ENACTED DURING THE
FIRST SESSION OF THE NINETY-EIGHTH CONGRESS
OF THE
UNITED STATES OF AMERICA

Begun and held at the City of Washington on Monday, January 3, 1983, and adjourned sine
die on Friday, November 18, 1983. RONALD REAGAN, President; GEORGE BUSH, Vice
President; THOMAS P. O’NEILL, JR., Speaker of the House of Representatives.
PUBLIC LAW 98-1—FEB. 15, 1983

Public Law 98-1
98th Congress

An Act

To designate a “Nancy Hanks Center” and the “Old Post Office Building” in Washington, District of Columbia, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Congress hereby finds and declares—

(1) Nancy Hanks served as Chairman of the National Endowment for the Arts from 1969 to 1977 and during that period presided with distinction over a substantial increase in support for the arts in the United States;

(2) she provided wise leadership in defining a proper role for the Federal Government in the cultural life of the Nation, and safeguarding the creative integrity of artists and arts institutions against Government interference;

(3) her wide-ranging interests in the arts, including architecture, led her to promote initiatives to improve the quality of Federal buildings and to work tirelessly to secure the preservation and renovation of the Old Post Office Building as a headquarters for Federal cultural agencies and as a site for cultural and commercial activities that would enliven the building and its surroundings; and

(4) the renovation of the Old Post Office Building, its occupancy in this year 1983 by Federal cultural agencies and commercial enterprises and its impending use for public performances and exhibits are due in large measure to the foresightedness, persuasiveness, intellect, and vigor of Nancy Hanks.

Sec. 2. There is hereby designated the “Nancy Hanks Center” in Washington, District of Columbia, comprising the building located on the south side of Pennsylvania Avenue, Northwest, between Eleventh and Twelfth Streets which is known as and hereby designated the “Old Post Office Building”, the plaza adjoining said building to the east and other immediately adjacent grounds, and the public use spaces within the Old Post Office Building, which include but are not limited to the commercial and performing areas known as the Pavilion and the clock-observation tower.

Sec. 3. (a) The Administrator of General Services, in consultation with the Chairman of the National Endowment for the Arts and the Chairman of the National Endowment for the Humanities, shall erect at suitable locations at the Nancy Hanks Center appropriate markers or displays commemorating the accomplishments of Nancy Hanks in the fields of government and culture and describing her actions and those of others in Government and private life that led to the renovation and mixed-use development of the Old Post Office Building.

(b) The Administrator of General Services is authorized to expend for the purposes of subparagraph (a) of this section a sum not to exceed $50,000 available in any fiscal year out of revenues and collections deposited into the fund established pursuant to section
210(f) of the Federal Property and Administrative Services Act of 1949, as amended, and any additional contributions of money provided to him by private individuals or organizations for these purposes within six months of enactment of this Act.

Sec. 4. The Administrator of General Services shall execute an agreement with the Secretary of the Interior providing for operation of the observation tower in the Old Post Office Building by the National Park Service and further providing, if necessary, for transfer to the National Park Service in fiscal year 1983 and each succeeding fiscal year, out of revenues and collections from the Old Post Office Building deposited into the fund established pursuant to section 210(f) of the Federal Property and Administrative Services Act of 1949, as amended, such sums as may be necessary to operate the observation tower.

Approved February 15, 1983.
Public Law 98-2
98th Congress

Joint Resolution

To direct the President to issue a proclamation designating February 16, 1983, as "Lithuanian Independence Day".

Whereas February 16, 1983, marks the sixty-fifth anniversary of the declaration of independence of Lithuania;
Whereas on February 16, 1918, the Council of Lithuania, the sole representative of the Lithuanian people, in conformity with the recognized right to national self-determination, proclaimed the restitution of the independent and democratic state of Lithuania and declared rupture of all ties which formally bound Lithuania to other nations;
Whereas a free Lithuania existed until the Soviet takeover in 1940;
Whereas the United States opposes tyranny and injustice in all forms and supports the cause of a free Lithuania;
Whereas all Americans of Lithuanian descent protest the Soviet presence in the land of their ancestors; and
Whereas the oppressed people currently living in Lithuania should keep the flame of freedom forever burning in their hearts: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President shall issue a proclamation designating February 16, 1983, as "Lithuanian Independence Day" and calling on the people of the United States to celebrate such day with appropriate ceremonies and activities.

Joint Resolution

Mar. 8, 1983

Providing that the week containing March 8, 1983, shall be designated as “Women's History Week”.

Whereas American women of every race, class, and ethnic background helped found the Nation in countless recorded and unrecorded ways as servants, slaves, nurses, nuns, homemakers, industrial workers, teachers, reformers, soldiers, pioneers; and in professions and occupations representative of all walks of life;

Whereas American women have played and continue to play a critical economic, cultural, and social role in every sphere of our Nation's life by constituting a significant portion of the labor force working in and outside of the home;

Whereas American women have played a unique role throughout our history by providing the majority of the Nation's volunteer labor force and have been particularly important in the establishment of early charitable philanthropic and cultural institutions in the country;

Whereas American women of every race, class, and ethnic background served as early leaders in the forefront of every major progressive social change movement, not only to secure their own right of suffrage and equal opportunity, but also in the abolitionist movement, the emancipation movement, the industrial labor union movement, and the modern civil rights movement; and

Whereas despite these contributions, the role of American women in history has been consistently overlooked and undervalued in the body of American history: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week containing March 8, 1983, is designated as “Women's History Week”, and the President is requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate ceremonies and activities.

LEGISLATIVE HISTORY—S.J. Res. 21:

Feb. 24, considered and passed Senate.
Mar. 3, considered and passed House.
An Act

Making appropriations to provide productive employment for hundreds of thousands of jobless Americans, to hasten or initiate Federal projects and construction of lasting value to the Nation and its citizens, and to provide humanitarian assistance to the indigent for fiscal year 1983, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year 1983, and for other purposes in order to increase the wealth of the Nation, putting women and men back to productive work made necessary by the conditions described as follows:

TITLE I—MEETING OUR ECONOMIC PROBLEMS WITH ESSENTIAL AND PRODUCTIVE JOBS

CONGRESSIONAL FINDINGS

It is the sense of the Congress that the continued economic recession has resulted in nearly fourteen million unemployed Americans, including those no longer searching for work, rivaling the actual numbers of unemployed during the Great Depression. Other millions work only part-time due to the lack of full-time gainful employment. The annual cost of unemployment compensation has reached the staggering total of $32,000,000,000. The hardships occasioned by the recession have been much more severe in terms of duration of unemployment and reduced percentage of unemployed receiving jobless benefits than in previous recessions.

Actual filings of business related bankruptcies for the year ending June 30, 1982, reached a total of seventy-seven thousand as compared with a prior year figure of sixty-six thousand. Business failures are up 49 per centum compared to one year ago. Delinquencies are many times greater. The American farmers are more than $215,000,000,000 in debt. Hundreds of thousands of farmers are faced with bankruptcy.

It is essential that interest rates, which have been reduced following a General Accounting Office investigation of the Federal Reserve System at the request of the Committee on Appropriations on April 26, 1982, continue at present or lower rates with due regard for controlling inflation so as not to have an opposite effect of driving interest rates upward for business, industrial and agricultural recovery.

Under these circumstances, the Congress finds that a program to provide for neglected needs of the Nation which results in productive jobs, and to provide humanitarian assistance to the indigent and homeless, to be very strongly in the national interest.
REDUCING AND STABILIZING INTEREST RATES

It is the sense of the Congress that the Board of Governors of the Federal Reserve and the Federal Open Market Committee with due regard for controlling inflation so as not to have an opposite effect of driving interest rates upward should continue such actions as are necessary to achieve and maintain a level of interest rates low enough to generate significant economic growth and thereby reduce the current intolerable level of unemployment as they have since the Committee on Appropriations on April 26, 1982 obtained an investigation of the Federal Reserve System by the General Accounting Office.

As Representative for the First Congressional District he worked with, and provided major assistance to, local groups, officials of the city of Susanville and the county of Lassen, the Bureau of Land Management, the Forest Service, and the Trust for Public Land in implementing plans for the project.

Sec. 302. hereafter shall be known as the "Bizz Johnson Trail". "Bizz" Johnson toward the protection of undeveloped scenic areas of northern California for the use and enjoyment of the American people, in perpetuity.

Joint Resolution

To commemorate the two hundredth anniversary of the signing of the Treaty of Amity and Commerce between Sweden and the United States.

Whereas Sweden was the first nation that did not participate in the Revolutionary War to enter into a treaty of friendship and commerce with the United States;

Whereas close and friendly diplomatic, cultural, and trade relations have existed between Sweden and the United States over the years, virtually since the foundation of this Republic;

Whereas emigration from Sweden to the United States has established a strong Swedish-American culture;

Whereas nearly five million Americans are of Swedish ancestry;

Whereas Sweden and the United States share a strong democratic tradition, and commitments to fundamental individual rights of freedom of speech, religion, and assembly;

Whereas the United States and Sweden have acted vigorously to strengthen international dispute resolution mechanisms;

Whereas April 3, 1983, marks the two hundredth anniversary of the signing of the Swedish-American treaty negotiated by Benjamin Franklin and the Swedish Ambassador to France, Count Gustaf Philip Creutz;

Whereas, in commemoration of the bicentennial, the Speaker of the Swedish Parliament, Ingemund Bengtsson, will visit Congress in April: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is authorized and requested to issue a proclamation designating Monday, April 4, 1983, as “Swedish-American Friendship Day” and that a copy of this resolution be presented to Speaker Bengtsson to be received on behalf of the Swedish people.

Whereas the game of baseball having originated in the United States of America; and

Whereas the game of baseball having engendered exceptional interest among the people of this Nation, both as a participant and as a spectator sport, to the extent that it has long been acknowledged as "The National Pastime"; and

Whereas some nineteen million amateur players annually participate in the game of baseball in the United States; and

Whereas many more millions of Americans are spectators each year at amateur baseball games involving players of virtually every age; and

Whereas the game of baseball, while providing wholesome recreational competition, teaches the desirable goals of sportsmanship and teamwork so necessary in developing good citizenship; and

Whereas amateur baseball organizations in the United States have taken the lead in a worldwide effort to obtain recognition of the importance of baseball by the Olympic movement to the extent that the 1984 Olympic games in Los Angeles will include baseball; and

Whereas amateur baseball is made possible by the contributions of time, effort, and financial support of countless millions of individuals from a wide range of business, industrial, fraternal, civic, religious, and service organizations of the United States; and

Whereas it is appropriate to honor and to pay tribute to all those associated on the amateur level with the "game of baseball"; Now, therefore, be it

LEGISLATIVE HISTORY—S. 926:

Joint Resolution

To provide for the designation of May 1983 as “National Arthritis Month”.

Whereas arthritis is one of our Nation’s leading health problems, striking as many as thirty-five million Americans;
Whereas arthritis is America’s number one crippling disease, disabling over seven million persons including infants, children, and working-age adults as well as the elderly;
Whereas the incidence of arthritis is increasing by one million new victims each year;
Whereas there are more than one hundred distinct disease entities classified as rheumatic, each with a distinct pathogenesis, symptoms, and course of treatment;
Whereas the economic cost of arthritis is a major burden on the Nation, now estimated to be as much as $25,000,000,000 each year;
Whereas it is estimated that, by the year 2000, arthritis will cost the Nation as much as $96,800,000,000 in health care expenditures;
Whereas research on rheumatic diseases is critically underfunded and, as a result, scientists are unable to investigate adequately the myriad causes of and potential cures for, such diseases;
Whereas greater interagency cooperation at all levels of government can greatly improve treatment and services for persons with arthritis;
Whereas scientific understanding of the causes of several forms of arthritis has increased dramatically over the past decade, notwithstanding limited research funding;
Whereas State vocational rehabilitation, aging, and other agencies are not sufficiently staffed or trained to aid and inform persons with arthritis;
Whereas employers need to be made aware of the opportunities for retaining employees with arthritis through programs of medical assistance and rehabilitation;
Whereas the many research, education, information, and patient services of the Arthritis Foundation are not sufficiently well known to the American public;
Whereas the people of the United States, and educational, philanthropic, scientific, medical and health professionals, businesses, governments, and other organizations should be encouraged to provide the necessary attention and resources to combat arthritis in its many forms, and to discover causes and cures, prevent disease and disability, and improve treatment; and
Whereas a healthy nation is a strong nation, and the attention of all Americans should be directed to the need to reduce the ravaging impact of this chronic disabling disease upon our society: Now, therefore, be it
Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President shall issue a proclamation designating May 1983 as “National Arthritis Month”, and calling upon the people of the United States to observe such month with appropriate ceremonies and activities.

Approved April 5, 1983.

Public Law 98–19
98th Congress

Joint Resolution

To authorize and request the President to designate the week of April 10, 1983, through April 16, 1983, as “National Mental Health Week”.

Whereas the cost of excessive stress and mental disorders to our Nation is estimated to be $65,000,000,000 annually;

Whereas in one out of every three American families there is a member with some type of mental illness and 20 per centum of our population is in need of some form of mental health treatment at any one time;

Whereas more than 25 per centum of all elderly persons mistakenly judged to be senile have a treatable mental disorder, and 80 per centum of all diseases are psychosomatic or stress related and account for a large majority of all hospital admissions;

Whereas persons with mental illness have been shown to be excessive users of unnecessary medical and surgical services, and mental health treatment provides an effective cost-containment tool by reducing these more costly and unnecessary services;

Whereas mental illness is a treatable disability, with nearly two-thirds of all mentally ill patients showing significant signs of improvement or recovery after treatment; and

Whereas it is fitting that the support and treatment provided the mentally disabled by family members, volunteers, and qualified health professionals be recognized, encouraged, and honored:

Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is authorized and requested to issue a proclamation designating the week of April 10, 1983, through April 16, 1983, as “National Mental Health Week”, and calling upon the people of the United States to observe the week with appropriate programs, ceremonies, and activities.

Whereas the Congress recognizes that an understanding of the heritage of all American ethnic groups contributes to the unity of our country; and

Whereas intergroup understanding can be further fostered through an appreciation of the culture, history, and traditions of the Jewish community and the contributions of Jews to our country and society; and

Whereas the months of March, April, and May contain events of major significance in the Jewish calendar—Passover, the anniversary of the Warsaw Ghetto Uprising, Israeli Independence Day, Solidarity Sunday for Soviet Jewry, and Jerusalem Day: Now, therefore, be it

COST-OF-LIVING INCREASES TO BE BASED ON EITHER WAGES OR PRICES (WHICHER IS LOWER) WHEN BALANCE IN OASDI TRUST FUNDS FALLS BELOW SPECIFIED LEVEL

Sec. 112. (a) Section 215(i)(1) of the Social Security Act is amended—

(1) by striking out “in which” in subparagraph (B) and all that follows down through the first semicolon in such subparagraph and inserting in lieu thereof “with respect to which the applicable increase percentage is 3 percent or more”;

(2) by striking out “and” at the end of subparagraph (B);

(3) by redesignating subparagraph (C) as subparagraph (H); and

(4) by inserting after subparagraph (B) the following new subparagraphs:

“(C) the term ‘applicable increase percentage’ means—

“(i) with respect to a base quarter or cost-of-living computation quarter in any calendar year before 1984, or in any calendar year after 1983 and before 1989 for which the OASDI fund ratio is 15.0 percent or more, or in any calendar year after 1988 for which the OASDI fund ratio is 20.0 percent or more, the CPI increase percentage; and

“(ii) with respect to a base quarter or cost-of-living computation quarter in any calendar year after 1983 and before 1989 for which the OASDI fund ratio is less than 15.0 percent, or in any calendar year after 1988 for which the OASDI fund ratio is less than 20.0 percent, the CPI increase percentage or the wage increase percentage, whichever (with respect to that quarter) is the lower;

“(D) the term ‘CPI increase percentage’, with respect to a base quarter or cost-of-living computation quarter in any calendar year, means the percentage (rounded to the nearest one-tenth of 1 percent) by which the Consumer Price Index for that quarter (as prepared by the Department of Labor) exceeds such index for the most recent prior calendar quarter which was a base quarter under subparagraph (A)(ii) or, if later, the most recent cost-of-living computation quarter under subparagraph (B);

“(E) the term ‘wage increase percentage’, with respect to a base quarter or cost-of-living computation quarter in any calendar year, means the percentage (rounded to the nearest one-
tenth of 1 percent) by which the SSA average wage index for the
year immediately preceding such calendar year exceeds such
index for the year immediately preceding the most recent prior
calendar year which included a base quarter under subparagraph (A)(ii) or, if later, which included a cost-of-living computa-
tion quarter;

“(F) the term ‘OASDI fund ratio’, with respect to any calendar
year, means the ratio of—

“(i) the combined balance in the Federal Old-Age and
Survivors Insurance Trust Fund and the Federal Disability
Insurance Trust Fund as of the beginning of such year,
including the taxes transferred under section 201(a) on the
first day of such year and reduced by the outstanding
amount of any loan (including interest thereon) theretofore
made to either such Fund from the Federal Hospital Insur-
ance Trust Fund under section 201(i), to

“(ii) the total amount which (as estimated by the Secre-
tary) will be paid from the Federal Old-Age and Survivors
Insurance Trust Fund and the Federal Disability Insurance
Trust Fund during such calendar year for all purposes
authorized by section 201 (other than payments of interest
on, or repayments of, loans from the Federal Hospital
Insurance Trust Fund under section 201(i)), but excluding
any transfer payments between such trust funds and reduc-
ing the amount of any transfers to the Railroad Retirement
Account by the amount of any transfers into either such
trust fund from that Account;

“(G) the term ‘SSA average wage index’, with respect to any
calendar year, means the average of the total wages reported to
the Secretary of the Treasury r his delegate as determined for
purposes of subsection (b)(3)(A); and”.

(b) Section 215(i)(2)(A)(ii) of such Act is amended by striking out
“by the same percentage” and all that follows down through the
semicolon, in the sentence immediately following subdivision (III),
and inserting in lieu thereof “by the applicable increase percent-
age”;

(c) Section 215(i) of such Act is further amended by adding at the
end thereof the following new paragraph:

“(5)(A) If—

“(i) with respect to any calendar year the ‘applicable increase
percentage’ was determined under clause (ii) of paragraph (1)(C)
rather than under clause (i) of such paragraph, and the increase
becoming effective under paragraph (2) in such year was accord-
ingly determined on the basis of the wage increase percentage
rather than the CPI increase percentage (or there was no such
increase becoming effective under paragraph (2) in that year
because the wage increase percentage was less than 8 percent),
and

“(ii) for any subsequent calendar year in which an increase
under paragraph (2) becomes effective the OASDI fund ratio is
greater than 32.0 percent,

then each of the amounts described in subdivisions (I), (II), and (III)
of paragraph (2)(A)(ii), as increased under paragraph (2) effective
with the month of December in such subsequent calendar year, shall
be further increased (effective with such month) by an additional
percentage, which shall be determined under subparagraph (B) and
shall apply as provided in subparagraph (C).
"(B) The applicable additional percentage by which the amounts described in subdivisions (I), (II), and (III) of paragraph (2)(A)(ii) are to be further increased under subparagraph (A) in the subsequent calendar year involved shall be the amount derived by—

"(i) subtracting (I) the compounded percentage benefit increases that were actually paid under paragraph (2) and this paragraph from (II) the compounded percentage benefit increases that would have been paid if all increases under paragraph (2) had been made on the basis of the CPI increase percentage,

"(ii) dividing the difference by the sum of the compounded percentage in subdivision (I) and 100 percent, and

"(iii) multiplying such quotient by 100 and rounding to the nearest one-tenth of 1 percent,

with the compounded increases referred to in subdivisions (I) and (II) being measured—

"(iv) in the case of amounts described in subdivision (I) of paragraph (2)(A)(ii), over the period beginning with the calendar year in which monthly benefits described in such subdivision were first increased on the basis of the wage increase percentage and ending with such subsequent calendar year, and

"(v) in the case of amounts described in subdivisions (II) and (III) of paragraph (2)(A)(ii), over the period beginning with the calendar year in which the individual whose primary insurance amount is increased under such subdivision (II) initially became eligible for an old-age or disability insurance benefit, or died before becoming so eligible, and ending with such subsequent calendar year;

except that if the Secretary determines in any case that the application (in accordance with subparagraph (C)) of the additional percentage as computed under the preceding provisions of this subparagraph would cause the OASDI fund ratio to fall below 32.0 percent in the calendar year immediately following such subsequent year, he shall reduce such applicable additional percentage to the extent necessary to ensure that the OASDI fund ratio will remain at or above 32.0 percent through the end of such following year.

"(C) Any applicable additional percentage increase in an amount described in subdivision (I), (II), or (III) of paragraph (2)(A)(ii), made under this paragraph in any calendar year, shall thereafter be treated for all the purposes of this Act as a part of the increase made in such amount under paragraph (2) for that year.”.

(d)(1) Section 215(i)(2)(C) of such Act is amended by adding at the end thereof the following new clause:

"(iii) The Secretary shall determine and promulgate the OASDI fund ratio for the current calendar year and the SSA wage index for the preceding calendar year before November 1 of the current calendar year, based upon the most recent data then available, and shall include a statement of such fund ratio and wage index (and of the effect such ratio and the level of such index may have upon benefit increases under this subsection) in any notification made under clause (ii) and any determination published under subparagraph (D).”.

(2) Section 215(i)(4) of such Act (as amended by section 111(c) of this Act) is further amended by striking out “section 111 (a)(6) and (b)(2)” and inserting in lieu thereof “sections 111(a)(6), 111(b)(2), and 112".
(e) The amendments made by the preceding provisions of this section shall apply with respect to monthly benefits under title II of the Social Security Act for months after December 1983.

(f) Notwithstanding anything to the contrary in section 215(i)(1)(F) of the Social Security Act (as added by subsection (a)(4) of this section), the combined balance in the Trust Funds which is to be used in determining the "OASDI fund ratio" with respect to the calendar year 1984 under such section shall be the estimated combined balance in such Funds as of the close of that year (rather than as of its beginning), including the taxes transferred under section 201(a) on the first day of the year following that year.

ELIMINATION OF WINDFALL BENEFITS FOR INDIVIDUALS RECEIVING PENSIONS FROM NONCOVERED EMPLOYMENT

Sec. 113. (a) Section 215(a) of the Social Security Act is amended by adding at the end thereof the following new paragraph:

"(7)(A) In the case of an individual whose primary insurance amount would be computed under paragraph (1) of this subsection, who—

"(i) attains age 62 after 1985 (except where he or she became entitled to a disability insurance benefit before 1986 and remained so entitled in any of the 12 months immediately preceding his or her attainment of age 62), or

"(ii) would attain age 62 after 1985 and becomes eligible for a disability insurance benefit after 1985,

and who first becomes eligible after 1985 for a monthly periodic payment (including a payment determined under subparagraph (C), but excluding a payment under the Railroad Retirement Act of 1974 or 1937) which is based in whole or in part upon his or her earnings for service which did not constitute 'employment' as defined in section 210 for purposes of this title (hereafter in this paragraph and in subsection (d)(5) referred to as 'noncovered service'), the primary insurance amount of that individual during his or her concurrent entitlement to such monthly periodic payment and to old-age or disability insurance benefits shall be computed or recomputed under subparagraph (B) with respect to the initial month in which the individual becomes eligible for such benefits.

"(B)(i) If paragraph (1) of this subsection would apply to such an individual (except for subparagraph (A) of this paragraph), there shall first be computed an amount equal to the individual's primary insurance amount under paragraph (1) of this subsection, except that for purposes of such computation the percentage of the individual's average indexed monthly earnings established by subparagraph (A)(i) of paragraph (1) shall be the percent specified in clause (ii). There shall then be computed (without regard to this paragraph) a second amount, which shall be equal to the individual's primary insurance amount under paragraph (1) of this subsection, except that such second amount shall be reduced by an amount equal to one-half of the portion of the monthly periodic payment which is attributable to noncovered service performed after 1956 (with such attribution being based on the proportionate number of years of such noncovered service) and to which the individual is entitled (or is deemed to be entitled) for the initial month of his or her eligibility for old-age or disability insurance benefits. The individual's primary insurance amount shall be the larger of the two amounts computed under this subparagraph (before the application of subsection (i))
and shall be deemed to be computed under paragraph (1) of this subsection for the purpose of applying other provisions of this title.

"(ii) For purposes of clause (i), the percent specified in this clause is—

"(I) 80.0 percent with respect to individuals who initially become eligible for old-age or disability insurance benefits in 1986;

"(II) 70.0 percent with respect to individuals who so become eligible in 1987;

"(III) 60.0 percent with respect to individuals who so become eligible in 1988;

"(IV) 50.0 percent with respect to individuals who so become eligible in 1989; and

"(V) 40.0 percent with respect to individuals who so become eligible in 1990 or thereafter.

"(C)(i) Any periodic payment which otherwise meets the requirements of subparagraph (A), but which is paid on other than a monthly basis, shall be allocated on a basis equivalent to a monthly payment (as determined by the Secretary), and such equivalent monthly payment shall constitute a monthly periodic payment for purposes of this paragraph.

"(ii) In the case of an individual who has elected to receive a periodic payment that has been reduced so as to provide a survivors benefit to any other individual, the payment shall be deemed to be increased (for purposes of any computation under this paragraph or subsection (d)(5)) by the amount of such reduction.

"(iii) If an individual to whom subparagraph (A) applies is eligible for a periodic payment beginning with a month that is subsequent to the month in which he or she becomes eligible for old-age or disability insurance benefits, the amount of that payment (for purposes of subparagraph (B)) shall be deemed to be the amount to which he or she is, or is deemed to be, entitled (subject to clauses (i), (ii), and (iv) of this subparagraph) in such subsequent month.

"(iv) For purposes of this paragraph, the term 'periodic payment' includes a payment payable in a lump sum if it is a commutation of, or a substitute for, periodic payments.

"(D) This paragraph shall not apply in the case of an individual who has 30 years or more of coverage (as defined in paragraph (1)(C)(ii)). In the case of an individual who has more than 25 years of coverage but less than 30 years of coverage (as so defined), the percent specified in the applicable subdivision of subparagraph (B)(ii) shall (if such percent is smaller than the percent specified in whichever of the following clauses applies) be deemed to be—

"(i) 80 percent, in the case of an individual who has 29 of such years of coverage;

"(ii) 70 percent, in the case of an individual who has 28 of such years;

"(iii) 60 percent, in the case of an individual who has 27 of such years; and

"(iv) 50 percent, in the case of an individual who has 26 of such years.

"(E) This paragraph shall not apply in the case of an individual who on January 1, 1984—

"(i) is an employee performing service to which social security coverage is extended on that date solely by reason of the amendments made by section 101 of the Social Security Amendments of 1983; or
“(ii) is an employee of a nonprofit organization which (on December 31, 1983) did not have in effect a waiver certificate under section 3121(k) of the Internal Revenue Code of 1954 and to the employees of which social security coverage is extended on that date solely by reason of the amendments made by section 102 of that Act, unless social security coverage had previously extended to service performed by such individual as an employee of that organization under a waiver certificate which was subsequently (prior to December 31, 1983) terminated.”.

42 USC 415.

(b) Section 215(d) of such Act is amended by adding at the end thereof the following new paragraph:

“(5) In the case of an individual whose primary insurance amount is not computed under paragraph (1) of subsection (a) by reason of paragraph (4)(B)(ii) of that subsection, who—

“(A) attains age 62 after 1985 (except where he or she became entitled to a disability insurance benefit before 1986, and remained so entitled in any of the 12 months immediately preceding his or her attainment of age 62), or

“(B) would attain age 62 after 1985 and becomes eligible for a disability insurance benefit after 1985, and who first becomes eligible after 1985 for a monthly periodic payment (including a payment determined under subsection (a)(7)(C), but excluding a payment under the Railroad Retirement Act of 1974 or 1937) which is based (in whole or in part) upon his or her earnings in noncovered service, the primary insurance amount of such individual during his or her concurrent entitlement to such monthly periodic payment and to old-age or disability insurance benefits shall be the primary insurance amount computed or recomputed under this subsection (without regard to this paragraph and before the application of subsection (i)) reduced by an amount equal to the smaller of—

“(i) one-half of the primary insurance amount (computed without regard to this paragraph and before the application of subsection (i)), or

“(ii) one-half of the portion of the monthly periodic payment (or payment determined under subsection (a)(7)(C)) which is attributable to noncovered service performed after 1956 (with such attribution being based on the proportionate number of years of such noncovered service) and to which that individual is entitled (or is deemed to be entitled) for the initial month of his or her eligibility for old-age or disability insurance benefits.

This paragraph shall not apply in the case of any individual to whom subsection (a)(7) would not apply by reason of subparagraph (E) or the first sentence of subparagraph (D) thereof.”.

45 USC 231t.

(c) Section 215(f) of such Act is amended by adding at the end thereof the following new paragraph:

“(9)(A) In the case of an individual who becomes entitled to a periodic payment determined under subsection (a)(7)(A) (including a payment determined under subsection (a)(7)(C)) in a month subsequent to the first month in which he or she becomes entitled to an old-age or disability insurance benefit, and whose primary insurance amount has been computed without regard to either such subsection or subsection (d)(5), such individual’s primary insurance amount shall be recomputed (notwithstanding paragraph (4) of this subsection), in accordance with either such subsection or subsection (d)(5),
as may be applicable, effective with the first month of his or her concurrent entitlement to such benefit and such periodic payment.

"(B) If an individual's primary insurance amount has been computed under subsection (a)(7) or (d)(5), and it becomes necessary to recompute that primary insurance amount under this subsection—

"(i) so as to increase the monthly benefit amount payable with respect to such primary insurance amount (except in the case of the individual's death), such increase shall be determined as though such primary insurance amount had initially been computed without regard to subsection (a)(7) or (d)(5), or

"(ii) by reason of the individual's death, such primary insurance amount shall be recomputed without regard to (and as though it had never been computed with regard to) subsection (a)(7) or (d)(5)."

(d) Sections 202(e)(2) and 202(f)(3) of such Act are each amended by striking out “section 215(f) (5) or (6)” wherever it appears and inserting in lieu thereof “section 215(f)(5), 215(f)(6), or 215(f)(9)(B)”.

Within thirty days after the date of the enactment of the Social

paragraph (1) with respect to each such Trust Fund in 1985 and each
fifth year thereafter, as determined appropriate by the Secretary
from data which becomes available to him after the date of the
determination under paragraph (1) on the basis of the amount of
benefits and administrative expenses actually paid from such Trust
Fund under this title or title XVIII and the relevant actuarial
assumptions set forth in the report of the Board of Trustees of such

Amounts authorized to be appropriated under this subsection for transfer on July 1 of each calendar year shall be determined on the basis of estimates of the Secretary of the wages deemed to be paid for such calendar year under subsection (a); and proper adjustments shall be made in amounts authorized to be appropriated for subsequent transfer to the extent prior estimates were in excess of or were less than such wages so deemed to be paid."

(2) The amendment made by paragraph (1) shall be effective with respect to wages deemed to have been paid for calendar years after 1983.

(2) a separate investigation of the feasibility and desirability of providing, as a specific form of adjustment in such procedures with respect to float periods, for the transfer each day to the general fund of the Treasury from the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund, as appropriate, of amounts equal to the amounts of the checks referred to in subsection (a) which are paid by the Federal Reserve Banks on such day.

(c) In conducting the study required by subsection (a), the Secretaries shall consult, as appropriate, the Director of the Office of Management and Budget, and the Director shall provide the Secretaries with such information and assistance as they may require. The Secretaries shall also solicit the views of other appropriate officials and organizations.

(d)(1) Not later than six months after the date of the enactment of this Act, the Secretaries shall submit to the President and the Congress a report of the findings of the investigation required by subsection (b)(1), and the Secretary of the Treasury shall by regulation make such adjustments in the procedures governing the payment of monthly insurance benefits under title II of the Social Security Act with respect to float periods (other than adjustments in the form described in subsection (b)(2)) as may have been found in such investigation to be necessary or appropriate.

(2) who exhausted his rights to such compensation (by reason of the payment of all the amount in his Federal supplemental compensation account) before the first week beginning after March 31, 1983,

such individual's eligibility for additional weeks of compensation by reason of the amendments made by this part shall not be limited or terminated by reason of any event, or failure to meet any requirement of law relating to eligibility for unemployment compensation, occurring after the date of such exhaustion of rights and before April 1, 1983 (and the period after such exhaustion and before April 1, 1983, shall not be counted for purposes of determining the expiration of the two years following the end of his benefit year for purposes of section 602(b) of the Federal Supplemental Compensation Act of 1982).

(c) The Secretary of Labor shall, at the earliest practicable date after the date of the enactment of this Act, propose to each State with which he has in effect an agreement under section 602 of the Federal Supplemental Compensation Act of 1982 a modification of such agreement designed to provide for the payment of Federal supplemental compensation under such Act in accordance with the amendments made by this part. Notwithstanding any other provision of law, if any State fails or refuses, within the 3-week period beginning on the date the Secretary of Labor proposed such a modification to such State, to enter into such a modification of such agreement, the Secretary of Labor shall terminate such agreement effective with the end of the last week which ends on or before such 3-week period.

"(B) If an individual received any trade readjustment allowance under the Trade Act of 1974 in respect of any benefit year, the maximum amount of Federal supplemental compensation payable under this subtitle in respect of such benefit year shall be reduced (but not below zero) so that (to the extent possible by making such a reduction) the aggregate amount of—

"(i) regular compensation,

"(ii) extended compensation,

"(iii) trade readjustment allowances, and

"(iv) Federal supplemental compensation,

payable in respect of such benefit year does not exceed the aggregate amount which would have been so payable had the individual not been entitled to any trade readjustment allowance."

PART B—PROVISIONS RELATING TO INTEREST AND CREDIT REDUCTIONS

DEFERRAL OF INTEREST

SEC. 511. (a) Section 1202(b) of the Social Security Act is amended by adding at the end thereof the following new paragraphs:

"(8)(A) With respect to interest due under this section on September 30 of 1983, 1984, or 1985 (other than interest previously deferred under paragraph (3)(C)), a State may pay 80 percent of such interest in four annual installments of at least 20 percent beginning with the year after the year in which it is otherwise due, if such State meets the criteria of subparagraph (B). No interest shall accrue on such deferred interest.

"(B) To meet the criteria of this subparagraph a State must—

"(i) have taken no action since October 1, 1982, which would reduce its net unemployment tax effort or the net solvency of its
unemployment system (as determined for purposes of section 3302(f) of the Internal Revenue Code of 1954); and

“(ii)(I) have taken an action (as certified by the Secretary of Labor) after March 31, 1982, which would have increased revenue liabilities and decreased benefits under the State’s unemployment compensation system (hereinafter referred to as a ‘solvency effort’) by a combined total of the applicable percentage (as compared to such revenues and benefits as would have been in effect without such State action) for the calendar year for which the deferral is requested; or

“(II) have had, for taxable year 1982, an average unemployment tax rate which was equal to or greater than 2.0 percent of the total of the wages (as determined without any limitation on amount) attributable to such State subject to contribution under the State unemployment compensation law with respect to such taxable year.

In the case of the first year for which there is a deferral (over a 4-year period) of the interest otherwise payable for such year, the applicable percentage shall be 25 percent. In the case of the second such year, the applicable percentage shall be 35 percent. In the case of the third such year, the applicable percentage shall be 50 percent.

“(C)(i) The base year is the first year for which deferral under this provision is requested and subsequently granted. The Secretary of Labor shall estimate the unemployment rate for the base year. To determine whether a State meets the requirements of subparagraph (B)(ii)(I), the Secretary of Labor shall determine the percentage by which the benefits and taxes in the base year with the application of the action referred to in subparagraph (B)(ii)(I) are lower or greater, as the case may be, than such benefits and taxes would have been without the application of such action. In making this determination, the Secretary shall deem the application of the action referred to in subparagraph (B)(ii)(I) to have been effective for the base year to the same extent as such action is effective for the year following the year for which the deferral is sought. Once a deferral is approved under clause (ii)(I) of subparagraph (B) a State must continue to maintain its solvency effort. Failure to do so shall result in the State being required to make immediate payment of all deferred interest.

“(ii) Increases in the taxable wage base from $6,000 to $7,000 or increases after 1984 in the maximum tax rate to 5.4 percent shall not be counted for purposes of meeting the requirement of subparagraph (B).

“(D) In the case of a State which produces a solvency effort of 50 percent, 80 percent, and 90 percent rather than the 25 percent, 35 percent, and 50 percent required under subparagraph (B), the interest shall be computed at an interest rate which is 1 percentage point less than the otherwise applicable interest rate.

“(9) Any interest otherwise due from a State on September 30 of a calendar year after 1982 may be deferred (and no interest shall accrue on such deferred interest) for a grace period of not to exceed 9 months if, for the most recent 12-month period for which data are available before the date such interest is otherwise due, the State had an average total unemployment rate of 13.5 percent or greater.”

(b) Section 1202(b)(7) of such Act is amended by striking out “, and before January 1, 1988”. 42 USC 1322.
(c) Section 1202(b)(3)(C)(i) of the Social Security Act is amended by striking the matter that follows clause (II) and inserting “No interest shall accrue on such deferred interest.”

**CAP ON CREDIT REDUCTION**

Sec. 512. (a)(1) Section 3302(f) of the Internal Revenue Code of 1954 is amended by adding at the end thereof the following new paragraph:

“(8) PARTIAL LIMITATION.—

“(A) In the case of a State which would meet the requirements of this subsection for a taxable year prior to 1987 but for its failure to meet one of the requirements contained in subparagraph (C) or (D) of paragraph (2), the reduction under subsection (c)(2) in credits otherwise applicable to taxpayers in such State for such taxable year and each subsequent year (in a period of consecutive years for each of which a credit reduction is in effect for taxpayers in such State) shall be reduced by 0.1 percentage point.

“(B) In the case of a State which does not meet the requirements of paragraph (2) but meets the requirements of subparagraphs (A) and (B) of paragraph (2) and which also meets the requirements of section 1202(b)(8)(B) of the Social Security Act with respect to such taxable year, the reduction under subsection (c)(2) in credits otherwise applicable to taxpayers in such State for such taxable year and each subsequent year (in a period of consecutive years for each of which a credit reduction is in effect for taxpayers in such State) shall be further reduced by an additional 0.1 percentage point.

“(C) In no case shall the application of subparagraphs (A) and (B) reduce the credit reduction otherwise applicable under subsection (c)(2) below the limitation under paragraph (1).”

Effective date.

(2) The amendment made by paragraph (1) shall apply with respect to taxable year 1983 and taxable years thereafter.

(b) Section 3302(f)(1) of such Code is amended by striking out “beginning before January 1, 1988,”.

**AVERAGE EMPLOYER CONTRIBUTION RATE**

Sec. 513. (a) Section 3302(d)(4)(B) of the Internal Revenue Code of 1954 is amended to read as follows:

“(B)(i) for purposes of subparagraph (B) of subsection (c)(2), the total of the wages (as determined without any limitation on amount) attributable to such State subject to contributions under this chapter with respect to such calendar year, and

“(ii) for purposes of subparagraph (C) of subsection (c)(2), the total of the remuneration subject to contributions under the State unemployment compensation law with respect to such calendar year.”

(b) Section 3302(c)(2)(B)(i) of such Code is amended by striking out “2.7” and inserting in lieu thereof “2.7 multiplied by a fraction, the numerator of which is the wage base under this chapter and the denominator of which is the estimated United States average
annual wage in covered employment for the calendar year in which
the determination is to be made”.
(c) Section 3302(c)(2)(B) of such Code is amended by inserting after
“(if any)” the following: “, multiplied by a fraction, the numerator of
which is the State’s average annual wage in covered employment for
the calendar year in which the determination is made and the
determination of which is the wage base under this chapter,”.
(d) The amendments made by this section shall be effective for
taxable year 1983 and taxable years thereafter.

interest is required to be paid or has been paid directly or
indirectly (by an equivalent reduction in State unemployment
taxes or otherwise) by such State from amounts in such State’s
unemployment fund, until such interest is properly paid.”.
(b) Section 3304(a) of the Internal Revenue Code of 1954 (relating
to certification of State unemployment compensation laws) is
amended by redesignating paragraph (17) as paragraph (18) and by
inserting after paragraph (16) the following new paragraph:
“(17) any interest required to be paid on advances under title
XII of the Social Security Act shall be paid in a timely manner
and shall not be paid, directly or indirectly (by an equivalent
reduction in State unemployment taxes or otherwise) by such
State from amounts in such State’s unemployment fund; and”.

TITLE VI—PROSPECTIVE PAYMENTS FOR MEDICARE INPATIENT HOSPITAL SERVICES

MEDICARE PAYMENTS FOR INPATIENT HOSPITAL SERVICES ON THE BASIS OF PROSPECTIVE RATES

SEC. 601. (a)(1) Subsection (a)(1) of section 1886 of the Social Security Act is amended by adding at the end the following new subparagraph:
“(D) Subparagraph (A) shall not apply to cost reporting periods beginning on or after October 1, 1983.”.
(2) Subsection (a)(4) of such section is amended by adding at the end the following new sentence: “Such term does not include costs of approved educational activities, or, with respect to costs incurred in cost reporting periods beginning prior to October 1, 1986, capital-related costs, as defined by the Secretary.”.
(3) It is the intent of Congress that, in considering the implementation of a system for including capital-related costs under a prospectively determined payment rate for inpatient hospital services, costs related to capital projects for which expenditures are obligated on or after the effective date of the implementation of such a system, may or may not be distinguished and treated differently from costs of projects for which expenditures were obligated before such date.
(b) Section 1886(b) of such Act is amended—
(1) by striking out “Notwithstanding sections 1814(b), but subject to the provisions of sections” in paragraph (1) and
inserting in lieu thereof “Notwithstanding section 1814(b) but subject to the provisions of section”;
(2) by inserting “(other than a subsection (d) hospital, as defined in subsection (d)(1)(B))” in the matter before subparagraph (A) of paragraph (1) after “of a hospital”;
(3) by inserting, in the matter in paragraph (1) following subparagraph (B), “(other than on the basis of a DRG prospective payment rate determined under subsection (d))” after “payable under this title”;
(4) by repealing paragraph (2);
(5) by inserting “and subsection (d) and except as provided in subsection (e)” in paragraph (3)(B) after “subparagraph (A)”;
(6) by inserting “or fiscal year” after “cost reporting period” each place it appears in paragraph (3)(B);
(7) by inserting “before the beginning of the period or year” in paragraph (3)(B) after “estimated by the Secretary”;
(8) by striking out “exceeds” in paragraph (3)(B) and inserting in lieu thereof “will exceed”;
(9) by repealing paragraph (6), effective with respect to cost reporting periods beginning on or after October 1, 1982, and by inserting after paragraph (5), effective with respect to cost reporting periods beginning on or after October 1, 1983, the following new paragraph (6):
“(6) In the case of any hospital which becomes subject to the taxes under section 3111 of the Internal Revenue Code of 1954, with respect to any or all of its employees, for part or all of a cost reporting period, and was not subject to such taxes with respect to any or all of its employees for all or part of the 12-month base cost reporting period referred to in subsection (b)(3)(A)(i), the Secretary shall provide for an adjustment by increasing the base period amount described in such subsection for such hospital by an amount equal to the amount of such taxes which would have been paid or accrued by such hospital for such base period if such hospital had been subject to such taxes for all of such base period with respect to all its employees, minus the amount of any such taxes actually paid or accrued for such base period.”;
(c)(1) Subsection (c)(1) of such section is amended—
(A) by striking out “and” at the end of subparagraph (B),
(B) by striking out the period at the end of subparagraph (C) and inserting in lieu thereof a semicolon, and
(C) by adding at the end the following:
“(D) the Secretary determines that the system will not preclude an eligible organization (as defined in section 1876(b)) from negotiating directly with hospitals with respect to the organization’s rate of payment for inpatient hospital services; and
“(E) the Secretary determines that the system requires hospitals to meet the requirement of section 1866(a)(1)(G) and the system provides for the exclusion of certain costs in accordance with section 1862(a)(14) (except for such waivers thereof as the Secretary provides by regulation).
The Secretary cannot deny the application of a State under this subsection on the ground that the State’s hospital reimbursement control system is based on a payment methodology other than on the basis of a diagnosis-related group or on the ground that the amount of payments made under this title under such system must be less than the amount of payments which would otherwise have
been made under this title not using such system. If the Secretary determines that the conditions described in subparagraph (C) are based on maintaining payment amounts at no more than a specified percentage increase above the payment amounts in a base period, the State has the option of applying such test (for inpatient hospital services under part A) on an aggregate payment basis or on the basis of the amount of payment per inpatient discharge or admission. If the Secretary determines that the conditions described in subparagraph (C) are based on maintaining aggregate payment amounts below a national average percentage increase in total payments under part A for inpatient hospital services, the Secretary cannot deny the application of a State under this subsection on the ground that the State's rate of increase in such payments for such services must be less than such national average rate of increase."

(2) Subsection (c)(3) of such section is amended—

(A) by striking out "requirement of paragraph (1)(A)" and inserting in lieu thereof "requirements of subparagraphs (A), (D), and (E) of paragraph (1) and, if applicable, the requirements of paragraph (5)",

(B) by inserting "(or, if applicable, in paragraph (5))" in subparagraph (B) after "paragraph (1)".

(3) Subsection (c) of such section is further amended by adding at the end the following new paragraphs:

"(4) The Secretary shall approve the request of a State under paragraph (1) with respect to a hospital reimbursement control system if—

"(A) the requirements of subparagraphs (A), (B), (C), and (D) of paragraph (1) have been met with respect to the system, and

"(B) with respect to that system a waiver of certain requirements of title XVIII of the Social Security Act has been approved on or before (and which is in effect as of) the date of the enactment of the Social Security Amendments of 1983, pursuant to section 402(a) of the Social Security Amendments of 1967 or section 222(a) of the Social Security Amendments of 1972.

With respect to a State system described in this paragraph, the Secretary shall judge the effectiveness of such system on the basis of its rate of increase or inflation in inpatient hospital payments for individuals under this title, as compared to the national rate of increase or inflation for such payments, with the State retaining the option to have the test applied on the basis of the aggregate payment or payments per inpatient admission or discharge during the three cost reporting periods beginning on or after October 1, 1983, after which such test, at the option of the Secretary, shall no longer apply, and such State systems shall be treated in the same manner as under other waivers.

"(5) The Secretary shall approve the request of a State under paragraph (1) with respect to a hospital reimbursement control system if—

"(A) the requirements of subparagraphs (A), (B), (C), (D), and (E) of paragraph (1) have been met with respect to the system;

"(B) the Secretary determines that the system—

"(i) is operated directly by the State or by an entity designated pursuant to State law,

"(ii) provides for payment of hospitals covered under the system under a methodology (which sets forth exceptions and adjustments, as well as any method for changes in the
methodology) by which rates or amounts to be paid for hospital services during a specified period are established under the system prior to the defined rate period, and

"(iii) hospitals covered under the system will make such reports (in lieu of cost and other reports, identified by the Secretary, otherwise required under this title) as the Secretary may require in order to properly monitor assurances provided under this subsection;

"(C) the State has provided the Secretary with satisfactory assurances that operation of the system will not result in any change in hospital admission practices which result in—

"(i) a significant reduction in the proportion of patients (receiving hospital services covered under the system) who have no third-party coverage and who are unable to pay for hospital services,

"(ii) a significant reduction in the proportion of individuals admitted to hospitals for inpatient hospital services for which payment is (or is likely to be) less than the anticipated charges for or costs of such services,

"(iii) the refusal to admit patients who would be expected to require unusually costly or prolonged treatment for reasons other than those related to the appropriateness of the care available at the hospital, or

"(iv) the refusal to provide emergency services to any person who is in need of emergency services if the hospital provides such services;

"(D) any change by the State in the system which has the effect of materially reducing payments to hospitals can only take effect upon 60 days notice to the Secretary and to the hospitals the payment to which is likely to be materially affected by the change; and

"(E) the State has provided the Secretary with satisfactory assurances that in the development of the system the State has consulted with local governmental officials concerning the impact of the system on public hospitals.

The Secretary shall respond to requests of States under this paragraph within 60 days of the date the request is submitted to the Secretary.

"(6) If the Secretary determines that the assurances described in paragraph (1)(C) have not been met with respect to any 36-month period, the Secretary may reduce payments under this title to hospitals under the system in an amount equal to the amount by which the payment under this title under such system for such period exceeded the amount of payments which would otherwise have been made under this title not using such system."

(d) Subsection (d) of such section, as added by section 110 of the Tax Equity and Fiscal Responsibility Act of 1982, is amended—

(1) by striking out "section 1814(b)" in paragraph (2)(A) and inserting in lieu thereof "subsection (b)"; and

(2) by redesigning the subsection as subsection (1) and transferring and inserting such subsection at the end of section 1814 of the Social Security Act under the following heading:

"Elimination of Lesser-of-Cost-or-Charges Provision".

(e) Such section 1886 is further amended by adding at the end the following new subsections:
"(d)(1)(A) Notwithstanding section 1814(b) but subject to the provisions of section 1813, the amount of the payment with respect to the operating costs of inpatient hospital services (as defined in subsection (a)(4)) of a subsection (d) hospital (as defined in subparagraph (B)) for inpatient hospital discharges in a cost reporting period or in a fiscal year—

"(i) beginning on or after October 1, 1983, and before October 1, 1984, is equal to the sum of—

"(I) the target percentage (as defined in subparagraph (C)) of the hospital’s target amount for the cost reporting period (as defined in subsection (b)(3)(A), but determined without the application of subsection (a)), and

"(II) the DRG percentage (as defined in subparagraph (C)) of the regional adjusted DRG prospective payment rate determined under paragraph (2) for such discharges;

"(ii) beginning on or after October 1, 1984, and before October 1, 1986, is equal to the sum of—

"(I) the target percentage (as defined in subparagraph (C)) of the hospital’s target amount for the cost reporting period (as defined in subsection (b)(3)(A), but determined without the application of subsection (a)), and

"(II) the DRG percentage (as defined in subparagraph (C)) of the applicable combined adjusted DRG prospective payment rate determined under subparagraph (D) for such discharges; or

"(iii) beginning on or after October 1, 1986, is equal to the national adjusted DRG prospective payment rate determined under paragraph (3) for such discharges.

"(B) As used in this section, the term ‘subsection (d) hospital’ means a hospital located in one of the fifty States or the District of Columbia other than—

"(i) a psychiatric hospital (as defined in section 1861(f)),

"(ii) a rehabilitation hospital (as defined by the Secretary),

"(iii) a hospital whose inpatients are predominantly individuals under 18 years of age, or

"(iv) a hospital which has an average inpatient length of stay (as determined by the Secretary) of greater than 25 days;

and, in accordance with regulations of the Secretary, does not include a psychiatric or rehabilitation unit of the hospital which is a distinct part of the hospital (as defined by the Secretary).

"(C) For purposes of this section, for cost reporting periods beginning, or discharges occurring—

"(i) on or after October 1, 1983, and before October 1, 1984, the ‘target percentage’ is 75 percent and the ‘DRG percentage’ is 25 percent;

"(ii) on or after October 1, 1984, and before October 1, 1985, the ‘target percentage’ is 50 percent and the ‘DRG percentage’ is 50 percent; and

"(iii) on or after October 1, 1985, and before October 1, 1986, the ‘target percentage’ is 25 percent and the ‘DRG percentage’ is 75 percent.

"(D) For purposes of subparagraph (A)(ii)(III), the ‘applicable combined adjusted DRG prospective payment rate’ for cost reporting periods beginning, or discharges occurring—

"(i) on or after October 1, 1984, and before October 1, 1985, is a combined rate consisting of 25 percent of the national adjusted DRG prospective payment rate, and 75 percent of the regional
adjusted DRG prospective payment rate, determined under paragraph (3) for such discharges; and

(ii) on or after October 1, 1985, and before October 1, 1986, is a combined rate consisting of 50 percent of the national adjusted DRG prospective payment rate, and 50 percent of the regional adjusted DRG prospective payment rate, determined under paragraph (3) for such discharges.

"(2) The Secretary shall determine a national adjusted DRG prospective payment rate, for each inpatient hospital discharge in fiscal year 1984 involving inpatient hospital services of a subsection (d) hospital in the United States, and shall determine a regional adjusted DRG prospective payment rate for such discharges in each region, for which payment may be made under part A of this title. Each such rate shall be determined for hospitals located in urban or rural areas within the United States or within each such region, respectively, as follows:

"(A) DETERMINING ALLOWABLE INDIVIDUAL HOSPITAL COSTS FOR BASE PERIOD.—The Secretary shall determine the allowable operating costs per discharge of inpatient hospital services for the hospital for the most recent cost reporting period for which data are available.

"(B) UPDATING FOR FISCAL YEAR 1984.—The Secretary shall update each amount determined under subparagraph (A) for fiscal year 1984 by—

"(i) updating for fiscal year 1983 by the estimated average rate of change of hospital costs industry-wide between the cost reporting period used under such subparagraph and fiscal year 1983 and the most recent case-mix data available, and

"(ii) projecting for fiscal year 1984 by the applicable percentage increase (as defined in subsection (b)(3)(B)) for fiscal year 1984.

"(C) STANDARDIZING AMOUNTS.—The Secretary shall standardize the amount updated under subparagraph (B) for each hospital by—

"(i) excluding an estimate of indirect medical education costs,

"(ii) adjusting for variations among hospitals by area in the average hospital wage level, and

"(iii) adjusting for variations in case mix among hospitals.

"(D) COMPUTING URBAN AND RURAL AVERAGES.—The Secretary shall compute an average of the standardized amounts determined under subparagraph (C) for the United States and for each region—

"(i) for all subsection (d) hospitals located in an urban area within the United States or that region, respectively, and

"(ii) for all subsection (d) hospitals located in a rural area within the United States or that region, respectively.

"Region."

"Urban area."
tion (a) by regulation; and the term 'rural area' means any area outside such an area or similar area.

"(E) REDUCING FOR VALUE OF OUTLIER PAYMENTS.—The Secretary shall reduce each of the average standardized amounts determined under subparagraph (D) by a proportion equal to the proportion (estimated by the Secretary) of the amount of payments under this subsection based on DRG prospective payment rates which are additional payments described in paragraph (5)(A) (relating to outlier payments).

"(F) MAINTAINING BUDGET NEUTRALITY.—The Secretary shall adjust each of such average standardized amounts as may be required under subsection (e)(1)(B) for that fiscal year.

"(G) COMPUTING DRG-SPECIFIC RATES FOR URBAN AND RURAL HOSPITALS IN THE UNITED STATES AND IN EACH REGION.—For each discharge classified within a diagnosis-related group, the Secretary shall establish a national DRG prospective payment rate and shall establish a regional DRG prospective payment rate for each region, each of which is equal—

"(i) for hospitals located in an urban area in the United States or that region (respectively), to the product of—

"(I) the average standardized amount (computed under subparagraph (D), reduced under subparagraph (E), and adjusted under subparagraph (F)) for hospitals located in an urban area in the United States or that region, and

"(II) the weighting factor (determined under paragraph (4)(B)) for that diagnosis-related group; and

"(ii) for hospitals located in a rural area in the United States or that region (respectively), to the product of—

"(I) the average standardized amount (computed under subparagraph (D), reduced under subparagraph (E), and adjusted under subparagraph (F)) for hospitals located in a rural area in the United States or that region, and

"(II) the weighting factor (determined under paragraph (4)(B)) for that diagnosis-related group.

"(H) ADJUSTING FOR DIFFERENT AREA WAGE LEVELS.—The Secretary shall adjust the proportion, (as estimated by the Secretary from time to time) of hospitals' costs which are attributable to wages and wage-related costs, of the national and regional DRG prospective payment rates computed under subparagraph (G) for area differences in hospital wage levels by a factor (established by the Secretary) reflecting the relative hospital wage level in the geographic area of the hospital compared to the national average hospital wage level.

"(3) The Secretary shall determine a national adjusted DRG prospective payment rate, for each inpatient hospital discharge in a fiscal year after fiscal year 1984 involving inpatient hospital services of a subsection (d) hospital in the United States, and shall determine a regional adjusted DRG prospective payment rate for such discharges in each region for which payment may be made under part A of this title. Each such rate shall be determined for hospitals located in urban or rural areas within the United States and within each such region, respectively, as follows:

"(A) UPDATING PREVIOUS STANDARDIZED AMOUNTS.—The Secretary shall compute an average standardized amount for hospitals located in an urban area and for hospitals located in a rural
area within the United States and for hospitals located in an urban area and for hospitals located in a rural area within each region, equal to the respective average standardized amount computed for the previous fiscal year under paragraph (2)(D) or under this subparagraph, increased for fiscal year 1985 by the applicable percentage increase under subsection (b)(3)(B), and adjusted for subsequent fiscal years in accordance with the final determination of the Secretary under subsection (e)(4), and adjusted to reflect the most recent case-mix data available.

(B) REDUCING FOR VALUE OF OUTLIER PAYMENTS.—The Secretary shall reduce each of the average standardized amounts determined under subparagraph (A) by a proportion equal to the proportion (estimated by the Secretary) of the amount of payments under this subsection based on DRG prospective payment amounts which are additional payments described in paragraph (5)(A) (relating to outlier payments).

(C) MAINTAINING BUDGET NEUTRALITY.—The Secretary shall adjust each of such average standardized amounts as may be required under subsection (e)(1)(B) for that fiscal year.

(D) COMPUTING DRG-SPECIFIC RATES FOR URBAN AND RURAL HOSPITALS.—For each discharge classified within a diagnosis-related group, the Secretary shall establish for the fiscal year a national DRG prospective payment rate and shall establish a regional DRG prospective payment rate for each region, each of which is equal—

(i) for hospitals located in an urban area in the United States or that region (respectively), to the product of—

(I) the average standardized amount (computed under subparagraph (A), reduced under subparagraph (B), and adjusted under subparagraph (C), for the fiscal year for hospitals located in an urban area in the United States or that region, and

(II) the weighting factor (determined under paragraph (4)(B)) for that diagnosis-related group; and

(ii) for hospitals located in a rural area in the United States or that region (respectively), to the product of—

(I) the average standardized amount (computed under subparagraph (A), reduced under subparagraph (B), and adjusted under subparagraph (C)) for the fiscal year for hospitals located in a rural area in the United States or that region, and

(II) the weighting factor (determined under paragraph (4)(B)) for that diagnosis-related group.

(E) ADJUSTING FOR DIFFERENT AREA WAGE LEVELS.—The Secretary shall adjust the proportion, (as estimated by the Secretary from time to time) of hospitals' costs which are attributable to wages and wage-related costs, of the DRG prospective payment rates computed under subparagraph (D) for area differences in hospital wage levels by a factor (established by the Secretary) reflecting the relative hospital wage level in the geographic area of the hospital compared to the national average hospital wage level.

(4)(A) The Secretary shall establish a classification of inpatient hospital discharges by diagnosis-related groups and a methodology for classifying specific hospital discharges within these groups.

(B) For each such diagnosis-related group the Secretary shall assign an appropriate weighting factor which reflects the relative
hospital resources used with respect to discharges classified within that group compared to discharges classified within other groups.

"(C) The Secretary shall adjust the classifications and weighting factors established under subparagraphs (A) and (B), for discharges in fiscal year 1986 and at least every four fiscal years thereafter, to reflect changes in treatment patterns, technology, and other factors which may change the relative use of hospital resources.

"(D) The Commission (established under subsection (e)(2)) shall consult with and make recommendations to the Secretary with respect to the need for adjustments under subparagraph (C), based upon its evaluation of scientific evidence with respect to new practices, including the use of new technologies and treatment modalities. The Commission shall report to the Congress with respect to its evaluation of any adjustments made by the Secretary under subparagraph (C).

"(5)(A)(i) The Secretary shall provide for an additional payment for a subsection (d) hospital for any discharge in a diagnosis-related group, the length of stay of which exceeds the mean length of stay for discharges within that group by a fixed number of days, or exceeds such mean length of stay by some fixed number of standard deviations, whichever is the fewer number of days.

"(ii) For cases which are not included in clause (i), a subsection (d) hospital may request additional payments in any case where charges, adjusted to cost, exceed a fixed multiple of the applicable DRG prospective payment rate, or exceed such other fixed dollar amount, whichever is greater.

"(iii) The amount of such additional payment under clauses (i) and (ii) shall be determined by the Secretary and shall approximate the marginal cost of care beyond the cutoff point applicable under clause (i) or (ii).

"(iv) The total amount of the additional payments made under this subparagraph for discharges in a fiscal year may not be less than 5 percent nor more than 6 percent of the total payments projected or estimated to be made based on DRG prospective payment rates for discharges in that year.

"(B) The Secretary shall provide for an additional payment amount for subsection (d) hospitals with indirect costs of medical education, in an amount computed in the same manner as the adjustment for such costs under regulations (in effect as of January 1, 1983) under subsection (a)(2), except that in the computation under this subparagraph the Secretary shall use an educational adjustment factor equal to twice the factor provided under such regulations.

"(C)(i) The Secretary shall provide for such exceptions and adjustments to the payment amounts established under this subsection as the Secretary deems appropriate to take into account the special needs of regional and national referral centers (including those hospitals of 500 or more beds located in rural areas), and of public or other hospitals that serve a significantly disproportionate number of patients who have low income or are entitled to benefits under part A of this title.

"(ii) With respect to a subsection (d) hospital which is a `sole community hospital', payment under paragraph (1)(A) for any cost reporting period or fiscal year beginning on or after October 1, 1984, shall be determined under the formula provided in clause (i) of that paragraph with the target and DRG percentages determined under paragraph (1)(C)(i) (except that any reference to paragraph (2) shall
be deemed, for this purpose, a reference to paragraph (3). In the case of a sole community hospital that experiences, in a cost reporting period (beginning on or after October 1, 1983, and before October 1, 1986) compared to the previous cost reporting period, a decrease of more than 5 percent in its total number of inpatient cases due to circumstances beyond its control, the Secretary shall provide for such adjustment to the payment amounts under this subsection as may be necessary to fully compensate the hospital for the fixed costs it incurs in the period in providing inpatient hospital services, including the reasonable cost of maintaining necessary core staff and services. For purposes of this subparagraph, the term 'sole community hospital' means a hospital that, by reason of factors such as isolated location, weather conditions, travel conditions, or absence of other hospitals (as determined by the Secretary), is the sole source of inpatient hospital services reasonably available to individuals in a geographical area who are entitled to benefits under part A.

“(iii) The Secretary shall provide by regulation for such other exceptions and adjustments to such payment amounts under this subsection as the Secretary deems appropriate (including exceptions and adjustments that may be appropriate with respect to hospitals involved extensively in treatment for and research on cancer).

“(iv) The Secretary may provide for such adjustments to the payment amounts under this subsection as the Secretary deems appropriate to take into account the unique circumstances of hospitals located in Alaska and Hawaii.

“(D)(i) The Secretary shall estimate the amount of reimbursement made for services described in section 1862(a)(14) with respect to which payment was made under part B in the base reporting periods referred to in paragraph (2)(A) and with respect to which payment is no longer being made.

“(ii) The Secretary shall provide for an adjustment to the payment for subsection (d) hospitals in each fiscal year so as appropriately to reflect the net amount described in clause (i).

“(6) The Secretary shall provide for publication in the Federal Register, on or before the September 1 before each fiscal year (beginning with fiscal year 1984), of a description of the methodology and data used in computing the adjusted DRG prospective payment rates under this subsection, including any adjustments required under subsection (e)(1)(B).

“(7) There shall be no administrative or judicial review under section 1878 or otherwise of—

“(A) the determination of the requirement, or the proportional amount, of any adjustment effected pursuant to subsection (e)(1), and

“(B) the establishment of diagnosis-related groups, of the methodology for the classification of discharges within such groups, and of the appropriate weighting factors thereof under paragraph (4).

“(e)(1)(A) For cost reporting periods of hospitals beginning in fiscal year 1984 or fiscal year 1985, the Secretary shall provide for such proportional adjustment in the applicable percentage increase (otherwise applicable to the periods under subsection (b)(3)(B)) as may be necessary to assure that—

“(i) the aggregate payment amounts otherwise provided under subsection (d)(1)(A)(i)(I) for that fiscal year for operating costs of
inpatient hospital services of hospitals (excluding payments made under section 1866(a)(1)(F)),

are not greater or less than—

"(i) the target percentage (as defined in subsection (d)(1)(C)) of the payment amounts which would have been payable for such services for those same hospitals for that fiscal year under this section under the law as in effect before the date of the enactment of the Social Security Amendments of 1983 (excluding payments made under section 1866(a)(1)(F));

except that the adjustment made under this subparagraph shall apply only to subsection (d) hospitals and shall not apply for purposes of making computations under subsection (d)(2)(B)(ii) or subsection (d)(3)(A).

"(B) For discharges occurring in fiscal year 1984 or fiscal year 1985, the Secretary shall provide under subsections (d)(2)(F) and (d)(3)(C) for such equal proportional adjustment in each of the average standardized amounts otherwise computed for that fiscal year as may be necessary to assure that—

"(i) the aggregate payment amounts otherwise provided under subsection (d)(1)(A)(II) and (d)(5) for that fiscal year for operating costs of inpatient hospital services of hospitals (excluding payments made under section 1866(a)(1)(F)),

are not greater or less than—

"(ii) the DRG percentage (as defined in subsection (d)(1)(C)) of the payment amounts which would have been payable for such services for those same hospitals for that fiscal year under this section under the law as in effect before the date of the enactment of the Social Security Amendments of 1983 (excluding payments made under section 1866(a)(1)(F)).

"(2) The Director of the Congressional Office of Technology Assessment (hereinafter in this subsection referred to as the 'Director' and the 'Office', respectively) shall provide for appointment of a Prospective Payment Assessment Commission (hereinafter in this subsection referred to as the 'Commission'), to be composed of independent experts appointed by the Director. In addition to carrying out its functions under subsection (d)(4)(D), the Commission shall review the applicable percentage increase factor described in subsection (b)(3)(B) and make recommendations to the Secretary on the appropriate percentage change which should be effected for hospital inpatient discharges under subsections (b) and (d) for fiscal years beginning with fiscal year 1986. In making its recommendations, the Commission shall take into account changes in the hospital market-basket described in subsection (b)(3)(B), hospital productivity, technological and scientific advances, the quality of health care provided in hospitals (including the quality and skill level of professional nursing required to maintain quality care), and long-term cost-effectiveness in the provision of inpatient hospital services.

"(3) The Commission, not later than the April 1 before the beginning of each fiscal year (beginning with fiscal year 1986), shall report its recommendations to the Secretary on an appropriate change factor which should be used (instead of the applicable percentage increase described in subsection (b)(3)(B)) for inpatient hospital services for discharges in that fiscal year.

"(4) Taking into consideration the recommendations of the Commission, the Secretary shall determine for each fiscal year (beginning with fiscal year 1986) the percentage change which will apply for purposes of this section as the applicable percentage increase.
(otherwise described in subsection (b)(3)(B)) for discharges in that fiscal year, and which will take into account amounts necessary for the efficient and effective delivery of medically appropriate and necessary care of high quality.

"(5) The Secretary shall cause to have published for public comment in the Federal Register, not later than—

"(A) the June 1 before each fiscal year (beginning with fiscal year 1986), the Secretary's proposed determination under paragraph (4) for that fiscal year, and

"(B) the September 1 before such fiscal year after such consideration of public comment on the proposal as is feasible in the time available, the Secretary's final determination under such paragraph for that year.

The Secretary shall include in the publication referred to in subparagraph (A) for a fiscal year the report of the Commission's recommendations submitted under paragraph (3) for that fiscal year.

"(6)(A) The Commission shall consist of 15 individuals. Members of the Commission shall first be appointed no later than April 1, 1984, for a term of three years, except that the Director may provide initially for such shorter terms as will insure that (on a continuing basis) the terms of no more than seven members expire in any one year.

"(B) The membership of the Commission shall provide expertise and experience in the provision and financing of health care, including physicians and registered professional nurses, employers, third party payors, individuals skilled in the conduct and interpretation of biomedical, health services, and health economics research, and individuals having expertise in the research and development of technological and scientific advances in health care. The Director shall seek nominations from a wide range of groups, including—

"(i) national organizations representing physicians, including medical specialty organizations and registered professional nurses and other skilled health professionals;

"(ii) national organizations representing hospitals, including teaching hospitals;

"(iii) national organizations representing manufacturers of health care products; and

"(iv) national organizations representing the business community, health benefit programs, labor, and the elderly.

"(C) Subject to such review as the Office deems necessary to assure the efficient administration of the Commission, the Commission may—

"(i) employ and fix the compensation of such personnel (not to exceed 25) as may be necessary to carry out its duties;

"(ii) seek such assistance and support as may be required in the performance of its duties from appropriate Federal departments and agencies;

"(iii) enter into contracts or make other arrangements, as may be necessary for the conduct of the work of the Commission;

"(iv) make advance, progress, and other payments which relate to the work of the Commission;

"(v) provide transportation and subsistence for persons serving without compensation; and

"(vi) prescribe such rules and regulations as it deems necessary with respect to the internal organization and operation of the Commission.
“(D) While serving on the business of the Commission (including traveltime), a member of the Commission shall be entitled to compensation at the per diem equivalent of the rate provided for level IV of the Executive Schedule under section 5315 of title 5, United States Code; and while so serving away from home and his regular place of business, a member may be allowed travel expenses, as authorized by the Chairman of the Commission.

“(E) In order to identify medically appropriate patterns of health resources use in accordance with paragraph (2), the Commission shall collect and assess information on medical and surgical procedures and services, including information on regional variations of medical practice and lengths of hospitalization and on other patient-care data, giving special attention to treatment patterns for conditions which appear to involve excessively costly or inappropriate services not adding to the quality of care provided. In order to assess the safety, efficacy, and cost-effectiveness of new and existing medical and surgical procedures, the Commission shall, in coordination to the extent possible with the Secretary, collect and assess factual information, giving special attention to the needs of updating existing diagnosis-related groups, establishing new diagnosis-related groups, and making recommendations on relative weighting factors for such groups to reflect appropriate differences in resource consumption in delivering safe, efficacious, and cost-effective care. In collecting and assessing information, the Commission shall—

“(i) utilize existing information, both published and unpublished, where possible, collected and assessed either by its own staff or under other arrangements made in accordance with this paragraph;

“(ii) carry out, or award grants or contracts for, original research and experimentation, including clinical research, where existing information is inadequate for the development of useful and valid guidelines by the Commission; and

“(iii) adopt procedures allowing any interested party to submit information with respect to medical and surgical procedures and services (including new practices, such as the use of new technologies and treatment modalities), which information the Commission shall consider in making reports and recommendations to the Secretary and Congress.

“(F) The Commission shall have access to such relevant information and data as may be available from appropriate Federal agencies and shall assure that its activities, especially the conduct of original research and medical studies, are coordinated with the activities of Federal agencies.

“(G)(i) The Office shall report annually to the Congress on the functioning and progress of the Commission and on the status of the assessment of medical procedures and services by the Commission.

“(ii) The Office shall have unrestricted access to all deliberations, records, and data of the Commission, immediately upon its request.

“(iii) In order to carry out its duties under this paragraph, the Office is authorized to expend reasonable and necessary funds as mutually agreed upon by the Office and the Commission. The Office shall be reimbursed for such funds by the Commission from the appropriations made with respect to the Commission.

“(H) The Commission shall be subject to periodic audit by the General Accounting Office.

“(I)(i) There are authorized to be appropriated such sums as may be necessary to carry out the provisions of this paragraph.
“(ii) Eighty-five percent of such appropriation shall be payable from the Federal Hospital Insurance Trust Fund, and 15 percent of such appropriation shall be payable from the Federal Supplementary Medical Insurance Trust Fund.

“(f)(1) The Secretary shall maintain, for a period ending not earlier than September 30, 1988, a system for the reporting of costs of hospitals receiving payments computed under subsection (d).

“(2) If the Secretary determines, based upon information supplied by a utilization and quality control peer review organization under part B of title XI, that a hospital, in order to circumvent the payment method established under subsection (b) or (d) of this section, has taken an action that results in the admission of individuals entitled to benefits under part A unnecessarily, unnecessary multiple admissions of the same such individuals, or other inappropriate medical or other practices with respect to such individuals, the Secretary may—

“(A) deny payment (in whole or in part) under part A with respect to inpatient hospital services provided with respect to such an unnecessary admission (or subsequent admission of the same individual), or

“(B) require the hospital to take other corrective action necessary to prevent or correct the inappropriate practice.

“(3) The provisions of paragraphs (2), (3), and (4) of section 1862(d) shall apply to determinations under paragraph (2) of this subsection in the same manner as they apply to determinations made under section 1862(d)(1).

“(g)(1) If the Congress does not enact legislation, after the date of the enactment of this subsection and before October 1, 1986, respecting the payment under this title for capital-related costs for inpatient hospital services, no payment may be made under this title for capital-related costs of capital expenditures (as defined in section 1122(g) and except as provided in section 1122(j)) for inpatient hospital services in a State, which expenditures are obligated after September 30, 1986, unless the State has an agreement with the Secretary under section 1122(b) and under the agreement the State has recommended approval of the capital expenditures.

“(2) The Secretary shall provide that the amount which is allowable, with respect to reasonable costs of inpatient hospital services for which payment may be made under this title, for a return on equity capital for hospitals shall, for cost reporting periods beginning on or after the date of the enactment of this subsection, be equal to amounts otherwise allowable under regulations in effect on March 1, 1983, except that the rate of return to be recognized shall be equal to the average of the rates of interest, for each of the months any part of which is included in the reporting period, on obligations issued for purchase by the Federal Hospital Insurance Trust Fund.”.

(f) Section 1862(a)(1) of the Social Security Act is amended—

(1) by striking out “(B) or (C)” and inserting in lieu thereof “(B), (C), or (D)”;

(2) by striking out “and” at the end of subparagraph (B);

(4) by adding at the end thereof the following new subparagraph:

“(D) in the case of clinical care items and services provided with the concurrence of the Secretary and with respect to
research and experimentation conducted by, or under contract with, the Prospective Payment Assessment Commission or the Secretary, which are not reasonable and necessary to carry out the purposes of section 1886(e)(6);”.

(g) In determining whether a hospital is in an urban or rural area for purposes of section 1886(d) of the Social Security Act, the Secretary of Health and Human Services shall classify any hospital located in New England as being located in an urban area if such hospital was classified as being located in an urban area under the Standard Metropolitan Statistical Area system of classification in effect in 1979.

Any such waiver shall provide that such billing may continue to be made under part B of such title but that the payments to such hospital under part A

REPORTS, EXPERIMENTS, AND DEMONSTRATION PROJECTS

Sec. 603. (a)(1) The Secretary of Health and Human Services (hereinafter in this title referred to as the "Secretary") shall study, develop, and report to the Congress within 18 months after the date of the enactment of this Act on the method and proposals for legislation by which capital-related costs, such as return on net equity, associated with inpatient hospital services can be included within the prospective payment amounts computed under section 1886(d) of the Social Security Act.

(2)(A) The Secretary shall study and report annually to the Congress at the end of each year (beginning with 1984 and ending with 1987) on the impact, of the payment methodology under section 1886(d) of the Social Security Act during the previous year, on classes of hospitals, beneficiaries, and other payors for inpatient hospital services, and other providers, and, in particular, on the impact of computing DRG prospective payment rates by census division, rather than exclusively on a national basis. Each such report shall include such recommendations for such changes in legislation as the Secretary deems appropriate.

(B) During fiscal year 1984, the Secretary shall begin the collection of data necessary to compute the amount of physician charges attributable, by diagnosis-related groups, to physicians' services furnished to inpatients of hospitals whose discharges are classified within those groups. The Secretary shall include, in a report to Congress in 1985, recommendations on the advisability and feasibility of providing for determining the amount of the payments for physicians' services furnished to hospital inpatients based on the DRG type classification of the discharges of those inpatients, and legislative recommendations thereon.

(C) In the annual report to Congress under subparagraph (A) for 1985, the Secretary shall include the results of studies on—

(i) the feasibility and impact of eliminating or phasing out separate urban and rural DRG prospective payment rates under paragraph (3) of section 1886(d) of the Social Security Act;

(ii) whether and the method under which hospitals, not paid based on amounts determined under such section, can be paid
for inpatient hospital services on a prospective basis as under such section;

(iii) the appropriateness of the factors used under paragraph (5)(A) of such section to compensate hospitals for the additional expenses of outlier cases, and the application of severity of illness, intensity of care, or other modifications to the diagnosis-related groups, and the advisability and feasibility of providing for such modifications;

(iv) the feasibility and desirability of applying the payment methodology under such section to payment by all payors for inpatient hospital services; and

(v) the impact of such section on hospital admissions and the feasibility of making a volume adjustment in the DRG prospective payment rates or requiring preadmission certification in order to minimize the incentive to increase admissions.

Such report shall specifically include, with respect to the item described in clause (iv), consideration of the extent of cost-shifting to non-Federal payors and the impact of such cost-shifting on health insurance costs and premiums borne by employers and employees.

(D) In the annual report to Congress under subparagraph (A) for 1986, the Secretary shall include the results of a study examining the overall impact of State systems of hospital payment (either approved under section 1886(c) of the Social Security Act or under a waiver approved under section 402(a) of the Social Security Amendments of 1967 or section 222(a) of the Social Security Amendments of 1972), particularly assessing such systems' impact not only on the medicare program but also on the medicaid program, on payments and premiums under private health insurance plans, and on tax expenditures.

(3)(A) The Secretary shall complete a study and make legislative recommendations to the Congress with respect to an equitable method of reimbursing sole community hospitals which takes into account their unique vulnerability to substantial variations in occupancy.

(B) In addition, the Secretary shall examine ways to coordinate an information transfer between parts A and B of title XVIII of the Social Security Act, particularly with respect to those cases where a denial of coverage is made under part A of such title and no adjustment is made in the reimbursement to the admitting physician or physicians.

(C) The Secretary shall also report on the appropriate treatment of uncompensated care costs, and adjustments that might be appropriate for large teaching hospitals located in rural areas.

(D) The Secretary shall also report on the advisability of having hospitals make available information on the cost of care to patients financed by both public programs and private payors.

(E) The studies and reports described in this paragraph shall be completed and submitted not later than April 1, 1985.

(4) The Secretary shall complete a study and make recommendations to the Congress, before April 1, 1984, with respect to a method for including hospitals located outside of the fifty States and the District of Columbia under a prospective payment system.

(b)(1) Except as provided in paragraph (2), the amendments made by this title shall not affect the authority of the Secretary to develop, carry out, or continue experiments and demonstration projects.
The Secretary shall provide that, upon the request of a State which has a demonstration project, for payment of hospitals under title XVIII of the Social Security Act approved under section 402(a) of the Social Security Amendments of 1967 or section 222(a) of the Social Security Amendments of 1972, which (A) is in effect as of March 1, 1983, and (B) was entered into after August 1982 (or upon the request of another party to demonstration project agreement), the terms of the demonstration agreement shall be modified so that the demonstration project is not required to maintain the rate of increase in medicare hospital costs in that State below the national rate of increase in medicare hospital costs.

(c) The Secretary shall approve, with appropriate terms and conditions as defined by the Secretary, within 30 days after the date of enactment of this Act—

(1) the risk-sharing application of On Lok Senior Health Services (according to terms and conditions as specified by the Secretary), dated July 2, 1982, for waivers, pursuant to section 222 of the Social Security Amendments of 1972 and section 402(a) of the Social Security Amendments of 1967, of certain requirements of title XVIII of the Social Security Act over a period of 36 months in order to carry out a long-term care demonstration project, and

(2) the application of the Department of Health Services, State of California, dated November 1, 1982, pursuant to section 1115 of the Social Security Act, for the waiver of certain requirements of title XIX of such Act over a period of 36 months in order to carry out a demonstration project for capitated reimbursement for comprehensive long-term care services involving On Lok Senior Health Services.

(d) The Secretary shall conduct demonstrations with hospitals in areas with critical shortages of skilled nursing facilities to study the feasibility of providing alternative systems of care or methods of payment.

**EFFECTIVE DATES**

Sec. 604. (a)(1) Except as provided in section 602(l) and in paragraph (2), the amendments made by the preceding provisions of this title apply to items and services furnished by or under arrangements with a hospital beginning with its first cost reporting period that begins on or after October 1, 1983. A change in a hospital's cost reporting period that has been made after November 1982 shall be recognized for purposes of this section only if the Secretary finds good cause for that change.

(2) Section 1866(a)(1)(F) of the Social Security Act (as added by section 602(f)(1)(C) of this title), section 1862(a)(14) (as added by section 602(e)(3) of this title) and sections 1886(a)(1)(G) and (H) of such Act (as added by section 602(f)(1)(C) of this title) take effect on October 1, 1983.

(b) The Secretary shall make an appropriate reduction in the payment amount under section 1886(d) of the Social Security Act (as amended by this title) for any discharge, if the admission has occurred before a hospital's first cost reporting period that begins after September 1983, to take into account amounts payable under title XVIII of that Act (as in effect before the date of the enactment of this Act) for items and services furnished before that period.

(c)(1) The Secretary shall cause to be published in the Federal Register a notice of the interim final DRG prospective payment
rates established under subsection (d) of section 1886 of the Social Security Act (as amended by this title) no later than September 1, 1983, and allow for a period of public comment thereon. Payment on the basis of prospective rates shall become effective on October 1, 1983, without the necessity for consideration of comments received, but the Secretary shall, by notice published in the Federal Register, affirm or modify the amounts by December 31, 1983, after considering those comments.

(2) A modification under paragraph (1) that reduces a prospective payment rate shall apply only to discharges occurring after 30 days after the date the notice of the modification is published in the Federal Register.

(3) Rules to implement subsection (d) of section 1886 of the Social Security Act (as so amended) shall be established in accordance with the procedure described in this subsection.

(b) The Secretary of Health and Human Services shall, prior to December 31, 1983, complete a study and report to the Congress with respect to (1) the effect which the implementation of section 102 of the Tax Equity and Fiscal Responsibility Act of 1982 would have on hospital-based skilled nursing facilities, given the differences (if any) in the patient populations served by such facilities and by community-based skilled nursing facilities and (2) the impact on skilled nursing facilities of hospital prospective payment systems, and recommendations concerning payment of skilled nursing facilities.

Such actuarial rate shall be the amount the Secretary estimates to be necessary so that the aggregate amount for such calendar year with respect to those enrollees age 65 and older will equal one-half of the total of the benefits and administrative costs which he estimates will be payable from the Federal Supplementary Medical Insurance Trust Fund for services performed and related administrative costs incurred in such calendar year with respect to such enrollees. He shall increase the monthly premium rate by the same percentage by which that primary insurance amount is increased when, by reason of the law in effect at the time the promulgation is made, it is so computed to apply to those individuals for the following November 1.

Whenever the Secretary promulgates the dollar amount which shall be applicable as the monthly premium for any period, he shall, at the time such promulgation is announced, issue a public statement setting forth the actuarial assumptions and bases employed by him in arriving at the amount of an adequate actuarial rate for enrollees age 65 and older as provided in paragraph (1) and the derivation of the dollar amounts specified in this paragraph.

"(4) The Secretary shall also, during September of 1983 and of each year thereafter, determine the monthly actuarial rate for disabled enrollees under age 65 which shall be applicable for the succeeding calendar year. Designating May 21, 1983, as "Andrei Sakharov Day".

Whereas Andrei Sakharov has earned the admiration and gratitude of all the peoples of the world for his tireless and courageous efforts to secure basic human freedoms for the peoples of the Soviet Union, including those rights and freedoms proclaimed and guaranteed in the Final Act of the Conference on Security and Cooperation in Europe signed at Helsinki, August 1, 1975; and

Whereas even under conditions of isolation and harassment by Soviet authorities, Andrei Sakharov has continued to speak with eloquence and great moral force for the causes of human rights and world peace, for amnesty for all prisoners of conscience, and for full compliance by all signatory states with the provisions of the Helsinki Final Act and the United Nations Universal Declaration of Human Rights: Now, therefore, be it

Joint Resolution

Whereas the people of the Baltic Republics of Lithuania, Latvia, and Estonia have cherished the principles of religious and political freedom and independence; and
Whereas the Baltic Republics have existed as independent, sovereign nations belonging to and fully recognized by the League of Nations; and
Whereas the people of the Baltic Republics have individual and separate cultures, national traditions, and languages distinctively foreign to those of Russia; and
Whereas the Union of Soviet Socialist Republics (U.S.S.R.) in 1940 did illegally seize and occupy the Baltic Republics and by force incorporate them against their national will and contrary to their desire for independence and sovereignty into the U.S.S.R.; and
Whereas the U.S.S.R. since 1940 has systematically removed native Baltic peoples from their homelands by deporting them to Siberia and caused great masses of Russians to relocate in the Republics, thus threatening the Baltic cultures with extinction; and
Whereas the U.S.S.R. has imposed upon the captive people of the Baltic Republics an oppressive political system which has destroyed every vestige of democracy, civil liberties, and religious freedom; and
Whereas the people of Lithuania, Latvia, and Estonia find themselves today subjugated by the U.S.S.R., locked into a union they deplore, denied basic human rights, and persecuted for daring to protest; and
Whereas the United States stands as a champion of liberty, dedicated to the principles of national self-determination, human rights, and religious freedom, and opposed to oppression and imperialism; and
Whereas the United States, as a member of the United Nations, has repeatedly voted with a majority of that international body to uphold the right of other countries of the world, including those in Africa and Asia, to determine their fates and be free of foreign domination; and
Whereas the U.S.S.R. has steadfastly refused to return to the people of the Baltic States the right to exist as independent republics separate and apart from the U.S.S.R. or permit a return of personal, political, and religious freedoms: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Congress of the United States recognizes the continuing desire and the right of the people of Lithuania, Latvia, and Estonia for freedom and independence from the domination of the U.S.S.R. and deplores the refusal of the U.S.S.R. to recognize the sovereignty of the Baltic Republics and to yield to their rightful demands for independence from foreign domination and oppression and that the fourteenth day of June
1983, the anniversary of the mass deportation of Baltic peoples from their homelands in 1941, be designated "Baltic Freedom Day" as a symbol of the solidarity of the American people with the aspirations of the enslaved Baltic people and that the President of the United States be authorized and requested to issue a proclamation for the observance of Baltic Freedom Day with appropriate ceremonies and activities.

Designating the week beginning June 19, 1983, as "National Children's Liver Disease Awareness Week".

Whereas there are more than one hundred different kinds of liver disease identified in children;
Whereas certain children's liver diseases result in cirrhosis causing the deaths of infants and young children;
Whereas there are a million cases of hepatitis in the United States annually, half of which occur in children;
Whereas there have been tremendous strides in the liver transplant program as a result of new therapeutic drugs and improved surgical techniques;
Whereas newborn screening programs, with early recognition and intervention, are now preventing the onset of insidious liver ailments in infants and young children;
Whereas it is essential that childhood liver disorders be eradicated because the future of the United States lies in the hands of our children;
Whereas the key to eradicating all childhood liver disorders is through extensive pediatric liver research; and
Whereas the week beginning June 19, 1983, marks the establishment of the National Children's Liver Disease Awareness Program, a combined effort to bring to the attention of the American people the overwhelming need for pediatric liver disease research, newborn screening programs, and the dismissal of the tremendous financial burden placed on families whose children require long term care and/or liver transplantation: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week beginning June 19, 1983, is designated "National Children's Liver Disease Awareness Week". The President is requested to issue a proclamation calling upon all Government agencies and people of the United States to observe the week with appropriate programs and activities.

Whereas July 7, 1983, marks the twenty-fifth anniversary of enactment of the Alaska Statehood Act as approved by the United States Congress and signed by President Dwight D. Eisenhower;
Whereas the Alaska Statehood Act authorizes the entry of Alaska into the Union on January 3, 1959;
Whereas the State of Alaska is still growing and developing based on the principles established by the Alaska Statehood Act;
Whereas the Alaska Statehood Act is the foundation of the union between the State of Alaska and the United States of America which has been to the benefit of both parties;
Whereas many commitments between Alaska and the Federal Government are still being fulfilled;
Whereas the State of Alaska is a storehouse of this Nation's natural resources;
Whereas Alaska provides one-eighth of the Nation's gold; one-fifth of the Nation's oil production; and two-fifths of its harvested fish all to the benefit of the Union;
Whereas Alaska possesses ten of the sixteen strategic minerals needed for our Nation's security;
Whereas the Federal Government collects $3 in taxes from Alaska for every $1 it spends there;
Whereas the United States has reaped economic rewards from Alaska many times greater than its original $7,000,000 investment;
Whereas the people of Alaska contribute to the cultural diversity and cultural resources of this Nation; and
Whereas the Alaska Statehood Act authorized Alaska's entry into the United States of America and provided the basis for these benefits shared by Alaska and the Union: Now, therefore, be it
Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That January 3, 1984, be known as “Alaska Statehood Day” in honor of the silver anniversary of the entry of Alaska into the Union. the United States will receive therefrom benefit adequate to justify
the making of that grant. None of the funds appropriated for
“Research and development” pursuant to this Act may be used in

facility, the estimated cost of which, including collateral equipment,
exceeds $250,000, unless the Administrator or his designee has
notified the Speaker of the House of Representatives and the Presi-

(1) in the discretion of the Administrator or his designee, may be varied upward 10 percent, or

(2) following a report by the Administrator or his designee to the Committee on Science and Technology of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the circumstances of such action, may be varied upward 25 percent,

to meet unusual cost variations, but the total cost of all work authorized under such paragraphs shall not exceed the total of the amounts specified in such paragraphs.

The funds so made available may be expended to acquire, construct, convert, rehabilitate, or install permanent or temporary public works, including land acquisition, site preparation, appurtenances, utilities, and equipment. No portion of such sums may be obligated for expenditure or expended to construct, expand, or modify laboratories and other installations unless (A) a period of 30 days has passed after the Administrator or his designee has transmitted to the Speaker of the House of Representatives and to the President of the Senate and to the Committee on Science and Technology of the House of Representatives and to the Committee on Commerce, Science, and Transportation of the Senate a written report containing a full and complete statement concerning (i) the nature of such construction, expansion, or modification, (ii) the cost thereof including the cost of any real estate action pertaining thereto, and (iii) the reason why such construction, expansion, or modification is necessary in the national interest, or (B) each such committee before the expiration of such period has transmitted to

Joint Resolution

To authorize and request the President to designate July 16, 1983, as "National Atomic Veterans' Day".

Whereas approximately two hundred and fifty thousand veterans of the United States, while serving in the active military, naval, or air service during the period beginning in 1945 and ending in 1963, witnessed and participated in at least two hundred and thirty-five atmospheric nuclear weapons tests conducted in the Pacific Ocean and the Southwestern United States or served in Hiroshima or Nagasaki during the period of the occupation of Japan by the military forces of the United States immediately following World War II;

Whereas these Atomic Veterans patriotically served their country meeting the needs of national defense during this critical period in history;

Whereas the health of many of the Atomic Veterans and of many of the natural children of such veterans may have been adversely affected by the exposure of such veterans to ionizing radiation from the detonation of atomic or nuclear weapons;

Whereas the Congress recognizes the patriotism and dedication of the Atomic Veterans and the importance of resolving the issues arising from the problems caused by the exposure of the Atomic Veterans to ionizing radiation; and

Whereas July 16, 1983, is the anniversary of "Trinity", the first detonation of an atomic weapon, which took place at Alamogordo Air Force Base in New Mexico on July 16, 1945: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is

Designating September 22, 1983, as "American Business Women's Day".

Whereas there are forty-three million working women integrally involved in determining the direction of both the private and public sectors of our Nation;
Whereas American businesswomen hold active, responsible, decisionmaking roles at all levels of business, and thus influence the direction of our Nation; and
Whereas the Congress recognizes the important contributions of American businesswomen to our Nation's continuing vitality:

Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That September 22, 1983, is designated “American Business Women's Day”. Joint Resolution

Designating “National Reye’s Syndrome Week”.

Whereas Reye’s syndrome is a disease of unknown cause which normally attacks healthy children eighteen years of age and under, both male and female, which can kill or cripple more than half of its victims within several days by attacking the muscles, liver, brain, and kidneys, and which affects every organ in the body;

Whereas Reye’s syndrome is recognized by the Food and Drug Administration to be one of the top ten killers among all children’s diseases;

Whereas Reye’s syndrome was first recognized as a specific illness in 1963 and is a new illness in name only since children have been affected for decades by the illness and Reye’s syndrome cases have been improperly diagnosed;

Whereas the reporting of cases of Reye’s syndrome is required in only one-half of the States (for the purpose of this joint resolution, “States” includes the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, and the other territories and possessions of the United States);

Whereas volunteer Reye’s syndrome organizations are established throughout the United States and are supported by thousands of parents;

Whereas national Reye’s syndrome volunteer organizations exist to encourage involvement of the Federal Government in supporting Reye’s syndrome research; to encourage coordination of the treatment and research efforts by the various Reye’s syndrome treatment and research centers; to establish Reye’s syndrome as a reportable disease in every State; to establish at the Center for Disease Control a position for the review of data on Reye’s syndrome patients; to sponsor a multicenter research study by recognized authorities on Reye’s syndrome; to sponsor programs to educate parents and medical professionals with respect to diagnosis and treatment of the illness; and to raise funds for research into cause, prevention, and treatment of Reye’s syndrome;

Whereas Reye’s syndrome incidence continues to increase at a pace greater than the attention of the public, the Federal Government in general, and the Congress in particular; and
Whereas the chief executive officers of several States have declared certain periods of time as Reye's syndrome weeks: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week of November 7 through November 13, 1983, is designated "National Reye's Syndrome Week". Joint Resolution

To designate August 1, 1983, as "Helsinki Human Rights Day".

Whereas August 1, 1983, will be the eighth anniversary of the signing of the Final Act of the Conference on Security and Cooperation in Europe (hereafter in this preamble referred to as the "Helsinki accords");

Whereas the Helsinki accords express the desire of the participating states to "respect human rights and fundamental freedoms, including the freedom of thought, conscience, religion or belief, for all without distinction as to race, sex, language, or religion";

Whereas the Helsinki accords also express the commitment of the participating states to "facilitate freer movement and contacts, individually and collectively, whether privately or officially, among persons, institutions, and organizations of the participating states, and to contribute to the solution of the humanitarian problems that arise in that connection";

Whereas the Helsinki accords specify that the participating states will "deal in a positive and humanitarian spirit with the applications of persons who wish to be reunited with members of their family" and will "deal with applications in this field as expeditiously as possible";

Whereas the Helsinki accords also state that the participating states will facilitate travel by citizens of such states for both personal and professional reasons and that for this purpose such states will simplify exit and entry procedures;

Whereas the Government of the Union of Soviet Socialist Republics, in agreeing to the Helsinki accords, has acknowledged an adherence to the principles of freedom and to the basic human rights of citizens to emigrate, to be reunited with their families, and to enjoy at least minimal governmental respect for their individuality and human worth;

Whereas the Soviet Government has not fulfilled its commitment to the Helsinki accords by denying individuals inherent rights to freedom of religion, thought, conscience, and emigration;

Whereas the governments of the Soviet Union and its satellites have increased the difficulties faced by citizens who wish to reunite with family members in other countries, resulting in a drastic decline in recent emigration figures;

Whereas Jews, Ukrainians, Balts, Byelorussians, Armenians, Georgians, and members of other nationalities in the Soviet Union are persecuted and often imprisoned for attempts to celebrate their national heritage, to practice their religion, to express freely their opinions, to emigrate, or to monitor Soviet Government compliance with the provisions of the Helsinki accords;

Whereas the satellite nations of the Soviet Union have increased repression against labor union members, peace activists, religious and political dissenters, and others desiring to emigrate; and
Whereas the denial of fundamental rights by the Soviet Government is a threat to peace throughout the world: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That—

(1) August 1, 1983, the eighth anniversary of the signing of the Final Act of the Conference on Security and Cooperation in Europe, is designated as “Helsinki Human Rights Day”;

(2) the President is authorized and requested to issue a proclamation reasserting the American commitment to full implementation of the human rights and humanitarian provisions of the Helsinki accords, urging all signatory nations, particularly the Soviet Union and its satellites, to abide by their obligations under the Helsinki accords, and encouraging the people of the United States to join the President and Congress in observance of Helsinki Human Rights Day with appropriate programs, ceremonies, and activities; and

(3) the President is further requested to continue his efforts to achieve full implementation of the human rights and humanitarian provisions of the Helsinki accords by raising the issue of noncompliance with authorities of the Soviet Union and East European countries at every available opportunity.

Sec. 2. The Secretary of the Senate is directed to transmit copies of this joint resolution to the President, the Secretary of State, and the Ambassadors of the thirty-four Helsinki signatory nations.

Joint Resolution

Designating August 3, 1983, as "National Paralyzed Veterans Recognition Day".

Whereas among those Americans who have answered their country's call to service in defense of its freedoms, there are thousands who, as a result of service in our Nation's military forces, have suffered the catastrophic disability of paralysis;

Whereas despite the extreme severity of this disability, these veterans have succeeded in leading useful and productive lives, in part through Federal programs for their readjustment but, more significantly, by drawing upon a special brand of heroism;

Whereas our country now enjoys the blessing of peace, and it is appropriate that all Americans recognize the special debt owed to those who have been paralyzed in the defense of our freedoms during the wars of this century; and

Whereas the sacrifices and contributions that these veterans have made and the service rendered by the many veterans who later suffered paralysis from nonservice related causes are deserving of national recognition: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That August 3, 1983, is designated as "National Paralyzed Veterans Recognition Day", and the President is authorized and requested to issue a proclamation calling upon the people of the United States and interested groups and organizations to set aside this day to honor the sacrifices and service of paralyzed veterans in an appropriate manner.

In order to further the purposes of the Delaware Water Gap National Recreation Area, and to provide for the public safety of the
visitors to the recreation area and the citizens of the States of New Jersey and Pennsylvania:

(1) Highway 209, as a federally owned road within the boundaries of the recreation area, is hereby closed to all commercial vehicular traffic upon enactment of this law, except for those commercial vehicular operations which are based within the recreation area, or which have business facilities in Monroe and Pike Counties, Pennsylvania, operating, on the date of enactment, commercial vehicular traffic originating or terminating outside the recreation area, and except for those commercial vehicular operations which are necessary to provide services to businesses and persons located within or contiguous to the boundaries of the recreation area.

(2) The Secretary of the Interior is authorized and directed, notwithstanding any other law, to establish a commercial operation fee for the use, in accordance with subsection (1), of highway 209 for all commercial vehicles, except for commercial vehicular operations serving businesses or persons located in or contiguous to the boundaries of the recreation area: Provided, That the fee schedule may not exceed $10 per trip: Provided further, That all fees received shall be set aside in a special account and are available, without further appropriation, for the management, operation, construction, and maintenance of highway 209 within the boundaries of the recreation area.

(3) The provisions of subsection (1) of this section shall terminate on December 31, 1983. The provisions of subsection (2) of this section shall terminate three years from the enactment of this section unless construction of the I-287 bypass in New Jersey or any other feasible, suitable alternative has been commenced. In the event construction has been commenced subsection (2) of this section will terminate ten years from the enactment of this section, or when construction of I-287 or any other feasible, suitable alternative is completed, which ever occurs first.

(4) Notwithstanding any other provision of law, procedural or substantive, 100 per centum Federal highway trust funds moneys are hereby allocated as part of the State's allocation, and are immediately available for obligation to the State of New Jersey for the construction of the I-287 bypass in New Jersey or any other feasible, suitable alternative, such appropriation as may be made available by Congress from general appropriations to cover 100 per centum of the cost of the I-287 bypass or the alternative route. The Congress finds that the Forest Service's proposal of March 15, 1983, to consider six million acres of the national forest for possible sale has met with considerable opposition; and the national forests are an important part of the national heritage of the United States; and the national forests provide and protect important resources; and the national forests provide unique opportunities for recreation; and it is inconsistent with past management practices to dispose of large portions of our national forests. It is, therefore, the sense of the Congress that it is not in the national interest to grant the authority to sell significant acreage of the national forest until such time as the Forest Service specifically identifies the tracts which are no longer needed by the Federal Government; inventories the tracts as to their public benefit value; provides opportunities for public review and discussion of the tracts; and completes all necessary environmental assessments of such sales.

part B of part 2 of schedule 1 of the TSUS.

(B) The term "Plan" means a stable food production plan that consists of measures and proposals designed to ensure that the present level of food production in, and the nutritional level of the population of, a beneficiary country will not be adversely affected by changes in land use and land ownership that will result if increased production of sugar and beef products is undertaken in response to the duty-free treatment extended under this title to such products. A Plan must specify such facts regarding, and such proposed actions by, a beneficiary country as the President deems necessary for purposes of carrying out this subsection, including but not limited to—

(i) the current levels of food production and nutritional health of the population;
(ii) current level of production and export of sugar and beef products;
(iii) expected increases in production and export of sugar and beef products as a result of the duty-free access to the United States market provided under this title;
(iv) measures to be taken to ensure that the expanded production of those products because of such duty-free access will not occur at the expense of stable food production; and
(v) proposals for a system to monitor the impact of such duty-free access on stable food production and land use and land ownership patterns.

(2) Duty-free treatment extended under this title to sugar and beef products that are the product of a beneficiary country shall be suspended by the President under this subsection if—

(A) the beneficiary country, within the ninety-day period beginning on the date of its designation as such a country under section 212, does not submit a Plan to the President for evaluation;
(B) on the basis of his evaluation, the President determines that the Plan of a beneficiary country does not meet the criteria set forth in paragraph (1)(B); or
(C) as a result of the monitoring of the operation of the Plan under paragraph (5), the President determines that a beneficiary country is not making a good faith effort to implement its Plan, or that the measures and proposals in the Plan, although being implemented, are not achieving their purposes.

(3) Before the President suspends duty-free treatment by reason of paragraph (2) (A), (B), or (C) to the sugar and beef products of a beneficiary country, he must offer to enter into consultation with the beneficiary country for purposes of formulating appropriate remedial action which may be taken by that country to avoid such suspension. If the beneficiary country thereafter enters into consultation within a reasonable time and undertakes to formulate remedial action in good faith, the President shall withhold the suspension of duty-free treatment on the condition that the remedial action agreed upon be appropriately implemented by that country.
Plan monitoring, report to Congress.

(4) The President shall monitor on a biennial basis the operation of the Plans implemented by beneficiary countries, and shall submit a written report to Congress by March 15 following the close of each biennium, that—

(A) specifies the extent to which each Plan, and remedial actions, if any, agreed upon under paragraph (4), have been implemented; and

(B) evaluates the results of such implementation.

(5) The President shall terminate any suspension of duty-free treatment imposed under this subsection if he determines that the beneficiary country has taken appropriate action to remedy the factors on which the suspension was based.

(d) For such period as there is in effect a proclamation issued by the President pursuant to the authority vested in him by section 22 of the Agricultural Adjustment Act (7 U.S.C. 624) to protect a price-support program for sugar beets and sugar cane, the importation and duty-free treatment of sugars, sirups, and molasses classified under items 155.20 and 155.80 of the TSUS shall be governed in the following manner:

(1)(A) For all beneficiary countries, except those subject to subparagraph (B) and paragraph (2), duty-free treatment shall be provided in the same manner as it is provided pursuant to title V of the Trade Act of 1974 (19 U.S.C. 2461 et seq.), at the time of the effective date of this title; except that the President upon the recommendation of the Secretary of Agriculture, may suspend or adjust upward the value limitation provided for in section 504(c)(1) of the Trade Act of 1974 on the duty-free treatment afforded to beneficiary countries under this section if he finds that such adjustment will not interfere with the price support program for sugar beets and sugar cane and is appropriate in light of market conditions.

(B) As an alternative to subparagraph (A), the President may, at the request of a beneficiary country not subject to paragraph (2) and upon the recommendation of the Secretary of Agriculture, elect to permit sugar, sirups, and molasses from that country to enter duty-free during a calendar year subject to quantitative limitations to be established by the President on the quantity of sugar, sirups, and molasses entered from that country.

(2) For the following countries whose exports of sugar, sirups, and molasses in 1981 were not eligible for duty-free treatment because of the operation of section 504(c) of the Trade Act of 1974, the quantity of sugar, sirups, and molasses which may be entered in any calendar year shall be limited to no more than the quantity specified below:

<table>
<thead>
<tr>
<th>Metric tons:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dominican Republic</td>
</tr>
<tr>
<td>Guatemala</td>
</tr>
<tr>
<td>Panama</td>
</tr>
</tbody>
</table>

Such sugar, sirups, and molasses shall be admitted free of duty, except as provided for in paragraph (3).

(3) The President, upon the recommendation of the Secretary of Agriculture, may suspend or adjust upward the quantitative limitations imposed under paragraph (1)(B) or (2) if he determines such action will not interfere with the price support program for sugar beets and sugar cane and is appropriate in
light of market conditions. The President, upon the recommendation of the Secretary of Agriculture, may suspend the duty-free treatment for all or part of the quantity of sugar, sirups, and molasses permitted to be entered by paragraphs (1)(B) and (2) if such action is necessary to protect the price-support program for sugar beets and sugar cane.

(4) Any quantitative limitation imposed on a beneficiary country under paragraphs (1)(B) and (2) shall apply only to the extent that such limitation permits a lesser quantity of sugar, sirups, and molasses to be entered from that country than the quantity that would be permitted to be entered under any other provision of law.

(e)(1) The President may by proclamation suspend the duty-free treatment provided by this title with respect to any eligible article and may proclaim a duty rate for such article if such action is proclaimed pursuant to section 203 of the Trade Act of 1974 or section 232 of the Trade Expansion Act of 1962.

(2) In any report by the International Trade Commission to the President under section 201(d)(1) of the Trade Act of 1974 regarding any article for which duty-free treatment has been proclaimed by the President pursuant to this title, the Commission shall state whether and to what extent its findings and recommendations apply to such article when imported from beneficiary countries.

(3) For purposes of subsections (a) and (c) of section 203 of the Trade Act of 1974, the suspension of the duty-free treatment provided by this title shall be treated as an increase in duty.

(4) No proclamation which provides solely for a suspension referred to in paragraph (3) of this subsection with respect to any article shall be made under subsections (a) and (c) of section 203 of the Trade Act of 1974 unless the United States International Trade Commission, in addition to making an affirmative determination with respect to such article under section 201(b) of the Trade Act of 1974, determines in the course of its investigation under section 201(b) of such Act that the serious injury (or threat thereof) substantially caused by imports to the domestic industry producing a like or directly competitive article results from the duty-free treatment provided by this title.

(5)(A) Any proclamation issued pursuant to section 203 of the Trade Act of 1974 that is in effect when duty-free treatment pursuant to section 101 of this title is proclaimed shall remain in effect until modified or terminated.

(B) If any article is subject to import relief at the time duty-free treatment is proclaimed pursuant to section 211, the President may reduce or terminate the application of such import relief to the importation of such article from beneficiary countries prior to the otherwise scheduled date on which such reduction or termination would occur pursuant to the criteria and procedures of subsections (h) and (i) of section 203 of the Trade Act of 1974.

(f)(1) If a petition is filed with the International Trade Commission pursuant to the provisions of section 201 of the Trade Act of 1974 regarding a perishable product and alleging injury from imports from beneficiary countries, then the petition may also be filed with the Secretary of Agriculture with a request that emergency relief be granted pursuant to paragraph (3) of this subsection with respect to such article.

(2) Within fourteen days after the filing of a petition under paragraph (1) of this subsection—
(A) if the Secretary of Agriculture has reason to believe that a perishable product from a beneficiary country is being imported into the United States in such increased quantities as to be a substantial cause of serious injury, or the threat thereof, to the domestic industry producing a perishable product like or directly competitive with the imported product and that emergency action is warranted, he shall advise the President and recommend that the President take emergency action; or

(B) the Secretary of Agriculture shall publish a notice of his determination not to recommend the imposition of emergency action and so advise the petitioner.

(3) Within seven days after the President receives a recommendation from the Secretary of Agriculture to take emergency action pursuant to paragraph (2) of this subsection, he shall issue a proclamation withdrawing the duty-free treatment provided by this title or publish a notice of his determination not to take emergency action.

(4) The emergency action provided by paragraph (3) of this subsection shall cease to apply—

(A) upon the proclamation of import relief pursuant to section 202(a)(1) of the Trade Act of 1974,

(B) on the day the President makes a determination pursuant to section 203(b)(2) of such Act not to impose import relief,

(C) in the event of a report of the United States International Trade Commission containing a negative finding, on the day the Commission's report is submitted to the President, or

(D) whenever the President determines that because of changed circumstances such relief is no longer warranted.

For purposes of this subsection, the term "perishable product" means—

(A) live plants provided for in subpart A of part 6 of schedule 19 USC 1202.

(B) fresh or chilled vegetables provided for in items 135.10 through 138.42 of the TSUS;

(C) fresh mushrooms provided for in item 144.10 of the TSUS;

(D) fresh fruit provided for in items 146.10, 146.20, 146.30, 146.50 through 146.62, 146.90, 146.91, 147.03 through 147.33, 147.50 through 149.21 and 149.50 of the TSUS;

(E) fresh cut flowers provided for in items 192.17, 192.18, and 192.21 of the TSUS; and

(F) concentrated citrus fruit juice provided for in items 165.25 and 165.35 of the TSUS.

(g) No proclamation issued pursuant to this title shall affect fees imposed pursuant to section 22 of the Agricultural Adjustment Act (7 U.S.C. 624).

(1) such discharge occurs at least one thousand five hundred feet into the territorial sea from the line of ordinary low water from that portion of the coast which is in direct contact with the sea, and

(2) the Governor of the United States Virgin Islands determines that such discharge will not interfere with the attainment or maintenance of that water quality which shall assure protection of public water supplies, and the protection and propagation of a balanced population of shellfish, fish, and wildlife, and allow recreational activities, in and on the water and will not result in the discharge of pollutants in quantities which may reasonably be anticipated to pose an unacceptable risk to human health or the environment because of bioaccumulation, persistency in the environment, acute toxicity, chronic toxicity (including carcinogenicity, mutagenicity, or teratogenicity), or synergistic propensities.

To improve small business access to Federal procurement information.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) section 8(e) of the Small Business Act is amended to read as follows:

"(e)(1) It shall be the duty of the Secretary of Commerce, and the Secretary is hereby empowered, to obtain notice of all proposed competitive and noncompetitive civilian and defense procurement actions of $10,000 and above from any Federal department, establishment or agency (hereinafter in this subsection referred to as 'department') engaged in procurement of property, supplies, and services in the United States; and to publicize such notices in the daily publication Commerce Business Daily, immediately after the necessity for the procurement is established: Provided, That nothing in this paragraph shall require publication of such notices with respect to those procurements in which it is determined on a case-by-case basis that (A) the procurement for security reasons is of a classified nature; (B) the Federal department's need for the property, supplies, or services is of such unusual and compelling urgency that the Government would be seriously injured if the time periods provided for in paragraph (2) were complied with; (C) a foreign government reimburses the Federal department for the cost of the procurement of the property, supplies, or services for such government and only one source is available, or the terms of an international agreement or treaty between the United States and a foreign government authorize or require that all such procurement shall be from sources specified within such international agreement or treaty; (D) the procurement is made from another Government department or agency, or a mandatory source of supply; (E) the procurement is for utility services and only one source is available; (F) the procurement is made against an order placed under a requirement or similar contract, including orders for perishable subsistence supplies; (G) the procurement results from acceptance of a proposal pursuant to the Small Business Innovation Development Act of 1982 or an unsolicited proposal that demonstrates a unique or innovative research concept and publication of such unsolicited proposal would improperly disclose the originality of thought or innovativeness of the proposed research; or (H) it is determined in writing by the head of the Federal department, with the concurrence of the Administrator, that advance notice is not appropriate or reasonable.

“(2) Whenever a Federal department is required to publish notice of procurement actions pursuant to paragraph (1) of this subsection, such department shall not—

“(A) issue a solicitation until at least fifteen days have elapsed from the date of publication of a proper notice of the action in the Commerce Business Daily, except if the solicitation is for procurement of requirements categorized as research or

"(3) Whenever notice is required by paragraph (1), such notice shall include—

"(A) a clear description of the property, supplies, or services to be contracted for, which description is not unnecessarily restrictive of competition;

"(B) the name, address and telephone number of the officer or employee of the Federal department who may be contacted for the purpose of obtaining a copy of either the solicitation or, if the notice is for an intent to contract on a sole source basis, such specification and information as practicable regarding the service or performance to be awarded; and

"(C) solely with respect to notice of intent to contract on a sole source basis, a statement that interested persons are invited to identify their interest and capability to respond to such requirement, or to submit proposals in response to such notice, within the stated period of time provided under paragraph (2).

"(4) Notwithstanding any other provision of law, unless the negotiations would be conducted pursuant to this section or section 9 of this Act or unless a Federal department's need for the property, supplies, or services is of such unusual and compelling urgency that the Government would be seriously injured if the provisions of this paragraph were complied with, a Federal department may not commence negotiations for the award of a sole source contract or a contract that results from an unsolicited proposal for more than $1,000,000 in fiscal year 1984, for more than $500,000 in fiscal year 1985 and for more than $300,000 in fiscal year 1986 and each year thereafter unless—

"(A) the head of the procuring activity or his deputy, on a nondelegable basis, has approved the authority to enter into such contract, and

"(B) the contracting officer for such contract has evaluated the responses to the notice of procurement action required in subparagraph (3)(C):

Provided, That nothing in this subparagraph shall prohibit an officer or employee of a Federal department from responding to a request for information. Annually, each department shall report to the Congress on each negotiation above the stated amount if the head of the procuring activity or his deputy did not approve the authority to enter into such contract.

"(5) In the case of all procurement actions in excess of $25,000 in which the award of a contract is likely to result in the award of subcontracts under such contract, unless the procurement for security reasons is of a classified nature, the Federal department shall
promptly furnish for publication by the Secretary of Commerce a notice announcing the award in the Commerce Business Daily.

"(6) As used in this subsection—

"(A) the term 'sole source contract' means a contract for the purchase of property, supplies or services which is entered into or proposed to be entered into by a Federal department after soliciting and negotiating with only one source.

"(B) the term 'unsolicited proposal' means a proposal that is submitted to a Federal department on the initiative of the submitter for the purpose of obtaining a contract with the United States Government, and which is not in response to a formal or informal request (other than a departmental request constituting a publicized general statement of need in areas of science and technology-based research and development that are of interest to the department)."

(b)(1) Except as to the amendments made to section 8(e)(4) of the Small Business Act as added by section (a) of this Act, the amendments made by this Act shall apply to procurement actions initiated ninety days after the date of enactment of this Act.

(2) The amendments made to section 8(e)(4) of the Small Business Act as added by section (a) of this Act shall apply to procurement actions initiated on or after October 1, 1983.

(3) The provisions of this Act shall apply to the Tennessee Valley Authority only with respect to procurements to be paid from appropriated funds.

SEC. 2. (a) Contingent upon availability of funds, the Secretary of the Interior (hereinafter in this Act referred to as the "Secretary") shall deposit into a separate account—

(1) $113,777.10 of the funds appropriated in satisfaction of the judgments awarded the Three Affiliated Tribes of Fort Berthold Reservation in dockets numbered 350-G and 54-81 L of the United States Court of Claims, plus

The initial payment of $113,777.10 shall be deposited when funds equal to this amount are released from the new member per capita escrow account. Thereafter, as any new membership application is denied, the funds thereby released shall be deposited in the account until such time as the sum described in clause (2) is fully satisfied or there are no further membership applications to be processed. Any funds so deposited shall be distributed and used only as provided in this Act.

(b) Any funds deposited by the Secretary in a separate account under subsection (a) shall be held and invested by the Secretary in accordance with the first section of the Act of June 24, 1938 (52 Stat. 1037).

(c) Any funds deposited by the Secretary in a separate account under subsection (a), including any interest or investment income accrued thereon, may be distributed, with the approval of the Secretary, to the governing body of the Three Affiliated Tribes of Fort Berthold Reservation for use in the planning and development of a hospital or a health care facility to serve the needs of such tribes.

(d) Any funds deposited by the Secretary in a separate account under subsection (a), including any interest or investment income accrued thereon, which have not been distributed by the Secretary under subsection (c) prior to the date which is five years after the date of enactment of this Act may be distributed to the governing body of the Three Affiliated Tribes of Fort Berthold Reservation for use in any tribal program which is authorized by such governing body and approved by the Secretary.

SEC. 3. (a) The Secretary shall distribute to each eligible individual out of funds appropriated in satisfaction of the judgments awarded...
the Three Affiliated Tribes of Fort Berthold Reservation in dockets numbered 350-G and 54-81 L of the United States Court of Claims the sum of—

(1) $4,000, and all interest and investment income accrued thereon since August 5, 1982, plus
(2) $45.16, and all interest and investment income accrued thereon since December 13, 1982.

(b) For purposes of this section, the term “eligible individual” means any individual—

Joint Resolution

To proclaim a day of national celebration of the two hundredth anniversary of the signing of the Treaty of Paris.

Whereas September 3, 1983, commemorates a day of unique significance in the history of our Nation;
Whereas on September 3, 1783, the American Peace Commissioners—John Adams, Benjamin Franklin, and John Jay—signed a Definitive Treaty of Peace with David Hartley, the representative of George the Third, the King of Great Britain, in the city of Paris;
Whereas on the same day another treaty between Great Britain and America's ally France and cobelligerent Spain was signed at Versailles, and witnessed by the American Peace Commissioners;
Whereas the signing of the Definitive Treaty with Great Britain signified to the world that these former thirteen British colonies with the invaluable assistance of the Government and citizens of France had emerged from the great war of the American Revolution as an independent Nation, the United States of America, confirmed in its sovereignty over a vast extent of territory;
Whereas the ratification of the Definitive Treaty of Peace by the Congress of the Confederation on January 14, 1784, in Annapolis, Maryland, inaugurated an era of peace for the new Nation which made possible the experimentation in self-government which led to the adoption of the Constitution of the United States of America on September 17, 1787;
Whereas since that historic day two hundred years ago, the United States of America has survived as a free Nation, ever mindful of the blessings that liberty and peace have brought: Now, therefore, be it
Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That September 3, 1983, is proclaimed a day of national celebration of the two hundredth anniversary of the signing of the Treaty of Paris, and that the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

An Act
To amend the Railroad Retirement Act of 1974 and the Railroad Retirement Tax Act to assure sufficient resources to pay current and future benefits under the Railroad Retirement Act of 1974, to make technical changes, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the “Railroad Retirement Solvency Act of 1983”.

TITLE I—BENEFIT ADJUSTMENTS

SEC. 101. (a) Section 3(a) of the Railroad Retirement Act of 1974 is amended—

(1) by striking out “spouses” in subdivision (2) and inserting in lieu thereof “if an individual is entitled to an annuity under paragraph (ii) of section 2(a)(1) of this Act which did not begin to accrue before the individual attains age 62”;

(2) by adding at the end thereof the following new subdivision:

“(ii) for months beginning with the first month throughout which the individual is age 62, the amount (after any reduction on account of age but before any deductions on account of work) of the old-age insurance benefit to which such individual would have been entitled under the Social Security Act if all of such individual’s service as an employee after December 31, 1936, had been included in the term ‘employment’ as defined in that Act.”;

(b) Section 4(a) of the Railroad Retirement Act of 1974 is amended—

(1) by striking out “spouses” in subdivision (2) and inserting in lieu thereof “if an individual is entitled to an annuity under paragraph (ii) of section 2(a)(1) of this Act which did not begin to
accrue before such individual attained age 62, the spouse of such individual”; and

(2) by adding at the end thereof the following new subdivisions:

45 USC 231a.

“(3) In the case of an individual entitled to an annuity under section 2(a)(1)(ii) of this Act which began to accrue before such individual attained age 62, the annuity of the spouse of such individual under section 2(c) of this Act shall, in lieu of an annuity amount provided under subdivision (1), be in an amount equal to—

42 USC 402.

“(i) for each month prior to the first month throughout which both the individual and the spouse are age 62, 50 per centum of that portion of the individual’s annuity as is, or was prior to such individual’s attaining age 62, computed under section 3(a)(3)(i) of this Act, reduced to the same extent such amount would be reduced under section 202(b)(4) of the Social Security Act (in the case of a wife) or under section 202(c)(2) of the Social Security Act (in the case of a husband) as if such amount were a wife’s insurance benefit or a husband’s insurance benefit, respectively, under such Act; and

42 USC 1305.

“(ii) for months beginning with the first month throughout which both the individual and the spouse are age 62, the amount (after any reduction on account of age based on the spouse’s age at the time the amount under this paragraph first becomes payable but before any deductions on account of work) of the wife’s insurance benefit or the husband’s insurance benefit to which such spouse would have been entitled under the Social Security Act if the individual’s service as an employee after December 31, 1936, had been included in the term ‘employment’ as defined in that Act.

45 USC 231a.

“(4) In the case of an individual entitled to an annuity under paragraph (iv) or (v) of section 2(a)(1) of this Act, the annuity of the spouse of such individual entitled to an annuity under section 2(c)(1)(ii)(B) of this Act shall, in lieu of an annuity amount provided under subdivision (1), be in an amount equal to the amount (after any reduction on account of age but before any deductions on account of work) of the wife’s insurance benefit or the husband’s insurance benefit to which such spouse would have been entitled under the Social Security Act if the individual’s service as an employee after December 31, 1936, had been included in the term ‘employment’ as defined in that Act. For purposes of this subdivision, spouses who have not attained age 62 shall be deemed to have attained age 62.”.

Effective date.

(c) The amendments made by this section shall become effective on July 1, 1984, and shall apply only with respect to awards in cases where the individual’s annuity under section 2(a)(1) of the Railroad Retirement Act of 1974 began to accrue on or after that date and the individual had not completed thirty years of service and attained age 60 prior to that date. In the case of an individual who has completed thirty years of service and has attained age 60 before January 1, 1986, the amount of the reduction on account of age in the annuity amount provided to such individual under section 3(a)(3) of the Railroad Retirement Act of 1974 and the amount of the reduction on account of age in the annuity amount provided to the spouse of such individual under subdivision (3) of section 4(a) of the Railroad Retirement Act of 1974 shall be only one-half of the amount by which such annuity would be reduced on account of age except for the provisions of this sentence.
Sec. 102. (a) Section 3(g) of the Railroad Retirement Act of 1974 is amended to read as follows:

“(g)(1) Effective with the date of any increase after January 31, 1984, in monthly insurance benefits under the Social Security Act which occurs, or which would have occurred had there not been a general benefit increase under that Act, pursuant to the automatic cost-of-living provisions of section 215(i) of that Act, that portion of the annuity of an individual which is computed under subsection (b) of this section shall, if such individual’s annuity under section 2(a)(1) of this Act began to accrue on or before the effective date of a particular increase under this subdivision, be increased by 32.5 per centum of the percentage increase in the index which is used, or which would have been used had there not been a general benefit increase under the Social Security Act, in increasing benefits under the Social Security Act pursuant to the automatic cost-of-living provisions of section 215(i) of that Act. Any increase under this subsection shall not be deferred and shall be reflected in all payments made to annuitants after such increase under this subsection becomes effective.

“(2) The first and, if necessary, the following time or times after January 1, 1983, that monthly insurance benefits under section 202 of the Social Security Act are increased, that portion of the annuity of the spouse of an individual as is determined under subsection (b) of this section prior to any determination under subsection (c) of this subsection shall, if the annuity of such spouse is not subject to reduction under subdivision (3) of this subsection, be reduced by an amount equal to 50 per centum of the dollar amount by which the annuity of the individual was reduced under section 3(g)(2) of this Act. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than $10.

(b) Section 4(d) of the Railroad Retirement Act of 1974 is amended—

(1) by inserting “(1)” after “(d)”;  
(2) by striking out “3(g)” and inserting “3(g)(1)” in lieu thereof; and  
(3) by adding at the end thereof the following new subdivisions:

“(2) That portion of the annuity of the spouse of an individual as is determined under subsection (b) of this section prior to any determination under subsection (c) of this subsection shall, if the annuity of such spouse is not subject to reduction under subdivision (3) of this subsection, be reduced by an amount equal to 50 per centum of the dollar amount by which the annuity of the individual was reduced under section 3(g)(2) of this Act. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than $10.

“(3) The first and, if necessary, the following time or times after January 1, 1983, that monthly insurance benefits under section 202 of the Social Security Act are increased, that portion of the annuity of the spouse of an individual as is determined under subsections (b), (c), and (d)(1) of this section shall, if such spouse’s annuity under

Supra.
section 2(c) of this Act began to accrue in or before the year in which such first increase under the Social Security Act became effective, be reduced by the dollar amount by which that portion of the annuity provided such spouse under subsection (a) of this section was increased, after any reduction under subsection (i) of this section, as a result of such increase or increases under the Social Security Act until the total dollar amount of such reduction or reductions equals 5 per centum of the annuity amount provided such spouse under subsection (a), as reduced under subsection (i), prior to such first increase. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than $10.”.

Ante, p. 413.

(1) in subdivision (1), by inserting “and without regard to any reduction under section 3(g)(2) of this Act” after “before any reduction on account of age”; (2) in subdivision (6), by striking out “3(g)” and inserting “3(g)(1)” in lieu thereof; and (3) by adding at the end the following new subdivisions: “(7) The first and, if necessary, the following time or times after January 1, 1983, that monthly insurance benefits under section 202 of the Social Security Act are increased, that portion of the annuity of a survivor of a deceased individual as is determined under subdivisions (1) and (2) of this subsection, or under section 4(g) of this Act as in effect before amendment by section 1119(g) of Public Law 97-35, shall, if such survivor’s annuity under section 2(d) of this Act began to accrue before the effective date of such first increase under the Social Security Act, be reduced by the dollar amount by which that portion of the annuity provided such survivor under subsection (f) of this section was increased, after any reduction under subsection (i) of this section, as a result of such increase or increases under the Social Security Act until the total dollar amount of such reduction or reductions equals 5 per centum of the annuity amount provided such survivor under subsection (f), as reduced under subsection (i), prior to such first increase. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than $10.

“(8) That portion of the annuity of a survivor of a deceased individual as is determined under subdivisions (1) and (2) of this subsection shall, if the annuity of such survivor is not subject to reduction under subdivision (7) of this subsection, be reduced by an amount equal to the dollar amount by which the annuity of the deceased individual was reduced under section 3(g)(2) of this Act or would have been reduced under such section 3(g)(2) if such deceased individual had been living at the time such survivor’s annuity under section 2(d) of this Act began to accrue (deeming for this purpose, if such individual died before becoming entitled to an annuity under section 2(a)(1) of this Act, that such individual became entitled to an annuity under paragraph (i) of such section 2(a)(1) in the month in which such individual died). In a case where the survivor of a deceased individual is not entitled to a monthly insurance benefit under the Social Security Act, the reduction provided by the preceding sentence of this subdivision shall be equal to the dollar amount by which the annuity of the deceased individual would have been reduced under section 3(g)(2) of this Act if the annuity of such deceased individual had not been subject to reduction under section
3(m) of this Act. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than $10.

"(9) That portion of the annuity of a survivor of a deceased individual as is determined under section 4(g) of this Act as in effect before amendment by section 1119(g) of Public Law 97-35 shall, if the annuity of such survivor is not subject to reduction under subdivision (7) of this subsection, be reduced by an amount equal to the dollar amount by which the annuity of the deceased individual was reduced under section 3(g)(2) of this Act or, if such survivor is not entitled to a monthly insurance benefit under the Social Security Act, would have been reduced under such section 3(g)(2) if the annuity of such deceased individual had not been subject to reduction under section 3(m) of this Act. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than $10."

(d) The amendments made by this section shall be effective on the date of the enactment of this Act. For purposes of the amendments made by subsection (a) of this section, annuity portions computed under subsections (b) and (d) of section 3 of the Railroad Retirement Act of 1974 as in effect before October 1, 1981, shall be treated as having been computed under subsection (b) of such section as in effect after that date.

Sect. 103. (a) Section 5(a) of the Railroad Retirement Act of 1974 is amended—

(1) by striking out "An annuity" at the beginning and inserting in lieu thereof "Subject to the limitations set forth below, an annuity";

(2) by amending paragraphs (ii) and (iii) to read as follows:

"(ii) in the case of an applicant otherwise entitled to an annuity under paragraph (iv) or (v) of section 2(a)(1) or under section 2(d)(1)(i) on the basis of disability, not earlier than the later of (A) the first day of the sixth month following the onset date of the disability for which such annuity is awarded or (B) the first day of the twelfth month before the month in which the application therefor was filed;

"(iii) in the case of an applicant otherwise entitled to an annuity under section 2(a)(1), 2(c), or 2(d) where paragraph (ii) does not apply, not earlier than the latest of (A) the first day of the sixth month before the month in which the application therefor was filed, (B) the first day of the month in which the application therefor was filed if the effect of beginning such annuity in an earlier month would result in a greater age reduction in the annuity, unless beginning the annuity in the earlier month would enable an annuity under section 2(c) which is not subject to an age reduction to be payable in such earlier month, (C) in the case of an applicant otherwise entitled to an annuity under section 2(a)(1) or 2(c), the date following the last day of compensated service of the applicant, or (D) in the case of an applicant otherwise entitled to an annuity under section 2(a)(1) or 2(c), the first day of the first month throughout which the applicant meets the age requirement for the annuity applied for;" and

(3) by adding at the end thereof the following new sentence:

No later than April 1 of each year, the Board shall submit a written report to the President, the Speaker of the House, and the President of the Senate setting forth the results of the projection prepared pursuant to the preceding sentence. If the projection indicates that the funds in the Railroad Retirement Account will be insufficient to pay the full amount of the benefits under this Act which are payable from that Account at any time during the five-year period, the Board’s report shall include—

“(A) the first fiscal year during which benefits under this Act must be reduced, in the absence of any adjustments, because insufficient funds (including any general revenue borrowing authority under this Act) would preclude payment of full bene-

Sec. 106. (a) Section 2(a)(1) of the Railroad Retirement Act of 1974 is amended—

“(4) After the end of each month beginning with the month of October 1983, the Board shall determine the net amount, if any, which if added to or subtracted from the Federal Old-Age and Survivors Insurance Trust Fund, the Federal Disability Insurance Trust Fund, and the Federal Hospital Insurance Trust Fund would, with respect to such month, place those Trust Funds, taken as a whole, in the same position in which they would have been if (A)
service as an employee after December 31, 1936, had been included in the term 'employment' as defined in the Social Security Act and in the Federal Insurance Contributions Act, and (B) this Act had not been enacted. If for any month the net amount so determined would be subtracted from those Trust Funds, the Board shall, within ten days after the end of such month, report such amount to the Secretary of the Treasury for transfer from the general fund to the Railroad Retirement Account. Any amount so reported shall further include interest (at an annual rate equal to the rate of interest borne by a special obligation issued to the Railroad Retirement Account in the month in which the transfer is made to the Account) payable from the close of the month for which the transfer is made until the date of transfer. The Secretary of the Treasury is authorized and directed to transfer to the Railroad Retirement Account from the general fund such amounts as, from time to time, may be determined by the Board pursuant to the provisions of this subdivision and reported by the Board for transfer. For such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities issued after the date of the enactment of this Act under section 3102 of title 31 of the United States Code, and the purpose for which securities may be issued under section 3102 of title 31 of the United States Code are extended to include such purpose. Each such transfer shall be made by the Secretary of the Treasury within five days after a report of the amount to be transferred is received. Not later than December 31 following the close of each fiscal year beginning with the fiscal year ending September 30, 1984, the Board shall certify to the Secretary of the Treasury the total of all amounts transferred pursuant to the provisions of this subdivision for months in such fiscal year. Within ten days after a transfer, or transfers, pursuant to subdivision (2) for a particular fiscal year, the Board shall request the Secretary of the Treasury to retransfer from the Railroad Retirement Account to the general fund an amount equal to (A) the total of all amounts, exclusive of interest, transferred to such Account pursuant to the provisions of this subdivision for months in such fiscal year, plus (B) interest (at the rate determined in subdivision (3) for such fiscal year) payable with respect to each amount transferred for a month during such fiscal year from the close of the month for which the transfer of the amount was made until the date of retransfer of such amount. The Secretary of the Treasury is authorized and directed to retransfer from the Railroad Retirement Account to the general fund such amounts as, from time to time, may be determined by the Board pursuant to the provisions of the preceding sentence of this subdivision and reported by the Board for retransfer."

(b) Subsection (b) of section 15 of the Railroad Retirement Act of 1974 is amended to read as follows:

"(b) In addition to the amount appropriated in subsection (a) of this section, there is hereby authorized to be appropriated to the Railroad Retirement Account for each fiscal year, beginning with the fiscal year ending June 30, 1975, such amount as the Board determines to be necessary to meet (A) the additional costs, resulting from the crediting of military service under this Act, of benefits payable under section 2 of this Act, but only to the extent that such Account is not reimbursed for such costs under section 7(c)(2), (B) the additional administrative expenses resulting from the crediting of military service under this Act, and (C) any loss in interest to such
Account resulting from the payment of additional benefits based on military service credited under this Act: Provided, however, That, in determining the amount to be appropriated to the Railroad Retirement Account for any fiscal year pursuant to the provisions of this subsection, there shall not be considered any costs resulting from the crediting of military service under this Act for which appropriations to such Account have already been made pursuant to section 4(1) of the Railroad Retirement Act of 1937. Any determination as to loss in interest to the Railroad Retirement Account pursuant to clause (C) of the first sentence of this subsection shall take into account interest from the date each annuity based, in part, on military service began to accrue or was increased to the date or dates on which the amount appropriated is credited to the Account. The cost resulting from the payment of additional benefits under this Act based on military service determined pursuant to the preceding provisions of this subsection shall be adjusted by applying thereto the ratio of the total net level cost of all benefits under this Act to the portion of such net level cost remaining after the exclusion of administrative expenses and interest charges on the unfunded accrued liability as determined under the last completed actuarial valuation pursuant to the provisions of subsection (g) of this section. At the close of the fiscal year ending June 30, 1975, and each fiscal year thereafter, the Board shall, as promptly as practicable, determine the amount to be appropriated to the Account pursuant to the provisions of this subsection, and shall certify such amount to the Secretary of the Treasury for transfer from the general fund in the Treasury to the Railroad Retirement Account.

Transfer of funds.

When authorized by an appropriation Act, the Secretary of the Treasury shall transfer to the Railroad Retirement Account from the general fund in the Treasury such amounts as, from time to time, may be determined by the Board pursuant to the provisions of this subsection and certified by the Board for transfer to such Account. In any determination made pursuant to section 7(c)(2) of this Act, no further charges shall be made against the Trust Funds established by title II of the Social Security Act for military service rendered before January 1, 1957, and with respect to which appropriations authorized by clause (2) of the first sentence of section 4(1) of the Railroad Retirement Act of 1937 shall have been credited to the Railroad Retirement Account, but the additional benefit payments incurred by such Trust Funds by reason of such military service shall be taken in account in making any such determination.”.

(c)(1) The amendment made by subsection (a) of this section shall be effective on October 1, 1983.

“(2) On and after October 1, 1984, any transfer which (but for this paragraph) would be required to be made from the Railroad Retirement Account under paragraph (2) or (4) of section 7(c) shall be made from the Social Security Equivalent Benefit Account.

“(d)(1) Whenever the Board finds that the balance in the Social Security Equivalent Benefit Account will be insufficient to pay social security equivalent benefits which it estimates are due in any month, it shall request the Secretary of the Treasury to transfer from the Railroad Retirement Account to the credit of the Social Security Equivalent Benefit Account such moneys as the Board estimates will be necessary for the payment of such benefits, and the Secretary shall make such transfer. Whenever later in such month there is a transfer to the Social Security Equivalent Benefit Account under paragraph (2) or (4) of section 7(c) of this Act, the amount so transferred shall be immediately retransferred to the Railroad Retirement Account. The amount retransferred under the preceding sentence shall not exceed the amount of any outstanding transfers under this paragraph from the Railroad Retirement Account plus such additional amounts determined by the Board to be equal to the loss of interest to the Railroad Retirement Account resulting from such outstanding transfers.

“(2) Whenever the Board determines that—

“(A) amounts in the Railroad Retirement Account will not be sufficient to pay the annuities which it estimates are due, or will become due, from such Account, and
“(B) the transfer under this paragraph will not jeopardize the present or future payment of social security equivalent benefits, the Board shall request the Secretary of the Treasury to transfer from the Social Security Equivalent Benefit Account to the Railroad Retirement Account such moneys as the Board estimates will be necessary for the payment of such annuities, and the Secretary shall make such transfer. No transfer under this paragraph shall be required to be repaid.

“(e) The provisions of subsections (e), (f), and (g) of section 15 are hereby made applicable to the Social Security Equivalent Benefit Account.

“(f)(1) For purposes of making payments of social security equivalent benefits, references in the Act to the Railroad Retirement Account shall be treated as references to the Social Security Equivalent Benefit Account.

“(2) For purposes of this section, the term ‘social security equivalent benefits’ means benefits payable under this Act which are of a kind taken into account in determining the amount of transfers made under section 7(c)(2) of this Act.”.

“(b)(1) The amendment made by this section shall take effect on October 1, 1984.

“(2)(A) The tier 1 portion of the tax imposed by section 3201, 3211, or 3221 of the Internal Revenue Code of 1954, as the case may be, with respect to compensation paid before 1985 shall be treated as described in subparagraph (A) of section 15A(b)(1) of the Railroad Retirement Act of 1974.

“(B) For purposes of subparagraph (A), the tier 1 portion of any tax is so much of such tax as is determined by reference to the rates of taxes imposed by chapter 21 of the Internal Revenue Code of 1954.

STUDY

Sec. 502. On or before July 1 of 1985, and of each calendar year thereafter, the Railroad Retirement Board shall submit to the Congress a report on the actuarial status of the railroad retirement system under various economic and employment assumptions. Such report shall include any recommendation for financing changes which might be advisable, including—

(1) any adjustment the Railroad Retirement Board recommends regarding the rates of taxes imposed by sections 3201(b), 3211(a)(2), and 3221(b) of the Internal Revenue Code of 1954, and

(2) if there are sufficient reserves in the Railroad Retirement Account, whether—

(A) the rates of such taxes should be reduced, or

(B) any part of the tax imposed by section 3221(b) of such Code should be diverted to the Railroad Unemployment Insurance Account to aid in the repayment of its debt to the Railroad Retirement Account.

INCREASE IN MONTHLY WAGE BASE

Sec. 503. (a)(1) Subsection (a) of section 8 of the Railroad Unemployment Insurance Act is amended by striking out so much of such subsection as precedes the table contained therein and inserting in lieu thereof the following:

“Sec. 8. (a) Every employer shall pay a contribution, with respect to having employees in his service, equal to the percentage deter-
mired as set forth below of so much of the compensation as is not in excess of $600 for any calendar month paid by him to any employee for any services rendered to him. If compensation is paid to an employee by more than one employer with respect to any such calendar month, the contributions required by this subsection shall not apply to more than $600 of the aggregate compensation paid to such employee by all such employers with respect to such calendar month, and each employer (other than a subordinate unit of a national railway-labor-organization employer) shall be liable for that portion of the contribution with respect to such compensation paid by all such employers which the compensation paid by him to such employee for services rendered during such month bears to the total compensation paid by all such employers to such employee for services rendered during such month. In the event that the compensation so paid by such employers to the employee for services rendered during such month is less than $600, each subordinate unit of a national railway-labor-organization employer shall be liable for such portion of any additional contribution as the compensation paid by such employer to such employee for services rendered during such month bears to the total compensation paid by all such employers to such employee for services rendered during such month:"

(2) Subsection (b) of section 8 of such Act is amended—
(A) by striking out "after December 1975", and
(B) by striking out "$400," and inserting in lieu thereof "$600.".

(b) The first sentence of subsection (i) of section 1 of such Act is amended by striking out "or in excess of $400 for any month after the month in which this Act was so amended" and inserting in lieu thereof "or in excess of $400 for any month after the month in which this Act was so amended and before January 1984, or in excess of $600 for any month after 1983".

(c) The amendments made by this section shall apply to compensation paid for services rendered after December 31, 1983.

RAILROAD UNEMPLOYMENT COMPENSATION COMMITTEE

Sec. 504. (a) Representatives of railroad labor and railroad management shall jointly establish (and jointly appoint the members of) a committee to be known as the "Railroad Unemployment Compensation Committee" (hereinafter in this section referred to as the "Committee").

(b) The Committee shall consist of five members—
(1) two of whom shall be representatives of railroad labor,
(2) two of whom shall be representatives of railroad management, and
(3) one of whom shall be an individual who shall not be in the employment of or pecuniarily or otherwise interested in any employer (as defined in section 1 of the Railroad Retirement Act of 1974) or any organization of employees (as defined in section 1 of such Act).

(c) The Committee shall review all aspects of the unemployment and sickness insurance systems provided by the Railroad Unemployment Insurance Act including (but not limited to) a review of—
(1) benefit levels,
(2) experience rating,
(3) debt repayment and interest on debt,
(4) waiting period for unemployment benefits and qualifying requirements, and
(5) alternatives to the railroad unemployment insurance system such as covering railroad employees under the Federal-State unemployment compensation system.

(d) Not later than April 1, 1984, the Committee shall submit a report to the Congress containing recommendations—

(1) with respect to the review conducted under subsection (c), and

(2) with respect to the repayment of funds which the railroad unemployment insurance system has borrowed from the Railroad Retirement Account.

Any recommendation submitted under paragraph (2) shall contain adjustments in contributions and benefits which will enable the railroad unemployment compensation system to repay all loans from the Railroad Retirement Account before December 31, 2000.

(e) The Railroad Retirement Board (and any other department, agency, or instrumentality of the Federal Government) is authorized to cooperate with, and assist, the Committee (at its request) in carrying out its duties by furnishing services, information, data, or other material which the Committee determines will be helpful in carrying out its duties.

The purpose of this Act is to address the problem of severe and continuing unemployment among veterans by providing, in the form of payments to defray the costs of training, incentives to employers to hire and train certain wartime veterans who have been unemployed for long periods of time for stable and permanent positions that involve significant training.

DEFINITIONS

Sec. 3. For the purposes of this Act:
(1) The term "Administrator" means the Administrator of Veterans' Affairs.
(2) The term "Secretary" means the Secretary of Labor.
(3) The terms "veteran", "Korean conflict", "compensation", "service-connected", "active military, naval, or air service", "State", and "Vietnam era", have the meanings given such terms in paragraphs (2), (9), (13), (16), (20), (24), and (29), respectively, of section 101 of title 38, United States Code.
SEC. 4. (a) The Administrator and, to the extent specifically provided by this Act, the Secretary shall carry out a program in accordance with this Act to assist eligible veterans in obtaining employment through training for employment in stable and permanent positions that involve significant training. The program shall be carried out through payments to employers who employ and train eligible veterans in such jobs in order to assist such employers in defraying the costs of necessary training.

(b) The Secretary shall carry out the Secretary's responsibilities under this Act through the Assistant Secretary of Labor for Veterans' Employment established under section 2002A of title 38, United States Code.

SEC. 5. (a)(1) To be eligible for participation in a job training program under this Act, a veteran must be a Korean conflict or Vietnam-era veteran who—

(A) is unemployed at the time of applying for participation in a program under this Act; and

(B) has been unemployed for at least fifteen of the twenty weeks immediately preceding the date of such veteran's application for participation in a program under this Act.

(2) For purposes of paragraph (1), the term "Korean conflict or Vietnam-era veteran" means a veteran—

(A) who served in the active military, naval, or air service for a period of more than one hundred and eighty days, any part of which was during the Korean conflict or the Vietnam era; or

(B) who served in the active military, naval, or air service during the Korean conflict or the Vietnam era and—

(i) was discharged or released therefrom for a service-connected disability; or

(ii) is entitled to compensation (or but for the receipt of retirement pay would be entitled to compensation).

(3) For purposes of paragraph (1), a veteran shall be considered to be unemployed during any period the veteran is without a job and wants and is available for work.

(b)(1) A veteran who desires to participate in a program of job training under this Act shall submit to the Administrator an application for participation in such a program. Such an application—

(A) shall include a certification by the veteran that the veteran is unemployed and meets the other criteria for eligibility prescribed by subsection (a); and

(B) shall be in such form and contain such additional information as the Administrator may prescribe.

(2)(A) Subject to subparagraph (B), the Administrator shall approve an application by a veteran for participation in a program of job training under this Act unless the Administrator finds that the veteran is not eligible to participate in a program of job training under this Act.

(B) The Administrator may withhold approval of an application of a veteran under this Act if the Administrator determines that, because of limited funds available for the purpose of making payments to employers under this Act, it is necessary to limit the number of participants in programs under this Act.
(3)(A) The Administrator shall certify as eligible for participation under this Act a veteran whose application is approved under this subsection and shall furnish the veteran with a certificate of that veteran's eligibility for presentation to an employer offering a program of job training under this Act. Any such certificate shall expire 60 days after it is furnished to the veteran. The date on which a certificate is furnished to a veteran under this paragraph shall be stated on the certificate.

(B) A certificate furnished under this paragraph may, upon the veteran's application, be renewed in accordance with the terms and conditions of subparagraph (A).

(c) The maximum period of training for which assistance may be provided on behalf of a veteran under this Act is—

(1) fifteen months in the case of—

(A) a veteran with a service-connected disability rated at 30 percent or more; or

(B) a veteran with a service-connected disability rated at 10 percent or 20 percent who has been determined under section 1506 of title 38, United States Code, to have a serious employment handicap; and

(2) nine months in the case of any other veteran.

EMPLOYER JOB TRAINING PROGRAMS

Sec. 6. (a)(1) Except as provided in paragraph (2), in order to be approved as a program of job training under this Act, a program of job training of an employer approved under section 7 must provide training for a period of not less than six months in an occupation in a growth industry, in an occupation requiring the use of new technological skills, or in an occupation for which demand for labor exceeds supply.

(2) A program of job training providing training for a period of at least three but less than six months may be approved if the Administrator determines (in accordance with standards which the Administrator shall prescribe) that the purpose of this Act would be met through that program.

(b) Subject to section 10 and the other provisions of this Act, a veteran who has been approved for participation in a program of job training under this Act and has a current certificate of eligibility for such participation may enter a program of job training that has been approved under section 7 and that is offered to the veteran by the employer.

APPROVAL OF EMPLOYER PROGRAMS

Sec. 7. (a)(1) An employer may be paid assistance under section 8(a) on behalf of an eligible veteran employed by such employer and participating in a program of job training offered by that employer only if the program is approved under this section and in accordance with such procedures as the Administrator may by regulation prescribe.

(2) Except as provided in subsection (b), the Administrator shall approve a proposed program of job training of an employer unless the Administrator determines that the application does not contain a certification and other information meeting the requirements established under this section or that withholding of approval is warranted under subsection (g).
Employment restrictions.

(b) The Administrator may not approve a program of job training—

(1) for employment which consists of seasonal, intermittent, or temporary jobs;
(2) for employment under which commissions are the primary source of income;
(3) for employment which involves political or religious activities;
(4) for employment with any department, agency, instrumentality, or branch of the Federal Government (including the United States Postal Service and the Postal Rate Commission); or
(5) if the training will not be carried out in a State.

Application by employer.

(c) An employer offering a program of job training that the employer desires to have approved for the purposes of this Act shall submit to the Administrator a written application for such approval. Such application shall be in such form as the Administrator shall prescribe.

Required certification by employer.

(d) An application under subsection (c) shall include a certification by the employer of the following:

(1) That the employer is planning that, upon a veteran's completion of the program of job training, the employer will employ the veteran in a position for which the veteran has been trained and that the employer expects that such a position will be available on a stable and permanent basis to the veteran at the end of the training period.
(2) That the wages and benefits to be paid to a veteran participating in the employer's program of job training will be not less than the wages and benefits normally paid to other employees participating in a comparable program of job training.
(3) That the employment of a veteran under the program—
   (A) will not result in the displacement of currently employed workers (including partial displacement such as a reduction in the hours of nonovertime work, wages, or employment benefits); and
   (B) will not be in a job (i) while any other individual is on layoff from the same or any substantially equivalent job, or (ii) the opening for which was created as a result of the employer having terminated the employment of any regular employee or otherwise having reduced its work force with the intention of hiring a veteran in such job under this Act.
(4) That the employer will not employ in the program of job training a veteran who is already qualified by training and experience for the job for which training is to be provided.
(5) That the job which is the objective of the training program is one that involves significant training.
(6) That the training content of the program is adequate, in light of the nature of the occupation for which training is to be provided and of comparable training opportunities in such occupation, to accomplish the training objective certified under clause (2) of subsection (e).
(7) That each participating veteran will be employed full time in the program of job training.
(8) That the training period under the proposed program is not longer than the training periods that employers in the
community customarily require new employees to complete in order to become competent in the occupation or job for which training is to be provided.

(9) That there are in the training establishment or place of employment such space, equipment, instructional material, and instructor personnel as needed to accomplish the training objective certified under clause (2) of subsection (e).

(10) That the employer will keep records adequate to show the progress made by each veteran participating in the program and otherwise to demonstrate compliance with the requirements established under this Act.

(11) That the employer will furnish each participating veteran, before the veteran's entry into training, with a copy of the employer's certification under this subsection and will obtain and retain the veteran's signed acknowledgment of having received such certification.

(12) That the program meets such other criteria as the Administrator may determine are essential for the effective implementation of the program established by this Act.

(e) A certification under subsection (d) shall include—

(1) a statement indicating (A) the total number of hours of participation in the program of job training to be offered a veteran, (B) the length of the program of job training, and (C) the starting rate of wages to be paid to a participant in the program; and

(2) a description of the training content of the program (including any agreement the employer has entered into with an educational institution under section 8) and of the objective of the training.

(f)(1) Except as specified in paragraph (2), each matter required to be certified to in paragraphs (1) through (11) of subsection (d) shall be considered to be a requirement established under this Act.

(2)(A) For the purposes of section 8(c), only matters required to be certified in paragraphs (1) through (10) of subsection (d) shall be so considered.

(B) For the purposes of section 11, a matter required to be certified under paragraph (12) of subsection (d) shall also be so considered.

(g) In accordance with regulations which the Administrator shall prescribe, the Administrator may withhold approval of an employer's proposed program of job training pending the outcome of an investigation under section 12 and, based on the outcome of such an investigation, may disapprove such program.

(h) For the purposes of this section, approval of a program of apprenticeship or other on-job training for the purposes of section 1787 of title 38, United States Code, shall be considered to meet all requirements established under this Act for approval of a program of job training.

PAYMENTS TO EMPLOYERS; OVERPAYMENT

Sect. 8. (a)(1) Except as provided in paragraph (3) and subsection (b) and subject to the provisions of section 9, the Administrator shall make quarterly payments to an employer of a veteran participating in an approved program of job training under this Act. Subject to section 5(c) and paragraph (2), the amount paid to an employer on behalf of a veteran for any period of time shall be 50 percent of the product of (A) the starting hourly rate of wages paid to the
veteran by the employer (without regard to overtime or premium pay), and (B) the number of hours worked by the veteran during that period.

(2) The total amount that may be paid to an employer on behalf of a veteran participating in a program of job training under this Act is $10,000.

(3) In order to relieve financial burdens on business enterprises with relatively few numbers of employees, the Administrator may make payments under this Act on a monthly, rather than quarterly, basis to an employer with a number of employees less than a number which shall be specified in regulations which the Administrator shall prescribe for the purposes of this paragraph.

(b) Payment may not be made to an employer for a period of training under this Act on behalf of a veteran until the Administrator has received—

(1) from the veteran, a certification that the veteran was employed full time by the employer in a program of job training during such period; and

(2) from the employer, a certification—

(A) that the veteran was employed by the employer during that period and that the veteran's performance and progress during such period were satisfactory; and

(B) of the number of hours worked by the veteran during that period.

With respect to the first such certification by an employer with respect to a veteran, the certification shall indicate the date on which the employment of the veteran began and the starting hourly rate of wages paid to the veteran (without regard to overtime or premium pay).

(c)(1)(A) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification, or information contained in an application, submitted by an employer which was false in any material respect, the amount of such overpayment shall constitute a liability of the employer to the United States.

(B) Whenever the Administrator finds that an employer has failed in any substantial respect to comply for a period of time with a requirement established under this Act (unless the employer's failure is the result of false or incomplete information provided by the veteran), each amount paid to the employer on behalf of a veteran for that period shall be considered to be an overpayment under this Act, and the amount of such overpayment shall constitute a liability of the employer to the United States.

(2) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification by the veteran, or as a result of information provided to an employer or contained in an application submitted by the veteran, which was willfully or negligently false in any material respect, the amount of such overpayment shall constitute a liability of the veteran to the United States.

(3) Any overpayment referred to in paragraph (1) or (2) may be recovered in the same manner as any other debt due the United States. Any overpayment recovered shall be credited to funds available to make payments under this Act. If there are no such funds, any overpayment recovered shall be deposited into the Treasury.
(4) Any overpayment referred to in paragraph (1) or (2) may be waived, in whole or in part, in accordance with the terms and conditions set forth in section 3102 of title 38, United States Code.

ENTRY INTO PROGRAM OF JOB TRAINING

SEC. 9. Notwithstanding any other provision of this Act, the Administrator may withhold or deny approval of a veteran's entry into an approved program of job training if the Administrator determines that funds are not available to make payments under this Act on behalf of the veteran to the employer offering that program. Before the entry of a veteran into an approved program of job training of an employer for purposes of assistance under this Act, the employer shall notify the Administrator of the employer's intention to employ that veteran. The veteran may begin such program of job training with the employer two weeks after the notice is transmitted to the Administrator unless within that time the employer has received notice from the Administrator that approval of the veteran's entry into that program of job training must be withheld or denied in accordance with this section.

PROVISION OF TRAINING THROUGH EDUCATIONAL INSTITUTIONS

SEC. 10. An employer may enter into an agreement with an educational institution that has been approved for the enrollment of veterans under chapter 34 of title 38, United States Code, in order that such institution may provide a program of job training (or a portion of such a program) under this Act. When such an agreement has been entered into, the application of the employer under section 7 shall so state and shall include a description of the training to be provided under the agreement.

DISCONTINUANCE OF APPROVAL OF PARTICIPATION IN CERTAIN EMPLOYER PROGRAMS

SEC. 11. If the Administrator finds at any time that a program of job training previously approved by the Administrator for the purposes of this Act thereafter fails to meet any of the requirements established under this Act, the Administrator may immediately disapprove further participation by veterans in that program. The Administrator shall provide to the employer concerned, and to each veteran participating in the employer's program, a statement of the reasons for, and an opportunity for a hearing with respect to, such disapproval. The employer and each such veteran shall be notified of such disapproval, the reasons for such disapproval, and the opportunity for a hearing. Notification shall be by a certified or registered letter, and a return receipt shall be secured.

INSPECTION OF RECORDS; INVESTIGATIONS

SEC. 12. (a) The records and accounts of employers pertaining to veterans on behalf of whom assistance has been paid under this Act, as well as other records that the Administrator determines to be necessary to ascertain compliance with the requirements established under this Act, shall be available at reasonable times for examination by authorized representatives of the Federal Government.
(b) The Administrator may monitor employers and veterans participating in programs of job training under this Act to determine compliance with the requirements established under this Act.

(c) The Administrator may investigate any matter the Administrator considers necessary to determine compliance with the requirements established under this Act. The investigations authorized by this subsection may include examining records (including making certified copies of records), questioning employees, and entering into any premises or onto any site where any part of a program of job training is conducted under this Act, or where any of the records of the employer offering or providing such program are kept.

(d) The Administrator may administer functions under subsections (b) and (c) in accordance with an agreement between the Administrator and the Secretary providing for the administration of such subsections (or any portion of such subsections) by the Department of Labor. Under such an agreement, any entity of the Department of Labor specified in the agreement may administer such subsections, notwithstanding section 4(b).

COORDINATION WITH OTHER PROGRAMS

SEC. 13. (a)(1) Assistance may not be paid under this Act to an employer on behalf of a veteran for any period of time described in paragraph (2) and to such veteran under chapter 31, 32, 34, 35, or 36 of title 38, United States Code, for the same period of time.

(2) A period of time referred to in paragraph (1) is the period of time beginning on the date on which the veteran enters into an approved program of job training of an employer for purposes of assistance under this Act and ending on the last date for which such assistance is payable.

(b) Assistance may not be paid under this Act to an employer on behalf of an eligible veteran for any period if the employer receives for that period any other form of assistance on account of the training or employment of the veteran, including assistance under the Job Training Partnership Act (29 U.S.C. 1501 et seq.) or a credit under section 44B of the Internal Revenue Code of 1954 (26 U.S.C. 44B) (relating to credit for employment of certain new employees).

(c) Assistance may not be paid under this Act on behalf of a veteran who has completed a program of job training under this Act.

COUNSELING

SEC. 14. The Administrator and the Secretary may, upon request, provide employment counseling services to any veteran eligible to participate under this Act in order to assist such veteran in selecting a suitable program of job training under this Act.

INFORMATION AND OUTREACH; USE OF AGENCY RESOURCES

SEC. 15. (a)(1) The Administrator and the Secretary shall jointly provide for an outreach and public information program—

(A) to inform veterans about the employment and job training opportunities available under this Act, under chapters 31, 34, 35, 41, and 42 of title 38, United States Code, and under other provisions of law; and
(B) to inform private industry and business concerns (including small business concerns), public agencies and organizations, educational institutions, trade associations, and labor unions about the job training opportunities available under, and the advantages of participating in, the program established by this Act.

(2) The Secretary, in consultation with the Administrator, shall promote the development of employment and job training opportunities for veterans by encouraging potential employers to make programs of job training under this Act available for eligible veterans, by advising other appropriate Federal departments and agencies of the program established by this Act, and by advising employers of applicable responsibilities under chapters 41 and 42 of title 38, United States Code, with respect to veterans.

(b) The Administrator and the Secretary shall coordinate the outreach and public information program under subsection (a)(1), and job development activities under subsection (a)(2), with job counseling, placement, job development, and other services provided for under chapters 41 and 42 of title 38, United States Code, and with other similar services offered by other public agencies and organizations.

(c)(1) The Administrator and the Secretary shall make available in regional and local offices of the Veterans' Administration and the Department of Labor such personnel as are necessary to facilitate the effective implementation of this Act.

(2) In carrying out the responsibilities of the Secretary under this Act, the Secretary shall make maximum use of the services of State and Assistant State Directors for Veterans' Employment, disabled veterans' outreach program specialists, and employees of local offices appointed pursuant to sections 2003, 2003A, and 2004 of title 38, United States Code. The Secretary shall also use such resources as are available under part C of title IV of the Job Training Partnership Act (29 U.S.C. 1501 et seq.). To the extent that the Administrator withholds approval of veterans' applications under this Act pursuant to section 5(b)(2)(B), the Secretary shall take steps to assist such veterans in taking advantage of opportunities that may be available to them under title III of that Act or under any other program carried out with funds provided by the Secretary.

(d) The Secretary shall request and obtain from the Administrator of the Small Business Administration a list of small business concerns and shall, on a regular basis, update such list. Such list shall be used to identify and promote possible training and employment opportunities for veterans.

(e) The Administrator and the Secretary shall assist veterans and employers desiring to participate under this Act in making application and completing necessary certifications.

AUTHORIZATION OF APPROPRIATIONS

Sec. 16. There is authorized to be appropriated to the Veterans' Administration $150,000,000 for each of fiscal years 1984 and 1985 for the purpose of making payments to employers under this Act and for the purpose of section 18 of this Act. Amounts appropriated pursuant to this section shall remain available until September 30, 1986.
Sec. 17. (a) Except as provided under subsection (b), assistance may not be paid to an employer under this Act—
    (1) on behalf of a veteran who applies for a program of job training under this Act after September 30, 1984; or
    (2) for any such program which begins after December 31, 1984.

(b) If funds are not both appropriated under section 16 and made available by the Director of the Office of Management and Budget to the Veterans' Administration on or before October 1, 1983, for the purpose of making payments to employers under this Act, assistance may be paid to an employer under this Act on behalf of a veteran if the veteran—
    (1) applies for a program of job training under this Act within one year after the date on which funds so appropriated are made available to the Veterans' Administration by the Director; and
    (2) begins participation in such program within fifteen months after such date.

Sec. 18. (a) Subject to the limitation on the availability of funds set forth in subsection (b), an associate degree program which is predominantly vocational in content may be considered by the Administrator, for the purposes of section 1662(a)(3) of title 38, United States Code, to be a course with an approved vocational objective if such degree program meets the requirements established in such title for approval of such program.

(b) Funds for the purpose of carrying out subsection (a) shall be derived only from amounts appropriated pursuant to the authorizations of appropriations in section 16. Not more than a total of $25,000,000 of amounts so appropriated for fiscal years 1984 and 1985 shall be available for that purpose.

Sec. 19. This Act shall take effect on October 1, 1983.

Approved August 15, 1983.

rheumatism, and other debilitating conditions which greatly
limit their personal mobility;
(2) these people reside in each of the several States and have
need and reason to travel from one State to another for business
and recreational purposes;
(3) each State maintains the right to establish and enforce its
own code of regulations regarding the appropriate use of motor
vehicles operating within its jurisdiction;
(4) within a given State handicapped individuals are often-
times granted special parking privileges to help offset the limi-
tations imposed by their physical impairment;
(5) these special parking privileges vary from State to State as
do the methods and means of identifying vehicles used by
disabled individuals, all of which serve to impede both the
enforcement of special parking privileges and the handicapped
individual’s freedom to properly utilize such privileges;
(6) there are many efforts currently underway to help allevi-
ate these problems through public awareness and administra-
tive change as encouraged by concerned individuals and na-

tional associations directly involved in matters relating to the
issue of special parking privileges for disabled individuals; and
(7) despite these efforts the fact remains that many States
may need to give the matter legislative consideration to ensure
a proper resolution of this issue, especially as it relates to law
enforcement and placard responsibility.

(b) The Congress encourages each of the several States working
through the National Governors Conference to—
(1) adopt the International Symbol of Access as the only
recognized and adopted symbol to be used to identify vehicles
carrying those citizens with acknowledged physical im-
pairments;
(2) grant to vehicles displaying this symbol the special park-
ing privileges which a State may provide; and
(3) permit the International Symbol of Access to appear either
on a specialized license plate, or on a specialized placard placed
in the vehicles so as to be clearly visible through the front
windshield, or on both such places.

(c) It is the sense of the Congress that agreements of reciprocity
relating to the special parking privileges granted handicapped indi-
viduals should be developed and entered into by and between the
several States so as to—
(1) facilitate the free and unencumbered use between the
several States, of the special parking privileges afforded those
people with acknowledged handicapped conditions, without
regard to the State of residence of the handicapped person
utilizing such privilege;
(2) improve the ease of law enforcement in each State of its
special parking privileges and to facilitate the handling of
violators; and
(3) ensure that motor vehicles carrying individuals with ac-
knowledged handicapped conditions be given fair and predict-
able treatment throughout the Nation.

(d) As used in this section the term “State” means the several
States and the District of Columbia.

(e) The Secretary of Transportation shall provide a copy of this
section to the Governor of each State and the Mayor of the District

Whereas an upturn in home sales and housing production has triggered every economic recovery since World War II;
Whereas to sustain this housing-led recovery, it is essential that interest rates continue to fall to increase housing affordability;

SEC. 3. Sections 342, 343, 344, 344a, 345, 346, and 377 of the Agricultural Adjustment Act of 1938, as amended, shall not be applicable to the 1984 and subsequent crops of extra long staple cotton.

SEC. 4. Effective beginning with the 1984 crop of extra long staple cotton, section 103 of the Agricultural Act of 1949, as amended, is amended by adding at the end thereof a new subsection as follows:

“(h)(1) For purposes of this subsection, extra long staple cotton means cotton which is produced from pure strain varieties of the Barbadense species or any hybrid thereof, or other similar types of extra long staple cotton, designated by the Secretary, having characteristics needed for various end uses for which American upland cotton is not suitable and grown in irrigated cotton-growing regions of the United States designated by the Secretary or other areas designated by the Secretary as suitable for the production of such varieties or types and which is ginned on a roller-type gin or, if authorized by the Secretary, ginned on another type gin for experimental purposes.

“(2) The Secretary shall, upon presentation of warehouse receipts reflecting accrued storage charges of not more than sixty days, make available to producers nonrecourse loans for a term of ten months from the first day of the month in which the loan is made at a level which is not less than 50 per centum in excess of the loan level established for each crop of Strict Low Middling one and one-sixteenth inch upland cotton (micronaire 3.5 through 4.9) at average location in the United States. If authorized by the Secretary, nonrecourse loans provided for in this subsection may, upon request of the producer during the tenth month of the loan period for the cotton, be made available for an additional term of eight months. The loan level for any crop of extra long staple cotton shall be determined and announced by the Secretary not later than November 1 of the calendar year preceding the marketing year for which such loan is to be effective and such level shall not thereafter be changed.

“(3)(A) In addition, payments shall be made for each crop of extra long staple cotton to producers on each farm at a rate equal to the amount by which the higher of—

“(i) the average market price received by farmers for extra long staple cotton during the first eight months of the marketing year for such crop, as determined by the Secretary,
"(ii) the loan level determined under paragraph (2) of this subsection for such crop, is less than the established price per pound times, in each case, the farm program acreage for extra long staple cotton (determined in accordance with paragraph (6) or paragraph (8)(A) of this subsection, but in no event on a greater acreage than the acreage actually planted to extra long staple cotton for harvest), multiplied by the farm program payment yield for extra long staple cotton (determined in accordance with paragraph (7) of this subsection).

"(B) The established price for each crop of extra long staple cotton shall be 120 per centum of the loan level determined for such crop under paragraph (2) of this subsection.

"(C) If the Secretary establishes an acreage limitation program for a crop of extra long staple cotton in accordance with paragraph (8)(A) of this subsection and determines that deficiency payments will likely be made for such crop of extra long staple cotton under subparagraph (A) of this paragraph, the Secretary may make available advance deficiency payments for such crop to producers who agree to participate in the acreage limitation program. Such advance payments shall be made available to producers as soon as practicable after the producer files a notice of intention to participate in such acreage limitation program and in such amount as the Secretary determines appropriate to encourage adequate participation in such program, except that such amount shall not exceed an amount determined by multiplying (i) the estimated farm program acreage for the crop, by (ii) the farm program payment yield for the crop, by (iii) 50 per centum of the projected payment rate, as determined by the Secretary. In any case in which the deficiency payment payable to a producer for a crop, as finally determined by the Secretary under subparagraph (A) of this paragraph, is less than the amount paid to the producer as an advance deficiency payment under this paragraph, the producer shall refund an amount equal to the difference between the amount advanced and the amount finally determined by the Secretary to be payable to the producer. If the Secretary determines that no deficiency payments are due producers on a crop, the producer who received advanced payments on such crop shall refund such payments. If a producer fails to comply with the requirements under the acreage limitation program after obtaining an advance deficiency payment under this paragraph, the producer shall immediately repay the amount of the advance, plus interest thereon in such amount as the Secretary shall prescribe.

"(4) The Secretary shall establish for each crop of extra long staple cotton a national program acreage. Such national program acreage shall be announced by the Secretary not later than November 1 of the calendar year preceding the year for which such acreage is established. The Secretary may revise the national program acreage first announced for any crop year for the purpose of determining the allocation factor under paragraph (5) of this subsection if the Secretary determines it necessary based upon the latest information, and the Secretary shall announce such revised national program acreage as soon as it has been made. The national program acreage shall be the number of harvested acres the Secretary determines (on the basis of the estimated weighted national average of the farm program payment yields for the crop for which the determination is made) will produce the quantity (less imports) of extra long staple cotton that the Secretary estimates will be utilized domestically and for export during the marketing year for such crop.
The national program acreage shall be subject to such adjustment as the Secretary determines necessary, taking into consideration the estimated carryover supply and the stocks not accounted for by official domestic consumption and export data, so as to provide for an adequate but not excessive total supply of extra long staple cotton for the marketing year for the crop for which such national program acreage is established. In no event shall the national program acreage be less than sixty thousand acres.

"(5) The Secretary shall determine a program allocation factor for each crop of extra long staple cotton. The allocation factor (not to exceed 100 per centum) shall be determined by dividing the national program acreage for the crop by the number of acres that the Secretary estimates will be harvested for such crop.

"(6) The individual farm program acreage for each crop of extra long staple cotton shall be determined by multiplying the allocation factor by the acreage of extra long staple cotton planted for harvest on each farm for which individual farm program acreages are required to be determined. The farm program acreage shall not be further reduced by application of the allocation factor if the producers reduce the acreage of extra long staple cotton planted for harvest on the farm from the acreage base established for the farm under paragraph (8)(A) of this subsection by at least the percentage recommended by the Secretary in the announcement of the national program acreage. The Secretary shall provide fair and equitable treatment for producers on farms on which the acreage of extra long staple cotton planted for harvest is less than the acreage base established for the farm under paragraph (8)(A) of this subsection, but for which the reduction is insufficient to exempt the farm from the application of the allocation factor. In establishing the allocation factor for extra long staple cotton, the Secretary may make such adjustment as the Secretary deems necessary to take into account the extent of exemption of farms under the foregoing provisions of this paragraph.

"(7) The farm program payment yield for each crop of extra long staple cotton shall be determined on the basis of the actual yields per harvested acre on the farm for the preceding three years, except that the actual yields shall be adjusted by the Secretary for abnormal yields in any year caused by drought, flood, or other natural disaster, or other condition beyond the control of the producers. In case farm yield data for one or more years are unavailable or there was no production, the Secretary shall provide for appraisals to be made on the basis of actual yields and program payment yields for similar farms in the area for which data are available. Notwithstanding the foregoing provisions of this paragraph in the determination of yields, the Secretary shall take into account the actual yields proved by the producer, and neither such yields nor the farm program payment yield established on the basis of such yields shall be reduced under other provisions of this paragraph. If the Secretary determines it necessary, the Secretary may establish national, State, or county program payment yields on the basis of historical yields, as adjusted by the Secretary to correct for abnormal factors affecting such yields in the historical period, or, if such data are not available, on the Secretary’s estimate of actual yields for the crop year involved. If national, State, or county program payment yields are established, the farm program payment yields shall balance to the national, State, or county program payment yields.
"(8)(A) Notwithstanding any other provision of this subsection, the Secretary may establish a limitation on the acreage planted to extra long staple cotton if the Secretary determines that the total supply of extra long staple cotton, in the absence of such limitation, will be excessive taking into account the need for an adequate carryover to maintain reasonable and stable prices and to meet a national emergency. Such limitation shall be achieved by applying a uniform percentage reduction to the acreage base for each extra long staple cotton-producing farm. Producers who knowingly produce extra long staple cotton in excess of the permitted acreage for the farm shall be ineligible for extra long staple cotton loans and payments with respect to that farm. The acreage base for any farm for the purpose of determining any reduction required to be made for any year as a result of a limitation under this subparagraph shall be the average acreage planted on the farm to extra long staple cotton for harvest in the three crop years immediately preceding the year prior to the year for which the determination is made. For the purpose of the preceding sentence, acreage planted to extra long staple cotton for harvest shall include any acreage which the producers were prevented from planting to extra long staple cotton or other noncon-serving crops in lieu of extra long staple cotton because of drought, flood, or other natural disaster or other condition beyond the control of the producers. The Secretary may make adjustments to reflect established crop-rotation practices and to reflect such other factors as the Secretary determines should be considered in determining a fair and equitable base. There is hereby established for the 1984, 1985, and 1986 crops an acreage base reserve equal to 5 per centum of the total of the farm acreage bases established for the crop under the foregoing provisions of this subparagraph. Such reserve shall be in addition to the total of the farm acreage bases and shall be used by the county committees, in accordance with regulations of the Secretary, for making adjustments of farm acreage bases to correct inequities and prevent hardship, and for establishing bases for farms on which no extra long staple cotton was planted during the preceding four years. A number of acres on the farm determined by dividing (i) the product obtained by multiplying the number of acres required to be withdrawn from the production of extra long staple cotton times the number of acres actually planted to such commodity, by (ii) the number of acres authorized to be planted to such commodity under the limitation established by the Secretary, shall be devoted to conservation uses, in accordance with regulations issued by the Secretary, which will assure protection of such acreage from weeds and wind and water erosion. The number of acres so determined is hereafter in this subsection referred to as 'reduced acreage'. The Secretary may permit, subject to such terms and conditions as the Secretary may prescribe, all or any part of the reduced acreage to be devoted to sweet sorghum, hay and grazing, or the production of guar, sesame, safflower, sunflower, castor beans, mustard seed, crambe, plantago ovato, flaxseed, triticale, rye, or other commodity, if the Secretary determines that such production is needed to provide an adequate supply of such commodities, is not likely to increase the cost of the price support program, and will not affect farm income adversely. If an acreage limitation program is announced under this paragraph for a crop of extra long staple cotton, paragraphs (4), (5), and (6) of this subsection shall not be applicable to such crop, including any prior announcement which may have been made under such paragraphs with respect to such
crop. The individual farm program acreage shall be the actual acreage planted on the farm to extra long staple cotton for harvest within the permitted extra long staple cotton acreage for the farm as established under this paragraph.

“(B) The Secretary may make land diversion payments to producers of extra long staple cotton, whether or not an acreage limitation program for extra long staple cotton is in effect, if the Secretary determines that such land diversion payments are necessary to assist in adjusting the total national acreage of extra long staple cotton to desirable goals. Such land diversion payments shall be made to producers who, to the extent prescribed by the Secretary, devote to approved conservation uses an acreage of cropland on the farm in accordance with land diversion contracts entered into by the Secretary with such producers. The amounts payable to producers under land diversion contracts may be determined through the submission of bids for such contracts by producers in such manner as the Secretary may prescribe or through such other means as the Secretary determines appropriate. In determining the acceptability of contract offers, the Secretary shall take into consideration the extent of the diversion to be undertaken by the producers and the productivity of the acreage diverted. The Secretary shall limit the total acreage to be diverted under agreements in any county or local community so as not to affect adversely the economy of the county or local community.

“(C) The reduced acreage and the diverted acreage may be devoted to wildlife food plots or wildlife habitat in conformity with standards established by the Secretary in consultation with wildlife agencies. The Secretary may pay an appropriate share of the cost of practices designed to carry out the purpose of the foregoing sentence. The Secretary may provide for an additional payment on such acreage in an amount determined by the Secretary to be appropriate in relation to the benefit to the general public if the producer agrees to permit, without other compensation, access to all or such portion of the farm, as the Secretary may prescribe, by the general public, for hunting, trapping, fishing, and hiking, subject to applicable State and Federal regulations.

“(9) An operator of a farm desiring to participate in the program conducted under paragraph (8) of this subsection shall execute an agreement with the Secretary providing for such participation not later than such date as the Secretary may prescribe. The Secretary may, by mutual agreement with the producers on the farm, terminate or modify any such agreement if the Secretary determines such action necessary because of an emergency created by drought or other disaster or to prevent or alleviate a shortage in the supply of agricultural commodities.

“(10) The Secretary shall provide for the sharing of payments made under this subsection for any farm among the producers on the farm on a fair and equitable basis.

“(11) The Secretary shall provide adequate safeguards to protect the interests of tenants and sharecroppers.

“(12) If the failure of a producer to comply fully with the terms and conditions of the program formulated under this subsection precludes the making of loans and payments, the Secretary may, nevertheless, make such loans and payments in such amounts as the Secretary determines to be equitable in relation to the seriousness of the failure. The Secretary may authorize the county and State committees established under section 8(b) of the Soil Conservation
and Domestic Allotment Act to waive or modify deadlines and other program requirements in cases in which lateness or failure to meet such other requirements does not affect adversely the operation of the program.

“(13) The Secretary may issue such regulations as the Secretary determines necessary to carry out the provisions of this subsection.

“(14) The Secretary shall carry out the program authorized by this subsection through the Commodity Credit Corporation.

“(15) The provisions of subsection 8(g) of the Soil Conservation and Domestic Allotment Act (relating to assignment of payments) shall apply to payments made under this subsection.

“(16) Notwithstanding any other provision of law, compliance on a farm with the terms and conditions of any other commodity program may not be required as a condition of eligibility for loans or payments under this subsection.

“(17) In order to encourage and assist producers in the orderly ginning and marketing of their extra long staple cotton production, the Secretary shall make recourse loans available to such producers on seed cotton in accordance with authority vested in the Secretary under the Commodity Credit Corporation Charter Act.

“(18) References made in sections 402, 403, 406, 407, and 416 to the terms ‘support price’, ‘level of support’, and ‘level of price support’ shall be considered to apply as well to the level of loans for extra long staple cotton under this subsection; and references to the terms ‘price support’, ‘price support operations’, and ‘price support program’ in such sections and in section 401(a) shall be considered as applying as well to the loan operations for extra long staple cotton under this subsection.”.

Sec. 5. Section 407 of the Agricultural Act of 1949, as amended, is amended by adding at the end thereof the following: “Notwithstanding any other provision of law, beginning upon the enactment of the Extra Long Staple Cotton Act of 1983, the Commodity Credit Corporation may sell extra long staple cotton for unrestricted use at such price levels as the Secretary determines appropriate to maintain and expand export and domestic markets for such cotton.”.

Sec. 6. Section 1101(1) of the Agriculture and Food Act of 1981 is amended by deleting “and rice” and inserting in lieu thereof “extra long staple cotton, and rice”.

Approved August 26, 1983.

§ 2103. Superintendence of the merchant marine

The Secretary has general superintendence over the merchant marine of the United States and of merchant marine personnel insofar as the enforcement of this subtitle is concerned and insofar as those vessels and personnel are not subject, under other law, to the supervision of another official of the United States Government. In the interests of marine safety and seamen's welfare, the Secretary shall enforce this subtitle and shall carry out correctly and uniformly administer this subtitle and regulations prescribed under this subtitle.

§ 2104. Delegation

(a) The Secretary may delegate the duties and powers conferred by this subtitle to any officer, employee, or member of the Coast Guard, and may provide for the subdelegation of those duties and powers.

(b) When this subtitle authorizes an officer or employee of the Customs Service to act in place of a Coast Guard official, the Secretary may designate that officer or employee subject to the approval of the Secretary of the Treasury.

§ 2105. Report

The Secretary shall provide for the investigation of the operation of this subtitle and of all laws related to marine safety, and shall require that a report be made to the Secretary annually about those matters that may require improvement or amendment.

§ 2106. Liability in rem

When a vessel is made liable in rem under this subtitle, the vessel may be libeled and proceeded against in a district court of the United States in which the vessel is found.

§ 2107. Civil penalty procedures

(a) After notice and an opportunity for a hearing, a person found by the Secretary to have violated this subtitle or a regulation prescribed under this subtitle for which a civil penalty is provided, is liable to the United States Government for the civil penalty provided. The amount of the civil penalty shall be assessed by the Secretary by written notice. In determining the amount of the penalty, the Secretary shall consider the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other matters that justice requires.
(b) The Secretary may compromise, modify, or remit, with or without consideration, a civil penalty under this subtitle until the assessment is referred to the Attorney General.

(c) If a person fails to pay an assessment of a civil penalty after it has become final, the Secretary may refer the matter to the Attorney General for collection in an appropriate district court of the United States.

§ 2108. Refund of penalties

The Secretary may refund or remit a civil penalty collected under this subtitle if—

(1) application has been made for refund or remission of the penalty within one year from the date of payment; and

(2) the Secretary finds that the penalty was unlawfully, improperly, or excessively imposed.

§ 2109. Public vessels

This subtitle does not apply to a public vessel of the United States. However, this subtitle does apply to a vessel (except a Coast Guard or a Saint Lawrence Seaway Development Corporation vessel) owned or operated by the Department of Transportation or by any corporation organized or controlled by the Department.

§ 2110. Fees prohibited

Fees may not be charged or collected by the Secretary for services provided for in this subtitle related to the engagement and discharge of seamen, the inspection and examination of vessels, the licensing of masters, mates, pilots, and engineers, and the measurement or documentation of vessels, except when specifically provided for in this subtitle.

§ 2111. Pay for overtime services

(a) The Secretary may prescribe a reasonable rate of extra pay for overtime services of civilian officers and employees of the Coast Guard required to remain on duty between 5 p.m. and 8 a.m., or on Sundays or holidays, to perform services related to—

(1) the inspection of vessels or their equipment;

(2) the engagement and discharge of crews of vessels;

(3) the measurement of vessels; and

(4) the documentation of vessels.

(b) Except for Sundays and holidays, the overtime rate provided under subsection (a) of this section is one-half day's additional pay for each 2 hours of overtime (or part of 2 hours of at least one hour). The total extra pay may be not more than 2 and one-half days' pay for any one period from 5 p.m. to 8 a.m.

(c) The overtime rate provided under subsection (a) of this section for Sundays and holidays is 2 additional days' pay.

(d) The owner, charterer, managing operator, agent, master, or individual in charge of the vessel shall pay the amount of the overtime pay provided under this section to the official designated by regulation. The official shall deposit the amount paid to the Treasury as miscellaneous receipts. Payment to the officer or employee entitled to the pay shall be made from the annual appropriations for salaries and expenses of the Coast Guard.

(e) The overtime pay provided under this section shall be paid if the authorized officers and employees have been ordered to report
for duty and have reported, even if services requested were not performed.

§ 2112. Authority to change working hours
In a port at which the customary working hours begin before 8 a.m. or end after 5 p.m., the Secretary may regulate the working hours of the officers and employees referred to in section 2111 of this title so that those hours conform to the prevailing working hours of the port. However—

(1) the total period for which overtime pay may be required under section 2111 of this title may not be more than 15 hours between any 2 periods of ordinary working hours on other than Sundays and holidays;

(2) the length of the working day for the officers and employees involved may not be changed; and

(3) the rate of overtime pay may not be changed.

§ 2113. Authority to exempt certain vessels
If the Secretary decides that the application of a provision of part B or F of this subtitle is not necessary in performing the mission of a vessel engaged in excursions or an oceanographic research vessel, the Secretary by regulation may—

(1) for an excursion vessel, issue a special permit specifying the conditions of operation and equipment; and

(2) exempt the oceanographic research vessel from that provision under conditions the Secretary may specify.

2302. Penalties for negligent operations.
2303. Duties related to marine casualty assistance and information.
2304. Duty to provide assistance at sea.
2305. Injunctions.

§ 2301. Application
This chapter applies to a vessel operated on waters subject to the jurisdiction of the United States and, for a vessel owned in the United States, on the high seas.

§ 2302. Penalties for negligent operations
(a) A person operating a vessel in a negligent manner that endangers the life, limb, or property of a person is liable to the United States Government for a civil penalty of not more than $1,000.

(b) A person operating a vessel in a grossly negligent manner that endangers the life, limb, or property of a person shall be fined not more than $5,000, imprisoned for not more than one year, or both.

(c) For a penalty imposed under this section, the vessel also is liable in rem unless the vessel is—

(1) owned by a State or a political subdivision of a State;

(2) operated principally for governmental purposes; and

(3) identified clearly as a vessel of that State or subdivision.
§ 2303. Duties related to marine casualty assistance and information

(a) The master or individual in charge of a vessel involved in a marine casualty shall—

(1) render necessary assistance to each individual affected to save that affected individual from danger caused by the marine casualty, so far as the master or individual in charge can do so without serious danger to the master's or individual's vessel or to individuals on board; and

(2) give the master's or individual's name and address and identification of the vessel to the master or individual in charge of any other vessel involved in the casualty, to any individual injured, and to the owner of any property damaged.

(b) An individual violating this section or a regulation prescribed under this section shall be fined not more than $1,000 or imprisoned for not more than 2 years. The vessel also is liable in rem to the United States Government for the fine.

(c) An individual complying with subsection (a) of this section or gratuitously and in good faith rendering assistance at the scene of a marine casualty without objection by an individual assisted, is not liable for damages as a result of rendering assistance or for an act or omission in providing or arranging salvage, towage, medical treatment, or other assistance when the individual acts as an ordinary, reasonable, and prudent individual would have acted under the circumstances.

§ 2304. Duty to provide assistance at sea

(a) A master or individual in charge of a vessel shall render assistance to any individual found at sea in danger of being lost, so far as the master or individual in charge can do so without serious danger to the master's or individual's vessel or individuals on board.

(b) A master or individual violating this section shall be fined not more than $1,000, imprisoned for not more than 2 years, or both.

§ 2305. Injunctions

(a) The district courts of the United States have jurisdiction to enjoin the negligent operation of vessels prohibited by this chapter on the petition of the Attorney General for the United States Government.

(b) When practicable, the Secretary shall—

(1) give notice to any person against whom an action for injunctive relief is considered under this section an opportunity to present that person's views; and

(2) except for a knowing and willful violation, give the person a reasonable opportunity to achieve compliance.

(c) The failure to give notice and opportunity to present views under subsection (b) of this section does not preclude the court from granting appropriate relief.

PART B—INSPECTION AND REGULATION OF VESSELS

CHAPTER 31—GENERAL

Sec.
3101. Authority to suspend inspection.
§ 3101. Authority to suspend inspection

When the President decides that the needs of foreign commerce require, the President may suspend a provision of this part for a foreign-built vessel registered as a vessel of the United States on conditions the President may specify.

CHAPTER 33—INSPECTION GENERALLY

§ 3301. Vessels subject to inspection

The following categories of vessels are subject to inspection under this part:

(1) freight vessels.
(2) nautical school vessels.
(3) offshore supply vessels.
(4) passenger vessels.
(5) sailing school vessels.
(6) seagoing barges.
(7) seagoing motor vessels.
(8) small passenger vessels.
(9) steam vessels.
(10) tank vessels.

§ 3302. Exemptions

(a) A vessel is not excluded from one category only because the vessel is—

(1) included in another category of section 3301 of this title; or
(2) excluded by this section from another category of section 3301 of this title.

(b) A motor vessel engaged in fishing as a regular business, including oystering, clamming, crabbing, or the kelp or sponge industry, is exempt from section 3301 (1), (4), and (7) of this title.

(c)(1) Before January 1, 1988, a motor vessel is exempt from section 3301 (1), (4), and (7) of this title if the vessel is not more than 500 gross tons and—

(A) is a cannery tender or a fishing tender in the salmon or crab fisheries of Alaska, Oregon, and Washington; and
(B) only carries cargo to or from vessels in those fisheries or a facility used in processing or assembling fishery products, or transports cannery or fishing personnel to or from operating locations.
(2) Before January 1, 1988, a vessel is exempt from section 3301(1), (4), (6), and (7) of this title if the vessel is not more than 5,000 gross tons and is used only in processing and assembling fishery products in the fisheries of Alaska, Oregon, and Washington.

(d)(1) A motor vessel of less than 150 gross tons, constructed before August 23, 1958, is not subject to inspection under section 3301(1) of this title if the vessel is owned or demise chartered to a cooperative or association that only transports cargo owned by at least one of its members on a nonprofit basis between places within the waters of—

(A) southeastern Alaska shoreward of the Boundary Line; or
(B) southeastern Alaska shoreward of the Boundary Line

and—

(i) Prince Rupert, British Columbia; or
(ii) waters of Washington shoreward of the Boundary Line, via sheltered waters, as defined in article I of the treaty dated December 9, 1933, between the United States and Canada defining certain waters as sheltered waters.

(2) The transportation authorized under this subsection is limited to and from places not receiving annual weekly transportation service from any part of the United States by an established water common carrier. However, the limitation does not apply to transporting cargo of a character not accepted for transportation by that carrier.

(e) A vessel laid up, dismantled, or out of commission is exempt from inspection.

(f) Section 3301(4) and (8) of this title does not apply to an oceanographic research vessel because it is carrying scientific personnel.

(g)(1) Except when compliance with major structural or major equipment requirements is necessary to remove an especially hazardous condition, an offshore supply vessel is not subject to regulations or standards for those requirements if the vessel—

(A) was operating as an offshore supply vessel before January 2, 1979; or
(B) was contracted for before January 2, 1979, and entered into service as an offshore supply vessel before October 6, 1980.

(2) After December 31, 1988, this subsection does not apply to an offshore supply vessel that is at least 20 years of age.

(h) An offshore supply vessel operating on January 1, 1979, under a certificate of inspection issued by the Secretary, is subject to an inspection standard or requirement only if the standard or requirement could have been prescribed for the vessel under authority existing under law on October 5, 1980.

(i)(1) The Secretary may issue a permit exempting a vessel from any part of the requirements of this part for vessels transporting cargo, including bulk fuel, from one place in Alaska to another place in Alaska only if the vessel—

(A) is not more than 300 gross tons;
(B) is in a condition that does not present an immediate threat to the safety of life or the environment; and
(C) was operating in the waters off Alaska as of June 1, 1976, or the vessel is a replacement for a vessel that was operating in the waters off Alaska as of June 1, 1976, if the vessel being replaced is no longer in service.

(2) Except in a situation declared to be an emergency by the Secretary, a vessel operating under a permit may not transport cargo to or from a place if the cargo could be transported by another
commercial vessel that is reasonably available and that does not require exemptions to operate legally or if the cargo could be readily transported by overland routes.

(3) A permit may be issued for a specific voyage or for not more than one year. The permit may impose specific requirements about the amount or type of cargo to be carried, manning, the areas or specific routes over which the vessel may operate, or other similar matters. The duration of the permit and restrictions contained in the permit shall be at the sole discretion of the Secretary.

(4) A designated Coast Guard official who has reason to believe that a vessel issued a permit is in a condition or is operated in a manner that creates an immediate threat to the safety of life or the environment or is operated in a manner that is inconsistent with the terms of the permit, may direct the master or individual in charge to take immediate and reasonable steps to safeguard life and the environment, including directing the vessel to a port or other refuge.

(5) If a vessel issued a permit creates an immediate threat to the safety of life or the environment, or is operated in a manner inconsistent with the terms of the permit or the requirements of paragraph (2) of this subsection, the permit may be revoked. The owner, charter, managing operator, agent, master, or individual in charge of a vessel issued a permit, that willfully permits the vessel to be operated, or operates the vessel in a manner inconsistent with the terms of the permit, is liable to the United States Government for a civil penalty of not more than $1,000.

(j) Notwithstanding another provision of this chapter, the Secretary is not required to inspect or prescribe regulations for a nautical school vessel of not more than 15 gross tons—

(1) when used in connection with a course of instruction dealing with any aspect of maritime education or study; and

(2) operated by—

(A) the United States Merchant Marine Academy; or

(B) a State maritime academy assisted under section 1304 of the Merchant Marine Act, 1936 (46 App. U.S.C. 1295(c)).

§ 3303. Reciprocity for foreign vessels

(a) Except as provided in chapter 37 of this title, a foreign vessel of a country having inspection laws and standards similar to those of the United States and that has an unexpired certificate of inspection issued by proper authority of its respective country, is subject only to an inspection to ensure that the condition of the vessel's propulsion equipment and lifesaving equipment are as stated in its current certificate of inspection. A foreign country is considered to have inspection laws and standards similar to those of the United States when it is a party to an International Convention for Safety of Life at Sea to which the United States Government is currently a party. A foreign certificate of inspection may be accepted as evidence of lawful inspection only when presented by a vessel of a country that has by its laws accorded to vessels of the United States visiting that country the same privileges accorded to vessels of that country visiting the United States.

(b) The Secretary shall collect and pay to the Treasury the same fees for the inspection of foreign vessels carrying passengers from the United States that a foreign country charges vessels of the United States trading to the ports of that country. The Secretary may waive at any time the collection of the fees on notice of the
proper authorities of any country concerned that the collection of fees for the inspection of vessels of the United States has been discontinued.

§ 3304. Carrying individuals in addition to crew

(a) A documented vessel carrying cargo that carries not more than 12 individuals in addition to the crew on international voyages, or not more than 16 individuals in addition to the crew on other voyages, is not subject to inspection as a passenger vessel or a small passenger vessel.

(b) Before an individual in addition to the crew is carried on a vessel as permitted by this section, the owner, charterer, managing operator, agent, master, or individual in charge of the vessel first shall notify the individual of the presence on board of dangerous articles as defined by law, and of other conditions or circumstances that would constitute a risk of safety to the individual on board.

(c) The privilege authorized by this section applies to a vessel of a foreign country that affords a similar privilege to vessels of the United States in trades not restricted to vessels under its own flag.

§ 3305. Scope and standards of inspection

(a) The inspection process shall ensure that a vessel subject to inspection—

(1) is of a structure suitable for the service in which it is to be employed;

(2) is equipped with proper appliances for lifesaving, fire prevention, and firefighting;

(3) has suitable accommodations for the crew, sailing school instructors, and sailing school students, and for passengers on the vessel if authorized to carry passengers;

(4) is in a condition to be operated with safety to life and property; and

(5) complies with applicable marine safety laws and regulations.

(b) If an inspection, or examination under section 3308 of this title, reveals that a life preserver, life-saving device, or firehose is defective and incapable of being repaired, the owner or master shall destroy the life preserver or firehose in the presence of the official conducting the inspection or examination.

(c) A nautical school vessel operated by a civilian nautical school shall be inspected like a small passenger vessel or a passenger vessel, depending on its tonnage.

§ 3306. Regulations

(a) To carry out this part and to secure the safety of individuals and property on board vessels subject to inspection, the Secretary shall prescribe necessary regulations to ensure the proper execution of, and to carry out, this part in the most effective manner for—

(1) the design, construction, alteration, repair, and operation of those vessels, including superstructures, hulls, fittings, equipment, appliances, propulsion machinery, auxiliary machinery, boilers, unfired pressure vessels, piping, electric installations, and accommodations for passengers and crew, sailing school instructors, and sailing school students;

(2) lifesaving equipment and its use;

(3) firefighting equipment, its use, and precautionary measures to guard against fire;
(4) inspections and tests related to clauses (1)–(3) of this subsection; and
(5) the use of vessel stores and other supplies of a dangerous nature.

(b) Equipment subject to regulation under this section may not be used on any vessel without prior approval as prescribed by regulation.

(c) In prescribing regulations for sailing school vessels, the Secretary shall consult with representatives of the private sector having experience in the operation of vessels likely to be certificated as sailing school vessels. The regulations shall—
(1) reflect the specialized nature of sailing school vessel operations, and the character, design, and construction of vessels operating as sailing school vessels; and
(2) include requirements for notice to sailing school instructors and sailing school students about the specialized nature of sailing school vessels and applicable safety regulations.

(d) In prescribing regulations for nautical school vessels operated by the United States Merchant Marine Academy or by a State maritime academy (as defined in section 1302(3) of the Merchant Marine Act, 1936 (46 App. U.S.C. 1295a(3))), the Secretary shall consider the function, purpose, and operation of the vessels, their routes, and the number of individuals who may be carried on the vessels.

(e) When the Secretary finds it in the public interest, the Secretary may suspend or grant exemptions from the requirements of a regulation prescribed under this section related to lifesaving and firefighting equipment, muster lists, ground tackle and hawsers, and bilge systems.

(f) In prescribing regulations for offshore supply vessels, the Secretary shall consider the characteristics, methods of operation, and the nature of the service of offshore supply vessels.

§ 3307. Frequency of inspection

Each vessel subject to inspection under this part shall undergo an initial inspection for certification before being put into service. After being put into service—
(1) each passenger vessel and nautical school vessel shall be inspected at least once a year;
(2) each small passenger vessel, freight vessel or offshore supply vessel of less than 100 gross tons, and sailing school vessel shall be inspected at least once every 3 years; and
(3) any other vessel shall be inspected at least once every 2 years.

§ 3308. Examinations

In addition to inspections required by section 3307 of this title, the Secretary shall examine—
(1) each vessel subject to inspection at proper times to ensure compliance with law and regulations; and
(2) crewmember accommodations on each vessel subject to inspection at least once a month or when the vessel enters United States ports to ensure that the accommodations are—
(A) of the size required by law and regulations;
(B) properly ventilated and in a clean and sanitary condition; and
(C) equipped with proper plumbing and mechanical appliances required by law and regulations, and the appliances are in good working condition.

§ 3309. Certificate of inspection

(a) When an inspection under section 3307 of this title has been made and a vessel has been found to be in compliance with the requirements of law and regulations, a certificate of inspection, in a form prescribed by the Secretary, shall be issued to the vessel.

(b) The Secretary may issue a temporary certificate of inspection in place of a regular certificate of inspection issued under subsection (a) of this section.

§ 3310. Records of certification

The Secretary shall keep records of certificates of inspection of vessels and of all acts in the examination and inspection of vessels, whether of approval or disapproval.

§ 3311. Certificate of inspection required

A vessel subject to inspection under this part may not be operated without having on board a valid certificate of inspection issued under section 3309 of this title.

§ 3312. Display of certificate of inspection

The certificate of inspection issued to a vessel under section 3309 of this title shall be displayed, suitably framed, in a conspicuous place on the vessel. When it is not practicable to so display the certificate, it shall be carried in the manner prescribed by regulation.

§ 3313. Compliance with certificate of inspection

(a) During the term of a vessel's certificate of inspection, the vessel must be in compliance with its conditions, unless relieved by a suspension or an exemption granted under section 3306(e) of this title.

(b) When a vessel is not in compliance with its certificate or fails to meet a standard prescribed by this part or a regulation prescribed under this part—

1. the owner, charterer, managing operator, agent, master, or individual in charge shall be ordered in writing to correct the noted deficiencies promptly;

2. the Secretary may permit any repairs to be made at a place most convenient to the owner, charterer, or managing operator when the Secretary decides the repairs can be made with safety to those on board and the vessel;

3. the vessel may be required to cease operating at once; and

4. if necessary, the certificate shall be suspended or revoked.

(c) The vessel's certificate of inspection shall be revoked if a condition unsafe to life that is ordered to be corrected under this section is not corrected at once.

(d) The owner, charterer, managing operator, agent, master, or individual in charge of a vessel whose certificate has been suspended or revoked shall be given written notice immediately of the suspension or revocation. The owner or master may appeal to the Secretary the suspension or revocation within 30 days of receiving the notice, as provided by regulations prescribed by the Secretary.
§ 3314. Expiration of certificate of inspection

(a) If the certificate of inspection of a vessel expires when the vessel is on a foreign voyage, the vessel may complete the voyage to a port of the United States within 30 days of the expiration of the certificate without incurring the penalties for operating without a certificate of inspection.

(b) If the certificate of inspection would expire within 15 days of sailing on a foreign voyage from a United States port, the vessel shall secure a new certificate of inspection before sailing, unless the voyage is scheduled to be completed prior to the expiration date of the certificate. If a voyage scheduled to be completed in that time is not so completed, the applicable penalties may be enforced unless the failure to meet the schedule was beyond the control of the owner, charterer, managing operator, agent, master, or individual in charge of the vessel.

(c) When the certificate of inspection of a foreign vessel carrying passengers, operated on a regularly established line, expires at sea after leaving the country to which it belongs or when the vessel is in the United States, the Secretary may permit the vessel to sail on its regular route without further inspection than would have been required had the certificate not expired. This permission applies only when the vessel will be regularly inspected and issued a certificate before the vessel's next return to the United States.

§ 3315. Disclosure of defects and protection of informants

(a) Each individual licensed under part E of this subtitle shall assist in the inspection or examination under this part of the vessel on which the individual is serving, and shall point out defects and imperfections known to the individual in matters subject to regulations and inspection. The individual also shall make known to officials designated to enforce this part, at the earliest opportunity, any marine casualty producing serious injury to the vessel, its equipment, or individuals on the vessel.

(b) An official may not disclose the name of an individual providing information under this section, or the source of the information, to a person except a person authorized by the Secretary. An official violating this subsection is liable to disciplinary action under applicable law.

§ 3316. United States classification societies

(a) In carrying out this part, the Secretary may rely on reports, documents, and certificates issued by the American Bureau of Shipping or a similar United States classification society, or an agent of the Bureau or society.

(b) Each department, agency, and instrumentality of the United States Government shall recognize the Bureau as its agent in classifying vessels owned by the Government and in matters related to classification, as long as the Bureau is maintained as an organization having no capital stock and paying no dividends. The Secretary and the Secretary of Transportation each shall appoint one representative (except when the Secretary is the Secretary of Transportation, in which case the Secretary shall appoint both representatives) who shall represent the Government on the executive committee of the Bureau. The Bureau shall agree that the representatives shall be accepted by it as active members of the committee. The repre-
sentatives shall serve without compensation, except for necessary
traveling expenses.

(c)(1) To the maximum extent practicable, the Secretary may
delegate to the Bureau or a similar United States classification
society, or an agent of the Bureau or society, the inspection or
examination, in the United States or in a foreign country, of a vessel
documented or to be documented as a vessel of the United States.
The Bureau, society, or agent may issue the certificate of
inspection required by this part and other certificates essential to
documentation.

(2) When an inspection or examination has been delegated under
this subsection, the Secretary’s delegate—

(A) shall maintain in the United States complete files of all
information derived from or necessarily connected with the
inspection or examination for at least 2 years after the vessel
ceases to be certified; and

(B) shall permit access to those files at all reasonable times
to any officer, employee, or member of the Coast Guard
designated—

(i) as a marine inspector and serving in a position as a
marine inspector; or

(ii) in writing by the Secretary to have access to those
files.

(d) The Secretary also may make an agreement with or use the
Bureau or a similar United States classification society, or an agent
of the Bureau or society, for reviewing and approving plans required
for issuing a certificate of inspection.

§ 3317. Fees

(a) The Secretary may prescribe by regulation fees for inspecting
or examining a small passenger vessel or a sailing school vessel.
(b) When an inspection or examination under this chapter of a
documented vessel is conducted at a foreign port or place at the
request of the owner or managing operator of the vessel, the owner
or operator shall reimburse the Secretary for the travel and subsist-
ence expenses incurred by the personnel assigned to perform the
inspection or examination. Amounts received as reimbursement for
these expenses shall be credited to the appropriation for operating
expenses of the Coast Guard.

§ 3318. Penalties

(a) The owner, charterer, managing operator, agent, master, or
individual in charge of a vessel operated in violation of this part or a
regulation prescribed under this part, and a person violating a
regulation that applies to a small passenger vessel, freight vessel of
less than 100 gross tons, or sailing school vessel, are liable to the
United States Government for a civil penalty of $1,000, except that
when the violation involves operation of a barge, the penalty is $500.
The vessel also is liable in rem for the penalty.
(b) A person that knowingly manufactures, sells, offers for sale, or
possesses with intent to sell, any equipment subject to this part, and
the equipment is so defective as to be insufficient to accomplish the
purpose for which it is intended, shall be fined not more than
$10,000, imprisoned for not more than 5 years, or both.
(c) A person that employs a means or device whereby a boiler may
be subjected to a pressure greater than allowed by the terms of the
vessel's certificate of inspection shall be fined not more than $2,000, imprisoned for not more than 5 years, or both.

(d) A person that deranges or hinders the operation of any machinery or device employed on a vessel to denote the state of steam or water in any boiler or to give warning of approaching danger, or permits the water level of any boiler when in operation of a vessel to fall below its prescribed low-water line, shall be fined not more than $2,000, imprisoned for not more than 5 years, or both.

(e) A person that alters, defaces, obliterates, removes, or destroys any plans or specifications required by and approved under a regulation prescribed under section 3306 of this title, with intent to deceive or impede any official of the United States in carrying out that official's duties, shall be fined not more than $2,000, imprisoned for not more than 2 years, or both.

(f) A person shall be fined not less than $1,000 but not more then $5,000, and imprisoned for not less than 2 years but not more then 5 years, if the person—

1. forges or counterfeits with intent to make it appear genuine any mark or stamp prescribed for material to be tested and approved under section 3306 of this title or a regulation prescribed under section 3306;
2. knowingly uses, affixes, or causes to be used or affixed, any such forged or counterfeited mark or stamp to or on material of any description;
3. with fraudulent intent, possesses any such mark, stamp, or other device knowing it to be forged or counterfeited; or
4. with fraudulent intent, marks or causes to be marked with the trademark or name of another, material required to be tested and approved under section 3306 of this title or a regulation prescribed under section 3306.

(g) A person shall be fined not more than $10,000, imprisoned for not more than one year, or both, if the person—

1. interferes with the inspection of a nautical school vessel;
2. violates a regulation prescribed for a nautical school vessel;
3. is an owner of a nautical school vessel operated in violation of this part; or
4. is an officer or member of the board of directors of a school, organization, association, partnership, or corporation owning a nautical school vessel operated in violation of a regulation prescribed for a nautical school vessel.

(h) An owner, charterer, managing operator, agent, master, or individual in charge of a vessel that fails to give the notice required by section 3304(b) of this title is liable to the United States Government for a civil penalty of not more than $500. The vessel also is liable in rem for the penalty.

3501. Number of passengers.
3502. List or count of passengers.

§ 3501. Number of passengers

(a) Each certificate of inspection issued to a vessel carrying passengers (except a ferry), shall include a statement on the number of passengers that the vessel is permitted to carry.

(b) The owner, charterer, managing operator, agent, master, or individual in charge of a vessel is liable to a person suing them for carrying more passengers than the number of passengers permitted by the certificate of inspection in an amount equal to—

1. passage money; and
2. $100 for each passenger in excess of the number of passengers permitted.

(c) An owner, charterer, managing operator, agent, master, or individual in charge of a vessel that knowingly violates subsection (b) of this section also shall be fined not more than $100, imprisoned for not more than 30 days, or both.

(d) The vessel also is liable in rem for a penalty under this section.

(e) An offshore supply vessel may not carry passengers except in an emergency.

§ 3502. List or count of passengers

(a) The owner, charterer, managing operator, master, or individual in charge of the following categories of vessels carrying passengers shall keep a correct list of passengers received and delivered from day to day:

1. vessels arriving from foreign ports (except at United States Great Lakes ports from Canadian Great Lakes ports).
2. seagoing vessels in the coastwise trade.
3. passenger vessels making voyages of more than 300 miles on the Great Lakes except from a Canadian to a United States port.

(b) The master of a vessel carrying passengers (except a vessel listed in subsection (a) of this section) shall keep a correct count of all passengers received and delivered.

(c) Lists and counts required under this section shall be open to the inspection of designated officials of the Coast Guard and the Customs Service at all times. The total number of passengers shall be provided to the Coast Guard when requested.

(d) This section applies to a foreign vessel arriving at a United States port.

(e) The owner, charterer, managing operator, master, or individual in charge of a passenger vessel failing to make a list or count of passengers as required by this section is liable to the United States Government for a civil penalty of $100. The vessel also is liable in rem for the penalty.

§ 3503. Fire-retardant materials

A passenger vessel of the United States having berth or stateroom accommodations for at least 50 passengers shall be granted a certificate of inspection only if the vessel is constructed of fire-retardant materials. Before November 1, 1988, this section does not apply to a vessel operating only on the inland rivers.

(a) A person violating this section or a regulation prescribed under this section is liable to the United States Government for a civil penalty of not more than $10,000. If the violation involves the sale of tickets for passage, the owner, charterer, managing operator, agent, master, individual in charge, or any other person involved in each violation also is liable to the Government for a civil penalty of $500 for each ticket sold. The vessel on which passage is sold also is liable in rem for a violation of this section or a regulation prescribed under this section.

§ 3505. Prevention of departure

Notwithstanding section 3303(a) of this title, a foreign or domestic vessel of more than 100 gross tons having berth or stateroom accommodations for at least 50 passengers may not depart from a United States port with passengers who are embarked at that port, if the Secretary finds that the vessel does not comply with the standards stated in the International Convention for the Safety of Life at Sea to which the United States Government is currently a party.

§ 3506. Copies of laws

A master of a passenger vessel shall keep on board a copy of this subtitle, to be provided by the Secretary at reasonable cost. If the master fails to do so, the master is liable to the United States Government for a civil penalty of $200.

§ 3701. Definitions

In this chapter—

(1) "existing", when referring to a type of vessel to which this chapter applies, means a vessel that is not a new vessel.

(2) "major conversion" means a conversion of an existing vessel that substantially changes the dimensions or carrying capacity of the vessel or changes the type of vessel or substantially prolongs its life or that otherwise so changes the vessel that it is essentially a new vessel, as decided by the Secretary.

(3) "new", when referring to a type of vessel to which this chapter applies, means a vessel—

(A) for which the building contract is placed after June 1, 1979;

(B) in the absence of a building contract, the keel of which is laid, or which is at a similar stage of construction, after January 1, 1980;

(C) the delivery of which is after June 1, 1982; or

(D) that has undergone a major conversion under a contract made after June 1, 1979, or construction work that began after January 1, 1980, or was completed after June 1, 1982.

(4) "person" means an individual (even if not a citizen or national of the United States), a corporation, partnership, association, or other entity (even if not organized or existing under the laws of a State), the United States Government, a State or local government, a government of a foreign country, or an entity of one of those governments.

(5) "State", in addition to its meaning under section 2101(36) of this title, includes the Trust Territory of the Pacific Islands.

(6) "United States", in addition to its meaning under section 2101(44) of this title, includes the Trust Territory of the Pacific Islands.

§ 3702. Application

(a) Subject to subsections (b)-(e) of this section, this chapter applies to a tank vessel.

(b) This chapter does not apply to a documented vessel that would be subject to this chapter only because of the transfer of fuel from the fuel supply tanks of the vessel to offshore drilling or production facilities in the oil industry if the vessel is—

(1) not more than 500 gross tons;

(2) not a tanker; and

(3) in the service of oil exploitation.

(c) This chapter does not apply to a cannery tender, fishing tender, or fishing vessel of not more than 500 gross tons, used in the salmon or crab fisheries of Alaska, Oregon, or Washington, when engaged only in the fishing industry.

(d) This chapter does not apply to a vessel of not more than 5,000 gross tons used in processing and assembling fishery products of the fisheries of Alaska, Oregon, and Washington. However, the vessel is subject to regulation by the Secretary when carrying flammable or combustible liquid cargo in bulk.

(e) This chapter does not apply to a foreign vessel on innocent passage on the navigable waters of the United States.
§ 3703. Regulations

(a) The Secretary shall prescribe regulations for the design, construction, alteration, repair, maintenance, operation, equipping, personnel qualification, and manning of vessels to which this chapter applies, that may be necessary for increased protection against hazards to life and property, for navigation and vessel safety, and for enhanced protection of the marine environment. The Secretary may prescribe different regulations applicable to vessels engaged in the domestic trade, and also may prescribe regulations that exceed standards set internationally. Regulations prescribed by the Secretary under this subsection are in addition to regulations prescribed under other laws that may apply to any of those vessels. Regulations prescribed under this subsection shall include requirements about—

(1) superstructures, hulls, cargo holds or tanks, fittings, equipment, propulsion machinery, auxiliary machinery, and boilers;
(2) the handling or stowage of cargo, the manner of handling or stowage of cargo, and the machinery and appliances used in the handling or stowage;
(3) equipment and appliances for lifesaving, fire protection, and prevention and mitigation of damage to the marine environment;
(4) the manning of vessels and the duties, qualifications, and training of the officers and crew;
(5) improvements in vessel maneuvering and stopping ability and other features that reduce the possibility of marine casualties;
(6) the reduction of cargo loss if a marine casualty occurs; and
(7) the reduction or elimination of discharges during ballasting, deballasting, tank cleaning, cargo handling, or other such activity.

(b) In prescribing regulations under subsection (a) of this section, the Secretary shall consider the types and grades of cargo permitted to be on board a tank vessel.

(c) In prescribing regulations under subsection (a) of this section, the Secretary shall establish procedures for consulting with, and receiving and considering the views of—

(1) interested departments, agencies, and instrumentalities of the United States Government;
(2) officials of State and local governments;
(3) representatives of port and harbor authorities and associations;
(4) representatives of environmental groups; and
(5) other interested parties knowledgeable or experienced in dealing with problems involving vessel safety, port and waterways safety, and protection of the marine environment.

§ 3704. Coastwise trade vessels

A segregated ballast tank, a crude oil washing system, or an inert gas system, required by this chapter or a regulation prescribed under this chapter, on a vessel entitled to engage in the coastwise trade under section 27 of the Merchant Marine Act, 1920 (46 App. U.S.C. 883), shall be installed in the United States (except the trust territories). A vessel failing to comply with this section may not engage in the coastwise trade.
§ 3705. Crude oil tanker minimum standards

(a) A new crude oil tanker of at least 20,000 deadweight tons shall be equipped with—
   (1) protectively located segregated ballast tanks;
   (2) a crude oil washing system; and
   (3) a cargo tank protection system consisting of a fixed deck froth system and a fixed inert gas system.

(b)(1) An existing crude oil tanker of at least 40,000 deadweight tons shall be equipped with—
   (A) segregated ballast tanks; or
   (B) a crude oil washing system.

   (2) Compliance with paragraph (1) of this subsection may be delayed until June 1, 1985, for any tanker of less than 70,000 deadweight tons that has dedicated clean ballast tanks.

(c) An existing crude oil tanker of at least 20,000 deadweight tons but less than 40,000 deadweight tons, and at least 15 years of age, shall be equipped with segregated ballast tanks or a crude oil washing system before January 2, 1986, or the date on which the tanker reaches 15 years of age, whichever is later.

(d) An existing crude oil tanker of at least 20,000 deadweight tons shall be equipped with an inert gas system. However, for a crude oil tanker of less than 40,000 deadweight tons not fitted with high capacity tank washing machines, the Secretary may grant an exemption if the vessel’s owner can show clearly that compliance would be unreasonable and impracticable due to the vessel’s design characteristics.

(e) A crude oil tanker engaged in transferring oil from an offshore oil exploitation or production facility on the Outer Continental Shelf of the United States shall be equipped with segregated ballast tanks, or may operate with dedicated clean ballast tanks or special ballast arrangements. However, the tanker shall comply with other applicable minimum standards of this section.

§ 3706. Product carrier minimum standards

(a) A new product carrier of at least 30,000 deadweight tons shall be equipped with protectively located segregated ballast tanks.

(b) A new product carrier of at least 20,000 deadweight tons shall be equipped with a cargo tank protection system consisting of a fixed deck froth system and a fixed inert gas system or, if the product carrier carries dedicated products incompatible with the cargo tank protection system, an alternate protection system authorized by the Secretary.

(c) An existing product carrier of at least 40,000 deadweight tons shall be equipped with segregated ballast tanks or may operate with dedicated clean ballast tanks.

(d) An existing product carrier of at least 20,000 deadweight tons but less than 40,000 deadweight tons, and at least 15 years of age, shall be equipped with segregated ballast tanks or may operate with dedicated clean ballast tanks before January 2, 1986, or the date on which it reaches 15 years of age, whichever is later.

(e) An existing product carrier of at least 40,000 deadweight tons, or an existing product carrier of at least 20,000 deadweight tons but less than 40,000 deadweight tons that is fitted with high-capacity tank washing machines, shall be equipped with an inert gas system.
§ 3707. Tanker minimum standards
(a) A new tanker of at least 10,000 gross tons shall be equipped with—
   (1) 2 remote steering gear control systems operable separately from the navigating bridge;
   (2) the main steering gear control in the steering gear compartment;
   (3) means of communications and rudder angle indicators on the navigating bridge, a remote steering gear control station, and the steering gear compartment;
   (4) at least 2 identical and adequate power units for the main steering gear;
   (5) an alternative and adequate power supply, either from an emergency source of electrical power or from another independent source of power located in the steering gear compartment; and
   (6) means of automatic starting and stopping of power units with attendant alarms at all steering stations.
(b) An existing tanker of at least 10,000 gross tons shall be equipped with—
   (1) 2 remote steering gear control systems operable separately from the navigating bridge;
   (2) the main steering gear control in the steering gear compartment; and
   (3) means of communications and rudder angle indicators on the navigating bridge, a remote steering gear control station, and the steering gear compartment.

§ 3708. Self-propelled tank vessel minimum standards
A self-propelled tank vessel of at least 10,000 gross tons shall be equipped with—
   (1) a dual radar system with short-range and long-range capabilities, each with true-north features;
   (2) an electronic relative motion analyzer that is at least functionally equivalent to equipment complying with specifications established by the Secretary of Transportation;
   (3) an electronic position-fixing device;
   (4) adequate communications equipment;
   (5) a sonic depth finder;
   (6) a gyrocompass; and
   (7) up-to-date charts.

§ 3709. Exemptions
The Secretary may exempt a vessel from the minimum requirements established by sections 3704–3706 of this title for segregated ballast, crude oil washing, and dedicated clean ballast if the Secretary decides that shore-based reception facilities are a preferred method of handling ballast and that adequate facilities are readily available.

§ 3710. Evidence of compliance by vessels of the United States
(a) A vessel of the United States to which this chapter applies that has on board oil or hazardous material in bulk as cargo or cargo residue must have a certificate of inspection issued under this part, endorsed to indicate that the vessel complies with regulations prescribed under this chapter.
(b) Each certificate endorsed under this section is valid for not more than 24 months and may be renewed as specified by the Secretary. In appropriate circumstances, the Secretary may issue a temporary certificate valid for not more than 30 days. A certificate shall be suspended or revoked if the Secretary finds that the vessel does not comply with the conditions under which the certificate was issued.

§ 3711. Evidence of compliance by foreign vessels

(a) A foreign vessel to which this chapter applies may operate on the navigable waters of the United States, or transfer oil or hazardous material in a port or place under the jurisdiction of the United States, only if the vessel has been issued a certificate of compliance by the Secretary. The Secretary may issue the certificate only after the vessel has been examined and found to be in compliance with this chapter and regulations prescribed under this chapter. The Secretary may accept any part of a certificate, endorsement, or document, issued by the government of a foreign country under a treaty, convention, or other international agreement to which the United States is a party, as a basis for issuing a certificate of compliance.

(b) A certificate issued under this section is valid for not more than 24 months and may be renewed as specified by the Secretary. In appropriate circumstances, the Secretary may issue a temporary certificate valid for not more than 30 days.

(c) A certificate shall be suspended or revoked if the Secretary finds that the vessel does not comply with the conditions under which the certificate was issued.

§ 3712. Notification of noncompliance

The Secretary shall notify the owner, charterer, managing operator, agent, master, or individual in charge of a vessel found not to be in compliance with a regulation prescribed under this part and state how compliance may be achieved.

§ 3713. Prohibited acts

(a) A person may not—

(1) violate this chapter or a regulation prescribed under this chapter;

(2) refuse to permit any official, authorized by the Secretary to enforce this chapter, to board a vessel or to enter a shore area, place, or premises, under a person’s control to make an inspection under this chapter; or

(3) refuse to obey a lawful directive issued under this chapter.

(b) A vessel to which this chapter applies may not—

(1) operate on the navigable waters of the United States or use a port or place subject to the jurisdiction of the United States when not in compliance with this chapter or a regulation prescribed under this chapter;

(2) fail to comply with a lawful directive issued under this chapter; or

(3) carry a type or grade of oil or hazardous material in bulk as cargo or cargo residue unless its certificate is endorsed to allow that carriage.
§ 3714. Inspection and examination

(a)(1) The Secretary shall have each vessel to which this chapter applies inspected or examined at least once each year.

(2) Each of those vessels that is more than 10 years of age shall undergo a special and detailed inspection of structural strength and hull integrity as specified by the Secretary.

(3) The Secretary may make contracts for conducting inspections or examinations in the United States and in foreign countries. An inspector conducting an inspection or examination under contract may not issue a certificate of inspection or a certificate of compliance, but the inspector may issue a temporary certificate.

(b) The Secretary shall prescribe by regulation reasonable fees for an inspection or examination conducted under this section outside the United States, or which, when involving a foreign vessel, is conducted under a contract authorized by paragraph (3) of this subsection. The owner, charter, or managing operator of a vessel inspected or examined by the Secretary is liable for the fees. Amounts received as fees shall be deposited in the Treasury.

(c) The Secretary may allow provisional entry of a vessel to conduct an inspection or examination under this chapter.

(b) Each vessel to which this chapter applies shall have on board those documents the Secretary considers necessary for inspection and enforcement, including documents listing—

(1) the type, grade, and approximate quantities of cargo on board;
(2) the shipper and consignee of the cargo;
(3) the places of origin and destination of the vessel; and
(4) the name of an agent in the United States authorized to accept service of legal process.

(c) Each vessel to which this chapter applies that operates in the United States shall have a person designated as authorized to accept service of legal process for the vessel.

§ 3715. Lightering

(a) A vessel may transfer oil or hazardous material in a port or place subject to the jurisdiction of the United States, when the cargo has been transferred from another vessel on the navigable waters of the United States or in the marine environment, only if—

(1) the transfer was conducted consistent with regulations prescribed by the Secretary; and
(2) both the delivering and receiving vessels had on board, at the time of transfer, a certificate of inspection or a certificate of compliance, as would have been required under section 3710 or 3711 of this title, had the transfer taken place in a port or place subject to the jurisdiction of the United States.

(b) The Secretary shall prescribe regulations to carry out subsection (a) of this section. The regulations shall include provisions on—

(1) minimum safe operating conditions, including sea state, wave height, weather, proximity to channels or shipping lanes, and other similar factors;
(2) the prevention of spills;
(3) equipment for responding to a spill;
(4) the prevention of any unreasonable interference with navigation or other reasonable uses of the high seas, as those uses are defined by treaty, convention, or customary international law;
(5) the establishment of lightering zones; and
(6) requirements for communication and prearrival messages.

§ 3716. Tank washings

(a) A vessel may not transfer cargo in a port or place subject to the jurisdiction of the United States if, before arriving, the vessel has discharged tank washings containing oil or hazardous material in preparation for loading at that port or place in violation of the laws of the United States or in a manner or quantities inconsistent with a treaty to which the United States is a party.

(b) The Secretary shall establish effective control and supervisory measures to carry out this section.

§ 3717. Marine safety information system

(a) The Secretary shall establish a marine safety information system that shall contain information about each vessel to which this chapter applies that operates on the navigable waters of the United States, or that transfers oil or hazardous material in a port or place under the jurisdiction of the United States. In acquiring this information, the Secretary shall make full use of publicly available information. The Secretary may by regulation require the vessel to provide information that the Secretary considers necessary to carry out this subsection, including—

(1) the name of each person with an ownership interest in the vessel;
(2) details of compliance with the financial responsibility requirements of applicable laws or regulations;
(3) registration information, including all changes in the name of the vessel;
(4) the history of marine casualties and serious repair problems of the vessel; and
(5) a record of all inspections and examinations of a vessel conducted under section 3714 of this title.

(b) On written request from the Secretary, the head of each department, agency, or instrumentality of the United States Government shall provide available information that the Secretary considers necessary to confirm the information received under subsection (a) of this section.

§ 3718. Penalties

(a)(1) A person violating this chapter or a regulation prescribed under this chapter is liable to the United States Government for a civil penalty of not more than $25,000. Each day of a continuing violation is a separate violation.

(2) Each vessel to which this chapter applies that is operated in violation of this chapter or a regulation prescribed under this chapter is liable in rem for a civil penalty under this subsection.

(b) A person willfully and knowingly violating this chapter or a regulation prescribed under this chapter shall be fined not more than $50,000, imprisoned for not more than 5 years, or both.

(c) Instead of the penalties provided by subsection (b) of this section, a person willfully and knowingly violating this chapter or a regulation prescribed under this chapter, and using a dangerous weapon, or engaging in conduct that causes bodily injury or fear of imminent bodily injury to an official authorized to enforce this chapter or a regulation prescribed under this chapter, shall be fined
not more than $100,000, imprisoned for not more than 10 years, or both.

(d) The district courts of the United States have jurisdiction to restrain a violation of this chapter or a regulation prescribed under this chapter.

(e) At the request of the Secretary, the Secretary of the Treasury shall withhold or revoke the clearance required by section 4197 of the Revised Statutes (46 App. U.S.C. 91) of a vessel the owner or operator of which is subject to a penalty under this section. Clearance may be granted on filing a bond or other surety satisfactory to the Secretary.

CHAPTER 39—CARRIAGE OF ANIMALS

§ 3901. Regulations for accommodations for export animals

The Secretary of Agriculture may prescribe regulations governing the accommodations on board vessels for cattle, horses, mules, asses, sheep, goats, and swine to be carried from the United States to a foreign country. The regulations shall prescribe standards for space, ventilation, fittings, food and water supply, and other requirements the Secretary of Agriculture considers necessary for the safe and proper transportation and humane treatment of those animals. The Secretary of Agriculture may examine any vessel the Secretary of Agriculture considers necessary to carry out this chapter.

§ 3902. Penalties

When the owner, charterer, managing operator, agent, master, or individual in charge of a vessel carrying animals referred to in section 3901 of this title willfully violates, or causes or permits to be violated, a regulation prescribed under this chapter, the vessel may be prohibited from carrying any such animals from the United States for a period, of not more than one year, that the Secretary of Agriculture directs. The vessel may not be cleared from a port of the United States during that period.

CHAPTER 41—UNINSPECTED VESSELS

§ 4101. Application

This chapter applies to an uninspected vessel—

(1) on the navigable waters of the United States; or
(2) owned in the United States and operating on the high seas.

§ 4102. Safety equipment

(a) Each uninspected vessel propelled by machinery shall be provided with the number, type, and size of fire extinguishers, capable of promptly and effectively extinguishing burning liquid fuel, that may be prescribed by regulation. The fire extinguishers shall be
kept in condition for immediate and effective use and so placed as to be readily accessible.

(b) Each uninspected vessel propelled by machinery shall carry at least one readily accessible life preserver or other lifesaving device, of the type prescribed by regulation, for each individual on board.

(c) Each uninspected vessel shall have the carburetors of each engine of the vessel (except an outboard motor) using gasoline as fuel, equipped with an efficient flame arrestor, backfire trap, or other similar device prescribed by regulation.

(d) Each uninspected vessel using a volatile liquid as fuel shall be provided with the means prescribed by regulation for properly and efficiently ventilating the bilges of the engine and fuel tank compartments, so as to remove any explosive or flammable gases.

§ 4103. Exemptions

Section 4102(a) of this title does not apply to a vessel propelled by outboard motors when competing in a race previously arranged and announced or, if the vessel is designed and intended only for racing, when operated incidental to tuning up the vessel and its engines for the race.

§ 4104. Regulations

The Secretary shall prescribe regulations to carry out this chapter.

§ 4105. Uninspected passenger vessels

Chapter 43 of this title applies to an uninspected passenger vessel. Intra.

§ 4106. Penalties

If a vessel to which this chapter applies is operated in violation of this chapter or a regulation prescribed under this chapter, the owner, charterer, managing operator, agent, master, and individual in charge are each liable to the United States Government for a civil penalty of $100. The vessel also is liable in rem for the penalty.

4308. Termination of unsafe operation.
4309. Investigation and reporting.
4310. Repair and replacement of defects.
4311. Penalties and injunctions.

§ 4301. Application

(a) This chapter applies to a recreational vessel and associated equipment carried in the vessel on waters subject to the jurisdiction of the United States and, for a vessel owned in the United States, on the high seas.

(b) Except when expressly otherwise provided, this chapter does not apply to a foreign vessel temporarily operating on waters subject to the jurisdiction of the United States.
(c) Until there is a final judicial decision that they are navigable waters of the United States, the following waters lying entirely in New Hampshire are declared not to be waters subject to the jurisdiction of the United States within the meaning of this section: Lake Winnisquam, Lake Winnipesaukee, parts of the Merrimack River, and their tributary and connecting waters.

§ 4302. Regulations

(a) The Secretary may prescribe regulations—

(1) establishing minimum safety standards for recreational vessels and associated equipment, and establishing procedures and tests required to measure conformance with those standards, with each standard—

(A) meeting the need for recreational vessel safety; and

(B) being stated, insofar as practicable, in terms of performance;

(2) requiring the installation, carrying, or use of associated equipment (including fuel systems, ventilation systems, electrical systems, sound-producing devices, firefighting equipment, lifesaving devices, signaling devices, ground tackle, life- and grab-rails, and navigational equipment) on recreational vessels and classes of recreational vessels subject to this chapter, and prohibiting the installation, carrying, or use of associated equipment that does not conform with safety standards established under this section; and

(3) requiring or permitting the display of seals, labels, plates, insignia, or other devices for certifying or evidencing compliance with safety regulations and standards of the United States Government for recreational vessels and associated equipment.

(b) Each regulation prescribed under this section shall specify an effective date that is not earlier than 180 days from the date the regulation was published, unless the Secretary finds that there exists a recreational vessel safety hazard so critical as to require an earlier effective date. However, this period may not be more than 24 months for cases involving, in the discretion of the Secretary, major product design, retooling, or major changes in the manufacturing process.

(c) In prescribing regulations under this section, the Secretary shall, among other things—

(1) consider the need for and the extent to which the regulations will contribute to recreational vessel safety;

(2) consider relevant available recreational vessel safety standards, statistics, and data, including public and private research, development, testing, and evaluation;

(3) not compel substantial alteration of a recreational vessel or item of associated equipment that is in existence, or the construction or manufacture of which is begun before the effective date of the regulation, but subject to that limitation may require compliance or performance, to avoid a substantial risk of personal injury to the public, that the Secretary considers appropriate in relation to the degree of hazard that the compliance will correct; and

(4) consult with the National Boating Safety Advisory Council established under section 13110 of this title about the considerations referred to in clauses (1)–(3) of this subsection.

(d) Section 8903 of this title does not apply to a vessel being operated for bona fide dealer demonstrations provided without fee to
business invitees. However, if on the basis of substantial evidence, the Secretary decides under this section that requiring vessels so operated to be under the control of licensed individuals is necessary for boating safety, then the Secretary may prescribe regulations requiring the licensing of individuals controlling these vessels in the same manner as provided in chapter 59 of this title for individuals in control of vessels carrying passengers for hire.

§ 4303. Inspection and testing

(a) Subject to regulations, supervision, and reviews that the Secretary may prescribe, the Secretary may delegate to a person, private or public agency, or organization, or to an officer or employee under the supervision of that person or agency, any work, business, or function related to the testing, inspection, and examination necessary for compliance enforcement and for the development of data to enable the Secretary to prescribe regulations under section 4302 of this title.

(b) The Secretary may—

(1) conduct research, testing, and development necessary to carry out this chapter, including the procurement by negotiation or otherwise of experimental and other recreational vessels or associated equipment for research and testing purposes; and

(2) subsequently sell those vessels.

§ 4304. Importation of nonconforming vessels and equipment

The Secretary and the Secretary of the Treasury may authorize by joint regulations the importation of any nonconforming recreational vessel or associated equipment on conditions, including providing a bond, that will ensure that the recreational vessel or associated equipment will be brought into conformity with applicable safety regulations and standards of the Government before the vessel or equipment is operated on waters subject to the jurisdiction of the United States.

§ 4305. Exemptions

If the Secretary considers that recreational vessel safety will not be adversely affected, the Secretary may issue an exemption from this chapter or a regulation prescribed under this chapter.

§ 4306. Federal preemption

Unless permitted by the Secretary under section 4305 of this title, a State or political subdivision of a State may not establish, continue in effect, or enforce a law or regulation establishing a recreational vessel or associated equipment performance or other safety standard or imposing a requirement for associated equipment (except insofar as the State or political subdivision may, in the absence of the Secretary's disapproval, regulate the carrying or use of marine safety articles to meet uniquely hazardous conditions or circumstances within the State) that is not identical to a regulation prescribed under section 4302 of this title.

§ 4307. Prohibited acts

(a) A person may not—

(1) manufacture, construct, assemble, sell or offer for sale, introduce or deliver for introduction into interstate commerce, or import into the United States, a recreational vessel, associated equipment, or component of the vessel or equipment unless—
(A) it conforms with this chapter or a regulation prescribed under this chapter; or
(B) it is intended only for export and is so labeled, tagged, or marked on the recreational vessel or equipment, including any markings on the outside of the container in which it is to be exported;
(2) affix, attach, or display a seal, document, label, plate, insignia, or other device indicating or suggesting compliance with standards of the United States Government on, in, or in connection with, a recreational vessel or item of associated equipment that is false or misleading; or
(3) fail to provide a notification as required by this chapter or fail to exercise reasonable diligence in carrying out the notification and reporting requirements of this chapter.

(b) A person may not operate a vessel in violation of this chapter or a regulation prescribed under this chapter.

§ 4308. Termination of unsafe operation

If an official charged with the enforcement of this chapter observes a recreational vessel being operated without sufficient lifesaving or firefighting devices or in an overloaded or other unsafe condition (as defined in regulations prescribed under this chapter) and, in the judgment of the official, the operation creates an especially hazardous condition, the official may direct the operator of the recreational vessel to take immediate and reasonable steps necessary for the safety of individuals on board the vessel, including directing the operator to return to a mooring and to remain there until the situation creating the hazard is corrected or ended.

§ 4309. Investigation and reporting

(a) A recreational vessel manufacturer to whom this chapter applies shall establish and maintain records and reports and provide information the Secretary may require to enable the Secretary to decide whether the manufacturer has acted or is acting in compliance with this chapter and regulations prescribed under this chapter. On request of an officer, employee, or agent authorized by the Secretary, a recreational vessel manufacturer shall permit the officer, employee, or agent to inspect, at reasonable times, factories or other facilities, and records related to deciding whether the manufacturer has acted or is acting in compliance with this chapter and regulations prescribed under this chapter.

(b) Information reported to or otherwise obtained by the Secretary or the representative of the Secretary under this section containing or related to a trade secret or other matter referred to in section 1905 of title 18, or authorized to be exempt from public disclosure by section 552(b) of title 5, is confidential under section 1905. However, on approval of the Secretary, the information may be disclosed to other officers, employees, or agents concerned with carrying out this chapter or when it is relevant in a proceeding under this chapter.

§ 4310. Repair and replacement of defects

(a) In this section, "associated equipment" includes only items or classes of associated equipment that the Secretary shall prescribe by regulation after deciding that the application of the requirements of this section to those items or classes of associated equipment is reasonable and in furtherance of this chapter.
(b) If a recreational vessel or associated equipment has left the place of manufacture and the recreational vessel manufacturer discovers or acquires information that the manufacturer decides, in the exercise of reasonable and prudent judgment, indicates that a recreational vessel or associated equipment subject to an applicable regulation prescribed under section 4302 of this title either fails to comply with the regulation, or contains a defect that creates a substantial risk of personal injury to the public, the manufacturer shall provide notification of the defect or failure of compliance as provided by subsections (c) and (d) of this section within a reasonable time after the manufacturer has discovered the defect.

(c)(1) The notification required by subsection (b) of this section shall be given to the following persons in the following manner:

(A) by certified mail to the first purchaser for other than resale, except that the requirement for notification of the first purchaser shall be satisfied if the recreational vessel manufacturer exercises reasonable diligence in establishing and maintaining a list of those purchasers and their current addresses, and sends the required notice to each person on that list at the address appearing on the list.

(B) by certified mail to subsequent purchasers if known to the manufacturer.

(C) by certified mail or other more expeditious means to the dealers and distributors of the recreational vessels or associated equipment.

(2) The notification required by subsection (b) of this section is required to be given only for a defect or failure of compliance discovered by the recreational vessel manufacturer within a reasonable time after the manufacturer has discovered the defect or failure, except that the manufacturer's duty of notification under paragraph (1) (A) and (B) of this subsection applies only to a defect or failure of compliance discovered by the manufacturer within one of the following appropriate periods:

(A) if a recreational vessel or associated equipment required by regulation to have a date of certification affixed, 5 years from the date of certification.

(B) if a recreational vessel or associated equipment not required by regulation to have a date of certification affixed, 5 years from the date of manufacture.

(d) The notification required by subsection (b) of this section shall contain a clear description of the defect or failure to comply, an evaluation of the hazard reasonably related to the defect or failure, a statement of the measures to correct the defect or failure, and an undertaking by the recreational vessel manufacturer to take those measures only at the manufacturer's cost and expense.

(e) Each recreational vessel manufacturer shall provide the Secretary with a copy of all notices, bulletins, and other communications to dealers and distributors of that manufacturer, and to purchasers of recreational vessels or associated equipment of that manufacturer, about a defect related to safety in the recreational vessels or associated equipment, and any failure to comply with the regulation or order applicable to the recreational vessels or associated equipment. The Secretary may publish or otherwise disclose to the public information in the notices or other information the Secretary has that the Secretary considers will assist in carrying out this chapter. However, the Secretary may disclose any information that contains
or relates to a trade secret only if the Secretary decides that the information is necessary to carry out this chapter.

(f) If, through testing, inspection, investigation, or examination of reports, the Secretary decides that a recreational vessel or associated equipment to which this chapter applies contains a defect related to safety or fails to comply with an applicable regulation prescribed under this chapter and notification under this chapter is appropriate, the Secretary shall notify the recreational vessel manufacturer of the defect or failure. The notice shall contain the findings of the Secretary and shall include a synopsis of the information on which they are based. The manufacturer may then provide the notification required by this chapter to the persons designated in this chapter or dispute the Secretary's decision. If disputed, the Secretary shall provide the manufacturer with an opportunity to present views and establish that there is no such defect or failure. When the Secretary considers it to be in the public interest, the Secretary may publish notice of the proceeding in the Federal Register and provide interested persons, including the National Boating Safety Advisory Council, with an opportunity to comment. If, after presentation by the manufacturer, the Secretary decides that the recreational vessel or associated equipment contains a defect related to safety or fails to comply with an applicable regulation, the Secretary may direct the manufacturer to provide the notifications specified in this chapter.

(g) The Secretary may prescribe regulations to carry out this section, including the establishment of procedures that require dealers and distributors to assist manufacturers in obtaining information required by this section. A regulation prescribed under this subsection does not relieve a manufacturer of any obligation imposed by this section.

§ 4311. Penalties and injunctions

(a) A person willfully operating a recreational vessel in violation of this chapter or a regulation prescribed under this chapter shall be fined not more than $5,000, imprisoned for not more than one year, or both.

(b) A person violating section 4307(a)(1) of this title is liable to the United States Government for a civil penalty of not more than $2,000, except that the maximum civil penalty may be not more than $100,000 for a related series of violations. When a corporation violates section 4307(a)(1), any director, officer, or executive employee of the corporation who knowingly and willfully ordered, or knowingly and willfully authorized, a violation is individually liable to the Government for the penalty, in addition to the corporation. However, the director, officer, or executive employee is not liable individually under this subsection if the director, officer, or executive employee can demonstrate by a preponderance of the evidence that—

(1) the order or authorization was issued on the basis of a decision, in exercising reasonable and prudent judgment, that the nonconformity with standards and regulations constituting the violation would not cause or constitute a substantial risk of personal injury to the public; and

(2) at the time of the order or authorization, the director, officer, or executive employee advised the Secretary in writing of acting under this clause and clause (1) of this subsection.
(c) A person violating any other provision of this chapter or other regulation prescribed under this chapter is liable to the Government for a civil penalty of not more than $1,000. If the violation involves the operation of a vessel, the vessel also is liable in rem for the penalty.

(d) When a civil penalty of not more than $200 has been assessed under this chapter, the Secretary may refer the matter of collection of the penalty directly to the United States magistrate of the jurisdiction in which the person liable may be found for collection procedures under supervision of the district court and under an order issued by the court delegating this authority under section 636(b) of title 28.

(e) The district courts of the United States have jurisdiction to restrain a violation of this chapter, or to restrain the sale, offer for sale, introduction or delivery for introduction into interstate commerce, or importation into the United States, of a recreational vessel or associated equipment that the court decides does not conform to safety standards of the Government. A civil action under this subsection shall be brought by filing a petition by the Attorney General for the Government. When practicable, the Secretary shall give notice to a person against whom an action for injunctive relief is contemplated and provide the person with an opportunity to present views and, except for a knowing and willful violation, shall provide the person with a reasonable opportunity to achieve compliance. The failure to give notice and provide the opportunity does not preclude the granting of appropriate relief by the district court.

(f) A person is not subject to a penalty under this chapter if the person—

1. establishes that the person did not have reason to know, in exercising reasonable care, that a recreational vessel or associated equipment does not conform with the applicable safety standards of the Government; or

2. holds a certificate issued by the manufacturer of that recreational vessel or associated equipment to the effect that the recreational vessel or associated equipment conforms to all applicable recreational vessel safety standards of the Government, unless the person knows or reasonably should have known that the recreational vessel or associated equipment does not so conform.

(g) Compliance with this chapter or standards, regulations, or orders prescribed under this chapter does not relieve a person from liability at common law or under State law.

[PART C—RESERVED FOR LOAD LINES OF VESSELS]

PART D—MARINE CASUALTIES

CHAPTER 61—REPORTING MARINE CASUALTIES

Sec.
6101. Marine casualties and reporting.
6102. State marine casualty reporting system.
6103. Penalty.
§ 6101. Marine casualties and reporting

Regulations.

(a) The Secretary shall prescribe regulations on the marine casualties and incidents to be reported and the manner of reporting. The regulations shall require reporting the following marine casualties:

(1) death of an individual.

(2) serious injury to an individual.

(3) material loss of property.

(4) material damage affecting the seaworthiness or efficiency of the vessel.

(b) A marine casualty shall be reported within 5 days as provided in this part and regulations prescribed under this part.

(c) When the owner, charterer, managing operator, or agent of a vessel of the United States has reason to believe (because of lack of communication with or nonappearance of a vessel or any other incident) that the vessel may have been lost or imperiled, the owner, charterer, managing operator, or agent immediately shall attempt to determine the status of the vessel. If the owner, charterer, managing operator, or agent cannot determine the status of the vessel, the owner, charterer, managing operator, or agent immediately shall notify the Coast Guard and provide the name and identification number of the vessel, the names of individuals on board, and any other information that may be requested by the Coast Guard.

(d) This part applies to a foreign vessel when involved in a marine casualty on the navigable waters of the United States.

(e) A marine casualty not resulting in the death of an individual shall be classified according to the gravity of the casualty, as prescribed by regulation, giving consideration to the extent of injuries to individuals, the extent of property damage, the dangers that the casualty creates, and the size, occupation, and means of propulsion of each vessel involved.

§ 6102. State marine casualty reporting system

Regulations.

(a) The Secretary shall prescribe regulations for a uniform State marine casualty reporting system for vessels. Regulations shall prescribe the casualties to be reported and the manner of reporting. A State shall compile and submit to the Secretary reports, information, and statistics on casualties reported to the State.

(b) The Secretary shall collect, analyze, and publish reports, information, and statistics on marine casualties together with findings and recommendations the Secretary considers appropriate. If a State marine casualty reporting system provides that information derived from casualty reports (except statistical information) may not be publicly disclosed, or otherwise prohibits use by the State or any person in any action or proceeding against a person, the Secretary may use the information provided by the State only in the same way that the State may use the information.

§ 6103. Penalty

An owner, charterer, managing operator, agent, master, or individual in charge of a vessel failing to report a casualty or incident as required under section 6101 of this title or a regulation prescribed under section 6101 is liable to the United States Government for a civil penalty of $1,000.
CHAPTER 63—INVESTIGATING MARINE CASUALTIES

§ 6301. Investigation of marine casualties

The Secretary shall prescribe regulations for the immediate investigation of marine casualties under this part to decide, as closely as possible—

(1) the cause of the casualty, including the cause of any death;
(2) whether an act of misconduct, incompetence, negligence, unskillfulness, or willful violation of law committed by any individual licensed, certified, or documented under part E of this subtitle has contributed to the cause of the casualty, or to a death involved in the casualty, so that appropriate remedial action under chapter 77 of this title may be taken;
(3) whether an act of misconduct, incompetence, negligence, unskillfulness, or willful violation of law committed by any person, including an officer, employee, or member of the Coast Guard, contributed to the cause of the casualty, or to a death involved in the casualty;
(4) whether there is evidence that an act subjecting the offender to a civil penalty under the laws of the United States has been committed, so that appropriate action may be undertaken to collect the penalty;
(5) whether there is evidence that a criminal act under the laws of the United States has been committed, so that the matter may be referred to appropriate authorities for prosecution; and
(6) whether there is need for new laws or regulations, or amendment or repeal of existing laws or regulations, to prevent the recurrence of the casualty.

§ 6302. Public investigations

Each investigation conducted under this chapter and regulations prescribed under this chapter shall be open to the public, except when evidence affecting the national security is to be received.

§ 6303. Rights of parties in interest

In an investigation conducted under this chapter, the following shall be allowed to be represented by counsel, to cross-examine witnesses, and to call witnesses:

(1) an owner,
(2) any holder of a license or certificate of registry,
(3) any holder of a merchant mariner’s document,
(4) any other person whose conduct is under investigation, and
(5) any other party in interest.
§ 6304. Subpoena authority

(a) In an investigation under this chapter, the attendance and testimony of witnesses, including parties in interest, and the production of any evidence may be compelled by subpoena. The subpoena authority granted by this section is coextensive with that of a district court of the United States, in civil matters, for the district in which the investigation is conducted.

(b) When a person fails to obey a subpoena issued under this section, the district court of the United States for the district in which the investigation is conducted or in which the person failing to obey is found, shall on proper application issue an order directing that person to comply with the subpoena. The court may punish as contempt any disobedience of its order.

(c) A witness complying with a subpoena issued under this section may be paid for actual travel and attendance at the rate provided for witnesses in the district courts of the United States.

(d) An official designated to conduct an investigation under this part may issue subpenas as provided in this section and administer oaths to witnesses.

§ 6305. Reports of investigations

(a) The Secretary shall prescribe regulations about the form and manner of reports of investigations conducted under this part.

(b) Reports of investigations conducted under this part shall be made available to the public, except to the extent that they contain information related to the national security.

§ 6306. Penalty

A person attempting to coerce a witness, or to induce a witness, to testify falsely in connection with a marine casualty, or to induce a witness to leave the jurisdiction of the United States, shall be fined $5,000, imprisoned for one year, or both.

§ 6307. Notifications to Congress

(a) The Secretary shall notify the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Merchant Marine and Fisheries of the House of Representatives of any hearing, before the hearing occurs, investigating a major marine casualty involving a death under section 6301 of this title.

(b) The Secretary shall submit to a committee referred to in subsection (a) of this section information on a major marine casualty that is requested by that committee or the chairman of the committee if the submission of that information is not prohibited by a law of the United States.

(c) The Secretary shall submit annually to Congress a summary of the marine casualties reported during the prior fiscal year, together with a brief statement of action taken concerning those casualties.

7703 of this title.
(c) When a license, certificate of registry, or merchant mariner's
document has been revoked under this chapter, the former holder
may be issued a new license, certificate, or document only after it

PART F—MANNING OF VESSELS

CHAPTER 81—GENERAL

Sec.
8101. Complement of inspected vessels.
8102. Watchmen.
8103. Citizenship and Naval Reserve requirements.
8104. Watches.
8105. Regulations.

§ 8101. Complement of inspected vessels

(a) The certificate of inspection issued to a vessel under part B of this subtitle shall state the complement of licensed individuals and crew (including lifeboatmen) considered by the Secretary to be necessary for safe operation. A manning requirement imposed on a sailing school vessel shall consider the participation of sailing school instructors and sailing school students in the operation of that vessel.

(b) The Secretary may modify the complement, by endorsement on the certificate, for reasons of changed conditions or employment.

(c) A requirement made under this section by an authorized official may be appealed to the Secretary under prescribed regulations.

(d) A vessel to which this section applies may not be operated without having in its service the complement required in the certificate of inspection.

(e) When a vessel is deprived of the service of a member of its complement without the consent, fault, or collusion of the owner, charterer, managing operator, agent, master, or individual in charge of the vessel, the master shall engage, if obtainable, a number of members equal to the number of those of whose services the master has been deprived. The replacements must be of the same or a higher grade or rating than those whose places they fill. If the master finds the vessel is sufficiently manned for the voyage, and replacements are not available to fill all the vacancies, the vessel may proceed on its voyage. Within 12 hours after the vessel arrives at its destination, the master shall report in writing to the Secretary the cause of each deficiency in the complement. A master failing to make the report is liable to the United States Government for a civil penalty of $50 for each deficiency.

Appeal to Secretary.

Civil penalty.
Civil penalty.  

(f) The owner, charterer, or managing operator of a vessel not manned as required by this section is liable to the Government for a civil penalty of $100, or, for a deficiency of a licensed individual, a penalty of $500.

(g) A person may not employ an individual as, and an individual may not serve as, a master, mate, engineer, radio officer, or pilot of a vessel to which this part or part B of this subtitle applies if the individual is not licensed by the Secretary. A person (including an individual) violating this subsection is liable to the Government for a civil penalty of not more than $500. Each day of a continuing violation is a separate offense.

(h) The owner, charterer, or managing operator of a freight vessel of less than 100 gross tons, a small passenger vessel, or a sailing school vessel not manned as required by this section is liable to the Government for a civil penalty of $1,000. The vessel also is liable in rem for the penalty.

§ 8102. Watchmen

The owner, charterer, or managing operator of a vessel carrying passengers during the nighttime shall keep a suitable number of watchmen in the vicinity of the cabins or staterooms and on each deck to guard against and give alarm in case of a fire or other danger. An owner, charterer, or managing operator failing to provide watchmen required by this section is liable to the United States Government for a civil penalty of $1,000.

§ 8103. Citizenship and Naval Reserve requirements

(a) Only a citizen of the United States may serve as master, chief engineer, or officer in charge of a deck watch or engineering watch on a documented vessel.

(b) On each departure of a documented vessel (except a fishing or whaling vessel or yacht) from a port of the United States, 75 percent of the seamen (excluding licensed individuals) must be citizens of the United States. If the Secretary decides, on investigation, that qualified citizen seamen are not available, the Secretary may reduce the percentage.

(c) On each departure from the United States of a vessel (except a passenger vessel) for which a construction or operating differential subsidy has been granted, all of the seamen of the vessel must be citizens of the United States.

(d)(1) On each departure from the United States of a passenger vessel for which a construction or operating differential subsidy has been granted, at least 90 percent of the entire complement (including licensed individuals) must be citizens of the United States.

(2) An individual not required by this subsection to be a citizen of the United States may be engaged only if the individual has a declaration of intention to become a citizen of the United States or other evidence of admission to the United States for permanent residence. An alien may be employed only in the steward's department of the passenger vessel.

(e) If a documented vessel is deprived for any reason of the services of an individual (except the master) when on a foreign voyage and a vacancy consequently occurs, until the vessel's first return to a United States port at which a replacement who is a citizen of the United States can be obtained, an individual not a citizen of the United States may serve in—

(1) the vacancy; or
(2) a vacancy resulting from the promotion of another individual to fill the original vacancy.

(f) A person employing an individual in violation of this section or a regulation prescribed under this section is liable to the United States Government for a civil penalty of $500 for each individual so employed.

(g) A deck or engineer officer employed on a vessel on which an operating differential subsidy is paid, or employed on a vessel (except a vessel of the Coast Guard or Saint Lawrence Seaway Development Corporation) owned or operated by the Department of Transportation or by a corporation organized or controlled by the Department, if eligible, shall be a member of the Naval Reserve.

(h) The President may—

(1) suspend any part of this section during a proclaimed national emergency; and

(2) when the needs of commerce require, suspend as far and for a period the President considers desirable, subsection (a) of this section for crews of vessels of the United States documented for foreign trade.

§ 8104. Watches

(a) An owner, charterer, managing operator, master, individual in charge, or other person having authority may permit an officer to take charge of the deck watch on a vessel when leaving or immediately after leaving port only if the officer has been off duty for at least 6 hours within the 12 hours immediately before the time of leaving.

(b) On an oceangoing or coastwise vessel of not more than 100 gross tons, a licensed individual may not be required to work more than 9 of 24 hours when in port, including the date of arrival, or more than 12 of 24 hours at sea, except in an emergency when life or property are endangered.

(c) On a towing vessel (except a towing vessel operated only for fishing or engaged in salvage operations) operating on the Great Lakes, harbors of the Great Lakes, and connecting or tributary waters between Gary, Indiana, Duluth, Minnesota, Niagara Falls, New York, and Ogdensburg, New York, a licensed individual or seaman in the deck or engine department may not be required or permitted to work more than 8 hours in one day, except in an emergency when life or property are endangered.

(d) On a merchant vessel of more than 100 gross tons (except a vessel only operating on rivers, harbors, lakes (except the Great Lakes), bays, sounds, bayous, and canals, a fishing or whaling vessel, yacht, or vessel engaged in salvage operations), the licensed individuals, sailors, coal passers, firemen, oilers, and water tenders shall be divided, when at sea, into at least 3 watches, and shall be kept on duty successively to perform ordinary work incident to the operation and management of the vessel. The requirement of this subsection applies to radio officers only when at least 3 radio officers are employed. A licensed individual or seaman in the deck or engine department may not be required to work more than 8 hours in one day.

(e) On a vessel designated by subsections (c) and (d) of this section—

(1) a seaman may not be—

(A) engaged to work alternately in the deck and engine departments; or
(B) required to work in the engine department if engaged for deck department duty or required to work in the deck department if engaged for engine department duty;

(2) a seaman may not be required to do unnecessary work on Sundays, New Year's Day, July 4th, Labor Day, Thanksgiving Day, or Christmas Day, when the vessel is in a safe harbor, but this clause does not prevent dispatch of a vessel on a voyage; and

(3) when the vessel is in a safe harbor, 8 hours (including anchor watch) is a day's work.

(f) Subsections (d) and (e) of this section do not limit the authority of the master or other officer or the obedience of the seamen when, in the judgment of the master or other officer, any part of the crew is needed for—

(1) maneuvering, shifting the berth of, mooring, or unmooring, the vessel;

(2) performing work necessary for the safety of the vessel, or the vessel's passengers, crew, or cargo;

(3) saving life on board another vessel in jeopardy; or

(4) performing fire, lifeboat, or other drills in port or at sea.

(g) On a towing vessel (except a vessel to which subsection (c) of this section applies), an offshore supply vessel, or a barge to which this section applies, that is engaged on a voyage of less than 600 miles, the licensed individuals and crewmembers (except the coal passers, firemen, oilers, and water tenders) may be divided, when at sea, into at least 2 watches.

(h) On a vessel to which section 8904 of this title applies, an individual licensed to operate a towing vessel may not work for more than 12 hours in a consecutive 24-hour period except in an emergency.

(i) A person violating subsection (a) or (b) of this section is liable to the United States Government for a civil penalty of $100.

(j) The owner, charterer, or managing operator of a vessel on which a violation of subsection (c), (d), (e), or (h) of this section occurs is liable to the Government for a civil penalty of $500. The seaman is entitled to discharge from the vessel and receipt of wages earned.

(1) periodically evaluate the manning, training, qualification, and watchkeeping standards prescribed by the certificating country of a foreign vessel to which chapter 37 of this title applies, that operates on the navigable waters of the United States and transfers oil or hazardous material in a port or place under the jurisdiction of the United States; and

(2) after each evaluation made under clause (1) of this subsection, decide whether the foreign country, whose system for licensing and certification of seamen was evaluated, has standards that are equivalent to or more stringent than United States standards or international standards accepted by the United States.

(b) A foreign vessel to which chapter 37 of this title applies that has on board oil or hazardous material in bulk as cargo or cargo residue shall have a specified number of personnel certified as tankerman or equivalent, as required by the Secretary, when the vessel transfers oil or hazardous material in a port or place subject to the jurisdiction of the United States. The requirement of this subsection shall be noted in applicable terminal operating procedures. A transfer operation may take place only if the crewmember in charge is capable of clearly understanding instructions in English.

When the waiver is granted, the Secretary may prescribe conditions for the license or certificate and its renewal, as the Secretary decides are reasonable and necessary for the safety of a vessel on which the individual may be employed.

§ 9301. Definitions

In this chapter—

(1) “Canadian registered pilot” means an individual (except a regular crewmember of a vessel) who is registered by Canada on the same basis as an individual registered under section 9303 of this title.

(2) “Great Lakes” means Lakes Superior, Michigan, Huron, Erie, and Ontario, their connecting and tributary waters, the Saint Lawrence River as far east as Saint Regis, and adjacent port areas.

(3) “United States registered pilot” means an individual (except a regular crewmember of a vessel) who is registered under section 9303 of this title.

§ 9302. Great Lakes pilots required

(a) Except as provided in subsections (d) and (e) of this section, each vessel of the United States operating on register and each foreign vessel shall engage a United States or Canadian registered pilot for the route being navigated who shall—
(A) in waters of the Great Lakes designated by the President, direct the navigation of the vessel subject to the customary authority of the master; and

(B) in waters of the Great Lakes not designated by the President, be on board and available to direct the navigation of the vessel at the discretion of and subject to the customary authority of the master.

(2) The President shall make water designations under this subsection with regard to the public interest, the effective use of navigable waters, marine safety, and the foreign relations of the United States.

(b) An individual of a vessel licensed for navigation on the Great Lakes under section 7101 of this title, or equivalent provisions of Canadian law, and qualified for the route being navigated, may serve as the pilot required on waters not designated by the President.

(c) The authority extended under subsections (a) and (b) of this section to a Canadian registered pilot or other Canadian licensed officer to serve on certain vessels in United States waters of the Great Lakes shall continue as long as Canada extends reciprocity to United States registered pilots and other individuals licensed by the United States for pilotage service in Canadian waters of the Great Lakes.

(d) A vessel may be operated on the United States waters of the Great Lakes without a United States or Canadian registered pilot when—

1. the Secretary notifies the master that a registered pilot is not available; or

2. the vessel or its cargo is in distress or jeopardy.

(e) A Canadian vessel regularly operating on the Great Lakes or between ports on the Great Lakes and the Saint Lawrence River, with only an occasional voyage to ports in the maritime provinces of Canada in the Canadian coastal trade, is exempt from subsections (a) and (b) of this section as long as Canada permits enrolled vessels of the United States to be operated on Canadian waters of the Great Lakes under the direction of individuals licensed under section 7101 of this title.

§ 9303. United States registered pilot service

(a) The Secretary shall prescribe by regulation standards of competency to be met by each applicant for registration under this chapter. An applicant must—

1. have a license as master, mate, or pilot issued under section 7101 of this title;

2. have acquired at least 24 months licensed service or equivalent experience on vessels or integrated towing vessels and tows of at least 4,000 gross tons, operating on the Great Lakes or oceans, with a minimum of 6 months of that service or experience having been on the Great Lakes; and

3. agree that, if appointed as a United States registered pilot, the applicant will be available for service when required.

(b) The Secretary shall issue to each registered pilot under this chapter a certificate of registration describing the areas within which the pilot may serve. The pilot shall carry the certificate when in the service of a vessel.

(c) The Secretary shall prescribe by regulation the duration of validity of registration.
(d) The Secretary may prescribe by regulation the conditions for service by United States registered pilots, including availability for service.

(e) Subject to sections 551-559 of title 5, the Secretary may suspend or revoke a certificate of registration issued under this section if the holder fails to comply with a regulation prescribed under this chapter. Suspension or revocation of the holder's license under chapter 77 of this title includes the holder's certificate of registration.

(f) The Secretary shall prescribe by regulation rates and charges for pilotage services, giving consideration to the public interest and the costs of providing the services.

§ 9304. Pilotage pools

(a) The Secretary may authorize the formation of a pool by a voluntary association of United States registered pilots to provide for efficient dispatching of vessels and rendering of pilotage services.

(b) For pilotage pools, the Secretary may—

(1) limit the number of the pools;
(2) prescribe regulations for their operation and administration;
(3) prescribe a uniform system of accounts;
(4) perform audits and inspections; and
(5) require coordination on a reciprocal basis with similar pool arrangements authorized by the appropriate agency of Canada.

§ 9305. Agreements with Canada

To provide for a coordinated system of pilotage service on the Great Lakes, the Secretary, subject to the concurrence of the Secretary of State, may make agreements with the appropriate agency of Canada to—

(1) fix the number of pilots to be registered in each country;
(2) provide for participation on an equitable basis;
(3) prescribe joint or identical rates and charges;
(4) coordinate pool operations; and
(5) establish conditions for services by registered pilots.

§ 9306. State regulation prohibited

A State or political subdivision of a State may not regulate or impose any requirement on pilotage on the Great Lakes.

§ 9307. Great Lakes Pilotage Advisory Committee

(a) The Secretary may establish a Great Lakes Pilotage Advisory Committee. The Committee—

(1) may review proposed Great Lakes pilotage regulations and policies and make recommendations to the Secretary that the Committee considers appropriate;
(2) may make available to Congress recommendations that the Committee makes to the Secretary; and
(3) shall meet at the call of the Secretary.

(b) The Committee shall consist of 3 members appointed by the Secretary each of whom has at least 5 years practical experience in maritime operations. The term of each member is for a period of not more than 5 years, specified by the Secretary. Before filling a position on the Committee, the Secretary shall publish a notice in the Federal Register soliciting nominations for membership on the Committee.
Travel expenses.  
(c) When attending meetings or otherwise serving at the request of the Secretary, a member of the Committee (except a member regularly employed by the United States Government) may be paid at a rate of not more than $75 a day. When serving away from home or regular place of business, the member may be allowed travel expenses, including per diem in lieu of subsistence as authorized by section 5703 of title 5 for individuals employed intermittently in the Government service.

§ 9308. Penalties

(a) An owner, charterer, managing operator, agent, master, or individual in charge of a vessel knowingly allowing the vessel to be operated in violation of section 9302 of this title is liable to the United States Government for a civil penalty of $500 for each day during which the vessel is in violation. The vessel also is liable in rem for the penalty.

(b) An individual who directs the navigation of a vessel in violation of section 9302 of this title is liable to the Government for a civil penalty of $500 for each day during which the violation occurs.

(c) A person violating a regulation prescribed under section 9303 of this title is liable to the Government for a civil penalty of $500.

§ 10304. Form of agreement

The form of the agreement required by section 10302 of this title shall be in substance as follows:

UNITED STATES OF AMERICA

(Date and place of first signature of agreement):

It is agreed between the master and seamen of the , of which is at present master, or whoever shall go for master, now bound from the port of to (here the voyage is to be described, and the places named at which the vessel is to touch, or if that cannot be done, the general nature and probable length of the voyage is to be stated).

The seamen agree to conduct themselves in an orderly, faithful, honest, and sober manner, and to be at all times diligent in their respective duties, and to be obedient to the lawful commands of the master, or of an individual who lawfully succeeds the master, and of their superior officers in everything related to the vessel, and the stores and cargo of the vessel, whether on board, in boats, or on shore. In consideration of this service by the seamen to be performed, the master agrees to pay the crew, as wages, the amounts beside their names respectively expressed, and to supply them with provisions according to the annexed scale.

It is agreed that any embezzlement, or willful or negligent destruction of any part of the vessel's cargo or stores, shall be made good to the owner out of the wages of the person guilty of the embezzlement or destruction.

If an individual holds himself or herself out as qualified for a duty which the individual proves incompetent to perform, the individual's wages shall be reduced in proportion to the incompetency.

It also is agreed that if a seaman considers himself or herself to be aggrieved by any breach of this agreement or otherwise, the seaman
shall present the complaint to the master or officer in charge of the vessel, in a quiet and orderly manner, who shall take steps that the case requires.

It also is agreed that (here any other stipulations may be inserted to which the parties agree, and that are not contrary to law).

§ 10305. Manner of signing agreement

(a) The agreement required by section 10302 of this title shall be signed—

(1) first by the master and dated at that time, after which each seaman shall sign; and

(2) in the presence of a shipping commissioner.

(b) When the crew is first engaged, the agreement shall be signed in duplicate. One of the copies shall be retained by the shipping commissioner. The other copy shall contain space for the description and signatures of seamen engaged subsequent to the first making of the agreement, and shall be delivered to the master.

(c) An agreement signed before a shipping commissioner shall be acknowledged and signed by the commissioner on the agreement in the manner and form prescribed by regulation. The acknowledgment and certification shall include a statement by the commissioner that the seaman—

(1) has read the agreement;

(2) is acquainted with and understands its conditions; and

(3) has signed it freely and voluntarily when sober.
§ 10306. Exhibiting merchant mariners’ documents

Before signing the agreement required by section 10302 of this title, each individual required by section 8701 of this title to have a merchant mariner’s document shall exhibit to the shipping commissioner a document issued to the individual, appropriately endorsed for the capacity in which the individual is to serve.

§ 10307. Posting agreements

At the beginning of a voyage, the master shall have a legible copy of the agreement required by section 10302 of this title, omitting signatures, exhibited in a part of the vessel accessible to the crew. A master violating this section is liable to the United States Government for a civil penalty of $100.

§ 10308. Foreign engagements

(a) When a seaman is engaged outside the United States, the agreement required by section 10302 of this title shall be signed in the presence of a consular officer. If a consular officer is not available at the port of engagement, the seaman may be engaged, and the agreement shall be signed in the next port at which a consular officer is available.

(b) A master engaging a seaman in violation of this section is liable to the United States Government for a civil penalty of $100. The vessel also is liable in rem for the penalty.

§ 10309. Engaging seamen to replace those lost by desertion or casualty

(a) If a desertion or casualty results in the loss of at least one seaman, the master shall engage, if obtainable, a number equal to the number of seamen of whose services the master has been deprived. The new seaman must have at least the same grade or rating as the seaman whose place the new seaman fills. The master shall report the loss and replacement to a consular officer at the first port at which the master arrives.

(b) The master is liable to the United States Government for a civil penalty of $200 for each report not made. The vessel also is liable in rem for the penalty.

(c) This section does not apply to a fishing or whaling vessel or a yacht.

§ 10310. Discharge

A master shall deliver to a seaman or a shipping commissioner a full and true account of the seaman’s wages and all deductions at least 48 hours before paying off or discharging the seaman. A master failing to deliver the account is liable to the United States Government for a civil penalty of $50.

§ 10311. Certificates of discharge

(a) On discharging a seaman and paying the seaman’s wages, the shipping commissioner shall provide the seaman with a certificate of discharge. The form of the certificate shall be prescribed by regulation. It shall contain—

(1) the name of the seaman;
(2) the citizenship or nationality of the seaman;
(3) the number of the seaman’s merchant mariner’s document;
(4) the name and official number of the vessel;
(5) the nature of the voyage (foreign, intercoastal, or coastwise);
(6) the propulsion class of the vessel;
(7) the date and place of engagement;
(8) the date and place of discharge; and
(9) the seaman's capacity on the voyage.

(b) The certificate of discharge may not contain a reference about
the character or ability of the seaman. The certificate shall be
signed by the master, the seaman, and the shipping commissioner as witness.

(c) A certificate of discharge may not be issued if the seaman holds
a continuous discharge book. The entries shall be made in the
discharge book in the same manner as the entries required by
subsection (a) of this section.

(d)(1) A record of each discharge shall be maintained by the
Secretary in the manner and location prescribed by regulation. The
records may not be open for general or public use or inspection.
(2) A duplicate of a record of discharge shall be issued to a seaman
at a cost prescribed by regulation.

(e) This section does not apply to a fishing or whaling vessel or a
yacht.

8 10312. Settlements on discharge

(a) When discharge and settlement are completed, the master or
owner and each seaman shall sign the agreement required by
section 10302 of this title in the presence of a shipping commis-
sioner. The commissioner shall sign the agreement and retain a
copy. When signed, it shall serve as a mutual release of all claims
for wages for the voyage.

(b) In a dispute about wages or deductions, if the parties agree in
writing to submit the dispute to a shipping commissioner, the award
made by the commissioner is conclusive in any subsequent legal
proceeding. A document signed and sealed by a shipping commis-
sioner purporting to be the award is prima facie evidence of the
award.

(c) In a proceeding before a shipping commissioner related to the
wages, claims, or discharge of a seaman, the shipping commissioner
may call on the owner, charterer, managing operator, agent, master,
or a seaman to produce logbooks or other documents about a matter
in question, and may summon before the commissioner and examine
any person on the matter. An owner, charterer, managing operator,
agent, master, or seaman failing on summons to produce a docu-
ment in the possession or control of the owner, charterer, managing
operator, agent, master, or seaman, or to give evidence, without
reasonable cause, is liable to the United States Government for a
civil penalty of $100. On application of the shipping commissioner,
the owner, charterer, managing operator, agent, master, or seaman
may be punished by a district court of the United States as in other
cases of contempt of court.

(d) On request, a certified copy of an agreement may be provided
to a party to the agreement and is admissible in evidence with the
effect of the original in any subsequent proceeding.

(e) When a seaman has been discharged before a shipping commis-
ioner, only the agreement is evidence of the release or satisfaction
of any claim.
(f) If a discharge is made under this section, the shipping commissioner, at the request of the master, shall provide the master with a signed statement of the total amount of wages paid. Between the master and the employer, the statement shall be received as evidence that the master has made the payments as stated.

§ 10313. Wages

(a) A seaman’s entitlement to wages and provisions begins when the seaman begins work or when specified in the agreement required by section 10302 of this title for the seaman to begin work or be present on board, whichever is earlier.

(b) Wages are not dependent on the earning of freight by the vessel. When the loss or wreck of the vessel ends the service of a seaman before the end of the period contemplated in the agreement, the seaman is entitled to wages for the period of time actually served. The seaman shall be deemed a destitute seaman under section 11104 of this title. This subsection applies to a fishing or whaling vessel but not a yacht.

(c) When a seaman who has signed an agreement is discharged improperly before the beginning of the voyage or before one month’s wages are earned, without the seaman’s consent and without the seaman’s fault justifying discharge, the seaman is entitled to receive from the master or owner, in addition to wages earned, one month’s wages as compensation.

(d) A seaman is not entitled to wages for a period during which the seaman—

(1) unlawfully failed to work when required, after the time fixed by the agreement for the seaman to begin work; or

(2) lawfully was imprisoned for an offense, unless a court hearing the case otherwise directs.

(e) After the beginning of the voyage, a seaman is entitled to receive from the master, on demand, one-half of the balance of wages earned and unpaid at each port at which the vessel loads or delivers cargo during the voyage. A demand may not be made before the expiration of 5 days from the beginning of the voyage, not more than once in 5 days, and not more than once in the same port on the same entry. If a master does not comply with this subsection, the seaman is released from the agreement and is entitled to payment of all wages earned. Notwithstanding a release signed by a seaman under section 10312 of this title, a court having jurisdiction may set aside, for good cause shown, the release and take action that justice requires. This subsection does not apply to a fishing or whaling vessel or a yacht. However, this subsection applies to a vessel taking oysters.

(f) At the end of a voyage, the master shall pay each seaman the balance of wages due the seaman within 24 hours after the cargo has been discharged or within 4 days after the seaman is discharged, whichever is earlier. When a seaman is discharged and final payment of wages is delayed for the period permitted by this subsection, the seaman is entitled at the time of discharge to one-third of the wages due the seaman.

(g) When payment is not made as provided under subsection (f) of this section without sufficient cause, the master or owner shall pay to the seaman 2 days’ wages for each day payment is delayed.

(h) Subsections (f) and (g) of this section do not apply to a fishing or whaling vessel or a yacht. However, subsections (f) and (g) apply to a vessel taking oysters.
(i) This section applies to a seaman on a foreign vessel when in a harbor of the United States. The courts are available to the seaman for the enforcement of this section.

§ 10314. Advances

(a)(1) A person may not—
   (A) pay a seaman wages in advance of the time when the seaman has earned the wages;
   (B) pay advance wages of the seaman to another person; or
   (C) make to another person an order, note, or other evidence of indebtedness of the wages, or pay another person, for the engagement of seamen when payment is deducted or to be deducted from the seaman's wage.

(2) A person violating this subsection is liable to the United States Government for a civil penalty of not more than $500. A payment made in violation of this subsection does not relieve the vessel or the master from the duty to pay all wages after they have been earned.

(b) A person demanding or receiving from a seaman or an individual seeking employment as a seaman, remuneration for providing the seaman or individual with employment, is liable to the Government for a civil penalty of not more than $500.

(c) This section applies to a foreign vessel when in waters of the United States. An owner, charterer, managing operator, agent, or master of a foreign vessel violating this section is liable to the Government for the same penalty as an owner, charterer, managing operator, agent, or master of a vessel of the United States for the same violation.

(d) The owner, charterer, managing operator, agent, or master of a vessel seeking clearance from a port of the United States shall present the agreement required by section 10302 of this title at the office of clearance. Clearance may be granted to a vessel only if this section has been complied with.

(e) This section does not apply to a fishing or whaling vessel or a yacht. However, this section applies to a vessel taking oysters.

§ 10315. Allotments

(a) Under prescribed regulations, a seaman may stipulate as follows in the agreement required by section 10302 of this title for an allotment of any part of the wages the seaman may earn:
   (1) to the seaman's grandparents, parents, spouse, sister, brother, or children;
   (2) to an agency designated by the Secretary of the Treasury to handle applications for United States savings bonds, to purchase bonds for the seaman; and
   (3) for deposits to be made in an account for savings or investment opened by the seaman and maintained in the seaman's name at a savings bank or a savings institution in which the accounts are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation.

(b) An allotment is valid only if made in writing and signed by and approved by a shipping commissioner. The shipping commissioner shall examine allotments and the parties to them to enforce compliance with the law. Stipulations for allotments made at the beginning of a voyage shall be included in the agreement and shall state the amounts and times of payment and the person to whom payments are to be made.
Civil penalty.

(c) Only an allotment complying with this section is lawful. A person falsely claiming qualification as an allottee under this section is liable to the United States Government for a civil penalty of not more than $500.

(d) The owner, charterer, managing operator, agent, or master of a vessel seeking clearance from a port of the United States shall present the agreement at the office of clearance. Clearance may be granted to a vessel only if this section has been complied with.

(e) This section applies to a foreign vessel when in waters of the United States. An owner, charterer, managing operator, agent, or master of a foreign vessel violating this section is liable to the Government for the same penalty as an owner, charterer, managing operator, agent, or master of a vessel of the United States for the same violation.

§ 10316. Trusts

Sections 10314 and 10315 of this title do not prevent an employer from making deductions from the wages of a seaman, with the written consent of the seaman, if—

1. the deductions are paid into a trust fund established only for the benefit of seamen employed by that employer, and the families and dependents of those seamen (or of those seamen, families, and dependents jointly with other seamen employed by other employers, and the families and dependents of the other seamen); and

2. the payments are held in trust to provide, from principal or interest, or both, any of the following benefits for those seamen and their families and dependents:
   (A) medical or hospital care, or both.
   (B) pensions on retirement or death of the seaman.
   (C) life insurance.
   (D) unemployment benefits.
   (E) compensation for illness or injuries resulting from occupational activity.
   (F) sickness, accident, and disability compensation.
   (G) purchasing insurance to provide any of the benefits specified in this section.

§ 10317. Loss of lien and right to wages

A master or seaman by any agreement other than one provided for in this chapter may not forfeit the master’s or seaman’s lien on the vessel or be deprived of a remedy to which the master or seaman otherwise would be entitled for the recovery of wages. A stipulation in an agreement inconsistent with this chapter, or a stipulation by which a seaman consents to abandon a right to wages if the vessel is lost, or to abandon a right the seaman may have or obtain in the nature of salvage, is void.

§ 10318. Wages on discharge in foreign ports

(a) When a master or seaman applies to a consular officer for the discharge of the seaman, the consular officer shall require the master to pay the seaman’s wages if it appears that the seaman has carried out the agreement required by section 10302 of this title or otherwise is entitled to be discharged. Then the consular officer shall discharge the seaman. A consular officer shall require the payment of extra wages only as provided in this section or in chapter 109 of this title.

Post, p. 574.
(b) When discharging a seaman, a consular officer who fails to require the payment of the wages due a seaman at the time, and of the extra wages due under subsection (a) of this section, is accountable to the United States Government for the total amount.

(c) A seaman discharged under this section with the consent of the seaman is entitled to wages up to the time of discharge, but not for any additional period.

(d) If the seaman is discharged involuntarily, and it appears that the discharge was not because of neglect of duty, incompetency, or injury incurred on the vessel, the master shall provide the seaman with employment on a vessel agreed to by the seaman or shall provide the seaman with one month's extra wages.

(e) Expenses for the maintenance and return of an ill or injured seaman to the United States shall be paid by the Secretary of State. If a seaman is incapacitated by illness or injury and prompt discharge is necessary, but a personal appearance of the master before a consular officer is impracticable, the master may provide transportation to the seaman to the nearest consular officer for discharge.

(f) A deduction from wages of the seaman is permitted only if the deduction appears in the account of the seaman required to be delivered under section 10310 of this title, except for matters arising after delivery of the account, in which case a supplementary account is required. During a voyage, the master shall record in the official logbook the matters about which deductions are to be made with the amounts of the deductions. The entries shall be made as the matters occur. The master shall produce the official logbook at the time of payment of wages, and also before a competent authority on the hearing of any complaint or question about the payment of wages.

§ 10319. Costs of a criminal conviction

In a proceeding about a seaman's wages, if it is shown that the seaman was convicted during the voyage of an offense by a competent tribunal and sentenced by the tribunal, the court hearing the case may direct that a part of the wages due the seaman, but not more than $15, be applied to reimburse the master for costs properly incurred in procuring the conviction and sentence.

§ 10320. Records of seamen

The Secretary may prescribe regulations for reporting by a master of matters about the engagement, discharge, or service of seamen that may be needed in keeping central records of seamen.

§ 10321. General penalty

The owner, charterer, managing operator, agent, or master of a vessel on which a seaman is carried in violation of this chapter or a regulation prescribed under this chapter is liable to the United States Government for a civil penalty of $200 for each seaman carried in violation. The vessel also is liable in rem for the penalty.

CHAPTER 105—COASTWISE VOYAGES

Sec. 10501. Application.
10502. Shipping articles agreements.
10503. Exhibiting merchant mariners' documents.
10504. Wages.
10505. Advances.
10506. Trusts.
§ 10501. Application

(a) Except for a vessel to which chapter 103 of this title applies, this chapter applies to a vessel of at least 50 gross tons on a voyage between a port in one State and a port in another State (except an adjoining State).

(b) This chapter does not apply to a vessel on which the seamen are entitled by custom or agreement to share in the profit or result of a voyage.

(c) Unless otherwise provided, this chapter does not apply to a foreign vessel.

§ 10502. Shipping articles agreements

(a) Before proceeding on a voyage, the master of a vessel to which this chapter applies shall make a shipping articles agreement in writing with each seaman on board, declaring the nature of the voyage or the period of time for which the seaman is engaged.

(b) The agreement shall include the date and hour on which the seaman must be on board to begin the voyage.

(c) The agreement may not contain a provision on the allotment of wages or a scale of provisions.

§ 10503. Exhibiting merchant mariners' documents

Before signing the agreement required by section 10502 of this title, a seaman required by section 8701 of this title to have a merchant mariner's document shall exhibit to the master a document issued to the seaman and appropriately endorsed for the capacity in which the seaman is to serve.

§ 10504. Wages

(a) After the beginning of a voyage, a seaman is entitled to receive from the master, on demand, one-half of the balance of wages earned and unpaid at each port at which the vessel loads or delivers cargo during the voyage. A demand may not be made before the expiration of 5 days from the beginning of the voyage, not more than once in 5 days, and not more than once in the same port on the same entry. If a master does not comply with this subsection, the seaman is released from the agreement required by section 10502 of this title and is entitled to payment of all wages earned. Notwithstanding a release signed by a seaman under section 10312 of this title, a court having jurisdiction may set aside, for good cause shown, the release and take action that justice requires. This subsection does not apply to a fishing or whaling vessel or a yacht. However, this subsection applies to a vessel taking oysters.

(b) The master shall pay a seaman the balance of wages due the seaman within 2 days after the termination of the agreement required by section 10502 of this title or when the seaman is discharged, whichever is earlier.

(c) When payment is not made as provided under subsection (b) of this section without sufficient cause, the master or owner shall pay to the seaman 2 days' wages for each day payment is delayed.

(d) Subsections (b) and (c) of this section do not apply to a fishing or whaling vessel or a yacht. However, subsections (b) and (c) apply to a vessel taking oysters.
(e) This section applies to a seaman on a foreign vessel when in harbor of the United States. The courts are available to the seaman for the enforcement of this section.

§ 10505. Advances

(a)(1) A person may not—
   (A) pay a seaman wages in advance of the time when the seaman has earned the wages;
   (B) pay advance wages of the seaman to another person; or
   (C) make to another person an order, note, or other evidence of indebtedness of the wages, or pay another person, for the engagement of seamen when payment is deducted or to be deducted from the seaman's wage.
   (2) A person violating this subsection is liable to the United States Government for a civil penalty of not more than $100. A payment made in violation of this subsection does not relieve the vessel or the master from the duty to pay all wages after they have been earned.

(b) A person demanding or receiving from a seaman or an individual seeking employment as a seaman, remuneration for providing the seaman or individual with employment, is liable to the Government for a civil penalty of not more than $500.

(c) The owner, charterer, managing operator, agent, or master of a vessel seeking clearance from a port of the United States shall present the agreement required by section 10502 of this title at the office of clearance. Clearance may be granted to a vessel only if this section has been complied with.

(d) This section does not apply to a fishing or whaling vessel or a yacht. However, this section applies to a vessel taking oysters.

§ 10506. Trusts

Section 10505 of this title does not prevent an employer from making deductions from the wages of a seaman, with the written consent of the seaman, if—
   (1) the deductions are paid into a trust fund established only for the benefit of seamen employed by that employer, and the families and dependents of those seamen (or of those seamen, families, and dependents jointly with other seamen employed by other employers, and the families and dependents of the other seamen); and
   (2) the payments are held in trust to provide, from principal or interest, or both, any of the following benefits for those seamen and their families and dependents:
      (A) medical or hospital care, or both.
      (B) pensions on retirement or death of the seaman.
      (C) life insurance.
      (D) unemployment benefits.
      (E) compensation for illness or injuries resulting from occupational activity.
      (F) sickness, accident, and disability compensation.
      (G) purchasing insurance to provide any of the benefits specified in this section.

§ 10507. Duties of shipping commissioners

(a) At the option of the owner or master of a vessel to which this chapter applies, a shipping commissioner may engage and discharge the crew.
(b) When a crew is engaged under this section, sections 10302, 10308, 10309, 10310, 10311, 10312, 10312(b)-(f), and 10321, and chapter 107 of this title apply.

§ 10508. General penalties

(a) A master who carries a seaman on a voyage without first making the agreement required by section 10502 of this title shall pay to the seaman the highest wage that was paid for a similar voyage within the 3 months before the time of engagement at the port or place at which the seaman was engaged. A seaman who has not signed an agreement is not bound by the applicable regulations, penalties, or forfeitures.

(b) A master engaging a seaman in violation of this chapter or a regulation prescribed under this chapter is liable to the United States Government for a civil penalty of $20. The vessel also is liable in rem for the penalty.

§ 10509. Penalty for failing to begin voyage

(a) A seaman who fails to be on board at the time contained in the agreement required by section 10502 of this title, without having given 24 hours' notice of inability to do so, shall forfeit, for each hour's lateness, one-half of one day's pay to be deducted from the seaman's wages if the lateness is recorded in the official logbook on the date of the violation.

(b) A seaman who does not report at all or subsequently deserts forfeits all wages.

(c) This section does not apply to a fishing or whaling vessel or a yacht.

§ 10701. Application

(a) Except as otherwise specifically provided, this chapter applies to a vessel on a voyage between—

(1) a port of the United States and a port in a foreign country (except a port in Canada, Mexico, and the West Indies); and

(2) a port of the United States on the Atlantic Ocean and a port of the United States on the Pacific Ocean.

(b) This chapter does not apply to a vessel on which a seaman by custom or agreement is entitled to share in the profit or result of a voyage.

§ 10702. Duties of masters

(a) When a seaman dies during a voyage, the master shall take charge of the seaman's money and property. An entry shall be made
in the official logbook, signed by the master, the chief mate, and an
unlicensed crewmember containing an inventory of the money and
property and a statement of the wages due the seaman, with the
total of the deductions to be made.
(b) On compliance with this chapter, the master shall obtain a
written certificate of compliance from a shipping commissioner.
Clearance may be granted to a foreign-bound vessel only when the
certificate is received at the office of customs.

§ 10703. Procedures of masters
(a) If the vessel is proceeding to the United States when a seaman
dies, the master shall deliver the seaman’s money, property, and
wages when the agreement required by this part is ended, as
provided by regulations prescribed by the Secretary.
(b) If the vessel touches at a foreign port after the death of the
seaman, the master shall report to the first available consular
officer. The consular officer may require the master to deliver to
the officer the money, property, and wages of the seaman. The
consular officer shall give the master a receipt for the matters
delivered and certify on the agreement the particulars of the deliv-
er. When the agreement ends, the master shall deliver the receipt
as prescribed by regulations.
(c) If the consular officer does not require the master to deliver the
seaman’s money, property, and wages, the officer shall so certify on
the agreement, and the master shall dispose of the money, property,
and wages as provided under subsection (a) of this section.
(d) A deduction from the account of a deceased seaman is valid
only if certified by a proper entry in the official logbook.

§ 10704. Duties of consular officers
When a seaman dies outside the United States leaving money or
property not on board a vessel, the consular officer nearest the place
at which the money and property is located shall claim and take
charge of it.

§ 10705. Disposition of money, property, and wages by consular
officers
When money, property, or wages of a deceased seaman comes into
possession of a consular officer, the officer may—
(1) sell the property and remit the proceeds and other money
or wages of the seaman the officer has received, to the district
court of the United States for the district in which the voyage
begins or ends; or
(2) deliver the money, property, and wages to the district
court.

§ 10706. Seamen dying in the United States
When a seaman dies in the United States and is entitled at death

vessel on which the seaman served, the master or owner shall
deliver the money, property, and wages as provided by regulations
prescribed by the Secretary.

§ 10707. Delivery to district court
The Secretary shall provide for the delivery to a district court of
the United States of the money, property, and wages of a deceased
seaman within one week from the date of receipt.
§ 10708. Sale of property

A district court of the United States may direct the sale of any part of the property of a deceased seaman. Proceeds of the sale shall be held as wages of the seaman are held.

§ 10709. Distribution

(a)(1) If the money, property, and wages of a seaman, including proceeds from the sale of property, are not more than $1,500 in value, and subject to deductions it allows for expenses and at least 60 days after receiving the money, property, and wages, the court may deliver the money, property, and wages to a claimant proving to be—

(A) the seaman’s surviving spouse or child;
(B) entitled to the money, property, and wages under the seaman’s will or under a law or at common law; or
(C) entitled to secure probate, or take out letters of administration, although no probate or letters of administration have been issued.

(2) The court is released from further liability for the money, property, and wages distributed under paragraph (1) of this subsection.

(3) Instead of acting under paragraphs (1) and (2) of this subsection, the court may require probate or letters of administration to be taken out, and then deliver the money, property, and wages to the legal representative of the seaman.

(b) If the money, property, and wages are more than $1,500 in value, the court, subject to deductions for expenses, shall deliver the money, property, and wages to the legal representative of the seaman.

§ 10710. Unclaimed money, property, and wages

(a) When a claim for the money, property, or wages of a deceased seaman held by a district court of the United States has not been substantiated within 6 years after their receipt by the court, the court, if a subsequent claim is made, may allow or refuse the claim.

(b) If, after money, property, and wages have been held by the court for 6 years, it appears to the court that no claim will have to be satisfied, the property shall be sold. The money and wages and the proceeds from the sale shall be deposited in the Treasury trust fund receipt account “Unclaimed Moneys of Individuals Whose Whereabouts are Unknown”.

§ 10711. Penalties

An owner or master violating this chapter are each liable to the United States Government for a civil penalty of 3 times the value of the seaman’s money, property, and wages involved or, if the value is not determined, of $200.

CHAPTER 109—PROCEEDINGS ON UNSEAWORTHINESS

Sec.
10901. Application.
10902. Complaints of unfitness.
10903. Proceedings on examination of vessel.
10904. Refusal to proceed.
10905. Complaints in foreign ports.
10906. Discharge of crew for unsuitability.
10907. Permission to make complaint.
10908. Penalty for sending unseaworthy vessel to sea.

§ 10901. Application

This chapter applies to a vessel of the United States except a fishing or whaling vessel or a yacht.

§ 10902. Complaints of unfitness

(a)(1) If the chief and second mates or a majority of the crew of a vessel ready to begin a voyage discover, before the vessel leaves harbor, that the vessel is unfit as to crew, hull, equipment, tackle, machinery, apparel, furniture, provisions of food or water, or stores to proceed on the intended voyage and require the unfitness to be inquired into, the master immediately shall apply to the district court of the United States at the place at which the vessel is located, or, if no court is being held at the place at which the vessel is located, to a judge or justice of the peace, for the appointment of surveyors. At least 2 complaining seamen shall accompany the master to the judge or justice of the peace.

(b)(1) Any 3 seamen of a vessel may complain that the provisions of food or water for the crew are, at any time, of bad quality, unfit for use, or deficient in quantity. The complaint may be made to the commanding officer of a United States naval vessel, consular officer, Coast Guard shipping commissioner, or chief official of the Customs Service.

(2) The officer, commissioner, or official shall examine, or have examined, the provisions of food or water. If the provisions are found to be of bad quality, unfit for use, or deficient in quantity, the person making the findings shall certify to the master of the vessel which provisions are of bad quality, unfit for use, or deficient.

(3) The officer, commissioner, or official to whom the complaint was made shall—

(A) make an entry in the official logbook of the vessel on the results of the examination; and

(B) submit a report on the examination to the district court of the United States at which the vessel is to arrive, with the report being admissible into evidence in any legal proceeding.

(4) The master is liable to the Government for a civil penalty of not more than $100 each time the master, on receiving the certification referred to in paragraph (2) of this subsection—

(A) does not provide other proper provisions of food or water, when available, in place of the provisions certified as of bad quality or unfit for use;

(B) does not obtain sufficient provisions when the certification includes a finding of a deficiency in quantity; or

(C) uses provisions certified to be of bad quality or unfit for use.

§ 10903. Proceedings on examination of vessel

(a) On application made under section 10902(a) of this title, the judge or justice of the peace shall appoint 3 experienced and skilled marine surveyors to examine the vessel for the defects or insufficiencies complained of. The surveyors have the authority to receive and consider evidence necessary to evaluate the complaint. When
the complaint involves provisions of food or water, one of the surveyors shall be a medical officer of the Public Health Service, if available. The surveyors shall make a report in writing, signed by at least 2 of them, stating whether the vessel is fit to proceed to sea or, if not, in what respect it is unfit, making appropriate recommendations about additional seamen, provisions, or stores, or about physical repairs, alterations, or additions necessary to make the vessel fit.

(b) On receiving the report, the judge or justice of the peace shall endorse on the report the judgment of the judge or justice on whether the vessel is fit to proceed on the voyage, and, if not, whether the vessel may proceed to another port at which the deficiencies can be corrected. The master and the crew shall comply with the judgment.

(c) The master shall pay all costs of the survey, report, and judgment. However, if the complaint of the crew appears in the report and judgment to have been without foundation, or if the complaint involved provisions of food or water, without reasonable grounds, the master or owner may deduct the amount of the costs and reasonable damages for the detention of the vessel, as determined by the judge or justice of the peace, from the wages of the complaining seamen.

(d) A master of a vessel violating this section who refuses to pay the costs and wages is liable to the United States Government for a civil penalty of $100 and is liable in damages to each person injured by the refusal.

§ 10904. Refusal to proceed

After a judgment under section 10903 of this title that a vessel is fit to proceed on the intended voyage, or after the order of a judgment to make up deficiencies is complied with, if a seaman does not proceed on the voyage, the unpaid wages of the seaman are forfeited.

§ 10905. Complaints in foreign ports

(a) When a complaint under section 10902(a) of this title is made in a foreign port, the procedures of this chapter shall be followed, with a consular officer performing the duties of the judge or justice of the peace.

(b) On review of the marine surveyors' report, the consular officer may approve and must certify any part of the report with which the officer agrees. If the consular officer dissents from any part of the report, the officer shall certify reasons for dissenting from that part.

§ 10906. Discharge of crew for unsuitability

When a survey is made at a foreign port, the surveyors shall state in the report whether, in their opinion, the vessel had been sent to sea unsuitably provided in any important particular, by neglect or design or through mistake or accident. If by neglect or design, and the consular officer approves the finding, the officer shall discharge a seaman requesting discharge and shall require the master to pay one month's wages to that seaman in addition to wages then due, or sufficient money for the return of the seaman to the nearest and most convenient port of the United States, whichever is the greater amount.
§ 10907. Permission to make complaint

(a) A master may not refuse to permit, deny the opportunity to, or hinder a seaman who wishes to make a complaint authorized by this chapter.

(b) A master violating this section is liable to the United States Government for civil penalty of $500.

§ 10908. Penalty for sending unseaworthy vessel to sea

A person that knowingly sends or attempts to send, or that is a party to sending or attempting to send, a vessel of the United States to sea, in an unseaworthy state that is likely to endanger the life of an individual, shall be fined not more than $1,000, imprisoned for not more than 5 years, or both.

CHAPTER 111—PROTECTION AND RELIEF

§ 11101. Accommodations for seamen

(a) On a merchant vessel of the United States the construction of which began after March 4, 1915 (except a yacht, pilot vessel, or vessel of less than 100 gross tons)—

(1) each place appropriated to the crew of the vessel shall have a space of at least 120 cubic feet and at least 16 square feet, measured on the floor or deck of that place, for each seaman or apprentice lodged in the vessel;

(2) each seaman shall have a separate berth and not more than one berth shall be placed one above another;

(3) the place or berth shall be securely constructed, properly lighted, heated, and ventilated, properly protected from weather and sea, and, as far as practicable, properly shut off and protected from the effluvium of cargo or bilge water; and

(4) crew space shall be kept free from goods or stores that are not the personal property of the crew occupying the place in use during the voyage.

(b) In addition to the requirements of subsection (a) of this section, a merchant vessel of the United States that in the ordinary course of trade makes a voyage of more than 3 days' duration between ports and carries a crew of at least 12 seamen shall have a hospital compartment, suitably separated from other spaces. The compartment shall have at least one bunk for each 12 seamen constituting the crew (but not more than 6 bunks may be required).

(c) A steam vessel of the United States operating on the Mississippi River or its tributaries shall provide, under the direction and approval of the Secretary, an appropriate place for the crew that shall conform to the requirements of this section, as far as they apply to the steam vessel, by providing a properly heated sleeping room in the engineroom of the steam vessel properly protected from
the cold, wind, and rain by means of suitable awnings or screens on
either side of the guards or sides and forward, reaching from the
boiler deck to the lower or main deck.

(d) A merchant vessel of the United States, the construction of
which began after March 4, 1915, having more than 10 seamen on
deck, shall have at least one light, clean, and properly heated and
ventilated washing place. There shall be provided at least one
washing outfit for each 2 seamen of the watch. A separate washing
place shall be provided for the fireroom and engineroom seamen, if
their number is more than 10, that shall be large enough to accom-
modate at least one-sixth of them at the same time, and have a hot
and cold water supply and a sufficient number of washbasins, sinks,
and shower baths.

(e) Forecastsles shall be fumigated at intervals provided by regula-
tions prescribed by the Secretary of Health and Human Services,
with the approval of the Secretary, and shall have at least 2 exits,
one of which may be used in emergencies.

(f) The owner, charterer, managing operator, agent, master, or
licensed individual of a vessel not complying with this section is
liable to the United States Government for a civil penalty of at least
$50 but not more than $500.

§ 11102. Medicine chests

(a) A vessel of the United States on a voyage from a port in the
United States to a foreign port (except to a Canadian port), and a
vessel of the United States of at least 75 gross tons on a voyage
between a port of the United States on the Atlantic Ocean and
Pacific Ocean, shall be provided with a medicine chest.

(b) The owner and master of a vessel not equipped as required by
subsection (a) of this section or a regulation prescribed under subsec-
tion (a) are liable to the United States Government for a civil
penalty of $500. If the offense was due to the fault of the owner, a
master penalized under this section has the right to recover the
penalty and costs from the owner.

§ 11103. Slop chests

(a) A vessel to which section 11102 of this title applies shall be
provided with a slop chest containing sufficient clothing for the
intended voyage for each seaman, including—

(1) boots or shoes;
(2) hats or caps;
(3) underclothing;
(4) outer clothing;
(5) foul weather clothing;
(6) everything necessary for the wear of a seaman; and
(7) a complete supply of tobacco and blankets.

(b) Merchandise in the slop chest shall be sold to a seaman
desiring it, for the use of the seaman, at a profit of not more than 10
percent of the reasonable wholesale value of the merchandise at the
port at which the voyage began.

(c) This section does not apply to a vessel on a voyage to Canada,
Bermuda, the West Indies, Mexico, or Central America, or a fishing
or whaling vessel.

§ 11104. Destitute seamen

(a) A consular officer shall provide, for a destitute seaman of the
United States, subsistence and passage to a port of the United States
in the most reasonable manner, at the expense of the United States Government and subject to regulations prescribed by the Secretary of State. A seaman, if able, shall be required to perform duties on the vessel giving the seaman passage, in accordance with the seaman's rating.

(b) A master of a vessel of the United States bound to a port of the United States shall take a destitute seaman on board at the request of a consular officer and transport the seaman to the United States. A master refusing to transport a destitute seaman when requested is liable to the United States Government for a civil penalty of $100. The certificate signed and sealed by a consular officer is prima facie evidence of refusal. A master is not required to carry a destitute seaman if the seaman's presence would cause the number of individuals on board to exceed the number permitted in the certificate of inspection or if the seaman has a contagious disease.

(c) Compensation for the transportation of destitute seamen to the United States who are unable to work shall be agreed on by the master and the consular officer, under regulations prescribed by the Secretary of State. However, the compensation may be not more than the lowest passenger rate of the vessel, or 2 cents a mile, whichever is less.

(d) When a master of a vessel of the United States takes on board a destitute seaman unable to work, from a port or place not having a consular officer, for transportation to the United States or to a port at which there is a consular officer, the master or owner of the vessel shall be compensated reasonably under regulations prescribed by the Secretary of State.

§ 11105. Wages on discharge when vessel sold

(a) When a vessel of the United States is sold in a foreign country, the master shall deliver to the consular officer a certified crew list and the agreement required by this part. The master shall pay each seaman the wages due the seaman and provide the seaman with employment on board another vessel of the United States bound for the port of original engagement of the seaman or to another port agreed on. If employment cannot be provided, the master shall—

(1) provide the seaman with the means to return to the port of original engagement;

(2) provide the seaman passage to the port of original engagement; or

(3) deposit with the consular officer an amount of money considered sufficient by the officer to provide the seaman with maintenance and passage home.

(b) The consular officer shall endorse on the agreement the particulars of the payment, provision, or deposit made under this section.

(c) An owner of a vessel is liable to the United States Government for a civil penalty of $500 if the master does not comply with this section.

§ 11106. Wages on justifiable complaint of seamen

(a) Before a seaman on a vessel of the United States is discharged in a foreign country by a consular officer on the seaman's complaint that the agreement required by this part has been breached because the vessel is badly provisioned or unseaworthy, or against the officers for cruel treatment, the officer shall inquire about the complaint. If satisfied of the justice of the complaint, the consular
officer shall require the master to pay the wages due the seaman plus one month's additional wages and shall discharge the seaman. The master shall provide the seaman with employment on another vessel or provide the seaman with passage on another vessel to the port of original engagement, to the most convenient port of the United States, or to some port agreeable to the seaman.

(b) When a vessel does not have sufficient provisions for the intended voyage, and the seaman has been forced to accept a reduced ration or provisions that are bad in quality or unfit for use, the seaman is entitled to recover from the master or owner an allowance, as additional wages, that the court hearing the case considers reasonable.

(c) Subsection (b) of this section does not apply when the reduction in rations was for a period during which the seaman willfully and without sufficient cause failed to perform duties or was lawfully under confinement on board or on shore for misconduct, unless that reduction can be shown to have been unreasonable.

(d) Subsection (b) of this section does not apply to a fishing or whaling vessel or a yacht.

§ 11107. Unlawful engagements void

An engagement of a seaman contrary to a law of the United States is void. A seaman so engaged may leave the service of the vessel at any time and is entitled to recover the highest rate of wages at the port from which the seaman was engaged or the amount agreed to be given the seaman at the time of engagement, whichever is higher.

§ 11108. Taxes

Wages due or accruing to a master or seaman on a vessel in the foreign, coastwise, intercoastal, interstate, or noncontiguous trade or a fisherman employed on a fishing vessel may not be withheld under the tax laws of a State or a political subdivision of a State. However, this section does not prohibit withholding wages of a seaman on a vessel in the coastwise trade between ports in the same State if the withholding is under a voluntary agreement between the seaman and the employer of the seaman.

§ 11109. Attachment of wages

(a) Wages due or accruing to a master or seaman are not subject to attachment or arrestment from any court, except for an order of a court about the payment by a master or seaman of any part of the master's or seaman's wages for the support and maintenance of the spouse or minor children of the master or seaman, or both. A payment of wages to a master or seaman is valid, notwithstanding any prior sale or assignment of wages or any attachment, encumbrance, or arrestment of the wages.

(b) An assignment or sale of wages or salvage made before the payment of wages does not bind the party making it, except allotments authorized by section 10315 of this title.

(c) This section applies to a fisherman on a fishing vessel.

§ 11110. Seamen's clothing

The clothing of a seaman is exempt from attachments and liens. A person detaining a seaman's clothing shall be fined not more than $500, imprisoned for not more than 6 months, or both.
§ 11111. Limit on amount recoverable on voyage

When a seaman is on a voyage on which a written agreement is required under this part, not more than $1 is recoverable from the seaman by a person for a debt incurred by the seaman during the voyage for which the seaman is signed on until the voyage is ended.

CHAPTER 113—OFFICIAL LOGBOOKS

§ 11301. Logbook and entry requirements

(a) A vessel of the United States on a voyage between a port in the United States and a port in a foreign country, and a vessel of the United States of at least 75 gross tons on a voyage between a port of the United States on the Atlantic Ocean and a port of the United States on the Pacific Ocean, shall have an official logbook.

(b) The master of the vessel shall make or have made in the official logbook the following entries:

(1) each legal conviction of a seaman of the vessel and the punishment inflicted.

(2) each offense committed by a seaman of the vessel for which it is intended to prosecute or to enforce under a forfeiture, together with statements about reading the entry and the reply made to the charge as required by section 11502 of this title.

(3) each offense for which punishment is inflicted on board and the punishment inflicted.

(4) a statement of the conduct, character, and qualifications of each seaman of the vessel or a statement that the master declines to give an opinion about that conduct, character, and qualifications.

(5) each illness of or injury to a seaman of the vessel, the nature of the illness or injury, and the medical treatment.

(6) each death on board, with the cause of death, and if a seaman, the information required by section 10702 of this title.

(7) each birth on board, with the sex of the infant and name of the parents.

(8) each marriage on board, with the names and ages of the parties.

(9) the name of each seaman who ceases to be a crewmember (except by death), with the place, time, manner, and the cause why the seaman ceased to be a crewmember.

(10) the wages due to a seaman who dies during the voyage and the gross amount of all deductions to be made from the wages.

(11) the sale of the property of a seaman who dies during the voyage, including a statement of each article sold and the amount received for the property.

(12) when a marine casualty occurs, a statement about the casualty and the circumstances under which it occurred, made immediately after the casualty when practicable to do so.

The court shall deposit in the Treasury as miscellaneous receipts the proceeds of the sale and any money and wages transferred to the court.

§ 12302. Standard numbering system

(a) The Secretary shall prescribe by regulation a standard numbering system for vessels to which this chapter applies. On application by a State, the Secretary shall approve a State numbering system that is consistent with the standard numbering system. In carrying out its numbering system, a State shall adopt any definitions of relevant terms prescribed by regulations of the Secretary.

The certificate of number for a vessel less than 26 feet in length and leased or rented to another for the latter's noncommercial operation of less than 7 days may be retained on shore by the vessel's owner or representative at the place from which the vessel departs or returns to the possession of the owner or the owner's representative. A vessel that does not have the certificate of number on board shall be identified when in operation, and comply with requirements, as the issuing authority prescribes.

(b) The owner of a vessel numbered under this chapter shall provide—

(1) the issuing authority notice of the transfer of any part of the owner's interest in the vessel or of the destruction or abandonment of the vessel, within a reasonable time after the transfer, destruction, or abandonment; and

(2) notice of a change of address within a reasonable time of the change, as prescribed by regulation.

§ 12305. Displaying numbers

A person may request from an authority issuing a number under this chapter the numbering and registration information of a vessel that is retrievable from vessel numbering system records of the issuing authority. When the issuing authority is satisfied that the request is reasonable and related to a boating safety purpose, the information shall be provided on paying the cost of retrieving and providing the information requested.

§ 12309. Penalties

(a) A person willfully violating this chapter or a regulation prescribed under this chapter shall be fined not more than $5,000, imprisoned for not more than one year, or both.

(c) When a civil penalty of not more than $200 has been assessed under this chapter, the Secretary may refer the matter of collection of the penalty directly to the United States magistrate of the jurisdiction in which the person liable may be found for collection procedures under supervision of the district court and under an order issued by the court delegating this authority under section 636(b) of title 28.

PART I—STATE BOATING SAFETY PROGRAMS

(a) To encourage greater State participation and uniformity in boating safety and facility improvement efforts, and particularly to permit the States to assume the greater share of boating safety education, assistance, and enforcement activities, the Secretary shall carry out a national recreational boating safety and facilities improvement program. Under this program, the Secretary may make contracts with, and allocate and distribute amounts to, eligible States to assist them in developing, carrying out, and financing State recreational boating safety and facilities improvement programs.

(b) The Secretary shall establish guidelines and standards for the program. In doing so, the Secretary—

(1) shall consider, among other things, factors affecting recreational boating safety by contributing to overcrowding and congestion of waterways, such as the increasing number of

Contracts.

Guidelines and standards.
recreational vessels operating on those waterways and their geographic distribution, the availability and geographic distribution of recreational boating facilities in and among applying States, and State marine casualty and fatality statistics for recreational vessels;

(2) shall consult with the Secretary of the Interior to minimize duplication with the purposes and expenditures of the Land and Water Conservation Fund Act of 1965 (16 U.S.C. 4601-4–4601-11) and with the guidelines developed under that Act; and

(3) shall maintain environmental standards consistent with the Coastal Zone Management Act of 1972 (16 U.S.C. 1451-1464) and other laws and policies of the United States intended to safeguard the ecological and esthetic quality of the waters and wetlands of the United States.

(c) A State whose recreational boating safety and facilities improvement program has been approved by the Secretary is eligible for allocation and distribution of amounts under this chapter to assist that State in developing, carrying out, and financing its program. Matching amounts shall be allocated and distributed among eligible States by the Secretary as provided by section 13103 of this title.

§ 13102. Program acceptance

(a) The Secretary may make a contract with, and allocate and distribute amounts from the Fund established under section 13107 of this title to, a State that has an approved State recreational boating safety and facilities improvement program, if the State demonstrates to the Secretary's satisfaction that—

(1) the program submitted by that State is consistent with this chapter and chapters 61 and 123 of this title;

(2) amounts distributed will be used to develop and carry out a State recreational boating safety and facilities improvement program containing the minimum requirements of subsection (c), (d), or (f) of this section;

(3) sufficient State matching amounts are available from general revenue, undocumented vessel numbering and license fees, State marine fuels taxes, or from a fund constituted from the proceeds of those taxes and established to finance a State recreational boating safety and facilities improvement program; and

(4) the program submitted by that State designates a State lead authority or agency that will carry out or coordinate carrying the State recreational boating safety and facilities improvement program supported by financial assistance of the United States Government in that State, including the requirement that the designated State authority or agency submit required reports that are necessary and reasonable to carry out properly and efficiently the program and that are in the form prescribed by the Secretary.

(b) Amounts of the Government from sources (except sources referred to in subsection (a)(3) of this section) may not be used to provide a State's share of the costs of the program described under this section. State matching amounts committed to a program under this chapter may not be used to constitute the State's share of matching amounts required by another program of the Government.

(c) The Secretary shall approve a State recreational boating safety program, and the program is eligible to receive amounts authorized
to be expended under section 13106 of this title, if the program includes—

(1) a vessel numbering system approved or carried out by the Secretary under chapter 123 of this title;
(2) a cooperative boating safety assistance program with the Coast Guard in that State;
(3) sufficient patrol and other activity to ensure adequate enforcement of applicable State boating safety laws and regulations;
(4) an adequate State boating safety education program; and
(5) a system, approved by the Secretary, for reporting marine casualties required under section 6102 of this title.

(d) The Secretary shall approve a State recreational boating facilities improvement program, and the program is eligible to receive amounts authorized to be expended under section 13106 of this title, if the program includes—

(1) a complete description of recreational boating facility improvement projects to be undertaken by the State; and

(e) The Secretary's approval under this section is a contractual obligation of the Government for the payment of the proportional share of the cost of carrying out the program.

(f) (1) A State may submit a combined program to the Secretary for the improvement of recreational boating safety and the improvement of recreational boating facilities in that State. The Secretary shall approve the program if it contains the minimum requirements set forth in subsections (c) and (d) of this section.

(3) One-third shall be allocated so that the amount allocated each fiscal year to each eligible State will be in the same ratio as the amount of State amounts expended or obligated by the State for the State recreational boating safety program during the prior fiscal year bears to the total State amounts expended or obligated during that fiscal year by all eligible States for State recreational boating safety programs.

(b) The Secretary shall allocate the amounts available for allocation and distribution under this chapter for State recreational boating facilities improvement programs as follows:

(1) One-third shall be allocated equally each fiscal year among eligible States.

(c) The amount received by a State under this section in a fiscal year may be not more than one-half of the total cost incurred by that State in developing, carrying out, and financing that State's recreational boating safety and facilities improvement program in that fiscal year.

(d) An allocation or distribution of amounts under this section may not be made to a State to maintain boating facilities under that State's approved recreational boating safety and facilities improvement program.

(e) The Secretary may allocate not more than 5 percent of the amounts available for allocation and distribution in a fiscal year for national boating safety activities of national nonprofit public service organizations.

(f) The Secretary may expend from the amounts available for allocation and distribution in a fiscal year those amounts necessary to carry out this chapter. However, the amounts expended in a fiscal year to carry out this chapter may be not more than $250,000 or 2 percent of the amounts available for allocation and distribution in that fiscal year, whichever is greater.

§ 13104. Availability of allocations

(a) Amounts allocated to a State shall be available for obligation by that State for a period of 3 years after the date of allocation. (b) The Secretary shall decide an issue arising out of the computation made under subsection (a) of this section.

§ 13106. Authorization of contract spending

(a) To provide financial assistance for State recreational boating safety and facilities improvement programs, the Secretary may expend, subject to amounts provided in appropriations laws for liquidating contract authority, an amount equal to the revenues accruing each fiscal year from the taxes under section 4041(b) of the Internal Revenue Code of 1954 (26 U.S.C. 4041(b)) from special motor fuels used as fuel in motor boats and under section 4081 of that Code (26 U.S.C. 4081) from gasoline used as fuel in motor boats.

(b) Of the amounts available for allocation and distribution for recreational boating safety and facilities improvement programs, one-third shall be allocated for recreational boating safety programs and two-thirds shall be allocated for recreational boating facilities improvement programs.

(c) Amounts authorized to be expended for State recreational boating safety and facilities improvement programs remain available until expended and are deemed to have been expended only if an amount equal to the total amounts authorized to be expended under this section for the fiscal year in question and all prior fiscal years have been obligated. Amounts previously obligated but released by payment of a final voucher or modification of a program acceptance shall be credited to the balance of unobligated funds and shall be immediately available for expenditure.

§ 13107. National Recreational Boating Safety and Facilities Improvement Fund

There is established in the Treasury a separate fund known as the National Recreational Boating Safety and Facilities Improvement Fund consisting of amounts paid into it as provided in section 209(f)(5) of the Highway Revenue Act of 1956. Amounts in the Fund are available for making expenditures as provided in section 13106 of this title.

(a) Amounts allocated and distributed under section 13103 of this title shall be computed and paid to the States as follows:

(1) During the last quarter of a fiscal year and on the basis of computations made under section 13105 of this title and submit-
ted by the States, the Secretary shall determine the percentage of the amounts available for the next fiscal year to which each eligible State is entitled.

(2) Notice of the percentage and of the dollar amount, if it can be determined, for each State shall be provided to the States at the earliest practicable time.

(3) If the Secretary determines that an amount made available to a State for a prior fiscal year is greater or less than the amount that should have been made available to the State for the prior fiscal year, because of later or more accurate State expenditure information, the amount for the current fiscal year may be increased or decreased by the appropriate amount.

(b) The Secretary shall schedule the payment of amounts, consistent with the program purposes and applicable regulations prescribed by the Secretary of the Treasury, to minimize the time elapsing between the transfer of amounts from the Treasury and the subsequent disbursement of the amounts by a State.

(c) The Secretary shall notify a State authority or agency that further payments will be made to the State only when the program complies with the prescribed standards or a failure to comply substantially with standards is corrected if the Secretary, after reasonable notice to the designated State authority or agency, finds that—

(1) the State recreational boating safety and facilities improvement program submitted by the State and accepted by the Secretary has been so changed that it no longer complies with this chapter or standards prescribed by regulations; or

(2) in carrying out the State recreational boating safety and facilities improvement program, there has been a failure to comply substantially with the standards prescribed by regulations.

(d) The Secretary shall provide for the accounting, budgeting, and other fiscal procedures that are necessary and reasonable to carry out this section properly and efficiently. (A) State officials responsible for State boating safety programs;

(B) recreational vessel manufacturers; and

(C) boating organizations and members of the general public.

(2) Additional individuals from the sources referred to in paragraph (1) of this subsection may be appointed to panels of the Council to assist the Council in performing its duties.

(3) At least once a year, the Secretary shall publish a notice in the Federal Register soliciting nominations for membership on the Council.

EXTENSION OF PILOT DEPARTMENT OF DEFENSE EDUCATIONAL ASSISTANCE LOAN REPAYMENT PROGRAM

TITLE XI—NATO AND RELATED MATTERS

NORTH ATLANTIC DEFENSE COOPERATIVE PROGRAMS

Sec. 1101. In order to fulfill the international obligations incurred by the United States under the North Atlantic Treaty Organization’s Long-Term Defense Program for the rapid reinforcement of Europe, and recognizing that such action is in the national interest of the United States, the Secretary of Defense shall carry out commitments of the United States under the United States-German Wartime Host Nation Support Agreement of April 15, 1982, and under the Prepositioned Materiel Configured in Unit Sets (POMCUS) program by the earliest practicable date. The Secretary of Defense shall include in his annual report to the Congress a statement describing the status of implementation of such agreement and program, including his assessment of whether our allies are bearing their equitable share under such agreement and program and whether the implementation of such agreement and program adversely affects the readiness of the reserve components of the Armed Forces of the United States.
SEC. 1102. (a) In recognition of the increasing military threat faced by the Western World and in view of the growth, relative to the United States, in the economic strength of Japan, Canada, and a number of Western European countries which has occurred since the signing of the North Atlantic Treaty on April 4, 1949, and the Mutual Cooperation and Security treaty between Japan and the United States on January 19, 1960, it is the sense of the Congress that—

(1) the burdens of mutual defense now assumed by some of the countries allied with the United States under those agreements are not commensurate with their economic resources;

(2) since May 1978, when each NATO member nation agreed to increase real defense spending annually in the range of 3 percent, most NATO members, except for the United States, have failed to meet the 3 percent real growth commitment consistently and performance toward this goal in 1983 is estimated to be the most deficient, on average, since the goal was established;

(3) since May 1981, when the Government of Japan established its policy to defend the air and sea lines of communication out to 1,000 nautical miles from the coast of Japan, progress to develop the necessary self-defense capabilities to fulfill that pledge has been extremely disappointing;

(4) Japan is the ally of the United States with the greatest potential for improving its self-defense capabilities and should, therefore, rapidly increase its annual defense spending to the levels required to fulfill that pledge and to enable Japan to be capable of an effective conventional self-defense capability by 1990, including the capability to carry out its 1,000-mile defense policy, a development that would be consonant not only with Japan's current prominent position in the family of nations but also with its unique sensibilities on the issues of war and peace, sensibilities that are recognized and respected by the people of the United States; and

(5) the continued unwillingness of such countries to increase their contributions to the common defense to more appropriate levels will endanger the vitality, effectiveness, and cohesiveness of the alliances between those countries and the United States.

(b) It is further the sense of the Congress that the President should seek from each signatory country (other than the United States) of the two treaties referred to in subsection (a) acceptance of international security responsibilities and an agreement to make contributions to the common defense which are commensurate with the economic resources of such country, including, when appropriate, an increase in host nation support.

(c)(1) The Secretary of Defense shall submit to the Congress not later than March 1, 1984, a classified report containing—

(A) a comparison of the fair and equitable shares of the mutual defense burdens of these alliances that should be borne by the United States, by other member nations of the North Atlantic Treaty Organization (NATO), and by Japan, based upon economic strength and other relevant factors, and the actual defense efforts of each nation together with an explanation of disparities that currently exist and their impact on mutual defense efforts;
(B) a description of efforts by the United States and of other efforts to eliminate existing disparities;
(C) estimates of the real growth in defense spending in fiscal year 1983 projected for each NATO member nation compared with the annual real growth goal in the range of 3 percent set in May 1978;
(D) a description of the defense-related initiatives undertaken by each NATO member nation within the real growth in defense spending of such nation in fiscal year 1984;
(E) an explanation of those instances in which the commitments to real growth in defense spending have not been realized and a description of efforts being made by the United States to ensure fulfillment of these important NATO commitments;
(F) a description of the activities of each NATO member and Japan to enhance the security and stability of the Southwest Asia region and to assume additional missions for their own defense as the United States allocates additional resources to the mission of protecting Western interests in world areas not covered by the system of Western Alliances; and
(G) a description of what additional actions the executive branch plans to take should the efforts by the United States referred to in clauses (B) and (E) fail, and, in those instances where such additional actions do not include consideration of the repositioning of American troops, a detailed explanation as to why such repositioning is not being so considered.

(2) The Secretary of Defense shall also submit to the Congress not more than 30 days after the submission of the report required under paragraph (1) an unclassified report containing the matters set forth in clauses (A) through (G) of such paragraph.

LIMITATION ON NUMBER OF MILITARY PERSONNEL STATIONED IN EUROPE

Sec. 1103. (a) Except as provided in subsections (b) and (c), none of the funds authorized to be appropriated by this or any other Act may be used for the purpose of supporting an end-strength level, as of September 30, 1984, of members of the Armed Forces of the United States assigned to permanent duty ashore in European member nations of the North Atlantic Treaty Organization (NATO) at any level in excess of 315,600.
(b) A number of United States military personnel in excess of 315,600, but not in excess of 320,000, may be permanently assigned to duty ashore in such European nations as of September 30, 1984, if—

(1) the Secretary of Defense determines and certifies to the Congress in writing that on September 30, 1984, the total number of military personnel of NATO member nations, other than the United States, stationed in the Federal Republic of Germany will not be less than the total number of military personnel of such member nations stationed in that country on the date of the enactment of this Act;
(2) the Secretary of Defense certifies to the Congress in writing that on or after June 1, 1984, that the budget for the Department of Defense for fiscal year 1985 and the Five-Year Defense Plan of the Department of Defense for fiscal years 1985 through 1989 give significant priority to programs directly intended to im-
prove NATO’s conventional capabilities, particularly its capability for deep interdiction;

(3) the Department of Defense has conducted a thorough and detailed analysis of the United States force and support structure in Europe which the Secretary of Defense submits to Congress on or after June 1, 1984, with his certification in writing that a number of United States military personnel in excess of 315,600 is required to meet the United States commitment to NATO; and

(4) the studies required by sections 1104 through 1107 have been conducted and the reports and recommendations resulting from such studies have been submitted to the Congress.

(c) A number of United States military personnel in excess of 315,600 or in excess of 320,000 may be assigned to permanent duty ashore in European member nations of NATO as of September 30, 1984, without the conditions specified in subsection (b) having been met if the President (1) determines and certifies to the Congress in writing that overriding national security interests require a number of such personnel to be assigned to permanent duty ashore in such nations in excess of 315,600 or 320,000, as the case may be, and (2) includes in the certification the total number of such personnel required and an explanation of the overriding national security interests that require such number of personnel.

(d) In computing the limitation specified in subsections (a) and (b), there may be excluded not more than 2,600 military personnel assigned to the Ground Launched Cruise Missile program and the Pershing II Missile program.

REPORT ON IMPROVEMENT OF CONVENTIONAL FORCES OF NATO

Sec. 1104. (a) At the same time the President submits the budget for fiscal year 1985 pursuant to section 1105 of title 31, United States Code, but not later than May 1, 1984, the Secretary of Defense shall submit to the Committees on Armed Services of the Senate and House of Representatives a comprehensive report and plan for improving conventional defense capabilities of the North Atlantic Treaty Organization (NATO). The Secretary shall include in such report—

(1) his recommendations on how NATO’s strategy and military program could and should be changed to improve substantially the chances of a successful conventional defense of Europe;

(2) a statement and explanation of what the aggregate NATO conventional defense requirements are;

(3) a current assessment and statement of the status of the Air-Land Battle concept within the Department of Defense and NATO;

(4) an explanation of how and to what extent the various doctrines of NATO military forces are coordinated, and how variations in doctrine can be rectified or exploited to NATO’s advantage;

(5) his judgment on the most effective means by which NATO military forces can be operationally integrated to implement the Air-Land Battle concept;

(6) the United States programs which are necessary to support improved NATO conventional capabilities, the changes which are needed, and what the fiscal year 1985 budget and
Five-Year Defense Plan of the Department of Defense for fiscal years 1985 through 1989 provide for with respect to NATO conventional capabilities;

(7) the United States conventional programs and weapons that are provided for in the fiscal year 1985 budget and Five-Year Defense Plan of the Department of Defense for fiscal years 1985 through 1989 to enhance the disruption and destruction of Soviet follow-on echelons as well as fixed-site military targets;

(8) the new weapons or systems which are available for such purpose that are not in the current budget or Five-Year Defense Plan of the Department of Defense;

(9) a determination of what are the achievable NATO-wide improvements in conventional defense capacity; and

(10) a separate addendum and assessment by the Supreme Allied Commander, Europe, on measures necessary to improve NATO conventional defense capabilities, including a recommended plan for such measures.

(b) The President shall submit to the Congress not later than June 1, 1984, his recommendations and plan for improving NATO conventional defense capabilities.

REPORT ON THE NUCLEAR POSTURE OF NATO

SEC. 1105. (a) The Secretary of Defense shall conduct a study on the tactical nuclear posture of the North Atlantic Treaty Organization (NATO) and submit a report on the results of such study to the Committees on Armed Services of the Senate and the House of Representatives not later than May 1, 1984. Such study shall include—

(1) a detailed assessment of the current tactical nuclear balance in Europe and that projected for 1990;

(2) an assessment of the current, respective operational doctrines for the use of tactical nuclear weapons in Europe of the Warsaw Pact and NATO;

(3) an explanation of how the threat of the use of such weapons relates to deterrence and to conventional defense;

(4) an identification of the number and types of nuclear warheads, if any, considered to be inessential to the defense structure of Western Europe, the quantity and type of such weapons that could be eliminated from Europe under appropriate circumstances without jeopardizing the security of NATO nations and an assessment of what such circumstances might be;

(5) an explanation of the steps that can be taken to develop a rational and coordinated nuclear posture by NATO in a manner that is consistent with proper emphasis on conventional defense forces; and

(6) an identification of any notable, relevant developments that have occurred since the submission to the Congress in April 1975 of the report entitled "The Theater Nuclear Force Posture in Europe", prepared by the Secretary of Defense pursuant to section 302 of the Department of Defense Appropriation Authorization Act, 1975 (Public Law 93-365), which might cause the findings and conclusions of that report to require revision and such revisions in such report as the Secretary considers appropriate.
(b) The President shall submit a written report to the Congress on or before June 1, 1984, containing his views on the Department of Defense study and report required under subsection (a) together with such recommendations with respect to such study and report as he considers appropriate.

REPORT ON COMBAT-TO-SUPPORT RATIO OF UNITED STATES FORCES IN EUROPE IN SUPPORT OF NATO

SEC. 1106. (a) The Secretary of Defense shall submit a report to the Committees on Armed Services of the Senate and House of Representatives not later than May 1, 1984, on the combat, combat support, combat service support, and noncombat components of the Armed Forces of the United States assigned to permanent duty in Europe in support of the North Atlantic Treaty Organization (NATO). The Secretary shall include in such report—

(1) an analysis of the historical (since 1974), current, and projected combat, combat support, combat service support, and noncombat components of the Armed Forces of the United States assigned to permanent duty in Europe in support of NATO and their relationship to each other;

(2) a review of the requirements for such combat, combat support, combat service support, and noncombat components; and

(3) his assessment of the current balance among units of United States combat components, combat support components, and combat service support components forward deployed in Europe and his recommendations for any changes needed to improve that balance in the future.

(b) For the purposes of the report required by subsection (a)—

(1) the combat component of the Army includes only the infantry, cavalry, artillery, armored, combat engineers, special forces, attack assault helicopter units, air defense, and missile combat units of battalion or smaller size;

(2) the combat component of the Navy includes only the combatant ships (aircraft carrier, battleship, cruiser, destroyer, frigate, submarine, and amphibious assault ships) and combat aircraft wings (fighter, attack, reconnaissance, and patrol); and

(3) the combat component of the Air Force includes only the tactical fighter, reconnaissance, tactical airlift, fighter interceptor, and bomber units of wing or smaller size.

REPORT ON UNITED STATES EXPENDITURES IN SUPPORT OF NATO

SEC. 1107. (a) The Secretary of Defense shall review and analyze the fiscal year 1983 expenditures of the Department of Defense in fulfilling the United States commitment to the North Atlantic Treaty Organization (NATO) and the expenditures projected for such purpose for each of the fiscal years 1984 through 1989.

(b)(1) The Secretary of Defense shall submit a detailed written report to the Congress not later than June 1, 1984, on the review and analysis required under subsection (a). The Secretary of Defense shall also include in such report similar separate breakouts for all classes of United States forces reflected in the data submitted to the Committee on Armed Services of the Senate and printed in part 1, pages 61–68, of that Committee's hearings on Department of Defense Authorization For Appropriations For Fiscal Year 1982.

(3) The Secretary of Defense shall also include in such report the estimated percentage growth in each of the five categories specified in paragraph (1) of subsection (b), after allowing for inflation, from one year to the next for the fiscal years 1983 through 1989. TITLE XII—GENERAL PROVISIONS

PART A—FINANCIAL MATTERS

TRANSFER AUTHORITY

Sec. 1201. (a)(1) Upon determination by the Secretary of Defense that such action is necessary in the national interest, the Secretary may transfer amounts of authorizations made available to the Department of Defense in this Act between any such authorizations (or any subdivisions thereof). Amounts of authorizations so transferred shall be merged with and be available for the same purposes as the authorization to which transferred.

(2) The total amount of authorizations that the Secretary of Defense may transfer under the authority of this section may not exceed $1,500,000,000.

(b) The authority provided by this section to transfer authorizations—

(c) The Secretary of Defense shall promptly notify Congress of transfers made under the authority of this section.

(d) Transfers between paragraphs of a subsection of section 301 may be made without regard to the requirements of this section.

"§ 2401. Requirement for authorization by law of certain contracts relating to vessels and aircraft

"(a)(1) The Secretary of a military department may make a contract for the lease of a vessel or aircraft or for the provision of a service through use by a contractor of a vessel or aircraft only as provided in subsection (b) if—

"(A) the contract will be a long-term lease or charter; or

"(B) the terms of the contract provide for a substantial termination liability on the part of the United States.

"(2) The Secretary of a military department may make a contract that is an agreement to lease or charter or an agreement to provide services and that is (or will be) accompanied by a contract for the actual lease, charter, or provision of services only as provided in subsection (b) if the contract for the actual lease, charter, or provision of services is (or will be) a contract described in paragraph (1).

"(b)(1) The Secretary may make a contract described in subsection (a)(1) if—

"(A) the Secretary has been specifically authorized by law to make the contract;

"(B) before a solicitation for proposals for the contract was issued the Secretary notified the Committees on Armed Services and on Appropriations of the Senate and House of Representatives of the Secretary's intention to issue such a solicitation; and

"(C) the Secretary has notified the Committees on Armed Services and on Appropriations of the Senate and House of Representatives of the proposed contract and provided a detailed description of the terms of the proposed contract and a justification for entering into the proposed contract rather than providing for the lease, charter, or services involved through purchase of the vessel or aircraft to be used under the contract, and a period of 30 days of continuous session of Congress has expired following the date on which notice was received by such committees.

"(2) For purposes of paragraph (1)(C), the continuity of a session of Congress is broken only by an adjournment of the Congress sine die, and the days on which either House is not in session because of an adjournment of more than three days to a day certain are excluded in a computation of such 30-day period.

"(c) Funds may not be appropriated for any fiscal year to or for any armed force or obligated or expended for—

"(1) the long-term lease or charter of any aircraft or naval vessel; or

"(2) for the lease or charter of any aircraft or naval vessel the terms of which provide for a substantial termination liability on the part of the United States, unless funds for that purpose have been specifically authorized by law.

"(d)(1)(A) In this section, the term 'long-term lease or charter' (except as provided in subparagraph (B)) means a lease, charter, service contract, or conditional sale agreement—

"(i) the term of which is for a period of five years or longer or more than one-half the useful life of the vessel or aircraft; or

10 USC 2401.
"(ii) the initial term of which is for a period of less than five years but which contains an option to renew or extend the agreement for a period which, when added to the initial term (or any previous renewal or extension), is five years or longer. Such term includes the extension or renewal of a lease or charter agreement if the term of the extension or renewal thereof is for a period of five years or longer or if the term of the lease or charter agreement being extended or renewed was for a period of five years or longer.

"(B) In the case of an agreement under which the lessor first places the property in service under the agreement or the property has been in service for less than one year and there is allowable to the lessor or charterer an investment tax credit or depreciation for the property leased, chartered, or otherwise provided under the agreement under section 168 of the Internal Revenue Code of 1954 (unless the lessor or charterer has elected depreciation on a straight-line method for such property), the term 'long-term lease or charter' means a lease, charter, service contract, or conditional sale agreement—

"(i) the term of which is for a period of three years or longer; or

"(ii) the initial term of which is for a period of less than three years but which contains an option to renew or extend the agreement for a period which, when added to the initial term (or any previous renewal or extension), is three years or longer. "(2) For the purposes of this section, the United States shall be considered to have a substantial termination liability under a contract—

"(A) if there is an agreement by the United States under the contract to pay an amount not less than the amount equal to 25 percent of the value of the vessel or aircraft under lease or charter, calculated on the basis of the present value of the termination liability of the United States under such charter or lease (as determined under regulations prescribed by the Secretary of Defense); or

"(B) if (as determined under regulations prescribed by the Secretary of Defense) the sum of—

"(i) the present value of the amount of the termination liability of the United States under the contract as of the end of the term of the contract (exclusive of any option to extend the contract); and

"(ii) the present value of the total of the payments to be made by the United States under the contract (excluding any option to extend the contract) attributable to capital-hire,

is more than one-half the price of the vessel or aircraft involved.

"(e)(1) Whenever a request is submitted to Congress for the authorization of the long-term lease or charter of aircraft or naval vessels or for the authorization of a lease or charter of aircraft or naval vessels which provides for a substantial termination liability on the part of the United States, the Secretary of Defense shall submit with that request an analysis of the cost to the United States
(including lost tax revenues) of any such lease or charter arrange-
ment compared with the cost to the United States of direct procure-
ment of the aircraft or naval vessels by the United States.

"(2) Any such analysis shall be reviewed and evaluated by the
Director of the Office of Management and Budget and the Secretary
of the Treasury within 30 days after the date on which the request
and analysis are submitted to Congress. The Director and Secretary
shall conduct such review and evaluation on the basis of the guide-
lines issued pursuant to subsection (f) and shall report to Congress
in writing on the results of their review and evaluation at the
earliest practicable date, but in no event more than 45 days
after the date on which the request and analysis are submitted to
the Congress.

"(3) Whenever a request is submitted to Congress for the authori-
ization of funds for the Department of Defense for the long-term
lease or charter of aircraft or naval vessels authorized under this
section, the Secretary of Defense—

"(A) shall indicate in the request what portion of the
requested funds is attributable to capital-hire; and

"(B) shall reflect such portion in the appropriate procurement
account in the request.

"(f) The Director of the Office of Management and Budget and the
Secretary of the Treasury shall jointly issue guidelines for determin-
ing under what circumstances the Department of Defense may use
lease or charter arrangements for aircraft and naval vessels rather
than directly procuring such aircraft and vessels. Such guidelines
shall be issued not later than 90 days after the date of enactment of
this section.”.

(2) The table of sections at the beginning of such chapter is
amended by adding at the end thereof the following new item:

"2401. Requirement for authorization by law of certain contracts relating to vessels
and aircraft.”.

(3) Section 2401 of title 10, United States Code, as added by
paragraph (1), shall not apply in the case of any lease or charter
agreement entered into by the Department of Defense before De-
cember 1, 1983.

(b) Funds appropriated pursuant to an authorization contained in
this Act may not be used to indemnify any person under the terms
of a contract entered into with the United States under section 2401
of title 10, United States Code (as added by subsection (a))—

(1) for any amount paid or due by any person to the United
States for any liability arising under the Internal Revenue Code
of 1954; or

(2) to pay any attorneys’ fees in connection with such
contract.

(c)(1) At the same time that the President submits the budget
request for the Department of Defense to Congress for fiscal year
1985, the Secretary of Defense shall submit a written report to the
Committees on Armed Services and on Appropriations of the Senate
and House of Representatives concerning leases or charters de-
scribed in paragraph (2).

(2) Such report shall include a list of all leases, charters, service
contracts, or conditional sales, the term of which is for a period of 1
year or longer, for major items of defense equipment (including
aircraft and naval vessels) which are to be funded either directly or
indirectly by any portion of the funds contained in such budget

The Secretary shall include in such report the following:

(1) An analysis of the extent of overcharging on spare parts and shortages of spare parts.

(2) The status of efforts (if any) to ensure that procurement method codes (PMCs) used to denote the method of procurement for spare parts are accurately and appropriately applied.

(3) With respect to technical data required by a contract to be delivered to the Department of Defense, the status of efforts (if any) to identify and obtain such data that are missing and to identify and correct such data that are inaccurate or incomplete.

(4) The status of efforts to enhance the Department of Defense High-Dollar Spare Parts Breakout Program.

(2) Parts should be acquired through Federal Supply Schedules and the Department of Defense supply system.

(3) Parts should be acquired in economic order quantities and on a multiyear basis whenever feasible and practicable.

(4) On all major system acquisitions, contractors should be required to identify in their contract proposals the cost to the Government of acquiring unlimited rights in technical data and the extent to which the contractor uses standard commercial products in order to allow the Government to assess the desirability of acquiring those unlimited rights and to enable the Government to assess properly the total lifecycle cost of the system.

(5) Contractors should be required to identify the manufacturer of a part and the manufacturer's part number.

(6) Consideration should be given early in the acquisition process to determinations of whether acquisition of unlimited rights in technical data is desirable, taking into consideration that the cost of acquiring reprocurement data may in some instances outweigh the benefits to be derived from such acquisition.

(7) When unlimited data rights in technical data are acquired from a contractor, the contractor should be required to provide to
the Government data necessary to incorporate changes in design or technology.

(8) Before ordering any spare part, the contracting officer should review the acquisition history of that part.

system) have been designed and functionally integrated and the system has been validated;

(3) contractors for the full-scale engineering development of such a missile system have been selected and contracts have been awarded to those contractors; and

(4) full-scale engineering development of such a missile system has begun.

(c)(1) Not later than January 15 of each year from 1984 through 1988, the Secretary of Defense shall submit to the Committees on Armed Services of the Senate and House of Representatives a report—

(A) on the progress being made with respect to the development and deployment of the MX missile system;

(C) on developments related to silo-hardening technology.

(2) In each report under paragraph (1), the Secretary shall certify whether the Department of Defense is developing a small mobile intercontinental ballistic missile system with a missile that weighs no more than 33,000 pounds and that is planned to carry no more than a single warhead.

(d) If at any time during the development of the small mobile intercontinental ballistic missile it appears that the weight of the missile when deployed will exceed 30,000 pounds, the Secretary of Defense shall submit a report to Congress stating the projected weight of the missile and providing an explanation of the reasons for the weight exceeding 30,000 pounds and the anticipated effects that weight could have on the mobility and blast resistance of the missile system.

(e) The President shall submit to the Committees on Armed Services of the Senate and the House of Representatives, coincident with the submission to the Congress of any request made after the date of the enactment of this Act for funds for the procurement of operational MX missiles intended for deployment, a written assessment relating to the requirement for and the anticipated impact of the procurement of such missiles. This assessment shall include the President's judgment with respect to—

(B) the expected impact the procurement of such missiles will have on the stability of the strategic balance between the United States and the Soviet Union; and

(C) the effect the procurement of such missiles, if approved by the Congress, will likely have on achieving negotiated reductions in the nuclear forces of the United States and the Soviet Union through sound, equitable, and verifiable arms control agreements.

SMALL, MOBILE, SINGLE WARHEAD ICBMS

Sec. 1232. It is the sense of the Congress that the design, development, and testing of small, mobile, single warhead intercontinental ballistic missiles (ICBMs) be pursued as a matter of the highest national priority. To achieve this objective, the administration should proceed without delay to engineering design of a small, single
warhead ICBM capable of mobile deployment. Key elements of such a program which should be pursued immediately include missile design, guidance accuracy, hardened mobile transporter design, mobile basing and survivable Communication, Command and Control (C³). Program emphasis should be consistent with past top national priorities such as Polaris, Minuteman, and Apollo, and program management structure should also reflect such priority. The Department of Defense should set forth funding and production schedules consistent with the earliest possible Initial Operational Capability (IOC), at or prior to 1992, in its submission to Congress to authorize appropriations for fiscal year 1985.

PART D—MISCELLANEOUS

ENDORSEMENT OF REPORT ON IMPROVED STRATEGIC COMMUNICATIONS

SEC. 1251. (a) The Congress finds that the report to the Congress by the Secretary of Defense entitled “Direct Communications Links and Other Measures to Enhance Stability”, dated April 11, 1983, and submitted to the Congress pursuant to section 1123 of the Department of Defense Authorization Act, 1983 (Public Law 97–252; 96 Stat. 756), contains several significant proposals that if implemented would, taken together, make significant progress toward eliminating the danger of accident or misinterpretation leading to nuclear war. Among the proposals in that report that Congress specifically finds constructive are proposals—

(1) to enhance the speed and quality of communications between the Governments of the United States and the Soviet Union;

(2) to establish a communications link between the senior military commands of the United States and the Soviet Union; and

(3) to develop a system of prior notification between the United States and the Soviet Union of missile launches and military exercises by either nation that could be misinterpreted by the other and therefore be destabilizing.

(b) The Congress—

(1) endorses the findings in the report described in subsection (a) and urges the President and the Secretary of Defense to implement as rapidly as possible the proposals made in that report;

(2) suggests that, when practicable and not harmful to the national security of the United States, the United States should unilaterally implement confidence-building measures (such as prior notification of missile launches and military exercises) on a temporary, voluntary basis and should invite the Soviet Union to join in implementing those measures; and

(3) endorses proposals that the United States, through its arms control negotiators, should seek a separate, limited agreement with the Soviet Union on confidence-building measures, such as those recommended in the report described in subsection (a), designed to reduce the danger of accident or misinterpretation leading to nuclear war.
SEC. 1252. (a) The Secretary of Defense, in consultation with the Secretary of Health and Human Services, shall conduct demonstration projects for the purpose of comparing and evaluating the cost-effectiveness, accessibility, patient acceptance, and the quality of medical care contracted for by the Secretary of Defense under sections 1079 and 1086 of title 10, United States Code, with the medical care provided in those facilities deemed to be facilities of the uniformed services by virtue of section 911 of the Military Construction Authorization Act, 1982 (42 U.S.C. 248c). The Secretary of Defense shall begin conducting such projects within one year after the date of the enactment of this section and continue conducting such projects for not less than three years.

(b) The projects carried out by the Secretary of Defense under this subsection shall utilize various alternative mechanisms for the payment of medical services provided eligible persons, including capitation, prospective payment, all-inclusive fee-for-service charges, and other concepts and programs consistent with the purpose of this section.

(c) If the Secretary of Defense and the Secretary of Health and Human Services determine such action is necessary in order to permit a meaningful evaluation of alternative methods of providing medical care to persons eligible for such care under sections 1079 and 1086 of title 10, United States Code, they may jointly designate additional civilian medical facilities to be facilities of the uniformed services for the purposes of section 1079 of such title. The Secretary may designate a facility under the authority of this subsection for such purposes only if such action is agreed to by the governing body of the facility.

(d) The Secretary of Defense, in consultation with the Secretary of Health and Human Services, shall submit annually to the Committees on Appropriations and on Armed Services of the Senate and the House of Representatives a written report on the results of the studies and projects carried out under this section. The first such report shall be submitted not later than one year after the date of the enactment of this section. The last such report shall be submitted not later than one year after the completion of all such studies and projects.

(e) The Secretary of Defense and the Secretary of Health and Human Services may terminate, for purposes of chapter 55 of title 10, United States Code, the status of any facility referred to in subsection (a) or (c) to furnish medical or dental care to members and former members of the uniformed services or their dependents, and such termination may become effective at any time after December 31, 1987. The termination of such status in the case of any such facility may be effected only by an order jointly issued by the Secretary of Defense and the Secretary of Health and Human Services which identifies the facility whose status is being terminated and specifies the date on which such status is being terminated. A copy of each such order shall be furnished to the affected facility and the Committees on Appropriations and on Armed Services of the Senate and the House of Representatives and shall become effective in accordance with the terms of the notice, but not earlier than six months following the date on which a copy of the notice has been furnished to the facility and the committees. Any facility described in subsection (a) or designated under subsection (c)
may terminate its status or designation made under that subsection at any time after the expiration of six months following the date on which a copy of the order terminating the status or designation has been furnished the facility.

(f) Section 911(b) of the Military Construction Authorization Act, 1982 (42 U.S.C. 248c(b)), is amended by striking out "at any time after" and all that follows through the end of the second sentence and inserting in lieu thereof: "as provided for in section 1252(e) of the Department of Defense Authorization Act, 1984.".

   tion which is exempt from taxation and is maintained for the
   purpose of generating income for the support of the institution,
   but which shall not include real estate.
   "(B) The term 'endowment fund corpus' means an amount
   equal to the grant or grants awarded under this section plus an
   amount equal to such grant or grants provided by the
   institution.
   "(C) The term 'endowment fund income' means an amount
   equal to the total value of the endowment fund established
   under this section minus the endowment fund corpus.

"(b)(1) From sums available for this section under section 347, the
Secretary is authorized to award endowment grants to eligible

ment fund at such institution. Such grants shall be made only to
eligible institutions described in paragraph (4) whose applications
have been approved pursuant to subsection (g).

"(2) No institution shall receive a grant under this section, unless
such institution has deposited in its endowment fund established
under this section an amount equal to the amount of such grant.
The source of funds for this institutional match shall not include
Federal funds or funds from an existing endowment fund.

"(3)(A) The period of a grant under this section shall be not more
than twenty years.
   "(B) During the grant period, an institution may not withdraw or
   expend any of the endowment fund corpus.
   "(C) After the termination of the grant period, an institution may
   use the endowment fund corpus plus any endowment fund income
   for any educational purpose.
"(4)(A) An institution of higher education is eligible to receive a grant under this section if it is an eligible institution as described in section 331(a)(1).

"(B) No institution shall be ineligible for an endowment grant for a fiscal year by reason of the previous receipt of such a grant, but no institution shall be eligible to receive such a grant for more than two fiscal years out of any period of five consecutive fiscal years.

"(5) An endowment grant under this section to an eligible institution year shall—

"(A) not be less than $50,000 for any fiscal year; and

"(B) not be more than (i) $250,000 for fiscal year 1984; or (ii) $500,000 for fiscal year 1985 or any succeeding fiscal year.

"(6)(A) An eligible institution may designate a foundation, which was established for the purpose of raising money for the institution, as the recipient of the grant awarded under this section.

"(B) The Secretary shall not award a grant to a foundation on behalf of an institution unless—

"(i) the institution assures the Secretary that the foundation is legally authorized to receive the endowment fund corpus and is legally authorized to administer the fund in accordance with this section and any implementing regulations;

"(ii) the foundation agrees to administer the fund in accordance with the requirements of this section and any implementing regulation; and

"(iii) the institution agrees to be liable for any violation by the foundation of the provisions of this section and any implementing regulations, including any monetary liability that may arise as a result of such violation.

"(c)(1) An institution awarded a grant under this section shall enter into an agreement with the Secretary containing satisfactory assurances that it will (A) immediately comply with the matching requirements of subsection (b)(2), (B) establish an endowment fund independent of any other such fund of the institution, (C) invest the endowment fund corpus, and (D) meet the other requirements of this section.

"(2)(A) An institution shall invest the endowment fund corpus and endowment fund income in low-risk securities in which a regulated insurance company may invest under the law of the State in which the institution is located such as a federally insured bank savings account or comparable interest bearing account, certificate of deposit, money market fund, mutual fund, or obligations of the United States.

"(B) The institution, in investing the endowment fund established under this section, shall exercise the judgment and care, under the circumstances then prevailing, which a person of prudence, discretion, and intelligence would exercise in the management of his own affairs.

"(3)(A) An institution may withdraw and expend the endowment fund income to defray any expenses necessary to the operation of such college, including expenses of operations and maintenance, administration, academic and support personnel, construction and renovation, community and student services programs, and technical assistance.

"(B)(i) Except as provided in clause (ii), an institution may not spend more than 50 per centum of the total aggregate endowment fund income earned prior to the time of expenditure.
“(ii) The Secretary may permit an institution to spend more than 50 per centum of the endowment fund income notwithstanding clause (i) if the institution demonstrates such an expenditure is necessary because of (I) a financial emergency, such as a pending insolvency or temporary liquidity problem; (II) a life-threatening situation occasioned by a natural disaster or arson; or (III) another unusual occurrence or exigent circumstance.

“(d)(1) If at any time an institution withdraws part of the endowment fund corpus, it shall repay to the Secretary an amount equal to 50 per centum of the withdrawn amount, which represents the Federal share, plus income earned thereon. The Secretary may use such repaid funds to make additional endowment grants, or to increase existing endowment grants, to other eligible institutions.

“(2) If an institution expends more of the endowment fund income than is permitted under subsection (c), the grantee shall repay the Secretary an amount equal to 50 per centum of the amount improperly expended (representing the Federal share thereof). The Secretary may use such repaid fund to make additional endowment grants, or to increase existing endowment grants, to other eligible institutions.

“(e) An institution receiving a grant under this section shall provide to the Secretary (or his designee) such information (or access thereto) as may be necessary to audit or examine expenditures made from the endowment fund corpus or income in order to determine compliance with this section.

“(f) In selecting eligible institutions for grants under this section for any fiscal year, the Secretary shall—

“(1) give priority to an applicant which is a recipient of a grant made under part A or B of this title during the academic year in which the applicant is applying for a grant under this section; and

“(2) give priority to an applicant with a greater need for such a grant, based on the current market value of the applicant’s existing endowment in relation to the number of full-time equivalent students enrolled at such institution;

“(3) consider—

“(A) the effort made by the applicant to build or maintain its existing endowment fund; and

“(B) the degree to which an applicant proposes to match the grant with nongovernmental funds.

“(g) Any institution which is eligible for assistance under this section may submit to the Secretary a grant application at such time, in such form, and containing such information as the Secretary may prescribe. Subject to the availability of appropriations to carry out this section and consistent with the requirement of subsection (f), the Secretary may approve an application for a grant if an institution, in its application, provides adequate assurances that it will comply with the requirements of this section.

“(h)(1) After notice and an opportunity for a hearing, the Secretary may terminate and recover a grant awarded under this section if the grantee institution—

“(A) expends portions of the endowment fund corpus or expends more than the permissible amount of the endowment funds income as prescribed in subsection (c)(3);

“(B) fails to invest the endowment fund in accordance with the investment standards set forth in subsection (c)(2); or
"(C) fails to properly account to the Secretary concerning the investment and expenditures of the endowment funds.

(2) If the Secretary terminates a grant under paragraph (1), the grantee shall return to the Secretary an amount equal to the sum of the original grant or grants under this section plus income earned thereon. The Secretary may use such repaid funds to make additional endowment grants, or to increase existing endowment grants, to other eligible institutions.”

Sec. 3. Section 347 of the Act is amended—

(1) by inserting after the period at the end of subsection (a)(2) the following: “Of the amount appropriated for such part for fiscal year 1984, 20 per centum shall be available for grants under section 333 of such part, and of the amount appropriated for such part for fiscal year 1985, 100 per centum shall be available for grants under such section”; and

(2) by adding at the end thereof the following new subsection:

“(f) For each fiscal year, the Secretary may reserve from the appropriation for part B not more than an amount equal to the aggregate amount grantees receiving grants under part B would contribute under section 324 to the cost of the grants in that fiscal year, assuming the grant amounts remain the same as those received in the prior fiscal year, and may use those funds to award grants to eligible institutions under section 333. In reserving and awarding such funds, the Secretary shall assure that funds that would have been reserved under part B for the institutions described in subsection (c) or (e) shall continue to be set aside under section 333 for those institutions.”

Sec. 4. (a) Section 516(c) of the Omnibus Education Reconciliation Act of 1981 is amended by striking out paragraph (1) and inserting in lieu thereof the following:

“(1) The total amount of appropriations to carry out title III of the Higher Education Act of 1965 shall not exceed $134,416,000 for fiscal year 1984.”

(b) Section 503 of such Act is amended by striking out “1982, 1983, and 1984” and inserting in lieu thereof “1982 and 1983 and $159,700,000 for fiscal year 1984”.

Designating the week beginning September 25, 1983, as "National Adult Day Care Center Week".

Whereas there are nearly eight hundred adult day care centers nationwide, some of which serve adults starting at age eighteen and others which serve primarily senior citizens, providing a safe and positive environment to partially disabled individuals in need of daytime assistance and supervision;
Whereas adult day care centers provide necessary health maintenance functions and medical care, including medication monitoring, therapies, and health education, and are operated by professional staffs who identify the need for additional health services and make appropriate referrals;
Whereas adult day care centers provide opportunities for social interactions to otherwise isolated individuals and assist them in attaining and maintaining a maximum level of independence; and
Whereas these centers offer relief to families who otherwise must care for disabled elderly persons on a twenty-four-hour-per-day basis: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week beginning September 25, 1983, is designated "National Adult Day Care Center Week". Joint Resolution

Condemning the Soviet criminal destruction of the Korean civilian airliner.

Whereas the United States joins with the world community in expressing its outrage over the actions of the Soviet Government on August 31, 1983, which caused the destruction of Korean Air Lines flight 7 with the loss of two hundred and sixty-nine innocent lives;

Whereas on August 31, 1983, Korean Air Lines flight 7 inadvertently entered Soviet airspace;

Whereas Soviet authorities tracked Korean Air Lines flight 7 for more than two hours, but did not adhere to all the internationally recognized procedures necessary to warn the aircraft that it was off course and to protect its passengers;

Whereas a Soviet Air Force fighter fired air-to-air missiles at Korean Air Lines flight 7 and destroyed the unarmed, clearly marked civilian airliner with two hundred and sixty-nine innocent men, women, and children from fourteen nations aboard, including sixty-one of our fellow citizens;

Whereas among the victims was a distinguished Member of Congress, the Honorable Larry P. McDonald;

Whereas the highest levels of the Soviet Government have lied in an attempt to justify this unconscionable act and have continued to deny access to the area where the airplane went down;

Whereas the Soviet Government has publicly proclaimed its intention to repeat its murderous act if another airliner wanders inadvertently into Soviet airspace; and

Whereas this cold-blooded barbarous attack on a commercial airliner straying off course is one of the most infamous and reprehensible acts in history: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the United States hereby—

(1) condemns the Soviet crime of destroying Korean Air Lines flight 7 and murdering the two hundred and sixty-nine innocent people onboard;

(2) calls for a full and frank explanation from the Soviet Union for this brutal massacre;

(3) extends its deepest sympathies to the families who lost loved ones, and supports their rights to obtain reparations from the Soviet Union;

(4) calls on the Soviet Union to assist international efforts to recover the remains of the victims;

(5) calls for an international investigation by the International Civil Aviation Organization into this heinous incident;

(6) declares its intention to work with the international community in demanding that the Soviet Union modify its air defense procedures and practices to assure the safe passage of commercial airliners;
(7) finds that this tragic incident, and the Soviet Government's refusal to acknowledge responsibility for its wanton conduct, will make it more difficult for the United States and other nations to accept the Soviet Union as a responsible member of the international community; and

(8) urges our allies and other nations to cooperate with the United States in continuing to demand that the Soviet Government unequivocally apologize for its actions, fully compensate the families of the innocent victims, and agree to abide by internationally recognized and established procedures which are purposefully designed to prevent the occurrence of such tragedies.

Joint Resolution

Designating November 1983 as “National Alzheimer’s Disease Month”.

Whereas more than one million five hundred thousand Americans are affected by Alzheimer’s disease which is a surprisingly common disorder that destroys certain vital cells of the brain;
Whereas Alzheimer’s disease is the fourth leading cause of death among older Americans;
Whereas Alzheimer’s disease is responsible for 50 per centum of all nursing home admissions, at an anticipated annual cost of almost $20,000,000,000;
Whereas in one-third of all American families one parent will succumb to this disease;
Whereas Alzheimer’s disease is not a normal consequence of aging; and
Whereas an increase in the national awareness of the problem of Alzheimer’s disease may stimulate the interest and concern of the American people, which may lead, in turn, to increased research and eventually to the discovery of a cure for Alzheimer’s disease:

Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That November 1983 is designated “National Alzheimer’s Disease Month”. The President is requested to issue a proclamation calling upon the people of the United States to observe that month with appropriate ceremonies and activities.

Approved September 30, 1983.
Joint Resolution

To designate the week of December 11, 1983, through December 17, 1983, as "National Drunk and Drugged Driving Awareness Week":

Whereas traffic accidents result in more violent deaths in the United States than any other cause, over forty-four thousand in 1982;
Whereas traffic accidents cause thousands of serious injuries in the United States each year;
Whereas more than 65 per centum of drivers killed in single vehicle collisions and over 50 per centum of all drivers fatally injured have blood alcohol concentrations above the legal limit;
Whereas the Surgeon General has reported that life expectancy has risen for every age group over the past seventy-five years except for those fifteen to twenty-four years old, whose death rate, the leading cause of which is drunk driving, is higher now than it was twenty years ago;
Whereas the total societal cost of drunk driving has been estimated at over $24,000,000,000 per year, which does not include the human suffering that can never be measured;
Whereas there are increasing reports of driving after drug use and accidents involving drivers who have used marihuana or other illegal drugs;
Whereas driving after the use of therapeutic drugs, either alone or in combination with alcohol, contrary to the advice of physician, pharmacist, or manufacturer, may create a safety hazard on the roads;
Whereas more research is needed on the effect of drugs either alone or in combination with alcohol, on driving ability and the incidence of traffic accidents;
Whereas an increased public awareness of the gravity of the problem of drugged driving may warn drug users to refrain from driving and may stimulate interest in increasing necessary research on the effect of drugs on driving ability and the incidence of traffic accidents;
Whereas the public, particularly through the work of citizens groups, is demanding a solution to the problem of drunk and drugged driving;
Whereas the President has appointed a Commission on Drunk Driving to heighten public awareness and stimulate the pursuit of solutions, and this Commission has provided vital recommendations for remedies for the problem of drunk driving in an interim report in December 1982;
Whereas many States have appointed task forces to examine existing drunk driving programs and make recommendations for a renewed, comprehensive approach, and in many cases their recommendations are leading to enactment of new laws, along with stricter enforcement;
Whereas the best defense against the drunk or drugged driver is the use of safety belts and greater safety belt usage would increase the number of survivors of traffic accidents;

Whereas an increase in the public awareness of the problem of drunk and drugged driving may contribute to a change in society's attitude toward the drunk or drugged driver and help to sustain current efforts to develop comprehensive solutions at the State and local levels;

Whereas the Christmas and New Year holiday period, with more drivers on the roads and an increased number of social functions, is a particularly appropriate time to focus national attention on this critical problem;

Whereas designation of the week of December 12, 1982, through December 18, 1982, as National Drunk and Drugged Driving Awareness Week stimulated many activities and programs by groups in both the private and public sectors aimed at curbing drunk and drugged driving in the high-risk Christmas and New Year holiday period and thereafter;

Whereas the number of traffic fatalities over the three-day New Year holiday in 1982 was the lowest since 1949, with 282 deaths as compared to 338 deaths for the same period in 1981;

Whereas the activities and programs during National Drunk and Drugged Driving Awareness Week in 1982 heightened the awareness of the American public to the danger of drunk and drugged driving and contributed to the decrease in traffic fatalities: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week of December 11, 1983, through December 17, 1983, is designated as “National Drunk and Drugged Driving Awareness Week” and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe that week with appropriate activities.

An Act

To amend the District of Columbia Retirement Reform Act.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 145 of the District of Columbia Retirement Reform Act, approved November 17, 1979 (93 Stat. 866, 882-884), is amended to read as follows:

"(a)(1) After January 1, and before March 1, of each year beginning with calendar year 1984 and ending with calendar year 2004, the enrolled actuary engaged pursuant to section 142 shall, with respect to the District of Columbia Police Officers and Fire Fighters' Retirement Fund—

"(A) determine, in accordance with paragraph (2) of this subsection, the disability retirement rate for the preceding calendar year; and

"(B) determine if such disability retirement rate for such preceding calendar year is greater than eight-tenths of a percentage point.

"(2) For the purposes of clause (A) of paragraph (1) of this subsection, the disability retirement rate for the applicable calendar year shall be an amount equal to a fraction, the numerator of which is the number of officers and members of the Metropolitan Police Force and the Fire Department of the District of Columbia who first became officers or members on or before February 14, 1980, and who retired on disability during such applicable year under subsection (f)(1) or (g)(1) of section 12 of the Policemen and Firemen's Retirement and Disability Act (but such numerator shall not include any such officer or member whose retirement is ordered by a court of competent jurisdiction), and the denominator of which is the total number of such officers and members who were on active duty on January 1 of such applicable calendar year.

"(3) The enrolled actuary shall report the determinations (including related documents and information) made under paragraph (1) of this subsection to the Board and to the Comptroller General of the United States not later than March 1 of each year.

"(b)(1) The Board and the Comptroller General shall each transmit a copy of each such report by the enrolled actuary under subsection (a) to the Speaker of the House of Representatives, the President pro tempore of the Senate, the chairman of the Committee on Governmental Affairs of the Senate, the chairman of the Committee on the District of Columbia of the House of Representatives, the chairman of the Committee on Appropriations of the Senate, the chairman of the Committee on Appropriations of the House of Representatives, the Mayor of the District of Columbia, and the Council of the District of Columbia, not later than March 31 of the calendar year in which the report is made, and each shall submit comments on such report.

"(2) The Comptroller General shall include in his comments on each such report transmitted under paragraph (1) of this subsection

a statement as to whether or not the determinations made by the enrolled actuary fairly present, in all material respects, the requirements of subsection (a) of this section.

“(3) With respect to each applicable fiscal year, the Comptroller General shall make a determination, as provided for under subsection (c)(1) of this section of the amount, if any, by which the authorization under section 144(a)(1) should be reduced. The results of such determination, together with such other data, information, and comments as the Comptroller General may deem necessary to enable the Congress, and the appropriate committees thereof, to carry out the provisions of subsection (c) of this section, shall be included as a part of his report under paragraph (1) of this subsection.

“(c)(1) Notwithstanding any other provision of this Act, with respect to the fiscal year commencing October 1, 1984, and each fiscal year thereafter through the fiscal year commencing October 1, 2004, the authorization under section 144(a)(1) for each such fiscal year shall be deemed, for purposes of such section, to be reduced in the amount hereafter provided, if the report, submitted by the Comptroller General pursuant to subsection (b) of this section in the calendar year in which such fiscal year commences, states that the disability retirement rate under subsection (a) of this section for the preceding calendar year is greater than eight-tenths of a percentage point. The amount of such reduction shall be 1 1/2 per centum for each whole tenth of a percentage point by which the disability retirement rate is greater than eight-tenths of a percentage point.

“(2) There shall be no reduction pursuant to section 144(a)(1) and paragraph (1) of this subsection for any such fiscal year, if, in computing the disability retirement rate under subsection (a) of this section for the calendar year preceding the calendar year in which such fiscal year commences, the numerator is less than eight.

“(3)(A) If the Board determines, on the basis of substantial facts, that unordinary circumstances or events of catastrophic magnitude, such as a fire or civil disorder, caused or significantly contributed to the number of disability retirements under subsection (g)(1) of section 12 of the Policemen and Firemen's Retirement and Disability Act during a calendar year covered by the report submitted by the Comptroller General pursuant to subsection (b) of this section, it shall submit a detailed statement on such circumstances and events to the Federal Emergency Management Agency and the Comptroller General. Such statement shall be submitted on or before July 1 of the calendar year next following the calendar year covered by such report of the Comptroller General. The statement shall contain, among other matters, data on the total number of disability retirements under subsections (f)(1) and (g)(1) of section 12 of such Act for the applicable calendar year, the number of such retirements under subsection (g)(1) of such Act which, in the opinion of the Board, were caused or significantly contributed to by such circumstances or events, and an explanation as to why the Board considers such events or circumstances to be unordinary and of a catastrophic magnitude.

“(B) The Federal Emergency Management Agency shall review the Board's report and provide the Board its assessment within sixty days of receipt of the Board's report, of the scope, nature, involvement, and impact on District of Columbia police officers and firefighters of the events determined by the Board to be of unordinary...
and of a catastrophic nature. The Agency shall submit copies of its assessment to the Comptroller General, the Board, and the offices and officers set forth in subsection (b) of this section.

“(C)(1) The Comptroller General, on the basis of such reports from the Board and the Federal Emergency Management Agency, shall determine the extent to which such disability retirements which such Agency determined were caused or contributed to by such events and circumstances, caused a reduction in the amount appropriated to the Fund as provided under subsection (c) of this section. The Comptroller General shall report the amount of such reduction so caused to the Board and to the offices and officers set forth in subsection (b)(1) of this section. Such reports shall be submitted on or before December 31 of the calendar year in which he receives such report of the Federal Emergency Management Agency.

“(2) In addition to the amount authorized to be appropriated to the Fund for any fiscal year under section 144(a)(1), there is authorized to be appropriated for the fiscal year commencing October 1, 1984, and each fiscal year thereafter, such sum as may be necessary to pay to the Fund an amount equal to the amount of any reduction, plus interest lost to the Fund because of the reduction, for a fiscal year as reported by the Comptroller General to the offices and officers of the Congress pursuant to paragraph (1) of this subsection, but in no case shall any moneys be appropriated on the basis of the authorization pursuant to this paragraph except to the extent that any such reduction was actually made.”

Sec. 2. The amendment made by this Act shall be considered as having taken effect as of January 1, 1983.

Approved September 30, 1983.

Joint Resolution

Commemorating the Twenty-fifth Anniversary of the National Aeronautics and Space Administration.

Whereas the United States embarked on an urgent national effort to enter the space age which was inaugurated by adoption of the National Aeronautics and Space Act of 1958, whereby the National Aeronautics and Space Administration was created on October 1, 1958;

Whereas, on October 11, 1958, NASA launched into Earth-orbit its first automated satellite, Pioneer 1;

Whereas the first United States citizen was launched into suborbital space aboard his “Freedom 7” Mercury capsule on May 5, 1961;

Whereas, on February 20, 1962, the first United States citizen was launched into Earth-orbit aboard his “Friendship 7” Mercury capsule;

Whereas, subsequently, literally dozens of astronauts have been launched into Earth-orbit to perform useful work and research for periods lasting as long as three months at a time;

Whereas, on July 20, 1969, the Apollo 11 lunar module, “Eagle”, carried the first manned expedition to the surface of the Moon and, subsequently, five additional two-man crews would explore the lunar front side for science;

Whereas hundreds of unmanned satellites have scientifically explored near-Earth space, have mapped our planet’s resources, charted its weather and provided a technical base from which commercial exploitation of space has become a reality;

Whereas two-thirds of the planets in the solar system have been explored and observed in detail by increasingly complex generations of interplanetary craft;

Whereas the birth of the first reusable space transportation system was realized on April 12, 1981, with the successful launch, orbital operation and ground landing of the space shuttle Columbia;

Whereas, drawing upon its NACA heritage, the agency has continued to push forward the horizons of aeronautical research and development;

Whereas cooperative space projects with other nations of the World have greatly enhanced relations, communications, and understanding among the inhabitants of “Spaceship Earth”;

Whereas, for twenty-five years, NASA has vigorously pursued the charter set forth by Congress—to realize the potential, practical benefits to be gained from aeronautical and space research and development—which has placed the United States in a preeminent position worldwide to utilize this technology; and

Whereas the twenty-fifth Anniversary of the birth of NASA provides an opportunity to recognize the enormous achievements by that agency in aeronautics and space research and development, and in related fields of science and technology; Now, therefore, be it
Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the day October 1, 1983, is hereby designated the "Twenty-fifth Anniversary of the National Aeronautics and Space Administration", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

Approved October 1, 1983.

Joint Resolution

To authorize and request the President to designate October 16, 1983, as "World Food Day".

Whereas hunger and chronic malnutrition remain daily facts of life for hundreds of millions of people throughout the world;
Whereas the children of the world are those who are suffering the most serious effects of hunger and malnutrition, with millions of children dying each year from hunger-related illness and disease, and many others suffering permanent physical or mental impairment, including blindness, because of vitamin and protein deficiencies;
Whereas although progress has been made in reducing the incidence of hunger and malnutrition in the United States, certain groups, notably Native Americans, migrant workers, the elderly, and children, remain vulnerable to malnutrition and related diseases;
Whereas the danger posed by malnutrition and related diseases to these groups and to other people is intensified by unemployment and slow rates of economic growth;
Whereas national policies concerning food, farmland, and nutrition require continuing evaluation and should consider and strive for the well-being and protection of all residents of the United States and particularly those most at health risk;
Whereas there is widespread concern that the use and conservation of land and water resources required for food production throughout the United States ensure care for the national patrimony we bequeath to future generations;
Whereas the United States has always supported the principle that the health of a nation depends on a strong agricultural foundation based on private enterprise and the primacy of the independent family farm;
Whereas a major global food supply crisis appears likely to occur within the next twenty years unless the level of world food production is significantly increased, and the means for the distribution of food and of the resources required for its production are improved;
Whereas the United States, as the world's largest producer and trader of food, has a key role to play in efforts to assist nations and peoples to improve the ability to feed themselves;
Whereas the United States has a long tradition of demonstrating its humanitarian concern for helping the hungry and malnourished;
Whereas efforts to resolve the world hunger problem are critical to the security of the United States and the international community;
Whereas the Congress of the United States is acutely conscious of the paradox of immense farm surpluses and rising farm foreclosures in America despite the desperate need for food by hundreds of millions of people around the world;
Whereas a key recommendation of the 1980 report of the Presidential Commission on World Hunger was that efforts be undertaken to increase public awareness of the world hunger problem;

Whereas the member nations of the Food and Agriculture Organization of the United Nations designated October 16 of each year as World Food Day because of the need to alert the public to the increasingly dangerous world food situation;

Whereas past observances of World Food Day have been supported by proclamations of the fifty States, the District of Columbia, the Commonwealth of Puerto Rico, and other territories and possessions of the United States, by resolutions of Congress, by Presidential proclamations, by programs of the United States Department of Agriculture and other Government departments and agencies, and by the governments and peoples of many other nations; and

Whereas more than three hundred national private and voluntary organizations plan to participate in World Food Day observances this year: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That October 16, 1983, is designated “World Food Day”. The President is requested to issue a proclamation calling upon the people of the United States to observe that day with appropriate activities to explore ways in which our Nation can further contribute to the elimination of hunger in the world.

Approved October 3, 1983.

An Act

To provide for the broadcasting of accurate information to the people of Cuba, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Radio Broadcasting to Cuba Act".

FINDINGS; PURPOSES

Sec. 2. The Congress finds and declares—
(1) that it is the policy of the United States to support the right of the people of Cuba to seek, receive, and impart information and ideas through any media and regardless of frontiers, in accordance with article 19 of Universal Declaration of Human Rights;
(2) that, consonant with this policy, radio broadcasting to Cuba may be effective in furthering the open communication of accurate information and ideas to the people of Cuba, in particular information about Cuba;
(3) that such broadcasting to Cuba, operated in a manner not inconsistent with the broad foreign policy of the United States and in accordance with high professional standards, would be in the national interest; and
(4) that the Voice of America already broadcasts to Cuba information that represents America, not any single segment of American society, and includes a balanced and comprehensive projection of significant American thought and institutions but that there is a need for broadcasts to Cuba which provide news, commentary and other information about events in Cuba and elsewhere to promote the cause of freedom in Cuba.

ADDITIONAL FUNCTIONS OF THE UNITED STATES INFORMATION AGENCY

Sec. 3. (a) In order to carry out the objectives set forth in section 2, the United States Information Agency (hereafter in this Act referred to as the "Agency") shall provide for the open communication of information and ideas through the use of radio broadcasting to Cuba. Radio broadcasting to Cuba shall serve as a consistently reliable and authoritative source of accurate, objective, and comprehensive news.
(b) Radio broadcasting in accordance with subsection (a) shall be part of the Voice of America radio broadcasting to Cuba and shall be in accordance with all Voice of America standards to ensure the broadcast of programs which are objective, accurate, balanced, and which present a variety of views.
(c) Radio broadcasting to Cuba authorized by this Act shall utilize the broadcasting facilities located at Marathon, Florida, and the 1180 AM frequency that were used by the Voice of America prior to the date of enactment of this Act. Other frequencies, not on the
commercial Amplitude Modulation (AM) Band (535 kHz to 1605 kHz), may also be simultaneously utilized: Provided, That no frequency shall be used for radio broadcasts to Cuba in accordance with this Act which is not also used for all other Voice of America broadcasts to Cuba. Time leased from nongovernmental shortwave radio stations may be used to carry all or part of the Service programs and to rebroadcast Service programs: Provided, That not less than 30 per centum of the programs broadcast or rebroadcast shall be regular Voice of America broadcasts with particular emphasis on news and programs meeting the requirements of section 503(2) of Public Law 80-402.

(d) Notwithstanding subsection (c), in the event that broadcasts to Cuba on the 1180 AM frequency are subject to jamming or interference greater by 25 per centum or more than the average daily jamming or interference in the twelve months preceding September 1, 1983, the Director of the United States Information Agency may lease time on commercial or noncommercial educational AM band radio broadcasting stations. The Federal Communications Commission shall determine levels of jamming and interference by conducting regular monitoring of the 1180 AM frequency. In the event that more than two hours a day of time is leased, not less than 30 per centum of the programming broadcast shall be regular Voice of America broadcasts with particular emphasis on news and programs meeting the requirements of section 503(2) of Public Law 80-402.

(e) Any program of United States Government radio broadcasts to Cuba authorized by this section shall be designated “Voice of America: Cuba Service” or “Voice of America: Radio Marti program”.

(f) In the event broadcasting facilities located at Marathon, Florida, are rendered inoperable by natural disaster or by unlawful destruction, the Director of the United States Information Agency may, for the period in which the facilities are inoperable but not to exceed one hundred and fifty days, use other United States Government-owned transmission facilities for Voice of America broadcasts to Cuba authorized by this Act.

CUBA SERVICE OF THE VOICE OF AMERICA

Sec. 4. The Director of the United States Information Agency shall establish within the Voice of America a Cuba Service (hereafter in this section referred to as the “Service”). The ex officio member of the Board shall not be entitled to any compensation under this section, but may be allowed travel expenses as provided in the preceding sentence.

Sec. 7. (a) It is the intent of the Congress that the Secretary of State should seek prompt and full settlement of United States claims against the Government of Cuba arising from Cuban interference with broadcasting in the United States. Pending the settlement of these claims, it is appropriate to provide some interim assistance to the United States broadcasters who are adversely affected by Cuban radio interference and who seek to assert their right to measures to counteract the effects of such interference.

(b) Accordingly, the Agency may make payments to the United States radio broadcasting station licensees upon their application for expenses which they have incurred before, on, or after the date of this Act in mitigating, pursuant to special temporary authority from the Federal Communications Commission, the effects of activities by the Government of Cuba which directly interfere with the transmission or reception of broadcasts by these licensees. Such expenses shall be limited to the costs of equipment (replaced less depreciation) and associated technical and engineering costs.

(c) The Federal Communications Commission shall issue such regulations and establish such procedures for carrying out this section as the Federal Communications Commission finds appropriate. Such regulations shall be issued no later than one hundred and eighty days after enactment of this Act.

(e) Funds appropriated for implementation of this section shall be available for a period of no more than four years following the initial broadcast occurring as a result of programs described in this Act.

(f) It is the sense of the Congress that the President should establish a task force to analyze the level of interference from the operation of Cuban radio stations experienced by broadcasters in the United States and to seek a practical political and technical solution to this problem.

(g) This section shall enter into effect on October 1, 1984.

Sec. 8. (b) In addition to amounts otherwise authorized to be appropriated to the Agency for the fiscal years 1984 and 1985, there are authorized to be appropriated to the Agency $54,800,000 for the fiscal year 1984 and $54,800,000 for the fiscal year 1985, which amounts shall be available only for expenses incurred by essential modernization of the facilities and operations of the Voice of America.

(c) Amounts appropriated under this section are authorized to be made available until expended.

Sec. 9. The United States Information Agency shall arrange, by contract if necessary, an independent evaluation of Cuba Service programing, the results of which are to be set forth in a report to be prepared and transmitted to the Agency eighteen months after the date of enactment of this Act and at intervals of one year thereafter for the following three years. Housing units leased under this subsection shall be assigned, without rental charge, as family housing to members of the armed forces who are eligible for assignment to military family housing. A contract under this section shall include a provision that the obligation of the United States to make payments under the contract in any fiscal year is subject to the availability of appropriations for that purpose.

(2) Each contract under paragraph (1) shall be awarded through the use of publicly advertised, competitively bid or competitively

“(3) Each contract under this subsection shall require that housing units constructed pursuant to the contract shall be constructed to Department of Defense specifications.

“(4) A contract under this subsection may be for any period not in excess of 20 years (excluding the period required for construction of the housing facilities).

“(5) A contract under this subsection shall provide that, upon the termination of the lease period, the United States shall have the right of first refusal to acquire all right, title, and interest to the housing facilities constructed and leased under the contract.

“(6) A contract may not be entered into for the lease of housing facilities under this subsection until—

“(B) a period of 21 calendar days has expired following the date on which the economic analysis is received by those committees.

“(7) This subsection may be implemented only by a pilot program. In carrying out such pilot program—

“(A) the Secretary of each military department may not enter into more than two contracts under this subsection; and

(9) may only be entered into if existing military-controlled housing at all installations in the commuting area (except for a new installation or an installation for which there is projected a significant increase in the number of families due to an increase in the number of authorized personnel) has exceeded 97 percent use for a period of not less than 18 consecutive months immediately preceding the date on which the agreement is entered into, excluding units temporarily inactivated for major repair or improvements;
(10) shall provide for priority of occupancy for military families; and
(11) shall include a clause rendering the agreement null and void if, in the opinion of the Secretary of the military department concerned, the owner of the housing fails to maintain a satisfactory level of operation and maintenance.

(c) An agreement under subsection (a) shall be made through the use of publicly advertised, competitively bid or competitively negotiated procedures.

(d) An agreement may not be entered into under subsection (a) until—

The expenditure of any appropriation under this Act for any consulting service through procurement contract, pursuant to 5 U.S.C. 3109, shall be limited to those contracts where such expenditures are a matter of public record and available for public inspection, except where otherwise provided under existing law, or under existing Executive order issued pursuant to existing law.

SEC. 117. Notwithstanding any other provision of law, any funds appropriated to a military department or defense agency for the construction of military projects may be obligated for a military construction project or contract, or for any portion of such a project or contract, at any time before the end of the fourth fiscal year after the fiscal year for which funds for such project were appropriated if the funds obligated for such project (1) are obligated from funds available for military construction projects, and (2) do not exceed the amount appropriated for such projects, plus any amount by which the cost of such project is increased pursuant to law.

SEC. 118. None of the funds appropriated in this Act may be obligated or expended in any way for the express purpose of the sale, lease, or rental of any portion of land currently identified as Fort DeRussy, Honolulu, Hawaii.

Sec. 120. None of the funds appropriated in this Act for F-16 beddown projects at Misawa, Japan, may be obligated or expended unless there has been notification to the Committees on Appropriations that the approved Government of Japan budget for fiscal year 1984 includes projects associated with the F-16 beddown as an additive over the level of funding provided in Japanese fiscal year 1983 for the facilities improvement program.

Sec. 121. It is the sense of the Congress that the Administration should call on the pertinent member nations of the North Atlantic Treaty Organization and on Japan to meet or exceed their pledges for at least a 3 per centum real increase in defense spending and furtherance of increased unity, equitable sharing of our common defense burden, and international stability.

Sec. 122. (2) the government of such country has taken appropriate law enforcement measures to implement the plan presented to the Secretary of State.

(b) The provisions of subsection (a) shall not apply in the case of any country with respect to which the President determines that the application of the provisions of such subsection would be inconsistent with the national security interests of the United States.

Joint Resolution

Providing statutory authorization under the War Powers Resolution for continued United States participation in the multinational peacekeeping force in Lebanon in order to obtain withdrawal of all foreign forces from Lebanon.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,

SHORT TITLE

SECTION 1. This joint resolution may be cited as the "Multinational Force in Lebanon Resolution".

FINDINGS AND PURPOSE

Sec. 2. (a) The Congress finds that—
(1) the removal of all foreign forces from Lebanon is an essential United States foreign policy objective in the Middle East;
(2) in order to restore full control by the Government of Lebanon over its own territory, the United States is currently participating in the multinational peacekeeping force (hereafter in this resolution referred to as the "Multinational Force in Lebanon") which was established in accordance with the exchange of letters between the Governments of the United States and Lebanon dated September 25, 1982;
(3) the Multinational Force in Lebanon better enables the Government of Lebanon to establish its unity, independence, and territorial integrity;
(4) progress toward national political reconciliation in Lebanon is necessary; and
(5) United States Armed Forces participating in the Multinational Force in Lebanon are now in hostilities requiring authorization of their continued presence under the War Powers Resolution.

(b) The Congress determines that the requirements of section 4(a)(1) of the War Powers Resolution became operative on August 29, 1983. Consistent with section 5(b) of the War Powers Resolution, the purpose of this joint resolution is to authorize the continued participation of United States Armed Forces in the Multinational Force in Lebanon.

(c) The Congress intends this joint resolution to constitute the necessary specific statutory authorization under the War Powers Resolution for continued participation by United States Armed Forces in the Multinational Force in Lebanon.
AUTHORIZATION FOR CONTINUED PARTICIPATION OF UNITED STATES
ARMED FORCES IN THE MULTINATIONAL FORCE IN LEBANON

50 USC 1541
note.
50 USC 1544.

SEC. 3. The President is authorized, for purposes of section 5(b) of the War Powers Resolution, to continue participation by United States Armed Forces in the Multinational Force in Lebanon, subject to the provisions of section 6 of this joint resolution. Such participation shall be limited to performance of the functions, and shall be subject to the limitations, specified in the agreement establishing the Multinational Force in Lebanon as set forth in the exchange of letters between the Governments of the United States and Lebanon dated September 25, 1982, except that this shall not preclude such protective measures as may be necessary to ensure the safety of the Multinational Force in Lebanon.

REPORTS TO THE CONGRESS

50 USC 1541
note.
50 USC 1543.

SEC. 4. As required by section 4(c) of the War Powers Resolution, the President shall report periodically to the Congress with respect to the situation in Lebanon, but in no event shall he report less often than once every three months. In addition to providing the information required by that section on the status, scope, and duration of hostilities involving United States Armed Forces, such reports shall describe in detail—

(1) the activities being performed by the Multinational Force in Lebanon;
(2) the present composition of the Multinational Force in Lebanon, including a description of the responsibilities and deployment of the armed forces of each participating country;
(3) the results of efforts to reduce and eventually eliminate the Multinational Force in Lebanon;
(4) how continued United States participation in the Multinational Force in Lebanon is advancing United States foreign policy interests in the Middle East; and
(5) what progress has occurred toward national political reconciliation among all Lebanese groups.

STATEMENTS OF POLICY

50 USC 1541
note.

SEC. 5. (a) The Congress declares that the participation of the armed forces of other countries in the Multinational Force in Lebanon is essential to maintain the international character of the peacekeeping function in Lebanon.

(b) The Congress believes that it should continue to be the policy of the United States to promote continuing discussions with Israel, Syria, and Lebanon with the objective of bringing about the withdrawal of all foreign troops from Lebanon and establishing an environment which will permit the Lebanese Armed Forces to carry out their responsibilities in the Beirut area.

(c) It is the sense of the Congress that, not later than one year after the date of enactment of this joint resolution and at least once a year thereafter, the United States should discuss with the other members of the Security Council of the United Nations the establishment of a United Nations peacekeeping force to assume the responsibilities of the Multinational Force in Lebanon. An analysis of the implications of the response to such discussions for the continuation of the Multinational Force in Lebanon shall be
included in the reports required under paragraph (3) of section 4 of this resolution.

DURATION OF AUTHORIZATION FOR UNITED STATES PARTICIPATION IN THE MULTINATIONAL FORCE IN LEBANON

Sec. 6. The participation of United States Armed Forces in the Multinational Force in Lebanon shall be authorized for purposes of the War Powers Resolution until the end of the eighteen-month period beginning on the date of enactment of this resolution unless the Congress extends such authorization, except that such authorization shall terminate sooner upon the occurrence of any one of the following:

(1) the withdrawal of all foreign forces from Lebanon, unless the President determines and certifies to the Congress that continued United States Armed Forces participation in the Multinational Force in Lebanon is required after such withdrawal in order to accomplish the purposes specified in the September 25, 1982, exchange of letters providing for the establishment of the Multinational Force in Lebanon; or

(2) the assumption by the United Nations or the Government of Lebanon of the responsibilities of the Multinational Force in Lebanon; or

(3) the implementation of other effective security arrangements in the area; or

(4) the withdrawal of all other countries from participation in the Multinational Force in Lebanon.

INTERPRETATION OF THIS RESOLUTION

Sec. 7. (a) Nothing in this joint resolution shall preclude the President from withdrawing United States Armed Forces participation in the Multinational Force in Lebanon if circumstances warrant, and nothing in this joint resolution shall preclude the Congress by joint resolution from directing such a withdrawal.

(b) Nothing in this joint resolution modifies, limits, or supersedes any provision of the War Powers Resolution or the requirement of section 4(a) of the Lebanon Emergency Assistance Act of 1983, relating to congressional authorization for any substantial expansion in the number or role of United States Armed Forces in Lebanon.

CONGRESSIONAL PRIORITY PROCEDURES FOR AMENDMENTS

Sec. 8. (a) Any joint resolution or bill introduced to amend or repeal this Act shall be referred to the Committee on Foreign Affairs of the House of Representatives or the Committee on Foreign Relations of the Senate, as the case may be. Such joint resolution or bill shall be considered by such committee within fifteen calendar days and may be reported out, together with its recommendations, unless such House shall otherwise determine pursuant to its rules.

(b) Any joint resolution or bill so reported shall become the pending business of the House in question (in the case of the Senate the time for debate shall be equally divided between the proponents and the opponents) and shall be voted on within three calendar days.
thereafter, unless such House shall otherwise determine by the yeas and nays.

(c) Such a joint resolution or bill passed by one House shall be referred to the committee of the other House named in subsection (a) and shall be reported out by such committee together with its recommendations within fifteen calendar days and shall thereupon become the pending business of such House and shall be voted upon within three calendar days, unless such House shall otherwise determine by the yeas and nays.

(d) In the case of any disagreement between the two Houses of Congress with respect to a joint resolution or bill passed by both Houses, conferees shall be promptly appointed and the committee of conference shall make and file a report with respect to such joint resolution within six calendar days after the legislation is referred to the committee of conference. Notwithstanding any rule in either House concerning the printing of conference reports in the Record or concerning any delay in the consideration of such reports, such report shall be acted on by both Houses not later than six calendar days after the conference report is filed. In the event the conferees are unable to agree within forty-eight hours, they shall report back to their respective Houses in disagreement.

PREFERENCE FOR FIRMS HAVING EMPLOYEE STOCK OWNERSHIP PLANS

19 USC 2341.

Employee stock
ownership plan.

Recipient
corporation,
agreement
requirements.
lender, and
qualified trust.

"Preference for Firms Having Employee Stock Ownership Plans"

“(i)(1) When considering whether to grant a direct loan or to guarantee a loan to a corporation which is otherwise certified under section 251, the Secretary shall give preference to a corporation which agrees with respect to such loan to fulfill the following requirements—

“(A) 25 percent of the principal amount of the loan is paid by the lender to a qualified trust established under an employee stock ownership plan established and maintained by the recipient corporation, by a parent or subsidiary of such corporation, or by several corporations including the recipient corporation,

“(B) the employee stock ownership plan meets the requirements of this subsection, and

“(C) the agreement among the recipient corporation, the lender, and the qualified trust relating to the loan meets the requirements of this section.

“(2) An employee stock ownership plan does not meet the requirements of this subsection unless the governing instrument of the plan provides that—

“(A) the amount of the loan paid under paragraph (1)(A) to the qualified trust will be used to purchase qualified employer securities,

“(B) the qualified trust will repay to the lender the amount of such loan, together with the interest thereon, out of amounts contributed to the trust by the recipient corporation, and

“(C) from time to time, as the qualified trust repays such amount, the trust will allocate qualified employer securities among the individual accounts of participants and their beneficiaries in accordance with the provisions of paragraph (4).

“(3) The agreement among the recipient corporation, the lender, and the qualified trust does not meet the requirements of this subsection unless—

“(A) it is unconditionally enforceable by any party against the others, jointly and severally,

“(B) it provides that the liability of the qualified trust to repay loan amounts paid to the qualified trust may not, at any time, exceed an amount equal to the amount of contributions required under paragraph (2)(B) which are actually received by such trust,

“(C) it provides that amounts received by the recipient corporation from the qualified trust for qualified employer securities purchased for the purpose of this subsection will be used exclusively by the recipient corporation for those purposes for which it may use that portion of the loan paid directly to it by the lender,

“(D) it provides that the recipient corporation may not reduce the amount of its equity capital during the one year period beginning on the date on which the qualified trust purchases qualified employer securities for purposes of this subsection, and
“(E) it provides that the recipient corporation will make contributions to the qualified trust of not less than such amounts as are necessary for such trust to meet its obligation to make repayments of principal and interest on the amount of the loan received by the trust without regard to whether such contributions are deductible by the corporation under section 404 of the Internal Revenue Code of 1954 and without regard to any other amounts the recipient corporation is obligated under law to contribute to or under the employee stock ownership plan.

“(4) At the close of each plan year, an employee stock ownership plan shall allocate to the accounts of participating employees that portion of the qualified employer securities the cost of which bears substantially the same ratio to the cost of all the qualified employer securities purchased under paragraph (2)(A) of this subsection as the amount of the loan principal and interest repaid by the qualified trust during that year bears to the total amount of the loan principal and interest payable by such trust during the term of such loan. Qualified employer securities allocated to the individual account of a participant during one plan year must bear substantially the same proportion to the amount of all such securities allocated to all participants in the plan as the amount of compensation paid to such participant bears to the total amount of compensation paid to all such participants during that year.

“(5) For purposes of this subsection, the term—

“(A) ‘employee stock ownership plan’ means a plan described in section 4975(e)(7) of the Internal Revenue Code of 1954,

“(B) ‘qualified trust’ means a trust established under an employee stock ownership plan and meeting the requirements of title I of the Employee Retirement Income Security Act of 1974 and section 401 of the Internal Revenue Code of 1954,

“(C) ‘qualified employer securities’ means common stock issued by the recipient corporation or by a parent or subsidiary of such corporation with voting power and dividend rights no less favorable than the voting power and dividend rights on other common stock issued by the issuing corporation and with voting power being exercised by the participants in the employee stock ownership plan after it is allocated to their plan accounts, and
“(D) ’equity capital’ means, with respect to the recipient corporation, the sum of its money and other property (in an amount equal to the adjusted basis of such property but disregarding adjustments made on account of depreciation or amortization made during the period described in paragraph (3)(D)), less the amount of its indebtedness.”.

(b) The amendment made by subsection (a) shall become effective on the date of the enactment of this Act.

An Act  

To settle certain claims of the Mashantucket Pequot Indians.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the “Mashantucket Pequot Indian Claims Settlement Act”.

CONGRESSIONAL FINDINGS

Sec. 2. The Congress finds that—
(a) there is pending before the United States District Court for the District of Connecticut a civil action entitled “Western Pequot Tribe of Indians against Holdridge Enterprises Incorporated, et al., Civil Action Numbered H76-193 (D. Conn.),” which involves Indian claims to certain public and private lands within the town of Ledyard, Connecticut;
(b) the pendency of this lawsuit has placed a cloud on the titles to much of the land in the town of Ledyard, including lands not involved in the lawsuit, which has resulted in severe economic hardships for the residents of the town;
(c) the Congress shares with the State of Connecticut and the parties to the lawsuit a desire to remove all clouds on titles resulting from such Indian land claims;
(d) the parties to the lawsuit and others interested in the settlement of Indian land claims within the State of Connecticut have reached an agreement which requires implementing legislation by the Congress of the United States and the Legislature of the State of Connecticut;
(e) the Western Pequot Tribe, as represented as of the time of the passage of this Act by the Mashantucket Pequot Tribal Council, is the sole successor in interest to the aboriginal entity generally known as the Western Pequot Tribe which years ago claimed aboriginal title to certain lands in the State of Connecticut; and
(f) the State of Connecticut is contributing twenty acres of land owned by the State of Connecticut to fulfill this Act. The State of Connecticut will construct and repair three sections of paved or gravel roadways within the reservation of the Tribe. The State of Connecticut has provided special services to the members of the Western Pequot Tribe residing within its borders. The United States has provided few, if any, special services to the Western Pequot Tribe and has denied that it had jurisdiction over or responsibility for said Tribe. In view of the provision of land by the State of Connecticut, the provision of paved roadways by the State of Connecticut, and the provision of special services by the State of Connecticut without being required to do so by Federal law, it is the intent of Congress that the State of Connecticut not be required to otherwise contribute directly to this claims settlement.

Within thirty days of the enactment of this Act, the secretary of the State of Connecticut shall transmit to the Secretary a certified copy of said map.

25 USC 1753.

Sec. 4. (a) Any transfer before the date of enactment of this Act from, by, or on behalf of the Tribe or any of its members of land or natural resources located anywhere within the United States, and any transfer before the date of enactment of this Act from, by, or on behalf of any Indian, Indian nation, or tribe or band of Indians of land or natural resources located anywhere within the town of Ledyard, Connecticut, shall be deemed to have been made in accordance with the Constitution and all laws of the United States,
including without limitation the Trade and Intercourse Act of 1790, Act of July 22, 1790 (ch. 33, sec. 4, 1 Stat. 137, 138), and all amendments thereto and all subsequent reenactments and versions thereof, and Congress hereby does approve and ratify any such transfer effective as of the date of said transfer.

(b) By virtue of the approval and ratification of a transfer of land or natural resources effected by subsection (a), any aboriginal title held by the Tribe or any member of the Tribe, or any other Indian, Indian nation, or tribe or band of Indians, to any land or natural resources the transfer of which was approved and ratified by subsection (a) shall be regarded as extinguished as of the date of such transfer.

(c) By virtue of the approval and ratification of a transfer of land or natural resources effected by this section, or the extinguishment of aboriginal title effected thereby, any claim (including any claim for damages for trespass or for use and occupancy) by, or on behalf of, the Tribe or any member of the Tribe or by any other Indian, Indian nation, or tribe or band of Indians, against the United States, any State or subdivision thereof or any other person which is based on—

1. any interest in or right involving any land or natural resources the transfer of which was approved and ratified by subsection (a), or
2. any aboriginal title to land or natural resources the extinguishment of which was effected by subsection (b),

shall be regarded as extinguished as of the date of any such transfer.

(d) Nothing in this section shall be construed to affect or eliminate the personal claim of any individual Indian (except for Federal common law fraud claim) which is pursued under any law of general applicability that protects non-Indians as well as Indians.

(e)(1) This section shall take effect upon the appropriation of $900,000 as authorized under section 5(e) of this Act.

(2) The Secretary shall publish notice of such appropriation in the Federal Register when the funds are deposited in the fund established under section 5(a) of this Act.

MASHANTUCKET PEQUOT SETTLEMENT FUND

SEC. 5. (a) There is hereby established in the United States Treasury an account to be known as the Mashantucket Pequot Settlement Fund (hereinafter referred to in this section as the "Fund"). The Fund shall be held in trust by the Secretary for the benefit of the Tribe and administered in accordance with this Act.

(b)(1) The Secretary is authorized and directed to expend, at the request of the Tribe, the Fund together with any and all income accruing to such Fund in accordance with this subsection.

(2) Not less than $600,000 of the Fund shall be available until January 1, 1985, for the acquisition by the Secretary of private settlement lands. Subsequent to January 1, 1985, the Secretary shall determine whether and to what extent an amount less than $600,000 has been expended to acquire private settlement lands and shall make that amount available to the Tribe to be used in accordance with the economic development plan approved pursuant to paragraph (3).

(3)(A) The Secretary shall disburse all or part of the Fund together with any and all income accruing to such Fund (excluding the
amount reserved in paragraph (2)) according to a plan to promote the economic development of the Tribe.

(B) The Tribe shall submit an economic development plan to the Secretary and the Secretary shall approve such plan within sixty days of its submission if he finds that it is reasonably related to the economic development of the Tribe. If the Secretary does not approve such plan, he shall, at the time of his decision, set forth in writing and with particularity, the reasons for his disapproval.

(C) The Secretary may not agree to terms which provide for the investment of the Fund in a manner inconsistent with the first section of the Act of June 24, 1938 (52 Stat. 1037), unless the Tribe first submits a specific waiver of liability on the part of the United States for any loss which may result from such an investment.

(D) The Tribe may, with the approval of the Secretary, alter the economic development plan subject to the conditions set forth in subparagraph (B).

(4) Under no circumstances shall any part of the Fund be distributed to any member of the Tribe unless pursuant to the economic development plan approved by the Secretary under paragraph (3).

(5) As the Fund or any portion thereof is disbursed by the Secretary in accordance with this section, the United States shall have no further trust responsibility to the Tribe or its members with respect to the sums paid, any subsequent expenditures of these sums, or any property other than private settlement lands or services purchased with these sums.

(6) Until the Tribe has submitted and the Secretary has approved the terms of the use of the Fund, the Secretary shall fix the terms for the administration of the portion of the Fund as to which there is no agreement.

(7) Lands or natural resources acquired under this subsection which are located within the settlement lands shall be held in trust by the United States for the benefit of the Tribe.

(8) Land or natural resources acquired under this subsection which are located outside of the settlement lands shall be held in fee by the Mashantucket Pequot Tribe, and the United States shall have no further trust responsibility with respect to such land and natural resources. Such land and natural resources shall not be subject to any restriction against alienation under the laws of the United States.

(9) Notwithstanding the provisions of the first section of the Act of August 1, 1888 (25 Stat. 357, chapter 728), as amended, and the first section of the Act of February 26, 1931 (46 Stat. 1421, chapter 307), the Secretary may acquire land or natural resources under this section from the ostensible owner of the land or natural resources only if the Secretary and the ostensible owner of the land or natural resources have agreed upon the identity of the land or natural resources to be sold and upon the purchase price and other terms of sale. Subject to the agreement required by the preceding sentence, the Secretary may institute condemnation proceedings in order to perfect title, satisfactory to the Attorney General, in the United States and condemn interests adverse to the ostensible owner.

(c) For the purpose of subtitle A of the Internal Revenue Code of 1954, any transfer of private settlement lands to which subsection (b) applies shall be deemed to be an involuntary conversion within the meaning of section 1033 of such Code.

(d) The Secretary may not expend on behalf of the Tribe any sums deposited in the Fund established pursuant to subsection (a) of this
section unless and until he finds that authorized officials of the Tribe have executed appropriate documents relinquishing all claims to the extent provided by sections 4 and 10 of this Act, including stipulations to the final judicial dismissal with prejudice of its claims.

(e) There is authorized to be appropriated $900,000 to be deposited in the Fund.

JURISDICTION OVER RESERVATION

Sec. 6. Notwithstanding the provision relating to a special election in section 406 of the Act of April 11, 1968 (22 Stat. 80; 25 U.S.C. 1326), the reservation of the Tribe is declared to be Indian country subject to State jurisdiction to the maximum extent provided in title IV of such Act.

LIMITATION OF ACTIONS: FEDERAL COURT JURISDICTION

Sec. 7. (a) Notwithstanding any other provision of law, the constitutionality of this Act may not be drawn into question in any action unless such question has been raised in—

(1) a pleading contained in a complaint filed before the end of the one-hundred-and-eighty-day period beginning on the date of the enactment of this Act, or

(2) an answer contained in a reply to a complaint before the end of such period.

(b) Notwithstanding any other provision of law, exclusive jurisdiction of any action in which the constitutionality of this Act is drawn into question is vested in the United States District Court for the District of Connecticut.

(c) Any action to which subsection (a) applies and which is brought in the court of any State may be removed by the defendant to the United States District Court for the District of Connecticut.

(d) Except as provided in this Act, no provision of this Act shall be construed to constitute a jurisdictional act, to confer jurisdiction to sue, or to grant implied consent to any Indian, Indian nation, or tribe or band of Indians to sue the United States or any of its officers with respect to the claims extinguished by the operation of this Act.

RESTRICTION AGAINST ALIENATION

Sec. 8. (a) Subject to subsection (b), lands within the reservation which are held in trust by the Secretary for the benefit of the Tribe or which are subject to a Federal restraint against alienation at any time after the date of the enactment of this Act shall be subject to the laws of the United States relating to Indian lands, including section 2116 of the Revised Statutes (25 U.S.C. 177).

(b) Notwithstanding subsection (a), the Tribe may lease lands for any term of years to the Mashantucket Pequot Housing Authority, or any successor in interest to such Authority.

EXTENSION OF FEDERAL RECOGNITION AND PRIVILEGES

Sec. 9. (a) Notwithstanding any other provision of law, Federal recognition is extended to the Tribe. Except as otherwise provided in this Act, all laws and regulations of the United States of general application to Indians or Indian nations, tribes or bands of Indians
which are not inconsistent with any specific provision of this Act shall be applicable to the Tribe.

(b) The Tribe shall file with the Secretary a copy of its organic governing document and any amendments thereto. Such instrument must be consistent with the terms of this Act and the Act to Implement the Settlement of the Mashantucket Pequot Indian Land Claim as enacted by the State of Connecticut and approved June 9, 1982.

(c) Notwithstanding any other provision of law, the Tribe and members of the Tribe shall be eligible for all Federal services and benefits furnished to federally recognized Indian tribes as of the date of enactment of this Act.

OTHER CLAIMS DISCHARGED BY THIS ACT

SEC. 10. Except as expressly provided herein, this Act shall constitute a general discharge and release of all obligations of the State of Connecticut and all of its political subdivisions, agencies, departments, and all of the officers or employees thereof arising from any treaty or agreement with, or on behalf of the Tribe or the United States as trustee therefor.

To grant the consent of the Congress to an interstate agreement or compact relating to the restoration of Atlantic Salmon in the Connecticut River Basin, and to allow the Secretary of Commerce and the Secretary of the Interior to participate as members in a Connecticut River Atlantic Salmon Commission.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Congress consents to the interstate compact relating to the restoration of Atlantic salmon to the Connecticut River Basin and creating the Connecticut River Atlantic Salmon Commission, which compact was entered into by the States of Connecticut, Massachusetts, New Hampshire, and Vermont pursuant to the laws of those respective States and is set forth in the statutes of the States of Connecticut (P.A. 79–528), Massachusetts (Chap. 716, 1981), New Hampshire (108:1, 1979), and Vermont (1979, No. 89; Amended in 1981, No. 85:9) and reads substantially as follows:

"ARTICLE I

"The purpose of this compact is to promote the restoration of anadromous Atlantic salmon, hereinafter referred to as Atlantic salmon, in the Connecticut River Basin by the development of a joint interstate program for stocking, protection, management, research, and regulation. It is the purpose of this compact to restore Atlantic salmon to the Connecticut River in numbers as near as possible to their historical abundance.

"ARTICLE II

"This agreement shall become operative immediately whenever all of the States of Connecticut, Massachusetts, New Hampshire and Vermont have executed it in a form that is in accordance with the laws of the executing State and the Congress has given its consent.

"ARTICLE III

"Each State joining herein shall appoint two representatives to a commission hereby constituted and designated as the Connecticut River Atlantic Salmon Commission. One shall be the executive officer of the administrative agency of such State charged with the management of the fisheries resources to which this compact pertains or his designee. The second shall be a citizen who shall have a knowledge and interest in Atlantic salmon to be appointed by the Governor for a term of three years. The Director of the northeast region of the Fish and Wildlife Service, United States Department of the Interior or his designee and the Director of the northeast region of the National Marine Fisheries Service, United States Department of Commerce, or his designee shall be members of said commission.
The commission shall be a body corporate with the powers and duties set forth herein.

"ARTICLE IV

"The duty of said commission shall be to make inquiry and ascertain from time to time such methods, practices, circumstances, and conditions as may be disclosed for bringing about the restoration of Atlantic salmon in the Connecticut River and its tributaries.

"To promote restoration, preservation, and protection of Atlantic salmon in the Connecticut River Basin, the commission may draft and recommend to the Governors of the various signatory States legislation to accomplish this end. The commission shall, more than 60 days prior to any regular meeting of the legislature of any signatory State, present to the Governor of the States its recommendations relating to proposed enactments to be made by the legislature of the State in furthering the intents and purposes of this compact.

"The commission shall have the power to recommend to the States party hereto stocking programs, management procedures, and research projects and when two or more States party hereto shall jointly stock waters or undertake cooperative management or research, the commission shall act as the coordinating agency. The commission, using all available means, shall encourage acquisition by the signatory States of river bank, river bed, and access thereto.

"The commission shall consult with and advise the pertinent administrative agencies in the signatory States with regard to other anadromous species and their potential impact or the potential impact of sport fisheries and commercial fisheries for other anadromous species on the restoration of Atlantic salmon to the Connecticut River Basin.

"In the interest of developing a sound program of Atlantic salmon management, the commission shall promulgate regulations governing Atlantic salmon fishing in the mainstem of the Connecticut River in all four signatory States as hereinafter provided. Such regulations may: (1) establish the open and closed seasons for Atlantic salmon which may vary by river section, (2) establish hours, days, or periods during the open season when fishing for Atlantic salmon shall not be permitted in designated areas, (3) prescribe the legal methods of taking Atlantic salmon including the type of gear such as gaffs, landing nets, or tailers which may be used to assist in landing fish, (4) establish a minimum legal length for Atlantic salmon, (5) establish a daily creel limit, the season creel limit, and the possession limit for Atlantic salmon.

"The commission shall recommend, review, and issue comments on such regulations as may be promulgated by the signatory States governing Atlantic salmon fishing in tributary streams. The States of Connecticut and Massachusetts agree to make available for broodstock, from fish taken in the fish passage facilities at the Rainbow Reservoir Dam and the Holyoke Power Company Dam, such numbers of adult Atlantic salmon as the commission deems necessary to carry out the Atlantic salmon restoration program.

"The commission shall have the power to issue a Connecticut River Basin Atlantic salmon license and the sale of such licenses shall be handled by the individual signatory States or their authorized agents. The individual signatory States shall be accountable to the commission for all such licenses and the moneys received therefrom. The initial fee for such licenses shall be determined by
majority vote of the commission but shall not exceed the maximum resident angling license fee of the signatory States except that the commission may upon determination of need and with the unanimous approval of its membership increase such license and issuing fee. The individual signatory States or their issuing agents may retain a recording fee up to 50 cents for each license issued. Forms for such license shall be provided to the signatory States by the commission. Such license shall be a legal prerequisite for any person including minors fishing for or possessing Atlantic salmon in the waters or on the shores of the Connecticut River and all of its tributaries. In addition to said Connecticut River Basin Atlantic salmon license, all persons, except those specifically exempted because of age, disability, or other limitations as determined by statute or regulations of the individual signatory States shall be required to possess a valid resident or nonresident sport fishing license issued by the State in which the person is fishing. The commission shall recognize that in certain waters or sections of waters a daily rod permit may also be required. such daily rod permit to be issued by the State in which such waters or sections of waters are located; however, the signatory States shall not, by fee, distinguish between residents and nonresidents. The authority to limit the numbers of persons fishing for Atlantic salmon in certain tributaries or sections of certain tributaries shall remain the prerogative of the individual signatory States.

Enforcement

“The respective police agencies of the signatory States shall have the authority to enforce all of the regulations and license requirements of the commission any place in the Connecticut River Basin. The commission shall have the authority to accept gifts, State grants, and Federal funds. The commission shall have the authority to expend money from fees collected for Connecticut River Basin Atlantic salmon licenses or from such other funds available to the commission to finance the cost of stocking, management, or research carried on by signatory States to further the purposes of this compact. Such funds shall be in the form of direct grants to the agency of such State charged with the management of the fisheries resources and may be up to 100 percent of the cost of projects approved by a majority vote of the commission.

“ARTICLE V

“The commission shall elect from its number a chairman and a vice chairman and at its pleasure may remove such officers. Said commission shall adopt rules and regulations for the conduct of its business. At such time as funds are available to the commission, the commission may establish and maintain an office for the transaction of its business. The commission may meet at any time or place but must meet at least semiannually.

Travel expenses.

“The commission shall have the authority to expend money from available commission funds to reimburse its membership for necessary travel expenses.

“ARTICLE VI

“At such time as funds are available, the commission may employ and discharge at its pleasure such personnel as may be required to carry out the provisions of the compact and shall fix and determine their duties, qualifications, and compensation.
"ARTICLE VII

"There shall be established a technical committee to consist of one fishery biologist from each of the signatory States, the United States Fish and Wildlife Service, and the National Marine Fisheries Service to act in an advisory capacity to the commission. The technical committee shall have the authority to request employees of the signatory States, the United States Fish and Wildlife Service, and the National Marine Fisheries Service or others who have special fields of expertise to act as special advisers to the committee. At such time as funds are available, the commission may reimburse technical committee members and special advisers for necessary travel expenses.

"ARTICLE VIII

"No action shall be taken by the commission in regard to its general affairs except by affirmative vote of a majority of members present at any meeting, provided there is a quorum. A quorum shall consist of a simple majority of all members of the commission: Provided further, That no action shall be taken by the commission unless each signatory State is represented at any such meeting. No recommendation or allotment of grant funds shall be made by the commission except by the affirmative vote of a majority of the members.

"ARTICLE IX

"Continued absence of representation or of any representative on the commission from any party hereto shall be brought to the attention of the Governor thereof.

"ARTICLE X

"The States signatory hereto agree to make an annual appropriation to the initial support of the commission in the amount of $1,000 for each of the first three years that this compact is in effect.

"ARTICLE XI

"The commission shall keep accurate accounts of all receipts and disbursements and shall report to the Governor and the legislature of each State party to this compact on or before the tenth day of January of each year setting forth in detail the transactions conducted by it during the 12 months preceding January first of that year. The comptrollers of the States are hereby authorized and empowered from time to time to examine the accounts and books of the commission, including its receipts, disbursements, grants, and such other items referring to its financial standing as such comptroller may deem proper and to report the results of such examination to the Governor of said State."

An Act

To establish the Lee Metcalf Wilderness and Management Area in the State of Montana, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the “Lee Metcalf Wilderness and Management Act of 1983”.

DESIGNATION AND MANAGEMENT OF LEE METCALF WILDERNESS AND MANAGEMENT AREA

Sec. 2. (a) In furtherance of the purposes of the Wilderness Act (78 Stat. 890; 16 U.S.C. 1131), certain lands within the Beaverhead and Gallatin National Forests and certain lands in the Dillon Resource Area, Montana, administered by the Bureau of Land Management which comprise approximately two hundred and fifty-nine thousand acres as generally depicted as the “Lee Metcalf Wilderness” on a map entitled “Lee Metcalf Wilderness—Proposed”, and dated October 1983 are hereby designated as wilderness and shall be known as the Lee Metcalf Wilderness.

(b) Subject to valid existing rights, the Lee Metcalf Wilderness as designated by this Act shall be administered by the Secretary of Agriculture, hereafter referred to as “the Secretary”, in accordance with the Wilderness Act governing areas designated by that Act as wilderness: Provided, That any reference in such provisions to the effective date of the Wilderness Act shall be deemed to be a reference to the effective date of this Act: Provided further, That the Bear Trap Canyon portion of the Lee Metcalf Wilderness shall be administered by the Secretary of the Interior.

(c) The Congress finds that certain lands within the Gallatin National Forest near Monument Mountain have important recreational and wildlife values, including critical grizzly bear and elk habitat. In order to conserve and protect these values, the area lying adjacent to the Monument Mountain and Taylor-Hilgard units of the Lee Metcalf Wilderness as designated by this Act and comprising approximately thirty-eight thousand acres, as generally depicted on the map entitled “Lee Metcalf Wilderness—Proposed”, dated October 1983, shall be managed to protect the wildlife and recreational values of these lands and shall be hereby withdrawn from all forms of appropriation under the mining laws and from disposition under all laws pertaining to mineral leasing and geothermal leasing, and all amendments thereto. The area shall further be administered by the Secretary of Agriculture to maintain presently existing wilderness character, with no commercial timber harvest nor additional road construction permitted. The Secretary shall permit continued use of the area by motorized equipment only for activities associated with existing levels of livestock grazing, administrative purposes (including snowmobile trail maintenance) and for snowmobiling during periods of adequate snow cover but only where such
uses are compatible with the protection and propagation of wildlife within the area: Provided, That the Secretary may, in his discretion, also permit limited motor vehicle access by individuals and others within the area where such access is compatible with the protection and propagation of wildlife and where such access was established prior to the date of enactment of this Act. Management direction for the area that recognizes these values shall be included in the forest plan developed for the Gallatin National Forest in accordance with section 6 of the Forest and Rangeland Renewable Resources Planning Act of 1974 as amended by the National Forest Management Act of 1976.

**DESIGNATION AND MANAGEMENT OF CERTAIN NATIONAL FOREST LANDS IN THE STATE OF MONTANA**

**Sec. 3. (a) The Congress hereby determines and directs that—**

1. The areas listed in subsection (b) of this section have been adequately studied for wilderness pursuant to Public Law 95-150 or in the RARE II Final Environmental Statement (dated January 1979);
2. Such studies shall constitute an adequate consideration of the suitability of such lands for inclusion in the National Wilderness Preservation System and the Department of Agriculture shall not be required to review the wilderness option for such areas prior to revision of the initial plans required for such lands by the Forest and Rangeland Renewable Resources Planning Act of 1974 as amended by the National Forest Management Act of 1976 (Public Law 94-588) and in no case prior to the date established by law for completion of the initial planning cycle;

Reissuance of any such authorization shall be in accordance with applicable law and the regulations of the agency having jurisdiction.

Sec. 302. No part of any appropriation under this Act shall be available to the Secretaries of the Interior and Agriculture for use for any sale hereafter made of unprocessed timber from Federal lands west of the 100th meridian in the contiguous 48 States which will be exported from the United States, or which will be used as a substitute for timber from private lands which is exported by the purchaser: Provided, That this limitation shall not apply to specific quantities of grades and species of timber which said Secretaries determine are surplus to domestic lumber and plywood manufacturing needs.

Sec. 303. No part of any appropriation under this Act shall be available to the Secretary of the Interior or the Secretary of Agriculture for the leasing of oil and natural gas by noncompetitive bidding on publicly owned lands within the boundaries of the Shawnee National Forest, Illinois: Provided, That nothing herein is intended to inhibit or otherwise affect the sale, lease, or right to access to minerals owned by private individuals.

Sec. 305. No funds appropriated by this Act shall be available for the implementation or enforcement of any rule or regulation of the United States Fish and Wildlife Service, Department of the Interior, requiring the use of steel shot in connection with the hunting of waterfowl in any State of the United States unless the appropriate State regulatory authority approves such implementation and enforcement.

of Congress designating components of the National Wilderness Preservation System now in effect or hereinafter enacted, and except to carry out the obligations and responsibilities of the Secretary of the Interior under section 17(k)(1)(A) and (B) of the Mineral Leasing Act of 1920 (30 U.S.C. 226), none of the funds provided in this Act shall be obligated for any aspect of the processing or issuance of permits or leases pertaining to exploration for or development of coal, oil, gas, oil shale, phosphate, potassium, sulphur, gilsonite, or geothermal resources on Federal lands within any component of the National Wilderness Preservation System or within any Forest Service RARE II areas recommended for wilderness designation or allocated to further planning in Executive Communication 1504, Ninety-sixth Congress (House Document numbered 96-119); or within any lands designated by Congress as wilderness study areas or within Bureau of Land Management wilderness study areas: Provided, That nothing in this section shall prohibit the expenditure of funds for any aspect of the processing or issuance of permits pertaining to exploration for or development of the mineral resources described in this section, within any component of the National Wilderness Preservation System now in effect or hereinafter enacted, any Forest Service RARE II areas recommended for wilderness designation or allocated to further planning, within any lands designated by Congress as wilderness study areas, or Bureau of Land Management wilderness study areas, under valid existing rights, or leases validly issued in accordance with all applicable Federal, State, and local laws or valid mineral rights in existence prior to October 1, 1982: Provided further, That funds provided in this Act may be used by the Secretary of Agriculture in any area of National Forest lands or the Secretary of the Interior to issue under their existing authority in any area of National Forest or public lands withdrawn pursuant to this Act such permits as may be necessary to conduct prospecting, seismic surveys, and core sampling conducted by helicopter or other means not requiring construction of roads or improvement of existing roads or ways, for the purpose of gathering information about and inventorying energy, mineral, and other resource values of such area, if such activity is carried out in a manner compatible with the preservation of the wilderness environment: Provided further, That seismic activities involving the use of explosives shall not be permitted in designated wilderness areas: Provided further, That funds provided in this Act may be used by the Secretary of the Interior to augment recurring surveys of the mineral values of wilderness areas pursuant to section 4(d)(2) of the Wilderness Act and acquire information on other national forest and public land areas withdrawn pursuant to this Act, by conducting, in conjunction with the Secretary of Energy, the national laboratories, or other Federal agencies, as appropriate, such mineral inventories of areas withdrawn pursuant to this Act as he deems appropriate. These inventories shall be conducted in a manner compatible with the preservation of the wilderness environment through the use of methods including core sampling conducted by helicopter; geophysical techniques such as induced polarization, synthetic aperture radar, magnetic and gravity surveys; geochemical techniques including stream sediment reconnaissance and X-ray diffraction analysis; land satellites; or any other methods he deems appropriate. The Secretary of the Interior is hereby authorized to conduct inventories or segments of inventories, such as data analysis activities, by contract with private entities deemed by him to be
qualified to engage in such activities whenever he has determined that such contracts would decrease Federal expenditures and would produce comparable or superior results. Provided further, That in carrying out any such inventory or surveys, where National Forest System lands are involved, the Secretary of the Interior shall consult with the Secretary of Agriculture concerning any activities affecting surface resources. Provided further, That funds provided in this Act may be used by the Secretary of the Interior to issue oil and gas leases for the subsurface of national forest or public land wilderness areas, or any lands designated by Congress as wilderness study areas, that are immediately adjacent to producing oil and gas fields or areas that are prospectively valuable. Such leases shall allow no surface occupancy and may be entered only by directional drilling from outside the wilderness or other nonsurface disturbing methods.

Sec. 309. None of the funds provided in this Act shall be used to evaluate, consider, process or award oil, gas or geothermal leases on Federal lands in the Mount Baker-Snoqualmie National Forest, State of Washington, within the hydrographic boundaries of the Cedar River municipal watershed upstream of river mile 21.6, the Green River municipal watershed upstream of river mile 61.0, the North Fork of the Tolt River proposed municipal watershed upstream of river mile 11.7 and the South Fork Tolt River municipal watershed upstream of river mile 8.4.

Sec. 310. No assessments may be levied against any program, budget activity, subactivity, or project funded by this Act unless such assessments and the basis therefor are presented to the Committees on Appropriations and are approved by such committees.

Sec. 311. Employment funded by this Act shall not be subject to any personnel ceiling or other personnel restriction for permanent or other than permanent employment except as provided by law.

Sec. 312. Funds provided for land acquisition in this Act may not be used to acquire lands for more than the approved appraised value (as addressed in section 301(3) of Public Law 91-646) except for condemnations and declarations of taking, without the written approval of the Committees on Appropriations.

Sec. 313. Notwithstanding any other provisions of law, the Secretary of the Smithsonian Institution, the Secretary of the Interior and Secretary of Agriculture are authorized to enter into contracts with State and local governmental entities, including local fire districts, for procurement of services in the presuppression, detection, and suppression of fires on any units within their jurisdiction. In addition, any contracts or agreements with the jurisdiction for fire management services listed above which are previously executed shall remain valid.

Sec. 314. Except as expressly provided for by law, none of the funds appropriated by this Act shall be obligated to dispose, except by exchange, of any Federal land tract until such time as the agency responsible for administering the disposal of the tract has specifically identified the tract as no longer being needed by the Federal Government; inventoried the tract as to its public benefit values; provided opportunity for public review and discussion of the tract proposed for disposal; and provided 30 days advance notice of the tract proposed for disposal and of the plans for carrying out such disposal to the congressional delegation of the State or States in which the tract proposed for sale is located and to the appropriate congressional committees for immediate printing in the Congres-

Sec. 315. No part of any appropriation contained in, or funds made available by this Act, shall be available for any agency to pay to the Administrator of the General Services Administration a rate per square foot for rental of space and services (established pursuant to section 210(j) of the Federal Property and Administrative Services Act of 1949, as amended) which is in excess of 14 per centum higher than the rate per square foot established for space and services by the General Services Administration for the fiscal year 1982.

Sec. 316. The Congress finds that the Forest Service's proposal of March 15, 1983, to consider six million acres of the national forest for possible sale has met with considerable opposition; and the national forests are an important part of the national heritage of the United States; and the national forests provide and protect important resources; and the national forests provide unique opportunities for recreation; and it is inconsistent with past management practices to dispose of large portions of our national forests. It is, therefore, the sense of the Congress that it is not in the national interest to grant the authority to sell significant acreage of the national forest until such time as the Forest Service specifically identifies the tracts which are no longer needed by the Federal Government; inventories the tracts as to their public benefit value; provides opportunities for public review and discussion of the tracts; and completes all necessary environmental assessments of such sales.

Sec. 317. Notwithstanding any other provision of law, the Secretary of the Interior is authorized and shall seek to acquire the private lands described in section 505(a) of the Act of November 10, 1978 (92 Stat. 3467), by crediting a surplus property account, to be established in the name of each landowner, in the amount of the acquisition price for such landowner's lands. The National Park Service shall update the existing appraisals for the parcels and, based on the approved appraised values, shall negotiate with the landowners for acquisition prices. Each owner may, using such credits in his surplus property account, bid, as any other bidder for surplus property, wherever located, in accordance with the Federal Property and Administrative Services Act of 1949. The Administrator of the General Services Administration shall establish each landowner's surplus property account and shall adjust the credits in such accounts to reflect successful bids under this section. Title to the lands described in this section shall pass to the Government at the time of establishment of the surplus property accounts. The credits in any of the surplus property accounts may be transferred or sold in whole or in part at any time by the landowner to any other party, thereby vesting such party with all the rights of the landowner, and after such transfer, the landowner shall notify the Administrator of the transfer. At any time the Secretary may purchase the balance of any surplus property account subject to the availability of appropriated funds.

Sec. 318. Notwithstanding any other provision of law, the Secretary of the Interior (hereinafter in this Act referred to as the "Secretary") is hereby authorized to convey to Mitchell School District in Scotts Bluff County, Nebraska, all right, title, and interest, except as provided herein, to a tract of land consisting of 20
acres, more or less, more particularly described as the west half southwest quarter northwest quarter section 17, township 23 north, range 55 west, sixth principal meridian. Conveyance of such right, title, and interest shall be upon the condition that the Mitchell School District shall simultaneously convey without cost, an easement right on certain of the above-described lands to the Pathfinder Irrigation District for the purpose of operating and maintaining irrigation canals, laterals, or drains-related storage works of the North Platte project, a Federal reclamation project. The Mitchell School District shall pay the fair market value of the lands as of the date of the conveyance, including administrative costs, as determined by the Secretary. In determining the fair market value of the lands, the Secretary shall recognize the existence of the easement right to be granted to the Pathfinder Irrigation District and shall not include the value of any improvements made on or to the lands by the Mitchell School District or its predecessors. Withdrawals from the public domain as they pertain only to the lands described in this paragraph under Secretarial Orders of February 11, 1903, and July 24, 1917, for purposes of the North Platte project, are revoked by conveyance of the rights, title, and interests as set forth in this paragraph.

Sec. 319. Section 3 of Public Law 96-315 is hereby amended by adding the following new subsection:

"(f) Up to 15 additional permits shall be granted to those persons meeting any one of the following conditions:

(1) A resident as of July 1, 1982, who held a valid Fish and Wildlife Service access permit for improved property owners at any time during the period from July 29, 1976, through December 31, 1979.

Joint Resolution

To designate the month of November 1983 as "National Christmas Seal Month".

Whereas chronic diseases of the lung afflict well over seventeen million Americans, cause more than two hundred thousand deaths annually, at a cost to the Nation of more than $48.8 billion each year in lost wages, productivity, and in direct costs of medical care;

Whereas leading the fight in the voluntary sector to prevent illness, disability, and death from lung disease is the American Lung Association—the Christmas Seal People—a nonprofit public health organization supported by individual contributions to Christmas Seals and other donations;

Whereas chronic obstructive pulmonary diseases have been among the fastest rising causes of death—an 87 per centum increase in the past ten years. Almost seven million Americans, including two million two hundred and fifty thousand children, suffer from asthma;

Whereas, two and one-half million people have emphysema, while seven million eight hundred thousand suffer from chronic bronchitis. And it is expected that lung cancer will surpass breast cancer as the leading cause of cancer deaths among American women during this decade;

Whereas the American Lung Association, the Nation's first national voluntary public health organization, was founded in 1904 as the National Tuberculosis Association to combat TB when this lung disease was known to nearly every American family and one in seven deaths resulted from tuberculosis. Beginning in 1907, Christmas Seals were used to raise funds through private contributions to provide education to Americans about the disease;

Whereas, in its early years, the National Tuberculosis Association pioneered in school programs aimed at motivating our young people to establish healthful living patterns. That tradition remains strong as the American Lung Association, through its community Lung Associations, helps educate the public, patients, and their families about lung diseases; sponsors community action programs for good lung health; underwrites medical research; supports education for physicians and other health care workers; wages vigorous campaigns against cigarette smoking and air pollution. The primary source of funding for more than seventy years has been Christmas Seals. This year, Christmas Seals will be in sixty million homes. Tuberculosis has been subdued considerably, but not eradicated in the one hundred and two years since the discovery of the tubercle bacillus by Doctor Robert Koch. The disease is still responsible for one in one thousand deaths—many among children. The American Lung Association continues to work with Congress to better distribute resources to control tuberculosis and work toward its eradication;
Whereas the American Lung Association works with the National Heart, Lung and Blood Institute, a major component of the National Institutes of Health, to support research, training, and demonstration programs relevant to the lung, as well as the National Institute of Allergy and Infectious Diseases and the National Institute of Environmental Health Sciences, in addition to the Tuberculosis Program of the Centers for Disease Control, the Office of Smoking and Health, and the Office of Health Promotion; and

Whereas the American Lung Association continues to cooperate with Federal agencies to bring about a decrease in the serious problem of lung disease, a mission to which its volunteers and staff are committed: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the month of November 1983 is designated as “National Christmas Seal Month” and the President of the United States is authorized and requested to issue a proclamation calling upon all Government agencies and the people of the United States to observe the month with appropriate activities supporting the Christmas Seal program.

Approved November 16, 1983.
Joint Resolution

Designating November 12, 1983, as "Anti-Defamation League Day" in honor of the league's seventieth anniversary.

Whereas the Anti-Defamation League since its inception has worked to strengthen the democratic underpinnings of American society and to establish a harmonious unity of friendship and understanding amidst this Nation's religious, racial, and ethnic diversity;
Whereas the Anti-Defamation League has combated, counteracted, and educated against anti-Semitism, racism, and the extremists of totalitarianism;
Whereas the Anti-Defamation League represents the special concerns and interests of the American Jewish community in upholding human rights and civil liberties in this country and throughout the world;
Whereas the Anti-Defamation League is an effective advocate for friendship and alliance with Israel;
Whereas the Anti-Defamation League, and its leaders and supporters, set an example of leadership and participation in events and programs to affect the well-being and future of all people; and
Whereas the Anti-Defamation League, in purpose and program, espouses and fulfills the highest ideals and aspirations of Americans of all faiths, races, and cultural origins: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That, in honor of the seventieth anniversary of the founding of the Anti-Defamation League, November 12, 1983, is designated "Anti-Defamation League Day". Joint Resolution

Nov. 17, 1983
[H.J. Res. 383]

To designate the week beginning November 6, 1983, as “Florence Crittenton Mission Week”.

Whereas in 1883 Charles Crittenton of New York opened his first rescue mission to reverse society’s punitive attitude toward out-cast young women;

Whereas in 1898 the National Florence Crittenton Mission was the first of its kind to be chartered by Congress;

Whereas the Florence Crittenton Mission has achieved remarkable success, in the words of the original congressional charter, in aiding young women to “seek reformation of character... (and) to reach positions of honorable self-support”;

Whereas the Florence Crittenton Mission has achieved distinction in providing a wide range of services, from residential care to career counseling, for troubled young women; and

Whereas the Florence Crittenton Mission has grown to a network of 39 agencies in 26 States, serving thousands of young women: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week beginning November 6, 1983, is designated as “Florence Crittenton Mission Week”. The President is requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate ceremonies and activities.

This contract shall replace all existing contracts between the Belle Fourche irrigation district and the United States.

(b) The period of repayment of the construction and rehabilitation and betterment costs allocated to irrigation and assigned to be repaid by the irrigation water users shall be not more than forty years from and including the year in which such amendatory repayment contract is executed.

(c) During the period required to complete the rehabilitation and betterment program and other water conservation works, the rates of charge to land class in the unit shall continue to be as established in the November 29, 1949, repayment contract with the district, as subsequently amended and supplemented; thereafter, such rates of charge and assessable acreage shall be in accordance with the amortization capacity and classification of unit lands as then determined by the Secretary.

SEC. 3. (a) All miscellaneous net revenues of the Belle Fourche unit shall accrue to the United States and shall be applied against irrigation costs not assigned to be repaid by irrigation water users.

(b) Construction and rehabilitation and betterment costs of the Belle Fourche unit allocated to irrigation and not assigned to be repaid by the irrigation water users nor returned from miscellaneous net revenues of the unit shall be returnable from net revenues of the Pick-Sloan Missouri Basin program within fifty years from and including the year in which the amendatory contract authorized by this Act is executed.

SEC. 4. The provision of lands, facilities, and project modifications which furnish recreation and fish and wildlife benefits in connection with the Belle Fourche unit shall be in accordance with the Federal Water Project Recreation Act (79 Stat. 213), as amended.

and enter into additional contracts as may be necessary to imple-
ment and facilitate any future agreement between the Belle

sale of Belle Fourche project water for use by such non-Federal
interest for other than irrigation purposes: Provided, That the net
proceeds from such transactions between the Secretary, the Belle
Fourche irrigation district, and such non-Federal interest shall be
paid to the United States as reimbursement of the cost of the works
authorized by this Act, that such transactions are not in violation of
applicable State laws, and that such transactions shall be subject to
the consent and conditions of the State of South Dakota to such
water use by such non-Federal interest in accordance with the laws
of South Dakota and the provisions of the Belle Fourche River
Compact between the States of Wyoming and South Dakota to which
the consent of Congress was given in the Act of February 26, 1944
(ch. 64, 58 Stat. 94).

Whereas the municipal clerk, oldest of public servants, is the hub around which revolves efficient and responsive local government;
Whereas as local government has grown in responsibility and importance through the centuries, so has the commission of the municipal clerk;

PUBLIC LAW 98-160—NOV. 21, 1983

97 STAT. 1005

RELEASE OF REVERSIONARY INTEREST, BILOXI, MISSISSIPPI

Sec. 402. (a) The Administrator of Veterans' Affairs may execute such instruments as may be necessary to release the reversionary interest of the United States restricting to use as a public park or other public purpose the parcel of land described in subsection (b) which is a portion of a larger tract of land previously conveyed by the United States to the city of Biloxi, Mississippi, pursuant to the Act entitled “An Act to provide for the conveyance of certain real property to the city of Biloxi, Mississippi”, approved October 4, 1966 (Public Law 89-629; 80 Stat. 876).

(b) The parcel of land referred to in subsection (a) is that parcel of land, consisting of approximately 7.24 acres, conveyed from the city of Biloxi, Mississippi, to Gulf Paving, Incorporated (a corporation organized under the laws of the State of Mississippi), by deed of June 29, 1973, recorded at book 65, page 589, in the records of the Office of the Chancery Clerk of Harrison County, Mississippi.

TITLE V—STATUS AND ROLE OF ADMINISTRATOR OF VETERANS' AFFAIRS

CONGRESSIONAL FINDINGS

Sec. 501. The Congress finds that—

(1) the Nation has an historic and deeply-rooted commitment to providing benefits and services to those who served in the Armed Forces;

(2) this commitment must be continued and maintained, both to fulfill moral obligations to those who served in the past and to assure current and potential members of the Armed Forces that the Nation's obligations to those who serve will always be honored;

(3) the Veterans' Administration is the principal Federal entity responsible for veterans' benefits and programs;

(4) the Veterans' Administration has a potential population of beneficiaries of over 28 million veterans and over 55 million survivors and dependents;

(5) the Veterans' Administration will distribute over $13.8 billion in income maintenance payments and over $1.5 billion in education, training, and rehabilitation assistance payments during fiscal year 1984, operates one of the Federal Government's two major home loan guaranty programs, with over four million loans currently guaranteed, administers the largest direct insurance program in the Nation, and operates 108 national cemeteries and provides burial assistance for nearly 350,000 deceased veterans annually;

(6) the Veterans' Administration operates the largest centrally administered health-care system—consisting of, among other facilities, 172 hospitals, 226 outpatient clinics, and 99 nursing home care units—in the United States;

(7) the Veterans' Administration health-care system serves as the primary backup to the medical resources of the Department of Defense in time of war or national emergency involving the use of the Armed Forces in armed conflict;

(8) in terms of share of the annual Federal budget, the Veterans' Administration ranks sixth among Federal depart-
ments and agencies, and among Federal departments and agencies only the Department of Defense employs more personnel; (9) the Administrator of Veterans' Affairs is the principal executive branch official responsible for the administration of the benefits, services, and programs of the Veterans' Administration and for seeking the coordination of veterans' programs administered by other Federal departments and agencies; (10) there is a need for greater coordination between the Veterans' Administration and other Federal entities administering veterans programs and between the Veterans' Administration and other Federal entities providing similar benefits to individuals on a basis other than their status as veterans; (11) by virtue of the Administrator of Veterans' Affairs not being included in the President's Cabinet, the Administrator generally is not included in Cabinet meetings and deliberations and generally does not have the ready access to the President and senior advisers on the President's staff that Cabinet members have; and (12) as a consequence, Presidential decisions affecting veterans and the Veterans' Administration are made from time to time without an understanding of their full impact on veterans and on the Veterans' Administration's performance of its statutory missions.

SENSE OF THE CONGRESS

SEC. 502. In view of the findings in section 501, it is the sense of the Congress that the Administrator of Veterans' Affairs should be designated by the President as a member of, and a full participant in all activities of, the Cabinet and as the President's principal adviser on all matters relating to veterans and their dependents.

TITLE VI—RADIATION EXPOSURE STUDY AND GUIDE

RADIATION EXPOSURE STUDY AND GUIDE

SEC. 601. (a)(1)(A) Subject to subparagraphs (B) and (C), the Administrator of Veterans' Affairs, through contracts or agreements with private or public agencies or persons and in consultation with the Director of the Office of Technology Assessment, shall provide for the conduct of epidemiological study of the long-term adverse health effects of exposure to ionizing radiation from the detonation of nuclear devices in connection with the test of such devices or in connection with the American occupation of Hiroshima and Nagasaki, Japan, during the period beginning on September 11, 1945, and ending on July 1, 1946, in persons who, while serving in the Armed Forces of the United States, were exposed to such radiation. Such study shall include, but not necessarily be limited to, a study of identifiable prevalent illnesses, including malignancies, in the persons exposed.

(B) If the Administrator, in consultation with the Director of the Office of Technology Assessment, determines that it is not feasible to conduct scientifically valid study of any or all of the matters required under subparagraph (A) to be studied—

(i) the Administrator shall promptly submit to the appropriate committees of the Congress notice of that determination and the reasons therefor; and
(ii) the Director, not later than 60 days after such notice is provided, shall submit to such committees a report evaluating and commenting on such determination.

(C) If the Administrator notifies the Congress of a determination or determinations made pursuant to subparagraph (B), the matter or matters required under subparagraph (A) to be studied to which such determination or determinations apply shall not be required to be studied. If the Administrator notifies the Congress of a determination made pursuant to subparagraph (B) that, taken as a whole, study under subparagraph (A) is not scientifically feasible, the requirement in subparagraph (A) that the Administrator provide for the conduct of epidemiological study shall cease to have effect as if repealed by law.

(2) Not later than one year after the date of the enactment of this Act, the Administrator shall submit to the appropriate committees of the Congress a report on the development of a protocol or protocols for study under paragraph (1)(A). With respect to any such protocol under consideration for development, or in the process of development, that has not been completed by the end of such year, the report shall include an estimate of the completion date for such protocol and an estimate of the cost to be incurred in developing such protocol.

(3)(A) The Director of the Office of Technology Assessment shall monitor the development of the protocol or protocols for, and the conduct of, study under paragraph (1)(A) and shall submit to the appropriate committees of the Congress, at each of the times specified in the next sentence, a report on such monitoring. Reports under the preceding sentence shall be submitted within 6 months after the date of the enactment of this Act, within 12 months after such date, within 25 months after such date, and annually thereafter until such study is completed.

(B) If any protocol to which paragraph (2) applies (or any part of such protocol) is not completed by the end of the 12-month period beginning on the date of the enactment of this Act, the Director shall periodically submit to such committees reports on the status of the development of such protocol.

(4) When the Administrator has entered into a contract or agreement with an agency or person for the conduct of a study under paragraph (1)(A), the Administrator and such agency or person shall submit to the appropriate committees of the Congress a joint report containing a copy of the contract and an estimate of the total cost of such study.

(5)(A) Not later than 24 months after the date of the enactment of this Act, and annually thereafter, the Administrator shall submit to the appropriate committees of the Congress a report on the status of study under paragraph (1)(A). Such report shall contain (i) a description of the progress on and any results obtained under such study, and (ii) such comments, and such recommendations for administrative and legislative action, as the Administrator considers appropriate in light of such progress and results.

(B) The requirement in subparagraph (A) for the submission of annual reports shall expire upon the submission of a report after the completion of study under paragraph (1)(A).

(6) A contract to carry out study under paragraph (1)(A) may not be entered into unless (A) appropriations for payments under the contract have been provided in advance, or (B) the contract provides that the obligation of the United States to make payments under the
contract is contingent upon the availability of funds appropriated for the making of such payments.

(7) There are authorized to be appropriated such sums as may be necessary for the conduct of study under subsection (a)(1)(A).

(b) Not later than one year after the date of the enactment of this Act, the Administrator shall develop and distribute to appropriate Veterans' Administration personnel an indexed reference guide, derived from existing pertinent research-result compilations, designed to provide Veterans' Administration personnel who either furnish health care or adjudicate claims for benefits under title 38, United States Code, with readily usable information regarding the state of medical and other scientific information on any long-term adverse health effects in humans of exposure to ionizing radiation, including nuclear-device exposure, medical exposure, and occupational exposure.

(c)(1) For the purpose of ensuring that any study, research, or other activity carried out by the Federal Government with respect to adverse health effects in humans from exposure to ionizing radiation is scientifically valid and is conducted with efficiency and objectivity, the President shall ensure that—

(A) activities of the Veterans' Administration in connection with (i) study under subsection (a)(1)(A), (ii) the development of the guide required by subsection (b), and (iii) such additional research as may be identified, as a result of such study or the development of such guide or otherwise, as necessary for the resolution of questions regarding such effects are fully coordinated with studies and other activities which are planned, are being conducted, or have been completed by other departments, agencies, and instrumentalities of the Federal Government and which pertain to such effects, including the radioepidemiological tables mandated by section 7 of the Orphan Drug Act (Public Law 97-414; 96 Stat. 2059); and

(B) appropriate coordination and consultation occurs between and among the Administrator and the heads of such departments, agencies, and instrumentalities that may be engaged, during the conduct of study under subsection (a)(1)(A), in the design, conduct, monitoring, or evaluation of such radiation-exposure studies or related activities.

(2) Not later than 90 days after the date of the enactment of this Act, the President shall submit to the appropriate committees of the Congress a report containing a description of the steps taken and plans made to ensure the coordination and consultation required by paragraph (1).

RESTRICTIONS RELATING TO THE PALESTINE LIBERATION ORGANIZATION AND THE SOUTH WEST AFRICA PEOPLE'S ORGANIZATION

22 USC 287e note.

SEC. 114. (a) Funds appropriated for any fiscal year for the Department of State for “International Organizations and Conferences” may not be used for payment by the United States, as its contribution toward the assessed budget of the United Nations for any year, of any amount which would cause the total amount paid by the United States as its assessed contribution for that year to exceed the amount assessed as the United States contribution for that year less—

The President shall report to the Congress on any such project for which a portion of the United States assessed contribution is withheld and the amount withheld.

(d) Subsections (a)(3) and (b) shall not be construed as limiting United States contributions to the United Nations or its specialized agencies for projects whose primary purpose is to provide humanitarian, educational, developmental, and other nonpolitical benefits.
UNITED STATES PARTICIPATION IN THE UNITED NATIONS IF ISRAEL IS ILLEGALLY EXPELLED

Sec. 115. (a) The Congress finds that—

(1) the United Nations was founded on the principle of universality;

(2) the United Nations Charter stipulates that members may be suspended by the General Assembly only “upon the recommendation of the Security Council”; and

(3) any move by the General Assembly that would illegally deny Israel its credentials in the Assembly would be a direct violation of these provisions of the Charter.

(b) If Israel is illegally expelled, suspended, denied its credentials, or in any other manner denied its right to participate in the General Assembly of the United Nations or any specialized agency of the United Nations, the United States shall suspend its participation in the General Assembly or such specialized agency until the illegal action is reversed. The United States shall withhold payment of its assessed contribution to the United Nations or a specialized agency during any period in which United States participation is suspended pursuant to this section.

REVIEW OF UNITED STATES PARTICIPATION IN THE UNITED NATIONS

Sec. 116. (a) The Congress finds that—

(1) the United Nations was founded for the primary purpose of maintaining international peace and security by encouraging peaceful resolution of disputes and the development of friendly relations among nations;

(2) the United States, as a founding member of the United Nations and the largest contributor to the United Nations, became and remains a member of the United Nations in order to contribute to collective efforts among the nations of the world to realize the ends of international peace and security;

(3) the United States is committed to upholding and strengthening the principles and purposes of the United Nations Charter upon which the United Nations was founded.

(b) It is the sense of the Congress that—

(1) a review of United States participation in the United Nations is urgently called for with a view to examining—

(A) the extent and levels of United States financial contributions to the United Nations;

(B) the importance of the United Nations, as presently constituted, to fulfilling the policies and objectives of the United States;

(C) the benefits derived by the United States from participation in the United Nations;

(2) the President should review and make recommendations to the Congress regarding the matters described in this section by June 30, 1984; and

(3) the Secretary of State should communicate to the member states of the General Assembly of the United Nations the policy contained in this section.
REPORT ON POLICIES PURSUED BY OTHER COUNTRIES IN INTERNATIONAL ORGANIZATIONS

SEC. 117. The Secretary of State shall transmit to the Speaker of the House of Representatives and the chairman of the Committee on Foreign Relations of the Senate, by January 31 of each year, a report regarding the policies which each member country of the United Nations pursues in international organizations of which the United States is a member. The report shall describe generally each country's foreign policies as reflected in its activities in international organizations and shall detail their respective positions on major issues of interest to the United States, including key decisions relating to the budget of international organizations.

1985 CONFERENCE—UNITED NATIONS DECADE FOR WOMEN

SEC. 118. The President shall use every available means at his disposal to ensure that the 1985 Conference to commemorate the conclusion of the United Nations Decade for Women is not dominated by political issues extraneous to the goals of the 1985 Women's Conference that would jeopardize United States participation in and support for that Conference consistent with applicable legislation concerning United States contributions to the United Nations. Prior to the 1985 Conference, the President shall report to the Congress on the nature of the preparations, the adherence to the original goals of the Conference, and the extent of any continued United States participation and support for the Conference.

UNITED NATIONS WORLD ASSEMBLY ON AGING

SEC. 119. (a) The Congress finds that—

(1) in 1977 the Congress called for the United Nations to convene a World Assembly on Aging;

(2) the United Nations World Assembly on Aging was held in Vienna, Austria, from July 26 to August 6, 1982, and unanimously adopted the Vienna International Plan of Action on Aging on August 6, 1982, which called for the development of policies designed to enhance the individual lives of the aging and to allow the aging to enjoy their advancing years in peace, health, and security;

(3) the United Nations General Assembly on December 3, 1982, unanimously endorsed the World Assembly International Plan of Action; and

(4) the General Assembly of the United Nations, in adopting the plan, called upon governments to make continuous efforts to implement the principles and recommendations contained in the Plan of Action as adopted by the World Assembly on Aging.

(b) Therefore, it is the sense of the Congress that the President should take steps to—

(1) encourage Government-wide participation in implementing the recommendations of the World Assembly and planning for the scheduled review in 1985 by the United Nations on the implementation of the Vienna International Plan of Action on Aging;

(2) encourage the exchange of information and the promotion of research on aging among the States, the Federal Government, international organizations, and other nations;
(3) encourage greater private sector involvement in responding to the concerns of the aging; and
(4) inform developing nations that the United States Government recognizes aging as an important issue, requiring close and sustained attention in national and regional development plans.

"(B) the international community should provide assistance, where appropriate, to those producer and transit countries which require assistance in discharging these primary obligations;
"(C) international narcotics control programs should include, as a priority, the progressive elimination of the illicit cultivation of the crops from which narcotic and psychotropic drugs are derived, and should also include the suppression of the illicit manufacture of and traffic in narcotic and psychotropic drugs; and
"(D) effective international cooperation is necessary to control the illicit cultivation, production, and smuggling of, trafficking in, and abuse of narcotic and psychotropic drugs.
This cooperation should include the development and transmittal of plans by each signatory country to the Single Convention on Narcotic Drugs, 1961, in which illicit narcotics and psychotropic crop cultivation exists, which would advise the International Narcotics Control Board, the United Nations Commission on Narcotic Drugs, and the international community of the strategy, programs, and timetable such country has established for the progressive elimination of that cultivation.
"(2) In order to promote such cooperation, the President is authorized to conclude agreements with other countries to facilitate control of the production, processing, transportation, and distribution of narcotics analgesics, including opium and its derivatives, other narcotic and psychotropic drugs, and other controlled substances.
(3) Notwithstanding any other provision of law, the President is authorized to furnish assistance to any country or international organization, on such terms and conditions as he may determine, for the control of narcotic and psychotropic drugs and other controlled substances.

(b) Section 481 of such Act (22 U.S.C. 2291) is amended by striking out subsection (e) and inserting in lieu thereof the following:
"(e)(1) Not later than February 1 of each year, the President shall transmit to the Speaker of the House of Representatives, and to the Committee on Foreign Relations of the Senate, a report on United States policy to establish and encourage an international strategy to prevent the illicit cultivation and manufacture of and traffic in narcotic and psychotropic drugs and other controlled substances.
(2)(A) Each report pursuant to this subsection shall describe the policies adopted, agreements concluded, and programs implemented by the Department of State in pursuit of its delegated responsibilities for international narcotics control, including policy development, bilateral and multilateral funding and other support for international narcotics control projects, representations of the United States Government to international organizations and agencies concerned with narcotics control, training of foreign enforcement personnel, coordination of the international narcotics control

Report to Congress.
activities of United States Government agencies, and technical assistance to international demand reduction programs.

(B) Each such report shall also describe the activities of the United States in international financial institutions to combat the entry of illicit narcotic and psychotropic drugs and other controlled substances into the United States.

(C) Each such report shall describe the activities for the fiscal year just ended, for the current fiscal year, and for the next fiscal year.

(3) Each such report shall identify those countries which are the significant direct or indirect sources of illicit narcotic and psychotropic drugs and other controlled substances significantly affecting the United States. For each such country, each report shall include the following:

(A) A detailed status report, with such information as can be reliably obtained, on the illicit narcotic or psychotropic drugs or other controlled substances which are being cultivated, produced, or processed in or transported through such country, noting significant changes in conditions, such as increases or decreases in the illicit cultivation and manufacture of and traffic in such drugs and substances.

(B) A description of the assistance under this chapter and the other kinds of United States assistance which such country received in the preceding fiscal year, which are planned for such country for the current fiscal year, and which are proposed for such country for the next fiscal year, with an analysis of the impact that the furnishing of each such kind of assistance has had or is expected to have on the illicit cultivation and manufacture of and traffic in narcotic and psychotropic drugs and other controlled substances in such country.

(C) A description of the plans, programs, and timetables adopted by such country for the progressive elimination of the illicit cultivation of narcotic and psychotropic drugs and other controlled substances, and a discussion of the adequacy of the legal and law enforcement measures taken and the accomplishments achieved in accord with these plans.

(4) In addition, each report pursuant to this subsection shall include, for each major illicit drug producing country for which the President is proposing to furnish United States assistance for the next fiscal year, a determination by the President of the maximum reductions in illicit drug production which are achievable during the next fiscal year. Such determination shall be based upon (A) the measures which the country is currently taking, and the measures which the country has planned for the next fiscal year, in order to prevent narcotic and psychotropic drugs and other controlled substances from being cultivated, produced, or processed illicitly, in whole or in part in such country, from being transported through such country to United States Government personnel or their dependents, or from entering the United States unlawfully, and (B) the other information provided pursuant to this subsection.

(5) For each major illicit drug producing country which received United States assistance for the preceding fiscal year, each report pursuant to this subsection shall set forth the actual reductions in illicit drug production achieved by that country during such fiscal year.

(f) As soon as possible after the transmittal of the report required by subsection (e), the designated representatives of the President...
shall initiate appropriate consultations with members of the Committee on Foreign Relations of the Senate and members of the Committee on Foreign Affairs of the House of Representatives. Such consultations shall include in-person discussions by designated representatives of the President (including the Assistant Secretary of State for International Narcotics Control and appropriate representatives of the Department of Health and Human Services, the Department of the Treasury, the Department of Defense, the Department of Justice, and the Agency for International Development) to review the worldwide illicit drug production situation and the role that United States assistance to major illicit drug producing countries, and United States contributions to international financial institutions, have in combating the entry of illicit narcotic and psychotropic drugs and other controlled substances into the United States. Such consultation shall include, with respect to each major illicit drug producing country for which the President is proposing to furnish United States assistance for the next fiscal year, the furnishing of—

"(1) a description of the nature of the illicit drug production problem;

"(2) an analysis of the climatic, geographic, political, economic, and social factors that affect the illicit drug production;

"(3) a description of the methodology employed to determine the maximum achievable reductions in illicit drug production described pursuant to subsection (e)(4); and

"(4) an analysis of any additional United States assistance that would be required to achieve those reductions.

The chairman of the Committee on Foreign Relations and the chairman of the Committee on Foreign Affairs shall each cause the substance of each consultation to be printed in the Congressional Record.

"(g) After consultations have been initiated pursuant to subsection (f), the Committee on Foreign Relations and the Committee on Foreign Affairs should hold a hearing to review the report submitted pursuant to subsection (e), especially the determinations described in subsection (e)(4). The hearing shall be open to the public unless the committee determines, in accordance with the rules of its House, that the hearing should be closed to the public.

"(h)(1) If the President determines that a major illicit drug producing country has failed to take adequate steps to prevent narcotic and psychotropic drugs and other controlled substances produced or processed, in whole or in part, in such country or transported through such country, from being sold illegally within the jurisdiction of such country to United States Government personnel or their dependents or from being smuggled into the United States—

"(A) the President shall suspend United States assistance to or for such country; and

"(B) the Secretary of the Treasury shall instruct the United States Executive Director of the International Bank for Reconstruction and Development, the United States Executive Director of the International Development Association, the United States Executive Director of the Inter-American Development Bank, and the United States Executive Director of the Asian Development Bank, to vote against any loan or other utilization of the funds of their respective institution to or for such country.

Suspension of U.S. assistance.
“(2) In determining whether adequate steps have been taken, the President shall give foremost consideration to whether the actions of the government of the country have resulted in the maximum reductions in illicit drug production which were determined to be achievable pursuant to subsection (e)(4). The President shall also consider whether such government has taken the legal and law enforcement measures to enforce in its territory, to the maximum extent possible, the elimination of illicit cultivation and the suppression of illicit manufacture of and traffic in narcotic and psychotropic drugs and other controlled substances, as evidenced by seizures of such drugs and substances and of illicit laboratories and the arrest and prosecution of violators involved in the traffic in such drugs and substances significantly affecting the United States.

“(3) If assistance to a country is suspended pursuant to this subsection, such suspension shall continue in force until the President determines, and reports to the Congress in writing, that the government of such country has taken the adequate steps described in paragraph (2) of this subsection, including—

“(A) having prepared, presented, and committed itself to a plan providing for the control, reduction, and gradual elimination of the illicit cultivation, production, processing, transportation, and distribution of narcotic and psychotropic drugs and other controlled substances within an explicitly stated period of time, with implementation commencing prior to the resumption of United States assistance to or for such country and prior to approval by the United States of the extension of any loan or the furnishing of any financial or technical assistance by any international financial institution to such country; and

“(B) having taken legal and law enforcement measures to enforce effective suppression of the illicit cultivation, production, processing, transportation, and distribution of narcotic and psychotropic drugs and other controlled substances.

“(i) As used in this section—

“(1) the term ‘legal and law enforcement measures’ means—

“(A) the enactment and implementation of laws and regulations or the implementation of existing laws and regulations to provide for the progressive control, reduction, and gradual elimination of the illicit cultivation, production, processing, transportation, and distribution of narcotic drugs and other controlled substances; and

“(B) the effective organization, staffing, equipping, funding, and activation of those governmental authorities responsible for narcotics control;

“(2) the term ‘major illicit drug producing country’ means a country producing five metric tons or more of opium or opium derivative during a fiscal year or producing five hundred metric tons or more of coca or marijuana (as the case may be) during a fiscal year;

“(3) the term ‘narcotic and psychotropic drugs and other controlled substances’ has the same meaning as is given by any applicable international narcotics control agreement or domestic law of the country or countries concerned; and

“(4) the term ‘United States assistance’ means assistance of any kind which is provided by grant, sale, loan, lease, credit, guaranty, or insurance, or by any other means, by any agency or instrumentality of the United States Government to any foreign country, including—
“(A) assistance under this Act (including programs under title IV of chapter 2 of this part);
“(B) sales, credits, and guaranties under the Arms Export Control Act;
“(C) sales under title I or III and donations under title II of the Agricultural Trade Development and Assistance Act of 1954 of nonfood commodities;
“(D) other financing programs of the Commodity Credit Corporation for export sales of nonfood commodities; and
“(E) financing under the Export-Import Bank Act of 1945; except that the term ‘United States assistance’ does not include
(i) international narcotics control assistance under this chapter,
(ii) disaster relief assistance (including any assistance under chapter 9 of this part), (iii) assistance which involves the provision of food or medicine, (iv) assistance for refugees, (v) assistance under the Inter-American Foundation Act, or (vi) activities authorized pursuant to the National Security Act of 1947 (50 U.S.C. 401 et seq.), the Central Intelligence Agency Act of 1949 (50 U.S.C. 403a et seq.), or Executive Order Number 12333 (December 4, 1981).
“(j) The Department of State shall encourage the International Narcotics Control Board and the United Nations Commission on Narcotic Drugs to take such actions as are appropriate and necessary to secure from signatory countries to the Single Convention on Narcotic Drugs, 1961, the plans described in this section, and to obtain reports from such countries on their achievements under such plans.”.

TERMINATION OF ASSISTANCE PROGRAMS FOR SYRIA

Sec. 1004. (a) After the enactment of this section, funds available to the Agency for International Development may not be used for any payment or reimbursement of any kind to the Government of Syria or for the delivery of any goods or services of any kind to the Government of Syria.

(b) The Administrator of the Agency for International Development shall deobligate all funds which have been obligated for Syria under the Foreign Assistance Act of 1961 prior to the enactment of this section, except that—

(1) such funds may continue to be used to finance the training or studies outside of Syria of students whose course of study began before the enactment of this section;

(2) the Administrator may adopt as a contract of the United States Government any contract with a United States or third-country contractor which would otherwise be terminated pursuant to this subsection, and may assume in whole or in part any liabilities arising under such contract, except that the authority provided by this paragraph may be exercised only to the extent that budget authority is available to meet the obligations of the United States under such contracts; and

(3) amounts certified pursuant to section 1311 of the Supplemental Appropriation Act, 1955, as having been obligated for Syria under chapter 4 of part II of the Foreign Assistance Act of 1961 shall continue to be available until expended to meet necessary expenses arising from the termination of assistance programs for Syria pursuant to this subsection.

Sec. 1005. (a) Notwithstanding any other provision of law, none of the funds authorized to be appropriated by this Act or any other Act may be obligated or expended for the purpose or with the effect of promoting, sustaining, or augmenting, directly or indirectly, the capacity of the Khmer Rouge or any of its members to conduct military or paramilitary operations in Kampuchea or elsewhere in Indochina.

(b) All funds appropriated before the date of enactment of this section which were obligated but not expended for activities having the purpose or effect described in subsection (a) shall be deobligated and shall be deposited in the Treasury of the United States as miscellaneous receipts.

(c) This section shall not be construed as limiting the provision of food, medicine, or other humanitarian assistance to the Kampuchean people.

Sec. 1006. (a) The Congress finds that—
(1) the Soviet Union arrested one of the great heroes of modern times in 1945 when they arrested Raoul Wallenberg;
(2) Raoul Wallenberg was a Swedish diplomat who, at great personal risk, had acted to save hundreds of thousands of Hungarian Jews from the Nazi Holocaust;
(3) Raoul Wallenberg took these actions as a humanitarian and with the knowledge, consent, and financial assistance of the United States Government;
(4) Raoul Wallenberg has recently been made an honorary citizen of the United States;
(5) the Soviet Union has changed their story a number of times about the whereabouts of Raoul Wallenberg;
(6) the most recent position of the Soviet Union is that he died in 1947;
(7) there are many eyewitnesses who have testified that they saw Raoul Wallenberg in Russian prisons and hospitals in the decades since the 1940's;
(8) one of the most recent eyewitnesses was Jan Kaplan, a Russian refusnik who shortly after his release from a Soviet jail in 1977, phoned his daughter, Doctor Anna Bilder, in Israel and reported that he had met a Swede in prison who had survived thirty years in the Gulag;
(9) during the next two years, Anna Bilder received no further word from or about her father;
(10) in July 1977, Jan Kaplan's wife smuggled a letter to Doctor Bilder informing her that Jan Kaplan had been rearrested because of a letter he had tried to smuggle to her about Raoul Wallenberg;
(11) in 1980, the Swedish Government sent an official request to interview Jan Kaplan;
(12) the Soviets made no response to this request;
(13) the whereabouts of Jan Kaplan are not known; and
(14) Jan Kaplan could provide valuable information about Raoul Wallenberg.

(b) It is the sense of the Congress that the President, acting directly or through the Secretary of State, should take all possible
steps at all appropriate times to ascertain the whereabouts of Jan Kaplan and to request an interview with him in order to learn more concerning the whereabouts of Raoul Wallenberg.

POLICY TOWARD THE EXPORT OF NUCLEAR-RELATED EQUIPMENT, MATERIALS, OR TECHNOLOGY TO INDIA, ARGENTINA, AND SOUTH AFRICA

Sec. 1007. (a) It is the sense of Congress that the United States Government should disapprove the export of, and should suspend or revoke approval for the export of, any nuclear-related equipment, material, or technology, including nuclear components and heavy water, to the Government of India, Argentina, or South Africa until such time as such government gives the Government of the United States stronger nuclear nonproliferation guarantees. Such guarantees should include—

(1) reliable assurances by such government that it is not engaged in any program leading to the development, testing, or detonation of nuclear explosive devices; and

(2) agreement by such government to accept international safeguards on all its nuclear facilities.

(b) If the President determines, in the case of India's Tarapur reactor, while it is under International Atomic Energy Agency inspection, that certain equipment or nonnuclear material or technology is necessary for humanitarian reasons to protect the health and safety of operations and is not available from a foreign supplier, the President may authorize the export of such equipment or nonnuclear material or technology.

ACID RAIN

Sec. 1008. (a) The Congress finds the following:

(1) Acid deposition, commonly known as “acid rain” is believed to have caused serious damage to the natural environment in large parts of Canada and the United States and has raised justified concerns among citizens of both countries.

(2) Acid rain is believed to have caused billions of dollars of damage annually to both natural and manmade materials. It damages crops and the forests which support 25 per centum of the Canadian economy and much of our own. It threatens marine life in fresh water lakes, rivers, and streams.

(3) The principal sources of acid rain are believed to be emissions resulting from power generation, industrial production, mineral smelters, and automobile transportation which originate in both the United States and Canada and which affect the environment of the other.

(4) Section 612 of the Foreign Relations Authorization Act, fiscal year 1979, called upon the President to “make ever effort to negotiate a cooperative agreement with the Government of Canada aimed at preserving the mutual airshed of the United States and Canada so as to protect and enhance air resoures”.

(5) On August 5, 1980, the Governments of Canada and the United States signed a Memorandum of Intent committing both parties “to develop a bilateral agreement which will reflect and further the development of effective domestic control programs and other measures to combat transboundary air pollution,” and, as an interim action, committing both parties to “promote
vigorous enforcement of existing laws and regulations” and “to develop domestic air pollution control policies and strategies, and as necessary and appropriate, seek legislative or other support to give effect to them”.

(6) The Government of Canada has made a formal offer to reduce eastern emissions of sulfur dioxide by 50 per centum by 1990 should the United States make a comparable commitment.

(7) Both the United States and Canada have taken steps to reduce transboundary pollutants. Present United States air emission standards are the most stringent in the world. In the past decade, the United States has reduced sulfur dioxide emissions by 15 per centum. However, the failure of the United States to respond in a timely manner to concerns about transboundary air pollution would harm the historically close relations between the United States and Canada.

(8) The strategies and techniques adopted to control air pollution emissions should weigh heavily the employment and other economic effects on employment in the United States and Canada of the acid precipitation, electricity generation, manufacture, distribution and installation of pollution control equipment, and any curtailment of emission producing industrial activity.

(b) It is therefore the sense of the Congress that the President should—

(1) respond constructively to the Canadian offer on air pollution emissions;

(2) proceed to negotiate as expeditiously as possible a bilateral agreement with Canada providing for significant reductions in transboundary air pollution while keeping economic dislocations in both countries to the minimum possible; and

(3) consider prompt initiation of a joint Government-supported program to develop new cost-effective technologies that will facilitate reduction of sulfur dioxide emissions and other copollutants;

(4) instruct the Secretary of State to report to the Congress no later than December 1, 1983, on the progress toward achieving a new transboundary air pollution agreement, including a cooperative program on new technologies.

INTERNATIONAL AGREEMENTS ON NATURAL GAS

SEC. 1009. (a) The Congress finds that—

(1) the foreign policy and economic well-being of the United States depend on mutually beneficial relationships with our trading partners throughout the world;

(2) America's present economic difficulties have been caused in part by the huge increases in the price of energy, especially imported energy, during the 1970's;

(3) at a time when prices for other forms of energy are stabilizing or falling, the burner-tip price of natural gas continues to rise throughout the United States;

(4) the high price of natural gas is a severe hardship for low-income persons, the elderly, the agricultural industry, small businesses, and other consumers without alternative fuel sources;

(5) high-priced imported natural gas is a major factor contributing to these price increases;
(6) imports of high-priced natural gas continue at prices above fair market levels, despite the increased availability of uncommitted and ample supplies of lower priced domestic gas;
(7) it is in the interest of the United States to continue to import natural gas from secure sources in whatever quantity consumers require, as long as the price is fair;
(8) the principles of free and fair international trade require that natural gas prices and terms of trade be made fair to all trading partners; and
(9) the immediacy of this problem requires the prompt and serious attention of all parties involved.

(b) It is the sense of the Congress that—
(1) the United States Government should move immediately to promote lower prices and fair market conditions for imported natural gas; and
(2) within thirty days after the date of enactment of this section, the Secretary of State, with the assistance of the Secretary of Energy, should prepare and transmit to the Congress a report on the progress made in achieving lower prices and fair market conditions for imported natural gas.

PREPUBLICATION REVIEW OF WRITINGS OF FORMER FEDERAL EMPLOYEES

Sec. 1010. The head of a department or agency of the Government may not, before April 15, 1984, enforce, issue, or implement any rule, regulation, directive, policy, decision, or order which (1) would require any officer or employee to submit, after termination of employment with the Government, his or her writings for prepublication review by an officer or employee of the Government, and (2) is different from the rules, regulations, directives, policies, decisions, or orders (relating to prepublication review of such writings) in effect on March 1, 1983.

ELIMINATION AND MODIFICATION OF REPORTS

Sec. 1011. (a) The following provisions are repealed:
(1) Section 126(c) of the Foreign Relations Authorization Act, fiscal year 1979 (22 U.S.C. 2691 note).
(2) Section 405(b) of the Foreign Relations Authorization Act, fiscal year 1979 (22 U.S.C. 1048 note).
(3) Section 12(d) of the Taiwan Relations Act (22 U.S.C. 3311(d)).
(4) Section 4 of the Act of November 13, 1979 (Public Law 96-110; 93 Stat. 844).

(b) Section 412(b)(1)(B) of the Immigration and Nationality Act (8 U.S.C. 1522(b)(1)(B)) is amended—
(1) by striking out the first sentence; and
(2) by striking out "after such study" in the second sentence.
EXTENDED VOLUNTARY DEPARTURE STATUS FOR CERTAIN EL SALVADORANS

Sec. 1012. (a) The Congress finds that—

(1) ongoing fighting between the military forces of the Government of El Salvador and opposition forces is creating potentially life-threatening situations for innocent nationals of El Salvador;

(2) thousands of El Salvadoran nationals have fled from El Salvador and entered the United States since January 1980;

(3) currently the United States Government is detaining these nationals of El Salvador for the purpose of deporting or otherwise returning them to El Salvador, thereby irreparably harming the foreign policy image of the United States;

(4) deportation of these nationals could be temporarily suspended, until it became safe to return to El Salvador, if they are provided with extended voluntary departure status; and

(5) such extended voluntary departure status has been granted in recent history in cases of nationals who fled from Vietnam, Laos, Iran, and Nicaragua.

(b) Therefore, it is the sense of the Congress that—

(1) the Secretary of State should recommend that extended voluntary departure status be granted to aliens—

   (A) who are nationals of El Salvador,

   (B) who have been in the United States since before January 1, 1983,

   (C) who otherwise qualify for voluntary departure (in lieu of deportation) under section 242(b) or 244(e) of the Immigration and Nationality Act (8 U.S.C. 1252(b) and 1254(e)), and

   (D) who were not excludable from the United States at the time of their entry on any ground specified in section 212(a) of the Immigration and Nationality Act (8 U.S.C. 1182(a)) other than the grounds described in paragraphs (14), (15), (20), (21), and (25); and

(2) such status should be granted to those aliens until the situation in El Salvador has changed sufficiently to permit their safely residing in that country.

EXPEDITED PROCEDURES FOR CERTAIN JOINT RESOLUTIONS AND BILLS

Sec. 1013. Any joint resolution or bill introduced in either House which requires the removal of United States Armed Forces engaged in hostilities outside the territory of the United States, its possessions and territories, without a declaration of war or specific statutory authorization shall be considered in accordance with the procedures of section 601(b) of the International Security Assistance
and Arms Export Control Act of 1976, except that any such resolution or bill shall be amendable. If such a joint resolution or bill should be vetoed by the President, the time for debate in consideration of the veto message on such measure shall be limited to twenty hours in the Senate and in the House shall be determined in accordance with the Rules of the House.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SHORT TITLE

SECTION 1. This Act may be cited as the “Grand Ronde Restoration Act”.

RESTORATION OF FEDERAL RECOGNITION, RIGHTS, AND PRIVILEGES

Sec. 4. (a) Federal Recognition.—Notwithstanding any provision of the Act approved August 13, 1954 (25 U.S.C. 691 et seq.) or any other law, Federal recognition is extended to the Confederated Tribes of the Grand Ronde Community of Oregon and the corporate charter of such tribe issued pursuant to section 17 of the Act approved June 18, 1934 (25 U.S.C. 477) and ratified by the tribe on August 22, 1936, is reinstated. Except as otherwise provided in this Act, all laws and regulations of the United States of general
application to Indians or nations, tribes, or bands of Indians which are not inconsistent with any specific provision of this Act shall be applicable to the tribe.

(b) Restoration of Rights and Privileges.—Except as provided in subsection (d), all rights and privileges of the tribe and the members of the tribe under any Federal treaty, Executive order, agreement, or statute, or under any other Federal authority, which may have been diminished or lost under the Act approved August 13, 1954 (25 U.S.C. 691 et seq.) are restored, and the provisions of such Act shall be inapplicable to the tribe and to members of the tribe after the date of enactment of this Act.

Any member residing in any such county shall continue to be eligible to receive any such Federal service notwithstanding the establishment of any reservation for the tribe in accordance with any plan prepared pursuant to section 8.

(d) No Hunting, Fishing or Trapping Rights Restored.—No hunting, fishing, or trapping rights of any nature of the tribe or of any member, including any indirect or procedural right or advantage over individuals who are not members, are granted or restored under this Act.

(e) Effect on Property Rights and Other Obligations.—Except as otherwise specifically provided in this Act, no provision contained in this Act shall alter any property right or obligation, any contractual right or obligation, or any obligation for taxes already levied.

INTERIM COUNCIL

SEC. 5. (a) Establishment.—There is established an Interim Council of the tribe which shall be composed of nine members. The Interim Council shall represent the tribe and its members in the implementation of this Act and shall be the governing body of the tribe until the tribal governing body established in accordance with section 6 first convenes.

(b) Nomination and Election of Interim Council Members.—(1) Within forty-five days after the date of the enactment of this Act, the Secretary shall announce the date of a general council meeting of the tribe to nominate candidates for election to the Interim Council. Such general council meeting shall be held within fifteen days of such announcement.

(2) Within forty-five days after such general council meeting, the Secretary shall hold an election by secret ballot to elect the members of the Interim Council from among the members nominated in

25 USC 713c.
such general council meeting. Absentee and write-in balloting shall be permitted.

(3) The Secretary shall approve the results of the Interim Council election conducted pursuant to this section if he is satisfied that the requirements of this section relating to the nomination and the election processes have been met. If he is not satisfied, he shall call for another general council meeting to be held within sixty days after such election to nominate candidates for election to the Interim Council and shall hold another election within forty-five days of such meeting.

(4) The Secretary shall take any action necessary to ensure that each member described in section 7(d) of this Act is given notice of the time, place, and purpose of each meeting and election held pursuant to this subsection at least ten days before such general meeting or election.

(c) AUTHORITY AND CAPACITY; TERMINATION.—(1) The Interim Council shall have no powers other than those given it under this Act.

(2) With respect to any Federal service or benefit for which the tribe or any member is eligible, the Interim Council shall have full authority and capacity to receive grants and to enter into contracts.

(3)(A) Except as provided in subparagraph (B), the Interim Council and such Council's authority and capacity under this section shall cease to exist on the date the tribal governing body first convenes.

(B) With respect to any contractual right established and any obligation entered into by the Interim Council, such Council shall have the authority and capacity to bind the tribal governing body, as the successor in interest to the Interim Council, for a period of not more than six months beginning on the date such tribal governing body first convenes.

SPECIAL DEPOSIT AND OFFSET RULES RELATING TO RETIREMENT BENEFITS FOR INTERIM COVERED SERVICE

SEC. 206. (a) For the purposes of this section, the term "interim covered service" means covered service to which section 204(a) applies.

(b)(1) Paragraphs (2) and (3) apply according to the provisions thereof only with respect to a covered employee who is employed by the Government on December 31, 1983.

(2)(A) Notwithstanding any other provision of law, the interim covered service of such covered employee shall be considered—

(i) in determining entitlement to and computing the amount of an annuity (other than a disability or survivor annuity) commencing under a covered retirement system during the period beginning January 1, 1984, and ending on the earlier of the date a new Government retirement system takes effect or January 1, 1986, by reason of the retirement of such covered employee during such period only if such covered employee makes a deposit to the credit of such covered retirement system for such covered service in an amount computed as provided in subsection (f); and

(ii) in computing a disability or survivor annuity which commences under a covered retirement system during such period and is based in any part on such interim covered service.

(B) Notwithstanding any other provision of law, an annuity to which subparagraph (A)(ii) applies shall be reduced by the portion of the amount of any benefits which is payable under title II of the Social Security Act and is attributable to the interim covered service considered in computing the amount of such annuity, as determined under subsection (g), unless, in the case of a survivor annuity, a covered employee has made a deposit with respect to such covered service for the purposes of subparagraph (A)(i) before the date on which payment of such annuity commences.

(3) Notwithstanding any other provision of law, if a new Government retirement system is not established or is inapplicable to such a covered employee who retires or dies subject to a covered retirement system after the date on which such new Government retirement system takes effect, the interim covered service of such covered employee shall be considered in determining entitlement to and computing the amount of an annuity under a covered retirement system based on the service of such covered employee only if such covered employee makes a deposit to the credit of such covered retirement system for such covered service in an amount computed as provided in subsection (f).

(c)(1) Paragraphs (2) and (3) apply according to the provisions thereof only with respect to a covered employee who was not employed by the Government on December 31, 1983.

(2) Notwithstanding any other provision of law, an annuity which commences under a covered retirement system during the
period described in subsection (b)(2)(A)(i) and is based, in any part, on interim covered service shall be reduced by the portion of the amount of any benefits which is payable under title II of the Social Security Act to the annuitant and is attributable to such service, as determined under subsection (g).

(d) If a covered employee with respect to whom subsection (b)(3) or (c)(3) applies dies without having made a deposit pursuant to such subsection, any individual who is entitled to an annuity under a covered retirement system based on the service of such covered employee or who would be entitled to such an annuity if such deposit had been made by the covered employee before death may make such deposit after the date of death of such covered employee. Service covered by a deposit made pursuant to the first sentence shall be considered in determining, in the case of each individual to whom the first sentence applies, the entitlement to and the amount of an annuity under a covered retirement system based on the service of such covered employee.

In the case of an annuity of a participant or former participant in a covered retirement system, of a surviving spouse or child of such participant or former participant, or of any other person designated by such participant or former participant to receive an annuity, under a covered retirement system (other than a former spouse) the reduction in annuity under subsection (b)(2)(B) or (c)(2) shall be calculated before any reduction in such annuity provided under such system for the purpose of paying an annuity under such system to any former spouse of such participant or former participant based on the service of such participant or former participant.

(f) For the purposes of subsection (b) or (c), the amount of a deposit to the credit of the applicable covered retirement system shall be equal to the excess of—

1. the total amount which would have been deducted and withheld from the basic pay of the covered employee for the interim covered service under such covered retirement system but for the application of section 204(a), over

2. the amount which was deducted and withheld from such basic pay for such interim covered service pursuant to section 204(a) and was not refunded to such covered employee.

(g) For the purpose of subsections (b)(2)(B) and (c)(2), the portion of the amount of the benefits which is payable under title II of the Social Security Act to an individual and is attributable to interim covered service shall be determined by—

1. computing the amount of such benefits including credit for such service;
(2) computing the amount of such benefits, if any, without
including credit for such service; and
(3) subtracting the amount computed under clause (2) from
the amount computed under clause (1).

TITLE I—DAIRY

SHORT TITLE

SEC. 101. This title may be cited as the "Dairy Production Stabilization Act of 1983".

Subtitle A—Dairy Stabilization Program

DAIRY PRODUCTION STABILIZATION

SEC. 102. (a) Section 201(d) of the Agricultural Act of 1949 (7 U.S.C. 1446(d)) is amended to read as follows:

"(d) Notwithstanding any other provision of law—

"(1)(A) Effective for the period beginning with the date of enactment of the Dairy Production Stabilization Act of 1983 and ending on the last day of the month of enactment of such Act, the price of milk shall be supported at a rate equivalent to $13.10 per hundredweight for milk containing 3.67 per centum milkfat.

"(B) Effective for the period beginning on the first day of the first calendar month following the date of enactment of the Dairy Production Stabilization Act of 1983 and ending on September 30, 1985, the price of milk shall be supported at a rate equivalent to $12.60 per hundredweight for milk containing 3.67 per centum milkfat, except that—

"(i) on April 1, 1985, if the Secretary estimates that for the twelve-month period beginning on such date net price support purchases of milk or the products of milk would be in excess of six billion pounds milk equivalent, the Secretary may reduce the price support rate in effect on such date in the amount of 50 cents per hundredweight; and

"(ii) on July 1, 1985—

"(I) if the Secretary estimates that for the twelve-month period beginning on such date net price support purchases of milk or the products of milk would be in excess of five billion pounds milk equivalent, the Secretary may reduce the price support rate in effect on such date in the amount of 50 cents per hundredweight; or

"(II) if the Secretary estimates that for the twelve-month period beginning on such date net price support..."
purchases of milk or the products of milk would be five billion pounds milk equivalent or less and if the Secretary determines it necessary in order to assure an adequate supply of pure and wholesome milk to meet current needs, the Secretary may increase the price support rate in effect on such date in an amount not less than 50 cents per hundredweight.

"(C) The price of milk shall be supported through the purchase of milk and the products of milk.

"(2)(A)(i) Effective for the period beginning with the first day of the first calendar month following the date of enactment of the Dairy Production Stabilization Act of 1983 and ending on March 31, 1985, to encourage the adjustment of milk production to levels consistent with the national demand for milk and the products of milk, the Secretary shall provide for a reduction of 50 cents per hundredweight to be made in the price received on all milk produced in the United States and marketed by producers for commercial use.

"(ii) Effective for the period beginning with the date of enactment of the Dairy Production Stabilization Act of 1983 and ending on the last day of the month of enactment of such Act, the provisions of paragraphs (2) through (7) of subsection (d) of this section, as in effect on the day immediately prior to the date of enactment of the Dairy Production Stabilization Act of 1983, shall be applicable to all milk produced in the United States and marketed by producers for commercial use. Enactment of the Dairy Production Stabilization Act of 1983 shall not affect in any manner the collection or enforcement of any deduction from the price of milk previously implemented by the Secretary under this subsection as in effect for any milk marketed for commercial use prior to the effective date of the reduction provided for in this paragraph, as added by section 102(a) of the Dairy Production Stabilization Act of 1983.

"(B) The funds represented by the reduction in the price required to be applied to the marketings of milk by a producer under subparagraph (A) shall be collected and remitted to the Commodity Credit Corporation, at such time and in such manner as prescribed by the Secretary, by each person making payment to a producer for milk purchased from the producer, except that in the case of a producer who markets milk of the producer's own production directly to consumers, such funds shall be remitted directly to the Corporation by the producer.

"(C) To the extent that funds collected under this paragraph are inadequate to make the payments to producers who reduce marketings under paragraph (3), such payments shall be made using funds otherwise available to the Corporation. The funds remitted to the Corporation under this paragraph shall be considered as included in the payments to a producer of milk for purposes of the minimum price provisions of the Agricultural Adjustment Act of 1933, as reenacted and amended by the Agricultural Marketing Agreement Act of 1937.

"(3)(A) The Secretary shall, not later than January 1, 1984, provide for a milk diversion program under which the Secretary shall offer to enter into a contract, at any time up to February 1, 1984, with any producer of milk in the United States for the purpose of reducing the quantity of milk marketed by the producer for commercial use during the fifteen-month period Ante, p. 1128.
beginning on January 1, 1984. Each producer of milk in the
United States seeking to enter into a contract for diversion
payments under this paragraph shall, prior to entering into
such contract, provide the Secretary with a plan that (i)
describes the manner in which the producer intends to achieve
the reduction in milk marketings that would be required under
such contract, and (ii) includes an estimate by the producer of
the amount of such reduction which the producer intends to
achieve through increased slaughter of dairy cattle (including
the approximate number of dairy cattle that will be sold for
slaughter during each month of the contract). In setting the
terms and conditions of such contracts, the Secretary shall take
into account any adverse impact of the reductions in milk
production on beef, pork, and poultry producers in the United
States and shall take all feasible steps to minimize such impact.

(B) Each such contract shall require that—

(i) the producer shall reduce the quantity of milk mar-
keted for commercial use in an amount equal to a percent-
age specified by the producer, but not less than 5 per
centum nor more than 30 per centum, of the quantity of
milk marketed by such producer for commercial use during
the marketing history period described in subparagraph (F);

(ii) any production capacity of a facility that becomes
available for use because a producer reduces milk produc-
tion in order to comply with the contract shall not be used
by the producer, or made available by the producer for use
by any other person, for the production of milk;

(iii) any dairy cattle that would or could have been used
by the producer for the production of milk if the producer
had not entered into and complied with such contract shall
not have been sold, leased, or otherwise transferred to
another person after November 8, 1983, except as permitted
by the Secretary up to the date of enactment of the Dairy
Production Stabilization Act of 1983 in order to further the
purposes of this Act, or unless such cattle are sold for
slaughter or sold or transferred to another producer with
respect to whom there is in effect a contract entered into
under this subsection, except that the Secretary may, to the
extent practicable and to the extent deemed consistent with
the goals of the diversion program, permit the sale of
registered, purebred cattle for breeding purposes subject to
such terms and conditions as the Secretary may prescribe
based on a history of such sales by the producer or the sale
or transfer of any dairy cattle if the Secretary determines
that such sale or transfer does not result in adversely
affecting the purpose of the program; and

(iv) the producer shall repay to the Secretary the entire
payment received under this paragraph, including simple
interest payable at a rate prescribed by the Secretary which
shall, to the extent practicable, reflect the cost to the
Corporation of its borrowings from the United States Treas-
ury, commencing on the date payment is first received
under this paragraph, if the producer fails to comply with
such contract.

(C) Except as provided in subparagraph (D), the Secretary
shall pay to a producer who complies with a contract, entered
into under this paragraph, an amount equal to the product of
§10 per hundredweight and the amount, measured in hundredweights, by which the quantity of milk marketed by such producer for commercial use during the period specified in such contract is less than the quantity of milk marketed by such producer for commercial use during the marketing history period.

"(D) No payment may be made under subparagraph (C) to a producer with respect to—

"(i) any reduction in the quantity of milk marketed by the producer for commercial use that exceeds the lesser of 30 per centum of the aggregate quantity of milk marketed by the producer for commercial use during the producer's marketing history period, or the sum of—

"(I) the reduction in the quantity of milk marketed for commercial use required under the provisions of the contract the producer has entered into under this paragraph, after any adjustment by the Secretary under subparagraph (E); and

"(II) 3 per centum of the quantity of milk marketed by the producer for commercial use during such producer's marketing history period;

"(ii) any reduction in the quantity of milk marketed by the producer for commercial use if such reduction is less than the larger of 5 per centum of the aggregate quantity of milk marketed by the producer for commercial use during the producer's marketing history period, or the difference between

"(I) the reduction in the quantity of milk marketed for commercial use required under the provisions of the contract the producer has entered into under this paragraph, after any adjustment by the Secretary under subparagraph (E); and

"(II) 3 per centum of the quantity of milk marketed by the producer for commercial use during such producer's marketing history period;

"(iii) except as provided in subparagraph (H), any reduction in the quantity of milk marketed for commercial use by a producer who, as determined by the Secretary, was not actively engaged in the production of milk for commercial use as of the date of enactment of the Dairy Production Stabilization Act of 1983; and

"(iv) any reduction in the quantity of milk marketed for commercial use by a producer who violates any requirement specified in this paragraph.

"(E) The Secretary may, in accordance with such rules or procedures as prescribed by the Secretary, modify contracts entered into under this paragraph if the Secretary determines that, as a result of contracts entered into under this paragraph, (i) there would be an excessive reduction in the level of milk production in the United States, or (ii) there has been a substantial hardship to producers of beef cattle, dairy cattle, hogs, or poultry sold for slaughter. If, under the provisions of clause (ii), the Secretary should specify a reduction in marketings in any quarter that is less than the percentage specified in the contract, such modification shall not be so great as to require the producer to make a reduction in excess of 150 per centum of the reduction required by the contract in any succeeding quarter:
Provided, That after making any adjustments in milk marketed for commercial use in any period of the contract, except to the extent required by the foregoing provisions of this sentence, the aggregate reduction in milk marketed for commercial use for the entire diversion period must continue to be at least equal to the total reduction required by the contract. In the event of a modification, under clause (i) of this subparagraph, the Secretary may reduce the required reduction among all contracts on such basis as the Secretary determines will serve to reduce future dairy surpluses. In no event shall any reduction under this paragraph be apportioned on the basis of geographic region or area.

"(F) Any producer of milk in the United States seeking to enter into a contract for diversion payments under this paragraph shall provide the Secretary with evidence of such producer's marketing history. The marketing history shall be the marketings of milk by such producer for commercial use during calendar year 1982 (with production during the January through March quarter to be counted by the Secretary as corresponding to both the first and the last quarters of the fifteen-month diversion contract) or, at the option of the producer, the average marketings of milk by the producer during calendar years 1981 and 1982 (with production during the January through March quarter of each such year to be counted by the Secretary as corresponding to both the first and last quarters of the fifteen-month diversion contract). The producer's marketing history may be adjusted as the Secretary determines necessary to correct for abnormally low production resulting from a natural disaster or other condition beyond the control of the producer or such other factors as the Secretary determines necessary to provide a fair and equitable marketing history.

"(G) No marketing history shall be assigned to any producer who commenced marketing of milk after December 31, 1982, except as provided in subparagraph (H).

"(H) A producer's marketing history established under this paragraph shall not be transferable to any other person, unless the entire milk production facility used by the producer to produce milk for commercial use during the marketing history period and the producer's entire dairy herd were transferred by reason of the death of the producer, by reason of a gift from the producer, or to a member or members of the family of the producer. The term 'member of the family of the producer' means (i) an ancestor of the producer, (ii) the spouse of the producer, (iii) a lineal descendant of the producer, or the producer's spouse, or a parent of the producer, or (iv) the spouse of any such lineal descendant.

"(I) Eligibility for diversion payments shall be determined on the basis of the marketing history provided for in subparagraph (F).

"(J)(i) Producers eligible for diversion payments shall apply for such payments at the end of each quarter. Payment may be made to any producer who can establish that marketings of milk by such producer for commercial use have been reduced from the level of marketings during the corresponding period of the marketing history period in an amount as specified by the Secretary for each quarter in the contract. Provided, That the aggregate quantity of such reductions for the entire diversion
period must be at least equal to the total reduction required by
the contract. Prior to approving such payment, the Secretary
shall require evidence that such reduction in marketings has
taken place. As part of such evidence, the producer shall certify,
in a form specified by the Secretary, that such reduction is a net
decrease in marketings of milk for commercial use and has not
been offset by expansion of production in other production
facilities in which the producer has an interest, or by transfer of
partial interest in the production facility, or by employment of
such other scheme or device to qualify for payment for which
such producer would otherwise not be eligible.

"(ii) Payments made under this paragraph during the con-
tract period shall be considered preliminary settlements for
reductions in marketings. A final settlement shall be made
following the end of the contract period and shall be based on
the volume of marketings for the entire contract period. If,
based on total marketings for the contract period, it is
determined that preliminary settlements have resulted in over-
payments to the producer, the Secretary shall recover such
overpayments from such producer.

"(K) Application for payment shall be made by producers
through the county committees established under section 8(b) of
the Soil Conservation and Domestic Allotment Act.

"(L) A producer may assign a contract entered into under this
paragraph only if—

"(i) the producer's interest in the entire milk production
facility and the entire dairy herd used by the producer to
produce milk for commercial marketings have been trans-
ferred as a unit to the person to whom the assignment is to
be made;

"(ii) the assignee is a person to whom the producer's
marketing history may be transferred under subparagraph
(H);

"(iii) the producer and the assignee agree in writing that
the assignee shall succeed to all rights and liabilities of the
producer under the contract; and

"(iv) a copy of such writing is submitted to the Secretary
before the transfer occurs.

"(M) A contract entered into under this paragraph by a
producer who by reason of death cannot perform or assign such
contract may be performed or assigned, in accordance with
subparagraph (L), by the estate of such producer.

"(N) If the provisions for reductions in the price received for
milk marketed for commercial use as provided for in paragraph
(2) are held to be invalid by any court, or the Secretary is
restrained or enjoined by any court from implementing such
provisions, the Secretary shall immediately suspend making
any diversion payments under this paragraph for the period
beginning with the date of such court action and shall resume
making such payments only if such court action is overruled,
stayed, or terminated.

"(O) If the Secretary determines that there has been a
marked deviation in the composition of milk marketed for
commercial use by a producer from that of such producer's
marketings during the marketing history period, an adjustment
as determined appropriate by the Secretary shall be made in
the producer's diversion payments to reflect the composition of milk marketed during the marketing history period.

"(4) Each producer who markets milk and each person required to make payment to the Corporation under this subsection shall keep such records and make such reports, in such manner, as the Secretary determines necessary to carry out this subsection. The Secretary may make such investigations as the Secretary deems necessary for the effective administration of this subsection or to determine whether any person subject to the provisions of this subsection has engaged or is engaged or is about to engage in any act or practice that constitutes or will constitute a violation of any provision of this subsection or regulation issued under this subsection. For the purpose of such investigation, the Secretary may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any records that are relevant to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in the United States. In case of contumacy by, or refusal to obey a subpoena to, any person, the Secretary may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of records. Such court may issue an order requiring such person to appear before the Secretary to produce records or to give testimony on the matter under investigation. Any failure to obey such order of the court may be punished by such court as a contempt thereof. All process in any such case may be served in the judicial district of which such person is an inhabitant or wherever such person may be found.

"(5)(A) The district courts of the United States are vested with jurisdiction specifically to enforce, and to prevent and restrain any person from violating, any provision of this subsection or any regulation issued under this subsection. Any such civil action authorized to be brought under this subsection shall be referred to the Attorney General for appropriate action. The Secretary is not required, however, to refer to the Attorney General minor violations of this subsection whenever the Secretary believes that the administration and enforcement of this subsection would be adequately served by suitable written notice or warning to any person committing such violation.

"(B) Each person (i) as to whom there is a failure to make a reduction in the price of milk received by such person as required by paragraph (2), (ii) who fails to remit to the Corporation the funds required to be collected and remitted by paragraph (2)(B), or (iii) who fails to make the reduction in marketing required by a contract under paragraph (3) shall be liable, in addition to any amount due, to a marketing penalty at a rate equal to the support price for milk in effect at the time the failure occurs on the quantity of milk as to which the failure applies. The Secretary may reduce any such marketing penalty in such amount as the Secretary determines equitable in any case in which the Secretary determines that the failure was unintentional or without knowledge on the part of the person concerned. Each person who knowingly violates any other provi-
sion of this subsection, or any regulation issued under this subsection, shall be liable for a civil penalty of not more than $1,000 for each such violation. Any penalty provided for under this subparagraph shall be assessed by the Secretary after notice and opportunity for a hearing.

"(C) Any person against whom a penalty is assessed under subparagraph (B) may obtain review of such penalty in an appropriate district court of the United States by filing a civil action in such court not later than thirty days after such penalty is imposed. The Secretary shall promptly file in such court a certified copy of the record upon which the penalty is based. The findings of the Secretary may be set aside only if found to be unsupported by substantial evidence.

"(D) The district courts of the United States shall have jurisdiction to review and enforce any penalty imposed under subparagraph (B).

"(E) The remedies provided in this paragraph shall be in addition to, and not exclusive of, other remedies that may be available.

"(F) In carrying out this subsection, the Secretary may, as the Secretary deems appropriate—

"(i) use the services of State and county committees established under section 8(b) of the Soil Conservation and Domestic Allotment Act; and

"(ii) enter into agreements to use, on a reimbursable or nonreimbursable basis, the services of administrators of Federal milk marketing orders and State milk marketing programs.

"(6) The term `United States' as used in paragraphs (2) and (3) of this subsection means the forty-eight contiguous States in the continental United States.”.

(b) The Secretary of Agriculture shall implement the provisions of section 201(d) of the Agricultural Act of 1949, as amended by subsection (a) of this section, without regard to the provisions requiring notice and other procedures for public participation in rulemaking contained in section 553 of title 5, United States Code, or in any directive of the Secretary.

AVOIDANCE OF ADVERSE IMPACT OF DAIRY DIVERSION PROGRAM ON BEEF AND PORK PRODUCERS

SEC. 103. In order to minimize the adverse impact of the dairy diversion program on beef and pork producers in the United States during the period the diversion program is in effect—

(1) the Secretary of Agriculture shall, to the maximum extent practicable, use funds available for the purposes of clause (2) of section 32 of Public Law No. 320, 74th Congress (7 U.S.C. 612c) and other funds available to the Secretary under the commodity distribution and other nutrition programs of the Department of Agriculture to increase the use of beef and pork for such purposes;

(2) the Secretary of Defense and other Federal and State agencies are encouraged to use increased quantities of beef and pork to meet the food needs of the programs which they administer; and

In making such appointments, the Secretary shall take into account, to the extent practicable, the geographical distribution of milk production volume throughout the United States. In determining geographic representation, whole States shall be considered as a unit. A region may be represented by more than one director and a region may be made up of more than one State. The term of appointment to the Board shall be for three years with no member serving more than two consecutive terms, except that initial appointments shall be proportionately for one-year, two-year, and three-year terms. The Board shall appoint from its members an executive committee whose membership shall equally reflect each of the different regions in the United States in which milk is produced. The executive committee shall have such duties and powers as are conferred upon it by the Board. Board members shall serve without compensation, but shall be reimbursed for their reasonable expenses incurred in performing their duties as members of the Board including a per diem allowance as recommended by the Board and approved by the Secretary.

(c) The order shall define the powers and duties of the Board that shall include only the powers enumerated in this section. These shall include, in addition to the powers set forth elsewhere in this section, the powers to (1) receive and evaluate, or on its own initiative develop, and budget for plans or projects to promote the use of fluid milk and dairy products as well as projects for research and nutrition education and to make recommendations to the Secretary regarding such proposals, (2) administer the order in accordance with its terms and provisions, (3) make rules and regulations to effectuate the terms and provisions of the order, (4) receive, investigate, and report to the Secretary complaints of violations of the order, and (5) recommend to the Secretary amendments to the order. The Board shall solicit, among others, research proposals that would increase the use of fluid milk and dairy products by the military and by persons in developing nations, and that would demonstrate the feasibility of converting surplus nonfat dry milk to casein for domestic and export use.

(d) The order shall provide that the Board shall develop and submit to the Secretary for approval any promotion, research, or nutrition education plan or project and that any such plan or project must be approved by the Secretary before becoming effective.

(e) The order shall require the Board to submit to the Secretary for approval budgets on a fiscal period basis of its anticipated expenses and disbursements in the administration of the order, including projected costs of dairy products promotion and research projects.

(f) The order shall provide that the Board, with the approval of the Secretary, may enter into agreements for the development and conduct of the activities authorized under the order as specified in subsection (a) and for the payment of the cost thereof with funds collected through assessments under the order. Any such agreement shall provide that (1) the contracting party shall develop and submit to the Board a plan or project together with a budget or budgets that shall show estimated costs to be incurred for such plan or project, (2)
the plan or project shall become effective upon the approval of the Secretary, and (3) the contracting party shall keep accurate records of all of its transactions, account for funds received and expended, and make periodic reports to the Board of activities conducted, and such other reports as the Secretary or the Board may require.

(g) The order shall provide that each person making payment to a producer for milk produced in the United States and purchased from the producer shall, in the manner as prescribed by the order, collect an assessment based upon the number of hundredweights of milk for commercial use handled for the account of the producer and remit the assessment to the Board. The assessment shall be used for payment of the expenses in administering the order, with provision for a reasonable reserve, and shall include those administrative costs incurred by the Department after an order has been promulgated under this subtitle. The rate of assessment prescribed by the order shall be 15 cents per hundredweight of milk for commercial use or the equivalent thereof. A milk producer or the producer's cooperative who can establish that the producer is participating in active, ongoing qualified State or regional dairy product promotion or nutrition education programs intended to increase consumption of milk and dairy products generally shall receive credit in determining the assessment due from such producer for contributions to such programs of up to 10 cents per hundredweight of milk marketed or, for the period ending six months after the date of enactment of this Act, up to the aggregate rate in effect on the date of enactment of this Act of such contributions to such programs (but not to exceed 15 cents per hundredweight of milk marketed) if such aggregate rate exceeds 10 cents per hundredweight of milk marketed. Any person marketing milk of that person's own production directly to consumers shall remit the assessment directly to the Board in the manner prescribed by the order.

(h) The order shall require the Board to (1) maintain such books and records (which shall be available to the Secretary for inspection and audit) as the Secretary may prescribe, (2) prepare and submit to the Secretary, from time to time, such reports as the Secretary may prescribe, and (3) account for the receipt and disbursement of all funds entrusted to it.

(i) The order shall provide that the Board, with the approval of the Secretary, may invest, pending disbursement under a plan or project, funds collected through assessments authorized under this subtitle only in obligations of the United States or any agency thereof, in general obligations of any State or any political subdivision thereof, in any interest-bearing account or certificate of deposit of a bank that is a member of the Federal Reserve System, or in obligations fully guaranteed as to principal and interest by the United States.

(j) The order shall prohibit any funds collected by the Board under the order from being used in any manner for the purpose of influencing governmental policy or action except as provided by subsection (c)(5).

(k) The order shall require that each person receiving milk from farmers for commercial use, and any person marketing milk of that person's own production directly to consumers, maintain and make available for inspection such books and records as may be required by the order and file reports at the time, in the manner, and having the content prescribed by the order. Such information shall be made available to the Secretary as is appropriate to the administration or
enforcement of this subtitle, or any order or regulation issued under this subtitle. All information so obtained shall be kept confidential by all officers and employees of the Department, and only such information so obtained as the Secretary deems relevant may be disclosed by them and then only in a suit or administrative hearing brought at the request of the Secretary, or to which the Secretary or any officer of the United States is a party, and involving the order with reference to which the information to be disclosed was obtained. Nothing in this subsection may be deemed to prohibit (1) the issuance of general statements, based upon the reports, of the number of persons subject to an order or statistical data collected therefrom, which statements do not identify the information furnished by any person, or (2) the publication, by direction of the Secretary, of the name of any person violating any order, together with a statement of the particular provisions of the order violated by such person. No information obtained under the authority of this subtitle may be made available to any agency or officer of the Federal Government for any purpose other than the implementation of this subtitle and any investigatory or enforcement action necessary for the implementation of this subtitle. Any person violating the provisions of this subsection shall, upon conviction, be subject to a fine of not more than $1,000, or to imprisonment for not more than one year, or both, and, if an officer or employee of the Board or the Department, shall be removed from office.

(1) The order shall provide terms and conditions, not inconsistent with the provisions of this subtitle, as necessary to effectuate the provisions of the order.

CERTIFICATION OF ORGANIZATIONS

SEC. 114. (a) The eligibility of any organization to represent milk producers, and to participate in the making of nominations under section 113 of this subtitle shall be certified by the Secretary. The Secretary shall certify any organization that the Secretary determines meets the eligibility criteria established by the Secretary under this section and the Secretary’s determination as to eligibility shall be final.

(b) Certification shall be based, in addition to other available information, on a factual report submitted by the organization, which shall contain information deemed relevant and specified by the Secretary, including, but not limited to, the following:

(1) geographic territory covered by the organization’s active membership;
(2) nature and size of the organization’s active membership including the proportion of the total number of active milk producers represented by the organization;
(3) evidence of stability and permanency of the organization;
(4) sources from which the organization’s operating funds are derived;
(5) functions of the organization; and
(6) the organization’s ability and willingness to further the aims and objectives of this subtitle.

The primary considerations in determining the eligibility of an organization shall be whether its membership consists primarily of milk producers who produce a substantial volume of milk and whether the primary or overriding interest of the organization is in the production or processing of fluid milk and dairy products and

7 USC 4505.
promotion of the nutritional attributes of fluid milk and dairy products.

REQUIREMENT OF REFERENDUM

SEC. 115. (a) Within the sixty-day period immediately preceding September 30, 1985, the Secretary shall conduct a referendum among producers who, during a representative period (as determined by the Secretary), have been engaged in the production of milk for commercial use for the purpose of ascertaining whether the order then in effect shall be continued. Such order shall be continued only if the Secretary determines that it has been approved by not less than a majority of the producers voting in the referendum, who during a representative period (as determined by the Secretary) have been engaged in the production of milk for commercial use. If continuation of the order is not approved by a majority of the producers voting in the referendum, the Secretary shall terminate collection of assessments under the order within six months after the Secretary determines that such action is favored by a majority of the producers voting in the referendum and shall terminate the order in an orderly manner as soon as practicable after such determination.

(b) The Secretary shall be reimbursed from assessments collected by the Board for any expenses incurred by the Department in connection with the conduct of any referendum under this section and section 116, except for the salaries of Government employees.

SUSPENSION AND TERMINATION OF ORDERS

SEC. 116. (a) After September 30, 1985, the Secretary shall, whenever the Secretary finds that any order issued under this subtitle or any provision thereof obstructs or does not tend to effectuate the declared policy of this subtitle, terminate or suspend the operation of such order or such provisions thereof.

(b) After September 30, 1985, the Secretary may conduct a referendum at any time, and shall hold a referendum on request of a representative group comprising 10 per centum or more of the number of producers subject to the order, to determine whether the producers favor the termination or suspension of the order. The Secretary shall suspend or terminate collection of assessments under the order within six months after the Secretary determines that suspension or termination of the order is favored by a majority of the producers voting in the referendum who, during a representative period (as determined by the Secretary), have been engaged in the production of milk for commercial use and shall terminate the order in an orderly manner as soon as practicable after such determination.

(c) The termination or suspension of any order, or any provision thereof, shall not be considered an order within the meaning of this subtitle.

COOPERATIVE ASSOCIATION REPRESENTATION

SEC. 117. Whenever, under the provisions of this subtitle, the Secretary is required to determine the approval or disapproval of producers, the Secretary shall consider the approval or disapproval by any cooperative association of producers, engaged in a bona fide manner in marketing milk or the products thereof, as the approval
or disapproval of the producers who are members of or under contract with such cooperative association of producers. If a cooperative association of producers elects to vote on behalf of its members, such cooperative association shall provide each producer, on whose behalf the cooperative association is expressing approval or disapproval, a description of the question presented in the referendum together with a statement of the manner in which the cooperative association intends to cast its vote on behalf of the membership. Such information shall inform the producer of procedures to follow to cast an individual ballot should the producer so choose within the period of time established by the Secretary for casting ballots. Such notification shall be made at least thirty days prior to the referendum and shall include an official ballot. The ballots shall be tabulated by the Secretary and the vote of the cooperative association shall be adjusted to reflect such individual votes.

PETITION AND REVIEW

7 USC 4509. Sec. 118. (a) Any person subject to any order issued under this subtitle may file with the Secretary a petition stating that any such order or any provision of such order or any obligation imposed in connection therewith is not in accordance with law and requesting a modification thereof or an exemption therefrom. The petitioner shall thereupon be given an opportunity for a hearing on the petition, in accordance with regulations issued by the Secretary. After such hearing, the Secretary shall make a ruling on the petition, which shall be final if in accordance with law.

(b) The district courts of the United States in any district in which such person is an inhabitant or carries on business are hereby vested with jurisdiction to review such ruling, if a complaint for that purpose is filed within twenty days from the date of the entry of such ruling. Service of process in such proceedings may be had on the Secretary by delivering a copy of the complaint to the Secretary. If the court determines that such ruling is not in accordance with law, it shall remand such proceedings to the Secretary with directions either (1) to make such ruling as the court shall determine to be in accordance with law, or (2) to take such further proceedings as, in its opinion, the law requires.

ENFORCEMENT

7 USC 4510. Sec. 119. (a) The district courts of the United States are vested with jurisdiction specifically to enforce, and to prevent and restrain any person from violating, any order or regulation made or issued under this subtitle. Any civil action authorized to be brought under this subsection shall be referred to the Attorney General for appropriate action, except that the Secretary is not required to refer to the Attorney General minor violations of this subtitle whenever the Secretary believes that the administration and enforcement of this subtitle would be adequately served by suitable written notice or warning to any person committing such violation.

(b) Any person who willfully violates any provision of any order issued by the Secretary under this subtitle shall be assessed a civil penalty by the Secretary of not more than $1,000 for each such violation and, in the case of a willful failure to pay, collect, or remit the assessment as required by the order, in addition to the amount due, a penalty equal to the amount of the assessment on the
quantity of milk as to which the failure applies. The amount of any such penalty shall accrue to the United States and may be recovered in a civil suit brought by the United States.

(c) The remedies provided in subsections (a) and (b) of this section shall be in addition to, and not exclusive of, other remedies that may be available.

INVESTIGATIONS; POWER TO SUBPENA AND TAKE OATHS AND AFFIRMATIONS; AID OF COURTS

Sec. 120. The Secretary may make such investigations as the Secretary deems necessary for the effective administration of this subtitle or to determine whether any person subject to the provisions of this subtitle has engaged in or is about to engage in any act that constitutes or will constitute a violation of any provision of this subtitle or of any order, or rule or regulation issued under this subtitle. For the purpose of such investigation, the Secretary may administer oaths and affirmations, subpena witnesses, compel their attendance, take evidence, and require the production of any records that are relevant to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in the United States. In case of contumacy by, or refusal to obey a subpena to, any person, the Secretary may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of records. The court may issue an order requiring such person to appear before the Secretary to produce records or to give testimony touching the matter under investigation. Any failure to obey such order of the court may be punished by such court as a contempt thereof. Process in any such case may be served in the judicial district in which such person is an inhabitant or wherever such person may be found.

ADMINISTRATIVE PROVISIONS

Sec. 121. (a) Nothing in this subtitle may be construed to preempt or supersede any other program relating to dairy product promotion organized and operated under the laws of the United States or any State.

(b) The provisions of this subtitle applicable to orders shall be applicable to amendments to orders.

AUTHORIZATION

Sec. 122. There are hereby authorized to be appropriated such funds as are necessary to carry out the provisions of this subtitle. The funds so appropriated shall not be available for payment of the expenses or expenditures of the Board in administering any provisions of any order issued under the terms of this subtitle.

TITLE II—TOBACCO

SHORT TITLE

Sec. 201. This title may be cited as the "Tobacco Adjustment Act of 1983".
SEC. 202. Effective for the 1984 and subsequent crops of tobacco, section 106 of the Agricultural Act of 1949 (7 U.S.C. 1445) is amended by adding at the end thereof the following new subsections:

"(f) Notwithstanding the foregoing provisions of this section—

"(1) For the 1984 crop of Flue-cured tobacco, the support level shall be the level in cents per pound at which the 1982 crop was supported.

"(2) For the 1985 crop of Flue-cured tobacco, the support level shall be the level in cents per pound at which the 1982 crop was supported, plus or minus, respectively, the amount by which (A) the support level for the 1986 crop, as determined under subsection (b), is greater or less than (B) the support level for the 1984 crop, as determined under subsection (b), as that difference may be adjusted by the Secretary under subsection (d) if the support level under clause (A) is greater than the support level under clause (B), except that the support level for the 1985 crop shall be the level in cents per pound at which the 1982 crop was supported if the support level as determined under subsection (b) for the 1985 crop would not be more than 5 per centum greater than the support level as determined under subsection (b) for the 1984 crop.

"(3) For the 1984 crop of any kind of tobacco (other than Flue-cured tobacco) for which marketing quotas are in effect or are not disapproved by producers and for the 1985 crop of any kind of tobacco (other than Flue-cured and Burley tobacco) for which marketing quotas are in effect or are not disapproved by producers, the Secretary shall establish the support level at such level as will not narrow the normal price support differential between Flue-cured tobacco and such other kind of tobacco. Before establishing the support level under this paragraph for any such kind of tobacco the Secretary shall publish in the Federal Register a notice of the level the Secretary proposes to establish and give an opportunity for the public to comment on the proposal. In determining the level to be established under this paragraph for a particular kind of tobacco, the Secretary shall take into consideration the cost of producing such kind of tobacco, the supply and demand conditions for such kind of tobacco, the comments received in response to the public notice of the proposal, and such other relevant factors as the Secretary determines appropriate.

"(4) For the 1985 crop of Burley tobacco and for the 1986 and each subsequent crop of any kind of tobacco for which marketing quotas are in effect or are not disapproved by producers, the support level shall be the level in cents per pound at which the immediately preceding crop was supported (or if the level for that crop was adjusted under subsection (g) the level at which such crop would have been supported without regard to any adjustment under subsection (g)), plus or minus, respectively, the amount by which (A) the support level for the crop for which the determination is being made, as determined under subsection (b), is greater or less than (B) the support level for the immediately preceding crop, as determined under subsection (b), as that difference may be adjusted by the Secretary.
under subsection (d) if the support level under clause (A) is greater than the support level under clause (B).

"(g)(1) Except as provided in paragraph (2), notwithstanding the provisions of subsections (d) and (f) and section 403, the Secretary, if requested by the board of directors of the association through which price support for Flue-cured tobacco is made available to producers, may (1) designate for any crop certain grades of Flue-cured tobacco that are eligible for price support (but representing in the aggregate not more than 25 per centum of the total quantity of the Flue-cured tobacco crop that the Secretary estimates will be produced) that the Secretary determines are of such quantity or quality as to impair their marketability, and (2) without regard to the weighted average of the support rates for eligible grades of Flue-cured tobacco determined under the proviso to the first sentence of subsection (d), further reduce the support rates for such grades to the extent the Secretary deems necessary to reflect their market value, but in no event by more than 12 per centum of the respective support rates that would otherwise be established under this section.

“(2) Any reduction in the support rates for grades of Flue-cured tobacco under this subsection shall not be considered in determining the support levels for subsequent years.”.

ELIMINATION OF DOUBLE ASSESSMENT; USE OF FUND

Sec. 203. Section 106A(d) of the Agricultural Act of 1949 (7 U.S.C. 1445–1(d)) is amended by—

(1) in paragraph (2), striking out “and subsequent crops” and inserting in lieu thereof “crop only”; and

(2) in paragraph (3), inserting before the semicolon at the end thereof the following: “: Provided, That, notwithstanding any other provision of law, use by the association of moneys in the Fund, including interest and other earnings, for the purposes of reducing the association’s outstanding indebtedness to the Corporation associated with 1982 and subsequent crops of quota tobacco and making loan advances to producers is authorized, and use of such moneys for any other purposes that will be mutually beneficial to producers who contribute to the Fund and to the Corporation, shall, if approved by the Secretary, be considered an appropriate use of the Fund”.

NO NET COST TOBACCO ACCOUNT—FLUE-CURED TOBACCO

Sec. 204. Section 106B(a) of the Agricultural Act of 1949 (7 U.S.C. 1445–2(a)) is amended by—

(1) in paragraph (1), striking out “, except that the term does not include such an association that has entered into such an agreement to make price support available to producers of Flue-cured tobacco”; and

(2) in paragraph (5), striking out “except Flue-cured tobacco”.

LEASE AND TRANSFER OF FLUE-CURED TOBACCO; FORFEITURE OF ALLOTMENT AND QUOTA

Sec. 205. (a) Effective for the 1984 and subsequent crops of tobacco, section 316(a)(1) of the Agricultural Adjustment Act of 1938 (7 U.S.C. 1314b(a)(1)) is amended to read as follows:

“(a)(1) Notwithstanding any other provision of law—
“(A)(i) The Secretary, if the Secretary determines that it will not impair the effective operation of the tobacco marketing quota or price support program, may permit the owner and operator of any farm for which a tobacco acreage allotment (other than a Burley, Flue-cured, dark air-cured, Fire-cured, Virginia sun-cured and cigar-binder, type 54 or 55 tobacco acreage allotment) is established under this Act to lease and transfer all or any part of such allotment to any other owner or operator of a farm in the same county for use in such county on a farm having a current tobacco allotment of the same kind.

“(ii) The Secretary shall, only with respect to the 1984 through 1986 crops of Flue-cured tobacco, permit the owner of a farm to which a Flue-cured tobacco acreage allotment or quota is assigned under this Act to lease and transfer all or any part of such allotment or quota to any other owner or operator of a farm in the same county for use in such county on a farm having a current Flue-cured tobacco acreage allotment or quota except that for the 1985 and 1986 crops such lease and transfer shall be permitted only if (except as otherwise provided in paragraph (2)(A)) the parties to the lease file a copy of the lease agreement with the county committee for the county in which the farms are located, together with a written statement certifying that none of the consideration for the lease has been or will be paid to the lessor, either directly or indirectly in any form including a loan by the lessee to the lessor, the endorsement of a note by the lessee for the lessor, or any other similar arrangement which represents the anticipated income for the lease, prior to the marketing of the tobacco produced under the lease and that the lease and transfer is otherwise in compliance with the provisions of this section. Beginning with the 1985 crop, the Secretary shall promulgate regulations establishing, insofar as is reasonably practicable, a similar requirement providing that none of the consideration for the lease of any Flue-cured tobacco acreage allotment and quota may be paid to the lessor prior to the marketing of the tobacco produced under the lease. The Secretary shall also require that any seller of a Flue-cured tobacco allotment and quota grant to the buyer an option to make payment therefore in equal annual installments payable each fall for a period not to exceed five years from the year in which the sale is made. With respect to the 1987 and subsequent crops of Flue-cured tobacco, the Secretary shall not permit the lease and transfer of Flue-cured tobacco acreage allotments and quotas.

“(B) If, after notice and opportunity for a hearing, the county committee determines that the lessee or the lessor of a Flue-cured tobacco acreage allotment or quota knowingly made a false statement in the written statement filed under subparagraph (A), (i) in the case of a false statement knowingly made by the lessee, the lease agreement for purposes of the Flue-cured tobacco marketing quota program with respect to the lessee’s farm shall be considered null and void as of the date approved by the county committee or (ii) in the case of a false statement knowingly made by the lessor, the Flue-cured tobacco allotment and quota next established for the farm of the lessor shall be
reduced by the percentage which the leased allotment or quota was of the total Flue-cured tobacco allotment or quota for the farm. Notice of any determination made by the county committee under the preceding provision shall be mailed as soon as practicable to the lessee or lessor involved. If the lessee or lessor is dissatisfied with such determination, the lessee or lessor may request, within fifteen days after notice of such determination is mailed, a review of such determination by a local review committee under section 363 of this Act.”

(b) Effective for the 1984 and subsequent crops of tobacco, section 317 of the Agricultural Adjustment Act of 1938 (7 U.S.C. 1314c) is amended by inserting at the end thereof the following new subsection:

“(k)(1) Notwithstanding any other provision of law, any person who, on or after January 1, 1986, owns a farm for which a Flue-cured tobacco acreage allotment or marketing quota is established under this Act shall, subject to paragraph (2) of this subsection, forfeit such allotment or quota after February 15 of any year immediately following the last year of the three-year period immediately preceding the year for which the determination is being made in which Flue-cured tobacco has not been planted or considered planted on such farm during at least two years out of such three-year period.

“(2) The allotment or quota specified in paragraph (1) of this subsection shall be forfeited if, after notice and opportunity for a hearing, the appropriate county committee determines that the conditions for forfeiture specified in such paragraph exist. Any allotment or quota so forfeited shall be reallocated by such county committee for use by active Flue-cured tobacco producers (as defined in section 316(g)(1) of this Act) in the county involved.

“(3) Notice of any determination made by the county committee under paragraph (2) of this subsection shall be mailed, as soon as practicable, to the person involved. If such person is dissatisfied with such determination, such person may request, within fifteen days after notice of such determination is mailed, a review of such determination by a local review committee under section 363 of this Act.”

(B) would be eligible to retain the marketing quota under this subsection, as amended by the Tobacco Adjustment Act of 1983, may, if the person elects to do so, sell such person’s marketing quota if a record of the transfer is filed with the county committee by February 1, 1984.”.

(A) Notwithstanding any other provision of this section or subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981, the Secretary of Housing and Urban Development (hereinafter referred to as the "Secretary") may provide for delayed applicability, or for staged implementation, of the procedures for determining rents or contributions, as appropriate, required by such provisions if the Secretary determines that immediate application of such procedures would be impracticable, would violate the terms of existing leases, or would result in extraordinary hardship for any class of tenants.

(B) The Secretary shall provide that the rent or contribution, as appropriate, required to be paid by a tenant shall not increase as a result of the amendments made by this section and subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981, and as a result of any other provision of Federal law or regulation, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such provisions, law, or regulation.

(2) Tenants of assisted housing other than those referred to in paragraph (1) shall be subject to immediate rent payment or contribution determinations in accordance with applicable law and without regard to the provisions of paragraph (1), but the Secretary shall provide that the rent or contribution payable by any such tenant who is occupying assisted housing on the effective date of any provision of Federal law or regulation shall not increase, as a result of any such provision of Federal law or regulation, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such provisions, law, or regulation.

(3) In the case of tenants receiving rental assistance under section 521(a)(1) of the Housing Act of 1949 on the effective date of this section whose assistance is converted to assistance under section 8 of the United States Housing Act of 1937 on or after such date, the Secretary shall provide that the rent or contribution payable by any such tenant shall not increase, as a result of such conversion, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such conversion or to any provision of Federal law or regulation.

(4) (A) Notwithstanding any other provision of law, in the case of the conversion of any assistance under section 101 of the Housing and Urban Development Act of 1965, section 236(f)(2) of the National Housing Act, or section 23 of the United States Housing Act of 1937 (as in effect before the date of the enactment of the Housing and Community Development Act of 1974) to assistance under section 8 of the United States Housing Act of 1937, any increase in rent payments or contributions resulting from such conversion, and from
the amendments made by this section of any tenant benefiting from such assistance who is sixty-two years of age or older may not exceed 10 per centum per annum.

(B) In the case of any such conversion of assistance occurring on or after October 1, 1981, and before the date of the enactment of this section, the rental payments due after such date of enactment by any tenant benefiting from such assistance who was sixty-two years of age or older on the date of such conversion shall be computed as if the tenant's rental payment or contribution had, on the date of conversion, been the lesser of the actual rental payment or contribution required, or 25 per centum of the tenant's income.

(5) The limitations on increases in rent contained in paragraphs (1)(B), (2), (3), and (4) shall remain in effect and may not be changed or superseded except by another provision of law which amends this subsection.

(6) As used in this subsection, the term "contribution" means an amount representing 30 per centum of a tenant's monthly adjusted income, 10 per centum of the tenant's monthly income, or the designated amount of welfare assistance, whichever amount is used to determine the monthly assistance payment for the tenant under section 3(a) of the United States Housing Act of 1937.

(7) The provisions of subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981 shall be implemented and fully applicable to all affected tenants no later than five years following the date of enactment of such amendments, except that the Secretary may extend the time for implementation if the Secretary determines that full implementation would result in extraordinary hardship for any class of tenants.

(e) Section 322(i) of the Omnibus Budget Reconciliation Act of 1981 is repealed.

VOUCHER DEMONSTRATION

Sec. 207. Section 8 of the United States Housing Act of 1937 is amended by adding at the end thereof the following:

The payment standard shall be used to determine the monthly assistance which may be paid for any family, as provided in paragraph (2) of this subsection, and shall be based on the fair market rental established under subsection (c).

"(2) The monthly assistance payment for any family shall be the amount by which the payment standard for the area exceeds 30 per centum of the family's monthly adjusted income, except that such monthly assistance payment shall not exceed the amount by which the rent for the dwelling unit (including the amount allowed for utilities in the case of a unit with separate utility metering) exceeds 10 per centum of the family's monthly income.

"(3) Assistance payments may be made only for (A) a family determined to be a very low-income family at the time it initially receives assistance, or (B) a family previously assisted under this Act. In selecting families to be assisted, preference shall be given to families which, at the time they are seeking assistance, occupy substandard housing, are involuntarily displaced, or are paying more than 50 per centum of family income for rent."
“(4) The Secretary shall use substantially all of the authority to enter into contracts under this subsection to make assistance payments for families residing in dwellings to be rehabilitated with assistance under section 17 and for families displaced as a result of rental housing development assisted under such section or as a result of activities assisted under section 533 of the Housing Act of 1949.

“(5) If a family vacates a dwelling unit before the expiration of a lease term, no assistance payment may be made with respect to the unit after the month during which the unit was vacated.

“(6) A contract with a public housing agency for annual contributions under this subsection shall be for an initial term of sixty months. The Secretary shall require (with respect to any unit) that (A) the public housing agency inspect the unit before any assistance payment may be made to determine that it meets housing quality standards for decent, safe, and sanitary housing established by the Secretary for the purpose of this section, and (B) the public housing agency make annual or more frequent inspections during the contract term. No assistance payment may be made for a dwelling unit which fails to meet such quality standards, unless any such failure is promptly corrected by the owner and the correction verified by the public housing agency.

“(7)(A) The amount of assistance payments under this subsection may, in the discretion of the public housing agency, be adjusted as frequently as twice during any five-year period where necessary to assure continued affordability. The aggregate amount of adjustments pursuant to the preceding sentence may not exceed the amount of any excess of the annual contributions provided for in the contract over the amount of assistance payments actually paid (including amounts which otherwise become available during the contract period).

“(B) For the purpose of subparagraph (A), each contract with a public housing agency for annual contributions under this subsection shall provide annual contributions equal to 115 per centum of the estimated aggregate amount of assistance required during the first year of the contract.

“(C) Any amounts not needed for adjustments under subparagraph (A) may be used to provide assistance payments for additional families.

“(D) Before making such adjustments the public housing agency shall consult with the public and the general local government regarding the impact of such adjustments on the number of families that can be assisted.

“(8) A public housing agency may utilize not to exceed 5 per centum of the amount of authority available under this subsection to provide assistance with respect to cooperative or mutual housing which has a resale structure which maintains affordability for lower income families where the agency determines such action will assist in maintaining the affordability of such housing for such families.”.

Sec. 208. Section 8(d)(2) of such Act is amended by adding at the end thereof the following: “A contract under this section may not be attached to the structure except where the Secretary specifically waives the foregoing limitation and the public housing agency approves such action, and the owner agrees to rehabilitate the

Sec. 18. (a) The Secretary may not approve an application by a 
public housing agency for permission, with or without financial 
assistance under this Act, to demolish or dispose of a public housing 
project or a portion of a public housing project unless the Secretary

the tenants or the public housing agency because develop-
mental changes in the area surrounding the project 
adversely affect the health or safety of the tenants or the 
feasible operation of the project by the public housing 
agency, because disposition allows the acquisition, develop-
ment, or rehabilitation of other properties which will be 
more efficiently or effectively operated as lower income 
housing projects and which will preserve the total amount of 
lower income housing stock available in the community, 
or because of other factors which the Secretary determines 
are consistent with the best interests of the tenants and 
public housing agency and which are not inconsistent with 
other provisions of this Act; and

DEMONSTRATION PROJECT

Sec. 225. (a) The Congress finds that—

(1) the Department of Health and Human Services spends in excess of $5,000,000,000 annually for housing in the form of allowances for shelter for public assistance recipients;
(2) States administering the Department of Health and Human Services public assistance program often specify shelter allowances that have little relationship to the cost or the quality of the housing in which public assistance recipients live;
(3) at least 30 per centum of public assistance recipients live in substandard housing;
(4) the older rental buildings in which many public assistance recipients live are in those neighborhoods that need the assistance of the programs of the Department of Housing and Urban Development for preservation and rehabilitation; and

(5) there is the potential for improving housing for many lower income families by coordinating State and local government efforts in order to assure that families receiving public assistance payments from the Department of Health and Human Services are able to live in decent, safe, and sanitary housing.

(b) The purpose of this section, therefore, is to provide assistance to units of general local government and their designated agencies in order to develop a program that will—

(1) encourage the upgrading of housing occupied primarily by lower income families, including families receiving assistance under the aid for families with dependent children program established under title IV of the Social Security Act; and

(2) provide for better coordination at the local level of the efforts to assist families receiving public assistance from the Department of Health and Human Services so that these families will be able to occupy affordable housing that is decent, safe, and sanitary and that, if necessary, is rehabilitated with funds provided by the Department of Housing and Urban Development.

(c) The Secretary of Housing and Urban Development (hereafter referred to in this section as the “Secretary”) shall, to the extent approved in appropriation Acts, establish and maintain a demonstration project to carry out the purpose described in subsection (b).

(d) In carrying out such project, the Secretary shall make grants to units of general local government, or designated agencies thereof, to carry out administrative plans approved by the Secretary in accordance with subsection (e), and the Secretary may make grants to States to provide technical assistance for the purpose of assisting such units of general local government to develop and carry out such plans.

(e)(1) Grants may be made to States and units of general local government and agencies thereof that apply for them in a manner and at a time determined by the Secretary and that, in the case of units of general local government and their agencies, are selected on the basis of an administrative plan described in such application. No such administrative plan shall be selected by the Secretary unless it sets forth a plan for local government activities that are designed to—

(A) require or encourage owners of rental housing occupied by lower income families to bring such housing into compliance with local housing codes;

(B) provide technical assistance, loans, or grants to assist owners described in subparagraph (A) to undertake cost-effective improvements of such housing;

(C) work with the State to establish and implement a schedule of local shelter allowances for recipients of assistance under title IV of the Social Security Act based on building quality that will be applicable to buildings involved in this program; and

(D) coordinate local housing inspection, housing rehabilitation loan or grant assistance, rental assistance, and social service programs for the purpose of improving the quality and affordability of housing for lower income families.
(3) Funds received from any grant made by the Secretary to a unit of general local government shall be made available for use according to the administrative plans and may be used for—

(A) technical assistance or financial assistance to property owners to upgrade housing projects described in paragraph (2)(A) of this subsection;

(B) temporary rental assistance to families who live in buildings assisted under this program and who are eligible for, but are not receiving, assistance under section 8 of the United States Housing Act of 1937, except that such families shall not include families receiving assistance under title IV of the Social Security Act, and the amount of such rental assistance may not exceed 20 per centum of each grant received under this section;

(C) housing counseling and referral and other housing related services;

(D) expenses incurred in administering the program carried out with funds received under this section, except that such expenses may not exceed 10 per centum of the grant received under this section; and

(E) other appropriate activities that are consistent with the purposes of this section and that are approved by the Secretary.

(f) Any recipient of a grant from the Secretary under this section shall agree to—

(1) contribute to the program an amount equal to 15 per centum of the funds received from the Secretary under this section, and the Secretary shall permit the recipient to meet this requirement by the contribution of the value of services carried out specifically in connection with the program assisted under this section;

(2) permit the Secretary and the General Accounting Office to audit its books in order to assure that the funds received under this section are used in accordance with the section; and

(3) other terms and conditions prescribed by the Secretary for the purpose of carrying out this section in an effective and efficient manner.

(g) In making grants available under this section, the Secretary shall select as recipients at least 20 units of general local government (or their designated agencies). The selection of proposals for funding shall be based on criteria that result in a selection of projects that will enable the Secretary to carry out the purpose of this section in an effective and efficient manner and provide a sufficient amount of data necessary to make an evaluation of the demonstration project carried out under this section.

(h)(1) Not later than June 1, 1984, the Secretary shall transmit to the Congress an interim report on the implementation of the demonstration under this section.

(2) The Secretary shall transmit, not later than October 1, 1985, to both Houses of the Congress a detailed report concerning the findings and conclusions that have been reached by the Secretary as a result of carrying out this section, along with any legislative recommendations that the Secretary determines are necessary.

(i) To carry out this section, there are authorized to be appropriated not to exceed $10,000,000 during fiscal year 1984, and not to exceed $15,000,000 during fiscal year 1985, to remain available until expended.

"(B) In the case of any homeowner whose assistance payments are terminated by reason of the 10-year limitation referred to in paragraph (1), and who is determined by the Secretary to be unable to assume the full payments due under the mortgage, loan, or advance of credit involved, the Secretary shall, to the extent of the availability of amounts in the fund established in subparagraph (A), contract to make, and make, continued assistance payments on behalf of such homeowner. Such continued assistance payments shall be made in an amount determined in accordance with the applicable provisions of paragraph (1) or subsection (a)(2)(B) and for such period as the Secretary determines to be appropriate.

"(C) Any amounts in such fund determined by the Secretary to be in excess of the amounts currently required to carry out the provisions of subparagraph (B) shall be invested by the Secretary in obligations of, or obligations guaranteed as to both principal and interest by, the United States or any agency of the United States."

(3) by inserting the following new sentences after the second sentence: "The aggregate amount that may be obligated over the duration of the contracts entered into with the authority provided on or after October 1, 1983, may not exceed such sums of new budget authority as may be appropriated after the date of enactment of this sentence. The Secretary shall begin issuing new commitments and reservations to provide mortgage insur-

"Sec. 17. (a) Program Authority.—(1) Rehabilitation and Development Grants.—The Secretary is authorized—

"(A) to make rental rehabilitation grants to States and units of general local government to help support the rehabilitation of privately owned real property to be used for primarily residential rental purposes in accordance with subsection (c); and 
"(B) to make development grants for new construction or substantial rehabilitation in accordance with subsection (d).

“(2) Authority to Reserve Housing Assistance.—In connection with a grant under this section, the Secretary may reserve authority to provide housing assistance under section 8(o) to the extent necessary—

“(A) to provide housing assistance to persons displaced by activities under this section; or 
“(B) to support the grantee’s program.

“(3) Authorization.—To carry out the purposes of this section the Secretary may utilize not to exceed $615,000,000, as provided in section 5(c) for fiscal years 1984 and 1985, of which amount—
“(A) not to exceed $150,000,000 shall be available in each such year for rental rehabilitation, of which $1,000,000 shall be available each year for technical assistance; and

“(B) not to exceed $200,000,000 for fiscal year 1984, and $115,000,000 for fiscal year 1985, shall be available for development grants.

“(b) DISTRIBUTION OF RENTAL REHABILITATION GRANT FUNDS.—(1) FORMULA ALLOCATION.—Of the amount available in any fiscal year for rehabilitation grants under this section, the Secretary shall allocate amounts for rehabilitation grants under subsection (c) to cities having populations of fifty thousand or more, urban counties, and States for use as provided in subsection (e), on the basis of a formula which shall be contained in a regulation proposed by the Secretary not later than sixty days after the effective date of this section. Such regulation shall be accompanied by the specific fund allocation for fiscal year 1984 for individual cities, urban counties, and States which would result from the proposed formula and any adjustments under paragraph (2). The formula contained in the regulation shall take into account objectively measurable conditions, including such factors as low income renter population, overcrowding of rental housing, the extent of physically inadequate housing stock, and such other objectively measurable conditions as the Secretary deems appropriate to reflect the need for assistance under this section, but excluding data relating to such factors which pertain to areas eligible for assistance under title V of the Housing Act of 1949.

“(2) ADJUSTMENTS.—Before an allocation determined under paragraph (1) for any fiscal year is made available for use, the Secretary may adjust the allocation as follows:

“(A) The Secretary is authorized to establish minimum allocation amounts for cities and urban counties, representing program levels below which, in the Secretary's determination, conduct of a rental rehabilitation program would not be feasible. The amount of any allocation which is below this minimum shall be added to the allocation for the State in which the city or county is located and shall be available in accordance with subsection (e).

“(B) Beginning with fiscal years after fiscal year 1984, the Secretary is authorized to adjust the allocation for a city, urban county, or State administering a rental rehabilitation program as provided in subsection (f), by up to 15 per centum above or below the amount of such allocation, based on an annual review of performance in carrying out activities under this section in a timely manner and in achieving the result that at least 80 per centum of the units rehabilitated with assistance under this section in all program years have rents which are and remain at a level which would be affordable by lower income families. The last sentence of subparagraph (A) shall not apply to an allocation which is below the minimum amount described therein by reason of an adjustment under this subparagraph. The Secretary shall establish by regulation performance criteria for purposes of this subparagraph.

“(3) REALLOCATION.—After the allocation of rehabilitation grant amounts, the Secretary is authorized to reallocate such amounts among grantees on the basis of the Secretary's assessment of the progress of grantees in carrying out activities under this section in accordance with their specified schedules. Reallocations under this
paragraph shall be designed to encourage use of these resources expeditiously, consistent with the sound development and administration of the grantees' rental rehabilitation programs.

"(4) RECAPTURE.—Any rental rehabilitation grant amounts which are not obligated at the end of any fiscal year shall be added to the amount available for allocation for such grants for the succeeding fiscal year.

"(C) GRANTS FOR MODERATE REHABILITATION.—(1) PROGRAM DESCRIPTION.—A rehabilitation grant may be made under this section on the basis of satisfactory information provided in a program description which shall be submitted by the grantee at such time and in such manner as the Secretary may prescribe and which shall contain—

"(A) a description of the grantee's proposed rental rehabilitation program, which shall consist of the activities each grantee proposes to undertake for the fiscal year, including the grantee's anticipated schedule in carrying out those activities, or, in case of a State distributing resources as provided in subsection (e), its proposed method of distributing the resources, which shall have been made available to the public;

"(B) a certification that the grantee's program was developed after consultation with the public;

"(C) a statement of the procedures and standards which will govern selection of proposals by the grantee, which procedures and standards shall take into account the extent to which the proposal represents the efficient use of Federal resources and the extent to which the housing units involved will be adequately maintained and operated with rents at the levels proposed;

"(D) an estimate of the effect of the proposed program on neighborhood preservation;

"(E) evidence demonstrating the financial feasibility of the proposed program, including the availability of non-Federal and private resources and including evidence that the projects to be selected for rehabilitation will be located in neighborhoods where rents are generally affordable to lower income families and that the character of the neighborhood indicates that such rents will not materially change over an extended period; and

"(F) such other information as the Secretary shall prescribe.

"(2) PROGRAM REQUIREMENTS.—A rental rehabilitation program assisted under this section shall provide that—

"(A) grant assistance shall only be used to rehabilitate real property to be used for primarily residential rental purposes;

"(B) grants shall only be used to assist the rehabilitation of real property located in neighborhoods where the median income does not exceed 80 per centum of the median income for the area;

"(C) grant assistance for any structure shall not exceed 50 per centum of the total costs associated with the rehabilitation of that structure, as determined by the Secretary, except that where the Secretary determines that refinancing costs and the special nature of the project require a greater amount of assistance, the grant amount shall be limited to not to exceed 50 per centum of the development cost including acquisition;

"(D) rehabilitation assisted under this section shall only be that which is necessary to correct substandard conditions, to
make essential improvements, and to repair major systems in
danger of failure;

"(E) the amount of rental rehabilitation assistance provided
under this section for any structure shall not exceed $5,000 per
unit except as otherwise determined by the Secretary in areas
of high material and labor costs where the grantee demonstra-
tes that every appropriate step has been taken by the
grantee to contain the amount of assistance within the limit set
by this paragraph and that an exception is necessary to conduct
a rehabilitation program while not exceeding the rehabilitation
standards of subparagraph (D);

"(F) a structure may be assisted under this section only if the
rehabilitation of such structure will not cause the involuntary
displacement of very low-income families by families who are
not very low-income families;

"(G) the owner of each assisted structure agrees—

"(i) not to discriminate against prospective tenants on the
basis of their receipt of or eligibility for housing assistance
under any Federal, State, or local housing assistance pro-
gram or, except for a structure for housing for the elderly,
on the basis that the tenants have a minor child or children
who will be residing with them; and

"(ii) not to convert the units to condominium ownership
(or in the case of a cooperative, to condominium ownership
or any form of cooperative ownership not eligible for assist-
ance under this section);

for at least 10 years beginning on the date on which the units in
the project are completed;

"(H) the State or unit of general local government that
receives the assistance certifies to the satisfaction of the Secre-
tary that the assistance will be made available in conformity
with Public Law 88–352 and Public Law 90–284; and

"(I) 100 per centum of the amount of assistance provided
under this section shall be used by the grantee for the benefit of
lower income families, except that such requirement shall be
reduced to (i) 70 per centum if the grantee certifies in accord-
ance with standards prescribed by the Secretary that such
reduction is necessary, and that the grantee cannot develop a
project which complies with such requirement, after
consultation with the public regarding the inability to develop a
program which complies with such requirement, and (ii) to no
less than 50 per centum where the Secretary determines that
such further reduction is necessary.

"(3) SECRETARIAL RESPONSIBILITY.—The Secretary shall assure
that—

"(A) an equitable share of the rehabilitation grants under this
section is used to assist in the provision of housing for families,
including large families with children; and

"(B) a priority shall be given to projects containing units in
substandard condition which are occupied by very low-income
families.

"(d) GRANTS FOR NEW CONSTRUCTION AND SUBSTANTIAL REHABILI-
TATION.—

"(1) TYPES OF ASSISTANCE.—Development grant funds may be used
by the grantee to make grants or loans, provide interest reduction
payments, or furnish other comparable assistance to support the
new construction or substantial rehabilitation of real property to be used primarily for residential rental purposes.

"(2) AREA ELIGIBILITY.—To be eligible for development grants under this subsection, a project must be located in an area that is experiencing a severe shortage of decent rental housing opportunities for families and individuals without other reasonable and affordable housing alternatives in the private market. The Secretary shall issue regulations, consistent with the preceding sentence, that set forth minimum standards for determining areas eligible for assistance. Such standards shall be based on objectively measurable conditions, and shall take into account the extent of poverty, the extent of occupancy of physically inadequate housing by lower income families, the extent of housing overcrowding experienced by lower income families, the level and duration of rental housing vacancies, the extent of the lag between the estimated need for and production of rental housing, and other objectively measurable conditions specified by the Secretary consistent with the first sentence of this subsection. The Secretary shall propose regulations under this paragraph not later than 60 days after the date of enactment of this section and shall promptly transmit to the Congress such proposed regulations accompanied by a list of those areas which meet the minimum standards contained in such regulations. Any unit of government located in an area which meets such minimum standards is eligible to submit an application for a rental housing development grant under this section. The Secretary may also consider an application for a project to be located in an area which is not eligible under such standards where the Secretary determines that a project involving assistance for other than moderate rehabilitation is necessary in order to meet special housing needs or to advance a particular neighborhood preservation purpose.

"(3) APPLICATION.—A development grant may be made under this section on the basis of information provided in an application which shall be submitted by the grantee at such time and in such manner as the Secretary may prescribe. In addition to information relating to the selection criteria set forth in paragraph (5), the application shall contain—

"(A) a description of the grantee's proposed rental development program, which shall consist of the activities the grantee proposes to undertake for the fiscal year, including a specification of the grantee's anticipated schedule in carrying out those activities;

"(B) a certification that the grantee's program was developed after consultation with the public;

"(C) a statement of the procedures and standards which will govern selection of proposals by the grantee, which procedures and standards shall take into account the extent to which the proposal represents the efficient use of Federal resources and the extent to which the housing units involved will be adequately maintained and operated with rents maintained at the levels proposed;

"(D) an estimate of the effect of the proposed program on neighborhood preservation; and

"(E) such other information as the Secretary shall prescribe.

"(4) PROGRAM REQUIREMENTS.—A rental development program assisted under this section shall provide that—

"(A) grant assistance shall be used to develop real property to be used for residential rental purposes only;
“(B) grant assistance for any structure shall not exceed 50 per centum of the total costs associated with the rehabilitation or development of that structure, as determined by the Secretary, except that where the Secretary determines that refinancing costs and the special nature of the project require a greater amount of assistance, the grant amount shall be limited to not to exceed 50 per centum of the development cost including acquisition;

“(C) a structure may be assisted under this section only if the development of such structure will not cause the involuntary displacement of very low-income families by families who are not very low-income families;

“(D) the owner of each assisted structure agrees—

“(i) not to discriminate against prospective tenants on the basis of their receipt of or eligibility for housing assistance under any Federal, State, or local housing assistance program or, except for a structure for housing for the elderly, on the basis that the tenants have a minor child who will be residing with them; and

“(ii) not to convert the units to condominium ownership (or in the case of a cooperative, to condominium ownership or any form of cooperative ownership not eligible for assistance under this section);

during the 20-year period beginning on the date on which the units in the project are available for occupancy;

“(E) the owner of each assisted structure agrees that, during the 20-year period beginning on the date on which 50 per centum of the units in the structure are occupied or completed, at least 20 per centum of the units the construction or substantial rehabilitation of which is provided for under the application shall be occupied, or available for occupancy by, persons and families whose incomes do not exceed 80 per centum of the area median income;

“(F) the structure—

“(i) will have a value after rehabilitation or construction that is not more than the amount of a mortgage on the structure that could be insured under section 207 of the National Housing Act; and

“(ii) is secured by a mortgage which bears a rate of interest and contains such other terms and conditions as the Secretary determines are reasonable;

“(G) the grantee must commence construction or substantial rehabilitation activities not later than 24 months after notice of project selection; and

“(H) the State or unit of general local government that receives the assistance certifies to the satisfaction of the Secretary that the assistance will be made available in conformity with Public Law 88-352 and Public Law 90-284.

“(5) Project Selection.—In selecting projects to receive development grants, the Secretary shall make such selection on the basis of the extent—

“(A) of the severity of the shortage of decent rental housing opportunities in the area in which the project or projects are to be located for families and individuals without other reasonable and affordable housing alternatives in the private market;
“(B) of non-Federal public and private financial or other contributions that reduce the amount of assistance necessary under this section;
“(C) to which the project or projects contribute to neighborhood development and mitigate displacement;
“(D) to which the applicant has established a satisfactory record of performance in meeting assisted housing needs and has the capacity to undertake the program in a timely manner;
“(E) to which the assistance requested will provide the maximum number of units for the least cost to the Federal Government, taking into consideration the extent to which assistance provided will be recaptured and cost differences among different areas, among financing alternatives, and among the types of projects and tenants being served;
“(F) to which the grantee will establish a mechanism to assure the maintenance of affordable rentals for lower income families;
“(G) to which the applicant has demonstrated the financial feasibility of the proposed program, including the availability of non-Federal and private resources; and
“(H) to which an equitable share of the development grant funds under this section will be used to assist in the provision of housing for families, including large families with children.

“(6) PRIORITIES.—In selecting projects for grants under this subsection, the Secretary shall give a priority to proposals involving projects—
“(A) which exceed the minimum requirements of paragraph (4)(E); and
“(B) in areas where the waiting lists for housing assistance are relatively long and where families holding certificates under section 8 require an excessive length of time to find housing.

“(7) ENFORCEMENT OF PROGRAM REQUIREMENTS.—(A) The grantee shall take appropriate legal action to enforce compliance with the requirements of this subsection by the owner of any assisted property or his or her successors in interest during the 20-year period beginning on the date on which 50 per centum of the units are occupied or are completed. For any violation of such agreements, the owner or his or her successors in interest shall make a payment to the grantee of an amount that equals the total amount of assistance provided under this title with respect to such project, plus interest thereon (without compounding), for each year and any fraction thereof that the assistance was outstanding, at a rate determined by the Secretary taking into account the average yield on outstanding marketable long-term obligations of the United States during the month preceding the date on which the assistance was made available. The amount of such assistance (and accrued interest) which is required to be repaid shall be reduced by 10 per centum for each full year in excess of 10 years which intervened between the commencement of the period and the violation. Any amounts recovered by the grantee shall be used to furnish assistance under this section.
“(B) Notwithstanding any other provision of law, any assistance provided under this subsection shall constitute a debt, which is payable in the case of any failure to carry out the agreements, and shall be secured by the security instruments provided by the owner to the grantee.
"(8) Rent Provisions.—Rents charged for units available for occupancy by lower income families in any project assisted under this subsection shall be approved by the grantee. In approving such rents, the grantee shall provide that the rents of such units are not more than 30 per centum of the adjusted income of a family whose income equals 50 per centum of the median income for the area, as determined by the Secretary with adjustments for smaller and larger families. Not less than 30 days prior written notice of any increase in rents shall be provided to such tenants.

"(B) Any schedule of rents submitted by an owner to the grantee for approval shall be deemed to be approved unless the grantee informs the owner, within 60 days after receiving such schedule, that such schedule is disapproved.

"(9) Grant Amount.—The amount of a development grant provided under this subsection shall not be more than that amount which will provide decent rental or cooperative housing of modest design which is affordable for families and individuals without other reasonable and affordable housing alternatives in the private market, including an amount necessary to achieve compliance with paragraph (8)(A).

"(e) State Program.—(1) Except as provided in paragraph (2), the State shall administer resources made available under subsection (b)(2) for any fiscal year. These resources shall only be used to carry out activities under this section in cities with populations of less than fifty thousand and in urban counties and cities whose allocations are less than the minimum allocation amount established under subsection (b)(2), but may not be used in areas which are eligible for assistance under title V of the Housing Act of 1949. The State may use all or part of these resources (A) to carry out its own rental rehabilitation program, or (B) to distribute them to units of general local government. A city with a population over fifty thousand may, with the agreement of the State government, elect to contract with the State to administer the grant program under this section in any fiscal year.

"(2) States may elect not to administer resources made available under subsection (b)(2) of this section. This election shall be made in such manner and before such time as the Secretary may prescribe. The Secretary shall administer the resources available to any State exercising such an election in accordance with regulations and procedures prescribed by the Secretary, including the administration of grant programs of cities with populations over fifty thousand which elect not to administer their own program. Such regulations shall, to the maximum extent practicable, be comparable to those for cities and urban counties receiving resources under subsection (b).

"(3) A State may apply for and receive, on behalf of a unit of local government located in that State and with the concurrence of that unit of general local government, a rental development grant to be used in accordance with the provisions of subsection (d).

"(4) In any case in which the State is a grantee under any provision of this section, the Secretary shall require that the State take such actions as may be appropriate to assure compliance with the program requirements, owner agreements, and other provisions of this section.

"(f) Applicability of Requirements or Agreements.—Requirements imposed by or agreements made with States and units of general local government regarding rents in structures assisted
under this section (including requirements relating to the rents which may be charged after rehabilitation) shall not apply to a structure assisted under this section unless (1) such requirements are imposed or agreements are entered into pursuant to a State law or local ordinance of general applicability which was enacted and in effect in that jurisdiction prior to the date of enactment of this section, and (2) such requirements or agreements would apply generally to structures not assisted under this section.

"(g) RELOCATION.—The Secretary shall by regulation establish such standards governing reasonable relocation payments and other related assistance as the Secretary determines to be appropriate.

"(h) ADMINISTRATIVE EXPENSES.—Grantees receiving assistance under this section shall not deduct therefrom any amounts to cover administrative expenses incurred by them in carrying out their responsibilities under this section.

"(i) PRESERVATION, ENVIRONMENTAL POLICY, AND LABOR STANDARDS.—(1) The Secretary shall establish procedures which support national historic preservation objectives and which assure that, if any rehabilitation or development proposed to be assisted under this section would affect property which is included on the National Register of Historic Places or which is eligible for inclusion on the National Register of Historic Places, such activity shall not be undertaken unless (A) it will reasonably meet the standards issued by the Secretary of the Interior and the appropriate State historic preservation officer is afforded the opportunity to comment on the specific rehabilitation or development program, or (B) the Advisory Council on Historic Preservation is afforded an opportunity to comment on cases for which the grantee of assistance, in consultation with the State historic preservation officer, determines that the proposed activity cannot reasonably meet such standards or would adversely affect historic property as defined therein.

"(2) The Secretary's award and grantee's use of resources made available under this section shall be subject to section 104(f) of the Housing and Community Development Act of 1974.

"(3) A structure assisted under this section shall be treated as a project subject to a mortgage insured under section 220 of the National Housing Act for the purpose of section 212 of such Act.

"(j) FINANCING.—Subject to terms and conditions that are prescribed by the Secretary and are consistent with the purpose and other provisions of this section, any obligation issued by a State or local housing agency for the purpose of financing the development of a project or projects assisted under this section is hereby deemed an obligation that meets the requirements of, and has the benefits (including the benefit of interest earned with respect to the obligation being exempt from Federal taxation) associated with, an obligation described in section 11(b).

"(k) DEFINITIONS.—For the purpose of this section—

"(1) the term 'rehabilitation grant' means a grant to finance moderate rehabilitation;

"(2) the term 'development grant' means a grant to finance new construction or substantial rehabilitation;

"(3) the Secretary shall use the same population data and rules for designating cities and urban counties as apply under title I of the Housing and Community Development Act of 1974;

"(4) the term 'real property to be used primarily for residential rental purposes' includes cooperative or mutual housing
which has a resale structure which enables the cooperative to maintain affordability for lower income families; and

"(5) the term 'grantee' means—

"(A) any city or urban county receiving resources under this section;

"(B) any State administering a rental rehabilitation or development program as provided in subsection (f); and

"(C) any unit of general local government which receives assistance from the Secretary as provided in subsection (f)(2).

The Secretary shall encourage cooperation by units of general local government in the administration of grants under this section by permitting consortia of geographically proximate units of general local government to apply for assistance on behalf of their members, including establishment of eligibility under subsection (b) for consortia whose combined populations exceed fifty thousand and which can otherwise meet the requirements of such subsection. Any amounts made available to such a consortium shall be deducted from the allocation to the State in which the units of general local government are located.

"(1) REVIEW AND AUDIT.—The Secretary shall, at least on an annual basis, make such reviews and audits as may be necessary or appropriate to determine—

"(1) where the grantee is a unit of general local government or a State carrying out its own program as provided in subsection (f)(1), whether the grantee has carried out its activities in a timely manner and in accordance with the requirements of this section, and has a continuing capacity to carry out those activities in a timely manner; and

"(2) where the grantee is a State distributing resources made available under this section to units of general local government as provided in subsection (e)(2), whether the State (A) has distributed such resources in a timely manner and in accordance with the requirements of this section, and (B) has made such reviews and audits of the units of general local government as may be necessary or appropriate to determine whether they have satisfied the performance criteria described in paragraph (1).

In addition to the adjustments based on performance authorized by subsection (b)(2), the Secretary may adjust, reduce, or withdraw resources made available to States and units of general local government receiving assistance under this section, or take other action as appropriate in accordance with the findings of these reviews and audits, except that resources already expended on eligible activities shall not be recaptured or deducted from future resources made available to the grantee. Any amounts which become available as a result of actions under this paragraph shall be reallocated in the year in which they become available to such grantee or grantees as the Secretary may determine.

"(m) PERFORMANCE REPORT.—Prior to the beginning of fiscal year 1985 and each fiscal year thereafter, each grantee shall submit to the Secretary a performance report concerning the activities carried out pursuant to this section, together with an assessment by the grantee of the relationship of these activities to the objectives of this section. Such report shall contain an analysis of the program's cost effectiveness, the type and income levels of tenants who benefit from the rehabilitation program, any tenant displacement resulting from

Consortium.

Submittal to Secretary.
the program, and any other information the Secretary may require. To facilitate this reporting requirement, each grantee shall require owners of property rehabilitated under this section to provide verified income data and other pertinent tenant demographic information as prescribed by the Secretary (to include household size and race) or to otherwise arrange for the collection of such information on an annual basis. The Secretary shall stipulate the format for such data collection to assure that such information can be aggregated at the national level to allow congressional oversight.

"(n) REPORT TO CONGRESS.—Prior to the beginning of fiscal year 1985 and each fiscal year thereafter, the Secretary shall provide a report to the Congress as to the overall progress of grantees in meeting the objectives of this section. Such report shall include an analysis of program costs, services delivered, beneficiaries, and the extent to which lower income tenants have been displaced as a result of rehabilitation assisted under this section."

(a) The Secretary, subject to such special conditions as the Secretary may prescribe, may insure under any provision of this title that authorizes such insurance, a mortgage covering a property upon which there is located a one- to four-family residence, without regard to any limitation in this Act relating to marketability of title or any other limitation in this Act that the Secretary determines is contrary to promoting the availability of such insurance on Indian reservations if the mortgage (1) is executed by an Indian tribe and the property is located on trust or otherwise restricted lands; or (2) is executed by a member of an Indian tribe who will use the property as a principal residence and the property is on trust lands or otherwise restricted land.

"(b) Notwithstanding any other provision of this Act, with respect to mortgages covering a property upon which there is located a one- to four-family residence—

"(1) the Secretary may insure and make commitments to insure under this title pursuant to this section advances made during construction where the Secretary determines that the proposed construction is otherwise acceptable and meets an applicable tribal or national model building code, and that no feasible financing alternative is available;

"(2) the applicable percentage limitation on the amount of the principal obligation of a mortgage based on the appraised value or replacement cost, as appropriate, of a one- to four-family owner-occupied residence contained in this title shall apply in the case of all mortgages insured pursuant to this section without regard to whether the residences are owner-occupied where the residences are owned by the tribe; and
“(3)(A) the Secretary may require an Indian tribe, only as a condition of insurance made under this title pursuant to this section, to pledge income from tribal resources or income from tribal assets not subject to a restriction by the Secretary of the Interior or pledge grants under title I of the Housing and Community Development Act of 1974 or any other Federal grant program administered by the Secretary of Housing and Urban Development to be used to reimburse the Secretary for any mortgage insurance claims paid in connection with residences insured pursuant to this section; or

“(B) in the case of an individual Indian mortgagor, the Secretary may require a pledge of his or her share of distributed income from tribal resources or income from tribal assets, excluding any Federal grants received by the tribe.

“(c) The Secretary may not refuse to insure a mortgage under this section to an individual home purchaser because there is no distributed tribal or trust fund income attributable to that purchaser.

“(d) Before making any commitment to insure a mortgage under this section with respect to property located on tribal or trust land, the Secretary shall require a showing by the tribe that it has adopted eviction procedures to be used in the event of a default.

“(e) A mortgage insured under this section may be assumed, subject to credit approval by the lender and the consent of the tribe to an assumption of the existing lease or the grant of a new lease, without an adjustment of the interest rate. Any other sale of a property subject to a mortgage insured under this section may be made only if a new lease is granted, except that a sale following a foreclosure may be accompanied by an assumption of the lease with the consent of the tribe.

“(f)(1) The Secretary shall make information regarding the status and payment history of loans insured under this section available to local credit bureaus and prospective creditors. Prior to accepting assignment of a mortgage, the Secretary shall require mortgagees to submit documentation that mortgagors have been counseled in a face-to-face interview, informed of the provisions of this subsection or other available assistance, and provided with the names and addresses of officials of the Department of Housing and Urban Development to whom further communications shall be addressed.

“(2) Notwithstanding the requirement for conveyance of title under section 204, a mortgagee under this section shall be entitled to receive the benefit of insurance under this section in the case of a mortgage which is more than 90 days in default upon conveyance of the lease agreement and the mortgage documents.

“(3) In the event that any default is cured, the Secretary shall seek to reinstate the loan with the mortgagor or another mortgagee. For purposes of this paragraph, the Secretary may provide appropriate financial incentives to reinstate the loan commensurate with sound management of the insurance fund.

“(4) If the Secretary determines that a mortgagor is not making a good-faith effort to cure a default, and that trust fund or tribal income is available under subsection (b)(3)(B), the Secretary shall commence proceedings for the garnishment of the mortgagor’s distributed share of tribal or trust fund income in order to collect loan payments that are past due. Proceedings under this paragraph may be instituted in a tribal court, court of competent jurisdiction designated by the tribe, or Federal district court.
"(5) If the Secretary determines such action is necessary to protect the insurance fund from undue loss, the Secretary may initiate foreclosure proceedings with respect to any mortgage acquired under this subsection. Such proceeding may take place in a tribal court, a court of competent jurisdiction, or Federal district court. Any such court shall have jurisdiction to convey to the Secretary the remaining life of a lease on the real property and to order eviction of the delinquent mortgagor.

"(g) In the administration of this section, the Secretary shall establish a premium charge for insurance that will be sufficient to cover the full costs of the mortgage insurance program under this section, except that such charge may not exceed 3 percent per annum of the principal amount of the mortgage outstanding at any time. Not later than September 30, 1984, the Secretary shall determine and report to the Congress on the feasibility of eliminating any excess amount of the premium under this section over the premium under section 203. In the event such premiums are not sufficient to cover the full costs of the mortgage insurance program under this section, the Secretary shall make recommendations to the Congress about changes to the program.

"(h) For purposes of this section:

“(1) The term 'Indian tribe' means any Indian or Alaska native tribe, band, nation, or other organized group or community of Indians or Alaska natives recognized as eligible for the services provided to Indians or Alaska natives by the Secretary of the Interior because of its status as such an entity, or that is an eligible recipient under chapter 67 of title 31, United States Code.

“(2) The term ‘trust or otherwise restricted land’ means (A) that area of land, as defined by the Secretary of the Interior, over which an Indian tribe is recognized by the United States as having governmental jurisdiction; (B) land held in trust for the benefit of any Indian tribe or individual or held by any Indian tribe or individual subject to a restriction by the United States against alienation; or (C) land acquired by Alaska natives under the Alaska Native Claims Settlement Act or any other land acquired by Alaska natives pursuant to statute by virtue of their unique status as Alaska natives.”.

Such interest rate adjustments may be accomplished through adjustments in the monthly payment amount, the outstanding principal balance, or the mortgage term, or a combination of these factors, except that in no case may any extension of a mortgage term result in a total term in excess of 40 years. Adjustments in the effective rate of interest shall correspond to a specified national interest rate index approved in regulations by the Secretary, information on which is readily accessible to mortgagors from generally available published sources. Adjustments in the effective rate of interest shall (1) be made on an annual basis; (2) be limited, with respect to any single interest rate increase, to no more than 1 percent on the outstanding loan balance; and (3) be limited to a maximum increase of 5 percentage points above the initial contract interest rate over the term of the mortgage.

“(b) The Secretary shall issue regulations requiring that the mortgagee make available to the mortgagor, at the time of loan application, a written explanation of the features of the adjustable rate mortgage, including a hypothetical payment schedule that displays the maximum potential increases in monthly payments to the mortgagor over the first 5 years of the mortgage term.

“(1) provides for the mortgagee to share in a predetermined percentage of the property’s or stock’s net appreciated value;
“(2) bears interest at a rate which meets criteria prescribed by the Secretary;
“(3) provides for amortization over a period of not to exceed 30 years, but the actual term of the mortgage (excluding any refinancing) may be not less than 10 nor more than 30 years, and contains such provisions relating to refinancing of the principal balance of the mortgage and any contingent deferred interest as the Secretary may provide; and
“(4) meets such other conditions as the Secretary may require by regulation.

“(b) The mortgagee's share of a property's or stock's net appreciated value shall be payable upon sale or transfer (as defined by the Secretary) of the property or stock or payment in full of the mortgage, whichever occurs first. For purposes of this section, the term 'net appreciated value' means the amount by which the sales price of the property or stock (less the mortgagor's selling costs) exceeds the value of the property or stock at the time the commitment to insure is issued (with adjustments for capital improvements stipulated in the loan contract). If there has been no sale or transfer at the time the mortgagee's share of net appreciated value becomes payable, the sales price for purposes of this section shall be determined by means of an appraisal conducted in accordance with procedures approved by the Secretary and provided for in the mortgage.

“(c) In the event of a default, the mortgagee shall be entitled to receive the benefits of insurance in accordance with section 204(a), but such insurance benefits shall not include the mortgagee's share of net appreciated value. The term 'original principal obligation of the mortgage' as used in section 204 shall not include the mortgagee's share of net appreciated value.

“(d) Mortgages insured pursuant to this section which contain provisions for sharing appreciation or which otherwise require or permit increases in the outstanding loan balance which are authorized under this section or under applicable regulations shall not be subject to any State constitution, statute, court decree, common law, rule, or public policy limiting or prohibiting increases in the outstanding loan balance after execution of the mortgage.

“(e) In carrying out the provisions of this section, the Secretary shall encourage the use of insurance under this section by low and moderate income tenants who would otherwise be displaced by the conversion of their rental housing to condominium or cooperative ownership.

“(f) The Secretary shall prescribe adequate consumer protections and disclosure requirements with respect to mortgages insured under this section, and may prescribe such other terms and conditions as may be appropriate to carry out the provisions of this section.

“(g) The aggregate number of mortgages and loans insured under this section, section 245(c), and section 251 in any fiscal year may not exceed 10 percent of the aggregate number of mortgages and loans insured by the Secretary under this title during the preceding fiscal year.”.

The term of the mortgage shall not be less than 15 years, and shall be repayable in equal monthly installments of principal and fixed interest during the mortgage term in an amount which would be sufficient to retire a debt with the same principal and fixed interest rate over a period not exceeding 30 years. In the case of a mortgage which will not be completely amortized during the mortgage term, the principal obligation of the mortgage may not exceed 85 percent of the estimated value of the property or project. For purposes of this section, the term 'net appreciated value' means the amount by which the sales price of the property (less the mortgagor's selling costs) exceeds the value (or replacement cost, as appropriate) of the property at the time the commitment to insure is issued (with adjustments for capital improvements stipulated in the loan contract). If there has been no sale or transfer at the time the mortgagee's share of net appreciated value becomes payable, the sales price for purposes of this section shall be determined by means of an appraisal conducted in accordance with procedures approved by the Secretary and provided for in the mortgage.

"(c) In the event of a default, the mortgagee shall be entitled to receive the benefits of insurance in accordance with section 204, but such insurance benefits shall not include the mortgagee's share of net appreciated value. The term 'original principal obligation of the mortgage' as used in section 204(a) shall not include the mortgagee's share of net appreciated value.

"(d) The Secretary shall establish by regulation the maximum percentage of net appreciated value which may be payable to a mortgagee as the mortgagee's share. The Secretary shall also establish disclosure requirements applicable to mortgagees making mortgage loans pursuant to this section, to assure that mortgagors are informed of the characteristics of such mortgages.

"(e) Mortgages insured pursuant to this section which contain provisions for sharing appreciation or which otherwise require or permit increases in the outstanding loan balance which are authorized under this section or under applicable regulations shall not be subject to any State constitution, statute, court decree, common law, rule, or public policy limiting or prohibiting increases in the outstanding loan balance after execution of the mortgage.

“(E) the unit of general local government or nonprofit organization will agree to supervise repairs and rehabilitation and will agree to have a disinterested party inspect such repairs and rehabilitation.
"(2) Assistance under this section provided with respect to any housing other than rental or cooperative housing may be provided only if the owner complies with the requirements set forth in subparagraph (E) of paragraph (1) and any other requirements established by the Secretary to carry out the purpose of this section.

"(3)(A) The Secretary shall provide that if the owner or his or her successors in interest fail to carry out the agreements described in subparagraphs (A) and (B) of paragraph (1) during the applicable period, the owner or his or her successors in interest shall make a payment to the Secretary of an amount that equals the total amount of assistance provided under this section with respect to such housing, plus interest thereon (without compounding), for each year and any fraction thereof that the assistance was outstanding, at a rate determined by the Secretary taking into account the average yield on outstanding marketable long-term obligations of the United States during the month preceding the date on which the assistance was made available.

"(B) Notwithstanding any other provision of law, any assistance provided under this section shall constitute a debt, which is payable in the case of any failure to carry out the agreements described in subparagraphs (A), (B), and (C) of paragraph (1), and shall be secured by the security instruments provided by the owner to the Secretary.

"(f) The Secretary shall provide for such advance payments of assistance under this section as the Secretary determines is necessary to effectively carry out the provisions of this section.

"(g) The Secretary shall, at least on an annual basis, make such review and audits as may be necessary or appropriate to determine whether the grantee has carried out its activities in a timely manner and in accordance with the requirements of this section, the degree to which the activities assisted benefitted persons of low income and very low-income who lacked adequate housing, and whether the grantee has a continuing capacity to carry out the activities in a timely manner. The Secretary may adjust, reduce, or withdraw resources made available to grantees receiving assistance under this section, or take other action as appropriate in accordance with the findings of these reviews and audits. Any amounts which became available as a result of actions under this subsection shall be reallocated in the year in which they become available to such grantee or grantees as the Secretary may determine.

"(h) The Secretary is authorized to prescribe such rules and regulations and make such delegations of authority as he deems necessary to carry out this section within 90 days after the date of enactment of this section.

"(i) The Secretary shall establish procedures which support national historic preservation objectives and which assure that, if any rehabilitation proposed to be assisted under this section would affect property that is included or is eligible for inclusion on the National Register of Historic Places, such activity shall not be undertaken unless (1) it will reasonably meet the standards for rehabilitation issued by the Secretary of the Interior and the appropriate State historic preservation officer is afforded the opportunity to comment on the specific rehabilitation plan, or (2) the Advisory Council on Historic Preservation is afforded an opportunity to comment on cases for which the recipient of assistance, in consultation with the State historic preservation officer, determines that the proposed rehabilitation activity cannot reasonably meet such standards or would adversely affect historic property as defined therein.

SHORT TITLE

SEC. 641. This part may be referred to as the "Trade and Development Enhancement Act of 1983".

STATEMENT OF PURPOSE

SEC. 642. The purpose of this part is—

(1) to expand employment and economic growth in the United States by expanding United States exports to the markets of the developing world;

(2) to stimulate the economic development of countries in the developing world by improving their access to credit for the importation of United States products and services for developmental purposes;

(3) to neutralize the predatory financing engaged in by many nations whose exports compete with United States exports, and thereby restore export competition to a market basis; and

(4) to encourage foreign governments to enter into effective and comprehensive agreements with the United States to end the use of tied aid credits for exports, and to limit and govern the use of export credit subsidies generally.

NEGOTIATING MANDATE

SEC. 643. The President shall vigorously pursue negotiations to limit and set rules for the use of tied aid for exports. The negotiating objectives of the United States should include reaching agreements—

(1) to define the various forms of tied aid credit, particularly mixed credits under the Arrangement on Guidelines for Officially Supported Export Credits established through the Organization for Economic Cooperation and Development (hereinafter in this part referred to as the "Arrangement");

(2) to phase out the use of government-mixed credits by a date certain;

(3) to set rules governing the use of public-private cofinancing, or other forms of mixed financing, which may have the same result as government-mixed credits of drawing on concessional development assistance to produce subsidized export financing;

(4) to raise the threshold for notification of the use of tied aid credit to a 50 per centum level of concessionality;

(5) to improve notification procedures so that advance notification must be given on all uses of tied aid credit; and

(6) to prohibit the use of tied aid credit for production facilities for goods which are in structural oversupply in the world.

(2) The program shall be carried out in cooperation with the Agency for International Development and with private financial institutions or entities, as appropriate.

(3) The program may include—

(b) The purpose of the tied aid credit program under this section is to offer or arrange for financing for the export of United States goods and services which is substantially as concessional as foreign financing for which there is reasonable proof that such foreign financing is being offered to, or arranged for, a bona fide foreign competitor for a United States export sale.

(c) The Chairman of the Bank is authorized to establish a fund, as necessary, for carrying out the tied aid credit program described in this section.

(d) Concessional financing or grants offered by the Agency for International Development for the purposes of the mixed financing program established under this section shall be made available in accordance with the provisions of subsections (c) and (d) of section 645 of this Act.

(2) the combination of concessional financing or grants offered by the Agency for International Development with financing offered by private financial institutions or entities, by methods including the blending of the financing of, or parallel financing
by, the Agency for International Development and private institutions or entities.

(b) These funds may be combined with financing by the Export-Import Bank of the United States or private commercial financing in order to offer, or arrange for, financing for the exportation of United States goods and services which is substantially as concessional as foreign financing for which there is reasonable proof that such foreign financing is being offered to, or arranged for, a bona fide foreign competitor for a United States export sale.

(c)(1) Funds of the agency for International Development which are used to carry out a tied aid credit program authorized by subsections (a) and (b) shall be offered only to finance United States exports which can reasonably be expected to contribute to the advancement of the development objectives of the importing country or countries, and shall be consistent with the economic, security, and political criteria used to establish country allocations of Economic Support Funds.

(2) The Administrator of the Agency for International Development is authorized to establish a fund, as necessary, for carrying out a tied aid credit financing program as described in this section.

(d) The Administrator of the Agency for International Development may draw on Economic Support Funds allocated for Commodity Import Programs to finance a tied aid credit activity.

"COLLECTION AND EXCHANGE OF INFORMATION ON MONETARY AND FINANCIAL PROBLEMS

"SEC. 42. (a) It is the sense of the Congress that—

"(1) the lack of sufficient information currently available to allow members of the Fund to make sound and prudent decisions concerning their public and private sector international borrowing, and to allow lenders to make sound and prudent decisions concerning their international lending, threatens the stability of the international monetary system; and

"(2) in recognition of the Fund's duties, as provided particularly by article VIII of the Articles of Agreement of the Fund, to act as a center for the collection and exchange of information on monetary and financial problems, the Fund should adopt necessary and appropriate measures to ensure that more complete and timely financial information will be available.

"(b) To this end, the Secretary of the Treasury shall instruct the United States Executive Director of the Fund to initiate discussions with other directors of the Fund and with Fund management, and to propose and vote for, the adoption of procedures, within the Fund—

"(1) to collect and disseminate information, on a quarterly basis, from and to Fund members, and to such other persons as the Fund deems appropriate, concerning—

"(A) the extension of credit by banks or nonbanks to private and public entities, including all government entities, instrumentalities, and central banks of member countries; and

"(B) the receipt of such credit by those private and public entities of member countries, where such banks or non-banks are not principally established within the borders of the member country to which the credits are extended; and

"(2) to disseminate publicly information which is developed in the course of the Fund's collection, and to review and comment on efforts which the Fund determines would serve to enhance the informational base upon which international borrowing and lending decisions are taken.

"(c) For purposes of this section, the term 'credit' includes—

"(1) outstanding loans to private and public entities, including government entities, instrumentalities, and central banks of any member, and
“(d) The President is authorized to use the authority provided under section 8 of this Act to require any person (as defined in such section) subject to the jurisdiction of the United States to provide such information as the Fund determines to be necessary in order to carry out the provisions of this section.”.

“(2) Such consultations shall include an explanation of the consistency of such proposal to allocate with the requirements of the Articles of Agreement of the Fund, in particular the requirement that in all its decisions with respect to allocation of Special Drawing Rights, the Fund shall ‘seek to meet the long-term global need, as and when it arises, to supplement existing reserve assets in such manner as will promote the attainment of its purposes and will avoid economic stagnation and deflation as well as excess demand and inflation in the world’.”.

INSTRUCTIONS TO THE UNITED STATES EXECUTIVE DIRECTOR

Sec. 804. The Bretton Woods Agreements Act (22 U.S.C. 286 et seq.) is amended by adding at the end thereof the following:

"INSTRUCTIONS TO THE UNITED STATES EXECUTIVE DIRECTOR

Sec. 43. (a) The Congress hereby finds that Communist dictatorships result in severe constraints on labor and capital mobility and other highly inefficient labor and capital supply rigidities which contribute to balance of payments deficits in direct contradiction of the goals of the International Monetary Fund. Therefore, the Secretary of the Treasury shall instruct the United States Executive Director of the Fund to actively oppose any facility involving use of Fund credit by any Communist dictatorship, unless the Secretary of the Treasury certifies and documents in writing upon request and so notifies and appears, if requested, before the Foreign Relations and Banking, Housing, and Urban Affairs Committees of the Senate and the Banking, Finance and Urban Affairs Committee of the House of Representatives, at least twenty-one days in advance of any vote on such drawing that such drawing—"

(2) would reduce the severe constraints on labor and capital mobility or other highly inefficient labor and capital supply rigidities and advances market-oriented forces in that country; and

(3) is in the best economic interest of the majority of the people in that country.

"(b) The Congress hereby finds that the practice of apartheid results in severe constraints on labor and capital mobility and other highly inefficient labor and capital supply rigidities which contribute to balance of payments deficits in direct contradiction of the goals of the International Monetary Fund. Therefore, the President shall instruct the United States Executive Director of the Fund to actively oppose any facility involving use of Fund credit by any country which practices apartheid unless the Secretary of the Treasury certifies and documents in writing that such drawing: (1) would reduce the severe constraints on labor and capital mobility, through such means as increasing access to education by workers and reducing artificial constraints on worker mobility and substantial reduction of racially-based restrictions on the geographical mobility of labor; (2) would reduce other highly inefficient labor and capital supply rigidities; (3) would benefit economically the majority of the people of any country which practices apartheid; (4) is suffering from a genuine balance of payments imbalance that cannot be met by recourse to private capital markets. Should the Secretary not meet a request to appear before the aforementioned committees at least twenty-one days in advance of any vote on any facility involving use of Fund credit by any country practicing apartheid and certify and document in writing that these four conditions have been met, the United States Executive Director shall vote against such program."

“(2) Such economic adjustment programs should be designed to safeguard, to the maximum extent feasible, international economic growth, world trade, employment, and the long-term solvency of banks, and to minimize the likelihood of civil disturbances in countries needing economic adjustment programs.

“(b) To ensure the effectiveness of economic adjustment programs supported by Fund resources—

adjustment on the debtor nation, provided that such interest rate spreads are consistent with that nation's need to obtain adequate external private financing;

"(B) the annual external debt service required of the country involved is a manageable and prudent percentage of the projected annual export earnings of such country; and

"(C) the economic adjustment program will not have an adverse impact on international economic growth, world trade, exports, and employment of other member countries, and the long-term solvency of banks.

"(c) The provisions of subsection (b)(2) shall not apply in any case in which the Secretary of the Treasury first determines and provides written documentation to the Committee on Banking, Housing, and Urban Affairs and the Committee on Foreign Relations of the Senate and the Committee on Banking, Finance and Urban Affairs of the House of Representatives that—

"(1) an emergency exists in a nation that has applied to the Fund for assistance that requires an immediate short-term loan to avoid disrupting orderly financial markets;

"(2) a sudden decrease in export earnings in the country applying to the Fund for assistance has increased the ratio of annual external debt service to annual export earnings, to greater than 85 per centum for a period projected to be no more than one year; or

TITLE IX—INTERNATIONAL LENDING SUPERVISION

SHORT TITLE

Sec. 901. This title may be cited as the “International Lending
Supervision Act of 1983”.

DECLARATION OF POLICY

Sec. 902. (a)(1) It is the policy of the Congress to assure that the
economic health and stability of the United States and the other
nations of the world shall not be adversely affected or threatened in

framework to encourage prudent private decisionmaking and by
enhancing international coordination among bank regulatory
authorities.

(b) The Federal banking agencies shall consult with the banking
supervisory authorities of other countries to reach understandings
aimed at achieving the adoption of effective and consistent supervi-

(b) Each such agency shall establish examination and supervisory procedures to assure that factors such as foreign country exposure and transfer risk are taken into account in evaluating the adequacy of the capital of banking institutions.

RESERVES

Sec. 905. (a)(1) Each appropriate Federal banking agency shall require a banking institution to establish and maintain a special reserve whenever, in the judgment of such appropriate Federal banking agency—

(A) the quality of such banking institution's assets has been impaired by a protracted inability of public or private borrowers in a foreign country to make payments on their external indebtedness as indicated by such factors, among others, as—

(i) a failure by such public or private borrowers to make full interest payments on external indebtedness;

(ii) a failure to comply with the terms of any restructured indebtedness; or

(iii) a failure by the foreign country to comply with any International Monetary Fund or other suitable adjustment program; or

(B) no definite prospects exist for the orderly restoration of debt service.

(2) Such reserves shall be charged against current income and shall not be considered as part of capital and surplus or allowances for possible loan losses for regulatory, supervisory, or disclosure purposes.

(b) The appropriate Federal banking agencies shall analyze the results of foreign loan rescheduling negotiations, assess the loan loss risk reflected in rescheduling agreements, and, using the powers set forth in section 908 (regarding capital adequacy), ensure that the capital and reserve positions of United States banks are adequate to accommodate potential losses on their foreign loans.

(c) The appropriate Federal banking agencies shall promulgate regulations or orders necessary to implement this section within one hundred and twenty days after the date of the enactment of this title.

ACCOUNTING FOR FEES ON INTERNATIONAL LOANS

Sec. 906. (a)(1) In order to avoid excessive debt service burdens on debtor countries, no banking institution shall charge, in connection with the restructuring of an international loan, any fee exceeding the administrative cost of the restructuring unless it amortizes such fee over the effective life of each such loan.

(2)(A) Each appropriate Federal banking agency shall promulgate such regulations as are necessary to further carry out the provisions of this subsection.
(B) The requirement of paragraph (1) shall take effect on the date of the enactment of this section.

(b)(1) Subject to subsection (a), the appropriate Federal banking agencies shall promulgate regulations for accounting for agency, commitment, management and other fees charged by a banking institution in connection with an international loan.

(3) The appropriate Federal banking agencies shall promulgate regulations or orders necessary to implement this subsection within one hundred and twenty days after the date of the enactment of this title.

COLLECTION AND DISCLOSURE OF CERTAIN INTERNATIONAL LENDING DATA

CAPITAL ADEQUACY

12 USC 3907. Sec. 908. (a)(1) Each appropriate Federal banking agency shall cause banking institutions to achieve and maintain adequate capital by establishing minimum levels of capital for such banking institutions and by using such other methods as the appropriate Federal banking agency deems appropriate.

(2) Each appropriate Federal banking agency shall have the authority to establish such minimum level of capital for a banking institution as the appropriate Federal banking agency, in its discretion, deems to be necessary or appropriate in light of the particular circumstances of the banking institution.

(b)(1) Failure of a banking institution to maintain capital at or above its minimum level as established pursuant to subsection (a) may be deemed by the appropriate Federal banking agency, in its discretion, to constitute an unsafe and unsound practice within the meaning of section 8 of the Federal Deposit Insurance Act.

(2)(A) In addition to, or in lieu of, any other action authorized by law, including paragraph (1), the appropriate Federal banking agency may issue a directive to a banking institution that fails to maintain capital at or above its required level as established pursuant to subsection (a).

(B)(i) Such directive may require the banking institution to submit and adhere to a plan acceptable to the appropriate Federal banking
agency describing the means and timing by which the banking institution shall achieve its required capital level.

(ii) Any such directive issued pursuant to this paragraph, including plans submitted pursuant thereto, shall be enforceable under the provisions of section 8(i) of the Federal Deposit Insurance Act to the same extent as an effective and outstanding order issued pursuant to section 8(b) of the Federal Deposit Insurance Act which has become final.

(3)(A) Each appropriate Federal banking agency may consider such banking institution's progress in adhering to any plan required under this subsection whenever such banking institution, or an affiliate thereof, or the holding company which controls such banking institution, seeks the requisite approval of such appropriate Federal banking agency for any proposal which would divert earnings, diminish capital, or otherwise impede such banking institution's progress in achieving its minimum capital level.

(B) Such appropriate Federal banking agency may deny such approval where it determines that such proposal would adversely affect the ability of the banking institution to comply with such plan.

(C) The Chairman of the Board of Governors of the Federal Reserve System and the Secretary of the Treasury shall encourage governments, central banks, and regulatory authorities of other major banking countries to work toward maintaining and, where appropriate, strengthening the capital bases of banking institutions involved in international lending.

SEC. 909. (a)(1) In any case in which one or more banking institutions extend credit, whether by loan, lease, guarantee, or otherwise, which individually or in the aggregate exceeds $20,000,000, to finance any project which has as a major objective the construction or operation of any mining operation, any metal or mineral primary processing operation, any fabricating facility or operation, or any metal-making operations (semi and finished) located outside the United States or its territories and possessions, a written economic feasibility evaluation of such foreign project shall be prepared and approved in writing by a senior official of the banking institution, or, if more than one banking institution is involved, the lead banking institution, prior to the extension of such credit.

(2) Such evaluation shall—

(A) take into account the profit potential of the project, the impact of the project on world markets, the inherent competitive advantages and disadvantages of the project over the entire life of the project, and the likely effect of the project upon the overall long-term economic development of the country in which the project is located; and

(B) consider whether the extension of credit can reasonably be expected to be repaid from revenues generated by such foreign project without regard to any subsidy, as defined in international agreements, provided by the government involved or any instrumentality of any country.

(b) Such economic feasibility evaluations shall be reviewed by representatives of the appropriate Federal banking agencies whenever an examination by such appropriate Federal banking agency is conducted.
(c)(1) The authorities of the Federal banking agencies contained in section 8 of the Federal Deposit Insurance Act and in section 910 of this Act, except those contained in section 910(d), shall be applicable to this section.

Whereas the Congress of the United States recognizes the valuable contributions of the surveying profession to history, development, and quality of life in the United States of America;

Whereas the surveying profession requires special education, training, experience, and knowledge of the principles of mathematics, the related physical and applied sciences, and requirements of law for adequate evidence; and

Whereas, since the early days of our Nation when many of our forefathers, including our first and third Presidents, were surveyors, the profession of surveying has continued to be uniquely qualified to determine and describe land and water boundaries for the management of our natural resources and the protection of private property rights: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is hereby authorized and requested to issue a proclamation designating the week beginning on March 11, 1984, as "National Surveyors Week" and to urge the people of the United States to observe such week with appropriate ceremonies and activities paying tribute to professional surveyors and their contribution to society.

Whereas, in cases in which fetal alcohol syndrome is avoided, infants may still experience fetal alcohol effects, a series of poorly defined health problems that include increased irritability during the newborn period and hyperactivity;
Whereas the discovery of fetal alcohol syndrome as a major health problem is a recent occurrence, and many questions regarding the illness remain unanswered;
Whereas there has never been an infant born with fetal alcohol syndrome whose mother did not consume alcohol during pregnancy;
Whereas fetal alcohol syndrome can be prevented if pregnant women and women considering pregnancy abstain from alcohol consumption; and

Such study shall also identify the need for new construction. A report on the results of such study shall be submitted to the Congress not later than eighteen months after the date of enactment of this subsection. Such report shall also include an identification of property—

“(1) on which structurally sound buildings suitable for use as educational facilities are located, and

“(b) The Administrator of General Services, in consultation with the Bureau of Indian Affairs, shall initiate a program to conduct necessary renovations, alterations, repairs, and reconstruction identified pursuant to subsection (a) of this section.

“(c) For the purposes of this section, the term ‘reconstruction’ has the meaning provided in the first sentence of subparagraph (B) of reconstruction program.
section 742(2) of the Higher Education Act of 1965 (20 U.S.C. 1132e-1(2)(B))."

Sec. 12. Section 113 of the Act (as redesignated by section 4(a)(1) of this Act) is amended to read as follows:

"CONSTRUCTION OF NEW FACILITIES"

"Sec. 113. (a) With respect to any tribally controlled community college for which the report of the Administrator of General Services under section 112(a) of this Act identifies a need for new construction, the Secretary shall, subject to appropriations and on the basis of an application submitted in accordance with such requirements as the Secretary may prescribe by regulation, provide grants for such construction in accordance with this section.

"(b) In order to be eligible for a grant under this section, a tribally controlled community college—

"(1) must be a current recipient of grants under section 105 or 107, and

"(2) must be accredited by a nationally recognized accrediting agency listed by the Secretary of Education pursuant to the last sentence of section 1201(a) of the Higher Education Act of 1965 (20 U.S.C. 1141(a)), except that such requirement may be waived if the Secretary determines that there is a reasonable expectation that such college will be fully accredited within eighteen months. In any case where such a waiver is granted, grants under this section shall be available only for planning and development of proposals for construction.

"(c)(1) Except as provided in paragraph (2), grants for construction under this section shall not exceed 80 per centum of the cost of such construction, except that no tribally controlled community college shall be required to expend more than $400,000 in fulfillment of the remaining 20 per centum. For the purpose of providing its required portion of the cost of such construction, a tribally controlled community college may use funds provided under the Act of November 2, 1921 (25 U.S.C. 13), popularly referred to as the Snyder Act.

"(2) The Secretary may waive, in whole or in part, the requirements of paragraph (1) in the case of any tribally controlled community college which demonstrates that neither such college nor the tribal government with which it is affiliated have sufficient resources to comply with such requirements. The Secretary shall base a decision on whether to grant such a waiver solely on the basis of the following factors: (A) tribal population; (B) potential student population; (C) the rate of unemployment among tribal members; (D) tribal financial resources; and (E) other factors alleged by the college to have a bearing on the availability of resources for compliance with the requirements of paragraph (1) and which may include the educational attainment of tribal members.

"(d) If, within twenty years after completion of construction of a facility which has been constructed in whole or in part with a grant made available under this section—

"(1) the facility ceases to be used by the applicant in a public or nonprofit capacity as an academic facility, unless the Secretary determines that there is good cause for releasing the institution from this obligation, and

"(2) the tribe with which the applicant is affiliated fails to use the facility for a public purpose approved by the tribal govern-
ment in furtherance of the general welfare of the community served by the tribal government.

Title to the facility shall vest in the United States and the applicant (or such tribe if such tribe is the successor in title to the facility) shall be entitled to recover from the United States an amount which bears the same ratio to the present value of the facility as the amount of the applicant's contribution (excluding any funds provided under the Act of November 2, 1921 (25 U.S.C. 13)) bore to the original cost of the facility. Such value shall be determined by agreement of the parties or by action brought in the United States district court for the district in which such facility is located.

"(e) No construction assisted with funds under this section shall be used for religious worship or a sectarian activity or for a school or department of divinity.

"(f) For the purposes of this section—

"(1) the term 'construction' includes reconstruction or renovation (as such terms are defined in the first sentence of subparagraph (B) of section 742(2) of the Higher Education Act of 1965 (20 U.S.C. 1132e-1(2)(B)); and

"(2) the term 'academic facilities' has the meaning provided such term under section 742(1) of the Higher Education Act of 1965 (20 U.S.C. 1132e-1(1))."

Sec. 13. The Act is further amended by adding at the end thereof the following new title:

Expressing the sense of the Congress with respect to international efforts to further a revolution in child health.

Whereas the report entitled "State of the World's Children, 1982-83" of the United Nations Children's Fund (hereafter in this joint resolution referred to as "UNICEF") offers unprecedented hope for a "revolution in child health" which could save the lives of up to twenty thousand of the forty thousand children who perish daily around the world from malnutrition and disease;

Whereas the techniques involved in this health revolution, including oral rehydration home treatment, low-cost vaccines which do not require refrigeration, promotion of breast-feeding, and use of child growth charts to detect malnutrition, are estimated to cost only a few dollars per child;

Whereas this UNICEF report and the activities of UNICEF have been widely acclaimed by the Secretary General of the United Nations and the heads of the governments of such countries as the United Kingdom, France, Sweden, India, and Pakistan; and

Whereas the President of the United States on April 18, 1983, has issued a statement endorsing this health revolution for children and calling on the cooperation of United States Government agencies with international organizations and agencies associated in this effort: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That it is the sense of the Congress that—

(2) the President be commended for taking steps to promote, encourage, and undertake activities to further the objectives of the child health revolution and for directing all appropriate United States Government agencies, including the Department of State, the Agency for International Development, and the Department of Health and Human Services, to support and cooperate with UNICEF, the World Health Organization, the United Nations Development Program, and other international financial and assistance agencies participating in fostering this child health revolution; and

RIGHT TO APPEAL AND RELATED MATTERS

Sec. 5. (a)(1) Section 860 (article 60) is amended to read as follows:

"§ 860. Art. 60. Action by the convening authority

“(a) The findings and sentence of a court-martial shall be reported promptly to the convening authority after the announcement of the sentence.

“(b)(1) Within 30 days after the sentence of a general court-martial or of a special court-martial which has adjudged a bad-conduct discharge has been announced, the accused may submit to the convening authority matters for consideration by the convening
authority with respect to the findings and the sentence. In the case of all other special courts-martial, the accused may make such a submission to the convening authority within 20 days after the sentence is announced. In the case of all summary courts-martial the accused may make such a submission to the convening authority within 7 days after the sentence is announced. If the accused shows that additional time is required for the accused to submit such matters, the convening authority or other person taking action under this section, for good cause, may extend the period—

"(A) in the case of a general court-martial or a special court-martial which has adjudged a bad-conduct discharge, for not more than an additional 20 days; and

"(B) in the case of all other courts-martial, for not more than an additional 10 days.

"(2) In a summary court-martial case the accused shall be promptly provided a copy of the record of trial for use in preparing a submission authorized by paragraph (1).

"(3) In no event shall the accused in any general or special court-martial case have less than a 7-day period after the day on which a copy of the authenticated record of trial has been given to him within which to make a submission under paragraph (1). The convening authority or other person taking action on the case, for good cause, may extend this period for up to an additional 10 days.

"(4) The accused may waive his right to make a submission to the convening authority under paragraph (1). Such a waiver must be made in writing and may not be revoked. For the purposes of subsection (c)(2), the time within which the accused may make a submission under this subsection shall be deemed to have expired upon the submission of such a waiver to the convening authority.

"(c)(1) The authority under this section to modify the findings and sentence of a court-martial is a matter of command prerogative involving the sole discretion of the convening authority. Under regulations of the Secretary concerned, a commissioned officer commanding for the time being, a successor in command, or any person exercising general court-martial jurisdiction may act under this section in place of the convening authority.

"(2) Action on the sentence of a court-martial shall be taken by the convening authority or by another person authorized to act under this section. Subject to regulations of the Secretary concerned, such action may be taken only after consideration of any matters submitted by the accused under subsection (b) and, if applicable, under subsection (d), or after the time for submitting such matters expires, whichever is earlier. The convening authority or other person acting under this section, in his sole discretion, may approve, disapprove, commute, or suspend the sentence in whole or in part.

"(3) Action on the findings of a court-martial by the convening authority or other person acting on the sentence is not required. However, such person, in his sole discretion, may—

"(A) dismiss any charge or specification by setting aside a finding of guilty thereto; or

"(B) change a finding of guilty to a charge or specification to a finding of guilty to an offense that is a lesser included offense of the offense stated in the charge or specification.

"(d) Before acting under this section on any general court-martial case or any special court-martial case that includes a bad-conduct discharge, the convening authority or other person taking action under this section shall obtain and consider the written recommend-
dation of his staff judge advocate or legal officer. The convening authority or other person taking action under this section shall refer the record of trial to his staff judge advocate or legal officer, and the staff judge advocate or legal officer shall use such record in the preparation of his recommendation. The recommendation of the staff judge advocate or legal officer shall include such matters as the President may prescribe by regulation and shall be served on the accused, who shall have five days from the date of receipt in which to submit any matter in response. The convening authority or other person taking action under this section, for good cause, may extend that period for up to an additional 20 days. Failure to object in the response to the recommendation or to any matter attached to the recommendation waives the right to object thereto.

"(e)(1) The convening authority or other person taking action under this section, in his sole discretion, may order a proceeding in revision or a rehearing.

"(2) A proceeding in revision may be ordered if there is an apparent error or omission in the record or if the record shows improper or inconsistent action by a court-martial with respect to the findings or sentence that can be rectified without material prejudice to the substantial rights of the accused. In no case, however, may a proceeding in revision—

"(A) reconsider a finding of not guilty of any specification or a ruling which amounts to a finding of not guilty;

"(B) reconsider a finding of not guilty of any charge, unless there has been a finding of guilty under a specification laid under that charge, which sufficiently alleges a violation of some article of this chapter; or

"(C) increase the severity of the sentence unless the sentence prescribed for the offense is mandatory.

"(3) A rehearing may be ordered by the convening authority or other person taking action under this section if he disapproves the findings and sentence and states the reasons for disapproval of the findings. If such person disapproves the findings and sentence and does not order a rehearing, he shall dismiss the charges. A rehearing as to the findings may not be ordered where there is a lack of sufficient evidence in the record to support the findings. A rehearing as to the sentence may be ordered if the convening authority or other person taking action under this subsection disapproves the sentence.

Such a waiver shall be signed by both the accused and by defense counsel and must be filed within 10 days after the action under section 860(c) of this title (article 60(c)) is served on the accused or on defense counsel. The convening authority or other person taking
such action, for good cause, may extend the period for such filing by not more than 30 days.

"(b) Except in a case in which the sentence as approved under section 860(c) of this title (article 60(c)) includes death, the accused may withdraw an appeal at any time.

However, the United States may not appeal an order or ruling that is, or that amounts to, a finding of not guilty with respect to the charge or specification.

"(2) An appeal of an order or ruling may not be taken unless the trial counsel provides the military judge with written notice of appeal from the order or ruling within 72 hours of the order or ruling. Such notice shall include a certification by the trial counsel that the appeal is not taken for the purpose of delay and (if the order or ruling appealed is one which excludes evidence) that the evidence excluded is substantial proof of a fact material in the proceeding.

"(3) An appeal under this section shall be diligently prosecuted by appellate Government counsel.

"(b) An appeal under this section shall be forwarded by a means prescribed under regulations of the President directly to the Court of Military Review. An appeal under this section shall be filed with the Court of Military Review and shall, whenever practicable, have priority over all other proceedings before that court. In ruling on an appeal under this section, the Court of Military Review may act only with respect to matters of law, notwithstanding section 866(c) of this title (article 66(c)).

"(c) Any period of delay resulting from an appeal under this section shall be excluded in deciding any issue regarding denial of a speedy trial unless an appropriate authority determines that the appeal was filed solely for the purpose of delay with the knowledge that it was totally frivolous and without merit."

"(2) A local educational agency may, with the approval of the State educational agency, designate as eligible (and serve) school attendance areas with substantially higher numbers or percentages of educationally deprived children before school attendance areas with higher concentrations of children from low-income families, but this provision shall not permit the provision of services to more school attendance areas than could otherwise be served. A State educational agency shall approve such a proposal only if the State educational agency finds that the proposal will not substantially impair the delivery of compensatory education services to educationally deprived children from low-income families in project areas served by the local educational agency.

"(3) Funds received under this chapter may be used for educationally deprived children who are in a school which is not located in an eligible school attendance area when the proportion of children from low-income families in average daily attendance in such school is substantially equal to the proportion of such children in an eligible school attendance area of such agency.

"(4) If an eligible school attendance area or eligible school was so designated in accordance with subsection (b)(1)(A) in either of two preceding fiscal years, it may continue to be so designated for a single additional fiscal year even though it does not qualify in accordance with subsection (b)(1)(A).

"(5) With approval of the State educational agency, eligible school attendance areas or eligible schools which have higher proportions of children from low-income families may be skipped if they are receiving, from non-Federal funds, services of the same nature and scope as would otherwise be provided under this chapter, but (A) the number of children attending private elementary and secondary schools who receive services

public school attendance areas or schools under this paragraph.

in greatest need of assistance, and who continues to be educa-
tionally deprived, but who is no longer identified as being in
greatest need of assistance, may participate in a program or

for the remainder of such year.

"(8) The local educational agency is not required to use funds
under this chapter to serve educationally deprived children in
greatest need of assistance if such children are receiving, from
non-Federal sources, services of the same nature and scope as
would otherwise be provided under this chapter.

"(9) In the case of any school serving an attendance area that
is eligible to receive services under this chapter and in which
not less than 75 per centum of the children are from low-income
families, funds received under this chapter may be used for a
project designed to upgrade the entire educational program in
that school in the same manner and only to the same extent as
permitted under section 133(b) of the Elementary and Second-

of such section).

"(10) Public school personnel paid entirely by funds made
available under this chapter may be assigned limited, rotating,
supervisory duties which are assigned to similarly situated
personnel who are not paid with such funds, and such duties
need not be limited to classroom instruction or to the benefit of
children participating in programs or projects funded under this
chapter. Such duties may not exceed the same proportion of
total time as is the case with similarly situated personnel at the
same school site, or 10 per centum of the total time, whichever

CONGRESSIONAL FINDINGS

SEC. 109. (a) The Congress finds that—
(1) the Government of National Reconstruction of Nicaragua has failed to keep solemn promises, made to the Organization of American States in July 1979, to establish full respect for human rights and political liberties, hold early elections, preserve a private sector, permit political pluralism, and pursue a foreign policy of nonaggression and nonintervention;
(2) by providing military support (including arms, training, and logistical, command and control, and communications facilities) to groups seeking to overthrow the Government of El Salvador and other Central American governments, the Government of National Reconstruction of Nicaragua has violated article 18 of the Charter of the Organization of American States which declares that no state has the right to intervene, directly or indirectly, for any reason whatsoever, in the internal or external affairs of any other state;
(3) the Government of Nicaragua should be held accountable before the Organization of American States for activities violative of promises made to the Organization and for violations of the Charter of that Organization; and
(4) working through the Organization of American States is the proper and most effective means of dealing with threats to the peace of Central America, of providing for common action in the event of aggression, and of providing the mechanisms for peaceful resolution of disputes among the countries of Central America.

(b) The President should seek a prompt reconvening of the Seventeenth Meeting of Consultation of Ministers of Foreign Affairs of the Organization of American States for the purpose of reevaluating the compliance by the Government of National Reconstruction of Nicaragua—
(1) with the commitments made by the leaders of that Government in July 1979 to the Organization of American States; and
(2) with the Charter of the Organization of American States.

(c) The President should vigorously seek actions by the Organization of American States that would provide for a full range of effective measures by the member states to bring about compliance by the Government of National Reconstruction of Nicaragua with those obligations, including verifiable agreements to halt the transfer of military equipment and to cease furnishing of military support facilities to groups seeking the violent overthrow of governments of countries in Central America.

(d) The President should use all diplomatic means at his disposal to encourage the Organization of American States to seek resolution

of the conflicts in Central America based on the provisions of the Final Act of the San Jose Conference of October 1982, especially principles (d), (e), and (g), relating to nonintervention in the internal affairs of other countries, denying support for terrorist and subversive elements in other states, and international supervision of fully verifiable arrangements.

(e) The United States should support measures at the Organization of American States, as well as efforts of the Contadora Group, which seek to end support for terrorist, subversive, or other activities aimed at the violent overthrow of the governments of countries in Central America.

(f) Not later than March 15, 1984, the President shall report to the Congress on the results of his efforts pursuant to this Act to achieve peace in Central America. Such report may include such recommendations as the President may consider appropriate for further United States actions to achieve this objective.
