hudson Riverway including, but not limited to, commercial, industrial, and other economic development consistent with the preservation and rehabilitation of the natural, scenic, historical, and recreational resources of the Hudson Riverway;

(b) the need to encourage and support local and State autonomy and initiative in planning and action to develop, preserve, and restore the land and waters of the Hudson Riverway, in so far as such planning and action is consistent with comprehensive development, preservation, and restoration of the natural, scenic, historic, and recreation resources of the Hudson Riverway;

(c) the need to abate water pollution, protect clean water, and develop the water resources of the Hudson Riverway for beneficial use;

(d) the need to preserve, enhance, and rehabilitate the scenic beauty of the Hudson Riverway;

(e) the need to preserve, enhance, and develop archeological and historic sites, shrines, or structures along the Hudson Riverway; and

(f) the need to protect and enhance the fish and wildlife and other natural resources of the Hudson Riverway.

Sec. 5. In order to avoid, in so far as possible, decisions or actions by any department, agency, or instrumentality of the United States which could unfavorably affect or alter any resource of the Hudson Riverway having substantial natural, scenic, historic, or recreational
value until such time as the States and the United States shall have had an opportunity to negotiate a compact, all departments, agencies, and instrumentalities of the United States shall consult with the Secretary concerning any plans, programs, projects, and grants under their jurisdiction within or affecting the Hudson Riverway. Any Federal department, agency, or instrumentality before which there is pending an application for a license for an activity which may affect the resources of the Hudson Riverway shall notify the Secretary and, before taking final action on such application, shall allow the Secretary ninety days to present his views on the matter. These requirements shall not apply to any applicant for a license which was pending and being actively pursued on July 1, 1966, and shall cease to apply three years after the date of this Act, or whenever a compact has been consented to or approved by the Congress, whichever occurs first.

However, the authority to exceed the authorized strengths by 1,000 for the grade of lieutenant colonel, and 1,500 for the grade of major authorized by this section may be used only in the event that drastic reductions or increases in the authorized strength of the commissioned
officers on active duty in the Air Force occur within a short period of time and that such changes seriously impede promotions to the grade of major and lieutenant colonel as determined by the Secretary of the Air Force, who shall notify the Committees on Armed Services of the Senate and of the House of Representatives not later than 60 days following the utilization of any of the numbers covered in this sentence. That this Act may be cited as the "Child Nutrition Act of 1966".

DECLARATION OF PURPOSE

Sec. 2. In recognition of the demonstrated relationship between food and good nutrition and the capacity of children to develop and learn, based on the years of cumulative successful experience under the national school lunch program with its significant contributions in the field of applied nutrition research, it is hereby declared to be the policy of Congress that these efforts shall be extended, expanded, and strengthened under the authority of the Secretary of Agriculture as a measure to safeguard the health and well-being of the Nation's children, and to encourage the domestic consumption of agricultural and other foods, by assisting States, through grants-in-aid and other means, to meet more effectively the nutritional needs of our children.

SPECIAL MILK PROGRAM AUTHORIZATION

Sec. 3. There is hereby authorized to be appropriated for the fiscal year ending June 30, 1967, not to exceed $110,000,000; for the fiscal year ending June 30, 1968, not to exceed $115,000,000; and for each
of the two succeeding fiscal years not to exceed $120,000,000, to enable the Secretary of Agriculture, under such rules and regulations as he may deem in the public interest, to encourage consumption of fluid milk by children in the United States in (1) nonprofit schools of high school grade and under, and (2) nonprofit nursery schools, child-care centers, settlement houses, summer camps, and similar nonprofit institutions devoted to the care and training of children. For the purposes of this section "United States" means the fifty States and the District of Columbia. The Secretary shall administer the special milk program provided for by this section to the maximum extent practicable in the same manner as he administered the special milk program provided for by Public Law 85-478, as amended, during the fiscal year ended June 30, 1966.

SCHOOL BREAKFAST PROGRAM AUTHORIZATION

SEC. 4. (a) There is hereby authorized to be appropriated for the fiscal year ending June 30, 1967, not to exceed $7,500,000; and for the fiscal year ending June 30, 1968, not to exceed $10,000,000, to enable the Secretary to formulate and carry out, on a nonpartisan basis, a pilot program to assist States through grants-in-aid and other means, to initiate, maintain, or expand nonprofit breakfast programs in schools.

APPORTIONMENT TO STATES

(b) Of the funds appropriated for the purposes of this section, the Secretary shall for each fiscal year, (1) apportion $2,600,000 equally among the States other than Guam, the Virgin Islands, and American Samoa, and $45,000 equally among Guam, the Virgin Islands, and American Samoa, and (2) apportion the remainder among the States in accordance with the apportionment formula contained in section 4 of the National School Lunch Act, as amended.

STATE DISBURSEMENT TO SCHOOLS

(c) Funds apportioned and paid to any State for the purpose of this section shall be disbursed by the State educational agency to schools selected by the State educational agency, to reimburse such schools for the cost of obtaining agricultural and other foods for consumption by needy children in a breakfast program and for the purpose of subsection (d). Such food costs may include, in addition to the purchase price, the cost of processing, distributing, transporting, storing, and handling. Disbursement to schools shall be made at such rates per meal or on such other basis as the Secretary shall prescribe. In selecting schools, the State educational agency shall, to the extent practicable, give first consideration to those schools drawing attendance from areas in which poor economic conditions exist and to those schools to which a substantial proportion of the children enrolled must travel long distances daily.

(d) In circumstances of severe need where the rate per meal established by the Secretary is deemed by him insufficient to carry on an effective breakfast program in a school, the Secretary may authorize financial assistance up to 80 per centum of the operating costs of such a program, including cost of obtaining, preparing, and serving food. In the selection of schools to receive assistance under this section, the State educational agency shall require applicant schools to provide justification of the need for such assistance.
NUTRITIONAL AND OTHER PROGRAM REQUIREMENTS

(e) Breakfasts served by schools participating in the school breakfast program under this section shall consist of a combination of foods and shall meet minimum nutritional requirements prescribed by the Secretary on the basis of tested nutritional research. Such breakfasts shall be served without cost or at a reduced cost only to children who are determined by local school authorities to be unable to pay the full cost of the breakfast. In making such determinations, such local authorities should, to the extent practicable, consult with public welfare and health agencies. No physical segregation of or other discrimination against any child shall be made by the school because of his inability to pay.

NONPROFIT PRIVATE SCHOOLS

(f) The withholding of funds for and disbursement to nonprofit private schools will be effected in accordance with section 10 of the National School Lunch Act, as amended, exclusive of the matching provisions thereof.

NONFOOD ASSISTANCE PROGRAM AUTHORIZATION

In the case of nonprofit private schools, such equipment shall be for use of such schools principally in connection with child feeding programs authorized in this Act and in the National School Lunch Act, as amended, and in the event such equipment is no longer so used, that part of such equipment financed with Federal funds, or the residual value thereof, shall revert to the United States.

APPORTIONMENTS TO STATES

(b) The Secretary shall apportion the funds appropriated for the purposes of this section among the States during each fiscal year on the same basis as apportionments are made under section 4 of the National School Lunch Act, as amended, for supplying agricultural and other foods, except that apportionment to American Samoa for any fiscal year shall be on the same basis as the apportionment to the other States. Payments to any State of funds apportioned for any fiscal year shall be made upon condition that at least one-fourth of the cost of any equipment financed under this subsection shall be borne by State or local funds.

STATE DISBURSEMENT TO SCHOOLS

(c) Funds apportioned and paid to any State for the purpose of this section shall be disbursed by the State educational agency to as-

In the selection of schools to receive assistance under this section, the State educational agency shall require applicant schools to provide justification of the need for such assistance and the inability of the school to finance the food service equipment needed. Disbursements to any school may be made, by advances or reimbursements, only after approval by the State educational agency of a request by the school for funds, accompanied by a detailed description of the equipment to be acquired and the plans for the use thereof in effectively meeting the nutritional needs of children in the school.

AN ACT

To amend the Atomic Energy Act of 1954, as amended.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) section 11 of the Atomic Energy Act of 1954, as amended, is amended—

(1) by redesignating subsections j. and k. as subsections k. and l., respectively, and by redesignating subsections l. through aa. as subsections n. through cc., respectively;

(2) by inserting after subsection i. the following new subsection:

"j. The term 'extraordinary nuclear occurrence' means any event causing a discharge or dispersal of source, special nuclear, or byproduct material from its intended place of confinement in amounts offsite, or causing radiation levels offsite, which the Commission determines to be substantial, and which the Commission determines has resulted or will probably result in substantial damages to persons offsite or property offsite. Any determination by the Commission that such an event has, or has not, occurred shall be final and conclusive, and no other official or any court shall have power or jurisdiction to review any such determination. The Commission shall establish criteria in writing setting forth the basis upon which such determination shall be made. As used in this subsection, 'offsite' means away from 'the location' or 'the contract location' as defined in the applicable Commission indemnity agreement, entered into pursuant to section 170."

(3) by inserting after the subsection redesignated as subsection l. by paragraph (1) of this subsection the following new subsection:

"m. The term 'indemnitor' means (1) any insurer with respect to his obligations under a policy of insurance furnished as proof of financial protection; (2) any licensee, contractor or other person who is obligated under any other form of financial protection, with respect to such obligations; and (3) the Commission with respect to any obligation undertaken by it in an indemnity agreement entered into pursuant to section 170.";

(4) by inserting after the subsection redesignated as subsection q. by paragraph (1) of this section.

(b) Section 109 of such Act is amended by striking out "subsection 11t.(2) or 11aa.(2)" and inserting in lieu thereof "subsection 11v.(2) or 11cc.(2)".

Sec. 2. Subsection 170 e. of the Atomic Energy Act of 1954, as amended, is amended by deleting the last sentence.

Sec. 3. Section 170 of the Atomic Energy Act of 1954, as amended, is amended by adding at the end thereof the following new subsections:

"m. The Commission is authorized to enter into agreements with other indemnitors to establish coordinated procedures for the prompt handling, investigation, and settlement of claims for public liability. The Commission and other indemnitors may make payments to, or for the aid of, claimants for the purpose of providing immediate assistance following a nuclear incident. Any funds appropriated to the Commission shall be available for such payments. Such payments may be made without securing releases, shall not constitute an admission of the liability of any person indemnified or of any indemnitor, and shall operate as a satisfaction to the extent thereof of any final settlement or judgment.
"n. (1) With respect to any extraordinary nuclear occurrence to which an insurance policy or contract furnished as proof of financial protection or an indemnity agreement applies and which—

"(a) arises out of or results from or occurs in the course of the construction, possession, or operation of a production or utilization facility, or
"(b) arises out of or results from or occurs in the course of transportation of source material, byproduct material, or special nuclear material to or from a production or utilization facility, or
"(c) during the course of the contract activity arises out of or results from the possession, operation, or use by a Commission contractor or subcontractor of a device utilizing special nuclear material or byproduct material,

the Commission may incorporate provisions in indemnity agreements with licensees and contractors under this section, and may require provisions to be incorporated in insurance policies or contracts furnished as proof of financial protection, which waive (i) any issue or defense as to conduct of the claimant or fault of persons indemnified, (ii) any issue or defense as to charitable or governmental immunity, and (iii) any issue or defense based on any statute of limitations if suit is instituted within three years from the date on which the claimant first knew, or reasonably could have known, of his injury or damage and the cause thereof, but in no event more than ten years after the date of the nuclear incident. The waiver of any such issue or defense shall be effective regardless of whether such issue or defense may otherwise be deemed jurisdictional or relating to an element in the cause of action. When so incorporated, such waivers shall be judicially enforceable in accordance with their terms by the claimant against the person indemnified. Such waivers shall not preclude a defense based upon a failure to take reasonable steps to mitigate damages, nor shall such waivers apply to injury or damage to a claimant or to a claimant's property which is intentionally sustained by the claimant or which results from a nuclear incident intentionally and wrongfully caused by the claimant. The waivers authorized in this subsection shall, as to indemnitors, be effective only with respect to those obligations set forth in the insurance policies or the contracts furnished as proof of financial protection and in the indemnity agreements. Such waivers shall not apply to, or prejudice the prosecution or defense of, any claim or portion of claim which is not within the protection afforded under (i) the terms of insurance policies or contracts furnished as proof of financial protection, or indemnity agreements, and (ii) the limit of liability provisions of subsection 170 e.

"(2) With respect to any public liability action arising out of or resulting from an extraordinary nuclear occurrence, the United States district court in the district where the extraordinary nuclear occurrence takes place, or in the case of an extraordinary nuclear occurrence taking place outside the United States, the United States District Court for the District of Columbia, shall have original jurisdiction without regard to the citizenship of any party or the amount in controversy. Upon motion of the defendant or of the Commission, any such action pending in any State court or United States district court shall be removed or transferred to the United States district court having venue under this subsection. Process of such district court shall be effective throughout the United States.

"o. Whenever the United States district court in the district where a nuclear incident occurs, or the United States District Court for the District of Columbia in case of a nuclear incident occurring outside the United States, determines upon the petition of any indemnitor or
other interested person that public liability from a single nuclear incident may exceed the limit of liability under subsection 170 e.:

“(1) Total payments made by or for all indemnitors as a result of such nuclear incident shall not exceed 15 per centum of such limit of liability without the prior approval of such court;

“(2) The court shall not authorize payments in excess of 15 per centum of such limit of liability unless the court determines that such payments are or will be in accordance with a plan of distribution which has been approved by the court or such payments are not likely to prejudice the subsequent adoption and implementation by the court of a plan of distribution pursuant to subparagraph (3) of this subsection (o); and

“(3) The Commission shall, and any other indemnitor or other interested person may, submit to such district court a plan for the disposition of pending claims and for the distribution of remaining funds available. Such a plan shall include an allocation of appropriate amounts for personal injury claims, property damage claims, and possible latent injury claims which may not be discovered until a later time. Such court shall have all power necessary to approve, disapprove, or modify plans proposed, or to adopt another plan; and to determine the proportionate share of funds available for each claimant. The Commission, any other indemnitor, and any person indemnified shall be entitled to such orders as may be appropriate to implement and enforce the provisions of this section, including orders limiting the liability of the persons indemnified, orders approving or modifying the plan, orders staying the payment of claims and the execution of court judgments, orders apportioning the payments to be made to claimants, and orders permitting partial payments to be made before final determination of the total claims. The orders of such court shall be effective throughout the United States.”

To provide for the establishment of the Bighorn Canyon National Recreation Area, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) in order to provide for public outdoor recreation use and enjoyment of the proposed Yellowtail Reservoir and lands adjacent thereto in the States of Wyoming and Montana by the people of the United States and for preservation of the scenic, scientific, and historic features contributing to public enjoyment of such lands and waters, there is hereby established the Bighorn Canyon National Recreation Area to comprise the area generally depicted on the drawing entitled “Proposed Bighorn Canyon National Recreation Area”, LNPMW-010A-BC, November 1964, which is on file in the Office of the National Park Service, Department of the Interior.

(b) As soon as practicable after approval of this Act, the Secretary of the Interior shall publish in the Federal Register a detailed description of the boundaries of the area which shall encompass, to the extent practicable, the lands and waters shown on the drawing referred to in subsection (a) of this section. The Secretary may subsequently make adjustments in the boundary of the area, subject to the provisions of subsection 2(b) of this Act, by publication of an amended description in the Federal Register.

Sec. 2. (a) The Secretary is authorized to acquire by donation, purchase with donated or appropriated funds, exchange, or otherwise, lands and interests in lands within the boundaries of the area. The Secretary is further authorized to acquire, by any of the above methods, not to exceed ten acres of land or interests therein outside of the boundaries of the area in the vicinity of Lovell, Wyoming, for development and use, pursuant to such special regulations as he may promulgate, as a visitor contact station and administrative site. In the exercise of his exchange authority the Secretary may accept title to any non-Federal property within the area and convey in exchange therefor any federally owned property under his jurisdiction in the States of Montana and Wyoming which he classifies as suitable for exchange or other disposal, notwithstanding any other provision of law. Property so exchanged shall be approximately equal in fair market value:
Provided. That the Secretary may accept cash from, or pay cash to, the grantor in such an exchange in order to equalize the values of the properties exchanged. Any property or interest therein owned by the State of Montana or the State of Wyoming or any political subdivision thereof within the recreation area may be acquired only by donation or exchange.

(b) No part of the tribal mountain lands or any other lands of the Crow Indian Tribe of Montana shall be included within the recreation area unless requested by the council of the tribe. The Indian lands so included may be developed and administered in accordance with the laws and rules applicable to the recreation area, subject to any limitation specified by the tribal council and approved by the Secretary.

(c) (1) Notwithstanding any other provisions of this Act or of any other law, the Crow Indian Tribe shall be permitted to develop and operate water-based recreational facilities, including landing ramps, boathouses, and fishing facilities, along that part of the shoreline of Yellowtail Reservoir which is adjacent to lands comprising the Crow Indian Reservation. Any such part so developed shall be administered in accordance with the laws and rules applicable to the recreation area, subject to any limitations specified by the tribal council and approved by the Secretary. Any revenues resulting from the operation of such facilities may be retained by the Crow Indian Tribe.

(2) As used in this subsection, the term "shoreline" means that land which borders both Yellowtail Reservoir and the exterior boundary of the Crow Indian Reservation, together with that part of the reservoir necessary to the development of the facilities referred to in this subsection.

Sec. 3. (a) The Secretary shall coordinate administration of the recreation area with the other purposes of the Yellowtail Reservoir project so that it will in his judgment best provide (1) for public outdoor recreation benefits, (2) for conservation of scenic, scientific, historic, and other values contributing to public enjoyment and (3) for management, utilization, and disposal of renewable natural resources in a manner that promotes, or is compatible with, and does not significantly impair, public recreation and conservation of scenic, scientific, historic, or other values contributing to public enjoyment.

(b) In the administration of the area for the purposes of this Act, the Secretary may utilize such statutory authorities relating to areas administered and supervised by the Secretary through the National Park Service and such statutory authorities otherwise available to him for the conservation and management of natural resources as he deems appropriate to carry out the purposes of this Act.

Sec. 4. The Secretary shall permit hunting and fishing on lands and waters under his jurisdiction within the recreation area in accordance with the appropriate laws of the United States and of the States of Montana or Wyoming to the extent applicable, except that the Secretary may designate zones where, and establish periods when, no hunting or fishing shall be permitted for reasons of public safety, administration, fish or wildlife management, or public use and enjoyment, and except that nothing in this section shall impair the rights under other law of the Crow Tribe and its members to hunt and fish on lands of the Crow Tribe that are included in the recreation area, or the rights of the members of the Crow Tribe to hunt and fish under section 2 (d) of the Act of July 15, 1958. Except in emergencies, any regulations of the Secretary pursuant to this section shall be put into effect only after consultation with the Montana Fish and Game Department or the Wyoming Game and Fish Commission.

AN ACT

To provide for the establishment of the Guadalupe Mountains National Park in the State of Texas, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, in order to preserve in public ownership an area in the State of Texas possessing outstanding geological values together with scenic and other natural values of great significance, the Secretary of the Interior shall establish the Guadalupe Mountains National Park, consisting of the land and interests in land within the area shown on the drawing entitled "Proposed Guadalupe Mountains National Park, Texas", numbered SA-GM-7100C and dated February 1965, which is on file and available for public inspection in the offices of the National Park Service, Department of the Interior.

Notwithstanding the foregoing, however, the Secretary shall omit from the park sections 7 and 17, P.S.L. Block 121, in Hudspeth County, and revise the boundaries of the park accordingly if the owner of said sections agrees, on behalf of himself, his heirs and assigns that there will not be erected thereon any structure which, in the judgment of the Secretary, adversely affects the public use and enjoyment of the park.

Sec. 2. (a) Within the boundaries of the Guadalupe Mountains National Park, the Secretary of the Interior may acquire land or interests therein by donation, purchase with donated or appropriated funds, exchange, or in such other manner as he deems to be in the public interest. Any property, or interest therein, owned by the State of Texas, or any political subdivision thereof, may be acquired only with the concurrence of such owner.

(b) In order to facilitate the acquisition of privately owned lands in the park by exchange and avoid the payment of severance costs, the Secretary of the Interior may acquire approximately 4,667 acres of land or interests in land which lie adjacent to or in the vicinity of the park. Land so acquired outside the park boundary may be exchanged by the Secretary on an equal-value basis, subject to such terms, conditions, and reservations as he may deem necessary, for privately owned land located within the park. The Secretary may accept cash from or pay cash to the grantor in such exchange in order to equalize the values of the properties exchanged.

Sec. 3. (a) When title to all privately owned land within the boundary of the park, subject to such outstanding interests, rights, and easements as the Secretary determines are not objectionable, with the exception of approximately 4,674 acres which are planned to be acquired by exchange, is vested in the United States and after the State of Texas has donated or agreed to donate to the United States whatever rights and interests in minerals underlying the lands within the boundaries of the park it may have and other owners of such rights and interests have donated or agreed to donate the same to the United States, notice thereof and notice of the establishment of the Guadalupe Mountains National Park shall be published in the Federal Register. Thereafter, the Secretary may continue to acquire the remaining land and interests in land within the boundaries of the park. The Secretary is authorized, pending establishment of the park, to negotiate and acquire options for the purchase of lands and interests in land within the boundaries of the park. He is further authorized to execute contracts for the purchase of such lands and interests, but the liability of the United States under any such contract shall be contingent on the availability of appropriated or donated funds to fulfill the same.

(b) In the event said lands or any part thereof cease to be used for national park purposes, the persons (including the State of Texas)
who donated to the United States rights and interests in minerals in the lands within the park shall be given notice, in accordance with regulations to be prescribed by the Secretary, of their preferential right to a reconveyance, without consideration, of the respective rights and interests in minerals which they donated to the United States. Such notice shall be in a form reasonably calculated to give actual notice to those entitled to such preferential right, and shall provide for a period of not less than one hundred and eighty days within which to exercise such preferential right. The preferential right to such reconveyance shall inure to the benefit of the successors, heirs, devisees, or assigns of such persons having such preferential right to a reconveyance, and such successors, heirs, devisees, or assigns shall be given the notice provided for in this subsection.

(c) Such rights and interests in minerals, including all minerals of whatever nature, in and underlying the lands within the boundaries of the park and which are acquired by the United States under the provisions of this Act are hereby withdrawn from leasing and are hereby excluded from the application of the present or future provisions of the Mineral Leasing Act for Acquired Lands (Aug. 7, 1947, c. 513, 61 Stat. 913) or other Acts in lieu thereof having the same purpose, and the same are hereby also excluded from the provisions of all present and future laws affecting the sale of surplus property or of said mineral interests acquired pursuant to this Act by the United States or any department or agency thereof, except that, if such person having such preferential right to a reconveyance fails or refuses to exercise such preferential right to a reconveyance as provided in subparagraph (b) next above, then this subsection (c) shall not be applicable to the rights and interests in such minerals in the identical lands of such person so failing or refusing to exercise such preferential right to a reconveyance from and after the one hundred and eighty-day period referred to in subparagraph (b) next above.

(d) If at any time in the future an Act of Congress provides that the national welfare or an emergency requires the development and production of the minerals underlying the lands within the boundaries of the national park, or any portion thereof, and such Act of Congress, notwithstanding the provisions of subsection (c) of this section or any other Act, authorizes the Secretary to lease said land for the purpose of drilling, mining, developing, and producing said minerals, the Secretary shall give to the persons (including the State of Texas) who donated such minerals to the United States notice of their preferential right to lease, without consideration, all or any part of the respective rights and interests in minerals which they donated to the United States, subject to such terms and conditions as the Secretary may prescribe. Such preferential right shall inure to the benefit of the successors or assigns, and of the heirs or devisees of such persons having such preferential right in the premises. The persons entitled to a preferential right under this subsection shall be given the same notice thereof as persons entitled to preferential rights under subsection (b) of this section. If such person having such preferential right fails or refuses to exercise such right within the time specified in the above notice, the Secretary may thereafter lease the minerals involved to any other person under such terms and conditions as he may prescribe.

(e) If at any time oil, gas, or other minerals should be discovered and produced in commercial quantities from lands outside of the boundaries of the park, thereby causing drainage of oil, gas, or other minerals from lands within the boundaries of the park, and if the Secretary participates in a communitization agreement or takes other action to protect the rights of the United States, the proceeds, if any, derived from such agreement or action shall inure to the benefit of the

30 USC 351 note.
donors of the oil, gas, or other minerals, or their successors, heirs, devisees, or assigns.

Sec. 5. Any funds available for the purpose of administering the five thousand six hundred and thirty-two acres of lands previously donated to the United States in Culberson County, Texas, shall upon establishment of the Guadalupe Mountains National Park pursuant to this Act be available to the Secretary for purposes of such park.

Sec. 6. There are hereby authorized to be appropriated such sums, but not more than $1,800,000 in all, as may be necessary for the acquisition of lands and interest in lands, and not more than $10,362,000, as may be necessary for the development of the Guadalupe Mountains National Park.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, in order to preserve for the benefit, inspiration, education, recreational use, and enjoyment of the public a significant portion of the diminishing shoreline of the United States and its related geographic and scientific features, the Secretary of the Interior (hereinafter referred to as the "Secretary") is authorized to take appropriate action, as herein provided, to establish in the State of Michigan the Pictured Rocks National Lakeshore.

Sec. 2. The area comprising that particular land and water depicted on the map identified as "Proposed Pictured Rocks National Lakeshore, United States Department of the Interior, National Park Service, Boundary Map, NL-PR-7100A, July 1966", which is on file and available for public inspection in the office of the National Park Service of the Department of the Interior, is hereby designated for establishment as the Pictured Rocks National Lakeshore. An exact copy of such map shall be filed for publication in the Federal Register within thirty days following the date of enactment of this Act.

Sec. 3. As soon as practicable after the date of enactment of this Act and following the acquisition by the Secretary of an acreage within the boundaries of the area which in his opinion is efficiently administrable for the purposes of this Act, he shall establish the Pictured Rocks National Lakeshore by publication of notice thereof in the Federal Register.

Sec. 4. (a) There is hereby established a Pictured Rocks National Lakeshore Advisory Commission. Said commission shall terminate ten years after the date the lakeshore is established pursuant to this Act.

(b) The commission shall be composed of five members, each appointed for a term of two years by the Secretary, as follows:

(1) Two members to be appointed from recommendations made by the county in which the lakeshore is situated;
(2) Two members to be appointed from recommendations made by the Governor of the State of Michigan; and
(3) One member to be designated by the Secretary.
(c) The Secretary shall designate one member to be chairman. Any vacancy in the commission shall be filled in the same manner in which the original appointment was made.
(d) Members of the commission shall serve without compensation as such. The Secretary is authorized to pay the expenses reasonably incurred by the commission in carrying out its responsibilities under this Act on vouchers signed by the chairman.
(e) The Secretary or his designee shall, from time to time, consult with the commission with respect to the matters relating to the development of the Pictured Rocks National Lakeshore.

Sec. 5. In administering the lakeshore the Secretary shall permit hunting and fishing on lands and waters under his jurisdiction in accordance with the applicable laws of the United States and of Michigan. The Secretary, after consultation with the Michigan Department of Conservation, may designate zones and establish periods where and when no hunting shall be permitted for reasons of public safety, administration, or public use and enjoyment. The Secretary shall, after consultation with such department, issue regulations, consistent with this section, as he may determine necessary to carry out the purposes of this section.

Sec. 6. (a) The administration, protection, and development of the Pictured Rocks National Lakeshore shall be exercised by the Secretary, subject to the provisions of the Act of August 25, 1916 (39 Stat. 535; 16 U.S.C. 1 et seq.), as amended and supplemented, relating to the areas administered and supervised by the Secretary through the National Park Service; except that authority otherwise available to the Secretary for the conservation and management of natural resources may be utilized to the extent he finds such authority will further the purposes of this Act.
(b) In the administration, protection, and development of the lakeshore, the Secretary shall prepare and implement a land and water use management plan, which shall include specific provision for—
(1) development of facilities to provide the benefits of public recreation, including a scenic shoreline drive;
(2) protection of scenic, scientific, and historic features contributing to public enjoyment; and
(3) such protection, management, and utilization (subject to the provisions of sections 9 and 10 of this Act) of renewable natural resources, including forage and forest products, as in the judgment of the Secretary is consistent with, and does not significantly impair public recreation and protection of scenic, scientific, and historic features contributing to public enjoyment.

Sec. 7. Nothing in this Act shall be construed as prohibiting any governmental jurisdiction in the State of Michigan from assessing taxes upon any interest in real estate retained under the provisions of section 11 of this Act to the owner of such interest.

Sec. 8. (a) The Secretary is authorized, subject to the limitations, conditions, and restrictions imposed by this Act, to acquire the land, water, and other property, and improvements therein, and any interests therein (including easements) within the boundary described in section 2 of this Act by donation, purchase with donated or appropriated funds, transfer from any Federal agency, exchange, or condemnation; except that such authority to acquire by condemnation shall be exercised only in the manner and to the extent specifically authorized in this Act.
(b) In exercising his authority to acquire property under this Act, the Secretary shall give immediate and careful consideration to any offer made by an individual owning property within the lakeshore to sell such property to the Secretary. In considering any such offer, the Secretary shall take into consideration any hardship to the owner which might result from any undue delay in acquiring his property.

(c) Any property or interests therein, owned by the State of Michigan, or any political subdivisions thereof, may be acquired only by donation. Notwithstanding any other provision of law, any Federal property located within such area may, with the concurrence of the agency having custody thereof, be transferred without consideration to the administrative jurisdiction of the Secretary for use by him in carrying out the provisions of this Act.

(d) The Secretary shall make every reasonable effort to acquire property through negotiation and purchase. Where agreement is not reached and condemnation proceedings are filed, the owner of such property shall be paid the fair market value thereof as determined in such proceedings.

(e) Nothing in this Act shall be construed to prohibit the use of condemnation as a means of acquiring a clear and marketable title, free of any and all encumbrances.

(f) In exercising his authority to acquire property by exchange the Secretary may accept title to any non-Federal property within the area designated by section 2 of this Act for inclusion in the lakeshore, and in exchange therefor he may convey to the grantor of such property any federally owned property under his jurisdiction within the State of Michigan which he classifies as suitable for exchange or other disposal. The values of the properties so exchanged either shall be approximately equal or, if they are not approximately equal, the values shall be equalized by the payment of cash to the grantor or to the Secretary as the circumstances require.

Sec. 9. (a) The area hereinafter described in subsection (b) of this section is hereby established as an inland buffer zone in order to stabilize and protect the existing character and uses of the lands, waters, and other properties within such zone for the purpose of preserving the setting of the shoreline and lakes, protecting the watersheds and streams, and providing for the fullest economic utilization of the renewable resources through sustained yield timber management and other resource management compatible with the purposes of this Act.

(b) As used in this Act, the term "inland buffer zone" means that part of the lakeshore delineated as such on the map identified as "Proposed Pictured Rocks National Lakeshore, United States Department of the Interior, National Park Service, Boundary Map, NL-PR-7100A, July, 1966". The Secretary shall file the map with the Office of the Federal Register, and it may also be examined in the Offices of the Department of the Interior.

Sec. 10. The Secretary shall be prohibited from acquiring by condemnation any (1) improved property within the inland buffer zone, or (2) property within the inland buffer zone during all times when, in his judgment, such property is being used (A) for the growing and harvesting of timber under a scientific program of selective cutting and forest management, or (B) for commercial purposes, if such commercial purposes are the same such purposes for which such property is being used on December 31, 1964, so long as the use of such improved or other property would further the purposes of this Act and such use does not impair the usefulness and attractiveness of the lakeshore.

(b) As used in this Act, the term "improved property" shall mean any one-family dwelling on which construction was begun before December 31, 1964, together with so much of the land on which the
dwelling is situated (such land being in the same ownership as the dwelling) as shall be reasonably necessary for the enjoyment of the dwelling.

Sec. 11. (a) Any owner or owners of improved property on the date of its acquisition by the Secretary may, as a condition to such acquisition, retain, for a term of not to exceed twenty-five years, or for a term ending at the death of such owner or owners, the right of use and occupancy of such property for any residential purpose which is not incompatible with the purposes of this Act or which does not impair the usefulness and attractiveness of the area designated for inclusion. The Secretary shall pay to the owner the value of the property on the date of such acquisition, less the value on such date of the right retained by the owner. Where any such owner retains a right of use and occupancy as herein provided, such right during its existence may be conveyed or leased for noncommercial residential purposes in accordance with the provisions of this section.

(b) Any deed or other instrument used to transfer title to property, with respect to which a right of use and occupancy is retained under this section, shall provide that such property shall not be used for any purpose which is incompatible with purposes of this Act, or which impairs the usefulness and attractiveness of the lakeshore and if it should be so used, the Secretary shall have authority to terminate such right. In the event the Secretary exercises his power of termination under this subsection he shall pay to the owner of the right terminated an amount equal to the value of that portion of such right which remained unexpired on the date of such termination.

(c) Any land acquired by the Secretary under this Act on which there is situated a cottage or hunting lodge which, on December 31, 1964, was under lease to any lessee or lessees shall, if such lease is in effect on the date such land is so acquired, be acquired by the Secretary subject to such lease and the right of such lessee or lessees to continue using the property covered by such lease in accordance with the provisions thereof. Upon the expiration of such lease, the Secretary shall have the authority to enter into a lease with such lessee or lessees authorizing them to continue using such cottage or lodge (as the case may be) for a term of not to exceed twenty-five years, or for a term ending at the death of such lessee or lessees, subject to such conditions as may be prescribed by the Secretary.

Sec. 12. The Secretary shall, at the request of any township or county in or adjacent to the lakeshore affected by this Act, assist and consult with the appropriate officers and employees of such township or county in establishing zoning bylaws. Such assistance may include payments to the county or township for technical aid.

Sec. 13. The Secretary shall furnish to any interested person requesting the same a certificate indicating, with respect to any property which the Secretary has been prohibited from acquiring by condemnation in accordance with provisions of this Act, that such authority is prohibited and the reasons therefor.

Sec. 14. There are hereby authorized to be appropriated not more than $6,873,000 for the acquisition of lands and interests in land in connection with, and not more than $6,348,000 for development of, the Pictured Rocks National Lakeshore.

AN ACT

To provide for the conservation, protection, and propagation of native species of fish and wildlife, including migratory birds, that are threatened with extinction; to consolidate the authorities relating to the administration by the Secretary of the Interior of the National Wildlife Refuge System; and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the Congress finds and declares that one of the unfortunate consequences of growth and development in the United States has been the extermination of some native species of fish and wildlife; that serious losses in other species of native wild animals with educational, historical, recreational, and scientific value have occurred and are occurring; and that the United States has pledged itself, pursuant to migratory bird treaties with Canada and Mexico and the Convention on Nature Protection and Wildlife Preservation in the Western Hemisphere, to conserve and protect, where practicable, the various species of native fish and wildlife, including game and nongame migratory birds, that are threatened with extinction. The purposes of this Act are to provide a program for the conservation, protection, restoration, and propagation of selected species of native fish and wildlife, including migratory birds, that are threatened with extinction, and to consolidate, restate, and modify the present authorities relating to administration by the Secretary of the Interior of the National Wildlife Refuge System.

(b) It is further declared to be the policy of Congress that the Secretary of the Interior, the Secretary of Agriculture, and the Secretary of Defense, together with the heads of bureaus, agencies, and services within their departments, shall seek to protect species of native fish and wildlife, including migratory birds, that are threatened with extinction, and, insofar as is practicable and consistent with the primary purposes of such bureaus, agencies, and services, shall preserve the habitats of such threatened species on lands under their jurisdiction.

(c) A species of native fish and wildlife shall be regarded as threatened with extinction whenever the Secretary of the Interior finds, after consultation with the affected States, that its existence is endangered because its habitat is threatened with destruction, drastic modification, or severe curtailment, or because of overexploitation, disease, predation, or because of other factors, and that its survival requires assistance. In addition to consulting with the States, the Secretary shall, from time to time, seek the advice and recommendations of interested persons and organizations including, but not limited to, ornithologists, ichthyologists, ecologists, herpetologists, and mammalogists. He shall publish in the Federal Register the names of the species of native fish and wildlife found to be threatened with extinction in accordance with this paragraph.

Sec. 2. (a) The Secretary of the Interior shall utilize the land acquisition and other authorities of the Migratory Bird Conservation Act, as amended, the Fish and Wildlife Act of 1956, as amended, and the Fish and Wildlife Coordination Act to carry out a program in the United States of conserving, protecting, restoring, and propagating selected species of native fish and wildlife that are threatened with extinction.
(b) In addition to the land acquisition authorities in such Acts, the Secretary is hereby authorized to acquire by purchase, donation, or otherwise, lands or interests therein needed to carry out the purpose of this Act relating to the conservation, protection, restoration, and propagation of selected species of native fish that are threatened with extinction.

(c) Funds made available pursuant to the Land and Water Conservation Fund Act of 1965 (78 Stat. 897) may be used for the purpose of acquiring lands, waters, or interests therein pursuant to this section that are needed for the purpose of conserving, protecting, restoring, and propagating selected species of native fish and wildlife, including migratory birds, that are threatened with extinction. Not to exceed $5,000,000 may be appropriated annually pursuant to that Act for such purpose for any fiscal year, and the total sum appropriated for such purpose shall not exceed $15,000,000: Provided, That the Secretary shall, to the greatest extent possible, utilize funds from the Land and Water Conservation Fund Act of 1965 for such purpose. Such sums shall remain available until expended. The Secretary shall not use more than $750,000 to acquire lands, waters, or interests therein for any one area for such purpose unless authorized by Act of Congress.

(d) The Secretary shall review other programs administered by him and, to the extent practicable, utilize such programs in furtherance of the purpose of this Act. The Secretary shall also encourage other Federal agencies to utilize, where practicable, their authorities in furtherance of the purpose of this Act and shall consult with and assist such agencies in carrying out endangered species program.

Sec. 3. (a) In carrying out the program authorized by this Act, the Secretary shall cooperate to the maximum extent practicable with the several States. Such cooperation shall include consultation before the acquisition of any land for the purpose of conserving, protecting, restoring, or propagating any endangered species of native fish and wildlife.

(b) The Secretary may enter into agreements with the States for the administration and management of any area established for the conservation, protection, restoration, and propagation of endangered species of native fish and wildlife. Any revenues derived from the administration of such areas under these agreements shall be subject to the provisions of section 401 of the Act of June 15, 1935 (49 Stat. 383), as amended (16 U.S.C. 715s).

Sec. 4. (a) For the purpose of consolidating the authorities relating to the various categories of areas that are administered by the Secretary of the Interior for the conservation of fish and wildlife, including species that are threatened with extinction, all lands, waters, and interests therein administered by the Secretary as wildlife refuges, areas for the protection and conservation of fish and wildlife that are threatened with extinction, wildlife ranges, game ranges, wildlife management areas, or waterfowl production areas are hereby designated as the “National Wildlife Refuge System” (referred to herein as the “System”), which shall be subject to the provisions of this section. Nothing contained in this Act shall restrict the authority of the Secretary to modify or revoke public land withdrawals affecting lands in the System as presently constituted, or as it may be constituted, whenever he determines that such action is consistent with the public interest.

(b) In administering the System, the Secretary is authorized—

(1) to enter into contracts with any person or public or private agency through negotiation for the provision of public accommodations when, and in such locations, and to the extent that the
Secretary determines will not be inconsistent with the primary purpose for which the affected area was established.

(2) to accept donations of funds and to use such funds to acquire or manage lands or interests therein, and

(3) to acquire lands or interests therein by exchange (a) for acquired lands or public lands under his jurisdiction which he finds suitable for disposition, or (b) for the right to remove, in accordance with such terms and conditions as the Secretary may prescribe, products from the acquired or public lands within the System. The values of the properties so exchanged either shall be approximately equal, or if they are not approximately equal the values shall be equalized by the payment of cash to the grantor or to the Secretary as the circumstances require.

(c) No person shall knowingly disturb, injure, cut, burn, remove, destroy, or possess any real or personal property of the United States, including natural growth, in any area of the System; or take or possess any fish, bird, mammal, or other wild vertebrate or invertebrate animals or part or nest or egg thereof within any such area; or enter, use, or otherwise occupy any such area for any purpose; unless such activities are performed by persons authorized to manage such area, or unless such activities are permitted either under subsection (d) of this section or by express provision of the law, proclamation, Executive order, or public land order establishing the area, or amendment thereof: Provided, That the United States mining and mineral leasing laws shall continue to apply to any lands within the System to the same extent they apply prior to the effective date of this Act unless subsequently withdrawn under other authority of law. Nothing in this Act shall be construed to authorize the Secretary to control or regulate hunting or fishing of resident fish and wildlife, including endangered species thereof, on lands not within the System. The regulations permitting hunting and fishing of resident fish and wildlife within the System shall be, to the extent practicable, consistent with State fish and wildlife laws and regulations. The provisions of this Act shall not be construed as affecting the authority, jurisdiction, or responsibility of the several States to manage, control, or regulate fish and resident wildlife under State law or regulations in any area within the System.

(d) The Secretary is authorized, under such regulations as he may prescribe, to—

(1) permit the use of any area within the System for any purpose, including but not limited to hunting, fishing, public recreation and accommodations, and access whenever he determines that such uses are compatible with the major purposes for which such areas were established: Provided, That not to exceed 40 per centum at any one time of any area that has been, or hereafter may be acquired, reserved, or set apart as an inviolate sanctuary for migratory birds, under any law, proclamation, Executive order, or public land order may be administered by the Secretary as an area within which the taking of migratory game birds may be permitted under such regulations as he may prescribe; and

(2) permit the use of, or grant easements in, over, across, upon, through, or under any areas within the System for purposes such as but not necessarily limited to, powerlines, telephone lines, canals, ditches, pipelines, and roads, including the construction, operation, and maintenance thereof, whenever he determines that such uses are compatible with the purposes for which these areas are established.

(e) Any person who violates or fails to comply with any of the provisions of this Act or any regulations issued thereunder shall be
fined not more than $500 or be imprisoned not more than six months, or both.

(f) Any person authorized by the Secretary of the Interior to enforce the provisions of this Act or any regulations issued thereunder, may, without a warrant, arrest any person violating this Act or regulations in his presence or view, and may execute any warrant or other process issued by an officer or court of competent jurisdiction to enforce the provisions of this Act or regulations, and may with a search warrant search for and seize any property, fish, bird, mammal, or other wild vertebrate or invertebrate animals or part or nest or egg thereof, taken or possessed in violation of this Act or the regulations issued thereunder. Any property, fish, bird, mammal, or other wild vertebrate or invertebrate animals or part or egg thereof seized with or without a search warrant shall be held by such person or by a United States marshal, and upon conviction, shall be forfeited to the United States and disposed of by the court.

(g) Regulations applicable to areas of the System that are in effect on the date of enactment of this Act shall continue in effect until modified or rescinded.

(h) Nothing in this section shall be construed to amend, repeal, or otherwise modify the provision of the Act of September 28, 1962 (76 Stat. 633; 16 U.S.C. 460K-460K-4) which authorizes the Secretary of the Interior to administer the areas within the System for public recreation. The provisions of this section relating to recreation shall be administered in accordance with the provisions of said Act.

attorney to make prompt compliance with the order of the panel or the trial commissioner a full statement of the circumstances shall be incorporated in the report of the panel.

AN ACT

To amend the District of Columbia minimum wage law to provide broader coverage, improved standards of minimum wage and overtime compensation protection, and improved means of enforcement.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled:

AMENDMENT TO DISTRICT OF COLUMBIA MINIMUM WAGE LAW

Section 1. Title I of the Act of September 19, 1918 (D.C. Code, secs. 36-401—36-422), is amended to read as follows:

"TITLE I—MINIMUM WAGES

"FINDING AND DECLARATION OF POLICY

"Section 1. (a) The Congress hereby finds that there are persons employed in some occupations in the District of Columbia at wages insufficient to provide adequate maintenance and to protect health. Such employment impairs the health, efficiency, and well-being of the persons so employed, constitutes unfair competition against other employers and their employees, threatens the stability of industry, reduces the purchasing power of employees, and requires, in many instances, that their wages be supplemented by the payment of public moneys for relief or other public and private assistance. Employment of persons at these insufficient rates of pay threatens the health and well-being of the people of the District of Columbia and injures the overall economy.

"(b) It is hereby declared to be the policy of this Act to correct and as rapidly as practicable to eliminate the conditions referred to above.

"DEFINITIONS

"Sec. 2. As used in this Act—

"(3) The term 'employ' includes to suffer or permit to work.

"(4) The term 'employer' includes any individual, partnership, association, corporation, business trust, or any person or group of persons, acting directly or indirectly in the interest of an employer in relation to an employee, but shall not include the United States or the District of Columbia.

"(5) The term 'employee' includes any individual employed by an employer, except that such term shall not include—

"(A) any individual who, without payment and without expectation of any gain, directly or indirectly, volunteers to engage in the activities of an educational, charitable, religious, or nonprofit organization;

"(B) any lay member elected or appointed to office within the discipline of any religious organization and engaged in religious functions; or

"(C) any individual employed in domestic service or otherwise employed, in or about the residence of the employer.

“MINIMUM WAGE AND OVERTIME COMPENSATION

“Sec. 3. (a) (1) Except as otherwise provided in paragraph (2), every employer shall pay to each of his employees (A) the wage established for each such employee in a wage order issued under this Act, or (B) wages at the following rates:

“(i) not less than $1.25 an hour during the year beginning February 1, 1967,

“(ii) not less than $1.40 an hour during the year beginning February 1, 1968, and

“(C) not less than $1.60 an hour thereafter.

“(b) (1) Except as otherwise provided in paragraph (2), no employer shall employ any of his employees—

“(A) for a workweek longer than forty-two hours during the six month period beginning six months after the date of enactment of this subsection, or

“(B) for a workweek longer than forty hours thereafter, unless such employee receives compensation for his employment in excess of the hours above specified at a rate not less than one and one-half times the regular rate at which he is employed.

“(2) In the case of an employer whose employees’ wage rates are governed by Minimum Wage Order Numbered 10 (effective August 15, 1964), as revised under subsection (c) (2) of this section, during the period beginning on the date of enactment of this paragraph and ending August 14, 1968, such employer shall compensate each such employee for employment in excess of forty hours in any workweek at the rate specified in such Wage Order. sions on goods or services without regard to whether the computed commissions exceed the draw or guarantee.

"(c)(1) Each minimum wage order issued prior to February 1, 1967, shall remain in full force and effect. Except as provided in paragraph (2), the Commissioners shall by order revise each such wage order as follows:

"(A) Effective February 1, 1967, each such wage order shall be revised to make it applicable to men as well as women employees.

"(B) Effective February 1, 1967, each such wage order which provides for the payment of minimum wages below those prescribed in subsection (a)(1) of this section shall be revised to provide for the payment of minimum wages in accordance with such subsection.

"(C) Effective six months from the date of enactment of the District of Columbia Minimum Wage Amendments Act of 1966, each such wage order which does not provide for the payment of overtime compensation, or which does not require the payment to an employee of at least one and one-half his regular rate for his employment in excess of forty-two hours in a workweek, shall be revised to provide for the payment of overtime compensation in accordance with subsection (b)(1) of this section.

"(2) The Commissioners shall modify Minimum Wage Order Numbered 10 (effective August 15, 1964), effective February 1, 1967, to apply to men as well as women employees. The Commissioners shall further modify such Wage Order to provide for the payment of minimum wages and overtime compensation in accordance with paragraph (2) of subsection (a) of this section and paragraph (2) of subsection (b) of this section.

"(d)(1) For those occupations with respect to which, on the date of enactment of the District of Columbia Minimum Wage Amendments Act of 1966, there is no existing minimum wage order, the Commissioners shall issue an order, effective February 1, 1967, providing for the payment of minimum wages as prescribed in subsection (a)(1) of this section and for the payment of overtime compensation as prescribed in subsection (b)(1) of this section.

"(2) For those occupations with respect to which on the date of the enactment of the District of Columbia Minimum Wage Amendments Act of 1966 there is no existing minimum wage order, the Commissioners shall, with or without reference to an ad hoc advisory committee, make one or more wage orders which may include unrelated occupations. Such a wage order shall include (A) the minimum wage and overtime provisions prescribed in subsections (a)(1) and (b)(1) of this section, and (B) such definitions and regulations as the Commissioners may prescribe, in accordance with section 8, to prevent the circumvention or evasion of such order and to safeguard the minimum wage rates and overtime provisions established in this Act. The Commissioners shall publish a notice once a week, for four successive weeks, in a newspaper of general circulation printed in the District of Columbia, stating that they will, on a date and at a place named in the notice, hold a public hearing on such order at which all interested persons will be given a reasonable opportunity to be heard. Such notice shall contain a summary of the major provisions of such order. Within thirty days after such hearing, the Commissioners may issue such wage order as may be proper or necessary to effectuate the purposes of this Act. Notice of such order shall be published in a newspaper of general circulation printed in the District of Columbia and such order shall take effect upon the expiration of sixty days after the date on which such order was issued by the Commissioners, but not before February 1, 1967.
"(e) The minimum wage orders issued by the Commissioners prior to February 1, 1967, shall be modified by the Commissioners on or after such date in order to include such regulations as the Commissioners may prescribe in accordance with section 8. Such regulations shall take effect upon the expiration of thirty days after the date on which they were made by the Commissioners, but not before February 1, 1967.

"EXEMPTIONS"

"Sec. 4. (a) The minimum wage and overtime provisions of section 3 shall not apply with respect to—

"(5) any employee employed as an attendant at a parking lot or parking garage.

"POWERS AND DUTIES OF THE COMMISSIONERS"

"Sec. 5. The Commissioners or their authorized representative shall have authority—

"(1) to investigate and ascertain the wages of persons employed in any occupation in the District of Columbia;

"(2) to enter and inspect the place of business or employment of any employer in the District of Columbia for the purpose of (A) examining and inspecting any or all books, registers, payrolls, and other records of any such employer that in any way relate to or have a bearing upon the wages, hours, and other conditions of employment of any employees, (B) copying any or all of such books, registers, payrolls, and other records as the Commissioners or their authorized representative may deem necessary or appropriate, and (C) questioning such employee for the purpose of ascertaining whether the provisions of this Act and the orders and regulations issued thereunder have been and are being complied with; and

"(3) to require from any such employer full and correct statements in writing, including sworn statements, with respect to wages, hours, names, addresses, and such other information pertaining to the employment of his employees as the Commissioners or their authorized representative may deem necessary or appropriate to carry out the purposes of this Act.
"Revision of Wage Orders

Sec. 6. (a) At any time after a wage order has been in effect for one year the Commissioners may on their own motion reconsider the wage rates set in such wage order. If, after investigation, the Commissioners are of the opinion that any substantial number of workers in the occupation covered by such wage order are receiving wages insufficient to provide adequate maintenance and to protect health they may convene an ad hoc advisory committee for the purpose of considering and inquiring into and reporting to the Commissioners on the subject investigated by the Commissioners and submitted by them to such committee.

(b) The committee shall be composed of not more than three persons representing the employers in such occupation, of an equal number representing the employees in such occupation, of not more than three persons representing the public, and one or more representatives of the agency designated by the Commissioners to administer this Act. Such agency shall name and appoint all the members of the committee and designate its chairman. Two-thirds of the members of the committee shall constitute a quorum, and any decision, recommendation, or report of the committee on the subject submitted to it shall require an affirmative vote of not less than a majority of all its members.

(c) The Commissioners shall present to the committee such information as they might have relating to the subject they submitted to the committee, and may cause to be brought before the committee any witnesses whose testimony the Commissioners consider material.

(d) Within sixty days after the convening of the committee by the Commissioners, the committee shall make and transmit to the Commissioners a report containing its findings and recommendations on the subject submitted to it by the Commissioners.

(e) The committee report shall include a recommendation for minimum wages for the employees in the occupation under Consideration, but the minimum wage rates recommended shall not be less than those prescribed in subsection (a)(1) of section 3. In making such recommendation the committee shall take into consideration (1) the amount of wages sufficient to provide adequate maintenance and to protect health, (2) the fair and reasonable value of the work performed, and (3) the wages paid in the District of Columbia by fair employers for work of like or comparable character. The committee report shall also include recommendations for reasonable allowances for board, lodging, or other facilities or services, customarily furnished by the employer to the employees, or reasonable allowances for gratuities customarily received by employees in any occupation in which gratuities have customarily and usually constituted and have been recognized as a part of the remuneration for hiring purposes. The committee report may also recommend suitable minimum wages for learners and apprentices in the occupation under consideration, where it appears proper or necessary, and may recommend the maximum length of time any such employee may be kept at such wages as a learner or apprentice. The minimum wages recommended for learners and apprentices may be less than the minimum wages recommended for other employees in such occupation. The committee may make a separate inquiry into and report on any branch of any occupation and may recommend different minimum wages for such branch of employment in the same occupation.

(f) If such committee fails to submit a report to the Commissioners within the period specified in subsection (d), the Commissioners may (1) discharge such committee from further consideration of the subject.
submitted to it and convene a new committee for the purpose of considering such subject, or (2) consider the subject without the recommendations of an ad hoc advisory committee and prepare and publish a revised wage order for the occupation in accordance with the procedure specified in section 7.

"ISSUANCE OF REVISED WAGE ORDERS"

"Sec. 7. (a) Upon receipt of the report from the ad hoc advisory committee, or upon the discharge of such committee, in accordance with section 6(f), the Commissioners may prepare a proposed revised wage order for the occupation, giving due consideration to any recommendations contained in the report of such committee. In such order the Commissioners shall provide, among other things, such allowances as are recommended in the report. The Commissioners shall publish a notice once a week, for four successive weeks, in a newspaper of general circulation printed in the District of Columbia, stating that they will, on a date and at a place named in the notice, hold a public hearing at which all interested persons will be given a reasonable opportunity to be heard. Such notice shall contain a summary of the major provisions of the proposed revised wage order.

(b) Within thirty days after such hearing, the Commissioners may make such an order as may be proper or necessary to effectuate the purposes of this Act. Notice of such order shall be published in a newspaper of general circulation printed in the District of Columbia and such order shall take effect upon the expiration of sixty days after the date on which such order was made by the Commissioners.

(c) A wage order issued under this section shall define the occupation and classifications to which it is to apply, and shall contain such terms and conditions as the Commissioners find necessary to (1) carry out the purposes of such order, (2) to prevent the circumvention or evasion of it, and (3) to safeguard the minimum wage rates and overtime compensation established in it.

(d) Nothing in this Act shall be construed so as to authorize the Commissioners to establish a minimum weekly wage which would require an employer to pay an employee in any week an amount greater than the amount such employer would have to pay such employee under section 3 for the hours worked in such week.

"REGULATIONS"

"Sec. 8. (a) The Commissioners shall make and revise such regulations, including definitions of terms, as they may deem appropriate to carry out the purposes of this Act or necessary to prevent its circumvention or evasion and to safeguard the minimum wage rates and the overtime provisions established in this Act.

(b) The Commissioners shall make regulations—

(1) providing reasonable allowances for board, lodging, or services customarily furnished by employers to employees,

(2) providing reasonable allowances for gratuities in any occupation in which gratuities have customarily and usually constituted and have been recognized as part of the remuneration for hiring purposes, and

(3) providing allowances for such other special conditions or circumstances which may be usual in a particular employer-employee relationship.

(c) The Commissioners may make regulations—

(1) defining and governing the employment of handicapped workers and workers under the age of 18 and providing minimum
wages for such workers at a rate lower than that specified in section 3(a) (1) of this Act,
“(2) governing piece rates, bonuses, and commissions in relation to time rates,
“(3) governing part-time rates,
“(4) governing minimum daily wages,
“(5) relating to wage provisions governing split shift and excessive spread of hours, and
“(6) governing uniforms, tools, travel, and other items of expense incurred by employees as a condition of employment.
“(d) Regulations or revisions thereof issued by the Commissioners pursuant to this section shall be made only after a public hearing by the Commissioners, subsequent to publication of a notice of the hearing at which interested persons may be heard. Such regulations or revisions shall, except as may otherwise be provided by the Commissioners, take effect upon the expiration of thirty days after the date on which such regulations and revisions were made by the Commissioners.

"JUDICIAL REVIEW"

"Sec. 9. (a) Any person aggrieved by an order of the Commissioners issued under this Act may obtain a review of such order in the District of Columbia Court of Appeals by filing in such court, within sixty days after the issuance of such order, a written petition praying that the order of the Commissioners be modified or set aside in whole or in part. A copy of such petition shall forthwith be transmitted by the clerk of the court to the Commissioners, and thereupon the Commissioners shall file in the court the record upon which the order complained of was entered. Upon the filing of such petition such court shall have exclusive jurisdiction to affirm, modify, or set aside such order in whole or in part, so far as it is applicable to the petitioner. The review by the court shall be limited to questions of law, and findings of fact by the Commissioners when supported by substantial evidence shall be conclusive. No objection to the order of the Commissioners shall be considered by the court unless such objection was presented to the Commissioners, except where there were reasonable grounds for failure to present such objections to the Commissioners. If application is made to the court for leave to offer additional evidence, and it is shown to the satisfaction of the court that such additional evidence may materially affect the result of the proceeding and that there were reasonable grounds for failure to offer such evidence in the proceedings before the Commissioners, the court may order such additional evidence to be taken by the Commissioners in such manner and upon such terms and conditions as the court may prescribe. The Commissioners may modify the initial findings by reason of the additional evidence so taken, and shall file with the court such modified or new findings which, if supported by substantial evidence, shall be conclusive, and shall also file their recommendation, if any, for the modification or setting aside of the original order.
“(b) The commencement of proceedings under subsection (a) shall not, unless specifically ordered by the court, operate as a stay of the Commissioners' order. The court shall not grant any stay of the order unless the person complaining of such order shall file in court an undertaking with a surety or sureties, satisfactory to the court, for the payment to the employees affected by the order, in the event such order is affirmed, of the amount by which the compensation such employees are entitled to receive under the order exceeds the compensation they actually receive while such stay is in effect."
"AUTHORITY TO TAKE TESTIMONY AND ISSUE SUBPENAS

"Sec. 10. The Commissioners shall have power to administer oaths and require by subpoena the attendance and testimony of witnesses, the production of all books, registers, and other evidence relative to any matters under investigation, at any public hearing or at any meeting of any committee or for the use of the Commissioners in securing compliance with this Act. In case of disobedience to a subpoena the Commissioners may invoke the aid of the District of Columbia Court of General Sessions in requiring the attendance and testimony of witnesses and the production of documentary evidence. In case of contumacy or refusal to obey a subpoena the court may issue an order requiring appearance before the Commissioners, the production of documentary evidence, and the giving of evidence, and any failure to obey such order of the court may be punished by such court as a contempt thereof.

"KEEPING OF RECORDS

"Sec. 11. (a) Every employer subject to any provision of this Act or of any regulation or order issued under this Act shall make, keep, and preserve for a period of not less than three years a record of (1) the name, address, and occupation of each of his employees, (2) a record of the date of birth of any employee under nineteen years of age, (3) the rate of pay and the amount paid each pay period to each of his employees, (4) the hours worked each day and each workweek by each of his employees, and (5) such other records or information as the Commissioners shall prescribe by regulation as necessary or appropriate for the enforcement of the provisions of this Act or of the regulations or orders issued thereunder. Such records shall be open and made available for inspection or transcription by the Commissioners or their authorized representative at any reasonable time. Every such employer shall furnish to the Commissioners or to their authorized representative on demand a sworn statement of such records and information upon forms prescribed or approved by the Commissioners.

"(b) Every employer shall furnish to each employee at the time of payment of wages an itemized statement showing the date of the wage payment, gross wages paid, deductions from and additions to wages, net wages paid, hours worked during the pay period, and any other information as the Commissioners may prescribe by regulation.

"POSTING OF LAW AND WAGE ORDERS

"Sec. 12. Every employer subject to any provision of this Act or of any regulation or order issued under this Act shall keep a copy or summary of this Act and of any applicable wage order and regulation issued thereunder, in a form prescribed or approved by the Commissioners, posted in a conspicuous and accessible place in or about the premises wherein any employee covered by such regulation or order is employed. Employers shall be furnished such copies or summaries by the Commissioners on request without charge.

"PROHIBITED ACTS

"Sec. 13. It shall be unlawful for any employer—

"(1) to violate any of the provisions of section 3 or any of the provisions of any regulation or order issued under this Act;

"(2) to violate any of the provisions of section 11 or 12 or any regulation made under the provisions of section 8, or to make any statement, report, or record filed or kept pursuant to the provisions

to authorize the establishment and operation of sea grant colleges and pro-
grams by initiating and supporting programs of education and research in
the various fields relating to the development of marine resources, and for
other purposes.

Be it enacted by the Senate and House of Representatives of the
United States of America in Congress assembled, That the Marine
Resources and Engineering Development Act of 1966 is amended by
adding at the end thereof the following new title:

“TITLE II—SEA GRANT COLLEGES AND PROGRAMS

“SHORT TITLE

“Sec. 201. This title may be cited as the ‘National Sea Grant College
and Program Act of 1966’.

“DECLARATION OF PURPOSE

“Sec. 202. The Congress hereby finds and declares—

“(a) that marine resources, including animal and vegetable life
and mineral wealth, constitute a far-reaching and largely un-
tapped asset of immense potential significance to the United
States; and

“(b) that it is in the national interest of the United States to
develop the skilled manpower, including scientists, engineers, and
technicians, and the facilities and equipment necessary for the
exploitation of these resources; and

“(c) that aquaculture, as with agriculture on land, and the
gainful use of marine resources can substantially benefit the
United States, and ultimately the people of the world, by provid-
ing greater economic opportunities, including expanded employ-
ment and commerce; the enjoyment and use of our marine re-
sources; new sources of food; and new means for the development
of marine resources; and

“(d) that Federal support toward the establishment, develop-
ment, and operation of programs by sea grant colleges and Federal
support of other sea grant programs designed to achieve the
gainful use of marine resources, offer the best means of promoting
programs toward the goals set forth in clauses (a), (b), and (c),
and should be undertaken by the Federal Government; and
“(e) that in view of the importance of achieving the earliest possible institution of significant national activities related to the development of marine resources, it is the purpose of this title to provide for the establishment of a program of sea grant colleges and education, training, and research in the fields of marine science, engineering, and related disciplines.

“GRANTS AND CONTRACTS FOR SEA GRANT COLLEGES AND PROGRAMS

“Sec. 203. (a) The provisions of this title shall be administered by the National Science Foundation (hereafter in this title referred to as the ‘Foundation’).

“(b) (1) For the purpose of carrying out this title, there is authorized to be appropriated to the Foundation for the fiscal year ending June 30, 1967, not to exceed the sum of $5,000,000, for the fiscal year ending June 30, 1968, not to exceed the sum of $15,000,000, and for each subsequent fiscal year only such sums as the Congress may hereafter specifically authorize by law.

(a) In carrying out the provisions of this title the Foundation shall (1) consult with those experts engaged in pursuits in the various fields related to the development of marine resources and with all departments and agencies of the Federal Government (including the United States Office of Education in all matters relating to education) interested in, or affected by, activities in any such fields, and (2) seek advice and counsel from the National Council on Marine Resources and Engineering Development as provided by section 205 of this title.

“(b) The Foundation shall exercise its authority under this title by—

“(1) initiating and supporting programs at sea grant colleges and other suitable institutes, laboratories, and public or private agencies for the education of participants in the various fields relating to the development of marine resources;

"(d) (1) The total amount of payments in any fiscal year under any grant to or contract with any participant in any program to be carried out by such participant under this title shall not exceed 66 2/3 per centum of the total cost of such program. For purposes of computing the amount of the total cost of any such program furnished by any participant in any fiscal year, the Foundation shall include in such computation an amount equal to the reasonable value of any buildings, facilities, equipment, supplies, or services provided by such participant with respect to such program (but not the cost or value of land or of Federal contributions).

"(2) No portion of any payment by the Foundation to any participant in any program to be carried out under this title shall be applied to the purchase or rental of any land or the rental, purchase, construction, preservation, or repair of any building, dock, or vessel.

"(3) The total amount of payments in any fiscal year by the Foundation to participants within any State shall not exceed 15 per centum of the total amount appropriated to the Foundation for the purposes of this title for such fiscal year.

"(e) In allocating funds appropriated in any fiscal year for the purposes of this title the Foundation shall endeavor to achieve maximum participation by sea grant colleges and other suitable institutes, laboratories, and public or private agencies throughout the United States, consistent with the purposes of this title.

"(f) In carrying out its functions under this title, the Foundation shall attempt to support programs in such a manner as to supplement and not duplicate or overlap any existing and related Government activities.

"(h) The head of each department, agency, or instrumentality of the Federal Government is authorized, upon request of the Foundation, to make available to the Foundation, from time to time, on a reimbursable basis, such personnel, services, and facilities as may be necessary to assist the Foundation in carrying out its functions under this title.

GENERAL PROVISIONS

Sec. 101. None of the funds herein appropriated (other than funds appropriated under the authorization for “International organizations and programs”) shall be used to finance the construction of any new flood control, reclamation, or other water or related land resource project or program which has not met the standards and criteria used in determining the feasibility of flood control, reclamation, and other water and related land resource programs and projects proposed for construction within the United States of America as per memorandum of the President dated May 15, 1962.

Sec. 102. Obligations made from funds herein appropriated for engineering and architectural fees and services to any individual or group of engineering and architectural firms on any one project in excess of $25,000 shall be reported to the Committees on Appropriations of the Senate and House of Representatives at least twice annually.

Sec. 103. Except for the appropriations entitled “Contingency Fund”, “Alliance for Progress, development loans”, and “Development loans”, not more than 20 per centum of any appropriation item made available by this title shall be obligated and/or reserved during the last month of availability.

Sec. 104. None of the funds herein appropriated nor any of the counterpart funds generated as a result of assistance hereunder or
any prior Act shall be used to pay pensions, annuities, retirement pay or adjusted service compensation for any persons heretofore or hereafter serving in the armed forces of any recipient country.

Sec. 105. The Congress hereby reiterates its opposition to the seating in the United Nations of the Communist China regime as the representative of China, and it is hereby declared to be the continuing sense of the Congress that the Communist regime in China has not demonstrated its willingness to fulfill the obligations contained in the Charter of the United Nations and should not be recognized to represent China in the United Nations. In the event of the seating of representatives of the Chinese Communist regime in the Security Council or General Assembly of the United Nations the President is requested to inform the Congress insofar as is compatible with the requirements of national security, of the implications of this action upon the foreign policy of the United States and our foreign relationships, including that created by membership in the United Nations, together with any recommendations which he may have with respect to the matter.

Sec. 106. It is the sense of Congress that any attempt by foreign nations to create distinctions because of their race or religion among American citizens in the granting of personal or commercial access or any other rights otherwise available to United States citizens generally is repugnant to our principles; and in all negotiations between the United States and any foreign state arising as a result of funds appropriated under this title these principles shall be applied as the President may determine.

Sec. 107. (a) No assistance shall be furnished under the Foreign Assistance Act of 1961, as amended, to any country which sells, furnishes, or permits any ships under its registry to carry to Cuba, so long as it is governed by the Castro regime, in addition to those items contained on the list maintained by the Administrator pursuant to title I of the Mutual Defense Assistance Control Act of 1951, as amended, any arms, ammunition, implements of war, atomic energy materials, or any other articles, materials, or supplies of primary strategic significance used in the production of arms, ammunition, and implements of war or of strategic significance to the conduct of war, including petroleum products.

(b) No economic assistance shall be furnished under the Foreign Assistance Act of 1961, as amended, to any country which sells, furnishes, or permits any ships under its registry to carry items of economic assistance to Cuba, so long as it is governed by the Castro regime, or to North Vietnam.

Sec. 108. Any expenditure made from funds provided in this title for procurement outside the United States of any commodity in bulk and in excess of $100,000 shall be reported to the Committees on Appropriations of the Senate and the House of Representatives at least twice annually: Provided, That each such report shall state the reasons for which the President determined, pursuant to criteria set forth in section 604(a) of the Foreign Assistance Act of 1961, as amended, that foreign procurement will not result in adverse effects upon the economy of the United States or the industrial mobilization base which outweigh the economic or other advantages to United States of less costly procurement outside the United States.

Sec. 109. (a) No assistance shall be furnished to any nation, whose government is based upon that theory of government known as communism under the Foreign Assistance Act of 1961, as amended, for any arms, ammunition, implements of war, atomic energy materials, or any articles, materials, or supplies, such as petroleum, transportation materials of strategic value, and items of primary strategic significance used in the production of arms, ammunition, and implements
of war, contained on the list maintained by the Administrator pursuant to title I of the Mutual Defense Assistance Control Act of 1951, as amended.

(b) No economic assistance shall be furnished to any nation whose government is based upon that theory of government known as communism under the Foreign Assistance Act of 1961, as amended (except section 214(b)), unless the President determines that the withholding of such assistance would be contrary to the national interest and reports such determination to the Foreign Affairs and Appropriations Committees of the House of Representatives and Foreign Relations and Appropriations Committees of the Senate. Reports made pursuant to this subsection shall be published in the Federal Register within seven days of submission to the committees and shall contain a statement by the President of the reasons for such determination.

Sec. 110. None of the funds appropriated or made available pursuant to this Act for carrying out the Foreign Assistance Act of 1961, as amended, may be used for making payments on any contract for procurement to which the United States is a party entered into after the date of enactment of this Act which does not contain a provision authorizing the termination of such contract for the convenience of the United States.

Sec. 111. None of the funds appropriated or made available by this or any predecessor Act for the years subsequent to fiscal year 1962 for carrying out the Foreign Assistance Act of 1961, as amended, may be used on or after 60 days from the date of enactment of this Act to make payments with respect to any contract for the performance of services outside the United States by United States citizens unless the President shall have promulgated regulations that provide for the investigation of such citizens for loyalty and security to the extent necessary to protect the security and other interests of the United States: Provided, That such regulations shall require that any such United States citizen who will have access, in connection with the performance of such services, to information or material classified for security reasons shall be subject to such investigation as may otherwise be provided by law and executive order.

Sec. 112. None of the funds appropriated or made available under this Act for carrying out the Foreign Assistance Act of 1961, as amended, may be used to make payments with respect to any capital project financed by loans or grants from the United States where the United States has not directly approved the terms of the contracts and the firms to provide engineering, procurement, and construction services on such projects.

Sec. 113. Of the funds appropriated or made available pursuant to this Act not more than $10,000,000 may be used during the fiscal year ending June 30, 1967, in carrying out section 241 of the Foreign Assistance Act of 1961, as amended.

Sec. 114. None of the funds appropriated or made available pursuant to this Act for carrying out the Foreign Assistance Act of 1961, as amended, may be used to pay in whole or in part any assessments, arrearages, or dues of any member of the United Nations.

Sec. 115. None of the funds made available by this Act for carrying out the Foreign Assistance Act of 1961, as amended, may be obligated on or after April 30, 1964, for financing, in whole or in part, the direct costs of any contract for the construction of facilities and installations in any underdeveloped country, unless the President shall, on or before such date, have promulgated regulations designed to assure, to the maximum extent consistent with the national interest and the avoidance of excessive costs to the United States, that none of the funds made available by this Act and thereafter obligated shall be
used to finance the direct costs under such contracts for construction work performed by persons other than qualified nationals of the recipient country or qualified citizens of the United States: Provided, however, That the President may waive the application of this amendment if it is important to the national interest.

SEC. 116. No assistance shall be furnished under the Foreign Assistance Act of 1961, as amended, to any country that sells, furnishes, or permits any ships under its registry to carry to North Vietnam any of the items mentioned in subsection 107(a) of this Act.

SEC. 117. None of the funds appropriated or made available in this Act for carrying out the Foreign Assistance Act of 1961, as amended, shall be available for assistance to the United Arab Republic, unless the President determines that such availability is essential to the national interest of the United States.

SEC. 118. None of the funds appropriated or made available pursuant to this Act for carrying out the Foreign Assistance Act of 1961, as amended, may be used to finance the procurement of iron and steel products for use in Vietnam containing any component acquired by the producer of the commodity, in the form in which imported into the country of production, from sources other than the United States or a country designated as a limited free world country by code number 901 in the September 1964 Geographic Code Book compiled by the Agency for International Development, and at a total cost (delivered to the point of production) that amounts to more than 10 per centum of the lowest price (excluding the cost of ocean transportation and marine insurance) at which the supplier makes the commodity available for export sale (whether or not financed by the Agency for International Development).

TITLE I—PROVISIONS RELATING TO THE FEDERAL HOME LOAN BANK BOARD AND THE FEDERAL SAVINGS AND LOAN INSURANCE CORPORATION

Sec. 101. (a) Subsection (d) of section 5 of the Home Owners' Loan Act of 1933 (12 U.S.C. 1464(d)) is hereby amended to read as follows:

“(d) (1) The Board shall have power to enforce this section and rules and regulations made hereunder. In the enforcement of any provision of this section or rules and regulations made hereunder, or any other law or regulation, or in any other action, suit, or proceeding to which it is a party or in which it is interested, and in the administration of conservatorships and receiverships, the Board is author-
except suits on claims for money damages) by any Federal savings and loan association or director or officer thereof with respect to any matter under this section or any other applicable law, or rules or regulations thereunder, in the United States district court for the judicial district in which the home office of the association is located, or in the United States District Court for the District of Columbia, and the Board may be served with process in any of the courts in which any action may be brought by the association under this section.

(A) If, in the opinion of the Board, an association is violating any law, rule, regulation, or any other condition imposed in writing by the Board in connection with the granting of any application or other request by the association, or is engaging or has engaged, or the Board has reasonable cause to believe that the association is about to engage, in an unsafe or unsound practice, the Board may issue and serve upon the association a notice of charges in respect thereof. The notice shall contain a statement of the facts constituting the alleged violation or violations or the unsafe or unsound practice or practices, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist therefrom should issue against the association. Such hearing shall be fixed for a date not earlier than thirty days after service of such notice unless an action for a default judgment against the association has been commenced in any court of competent jurisdiction. Such hearing shall be held at the place named in such notice. Any order issued by the Board pursuant to this section shall become effective at the expiration of thirty days after the date of such order unless an action for a default judgment against the association has been commenced in any court of competent jurisdiction.

(B) A cease-and-desist order shall become effective at the expiration of thirty days after service of such order upon the association concerned (except in the case of a cease-and-desist order issued pursuant to subsection (a)(1) of this section or such other condition as the Board may impose), and shall remain effective and enforceable, except to such extent as it is stayed, modified, terminated, or set aside by action of the Board or a reviewing court.
“(3)(A) Whenever the Board shall determine that the violation or threatened violation or the unsafe or unsound practice or practices, specified in the notice of charges served upon the association pursuant to paragraph (2)(A) of this subsection, or the continuation thereof, is likely to cause insolvency (as defined in paragraph (6)(A)(i) of this subsection) or substantial dissipation of assets or earnings of the association, or is likely to otherwise seriously prejudice the interests of its savings account holders, the Board may issue a temporary order requiring the association to cease and desist from any such violation or practice. Such order shall become effective upon service upon the association and, unless set aside, limited, or suspended by a court in proceedings authorized by subparagraph (B) of this paragraph, shall remain effective and enforceable pending the completion of the administrative proceedings pursuant to such notice and until such time as the Board shall dismiss the charges specified in such notice or, if a cease-and-desist order is issued against the association, until the effective date of any such order.

“(B) Within ten days after the association concerned has been served with a temporary cease-and-desist order, the association may apply to the United States district court for the judicial district in which the home office of the association is located, or the United States District Court for the District of Columbia, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the association under paragraph (2)(A) of this subsection, and such court shall have jurisdiction to issue such injunction.

“(C) In the case of violation or threatened violation of, or failure to obey, a temporary cease-and-desist order, the Board may apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the home office of the association is located, for an injunction to enforce such order, and, if the court shall determine that there has been such violation or threatened violation or failure to obey, it shall be the duty of the court to issue such injunction.

“(4)(A) Whenever, in the opinion of the Board, any director or officer of an association has committed any violation of law, rule, or regulation, or of a cease-and-desist order which has become final, or has engaged or participated in any unsafe or unsound practice in connection with the association, or has committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as such director or officer, and the Board determines that the association has suffered or will probably suffer substantial financial loss or other damage or that the interests of its savings account holders could be seriously prejudiced by reason of such violation or practice or breach of fiduciary duty, and that such violation or practice or breach of fiduciary duty is one involving personal dishonesty on the part of such director or officer, the Board may serve upon such director or officer a written notice of its intention to remove him from office.
“(B) Whenever, in the opinion of the Board, any director or officer of an association, by conduct or practice with respect to another savings and loan association or other business institution which resulted in substantial financial loss or other damage, has evidenced his personal dishonesty and unfitness to continue as a director or officer, and, whenever, in the opinion of the Board, any other person participating in the conduct of the affairs of an association, by conduct or practice with respect to such association or other savings and loan association or other business institution which resulted in substantial financial loss or other damage, has evidenced his personal dishonesty and unfitness to participate in the conduct of the affairs of such association, the Board may serve upon such director, officer, or other person a written notice of its intention to remove him from office and/or to prohibit his further participation in any manner in the conduct of the affairs of such association.

“(C) In respect to any director or officer of an association or any other person referred to in subparagraph (A) or (B) of this paragraph, the Board may, if it deems it necessary for the protection of the association or the interests of its savings account holders, by written notice to such effect served upon such director, officer, or other person, suspend him from office and/or prohibit him from further participation in any manner in the conduct of the affairs of the association. Such suspension and/or prohibition shall become effective upon service of such notice and, unless stayed by a court in proceedings authorized by subparagraph (E) of this paragraph, shall remain in effect pending the completion of the administrative proceedings pursuant to the notice served under subparagraph (A) or (B) of this paragraph and until such time as the Board shall dismiss the charges specified in such notice, or, if an order of removal and/or prohibition is issued against the director or officer or other person, until the effective date of any such order. Copies of any such notice shall also be served upon the association of which he is a director or officer or in the conduct of whose affairs he has participated.

“(D) A notice of intention to remove a director, officer, or other person from office and/or to prohibit his participation in the conduct of the affairs of an association, shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after the date of service of such notice, unless an earlier or a later date is set by the Board at the request of (i) such director, officer, or other person, and for good cause shown, or (ii) the Attorney General of the United States. Unless such director, officer, or other person shall appear at the hearing in person or by a duly authorized representative, he shall be deemed to have consented to the issuance of an order of such removal and/or prohibition. In the event of such consent, or if upon the record made at any such hearing the Board shall find that any of the grounds specified in such notice has been established, the Board may issue such orders of suspension or removal from office, and/or prohibition from participation in the conduct of the affairs of the association, as it may deem appropriate. Any such order shall become effective at the expiration of thirty days after service upon such association and the director, officer, or other person concerned (except in the case of an order issued upon consent, which shall become effective at the time specified therein). Such order shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the Board or a reviewing court.
“(E) Within ten days after any director, officer, or other person has been suspended from office and/or prohibited from participation in the conduct of the affairs of an association under subparagraph (C) of this paragraph, such director, officer, or other person may apply to the United States district court for the judicial district in which the home office of the association is located, or the United States District Court for the District of Columbia, for a stay of such suspension and/or prohibition pending the completion of the administrative proceedings pursuant to the notice served upon such director, officer, or other person under subparagraph (A) or (B) of this paragraph, and such court shall have jurisdiction to stay such suspension and/or prohibition.

“(5)(A) Whenever any director or officer of an association, or other person participating in the conduct of the affairs of such association, is charged in any information, indictment, or complaint authorized by a United States Attorney, with the commission of or participation in a felony involving dishonesty or breach of trust, the Board may, by written notice served upon such director, officer, or other person, suspend him from office and/or prohibit him from further participation in any manner in the conduct of the affairs of the association. A copy of such notice shall also be served upon the association. Such suspension and/or prohibition shall remain in effect until such information, indictment, or complaint is finally disposed of or until terminated by the Board. In the event that a judgment of conviction with respect to such offense is entered against such director, officer, or other person, and at such time as such judgment is not subject to further appellate review, the Board may issue and serve upon such director, officer, or other person an order removing him from office and/or prohibiting him from further participation in any manner in the conduct of the affairs of the association. A copy of such order shall also be served upon the association. A finding of not guilty or other disposition of the charge shall not preclude the Board from thereafter instituting proceedings to remove such director, officer, or other person from office and/or to prohibit further participation in association affairs, pursuant to subparagraph (A) or (B) of paragraph (4) of this subsection.

“(B) if at any time, because of the suspension of one or more directors pursuant to this subsection (d), there shall be on the board of directors of an association less than a quorum of directors not so suspended, all powers and functions vested in or exercisable by such board shall vest in and be exercisable by the director or directors on the board and not so suspended, until such time as there shall be a quorum of the board of directors. In the event all of the directors of an association are suspended pursuant to this subsection (d), the Board shall appoint persons to serve temporarily as directors in their place and stead pending the termination of such suspensions, or until such time as those who have been suspended cease to be directors of the association and their respective successors take office.

“(6)(A) The grounds for the appointment of a conservator or receiver for an association shall be one or more of the following: (i) insolvency in that the assets of the association are less than its obligations to its creditors and others, including its members; (ii) substantial dissipation of assets or earnings due to any violation or violations of law, rules, or regulations, or to any unsafe or unsound practice or practices; (iii) an unsafe or unsound condition to transact business; (iv) willful violation of a cease-and-desist order which has become final; (v) concealment of books, papers, records, or assets of the association or refusal to submit books, papers, records, or affairs of the
association for inspection to any examiner or to any lawful agent of
the Board. The Board shall have exclusive power and jurisdiction
to appoint a conservator or receiver. If, in the opinion of the Board,
a ground for the appointment of a conservator or receiver as herein
provided exists, the Board is authorized to appoint ex parte and with-
out notice a conservator or receiver for the association. In the event
of such appointment, the association may, within thirty days there-
after, bring an action in the United States district court for the judi-
cial district in which the home office of such association is located, or
in the United States District Court for the District of Columbia, for
an order requiring the Board to remove such conservator or receiver,
and the court shall upon the merits dismiss such action or direct the
Board to remove such conservator or receiver. Such proceedings shall
be given precedence over other cases pending in such courts, and shall
be in every way expedited. Upon the commencement of such an action,
the court having jurisdiction of any other action or proceeding author-
ized under this subsection to which the association is a party shall stay
such action or proceeding during the pendency of the action for re-
moval of the conservator or receiver.

"(B) In addition to the foregoing provisions, the Board may, with-
out any requirement of notice, hearing, or other action, appoint a
conservator or receiver for an association in the event that (i) the
association, by resolution of its board of directors or of its members,
consents to such appointment, or (ii) the association is removed from
membership in any Federal home loan bank, or its status as an institu-
tion the accounts of which are insured by the Federal Savings and
Loan Insurance Corporation is terminated.

"(C) Except as otherwise provided in this subsection, no court may
take any action for or toward the removal of any conservator or
receiver, or, except at the instance of the Board, restrain or affect the
exercise of powers or functions of a conservator or receiver.

"(D) A conservator shall have all the powers of the members, the
directors, and the officers of the association and shall be authorized
to operate the association in its own name or to conserve its assets in
the manner and to the extent authorized by the Board. The Board
shall appoint only the Federal Savings and Loan Insurance Corpora-
tion as receiver for an association, and said Corporation shall have
power to buy at its own sale as receiver, subject to approval by the
Board. The Board may, without any requirement of notice, hearing,
or other action, replace a conservator with another conservator or with
a receiver, but any such replacement shall not affect any right which
the association may have to obtain judicial review of the original
appointment, except that any removal under this paragraph (6) shall
be removal of the conservator or receiver in office at the time of such
removal.

"(7) (A) Any hearing provided for in this subsection (d) shall
be held in the Federal judicial district or in the territory in which the
home office of the association is located unless the party afforded the
hearing consents to another place, and shall be conducted in accordance
with the provisions of chapter 5 of title 5 of the United States Code.
Such hearing shall be private, unless the Board, in its discretion, after
fully considering the views of the party afforded the hearing, deter-
moves that a public hearing is necessary to protect the public interest.
After such hearing, and within ninety days after the Board has noti-
fied the parties that the case has been submitted to it for final deci-
sion, the Board shall render its decision (which shall include findings
of fact upon which its decision is predicated) and shall issue and cause
to be served upon each party to the proceeding an order or orders con-
sistent with the provisions of this subsection. Judicial review of any

Hearings and judicial review.

such order shall be exclusively as provided in this paragraph (7). Unless a petition for review is timely filed in a court of appeals of the United States, as hereinafter provided in subparagraph (B) of this paragraph, and thereafter until the record in the proceeding has been filed as so provided, the Board may at any time, upon such notice and in such manner as it shall deem proper, modify, terminate, or set aside any such order. Upon such filing of the record, the Board may modify, terminate, or set aside any such order with permission of the court.

“(B) Any party to the proceeding, or any person required by an order issued under this subsection to cease and desist from any of the violations or practices stated therein, may obtain a review of any order served pursuant to subparagraph (A) of this paragraph (other than an order issued with the consent of the association or the director or officer or other person concerned, or an order issued under paragraph (5) (A) of this subsection), by filing in the court of appeals of the United States for the circuit in which the home office of the association is located, or in the United States Court of Appeals for the District of Columbia Circuit, within thirty days after the date of service of such order, a written petition praying that the order of the Board be modified, terminated, or set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Board, and thereupon the Board shall file in the court the record in the proceeding, as provided in section 2112 of title 28 of the United States Code. Upon the filing of such petition, such court shall have jurisdiction, which upon the filing of the record shall except as provided in the last sentence of said subparagraph (A) be exclusive, to affirm, modify, terminate, or set aside, in whole or in part, the order of the Board. Review of such proceedings shall be had as provided in chapter 7 of title 5 of the United States Code. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court upon certiorari as provided in section 1254 of title 28 of the United States Code.

“(C) The commencement of proceedings for judicial review under subparagraph (B) of this paragraph shall not, unless specifically ordered by the court, operate as a stay of any order issued by the Board.

“(8) The Board may in its discretion apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the home office of the association is located, for the enforcement of any effective and outstanding notice or order issued by the Board under this subsection (d), and such courts shall have jurisdiction and power to order and require compliance therewith; but except as otherwise provided in this subsection no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order under this subsection, or to review, modify, suspend, terminate, or set aside any such notice or order. Any court having jurisdiction of any proceeding instituted under this subsection by an association or a director or officer thereof, may allow to any such party such reasonable expenses and attorneys’ fees as it deems just and proper; and such expenses and fees shall be paid by the association or from its assets.

“(9) In the course of or in connection with any proceeding under this subsection, the Board or any member thereof or a designated representative of the Board, including any person designated to conduct any hearing under this subsection, shall have power to administer oaths and affirmations, to take or cause to be taken depositions, and to issue, revoke, quash, or modify subpoenas and subpoenas duces tecum; and the Board is empowered to make rules and regulations with respect
to any such proceedings. The attendance of witnesses and the production of documents provided for in this paragraph may be required from any place in any State or in any territory at any designated place where such proceeding is being conducted. Any party to proceedings under this subsection may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district or the United States court in any territory in which such proceeding is being conducted or where the witness resides or carries on business, for enforcement of any subpoena or subpoena duces tecum issued pursuant to this paragraph, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpoenaed under this paragraph shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. All expenses of the Board or of the Federal Savings and Loan Insurance Corporation in connection with this subsection shall be considered as nonadministrative expenses.

“(10) Any service required or authorized to be made by the Board under this subsection may be made by registered mail, or in such other manner reasonably calculated to give actual notice as the Board may by regulation or otherwise provide.

“(11) The Board shall have power to make rules and regulations for the reorganization, consolidation, liquidation, and dissolution of associations, for the merger of associations with other institutions the accounts of which are insured by the Federal Savings and Loan Insurance Corporation, for associations in conservatorship and receivership, and for the conduct of conservatorships and receiverships; and the Board may, by regulation or otherwise, provide for the exercise of functions by members, directors, or officers of an association during conservatorship and receivership.

“(12) (A) Any director or officer, or former director or officer, of an association, or any other person, against whom there is outstanding and effective any notice or order (which is an order which has become final) served upon such director, officer, or other person under paragraph (4)(C), (4)(D), or (5)(A) of this subsection, and who (i) participates in any manner in the conduct of the affairs of such association, or directly or indirectly solicits or procures, or transfers or attempts to transfer, or votes or attempts to vote any proxies, consents, or authorizations in respect of any voting rights in such association, or (ii) without the prior written approval of the Board, votes for a director or serves or acts as a director, officer, or employee of any institution the accounts of which are insured by the Federal Savings and Loan Insurance Corporation, shall upon conviction be fined not more than $5,000 or imprisoned for not more than one year, or both.

“(B) Except with the prior written consent of the Board, no person shall serve as a director, officer, or employee of an association who has been convicted, or who is hereafter convicted, of a criminal offense involving dishonesty or a breach of trust. For each willful violation of this prohibition, the association involved shall be subject to a penalty of not more than $500 for each day this prohibition is violated, which the Board may recover by suit or otherwise for its own use.

“(C) Whenever a conservator or receiver appointed by the Board demands possession of the property, business, and assets of any association, or of any part thereof, the refusal by any director, officer, employee, or agent of such association to comply with the demand shall be punishable by a fine of not more than $5,000 or imprisonment for not more than one year, or both.

“(13) (A) As used in this subsection—

“(1) The terms ‘cease-and-desist order which has become final’ and ‘order which has become final’ mean a cease-and-desist order, or an
order, issued by the Board with the consent of the association or the
director or officer or other person concerned, or with respect to which
no petition for review of the action of the Board has been filed and per-
fectly in a court of appeals as specified in paragraph (7) (B) of this
subsection, or with respect to which the action of the court in which
said petition is so filed is not subject to further review by the Supreme
Court of the United States in proceedings provided for in said para-
graph, or an order issued under paragraph (5) (A) of this subsection.
“(2) The term ‘State’ includes the Commonwealth of Puerto Rico.
“(3) The term ‘territory’ includes any possession of the United
States and any place subject to the jurisdiction of the United States.
“(4) The terms ‘district’, ‘district court’, ‘district court of the
United States’, and ‘judicial district’ shall have the meanings defined in section
“(B) As used in paragraph (4) of this subsection, the term ‘viola-
tion’ includes without limitation any action (alone or with another or
others) for or toward causing, bringing about, participating in, counsel-
ing, or aiding or abetting a violation.
“(14) As used in this subsection, the terms ‘Federal savings and loan
association’ and ‘association’ shall include any institution with respect
to which the Federal Home Loan Bank Board now or hereafter has
any statutory power of examination or supervision under any Act or
joint resolution of Congress other than this Act, the Federal Home
Loan Bank Act, and the National Housing Act. For the purposes
of this paragraph (14), references in this subsection to directors, officers,
employees, and agents, or to former directors or officers, of associations
shall be deemed to be references respectively to directors, officers, em-
ployees, and agents, or to former directors or officers, of such institu-
tions, references therein to savings account holders and to members of
associations shall be deemed to be references to holders of withdraw-
able accounts in such institutions, and references therein to boards of
directors of associations shall be deemed to be references to boards of
directors or other governing boards of such institutions. Said Board
shall have power by regulation to define, for the purposes of this para-
graph (14), terms used or referred to in the sentence next preceding and
other terms used in this subsection.”

(b) The amendment made by subsection (a) of this section shall be
effective only with respect to proceedings commenced on or after the
date of enactment of this Act. Section 5(d) of the Home Owners’
Loan Act of 1933 as in effect immediately prior to the date of enact-
ment of this Act shall continue in effect with respect to any proceed-
ings commenced prior to such date.

SEC. 102. (a) Section 407 of the National Housing Act (12 U.S.C.
1730) is hereby amended to read as follows:
“Sec. 407. Termination of Insurance and Enforcement Provi-
sions.—
“(a) Voluntary termination of insurance.—Any insured insti-
tution other than a Federal savings and loan association may termi-
nate its status as an insured institution by written notice to the Cor-
poration specifying a date for such termination.
“(b) Involuntary termination of insurance; notice and hear-
ing.—(1) Whenever, in the opinion of the Corporation, any insured
institution has violated its duty as such or is engaging or has engaged
in an unsafe or unsound practice in conducting the business of such
institution, or is in an unsafe or unsound condition to continue opera-
tions as an insured institution, or is violating or has violated an ap-
licable law, rule, regulation, or order, or any condition imposed in
writing by the Corporation in connection with the granting of any
application or other request by the institution, or any written agree-
ment entered into with the Corporation, including any agreement en-
tered into under section 403 of this title, the Corporation shall serve upon the institution a statement with respect to such violations or practices or conditions for the purpose of securing the correction thereof, and shall send a copy of such statement to the appropriate State supervisory authority.

"(2) Unless such correction shall be made within one hundred and twenty days after service of such statement, or such shorter period of not less than twenty days after such service as (A) the Corporation shall require in any case where the Corporation determines that its insurance risk with respect to such institution could be unduly jeopardized by further delay in the correction of such violations or practices or conditions, or (B) the appropriate State supervisory authority shall require, or unless within such time the Corporation shall have received acceptable assurances that such correction will be made within a time and in a manner satisfactory to the Corporation, or in the event such assurances are submitted to and accepted by the Corporation but are not carried out in accordance with their terms, the Corporation may, if it shall determine to proceed further, issue and serve upon the institution written notice of intention to terminate the status of the institution as an insured institution.

"(3) Such notice shall contain a statement of the facts constituting the alleged violation or violations or the unsafe or unsound practice or practices or condition, and shall fix a time and place for a hearing thereon. Such hearing shall be fixed for a date not earlier than thirty days after service of such notice. Unless the institution shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the termination of its status as an insured institution. In the event of such consent, or if upon the record made at any such hearing the Corporation shall find that any violation or unsafe or unsound practice or condition specified in such notice has been established and has not been corrected within the time above prescribed in which to make correction, the Corporation may issue and serve upon the institution an order terminating the status of the institution as an insured institution; but any such order shall not become effective until it is an order which has become final (except in the case of an order of termination issued upon consent, which shall become effective at the time specified therein).

"(c) Date of Termination of Insured Status.—The effective date of the termination of an institution's status as an insured institution under the foregoing provisions of this section shall be the date specified for such termination in the notice by the institution to the Corporation as provided in subsection (a) of this section, or the date upon which an order of termination issued under subsection (b) (3) of this section becomes effective. The Corporation may from time to time postpone the effective date of the termination of an institution's status as an insured institution at any time before such termination has become effective, but in the case of termination by notice given by the institution such effective date shall be postponed only with the written consent of the institution.

"(d) Continuation of Insurance; Examination; Notice to Members; and Payment of Premiums.—In the event of the termination of an institution's status as an insured institution, insurance of its accounts to the extent that they were insured on the effective date of such termination as hereinabove provided in subsection (c), less any amounts thereafter withdrawn, repurchased, or redeemed, shall continue for a period of two years, but no investments or deposits made after such date shall be insured. The Corporation shall have the right to examine such institution from time to time during the two-year period aforesaid. Such insured institution shall be obligated to pay, within thirty days after the effective date of such termination, as a final
insurance premium, a sum equivalent to twice the last annual insurance premium payable by it. In the event of the termination of insurance of accounts as herein provided the institution which was the insured institution shall give prompt and reasonable notice to all of its insured members that it has ceased to be an insured institution and it may include in such notice the fact that insured accounts, to the extent not withdrawn, repurchased, or redeemed, remain insured for two years from the date of such termination, but it shall not further represent itself in any manner as an insured institution. In the event of failure to give the notice to insured members as herein provided the Corporation is authorized to give reasonable notice.

“(e) CEASE-AND-DESIST PROCEEDINGS.—(1) If, in the opinion of the Corporation, any insured institution or any institution any of the accounts of which are insured is engaging or has engaged, or the Corporation has reasonable cause to believe that the institution is about to engage, in an unsafe or unsound practice in conducting the business of such institution, or is violating or has violated, or the Corporation has reasonable cause to believe that the institution is about to violate, a law, rule, or regulation, or any condition imposed in writing by the Corporation in connection with the granting of any application or other request by the institution, or written agreement entered into with the Corporation, including any agreement entered into under section 403 of this title, the Corporation may issue and serve upon the institution a notice of charges in respect thereof. The notice shall contain a statement of the facts constituting the alleged violation or violations or the unsafe or unsound practice or practices, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist therefrom should issue against the institution. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after service of such notice unless an earlier or a later date is set by the Corporation at the request of the institution. Unless the institution shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the issuance of the cease-and-desist order. In the event of such consent, or if upon the record made at any such hearing the Corporation shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, the Corporation may issue and serve upon the institution an order to cease and desist from any such violation or practice. Such order may, by provisions which may be mandatory or otherwise, require the institution and its directors, officers, employees, and agents to cease and desist from the same, and, further to take affirmative action to correct the conditions resulting from any such violation or practice.

“(2) A cease-and-desist order shall become effective at the expiration of thirty days after service of such order upon the institution concerned (except in the case of a cease-and-desist order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the Corporation or a reviewing court.

“(f) TEMPORARY CEASE-AND-DESIST ORDERS.—(1) Whenever the Corporation shall determine that the violation or threatened violation or the unsafe or unsound practice or practices, specified in the notice of charges served upon the institution pursuant to subsection (e) (1) of this section, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the institution, or is likely to otherwise seriously prejudice the interest of its insured members or of the Corporation, the Corporation may issue a temporary order requiring the institution to cease and desist from any such violation or practice. Such order shall become effective upon service upon
the institution and, unless set aside, limited, or suspended by a court in proceedings authorized by paragraph (2) of this subsection, shall remain effective and enforceable pending the completion of the administrative proceedings pursuant to such notice and until such time as the Corporation shall dismiss the charges specified in such notice or, if a cease-and-desist order is issued against the institution, until the effective date of any such order.

“(2) Within ten days after the institution concerned has been served with a temporary cease-and-desist order, the institution may apply to the United States district court for the judicial district in which the principal office of the institution is located, or the United States District Court for the District of Columbia, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the institution under subsection (e)(1) of this section, and such court shall have jurisdiction to issue such injunction.

“(3) In the case of violation or threatened violation of, or failure to obey, a temporary cease-and-desist order, the Corporation may apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the principal office of the institution is located, for an injunction to enforce such order, and, if the court shall determine that there has been such violation or threatened violation or failure to obey, it shall be the duty of the court to issue such injunction.

“(g) Suspension or removal of director or officer.—(1) Whenever, in the opinion of the Corporation, any director or officer of an insured institution has committed any violation of law, rule, or regulation, or of a cease-and-desist order which has become final, or has engaged or participated in any unsafe or unsound practice in connection with the institution, or has committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as such director or officer, and the Corporation determines that the institution has suffered or will probably suffer substantial financial loss or other damage or that the interests of its insured members could be seriously prejudiced by reason of such violation or practice or breach of fiduciary duty, and that such violation or practice or breach of fiduciary duty is one involving personal dishonesty on the part of such director or officer, the Corporation may serve upon such director or officer a written notice of its intention to remove him from office.

“(2) Whenever, in the opinion of the Corporation, any director or officer of an insured institution, by conduct or practice with respect to another insured institution or other business institution which resulted in substantial financial loss or other damage, has evidenced his personal dishonesty and unfitness to continue as a director or officer, and, whenever, in the opinion of the Corporation, any other person participating in the conduct of the affairs of an insured institution, by conduct or practice with respect to such institution or other insured institution or other business institution which resulted in substantial financial loss or other damage, has evidenced his personal dishonesty and unfitness to participate in the conduct of the affairs of such insured institution, the Corporation may serve upon such director, officer, or other person a written notice of its intention to remove him from office and/or to prohibit his further participation in any manner in the conduct of the affairs of such institution.

“(3) In respect to any director or officer of an insured institution or any other person referred to in paragraph (1) or (2) of this subsection, the Corporation may, if it deems it necessary for the protection
of the institution or the interests of its insured members or of the Corporation, by written notice to such effect served upon such director, officer, or other person, suspend him from office and/or prohibit him from further participation in any manner in the conduct of the affairs of the institution. Such suspension and/or prohibition shall become effective upon service of such notice and, unless stayed by a court in proceedings authorized by paragraph (5) of this subsection, shall remain in effect pending the completion of the administrative proceedings pursuant to the notice served under paragraph (1) or (2) of this subsection and until such time as the Corporation shall dismiss the charges specified in such notice, or, if an order of removal and/or prohibition is issued against the director or officer or other person, until the effective date of any such order. Copies of any such notice shall also be served upon the institution of which he is a director or officer or in the conduct of whose affairs he has participated.

“(4) A notice of intention to remove a director, officer, or other person from office and/or to prohibit his participation in the conduct of the affairs of an insured institution, shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after the date of service of such notice, unless an earlier or a later date is set by the Corporation at the request of (A) such director, officer, or other person and for good cause shown, or (B) the Attorney General of the United States. Unless such director, officer, or other person shall appear at the hearing in person or by a duly authorized representative, he shall be deemed to have consented to the issuance of an order of such removal and/or prohibition. In the event of such consent, or if upon the record made at any such hearing the Corporation shall find that any of the grounds specified in such notice has been established, the Corporation may issue such orders of suspension or removal from office, and/or prohibition from participation in the conduct of the affairs of the institution, as it may deem appropriate. Any such order shall become effective at the expiration of thirty days after service upon such institution and the director, officer, or other person concerned (except in the case of an order issued upon consent, which shall become effective at the time specified therein). Such order shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the Corporation or a reviewing court.

“(5) Within ten days after any director, officer, or other person has been suspended from office and/or prohibited from participation in the conduct of the affairs of an insured institution under paragraph (3) of this subsection, such director, officer, or other person may apply to the United States district court for the judicial district in which the principal office of the institution is located, or the United States District Court for the District of Columbia, for a stay of such suspension and/or prohibition pending the completion of the administrative proceedings pursuant to the notice served upon such director, officer, or other person under paragraph (1) or (2) of this subsection, and such court shall have jurisdiction to stay such suspension and/or prohibition.

“(h) Suspension of director or officer charged with felony.—Whenever any director or officer of an insured institution, or other person participating in the conduct of the affairs of such institution, is charged in any information, indictment, or complaint authorized by a United States Attorney, with the commission of or participation in a felony involving dishonesty or breach of trust, the Corporation may, by written notice served upon such director, officer, or other person,
suspend him from office and/or prohibit him from further participation in any manner in the conduct of the affairs of the institution. A copy of such notice shall also be served upon the institution. Such suspension and/or prohibition shall remain in effect until such information, indictment, or complaint is finally disposed of or until terminated by the Corporation. In the event that a judgment of conviction with respect to such offense is entered against such director, officer, or other person, and at such time as such judgment is not subject to further appellate review, the Corporation may issue and serve upon such director, officer, or other person an order removing him from office and/or prohibiting him from further participation in any manner in the conduct of the affairs of the institution except with the consent of the Corporation. A copy of such order shall also be served upon such institution, whereupon such director or officer shall cease to be a director or officer of such institution. A finding of not guilty or other disposition of the charge shall not preclude the Corporation from thereafter instituting proceedings to remove such director, officer, or other person from office and/or to prohibit further participation in institution affairs, pursuant to paragraph (1) or (2) of subsection (g) of this section.

"(i) Termination of Federal Home Loan Bank Membership.—
Termination under this section or otherwise of the status of an institution as an insured institution shall automatically constitute a removal under subsection (i) of section 6 of the Federal Home Loan Bank Act of the institution from Federal home loan bank membership, if at the time of such termination such institution is a member of a Federal home loan bank; and removal of an institution from Federal home loan bank membership under subsection (i) of section 6 of the Federal Home Loan Bank Act or otherwise shall automatically constitute an order of termination under this section of the status of such institution as an insured institution, if such institution is at the time of such removal an insured institution.

"(j) Hearings and Judicial Review.—(1) Any hearing provided for in this section shall be held in the Federal judicial district or in the territory in which the principal office of the institution is located unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5 of the United States Code. Such hearing shall be private, unless the Corporation, in its discretion, after fully considering the views of the party afforded the hearing, determines that a public hearing is necessary to protect the public interest. After such hearing, and within ninety days after the Corporation has notified the parties that the case has been submitted to it for final decision, the Corporation shall render its decision (which shall include findings of fact upon which its decision is predicated) and shall issue and cause to be served upon each party to the proceeding an order or orders consistent with the provisions of this section. Judicial review of any such order shall be exclusively as provided in this subsection. Unless a petition for review is timely filed in a court of appeals of the United States, as hereinafter provided in paragraph (2) of this subsection, and thereafter until the record in the proceeding has been filed as so provided, the Corporation may at any time, upon such notice and in such manner as it shall deem proper, modify, terminate, or set aside any such order. Upon such filing of the record, the Corporation may modify, terminate, or set aside any such order with permission of the court.

"(2) Any party to the proceeding, or any person required by an order issued under this section to cease and desist from any of the violations or practices stated therein, may obtain a review of any order served pursuant to paragraph (1) of this subsection (other
than an order issued with the consent of the institution or the di-
rector or officer or other person concerned, or an order issued un-
der subsection (h) of this section), by filing in the court of ap-
peals of the United States for the circuit in which the principal office
of the institution is located, or in the United States Court of Ap-
peals for the District of Columbia Circuit, within thirty days after
the date of service of such order, a written petition praying that
the order of the Corporation be modified, terminated, or set aside.
A copy of such petition shall be forthwith transmitted by the clerk
of the court to the Corporation, and thereupon the Corporation shall
file in the court the record in the proceeding, as provided in section
2112 of title 28 of the United States Code. Upon the filing of such
petition, such court shall have jurisdiction, which upon the filing of
the record shall, except as provided in the last sentence of said para-
graph (1), be exclusive, to affirm, modify, terminate, or set aside, in
whole or in part, the order of the Corporation. Review of such
proceedings shall be had as provided in chapter 7 of title 5 of the
United States Code. The judgment and decree of the court shall be
final, except that the same shall be subject to review by the Supreme
Court upon certiorari as provided in section 1254 of title 28 of the
United States Code.

"(3) The commencement of proceedings for judicial review under
paragraph (2) of this subsection shall not, unless specifically or-
dered by the court, operate as a stay of any order issued by the
Corporation.

"(k) JURISDICTION AND ENFORCEMENT.—(1) Notwithstanding any
other provision of law, (A) the Corporation shall be deemed to be an
agency of the United States within the meaning of section 451 of title
28 of the United States Code; (B) any civil action, suit, or proceeding
to which the Corporation shall be a party shall be deemed to arise
under the laws of the United States, and the United States district
courts shall have original jurisdiction therof, without regard to the
amount in controversy; and (C) the Corporation may, without bond
or security, remove any such action, suit, or proceeding from a State
court to the United States district court for the district and division
embracing the place where the same is pending by following any
procedure for removal now or hereafter in effect: Provided, That any
action, suit, or proceeding to which the Corporation is a party in its
capacity as conservator, receiver, or other legal custodian of an in-
sured State-chartered institution and which involves only the rights
or obligations of investors, creditors, stockholders, and such institu-
tion under State law shall not be deemed to arise under the laws of
the United States. No attachment or execution shall be issued
against the Corporation or its property before final judgment in any
action, suit, or proceeding in any court of any State or of the United
States or any territory, or any other court.

"(2) The Corporation may, in its discretion, apply to the United
States district court, or the United States court of any territory, with-
in the jurisdiction of which the principal office of the institution is
located, for the enforcement of any effective and outstanding notice
or order issued by the Corporation under this section, and such courts
shall have jurisdiction and power to order and require compliance
therewith; but except as otherwise provided in this section no court
shall have jurisdiction to affect by injunction or otherwise the issuance
or enforcement of any notice or order under this section, or to review,
modify, suspend, terminate, or set aside any such notice or order.

"(l) REPORTING REQUIREMENTS.—(1) Whenever a change occurs in
the outstanding voting stock of any insured institution which will
result in control or a change in the control of such institution,
president or other chief executive officer of such institution shall promptly report such facts to the Corporation upon obtaining knowledge of such change. As used in this subsection, the term 'control' means the power to directly or indirectly direct or cause the direction of the management or policies of the insured institution. If there is any doubt as to whether a change in ownership or other change in the outstanding voting stock of any insured institution is sufficient to result in control or a change in the control thereof, such doubt shall be resolved in favor of reporting the facts to the Corporation.

“(2) Whenever an insured institution or an insured bank of the Federal Deposit Insurance Corporation makes a loan or loans secured (or to be secured) by 25 per centum or more of the voting stock of an insured institution, the president or other chief executive officer of the lending insured institution or insured bank shall promptly report such fact to the Corporation upon obtaining knowledge of such loan or loans, except that no report need be made in those cases where the borrower has been the owner of record of the stock for a period of one year or more, or the stock is of a newly organized insured institution prior to its opening.

“(3) The reports required by paragraphs (1) and (2) of this subsection shall contain the following information to the extent that it is known by the person making the report: (A) the number of shares involved, (B) the names of the sellers (or transferors), (C) the names of the purchasers (or transferees), (D) the names of the beneficial owners if the shares are of record in another name or other names, (E) the purchase price, (F) the total number of shares owned by the sellers (or transferors), the purchasers (or transferees) and the beneficial owners both immediately before and after the transaction, and in the case of a loan, (G) the name of the borrower, (H) the amount of the loan, and (I) the name of the institution issuing the stock securing the loan and the number of shares securing the loan. In addition to the foregoing, such reports shall contain such other information as may be available to inform the Corporation of the effect of the transaction upon control of the institution whose stock is involved. The reports required by this subsection shall be in addition to any reports that may be required pursuant to other provisions of law.

“(4) Whenever such a change as is described in paragraph (1) of this subsection occurs, the insured institution involved shall report promptly to the Corporation any change or changes, or replacement or replacements, of its chief executive officer or of any director occurring in the next twelve-month period, including in its report a statement of the past and current business and professional affiliations of the new chief executive officer or director.

“(5) Without limitation by or on the foregoing provisions of this subsection, the Corporation may require insured institutions and individuals or other persons who have or have had any connection with the management of any insured institution, as defined by the Corporation, to provide, in such manner and under such civil penalties (which shall be cumulative to any other remedies) as the Corporation may prescribe, such periodic or other reports and disclosures as the Corporation may determine to be necessary or appropriate for the protection of investors or the Corporation.

“(6) As used in this subsection, the term 'stock' means such stock or other equity securities or equity interests in an insured institution, or rights, interests, or powers with respect thereto, regardless of whether such institution is a stock company, a mutual institution, or otherwise, as the Corporation may by regulation define for the purposes of this subsection.
“(m) Ancillary provisions.—(1) In making examinations of insured institutions, examiners appointed by the Federal Home Loan Bank Board shall have power, on behalf of the Corporation, to make such examinations of the affairs of all affiliates of such institutions as shall be necessary to disclose fully the relations between such institutions and their affiliates and the effect of such relations upon such institutions. The cost of examinations of such affiliates shall be assessed against and paid by the institution. For purposes of this subsection, the term ‘affiliate’ shall have the same meaning as where used in section 2(b) of the Banking Act of 1933 (12 U.S.C. 221a(b)), except that the term ‘member bank’ in said section 2(b) shall be deemed to refer to an insured institution.

“(2) In connection with examinations of insured institutions and affiliates thereof, the Corporation, or its designated representatives, shall have power to administer oaths and affirmations and to examine and to take and preserve testimony under oath as to any matter in respect of the affairs or ownership of any such institution or affiliate thereof, and to issue subpenas and subpenas duces tecum, and, for the enforcement thereof, to apply to the United States district court for the judicial district or the United States court in any territory in which the principal office of the institution or affiliate thereof is located, or in which the witness resides or carries on business. Such courts shall have jurisdiction and power to order and require compliance with any such subpena.

“(3) In the course of or in connection with any proceeding under this section, the Corporation or its designated representatives, including any person designated to conduct any hearing under this section, shall have power to administer oaths and affirmations, to take or cause to be taken depositions, and to issue, revoke, quash, or modify subpenas and subpenas duces tecum; and the Corporation is empowered to make rules and regulations with respect to any such proceedings. The attendance of witnesses and the production of documents provided for in this subsection may be required from any place in any State or in any territory at any designated place where such proceeding is being conducted. Any party to proceedings under this section may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district or the United States court in any territory in which such proceeding is being conducted, or where the witness resides or carries on business, for enforcement of any subpena or subpena duces tecum issued pursuant to this subsection, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. All expenses of the Board or of the Federal Savings and Loan Insurance Corporation in connection with this section shall be considered as nonadministrative expenses. Any court having jurisdiction of any proceeding instituted under this section by an insured institution, or a director or officer thereof, may allow to any such party such reasonable expenses and attorneys’ fees as it deems just and proper; and such expenses and fees shall be paid by the institution or from its assets.

“(n) Service.—Any service required or authorized to be made by the Corporation under this section may be made by registered mail, or in such other manner reasonably calculated to give actual notice as the Corporation may by regulation or otherwise provide. Copies of any notice or order served by the Corporation upon any State-chartered institution or any director or officer thereof or other person participating in the conduct of its affairs, pursuant to the provisions of this section, shall also be sent to the appropriate State supervisory authority.
“(o) Notice to State Authorities.—In connection with any proceeding under subsection (e), (f)(1), or (g) of this section involving an insured State-chartered institution or any director or officer or other person participating in the conduct of its affairs, the Corporation shall provide the appropriate State supervisory authority with notice of the Corporation’s intent to institute such a proceeding and the grounds therefor. Unless within such time as the Corporation deems appropriate in the light of the circumstances of the case (which time must be specified in the notice prescribed in the preceding sentence) satisfactory corrective action is effectuated by action of the State supervisory authority, the Corporation may proceed as provided in this section. No institution or other party who is the subject of any notice or order issued by the Corporation under this section shall have standing to raise the requirements of this subsection as ground for attacking the validity of any such notice or order.

“(p) Penalties.—(1) Any director or officer, or former director or officer, of an insured institution or an institution any of the accounts of which are insured, or any other person, against whom there is outstanding and effective any notice or order (which is an order which has become final) served upon such director, officer, or other person under subsection (g)(3), (g)(4), or (h) of this section, and who (A) participates in any manner in the conduct of the affairs of such institution, or directly or indirectly solicits or procures, or transfers or attempts to transfer, or votes or attempts to vote any proxies, consents, or authorizations in respect to any voting rights in such institution, or (B) without the prior written approval of the Corporation, votes for a director or serves or acts as a director, officer, or employee of any insured institution, shall upon conviction be fined not more than $5,000 or imprisoned for not more than one year, or both.

“(2) Except with the prior written consent of the Corporation, no person shall serve as a director, officer, or employee of an insured institution who has been convicted, or who is hereafter convicted, of a criminal offense involving dishonesty or a breach of trust. For each willful violation of this prohibition, the institution involved shall be subject to a penalty of not more than $100 for each day this prohibition is violated, which the Corporation may recover by suit or otherwise for its own use.

“(q) Definitions.—(1) As used in this section—

“(A) The terms ‘cease-and-desist order which has become final’ and ‘order which has become final’ mean a cease-and-desist order, or an order, issued by the Corporation with the consent of the institution or the director or officer or other person concerned, or with respect to which no petition for review of the action of the Corporation has been filed and perfected in a court of appeals as specified in subsection (j)(2) of this section, or with respect to which the action of the court in which said petition is so filed is not subject to further review by the Supreme Court of the United States in proceedings provided for in said subsection, or an order issued under subsection (h) of this section.

“(B) The term ‘State’ includes the Commonwealth of Puerto Rico.

“(C) The term ‘territory’ includes any possession of the United States and any place subject to the jurisdiction of the United States.

“(2) As used in subsection (f) of this section, the term ‘insolvency’ means that the assets of an institution are less than its obligations to its creditors and others, including its members.

“(3) As used in subsection (g) of this section, the term ‘violation’ includes without limitation any action (alone or with another or others) for or toward causing, bringing about, participating in, counseling, or aiding or abetting a violation.”
Effective date.

(b) The amendment made by subsection (a) of this section shall be effective only with respect to proceedings commenced on or after the date of enactment of this Act. Section 407 of the National Housing Act as in effect immediately prior to the date of enactment of this Act shall continue in effect with respect to any proceedings commenced prior to such date.

SEC. 103. Subsection (c) of section 408 of the National Housing Act (12 U.S.C. 1730a(c)) is amended to read:

"(c) It shall be unlawful for any company on or after September 23, 1959—

"(1) to acquire the control of more than one insured institution, or

"(2) to acquire the control of an insured institution when it holds the control of any other insured institution, except in a transaction which has been approved by the Federal Home Loan Bank Board upon a determination by it that such transaction is advisable to assist in preventing the commencement or continuance of involuntary liquidation of the insured institution whose control, whether by acquisition of stock or assets or otherwise, as being acquired by such company or an insured institution which it controls."

Sec. 201. Paragraph (6) of subsection (j) of section 7 of the Federal Deposit Insurance Act (12 U.S.C. 1817(j)(6)) is repealed and section 3 of the Federal Deposit Insurance Act (12 U.S.C. 1813) is amended by adding the following new subsection (q):

"(q) The term `appropriate Federal banking agency' shall mean (1) the Comptroller of the Currency in the case of a national banking association or a District bank, (2) the Board of Governors of the Federal Reserve System in the case of a State member insured bank (except a District bank), and (3) the Federal Deposit Insurance Corporation in the case of a State nonmember insured bank (except a District bank)."

Sec. 202. Section 8 of the Federal Deposit Insurance Act (12 U.S.C. 1818), is amended by redesignating subsections (b), (c), and (d) thereof as (o), (p), and (q) and by adding after subsection (a) thereof the following new subsections (b) through (n), inclusive:

"(b)(1) If, in the opinion of the appropriate Federal banking agency, any insured bank or bank which has insured deposits is engaging or has engaged, or the agency has reasonable cause to believe that the bank is about to engage, in an unsafe or unsound practice in conducting the business of such bank, or is violating or has violated, or the agency has reasonable cause to believe that the bank is about to violate, a law, rule, or regulation, or any condition imposed in writing by the agency in connection with the granting of any application or other request by the bank, or any written agreement entered into with the agency, the agency may issue and serve upon the bank a notice of charges in respect thereof. The notice shall contain a statement of the facts constituting the alleged violation or violations or the unsafe or unsound practice or practices, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist therefrom should issue against the bank. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after service of such notice unless an earlier or a later date is set by the agency at the request of the bank. Unless the bank shall appear
at the hearing by a duly authorized representative, it shall be deemed
to have consented to the issuance of the cease-and-desist order. In
the event of such consent, or if upon the record made at any such hear-
ing, the agency shall find that any violation or unsafe or unsound prac-
tice specified in the notice of charges has been established, the agency
may issue and serve upon the bank an order to cease and desist from
any such violation or practice. Such order may, by provisions which
may be mandatory or otherwise, require the bank and its directors,
officers, employees, and agents to cease and desist from the same, and,
further, to take affirmative action to correct the conditions resulting
from any such violation or practice.

“(2) A cease-and-desist order shall become effective at the expira-
tion of thirty days after the service of such order upon the bank con-
cerned (except in the case of a cease-and-desist order issued upon con-
sent, which shall become effective at the time specified therein), and
shall remain effective and enforceable as provided therein, except to
such extent as it is stayed, modified, terminated, or set aside by action
of the agency or a reviewing court.

“(c)(1) Whenever the appropriate Federal banking agency shall
determine that the violation or threatened violation or the unsafe or
unsound practice or practices, specified in the notice of charges served
upon the bank pursuant to paragraph (1) of subsection (b) of this
section, or the continuation thereof, is likely to cause insolvency or
substantial dissipation of assets or earnings of the bank, or is likely
to otherwise seriously prejudice the interests of its depositors, the
agency may issue a temporary order requiring the bank to cease and
desist from any such violation or practice. Such order shall become
effective upon service upon the bank and, unless set aside, limited, or
suspended by a court in proceedings authorized by paragraph (2) of
this subsection, shall remain effective and enforceable pending the
completion of the administrative proceedings pursuant to such notice
and until such time as the agency shall dismiss the charges specified in
such notice, or if a cease-and-desist order is issued against the bank,
until the effective date of any such order.

“(2) Within ten days after the bank concerned has been served with
a temporary cease-and-desist order, the bank may apply to the United
States district court for the judicial district in which the home office
of the bank is located, or the United States District Court for the Dis-
trict of Columbia, for an injunction setting aside, limiting, or sus-
pending the enforcement, operation, or effectiveness of such order
pending the completion of the administrative proceedings pursuant to
the notice of charges served upon the bank under paragraph (1) of
subsection (b) of this section, and such court shall have jurisdiction to
issue such injunction.

“(d) In the case of violation or threatened violation of, or failure
to obey, a temporary cease-and-desist order issued pursuant to para-
graph (1) of subsection (c) of this section, the appropriate Federal
banking agency may apply to the United States district court, or the
United States court of any territory, within the jurisdiction of which
the home office of the bank is located, for an injunction to enforce such
order, and, if the court shall determine that there has been such viola-
tion or threatened violation or failure to obey, it shall be the duty of
the court to issue such injunction.

“(e)(1) Whenever, in the opinion of the appropriate Federal bank-
ing agency, any director or officer of an insured State bank (other
than a District bank) has committed any violation of law, rule, or
regulation, or of a cease-and-desist order which has become final, or
has engaged or participated in any unsafe or unsound practice in con-
nection with the bank, or has committed or engaged in any act, omis-
sion, or practice which constitutes a breach of his fiduciary duty as such director or officer, and the agency determines that the bank has suffered or will probably suffer substantial financial loss or other damage or that the interests of its depositors could be seriously prejudiced by reason of such violation or practice or breach of fiduciary duty, and that such violation or practice or breach of fiduciary duty is one involving personal dishonesty on the part of such director or officer, the agency may serve upon such director or officer a written notice of its intention to remove him from office.

"(2) Whenever, in the opinion of the Comptroller of the Currency, any director or officer of a national banking association or a District bank has committed any violation of law, rule, or regulation, or of a cease-and-desist order which has become final, or has engaged or participated in any unsafe or unsound practice in connection with the bank, or has committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as such director or officer, and the Comptroller determines that the bank has suffered or will probably suffer substantial financial loss or other damage or that the interests of its depositors could be seriously prejudiced by reason of such violation or practice or breach of fiduciary duty, and that such violation or practice or breach of fiduciary duty is one involving personal dishonesty on the part of such director or officer, the Comptroller of the Currency may certify the facts to the Board of Governors of the Federal Reserve System.

"(3) Whenever, in the opinion of the appropriate Federal banking agency, any director or officer of an insured State bank (other than a District bank), by conduct or practice with respect to another insured bank or other business institution which resulted in substantial financial loss or other damage, has evidenced his personal dishonesty and unfitness to continue as a director or officer and, whenever, in the opinion of the appropriate Federal banking agency, any other person participating in the conduct of the affairs of an insured State bank (other than a District bank), by conduct or practice with respect to such bank or other insured bank or other business institution which resulted in substantial financial loss or other damage, has evidenced his personal dishonesty and unfitness to participate in the conduct of the affairs of such insured bank, the agency may serve upon such director, officer, or other person a written notice of its intention to remove him from office and/or to prohibit his further participation in any manner in the conduct of the affairs of the bank.

"(4) Whenever, in the opinion of the Comptroller of the Currency, any director or officer of a national banking association or a District bank, by conduct or practice with respect to another insured bank or other business institution which resulted in substantial financial loss or other damage, has evidenced his personal dishonesty and unfitness to continue as a director or officer and, whenever, in the opinion of the Comptroller, any other person participating in the conduct of the affairs of a national banking association or a District bank, by conduct or practice with respect to such bank or other insured bank or other business institution which resulted in substantial financial loss or other damage, has evidenced his personal dishonesty and unfitness to participate in the conduct of the affairs of such bank, the Comptroller of the Currency may certify the facts to the Board of Governors of the Federal Reserve System.

"(5) In respect to any director or officer of an insured State bank (other than a District bank) or any other person referred to in paragraph (1) or (3) of this subsection, the appropriate Federal banking agency may, if it deems it necessary for the protection of the bank or the interests of its depositors, by written notice to such effect served
upon such director, officer, or other person, suspend him from office
and/or prohibit him from further participation in any manner in the
conduct of the affairs of the bank. Such suspension and/or prohibition
shall become effective upon service of such notice and, unless
stayed by a court in proceedings authorized by subsection (f) of
this section, shall remain in effect pending the completion of
the administrative proceedings pursuant to the notice served under
paragraph (1) or (3) of this subsection and until such time as the
agency shall dismiss the charges specified in such notice, or, if an
order of removal and/or prohibition is issued against the director or
officer or other person, until the effective date of any such order.
Copies of any such notice shall also be served upon the bank of which
he is a director or officer or in the conduct of whose affairs he has
participated.

"(8) In respect to any director or officer of a national banking
association or a District bank, or any other person referred to in para-
graph (2) or (4) of this subsection, the Comptroller of the Currency
may, if he deems it necessary for the protection of the bank or the in-
terests of its depositors that such director or officer be suspended from
office or prohibited from further participation in any manner in the
conduct of the affairs of the bank, certify the facts to the Board of
Governors of the Federal Reserve System.

"(7) In the case of a certification to the Board of Governors of the
Federal Reserve System under paragraph (2) or (4) of this subsec-
tion, the Board may serve upon the director, officer, or other person
involved, a written notice of its intention to remove him from office
and/or to prohibit him from further participation in any manner in
the conduct of the affairs of the bank. In the case of a certification to
the Board of Governors of the Federal Reserve System under para-
graph (6) of this subsection, the Board may by written notice to such
effect served upon such director, officer, or other person, suspend him
from office and/or prohibit him from further participation in any
manner in the conduct of the affairs of the bank. Such suspension
and/or prohibition shall become effective upon service of such notice
and, unless stayed by a court in proceedings authorized by subsection
(f) of this section, shall remain in effect pending the completion of
the administrative proceedings pursuant to the notice served under
the first sentence of this paragraph and until such time as the Board
shall dismiss the charges specified in such notice, or, if an order of re-
moval and/or prohibition is issued against the director or officer or
other person, until the effective date of any such order. Copies of any
such notice shall also be served upon the bank of which he is a direc-
tor or officer or in the conduct of whose affairs he has participated.

For the purposes of this paragraph and paragraph (8) of this sub-
section, the Comptroller of the Currency shall be entitled in any case
involving a national bank or a District bank to sit as a member of
the Board of Governors of the Federal Reserve System and to par-
ticipate in its deliberations on any such case and to vote thereon in all
respects as a member of such Board.

"(8) A notice of intention to remove a director, officer, or other
person from office and/or to prohibit his participation in the con-
duct of the affairs of an insured bank, shall contain a statement of the facts
constituting grounds therefor, and shall fix a time and place at which
a hearing will be held thereon. Such hearing shall be fixed for a date
not earlier than thirty days nor later than sixty days after the date of
service of such notice, unless an earlier or a later date is set by the
agency at the request of (A) such director or officer or other person,
and for good cause shown, or (B) the Attorney General of the United
States. Unless such director, officer, or other person shall appear
at the hearing in person or by a duly authorized representative, he shall be deemed to have consented to the issuance of an order of such removal and/or prohibition. In the event of such consent, or if upon the record made at any such hearing the agency shall find that any of the grounds specified in such notice has been established, the agency may issue such orders of suspension or removal from office, and/or prohibition from participation in the conduct of the affairs of the bank, as it may deem appropriate. Any such order shall become effective at the expiration of thirty days after service upon such bank and the director, officer, or other person concerned (except in the case of an order issued upon consent, which shall become effective at the time specified therein). Such order shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the agency or a reviewing court.

"(f) Within ten days after any director, officer, or other person has been suspended from office and/or prohibited from participation in the conduct of the affairs of an insured bank under subsection (e)(5) or (e)(7) of this section, such director, officer, or other person may apply to the United States district court for the judicial district in which the home office of the bank is located, or the United States District Court for the District of Columbia, for a stay of such suspension and/or prohibition pending the completion of the administrative proceedings pursuant to the notice served upon such director, officer, or other person under subsection (e)(1), (e)(3), or (e)(7) of this section, and such court shall have jurisdiction to stay such suspension and/or prohibition.

"(g) (1) Whenever any director or officer of an insured bank, or other person participating in the conduct of the affairs of such bank, is charged in any information, indictment, or complaint authorized by a United States attorney, with the commission of or participation in a felony involving dishonesty or breach of trust, the appropriate Federal banking agency may, by written notice served upon such director, officer, or other person suspend him from office and/or prohibit him from further participation in any manner in the conduct of the affairs of the bank. A copy of such notice shall also be served upon the bank. Such suspension and/or prohibition shall remain in effect until such information, indictment, or complaint is finally disposed of or until terminated by the agency. In the event that a judgment of conviction with respect to such offense is entered against such director, officer, or other person, and at such time as such judgment is not subject to further appellate review, the agency may issue and serve upon such director, officer, or other person an order removing him from office and/or prohibiting him from further participation in any manner in the conduct of the affairs of the bank except with the consent of the appropriate agency. A copy of such order shall also be served upon the bank. A finding of not guilty or other disposition of the charge shall not preclude the agency from thereafter instituting proceedings to remove such director, officer, or other person from office and/or to prohibit further participation in bank affairs, pursuant to paragraph (1), (2), (3), (4), or (7) of subsection (e) of this section.

"(2) If at any time, because of the suspension of one or more directors pursuant to this section, there shall be on the board of directors of a national bank less than a quorum of directors not so suspended, all powers and functions vested in or exercisable by such board shall vest in and be exercisable by the director or directors on the board not so suspended, until such time as there shall be a quorum of the board of directors. In the event all of the directors of a national bank are
suspended pursuant to this section, the Comptroller of the Currency
shall appoint persons to serve temporarily as directors in their place
and stead pending the termination of such suspensions, or until such
time as those who have been suspended, cease to be directors of the
bank and their respective successors take office.

“(h)(1) Any hearing provided for in this section shall be held in
the Federal judicial district or in the territory in which the home office
of the bank is located unless the party afforded the hearing consents
to another place, and shall be conducted in accordance with the pro-
visions of chapter 5 of title 5 of the United States Code. Such hearing
shall be private, unless the appropriate Federal banking agency, in its
discretion, after fully considering the views of the party afforded the
hearing, determines that a public hearing is necessary to protect the
public interest. After such hearing, and within ninety days after the
appropriate Federal banking agency or Board of Governors of the Fed-
eral Reserve System has notified the parties that the case has been sub-
mitted to it for final decision, it shall render its decision (which shall
include findings of fact upon which its decision is predicated) and shall
issue and serve upon each party to the proceeding an order or orders
consistent with the provisions of this section. Judicial review of any
such order shall be exclusively as provided in this subsection (h).

Unless a petition for review is timely filed in a court of appeals of the
United States, as hereinafter provided in paragraph (2) of this sub-
section, and thereafter until the record in the proceeding has been filed
as so provided, the issuing agency may at any time, upon such notice
and in such manner as it shall deem proper, modify, terminate, or set
aside any such order. Upon such filing of the record, the agency may
modify, terminate, or set aside any such order with permission of the
court.

“(2) Any party to the proceeding, or any person required by an
order issued under this section to cease and desist from any of the
violations or practices stated therein, may obtain a review of any
order served pursuant to paragraph (1) of this subsection (other than
an order issued with the consent of the bank or the director or officer
or other person concerned, or an order issued under paragraph (1) of
subsection (g) of this section) by the filing in the court of appeals of the
United States for the circuit in which the home office of the bank
is located, or in the United States Court of Appeals for the District
of Columbia Circuit, within thirty days after the date of service of
such order, a written petition praying that the order of the agency
be modified, terminated, or set aside. A copy of such petition shall be
forthwith transmitted by the clerk of the court to the agency, and
thereupon the agency shall file in the court the record in the proceed-
inig, as provided in section 2112 of title 28 of the United States Code.
Upon the filing of such petition, such court shall have jurisdiction,
which upon the filing of the record shall except as provided in the last
sentence of said paragraph (1) be exclusive, to affirm, modify, termi-
nate, or set aside, in whole or in part, the order of the agency. Review
of such proceedings shall be had as provided in chapter 7 of title 5 of
the United States Code. The judgment and decree of the court shall
be final, except that the same shall be subject to review by the Supreme
Court upon certiorari, as provided in section 1254 of title 28 of the
United States Code.

“(3) The commencement of proceedings for judicial review under
paragraph (2) of this subsection shall not, unless specifically ordered
by the court, operate as a stay of any order issued by the agency.

“(i) The appropriate Federal banking agency may in its discretion
apply to the United States district court, or the United States court of
any territory, within the jurisdiction of which the home office of the
bank is located, for the enforcement of any effective and outstanding notice or order issued under this section, and such courts shall have jurisdiction and power to order and require compliance herewith; but except as otherwise provided in this section no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order under this section, or to review, modify, suspend, terminate, or set aside any such notice or order.

Penalties.

"(j) Any director or officer, or former director or officer of an insured bank, or any other person, against whom there is outstanding and effective any notice or order (which is an order which has become final) served upon such director, officer, or other person under subsections (e)(5), (e)(7), (e)(8), or (g) of this section, and who (i) participates in any manner in the conduct of the affairs of the bank involved, or directly or indirectly solicits or procures, or transfers or attempts to transfer, or votes or attempts to vote, any proxies, consents, or authorizations in respect of any voting rights in such bank, or (ii) without the prior written approval of the appropriate Federal banking agency, votes for a director, serves or acts as a director, officer, or employee of any bank, shall upon conviction be fined not more than $5,000 or imprisoned for not more than one year, or both.

(k) As used in this section (1) the terms 'cease-and-desist order which has become final' and 'order which has become final' mean a cease-and-desist order, or an order, issued by the appropriate Federal banking agency with the consent of the bank or the director or officer or other person concerned, or with respect to which no petition for review of the action of the agency has been filed and perfected in a court of appeals as specified in paragraph (2) of subsection (h), or with respect to which the action of the court in which said petition is so filed is not subject to further review by the Supreme Court of the United States in proceedings provided for in said paragraph, or an order issued under paragraph (1) of subsection (g) of this section, and (2) the term 'violation' includes without limitation any action (alone or with another or others) for or toward causing, bringing about, participating in, counseling, or aiding or abetting a violation.

Notice of service.

"(l) Any service required or authorized to be made by the appropriate Federal banking agency under this section may be made by registered mail, or in such other manner reasonably calculated to give actual notice as the agency may by regulation or otherwise provide. Copies of any notice or order served by the agency upon any State bank or any director or officer thereof or other person participating in the conduct of its affairs, pursuant to the provisions of this section, shall also be sent to the appropriate State supervisory authority.

Notice to State authorities.

"(m) In connection with any proceeding under subsection (b), (c)(1), or (e) of this section involving an insured State bank or any director or officer or other person participating in the conduct of its affairs, the appropriate Federal banking agency shall provide the appropriate State supervisory authority with notice of the agency's intent to institute such a proceeding and the grounds therefor. Unless within such time as the Federal banking agency deems appropriate in the light of the circumstances of the case (which time must be specified in the notice prescribed in the preceding sentence) satisfactory corrective action is effectuated by action of the State supervisory authority, the agency may proceed as provided in this section. No bank or other party who is the subject of any notice or order issued by the agency under this section shall have standing to raise the requirements of this subsection as ground for attacking the validity of any such notice or order.

Subpena power, etc.

"(n) In the course of or in connection with any proceeding under this section, the agency conducting the proceeding, or any member or
designated representative thereof, including any person designated to conduct any hearing under this section, shall have the power to administer oaths and affirmations, to take or cause to be taken depositions, and to issue, revoke, quash, or modify subpoenas and subpoenas duces tecum; and such agency is empowered to make rules and regulations with respect to any such proceedings. The attendance of witnesses and the production of documents provided for in this subsection may be required from any place in any State or in any territory or other place subject to the jurisdiction of the United States at any designated place where such proceeding is being conducted. Any party to proceedings under this section may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district or the United States court in any territory in which such proceeding is being conducted, or where the witness resides or carries on business, for enforcement of any subpoena or subpoena duces tecum issued pursuant to this subsection, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. Any court having jurisdiction of any proceeding instituted under this section by an insured bank or a director or officer thereof, may allow to any such party such reasonable expenses and attorneys’ fees as it deems just and proper; and such expenses and fees shall be paid by the bank or from its assets."

Sec. 203. Subsections (b) and (c) of section 10 of the Federal Deposit Insurance Act (12 U.S.C. 1820 (b), (c)) are amended to read as follows:

“(b) The Board of Directors shall appoint examiners who shall have power, on behalf of the Corporation, to examine any insured State nonmember bank (except a District bank), any State nonmember bank making application to become an insured bank, and any closed insured bank, whenever in the judgment of the Board of Directors an examination of the bank is necessary. In addition to the examinations provided for in the preceding sentence, such examiners shall have like power to make a special examination of any State member bank and any national bank or District bank, whenever in the judgment of the Board of Directors such special examination is necessary to determine the condition of any such bank for insurance purposes. In making examinations of insured banks, examiners appointed by the Corporation shall have power on behalf of the Corporation to make such examinations of the affairs of all affiliates of such banks as shall be necessary to disclose fully the relations between such banks and their affiliates and the effect of such relations upon such banks. Each examiner shall have power to make a thorough examination of all of the affairs of the bank and its affiliates, and shall make a full and detailed report of the condition of the bank to the Corporation. The Board of Directors in like manner shall appoint claim agents who shall have power to investigate and examine all claims for insured deposits. Each claim agent shall have power to administer oaths and affirmations and to examine and to take and preserve testimony under oath as to any matter in respect to claims for insured deposits, and to issue subpoenas and subpoenas duces tecum, and, for the enforcement thereof, to apply to the United States district court for the judicial district or the United States court in any territory in which the main office of the bank or affiliate thereof is located, or in which the witness resides or carries on business. Such courts shall have jurisdiction and power to order and require compliance with any such subpoena.

Such courts shall have jurisdiction and power to order and require compliance with any such subpoena. For purposes of this section, the term ‘affiliate’ shall have the same meaning as where used in section 2(b) of the Banking Act of 1933 (12 U.S.C. 221a(b)) except that the term ‘member bank’ in said section 2(b) shall be deemed to refer to an insured bank.”

Whenever the Board of Directors shall find that an insured bank or its directors or trustees have engaged or are engaging in unsafe or unsound practices in conducting the business of such bank, or is in an unsafe or unsound condition to continue operations as an insured bank, or violated an applicable law, rule, regulation or order, or any condition imposed in writing by the Corporation in connection with the granting of any application or other request by the bank, or any written agreement entered into with the Corporation, the Board of Directors shall first give to the Comptroller of the Currency in the case of a national bank or a district bank, to the authority having supervision of the bank in the case of a State bank, and to the Board of Governors of the Federal Reserve System in the case of a State member bank, a statement with respect to such practices or violations for the purpose of securing the correction thereof and shall give a copy thereof to the bank. Unless such correction shall be made within one hundred and twenty days, or such shorter period not less than twenty days fixed by the Corporation in any case where the Board of Directors in its discretion has determined that the insurance risk of the Corporation is unduly jeopardized, or fixed by the Comptroller of the Currency in the case of a national bank or a district bank, or the State authority in the case of a State bank, or Board of Governors of the Federal Reserve System in the case of a State member bank as the case may be, the Board of Directors, if it shall determine to proceed further, shall give to the bank not less than thirty days’ written notice of intention to terminate the status of the bank as an insured bank, and shall fix a time and place for a hearing before the Board of Directors or before a person designated by it to conduct such hearing, at which evidence may be produced, and upon such evidence the Board of Directors shall make written findings which shall be conclusive. If the Board of Directors shall find that any unsafe or unsound practice or condition or violation specified in such statement has been established and has not been corrected within the time above prescribed in which to make such corrections, the Board of Directors may order that the insured status of the bank be terminated on a date subsequent to such finding and to the expiration of the time specified in such notice of intention. Unless the bank shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the termination of its status as an insured bank and termination of such status thereupon may be ordered. No attachment or execution shall be issued against the Corporation or its property before final judgment in any suit, action, or proceeding in any State, county, municipal, or United States court. The Board of Directors shall designate an agent upon whom service of process may be made in any State, Territory, or jurisdiction in which any insured bank is located."

FINDINGS AND DECLARATION

SEC. 2. The Congress hereby finds and declares that a knowledge of other countries is of the utmost importance in promoting mutual understanding and cooperation between nations; that strong American educational resources are a necessary base for strengthening our relations with other countries; that this and future generations of Americans should be assured ample opportunity to develop to the fullest extent possible their intellectual capacities in all areas of knowledge pertaining to other countries, peoples, and cultures; and that it is therefore both necessary and appropriate for the Federal Government to assist in the development of resources for international study and research, to assist in the development of resources and trained personnel in academic and professional fields, and to coordinate the existing and future programs of the Federal Government in international education, to meet the requirements of world leadership.

TITLE I—GRANT PROGRAMS FOR ADVANCED AND UNDERGRADUATE INTERNATIONAL STUDIES

CENTERS FOR ADVANCED INTERNATIONAL STUDIES

SEC. 101. Activities carried on in such centers may be concentrated either on specific geographical areas of the world or on particular fields or issues in world affairs which concern one or more countries, or on both. The Secretary may also make grants to public and private nonprofit agencies and organizations, including professional and scholarly associations, when such grants will make an especially significant contribution to attaining the objectives of this section.
(b) Grants under this section may be used to cover part or all of the cost of establishing, strengthening, equipping, and operating research and training centers, including the cost of teaching and research materials and resources, the cost of programs for bringing visiting scholars and faculty to the center, and the cost of training, improvement, and travel of the staff for the purpose of carrying out the objectives of this section. Such grants may also include funds for stipends (in such amounts as may be determined in accordance with regulations of the Secretary) to individuals undergoing training in such centers, including allowances for dependents and for travel for research and study here and abroad. 3. provides for such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement of and accounting for Federal funds paid to the applicant under this section; and
4. provides for making such report, in such form and containing such information, as the Secretary may require to carry out his functions under this section, and for keeping such records and for affording such access thereto as the Secretary may find necessary to assure the correctness and verification of such reports.
(c) The Secretary shall allocate grants to institutions of higher education under this section in such manner and according to such plan as will most nearly provide an equitable distribution of the grants throughout the States while at the same time giving a preference to those institutions which are most in need of funds for programs in international studies and which show real promise of being able to use funds effectively.

TITLE I—AMENDMENTS TO THE RAILROAD RETIREMENT ACT OF 1937 TO PROVIDE SUPPLEMENTAL ANNUITIES

Section 1. Section 3 of the Railroad Retirement Act of 1937 is amended by adding at the end thereof the following new subsection:

"Supplemental Annuities

"(j) (1) An individual who is entitled to the payment of an annuity under section 2 of this Act (other than subsection (e) or (h) thereof) and had a current connection with the railroad industry at the time such annuity began to accrue, shall be entitled to have a supplemental annuity accrue to him for each month beginning with the month in which he has (i) attained the age of sixty-five and (ii) completed twenty-five or more years of service. The amount of the supplemental annuity shall be $45 plus an additional amount of $5 for each year of service that the individual has in excess of 25 years, but in no case shall the supplemental annuity exceed $70: Provided, however, That in cases where an individual's annuity under section 2 of this Act begins to accrue on other than the first day of the month, the amount of any supplemental annuity to which he is entitled for that month shall be reduced by one-thirtieth for each day with respect to which he is not entitled to an annuity under section 2. The supplemental annuity provided by this subsection shall, with respect to any month, be subject to the same provisions of subsection (d) of section 2 of this Act as the individual's annuity under such section 2. Except as provided in subsection (a) (2) of this section, the supplemental annuity provided by this subsection shall not be taken into consideration in determining or computing any other annuity or benefit under this Act.

"(2) The supplemental annuity provided by this subsection for an individual shall, with respect to any month, be reduced by the amount of the supplemental pension, attributable to the employer's contribution, that such individual is entitled to receive for that month under any other supplemental pension plan: Provided, however, That the maximum of such reduction shall be equal to the amount of the supplemental annuity less any amount by which the supplemental pension is reduced by reason of the supplemental annuity.

"(3) The supplemental annuity provided by this subsection shall terminate with such annuity accruing for the sixtieth month following enactment of this subsection.

"(4) The provisions of section 12 of this Act shall not operate to exclude the supplemental annuities herein provided for from income
taxable pursuant to the Federal income tax provisions of the Internal Revenue Code of 1954."

SEC. 2. (a) Section 15 of the Railroad Retirement Act of 1937 is amended by inserting after subsection (a) the following:

"RAILROAD RETIREMENT SUPPLEMENTAL ACCOUNT

(b) There is hereby created an account in the Treasury of the United States to be known as the Railroad Retirement Supplemental Account. There is hereby appropriated to the Railroad Retirement Supplemental Account, for the fiscal year ending June 30, 1967, and for each fiscal year thereafter, out of any moneys in the Treasury not otherwise appropriated, to provide for the payment of supplemental annuities in accordance with the provisions of section 3(j) of this Act, and for expenses necessary for the Board in the administration of such section 3(j) as may be specifically authorized annually in Appropriation Acts, for crediting to such Supplemental Account, an amount equal to amounts covered into the Treasury (minus refunds) during the fiscal year ending June 30, 1967, and during each fiscal year thereafter, under sections 3211(b) and 3221(c) of the Railroad Retirement Tax Act.

At the end of forty-eight months following the enactment of the Act establishing the Railroad Retirement Supplemental Account the Railroad Retirement Board, having surveyed the progress of such Account, shall make a determination of whether the balance in such Account together with the anticipated income to the Account for the next succeeding twelve months will be sufficient to provide for the payment of the supplemental annuities provided for in section 3(j) (1) of this Act. In the event that such determination is that such balance and such anticipated income will not be sufficient to provide for the payment of all such supplemental annuities in the amounts specified, the Railroad Retirement Board is hereby authorized and directed to readjust the amounts of all such supplemental annuities, proportionately, so that such balance and anticipated income will be sufficient to provide for payment of all the supplemental annuities as so readjusted for the next succeeding twelve months."

(b) Section 15 of such Act is further amended by redesignating subsections (b), (c), and (d) as subsections (c), (d), and (e), respectively; by striking out the word "Account" where it first appears in subsection (c) as redesignated and inserting in lieu thereof "Railroad Retirement Account and the Railroad Retirement Supplemental Account (hereinafter jointly referred to as 'Accounts' or 'Railroad Retirement Accounts')"; by striking out "Account" each time it appears elsewhere in such redesignated subsections and inserting in lieu thereof "Accounts".

SEC. 3. (a) The amendment made by section 1 of this title shall be effective with respect to individuals whose annuities under section 2 of the Railroad Retirement Act of 1937 are first awarded on or after July 1, 1966, provided that no supplemental annuity shall accrue for months before the calendar month following the month in which this Act is enacted: Provided, however, That if before July 1, 1966, an annuity was awarded to an individual under section 2(a) 4 or 5 of the Railroad Retirement Act of 1937, and such individual had recovered from disability and returned to the service of an employer before July 1, 1966, following which he was awarded an annuity after June 30, 1966, the annuity last awarded him shall be deemed to be an annuity first awarded within the meaning of this subsection but only if he would have a current connection with the railroad industry at the time the annuity last awarded begins to accrue, disregarding his earlier entitlement to an annuity.
(b) The Railroad Retirement Board is authorized to request the Secretary of the Treasury to transfer from the Railroad Retirement Account to the credit of the Railroad Retirement Supplemental Account such moneys as the Board estimates would be necessary for the payment of the Supplemental annuities, provided for in section 3(j) of the Railroad Retirement Act of 1937, for the six months next following enactment of this Act, and for administrative expenses necessary in the administration of such section 3(j) (which expenses are hereby authorized) until such time as an appropriation for such expenses is made pursuant to section 15(b) of such Act, and the Secretary shall make such transfer. The Railroad Retirement Board shall request the Secretary of the Treasury at any time before the expiration of one year following the enactment of this Act, to retransfer from the Railroad Retirement Supplemental Account to the credit of the Railroad Retirement Account the amount transferred to the Railroad Retirement Supplemental Account pursuant to the next preceding sentence, plus interest at a rate equal to the average rate of interest borne by all special obligations held by the Railroad Retirement Account on the last day of the fiscal year ending on June 30, 1966, rounded to the nearest multiple of one-eighth of 1 per centum, and the Secretary shall make such retransfer.

TITLE II—AMENDMENTS TO THE RAILROAD RETIREMENT ACT OF 1937 TO PROVIDE AN INCREASE IN CERTAIN ANNUITIES UNDER THE ACT

Sec. 201. (a) (1) Section 2(e) of the Railroad Retirement Act of 1937 is amended by striking out the period at the end thereof and inserting in lieu thereof the following: "And provided further, That the spouse's annuity provided for herein and in subsection (h) of this section shall be computed without regard to the reduction in the individual's annuity under the first two provisos in section 3(a) (1) of this Act and without regard to the effect of section 3(a) (2) on the annuity of the individual from whom such spouse's annuity derives."

(2) Section 2 of such Act is further amended by adding a new subsection at the end thereof as follows:

"(i) The spouse's annuity provided under subsections (e) and (h) of this section shall (before any reduction on account of age) be reduced in accordance with the first two provisos in section 3(a) (1) of this Act except that the spouse's annuity shall not be less than it would be had this Act not been amended in 1966."

(b) Section 3(a) of such Act is amended by striking out all that appears therein and inserting in lieu thereof the following:

"Sec. 3. (a) (1) The annuity shall be computed by multiplying an individual's 'years of service' by the following percentages of his 'monthly compensation': 3.58 per centum of the first $50; 2.69 per centum of the next $100; 1.79 per centum of the next $300; and 1.67 per centum of the remainder up to an amount equal to one-twelfth of the current maximum annual taxable 'wages' as defined in section 3121 of the Internal Revenue Code of 1954: Provided, however, That in cases where an individual is entitled to a benefit under title II of the Social Security Act, the amount so computed shall be reduced by 6.55 per centum of the amount of such social security benefit (disregarding any increases in such benefit based on recomputations other than for the correction of errors after such reduction is first applied and any increases derived from changes in the primary insurance amount through legislation enacted after the Social Security Amendments of 1965): Provided further, That in determining social security benefit amounts for the purpose of this subsection, if such individual's
average monthly wage is in excess of $400, only an average monthly wage of $400 shall be used: And provided further. That the amount of an annuity as computed under this subsection shall not be less than it would be had this Act not been amended in 1966.

"(2) Notwithstanding the provisions of paragraph (1) of this subsection, and of subsection (e) of this section, the annuity of an individual for a month with respect to which a supplemental annuity under subsection (j) of this section accrues to him shall be computed or recomputed under the provisions of this subsection, or of subsection (e) of this section, as in effect before their amendment in 1966: Provided, however. That if the application of the preceding provision of this paragraph would result in the amount of the annuity, plus the amount of a supplemental annuity (after adjustment under subsection (j) (2) of this section) payable to an individual for a month being lower than the amount which would be payable as an annuity except for such preceding provision, the annuity shall be in an amount which together with the amount of the supplemental annuity would be no less than the amount that would be payable as an annuity but for such preceding provision."

(c) Section 3(e) of such Act is amended by striking out all that precedes the first proviso and inserting in lieu thereof the following:

"In the case of an individual having a current connection with the railroad industry, the minimum annuity payable shall, before any reduction pursuant to section 2(a) (3), be whichever of the following is the least: (1) $5.35 multiplied by the number of his years of service; or (2) $89.35; or (3) 118 per centum of his monthly compensation except that the minimum annuity so determined shall be reduced in accordance with the first two provisos in subsection (a) (1) of this section, but shall not be less than it would be had this Act not been amended in 1966."

(d) Section 5(h) of such Act is amended by striking out all that appears therein and substituting in lieu thereof the following: "MAXIMUM AND MINIMUM ANNUITY TOTALS.—Whenever according to the provisions of this section as to annuities payable for a month with respect to the death of an employee, the total annuities is more than $38.84 and exceeds either (a) $207.15, or (b) an amount equal to two and two-thirds times such employee’s basic amount, whichever of such amounts is the lesser, such total of annuities shall, after any deductions under subsection (i), be reduced to such lesser amount or to $38.84, whichever is greater. Whenever such total of annuities is less than $18.14, such total shall, prior to any deductions under subsection (i), be increased to $18.14: Provided, however. That the share of any individual in an amount so determined shall be reduced in accordance with the first two provisions in subsection (a) (1) of this Act except that the share of such individual shall not be less than it would be had this Act not been amended in 1966."

(e) Section 5(1) (10) of such Act is amended—

(1) by striking out all that appears in subdivision (i) and inserting in lieu thereof the following: “for an employee who will have been partially insured, or completely insured solely by virtue of paragraph (7) (i) or (7) (ii), or both: the sum of (A) 52.4 per centum of his average monthly remuneration, up to and including $75; plus (B) 12.8 per centum of such average monthly remuneration exceeding $75 and up to and including $450; plus (C) 12 per centum of such average monthly remuneration exceeding $450 and up to and including an amount equal to one-twelfth of the current maximum annual taxable ‘wages’ as defined in section 3121 of the Internal Revenue Code of 1954, plus (D) 1 per
centum of the sum of (A) plus (B) plus (C) multiplied by the number of years after 1936 in each of which the compensation, wages, or both, paid to him will have been equal to $200 or more; if the basic amount thus computed is less than $18.14, it shall be increased to $18.14:” and

(2) by striking out in subdivision (ii) thereof “49” wherever it appears and inserting in lieu thereof “52.4”, by striking out in such subdivision “12” and inserting in lieu thereof “12.8”, by striking out in such subdivision “$40.33” and inserting “$43.15”, by striking out in such subdivision “$30.25” and inserting in lieu thereof “$32.37”, and by striking out in such subdivision “$16.13” and inserting in lieu thereof “$17.26”.

(f) Section 5 of such Act is amended by adding at the end thereof the following new subsection:

“(m) An annuity payable under this section to an individual, without regard to subsection (h) of this section or the proviso in the first paragraph of section 3(e) of this Act, shall be reduced in accordance with the first two provisos in section 3(a)(1) of this Act except that the amount of the annuity shall not be less than it would be had this Act not been amended in 1966.”

(g) All pensions under section 6 of the Railroad Retirement Act of 1937, all joint and survivor annuities and survivor annuities deriving from joint and survivor annuities under that Act awarded before the month following the month of enactment of this Act, all widows’ and widowers’ insurance annuities which began to accrue before the second month following the month of enactment of this Act, and which, in accordance with the proviso in section 5(a) or section 5(b) of the Railroad Retirement Act of 1937, are payable in the amount of a spouse’s annuity to which the widow or widower was entitled (except those of such insurance annuities which are based on a spouse’s annuity which was payable in the maximum amount as determined in accordance with the provisions of the Social Security Act as amended by the Social Security Amendments of 1965), and all annuities under the Railroad Retirement Act of 1935 are increased by 7 per centum, but such a widow’s or widower’s annuity in an amount formerly received as a spouse’s annuity shall not be increased to an amount above $74.80: Provided, however, That in cases where an individual is entitled to a benefit under title II of the Social Security Act, the additional amount payable because of this subsection shall be reduced by 6.55 per centum of the amount of such social security benefit (disregarding any increases in such benefit based on recomputations other than for the correction of errors after such reduction is first applied and any increases derived from changes in the primary insurance amount through legislation enacted after the Social Security Amendments of 1965): Provided further, That in determining social security benefit amounts for the purpose of this subsection, if such individual’s average monthly wage is in excess of $400, only the average monthly wage of $400 shall be used.

The Secretary shall survey the townsite into lots, blocks, streets, and alleys and he may issue a patent therefor to a trustee appointed by him, when he is satisfied that a viable self-governing community which is capable of providing adequate municipal services is established or will be established prior to the conveyance by the trustee of title to any property to the natives of the Pribilof Islands. The trustee is authorized to convey to the individual natives of the Pribilof Islands title to improved or unimproved lots or tracts of land within such townsite for homesite, commercial, or other purposes not inconsistent with the purpose for which the Secretary administers said islands, upon payment of an amount to be determined by the Secretary. the Secretary deems necessary, that the title conveyed is inalienable for a period of twenty years from the date of conveyance except upon approval of the Secretary. Any deed issued after twenty years from the date of conveyance shall not require approval of the Secretary. Any lot or tract conveyed by the trustee to said natives shall not, except as provided in the Act of March 29, 1956 (70 Stat. 62; 25 U.S.C. 483a), be subject to levy and sale in satisfaction of the debts, contracts, or liabilities of the purchaser or to any claims of adverse possession or to claims of prescription, except that such lot or tract shall be subject to taxation and to levy and sale in satisfaction thereof under the laws of the State of Alaska.

(c) The net proceeds from the sale, pursuant to this section, of improved or unimproved lots or tracts shall be made available to the established local governing body to be used with other proceeds available to such body for the purpose of providing adequate municipal services to persons inhabiting the islands. In addition, at the close of the first fiscal year in which there is established a municipal corporation as provided in this section, the Secretary of the Interior shall certify to the Secretary of the Treasury for payment from the gross receipts of the Pribilof Islands fund, after deducting from such fund all costs to the United States in carrying out the provisions of this Act, the sum of $50,000 to such community to assist it in providing adequate municipal services, and, at the close of each succeeding four fiscal years, he shall pay from such fund the sums of $40,000, $30,000, $20,000, and $10,000, respectively.

(d) Upon approval by the Secretary, the trustee shall convey, with or without reimbursement, any improved or unimproved land which was authorized to be sold under subsection (a), and which is unsold five years after incorporation, and which is not needed in connection with the Federal activities on said islands, to the municipality for the purposes of this section: Provided. That a conveyance pursuant to this subsection shall be subject to such terms and conditions as the Secretary deems necessary to enable him to administer the Pribilof Islands as provided in this title.

(e) The trustee shall convey to the municipality at the time of incorporation all surveyed streets and alleys of the townsite. All deeds issued by the trustee shall contain a reservation to the trustee of rights-of-way for streets and alleys to be surveyed and established upon and across land conveyed to the natives of the Pribilof Islands whenever he determines that it would be in the interest of the native owner to establish such streets and alleys. Such reservation shall be for a term not to exceed ten years. In addition the Secretary may convey without reimbursement to the municipality such lands or interests therein outside the townsite boundaries for any purpose subject to such conditions as the Secretary deems desirable to carry out the purposes of this Act.

(f) The provisions of this section shall not affect any valid existing rights.

(b) The annuity of any person or the annuity of the survivor of any person who shall have performed service described in subsection (a), and who prior to the date of enactment of this Act died or shall have been retired on annuity payable from the civil service retirement and disability fund, shall, upon application filed by the annuitant within one year after the date of enactment of this Act, be adjusted, effective as of the first day of the month immediately following the date of enactment of this Act, so that the amount of the annuity will be the same as if such subsection had been in effect at the time of such person's retirement or death.

(c) Section 4(g) of the Civil Service Retirement Act (5 U.S.C. 2254(g)) is amended by inserting after the words “military service” a comma and the following: “for service performed prior to January 1, 1950, by natives of the Pribilof Islands in the taking and curing of fur seal skins and other activities in connection with the administration of such islands.”

(e) Notwithstanding any other provision of this Act or any other law, benefits under the Civil Service Retirement Act made available by reason of the provisions of this section shall be paid from the civil service retirement and disability fund subject to reimbursement to such fund from the gross receipts of the Pribilof Islands fund, established in section 407 of this Act, for the purpose of compensating said retirement fund for the cost, as determined by the Civil Service Commission during each fiscal year, of benefits provided by this section. "(c) In a habeas corpus proceeding brought in behalf of a person in custody pursuant to the judgment of a State court, a prior judgment of the Supreme Court of the United States on an appeal or review by a writ of certiorari at the instance of the prisoner of the decision of such State court, shall be conclusive as to all issues of fact or law with respect to an asserted denial of a Federal right which constitutes ground for discharge in a habeas corpus proceeding, actually adjudicated by the Supreme Court therein, unless the applicant for the writ of habeas corpus shall plead and the court shall find the existence of a material and controlling fact which did not appear in the record of the proceeding in the Supreme Court and the court shall further find
that the applicant for the writ of habeas corpus could not have caused such fact to appear in such record by the exercise of reasonable diligence.

Sec. 2. Section 2254 of title 28, United States Code is amended—

(c) by inserting at the beginning of the two paragraphs thereof existing on the day preceding the date of enactment of this Act the subsection designations "(b)" and "(c)", respectively; and

(d) by inserting immediately after such paragraphs the following new subsections "(d)", "(e)", and "(f)";

"(d) In any proceeding instituted in a Federal court by an application for a writ of habeas corpus by a person in custody pursuant to the judgment of a State court, a determination after a hearing on the merits of a factual issue, made by a State court of competent jurisdiction in a proceeding to which the applicant for the writ and the State or an officer or agent thereof were parties, evidenced by a written finding, written opinion, or other reliable and adequate written indicia, shall be presumed to be correct, unless the applicant shall establish or it shall otherwise appear, or the respondent shall admit—

"(1) that the merits of the factual dispute were not resolved in the State court hearing;

"(2) that the factfinding procedure employed by the State court was not adequate to afford a full and fair hearing;

"(3) that the material facts were not adequately developed at the State court hearing;

"(4) that the State court lacked jurisdiction of the subject matter or over the person of the applicant in the State court proceeding;

"(5) that the applicant was an indigent and the State court, in deprivation of his constitutional right, failed to appoint counsel to represent him in the State court proceeding;

"(6) that the applicant did not receive a full, fair, and adequate hearing in the State court proceeding; or

"(7) that the applicant was otherwise denied due process of law in the State court proceeding;

"(8) or unless that part of the record of the State court proceeding in which the determination of such factual issue was made, pertinent to a determination of the sufficiency of the evidence to support such factual determination, is produced as provided for hereinafter, and the Federal court on a consideration of such part of the record as a whole concludes that such factual determination is not fairly supported by the record:

And in an evidentiary hearing in the proceeding in the Federal court, when due proof of such factual determination has been made, unless
the existence of one or more of the circumstances respectively set forth in paragraphs numbered (1) to (7), inclusive, is shown by the applicant, otherwise appears, or is admitted by the respondent, or unless the court concludes pursuant to the provisions of paragraph numbered (8) that the record in the State court proceeding, considered as a whole, does not fairly support such factual determination, the burden shall rest upon the applicant to establish by convincing evidence that the factual determination by the State court was erroneous.

"(e) If the applicant challenges the sufficiency of the evidence adduced in such State court proceeding to support the State court's determination of a factual issue made therein, the applicant, if able, shall produce that part of the record pertinent to a determination of the sufficiency of the evidence to support such determination. If the applicant, because of indigency or other reason is unable to produce such part of the record, then the State shall produce such part of the record and the Federal court shall direct the State to do so by order directed to an appropriate State official. If the State cannot provide such pertinent part of the record, then the court shall determine under the existing facts and circumstances what weight shall be given to the State court's factual determination.

"(f) A copy of the official records of the State court, duly certified by the clerk of such court to be a true and correct copy of a finding, judicial opinion, or other reliable written indicia showing such a factual determination by the State court shall be admissible in the Federal court proceeding."

Sec. 2. Section 173(c) of title 10, United States Code, is repealed.

Sec. 3. Sections 564(a), 1164, 1221, 1255(a), 1263(a), 1305(a), 1404 (including the catchline), 3883, 3884, 3885, 3886, 3913(a), 3915, 3916 (a), 3921(a), 3922(a), 3923, 3924, 3884, 3885, 3886, 3913(a), 3915(a), 3916(a), 3921(a), 3922(a), and 3923, and the item relating to section 1404 in the analysis for chapter 71, of title 10, United States Code, are each amended by striking out the figure "47a" wherever it appears and by inserting in place thereof the figure "8301".

However, a member who is released from active duty because his performance of duty has fallen below standards prescribed by the Secretary concerned, or because his retention on active duty is not clearly consistent with the interests of national security, is entitled to a readjustment payment computed on the basis of one-half of one month's basic pay of the grade in which the member is serving at the time of his release from active duty. However, a member covered by clause (6) may receive a readjustment payment under this section and disability compensation if an amount equal to 75 percent of the readjustment payment is deducted from the disability compensation. This subsection does not prevent a member who elects to receive a readjustment payment under this section from becoming entitled to disability compensation based on his service performed after he makes that election."; and

(1) Upon gross estate.—Unless the estate tax imposed by chapter 11 is sooner paid in full, or becomes unenforceable by reason of lapse of time, it shall be a lien upon the gross estate of the decedent for 10 years from the date of death, except that such part of the gross estate as is used for the payment of charges against the estate and expenses of its administration, allowed by any court having jurisdiction thereof, shall be divested of such lien.

(2) Liability of transferees and others.—If the estate tax imposed by chapter 11 is not paid when due, then the spouse, transferee, trustee (except the trustee of an employees' trust which meets the requirements of section 401(a)), surviving tenant, person in possession of the property by reason of the exercise, nonexercise, or release of a power of appointment, or beneficiary, who receives, or has on the date of the decedent's death, property included in the gross estate under sections 2034 to 2042, inclusive, to the extent of the value, at the time of the decedent's death, of such property, shall be personally liable for such tax. Any part of such property transferred by (or transferred by a transferee of) such spouse, transferee, trustee, surviving tenant, person in possession, or beneficiary, to a purchaser or holder of a security interest shall be divested of the lien provided in paragraph (1) and a like lien shall then attach to all the property of such spouse, transferee, trustee, surviving tenant, person in possession, or beneficiary, or transferee of any such person, except any part transferred to a purchaser or a holder of a security interest.

(3) Continuance after discharge of executor.—The provisions of section 2204 (relating to discharge of executor from personal liability) shall not operate as a release of any part of the gross estate from the lien for any deficiency that may thereafter be determined to be due, unless such part of the gross estate (or any interest therein) has been transferred to a purchaser or a holder of a security interest, in which case such part (or such interest) shall not be subject to a lien or to any claim or demand for any such deficiency, but the lien shall attach to the consideration received from such purchaser or holder of a security interest, by the heirs, legatees, devisees, or distributees.

(b) Lien for Gift Tax.—Except as otherwise provided in subsection (c), unless the gift tax imposed by chapter 12 is sooner paid in full or becomes unenforceable by reason of lapse of time, such tax shall be a lien upon all gifts made during the calendar year, for 10 years from the date the gifts are made. If the tax is not paid when due, the donee of any gift shall be personally liable for such tax to the extent of the value of such gift. Any part of the property comprised in the gift transferred by the donee (or by a transferee of the donee) to a purchaser or holder of a security interest shall be divested of the lien imposed by this subsection and such lien, to the extent of the value of such gift, shall attach to all the property (including after-acquired
property) of the donee (or the transferee) except any part transferred to a purchaser or holder of a security interest.

"(2) If a lien imposed by subsection (a) or (b) is not valid as against a lien or security interest, the priority of such lien or security interest shall extend to any item described in section 6323 (e) (relating to priority of interest and expenses) to the extent that, under local law, such item has the same priority as the lien or security interest to which it relates."

SEC. 103. CERTIFICATES RELATING TO LIENS.

(a) AMENDMENT OF SECTION 6325.—Section 6325 (relating to release of lien or partial discharge of property) is amended to read as follows:

"SEC. 6325. RELEASE OF LIEN OR DISCHARGE OF PROPERTY.

"(a) RELEASE OF LIEN.—Subject to such regulations as the Secretary or his delegate may prescribe, the Secretary or his delegate may issue a certificate of release of any lien imposed with respect to any internal revenue tax if—

"(1) LIABILITY SATISFIED OR UNENFORCEABLE.—The Secretary or his delegate finds that the liability for the amount assessed, together with all interest in respect thereof, has been fully satisfied or has become legally unenforceable; or

"(2) BOND ACCEPTED.—There is furnished to the Secretary or his delegate and accepted by him a bond that is conditioned upon the payment of the amount assessed, together with all interest in respect thereof, within the time prescribed by law (including any extension of such time), and that is in accordance with such requirements relating to terms, conditions, and form of the bond and sureties thereon, as may be specified by such regulations.

"(b) DISCHARGE OF PROPERTY.—

"(1) PROPERTY DOUBLE THE AMOUNT OF THE LIABILITY.—Subject to such regulations as the Secretary or his delegate may prescribe, the Secretary or his delegate may issue a certificate of discharge of any part of the property subject to any lien imposed under this chapter if the Secretary or his delegate finds that the fair market value of that part of such property remaining subject to the lien is at least double the amount of the unsatisfied liability secured by such lien and the amount of all other liens upon such property which have priority over such lien.

"(2) PART PAYMENT; INTEREST OF UNITED STATES VALUELESS.—Subject to such regulations as the Secretary or his delegate may prescribe, the Secretary or his delegate may issue a certificate of discharge of any part of the property subject to the lien if—

"(A) there is paid over to the Secretary or his delegate in partial satisfaction of the liability secured by the lien an amount determined by the Secretary or his delegate, which shall not be less than the value, as determined by the Secretary or his delegate, of the interest of the United States in the part to be so discharged, or

"(B) the Secretary or his delegate determines at any time that the interest of the United States in the part to be so discharged has no value.
In determining the value of the interest of the United States in the part to be so discharged, the Secretary or his delegate shall give consideration to the value of such part and to such liens thereon as have priority over the lien of the United States.

"(3) Substitution of proceeds of sale.—Subject to such regulations as the Secretary or his delegate may prescribe, the Secretary or his delegate may issue a certificate of discharge of any part of the property subject to the lien if such part of the property is sold and, pursuant to an agreement with the Secretary or his delegate, the proceeds of such sale are to be held, as a fund subject to the liens and claims of the United States, in the same manner and with the same priority as such liens and claims had with respect to the discharged property.

"(c) Estate or Gift Tax.—Subject to such regulations as the Secretary or his delegate may prescribe, the Secretary or his delegate may issue a certificate of discharge of any or all of the property subject to any lien imposed by section 6324 if the Secretary or his delegate finds that the liability secured by such lien has been fully satisfied or provided for.

"(d) Subordination of Lien.—Subject to such regulations as the Secretary or his delegate may prescribe, the Secretary or his delegate may issue a certificate of subordination of any lien imposed by this chapter upon any part of the property subject to such lien if—

"(1) there is paid over to the Secretary or his delegate an amount equal to the amount of the lien or interest to which the certificate subordinates the lien of the United States, or

"(2) the Secretary or his delegate believes that the amount realizable by the United States from the property to which the certificate relates, or from any other property subject to the lien, will ultimately be increased by reason of the issuance of such certificate and that the ultimate collection of the tax liability will be facilitated by such subordination.

"(e) Nonattachment of Lien.—If the Secretary or his delegate determines that, because of confusion of names or otherwise, any person (other than the person against whom the tax was assessed) is or may be injured by the appearance that a notice of lien filed under section 6323 refers to such person, the Secretary or his delegate may issue a certificate that the lien does not attach to the property of such person.

"(f) Effect of Certificate.—

"(1) Conclusiveness.—Except as provided in paragraphs (2) and (3), if a certificate is issued pursuant to this section by the Secretary or his delegate and is filed in the same office as the notice of lien to which it relates (if such notice of lien has been filed) such certificate shall have the following effect:

"(A) in the case of a certificate of release, such certificate shall be conclusive that the lien referred to in such certificate is extinguished;

"(B) in the case of a certificate of discharge, such certificate shall be conclusive that the property covered by such certificate is discharged from the lien;

"(C) in the case of a certificate of subordination, such certificate shall be conclusive that the lien or interest to which the lien of the United States is subordinated is superior to the lien of the United States; and

"(D) in the case of a certificate of nonattachment, such certificate shall be conclusive that the lien of the United States does not attach to the property of the person referred to in such certificate.
“(2) **Revocation of certificate of release or nonattachment.**—If the Secretary or his delegate determines that a certificate of release or nonattachment of a lien imposed by section 6321 was issued erroneously or improvidently, or if a certificate of release of such lien was issued pursuant to a collateral agreement entered into in connection with a compromise under section 7122 which has been breached, and if the period of limitation on collection after assessment has not expired, the Secretary or his delegate may revoke such certificate and reinstate the lien—

“(A) by mailing notice of such revocation to the person against whom the tax was assessed at his last known address, and

“(B) by filing notice of such revocation in the same office in which the notice of lien to which it relates was filed (if such notice of lien had been filed). Such reinstated lien (i) shall be effective on the date notice of revocation is mailed to the taxpayer in accordance with the provisions of subparagraph (A), but not earlier than the date on which any required filing of notice of revocation is filed in accordance with the provisions of subparagraph (B), and (ii) shall have the same force and effect (as of such date), until the expiration of the period of limitation on collection after assessment, as a lien imposed by section 6321 (relating to lien for taxes).

“(3) **Certificates void under certain conditions.**—Notwithstanding any other provision of this subtitle, any lien imposed by this chapter shall attach to any property with respect to which a certificate of discharge has been issued if the person liable for the tax reacquires such property after such certificate has been issued.

“(g) **Filing of certificates and notices.**—If a certificate or notice issued pursuant to this section may not be filed in the office designated by State law in which the notice of lien imposed by section 6321 is filed, such certificate or notice shall be effective if filed in the office of the clerk of the United States district court for the judicial district in which such office is situated.

Such organization shall pay over such amount 90 days after service of notice of levy. Such notice shall include a certification by the Secretary or his delegate that a copy of such notice has been mailed to the person against whom the tax is assessed at his last known address.

"(1) shall be made subject to and without disturbing the lien of the United States, if notice of such lien has been filed in the place provided by law for such filing at the time such action or suit is commenced, or

"(2) shall have the same effect with respect to the discharge or divestment of such lien of the United States as may be provided with respect to such matters by the local law of the place where such property is situated, if no notice of such lien has been filed in the place provided by law for such filing at the time such action or suit is commenced or if the law makes no provision for such filing.

If a judicial sale of property pursuant to a judgment in any civil action or suit to which the United States is not a party discharges a lien of the United States arising under the provisions of this title, the United States may claim, with the same priority as its lien had against the property sold, the proceeds (exclusive of costs) of such sale at any time before the distribution of such proceeds is ordered.

(b) Other Sales.—Notwithstanding subsection (a) a sale of property on which the United States has or claims a lien, or a title derived from enforcement of a lien, under the provisions of this title, made pursuant to an instrument creating a lien on such property, pursuant to a confession of judgment on the obligation secured by such an instrument, or pursuant to a nonjudicial sale under a statutory lien on such property—

"(1) shall, except as otherwise provided, be made subject to and without disturbing such lien or title, if notice of such lien was filed or such title recorded in the place provided by law for such filing or recording more than 30 days before such sale and the United States is not given notice of such sale in the manner prescribed in subsection (c) (1); or

"(2) shall have the same effect with respect to the discharge or divestment of such lien or such title of the United States, as may be provided with respect to such matters by the local law of the place where such property is situated, if—

"(A) notice of such lien or such title was not filed or recorded in the place provided by law for such filing more than 30 days before such sale,

"(B) the law makes no provision for such filing, or

"(C) notice of such sale is given in the manner prescribed in subsection (c) (1).

(c) Special Rules.—

"(1) Notice of Sale.—Notice of a sale to which subsection (b) applies shall be given (in accordance with regulations prescribed by the Secretary or his delegate) in writing, by registered or certified mail or by personal service, not less than 25 days prior to such sale, to the Secretary or his delegate.

"(2) Consent to Sale.—Notwithstanding the notice requirement of subsection (b) (2) (C), a sale described in subsection (b) of
property shall discharge or divest such property of the lien or title of the United States if the United States consents to the sale of such property free of such lien or title.

"(3) Sale of perishable goods.—Notwithstanding the notice requirement of subsection (b) (2)(C), a sale described in subsection (b) of property liable to perish or become greatly reduced in price or value by keeping, or which cannot be kept without great expense, shall discharge or divest such property of the lien or title of the United States if notice of such sale is given (in accordance with regulations prescribed by the Secretary or his delegate) in writing, by registered or certified mail or by personal service, to the Secretary or his delegate before such sale. The proceeds (exclusive of costs) of such sale shall be held as a fund subject to the liens and claims of the United States, in the same manner and with the same priority as such liens and claims had with respect to the property sold, for not less than 30 days after the date of such sale.

"(d) Redemption by United States.—

"(1) Right to redeem.—In the case of a sale of real property to which subsection (b) applies to satisfy a lien prior to that of the United States, the Secretary or his delegate may redeem such property within the period of 120 days from the date of such sale or the period allowable for redemption under local law, whichever is longer.

"(2) Amount to be paid.—In any case in which the United States redeems real property pursuant to paragraph (1), the amount to be paid for such property shall be the amount prescribed by subsection (d) of section 2410 of title 28 of the United States Code.

"(3) Certificate of redemption.—

"(A) In general.—In any case in which real property is redeemed by the United States pursuant to this subsection, the Secretary or his delegate shall apply to the officer designated by local law, if any, for the documents necessary to evidence the fact of redemption and to record title to such property in the name of the United States. If no such officer is designated by local law or if such officer fails to issue such documents, the Secretary or his delegate shall execute a certificate of redemption therefor.

"(B) Filing.—The Secretary or his delegate shall, without delay, cause such documents or certificate to be duly recorded in the proper registry of deeds. If the State in which the real property redeemed by the United States is situated has not by law designated an office in which such certificate may be recorded, the Secretary or his delegate shall file such certificate in the office of the clerk of the United States district court for the judicial district in which such property is situated.

"(C) Effect.—A certificate of redemption executed by the Secretary or his delegate shall constitute prima facie evidence of the regularity of such redemption and shall, when recorded, transfer to the United States all the rights, title, and interest in and to such property acquired by the person from whom the United States redeems such property by virtue of the sale of such property."

“(d) LIMITATION ON RIGHTS OF ACTION.—No action may be maintained against any officer or employee of the United States (or former officer or employee) or his personal representative with respect to any acts for which an action could be maintained under this section.

“(e) SUBSTITUTION OF UNITED STATES AS PARTY.—If an action, which could be brought against the United States under this section, is improperly brought against any officer or employee of the United States (or former officer or employee) or his personal representative, the court shall order, upon such terms as are just, that the pleadings be amended to substitute the United States as a party for such officer or employee as of the time such action was commenced upon proper service of process on the United States.

“(f) PROVISION INAPPLICABLE.—The provisions of section 7422(a) (relating to prohibition of suit prior to filing claim for refund) shall not apply to actions under this section.

“(g) INTEREST.—Interest shall be allowed at the rate of 6 percent per annum—

sending copies of the process and complaint, by registered mail, or by certified mail, to the Attorney General of the United States at Washington, District of Columbia. In such actions the United States may appear and answer, plead or demur within sixty days after such service or such further time as the court may allow.

"(c) A judgment or decree in such action or suit shall have the same effect respecting the discharge of the property from the mortgage or other lien held by the United States as may be provided with respect to such matters by the local law of the place where the court is situated. However, an action to foreclose a mortgage or other lien, naming the United States as a party under this section, must seek judicial sale. A sale to satisfy a lien inferior to one of the United States shall be made subject to and without disturbing the lien of the United States, unless the United States consents that the property may be sold free of its lien and the proceeds divided as the parties may be entitled. Where a sale of real estate is made to satisfy a lien prior to that of the United States, the United States shall have one year from the date of sale within which to redeem, except that with respect to a lien arising under the internal revenue laws the period shall be 120 days or the period allowable for redemption under State law, whichever is longer, and in any case in which, under the provisions of section 505 of the Housing Act of 1950, as amended (12 U.S.C. 1701k), and subsection (d) of section 1820 of title 38 of the United States Code, the right to redeem does not arise, there shall be no right of redemption. In any case where the debt owing the United States is due, the United States may ask, by way of affirmative relief, for the foreclosure of its own lien and where property is sold to satisfy a first lien held by the United States, the United States may bid at the sale such sum, not exceeding the amount of its claim with expenses of sale, as may be directed by the head (or his delegate) of the department or agency of the United States which has charge of the administration of the laws in respect to which the claim of the United States arises.

"(d) In any case in which the United States redeems real property under this section or section 7425 of the Internal Revenue Code of 1954, the amount to be paid for such property shall be the sum of—

"(1) the actual amount paid by the purchaser at such sale (which, in the case of a purchaser who is the holder of the lien being foreclosed, shall include the amount of the obligation secured by such lien to the extent satisfied by reason of such sale),

"(2) interest on the amount paid (as determined under paragraph (1)) at 6 percent per annum from the date of such sale, and

"(3) the amount (if any) equal to the excess of (A) the expenses necessarily incurred in connection with such property, over (B) the income from such property plus (to the extent such property is used by the purchaser) a reasonable rental value of such property."

"(B) for the amount of any reduction in the suspense account required by paragraph (4) (B) (i).

"(3) Opening balance.—The opening balance of a reserve described in paragraph (1) (A) for the first taxable year ending after October 21, 1965, for which a taxpayer maintains such reserve shall, under regulations prescribed by the Secretary or his delegate, be determined as if the taxpayer had maintained such reserve for the preceding taxable years.

26 USC 6501.
"(A) Requirement.—Except as provided by subparagraph (C), each taxpayer who maintains a reserve described in paragraph (1) (A) shall, for purposes of this subsection and section 81, establish and maintain a suspense account. "(C) Limitations.—Subparagraphs (A) and (B) shall not apply in the case of the taxpayer who maintained for his last taxable year ending before October 22, 1965, a reserve for bad debts under subsection (c) which included debt obligations described in paragraph (1) (A).

"(D) Section 381 acquisitions.—The application of this paragraph in any acquisition to which section 381 (a) applies shall be determined under regulations prescribed by the Secretary or his delegate."

FINDINGS AND DECLARATION OF PURPOSE

Sec. 2. (a) The Congress declares that fulfillment of our national purpose depends on promoting and assuring the highest level of health attainable for every person, in an environment which contributes positively to healthful individual and family living; that attainment of this goal depends on an effective partnership, involving close intergovernmental collaboration, official and voluntary efforts, and participation of individuals and organizations; that Federal financial assistance must be directed to support the marshaling of all health resources—national, State, and local—to assure comprehensive health services of high quality for every person, but without interference with existing patterns of private professional practice of medicine, dentistry, and related healing arts.

(b) To carry out such purpose, and recognizing the changing character of health problems, the Congress finds that comprehensive planning for health services, health manpower, and health facilities is
essential at every level of government; that desirable administration requires strengthening the leadership and capacities of State health agencies; and that support of health services provided people in their communities should be broadened and made more flexible.

GRANTS FOR COMPREHENSIVE HEALTH PLANNING AND PUBLIC HEALTH SERVICES

Sec. 3. Section 314 of the Public Health Service Act (42 U.S.C. 246) is amended to read as follows:

"GRANTS FOR COMPREHENSIVE HEALTH PLANNING AND PUBLIC HEALTH SERVICES

"Grants to States for Comprehensive State Health Planning

"Sec. 314. (a) (1) Authorization.—In order to assist the States in comprehensive and continuing planning for their current and future health needs, the Surgeon General is authorized during the period beginning July 1, 1966, and ending June 30, 1968, to make grants to States which have submitted, and had approved by the Surgeon General, State plans for comprehensive State health planning. For the purposes of carrying out this subsection, there are hereby authorized to be appropriated $2,500,000 for the fiscal year ending June 30, 1967, and $5,000,000 for the fiscal year ending June 30, 1968.

"(2) State plans for comprehensive state health planning.—In order to be approved for purposes of this subsection, a State plan for comprehensive State health planning must—

"(A) designate, or provide for the establishment of, a single State agency, which may be an interdepartmental agency, as the sole agency for administering or supervising the administration of the State’s health planning functions under the plan;

"(B) provide for the establishment of a State health planning council, which shall include representatives of State and local agencies and nongovernmental organizations and groups concerned with health, and of consumers of health services, to advise such State agency in carrying out its functions under the plan, and a majority of the membership of such council shall consist of representatives of consumers of health services;

"(C) set forth policies and procedures for the expenditure of funds under the plan, which, in the judgment of the Surgeon General, are designed to provide for comprehensive State planning for health services (both public and private), including the facilities and persons required for the provision of such services, to meet the health needs of the people of the State;

"(D) provide for encouraging cooperative efforts among governmental or nongovernmental agencies, organizations and groups concerned with health services, facilities, or manpower, and for cooperative efforts between such agencies, organizations, and
groups and similar agencies, organizations, and groups in the fields of education, welfare, and rehabilitation;

"(E) contain or be supported by assurances satisfactory to the Surgeon General that the funds paid under this subsection will be used to supplement and, to the extent practicable, to increase the level of funds that would otherwise be made available by the State for the purpose of comprehensive health planning and not to supplant such non-Federal funds;

"(F) provide such methods of administration (including methods relating to the establishment and maintenance of personnel standards on a merit basis, except that the Surgeon General shall exercise no authority with respect to the selection, tenure of office, and compensation of any individual employed in accordance with such methods) as are found by the Surgeon General to be necessary for the proper and efficient operation of the plan;

"(G) provide that the State agency will make such reports, in such form and containing such information, as the Surgeon General may from time to time reasonably require, and will keep such records and afford such access thereto as the Surgeon General finds necessary to assure the correctness and verification of such reports;

"(H) provide that the State agency will from time to time, but not less often than annually, review its State plan approved under this subsection and submit to the Surgeon General appropriate modifications thereof;

"(I) provide for such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement of and accounting for funds paid to the State under this subsection; and

"(J) contain such additional information and assurances as the Surgeon General may find necessary to carry out the purposes of this subsection.

"(3) (A) STATE ALLOTMENTS.—From the sums appropriated for such purpose for each fiscal year, the several States shall be entitled to allotments determined, in accordance with regulations, on the basis of the population and the per capita income of the respective States; except that no such allotment to any State for any fiscal year shall be less than 1 per centum of the sum appropriated for such fiscal year pursuant to paragraph (1). Any such allotment to a State for a fiscal year shall remain available for obligation by the State, in accordance with the provisions of this subsection and the State's plan approved thereunder, until the close of the succeeding fiscal year.

"(B) The amount of any allotment to a State under subparagraph (A) for any fiscal year which the Surgeon General determines will not be required by the State, during the period for which it is available, for the purposes for which allotted shall be available for reallocation by the Surgeon General from time to time, on such date or dates as he may fix, to other States with respect to which such a determination has not been made, in proportion to the original allotments to such States
under subparagraph (A) for such fiscal year, but with such proportionate amount for any of such other States being reduced to the extent it exceeds the sum the Surgeon General estimates such State needs and will be able to use during such period; and the total of such reductions shall be similarly reallocated among the States whose proportionate amounts were not so reduced. Any amount so reallocated to a State from funds appropriated pursuant to this subsection for a fiscal year shall be deemed part of its allotment under subparagraph (A) for such fiscal year.

(4) Payments to States.—From each State’s allotment for a fiscal year under this subsection, the State shall from time to time be paid the Federal share of the expenditures incurred during that year or the succeeding year pursuant to its State plan approved under this subsection. Such payments shall be made on the basis of estimates by the Surgeon General of the sums the State will need in order to perform the planning under its approved State plan under this subsection, but with such adjustments as may be necessary to take account of previously made underpayments or overpayments. The ‘Federal share’ for any State for purposes of this subsection shall be all, or such part as the Surgeon General may determine, of the cost of such planning.

“(B) For the purpose of determining the Federal share for any State, expenditures by nonprofit private agencies, organizations, and groups shall, subject to such limitations and conditions as may be prescribed by regulations, be regarded as expenditures by such State or a political subdivision thereof.

“(5) Federal share.—The ‘Federal share’ for any State for purposes of this subsection shall be 100 per centum less that percentage which bears the same ratio to 50 per centum as the per capita income of such State bears to the per capita income of the United States; except that in no case shall such percentage be less than 33 1/3 per centum or more than 66 2/3 per centum, and except that the Federal share for the Commonwealth of Puerto Rico, Guam, American Samoa, and the Virgin Islands shall be 66 2/3 per centum.

"Interchange of Personnel With States

"(f)(1) For the purposes of this subsection, the term 'State' means a State or a political subdivision of a State, or any agency of either of the foregoing engaged in any activities related to health or designated or established pursuant to subparagraph (A) of paragraph (2) of subsection (a); the term 'Secretary' means (except when used in paragraph (3)(D)) the Secretary of Health, Education, and Welfare; and the term 'Department' means the Department of Health, Education, and Welfare.

"(2) The Secretary is authorized, through agreements or otherwise, to arrange for assignment of officers and employees of States to the Department and assignment to States of officers and employees in the Department engaged in work related to health, for work which the Secretary determines will aid the Department in more effective discharge of its responsibilities in the field of health as authorized by law, including cooperation with States and the provision of technical or other assistance. The period of assignment of any officer or employee under an arrangement shall not exceed two years.

"(3)(A) Officers and employees in the Department assigned to any State pursuant to this subsection shall be considered, during such assignment, to be (i) on detail to a regular work assignment in the Department, or (ii) on leave without pay from their positions in the Department.

"(B) Persons considered to be so detailed shall remain as officers or employees, as the case may be, in the Department for all purposes, except that the supervision of their duties during the period of detail may be governed by agreement between the Department and the State involved.

"(C) In the case of persons so assigned and on leave without pay—

"(i) if the rate of compensation (including allowances) for their employment by the State is less than the rate of compensation (including allowances) they would be receiving had they continued in their regular assignment in the Department, they may receive supplemental salary payments from the Department in the amount considered by the Secretary to be justified, but not at a rate in excess of the difference between the State rate and the Department rate; and

"(ii) they may be granted annual leave and sick leave to the extent authorized by law, but only in circumstances considered by the Secretary to justify approval of such leave.

Such officers and employees on leave without pay shall, notwithstanding any other provision of law, be entitled—

"(iii) to continuation of their insurance under the Federal Employees' Group Life Insurance Act of 1954, and coverage
under the Federal Employees Health Benefits Act of 1959, so long as the Department continues to collect the employee's contribution from the officer or employee involved and to transmit for timely deposit into the funds created under such Acts the amount of the employee's contributions and the Government's contribution from appropriations of the Department; and

“(iv) (I) in the case of commissioned officers of the Service, to have their service during their assignment treated as provided in section 214(d) for such officers on leave without pay; or (II) in the case of other officers and employees in the Department, to credit the period of their assignment under the arrangement under this subsection toward periodic or longevity step increases and for retention and leave accrual purposes, and, upon payment into the civil service retirement and disability fund of the percentage of their State salary, and of their supplemental salary payments, if any, which would have been deducted from a like Federal salary for the period of such assignment and payment by the Secretary into such fund of the amount which would have been payable by him during the period of such assignment with respect to a like Federal salary, to treat (notwithstanding the provisions of the Independent Offices Appropriation Act, 1959, under the head ‘Civil Service Retirement and Disability Fund’) their service during such period as service within the meaning of the Civil Service Retirement Act;

except that no officer or employee or his beneficiary may receive any benefits under the Civil Service Retirement Act, the Federal Employees Health Benefits Act of 1959, or the Federal Employees' Group Life Insurance Act of 1954, based on service during an assignment hereunder for which the officer or employee or (if he dies without making such election) his beneficiary elects to receive benefits, under any State retirement or insurance law or program, which the Civil Service Commission determines to be similar. The Department shall deposit currently in the funds created under the Federal Employees' Group Life Insurance Act of 1954, the Federal Employees' Health Benefits Act of 1959, and the civil service retirement and disability fund, respectively, the amount of the Government's contribution under these Acts on account of service with respect to which employee contributions are collected as provided in subparagraph (iii) and the amount of the Government's contribution under the Civil Service Retirement Act on account of service with respect to which payments (of the amount which would have been deducted under that Act) referred to in subparagraph (iv) are made to such civil service retirement and disability fund.

“(D) Any such officer or employee on leave without pay (other than a commissioned officer of the Service) who suffers disability or death as a result of personal injury sustained while in the performance of his duty during an assignment hereunder, shall be treated, for the purposes of the Federal Employees' Compensation Act, as though he were an employee, as defined in such Act, who had sustained such injury in the performance of duty. When such person (or his dependents, in case of death) entitled by reason of injury or death to benefits under that Act is also entitled to benefits from a State for the same injury or death, he (or his dependents in case of death) shall elect which benefits he will receive. Such election shall be made within one year after the injury or death, or such further time as the Secretary of Labor may for good cause allow, and when made shall be irrevocable unless otherwise provided by law.

“(4) Assignment of any officer or employee in the Department to a State under this subsection may be made with or without reimburse-
Transportation of household goods.

"(5) Appropriations to the Department shall be available, in accordance with the standardized Government travel regulations or, with respect to commissioned officers of the Service, the joint travel regulations, the expenses of travel of officers and employees assigned to States under an arrangement under this subsection on either a detail or leave-without-pay basis and, in accordance with applicable law, orders, and regulations, for expenses of transportation of their immediate families and expenses of transportation of their household goods and personal effects, in connection with the travel of such officers and employees to the location of their posts of assignment and their return to their official stations.

"(6) Officers and employees of States who are assigned to the Department under an arrangement under this subsection may (A) be given appointments in the Department covering the periods of such assignments, or (B) be considered to be on detail to the Department. Appointments of persons so assigned may be made without regard to the civil service laws. Persons so appointed in the Department shall be paid at rates of compensation determined in accordance with the Classification Act of 1949, and shall not be considered to be officers or employees of the Service for the purposes of (A) the Civil Service Retirement Act, (B) the Federal Employees' Group Life Insurance Act of 1954, or (C) unless their appointments result in the loss of coverage in a group health benefits plan whose premium has been paid in whole or in part by a State contribution, the Federal Employees Health Benefits Act of 1959. State officers and employees who are assigned to the Department without appointment shall not be considered to be officers or employees of the Department, except as provided in subsection (7), nor shall they be paid a salary or wage by the Service during the period of their assignment. The supervision of the duties of such persons during the assignment may be governed by agreement between the Secretary and the State involved.

"(7)(A) Any State officer or employee who is assigned to the Department without appointment shall nevertheless be subject to the provisions of sections 203, 215, 207, 208, and 209 of title 18 of the United States Code.

"(B) Any State officer or employee who is given an appointment while assigned to the Department, or who is assigned to the Department without appointment, under all arrangement under this subsection, and who suffers disability or death as a result of personal injury sustained while in the performance of his duty during such assignment shall be treated, for the purpose of the Federal Employees' Compensation Act, as though he were an employee, as defined in such Act, who had sustained such injury in the performance of duty. When such person (or his dependents, in case of death) entitled by reason of injury or death to benefits under that Act is also entitled to benefits from a State for the same injury or death, he (or his dependents, in case of death) shall elect which benefits he will receive. Such election shall be made within one year after the injury or death, or such further time as the Secretary of Labor may for good cause allow, and when made shall be irrevocable unless otherwise provided by law.

"(8) The appropriations to the Department shall be available, in accordance with the standardized Government travel regulations,
during the period of assignment and in the case of travel to and from
their places of assignment or appointment, for the payment of expenses
of travel of persons assigned to, or given appointments by, the Service
under an arrangement under this subsection.

"(9) All arrangements under this subsection for assignment of
officers or employees in the Department to States or for assignment
of officers or employees of States to the Department shall be made in
accordance with regulations of the Secretary.

by the fair market value of any equipment or supplies furnished to
such recipient and by the amount of the pay, allowances, traveling
expenses, and any other costs in connection with the detail of an officer
or employee to the recipient when such furnishing or such detail, as
the case may be, is for the convenience of and at the request of such
recipient and for the purpose of carrying out the State plan or the
project with respect to which the grant under this section is made.
The amount by which such payments are so reduced shall be available
for payment of such costs (including the costs of such equipment and
supplies) by the Surgeon General, but shall, for purposes of determin-
ing the Federal share under subsection (a) or (d), be deemed to have
been paid to the State.

"(3) Whenever the Surgeon General, after reasonable notice and
opportunity for hearing to the health authority or, where appropri-
ate, the mental health authority of a State or a State health planning
agency designated or established pursuant to subparagraph (A) of
paragraph (2) of subsection (a), finds that, with respect to money
paid to the State out of appropriations under subsection (a) or (d),
there is a failure to comply substantially with either—

"(A) the applicable provisions of this section;
"(B) the State plan submitted under such subsection; or
"(C) applicable regulations under this section;
the Surgeon General shall notify such State health authority, mental
health authority, or health planning agency, as the case may be, that
further payments will not be made to the State from appropriations
under such subsection (or in his discretion that further payments
will not be made to the State from such appropriations for activities
in which there is such failure), until he is satisfied that there will no
longer be such failure. Until he is so satisfied, the Surgeon General
shall make no payment to such State from appropriations under such
subsection, or shall limit payment to activities in which there is no
such failure.

Any State which desires to receive grants under this title shall submit to the Commissioner through its State educational agency a State plan in such detail as the Commissioner deems necessary. The Commissioner shall not approve a State plan or a modification of a State plan under this title unless the plan meets the following requirements:

"(a) The plan must provide satisfactory assurance that funds paid to the State under this title will be expended, either directly or through local educational agencies, solely to initiate, expand, or improve programs and projects, including preschool programs and projects, (A) which are designed to meet the special educational and related needs of handicapped children throughout the State, (B) which are of sufficient size, scope, and quality (taking into consideration the special educational needs of such children) as to give reasonable promise of substantial progress toward meeting those needs, and (C) which may include the acquisition of equipment and where necessary the construction of school facilities. Nothing in this title shall be deemed to preclude two or more local educational agencies from entering into agreements, at their option, for carrying out jointly operated programs and projects under this title. The plan may provide up to 5 per centum of the amount allotted to the State for any fiscal year or
$75,000 ($25,000 in the case of the Commonwealth of Puerto Rico, Guam, American Samoa, the Virgin Islands, and the Trust Territory of the Pacific Islands), whichever is greater, may be expended for the proper and efficient administration of the State plan (including State leadership activities and consultative services), and for planning on the State and local level.

"(b) The plan must provide satisfactory assurance that, to the extent consistent with the number and location of handicapped children in the State who are enrolled in private elementary and secondary schools, provision will be made for participation of such children in programs assisted or carried out under this title.

"(c) The plan must provide satisfactory assurance that the control of funds provided under this title, and title to property derived therefrom, shall be in a public agency for the uses and purposes provided in this title, and that a public agency will administer such funds and property.

"(d) The plan must set forth policies and procedures which provide satisfactory assurance that Federal funds made available under this title will be so used as to supplement and, to the extent practical, increase the level of State, local, and private funds expended for the education of handicapped children, and in no case supplant such State, local, and private funds.

"(e) The plan must provide that effective procedures, including provision for appropriate objective measurements of educational achievement, will be adopted for evaluating at least annually the effectiveness of the programs in meeting the special educational needs of, and providing related services for, handicapped children.

"(f) The plan must provide that the State educational agency will be the sole agency for administering or supervising the administration of the plan.

"(g) The plan must provide for making such reports, in such form and containing such information, as the Commissioner may reasonably require to carry out his functions under this title, including reports of the objective measurements required by paragraph (e) of this subsection; and the plan must also provide for keeping such records and for affording such access thereto as the Commissioner may find necessary to assure the correctness and verification of such reports.

"(h) The plan must provide satisfactory assurance that such fiscal control and fund accounting procedures will be adopted as may be necessary to assure proper disbursement of, and accounting for, Federal funds paid under this title to the State, including any such funds paid by the State to local educational agencies.

"(i) The plan must provide satisfactory assurance that funds paid to the State under this title shall not be made available to any school for handicapped children eligible for assistance under section 203 (a) (5) of title II of Public Law 874, Eighty-first Congress.

"(j) The plan must provide satisfactory assurance, in the case of any project for construction of school facilities, that the project is not inconsistent with overall State plans for the construction of school facilities and that the requirements of section 610 will be complied with on all such construction projects.

"(k) The plan must provide satisfactory assurance that effective procedures will be adopted for acquiring and disseminating to teachers and administrators of handicapped children significant information derived from educational research, demonstration, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects.
PAYMENTS

"Sec. 605. From the amounts allotted to each State under section 603, the Commissioner shall pay to that State an amount equal to the amount expended by the State in carrying out its State plan. These payments may be made in installments, and in advance or by way of reimbursement, with necessary adjustments on account of overpayments or underpayments.

ADMINISTRATION OF STATE PLANS

"Sec. 606. (a) The Commissioner shall not finally disapprove any State plan submitted under this title, or any modification thereof, without first affording the State agency administering the plan reasonable notice and opportunity for a hearing.

"(b) Whenever the Commission, after reasonable notice and opportunity for hearing to such State agency, finds—

"(1) that the State plan has been so changed that it no longer complies with the provisions of section 604, or

"(2) that in the administration of the plan there is a failure to comply substantially with any such provisions,

the Commissioner shall notify such State agency that the State will not be regarded as eligible to participate in the program under this title until he is satisfied that there is no longer any such failure to comply.

Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

GRANTS TO STATES FOR ADULT BASIC EDUCATION

SEC. 304. (a) From the sums appropriated pursuant to section 314, not less than 10 per centum nor more than 20 per centum shall be reserved for the purposes of section 309.

(b) From the remainder of such sums, the Commissioner is authorized to make grants to States, which have State plans approved by him under section 306 for the purposes of this section, to pay the Federal share of the cost of the establishment or expansion of adult basic education programs to be carried out by local educational agencies.

ALLOTMENT FOR ADULT BASIC EDUCATION

SEC. 305. (a) From the sums available for purposes of section 304(b) for any fiscal year, the Commissioner shall allot not more than 2 per centum thereof among Puerto Rico, Guam, American Samoa, the Trust Territory of the Pacific Islands, and the Virgin Islands according to their respective needs for assistance under such section. From the remainder of such sums he shall allot to each State an amount which bears the same ratio to such remainder as the number
of adults who have completed not more than five grades of school (or have not achieved an equivalent level of education) in such State bears to the number of such adults in all States.

(b) The portion of any State's allotment under subsection (a) for a fiscal year which the Commissioner determines will not be required, for the period such allotment is available, for carrying out the portion of the State plan relating to adult basic education approved under this title shall be available for reallocation from time to time, on such dates during such period as the Commissioner may fix, to other States in proportion to the original allotments to such States under subsection (a) for such year, but with such proportionate amount for any of such other States being reduced to the extent it exceeds the sum which the Commissioner estimates such State needs and will be able to use for such period for carrying out such portion of its State plan approved under this title, and the total of such reductions shall be similarly reallocated among the States whose proportionate amounts are not so reduced. Any amount reallocated to a State under this subsection during a year shall be deemed part of its allotment under subsection (a) for such year.

STATE PLANS

Sec. 306. (a) Any State desiring to receive its allotment of Federal funds for any grant under this title shall submit through its State educational agency a State plan. Such State plan shall be in such detail as the Commissioner deems necessary, and shall—

(1) set forth a program for the use of grants, in accordance with section 304(b), which affords assurance of substantial progress, with respect to all segments of the adult population and all areas of the State, toward carrying out the purposes of such section;

(2) provide for the administration of such plan by the State educational agency;

(3) provide for cooperative arrangements between the State educational agency and the State health authority authorizing the use of such health information and services for adults as may be available from such agencies and as may reasonably be necessary to enable them to benefit from the instruction provided pursuant to this title;

(4) provide for grants to public and private nonprofit agencies for special projects, teacher-training and research;

(5) provide for cooperation with Community Action programs, Work Experience programs, VISTA, Work Study, and other programs relating to the anti-poverty effort;

(6) provide that such agency will make such reports to the Commissioner, in such form and containing such information, as may reasonably be necessary to enable the Commissioner to perform his duties under this title and will keep such records and afford such access thereto as the Commissioner finds necessary to assure the correctness and verification of such reports;

(7) provide such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement of and accounting for Federal funds paid the State under this title (including such funds paid by the State to local educational agencies); and

(8) provide such further information and assurances as the Commissioner may by regulation require.

(b) The Commissioner shall not finally disapprove any State plan submitted under this title, or any modification thereof, without first affording the State educational agency reasonable notice and opportunity for a hearing.
Sec. 307. (a) Except as provided in subsection (b), the Federal share of expenditures to carry out a State plan shall be paid from a State's allotment available for grants to such State. For the fiscal year ending June 30, 1967, and the succeeding fiscal year, the Federal share for each State shall be 90 per centum.

(b) No payment shall be made to any State from its allotment for any fiscal year unless the Commissioner finds that the amount available for expenditure by such State for adult education from non-Federal sources for such year will be not less than the amount expended for such purposes from such sources during the preceding fiscal year.

(c) Payments to a State under this title may be in installments and in advance or by way of reimbursement with necessary adjustments on account of overpayments or underpayments.

Sec. 308. (a) Whenever the Commissioner after reasonable notice and opportunity for hearing to the State educational agency administering a State plan approved under this title, finds that—

(1) the State plan has been so changed that it no longer complies with the provisions of section 306, or

(2) in the administration of the plan there is a failure to comply substantially with any such provision.

the Commissioner shall notify such State agency that no further payments will be made to the State under this title (or in his discretion, that further payments to the State will be limited to programs under or portions of the State plan not affected by such failure), until he is satisfied that there will no longer be any failure to comply. Until he is so satisfied, no further payments may be made to such State under this title (or payments shall be limited to programs under or portions of the State plan not affected by such failure).

(b) A State educational agency dissatisfied with a final action of the Commissioner under section 306 or subsection (a) of this section may appeal to the United States court of appeals for the circuit in which the State is located, by filing a petition with such court within sixty days after such final action. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Commissioner or any officer designated by him for that purpose. The Commissioner thereupon shall file in the court the record of the proceedings on which he based his action, as provided in section 2112 of title 28, United States Code. Upon the filing of such petition, the court shall have jurisdiction to affirm the action of the Commissioner or to set it aside, in whole or in part, temporarily or permanently, but until the filing of the record, the Commissioner may modify or set aside his order. The findings of the Commissioner as to the facts, if supported by substantial evidence, shall be conclusive, but the court, for good cause shown, may remand the case to the Commissioner to take further evidence, and the Commissioner may thereupon make new or modified findings of fact and may modify his previous action, and shall file in the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence. The judgment of the court affirming or setting aside, in whole or in part, any action of the Commissioner shall be final, subject to the review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States
Code. The commencement of proceedings under this subsection shall not unless so specifically ordered by the court operate as a stay of the Commissioner's action.

SPECIAL EXPERIMENTAL DEMONSTRATION PROJECTS AND TEACHER TRAINING

SEC. 309. (a) The sums reserved in section 304(a) for the purposes of this section shall be used for making special project grants or providing teacher-training grants in accordance with this section.

(b) The Commissioner is authorized to make grants to local educational agencies or other public or private nonprofit agencies, including educational television stations, for special projects which will be carried out in furtherance of the purposes of this title, and which—

(1) involve the use of innovative methods, systems, materials, or programs which the Commissioner determines may have national significance or be of special value in promoting effective programs under this title, or

(2) involve programs of adult education, carried out in cooperation with other Federal, federally assisted, State, or local programs which the Commissioner determines have unusual promise in promoting a comprehensive or coordinated approach to the problems of persons with basic educational deficiencies.

The Commissioner shall establish procedures for making grants under this subsection which shall require a non-Federal contribution of at least 10 per centum of the costs of such projects wherever feasible and not inconsistent with the purposes of this subsection.

(c) The Commissioner is authorized to provide (directly or by contract), or to make grants to colleges or universities, State or local educational agencies, or other appropriate public or private nonprofit agencies or organizations, to provide training to persons engaged, or preparing to engage, as personnel in adult education programs designed to carry out the purposes of this title, with such stipends and allowances, if any (including traveling and subsistence expenses), for persons undergoing such training and their dependents as the Commissioner may by regulation determine.

ADVISORY COMMITTEE ON ADULT BASIC EDUCATION

SEC. 310. (a) The President shall, within ninety days of enactment of this title appoint a National Advisory Committee on Adult Basic Education.

(b) The National Advisory Committee shall have eight members, consisting of the Commissioner of Education, who shall be chairman, and seven other members who shall, to the extent possible, include persons knowledgeable in the field of adult education, State and local public school officials, and other persons having special knowledge and experience, or qualifications with respect to adult basic education, and persons representative of the general public. Such Advisory Committee shall meet at the call of the chairman but not less often than twice a year.

(c) The Advisory Committee shall advise the Commissioner in the preparation of general regulations and with respect to policy matters arising in the administration of this title, including policies and procedures governing the approval of State plans under section 306 and policies to eliminate duplication, and to effectuate the coordination of
programs under this title and other programs offering adult education activities and services.

(d) The Advisory Committee shall review the administration and effectiveness of the adult basic education program and other federally supported adult education programs as they relate to adult basic education, make recommendations with respect thereto, and make annual reports to the President of its findings and recommendations (including recommendations for changes in this title and other Federal laws relating to adult education activities and services). The President shall transmit each such report to the Congress together with his comments and recommendations. The Secretary of Health, Education, and Welfare shall coordinate the work of this committee with that of other related advisory committees.

(e) Members of the Advisory Committee who are not regular full-time employees of the United States, shall, while serving on the business of the Committee, be entitled to receive compensation at rates fixed by the Commissioner, but not exceeding $100 per day, including travel time; and, while so serving away from their homes or regular places of business, members may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of title 5 of the United States Code for persons in the Government service employed intermittently.

(f) The Commissioner shall engage such technical assistance as may be required to carry out the functions of the Advisory Committee, and the Commissioner shall, in addition, make available to the Advisory Committee such secretarial, clerical, and other assistance and such pertinent data prepared by the Department of Health, Education, and Welfare as it may require to carry out its functions.

(g) In carrying out its functions pursuant to this section, the Advisory Committee may utilize the services and facilities of any agency of the Federal Government, in accordance with agreements between the Secretary of Health, Education, and Welfare and the head of such agency.

Sec. 312. (a) Nothing contained in this title shall be construed to authorize any department, agency, officer, or employee of the United States to exercise any direction, supervision, or control over the curriculum, program of instruction, administration, or personnel of any educational institution or school system, or over the selection of library resources, textbooks, or other printed or published instructional materials by any educational institution or school system.

(b) The National Advisory Committee on Adult Basic Education is authorized to encourage the establishment of State and local adult education advisory committees in order to improve reporting of State and local administration of programs under this title. Such local and State advisory committees may be existing groups or especially estab-
lished by State and local administrators of the programs to assure that the local program is meeting the needs of the community.

LIMITATION

Sec. 313. No grant may be made under this title for any educational program, activity, or service related to sectarian instruction or religious worship, or provided by a school or department of divinity. For purposes of this section, the term "school or department of divinity" means an institution or a department or branch of an institution whose program is specifically for the education of students to prepare them to become ministers of religion or to enter upon some other religious vocation, or to prepare them to teach theological subjects.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Allied Health Professions Personnel Training Act of 1966".

ADDITION OF PART G TO TITLE VII OF THE PUBLIC HEALTH SERVICE ACT

Sec. 2. Title VII of the Public Health Service Act is amended by adding at the end thereof the following new part:

"PART G—TRAINING IN THE ALLIED HEALTH PROFESSIONS

"GRANTS FOR CONSTRUCTION OF TEACHING FACILITIES FOR ALLIED HEALTH PROFESSIONS PERSONNEL

"Authorization of Appropriations

"Sec. 791. (a) (1) There are authorized to be appropriated for grants to assist in the construction of new facilities for training centers for
allied health professions, or replacement or rehabilitation of existing facilities for such centers, $3,000,000 for the fiscal year ending June 30, 1967; $9,000,000 for the fiscal year ending June 30, 1968; and $13,500,000 for the fiscal year ending June 30, 1969.

“(2) Sums appropriated pursuant to paragraph (1) for a fiscal year shall remain available for grants under this section until the close of the next fiscal year.

“Approval of Applications for Construction Grants

“(b)(1) No application for a grant under this section may be approved unless it is submitted to the Surgeon General prior to July 1, 1968. The Surgeon General may from time to time set dates (not earlier than the fiscal year preceding the year for which a grant is sought) by which applications for grants under this section for any fiscal year must be filed.

“(2) A grant under this section may be made only if the application therefor is approved by the Surgeon General upon his determination that—

“(A) the applicant is a public or nonprofit private training center for allied health professions;

“(B) the application contains or is supported by reasonable assurances that (i) for not less than ten years after completion of construction, the facility will be used for the purposes of the training for which it is to be constructed, and will not be used for sectarian instruction or as a place for religious worship, (ii) sufficient funds will be available to meet the non-Federal share of the cost of constructing the facility, (iii) sufficient funds will be available, when construction is completed, for effective use of the facility for the training for which it is being constructed, and (iv) in the case of an application for a grant for construction to expand the training capacity of a training center for allied health professions, for the first full school year after the completion of the construction and for each of the nine years thereafter, the enrollment of full-time students at such center will exceed the highest enrollment of such students at such school for any of the five full school years preceding the year in which the application is made by at least 5 per centum of such highest enrollment, and the requirements of this clause (iv) shall be in addition to the requirements of section 792(b)(2), where applicable;

“(C)(i) in the case of an application for a grant for construction of a new facility, such application is for aid in the construction of a new training center for allied health professions, or construction which will expand the training capacity of an existing center, or (ii) in the case of an application for a grant for replacement or rehabilitation of existing facilities, such application is for aid in construction which will replace or rehabilitate facilities of an existing training center for allied health professions which are so obsolete as to require the center to curtail substantially either its enrollment or the quality of the training provided;
“(D) the plans and specifications are in accordance with regulations relating to minimum standards of construction and equipment; and
“(E) the application contains or is supported by adequate assurance that any laborer or mechanic employed by any contractor or subcontractor in the performance of work on the construction of the facility will be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a–276a5). The Secretary of Labor shall have, with respect to the labor standards specified in this subparagraph (E), the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176; 64 Stat. 1267), and section 2 of the Act of June 13, 1934, as amended (40 U.S.C. 276c).

“(3) Notwithstanding paragraph (2), in the case of an affiliated hospital, an application which is approved by the training center for allied health professions with which the hospital is affiliated and which otherwise complies with the requirements of this section, may be filed by any public or other nonprofit agency qualified to file an application under section 605.

“(4) In the case of any application, whether filed by a training center or, in the case of an affiliated hospital, by any other public or other nonprofit agency, for a grant under this section to assist in the construction of a facility which is a hospital or part of a hospital, as defined in section 625, only that portion of the project which the Surgeon General determines to be reasonably attributable to the need of such training center for the project for teaching purposes or in order to expand its training capacities or in order to prevent curtailment of enrollment or quality of training, as the case may be, shall be regarded as the project with respect to which payments may be made under this section.

“(5) In considering applications for grants, the Surgeon General shall take into account—
“(A) the extent to which the project for which the grant is sought will aid in increasing the number of training centers for allied health professions providing training in three or more of the curriculums which are specified in or pursuant to paragraph (1) (A) of section 795 and are related to each other to the extent prescribed in regulations;
“(B) (i) in the case of a project for a new training center for allied health professions or for expansion of the facilities of an existing center, the relative effectiveness of the proposed facilities in expanding the capacity for the training of students in the allied health professions involved and in promoting an equitable geographical distribution of opportunities for such training (giving due consideration to population, relative unavailability of allied health professions personnel of the kinds to be trained by such center, and available resources in various areas of the Nation for training such personnel); or
“(ii) in the case of a project for replacement or rehabilitation of existing facilities of a training center for allied health professions, the relative need for such replacement or rehabilitation to prevent curtailment of the center’s enrollment or deterioration of the quality of the training provided by the center, and the relative size of any such curtailment and its effect on the geographical distribution of opportunities for training in the allied health professions involved (giving consideration to the factors mentioned above in subparagraph (i)); and

“(C) in the case of an applicant in a State which has in existence a State or local area agency involved in planning for facilities for the training of allied health professions personnel, or which participates in a regional or other interstate agency involved in planning for such facilities, the relationship of the application to the construction or training program which is being developed by such agency or agencies and, if such agency or agencies have reviewed such application, any comment thereon submitted by them.

“Amount of Construction Grant: Payments

“(c)(1) The amount of any grant for a construction project under this section shall be such amount as the Surgeon General determines to be appropriate; except that (A) in the case of a grant for a project for a new training center for allied health professions, and in the case of a grant for a project for new facilities for an existing center where such facilities are of particular importance in providing a major expansion of the training capacity of such center, as determined in accordance with regulations, such amount may not exceed 66 2/3 per centum of the necessary cost of construction, as determined by the Surgeon General, of such project; and (B) in the case of any other grant, such amount may not exceed 50 per centum of the necessary cost of construction, as so determined, of the project with respect to which the grant is made.

“(2) Upon approval of any application for a grant under this section, the Surgeon General shall reserve, from any appropriation available therefor, the amount of such grant as determined under paragraph (1); the amount so reserved may be paid in advance or by way of reimbursement, and in such installments consistent with construction progress, as the Surgeon General may determine. The Surgeon General’s reservation of any amount under this subsection may be amended by him, either upon approval of an amendment of the application or upon revision of the estimated cost of construction of the facility.

“(3) In determining the amount of any grant under this section, there shall be excluded from the cost of construction an amount equal to the sum of (A) the amount of any other Federal grant which the applicant has obtained, or is assured of obtaining, with respect to the construction which is to be financed in part by the grant under this
section, and (B) the amount of any non-Federal funds required to be expended as a condition of such other Federal grant.

"Recapture of Payments"

"(d) If, within ten years after completion of any construction for which funds have been paid under this section—

"(1) the applicant or other owner of the facility shall cease to be a public or nonprofit private training center for allied health professions, or

"(2) the facility shall cease to be used for the training purposes for which it was constructed (unless the Surgeon General determines, in accordance with regulations, that there is good cause for releasing the applicant or other owner from the obligation to do so), or

"(3) the facility is used for sectarian instruction or as a place for religious worship,

the United States shall be entitled to recover from the applicant or other owner of the facility the amount bearing the same ratio to the then value (as determined by agreement of the parties or by action brought in the United States district court for the district in which such facility is situated) of the facility, as the amount of the Federal participation bore to the cost of construction of such facility.

"GRANTS TO IMPROVE THE QUALITY OF TRAINING CENTERS FOR ALLIED HEALTH PROFESSIONS"

"Authorization of Appropriations"

"Sec. 792. (a) There are authorized to be appropriated $9,000,000 for the fiscal year ending June 30, 1967; $13,000,000 for the fiscal year ending June 30, 1968; and $17,000,000 for the fiscal year ending June 30, 1969; for grants under this section to assist training centers for allied health professions to develop new or improved curriculums for training allied health professions personnel and otherwise improve the quality of their educational programs.

"Basic Improvement Grants"

"(b) (1) Subject to the provisions of paragraph (2), the Surgeon General may, for each fiscal year in the period beginning July 1, 1966, and ending June 30, 1969, make to each training center for allied health professions whose application for a basic improvement grant has been approved by him a grant equal to the product obtained by multiplying $5,000 by the number of curriculums specified in or pursuant to paragraph (1) (A) of section 795 in which such center provides training during such year, plus the product obtained by multiplying $500 by the number of full-time students in such center receiving training in such curriculums.

"(2) The Surgeon General shall not make a grant under this subsection to any center unless the application for such grant contains or is supported by reasonable assurances that for the first school year beginning after the fiscal year for which such grant is made and each school year thereafter during which such a grant is made the enrollment of full-time students at such center will exceed the highest enrollment of such students in such center for any of the five school years during the period July 1, 1961, through July 1, 1966, by at least 2\(\frac{1}{2}\) per centum of such highest enrollment, or by three students whichever is greater. The requirements of this paragraph shall be in addition
to the requirements of section 791(b)(2)(B)(iv) of this Act, where applicable. The Surgeon General is authorized to waive (in whole or in part) the provisions of this paragraph if he determines that the required increase in enrollment of full-time students in a center cannot, because of limitations of physical facilities available to the center for training, be accomplished without lowering the quality of training for such students.

"Special Improvement Grants"

“(c)(1) From the sums appropriated under subsection (a) for any fiscal year and not required for making grants under subsection (b), the Surgeon General may make an additional grant for such year to any training center for allied health professions which has an approved application therefor and for which an application has been approved under subsection (b), if he determines that the requirements of paragraph (2) are satisfied in the case of such applicant.

“(2) No special improvement grant shall be made under this section unless (A) the Surgeon General determines that such grant will be utilized by the recipient training center to contribute toward provision, maintenance, or improvement of specialized function which the center serves, and (B) such center provides or will, with the aid of grants under this part, within a reasonable time provide training in not less than three of the curriculums which are specified in or pursuant to paragraph (1) (A) of section 795 and are related to each other to the extent prescribed in regulations.

“(3) No grant to any center under this subsection may exceed $100,000 for any fiscal year.

"Application for Grants"

“(d)(1) The Surgeon General may from time to time set dates (not earlier than in the fiscal year preceding the year for which a grant is sought) by which applications for basic or special improvement grants under this section for any fiscal year must be filed.

“(2) A grant under this section may be made only if the application therefor is approved by the Surgeon General upon his determination that—

“(A) it contains or is supported by assurances satisfactory to the Surgeon General that the applicant is a public or nonprofit private training center for allied health professions and will expend in carrying out its functions as such a center, during the fiscal year for which such grant is sought, an amount of funds (other than funds for construction as determined by the Surgeon General) from non-Federal sources which are at least as great as the average amount of funds expended by such applicant for such purpose in the three fiscal years immediately preceding the fiscal year for which such grant is sought;

“(B) it contains such additional information as the Surgeon General may require to make the determinations required of him under this section and such assurances as he may find necessary to carry out the purposes of this section; and

“(C) it provides for such fiscal control and accounting procedures and reports, and access to the records of the applicant, as the Surgeon General may require to assure proper disbursement of and accounting for Federal funds paid to the applicant under this section.

“(3) In considering applications for grants under subsection (c), the Surgeon General shall take into consideration the relative financial need of the applicant for such a grant and the relative effectiveness
of the applicant's plan in carrying out the purposes of such grants, and in contributing to an equitable geographical distribution of training centers offering high-quality training of allied health professions personnel.

"TRAI NEESHIPS FOR ADVANCED TRAINING OF ALLIED HEALTH PROFESSIONS PERSONNEL"

"SEC. 793. (a) There are authorized to be appropriated $1,500,000 for the fiscal year ending June 30, 1967; $2,500,000 for the fiscal year ending June 30, 1968; and $3,500,000 for the fiscal year ending June 30, 1969; to cover the cost of traineeships for the training of allied health professions personnel to teach health services technicians or in any of the allied health professions, to serve in any of such professions in administrative or supervisory capacities, or to serve in allied health professions specialties determined by the Surgeon General to require advanced training.

(b) Traineeships under this section shall be awarded by the Surgeon General through grants to public or nonprofit private training centers for allied health professions.

(c) Payments to centers under this section may be made in advance or by way of reimbursement, and at such intervals and on such conditions, as the Surgeon General finds necessary. Such payments may be used only for traineeships and shall be limited to such amounts as the Surgeon General finds necessary to cover the costs of tuition and fees, and a stipend and allowances (including travel and subsistence expenses) for the trainees.

"Loans to Schools; Revolving Fund"

"Loans to Schools

"Sec. 744. (a) (1) During the fiscal years ending June 30, 1967, and June 30, 1968, the Secretary may make loans, from the revolving fund established by subsection (d), to any public or other nonprofit school referred to in section 740(a) which is located in a State and is accredited as provided in section 721(b)(1)(B), to provide all or part of the capital needed by any such school for making loans to students under this section (other than capital needed to finance the institutional contributions required by section 740(b)(2)(B)). Loans to students from such borrowed sums shall be subject to the terms, conditions, and limitations set forth in section 741. The requirement in section 740(b)(2)(B) with respect to institutional contributions
(2) A loan to a school under this section may be upon such terms and conditions, consistent with applicable provisions of section 740, as the Secretary deems appropriate. If the Secretary deems it to be necessary to assure that the purposes of this section will be achieved, these terms and conditions may include provisions making the school's obligation to the Secretary on such a loan payable solely from such revenues or other assets or security (including collections on loans to students) as the Secretary may approve. Such a loan shall bear interest at a rate which the Secretary determines to be adequate to cover (A) the cost of the funds to the Treasury as determined by the Secretary of the Treasury, taking into consideration the current average yields of outstanding marketable obligations of the United States having maturities comparable to the maturities of loans made by the Secretary under this section, and (B) probable losses.

"Payments to Schools To Cover Certain Costs Incurred in Making Student Loans From Borrowed Funds"

(b) If a school borrows any sums under this section, the Secretary shall agree to pay to the school (1) an amount equal to 90 per centum of the loss to the school from defaults on student loans made from such sums, (2) the amount by which the interest payable by the school on such sums exceeds the interest received by it on student loans made from such sums, (3) an amount equal to the collection expenses authorized by section 740(b)(3) to be paid out of a student loan fund with respect to such sums, and (4) the amount of principal which is canceled pursuant to section 741(d) or (f) with respect to student loans made from such funds. There are authorized to be appropriated without fiscal year limitation such sums as may be necessary to carry out the purposes of this subsection.

"Limitation on Loans From Revolving Fund"

(c) The total of the loans made in any fiscal year under this section may not exceed the lesser of (1) such limitations as may be specified in appropriation Acts, and (2) the difference between $35,000,000 and the amount of Federal funds (other than loans under this section) deposited in student loan funds under this part for that year.

"Revolving Fund"

(d) (1) There is hereby created within the Treasury a health professions education fund (hereinafter in this section called 'the fund') which shall be available to the Secretary without fiscal-year limitation as a revolving fund for the purposes of this section. A business-type budget for the fund shall be prepared, transmitted to the Congress, considered, and enacted in the manner prescribed by law (sections 102, 108, and 104 of the Government Corporation Control Act, 31 U.S.C. 847-849) for wholly owned Government Corporations.

(2) The fund shall consist of appropriations paid into the fund pursuant to section 742(a), appropriations made pursuant to this subsection, all amounts received by the Secretary as interest payments or repayments of principal on loans under this section, and any other moneys, property, or assets derived by him from his operations in connection with this section (other than subsection (b)), including any moneys derived directly or indirectly from the sale of assets, or beneficial interests or participations in assets, of the fund.
“(3) All loans, expenses (other than normal administrative expenses), and payments pursuant to operations of the Secretary under this section (other than subsection (b)) shall be paid from the fund, including (but not limited to) expenses and payments of the Secretary in connection with the sale, under section 302(c) of the Federal National Mortgage Association Charter Act, of participations in obligations acquired under this section. From time to time, and at least at the close of each fiscal year, the Secretary shall pay from the fund into the Treasury as miscellaneous receipts interest on the cumulative amount of appropriations paid out for loans under this section, less the average undisbursed cash balance in the fund during the year. The rate of such interest shall be determined by the Secretary of the Treasury, taking into consideration the average market yield during the month preceding each fiscal year on outstanding Treasury obligations of maturity comparable to the average maturity of loans made from the fund. Interest payments may be deferred with approval of the Secretary of the Treasury, but any interest payments so deferred shall themselves bear interest. If at any time the Secretary determines that moneys in the fund exceed the present and any reasonably prospective future requirements of the fund, such excess may be transferred to the general fund of the Treasury.”

“(4) In addition to the sums authorized to be appropriated by section 742(a), there are authorized to be appropriated to the fund established by this subsection $10,000,000 for the fiscal year ending June 30, 1967.”

Allotment Among Schools of Funds for Federal Capital Deposits and Loans to Schools

(b) (1) Subsection (a) of section 742 of the Public Health Service Act is amended by striking out everything after “appropriated” in the last sentence and substituting therefor the following: “under this section for the fiscal year ending June 30, 1967, or any subsequent fiscal year shall be available to the Secretary (1) for payments into the fund established by section 744(d), and (2) for making Federal capital contributions into loan funds at schools which have established loan funds under this part.

(2) Subsection (b) (1) of such section 742 is amended to read as follows: “The Secretary shall from time to time set dates by which schools must file applications for Federal capital contributions, and for loans pursuant to section 744.”

(3) That part of the first sentence of subsection (b) (2) of such section 742 which precedes clause (A) is amended by substituting “section” for “part”.

(4) Such subsection (b) of such section 742 is further amended by redesignating paragraph (3) as paragraph (4) and by inserting after paragraph (2) the following:

“(3) Funds available in any fiscal year for payment to schools under this part (whether as Federal capital contributions or as loans to schools under section 744) which are in excess of the amount appropriated pursuant to this section for that year shall be allotted among schools in such manner as the Secretary determines will best carry out the purposes of this part.”

Conforming Changes

(c) (1) Clauses (A) and (B) of subsection (b) (2) of section 740 of such Act are amended to read: “(A) the Federal capital contributions to the fund, (B) an amount equal to not less than one-ninth of such Federal capital contributions, contributed by such institution,”.
(2) (A) So much of section 743(a) of such Act as precedes paragraph (1) is amended by striking out "this part" and inserting in lieu thereof "an agreement pursuant to section 740(b)".

(B) Paragraph (1) of such section 743(a) is amended by striking out "total amount of the allotments to such fund by the Secretary under this part bears to the total amounts in such fund derived from such allotments" and inserting in lieu thereof "total amount of the Federal capital contributions to such fund by the Secretary pursuant to section 740(b) (2) (A) bears to the total amount in such fund derived from such Federal capital contributions" and by striking out "the balance" and inserting in lieu thereof "such balance".

**Effective Date**

(d) (1) The amendments made by this section shall be effective in the case of payments to student loan funds made after the enactment of this Act, except in the case of payments pursuant to commitments (made prior to enactment of this Act) to make loans under section 744 of the Public Health Service Act as in effect prior to the enactment of this Act.

(2) The Secretary of Health, Education, and Welfare is authorized, at the request of any institution, to take such steps as are necessary to convert a Federal capital contribution (which shall include the amount allocated to it under section 740(b) (2) (A) of the Public Health Service Act) to a student loan fund of such institution, made under title VII of the Public Health Service Act from funds appropriated pursuant thereto for the fiscal year ending June 30, 1967, to a loan under section 744 of such Act as amended by this Act.

Loans to students from such borrowed sums shall be subject to the terms, conditions, and limitations set forth in section 823. The requirement in section 822(b) (2) (B) with respect to institutional contributions by schools to student loan funds shall not apply to loans made to schools under this section.

(2) A loan to a school under this section may be upon such terms and conditions, consistent with applicable provisions of section 822, as the Secretary deems appropriate. If the Secretary deems it to be
necessary to assure that the purposes of this section will be achieved, these terms and conditions may include provisions making the school's obligation to the Secretary on such a loan payable solely from such revenues or other assets or security (including collections on loans to students) as the Secretary may approve. Such a loan shall bear interest at a rate which the Secretary determines to be adequate to cover (A) the cost of the funds to the Treasury as determined by the Secretary of the Treasury, taking into consideration the current average yields of outstanding marketable obligations of the United States having maturities comparable to the maturities of loans made by the Secretary under this section, and (B) probable losses.

"Payments to Schools To Cover Certain Costs Incurred in Making Student Loans From Borrowed Funds"

"(b) If a school of nursing borrows any sums under this section, the Secretary shall agree to pay to the school (1) an amount equal to 90 per centum of the loss to the school from defaults on student loans made from such sums, (2) the amount by which the interest payable by the school on such sums exceeds the interest received by it on student loans made from such sums, (3) an amount equal to the amount of collection expenses authorized by section 822(b) (3) to be paid out of a student loan fund with respect to such sums and (4) the amount of principal which is canceled pursuant to section 823(b) (3) or (4) with respect to student loans made from such sums. There are authorized to be appropriated without fiscal-year limitation such sums as may be necessary to carry out the purposes of this subsection.

"Limitation on Loans"

"(c) The total of the loans made in any fiscal year under this section shall not exceed the lesser of (1) such limitations as may be specified in appropriation Acts, and (2) the difference between $35,000,000 and the amount of Federal capital contributions paid under this title for that year.

"Revolving Fund"

"(d) (1) There is hereby created within the Treasury a nurse training fund (hereinafter in this section called 'the fund') which shall be available to the Secretary without fiscal-year limitation as a revolving fund for the purposes of this section. "(2) The fund shall consist of appropriations paid into the fund pursuant to section 824, appropriations made pursuant to this subsection, all amounts received by the Secretary as interest payments or repayments of principal on loans under this section, and any other moneys, property, or assets derived by him from his operations in connection with this section (other than subsection (b)), including any moneys derived directly or indirectly from the sale of assets, or beneficial interests or participations in assets, of the fund.

"(3) All loans, expenses (other than normal administrative expenses), and payments pursuant to operations of the Secretary under this section (other than subsection (b)) shall be paid from the fund, including (but not limited to) expenses and payments of the Secretary in connection with the sale, under section 302(c) of the Federal National Mortgage Association Charter Act, of participations in obligations acquired under this section. From time to time, and at least
at the close of each fiscal year, the Secretary shall pay from the fund into the Treasury as miscellaneous receipts interest on the cumulative amount of appropriations paid out for loans under this section, less the average undisbursed cash balance in the fund during the year. The rate of such interest shall be determined by the Secretary of the Treasury, taking into consideration the average market yield during the month preceding each fiscal year on outstanding Treasury obligations of maturity comparable to the average maturity of loans made from the fund. Interest payments may be deferred with approval of the Secretary of the Treasury, but any interest payments so deferred shall themselves bear interest. If at any time the Secretary determines that moneys in the fund exceed the present and any reasonably prospective future requirements of the fund, such excess may be transferred to the general fund of the Treasury.

“(4) In addition to the sums authorized to be appropriated by section 824, there are authorized to be appropriated to the fund established by this subsection $2,000,000 for the fiscal year ending June 30, 1967.”

(b) Section 824 of the Public Health Service Act is amended by striking out the last sentence and substituting therefor the following: “Sums appropriated pursuant to this section for the fiscal year ending June 30, 1967, or any subsequent fiscal year shall be available to the Secretary (1) for payments into the fund established by section 827(d), and (2) in accordance with agreements under this part, for Federal capital contributions to schools with which such agreements have been made, to be used, together with deposits in such funds pursuant to section 822(b)(2)(B), for establishment and maintenance of student loan funds.”

(2) Section 825(b)(1) of such Act (relating to the allocation of Federal capital contributions to schools) is amended to read as follows:

“(b)(1) The Secretary shall from time to time set dates by which schools of nursing in a State must file applications for Federal capital contributions, and for loans pursuant to section 827, from the allotment of such State under the first two sentences of subsection (a) of this section.”

(b) Title VIII of the Public Health Service Act is further amended by adding at the end thereof the following:

"PART D—OPPORTUNITY GRANTS FOR NURSING EDUCATION

"STATEMENT OF PURPOSE AND APPROPRIATIONS AUTHORIZED

"Sec. 861. (a) It is the purpose of this part to provide, through schools of nursing (as defined in section 843(b)), nursing educational opportunity grants to assist in making available the benefits of nursing education to qualified high school graduates of exceptional financial need, who for lack of financial means of their own or of their families would be unable to obtain such benefits without such aid.

"(b) There are hereby authorized to be appropriated $3,000,000 for the fiscal year ending June 30, 1967, $5,000,000 for the fiscal year ending June 30, 1968, and $7,000,000 for the fiscal year ending June 30, 1969, to enable the Secretary to make payments to schools of nursing
that have agreements with him entered into under section 867, for use by such schools for payments to undergraduate students for the nursing educational opportunity grants awarded to them under this part. Sums appropriated pursuant to this subsection for any fiscal year shall be available for payment to institutions until the close of the fiscal year succeeding the fiscal year for which they were appropriated.

"AMOUNT OF NURSING EDUCATIONAL OPPORTUNITY GRANT—ANNUAL DETERMINATION"

"Sec. 862. From the funds received by it for such purpose under this part, a school of nursing which awards a nursing educational opportunity grant to a student under this part shall, for the duration of the grant, pay to that student for each academic year during which he is in need of grant aid to pursue a course of study at such school, an amount determined by the institution for such student with respect to that year, which amount shall not exceed—

"(1) the lesser of $800 or one-half of the sum of the amount of student financial aid (including assistance under title IV of the Higher Education Act of 1965, but excluding assistance under work-study programs) provided such student by such school and any assistance provided such student under any scholarship program established by a State or a private institution or organization, as determined in accordance with regulations of the Secretary, or

"(2) in the case of a student who during the preceding academic year at a school of nursing received grades placing him in the upper half of his class, the amount determined under paragraph (1) plus $200."

If the amount of the payment, determined pursuant to this section, for an academic year is less than $200 for any student, no payment shall be made under this part to such student for such year. The Secretary shall, subject to the foregoing limitation, prescribe for the guidance of participating institutions basic criteria or schedules (or both) for the determination of the amount of any such nursing educational opportunity grant, taking into account the objective of limiting grant aid under this part to students of exceptional financial need and such other factors, including the number of dependents in the family, as the Secretary may deem relevant.

"DURATION OF NURSING EDUCATIONAL OPPORTUNITY GRANT"

"Sec. 863. The duration of a nursing educational opportunity grant awarded under this part shall be the period required for completion by the recipient of his undergraduate course of study in the nursing school from which he received such grant, except that such period shall not exceed four academic years less any such period with respect to which the recipient has previously received payments under this part pursuant to a prior nursing educational opportunity grant (whether made by the same or another school of nursing). An educational opportunity grant awarded under this part shall entitle the recipient to payments only if he (1) is maintaining satisfactory progress in the course of nurse training which he is pursuing, according to the regularly prescribed standards and practices of the school of nursing from which he received the grant, and (2) is devoting essentially full time to such course of study, during the academic year, in attendance at such school. Failure to be in attendance at the school of nursing during vacation periods or periods of military service, or during other periods during which the Secretary determines in accordance with regulations that there is good cause for his nonattendance
"SELECTION OF RECIPIENTS OF NURSING EDUCATIONAL OPPORTUNITY GRANTS"

"Sec. 864. (a) An individual shall be eligible for the award of a nursing educational opportunity grant under this part at any school of nursing which has made an agreement with the Secretary pursuant to section 867 (which school is hereinafter in this part referred to as an 'eligible school'), if the individual makes application at the time and in the manner prescribed by such school.

"(b) From among those eligible for nursing educational opportunity grants from a school of nursing for each fiscal year, such school shall, in accordance with the provisions of its agreement with the Secretary under section 867 and within the amounts allocated to the school for that purpose for such year under section 866, select individuals who are to be awarded such grants and determine, pursuant to section 862, the amounts to be paid to them. A school of nursing shall not award a nursing educational opportunity grant to an individual unless it determines that—

"(1) he has been accepted for enrollment as a full-time student at such school or, in the case of a student already attending such school, is in good standing and in full-time attendance there as an undergraduate student;

"(2) he shows evidence of academic or creative promise and capability of maintaining good standing in his course of study;

"(3) he is of exceptional financial need; and

"(4) he would not, but for a nursing educational opportunity grant, be financially able to pursue a course of study at such school.

"ALLOCUTMENT OF NURSING EDUCATIONAL OPPORTUNITY GRANT FUNDS AMONG STATES"

"Sec. 865. (a) From the sums appropriated pursuant to the first sentence of section 861(b) for any fiscal year, the Secretary shall allot to each State an amount which bears the same ratio to the amount so appropriated as the number of persons enrolled on a full-time basis in schools of nursing in such State bears to the total number of persons enrolled on a full-time basis in schools of nursing in all the States. The number of persons enrolled on a full-time basis in schools of nursing for purposes of this section shall be determined by the Secretary for the most recent year for which satisfactory data are available to him.

"(b) If the total of the sums determined by the Secretary to be required under section 866 for any fiscal year for eligible schools of nursing in a State is less than the amount of the allotment to that State under paragraph (1) for that year, the Secretary may reallocate the remaining amount from time to time, on such date or dates as he may fix, to other States in such manner as he determines will best assist in achieving the purposes of this part.

"ALLOCATION OF ALLOTTED FUNDS TO SCHOOLS OF NURSING"

"Sec. 866. (a) The Secretary shall from time to time set dates by which eligible schools of nursing in any State must file applications for allocation to such schools of nursing educational opportunity grant funds from the allotment to that State (including any reallocation thereto) for any fiscal year pursuant to section 865(a), to be used for
the purposes specified in the first sentence of section 861(b). Such allocations shall be made in accordance with equitable criteria which the Secretary shall establish and which shall be designed to achieve such distribution of such funds among eligible schools of nursing within a State as will most effectively carry out the purposes of this part.

"(b) Payment shall be made from allocations under this section to schools of nursing as needed.

"AGREEMENTS WITH SCHOOLS OF NURSING—CONDITIONS

"Sec. 867. A school of nursing, which desires to obtain funds for nursing education opportunity grants under this part, shall enter into an agreement with the Secretary. Such agreement shall—

"(1) provide that funds received by the school under this part will be used by it only for the purposes specified in, and in accordance with, the provisions of this part;

"(2) provide that in determining whether an individual meets the requirements of section 864(b)(3) the school will (A) consider the source of such individual's income and that of any individual or individuals upon whom the student relies primarily for support, and (B) make an appropriate review of the assets of the student and of such individuals;

"(3) provide that the school, in cooperation with other schools of nursing where appropriate, will make vigorous efforts to identify qualified youth of exceptional financial need and to encourage them to continue their education in the field of nursing beyond the secondary school through programs and activities such as—

"(A) establishing or strengthening close working relationships with secondary-school principals and guidance counseling personnel with a view toward motivating studies to complete secondary school and pursue post-secondary-school nursing educational opportunities, and

"(B) making, to the extent feasible, conditional commitments for nursing educational opportunity grants to qualified secondary school students with special emphasis on students enrolled in grade 11 or lower grades who show evidences of academic or creative promise;

"(4) provide assurance that the school will continue to spend in its own scholarship and student-aid program, from sources other than funds received under this part, not less than the average expenditure per year made for that purpose during the most recent period of three fiscal years preceding the effective date of the agreement;

"(5) include provisions designed to make nursing educational opportunity grants under this part reasonably available (to the extent of available funds) to all eligible students in the school in need thereof; and

"(6) include such other provisions as may be necessary to protect the financial interest of the United States and promote the purposes of this part.

"CONTRACTS TO ENCOURAGE FULL UTILIZATION OF NURSING EDUCATIONAL TALENT

"Sec. 868. (a) To assist in achieving the purposes of this part the Secretary is authorized (without regard to section 3709 of the Revised Statutes (41 U.S.C. 5)) to enter into contracts, not to exceed $100,000
per year, with State and local educational agencies and other public or nonprofit organizations and institutions for the purpose of—

“(1) identifying qualified youths of exceptional financial need and encouraging them to complete secondary school and undertake post-secondary educational training in the field of nursing, or

“(2) publicizing existing forms of financial aid for nursing students, including aid furnished under this part.

“(b) There are hereby authorized to be appropriated such sums as may be necessary to carry out this section.

(a) In order to provide the basis for evaluating programs authorized by this Act, the development of new programs, and to furnish the Congress with the information necessary for authorization of appropriations for fiscal years beginning after June 30, 1968, the Secretary, in cooperation with State water pollution control agencies and other water pollution control planning agencies, shall make a detailed estimate of the cost of carrying out the provisions of this Act; a comprehensive study of the economic impact on affected units of government of the cost of installation of treatment facilities; and a comprehensive analysis of the national requirements for and the cost of treating municipal, industrial, and other effluent to attain such water quality standards as established pursuant to this Act or applicable State law. The Secretary shall submit such detailed estimate and such comprehensive study of such cost for the five-year period beginning July 1, 1968, to the Congress no later than January 10, 1968, such study to be updated each year thereafter.

"(b) The Secretary shall also make a complete investigation and study to determine (1) the need for additional trained State and local personnel to carry out programs assisted pursuant to this Act and other programs for the same purpose as this Act, and (2) means of using existing Federal training programs to train such personnel. He shall report the results of such investigation and study to the President and the Congress not later than July 1, 1967.

Such study shall include, but not be limited to, the possible use of tax incentives as well as other methods of financial assistance. In carrying out this study the Secretary shall consult with the Secretary of the Treasury as well as the head of any other appropriate department or agency of the Federal Government. The Secretary shall report the results of such investigation and study, together with his recommendations, to the Congress not later than January 30, 1968."

“(b) Any person discharging or permitting the discharge of oil from any boat or vessel, into or upon the navigable waters of the United States shall remove the same from the navigable waters of the United States, and adjoining shorelines immediately. If such person fails to do so, the Secretary may remove the oil or may arrange for its removal, and such person shall be liable to the United States, in addition to the penalties prescribed in section 4 of this Act, for all costs and expenses reasonably incurred by the Secretary in removing the oil from the navigable waters of the United States, and adjoining shorelines of the United States. These costs and expenses shall constitute a lien on such boat or vessel which may be recovered in proceedings by libel in rem.

“(c) The Secretary may prescribe regulations which—

Clearance of a boat or vessel liable for this penalty from a port of the United States may be withheld until the penalty is paid. The penalty shall constitute a lien on such boat or vessel which may be recovered in proceedings by libel in rem in the district court of the United States for any district within which such boat or vessel may be.
"Sec. 5. The Commandant of the Coast Guard may, subject to the provisions of section 4450 of the Revised Statutes, as amended (46 U.S.C. 239), suspend or revoke a license issued to the master or other licensed officer of any boat or vessel found violating the provisions of section 3 of this Act.

(b) The amendment made by subsection (a) of this section shall take effect on the thirtieth day which begins after the date of enactment of this Act.

Approved November 3, 1966.
AN ACT

To assist comprehensive city demonstration programs for rebuilding slum and blighted areas and for providing the public facilities and services necessary to improve the general welfare of the people who live in those areas, to assist and encourage planned metropolitan development, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Demonstration Cities and Metropolitan Development Act of 1966".

TITLE I—COMPREHENSIVE CITY DEMONSTRATION PROGRAMS

Findings and Declaration of Purpose

Sec. 101. The Congress hereby finds and declares that improving the quality of urban life is the most critical domestic problem facing the United States. The persistence of widespread urban slums and blight, the concentration of persons of low income in older urban areas, and the unmet needs for additional housing and community facilities and services arising from rapid expansion of our urban population have resulted in a marked deterioration in the quality of the environment and the lives of large numbers of our people while the Nation as a whole prospers.

The Congress further finds and declares that cities, of all sizes, do not have adequate resources to deal effectively with the critical problems facing them, and that Federal assistance in addition to that now authorized by the urban renewal program and other existing Federal grant-in-aid programs is essential to enable cities to plan, develop, and conduct programs to improve their physical environment, increase their supply of adequate housing for low- and moderate-income people, and provide educational and social services vital to health and welfare.

The purposes of this title are to provide additional financial and technical assistance to enable cities of all sizes (with equal regard to the problems of small as well as large cities) to plan, develop, and carry out locally prepared and scheduled comprehensive city demonstration programs containing new and imaginative proposals to rebuild or revitalize large slum and blighted areas; to expand housing, job, and income opportunities; to reduce dependence on welfare payments; to improve educational facilities and programs; to combat disease and ill health; to reduce the incidence of crime and delinquency; to enhance recreational and cultural opportunities; to establish better access between homes and jobs; and generally to improve living conditions for the people who live in such areas, and to accomplish these objectives through the most effective and economical concentration and coordination of Federal, State, and local public and private efforts to improve the quality of urban life.

Basic Authority

Sec. 102. The Secretary of Housing and Urban Development (hereinafter referred to as the "Secretary") is authorized to make grants and provide technical assistance, as provided by this title, to enable city demonstration agencies (as defined in section 112(2)) to plan, develop, and carry out comprehensive city demonstration programs in accordance with the purposes of this title.
Sec. 103. (a) A comprehensive city demonstration program is eligible for assistance under sections 105 and 107 only if—

(1) physical and social problems in the area of the city covered by the program are such that a comprehensive city demonstration program is necessary to carry out the policy of the Congress as expressed in section 101;

(2) the program is of sufficient magnitude to make a substantial impact on the physical and social problems and to remove or arrest blight and decay in entire sections or neighborhoods; to contribute to the sound development of the entire city; to make marked progress in reducing social and educational disadvantages, ill health, underemployment, and enforced idleness; and to provide educational, health, and social services necessary to serve the poor and disadvantaged in the area, widespread citizen participation in the program, maximum opportunities for employing residents of the area in all phases of the program, and enlarged opportunities for work and training;

(3) the program, including rebuilding or restoration, will contribute to a well-balanced city with a substantial increase in the supply of standard housing of low and moderate cost, maximum opportunities in the choice of housing accommodations for all citizens of all income levels, adequate public facilities (including those needed for education, health and social services, transportation, and recreation), commercial facilities adequate to serve the residential areas, and ease of access between the residential areas and centers of employment;

(4) the various projects and activities to be undertaken in connection with such programs are scheduled to be initiated within a reasonably short period of time; adequate local resources are, or will be, available for the completion of the program as scheduled, and, in the carrying out of the program, the fullest utilization possible will be made of private initiative and enterprise; administrative machinery is available at the local level for carrying out the program on a consolidated and coordinated basis; substantive local laws, regulations, and other requirements are, or can be expected to be, consistent with the objectives of the program; there exists a relocation plan meeting the requirements of the regulations referred to in section 107; the local governing body has approved the program and, where appropriate, applications for assistance under the program; agencies whose cooperation is necessary to the success of the program have indicated their intent to furnish such cooperation; the program is consistent with comprehensive planning for the entire urban or metropolitan area; and the locality will maintain, during the period an approved comprehensive city demonstration program is being carried out, a level of aggregate expenditures for activities similar to those being assisted under this title which is not less than the level of aggregate expenditures for such activities prior to initiation of the comprehensive city demonstration program; and

(5) the program meets such additional requirements as the Secretary may establish to carry out the purposes of this title:

Provided. That the authority of the Secretary under this paragraph shall not be used to impose criteria or establish requirements except those which are related and essential to the specific provisions of this title.
(b) In implementing this title the Secretary shall—

(1) emphasize local initiative in the planning, development, and implementation of comprehensive city demonstration programs;

(2) insure, in conjunction with other appropriate Federal departments and agencies and at the direction of the President, maximum coordination of Federal assistance provided in connection with this title, prompt response to local initiative, and maximum flexibility in programming, consistent with the requirements of law and sound administrative practice; and

(3) encourage city demonstration agencies to (A) enhance neighborhoods by applying a high standard of design, (B) maintain, as appropriate, natural and historic sites and distinctive neighborhood characteristics, and (C) make maximum possible use of new and improved technology and design, including cost reduction techniques.

c) The preparation of demonstration city programs should include to the maximum extent feasible (1) the performance of analyses that provide explicit and systematic comparisons of the costs and benefits, financial and otherwise, of alternative possible actions or courses of action designed to fulfill urban needs; and (2) the establishment of programing systems designed to assure effective use of such analyses by city demonstration agencies and by other government bodies.

d) Nothing in this section shall authorize the Secretary to require (or condition the availability or amount of financial assistance authorized to be provided under this title upon) the adoption by any community of a program (1) by which pupils now resident in a school district not within the confines of the area covered by the city demonstration program shall be transferred to a school or school district including all or part of such area, or (2) by which pupils now resident in a school district within the confines of the area covered by the city demonstration program shall be transferred to a school or school district not including a part of such area.

FINANCIAL ASSISTANCE FOR PLANNING COMPREHENSIVE CITY DEMONSTRATION PROGRAMS

Sec. 104. (a) The Secretary is authorized to make grants to, and to contract with, city demonstration agencies to pay 80 per centum of the costs of planning and developing comprehensive city demonstration programs.

(b) Financial assistance will be provided under this section only if (1) the application for such assistance has been approved by the local governing body of the city, and (2) the Secretary has determined that there exist (A) administrative machinery through which coordination of all related planning activities of local agencies can be achieved, and (B) evidence that necessary cooperation of agencies engaged in related local planning can be obtained.

FINANCIAL ASSISTANCE FOR APPROVED COMPREHENSIVE CITY DEMONSTRATION PROGRAMS

Sec. 105. (a) The Secretary is authorized to approve comprehensive city demonstration programs if, after review of the plans, he determines that such plans satisfy the criteria for such programs set forth in section 103.
(b) The Secretary is authorized to make grants to, and to contract with, city demonstration agencies to pay 80 per centum of the cost of administering approved comprehensive city demonstration programs, but not the cost of administering any project or activity assisted under a Federal grant-in-aid program.

(c) To assist the city to carry out the projects or activities included within an approved comprehensive city demonstration program, the Secretary is authorized to make grants to the city demonstration agency of not to exceed 80 per centum of the aggregate amount of non-Federal contributions otherwise required to be made to all projects or activities assisted by Federal grant-in-aid programs (as defined in section 112(1)) which are carried out in connection with such demonstration program: Provided, That no Federal grant-in-aid program shall be considered to be carried out in connection with such demonstration program unless it is closely related to the physical and social problems in the area of the city covered by the program and unless it can reasonably be expected to have a noticeable effect upon such problems. The specific amount of any such grant shall take into account the number and intensity of the economic and social pressures in the sections or neighborhoods involved, such as those involving or resulting from population density, poverty levels, unemployment rate, public welfare participation, educational levels, health and disease characteristics, crime and delinquency rate, and degree of substandard and dilapidated housing. The amount of non-Federal contribution required for each project in a Federal grant-in-aid program shall be certified to the Secretary by the Federal department or agency (other than the Department of Housing and Urban Development) administering such program, and the Secretary shall accept such certification in computing the grants hereunder.

(d) Grant funds provided to assist projects and activities included within an approved comprehensive city demonstration program pursuant to subsection (c) of this section shall be made available to assist new and additional projects and activities not assisted under a Federal grant-in-aid program. To the extent such funds are not necessary to support fully such new and additional projects and activities, they may be used and credited as part or all of the required non-Federal contribution to projects or activities, assisted under a Federal grant-in-aid program, which are part of an approved comprehensive city demonstration program. Such grant funds, however, shall not be used—

(1) for the general administration of local governments; or
(2) to replace non-Federal contributions in any federally aided project or activity included in an approved comprehensive city demonstration program, if prior to the filing of an application for assistance under section 104 an agreement has been entered into with any Federal agency obligating such non-Federal contributions with respect to such project or activity.

TECHNICAL ASSISTANCE

SEC. 106. The Secretary is authorized to undertake such activities as he determines to be desirable to provide, either directly or by contracts or other arrangements, technical assistance to city demonstration agencies to assist such agencies in planning, developing, and administering comprehensive city demonstration programs.
RELOCATION REQUIREMENTS AND PAYMENTS

SEC. 107. (a) A comprehensive city demonstration program shall include a plan for the relocation of individuals, families, business concerns, and nonprofit organizations displaced or to be displaced in the carrying out of such program. The relocation plan shall be consistent with regulations prescribed by the Secretary to assure that (1) the provisions and procedures included in the plan meet relocation standards equivalent to those prescribed under section 105(c) of the Housing Act of 1949 with respect to urban renewal projects assisted under title I of that Act, and (2) relocation activities are coordinated to the maximum extent feasible with the increase in the supply of decent, safe, and sanitary housing for families and individuals of low or moderate income, as provided under the comprehensive city demonstration program, or otherwise, in order to best maintain the available supply of housing for all such families and individuals throughout the city.

(b) (1) To the extent not otherwise authorized under any Federal law, financial assistance extended to a city demonstration agency under section 105 shall include grants to cover the full cost of relocation payments, as herein defined. Such grants shall be in addition to other financial assistance extended to such agency under section 105.

(2) The term "relocation payments" means payments by a city demonstration agency to a displaced individual, family, business concern, or nonprofit organization which are made on such terms and conditions and subject to such limitations (to the extent applicable, but not including the date of displacement) as are provided for relocation payments, at the time such payments are approved, by section 114 (b), (c), (d), and (e) of the Housing Act of 1949 with respect to projects assisted under title I thereof.

(c) Subsection (b) shall not be applicable with respect to any displacement occurring prior to the date of the enactment of this Act.

CONTINUED AVAILABILITY OF FEDERAL GRANT-IN-AID PROGRAM FUNDS

SEC. 108. Notwithstanding any other provision of law, unless hereafter enacted expressly in limitation of the provisions of this section, funds appropriated for a Federal grant-in-aid program which are reserved for any projects or activities assisted under such grant-in-aid program and undertaken in connection with an approved comprehensive city demonstration program shall remain available until expended.

CONSULTATION

SEC. 109. In carrying out the provisions of this title, including the issuance of regulations, the Secretary shall consult with other Federal departments and agencies administering Federal grant-in-aid programs. The Secretary shall consult with each Federal department and agency affected by each comprehensive city demonstration program before entering into a commitment to make grants for such program under section 105.

shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5): Provided. That this section shall apply to the construction, rehabilitation, alteration, or repair of residential property only if such residential property is designed for residential use for eight or more families. No financial assistance shall be extended to any such projects unless adequate assurance is first obtained that these labor standards will be maintained upon the construction work.

(b) The Secretary of Labor shall have, with respect to the labor standards specified in subsection (a), the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176; 64 Stat. 1267; 5 U.S.C. 133z-15), and section 2 of the Act of June 13, 1934, as amended (48 Stat. 948; 40 U.S.C. 276c), and the Contract Work Hours Standards Act (76 Stat. 357).

TITLE II—PLANNED METROPOLITAN DEVELOPMENT

FINDINGS AND DECLARATION OF PURPOSE

Sec. 201. (a) The Congress hereby finds that the welfare of the
Nation and of its people is directly dependent upon the sound and
orderly development and the effective organization and functioning of
the metropolitan areas in which two-thirds of its people live and work.

It further finds that the continuing rapid growth of these areas
makes it essential that they prepare, keep current, and carry out com-
prehensive plans and programs for their orderly physical development
with a view to meeting efficiently all their economic and social needs.

It further finds that metropolitan areas are especially handicapped
in this task by the complexity and scope of governmental services
required in such rapidly growing areas, the multiplicity of political
jurisdictions and agencies involved, and the inadequacy of the opera-
tional and administrative arrangements available for cooperation
among them.

It further finds that present requirements for areawide planning
and programming in connection with various Federal programs have
materiously assisted in the solution of metropolitan problems, but that
greater coordination of Federal programs and additional participa-
tion and cooperation are needed from the States and localities in per-
fec ting and carrying out such efforts.

(b) It is the purpose of this title to provide, through greater coordi-
nation of Federal programs and through supplementary grants for
certain federally assisted development projects, additional encour-
agement and assistance to States and localities for making comprehensive
metropolitan planning and programming effective.

COOPERATION BETWEEN FEDERAL AGENCIES

Sec. 202. In order to insure that all Federal programs related to
metropolitan development are carried out in a coordinated manner—
(1) the Secretary is authorized to call upon other Federal
agencies to supply such statistical data, program reports, and
other materials as he deems necessary to discharge his respon-
sibilities for metropolitan development, and to assist the Presi-
dent in coordinating the metropolitan development efforts of
all Federal agencies; and

(2) all Federal agencies which are engaged in administering
programs related to metropolitan development, or which other-
wise perform functions relating thereto, shall, to the maximum
extent practicable, consult with and seek advice from all other
significantly affected Federal departments and agencies in an effort to assure fully coordinated programs.

METROPOLITAN EXPEDITERS

SEC. 203. Upon the request of the duly authorized local officials of the central city in any metropolitan area, and after consultation with local governmental authorities throughout the metropolitan area with respect to whether or not the Secretary should make an appointment under this section (and with respect to the individuals who might be so appointed), the Secretary may appoint a metropolitan expediter for such area whenever he finds a need for the services specified in this section. The metropolitan expediter shall provide information, data, and assistance to local authorities and private individuals and entities within the metropolitan area, and to all relevant Federal departments and agencies, with respect to all programs and activities conducted within such metropolitan area by the Department of Housing and Urban Development, and with respect to other public and private activities and needs within such metropolitan area which relate to the programs and activities of the Department.

COORDINATION OF FEDERAL AIDS IN METROPOLITAN AREAS

SEC. 204. (a) All applications made after June 30, 1967, for Federal loans or grants to assist in carrying out open-space land projects or for the planning or construction of hospitals, airports, libraries, water supply and distribution facilities, sewerage facilities and waste treatment works, highways, transportation facilities, and water development and land conservation projects within any metropolitan area shall be submitted for review—

(1) to any areawide agency which is designated to perform metropolitan or regional planning for the area within which the assistance is to be used, and which is, to the greatest practicable extent, composed of or responsible to the elected officials of a unit of areawide government or of the units of general local government within whose jurisdiction such agency is authorized to engage in such planning, and

(2) if made by a special purpose unit of local government, to the unit or units of general local government with authority to operate in the area within which the project is to be located.

(b) (1) Except as provided in paragraph (2) of this subsection, each application shall be accompanied (A) by the comments and recommendations with respect to the project involved by the areawide agency and governing bodies of the units of general local government to which the application has been submitted for review, and (B) by a statement by the applicant that such comments and recommendations have been considered prior to formal submission of the application. Such comments shall include information concerning the extent to which the project is consistent with comprehensive planning developed or in the process of development for the metropolitan area or the unit of general local government, as the case may be, and the extent to which such project contributes to the fulfillment of such planning. The comments and recommendations and the statement referred to in this paragraph shall, except in the case referred to in paragraph (2) of this subsection, be reviewed by the agency of the Federal Government to which such application is submitted for the sole purpose of assisting it in determining whether the application is in accordance with the provisions of Federal law which govern the making of the loans or grants.
(2) An application for a Federal loan or grant need not be accompanied by the comments and recommendations and the statements referred to in paragraph (1) of this subsection, if the applicant certifies that a plan or description of the project, meeting the requirements of such rules and regulations as may be prescribed under subsection (c), or such application, has lain before an appropriate area-wide agency or instrumentality or unit of general local government for a period of sixty days without comments or recommendations thereon being made by such agency or instrumentality.

(3) The requirements of paragraphs (1) and (2) shall also apply to any amendment of the application which, in light of the purposes of this title, involves a major change in the project covered by the application prior to such amendment.

(c) The Bureau of the Budget, or such other agency as may be designated by the President, is hereby authorized to prescribe such rules and regulations as are deemed appropriate for the effective administration of this section.

GRANTS TO ASSIST IN PLANNED METROPOLITAN DEVELOPMENT

Sec. 205. (a) The Secretary is authorized to make supplementary grants to applicant State and local public bodies and agencies carrying out, or assisting in carrying out, metropolitan development projects meeting the requirements of this section.

(b) Grants may be made under this section only for metropolitan development projects in metropolitan areas for which it has been demonstrated, to the satisfaction of the Secretary, that—

(1) metropolitanwide comprehensive planning and programming provide an adequate basis for evaluating (A) the location, financing, and scheduling of individual public facility projects (including but not limited to hospitals and libraries; sewer, water, and sewage treatment facilities; highway, mass transit, airport, and other transportation facilities; and recreation and other open-space areas) whether or not federally assisted; and (B) other proposed land development or uses, which projects or uses, because of their size, density, type, or location, have public metropolitanwide or interjurisdictional significance;

(2) adequate metropolitanwide institutional or other arrangements exist for coordinating, on the basis of such metropolitanwide comprehensive planning and programming, local public policies and activities affecting the development of the area; and

(3) public facility projects and other land development or uses which have a major impact on the development of the area are, in fact, being carried out in accord with such metropolitanwide comprehensive planning and programing.

(c) (1) Where the applicant for a grant under this section is a unit of general local government, it must demonstrate to the satisfaction of the Secretary that, taking into consideration the scope of its authority and responsibilities, it is adequately assuring that public facility projects and other land development or uses of public metropolitanwide or interjurisdictional significance are being, and will be, carried out in accord with metropolitan planning and programing meeting the requirements of subsection (b). In making this determination the Secretary shall give special consideration to whether the applicant is effectively assisting in, and conforming to, metropolitan planning and programing through (A) the location and scheduling of public facility projects, whether or not federally assisted; and (B) the establishment and consistent administration of zoning codes, subdivision regulations, and similar land-use and density controls.
Where the applicant for a grant under this section is not a unit of general local government, both it and the unit of general local government having jurisdiction over the location of the project must meet the requirements of this subsection.

(d) In making the determinations required under this section, the Secretary shall obtain, and give full consideration to, the comments of the body or bodies (State or local) responsible for comprehensive planning and programming for the metropolitan area.

(e) No grant shall be made under this section with respect to a metropolitan development project for which a Federal grant has been made, or a contract of assistance has been entered into, under the legislation referred to in paragraph (2) of section 208, prior to February 21, 1966, or more than one year prior to the date on which the Secretary has made the determinations required under this section with respect to the applicant and to the area in which the project is located: Provided, That in the case of a project for which a contract of assistance under the legislation referred to in paragraph (2) of section 208 has been entered into after June 30, 1967, no grant shall be made under this section unless an application for such grant has been made on or before the date of such contract.

(f) Nothing in this section shall authorize the Secretary to require (or condition the availability or amount of financial assistance authorized to be provided under this title upon) the adoption by any community of a program to achieve a racial balance or to eliminate racial imbalance within school districts within the metropolitan area.

**EXTENT OF GRANT**

Sec. 206. (5)(A) No mortgage shall be insured under paragraph (1) unless the mortgagor enters into an agreement (in form and substance satisfactory to the Secretary) that it will offer to sell the dwellings involved, upon completion of their rehabilitation, to individuals or families (hereinafter referred to as 'low-income purchasers') determined by the Secretary to have incomes below the maximum amount specified (with respect to the area involved) in section 101(c)(1) of the Housing and Urban Development Act of 1965.

(a) The Secretary is authorized (1) to insure mortgages (including advances on such mortgages during construction), upon such terms and conditions as he may prescribe, in accordance with the provisions of this title, and (2) to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon. No mortgage shall be insured under this title after October 1, 1969, except pursuant to a commitment to insure issued before that date.

"(b) To be eligible for insurance under this title, the mortgage shall (1) be executed by a mortgagor that is a group practice unit or organization, approved by the Secretary, (2) be made to and held by a mortgagee approved by the Secretary as responsible and able to service the mortgage properly, and (3) cover a property or project which is approved for mortgage insurance prior to the beginning of construction or rehabilitation and is designed for use as a group practice facility which the Secretary finds will be constructed in an economical manner, will not be of elaborate or extravagant design or materials, and will be adequate and suitable for carrying out the purposes of this title. No mortgage shall be insured under this title unless it is shown to the satisfaction of the Secretary that the applicant would be unable to obtain the mortgage loan without such insurance on terms comparable to those specified in subsection (c).

"(d) Any contract of insurance executed by the Secretary under this title shall be conclusive evidence of the eligibility of the mortgage for insurance, and the validity of any contract for insurance so executed shall be incontestable in the hands of an approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved mortgagee."

In addition to the premium charge, the Secretary is authorized to charge and collect such amounts as he may deem reasonable for the analysis of a proposed project and the appraisal and inspection of the property and improvements. Where the principal obligation of any mortgage accepted for insurance under this title is paid in full prior to the maturity date, the Secretary is authorized to require the payment by the mortgagee of an adjusted premium charge. This charge shall be in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured until the maturity date. Where such prepayment occurs, the Secretary is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid. Premium charges fixed under this section shall be payable by the mortgagee either in cash, or in debentures which are the obligation of the General Insurance Fund at par plus accrued interest, at such times and in such manner as may be prescribed by the Secretary.

FEDERAL NATIONAL MORTGAGE ASSOCIATION SPECIAL ASSISTANCE FOR FINANCING LOW-COST HOMES

Sec. 1006. The Congress hereby finds that the sharp decline in new home construction over the past year threatens to undercut our present high level of prosperity and employment as such declines have in the past; that the substantial reduction which has taken place has had its greatest impact on families of modest income who are seeking to achieve the goal of homeownership; that this decline in homebuilding is due primarily to the shortage of mortgage financing on terms which moderate income families can afford; and that our national policy objectives in the field of housing and community development are thereby being thwarted. The Congress therefore expresses its intent that the special assistance funds made available to the Federal National Mortgage Association for the financing of new low-cost homes by the Act of September 10, 1966 (Public Law 89-556), should be released immediately to halt the continuing decline in the construction of new homes for families of moderate income.

APPLYING ADVANCES IN TECHNOLOGY TO HOUSING AND URBAN DEVELOPMENT

Sec. 1010. (a) To encourage and assist the housing industry to continue to reduce the cost and improve the quality of housing by the application to home construction of advances in technology, and to encourage and assist the application of advances in technology to urban development activities, the Secretary of Housing and Urban Development (hereinafter referred to as the "Secretary") is directed to—

(e) Nothing contained in this section shall limit any authority of
the Secretary under title III of the Housing Act of 1948, section 602
of the Housing Act of 1956, or any other provision of law.

URBAN ENVIRONMENTAL STUDIES

Sec. 1011. (a) The Congress finds that, with the ever-increasing
concentration of the Nation's population in urban centers, there has
occurred a marked change in the environmental conditions under
which most people live and work; that such change is characterized
by the progressive substitution of a highly complex, man-contrived
environment for an environment conditioned primarily by nature;
that the beneficent or malignant influence of environment on all living
creatures is well recognized; and that much more knowledge is urgently
needed concerning the effect on human beings of highly urbanized
surroundings. It is the purpose of this section to authorize a com-pre-
hensive program of research, studies, surveys, and analyses to improve
understanding of the environmental conditions necessary for the well-
being of an urban society, and for the intelligent planning and devel-
OPMENT OF VIALBE URBAN CENTERS.
(b) In order to carry out the purpose of this section, the Secretary
is authorized and directed to—

(1) conduct studies, surveys, research, and analyses with respect
to the ecological factors involved in urban living;
(2) document and define urban environmental factors which
need to be controlled or eliminated for the well-being of urban
life;
(3) establish a system of collecting and receiving informa-
tion and data on urban ecological research and evaluations which
are in process or are being planned by public or private agencies,
or individuals;

MORTGAGE RELIEF FOR CERTAIN HOMEOWNERS

Sec. 1012. That part of section 107 of the Housing and Urban Development Act of 1965 which precedes subsection (f) is amended to read as follows:

"MORTGAGE RELIEF FOR CERTAIN HOMEOWNERS"

"Sec. 107. (a) For the purposes of this section—

'(1) The term 'mortgage' means a mortgage which (A) is insured under the National Housing Act, or (B) secures a home loan guaranteed or insured under the Servicemen's Readjustment Act of 1944 or chapter 37 of title 38, United States Code.

'(2) The term 'Federal mortgage agency' means—

'(A) the Secretary of Housing and Urban Development when used in connection with mortgages insured under the National Housing Act, and

'(B) the Administrator of Veterans' Affairs when used in connection with mortgages securing home loans guaranteed or insured under the Servicemen's Readjustment Act of 1944 or chapter 37 of title 38, United States Code.

'(3) The term 'distressed mortgagor' means an individual who—

'(A) was employed by the Federal Government at, or was assigned as a serviceman to, a military base or other Federal installation and whose employment or service at such base or installation was terminated subsequent to November 1, 1964, as the result of the closing (in whole or in part) of such base or installation; and

'(B) is the owner-occupant of a dwelling situated at or near such base or installation and upon which there is a mortgage securing a loan which is in default because of the inability of such individual to make payments due under such mortgage.

'(b) (1) Any distressed mortgagor, for the purpose of avoiding foreclosure of his mortgage, may apply to the appropriate Federal mortgage agency for a determination that suspension of his obligation to make payments due under such mortgage during a temporary period is necessary in order to avoid such foreclosure.

'(2) Upon receipt of an application made under this subsection by a distressed mortgagor, the Federal mortgage agency shall issue to such mortgagor a certificate of moratorium if it determines, after consultation with the interested mortgagee, that such action is necessary to avoid foreclosure.

'(3) Prior to the issuance to any distressed mortgagor of a certificate of moratorium under paragraph (2), the Federal mortgage agency, the mortgagor, and the mortgagee shall enter into a binding agreement under which—

'(A) the mortgagor will be required to make payments to such agency, after the expiration of such certificate, in an aggregate amount equal to the amount paid by such agency on behalf of such mortgagor as provided in subsection (c), together with interest thereon at a rate not to exceed the rate provided in the mortgage; the manner and time in which such payments shall be made to be
determined by the Federal mortgage agency, having due regard for the purposes sought to be achieved by this section; and

"(B) the Federal mortgage agency will be subrogated to the rights of the mortgagor to the extent of payments made pursuant to such certificate, which rights, however, shall be subject to the prior right of the mortgagor to receive the full amount payable under the mortgage.

"(4) Any certificate of moratorium issued under this subsection shall expire on whichever of the following dates is the earliest—

(A) two years from the date on which such certificate was issued;

(B) thirty days after the date on which the mortgagor gives notice in writing to the Federal mortgage agency that he is able to resume his obligation to make payments due under his mortgage;

(C) thirty days after the date on which the Federal mortgage agency determines that the mortgagor to whom such certificate was issued has ceased to be a distressed mortgagor as defined in subsection (a)(3).

"(c) (1) Whenever a Federal mortgage agency issues a certificate of moratorium to any distressed mortgagor with respect to any mortgage, it shall transmit to the mortgagee a copy of such certificate, together with a notice stating that, while such certificate is in effect, such agency will assume the obligation of such mortgagor to make payments due under the mortgage.

(2) Payments made by any Federal mortgage agency pursuant to a certificate of moratorium issued under this section with respect to the mortgage of any distressed mortgagor may include, in addition to the payments referred to in paragraph (1), an amount equal to the unpaid payments under such mortgage prior to the issuance of such certificate, plus a reasonable allowance for foreclosure costs actually paid by the mortgagee if a foreclosure action was dismissed as a result of the issuance of a moratorium certificate. Payments by the Federal mortgage agency may also include payments of taxes and insurance premiums on the mortgaged property as deemed necessary when these items are not provided for through payments to a tax and insurance account held by the interested mortgagee.

(3) While any certificate of moratorium issued under this section is in effect with respect to the mortgage of any distressed mortgagor, no further payments due under the mortgage shall be required of such mortgagor, and no action (legal or otherwise) shall be taken or maintained by the mortgagee to enforce or collect such payments. Upon the expiration of such certificate, the mortgagor shall again be liable for the payment of all amounts due under the mortgage in accordance with its terms.

(4) Each Federal mortgage agency shall give prompt notice in writing to the interested mortgagor and mortgagee of the expiration of any certificate of moratorium issued by it under this section.

(d) The Federal mortgage agencies are authorized to issue such individual and joint regulations as may be necessary to carry out this section and to insure the uniform administration thereof.

(e) There shall be in the Treasury (1) a fund which shall be available to the Secretary of Housing and Urban Development for the purpose of extending financial assistance in behalf of distressed mortgagors as provided in subsection (c) and for paying administrative expenses incurred in connection with such assistance, and (2) a fund which shall be available to the Administrator of Veterans' Affairs for the same purpose, except administrative expenses. The capital of each
such fund shall consist of such sums as may, from time to time, be appropriated thereto, and any sums so appropriated shall remain available until expended. Receipts arising from the programs of assistance under subsection (c) shall be credited to the fund from which such assistance was extended. Moneys in either of such funds not needed for current operations, as determined by the Secretary of Housing and Urban Development, or the Administrator of Veterans' Affairs, as the case may be, shall be invested in bonds or other obligations of the United States, or paid into the Treasury as miscellaneous receipts."

ACQUISITION OF CERTAIN PROPERTIES SITUATED AT OR NEAR MILITARY BASES WHICH HAVE BEEN ORDERED TO BE CLOSED

SEC. 1013. (a) Notwithstanding any other provision of law, the Secretary of Defense is authorized to acquire title to, hold, manage, and dispose of, or, in lieu thereof, to reimburse for certain losses upon private sale of, or foreclosure against, any property improved with a one- or two-family dwelling which is situated at or near a military base or installation which the Department of Defense has, subsequent to November 1, 1964, ordered to be closed in whole or in part, if he determines—

(1) that the owner of such property is, or has been, a Federal employee employed at or in connection with such base or installation (other than a temporary employee serving under a time limitation) or a serviceman assigned thereto;

(2) that the closing of such base or installation, in whole or in part, has required or will require the termination of such owner's employment or service at or in connection with such base or installation; and

(3) that as the result of the actual or pending closing of such base or installation, in whole or in part, there is no present market for the sale of such property upon reasonable terms and conditions.

(b) In order to be eligible for the benefits of this section such employees or military personnel must be or have been—

(1) assigned to or employed at or in connection with the installation or activity at the time of public announcement of the closure action,

(2) transferred from such installation or activity, or terminated as employees as a result of reduction-in-force, within six months prior to public announcement of the closure action, or

(3) transferred from the installation or activity on an overseas tour unaccompanied by dependents within fifteen months prior to public announcement of the closure action:

Provided, That, at the time of public announcement of the closure action, or at the time of transfer or termination as set forth above, such personnel or employees must—

(i) have been the owner-occupant of the dwelling, or

(ii) have vacated the owned dwelling as a result of being ordered into on-post housing during a six-month period prior to the closure announcement:

Provided further, That as a consequence of such closure such employees or personnel must—

(i) be required to relocate because of military transfer or acceptance of employment beyond a normal commuting distance from the dwelling for which compensation is sought, or

(ii) be unemployed, not as a matter of personal choice, and able to demonstrate such financial hardship that they are unable to meet their mortgage payments and related expenses.
(c) Such persons as the Secretary of Defense may determine to be eligible under the criteria set forth above shall elect either (1) to receive a cash payment as compensation for losses which may be or have been sustained in a private sale, in an amount not to exceed the difference between (A) 95 per centum of the fair market value of their property (as such value is determined by the Secretary of Defense) prior to public announcement of intention to close all or part of the military base or installation and (B) the fair market value of such property (as such value is so determined) at the time of the sale, or (2) to receive, as purchase price for their property, an amount not to exceed 90 per centum of prior fair market value as such value is determined by the Secretary of Defense, or the amount of the outstanding mortgages. Cash payment as compensation for losses sustained in a private sale shall not be made in any case in which the property is encumbered by a mortgage loan guaranteed, insured, or held by a Federal agency unless such mortgage loan is paid, assumed by a purchaser satisfactory to such Federal agency, or otherwise fully satisfied at or prior to the time such cash payment is made. Except in cases of payment as compensation for losses, in the event of foreclosure by mortgagees commenced on or after public announcement of intention to close all or part of the military base or installation and prior to the one hundred and twentieth day after the enactment of this Act, the Secretary of Defense may reimburse or pay on account of eligible persons such sums as may be paid or be otherwise due and owing by such persons as the result of such foreclosure, including (without limiting the generality of the foregoing) direct costs of judicial foreclosure, expenses and liabilities enforceable according to the terms of their mortgages or promissory notes, and the amount of debts, if any, established against such persons by a Federal agency in the case of loans made, guaranteed, or insured by such agency following liquidation of the security for such loans.

(d) There shall be in the Treasury a fund which shall be available to the Secretary of Defense for the purpose of extending the financial assistance provided above. The capital of such fund shall consist of such sums as may, from time to time, be appropriated thereto, and shall consist also of receipts from the management, rental, or sale of properties acquired under this section, which receipts shall be credited to the fund and shall be available, together with funds appropriated therefor, for purchase or reimbursement purposes as provided above, as well as to defray expenses arising in connection with the acquisition, management, and disposal of such properties, including payment of principal, interest, and expenses of mortgages or other indebtedness thereon, and including the cost of staff services and contract services, costs of insurance, and other indemnity. Any part of such receipts not required for such expenses shall be covered into the Treasury as miscellaneous receipts. Properties acquired under this section shall be conveyed to, and acquired in the name of, the United States. The Secretary of Defense shall have the power to deal with, rent, renovate, and dispose of, whether by sales for cash or credit or otherwise, any properties so acquired: Provided, however, That no contract for acquisition, or acquisition, shall be deemed to constitute a contract for or acquisition of family housing units in support of military installations or activities within the meaning of section 406(a) of the Act of August 30, 1957 (42 U.S.C. 1594i), nor shall it be deemed a transaction within the contemplation of section 2662 of title 10, United States Code.

(e) Payments from the fund created by this section may be made in lieu of taxes to any State or political subdivision thereof, with respect to real property, including improvements thereon, acquired

74 Stat. 185.
and held under this section. The amount so paid for any year upon such property shall not exceed the taxes which would be paid to the State or subdivision, as the case may be, upon such property if it were not exempt from taxation, and shall reflect such allowance as may be considered appropriate for expenditures, if any, by the Government for streets, utilities, or other public services to serve such property.

(f) The title to any property acquired under this section, the eligibility for, and the amounts of, cash payable, and the administration of the preceding provisions of this section, shall conform to such requirements, and shall be administered under such conditions and regulations, as the Secretary of Defense may prescribe. Such regulations shall also prescribe the terms and conditions under which payments may be made and instruments accepted under this section, and all the determinations and decisions made pursuant to such regulations by the Secretary of Defense regarding such payments and conveyances and the terms and conditions under which they are approved or disapproved, shall be final and conclusive and shall not be subject to judicial review.

(g) The Secretary of Defense is authorized to enter into such agreement with the Secretary of Housing and Urban Development as may be appropriate for the purposes of economy and efficiency of administration of this section. Such agreement may provide authority to the Secretary of Housing and Urban Development and his designee to make any or all of the determinations and take any or all of the actions which the Secretary of Defense is authorized to undertake pursuant to the preceding provisions of this section. Any such determinations shall be entitled to finality to the same extent as if made by the Secretary of Defense, and, in event the Secretaries of Defense and Housing and Urban Development so elect, the fund established pursuant to subsection (d) of this section shall be available to the Secretary of Housing and Urban Development to carry out the purposes thereof.

(h) Section 223 (a) (8) of the National Housing Act is amended to read as follows:

“(8) executed in connection with the sale by the Government of any housing acquired pursuant to section 1013 of the Demonstration Cities and Metropolitan Development Act of 1966.”

(i) No funds may be appropriated for the acquisition of any property under authority of this section unless such funds have been specifically authorized for such purpose in a military construction authorization act, and no moneys in the fund created pursuant to subsection (d) of this section may be expended for any purpose except as may be provided in appropriation Acts.

(j) Section 108 of the Housing and Urban Development Act of 1965 is repealed.

REQUIREMENTS AND PROHIBITIONS

SEC. 4. (a) No person subject to the prohibition contained in section 3 shall distribute or cause to be distributed in commerce any packaged consumer commodity unless in conformity with regulations which shall be established by the promulgating authority pursuant to section 6 of this Act which shall provide that—

(1) The commodity shall bear a label specifying the identity of the commodity and the name and place of business of the manufacturer, packer, or distributor;

(2) The net quantity of contents (in terms of weight, measure, or numerical count) shall be separately and accurately stated in a uniform location upon the principal display panel of that label;

(3) The separate label statement of net quantity of contents appearing upon or affixed to any package—

(A) (i) if on a package containing less than four pounds or one gallon and labeled in terms of weight or fluid measure, shall, unless subparagraph (ii) applies and such statement is set forth in accordance with such subparagraph, be expressed both in ounces (with identification as to avoirdupois or fluid ounces) and, if applicable, in pounds for weight units, with any remainder in terms of ounces or common or decimal fractions of the pound; or in the case of liquid measure, in the largest whole unit (quarts, quarts and pints, or pints, as appropriate) with any remainder in terms of fluid ounces or common or decimal fractions of the pint or quart;

(ii) if on a random package, may be expressed in terms of pounds and decimal fractions of the pound carried out to not more than two decimal places;

(iii) if on a package labeled in terms of linear measure, shall be expressed both in terms of inches and the largest whole unit (yards, yards and feet, or feet, as appropriate) with any remainder in terms of inches or common or decimal fractions of the foot or yard;

(iv) if on a package labeled in terms of measure of area, shall be expressed both in terms of square inches and the largest whole square unit (square yards, square yards and square feet, or square feet, as appropriate) with any remainder in terms of square inches or common or decimal fractions of the square foot or square yard;

(B) shall appear in conspicuous and easily legible type in distinct contrast (by typography, layout, color, embossing, or molding) with other matter on the package;

(C) shall contain letters or numerals in a type size which shall be (i) established in relationship to the area of the principal display panel of the package, and (ii) uniform for all packages of substantially the same size; and

(5) For purposes of paragraph (3)(A)(ii) of this subsection the term "random package" means a package which is one of a lot, shipment, or delivery of packages of the same consumer commodity with varying weights, that is, packages with no fixed weight pattern.

(b) No person subject to the prohibition contained in section 3 shall distribute or cause to be distributed in commerce any packaged consumer commodity if any qualifying words or phrases appear in conjunction with the separate statement of the net quantity of contents required by subsection (a), but nothing in this subsection or in paragraph (2) of subsection (a) shall prohibit supplemental statements, at other places on the package, describing in nondeceptive terms the net quantity of contents: Provided, That such supplemental statements of net quantity of contents shall not include any term qualifying a unit of weight, measure, or count that tends to exaggerate the amount of the commodity contained in the package.

ADDITIONAL REGULATIONS

SEC. 5. (a) The authority to promulgate regulations under this Act is vested in (A) the Secretary of Health, Education, and Welfare (referred to hereinafter as the “Secretary”) with respect to any consumer commodity which is a food, drug, device, or cosmetic, as each such term is defined by section 201 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 321); and (B) the Federal Trade Commission (referred to hereinafter as the “Commission”) with respect to any other consumer commodity.

(b) If the promulgating authority specified in this section finds that, because of the nature, form, or quantity of a particular consumer commodity, or for other good and sufficient reasons, full compliance with all the requirements otherwise applicable under section 4 of this Act is impracticable or is not necessary for the adequate protection of consumers, the Secretary or the Commission (whichever the case may be) shall promulgate regulations exempting such commodity from those requirements to the extent and under such conditions as the promulgating authority determines to be consistent with section 2 of this Act.

(c) Whenever the promulgating authority determines that regulations containing prohibitions or requirements other than those prescribed by section 4 are necessary to prevent the deception of consumers or to facilitate value comparisons as to any consumer commodity, such authority shall promulgate with respect to that commodity regulations effective to—

(1) establish and define standards for characterization of the size of a package enclosing any consumer commodity, which may be used to supplement the label statement of net quantity of contents of packages containing such commodity, but this paragraph shall not be construed as authorizing any limitation on the size, shape, weight, dimensions, or number of packages which may be used to enclose any commodity;
(2) regulate the placement upon any package containing any commodity, or upon any label affixed to such commodity, of any printed matter stating or representing by implication that such commodity is offered for retail sale at a price lower than the ordinary and customary retail sale price or that a retail sale price advantage is accorded to purchasers thereof by reason of the size of that package or the quantity of its contents;

(3) require that the label on each package of a consumer commodity (other than one which is a food within the meaning of section 201(f) of the Federal Food, Drug, and Cosmetic Act) bear (A) the common or usual name of such consumer commodity, if any, and (B) in case such consumer commodity consists of two or more ingredients, the common or usual name of each such ingredient listed in order of decreasing predominance, but nothing in this paragraph shall be deemed to require that any trade secret be divulged; or

(4) prevent the nonfunctional-slash-fill of packages containing consumer commodities.

For purposes of paragraph (4) of this subsection, a package shall be deemed to be nonfunctionally slack-filled if it is filled to substantially less than its capacity for reasons other than (A) protection of the contents of such package or (B) the requirements of machines used for enclosing the contents in such package.

(d) Whenever the Secretary of Commerce determines that there is undue proliferation of the weights, measures, or quantities in which any consumer commodity or reasonably comparable consumer commodities are being distributed in packages for sale at retail and such undue proliferation impairs the reasonable ability of consumers to make value comparisons with respect to such consumer commodity or commodities, he shall request manufacturers, packers, and distributors of the commodity or commodities to participate in the development of a voluntary product standard for such commodity or commodities under the procedures for the development of voluntary products standards established by the Secretary pursuant to section 2 of the Act of March 3, 1901 (31 Stat. 1449, as amended; 15 U.S.C. 272). Such procedures shall provide adequate manufacturer, packer, distributor, and consumer representation.

(e) If (1) after one year after the date on which the Secretary of Commerce first makes the request of manufacturers, packers, and distributors to participate in the development of a voluntary product standard as provided in subsection (d) of this section, he determines that such a standard will not be published pursuant to the provisions of such subsection (d), or (2) if such a standard is published and the Secretary of Commerce determines that it has not been observed, he shall promptly report such determination to the Congress with a statement of the efforts that have been made under the voluntary standards program and his recommendation as to whether Congress should enact legislation providing regulatory authority to deal with the situation in question.

Hearings authorized or required for the promulgation of any such regulations by the Commission shall be conducted by the Commission or by such officer or employee of the Commission as the Commission may designate for that purpose.

(c) In carrying into effect the provisions of this Act, the Secretary and the Commission are authorized to cooperate with any department or agency of the United States, with any State, Commonwealth, or possession of the United States, and with any department, agency, or political subdivision of any such State, Commonwealth, or possession.

(d) No regulation adopted under this Act shall preclude the continued use of returnable or reusable glass containers for beverages in inventory or with the trade as of the effective date of this Act, nor shall any regulation under this Act preclude the orderly disposal of packages in inventory or with the trade as of the effective date of such regulation.

2 of this Act, is further amended by striking out “within the mean-
ing of that term” in such clause and inserting in lieu thereof “or a
banned hazardous substance within the meaning of those terms”.

To provide for the establishment of the Indiana Dunes National Lakeshore, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to preserve for the educational, inspirational, and recreational use of the public certain portions of the Indiana dunes and other areas of scenic, scientific, and historic interest and recreational value in the State of Indiana, the Secretary of the Interior is authorized to establish and administer the Indiana Dunes National Lakeshore (hereinafter referred to as the "lakeshore") in accordance with the provisions of this Act. The lakeshore shall comprise the area within the boundaries delineated on a map identified as "A Proposed Indiana Dunes National Lakeshore", dated September 1966, and bearing the number "LNPNE-1008-ID", which map is on file and available for public inspection in the office of the Director of the National Park Service, Department of the Interior.

Sec. 2. (a) Within the boundaries of the lakeshore the Secretary of the Interior (hereinafter referred to as the "Secretary") is authorized to acquire lands, waters, and other property, or any interest therein, by donation, purchase with donated or appropriated funds, exchange, or otherwise. The Indiana Dunes State Park may be acquired only by donation of the State of Indiana, and the Secretary is hereby directed to negotiate with the State for the acquisition of said park. In exercising his authority to acquire property by exchange for the purposes of this Act, the Secretary may accept title to non-Federal property located within the area described in section 1 of this Act and convey to the grantor of such property any federally owned property under the jurisdiction of the Secretary which he classifies as suitable for exchange or other disposal within the State of Indiana or Illinois. Properties so exchanged shall be approximately equal in fair market value, as determined by the Secretary who may, in his discretion, base his determination on an independent appraisal obtained by him: Provided, That the Secretary may accept cash from or pay cash to the grantor in such an exchange in order to equalize the values of the properties exchanged.

(b) In exercising his authority to acquire property under subsection (a) of this section, the Secretary may enter into contracts requiring the expenditure, when appropriated, of funds authorized to be appropriated by section 10 of this Act, but the liability of the United States under any such contract shall be contingent on the appropriation of funds sufficient to fulfill the obligations thereby incurred.

Sec. 3. As soon as practicable after the effective date of this Act and following the acquisition by the Secretary of an acreage within the boundaries of the area described in section 1 of this Act which in his opinion is efficiently administrable for the purposes of this Act, he shall establish the Indiana Dunes National Lakeshore by publication of notice thereof in the Federal Register. Following such establishment and subject to the limitations and conditions prescribed in section 1 hereof, the Secretary may continue to acquire lands and interests in lands for the lakeshore.

Sec. 4. (a) The Secretary's authority to acquire property by condemnation shall be suspended with respect to all improved property located within the boundaries of the lakeshore during all times when an appropriate zoning agency shall have in force and applicable to such property a duly adopted, valid zoning ordinance approved by the Secretary in accordance with the provisions of section 5 of this Act.
(b) The term "improved property," whenever used in this Act, shall mean a detached, one-family dwelling, construction of which was begun before January 4, 1965, together with so much of the land on which the dwelling is situated, the said land being in the same ownership as the dwelling, as the Secretary shall designate to be reasonably necessary for the enjoyment of the dwelling for the sole purpose of noncommercial residential use, together with any structures accessory to the dwelling which are situated on the lands so designated. The amount of land so designated shall in every case be not more than three acres in area, and in making such designation the Secretary shall take into account the manner of noncommercial residential use in which the dwelling and land have customarily been enjoyed: Provided, That the Secretary may exclude from the land so designated any beach or waters, together with so much of the land adjoining such beach or waters, as he may deem necessary for public access thereto or public use thereof.

(a) As soon as practicable after enactment of this Act, the Secretary shall issue regulations specifying standards for approval by him of zoning ordinances for the purposes of sections 4 and 6 of this Act. The Secretary may issue amended regulations specifying standards for approval by him of zoning ordinances whenever he shall consider such amended regulations to be desirable due to changed or unforeseen conditions. The Secretary shall approve any zoning ordinance and any amendment to any approved zoning ordinance submitted to him which conforms to the standards contained in the regulations in effect at the time of adoption of such ordinance or amendment by the zoning agency. Such approval shall not be withdrawn or revoked, by issuance of any amended regulations after the date of such approval, for so long as such ordinance or amendment remains in effect as approved.

(b) The standards specified in such regulations and amended regulations for approval of any zoning ordinance or zoning ordinance amendment shall contribute to the effect of (1) prohibiting the commercial and industrial use, other than any commercial or industrial use which is permitted by the Secretary, of all property covered by the ordinance within the boundaries of the lakeshore; and (2) promoting the preservation and development, in accordance with the purposes of this Act, of the area covered by the ordinance within the lakeshore by means of acreage, frontage, and setback requirements and other provisions which may be required by such regulations to be included in a zoning ordinance consistent with the laws of the State of Indiana.

(c) No zoning ordinance or amendment thereof shall be approved by the Secretary which (1) contains any provision which he may consider adverse to the preservation and development, in accordance with the purposes of this Act, of the area comprising the lakeshore; or (2) fails to have the effect of providing that the Secretary shall receive notice of any variance granted under and any exception made to the application of such ordinance or amendment.

(d) If any improved property, with respect to which the Secretary's authority to acquire by condemnation has been suspended according to the provisions of this Act, is made the subject of a variance under or exception to such zoning ordinance, or is subjected to any use, which variance, exception, or use fails to conform to or is inconsistent with any applicable standard contained in regulations issued pursuant to this section and in effect at the time of passage of such ordinance, the Secretary may, in his discretion, terminate the suspension of his authority to acquire such improved property by condemnation.
(e) The Secretary shall furnish to any party in interest requesting the same a certificate indicating, with respect to any property located within the lakeshore as to which the Secretary's authority to acquire such property by condemnation has been suspended in accordance with provisions of this Act, that such authority has been so suspended and the reasons therefor.

Sec. 6. (a) Any owner or owners of improved property on the date of its acquisition by the Secretary may, as a condition to such acquisition, retain the right of use and occupancy of the improved property for noncommercial residential purposes for a term of twenty-five years, or for such lesser time as the said owner or owners may elect at the time of acquisition by the Secretary. Where any such owner retains a right of use and occupancy as herein provided, such right during its existence may be conveyed or leased for noncommercial residential purposes. The Secretary shall pay to the owner the fair market value of the property on the date of such acquisition, less the fair market value on such date of the right retained by the owner.

(b) The Secretary shall have authority to terminate any right of use and occupancy retained as provided in subsection (a) of this section at any time after the date upon which any use occurs with respect to such property which fails to conform or is in any manner opposed to or inconsistent with the applicable standards contained in regulations issued pursuant to section 5 of this Act and which is in effect on said date: Provided, That no use which is in conformity with the provisions of a zoning ordinance approved in accordance with said section 5 and applicable to such property shall be held to fail to conform or be opposed to or inconsistent with any such standard. In the event the Secretary terminates a right of use and occupancy under this subsection, he shall pay to the owner of the right so terminated an amount equal to the fair market value of the portion of said right which remained unexpired on the date of termination.

Sec. 7. (a) In the administration of the lakeshore the Secretary may utilize such statutory authorities relating to areas of the national park system and such statutory authority otherwise available to him for the conservation and management of natural resources as he deems appropriate to carry out the purposes of this Act.

(b) In order that the lakeshore shall be permanently preserved in its present state, no development or plan for the convenience of visitors shall be undertaken therein which would be incompatible with the preservation of the unique flora and fauna or the physiographic conditions now prevailing or with the preservation of such historic sites and structures as the Secretary may designate: Provided, That the Secretary may provide for the public enjoyment and understanding of the unique natural, historic, and scientific features within the lakeshore by establishing such trails, observation points, and exhibits and providing such services as he may deem desirable for such public enjoyment and understanding: Provided further, That the Secretary may develop for appropriate public uses such portions of the lakeshore as he deems especially adaptable for such uses.

Sec. 8. (a) There is hereby established an Indiana Dunes National Lakeshore Advisory Commission. Said Commission shall terminate ten years after the date of establishment of the national lakeshore pursuant to this Act.

(b) The Commission shall be composed of seven members, each appointed for a term of two years by the Secretary, as follows: (1) one member who is a year-round resident of Porter County to be appointed from recommendations made by the commissioners of such county; (2) one member who is a year-round resident of the town of Beverly Shores to be appointed from the recommendations made by
the board of trustees of such town; (3) one member who is a year-round resident of the towns of Porter, Dune Acres, Portage, Pines, Chesterton, Ogden Dunes, or the village of Tremont, such member to be appointed from recommendations made by the boards of trustees or the trustee of the affected town or township; (4) one member who is a year-round resident of the city of Michigan City to be appointed from recommendations made by such city; (5) two members to be appointed from recommendations made by the Governor of the State of Indiana; and (6) one member to be designated by the Secretary.

(c) The Secretary shall designate one member to be Chairman. Any vacancy in the Commission shall be filled in the same manner in which the original appointment was made.

(d) A member of the Commission shall serve without compensation as such. The Secretary is authorized to pay the expense reasonably incurred by the Commission in carrying out its responsibilities under this Act on vouchers signed by the Chairman.

(e) The Secretary or his designee shall, from time to time, consult with the Commission with respect to matters relating to the development of the Indiana Dunes National Lakeshore and with respect to the provisions of sections 4, 5, and 6 of this Act.

SEC. 9. Nothing in this Act shall deprive the State of Indiana or any political subdivision thereof of its civil and criminal jurisdiction over persons found, acts performed, and offenses committed within the boundaries of the Indiana Dunes National Lakeshore or of its right to tax persons, corporations, franchises, or other non-Federal property on lands included therein.

SEC. 10. There are hereby authorized to be appropriated not more than $27,900,000 for the acquisition of land and interests in land pursuant to this Act.

AN ACT

To provide additional assistance for areas suffering a major disaster.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Disaster Relief Act of 1966".

DEFINITION

SEC. 2. As used in this Act, the term "major disaster" means a major disaster as determined by the President pursuant to the Act entitled "An Act to authorize Federal assistance to States and local governments in major disasters, and for other purposes", approved September 30, 1950, as amended (42 U.S.C. 1855-1855g).

FEDERAL LOAN ADJUSTMENTS

SEC. 3. (a) Where such action is found to be necessary because of loss, destruction, or damage of the property, or impairment of the economic feasibility of the system, of borrowers under programs administered by the Rural Electrification Administration, resulting from a major disaster, the Secretary of Agriculture is authorized to adjust and to readjust the schedules for payment of principal and interest on loans to such borrowers, and to extend the maturity dates of such loans to a period not beyond forty years from the dates of such loans. The authority herein conferred is in addition to the loan extension authority provided in section 12 of the Rural Electrification Act.

(b) The Secretary of Housing and Urban Development is authorized to refinance any note or other obligation which is held by him in connection with any loan made by the Department of Housing and Urban Development or its predecessor in interest, or which is included within the revolving fund for liquidating programs established by the Independent Offices Appropriation Act of 1955, where he finds such refinancing necessary because of the loss, destruction, or damage to property or facilities securing such obligations as a result of a major disaster. The interest rate on any note or other obligation refinanced under this subsection may be reduced to a rate not less than (i) a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturity of such note or other obligation, adjusted to the nearest one-eighth of 1 per centum, less (ii) not to exceed 2 per centum per annum, and the term thereof may be extended for such period as will provide a maturity of not to exceed forty years. The Secretary may authorize a suspension in the payment of principal and interest charges on, and an additional extension in the maturity of, any such loan for a period not to exceed five years if he determines that such action is necessary to avoid severe financial hardship.

(c) Section 1820 of title 38, United States Code, is amended by adding at the end thereof the following new subsection:

"(f) The Administrator is authorized to refinance any loan made or acquired by the Veterans' Administration when he finds such refinancing necessary because of the loss, destruction, or damage to property securing such loan as the result of a major disaster as determined by the President pursuant to the Act entitled "An Act to
authorize Federal assistance to States and local governments in major disasters, and for other purposes; approved September 30, 1950, as amended (42 U.S.C. 1855–1855g). The interest rate on any loan refinanced under this subsection may be reduced to a rate not less than (i) a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturity of such loan, adjusted to the nearest one-eighth of 1 per centum, less (ii) not to exceed 2 per centum per annum, and the term thereof may be extended for such period as will provide a maturity of not to exceed forty years; except that the Administrator may authorize a suspension in the payment of principal and interest charges on, and an additional extension in the maturity of, any such loan for a period not to exceed five years if he determines that such action is necessary to avoid severe financial hardship.

(a) Section 221 of the National Housing Act is amended by striking out “family displaced from an urban renewal area or as a result of governmental action”, “families displaced from urban renewal areas or as a result of governmental action”, and “families displaced by urban renewal or other governmental action” each place they appear in subsections (a), (d)(2), (d)(3)(iii), (d)(6), and (f), and inserting in lieu thereof, as appropriate, “displaced family” or “displaced families”.

(b) Section 221 (f) of such Act is further amended by adding the following sentence at the end thereof: “As used in this section the terms ‘displaced family’ and ‘displaced families’ shall mean a family or families displaced from an urban renewal area, or as a result of governmental action, or as a result of a major disaster as determined by the President pursuant to the Act entitled `An Act to authorize Federal assistance to States and local governments in major disasters, and for other purposes’, approved September 30, 1950, as amended (42 U.S.C. 1855–1855g).”

DISASTER WARNINGS

Sec. 5. The Secretary of Defense is authorized to utilize or to make available to other agencies the facilities of the civil defense communications system established and maintained pursuant to section 201(c) of the Federal Civil Defense Act of 1950, as amended (50 U.S.C. App. 2281(c)), for the purpose of providing needed warning to governmental authorities and the civilian population in areas endangered by imminent natural disasters.

ASSISTANCE TO UNINCORPORATED COMMUNITIES

Sec. 6. (a) The Act entitled “An Act to authorize Federal assistance to States and local governments in major disasters, and for other purposes”, approved September 30, 1950, as amended (42 U.S.C. 1855), is amended by inserting before the semicolon at the end of section 2(e) a comma and the following: “and includes any rural community or unincorporated town or village for which an application for assistance is made by a State or local government or governmental agency”. 
(b) Section 306 of the Consolidated Farmers Home Administration Act of 1961, as amended (7 U.S.C. 1926), is amended by adding at the end thereof the following new subsection:

"(c) In areas which have suffered major disasters the Secretary is authorized, without regard to the annual grant limitation in subsection (a) (2), to make or insure loans to associations, including corporations not operated for profit and public and quasi-public agencies, for the acquisition, construction, improvement, replacement, or extension of waste disposal systems and other public facilities damaged or destroyed as a result of a major disaster providing for community services in rural areas, when the Secretary determines that such action is necessary for the rebuilding of a community or a portion thereof damaged by a disaster, and to make grants not to exceed 50 per cent of the cost of repair, reconstruction, or replacement of waste disposal systems, water systems, and other public facilities damaged or destroyed as a result of a major disaster providing for community services in these areas in any case in which repayment of a loan for such purposes from income would require a charge for such service which the Secretary determines to be beyond the ability of a majority of the users who might be served thereby to pay such charges and if such charge would exceed cost of such services in comparable communities in the State."

HIGHER EDUCATION FACILITIES ASSISTANCE IN DISASTER AREAS

Sec. 7. (a) The Higher Education Facilities Act of 1963 (20 U.S.C. 701–757) is amended by inserting immediately after the last section of such Act the following new section:

"HIGHER EDUCATION FACILITIES CONSTRUCTION ASSISTANCE IN MAJOR DISASTER AREAS

"Sec. 408. (a) If the Director of the Office of Emergency Planning determines that a public institution of higher education is located in whole or in part within an area which, before July 1, 1967, has suffered a disaster which is a 'major disaster' as defined in section 2 (a) of the Act of September 30, 1950 (42 U.S.C. 1855a(a)), and if the Commissioner determines with respect to such public institution of higher education that—

"(1) the academic facilities of the institution have been destroyed or seriously damaged as a result of the disaster;

"(2) the institution is exercising due diligence in availing itself of State and other financial assistance available for the restoration or replacement of the facilities; and

"(3) the institution does not have sufficient funds available to it from other sources, including the proceeds of insurance on the facilities, to provide for the restoration or replacement of the academic facilities so destroyed or seriously damaged,

the Commissioner may provide the additional assistance necessary to enable the institution to carry out construction necessary to restore or replace the facilities, upon such terms and in such amounts (subject to the provisions of this section) as the Commissioner may consider to be in the public interest; but such additional assistance, plus the amount which he determines to be available to the institution from other sources, including the proceeds of insurance on the facilities, may not exceed the cost of construction incident to the restoration or
replacement of the academic facilities destroyed or seriously damaged as a result of the disaster.

"(b) In addition to and apart from the assistance provided to a public institution of higher education under subsection (a), the Commissioner may provide funds to such institution in an amount which he considers necessary to replace equipment, maintenance supplies, and instructional supplies (including books, and curricular and program materials) destroyed or seriously damaged as a result of the disaster, or to lease or otherwise provide (other than by acquisition of land or construction of academic facilities) such facilities needed to replace temporarily those academic facilities which have been made unavailable as a result of the disaster, or both.

"(c) In any case deemed appropriate by the Commissioner, disaster assistance provided under subsection (a) or (b) may be in the form of a repayable advance subject to such terms and conditions as he considers to be in the public interest.

"(d) There are hereby authorized to be appropriated for each fiscal year such amounts as may be necessary to carry out the provisions of this section.

"(e) No payment may be made to a public institution of higher education for academic facilities under subsection (a) or for assistance under subsection (b) unless an application therefor is submitted through the appropriate State commission and is filed with the Commissioner in accordance with regulations prescribed by him. In determining the order in which such applications shall be approved, the Commissioner shall consider the relative educational and financial needs of the institutions which have submitted approvable applications. No payment may be made under subsection (a) unless the Commissioner finds, after consultation with the State commission, that the project or projects with respect to which it is made are not inconsistent with overall State plans, submitted under section 105(a), for the construction of academic facilities. All determinations made by the Commissioner under this section shall be made only after consultation with the appropriate State commission.

"(f) Amounts paid by the Commissioner to a public institution of higher education under subsection (a) or (b) may be paid in advance or by way of reimbursement and in such installments as the Commissioner may determine. Any funds paid to an institution which are not expended or otherwise used for the purposes for which paid shall be repaid to the Treasury of the United States.

"(g) For the purposes of this section an institution of higher education is deemed to be a 'public institution of higher education' if the institution is under public supervision and control.'"

(b) Section 7 of the Small Business Act, as amended (15 U.S.C. 636), is amended by adding thereto the following new subsection:

"(e) In the administration of the disaster loan program under subsection (b)(1) of this section, in the case of property loss or damage as a result of a disaster which is a 'major disaster' as defined in section 2(a) of the Act of September 30, 1950 (42 U.S.C. 1855a(a)), the Small Business Administration, to the extent such loss or damage is not compensated for by insurance or otherwise, may lend to a privately owned college or university without regard to whether the required financial assistance is otherwise available from private sources, and may waive interest payments and defer principal payments on such a loan for the first three years of the term of the loan."
PUBLIC LAW 89-769—NOV. 6, 1966

PRIORITY TO CERTAIN APPLICATIONS FOR PUBLIC FACILITY AND PUBLIC HOUSING ASSISTANCE

Sec. 8. In the processing of applications for assistance—

(1) under title II of the Housing Amendments of 1955, or any other Act providing assistance for the repair, construction, or extension of public facilities;

(2) under the United States Housing Act of 1937 for the provision of low-rent housing;

(3) under section 702 of the Housing Act of 1954 for assistance in public works planning;

(4) under section 702 of the Housing and Urban Development Act of 1965 providing for grants for public facilities; or

(5) under section 306 of the Consolidated Farmers Home Administration Act

priority and immediate consideration shall be given, during such period as the President shall by proclamation prescribe, to applications from public bodies situated in major disaster areas.

RESTORATION OF PUBLIC FACILITIES

Sec. 9. There is hereby authorized to be appropriated such sums as may be necessary to reimburse not more than 50 per centum of eligible costs incurred to repair, restore, or reconstruct any project of a State, county, municipal, or other local government agency for flood control, navigation, irrigation, reclamation, public power, sewage treatment, water treatment, watershed development, or airport construction which was damaged or destroyed as a result of a major disaster, and of the resulting additional eligible costs incurred to complete any such facility which was in the process of construction when damaged or destroyed as a result of such major disaster. Eligible costs are defined to mean those costs determined by the Director of the Office of Emergency Planning as incurred or to be incurred in (1) restoring a public facility to substantially the same condition as existed prior to the damage resulting from the major disaster, and (2) completing construction not performed prior to the major disaster to the extent the increase of such costs over original construction costs is attributable to changed conditions resulting from the major disaster. Reimbursement under this section shall be made to the State, county, municipal, or other local governmental agency which is constructing the public facility or for which it is being constructed, except that if the economic burden of the eligible costs of repair, restoration, reconstruction or completion is incurred by an individual, partnership, corporation, agency, or other entity (other than an organization engaged in the business of insurance), the State, county, municipality, or other local governmental agency shall reimburse such individual, partnership, corporation, agency, or other entity not to exceed 50 per centum of those costs. Eligible costs shall not include any costs for which reimbursement is received pursuant to insurance contracts or otherwise by the party incurring the economic burden of such costs.

DUPICATION OF BENEFITS

Sec. 10. The head of each department or agency of the Federal government administering any program providing financial assistance to persons, business concerns, or other entities suffering losses as the result of a major disaster shall administer such program in a manner which will assure that no such person, concern, or other entity will receive such assistance with respect to any part of such loss as to which he has received financial assistance under any other such program.
EXTENSIONS OF TIME IN PUBLIC LAND MATTERS

SEC. 11. The Secretary of the Interior, upon application therefor, is authorized to grant an extension of time to the holder of any lease, license, permit, contract or entry issued by him in connection with any lands administered by him through the Bureau of Land Management where the Secretary finds that a major disaster has impeded timely fulfillment of requirements and such relief will not prejudice the rights of another party.

COORDINATION OF EFFORT

SEC. 12. The President, acting through the Office of Emergency Planning, shall plan and coordinate all Federal programs providing assistance to persons, business concerns, or other entities suffering losses as the result of a major disaster, and shall conduct periodic reviews (at least annually) of the activities of State and Federal departments or agencies to assure maximum coordination of such programs, and to evaluate progress being made in the development of State and local organizations and plans to cope with major disasters. Nothing in this section shall be deemed to relieve the head of any department or agency of any function, duty, or responsibility vested in him by any provision of law.

DISASTER ASSISTANCE STUDY

SEC. 13. The Director of the Office of Emergency Planning is authorized and directed to make, in cooperation with the Secretary of Agriculture, the Secretary of the Interior, and other affected Federal and State agencies, a full and complete study and investigation for the purpose of determining what additional or improved air operation facilities are needed to provide immediate effective action to prevent or minimize loss of publicly or privately owned property and personal injury or death which could result from forest fires or grass fires which are or threaten to become major disasters. The study and investigation shall include but not be limited to—

1. the need for new or improved airports, heliports, or heli-spots at specific locations where present transportation facilities are inadequate to provide for immediate and effective action in case of forest fires or grass fires;
2. the need for additional or improved material, equipment (including aircraft) and personnel at specific locations to provide for immediate and effective action in case of forest fires or grass fires; and
3. the estimated cost of providing such new or improved air operation facilities (including additional or improved material, equipment, and personnel) at each specific location.

Not later than six months after the enactment of this Act the Director of the Office of Emergency Planning shall report the findings of the study and investigation to the Congress together with his recommendations for an action program, including an equitable plan for the sharing of the cost of the program by the Federal, State and local governments and private persons and organizations.

EFFECTIVE DATE

SEC. 14. This Act and the amendments made by this Act shall apply with respect to any major disaster occurring after October 3, 1964. Approved November 6, 1966.

To grant the consent of Congress for the States of Virginia and Maryland and the District of Columbia to amend the Washington Metropolitan Area Transit Regulation Compact to establish an organization empowered to provide transit facilities in the National Capital Region and for other purposes and to enact said amendment for the District of Columbia.

Whereas Congress heretofore has declared in the National Capital Transportation Act of 1960 (Public Law 86-669, 74 Stat. 537) and in the National Capital Transportation Act of 1965 (Public Law 89-173, 79 Stat. 663) that a coordinated system of rail rapid transit, bus transportation service, and highways is essential in the National Capital Region for the satisfactory movement of people and goods, the alleviation of present and future traffic congestion, the economic welfare and vitality of all parts of the Region, the effective performance of the functions of the United States Government located within the Region, the orderly growth and development of the Region, the comfort and convenience of the residents and visitors to the Region, and the preservation of the beauty and dignity of the Nation's Capital and that such a system should be developed cooperatively by the Federal, State, and local governments of the National Capital Region, with the costs of the necessary facilities financed, as far as possible, by persons using or benefiting from such facilities and the remaining costs shared equitably among the Federal, State, and local governments;

Whereas in furtherance of this policy, Congress, in title III of the National Capital Transportation Act of 1960, authorized the District of Columbia, the Commonwealth of Virginia, and the State of Maryland to negotiate a Compact for the establishment of an organization, empowered, inter alia, to provide regional transportation facilities;

Whereas, it is the sense of the Congress that the Mass Transit Plan authorized by the Compact and this Act shall conform to the fullest extent practicable with the Comprehensive Plan for the National Capital and the general plan for the development of the National Capital Region prepared pursuant to the National Capital Planning Act of 1952 (Public Law 82-592, 66 Stat. 781); and

Whereas, the District of Columbia, the Commonwealth of Virginia and the State of Maryland, with a representative of the United States appointed by the President, have negotiated such a Compact, known as the Washington Metropolitan Area Transit Authority Compact, which amends the Washington Metropolitan Area Transit Regulation Compact, heretofore consented to by the Congress (Public Law 86-794, 74 Stat. 1031, as amended by Public Law 87-767, 76 Stat. 764), by adding thereto a title III and said Compact has been enacted by Maryland (Ch. 869, Acts of General Assembly 1965) and in substantially the same language by Virginia (Ch. 2, 1966 Acts of Assembly); Now, therefore,

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Congress hereby consents to, adopts and enacts for the District of Columbia an amendment to the Washington Metropolitan Area Transit Regulation Compact, for which Congress heretofore has granted its consent (Public Law 86-794, 74 Stat. 1031, as amended by Public Law 87-767, 76 Stat. 764) by adding thereto title III, known as the Washington

"Adoption and Distribution of Budgets"

"25. (a) Following the adoption by the Board of annual capital and current expense budgets, the general manager shall transmit certified copies of such budgets to the principal budget officer of the federal government, the District of Columbia, the Washington Suburban Transit District and of the component governments of the Northern Virginia Transportation Commission at such time and in such manner as may be required under their respective budgetary procedures.

"(b) Each budget shall indicate the amounts, if any, required from the federal government, the Government of the District of Columbia, the Washington Suburban Transit District and the component governments of the Northern Virginia Transportation District, determined in accordance with the commitments made pursuant to Article VII, Section 18 of this Title, to balance each of said budgets.

"Payments"

"26. Subject to such review and approval as may be required by their budgetary or other applicable processes, the federal government, the Government of the District of Columbia, the Washington Sub-
urban Transit District and the component governments of the Northern Virginia Transportation District shall include in their respective budgets next to be adopted and appropriate or otherwise provide the amounts certified to each of them as set forth in the budgets.

"Article IX

"Revenue Bonds

"Borrowing Power

"27. The Authority may borrow money for any of the purposes of this Title, may issue its negotiable bonds and other evidences of indebtedness in respect thereto and may mortgage or pledge its properties, revenues and contracts as security therefor.

"All such bonds and evidences of indebtedness shall be payable solely out of the properties and revenues of the Authority. The bonds and other obligations of the Authority, except as may be otherwise provided in the indenture under which they were issued, shall be direct and general obligations of the Authority and the full faith and credit of the Authority are hereby pledged for the prompt payment of the debt service thereon and for the fulfillment of all other undertakings of the Authority assumed by it to or for the benefit of the holders thereof.

"Funds and Expenses

"28. The purposes of this Title shall include, without limitation, all costs of any project or facility or any part thereof, including interest during a period of construction and for a period not to exceed two years thereafter and any incidental expenses (legal, engineering, fiscal, financial, consultant and other expenses) connected with issuing and disposing of the bonds; all amounts required for the creation of an operating fund, construction fund, reserve fund, sinking fund, or other special fund; all other expenses connected with administration, the planning, design, acquisition, construction, completion, improvement or reconstruction of any facility or any part thereof; and reimbursement of advances by the Board or by others for such purposes and for working capital.

"Credit Excluded; Officers, State, Political Subdivisions and Agencies

"29. The Board shall have no power to pledge the credit of any signatory party, political subdivision or agency thereof, or to impose any obligation for payment of the bonds upon any signatory party, political subdivision or agency thereof, but may pledge the contracts of such governments and agencies; provided, however, that the bonds may be underwritten in whole or in part as to principal and interest by the United States, or by any political subdivision or agency of any signatory; provided, further, that any bonds underwritten in whole or in part as to principal and interest by the United States shall not be issued without approval of the Secretary of the Treasury. Neither the Directors nor any person executing the bonds shall be liable personally on the bonds of the Authority or be subject to any personal liability or accountability by reason of the issuance thereof.

"Funding and Refunding

"30. Whenever the Board deems it expedient, it may fund and refund the bonds and other obligations of the Authority whether or
not such bonds and obligations have matured. It may provide for
the issuance, sale or exchange of refunding bonds for the purpose of
redeeming or retiring any bonds (including the payment of any pre-
mium, duplicate interest or cash adjustment required in connection
therewith) issued by the Authority or issued by any other issuing body,
the proceeds of the sale of which have been applied to any facility ac-
quired by the Authority or which are payable out of the revenues of
any facility acquired by the Authority. Bonds may be issued partly
to refund bonds and other obligations then outstanding, and partly
for any other purpose of the Authority. All provisions of this Title
applicable to the issuance of bonds are applicable to refunding bonds
and to the issuance, sale or exchange thereof.

"Bonds; Authorization Generally"

"31. Bonds and other indebtedness of the Authority shall be author-
ized by resolution of the Board. The validity of the authorization
and issuance of any bonds by the Authority shall not be dependent
upon nor affected in any way by: (i) the disposition of bond proceeds
by the Board or by contract, commitment or action taken with respect
to such proceeds; or (ii) the failure to complete any part of the project
for which bonds are authorized to be issued. The Authority may issue
bonds in one or more series and may provide for one or more consoli-
dated bond issues, in such principal amounts and with such terms and
provisions as the Board may deem necessary. The bonds may be se-
cured by a pledge of all or any part of the property, revenues and
franchises under its control. Bonds may be issued by the Authority
in such amount, with such maturities and in such denominations and
form or forms, whether coupon or registered, as to principal alone or
as to both principal and interest, as may be determined by the Board.
The Board may provide for redemption of bonds prior to maturity
on such notice and at such time or times and with such redemption
provisions, including premiums, as the Board may determine.

"Bonds; Resolutions and Indentures Generally"

"32. The Board may determine and enter into indentures or adopt
resolutions providing for the principal amount, date or dates, matu-
rities, interest rate, or rates, denominations, form, registration, trans-
fer, interchange and other provisions of the bonds and coupons and
the terms and conditions upon which the same shall be executed, is-
sued, secured, sold, paid, redeemed, funded and refunded. The resolu-
tion of the Board authorizing any bond or any indenture so authorized
under which the bonds are issued may include all such covenants and
other provisions not inconsistent with the provisions of this Title,
other than any restriction on the regulatory powers vested in the
Board by this Title, as the Board may deem necessary or desirable for
the issue, payment, security, protection or marketing of the bonds, in-
cluding without limitation covenants and other provisions as to the
rates or amounts of fees, rents and other charges to be charged or
made for use of the facilities; the use, pledge, custody, securing, appli-
cation and disposition of such revenues, of the proceeds of the bonds,
and of any other moneys or contracts of the Authority; the operation,
maintenance, repair and reconstruction of the facilities and the
amounts which may be expended therefor; the sale, lease or other dis-
position of the facilities; the insuring of the facilities and of the reve-
nues derived therefrom; the construction or other acquisition of other
facilities; the issuance of additional bonds or other indebtedness; the
rights of the bondholders and of any trustee for the bondholders upon
default by the Authority or otherwise; and the modification of the provisions of the indenture and of the bonds. Reference on the face of the bonds to such resolution or indenture by its date of adoption or the apparent date on the face thereof is sufficient to incorporate all of the provisions thereof and of this Title into the body of the bonds and their appurtenant coupons. Each taker and subsequent holder of the bonds or coupons, whether the coupons are attached to or detached from the bonds, has recourse to all of the provisions of the indenture and of this Title and is bound thereby.

"Maximum Maturity"

"33. No bond or its terms shall mature in more than fifty years from its own date and in the event any authorized issue is divided into two or more series or divisions, the maximum maturity date herein authorized shall be calculated from the date on the face of each bond separately, irrespective of the fact that different dates may be prescribed for the bonds of each separate series or division of any authorized issue.

"Tax Exemption"

"34. All bonds and all other evidences of debt issued by the Authority under the provisions of this Title and the interest thereon shall at all times be free and exempt from all taxation by or under authority of any signatory parties, except for transfer, inheritance and estate taxes.

"Interest"

"35. Bonds shall bear interest at a rate of not to exceed six percent per annum, payable annually or semiannually.

"Place of Payment"

"36. The Board may provide for the payment of the principal and interest of bonds at any place or places within or without the signatory states, and in any specified lawful coin or currency of the United States of America.

"Execution"

"37. The Board may provide for the execution and authentication of bonds by the manual, lithographed or printed facsimile signature of members of the Board, and by additional authentication by a trustee or fiscal agent appointed by the Board; provided, however, that one of such signatures shall be manual. If any of the members whose signatures or countersignatures appear upon the bonds or coupons cease to be members before the delivery of the bonds or coupons, their signatures or countersignatures are nevertheless valid and of the same force and effect as if the members had remained in office until the delivery of the bonds and coupons.

"Holding Own Bonds"

"38. The Board shall have power out of any funds available therefor to purchase its bonds and may hold, cancel or resell such bonds.

"Sale"

"39. The Board may fix terms and conditions for the sale or other disposition of any authorized issue of bonds. The Board may sell
bonds at less than their par or face value but no issue of bonds may be sold at an aggregate price below the par or face value thereof if such sale would result in a net interest cost to the Authority calculated upon the entire issue so sold of more than six percent per annum payable semiannually, according to standard tables of bond values. All bonds issued and sold pursuant to this Title may be sold in such manner, either at public or private sale, as the Board shall determine.

"Negotiability"

"40. All bonds issued under the provisions of this Title are negotiable instruments.

"Bonds Eligible for Investment and Deposit"

"41. Bonds issued under the provisions of this Title are hereby made securities in which all public officers and public agencies of the signatories and their political subdivisions and all banks, trust companies, savings and loan associations, investment companies and others carrying on a banking business, all insurance companies and insurance associations and others carrying on an insurance business, all administrators, executors, guardians, trustees and other fiduciaries, and all other persons may legally and properly invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any officer of any signatory, or of any agency or political subdivision of any signatory, for any purpose for which the deposit of bonds or other obligations of such signatory is now or may hereafter be authorized by law.

"Validation Proceedings"

"42. Prior to the issuance of any bonds, the Board may institute a special proceeding to determine the legality of proceedings to issue the bonds and their validity under the laws of any of the signatory parties. Such proceeding shall be instituted and prosecuted in rem and the final judgment rendered therein shall be conclusive against all persons whomsoever and against each of the signatory parties.

"Recording"

"43. No indenture need be recorded or filed in any public office, other than the office of the Board. The pledge of revenues provided in any indenture shall take effect forthwith as provided therein and irrespective of the date of receipt of such revenues by the Board of the indenture trustee. Such pledge shall be effective as provided in the indenture without physical delivery of the revenues to the Board or to the indenture trustee.

"Pledged Revenues"

"44. Bond redemption and interest payments shall, to the extent provided in the resolution or indenture, constitute a first, direct and exclusive charge and lien on all revenues received from the use and operation of the facility, and on any sinking or other funds created therefrom. All such revenues, together with interest thereon, shall constitute a trust fund for the security and payment of such bonds and except as and to the extent provided in the indenture with re-
spect to the payment therefrom of expenses for other purposes including administration, operation, maintenance, improvements or extensions of the facilities or other purposes shall not be used or pledged for any other purpose so long as such bonds, or any of them, are outstanding and unpaid.

"Remedies

"45. The holder of any bond may for the equal benefit and protection of all holders of bonds similarly situated: (1) by mandamus or other appropriate proceedings require and compel the performance of any of the duties imposed upon the Board or assumed by it, its officers, agents or employees under the provisions of any indenture, in connection with the acquisition, construction, operation, maintenance, repair, reconstruction or insurance of the facilities, or in connection with the collection, deposit, investment, application and disbursement of the revenues derived from the operation and use of the facilities, or in connection with the deposit, investment and disbursement of the proceeds received from the sale of bonds; or (2) by action or suit in a court of competent jurisdiction of any signatory party require the Authority to account as if it were the trustee of an express trust, or enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the bonds. The enumeration of such rights and remedies does not, however, exclude the exercise or prosecution of any other rights or remedies available to the holders of bonds.

"ARTICLE X

"EQUIPMENT TRUST CERTIFICATES

"Power

"46. The Board shall have power to execute agreements, leases and equipment trust certificates with respect to the purchase of facilities or equipment such as cars, trolley buses and motor buses, or other craft, in the form customarily used in such cases and appropriate to effect such purchase, and may dispose of such equipment trust certificates in such manner as it may determine to be for the best interests of the Authority. Each vehicle covered by an equipment trust certificate shall have the name of the owner or lessor plainly marked upon both sides thereof, followed by the words 'Owner and Lessor'.

"Payments

"47. All monies required to be paid by the Authority under the provisions of such agreements, leases and equipment trust certificates shall be payable solely from the revenue to be derived from the operation of the transit system or from such grants, loans, appropriations or other revenues, as may be available to the Board under the provisions of this Title. Payment for such facilities or equipment, or rentals thereof, may be made in installments, and the deferred installments may be evidenced by equipment trust certificates as aforesaid, and title to such facilities or equipment may not vest in the Authority until the equipment trust certificates are paid.

"Procedure

"48. The agreement to purchase facilities or equipment by the Board may direct the vendor to sell and assign the equipment to a bank or
trust company, duly authorized to transact business in any of the
signatory States, or to the Housing and Home Finance Administrator,
as trustee, lessor or vendor, for the benefit and security of the equip-
ment trust certificates and may direct the trustee to deliver the facili-
ties and equipment to one or more designated officers of the Board and
may authorize the trustee simultaneously therewith to execute and
deliver a lease of the facilities or equipment to the Board.

"Agreements and Leases"

"49. The agreements and leases shall be duly acknowledged before
some person authorized by law to take acknowledgements of deeds
and in the form required for acknowledgement of deeds and such
agreements, leases, and equipment trust certificates shall be authorized
by resolution of the Board and shall contain such covenants, condi-
tions and provisions as may be deemed necessary or appropriate to
insure the payment of the equipment trust certificates from the reve-
nues to be derived from the operation of the transit system and other
funds.

"The covenants, conditions and provisions of the agreements, leases
and equipment trust certificates shall not conflict with any of the
provisions of any resolution or trust agreement securing the payment
of bonds or other obligations of the Authority then outstanding or
conflict with or be in derogation of the rights of the holders of any such
bonds or other obligations.

"Law Governing"

"50. The equipment trust certificates issued hereunder shall be gov-
erned by Laws of the District of Columbia and for this purpose the
chief place of business of the Authority shall be considered to be the
District of Columbia. The filing of any documents required or per-
mitted to be filed shall be governed by the Laws of the District of
Columbia.

"Article XI"

"Operation of Facilities"

"Operation by Contract or Lease"

"51. The Authority shall not perform transit service, nor any of
the functions, such as maintenance of equipment and right of way
normally associated with the providing of such service, with any transit
facilities owned or controlled by it but shall provide for the perform-
ance of transit service with such facilities by contract or contracts with
private transit companies, private railroads, or other persons. Any
facilities and properties owned or controlled by the Authority, other
than those utilized in performing transit service, may be operated by
the Authority or by others pursuant to contract or lease as the Board
may determine. All operations of such facilities and properties by
the Authority and by its Contractor and lessees shall be within the
Zone.

"The Operating Contract"

"52. Without limitation upon the right of the Board to prescribe
such additional terms and provisions as it may deem necessary and
appropriate, the operating contract shall;

(a) specify the services and functions to be performed by the
Contractor;"
"(b) provide that the Contractor shall hire, supervise and control all personnel required to perform the services and functions assumed by it under the operating contract and that all such personnel shall be employees of the Contractor and not of the Authority;

"(c) require the Contractor to assume the obligations of the labor contract or contracts of any transit company which may be acquired by the Authority and assume the pension obligations of any such transit company;

"(d) require the Contractor to comply in all respects with the labor policy set forth in Article XIV of this Title;

"(e) provide that no transfer of ownership of the capital stock, securities or interests in any Contractor, whose principal business is the operating contract, shall be made without written approval of the Board and the certificates or other instruments representing such stock, securities or interests shall contain a statement of this restriction;

"(f) provide that the Board shall have the sole authority to determine the rates or fares to be charged, the routes to be operated and the service to be furnished;

"(g) specify the obligations and liabilities which are to be assumed by the Contractor and those which are to be the responsibility of the Authority;

"(h) provide for an annual audit of the books and accounts of the Contractor by an independent certified public accountant to be selected by the Board and for such other audits, examinations and investigations of the books and records, procedures and affairs of the Contractor at such times and in such manner as the Board shall require, the cost of such audits, examinations and investigations to be borne as agreed by the parties in the operating contract; and

"(i) provide that no operating contract shall be entered into for a term in excess of five years; provided, that any such contract may be renewed for successive terms, each of which shall not exceed five years. Any such operating contract shall be subject to termination by the Board for cause only.

"Compensation for Contractor

"53. Compensation to the Contractor under the operating contract may, in the discretion of the Board, be in the form of (1) a fee paid by the Board to the Contractor for services, (2) a payment by the Contractor to the Board for the right to operate the system, or (3) such other arrangement as the Board may prescribe; provided, however, that the compensation shall bear a reasonable relationship to the benefits to the Authority and to the estimated costs the Authority would incur in directly performing the functions and duties delegated under the operating contract; and provided, further, that no such contract shall create any right in the Contractor (1) to make or change any rate or fare or alter or change the service specified in the contract to be provided or (2) to seek judicial relief by any form of original action, review or other proceedings from any rate or fare or service prescribed by the Board. Any assertion, or attempted assertion, by the Contractor of the right to make or change any rate or fare or service prescribed by the Board shall constitute cause for termination of the operating contract. The operating contract may provide incentives for efficient and economical management.

"Selection of Contractor

"54. The Board shall enter into an operating contract only after formal advertisement and negotiations with all interested and quali-
fied parties, including private transit companies rendering transit service within the Zone; provided, however, that, if the Authority acquires transit facilities from any agency of the federal or District of Columbia governments, in accordance with the provisions of Article VII, Section 20 of this Title, the Authority shall assume the obligations of any operating contract which the transferor agency may have entered into.

"ARTICLE XII"

"COORDINATION OF PRIVATE AND PUBLIC FACILITIES"

"Declaration of Policy"

"55. It is hereby declared that the interest of the public in efficient and economical transit service and in the financial well-being of the Authority and of the private transit companies requires that the public and private segments of the regional transit system be operated, to the fullest extent possible, as a coordinated system without unnecessary duplicating service.

"Implementation of Policy"

"56. In order to carry out the legislative policy set forth in Section 55 of this Article XII"

"(a) The Authority—"

"(1) except as herein provided, shall not, directly or through a Contractor, perform transit service by bus or similar motor vehicles;

"(2) shall, in cooperation with the private carriers and WMATC, coordinate to the fullest extent practicable, the schedules for service performed by its facilities with the schedules for service performed by private carriers; and

"(3) shall enter into agreements with the private carriers to establish and maintain, subject to approval by WMATC, through routes and joint fares and provide for the division thereof, or, in the absence of such agreements, establish and maintain through routes and joint fares in accordance with orders issued by WMATC directed to the private carriers when the terms and conditions for such through service and joint fares are acceptable to it.

"(b) The WMATC, upon application, complaint, or upon its own motion, shall—"

"(1) direct private carriers to coordinate their schedules for service with the schedules for service performed by facilities owned or controlled by the Authority;

"(2) direct private carriers to improve or extend any existing services or provide additional service over additional routes;

"(3) authorize a private carrier, pursuant to agreement between said carrier and the Authority, to establish and maintain through routes and joint fares for transportation to be rendered with facilities owned or controlled by the Authority if, after hearing held upon reasonable notice, WMATC finds that such through routes and joint fares are required by the public interest; and

"(4) in the absence of such an agreement with the Authority, direct a private carrier to establish and maintain through routes and joint fares with the Authority if, after hearing held upon reasonable notice, WMATC finds that such through service and joint
fares are required by the public interest; provided, however, that no such order, rule or regulation of WMATC shall be construed to require the Authority to establish and maintain any through route and joint fare.

"(c) WMATC shall not authorize or require a private carrier to render any service, including the establishment or continuation of a joint fare for a through route service with the Authority which is based on a division thereof between the Authority and private carrier which does not provide a reasonable return to the private carrier, unless the carrier is currently earning a reasonable return on its operation as a whole in performing transportation subject to the jurisdiction of WMATC. In determining the issue of reasonable return, WMATC shall take into account any income attributable to the carrier, or to any corporation, firm or association owned in whole or in part by the carrier, from the Authority whether by way of payment for services or otherwise.

"(d) If the WMATC is unable, through the exercise of its regulatory powers over the private carriers granted in paragraph (b) hereof or otherwise, to bring about the requisite coordination of operations and service between the private carriers and the Authority, the Authority may in the situations specified in paragraph (b) hereof, cause such transit service to be rendered by its Contractor by bus or other motor vehicle, as it shall deem necessary to effectuate the policy set forth in Section 55 hereof. In any such situation, the Authority, in order to encourage private carriers to render bus service to the fullest extent practicable, may, pursuant to agreement, make reasonable subsidy payments to any private carrier.

"Rights of Private Carriers Unaffected

"57. Nothing in this Title shall restrict or limit such rights and remedies, if any, that any private carrier may have against the Authority arising out of acts done or actions taken by the Authority hereunder. In the event any court of competent jurisdiction shall determine that the Authority has unlawfully infringed any rights of any private carrier or otherwise caused or permitted any private carrier to suffer legally cognizable injury, damages or harm and shall award a judgment therefor, such judgment shall constitute a lien against any and all of the assets and properties of the Authority.

"Financial Assistance to Private Carriers

"58. (a) The Board may accept grants from and enter into loan agreements with the Housing and Home Finance Administrator, pursuant to the provisions of the Urban Mass Transportation Act of 1964 (78 Stat. 302), or with any successor agency or under any law of similar purport, for the purpose of rendering financial assistance to private carriers.

"(b) An application by the Board for any such grant or loan shall be based on and supported by a report from WMATC setting forth for each private carrier to be assisted (1) the equipment and facilities to be acquired, constructed, reconstructed, or improved, (2) the service proposed to be rendered by such equipment and facilities, (3) the improvement in service expected from such facilities and equipment, (4) how the use of such facilities and equipment will be coordinated with the transit facilities owned by the Authority, (5) the
ability of the affected private carrier to repay any such loans or grants and (6) recommend terms for any such loans or grants.

"(c) Any equipment or facilities acquired, constructed, reconstructed or improved with the proceeds of such grants or loans shall be owned by the Authority and may be made available to private carriers only by lease or other agreement which contain provisions acceptable to the Housing and Home Finance Administrator assuring that the Authority will have satisfactory continuing control over the use of such facilities and equipment.

"Article XIII

"Jurisdiction; Rates and Service

"Washington Metropolitan Area Transit Commission

"59. Except as provided herein, this Title shall not affect the functions and jurisdiction of WMATC, as granted by Titles I and II of this Compact, over the transportation therein specified and the persons engaged therein and the Authority shall have no jurisdiction with respect thereto.

"Public Facilities

"60. Service performed by transit facilities owned or controlled by the Authority, and the rates and fares to be charged for such service, shall be subject to the sole and exclusive jurisdiction of the Board and, notwithstanding any other provision in this Compact contained, WMATC shall have no authority with respect thereto, or with respect to any contractor in connection with the operation by it of transit facilities owned or controlled by the Authority. The determinations of the Board with respect to such matters shall not be subject to judicial review nor to the processes of any court.

"Standards

"61. Insofar as practicable, and consistent with the provision of adequate service at reasonable fares, the rates and fares and service shall be fixed by the Board so as to result in revenues which will:

"(a) pay the operating expenses and provide for repairs, maintenance and depreciation of the transit system owned or controlled by the Authority;

"(b) provide for payment of all principal and interest on outstanding revenue bonds and other obligations and for payment of all amounts to sinking funds and other funds as may be required by the terms of any indenture or loan agreement;

"(c) provide for the purchase, lease or acquisition of rolling stock, including provisions for interest, sinking funds, reserve funds, or other funds required for payment of any obligations incurred by the Authority for the acquisition of rolling stock; and

"(d) provide funds for any purpose the Board deems necessary and desirable to carry out the purposes of this Title.

"Hearings

"62. (a) The Board shall not make or change any fare or rate, nor establish or abandon any service except after holding a public hearing with respect thereto.
“(b) Any signatory, any political subdivision thereof, any agency of the federal government and any person, firm or association served by or using the transit facilities of the Authority and any private carrier may file a request with the Board for a hearing with respect to any rates or charges made by the Board or any service rendered with the facilities owned or controlled by the Authority. Such request shall be in writing, shall state the matter on which a hearing is requested and shall set forth clearly the matters and things on which the request relies. As promptly as possible after such a request is filed, the Board, or such officer or employee as it may designate, shall confer with the protestant with respect to the matters complained of. After such conference, the Board, if it deems the matter meritorious and of general significance, may call a hearing with respect to such request.

“(c) The Board shall give at least thirty days' notice for all hearings. The notice shall be given by publication in a newspaper of daily circulation throughout the Zone and such notice shall be published once a week for two successive weeks. The notice shall start with the day of first publication. In addition, the Board shall post notices of the hearing in its offices, all stations and terminals, and in all of its vehicles and rolling stock in revenue service.

“(d) Prior to calling a hearing on any matter specified in this section, the Board shall prepare and file at its main office and keep open for public inspection its report relating to the proposed action to be considered at such hearing. Upon receipt by the Board of any report submitted by WMATC, in connection with a matter set for hearing, pursuant to the provisions of Section 63 of this Article XIII, the Board shall file such report at its main office and make it available for public inspection. For hearings called by the Board pursuant to paragraph (b), above, the Board also shall cause to be lodged and kept open for public inspection the written request upon which the hearing is granted and all documents filed in support thereof.

“Reference of Matters to WMATC

“63. To facilitate the attainment of the public policy objectives for operation of the publicly and privately owned or controlled transit facilities as stated in Article XII, Section 55, prior to the hearings provided for by Section 62 hereof—

“(a) The Board shall refer to WMATC for its consideration and recommendations, any matter which the Board considers may affect the operation of the publicly and privately owned or controlled transit facilities as a coordinated regional transit system and any matter for which the Board has called a hearing, pursuant to Section 62 of this Article XIII, except that temporary or emergency changes in matters affecting service shall not be referred; and

“(b) WMATC, upon such reference of any matter to it, shall give the referred matter preference over any other matters pending before it and shall, as expeditiously as practicable, prepare and transmit its report thereon to the Board. The Board may request WMATC to reconsider any part of its report or to make any supplemental reports it deems necessary. All of such reports shall be advisory only.

“(c) Any report submitted by WMATC to the Board shall consider, without limitation, the probable effect of the matter or proposal upon the operation of the publicly and privately owned or controlled transit facilities as a coordinated regional system, passenger movements, fare structures, service and the impact on the revenues of both the public and private facilities.
"ARTICLE XIV

"LABOR POLICY

"Construction

"64. The Board shall take such action as may be necessary to insure that all laborers and mechanics employed by contractors or subcontractors in the construction, alteration or repair, including painting and decorating, of projects, buildings and works which are undertaken by the Authority or are financially assisted by it, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a—276a-5), and every such employee shall receive compensation at a rate not less than one and one-half times his basic rate of pay for all hours worked in any workweek in excess of eight hours in any workday or forty hours in any workweek, as the case may be. A provision stating the minimum wages thus determined and the requirement that overtime be paid as above provided shall be set out in each project advertisement for bids and in each bid proposal form and shall be made a part of the contract covering the project, which contract shall be deemed to be a contract of the character specified in Section 103 of the Contract Work Hours Standards Act (76 Stat. 357), as now or as may hereafter be in effect. The Secretary of Labor shall have, with respect to the administration and enforcement of the labor standards specified in this provision, the supervisory, investigatory and other authority and functions set forth in Reorganization Plan Number 14 of 1950 (15 F.R. 3176, 64 Stat. 1267, 5 U.S.C. 133z-15), and section 2 of the Act of June 13, 1934, as amended (48 Stat. 948, as amended; 40 U.S.C. 276(c)). The requirements of this section shall also be applicable with respect to the employment of laborers and mechanics in the construction, alteration or repair, including painting and decorating, of the transit facilities owned or controlled by the Authority where such activities are performed by a Contractor pursuant to agreement with the operator of such facilities.

"Equipment and Supplies

"65. Contracts for the manufacture or furnishing of materials, supplies, articles and equipment shall be subject to the provisions of the Walsh-Healey Public Contracts Act (41 U.S.C. 35 et seq.), as now or as may hereafter be in effect.

"Operations

"66. It shall be a condition of the operation of the transit facilities owned or controlled by the Authority that the provisions of section 10(c) of the Urban Mass Transportation Act of 1964 (49 U.S.C. 1609(c)) shall be applicable to any contract or other arrangement for the operation of such facilities.

"ARTICLE XV

"RELOCATION ASSISTANCE

"Relocation Program and Payments

"67. Section 7 of the Urban Mass Transportation Act of 1964, and as the same may from time to time be amended, and all regulations promulgated thereunder, are hereby made applicable to individuals,
families, business concerns and nonprofit organizations displaced from real property by actions of the Authority without regard to whether financial assistance is sought by or extended to the Authority under any provision of that Act; provided, however, that in the event real property is acquired for the Authority by an agency of the federal government, or by a State or local agency or instrumentality, the Authority is authorized to reimburse the acquiring agency for relocation payments made by it.

"Relocation of Public or Public Utility Facilities"

"68. Notwithstanding the provisions of Section 67 of this article XV, any highway or other public facility or any facilities of a public utility company which will be dislocated by reason of a project deemed necessary by the Board to effectuate the authorized purposes of this Title shall be relocated if such facilities are devoted to a public use, and the reasonable cost of relocation, if substitute facilities are necessary, shall be paid by the Board from any of its monies.

"ARTICLE XVI"

"GENERAL PROVISIONS"

"Creation and Administration of Funds"

"69. (a) The Board may provide for the creation and administration of such funds as may be required. The funds shall be disbursed in accordance with rules established by the Board and all payments from any fund shall be reported to the Board. The Board shall adopt rules and regulations to provide for purchasing from the lowest responsible bidder when sealed bids, notice and publication are not

SEC. 7. Title III of the Small Business Investment Act of 1958 is further amended by adding at the end thereof the following new sections:
Sec. 313. (a) The Administration may serve upon any director or officer of a licensee a written notice of its intention to remove him from office whenever, in the opinion of the Administration, such director or officer—

(1) has willfully and knowingly committed any substantial violation of—

(A) this Act,

(B) any regulation issued under this Act, or

(C) a cease-and-desist order which has become final, or

(2) has willfully and knowingly committed or engaged in any act, omission, or practice which constitutes a substantial breach of his fiduciary duty as such director or officer;

and that such violation or such breach of fiduciary duty is one involving personal dishonesty on the part of such director or officer.

(b) In respect to any director or officer referred to in subsection (a), the Administration may, if it deems it necessary for the protection of the licensee or the interests of the Administration, by written notice to such effect served upon such director or officer, suspend him from office and/or prohibit him from further participation in any manner in the conduct of the affairs of the licensee. Such suspension and/or prohibition shall become effective upon service of such notice and, unless stayed by a court in proceedings authorized by subsection (d), shall remain in effect pending the completion of the administrative proceedings pursuant to the notice served under subsection (a) and until such time as the Administration shall dismiss the charges specified in such notice, or, if an order of removal and/or prohibition is issued against the director or officer, until the effective date of any such order. Copies of any such notice shall also be served upon the interested licensee.

(c) A notice of intention to remove a director or officer, as provided in subsection (a), shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after the date of service of such notice, unless an earlier or a later date is set by the Administration at the request of (1) such director or officer and for good cause shown, or (2) the Attorney General of the United States. Unless such director or officer shall appear at the hearing in person or by a duly authorized representative, he shall be deemed to have consented to the issuance of an order of such removal. In the event of such consent, or if upon the record made at any such hearing the Administration shall find that any of the grounds specified in such notice has been established, the Administration may issue such orders of removal from office as it deems appropriate. Any such order shall become effective at the expiration of thirty days after service upon such licensee and the director or officer concerned (except in the case of an order issued upon consent, which shall become effective at the time specified therein). Such order shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the Administration or a reviewing court.

(d) Within ten days after any director or officer has been suspended from office and/or prohibited from participation in the conduct of the affairs of a licensee under subsection (b), such director or officer may apply to the United States district court for the judicial district in which the home office of the licensee is located, or the United States District Court for the District of Columbia, for a stay of such suspension and/or prohibition pending the completion of the administrative proceedings pursuant to the notice served upon such director.
or officer under subsection (a), and such court shall have jurisdiction to stay such suspension and/or prohibition.

“(e) Whenever any director or officer of a licensee is charged in any information, indictment, or complaint authorized by a United States attorney, with the commission of or participation in a felony involving dishonesty or breach of trust, the Administration may, by written notice served upon such director or officer, suspend him from office and/or prohibit him from further participation in any manner in the conduct of the affairs of the licensee. A copy of such notice shall also be served upon the licensee. Such suspension and/or prohibition shall remain in effect until such information, indictment, or complaint is finally disposed of or until terminated by the Administration. In the event that a judgment of conviction with respect to such offense is entered against such director or officer, and at such time as such judgment is not subject to further appellate review, the Administration may issue and serve upon such director or officer an order removing him from office. A copy of such order shall be served upon such licensee, whereupon such director or officer shall cease to be a director or officer of such licensee. A finding of not guilty or other disposition of the charge shall not preclude the Administration from thereafter instituting proceedings to suspend or remove such director or officer from office and/or to prohibit him from further participation in licensee affairs, pursuant to subsection (a) or (b).

“(f)(1) Any hearing provided for in this section shall be held in the Federal judicial district or in the territory in which the principal office of the licensee is located unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5 of the United States Code. After such hearing, and within ninety days after the Administration has notified the parties that the case has been submitted to it for final decision, the Administration shall render its decision (which shall include findings of fact upon which its decision is predicated) and shall issue and cause to be served upon each party to the proceeding an order or orders consistent with the provisions of this section. Judicial review of any such order shall be exclusively as provided in this subsection. Unless a petition for review is timely filed in a court of appeals of the United States, as hereinafter provided in paragraph (2) of this subsection, and thereafter until the record in the proceeding has been filed as so provided, the Administration may at any time, upon such notice and in such manner as it shall deem proper, modify, terminate, or set aside any such order. Upon such filing of the record, the Administration may modify, terminate, or set aside any such order with permission of the court.

“(2) Any party to such proceeding may obtain a review of any order served pursuant to paragraph (1) of this subsection (other than an order issued with the consent of the director or officer concerned, or an order issued under subsection (e) of this section), by filing in the court of appeals of the United States for the circuit in which the principal office of the licensee is located, or in the United States Court of Appeals for the District of Columbia Circuit, within thirty days after the date of service of such order, a written petition praying that the order of the Administration be modified, terminated, or set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Administration, and thereupon the...
Administration shall file in the court the record in the proceeding, as provided in section 2112 of title 28 of the United States Code. Upon the filing of such petition, such court shall have jurisdiction, which upon the filing of the record shall, except as provided in the last sentence of said paragraph (1), be exclusive, to affirm, modify, terminate, or set aside, in whole or in part, the order of the Administration. Review of such proceedings shall be had as provided in chapter 7 of title 5 of the United States Code. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court upon certiorari as provided in section 1254 of title 28 of the United States Code.

"(3) The commencement of proceedings for judicial review under paragraph (2) of this subsection shall not, unless specifically ordered by the court, operate as a stay of any order issued by the Administration.

"UNLAWFUL ACTS AND OMISSIONS BY OFFICERS, DIRECTORS, EMPLOYEES, OR AGENTS; BREACH OF FIDUCIARY DUTY"

"Sec. 314. (a) Wherever a licensee violates any provision of this Act or regulation issued thereunder by reason of its failure to comply with the terms thereof or by reason of its engaging in any act or practice which constitutes or will constitute a violation thereof, such violation shall be deemed to be also a violation and an unlawful act on the part of any person who, directly or indirectly, authorizes, orders, participates in, or causes, brings about, counsels, aids, or abets in the commission of any acts, practices, or transactions which constitute or will constitute, in whole or in part, such violation.

"(b) It shall be unlawful for any officer, director, employee, agent, or other participant in the management or conduct of the affairs of a licensee to engage in any act or practice, or to omit any act, in breach of his fiduciary duty as such officer, director, employee, agent, or participant, if, as a result thereof, the licensee has suffered or is in imminent danger of suffering financial loss or other damage.

"(c) Except with the written consent of the Administration, it shall be unlawful—

"(1) for any person hereafter to take office as an officer, director, or employee of a licensee, or to become an agent or participant in the conduct of the affairs or management of a licensee, if—

"(A) he has been convicted of a felony, or any other criminal offense involving dishonesty or breach of trust, or

"(B) he has been found civilly liable in damages, or has been permanently or temporarily enjoined by an order, judgment, or decree of a court of competent jurisdiction, by reason of any act or practice involving fraud or breach of trust; or

"(2) for any person to continue to serve in any of the above-described capacities, if—

"(A) he is hereafter convicted of a felony, or any other criminal offense involving dishonesty or breach of trust, or

"(B) he is hereafter found civilly liable in damages, or is permanently or temporarily enjoined by an order, judgment, or decree of a court of competent jurisdiction, by reason of any act or practice involving fraud or breach of trust."

The civil penalties provided for in this section shall accrue to the United States and may be recovered in a civil action brought by the Administration.

SEC. 203. Chapter 81 of title 38, United States Code, is amended by adding at the end thereof a new subchapter as follows:

"Subchapter IV—Sharing of Medical Facilities, Equipment, and Information

§ 5051. Statement of congressional purpose

"It is the purpose of this subchapter to improve the quality of hospital care and other medical service provided veterans under this title, by authorizing the Administrator to enter into agreements with medical schools, hospitals, and research centers throughout the country in order to receive from and share with such medical schools, hospitals, and research centers the most advanced medical techniques and information, as well as certain specialized medical resources which otherwise might not be feasibly available or to effectively utilize other medical resources with the surrounding medical community, without diminution of services to veterans. Among other things, it is intended, by these means, to strengthen the medical programs at those Veterans' Administration hospitals which are located in small cities or rural areas and thus are remote from major medical centers.

§ 5052. Definitions

"For the purposes of this subchapter—

(a) The term ‘research center’ means an institution (or part of an institution), the primary function of which is research, training of specialists, and demonstrations and which, in connection therewith, provides specialized, high quality diagnostic and treatment services for inpatients and outpatients.

(b) The term ‘specialized medical resources’ means medical resources (whether equipment, space, or personnel) which, because of cost, limited availability, or unusual nature, are either unique in the medical community or are subject to maximum utilization only through mutual use.
The term 'hospital', unless otherwise specified, includes any Federal, State, local, or other public or private hospital.

§ 5053. Specialized medical resources

(a) To secure certain specialized medical resources which otherwise might not be feasibly available, or to effectively utilize certain other medical resources, the Administrator may, when he determines it to be in the best interest of the prevailing standards of the Veterans' Administration medical care program, make arrangements, by contract or other form of agreement, as set forth in paragraphs (1) and (2) below, between Veterans' Administration hospitals and other hospitals (or medical schools or other medical installations having hospital facilities) in the medical community:

(1) for the exchange of use of specialized medical resources when such an agreement will obviate the need for a similar resource to be provided in a Veterans' Administration facility; or

(2) for the mutual use, or exchange of use, of specialized medical resources in a Veterans' Administration facility, which have been justified on the basis of veterans' care, but which are not utilized to their maximum effective capacity.

The Administrator may determine the geographical limitations of a medical community as used in this section.

(b) Arrangements entered into under this section shall provide for reciprocal reimbursement based on a charge which covers the full cost of services rendered, supplies used, and including normal depreciation and amortization costs of equipment. Any proceeds to the Government received therefrom shall be credited to the applicable Veterans' Administration medical appropriation.

(c) Eligibility for hospital care and medical services furnished any veteran pursuant to this section shall be subject to the same terms as though provided in a Veterans' Administration facility, and provisions of this title applicable to persons receiving hospital care or medical services in a Veterans' Administration facility shall apply to veterans treated hereunder.

§ 5054. Exchange of medical information

(a) The Administrator is authorized to enter into agreements with medical schools, hospitals, research centers, and individual members of the medical profession under which medical information and techniques will be freely exchanged and the medical information services of all parties to the agreement will be available for use by any party to the agreement under conditions specified in the agreement. In carrying out the purposes of this section, the Administrator shall utilize recent developments in electronic equipment to provide a close educational, scientific, and professional link between Veterans' Administration hospitals and major medical centers. Such agreements shall be utilized by the Administrator to the maximum extent practicable to create, at each Veterans' Administration hospital which is a part of any such agreement, an environment of academic medicine which will help such hospital attract and retain highly trained and qualified members of the medical profession.

(b) In order to bring about utilization of all medical information in the surrounding medical community, particularly in remote areas, and to foster and encourage the widest possible cooperation and consultation among all members of the medical profession in such community, the educational facilities and programs established at Veterans' Administration hospitals and the electronic link to medical centers shall be made available for use by surrounding medical community. The Administrator may charge a fee for such services (on
annual or like basis) at rates which he determines, after appropriate study, to be fair and equitable. The financial status of any user of such services shall be taken into consideration by the Administrator in establishing the amount of the fee to be paid.

§ 5055. Pilot programs; grants to medical schools

"(a) The Administrator may establish an Advisory Subcommittee on Programs for Exchange of Medical Information, of the Special Medical Advisory Group, established under section 4112 of this title, to advise him on matters regarding the administration of this section and to coordinate these functions with other research and education programs in the Department of Medicine and Surgery. The Assistant Chief Medical Director for Research and Education in Medicine shall be an ex officio member of this Subcommittee.

"(b) The Administrator, upon the recommendation of the Subcommittee, is authorized to make grants to medical schools, hospitals, and research centers to assist such medical schools, hospitals, and research centers in planning and carrying out agreements authorized by section 5054 of this title. Such grants may be used for the employment of personnel, the construction of facilities, the purchasing of equipment when necessary to implement such programs, and for such other purposes as will facilitate the administration of this section.

"(c) (1) There is hereby authorized to be appropriated an amount not to exceed $3,000,000 for each of the first four fiscal years following the fiscal year in which this subchapter is enacted for the purpose of developing and carrying out medical information programs under this section on a pilot program basis and for the grants authority in subsection (b) of this section. Pilot programs authorized by this subsection shall be carried out at Veterans' Administration hospitals in geographically dispersed areas of the United States.

"(2) Funds authorized under this section shall not be available to pay the cost of hospital, medical, or other care of patients except to the extent that such cost is determined by the Administrator to be incident to research, training, or demonstration activities carried out under this section.

"(d) The Administrator, after consultation with the Subcommittee shall prescribe regulations covering the terms and conditions for making grants under this section.

"(e) Each recipient of a grant under this section shall keep such records as the Administrator may prescribe, including records which fully disclose the amount and disposition by such recipient of the proceeds of such grant, the total cost of the project or undertaking in connection with which such grant is made or used, and the amount of that portion of the cost of the project or undertaking supplied by other sources, and such records as will facilitate an effective audit.

"(f) The Administrator and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access, for the purpose of audit and examination, to any books, documents, papers, and records of the recipient of any grant under this section which are pertinent to any such grant.

§ 5056. Coordination with programs carried out under the Heart Disease, Cancer, and Stroke Amendments of 1965

"The Administrator and the Secretary of Health, Education, and Welfare shall, to the maximum extent practicable, coordinate programs carried out under this subchapter and programs carried out under title IX of the Public Health Service Act.
§ 5057. Reports to Congress

"The Administrator shall submit to the Congress not more than sixty days after the end of each fiscal year separate reports on the activities carried out under sections 5053 and 5054 of this subchapter, each report to include (1) an appraisal of the effectiveness of the programs authorized herein and the degree of cooperation from other sources, financial and otherwise, and (2) recommendations for the improvement or more effective administration of such programs."

Sec. 106. (a) The consent and approval of Congress is given to the compact between the States of Missouri and Illinois creating a Missouri-Illinois-Jefferson-Monroe Bridge Commission which reads as follows:

"COMPACT BETWEEN ILLINOIS AND MISSOURI CREATING A MISSOURI-ILLINOIS-JEFFERSON-MONROE BRIDGE COMMISSION

"ARTICLE I

"There is hereby created a Missouri-Illinois-Jefferson-Monroe Bridge Commission (hereinafter referred to as the commission) which shall be a body corporate and politic and which shall have the following powers and duties;

1. To plan, construct, maintain and operate a bridge and approaches thereto across the Mississippi River at or near Crystal City, Missouri, at a point deemed by the commission as most suitable to the interests of the citizens of the States of Illinois and Missouri in accordance with the provisions of an act of the Seventy-ninth Congress, Second Session, of the United States entitled "The General Bridge Act of 1946";

2. To purchase, maintain and, in its discretion, to operate all or any ferries across the Mississippi River within twenty-five miles of the site selected for the bridge;

3. To contract, to sue and be sued in its own name; to purchase or otherwise acquire, hold and dispose of real and personal property;

4. To acquire by proper condemnation proceedings such real property as may be necessary for the construction and operation of the bridge and the approaches thereto;

5. To issue bonds on the security of the revenue derived from the operation of the bridge and ferries for the payment of the cost of the bridge, its approaches, ferry or ferries, and the necessary lands, easements and appurtenances thereto including interest during construction and all necessary engineering, legal, architectural, traffic surveying and other necessary expenses. Such bonds shall be the negotiable bonds of the commission, the income of which shall be tax free. The principal and interest of the bonds, and any premiums to be paid for their retirement before maturity, shall be paid solely from the revenues derived from the bridge and ferries;

6. To establish and charge tolls for transit over such bridge and ferries in accordance with the provisions of this compact;

7. To perform all other necessary and incidental functions."
"ARTICLE II

"The rates of tolls to be charged for transit over such bridge and ferries shall be so adjusted as to provide a fund sufficient to pay for the reasonable cost of maintenance, repairs and operation (including the approaches to the bridge) under economical management, and also to provide a sinking fund sufficient to pay the principal and interest of the outstanding bonds. All tolls and other revenues derived from facilities of the commission are hereby pledged to such uses.

"ARTICLE III

"The commission shall keep an accurate record of the cost of the bridge and of other expenses and of the daily revenues collected and shall report annually to the governor of each state setting forth in detail the operations and transactions conducted by it pursuant to this agreement and any legislation thereunder.

"ARTICLE IV

"When the bonds have been retired, the part of the bridge within the state of Illinois shall be conveyed to the state of Illinois, and that part within the state of Missouri to the state of Missouri, and the high contracting parties to this compact do hereby agree that thereafter the bridge shall be free of tolls and shall be properly maintained, operated and repaired by the two states as may be agreed upon.

"ARTICLE V

"The commission shall consist of ten members, five of whom shall be qualified electors of the state of Illinois and shall reside in Monroe County, or counties adjacent thereto, Illinois, and five of whom shall be qualified electors of the state of Missouri and shall reside in Jefferson County, or counties adjacent thereto, Missouri. The Illinois members are to be chosen by the state of Illinois, and the Missouri members by the state of Missouri in the manner and for the terms fixed by the legislature of each state, except as herein provided.

"ARTICLE VI

"1. The commission shall elect from its number a chairman and a vice-chairman, and may appoint such officers and employees as it may require for the performance of its duties and shall fix and determine their qualifications and duties.

"2. Until otherwise determined by the legislatures of the two states no action of the commission shall be binding unless taken at a meeting at which at least three members from each state are present and unless a majority of the members from each state present at such meeting shall vote in favor thereof. Each state reserves the right hereafter to provide by law for the exercise of the veto power by the governor thereof over any action of any commissioner appointed therefrom.

"3. The two states shall provide penalties for violations of any order, rule or regulation of the commission, and for the manner of enforcing same.

"ARTICLE VII

"The commission is authorized and directed to proceed with the planning and construction of the bridge and the approaches thereto as rapidly as may be economically practicable and is hereby vested
with all necessary and appropriate powers, not inconsistent with the
constitution or the laws of the United States or of either state, to effect
the same, except the power to assess or levy taxes.

"ARTICLE VIII"

"In witness thereof, we have hereunto set our hands and seals under
authority vested in us by law."

(b) The right to alter, amend, or repeal this section is expressly
reserved.

Sec. 107. (a) The consent of Congress is hereby given to the comp-
act, signed by the compact representatives for the States of Kansas
and Oklahoma on the 31st day of March 1965, at Wichita, Kansas,
and thereafter ratified by the legislature of each of the States afore-
said, which compact is as follows:

"ARKANSAS RIVER BASIN COMPACT, KANSAS-
OKLAHOMA"

"The state of Kansas and the state of Oklahoma, acting through
their duly authorized compact representatives, Robert L. Smith and
Warden L. Noe, for the state of Kansas, and Geo. R. Benz and Frank
Raab, for the state of Oklahoma, after negotiations participated in
by Trigg Twichell, appointed by the president as the representative
of the United States of America, and in accordance with the consent
to such negotiations granted by an act of congress of the United
States of America, approved August 11, 1955 (Public Law 340, 84th
congress, 1st session), have agreed as follows respecting the waters
of the Arkansas river and its tributaries:

"ARTICLE I"

"The major purposes of this compact are: A. To promote interstate
comity between the states of Kansas and Oklahoma;
"B. To divide and apportion equitably between the states of Kansas
and Oklahoma the waters of the Arkansas river basin and to promote
the orderly development thereof;
"C. To provide an agency for administering the water apportion-
ment agreed to herein;
"D. To encourage the maintenance of an active pollution-abatement
program in each of the two states and to seek the further reduction of
both natural and man-made pollution in the waters of the Arkansas
river basin.

"ARTICLE II"

"As used in this compact: A. The term ‘state’ shall mean either state
signatory hereto and shall be construed to include any person or per-
sons, entity or agency of either state who, by reason of official respon-
sibility or by designation of the governor of that state, is acting as an
official representative of that state;
"B. The term ‘Kansas-Oklahoma Arkansas river commission’ or the
term ‘commission’ means the agency created by this compact for the
administration thereof;
"C. The term ‘Arkansas river’ means that portion of the Arkansas
river from a point immediately below the confluence of the Arkansas
and Little Arkansas rivers in the vicinity of Wichita, Kansas, to a
point immediately below the confluence of the Arkansas river with the
Grand-Neosho river near Muskogee, Oklahoma;
D. The term 'Arkansas river basin' means all of the drainage basin of the Arkansas river as delimited above, including all tributaries which empty into it between the upstream and downstream limits; 

E. The term 'waters of the Arkansas river and its tributaries' means the waters originating in the Arkansas river basin; 

F. The term 'conservation storage capacity' means that portion of the active storage capacity of reservoirs, including multipurpose reservoirs, with a conservation storage capacity in excess of 100 acre-feet, available for the storage of water for subsequent use, but it excludes any portion of the storage capacity allocated to flood and sediment control and inactive storage capacity allocated to other uses; 

G. The term 'new conservation storage capacity' means conservation storage capacity for which construction is initiated after July 1, 1963, and storage capacity not presently allocated for conservation storage which is converted to conservation storage capacity after July 1, 1963, in excess of the quantities of declared conservation storage capacity as set forth in the storage table attached to and made a part of the minutes of the twenty-fourth meeting of the compact committee dated September 1, 1964, and as filed and identified to this compact in the offices of the secretaries of state of the respective states; 

H. The term 'pollution' means contamination or other alterations of the physical, chemical, biological or radiological properties of water or the discharge of any liquid, gaseous, or solid substances into any waters which creates or is likely to result in a nuisance, or which renders or is likely to render the waters into which it is discharged harmful, detrimental or injurious to public health, safety, or welfare or which is harmful, detrimental or injurious to beneficial uses of the water.

"Article III

The physical and other conditions peculiar to the Arkansas river basin constitute the basis for this compact, and neither of the states hereby, nor the congress of the United States by its consent hereto, concedes that this compact establishes any general principle with respect to any other interstate stream.

"Article IV

A. For the purpose of apportionment of water between the two states, the Arkansas river basin is hereby divided into major topographic subbasins as follows: (1) The Grand-Neosho river subbasin; (2) the Verdigris river subbasin; (3) the Salt Fork river subbasin; (4) the Cimarron river subbasin; and (5) the mainstem Arkansas river subbasin which shall consist of the Arkansas river basin, excepting the Grand-Neosho river, Verdigris river, Salt Fork river, and Cimarron river subbasins.

B. The two states recognize that portions of other states not signatory to this compact lie within the drainage area of the Arkansas river basin as herein defined. The water apportionments provided for in this compact are not intended to affect nor do they affect the rights of such other states in and to the use of the waters of the basin.

"Article V

The state of Kansas shall have free and unrestricted use of the waters of the Arkansas river basin within Kansas subject to the provisions of this compact and to the limitations set forth below: 

A. New conservation storage capacity in the Grand-Neosho river subbasin within the state of Kansas shall not exceed 650,000 acre-feet
plus an additional capacity equal to the new conservation storage in said drainage basin in Oklahoma excepting storage on Spavinaw creek;

"B. New conservation storage capacity in the Verdigris river sub-basin within the state of Kansas shall not exceed 300,000 acre-feet plus an additional capacity equal to the new conservation storage in said drainage basin in Oklahoma, excepting navigation capacity allocated in Oologah reservoir;

"C. New conservation storage capacity in the mainstem Arkansas river subbasin within the state of Kansas shall not exceed 600,000 acre-feet plus an additional capacity equal to the new conservation storage in said drainage basin in Oklahoma;

"D. New conservation storage capacity in the Salt Fork river sub-basin within the state of Kansas shall not exceed 300,000 acre-feet plus an additional capacity equal to the new conservation storage in said drainage basin in Oklahoma;

"E. New conservation storage capacity in the Cimarron river subbasin within the state of Kansas shall not exceed 5,000 acre-feet, provided that new conservation storage capacity in excess of that amount may be constructed if specific project plans have first been submitted to and have received the approval of the commission.

"ARTICLE VI

"The state of Oklahoma shall have free and unrestricted use of the waters of the Arkansas river basin within Oklahoma subject to the provisions of this compact and to the limitations set forth below:

"New conservation storage capacity in the Cimarron river subbasin within the state of Oklahoma shall not exceed 5,000 acre-feet provided that new conservation storage capacity in excess of that amount may be constructed if specific project plans have first been submitted to and have received the approval of the commission.

"ARTICLE VII

"A. The commission shall determine the conditions under which one state may construct and operate for its needs new conservation storage capacity in the other state. The construction or utilization of new conservation storage capacity by one state in the other state shall entitle the state whose storage potential is reduced by such construction to construct an equal amount of new conservation storage in a subbasin agreeable to the commission.

"B. New conservation storage capacity constructed by the United States or any of its agencies, instrumentalities or wards, or by a state, political subdivision thereof, or any person or persons shall be charged against the state in which the use is made.

"C. Each state has the unrestricted right to replace within the same subbasin, any conservation storage capacity made unusable by any cause.

"D. In the event reallocation of storage capacity in the Arkansas river basin in Oklahoma should result in the reduction of that state’s new conservation storage capacity, such reallocation shall not reduce the total new conservation storage capacities available to Kansas under Article V; provided that a subsequent reinstatement of such storage capacity shall not be charged as an increase in Oklahoma’s new conservation storage capacity.

"ARTICLE VIII

"A. In the event of importation of water to a major subbasin of the Arkansas river basin from another river basin, or from another major
subbasin within the same state, the state making the importation shall have exclusive use of such imported waters.

"B. In the event of exportation of water from a major subbasin for use in another major subbasin or for use outside the Arkansas river basin within the same state, the limitations of Articles V and VI on new conservation capacity shall apply against the subbasin from which the exportation is made in the amount of the storage capacity actually used for that purpose within the exporting subbasin or, in the event of direct diversion of water without storage, on the basis of five acre-feet of conservation storage capacity for each acre-foot of water on the average so diverted annually.

"C. Any reservoir storage capacity which is required for the control and utilization of imported waters shall not be accounted as new conservation storage.

"D. Should a transbasin diversion of water of the Arkansas river basin be made in one state for the use and benefit of the other state or both states, the commission shall determine a proper accounting of new conservation storage capacities in each state in accordance with the above principles and with the project uses to be made in that state.

"ARTICLE IX

"The states of Kansas and Oklahoma mutually agree to: A. The principle of individual state effort to abate man-made pollution within each state's respective borders, and the continuing support of both states in an active pollution-abatement program;

"B. The cooperation of the appropriate state agencies in Kansas and Oklahoma to investigate and abate sources of alleged interstate pollution within the Arkansas river basin whenever such matters are called to their attention by the commission;

"C. Enter into joint programs for the identification and control of sources of natural pollution within the Arkansas river basin which the commission finds are of interstate significance;

"D. The principle that neither state may require the other to provide water for the purpose of water-quality control as a substitute for adequate waste treatment;

"E. Utilize the provisions of the federal water pollution control act in the resolution of any pollution problems which cannot be resolved within the provisions of this compact.

"ARTICLE X

"A. There is hereby created an interstate administrative agency to be known as the 'Kansas-Oklahoma Arkansas river commission.' The commission shall be composed of three commissioners representing each of the states of Kansas and Oklahoma who shall be appointed by the governors of the respective states and, if designated by the president, one commissioner representing the United States. The president is hereby requested to designate a commissioner and an alternate representing the United States. The federal commissioner, if one be designated, shall be the presiding officer of the commission, but shall not have the right to vote in any of the deliberations of the commission.

"B. One Kansas commissioner shall be the state official who now or hereafter shall be responsible for administering water law in the state; the other two commissioners shall reside in the Arkansas river basin in Kansas and shall be appointed to four-year staggered terms.

"C. One Oklahoma commissioner shall be the state official who now or hereafter shall be responsible for administering water law in the state; the other two commissioners shall reside in the Arkansas river
basin in Oklahoma and shall be appointed to four-year staggered terms.

"D. A majority of the commissioners of each state and the commissioner or his alternate representing the United States, if so designated, must be present to constitute a quorum. In taking any commission action, each signatory state shall have a single vote representing the majority opinion of the commissioners of that state.

"E. The salaries and personal expenses of each commissioner shall be paid by the government which he represents. All other expenses which are incurred by the commission incident to the administration of this compact shall be borne equally by the two states and shall be paid by the commission out of the ‘Kansas-Okahoma Arkansas river commission fund.’ Such fund shall be initiated and maintained by equal payments of each state into the fund. Disbursements shall be made from said fund in such manner as may be authorized by the commission. Such fund shall not be subject to the audit and accounting procedures of the states; however, all receipts and disbursements of funds handled by the commission shall be audited by a qualified independent public accountant at regular intervals, and the report of such audit shall be included in and become a part of the annual report of the commission.

"ARTICLE XI

"A. The commission shall have the power to: (1) Employ such engineering, legal, clerical and other personnel as in its judgment may be necessary for the performance of its functions under the compact;

"(2) Enter into contracts with appropriate state or federal agencies for the collection, correlation, and presentation of factual data, for the maintenance of records, and for the preparation of reports;

"(3) Establish and maintain an office for the conduct of its affairs;

"(4) Adopt rules and regulations governing its operations;

"(5) Cooperate with federal agencies in developing principles, consistent with the provisions of this compact and with federal policy, for the storage and release of water from all-federal capacities of federal reservoirs, both existing and future within the Arkansas river basin, for the purpose of assuring their operation in the best interests of the states and the United States;

"(6) Permit either state, with the consent of the proper operating agency, to impound water, for such periods of time deemed necessary or desirable by the commission, in available reservoir storage capacity which is not designated as conservation or new conservation storage capacity for subsequent release and use for any purpose approved by the commission;

"(7) Hold hearings and take testimony and receive evidence at such times and places as it deems necessary;

"(8) Secure from the head of any department or agency of the federal or state government such information, suggestions, estimates and statistics as it may need or believe to be useful for carrying out its functions and as may be available to or procurable by the department or agency to which the request is addressed;

"(9) Print or otherwise reproduce and distribute all of its proceedings and reports.

"B. The commission shall: (1) Cause to be established, maintained and operated such stream, reservoir, or other gaging stations as may be necessary for the proper administration of the compact;

"(2) Collect, analyze and report on data as to stream flows, water quality, conservation storage, and such other information as is necessary for the proper administration of the compact;
“(3) Perform all other functions required of it by the compact and do all things necessary, proper or convenient in the performance of its duties thereunder;

“(4) Prepare and submit an annual report to the governor of such signatory state and to the president of the United States covering the activities of the commission for the preceding fiscal year, together with an accounting of all funds received and expended by it in the conduct of its work;

“(5) Prepare and submit to the governor of each of the states of Kansas and Oklahoma an annual budget covering the anticipated expenses of the commission for the following fiscal year;

“(6) Make available to the governor or any state agency of either state or to any authorized representatives of the United States, upon request, any information within its possession.

“ARTICLE XII

“A. Recognizing the present limited uses of the available water supplies of the Arkansas river basin in the two states and the uncertainties of their ultimate water needs, the states of Kansas and Oklahoma deem it imprudent and inadvisable to attempt at this time to make final allocations of the new conservation storage capacity which may ultimately be required in either state, and, by the limitations on storage capacity imposed herein, have not attempted to do so. Accordingly, after the expiration of 25 years following the effective date of this compact, the commission may review any provisions of the compact for the purpose of amending or supplementing the same, and shall meet for the consideration of such review on the request of the commissioners of either state; provided, that the provisions hereof shall remain in full force and effect until changed or amended by unanimous action of the states acting through their commissioners and until such changes are ratified by the legislatures of the respective states and consented to by the congress in the same manner as this compact is required to be ratified to become effective.

“B. This compact may be terminated at any time by the appropriate action of the legislatures of both signatory states.

“C. In the event of amendment or termination of the compact, all rights established under the compact shall continue unimpaired.

“ARTICLE XIII

“Nothing in this compact shall be deemed: A. To impair or affect the powers, rights or obligations of the United States, or those claiming under its authority, in, over and to the waters of the Arkansas River Basin;  

“B. To interfere with or impair the right or power of either signatory state to regulate within its boundaries the appropriation, use and control of waters within that state not inconsistent with its obligations under this compact.

“ARTICLE XIV

“If any part or application of this compact should be declared invalid by a court of competent jurisdiction, all other provisions and applications of this compact shall remain in full force and effect.

“ARTICLE XV

“This compact shall become binding and obligatory when it shall have been ratified by the legislatures of each state and consented to by the congress of the United States, and when the congressional act con-
senting to this compact includes the consent of congress to name and join the United States as a party in any litigation in the United States supreme court, if the United States is an indispensable party, and if the litigation arises out of this compact or its application, and if a signatory state is a party thereto. Notice of ratification by the legislature of each state shall be given by the governor of that state to the governor of the other state and to the president of the United States and the president is hereby requested to give notice to the governor of each state of consent by the congress of the United States.

"IN WITNESS WHEREOF, The authorized representatives have executed three counterparts hereof each of which shall be and constitute an original, one of which shall be deposited in the archives of the department of state of the United States, and one of which shall be forwarded to the governor of each state.

(b) In order to carry out the purposes of this section, and the purposes of article XV of this compact consented to by Congress by this section, the congressional consent to this compact includes and expressly gives the consent of Congress to have the United States of America named and joined as a party litigant in any litigation in the United States Supreme Court, if the United States of America is an indispensable party to such litigation, and if the litigation arises out of this compact, or its application, and if a signatory State to this compact is a party litigant, in the litigation.

(c) The right to alter, amend, or repeal this section is expressly reserved.

Sec. 108. (a) Subsection (b) of the first section of the Act entitled "An Act authorizing the city of Rock Island, Illinois, or its assigns, to construct, maintain, and operate a toll bridge across the Mississippi River at or near Rock Island, Illinois, and to a place at or near the city of Davenport, Iowa," approved March 18, 1938 (52 Stat. 110), as amended, is amended by striking out the comma after "foregoing" and inserting in lieu thereof the following: "(1) the construction of an additional span to increase the capacity of the bridge and (2)"

(b) Subsection (c) of the first section of such Act of March 18, 1938, as amended, is amended by inserting before the period at the end thereof a comma and the following: "except that the construction of an additional span authorized as part of such reconstruction, enlargement, and extension shall be commenced not later than April 1, 1970, and shall be completed within three years after such date".

(c) Nothing in this section or the amendments made by this section shall be construed to interfere with or delay future construction of a properly authorized bridge over the Mississippi River at or near the city of Davenport, Iowa.

Sec. 109. (a) The consent of Congress is hereby granted to Duke Power Company, its successors and assigns, to construct, maintain, and operate a dam with overflow spillway crest at elevation 475 mean sea level across Savannah River between Anderson County, South Carolina, and Elbert County, Georgia, near Middleton Shoals, and
about two hundred and ninety-seven miles above the mouth of said river, for the purpose of providing a pool for condenser water for a steam-electric plant. Construction on such dam shall not be commenced until the plans therefor have been submitted to and approved by the Chief of Engineers, United States Army, and by the Secretary of the Army, and when such plans have been approved by the Chief of Engineers and by the Secretary of the Army, there shall be no deviation from such plans either before or after completion of said dam unless the modification of such plans has previously been submitted to and approved by the Chief of Engineers and the Secretary of the Army. In approving the plans for said dam such conditions and stipulations may be imposed as the Chief of Engineers and the Secretary of the Army may deem necessary to protect the present and future interest of the United States. Nothing in this section shall be construed to authorize the use of such dam to develop water power or generate hydroelectric energy. The grantee and its successors shall hold and save the United States free from all claims arising from damage which may be sustained by the dam authorized in this section, or damage sustained by the appurtenances of the said dam, by reason of the future construction and operation by the United States of Hartwell Dam and Reservoir or the Trotters Shoals Dam and Reservoir authorized in section 203 of this Act, or any other Federal project upstream or downstream from the dam authorized by this section. In order to make feasible the dam and steam-electric generating plant which Duke Power Company intends to construct, it is hereby expressly provided that, should such dam and plant be constructed, (1) no existing or future unit at Hartwell Reservoir will be operated to pump water from below Hartwell Dam back to Hartwell Reservoir, and (2) a volume of water per week equal to at least an average flow of one thousand five hundred cubic feet per second shall be discharged from Hartwell Reservoir. The Secretary of the Army, upon his finding that such discharges result in damages to Hartwell Reservoir, and after giving the company reasonable notice and opportunity to be heard, shall determine and fix a reasonable and equitable annual charge to be paid by the company to the United States as compensation for such damages.

(b) The authority granted by this section shall cease and be deemed null and void unless the actual construction of the dam authorized by this section is commenced within twelve years and completed within fifteen years from the date of enactment of this Act. The authority granted by this section shall not be deemed a bar to, or grounds for delaying, the construction of the Trotters Shoals project authorized in section 203 of this Act.

(c) The right to alter, amend, or repeal this section is hereby expressly reserved.

Sec. 110. The Secretary of the Army, acting through the Chief of Engineers, is hereby authorized and directed, in order to reduce future maintenance costs of the authorized navigation project for Johns Pass, Pinellas County, Florida, to provide suitable protective measures over a frontage of approximately one thousand linear feet of shore along the north end of Treasure Island, at an estimated first cost for construction of approximately $100,000. Local interests shall contribute in cash 40 per centum of the first cost of construction; provide necessary lands, easements, and rights-of-way for construction and subsequent maintenance of the project; hold and save the United States free from damages that may be attributed to the project; bear all costs exceeding $500,000 Federal cost for the complete project, including the navigation channel. Local interests may be reimbursed

The Secretary of Labor is authorized to pay to any such person (A) such sums as the Secretary determines to be necessary to defray expenses of that person which are attributable to training pursuant to the provisions of this Act, and (B) a training incentive payment of not more than $20 per week. Public Law 89-793

AN ACT

To amend title 18 of the United States Code to enable the courts to deal more effectively with the problem of narcotic addiction, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That titles I, II, III, and IV of this Act may be cited as the "Narcotic Addict Rehabilitation Act of 1966".

DECLARATION OF POLICY

Sec. 2. It is the policy of the Congress that certain persons charged with or convicted of violating Federal criminal laws, who are determined to be addicted to narcotic drugs, and likely to be rehabilitated through treatment, should, in lieu of prosecution or sentencing, be civilly committed for confinement and treatment designed to effect their restoration to health, and return to society as useful members.

It is the further policy of the Congress that certain persons addicted to narcotic drugs who are not charged with the commission of any offense should be afforded the opportunity, through civil commitment, for treatment, in order that they may be rehabilitated and returned to society as useful members and in order that society may be protected more effectively from crime and delinquency which result from narcotic addiction.

TITLE I—CIVIL COMMITMENT IN LIEU OF PROSECUTION

Sec. 101. Title 28 of the United States Code is amended by adding after chapter 173 thereof the following new chapter:

"Chapter 175. Civil Commitment and Rehabilitation of Narcotic Addicts"

"Sec. 2901. Definitions.
"(a) 'Addict' means any individual who habitually uses any narcotic drug as defined by section 4731 of the Internal Revenue Code of 1954, as amended, so as to endanger the public morals, health, safety, or welfare, or who is so far addicted to the use of such narcotic drugs as to have lost the power of self-control with reference to his addiction.
"(b) 'Surgeon General' means the Surgeon General of the Public Health Service.
"(c) 'Crime of violence' includes voluntary manslaughter, murder, rape, mayhem, kidnaping, robbery, burglary or housebreaking in the nighttime, extortion accompanied by threats of violence, assault with a dangerous weapon or assault with intent to commit any offense punishable by imprisonment for more than one year, arson punishable
as a felony, or an attempt or conspiracy to commit any of the foregoing offenses.

“(d) ‘Treatment’ includes confinement and treatment in an institution and under supervised aftercare in the community and includes, but is not limited to, medical, educational, social, psychological, and vocational services, corrective and preventive guidance and training, and other rehabilitative services designed to protect the public and benefit the addict by correcting his antisocial tendencies and ending his dependence on addicting drugs and his susceptibility to addiction. 

“(e) ‘Felony’ includes any offense in violation of a law of the United States classified as a felony under section 1 of title 18 of the United States Code, and further includes any offense in violation of a law of any State, any possession or territory of the United States, the District of Columbia, the Canal Zone, or the Commonwealth of Puerto Rico, which at the time of the offense was classified as a felony by the law of the place where that offense was committed.

“(f) ‘Conviction’ and ‘convicted’ mean the final judgment on a verdict or finding of guilty, a plea of guilty, or a plea of nolo contendere, but do not include a final judgment which has been expunged by pardon, reversed, set aside or otherwise rendered nugatory.

“(g) ‘Eligible individual’ means any individual who is charged with an offense against the United States, but does not include—

“(1) an individual charged with a crime of violence.

“(2) an individual charged with unlawfully importing, selling, or conspiring to import or sell, a narcotic drug.

“(3) an individual against whom there is pending a prior charge of a felony which has not been finally determined or who is on probation or whose sentence following conviction on such a charge, including any time on parole or mandatory release, has not been fully served: Provided, That an individual on probation, parole, or mandatory release shall be included if the authority authorized to require his return to custody consents to his commitment.

“(4) an individual who has been convicted of a felony on two or more occasions.

“(5) an individual who has been civilly committed under this Act, under the District of Columbia Code, or any State proceeding because of narcotic addiction on three or more occasions.

“§ 2902. Discretionary authority of court; examination, report, and determination by court; termination of civil commitment

“(a) If the United States district court believes that an eligible individual is an addict, the court may advise him at his first appearance or thereafter at the sole discretion of the court that the prosecution of the criminal charge will be held in abeyance if he elects to submit to an immediate examination to determine whether he is an addict and is likely to be rehabilitated through treatment. In offering an individual an election, the court shall advise him that if he elects to be examined, he will be confined during the examination for a period not to exceed sixty days; that if he is determined to be an addict who is likely to be rehabilitated, he will be civilly committed to the Surgeon General for treatment; that he may not voluntarily withdraw from the examination or any treatment which may follow; that the treatment may last for thirty-six months; that during treatment, he will be confined in an institution and, at the discretion of the Surgeon General, he may be conditionally released for supervised aftercare treatment in the community; and that if he successfully completes treatment the charge will be dismissed, but if he does not, prosecution on the charge will be resumed. An individual upon being advised
that he may elect to submit to an examination shall be permitted a maximum of five days within which to make his election. Except on a showing that a timely election could not have been made, an individual shall be barred from an election after the prescribed period. An individual who elects civil commitment shall be placed in the custody of the Attorney General or the Surgeon General, as the court directs, for an examination by the Surgeon General during a period not to exceed thirty days. This period may, upon notice to the court and the appropriate United States attorney, be extended by the Surgeon General for an additional thirty days.

"(b) The Surgeon General shall report to the court the results of the examination and recommend whether the individual should be civilly committed. A copy of the report shall be made available to the individual and the United States attorney. If the court, acting on the report and other information coming to its attention, determines that the individual is not an addict or is an addict not likely to be rehabilitated through treatment, the individual shall be held to answer the abeyant charge. If the court determines that the individual is an addict and is likely to be rehabilitated through treatment, the court shall commit him to the custody of the Surgeon General for treatment, except that no individual shall be committed under this chapter if the Surgeon General certifies that adequate facilities or personnel for treatment are unavailable.

"(c) Whenever an individual is committed to the custody of the Surgeon General for treatment under this chapter the criminal charge against him shall be continued without final disposition and shall be dismissed if the Surgeon General certifies to the court that the individual has successfully completed the treatment program. On receipt of such certification, the court shall discharge the individual from custody and dismiss the charge against him. If prior to such certification the Surgeon General determines that the individual cannot be further treated as a medical problem, he shall advise the court. The court shall thereupon terminate the commitment, and the pending criminal proceeding shall be resumed.

"(d) An individual committed for examination or treatment shall not be released on bail or on his own recognizance.

"(e) Whoever escapes or attempts to escape while committed to institutional custody for examination or treatment, or whoever rescues or attempts to rescue or instigates, aids, or assists the escape or attempt to escape of such a person, shall be subject to the penalties provided in sections 751 and 752 of title 18, United States Code.

§ 2903. Authority and responsibilities of the Surgeon General; institutional custody; aftercare; maximum period of civil commitment; credit toward sentence

"(a) An individual who is committed to the custody of the Surgeon General for treatment under this chapter shall not be conditionally released from institutional custody until the Surgeon General determines that he has made sufficient progress to warrant release to a supervisory aftercare authority. If the Surgeon General is unable to make such a determination at the expiration of twenty-four months after the commencement of institutional custody, he shall advise the court and the appropriate United States attorney whether treatment should be continued. The court may affirm the commitment or terminate it and resume the pending criminal proceeding.

"(b) An individual who is conditionally released from institutional custody shall, while on release, remain in the legal custody of the Surgeon General and shall report for such supervised aftercare treatment as the Surgeon General directs. He shall be subject to home visits
and to such physical examination and reasonable regulation of his conduct as the supervisory aftercare authority establishes, subject to the approval of the Surgeon General. The Surgeon General may, at any time, order a conditionally released individual to return for institutional treatment. The Surgeon General’s order shall be a sufficient warrant for the supervisory aftercare authority, a probation officer, or any Federal officer authorized to serve criminal process within the United States to apprehend and return the individual to institutional custody as directed. If it is determined that an individual has returned to the use of narcotics, the Surgeon General shall inform the court of the conditions under which the return occurred and make a recommendation as to whether treatment should be continued. The court may affirm the commitment or terminate it and resume the pending criminal proceeding.

"(c) The total period of treatment for any individual committed to the custody of the Surgeon General shall not exceed thirty-six months. If, at the expiration of such maximum period, the Surgeon General is unable to certify that the individual has successfully completed his treatment program the pending criminal proceeding shall be resumed.

"(d) Whenever a pending criminal proceeding against an individual is resumed under this chapter, he shall receive full credit toward the service of any sentence which may be imposed for any time spent in the institutional custody of the Surgeon General or the Attorney General or any other time spent in institutional custody in connection with the matter for which sentence is imposed.

"§ 2904. Civil commitment not a conviction; use of test results

"The determination of narcotic addiction and the subsequent civil commitment under this chapter shall not be deemed a criminal conviction. The results of any tests or procedures conducted by the Surgeon General or the supervisory aftercare authority to determine narcotic addiction may only be used in a further proceeding under this chapter. They shall not be used against the examined individual in any criminal proceeding except that the fact that he is a narcotic addict may be elicited on his cross-examination as bearing on his credibility as a witness.

"§ 2905. Delegation of functions by Surgeon General; use of Federal, State, and private facilities

"(a) The Surgeon General may from time to time make such provision as he deems appropriate authorizing the performance of any of his functions under this chapter by any other officer or employee of the Public Health Service, or with the consent of the head of the Department or Agency concerned, by any Federal or other public or private agency or officer or employee thereof.

"(b) The Surgeon General is authorized to enter into arrangements with any public or private agency or any person under which appropriate facilities or services of such agency or person will be made available, on a reimbursable basis or otherwise, for the examination or treatment of individuals who elect civil commitment under this chapter.

"§ 2906. Absence of offer by the court to a defendant of an election under section 2902(a) or any determination as to civil commitment, not reviewable on appeal or otherwise

"The failure of a court to offer a defendant an election under section 2902(a) of this chapter, or a determination relative to civil commitment under this chapter shall not be reviewable on appeal or otherwise."

Such commitment shall be for an indeterminate period of time not to exceed ten years, but in no event shall it exceed the maximum sentence that could otherwise have been imposed.

"(b) If, following the examination provided for in section 4252, the court determines that an eligible offender is not an addict, or is an addict not likely to be rehabilitated through treatment, it shall impose such other sentence as may be authorized or required by law.

"§ 4254. Conditional release

"An offender committed under section 4253(a) may not be conditionally released until he has been treated for six months following such commitment in an institution maintained or approved by the Attorney General for treatment. The Attorney General may then or at any time thereafter report to the Board of Parole whether the offender should be conditionally released under supervision. After receipt of the Attorney General's report, and certification from the Surgeon General of the Public Health Service that the offender has made sufficient progress to warrant his conditional release under supervision, the Board may in its discretion order such a release. In determining suitability for release, the Board may make any investigation it deems necessary. If the Board does not conditionally release the offender, or if a conditional release is revoked, the Board may thereafter grant a release on receipt of a further report from the Attorney General.

"§ 4255. Supervision in the community

"An offender who has been conditionally released shall be under the jurisdiction of the Board as if on parole under the established rules of the Board and shall remain, while conditionally released, in the legal custody of the Attorney General. The Attorney General may contract with any appropriate public or private agency or any person for supervisory aftercare of a conditionally released offender. Upon receiving information that such an offender has violated his conditional release, the Board, or a member thereof, may issue and cause to be executed a
warrant for his apprehension and return to custody. Upon return to custody, the offender shall be given an opportunity to appear before the Board, a member thereof, or an examiner designated by the Board, after which the Board may revoke the order of conditional release."

**TITLE III—CIVIL COMMITMENT OF PERSONS NOT CHARGED WITH ANY CRIMINAL OFFENSE**

**Sec. 301.** For the purposes of this title, the term—

(a) "Narcotic addict" means any individual who habitually uses any narcotic drug as defined by section 4731 of the Internal Revenue Code of 1954, as amended, so as to endanger the public morals, health, safety, or welfare, or who is or has been so far addicted to the use of such narcotic drugs as to have lost the power of self-control with reference to his addiction.

(b) "Treatment" includes confinement and treatment in a hospital of the Service and under supervised aftercare in the community and includes, but is not limited to, medical, educational, social, psychological, and vocational services, corrective and preventive guidance and training, and other rehabilitative services designed to protect the public and benefit the addict by correcting his antisocial tendencies and ending his dependence on addicting drugs and his susceptibility to addiction.

(c) "Surgeon General" means the Surgeon General of the Public Health Service.

(d) "Hospital of the Service" means any hospital or other facility of the Public Health Service especially equipped for the accommodation of addicts, and any other appropriate public or private hospital or other facility available to the Surgeon General for the care and treatment of addicts.

(e) "Patient" means any person with respect to whom a petition has been filed by a United States attorney as provided under subsection (b) of section 302 of this title.

(f) "Posthospitalization program" shall mean any program providing for the treatment and supervision of a person established by the Surgeon General pursuant to section 307 of this title.

(g) "State" includes the District of Columbia and the Commonwealth of Puerto Rico.

(h) "United States" includes the Commonwealth of Puerto Rico.

(i) "Related individual" means any person with whom the alleged narcotic addict may reside or at whose house he may be, or the husband or wife, father or mother, brother or sister, or the child or the nearest available relative of the alleged narcotic addict.

**Sec. 302.** (a) Except as otherwise provided in section 311 of this title, whenever any narcotic addict desires to obtain treatment for his addiction, or whenever a related individual has reason to believe that any person is a narcotic addict, such addict or related individual may file a petition with the United States attorney for the district in which such addict or person resides or is found requesting that such addict or person be admitted to a hospital of the Service for treatment of his addiction. Any such petition filed by a narcotic addict shall set forth his name and address and the facts relating to his addiction. Any such petition filed by a related individual with respect to a person believed by such individual to be a narcotic addict shall set forth the name and address of the alleged narcotic addict and the facts or other data on which the petitioner bases his belief that the person with respect to whom the petition is filed is a narcotic addict.
(b) After considering such petition, the United States attorney shall, if he determines that there is reasonable cause to believe that the person named in such petition is a narcotic addict, and that appropriate State or other facilities are not available to such person, file a petition with the United States district court to commit such person to a hospital of the Service for treatment as provided in this title. In making his determination with respect to the nonavailability of such facilities, the United States attorney shall consult with the Surgeon General, and other appropriate State or local officials.

(c) Upon the filing of any such petition by a United States attorney, the court may order the patient to appear before it for an examination by physicians as provided under section 303 of this title and for a hearing, if required, under section 304 of this title. The court shall cause a copy of such petition and order to be served personally upon the patient by a United States marshal.

Sec. 303. The court shall immediately advise any patient appearing before it pursuant to an order issued under subsection (c) of section 302 of his right to have (1) counsel at every stage of the judicial proceedings under this title and that, if he is unable because of financial reasons to obtain counsel, the court will, at the patient's request, assign counsel to represent him; and (2) present for consultation during any examination conducted under this section, a qualified physician retained by such patient, but in no event shall such physician be entitled to participate in any such examination or in the making of any report required under this section with respect to such examination. The court shall also advise such patient that if, after an examination and hearing as provided in this title, he is found to be a narcotic addict who is likely to be rehabilitated through treatment, he will be civilly committed to the Surgeon General for treatment; that he may not voluntarily withdraw from such treatment; that the treatment (including posthospitalization treatment and supervision) may last forty-two months; that during treatment he will be confined in an institution; that for a period of three years following his release from confinement he will be under the care and custody of the Surgeon General for treatment and supervision under a posthospitalization program established by the Surgeon General; and that should he fail or refuse to cooperate in such posthospitalization program or be determined by the Surgeon General to have relapsed to the use of narcotic drugs, he may be recommitted for additional confinement in an institution followed by additional posthospitalization treatment and supervision. After so advising the patient, the court shall appoint two qualified physicians, one of whom shall be a psychiatrist, to examine the patient. For the purpose of the examination, the court may order the patient committed for such reasonable period as it shall determine, not to exceed thirty days, to the custody of the Surgeon General for confinement in a suitable hospital or other facility designated by the court. Each physician appointed by the court shall, within such period so determined by the court, examine the patient and file with the court, a written report with respect to such examination. Each such report shall include a statement of the examining physician's conclusions as to whether the patient examined is a narcotic addict and is likely to be rehabilitated through treatment. Upon the filing of such reports, the patient so examined shall be returned to the court for such further proceedings as it may direct under this title. Copies of such reports shall be made available to the patient and his counsel.
SEC. 304. (a) If both examining physicians (referred to in section 303) conclude in their respective written reports that the patient is not a narcotic addict, or is an addict not likely to be rehabilitated through treatment, the court shall immediately enter an order discharging the patient and dismissing the proceedings under this title. If the written report of either such physician indicates that the patient is a narcotic addict who is likely to be rehabilitated through treatment, or that the physician submitting the report is unable to reach any conclusion by reason of the refusal of the patient to submit to a thorough examination, the court shall promptly set the case for hearing. The court shall cause a written notice of the time and place of such hearing to be served personally upon the patient and his attorney. Such notice shall also inform the patient that upon demand made by him within fifteen days after he has been served, he shall be entitled to have all issues of fact with respect to his alleged narcotic addiction determined by a jury. If no timely demand for a jury is made, the court, in conducting such hearing, shall determine all issues of fact without a jury.

(b) In conducting any hearing under this title, the court shall receive and consider all relevant evidence and testimony which may be offered, including the contents of the reports referred to in section 303. Any patient with respect to whom a hearing is held under this title shall be entitled to testify and to present and cross-examine witnesses. All final orders of commitment under this title shall be subject to review in conformity with the provisions of sections 1254 and 1291 of title 28 of the United States Code.

(c) Any patient with respect to whom a hearing has been set under this title may be detained by the court for a reasonable period of time in a suitable hospital or other facility designated by the court until after such hearing has been concluded.

(d) Witnesses subpoenaed by either party under the provisions of this title shall be paid the same fees and mileage as are paid to other witnesses in the courts of the United States.

SEC. 305. If the court determines after a hearing that such patient is a narcotic addict who is likely to be rehabilitated through treatment, the court shall order him committed to the care and custody of the Surgeon General for treatment in a hospital of the Service. The Surgeon General shall submit to the court written reports with respect to such patient at such times as the court may direct. Such reports shall include information as to the health and general condition of the patient, together with the recommendations of the Surgeon General concerning the continued confinement of such patient.

SEC. 306. Any patient committed to the care and custody of the Surgeon General pursuant to section 305 of this title shall be committed for a period of six months, and shall be subject to such posthospitalization program as may be established pursuant to section 307 of this title; except that such patient may be released from confinement by the Surgeon General at any time prior to the expiration of such six-month period if the Surgeon General determines that the patient has been cured of his drug addiction and rehabilitated, or that his continued confinement is no longer necessary or desirable.

SEC. 307. (a) Whenever any patient under the care and custody of the Surgeon General pursuant to this title is to be released from confinement in accordance with the provisions thereof, the Surgeon General shall give notice of such pending release to the committing court within ten days prior thereto and shall, at the time of the patient's
release, promptly return him to that court. The court, after consider-
ing the recommendations of the Surgeon General with respect to post-
hospitalization treatment for any such patient so returned, may place
such patient under the care and custody of the Surgeon General for
the three-year period immediately following the patient's release, for
treatment and supervision under such posthospitalization program as
the Surgeon General may direct.

(b) If, at any time during such three-year period, any patient (1)
fails or refuses to comply with the directions and orders of the Sur-
geon General in connection with such patient's posthospitalization
treatment and supervision, or (2) is determined by the Surgeon Gen-
teral to be again using narcotic drugs, the Surgeon General may order
such patient's immediate return to the committing court which may
recommit such patient to a hospital of the Service for additional treat-
ment for a period of not to exceed six months, and may require such
patient thereafter to submit to a posthospitalization program in ac-
cordance with subsection (a) of this section.

Sec. 308. The court, upon the petition of any patient after his
confinement pursuant to this title for a period in excess of three months,
shall inquire into the health and general condition of the patient and
as to the necessity, if any, for his continued confinement. If the court
finds, with or without a hearing, that his continued confinement is no
longer necessary or desirable, it shall order the patient released from
confinement and returned to the court. The court may, with respect to
any such patient so returned, place such patient under a posthospital-
ization program in accordance with the provisions of subsection (a) of
section 307 of this title.

Sec. 309. Any determination by the court pursuant to this title that
a patient is a narcotic addict shall not be deemed a criminal conviction,
nor shall such patient be denominated a criminal by reason of that
determination. The results of any hearing, examination, test, or pro-
cedure to determine narcotic addiction of any patient under this title
shall not be used against such patient in any criminal proceeding.

Sec. 310. Any physician conducting an examination under this title
shall be a competent and compellable witness at any hearing or other
proceeding conducted pursuant to this title and the physician-patient
privilege shall not be applicable.

Sec. 311. The provisions of this title shall not be applicable with
respect to any person against whom there is pending a criminal charge,
whether by indictment or by information, which has not been fully de-
termined or who is on probation or whose sentence following convic-
tion on such a charge, including any time on parole or mandatory
release, has not been fully served, except that such provision shall be
applicable to any such person on probation, parole, or mandatory re-
lease if the authority authorized to require his return to custody con-
sents to his commitment.

Sec. 312. Notwithstanding any other provision of this title, no
patient shall be committed to a hospital of the Service under this title
if the Surgeon General certifies that adequate facilities or personnel
for treatment of such patient are unavailable.

Sec. 313. Physicians appointed by the court to examine any person
pursuant to this title and counsel assigned by the court to represent any
person in judicial proceedings under this title shall be entitled to rea-
sonable compensation, in an amount to be determined by the court, to
be paid, upon order of the court, out of such funds as may be provided by law.

SEC. 314. (a) The Surgeon General may from time to time make such provisions as he deems appropriate authorizing the performance of any of his functions under this title by any other officer or employee of the Public Health Service, or with the consent of the head of the Department or Agency concerned, by any Federal or other public or private agency or officer or employee thereof.

(b) The Surgeon General is authorized to enter into arrangements with any public or private agency or any person under which appropriate facilities or services of such agency or person will be made available, on a reimbursable basis or otherwise, for the examination or treatment of individuals pursuant to the provisions of this title.

SEC. 315. Whoever escapes or attempts to escape while committed to institutional custody for examination or treatment under this title, or whoever rescues or attempts to rescue or instigates, aids, or assists the escape or attempt to escape of such a person, shall be subject to the penalties provided in sections 751 and 752 of title 18, United States Code.

SEC. 316. Any person who knowingly makes any false statement to the United States attorney in any petition under section 302(a) of this title shall be subject to the penalty prescribed in section 1001 of title 18, United States Code.

TITLE IV—REHABILITATION AND POSTHOSPITALIZATION CARE PROGRAMS AND ASSISTANCE TO STATES AND LOCALITIES

SEC. 401. The Surgeon General is authorized to establish, as an integral part of the program of treatment for narcotic addiction authorized by section 341 of the Public Health Service Act, outpatient services to (1) provide guidance and give psychological help and supervision to patients and other individuals released from hospitals of the Service after treatment for narcotic drug addiction, utilizing all available resources of local, public and private agencies, and (2) assist States and municipalities in developing treatment programs and facilities for individuals so addicted, including posthospitalization treatment programs and facilities for the care and supervision of narcotic addicts released after confinement under this or any other Act providing for treatment of drug addiction. The Surgeon General shall take into consideration in supplying such services the extent of drug addiction in the various States and political subdivisions thereof and the willingness of such States and subdivisions to cooperate in developing a sound program for the care, treatment, and rehabilitation of narcotic addicts.

SEC. 402. (a) There are hereby authorized to be appropriated for the fiscal year beginning July 1, 1966, and for the succeeding fiscal year, the sum of $15,000,000 to enable the Surgeon General (1) to make grants to States and political subdivisions thereof and to private organizations and institutions (A) for the development of field testing and demonstration programs for the treatment of narcotic addiction, (B) for the development of specialized training programs or materials relating to the provision of public health services for the treatment of narcotic addiction, or the development of in-service training or short-
term or refresher courses with respect to the provision of such services,
(C) for training personnel to operate, supervise, and administer such
services, and (D) for the conducting of surveys evaluating the ade-
quacy of the programs for the treatment of narcotic addiction within
the several States with a view to determining ways and means of im-
proving, extending, and expanding such programs; and (2) to enter
into jointly financed cooperative arrangements with State and local
governments and public and private organizations and institutions
with a view toward the developing, constructing, operating, staffing,
and maintaining of treatment centers and facilities (including post-
hospitalization treatment centers and facilities) for narcotic addicts
within the States.

(b) Payments under this section may be made in advance or by way
of reimbursement, as determined by the Surgeon General, and shall be
made on such conditions as the Surgeon General determines to be neces-
sary to carry out the purposes of this title.

(c) The Surgeon General is authorized to issue appropriate rules
and regulations to carry out the provisions of this title.

JOINT RESOLUTION

To enable the United States to organize and hold an International Conference on Water for Peace in the United States in 1967 and authorize an appropriation therefor.

Whereas there exists throughout the world a common problem in planning the use of water to meet adequately the needs of the world's rapidly expanding population; and

Whereas the President, in announcing the Water for Peace Program of the United States Government, recognized the great value of a mutual sharing of knowledge in this important field with other countries in a worldwide cooperative effort to find solutions of man's water problems; and

Whereas a worldwide conference would be the most effective means of bringing together representatives of all governments and agencies concerned, as well as experts, on the varying aspects of the water problems; would focus attention on current and future water problems; and would contribute to the development of policies and programs necessary to meet these problems: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of State and the Secretary of the Interior, in consultation with other concerned departments and agencies, are authorized to take all necessary steps to organize and hold an International Conference on Water for Peace in Washington, District of Columbia, in 1967.

SEC. 2. There is authorized to be appropriated to the Department of State, out of any money in the Treasury not otherwise appropriated, a sum not to exceed $900,000 for the purpose of defraying the expenses incident to organizing and holding such an international conference. Funds appropriated pursuant to this authorization shall be available for expenses incurred on behalf of the United States as host government, including personal services without regard to civil service and classification laws, except no salary rate shall exceed the maximum rate payable under the General Schedule of the Classification Act of 1949, as amended; employment of aliens, printing and binding without regard to the provisions of any other law; travel expenses without regard to the Standardized Government Travel Regulations and to the rates of per diem allowances in lieu of subsistence expenses under the Travel Expense Act of 1949, as amended, of principal foreign delegates in the United States and of United States personnel and foreign technical experts; rent of facilities by contract or otherwise; hire of passenger motor vehicles; official functions and courtesies; and design, construction, and display of exhibits. Sums appropriated pursuant to this authorization shall remain available for obligation until December 31, 1967.

SEC. 3. The Secretary of State and the Secretary of the Interior are authorized to accept and use contributions of funds, property, services, and facilities, including the loan of articles, specimens, and exhibits for display, for the purpose of organizing and holding such an international conference.

SEC. 4. The head of any department, agency, or establishment of the United States Government is authorized, on request, to assist with or without reimbursement the Department of State and the Department of the Interior in carrying out the functions herein authorized, including the furnishing of personnel and facilities and the procurement, installation, and display of exhibits.

AN ACT

To suspend the investment credit and the allowance of accelerated depreciation in the case of certain real property.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) section 48 of the Internal Revenue Code of 1954 (relating to definition; special rules) is amended by redesignating subsection (h) as subsection (k), and by inserting before such subsection the following new subsections:

"(h) Suspension of Investment Credit.—For purposes of this subpart—

"(1) General rule.—Section 38 property which is suspension period property shall not be treated as new or used section 38 property.

"(2) Suspension period property defined.—Except as otherwise provided in this subsection and subsection (i), the term 'suspension period property' means section 38 property—

"(A) the physical construction, reconstruction, or erection of which begins either during the suspension period or pursuant to an order placed during such period, or

"(B) which is acquired by the taxpayer during the suspension period or pursuant to an order placed during such period.

"(3) Binding contracts.—To the extent that any property is constructed, reconstructed, erected, or acquired pursuant to a contract which was, on October 9, 1966, and at all times thereafter, binding on the taxpayer, such property shall not be deemed to be suspension period property.

"(4) Equipped building rule.—If—

"(A) pursuant to a plan of the taxpayer in existence on October 9, 1966 (which plan was not substantially modified at any time after such date and before the taxpayer placed the equipped building in service), the taxpayer has constructed, reconstructed, erected, or acquired a building and the machinery and equipment necessary to the planned use of the building by the taxpayer, and

"(B) more than 50 percent of the aggregate adjusted basis of all the property of a character subject to the allowance for depreciation making up such building as so equipped is attributable to either property the construction, reconstruction, or erection of which was begun by the taxpayer before October 10, 1966, or property the acquisition of which by the taxpayer occurred before such date, then all section 38 property comprising such building as so equipped (and any incidental section 38 property adjacent to such building which is necessary to the planned use of the building) shall be treated as section 38 property which is not suspension period property. For purposes of subparagraph (B) of the preceding sentence, the rules of paragraphs (3) and (6) shall be applied. For purposes of this paragraph, a special purpose structure shall be treated as a building.

"(5) Plant facility rule.—

"(A) General rule.—If—

"(i) pursuant to a plan of the taxpayer in existence on October 9, 1966 (which plan was not substantially modified at any time after such date and before the taxpayer
placed the plant facility in service), the taxpayer has con-
structed, reconstructed, or erected a plant facility, and either

“(ii) the construction, reconstruction, or erection of such plant facility was commenced by the taxpayer be-
fore October 10, 1966, or

“(iii) more than 50 percent of the aggregate adjusted basis of all the property of a character subject to the allow-
ance for depreciation making up such plant facility is attributable to either property the construction, recon-
struction, or erection of which was begun by the taxpayer before October 10, 1966, or property the acquisition of which by the taxpayer occurred before such date,

then all section 38 property comprising such plant facility shall be treated as section 38 property which is not suspension period property. For purposes of clause (iii) of the pre-
ceding sentence, the rules of paragraphs (3) and (6) shall be applied.

(B) PLANT FACILITY DEFINED.—For purposes of this paragraph, the term ‘plant facility’ means a facility which does not include any building (or of which buildings consti-
tute an insignificant portion) and which is—

“(i) a self-contained, single operating unit or process-
ing operation,

“(ii) located on a single site, and

“(iii) identified, on October 9, 1966, in the purchasing and internal financial plans of the taxpayer as a single unitary project.

(C) SPECIAL RULE.—For purposes of this subsection, if—

“(i) a certificate of convenience and necessity has been issued before October 10, 1966, by a Federal regulatory agency with respect to two or more plant facilities which are included under a single plan of the taxpayer to con-
struct, reconstruct, or erect such plant facilities, and

“(ii) more than 50 percent of the aggregate adjusted basis of all the property of a character subject to the allow-
ance for depreciation making up such plant facilities is attributable to either property the construction, recon-
struction, or erection of which was begun by the taxpayer before October 10, 1966, or property the acquisi-
tion of which by the taxpayer occurred before such date,

such plant facilities shall be treated as a single plant facility.

(D) COMMENCEMENT OF CONSTRUCTION.—For purposes of subparagraph (A)(ii), the construction, reconstruction, or erection of a plant facility shall not be considered to have commenced until construction, reconstruction, or erection has commenced at the site of such plant facility. The preceding sentence shall not apply if the site of such plant facility is not located on land.

(E) MACHINERY OR EQUIPMENT RULE.—Any piece of machin-
ery or equipment—

“(A) more than 50 percent of the parts and components of which (determined on the basis of cost) were held by the taxpayer on October 9, 1966, or are acquired by the taxpayer pursuant to a binding contract which was in effect on such date, for inclusion or use in such piece of machinery or equip-
ment, and
"(B) the cost of the parts and components of which is not
an insignificant portion of the total cost,
shall be treated as property which is not suspension period
property.

"(7) Certain lease-back transactions, etc.—Where a person
who is a party to a binding contract described in paragraph (3)
transfers rights in such contract (or in the property to which such
contract relates) to another person but a party to such contract
retains a right to use the property under a lease with such other
person, then to the extent of the transferred rights such other
person shall, for purposes of paragraph (3), succeed to the posi-
tion of the transferor with respect to such binding contract and
such property. The preceding sentence shall apply, in any case
in which the lessor does not make an election under subsection
(d), only if a party to such contract retains a right to use the
property under a long-term lease.

"(8) Certain lease and contract obligations.—Where, pur-
suant to a binding lease or contract to lease in effect on October 9,
1966, a lessor or lessee is obligated to construct, reconstruct, erect,
or acquire property specified in such lease or contract, any prop-
erty so constructed, reconstructed, erected, or acquired by the
lessor or lessee which is section 38 property shall be treated as
property which is not suspension period property. In the case
of any project which includes property other than the property
to be leased to such lessee, the preceding sentence shall be applied,
in the case of the lessor, to such other property only if the binding
leases and contracts with all lessees in effect on October 9, 1966,
cover real property constituting 25 percent or more of the project
(determined on the basis of rental value). For purposes of the
preceding sentences of this paragraph, in the case of any project
where one or more vendor-vendee relationships exist, such vendors
and vendees shall be treated as lessors and lessees. Where, pur-
suant to a binding contract in effect on October 9, 1966, (i) the
taxpayer is required to construct, reconstruct, erect, or acquire
property specified in the contract, to be used to produce one or
more products, and (ii) the other party is required to take sub-
stantially all of the products to be produced over a substantial
portion of the expected useful life of the property, then such
property shall be treated as property which is not suspension
period property. Clause (ii) of the preceding sentence shall not
apply if a political subdivision of a State is the other party to
the contract and is required by the contract to make substantial
expenditures which benefit the taxpayer.

"(9) Certain transfers to be disregarded.—

"(A) If property or rights under a contract are trans-
ferred in—

"(i) a transfer by reason of death, or

"(ii) a transaction as a result of which the basis of
the property in the hands of the transferee is determined
by reference to its basis in the hands of the transferor
by reason of the application of section 332, 351, 361, 371
(a), 374(a), 721, or 731,

and such property (or the property acquired under such con-
tact) would not be treated as suspension period property in
the hands of the decedent or the transferor, such property
shall not be treated as suspension period property in the hands
of the transferee.
“(B) If—

“(i) property or rights under a contract are acquired in a transaction to which section 334(b)(2) applies,

“(ii) the stock of the distributing corporation was acquired before October 10, 1966, or pursuant to a binding contract in effect October 9, 1966, and

“(iii) such property (or the property acquired under such contract) would not be treated as suspension period property in the hands of the distributing corporation, such property shall not be treated as suspension period property in the hands of the distributee.

“(10) PROPERTY ACQUIRED FROM AFFILIATED CORPORATION.—For purposes of this subsection, in the case of property acquired by a corporation which is a member of an affiliated group from another member of the same group—

“(A) such corporation shall be treated as having acquired such property on the date on which it was acquired by such other member,

“(B) such corporation shall be treated as having entered into a binding contract for the construction, reconstruction, erection, or acquisition of such property on the date on which such other member entered into a contract for the construction, reconstruction, erection, or acquisition of such property, and

“(C) such corporation shall be treated as having commenced the construction, reconstruction, or erection of such property on the date on which such other member commenced such construction, reconstruction, or erection.

For purposes of the preceding sentence, the term ‘affiliated group’ has the meaning assigned to it by section 1504(a), except that all corporations shall be treated as includible corporations (without any exclusion under section 1504(b)).

“(11) CERTAIN TANGIBLE PROPERTY CONSTRUCTED DURING SUSPENSION PERIOD AND LEASED NEW THEREAFTER.—Tangible personal property constructed or reconstructed by a person shall not be suspension period property if—

“(A) such person leases such property after the close of the suspension period and the original use of such property commences after the close of such period,

“(B) such construction or reconstruction, and such lease transaction, was not pursuant to an order placed during the suspension period, and

“(C) an election is made under subsection (d) with respect to such property which satisfies the requirements of such subsection.

“(12) WATER AND AIR POLLUTION CONTROL FACILITIES.—

“(A) IN GENERAL.—Any water pollution control facility or air pollution control facility shall be treated as property which is not suspension period property.

“(B) WATER POLLUTION CONTROL FACILITY.—For purposes of subparagraph (A), the term ‘water pollution control facility’ means any section 38 property which—

“(i) is used primarily to control water pollution by removing, altering, or disposing of wastes, including the necessary intercepting sewers, outfall sewers, pumping,
power, and other equipment, and their appurtenances; and

"(ii) is certified by the State water pollution control agency (as defined in section 13(a) of the Federal Water Pollution Control Act) as being in conformity with the State program or requirements for control of water pollution and is certified by the Secretary of Interior as being in compliance with the applicable regulations of Federal agencies and the general policies of the United States for cooperation with the States in the prevention and abatement of water pollution under the Federal Water Pollution Control Act.

"(C) AIR POLLUTION CONTROL FACILITY.—For purposes of subparagraph (A), the term ‘air pollution control facility’ means any section 38 property which—

"(i) is used primarily to control atmospheric pollution or contamination by removing, altering, or disposing of atmospheric pollutants or contaminants; and

"(ii) is certified by the State air pollution control agency (as defined in section 302(b) of the Clean Air Act) as being in conformity with the State program or requirements for control of air pollution and is certified by the Secretary of Health, Education, and Welfare as being in compliance with the applicable regulations of Federal agencies and the general policies of the United States for cooperation with the States in the prevention and abatement of air pollution under the Clean Air Act.

"(D) STANDARDS FOR FACILITY.—Subparagraph (A) shall apply in the case of any facility only if the taxpayer constructs, reconstructs, erects, or acquires such facility in furtherance of Federal, State, or local standards for the control of water pollution or atmospheric pollution or contaminants.

"(13) CERTAIN REPLACEMENT PROPERTY.—Section 38 property constructed, reconstructed, erected, or acquired by the taxpayer shall be treated as property which is not suspension period property to the extent such property is placed in service to replace property which was—

"(A) destroyed or damaged by fire, storm, shipwreck, or other casualty, or

"(B) stolen,

but only to the extent the basis (in the case of new section 38 property) or cost (in the case of used section 38 property) of such section 38 property does not exceed the adjusted basis of the property destroyed, damaged, or stolen.

"(i) EXEMPTION FROM SUSPENSION OF $20,000 OF INVESTMENT.—

"(1) IN GENERAL.—In the case of property acquired by the taxpayer by purchase for use in his trade or business which would (but for this subsection) be suspension period property, the taxpayer may select items to which this subsection applies, to the extent of an aggregate cost, for the suspension period, of $20,000. Any item so selected shall be treated as property which is not suspension period property for purposes of this subpart (other than for purposes of paragraphs (4), (5), (6), (7), (8), (9), and (10) of subsection (h)).
“(2) Applicable Rules.—Under regulations prescribed by the Secretary or his delegate, rules similar to the rules provided by paragraphs (2) and (3) of subsection (c) shall be applied for purposes of this subsection. Subsection (d) shall not apply with respect to any item to which this subsection applies.

“(j) Suspension Period.—For purposes of this subpart, the term ‘suspension period’ means the period beginning on October 10, 1966, and ending on December 31, 1967.”

(b) Section 48(d) of such Code (relating to certain leased property) is amended by adding at the end thereof the following new sentences:

“In the case of suspension period property which is leased and is property of a kind which the lessor ordinarily leases to one lessee for a substantial portion of the useful life of the property, the lessor of the property shall be deemed to have elected to treat the first such lessee as having acquired such property for purposes of applying the last sentence of section 46(a)(2). In the case of section 38 property which (i) is leased after October 9, 1966 (other than pursuant to a binding contract to lease entered into before October 10, 1966), (ii) is not suspension period property with respect to the lessor but is suspension period property if acquired by the lessee, and (iii) is property of the same kind which the lessor ordinarily sold to customers before October 10, 1966, or ordinarily leased before such date and made an election under this subsection, the lessor of such property shall be deemed to have made an election under this subsection with respect to such property.”

Sec. 2. Section 167 of the Internal Revenue Code of 1954 (relating to depreciation) is amended by redesignating subsection (i) as subsection (j) and by inserting after subsection (h) the following new subsection:

“(i) Limitation in Case of Property Constructed or Acquired During the Suspension Period.—

“(1) In General.—Under regulations prescribed by the Secretary or his delegate, paragraphs (2), (3), and (4) of subsection (b) shall not apply in the case of real property which is not section 38 property (as defined in section 48(a)) if—

“(A) the physical construction, reconstruction, or erection of such property by any person begins during the suspension period, or

“(B) an order for such construction, reconstruction, or erection is placed by any person during the suspension period. Under regulations prescribed by the Secretary or his delegate, rules similar to the rules provided by paragraphs (3), (4), (7), (8), (9), and (10) of section 48(h) shall be applied for purposes of the preceding sentence.

“(2) Exception.—Paragraph (1) shall not apply to any item of real property selected by the taxpayer if the cost of such property (when added to the cost of all other items of real property selected by the taxpayer under this paragraph) does not exceed $50,000. Under regulations prescribed by the Secretary or his delegate, rules similar to the rules provided by paragraph (2) of section 48(c) shall be applied for purposes of this paragraph.

“(3) Suspension Period.—For purposes of this subsection, the

AN ACT

To promote international trade in agricultural commodities, to combat hunger and malnutrition, to further economic development, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Food for Peace Act of 1966".

SEC. 2. The Agricultural Trade Development and Assistance Act of 1954, as amended, is amended—

(A) By amending section 2 to read as follows:

"SEC. 2. The Congress hereby declares it to be the policy of the United States to expand international trade; to develop and expand export markets for United States agricultural commodities; to use the abundant agricultural productivity of the United States to combat hunger and malnutrition and to encourage economic development in the developing countries, with particular emphasis on assistance to those countries that are determined to improve their own agricultural production; and to promote in other ways the foreign policy of the United States."

(B) By amending title I to read as follows:

"TITLE I

"Sec. 101. In order to carry out the policies and accomplish the objectives set forth in section 2 of this Act, the President is authorized to negotiate and carry out agreements with friendly countries to provide for the sale of agricultural commodities for dollars on credit terms or for foreign currencies.

"Sec. 102. For the purpose of carrying out agreements concluded under this Act the Commodity Credit Corporation is authorized to finance the sale and exportation of agricultural commodities whether from private stocks or from stocks of the Commodity Credit Corporation.

"Sec. 103. In exercising the authorities conferred upon him by this title, the President shall—

"(a) take into account efforts of friendly countries to help themselves toward a greater degree of self-reliance, including efforts to meet their problems of food production and population growth;

"(b) take steps to assure a progressive transition from sales for foreign currencies to sales for dollars (or to the extent that transition to sales for dollars under the terms applicable to such sales is not possible, transition to sales for foreign currencies on credit terms no less favorable to the United States than those for development loans made under section 201 of the Foreign Assistance Act of 1961, as amended, and on terms which permit conversion to dollars at the exchange rate applicable to the sales agreement) at a rate whereby the transition can be completed by December 31, 1971: Provided, That provision may be included in any agreement for payment in foreign currencies to the extent that the President determines that such currencies are needed for the purpose of subsections (a), (b), (c), (e), and (h) of section 104;

"(c) take reasonable precautions to safeguard usual marketings of the United States and to assure that sales under this title will not unduly disrupt world prices of agricultural commodities or normal patterns of commercial trade with friendly countries;
“(d) make sales agreements only with those countries which he determines to be friendly to the United States: Provided, That the President shall periodically review the status of those countries which are eligible under this subsection and report the results of such review to the Congress. As used in this Act, ‘friendly country’ shall not include (1) any country or area dominated or controlled by a foreign government or organization controlling a world Communist movement, or (2) for the purpose only of sales of agricultural commodities for foreign currencies under title I of this Act, any country or area dominated by a Communist government, or (3) for the purpose only of sales of agricultural commodities under title I of this Act, any nation which sells or furnishes or permits ships or aircraft under its registry to transport to or from Cuba or North Vietnam (excluding United States installations in Cuba) any equipment, materials, or commodities so long as they are governed by a Communist regime: Provided, That with respect to furnishing, selling, or selling and transporting to Cuba medical supplies, non-strategic raw materials for agriculture, and non-strategic agricultural or food commodities, sales agreements may be entered into if the President finds with respect to each such country, and so informs the Senate and the House of Representatives of the reasons therefor, that the making of each such agreement would be in the national interest of the United States and all such findings and reasons therefor shall be published in the Federal Register, or (4) for the purposes only of sales under title I of this Act the United Arab Republic, unless the President determines that such sale is in the national interest of the United States. No sales to the United Arab Republic shall be based upon the requirements of that nation for more than one fiscal year. The President shall keep the President of the Senate and the Speaker of the House of Representatives fully and currently informed with respect to sales made to the United Arab Republic under title I of this Act. Notwithstanding any other Act, the President may enter into agreements for the sale of agricultural commodities for dollars on credit terms under title I of this Act with countries which fall within the definition of ‘friendly country’ for the purpose of such sales and no sales under this Act shall be made with any country if the President finds such country is (a) an aggressor, in a military sense, against any country having diplomatic relations with the United States, or (b) using funds of any sort, from the United States, for purposes inimical to the foreign policies of the United States;

“(e) take appropriate steps to assure that private trade channels are used to the maximum extent practicable both with respect to sales from privately owned stocks and with respect to sales from stocks owned by the Commodity Credit Corporation and that small business has adequate and fair opportunity to participate in sales made under the authority of this Act;

“(f) give special consideration to the development and expansion of foreign markets for United States agricultural commodities, with appropriate emphasis on more adequate storage, handling, and food distribution facilities as well as long-term development of new and expanding markets by encouraging economic growth;

“(g) obtain commitments from purchasing countries that will prevent resale or transshipment to other countries, or use for other than domestic purposes, of agricultural commodities purchased under this title, without specific approval of the President;
“(b) obtain rates of exchange applicable to the sale of commodities under such agreements which are not less favorable than the highest of exchange rates legally obtainable in the respective countries and which are not less favorable than the highest of exchange rates obtainable by any other nation;

“(i) promote progress toward assurance of an adequate food supply by encouraging countries with which agreements are made to give higher emphasis to the production of food crops than to the production of such nonfood crops as are in world surplus;

“(j) exercise the authority contained in title I of this Act to assist friendly countries to be independent of domination or control by any world Communist movement. Nothing in this Act shall be construed as authorizing sales agreements under title I with any government or organization controlling a world Communist movement or with any country with which the United States does not have diplomatic relations;

“(k) whenever practicable require upon delivery that not less than 5 per centum of the purchase price of any agricultural commodities sold under title I of this Act be payable in dollars or in the types or kinds of currencies which can be converted into dollars;

“(l) obtain commitments from friendly purchasing countries that will insure, insofar as practicable, that food commodities sold for foreign currencies under title I of this Act shall be marked or identified at point of distribution or sale as being provided on a concessional basis to the recipient government through the generosity of the people of the United States of America, and obtain commitments from purchasing countries to publicize widely to their people, by public media and other means, that the commodities are being provided on a concessional basis through the friendship of the American people as food for peace;

“(m) require foreign currencies to be convertible to dollars to the extent consistent with the effectuation of the purposes of this Act, but in any event to the extent necessary to (1) permit that portion of such currencies made available for payment of United States obligations to be used to meet obligations or charges payable by the United States or any of its agencies to the government of the importing country or any of its agencies, and (2) in the case of excess currency countries, assure convertibility by sale to American tourists, or otherwise, of such additional amount (up to twenty-five per centum of the foreign currencies received pursuant to each agreement entered into after the effective date of the Food for Peace Act of 1966) as may be necessary to cover all normal expenditures of American tourists in the importing country;

“(n) take maximum precautions to assure that sales for dollars on credit terms under this Act shall not displace any sales of United States agricultural commodities which would otherwise be made for cash dollars.

“Sec. 104. Notwithstanding any other provision of law, the President may use or enter into agreements with foreign countries or international organizations to use the foreign currencies, including principal and interest from loan repayments, which accrue in connection with sales for foreign currencies under this title for one or more of the following purposes:

“(a) For payment of United States obligations (including obligations entered into pursuant to other legislation);
“(b) For carrying out programs of United States Government agencies to—

“(1) help develop new markets for United States agricultural commodities on a mutually benefitting basis. From sale proceeds and loan repayments under this title not less than the equivalent of 5 per centum of the total sales made each year under this title shall be set aside in the amounts and kinds of foreign currencies specified by the Secretary of Agriculture and made available in advance for use as provided by this paragraph over such period of years as the Secretary of Agriculture determines will most effectively carry out the purpose of this paragraph: Provided, That the Secretary of Agriculture may release such amounts of the foreign currencies so set aside as he determines cannot be effectively used for agricultural market development purposes under this section, except that no release shall be made until the expiration of thirty days following the date on which notice of such proposed release is transmitted by the President to the Senate Committee on Agriculture and Forestry and to the House Committee on Agriculture, if transmitted while Congress is in session, or sixty days following the date of transmittal if transmitted while Congress is not in session. Provision shall be made in sale and loan agreements for the convertibility of such amount of the proceeds thereof (not less than 2 per centum) as the Secretary of Agriculture determines to be needed to carry out the purpose of this paragraph in those countries which are or offer reasonable potential of becoming dollar markets for United States agricultural commodities. Such sums shall be converted into the types and kinds of foreign currencies as the Secretary deems necessary to carry out the provisions of this paragraph and such sums shall be deposited to a special Treasury account and shall not be made available or expended except for carrying out the provisions of this paragraph. Notwithstanding any other provision of law, if sufficient foreign currencies for carrying out the purpose of this paragraph in such countries are not otherwise available, the Secretary of Agriculture is authorized and directed to enter into agreements with such countries for the sale of agricultural commodities in such amounts as the Secretary of Agriculture determines to be adequate and for the use of the proceeds to carry out the purpose of this paragraph. In carrying out agricultural market development activities, nonprofit agricultural trade organizations shall be utilized to the maximum extent practicable. The purpose of this paragraph shall include such representation of agricultural industries as may be required during the course of discussions on trade programs relating either to individual commodities or groups of commodities:

“(2) finance international educational and cultural exchange activities under the programs authorized by the Mutual Educational and Cultural Exchange Act of 1961 (22 U.S.C. 2451 et seq.):

“(3) collect, collate, translate, abstract, and disseminate scientific and technological information and conduct research and support scientific activities overseas including programs and projects of scientific cooperation between the United States and other countries such as coordinated research
against diseases common to all of mankind or unique to individual regions of the globe, and promote and support programs of medical and scientific research, cultural and educational development, family planning, health, nutrition, and sanitation:

"(4) acquire by purchase, lease, rental, or otherwise, sites and buildings and grounds abroad, for United States Government use including offices, residence quarters, community and other facilities, and construct, repair, alter, and furnish such buildings and facilities;

"(5) finance under the direction of the Librarian of Congress, in consultation with the National Science Foundation and other interested agencies, (A) programs outside the United States for the analysis and evaluation of foreign books, periodicals, and other materials to determine whether they would provide information of technical or scientific significance in the United States and whether such books, periodicals, and other materials are of cultural or educational significance, (B) the registry, indexing, binding, reproduction, cataloging, abstracting, translating, and dissemination of books, periodicals, and related materials determined to have such significance; and (C) the acquisition of such books, periodicals, and other materials and the deposit thereof in libraries and research centers in the United States specializing in the areas to which they relate;

"(c) To procure equipment, materials, facilities, and services for the common defense including internal security;

"(d) For assistance to meet emergency or extraordinary relief requirements other than requirements for food commodities: Provided, That not more than a total amount equivalent to $5,000,000 may be made available for this purpose during any fiscal year;

"(e) For use to the maximum extent under the procedures established by such agency as the President shall designate for loans to United States business firms (including cooperatives) and branches, subsidiaries, or affiliates of such firms for business development and trade expansion in such countries, including loans for private home construction, and for loans to domestic or foreign firms (including cooperatives) for the establishment of facilities for aiding in the utilization, distribution, or otherwise increasing the consumption of, and markets for, United States agricultural products: Provided, however, That no such loans shall be made for the manufacture of any products intended to be exported to the United States in competition with products produced in the United States and due consideration shall be given to the continued expansion of markets for United States agricultural commodities or the products thereof. Foreign currencies may be accepted in repayment of such loans;

"(f) To promote multilateral trade and agricultural and other economic development, under procedures, established by the President, by loans or by use in any other manner which the President may determine to be in the national interest of the United States, particularly to assist programs of recipient countries designed to promote, increase, or improve food production, processing, distribution, or marketing in food-deficit countries friendly to the United States, for which purpose the President may utilize to the extent practicable the services of nonprofit voluntary agencies registered with and approved by the Advisory
Committee on Voluntary Foreign Aid: Provided, That no such funds may be utilized to promote religious activities;

“(g) For the purchase of goods or services for other friendly countries;

“(h) For financing, at the request of such country, programs emphasizing maternal welfare, child health and nutrition, and activities, where participation is voluntary, related to the problems of population growth, under procedures established by the President through any agency of the United States, or through any local agency which he determines is qualified to administer such activities;

“(i) for paying, to the maximum extent practicable, the costs outside the United States of carrying out the program authorized in section 406 of this Act; and

“(j) For sale for dollars to United States citizens and non-profit organizations for travel or other purposes of currencies determined to be in excess of the needs of departments and agencies of the United States for such currencies. The United States dollars received from the sale of such foreign currencies shall be deposited to the account of Commodity Credit Corporation:

Provided, That—

“(1) Section 1415 of the Supplemental Appropriation Act, 1953, shall apply to currencies used for the purposes specified in subsections (a) and (b),

“(2) Section 1415 of the Supplemental Appropriation Act, 1953, shall apply to all foreign currencies used for grants under subsections (f) and (g), to not less than 10 per centum of the foreign currencies which accrue pursuant to agreements entered into on or before December 31, 1964, and to not less than 20 per centum in the aggregate of the foreign currencies which accrue pursuant to agreements entered into thereafter: Provided, however, That the President is authorized to waive such applicability of section 1415 in any case where he determines that it would be inappropriate or inconsistent with the purposes of this title,

“(3) No agreement or proposal to grant any foreign currencies (except as provided in subsection (c) of this section), or to use (except pursuant to appropriation Act) any principal or interest from loan repayments under this section shall be entered into or carried out until the expiration of thirty days following the date on which such agreement or proposal is transmitted by the President to the Senate Committee on Agriculture and Forestry and to the House Committee on Agriculture, if transmitted while Congress is in session, or sixty days following the date of transmittal if transmitted while Congress is not in session,

“(4) Any loan made under the authority of this section shall bear interest at such rate as the President may determine but not less than the cost of funds to the United States Treasury, taking into consideration the current average market yields on outstanding marketable obligations of the United States having maturity comparable to the maturity of such loans, unless the President shall in specific instances after consultation with the advisory committee established under section 407 designate a different rate:

Provided, further, That paragraphs (2), (3), and (4) of the foregoing proviso shall not apply in the case of any nation where the foreign currencies or credits owned by the United States and available for use by it in such nation are determined by the Secretary of the Treasury to be in excess of the normal requirements of the departments and agencies of the United States for expenditures in such

nations for the two fiscal years following the fiscal year in which such determination is made. The amount of any such excess shall be devoted to the extent practicable and without regard to paragraph (1) of the foregoing proviso, to the acquisition of sites, buildings, and grounds under paragraph (4) of subsection (b) of this section and to assist such nation in undertaking self-help measures to increase its production of agricultural commodities and its facilities for storage and distribution of such commodities. Assistance under the foregoing provision shall be limited to self-help measures additional to those which would be undertaken without such assistance. Upon the determination by the Secretary of the Treasury that such an excess exists with respect to any nation, the President shall advise the Senate Committee on Agriculture and Forestry and the House Committee on Agriculture of such determination; and shall thereafter report to each such committee as often as may be necessary to keep such Committee advised as to the extent of such excess, the purposes for which it is used or proposed to be used, and the effects of such use.

"Sec. 105. Foreign currencies received pursuant to this Act shall be deposited in a special account to the credit of the United States and shall be used only pursuant to section 104, and any department or agency of the Government using any of such currencies for a purpose for which funds have been appropriated shall reimburse the Commodity Credit Corporation in an amount equivalent to the dollar value of the currencies used. The President shall utilize foreign currencies received pursuant to this Act in such manner as will, to the maximum extent possible, reduce any deficit in the balance of payments of the United States.

"Sec. 106. (a) Payment by any friendly country for commodities purchased for dollars on credit shall be upon terms as favorable to the United States as the economy of such country will permit. Payment for such commodities shall be in dollars with interest at such rates as the Secretary may determine but not less than the minimum rate required by section 201 of the Foreign Assistance Act of 1961 for loans made under that section. Payment may be made in reasonable annual amounts over periods of not to exceed twenty years from the date of the last delivery of commodities in each calendar year under the agreement, except that the date for beginning such annual payment may be deferred for a period not later than two years after such date of last delivery, and interest shall be computed from the date of such last delivery. Delivery of such commodities shall be made in annual installments for not more than ten years following the date of the sales agreement and subject to the availability of the commodities at the time delivery is to be made.

"(b) Agreements hereunder for the sale of agricultural commodities for dollars on credit terms shall include provisions to assure that the proceeds from the sale of the commodities in the recipient country are used for such economic development purposes as are agreed upon in the sales agreement or any amendment thereto.

"Sec. 107. (a) It is also the policy of the Congress to stimulate and maximize the sale of United States agricultural commodities for dollars through the private trade and to further the use of private enterprise to the maximum, thereby strengthening the development and expansion of foreign commercial markets for United States agricultural commodities. In furtherance of this policy, the Secretary of Agriculture is authorized, notwithstanding any other provision of law, to enter into agreements with foreign and United States private trade for financing the sale of agricultural commodities for export over
such periods of time and on such credit terms as the Secretary deter-
mines will accomplish the objectives of this section. Any agreement
entered into under this section shall provide for the development and
execution of projects which will result in the establishment of facilities
designed to improve the storage or marketing of agricultural com-
modities, or which will otherwise stimulate and expand private eco-
nomic enterprise in any friendly country. Any agreement entered
into under this section shall also provide for the furnishing of such
security as the Secretary determines necessary to provide reasonable
and adequate assurance of payment of the purchase price in dollars
with interest at a rate which will as nearly as practicable be equiva-

tent to the average cost of funds to the United States Treasury, as
determined by the Secretary of the Treasury, on outstanding market-
able obligations of the United States having maturities comparable to
maturities of credits extended under this section. In no event shall
the rate of interest be less than the minimum rate, or the delivery
period, deferral of first payment, or term of credit be longer than the
maximum term, authorized in section 106. In carrying out this Act,
the authority provided in this section for making dollar sales shall be
used to the maximum extent practicable.

"(b) In carrying out the provisions of this section, the Secretary
shall take reasonable precautions to safeguard usual marketings of the
United States and to avoid displacing any sales of United States agri-
cultural commodities which the Secretary finds and determines would
otherwise be made for cash dollars.

"(c) The Secretary shall obtain commitments from purchasers that
will prevent resale or transshipment to other countries, or use for other
than domestic purposes, of agricultural commodities purchased under
this section.

"(d) In carrying out this Act, the provisions of sections 102, 103(a),
103(d), 103(e), 103(f), 103(j), 103(k), 110, 401, 402, 403, 404, 405,
407, 408, and 409 shall be applicable to sales under this section.

"Sec. 108. The Commodity Credit Corporation may finance ocean
freight charges incurred pursuant to agreements for sales for foreign
currencies (other than those providing for conversion to dollars as
described in section 103(b) of this Act) entered into hereunder only to
the extent that such charges are higher (than would otherwise be the
case) by reason of a requirement that the commodities be transported
in United States-flag vessels. Such agreements shall require the bal-
ance of such charges for transportation in United States vessels to be
paid in dollars by the nations or organizations with whom such agree-
ments are entered into.

"Sec. 109. (a) Before entering into agreements with developing
countries for the sale of United States agricultural commodities on
whatever terms, the President shall consider the extent to which the
recipient country is undertaking whenever practicable self-help meas-
ures to increase per capita production and improve the means for
storage and distribution of agricultural commodities, including:

"(1) devoting land resources to the production of needed food
rather than to the production of nonfood crops—especially non-
food crops in world surplus;

"(2) development of the agricultural chemical, farm machinery
and equipment, transportation and other necessary industries
through private enterprise;

"(3) training and instructing farmers in agricultural methods
and techniques;

"(4) constructing adequate storage facilities;

"(5) improving marketing and distribution systems;
“(6) creating a favorable environment for private enterprise and investment, both domestic and foreign, and utilizing available technical know-how;
“(7) establishing and maintaining Government policies to insure adequate incentives to producers; and
“(8) establishing and expanding institutions for adaptive agricultural research; and
“(9) allocating for these purposes sufficient national budgetary and foreign exchange resources (including those supplied by bilateral, multilateral and consortium aid programs) and local currency resources (resulting from loans or grants to recipient governments of the proceeds of local currency sales).
“(b) Notwithstanding any other provisions of this Act, in agreements with nations not engaged in armed conflict against Communist forces or against nations with which the United States has no diplomatic relations, not less than 20 per centum of the foreign currencies set aside for purposes other than those in sections 104(a), (b), (e), and (j) shall be allocated for the self-help measures set forth in this section.
“(c) Each agreement entered into under this title shall describe the program which the recipient country is undertaking to improve its production, storage, and distribution of agricultural commodities; and shall provide for termination of such agreement whenever the President finds that such program is not being adequately developed.
“Sec. 110. Agreements shall not be entered into under this title during any calendar year which will call for an appropriation to reimburse the Commodity Credit Corporation in an amount in excess of $1,900,000,000, plus any amount by which agreements entered into under this title in prior years have called or will call for appropriations to reimburse the Commodity Credit Corporation in amounts less than authorized for such prior years.”

(C) By amending title II to read as follows:

“TITLE II

“Sec. 201. The President is authorized to determine requirements and furnish agricultural commodities, on behalf of the people of the United States of America, to meet famine or other urgent or extraordinary relief requirements; to combat malnutrition, especially in children; to promote economic and community development in friendly developing areas; and for needy persons and nonprofit school lunch and preschool feeding programs outside the United States. The Commodity Credit Corporation shall make available to the President such as agricultural commodities determined to be available under section 401 as he may request.
“Sec. 202. The President may furnish commodities for the purposes set forth in section 201 through such friendly governments and such agencies, private or public, including intergovernmental organizations such as the world food program and other multilateral organizations in such manner and upon such terms and conditions as he deems appropriate. The President shall, to the extent practicable, utilize nonprofit voluntary agencies registered with, and approved by, the Advisory Committee on Voluntary Foreign Aid. In so far as practicable, all commodities furnished hereunder shall be clearly identified by appropriate marking on each package or container in the language of the locality where they are distributed as being furnished by the people of the United States of America. The assistance to needy persons shall in so far as practicable be directed toward community
and other self-help activities designed to alleviate the causes of the need for such assistance. Except in the case of emergency, the President shall take reasonable precaution to assure that commodities furnished hereunder will not displace or interfere with sales which might otherwise be made.

"Sec. 203. The Commodity Credit Corporation may, in addition to the cost of acquisition, pay with respect to commodities made available under this title costs for packaging, enrichment, preservation, and fortification; processing, transportation, handling, and other incidental costs up to the time of their delivery free on board vessels in United States ports; ocean freight charges from United States ports to designated ports of entry abroad, or, in the case of landlocked countries, transportation from United States ports to designated points of entry abroad; and charges for general average contributions arising out of the ocean transport of commodities transferred pursuant thereto.

"Sec. 204. Programs of assistance shall not be undertaken under this title during any calendar year which call for an appropriation of more than $600,000,000 to reimburse the Commodity Credit Corporation for all costs incurred in connection with such programs (including the Corporation's investment in commodities made available) plus any amount by which programs of assistance undertaken under this title in the preceding calendar year have called or will call for appropriations to reimburse the Commodity Credit Corporation in amounts less than were authorized for such purpose during such preceding year. In addition to other funds available for such purposes under any other Act, funds made available under this title may be used in an amount not exceeding $7,500,000 annually to purchase foreign currencies accruing under title I of this Act in order to meet costs (except the personnel and administrative costs of cooperating sponsors, distributing agencies, and recipient agencies, and the costs of construction or maintenance or any church owned or operated edifice or any other edifices to be used for sectarian purposes) designed to assure that commodities made available under this title are used to carry out effectively the purposes for which such commodities are made available or to promote community and other self-help activities designed to alleviate the causes of the need for such assistance: Provided, however, That such funds shall be used only to supplement and not substitute for funds normally available for such purposes from other non-United States Government sources.

"Sec. 205. It is the sense of the Congress that the President should encourage other advanced nations to make increased contributions for the purpose of combating world hunger and malnutrition, particularly through the expansion of international food and agricultural assistance programs. It is further the sense of the Congress that as a means of achieving this objective, the United States should work for the expansion of the United Nations World food program beyond its present established goals."

(D) By changing the designation "TITLE III—GENERAL PROVISIONS" to "TITLE III" and by striking out sections 304, 305, 306, 307, and 308.

(E) By amending title IV to read as follows:

"TITLE IV

"Sec. 401. After consulting with other agencies of the Government affected and within policies laid down by the President for implementing this Act, and after taking into account productive capacity,
domestic requirements, farm and consumer price levels, commercial exports, and adequate carryover, the Secretary of Agriculture shall determine the agricultural commodities and quantities thereof available for disposition under this Act, and the commodities and quantities thereof which may be included in the negotiations with each country. No commodity shall be available for disposition under this Act if such disposition would reduce the domestic supply of such commodity below that needed to meet domestic requirements, adequate carryover, and anticipated exports for dollars as determined by the Secretary of Agriculture at the time of exportation of such commodity.

"Sec. 402. The term 'agricultural commodity' as used in this Act shall include any agricultural commodity produced in the United States or product thereof produced in the United States: Provided, however, That the term 'agricultural commodity' shall not include alcoholic beverages, and for the purposes of title II of this Act, tobacco or products thereof. Subject to the availability of appropriations therefor, any domestically produced fishery product may be made available under this Act.

"Sec. 403. There are hereby authorized to be appropriated such sums as may be necessary to carry out this Act including such amounts as may be required to make payments to the Commodity Credit Corporation, to the extent the Commodity Credit Corporation is not reimbursed under sections 104(j) and 105, for its actual costs incurred or to be incurred. In presenting his budget, the President shall classify expenditures under this Act as expenditures for international affairs and finance rather than for agriculture and agricultural resources.

"Sec. 404. The programs of assistance undertaken pursuant to this Act shall be directed toward the attainment of the humanitarian objectives and national interest of the United States.

"Sec. 405. The authority and funds provided by this Act shall be utilized in a manner that will assist friendly countries that are determined to help themselves toward a greater degree of self-reliance in providing enough food to meet the needs of their people and in resolving their problems relative to population growth.

"Sec. 406. (a) In order to further assist friendly developing countries to become self-sufficient in food production, the Secretary of Agriculture is authorized, notwithstanding any other provision of law—

"(1) To establish and administer through existing agencies of the Department of Agriculture a program of farmer-to-farmer assistance between the United States and such countries to help farmers in such countries in the practical aspects of increasing food production and distribution and improving the effectiveness of their farming operations;

"(2) To enter into contracts or other cooperative agreements with, or make grants to, land-grant colleges and universities and other institutions of higher learning in the United States to recruit persons who by reason of training, education, or practical experience are knowledgeable in the practical arts and sciences of agriculture and home economics, and to train such persons in the practical techniques of transmitting to farmers in such countries improved practices in agriculture, and to participate in carrying out the program in such countries including, where desirable, additional courses for training or retraining in such countries:

"(3) To consult and cooperate with private non-profit farm organizations in the exchange of farm youth and farm leaders with develop-
ing countries and in the training of farmers of such developing countries within the United States or abroad;

"(4) To conduct research in tropical and subtropical agriculture for the improvement and development of tropical and subtropical food products for dissemination and cultivation in friendly countries;

"(5) To coordinate the program authorized in this section with the activities of the Peace Corps, the Agency for International Development, and other agencies of the United States and to assign, upon agreement with such agencies, such persons to work with and under the administration of such agencies: Provided, That nothing in this section shall be construed to infringe upon the powers or functions of the Secretary of State:

"(6) To establish by such rules and regulations as he deems necessary the conditions for eligibility and retention in and dismissal from the program established in this section, together with the terms, length and nature of service, compensation, employee status, oaths of office, and security clearances, and such persons shall be entitled to the benefits and subject to the responsibilities applicable to persons serving in the Peace Corps pursuant to the provisions of section 612, volume 73 of the Statutes at Large, as amended; and

"(7) To the maximum extent practicable, to pay the costs of such program through the use of foreign currencies accruing from the sale of agricultural commodities under this Act, as provided in section 104(f).

"(b) There are hereby authorized to be appropriated not to exceed $33,000,000 during any fiscal year for the purpose of carrying out the provisions of this section.

"Sec. 407. There is hereby established an advisory committee composed of the Secretary of State, the Secretary of the Treasury, the Secretary of Agriculture, the Director of the Bureau of the Budget, the Administrator of the Agency for International Development, the chairman, the vice chairman and the two ranking minority members of the House Committee on Agriculture and the House Committee on Foreign Affairs, and the chairman, the next ranking majority member and the two ranking minority members of the Senate Committee on Agriculture and Forestry and the Senate Committee on Foreign Relations. Section 5 (D.C. Code, sec. 31-1522) is amended by adding the following new subsections:

"(c) The Board of Education, with the concurrence of the Board of Commissioners of the District of Columbia, is authorized to establish a position which shall be designated 'teacher-aide (noninstructional)'. Such positions shall be classified, in accordance with sections 5102 and 5106 of title 5, United States Code, at a grade not higher than GS-4, and shall be compensated in accordance with the General Schedule in section 5333(a) of title 5, United States Code. The minimum qualification for appointment to such position shall be successful completion of at least sixty semester hours at an accredited junior college, college, or university. A person appointed to such position shall be a non-instructional employee, and his primary duty shall be to assist the instructional staff in tasks related to instruction. The total of the number of teacher-aides (noninstructional) appointed under this Act and the number of persons appointed under any other Act to perform in the public school system of the District of Columbia the same duties as teacher-aides (noninstructional) shall at no time exceed 5 per centum of the number of classroom teachers in salary class 15.

"(d) The initial assignment of each position of school principal in the public school system of the District of Columbia to one of the four principal levels within salary class 6 of the salary schedule in section 1 of this Act shall be made in accordance with the following provisions:

"(1) Within 60 days following the date of enactment of this subsection, the Board of Education, with the cooperation of the Board of Commissioners of the District of Columbia, shall assign each position of school principal to one of the four principal levels within salary class 6 of the salary schedule in section 1. Such assignment shall be made on the basis of an evaluation by the Board of Education, with the cooperation of the Commissioners of the District of Columbia, of the duties and responsibilities of each position of school principal in the school administered by the person holding such position. Such evaluation shall be based on (A) such workload factors as (i) the academic program, (ii) the number of teachers, nonteaching personnel, and other professional and nonprofessional personnel supervised, (iii) school enrollment, (iv) cocurricular activities, (v) extracurricular activities, and (vi) community activities; and (B) such other factors as the Board of Education deems appropriate. The initial assignment of a position of school principal to a principal level within salary class 6 shall be effective on the effective date of this subsection.

"(2) In the case of a person holding the position of school principal on the effective date of this subsection, the initial assignment of the position held by such person to one of the four principal levels within salary class 6 shall not (A) affect the group and service step occupied by such person, or (B) for the period during which such person holds such position, reduce his rate of compensation below the rate of compensation to which he was entitled immediately prior to such effective date."
(3) During the period beginning on such effective date and ending on the date of such initial assignment, each person holding the position of school principal on such effective date shall have his compensation fixed in accordance with the rate of compensation prescribed for that service step, corresponding to his creditable years of service, of principal level I in that group within salary class 6 which corresponds to his academic qualifications. Each such person shall be paid for such period the difference, if any, between the amount of compensation he received during such period and the amount of compensation that he would have been paid during such period if his compensation had been fixed in accordance with the rate of compensation prescribed for the principal level in salary class 6 to which his position was assigned.

(e) On July 1, 1967, and on July 1 of each year thereafter, the Board of Education, with the cooperation of the Board of Commissioners of the District of Columbia, shall evaluate the duties and responsibilities of each position of school principal on the basis of the factors prescribed in paragraph (1) of subsection (d) to determine whether the principal level within salary class 6 to which such position is assigned is commensurate to the duties and responsibilities of such position. The Board of Education may assign a position of school principal to a different principal level within salary class 6 only if it determines on the basis of three consecutive annual evaluations that such assignment should be made. A person holding a position of school principal which the Board of Education has assigned to a different principal level shall not be placed in a lower service step in the new principal level than the service step he occupied immediately prior to such assignment.

(5) Subsection (a) of section 7 (D.C. Code, sec. 31-1532(a)) is amended to read as follows:

Persons appointed to the position of shop teacher in the vocational education program shall receive one year of placement credit for each year of approved experience in the vocational education program and for each year of satisfactory service in the District of Columbia public schools in any other position of education approved by the Commissioner of Education as within the vocational education program.

"(2) Salary placement credit for service rendered either inside or outside the public school system of the District of Columbia shall be effective on the date of appointment or on the first day of the twelfth month prior to the date of approval of such placement credit by the Board, whichever is later.

"(3) Each probationary or permanent employee in salary class 15 who is in the employ of the Board of Education on the effective date of this paragraph shall move to the numerical service step or longevity step, as the case may be, commensurate with the additional creditable service allowed such employee under the amendments made by the District of Columbia Teachers' Salary Act Amendments of 1966."

"(2) Temporary employees in salary class 15 with fifteen or more total years of satisfactory service in the District of Columbia public schools shall be advanced to service step 10, effective July 1, 1966.
