**SEC. 4021. ROLE OF THE INTERNAL REVENUE SERVICE.**

It is the sense of the Congress that the Internal Revenue Service should provide Congress with an independent view of tax administration, and that during the legislative process, the tax writing committees of Congress should hear from front-line technical experts at the Internal Revenue Service with respect to the administrability of pending amendments to the Internal Revenue Code of 1986.

(2) Tax Complexity Analysis.—For purposes of this subsection, the term “tax complexity analysis” means, with respect to any legislation, a report on the complexity and administrative difficulties of each provision described in paragraph (1)(B) which—

(A) includes—

(i) an estimate of the number of taxpayers affected by the provision; and

(ii) if applicable, the income level of taxpayers affected by the provision; and

SEC. 5003. CLARIFICATION OF DESIGNATION OF NORMAL TRADE RELATIONS.

(a) FINDINGS AND POLICY.—

(1) FINDINGS.—The Congress makes the following findings:

(A) Since the 18th century, the principle of non-discrimination among countries with which the United States has trade relations, commonly referred to as “most-favored-nation” treatment, has been a cornerstone of United States trade policy.

(B) Although the principle remains firmly in place as a fundamental concept in United States trade relations, the term “most-favored-nation” is a misnomer which has led to public misunderstanding.

(C) It is neither the purpose nor the effect of the most-favored-nation principle to treat any country as “most favored”. To the contrary, the principle reflects the intention to confer on a country the same trade benefits that are conferred on any other country, that is, the intention not to discriminate among trading partners.

(D) The term “normal trade relations” is a more accurate description of the principle of nondiscrimination as it applies to the tariffs applicable generally to imports from United States trading partners, that is, the general rates of duty set forth in column 1 of the Harmonized Tariff Schedule of the United States.

(2) POLICY.—It is the sense of the Congress that—

(A) the language used in United States laws, treaties, agreements, executive orders, directives, and regulations should more clearly and accurately reflect the underlying principles of United States trade policy; and

(B) accordingly, the term “normal trade relations” should, where appropriate, be substituted for the term “most-favored-nation”.

(b) CHANGE IN TERMINOLOGY.—

(1) TRADE EXPANSION ACT OF 1962.—The heading for section 251 of the Trade Expansion Act of 1962 (19 U.S.C. 1881) is amended to read as follows: “NORMAL TRADE RELATIONS”.

(3) CFTA.—Section 302(a)(3)(C) of the United States Canada Free-Trade Agreement Implementation Act of 1988 (19 U.S.C. 2112 note) is amended by striking “the most-favored-

5401(c)(11)) is amended—

nation status’)”; and

Section 103(4) of the United States-Hong Kong Policy Act of
1992 (22 U.S.C. 5713(4)) is amended by striking “(commonly
referred to as ‘most-favored-nation status’)”.

(c) SAVINGS PROVISIONS.—Nothing in this section shall affect
the meaning of any provision of law, Executive order, Presidential
proclamation, rule, regulation, delegation of authority, other docu-
ment, or treaty or other international agreement of the United
States relating to the principle of “most-favored-nation” (or “most
favored nation”) treatment. Any Executive order, Presidential
proclamation, rule, regulation, delegation of authority, other docu-
ment, or treaty or other international agreement of the United
States that has been issued, made, granted, or allowed to become

(A) percentage ownership of an entity shall be determined in accordance with subsection (e)(4);

(B) interests in the entity which are acquired by an exempt REIT or a member of the stapled REIT group in any acquisition described in an agreement, announcement, or filing described in subsection (b)(2) shall be treated as acquired on March 26, 1998; and

market values of different classes of stock shall not be taken into account.

(5) TREATMENT OF 60-PERCENT PARTNERSHIPS.—

paragraph (3) shall not apply to such partnership, and such REIT or entity shall be treated for all purposes of this section as holding all of the capital and profits interests in such partnership.

(B) LIMITATION TO ONE PARTNERSHIP.—If, as of January 1, 1999, more than one partnership owned by any exempt REIT or stapled entity meets the requirements of subparagraph (A), only the largest such partnership on such date (determined by aggregate asset bases) shall be treated as meeting such requirements.

(B) the income of any member of the stapled REIT group from services described in paragraph (2) with respect to such property.
If the income referred to in subparagraph (A) or (B) is of a 10-percent subsidiary entity, only the portion of such income which is properly allocable to the exempt REIT's or the stapled entity's interest in the subsidiary entity shall be taken into account.

(2) NONQUALIFIED OBLIGATION.—Except as otherwise provided in this subsection, the term “nonqualified obligation” means any obligation secured by a mortgage on an interest in real property if the income of any member of the stapled REIT group for services furnished with respect to such property
would be impermissible tenant service income were such property held by the exempt REIT and such services furnished by the exempt REIT.

(3) Exception for Certain Market Rate Obligations.—Such term shall not include any obligation—

(A) payments under which would be treated as interest if received by a REIT; and

(A) which is secured on March 26, 1998, by an interest in real property; and

(B) which is held on such date by the exempt REIT or any entity which is a member of the stapled REIT group on such date and at all times thereafter, but only so long as such obligation is secured by such interest, and the interest payable on such obligation is not changed to a rate which exceeds an arm’s length rate unless such change is pursuant to the terms of the obligation in effect on March 26, 1998. The preceding sentence shall not cease to apply by reason of the refinancing of the obligation if (immediately after the refinancing) the principal amount of the obligation resulting from the refinancing does not exceed the principal amount of the refinanced obligation (immediately before the refinancing) and the interest payable on such refinanced obligation does not exceed an arm’s length rate.

(5) Treatment of Entities Which Are Not Stapled, etc. on March 26, 1998.—A rule similar to the rule of subsection (b)(5) shall apply for purposes of this subsection.

SENATE REPORTS: No. 105–239 (Comm. on Energy and Natural Resources).
- May 12, considered and passed House.
- July 17, considered and passed Senate.
An Act

To amend the Foreign Assistance Act of 1961 to facilitate protection of tropical forests through debt reduction with developing countries with tropical forests.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. DEBT REDUCTION FOR DEVELOPING COUNTRIES WITH TROPICAL FORESTS.

The Foreign Assistance Act of 1961 (22 U.S.C. 2151 et seq.) is amended by adding at the end the following:

“PART V—DEBT REDUCTION FOR DEVELOPING COUNTRIES WITH TROPICAL FORESTS

“SEC. 801. SHORT TITLE.

“This part may be cited as the ‘Tropical Forest Conservation Act of 1998’.

“SEC. 802. FINDINGS AND PURPOSES.

“(a) FINDINGS.—The Congress finds the following:

“(1) It is the established policy of the United States to support and seek protection of tropical forests around the world.

“(2) Tropical forests provide a wide range of benefits to humankind by—

“(A) harboring a major share of the Earth's biological and terrestrial resources, which are the basis for developing pharmaceutical products and revitalizing agricultural crops;

“(B) playing a critical role as carbon sinks in reducing greenhouse gases in the atmosphere, thus moderating potential global climate change; and

“(C) regulating hydrological cycles on which far-flung agricultural and coastal resources depend.

“(3) International negotiations and assistance programs to conserve forest resources have proliferated over the past decade, but the rapid rate of tropical deforestation continues unabated.

“(4) Developing countries with urgent needs for investment and capital for development have allocated a significant amount of their forests to logging concessions.

“(5) Poverty and economic pressures on the populations of developing countries have, over time, resulted in clearing of vast areas of forest for conversion to agriculture, which is often unsustainable in the poor soils underlying tropical forests.
“(6) Debt reduction can reduce economic pressures on developing countries and result in increased protection for tropical forests.

“(7) Finding economic benefits to local communities from sustainable uses of tropical forests is critical to the protection of tropical forests.

“(b) PURPOSES.—The purposes of this part are—

“(1) to recognize the values received by United States citizens from protection of tropical forests;

“(2) to facilitate greater protection of tropical forests (and to give priority to protecting tropical forests with the highest levels of biodiversity and under the most severe threat) by providing for the alleviation of debt in countries where tropical forests are located, thus allowing the use of additional resources to protect these critical resources and reduce economic pressures that have led to deforestation;

“(3) to ensure that resources freed from debt in such countries are targeted to protection of tropical forests and their associated values; and

“(4) to rechannel existing resources to facilitate the protection of tropical forests.

22 USC 2431a.

To present a congressional gold medal to Nelson Rolihlahla Mandela.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SEC. 1. FINDINGS.

The Congress finds the following:

(1) Nelson Mandela has dedicated his entire life to the abolition of apartheid and the creation of a true democracy in the Republic of South Africa and has sacrificed his own personal freedom for the good of everyone.

(2) For nearly 30 years as a political prisoner, Nelson Mandela never compromised his political principles, was a source of strength and education for other political prisoners, and refused offers of freedom in exchange for a renunciation of his personal and political beliefs.

(3) After his release from prison, Nelson Mandela continued to pursue his goal of a free South Africa, and was elected and subsequently inaugurated as State President of the Republic of South Africa on May 10, 1994, at the age of 75 years.

(4) Nelson Mandela’s dedication to freedom did not cease once the apartheid laws were lifted, as he then focused his efforts toward reconciliation by creating the Truth and Reconciliation Commission, chaired by the Archbishop Desmond Tutu.

(5) Nelson Mandela is the recipient of many awards and accolades, including the Nobel Peace Prize (which he accepted with then-State President F.W. de Klerk in 1993), and more than 50 honorary degrees from universities around the world.

(6) Millions of individuals of all races and backgrounds in the United States and around the world followed Nelson Mandela’s example and fought for the abolition of apartheid in the Republic of South Africa and in this regard the Congress recognizes Amy Elizabeth Biehl, an American student who lost her life in the struggle to free South Africa from racial oppression, and the spirit of forgiveness and reconciliation displayed by her parents, Peter and Linda Biehl.

(7) Nelson Mandela is a prime example of how to work to heal the wounds of racism.

(D) that lender paid mortgage insurance may be tax-deductible for purposes of Federal income taxes, if the mortgagor itemizes expenses for that purpose; and

(2) not later than 30 days after the termination date that would apply in the case of borrower paid mortgage insurance, the servicer shall provide to the mortgagor a written notice indicating that the mortgagor may wish to review financing options that could eliminate the requirement for private mortgage insurance in connection with the residential mortgage.

SEC. 2. FINDINGS.

The Congress finds the following:

(1) The American credit union movement began as a
cooperative effort to serve the productive and provident credit
needs of individuals of modest means.

(2) Credit unions continue to fulfill this public purpose,
and current members and membership groups should not face
divestiture from the financial services institution of their choice
as a result of recent court action.
(3) To promote thrift and credit extension, a meaningful affinity and bond among members, manifested by a commonality of routine interaction, shared and related work experiences, interests, or activities, or the maintenance of an otherwise well-understood sense of cohesion or identity is essential to the fulfillment of the public mission of credit unions.

(4) Credit unions, unlike many other participants in the financial services market, are exempt from Federal and most State taxes because they are member-owned, democratically operated, not-for-profit organizations generally managed by volunteer boards of directors and because they have the specified mission of meeting the credit and savings needs of consumers, especially persons of modest means.

(5) Improved credit union safety and soundness provisions will enhance the public benefit that citizens receive from these cooperative financial services institutions.

“(2) EXCEPTION FOR UNDERSERVED AREAS.—Notwith-
standing subsection (b), in the case of a Federal credit union, the
field of membership category of which is described in subsection
(b)(2), the Board may allow the membership of the credit union
to include any person or organization within a local community,
nearhood, or rural district if—
“(A) the Board determines that the local community,
nearhood, or rural district—
“(i) is an ‘investment area’, as defined in section
103(16) of the Community Development Banking and
and meets such additional requirements as the Board
may impose; and
“(ii) is underserved, based on data of the Board
and the Federal banking agencies (as defined in section
3 of the Federal Deposit Insurance Act), by other
depository institutions (as defined in section 19(b)(1)(A)
of the Federal Reserve Act); and
“(B) the credit union establishes and maintains an
office or facility in the local community, neighborhood, or
rural district at which credit union services are available.
“(d) MULTIPLE COMMON-BOND CREDIT UNION GROUP
REQUIREMENTS.—
“(1) NUMERICAL LIMITATION.—Except as provided in para-
graph (2), only a group with fewer than 3,000 members shall
be eligible to be included in the field of membership category
of a credit union described in subsection (b)(2).
“(2) EXCEPTIONS.—In the case of any Federal credit union, the field of membership category of which is described in subsection (b)(2), the numerical limitation in paragraph (1) of this subsection shall not apply with respect to—

“(A) any group that the Board determines, in writing and in accordance with the guidelines and regulations issued under paragraph (3), could not feasibly or reasonably establish a new single common-bond credit union, the field of membership category of which is described in subsection (b)(1) because—

“(i) the group lacks sufficient volunteer and other resources to support the efficient and effective operation of a credit union;

“(ii) the group does not meet the criteria that the Board has determined to be important for the likelihood of success in establishing and managing a new credit union, including demographic characteristics such as geographical location of members, diversity of ages and income levels, and other factors that may affect the financial viability and stability of a credit union; or

“(iii) the group would be unlikely to operate a safe and sound credit union;

“(B) any group transferred from another credit union—

“(i) in connection with a merger or consolidation recommended by the Board or any appropriate State credit union supervisor based on safety and soundness concerns with respect to that other credit union; or

“(ii) by the Board in the Board’s capacity as conservator or liquidating agent with respect to that other credit union; or

“(C) any group transferred in connection with a voluntary merger, having received conditional approval by the Administration of the merger application prior to October 25, 1996, but not having consummated the merger prior to October 25, 1996, if the merger is consummated not later than 180 days after the date of enactment of the Credit Union Membership Access Act.

“(3) REGULATIONS AND GUIDELINES.—The Board shall issue guidelines or regulations, after notice and opportunity for comment, setting forth the criteria that the Board will apply in determining under this subsection whether or not an additional group may be included within the field of membership category of an existing credit union described in subsection (b)(2).

“(e) ADDITIONAL MEMBERSHIP ELIGIBILITY PROVISIONS.—

“(1) MEMBERSHIP ELIGIBILITY LIMITED TO IMMEDIATE FAMILY OR HOUSEHOLD MEMBERS.—No individual shall be eligible for membership in a credit union on the basis of the relationship of the individual to another person who is eligible for membership in the credit union, unless the individual is a member of the immediate family or household (as those terms are defined by the Board, by regulation) of the other person.

“(2) RETENTION OF MEMBERSHIP.—Except as provided in section 118, once a person becomes a member of a credit union in accordance with this title, that person or organization may remain a member of that credit union until the person or
organization chooses to withdraw from the membership of the credit union.”.

SEC. 102. CRITERIA FOR APPROVAL OF EXPANSION OF MEMBERSHIP OF MULTIPLE COMMON-BOND CREDIT UNIONS.

Section 109 of the Federal Credit Union Act (12 U.S.C. 1759) is amended by adding at the end the following new subsection:

“(f) CRITERIA FOR APPROVAL OF EXPANSION OF MULTIPLE COMMON-BOND CREDIT UNIONS.—

“(1) IN GENERAL.—The Board shall—

“(A) encourage the formation of separately chartered credit unions instead of approving an application to include an additional group within the field of membership of an existing credit union whenever practicable and consistent with reasonable standards for the safe and sound operation of the credit union; and

“(B) if the formation of a separate credit union by the group is not practicable or consistent with the standards referred to in subparagraph (A), require the inclusion of the group in the field of membership of a credit union that is within reasonable proximity to the location of the group whenever practicable and consistent with reasonable standards for the safe and sound operation of the credit union.

“(2) APPROVAL CRITERIA.—The Board may not approve any application by a Federal credit union, the field of membership category of which is described in subsection (b)(2) to include any additional group within the field of membership of the credit union (or an application by a Federal credit union described in subsection (b)(1) to include an additional group and become a credit union described in subsection (b)(2)), unless the Board determines, in writing, that—

“(A) the credit union has not engaged in any unsafe or unsound practice (as defined in section 206(b)) that is material during the 1-year period preceding the date of filing of the application;

“(B) the credit union is adequately capitalized;

“(C) the credit union has the administrative capability to serve the proposed membership group and the financial resources to meet the need for additional staff and assets to serve the new membership group;

“(D) any potential harm that the expansion of the field of membership of the credit union may have on any other insured credit union and its members is clearly outweighed in the public interest by the probable beneficial effect of the expansion in meeting the convenience and needs of the members of the group proposed to be included in the field of membership; and

“(E) the credit union has met such additional requirements as the Board may prescribe, by regulation.”.

SEC. 103. GEOGRAPHICAL GUIDELINES FOR COMMUNITY CREDIT UNIONS.

Section 109 of the Federal Credit Union Act (12 U.S.C. 1759) is amended by adding at the end the following new subsection:

“(g) REGULATIONS REQUIRED FOR COMMUNITY CREDIT UNIONS.—
“(1) Definition of well-defined local community, neighborhood, or rural district.—The Board shall prescribe, by regulation, a definition for the term ‘well-defined local community, neighborhood, or rural district’ for purposes of—

“A making any determination with regard to the field of membership of a credit union described in subsection (b)(3); and

“B establishing the criteria applicable with respect to any such determination.

“(2) Scope of application.—The definition prescribed by the Board under paragraph (1) shall apply with respect to any application to form a new credit union, or to alter or expand the field of membership of an existing credit union, that is filed with the Board after the date of enactment of the Credit Union Membership Access Act.”.

“(i) In general.—Accounting principles applicable to reports or statements required to be filed with the Board by each insured credit union shall be uniform and consistent with generally accepted accounting principles.

“(ii) Board determination.—If the Board determines that the application of any generally accepted accounting principle to any insured credit union is not appropriate, the Board may prescribe an accounting principle for application to the credit union that is no less stringent than generally accepted accounting principles.

“(iii) De minimus exception.—This subparagraph shall not apply to any insured credit union, the total assets of which are less than $10,000,000, unless prescribed by the Board or an appropriate State credit union supervisor.

“(D) Large credit union audit requirement.—

“(i) In general.—Each insured credit union having total assets of $500,000,000 or more shall have an annual independent audit of the financial statements of the credit union, performed in accordance with generally accepted auditing standards by an independent certified public accountant or public accountant licensed by the appropriate State or jurisdiction to perform those services.

“(ii) Voluntary audits.—If a Federal credit union that is not required to conduct an audit under clause (i), and that has total assets of more than $10,000,000 conducts such an audit for any purpose, using an independent auditor who is compensated for his or
her audit services with respect to that audit, the audit shall be performed consistent with the accountancy laws of the appropriate State or jurisdiction, including licensing requirements.”.

(b) Technical and Conforming Amendment.—Section 202(a)(6)(B) of the Federal Credit Union Act (12 U.S.C. 1782(a)(6)(B)) is amended by striking “subparagraph (A)” and inserting “subparagraph (A) or (D)”.

“(B) Conversion Proposal.—A proposal for a conversion described in subparagraph (A) shall first be approved, and a date set for a vote thereon by the members (either at a meeting to be held on that date or by written ballot to be filed on or before that date), by a majority of the directors of the insured credit union. Approval of the proposal for conversion shall be by the affirmative vote of a majority of the members of the insured credit union who vote on the proposal.

The rules required by this clause shall provide that charter conversion by an insured credit union shall be subject to regulation that is no more or less restrictive than that applicable to charter conversions by other financial institutions.
``(ii) OVERSIGHT OF MEMBER VOTE.—The member vote concerning charter conversion under this paragraph shall be administered by the Administration, and shall be verified by the Federal or State regulatory agency that would have jurisdiction over the institution after the conversion. If either the Administration or that regulatory agency disapproves of the methods by which the member vote was taken or procedures applicable to the member vote, the member vote shall be taken again, as directed by the Administration or the agency.''.

(C) whether member business lending by insured credit unions could affect the safety and soundness of insured credit unions or the National Credit Union Share Insurance Fund;

(D) the extent to which member business lending by insured credit unions helps to meet financial services needs of low- and moderate-income individuals within the field of membership of insured credit unions;

(E) whether insured credit unions that engage in member business lending have a competitive advantage over other insured depository institutions, and if any such advantage could affect the viability and profitability of such other insured depository institutions; and

(F) the effect of enactment of this Act on the number of insured credit unions involved in member business lending and the overall amount of commercial lending.

(2) NCUA COOPERATION.—The National Credit Union Administration shall, upon request, provide such information as the Secretary may require to conduct the study required under paragraph (1).

TITLE III—CAPITALIZATION AND NET WORTH OF CREDIT UNIONS

SEC. 301. PROMPT CORRECTIVE ACTION.

(a) IN GENERAL.—Title II of the Federal Credit Union Act (12 U.S.C. 1781 et seq.) is amended by adding at the end the following new section:

“SEC. 216. PROMPT CORRECTIVE ACTION.

“(a) RESOLVING PROBLEMS TO PROTECT FUND.—

“(1) PURPOSE.—The purpose of this section is to resolve the problems of insured credit unions at the least possible long-term loss to the Fund.

“(2) PROMPT CORRECTIVE ACTION REQUIRED.—The Board shall carry out the purpose of this section by taking prompt corrective action to resolve the problems of insured credit unions.

“(b) REGULATIONS REQUIRED.—

“(1) INSURED CREDIT UNIONS.—

“(A) IN GENERAL.—The Board shall, by regulation, prescribe a system of prompt corrective action for insured credit unions that is—

“(i) consistent with this section; and

“(ii) comparable to section 38 of the Federal Deposit Insurance Act.

“(B) COOPERATIVE CHARACTER OF CREDIT UNIONS.—The Board shall design the system required under subparagraph (A) to take into account that credit unions are not-for-profit cooperatives that—

“(i) do not issue capital stock;

“(ii) must rely on retained earnings to build net worth; and

“(iii) have boards of directors that consist primarily of volunteers.
(2) NEW CREDIT UNIONS.—

(A) IN GENERAL.—In addition to regulations under paragraph (1), the Board shall, by regulation, prescribe a system of prompt corrective action that shall apply to new credit unions in lieu of this section and the regulations prescribed under paragraph (1).

(B) CRITERIA FOR ALTERNATIVE SYSTEM.—The Board shall design the system prescribed under subparagraph (A)—

(i) to carry out the purpose of this section;

(ii) to recognize that credit unions (as cooperatives that do not issue capital stock) initially have no net worth, and give new credit unions reasonable time to accumulate net worth;

(iii) to create adequate incentives for new credit unions to become adequately capitalized by the time that they either—

(I) have been in operation for more than 10 years; or

(II) have more than $10,000,000 in total assets;

(iv) to impose appropriate restrictions and requirements on new credit unions that do not make sufficient progress toward becoming adequately capitalized; and

(v) to prevent evasion of the purpose of this section.

(c) NET WORTH CATEGORIES.—

(1) IN GENERAL.—For purposes of this section the following definitions shall apply:

(A) WELL CAPITALIZED.—An insured credit union is ‘well capitalized’ if—

(i) it has a net worth ratio of not less than 7 percent; and

(ii) it meets any applicable risk-based net worth requirement under subsection (d).

(B) ADEQUATELY CAPITALIZED.—An insured credit union is ‘adequately capitalized’ if—

(i) it has a net worth ratio of not less than 6 percent; and

(ii) it meets any applicable risk-based net worth requirement under subsection (d).

(C) UNDERCAPITALIZED.—An insured credit union is ‘undercapitalized’ if—

(i) it has a net worth ratio of less than 6 percent; or

(ii) it fails to meet any applicable risk-based net worth requirement under subsection (d).

(D) SIGNIFICANTLY UNDERCAPITALIZED.—An insured credit union is ‘significantly undercapitalized’ if—

(i) if it has a net worth ratio of less than 4 percent; or

(ii) if—

(I) it has a net worth ratio of less than 5 percent; and

(II) it—
“(aa) fails to submit an acceptable net
worth restoration plan within the time allowed
under subsection (f); or
“(bb) materially fails to implement a net
worth restoration plan accepted by the Board.
“(E) CRITICALLY UNDERCAPITALIZED.—An insured credit
union is ‘critically undercapitalized’ if it has a net worth
ratio of less than 2 percent (or such higher net worth
ratio, not to exceed 3 percent, as the Board may specify
by regulation).
“(2) ADJUSTING NET WORTH LEVELS.—
“(A) IN GENERAL.—If, for purposes of section 38(c) of
the Federal Deposit Insurance Act, the Federal banking
agencies increase or decrease the required minimum level
for the leverage limit (as those terms are used in section
38), the Board may, by regulation, and subject to subpara-
graph (B) of this paragraph, correspondingly increase or
decline 1 or more of the net worth ratios specified in
subparagraphs (A) through (D) of paragraph (1) of this
subsection in an amount that is equal to not more than
the difference between the required minimum level most
recently established by the Federal banking agencies and
4 percent of total assets (with respect to institutions regu-
lated by those agencies).
“(B) DETERMINATIONS REQUIRED.—The Board may
increase or decrease net worth ratios under subparagraph
(A) only if the Board—
“(i) determines, in consultation with the Federal
banking agencies, that the reason for the increase or
decline in the required minimum level for the lever-
age limit also justifies the adjustment in net worth
ratios; and
“(ii) determines that the resulting net worth ratios
are sufficient to carry out the purpose of this section.
“(C) TRANSITION PERIOD REQUIRED.—If the Board
increases any net worth ratio under this paragraph, the
Board shall give insured credit unions a reasonable period
of time to meet the increased ratio.
“(d) RISK-BASED NET WORTH REQUIREMENT FOR COMPLEX
CREDIT UNIONS.—
“(1) IN GENERAL.—The regulations required under sub-
section (b)(1) shall include a risk-based net worth requirement
for insured credit unions that are complex, as defined by the
Board based on the portfolios of assets and liabilities of credit
unions.
“(2) STANDARD.—The Board shall design the risk-based net
worth requirement to take account of any material risks against
which the net worth ratio required for an insured credit union
to be adequately capitalized may not provide adequate protec-
tion.
“(e) EARNINGS-RETENTION REQUIREMENT APPLICABLE TO CREDIT
UNIONS THAT ARE NOT WELL CAPITALIZED.—
“(1) IN GENERAL.—An insured credit union that is not well
capitalized shall annually set aside as net worth an amount
equal to not less than 0.4 percent of its total assets.
“(2) BOARD’S AUTHORITY TO DECREASE EARNINGS-RETENTION
REQUIREMENT.—
“(A) IN GENERAL.—The Board may, by order, decrease the 0.4 percent requirement in paragraph (1) with respect to a credit union to the extent that the Board determines that the decrease—

“(i) is necessary to avoid a significant redemption of shares; and

“(ii) would further the purpose of this section.

“(B) PERIODIC REVIEW REQUIRED.—The Board shall periodically review any order issued under subparagraph (A).

“(f) NET WORTH RESTORATION PLAN REQUIRED.—

“(1) IN GENERAL.—Each insured credit union that is undercapitalized shall submit an acceptable net worth restoration plan to the Board within the time allowed under this subsection.

“(2) ASSISTANCE TO SMALL CREDIT UNIONS.—The Board (or the staff of the Board) shall, upon timely request by an insured credit union with total assets of less than $10,000,000, and subject to such regulations or guidelines as the Board may prescribe, assist that credit union in preparing a net worth restoration plan.

“(3) DEADLINES FOR SUBMISSION AND REVIEW OF PLANS.—The Board shall, by regulation, establish deadlines for submission of net worth restoration plans under this subsection that—

“(A) provide insured credit unions with reasonable time to submit net worth restoration plans; and

“(B) require the Board to act on net worth restoration plans expeditiously.

“(4) FAILURE TO SUBMIT ACCEPTABLE PLAN WITHIN TIME ALLOWED.—

“(A) FAILURE TO SUBMIT ANY PLAN.—If an insured credit union fails to submit a net worth restoration plan within the time allowed under paragraph (3), the Board shall—

“(i) promptly notify the credit union of that failure; and

“(ii) give the credit union a reasonable opportunity to submit a net worth restoration plan.

“(B) SUBMISSION OF UNACCEPTABLE PLAN.—If an insured credit union submits a net worth restoration plan within the time allowed under paragraph (3), and the Board determines that the plan is not acceptable, the Board shall—

“(i) promptly notify the credit union of why the plan is not acceptable; and

“(ii) give the credit union a reasonable opportunity to submit a revised plan.

“(5) ACCEPTING PLAN.—The Board may accept a net worth restoration plan only if the Board determines that the plan is based on realistic assumptions and is likely to succeed in restoring the net worth of the credit union.

“(g) RESTRICTIONS ON UNDERCAPITALIZED CREDIT UNIONS.—

“(1) RESTRICTION ON ASSET GROWTH.—An insured credit union that is undercapitalized shall not generally permit its average total assets to increase, unless—

“(A) the Board has accepted the net worth restoration plan of the credit union for that action;
“(B) any increase in total assets is consistent with the net worth restoration plan; and
“(C) the net worth ratio of the credit union increases at a rate that is consistent with the net worth restoration plan.

“(2) Restriction on member business loans.—Notwithstanding section 107A(a), an insured credit union that is undercapitalized may not make any increase in the total amount of member business loans (as defined in section 107A(c)) outstanding at that credit union at any one time, until such time as the credit union becomes adequately capitalized.

“(h) More stringent treatment based on other supervisory criteria.—With respect to the exercise of authority by the Board under regulations comparable to section 38(g) of the Federal Deposit Insurance Act—

“(1) the Board may not reclassify an insured credit union into a lower net worth category, or treat an insured credit union as if it were in a lower net worth category, for reasons not pertaining to the safety and soundness of that credit union; and

“(2) the Board may not delegate its authority to reclassify an insured credit union into a lower net worth category or to treat an insured credit union as if it were in a lower net worth category.

“(i) Action required regarding critically undercapitalized credit unions.—

“(1) in general.—The Board shall, not later than 90 days after the date on which an insured credit union becomes critically undercapitalized—

“(A) appoint a conservator or liquidating agent for the credit union; or

“(B) take such other action as the Board determines would better achieve the purpose of this section, after documenting why the action would better achieve that purpose.

“(2) Periodic redeterminations required.—Any determination by the Board under paragraph (1)(B) to take any action with respect to an insured credit union in lieu of appointing a conservator or liquidating agent shall cease to be effective not later than the end of the 180-day period beginning on the date on which the determination is made, and a conservator or liquidating agent shall be appointed for that credit union under paragraph (1)(A), unless the Board makes a new determination under paragraph (1)(B) before the end of the effective period of the prior determination.

“(3) Appointment of liquidating agent required if other action fails to restore net worth.—

“(A) in general.—Notwithstanding paragraphs (1) and (2), the Board shall appoint a liquidating agent for an insured credit union if the credit union is critically undercapitalized on average during the calendar quarter beginning 18 months after the date on which the credit union became critically undercapitalized.

“(B) Exception.—Notwithstanding subparagraph (A), the Board may continue to take such other action as the Board determines to be appropriate in lieu of appointment of a liquidating agent if—

“(i) the Board determines that—
“(I) the insured credit union has been in substantial compliance with an approved net worth restoration plan that requires consistent improvement in the net worth of the credit union since the date of the approval of the plan; and
“(II) the insured credit union has positive net income or has an upward trend in earnings that the Board projects as sustainable; and
“(ii) the Board certifies that the credit union is viable and not expected to fail.
“(4) NONDELEGATION.—
“(A) IN GENERAL.—Except as provided in subparagraph (B), the Board may not delegate the authority of the Board under this subsection.
“(B) EXCEPTION.—The Board may delegate the authority of the Board under this subsection with respect to an insured credit union that has less than $5,000,000 in total assets, if the Board permits the credit union to appeal any adverse action to the Board.
“(j) REVIEW REQUIRED WHEN FUND INCURS MATERIAL LOSS.—For purposes of determining whether the Fund has incurred a material loss with respect to an insured credit union (such that the inspector general of the Board must make a report), a loss is material if it exceeds the sum of—
“(1) $10,000,000; and
“(2) an amount equal to 10 percent of the total assets of the credit union at the time at which the Board initiated assistance under section 208 or was appointed liquidating agent.
“(k) APPEALS PROCESS.—Material supervisory determinations, including decisions to require prompt corrective action, made pursuant to this section by Administration officials other than the Board may be appealed to the Board pursuant to the independent appellate process required by section 309 of the Riegle Community Development and Regulatory Improvement Act of 1994 (or, if the Board so specifies, pursuant to separate procedures prescribed by regulation).
“(l) CONSULTATION AND COOPERATION WITH STATE CREDIT UNION SUPERVISORS.—
“(1) IN GENERAL.—In implementing this section, the Board shall consult and seek to work cooperatively with State officials having jurisdiction over State-chartered insured credit unions.
“(2) EVALUATING NET WORTH RESTORATION PLAN.—In evaluating any net worth restoration plan submitted by a State-chartered insured credit union, the Board shall seek the views of the State official having jurisdiction over the credit union.
“(3) DECIDING WHETHER TO APPOINT CONSERVATOR OR LIQUIDATING AGENT.—With respect to any decision by the Board on whether to appoint a conservator or liquidating agent for a State-chartered insured credit union—
“(A) the Board shall—
“(i) seek the views of the State official having jurisdiction over the credit union; and
“(ii) give that official an opportunity to take the proposed action;
“(B) the Board shall, upon timely request of an official referred to in subparagraph (A), promptly provide the official with—

“(i) a written statement of the reasons for the proposed action; and

Amounts necessary for increasing such allocations to local areas to comply with the preceding sentence shall be obtained by ratably reducing the allocations to be made to other local areas under this subparagraph.

(iii) **Definition.**—The term “allocation percentage”, used with respect to fiscal year 2000 or a subsequent fiscal year, means a percentage of the funds referred to in clause (i), received through an allocation made under this subparagraph, for the fiscal year.

(A) a portion equal to not less than 70 percent of the funds in accordance with paragraph (2)(A); and

(B) the remaining portion of the funds on the basis of a formula that—

(i) incorporates additional factors (other than the factors described in paragraph (2)(A)) relating to—

(I) excess youth poverty in urban, rural, and suburban local areas; and

(II) excess unemployment above the State average in urban, rural, and suburban local areas; and

(ii) was developed by the State board and approved by the Secretary as part of the State plan.

(4) **Limitation.**—

(A) **In General.**—Of the amount allocated to a local area under this subsection and section 133(b) for a fiscal year, not more than 10 percent of the amount may be

(B) USE OF FUNDS.—Funds made available for administrative costs under subparagraph (A) may be used for the administrative cost of any of the local workforce investment activities described in subsection (d) or (e) of section 134 or in section 129(c), regardless of whether the funds were allocated under this subsection or section 133(b).

For purposes of this paragraph, local areas that received allocations under subsection (b)(2)(A) for the prior program year shall be treated as if the local areas received allocations under subsection (b)(3) for such year.

(4) ELIGIBILITY.—For purposes of this subsection, an eligible local area means a local area that has obligated at least 80 percent of the local area allocation under paragraph (2)(A) or (3) of subsection (b) for such activities, for the program year prior to the program year for which the determination under paragraph (2) is made.

FINDINGS; PURPOSE; POLICY

SEC. 2. (a) FINDINGS.—Congress finds that—

(1) millions of Americans have one or more physical or mental disabilities and the number of Americans with such disabilities is increasing;
(2) individuals with disabilities constitute one of the most disadvantaged groups in society;
(3) disability is a natural part of the human experience and in no way diminishes the right of individuals to—
   (A) live independently;
   (B) enjoy self-determination;
   (C) make choices;
   (D) contribute to society;
   (E) pursue meaningful careers; and
   (F) enjoy full inclusion and integration in the economic, political, social, cultural, and educational mainstream of American society;
(4) increased employment of individuals with disabilities can be achieved through implementation of statewide workforce investment systems under title I of the Workforce Investment Act of 1998 that provide meaningful and effective participation for individuals with disabilities in workforce investment activities and activities carried out under the vocational rehabilitation program established under title I, and through the provision of independent living services, support services, and meaningful opportunities for employment in integrated work settings through the provision of reasonable accommodations;
(5) individuals with disabilities continually encounter various forms of discrimination in such critical areas as employment, housing, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and public services; and
(6) the goals of the Nation properly include the goal of providing individuals with disabilities with the tools necessary to—
   (A) make informed choices and decisions; and
   (B) achieve equality of opportunity, full inclusion and integration in society, employment, independent living, and economic and social self-sufficiency, for such individuals.

(b) PURPOSE.—The purposes of this Act are—
“(1) to empower individuals with disabilities to maximize employment, economic self-sufficiency, independence, and inclusion and integration into society, through—
“(A) statewide workforce investment systems implemented in accordance with title I of the Workforce Investment Act of 1998 that include, as integral components, comprehensive and coordinated state-of-the-art programs of vocational rehabilitation;
“(B) independent living centers and services;
“(C) research;
“(D) training;
“(E) demonstration projects; and
“(F) the guarantee of equal opportunity; and
“(2) to ensure that the Federal Government plays a leadership role in promoting the employment of individuals with disabilities, especially individuals with significant disabilities, and in assisting States and providers of services in fulfilling the aspirations of such individuals with disabilities for meaningful and gainful employment and independent living.
“(c) POLICY.—It is the policy of the United States that all programs, projects, and activities receiving assistance under this Act shall be carried out in a manner consistent with the principles of—
“(1) respect for individual dignity, personal responsibility, self-determination, and pursuit of meaningful careers, based on informed choice, of individuals with disabilities;
“(2) respect for the privacy, rights, and equal access (including the use of accessible formats), of the individuals;
“(3) inclusion, integration, and full participation of the individuals;
“(4) support for the involvement of an individual’s representative if an individual with a disability requests, desires, or needs such support; and
“(5) support for individual and systemic advocacy and community involvement.

REHABILITATION SERVICES ADMINISTRATION

Sec. 3. (a) There is established in the Office of the Secretary a Rehabilitation Services Administration which shall be headed by a Commissioner (hereinafter in this Act referred to as the ‘Commissioner’) appointed by the President by and with the advice and consent of the Senate. Except for titles IV and V and as otherwise specifically provided in this Act, such Administration shall be the principal agency, and the Commissioner shall be the principal officer, of such Department for carrying out this Act. The Commissioner shall be an individual with substantial experience in rehabilitation and in rehabilitation program management. In the performance of the functions of the office, the Commissioner shall be directly responsible to the Secretary or to the Under Secretary or an appropriate Assistant Secretary of such Department, as designated by the Secretary. “ADVANCE FUNDING

“Sec. 4. (a) For the purpose of affording adequate notice of funding available under this Act, appropriations under this Act are authorized to be included in the appropriation Act for the fiscal year preceding the fiscal year for which they are available for obligation.

“(b) In order to effect a transition to the advance funding method of timing appropriation action, the authority provided by subsection (a) of this section shall apply notwithstanding that its initial application will result in the enactment in the same year (whether in the same appropriation Act or otherwise) of two separate appropriations, one for the then current fiscal year and one for the succeeding fiscal year.

“JOINT FUNDING

“Sec. 5. Pursuant to regulations prescribed by the President, and to the extent consistent with the other provisions of this Act, where funds are provided for a single project by more than one Federal agency to an agency or organization assisted under this Act, the Federal agency principally involved may be designated to act for all in administering the funds provided, and, in such cases, a single non-Federal share requirement may be established according to the proportion of funds advanced by each agency. When the principal agency involved is the Rehabilitation Services Administration, it may waive any grant or contract requirement (as defined by such regulations) under or pursuant to any law other than this Act, which requirement is inconsistent with the similar requirements of the administering agency under or pursuant to this Act.

"TRADITIONALLY UNDERSERVED POPULATIONS

"SEC. 19. (a) FINDINGS.—With respect to the programs authorized in titles II through VII, the Congress finds as follows:

"(1) RACIAL PROFILE.—The racial profile of America is rapidly changing. While the rate of increase for white Americans is 3.2 percent, the rate of increase for racial and ethnic minorities is much higher: 38.6 percent for Latinos, 14.6 percent for African-Americans, and 40.1 percent for Asian-Americans and other ethnic groups. By the year 2000, the Nation will have 260,000,000 people, one of every three of whom will be either African-American, Latino, or Asian-American.

"(2) RATE OF DISABILITY.—Ethnic and racial minorities tend to have disabling conditions at a disproportionately high rate. The rate of work-related disability for American Indians is about one and one-half times that of the general population. African-Americans are also one and one-half times more likely to be disabled than whites and twice as likely to be significantly disabled.

"(3) INEQUITABLE TREATMENT.—Patterns of inequitable treatment of minorities have been documented in all major junctures of the vocational rehabilitation process. As compared to white Americans, a larger percentage of African-American applicants to the vocational rehabilitation system are denied acceptance. Of applicants accepted for service, a larger percentage of African-American cases are closed without being rehabilitated. Minorities are provided less training than their white counterparts. Consistently, less money is spent on minorities than on their white counterparts.

"(4) RECRUITMENT.—Recruitment efforts within vocational rehabilitation at the level of preservice training, continuing education, and in-service training must focus on bringing larger numbers of minorities into the profession in order to provide appropriate practitioner knowledge, role models, and sufficient manpower to address the clearly changing demography of vocational rehabilitation.

"(b) OUTREACH TO MINORITIES.—

"(1) IN GENERAL.—For each fiscal year, the Commissioner and the Director of the National Institute on Disability and Rehabilitation Research (referred to in this subsection as the ‘Director’) shall reserve 1 percent of the funds appropriated for the fiscal year for programs authorized under titles II, III, VI, and VII to carry out this subsection. The Commissioner and the Director shall use the reserved funds to carry out one or more of the activities described in paragraph (2) through a grant, contract, or cooperative agreement.

"(2) ACTIVITIES.—The activities carried out by the Commissioner and the Director shall include one or more of the following:

"(A) Making awards to minority entities and Indian tribes to carry out activities under the programs authorized under titles II, III, VI, and VII.

"(B) Making awards to minority entities and Indian tribes to conduct research, training, technical assistance, or a related activity, to improve services provided under this Act, especially services provided to individuals from minority backgrounds.
``(C) Making awards to entities described in paragraph (3) to provide outreach and technical assistance to minority entities and Indian tribes to promote their participation in activities funded under this Act, including assistance to enhance their capacity to carry out such activities.

``(3) ELIGIBILITY.—To be eligible to receive an award under paragraph (2)(C), an entity shall be a State or a public or private nonprofit agency or organization, such as an institution of higher education or an Indian tribe.

``(4) REPORT.—In each fiscal year, the Commissioner and the Director shall prepare and submit to Congress a report that describes the activities funded under this subsection for the preceding fiscal year.

``(5) DEFINITIONS.—In this subsection:

``(A) HISTORICALLY BLACK COLLEGE OR UNIVERSITY.—The term `historically Black college or university' means a part B institution, as defined in section 322(2) of the Higher Education Act of 1965 (20 U.S.C. 1061(2)).

``(B) MINORITY ENTITY.—The term `minority entity' means an entity that is a historically Black college or university, a Hispanic-serving institution of higher education, an American Indian tribal college or university, or another institution of higher education whose minority student enrollment is at least 50 percent.

``(c) DEMONSTRATION.—In awarding grants, or entering into contracts or cooperative agreements under titles I, II, III, VI, and VII, and section 509, the Commissioner and the Director, in appropriate cases, shall require applicants to demonstrate how the applicants will address, in whole or in part, the needs of individuals with disabilities from minority backgrounds.”.

``SEC. 100. DECLARATION OF POLICY; AUTHORIZATION OF APPROPRIATIONS.

``(a) FINDINGS; PURPOSE; POLICY.—
``(1) FINDINGS.—Congress finds that—
``(A) work—
``(i) is a valued activity, both for individuals and society; and
``(ii) fulfills the need of an individual to be productive, promotes independence, enhances self-esteem, and allows for participation in the mainstream of life in the United States;
``(B) as a group, individuals with disabilities experience staggering levels of unemployment and poverty;
``(C) individuals with disabilities, including individuals with the most significant disabilities, have demonstrated
their ability to achieve gainful employment in integrated settings if appropriate services and supports are provided;

“(D) reasons for significant numbers of individuals with disabilities not working, or working at levels not commensurate with their abilities and capabilities, include—

“(i) discrimination;
“(ii) lack of accessible and available transportation;
“(iii) fear of losing health coverage under the medicare and medicaid programs carried out under titles XVIII and XIX of the Social Security Act (42 U.S.C. 1395 et seq. and 1396 et seq.) or fear of losing private health insurance; and
“(iv) lack of education, training, and supports to meet job qualification standards necessary to secure, retain, regain, or advance in employment;

“(F) the provision of workforce investment activities and vocational rehabilitation services can enable individuals with disabilities, including individuals with the most significant disabilities, to pursue meaningful careers by securing gainful employment commensurate with their abilities and capabilities; and

“(G) linkages between the vocational rehabilitation programs established under this title and other components of the statewide workforce investment systems are critical to ensure effective and meaningful participation by individuals with disabilities in workforce investment activities.

“(2) PURPOSE.—The purpose of this title is to assist States in operating statewide comprehensive, coordinated, effective, efficient, and accountable programs of vocational rehabilitation, each of which is—

“(A) an integral part of a statewide workforce investment system; and

“(3) POLICY.—It is the policy of the United States that such a program shall be carried out in a manner consistent with the following principles:

“(A) Individuals with disabilities, including individuals with the most significant disabilities, are generally presumed to be capable of engaging in gainful employment and the provision of individualized vocational rehabilitation services can improve their ability to become gainfully employed.

“(B) Individuals with disabilities must be provided the opportunities to obtain gainful employment in integrated settings.

“(C) Individuals who are applicants for such programs or eligible to participate in such programs must be active
and full partners in the vocational rehabilitation process, making meaningful and informed choices—

“(i) during assessments for determining eligibility and vocational rehabilitation needs; and

“(ii) in the selection of employment outcomes for the individuals, services needed to achieve the outcomes, entities providing such services, and the methods used to secure such services.

“(D) Families and other natural supports can play important roles in the success of a vocational rehabilitation program, if the individual with a disability involved requests, desires, or needs such supports.

“(E) Vocational rehabilitation counselors that are trained and prepared in accordance with State policies and procedures as described in section 101(a)(7)(B) (referred to individually in this title as a ‘qualified vocational rehabilitation counselor’), other qualified rehabilitation personnel, and other qualified personnel facilitate the accomplishment of the employment outcomes and objectives of an individual.

“(F) Individuals with disabilities and the individuals’ representatives are full partners in a vocational rehabilitation program and must be involved on a regular basis and in a meaningful manner with respect to policy development and implementation.

“(G) Accountability measures must facilitate the accomplishment of the goals and objectives of the program, including providing vocational rehabilitation services to, among others, individuals with the most significant disabilities.

“(b) Authorization of Appropriations.—

“(1) in general.—For the purpose of making grants to States under part B to assist States in meeting the costs of vocational rehabilitation services provided in accordance with State plans under section 101, there are authorized to be appropriated such sums as may be necessary for fiscal years 1999 through 2003, except that the amount to be appropriated for a fiscal year shall not be less than the amount of the appropriation under this paragraph for the immediately preceding fiscal year, increased by the percentage change in the Consumer Price Index determined under subsection (c) for the immediately preceding fiscal year.

“(2) Reference.—The reference in paragraph (1) to grants to States under part B shall not be considered to refer to grants under section 112.

“(c) Consumer Price Index.—

“(1) percentage change.—No later than November 15 of each fiscal year (beginning with fiscal year 1979), the Secretary of Labor shall publish in the Federal Register the percentage change in the Consumer Price Index published for October of the preceding fiscal year and October of the fiscal year in which such publication is made.

“(2) application.—

“(A) increase.—If in any fiscal year the percentage change published under paragraph (1) indicates an increase in the Consumer Price Index, then the amount to be appropriated under subsection (b)(1) for the subsequent fiscal
year shall be at least the amount appropriated under subsection (b)(1) for the fiscal year in which the publication is made under paragraph (1) increased by such percentage change.

“(B) NO INCREASE OR DECREASE.—If in any fiscal year the percentage change published under paragraph (1) does not indicate an increase in the Consumer Price Index, then the amount to be appropriated under subsection (b)(1) for the subsequent fiscal year shall be at least the amount appropriated under subsection (b)(1) for the fiscal year in which the publication is made under paragraph (1).

“(ii) of the duration of the program authorized by the State grant program under part B of this title; has passed legislation which would have the effect of extending the authorization or duration (as the case may be) of such program, such authorization or duration is automatically extended for 1 additional year for the program authorized by this title.

“(B) CALCULATION.—The amount authorized to be appropriated for the additional fiscal year described in subparagraph (A) shall be an amount equal to the amount appropriated for such program for fiscal year 2003, increased by the percentage change in the Consumer Price Index determined under subsection (c) for the immediately preceding fiscal year, if the percentage change indicates an increase.

“(2) CONSTRUCTION.—

“(A) PASSAGE OF LEGISLATION.—For the purposes of paragraph (1)(A), Congress shall not be deemed to have passed legislation unless such legislation becomes law.

“(B) ACTS OR DETERMINATIONS OF COMMISSIONER.—In any case where the Commissioner is required under an applicable statute to carry out certain acts or make certain determinations which are necessary for the continuation of the program authorized by this title, if such acts or determinations are required during the terminal year of such program, such acts and determinations shall be required during any fiscal year in which the extension described in that part of paragraph (1) that follows clause (ii) of paragraph (1)(A) is in effect.

“SEC. 101. STATE PLANS.

“(a) PLAN REQUIREMENTS.—

“(1) IN GENERAL.—
“(A) Submission.—To be eligible to participate in programs under this title, a State shall submit to the Commissioner a State plan for vocational rehabilitation services that meets the requirements of this section, on the same date that the State submits a State plan under section 112 of the Workforce Investment Act of 1998.

“(B) Nonduplication.—The State shall not be required to submit, in the State plan for vocational rehabilitation services, policies, procedures, or descriptions required under this title that have been previously submitted to the Commissioner and that demonstrate that such State meets the requirements of this title, including any policies, procedures, or descriptions submitted under this title as in effect on the day before the effective date of the Rehabilitation Act Amendments of 1998.

“(C) Duration.—The State plan shall remain in effect subject to the submission of such modifications as the State determines to be necessary or as the Commissioner may require based on a change in State policy, a change in Federal law (including regulations), an interpretation of this Act by a Federal court or the highest court of the State, or a finding by the Commissioner of State noncompliance with the requirements of this Act, until the State submits and receives approval of a new State plan.

“(2) Designated State Agency; Designated State Unit.—

“(A) Designated State Agency.—The State plan shall designate a State agency as the sole State agency to administer the plan, or to supervise the administration of the plan by a local agency, except that—

“(i) where, under State law, the State agency for individuals who are blind or another agency that provides assistance or services to adults who are blind is authorized to provide vocational rehabilitation services to individuals who are blind, that agency may be designated as the sole State agency to administer the part of the plan under which vocational rehabilitation services are provided for individuals who are blind (or to supervise the administration of such part by a local agency) and a separate State agency may be designated as the sole State agency to administer or supervise the administration of the rest of the State plan;

“(ii) the Commissioner, on the request of a State, may authorize the designated State agency to share funding and administrative responsibility with another agency of the State or with a local agency in order to permit the agencies to carry out a joint program to provide services to individuals with disabilities, and may waive compliance, with respect to vocational rehabilitation services furnished under the joint program, with the requirement of paragraph (4) that the plan be in effect in all political subdivisions of the State; and

“(A) in the case of any activity that, in the judgment of the Commissioner, is likely to assist in promoting the vocational rehabilitation of substantially larger numbers of individuals with disabilities or groups of individuals with disabilities, the Commissioner may waive compliance with the requirement that the plan be in effect in all political subdivisions of the State to the extent and for such period as may be provided in accordance with regulations prescribed by the Commissioner, but only if the non-Federal share of the cost of the vocational rehabilitation services involved is met from funds made available by a local agency (including funds contributed to such agency by a private agency, organization, or individual); and

“(B) in a case in which earmarked funds are used toward the non-Federal share and such funds are earmarked for particular geographic areas within the State,
the earmarked funds may be used in such areas if the State notifies the Commissioner that the State cannot provide the full non-Federal share without such funds.

“(5) ORDER OF SELECTION FOR VOCATIONAL REHABILITATION SERVICES.—In the event that vocational rehabilitation services cannot be provided to all eligible individuals with disabilities in the State who apply for the services, the State plan shall—

“(4) AREAS OF INQUIRY.—In conducting the review and monitoring, the Commissioner shall examine—
“(A) the eligibility process; “(B) the provision of services, including, if applicable, the order of selection; “(C) such other areas as may be identified by the public or through meetings with the State Rehabilitation Council, if the State has such a Council or with the commission described in section 101(a)(21)(A)(i), if the State has such a commission; and “(D) such other areas of inquiry as the Commissioner may consider appropriate.
“(5) REPORTS.—If the Commissioner issues a report detailing the findings of an annual review or onsite monitoring conducted under this section, the report shall be made available to the State Rehabilitation Council, if the State has such a Council, for use in the development and modification of the State plan described in section 101.
“(b) TECHNICAL ASSISTANCE.—The Commissioner shall—
“(1) provide technical assistance to programs under this title regarding improving the quality of vocational rehabilitation services provided; and “(2) provide technical assistance and establish a corrective action plan for a program under this title if the Commissioner finds that the program fails to comply substantially with the provisions of the State plan, or with evaluation standards or performance indicators established under section 106, in order to ensure that such failure is corrected as soon as practicable.
“(c) FAILURE TO COMPLY WITH PLAN.—
“(1) WITHHOLDING PAYMENTS.—Whenever the Commissioner, after providing reasonable notice and an opportunity for a hearing to the State agency administering or supervising the administration of the State plan approved under section 101, finds that—
“(A) the plan has been so changed that it no longer complies with the requirements of section 101(a); or “(B) in the administration of the plan there is a failure to comply substantially with any provision of such plan or with an evaluation standard or performance indicator established under section 106,
the Commissioner shall notify such State agency that no further payments will be made to the State under this title (or, in the discretion of the Commissioner, that such further payments will be reduced, in accordance with regulations the Commissioner shall prescribe, or that further payments will not be made to the State only for the projects under the parts of the State plan affected by such failure), until the Commissioner is satisfied there is no longer any such failure.

“(2) Period.—Until the Commissioner is so satisfied, the Commissioner shall make no further payments to such State under this title (or shall reduce payments or limit payments to projects under those parts of the State plan in which there is no such failure).

“(3) Disbursement of Withheld Funds.—The Commissioner may, in accordance with regulations the Secretary shall prescribe, disburse any funds withheld from a State under paragraph (1) to any public or nonprofit private organization or agency within such State or to any political subdivision of such State submitting a plan meeting the requirements of section 101(a). The Commissioner may not make any payment under this paragraph unless the entity to which such payment is made has provided assurances to the Commissioner that such entity will contribute, for purposes of carrying out such plan, the same amount as the State would have been obligated to contribute if the State received such payment.

“(d) Review.—

“(1) Petition.—Any State that is dissatisfied with a final determination of the Commissioner under section 101(b) or subsection (c) may file a petition for judicial review of such determination in the United States Court of Appeals for the circuit in which the State is located. Such a petition may be filed only within the 30-day period beginning on the date that notice of such final determination was received by the State. The clerk of the court shall transmit a copy of the petition to the Commissioner or to any officer designated by the Commissioner for that purpose. In accordance with section 2112 of title 28, United States Code, the Commissioner shall file with the court a record of the proceeding on which the Commissioner based the determination being appealed by the State. Until a record is so filed, the Commissioner may modify or set aside any determination made under such proceedings.

“(2) Submissions and Determinations.—If, in an action under this subsection to review a final determination of the Commissioner under section 101(b) or subsection (c), the petitioner or the Commissioner applies to the court for leave to have additional oral submissions or written presentations made respecting such determination, the court may, for good cause shown, order the Commissioner to provide within 30 days an additional opportunity to make such submissions and presentations. Within such period, the Commissioner may revise any findings of fact, modify or set aside the determination being reviewed, or make a new determination by reason of the additional submissions and presentations, and shall file such modified or new determination, and any revised findings of fact, with the return of such submissions and presentations. The court shall thereafter review such new or modified determination.
``(3) STANDARDS OF REVIEW.—

``(A) IN GENERAL.—Upon the filing of a petition under paragraph (1) for judicial review of a determination, the court shall have jurisdiction—

``(ii) except as otherwise provided in subparagraph (B), to review such determination in accordance with chapter 7 of title 5, United States Code.

``(B) SUBSTANTIAL EVIDENCE.—Section 706 of title 5, United States Code, shall apply to the review of any determination under this subsection, except that the standard for review prescribed by paragraph (2)(E) of such section 706 shall not apply and the court shall hold unlawful and set aside such determination if the court finds that the determination is not supported by substantial evidence in the record of the proceeding submitted pursuant to paragraph (1), as supplemented by any additional submissions and presentations filed under paragraph (2).

``SEC. 108. EXPENDITURE OF CERTAIN AMOUNTS.

``(a) EXPENDITURE.—Amounts described in subsection (b) may not be expended by a State for any purpose other than carrying out programs for which the State receives financial assistance under this title, under part B of title VI, or under title VII.

``PART B—BASIC VOCATIONAL REHABILITATION SERVICES

``SEC. 110. STATE ALLOTMENTS.

``(a)(1) Subject to the provisions of subsection (c), for each fiscal year beginning before October 1, 1978, each State shall be entitled to an allotment of an amount bearing the same ratio to the amount authorized to be appropriated under section 100(b)(1) for allotment under this section as the product of—

``(A) the population of the State; and

``(B) the square of its allotment percentage,

bears to the sum of the corresponding products for all the States.

``(2)(A) For each fiscal year beginning on or after October 1, 1978, each State shall be entitled to an allotment in an amount equal to the amount such State received under paragraph (1) for the fiscal year ending September 30, 1978, and an additional amount determined pursuant to subparagraph (B) of this paragraph.
“(B) For each fiscal year beginning on or after October 1, 1978, each State shall be entitled to an allotment, from any amount authorized to be appropriated for such fiscal year under section 100(b)(1) for allotment under this section in excess of the amount appropriated under section 100(b)(1)(A) for the fiscal year ending September 30, 1978, in an amount equal to the sum of—

```
(i) an amount bearing the same ratio to 50 percent of such excess amount as the product of the population of the State and the square of its allotment percentage bears to the sum of the corresponding products for all the States; and
```
```
(ii) an amount bearing the same ratio to 50 percent of such excess amount as the product of the population of the State and its allotment percentage bears to the sum of the corresponding products for all the States.
```

“(3) The sum of the payment to any State (other than Guam, American Samoa, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands) under this subsection for any fiscal year which is less than 1/3 of 1 percent of the amount appropriated under section 100(b)(1), or $3,000,000, whichever is greater, shall be increased to that amount, the total of the increases thereby required being derived by proportionately reducing the allotment to each of the remaining such States under this subsection, but with such adjustments as may be necessary to prevent the sum of the allotments made under this subsection to any such remaining State from being thereby reduced to less than that amount.

“(b)(1) Not later than 45 days prior to the end of the fiscal year, the Commissioner shall determine, after reasonable opportunity for the submission to the Commissioner of comments by the State agency administering or supervising the program established under this title, that any payment of an allotment to a State under section 111(a) for any fiscal year will not be utilized by such State in carrying out the purposes of this title.

“(2) As soon as practicable but not later than the end of the fiscal year, the Commissioner shall make such amount available for carrying out the purposes of this title to one or more other States to the extent the Commissioner determines such other State will be able to use such additional amount during that fiscal year or the subsequent fiscal year for carrying out such purposes. The Commissioner shall make such amount available only if such other State will be able to make sufficient payments from non-Federal sources to pay for the non-Federal share of the cost of vocational rehabilitation services under the State plan for the fiscal year for which the amount was appropriated.

“(3) For the purposes of this part, any amount made available to a State for any fiscal year pursuant to this subsection shall be regarded as an increase of such State’s allotment (as determined under the preceding provisions of this section) for such year.

“(c)(1) For fiscal year 1987 and for each subsequent fiscal year, the Commissioner shall reserve from the amount appropriated under section 100(b)(1) for allotment under this section a sum, determined under paragraph (2), to carry out the purposes of part C.

“(2) The sum referred to in paragraph (1) shall be, as determined by the Secretary—

```
(A) not less than three-quarters of 1 percent and not more than 1.5 percent of the amount referred to in paragraph (1), for fiscal year 1999; and
```
“(B) not less than 1 percent and not more than 1.5 percent of the amount referred to in paragraph (1), for each of fiscal years 2000 through 2003.

“SEC. 111. PAYMENTS TO STATES.

“(a)(1) Except as provided in paragraph (2), from each State’s allotment under this part for any fiscal year, the Commissioner shall pay to a State an amount equal to the Federal share of the cost of vocational rehabilitation services under the plan for that State approved under section 101, including expenditures for the administration of the State plan.

“(2)(A) The total of payments under paragraph (1) to a State for a fiscal year may not exceed its allotment under subsection (a) of section 110 for such year.

“(B) For fiscal year 1994 and each fiscal year thereafter, the amount otherwise payable to a State for a fiscal year under this section shall be reduced by the amount by which expenditures from non-Federal sources under the State plan under this title for the previous fiscal year are less than the total of such expenditures for the second fiscal year preceding the previous fiscal year.

“(C) The Commissioner may waive or modify any requirement or limitation under subparagraph (B) or section 101(a)(17) if the Commissioner determines that a waiver or modification is an equitable response to exceptional or uncontrollable circumstances affecting the State.

“(3)(A) Except as provided in subparagraph (B), the amount of a payment under this section with respect to any construction project in any State shall be equal to the same percentage of the cost of such project as the Federal share that is applicable in the case of rehabilitation facilities (as defined in section 645(g) of the Public Health Service Act (42 U.S.C. 291o(a))), in such State.

“(B) If the Federal share with respect to rehabilitation facilities in such State is determined pursuant to section 645(b)(2) of such Act (42 U.S.C. 291o(b)(2)), the percentage of the cost for purposes of this section shall be determined in accordance with regulations prescribed by the Commissioner designed to achieve as nearly as practicable results comparable to the results obtained under such section.

“(b) The method of computing and paying amounts pursuant to subsection (a) shall be as follows:

“(1) The Commissioner shall, prior to the beginning of each calendar quarter or other period prescribed by the Commissioner, estimate the amount to be paid to each State under the provisions of such subsection for such period, such estimate to be based on such records of the State and information furnished by it, and such other investigation as the Commissioner may find necessary.

“(2) The Commissioner shall pay, from the allotment available therefor, the amount so estimated by the Commissioner for such period, reduced or increased, as the case may be, by any sum (not previously adjusted under this paragraph) by which the Commissioner finds that the estimate of the amount to be paid the State for any prior period under such subsection was greater or less than the amount which should have been paid to the State for such prior period under such subsection. Such payment shall be made prior to audit or
settlement by the General Accounting Office, shall be made through the disbursing facilities of the Treasury Department, and shall be made in such installments as the Commissioner may determine.  

"SEC. 112. CLIENT ASSISTANCE PROGRAM.  

(a) From funds appropriated under subsection (h), the Secretary shall, in accordance with this section, make grants to States to establish and carry out client assistance programs to provide assistance in informing and advising all clients and client applicants of all available benefits under this Act, and, upon request of such clients or client applicants, to assist and advocate for such clients or applicants in their relationships with projects, programs, and services provided under this Act, including assistance and advocacy in pursuing legal, administrative, or other appropriate remedies to ensure the protection of the rights of such individuals under this Act and to facilitate access to the services funded under this Act through individual and systemic advocacy. The client assistance program shall provide information on the available services and benefits under this Act and title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) to individuals with disabilities in the State, especially with regard to individuals with disabilities who have traditionally been unserved or underserved by vocational rehabilitation programs. In providing assistance and advocacy under this subsection with respect to services under this title, a client assistance program may provide the assistance and advocacy with respect to services that are directly related to facilitating the employment of the individual.  

(b) No State may receive payments from its allotment under this Act in any fiscal year unless the State has in effect not later than October 1, 1984, a client assistance program which—  

(1) has the authority to pursue legal, administrative, and other appropriate remedies to ensure the protection of rights of individuals with disabilities who are receiving treatments, services, or rehabilitation under this Act within the State; and  

(2) meets the requirements of designation under subsection (c).  

(c)(1)(A) The Governor shall designate a public or private agency to conduct the client assistance program under this section. Except as provided in the last sentence of this subparagraph, the Governor shall designate an agency which is independent of any agency which provides treatment, services, or rehabilitation to individuals under this Act. If there is an agency in the State which has, or had, prior to the date of enactment of the Rehabilitation Amendments of 1984, served as a client assistance agency under this section and which received Federal financial assistance under this Act, the Governor may, in the initial designation, designate an agency which provides treatment, services, or rehabilitation to individuals with disabilities under this Act.  

(B) The Governor may not redesignate the agency designated under subparagraph (A) without good cause and unless—  

(I) the Governor has given the agency 30 days notice of the intention to make such redesignation, including specification of the good cause for such redesignation and an opportunity to respond to the assertion that good cause has been shown;  

29 USC 732.
“(II) individuals with disabilities or the individuals’ representa- 
tives have timely notice of the redesignation and oppor-
tunity for public comment; and
“(III) the agency has the opportunity to appeal to the Commissi-
oner on the basis that the redesignation was not for good cause.
“(ii) If, after the date of enactment of the Rehabilitation Act
Amendments of 1998—
“(I) a designated State agency undergoes any change in
the organizational structure of the agency that results in the
creation of one or more new State agencies or departments
or results in the merger of the designated State agency with
one or more other State agencies or departments; and
“(II) an agency (including an office or other unit) within
the designated State agency was conducting a client assistance
program before the change under the last sentence of subpar-
agraph (A),
the Governor shall redesignate the agency conducting the program.
In conducting the redesignation, the Governor shall designate to
conduct the program an agency that is independent of any agency
that provides treatment, services, or rehabilitation to individuals
with disabilities under this Act.
“(2) In carrying out the provisions of this section, the Governor
shall consult with the director of the State vocational rehabilita-
tion agency, the head of the developmental disability protection
and advocacy agency, and with representatives of professional and con-
sumer organizations serving individuals with disabilities in the
State.
“(3) The agency designated under this subsection shall be
accountable for the proper use of funds made available to the
agency.
“(d) The agency designated under subsection (c) of this section
may not bring any class action in carrying out its responsibilities
under this section.
“(e)(1)(A) The Secretary shall allot the sums appropriated for
each fiscal year under this section among the States on the basis
of relative population of each State, except that no State shall
receive less than $50,000.
“(B) The Secretary shall allot $30,000 each to American Samoa,
Guam, the Virgin Islands, and the Commonwealth of the Northern
Mariana Islands.
“(C) For the purpose of this paragraph, the term ‘State’ does
not include American Samoa, Guam, the Virgin Islands, and the
Commonwealth of the Northern Mariana Islands.
“(D)(i) In any fiscal year that the funds appropriated for such
fiscal year exceed $7,500,000, the minimum allotment shall be
$100,000 for States and $45,000 for territories.
“(ii) For any fiscal year in which the total amount appropriated
under subsection (h) exceeds the total amount appropriated under
such subsection for the preceding fiscal year, the Secretary shall
increase each of the minimum allotments under clause (i) by a
percentage that shall not exceed the percentage increase in the
total amount appropriated under such subsection between the
preceding fiscal year and the fiscal year involved.
“(2) The amount of an allotment to a State for a fiscal year
which the Secretary determines will not be required by the State
during the period for which it is available for the purpose for
which allotted shall be available for reallocation by the Secretary at appropriate times to other States with respect to which such a determination has not been made, in proportion to the original allotments of such States for such fiscal year, but with such proportionate amount for any of such other States being reduced to the extent it exceeds the sum the Secretary estimates such State needs and will be able to use during such period, and the total of such reduction shall be similarly reallocated among the States whose proportionate amounts were not so reduced. Any such amount so reallocated to a State for a fiscal year shall be deemed to be a part of its allotment for such fiscal year.

“(3) Except as specifically prohibited by or as otherwise provided in State law, the Secretary shall pay to the agency designated under subsection (c) the amount specified in the application approved under subsection (f).

“(f) No grant may be made under this section unless the State submits an application to the Secretary at such time, in such manner, and containing or accompanied by such information as the Secretary deems necessary to meet the requirements of this section.

“(g) The Secretary shall prescribe regulations applicable to the client assistance program which shall include the following requirements:

“(1) No employees of such programs shall, while so employed, serve as staff or consultants of any rehabilitation project, program, or facility receiving assistance under this Act in the State.

“(2) Each program shall be afforded reasonable access to policymakers and administrative personnel in the State and local rehabilitation programs, projects, or facilities.

“(3)(A) Each program shall contain provisions designed to assure that to the maximum extent possible alternative means of dispute resolution are available for use at the discretion of an applicant or client of the program prior to resorting to litigation or formal adjudication to resolve a dispute arising under this section.

“(B) In subparagraph (A), the term ‘alternative means of dispute resolution’ means any procedure, including good faith negotiation, conciliation, facilitation, mediation, factfinding, and arbitration, and any combination of procedures, that is used in lieu of litigation in a court or formal adjudication in an administrative forum, to resolve a dispute arising under this section.

“(4) For purposes of any periodic audit, report, or evaluation of the performance of a client assistance program under this section, the Secretary shall not require such a program to disclose the identity of, or any other personally identifiable information related to, any individual requesting assistance under such program.

“(h) There are authorized to be appropriated such sums as may be necessary for fiscal years 1999 through 2003 to carry out the provisions of this section.
"SEC. 121. VOCATIONAL REHABILITATION SERVICES GRANTS.

(a) The Commissioner, in accordance with the provisions of this part, may make grants to the governing bodies of Indian tribes located on Federal and State reservations (and consortia of such governing bodies) to pay 90 percent of the costs of vocational rehabilitation services for American Indians who are individuals with disabilities residing on or near such reservations. The non-Federal share of such costs may be in cash or in kind, fairly valued, and the Commissioner may waive such non-Federal share requirement in order to carry out the purposes of this Act.

(b)(1) No grant may be made under this part for any fiscal year unless an application therefor has been submitted to and approved by the Commissioner. The Commissioner may not approve an application unless the application—

(A) is made at such time, in such manner, and contains such information as the Commissioner may require;

(B) contains assurances that the rehabilitation services provided under this part to American Indians who are individuals with disabilities residing on or near a reservation in a State shall be, to the maximum extent feasible, comparable to rehabilitation services provided under this title to other individuals with disabilities residing in the State and that, where appropriate, may include services traditionally used by Indian tribes; and

(C) contains assurances that the application was developed in consultation with the designated State unit of the State.

(2) The provisions of sections 5, 6, 7, and 102(a) of the Indian Self-Determination and Education Assistance Act shall be applicable to any application submitted under this part. For purposes of this paragraph, any reference in any such provision to the Secretary of Education or to the Secretary of the Interior shall be considered to be a reference to the Commissioner.

(3) Any application approved under this part shall be effective for not more than 60 months, except as determined otherwise by the Commissioner pursuant to prescribed regulations. The State shall continue to provide vocational rehabilitation services under its State plan to American Indians residing on or near a reservation whenever such State includes any such American Indians in its State population under section 110(a)(1).

(4) In making grants under this part, the Secretary shall give priority consideration to applications for the continuation of programs which have been funded under this part.

(5) Nothing in this section may be construed to authorize a separate service delivery system for Indian residents of a State who reside in non-reservation areas.

(c) The term 'reservation' includes Indian reservations, public domain Indian allotments, former Indian reservations in Oklahoma, and land held by incorporated Native groups, regional corporations, and village corporations under the provisions of the Alaska Native Claims Settlement Act.

"(B) MAINTENANCE OF 1992 AMOUNTS.—Subject to the availability of appropriations to carry out this part, the amount of any allotment made under subparagraph (A) to a State for a fiscal year shall not be less than the amount of financial assistance received by centers for independent living in the State for fiscal year 1992 under part B of this title, as in effect on the day before the date of enactment of the Rehabilitation Act Amendments of 1992.

"(C) MINIMUMS.—Subject to the availability of appropriations to carry out this part and except as provided in subparagraph (B), for a fiscal year in which the amounts appropriated to carry out this part exceed the amounts appropriated for fiscal year 1992 to carry out part B of

“(i) if such excess is not less than $8,000,000, the allotment to any State under subparagraph (A) shall be not less than $450,000 or \( \frac{1}{3} \) of 1 percent of the sums made available for the fiscal year for which the allotment is made, whichever is greater, and the allotment of any State under this section for any fiscal year that is less than $450,000 or \( \frac{1}{3} \) of 1 percent of such sums shall be increased to the greater of the 2 amounts;

“(ii) if such excess is not less than $4,000,000 and is less than $8,000,000, the allotment to any State under subparagraph (A) shall be not less than $400,000 or \( \frac{1}{3} \) of 1 percent of the sums made available for the fiscal year for which the allotment is made, whichever is greater, and the allotment of any State under this section for any fiscal year that is less than $400,000 or \( \frac{1}{3} \) of 1 percent of such sums shall be increased to the greater of the 2 amounts; and

“(4) PROPORTIONAL REDUCTION.—To provide allotments to States in accordance with paragraph (1)(B), to provide minimum allotments to States (as increased under paragraph (3)) under paragraph (1)(C), or to provide minimum allotments to States under paragraph (2)(B), the Commissioner shall proportionately reduce the allotments of the remaining States under paragraph (1)(A), with such adjustments as may be necessary to prevent the allotment of any such remaining State from being reduced to less than the amount required by paragraph (1)(B).

“(d) REALLOPMENT.—Whenever the Commissioner determines that any amount of an allotment to a State for any fiscal year will not be expended by such State for carrying out the provisions of this part, the Commissioner shall make such amount available for carrying out the provisions of this part to one or more of the States that the Commissioner determines will be able to use
additional amounts during such year for carrying out such provisions. Any amount made available to a State for any fiscal year pursuant to the preceding sentence shall, for the purposes of this section, be regarded as an increase in the allotment of the State (as determined under the preceding provisions of this section) for such year.

Each investment shall be made in an interest-bearing obligation of the United States Government, or an obligation that has its principal and interest guaranteed by the Government, that the Commission decides has a maturity suitable for the fund.

(4) The Commission shall separately account for all amounts deposited in and expended from the fund for each war memorial for which an arrangement for repair or long-term maintenance is made under subsection (c) of this section.

(e) DEMOLITION OF WAR MEMORIAL BUILT IN A FOREIGN COUNTRY AND DISPOSITION OF SITE.—The Commission may take necessary action to demolish any war memorial built outside the United States by a citizen of the United States, a State, a political subdivision of a State, a governmental authority (except a department, agency, or instrumentality of the United States Government), a foreign agency, or a private association and to dispose of the site of the memorial in a way the Commission decides is proper, if—

(2) The Chairman of the Commission shall deposit into the fund the amounts that are accepted under subsection (d) of this section. The Secretary of the Treasury shall credit to the fund the interest on, and the proceeds from the sale or redemption of, obligations held in the fund.

(3) The Secretary shall invest any part of the fund that the Chairman decides is not required to meet current expenses. Each investment shall be made in an interest-bearing obligation of the United States Government, or an obligation that has its principal and interest guaranteed by the Government, that the Chairman decides has a maturity suitable for the fund.

(4) Amounts in the fund exceeding the cost of carrying out this section, as decided by the Chairman, shall be deposited in the Treasury as miscellaneous receipts to reimburse the United States Government for amounts appropriated under subsection (g) of this section.

(g) Authorization of Appropriations.—There are authorized to be appropriated—

§ 2109. Foreign Currency Fluctuations Account

(a) Establishment and Purpose.—There is an account in the Treasury known as the “Foreign Currency Fluctuations, American Battle Monuments Commission, Account”. The Account shall be used to provide amounts, in addition to amounts appropriated for salaries and expenses of the Commission, to pay the cost of salaries and expenses that exceeds the amount appropriated for salaries and expenses because of fluctuations in currency exchange rates of foreign countries occurring after a budget request for the Commission is submitted to Congress. The Account may not be used for any other purpose.

(b) Increase in Permissible Obligations of Amounts.—A provision of law limiting the amounts the Commission may obligate in a fiscal year shall be increased to the extent necessary to reflect fluctuations in exchange rates from those used in preparing the budget submission.

(c) Transferred Amounts.—(1) Amounts in the Account may be transferred to amounts appropriated for salaries and expenses of the Commission. Transferred amounts shall be merged with, and are available for the same time period as, the appropriation to which they are applied.

(2) Amounts transferred from the Account may be transferred back—

   (A) if the amounts are not needed to pay obligations incurred because of fluctuations in currency exchange rates of foreign countries in the appropriation to which the amounts were originally transferred; or

   (B) because of subsequent favorable fluctuations in the rates or because other amounts are, or become, available to pay the obligations.

(3) Amounts transferred to an appropriation under this subsection may not be transferred back to the Account after the end of the 2d fiscal year after the fiscal year in which the appropriation was available for obligation.

(d) Recording of Obligations and Fluctuations in Exchange Rates.—An obligation of the Commission payable in the currency of a foreign country may be recorded as an obligation based on exchange rates used in preparing a budget submission. A change reflecting fluctuations in exchange rates may be recorded as a disbursement is made.

(e) Unobligated Balances.—The unobligated balance of an appropriation for salaries and expenses may be transferred to the Account not later than the end of the second fiscal year following the fiscal year for which the appropriation was made. The unobligated balance shall be merged with, and be available for the same period and purposes as, the Account.

(f) Annual Report.—The Commission each year shall submit to the appropriate committees of Congress a report on amounts transferred under this section.

However, the Secretary of the Army may appoint an officer or employee of the Commission to a claims commission or as an officer to approve settlements of claims made by the claims commission. All payments in settlement of a claim shall be made out of appropriations made to carry out this chapter.

When not in uniform men should remove their headdress with their right hand and hold it at the left shoulder, the hand being over the heart. Persons in uniform should remain silent, face the flag, and render the military salute.

§ 5. Display and use of flag by civilians; codification of rules and customs; definition

The following codification of existing rules and customs pertaining to the display and use of the flag of the United States of America is established for the use of such civilians or civilian groups or organizations as may not be required to conform with regulations promulgated by one or more executive departments of the Government of the United States. The flag of the United States for the purpose of this chapter shall be defined according to sections 1 and 2 of this title and Executive Order 10834 issued pursuant thereto.

§ 6. Time and occasions for display

(a) It is the universal custom to display the flag only from sunrise to sunset on buildings and on stationary flagstaffs in the open. However, when a patriotic effect is desired, the flag may be displayed 24 hours a day if properly illuminated during the hours of darkness.

(b) The flag should be hoisted briskly and lowered ceremoniously.

(c) The flag should not be displayed on days when the weather is inclement, except when an all weather flag is displayed.

"(e) The flag should be displayed daily on or near the main administration building of every public institution.

"(f) The flag should be displayed in or near every polling place on election days.

"(g) The flag should be displayed during school days in or near every schoolhouse.

"§ 7. Position and manner of display

"The flag, when carried in a procession with another flag or flags, should be either on the marching right; that is, the flag's own right, or, if there is a line of other flags, in front of the center of that line.

"(a) The flag should not be displayed on a float in a parade except from a staff, or as provided in subsection (i) of this section.

"(b) The flag should not be draped over the hood, top, sides, or back of a vehicle or of a railroad train or a boat. When the flag is displayed on a motorcar, the staff shall be fixed firmly to the chassis or clamped to the right fender.

"(c) No other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States of America, except during church services conducted by naval chaplains at sea, when the church pennant may be flown above the flag during church services for the personnel of the Navy. No person shall display the flag of the United Nations or any other national or international flag equal, above, or in a position of superior prominence or honor to, or in place of, the flag of the United States at any place within the United States or any Territory or possession thereof: Provided, That nothing in this section shall make unlawful the continuance of the practice heretofore followed of displaying the flag of the United Nations in a position of superior prominence or honor, and other national flags in positions of equal prominence or honor, with that of the flag of the United States at the headquarters of the United Nations.

"(d) The flag of the United States of America, when it is displayed with another flag against a wall from crossed staffs, should be on the right, the flag's own right, and its staff should be in front of the staff of the other flag.

When the flags are flown from adjacent staffs, the flag of the United States should be hoisted first and lowered last. No such flag or pennant may be placed above the flag of the United States or to the United States flag's right.

"(g) When flags of two or more nations are displayed, they are to be flown from separate staffs of the same height. International usage forbids the display of the flag of one nation above that of another nation in time of peace.

"(h) When the flag of the United States is displayed from a staff projecting horizontally or at an angle from the window
sill, balcony, or front of a building, the union of the flag should be placed at the peak of the staff unless the flag is at half-staff. When the flag is suspended over a sidewalk from a rope extending from a house to a pole at the edge of the sidewalk, the flag should be hoisted out, union first, from the building.

“(i) When displayed either horizontally or vertically against a wall, the union should be uppermost and to the flag’s own right, that is, to the observer’s left. “(k) When used on a speaker’s platform, the flag, if displayed flat, should be displayed above and behind the speaker. When displayed from a staff in a church or public auditorium, the flag of the United States of America should hold the position of superior prominence, in advance of the audience, and in the position of honor at the clergymen’s or speaker’s right as he faces the audience. Any other flag so displayed should be placed on the left of the clergymen or speaker or to the right of the audience.

“(l) The flag should form a distinctive feature of the ceremony of unveiling a statue or monument, but it should never be used as the covering for the statue or monument.

“(m) The flag, when flown at half-staff, should be first hoisted to the peak for an instant and then lowered to the half-staff position. The flag should be again raised to the peak before it is lowered for the day. On Memorial Day the flag should be displayed at half-staff until noon only, then raised to the top of the staff. By order of the President, the flag shall be flown at half-staff upon the death of principal figures of the United States Government and the Governor of a State, territory, or possession, as a mark of respect to their memory. In the event of the death of other officials or foreign dignitaries, the flag is to be displayed at half-staff according to Presidential instructions or orders, or in accordance with recognized customs or practices not inconsistent with law. In the event of the death of a present or former official of the government of any State, territory, or possession of the United States, the Governor of that State, territory, or possession may proclaim that the National flag shall be flown at half-staff. The flag shall be flown at half-staff 30 days from the death of the President or a former President; 10 days from the day of death of the Vice President, the Chief Justice or a retired Chief Justice of the United States, or the Speaker of the House of Representatives; from the day of death until interment of an Associate Justice of the Supreme Court, a Secretary of an executive or military department, a former Vice President, or the Governor of a State, territory, or possession; and on the day of death and the following day for a Member of Congress. “(3) the term ‘Member of Congress’ means a Senator, a Representative, a Delegate, or the Resident Commissioner from Puerto Rico.

“(n) When the flag is used to cover a casket, it should be so placed that the union is at the head and over the left shoulder. The flag should not be lowered into the grave or allowed to touch the ground.

“(o) When the flag is suspended across a corridor or lobby in a building with only one main entrance, it should be suspended vertically with the union of the flag to the observer’s left upon entering. If the building has more than one main entrance, the flag should be suspended vertically near the center of the corridor or lobby with the union to the north, when entrances are to the east and west or to the east when entrances are to the north and south. If there are entrances in more than two directions, the union should be to the east.

“§ 8. Respect for flag

“No disrespect should be shown to the flag of the United States of America; the flag should not be dipped to any person or thing. Regimental colors, State flags, and organization or institutional flags are to be dipped as a mark of honor.

“(a) The flag should never be displayed with the union down, except as a signal of dire distress in instances of extreme danger to life or property.

“(b) The flag should never touch anything beneath it, such as the ground, the floor, water, or merchandise.

“(c) The flag should never be carried flat or horizontally, but always aloft and free.

“(d) The flag should never be used as wearing apparel, bedding, or drapery. It should never be festooned, drawn back, nor up, in folds, but always allowed to fall free. Bunting of blue, white, and red, always arranged with the blue above, the white in the middle, and the red below, should be used for covering a speaker’s desk, draping the front of the platform, and for decoration in general.

“(e) The flag should never be fastened, displayed, used, or stored in such a manner as to permit it to be easily torn, soiled, or damaged in any way.

“(f) The flag should never be used as a covering for a ceiling.

“(g) The flag should never have placed upon it, nor on any part of it, nor attached to it any mark, insignia, letter, word, figure, design, picture, or drawing of any nature.

“(h) The flag should never be used as a receptacle for receiving, holding, carrying, or delivering anything.

“(i) The flag should never be used for advertising purposes in any manner whatsoever. It should not be embroidered on such articles as cushions or handkerchiefs and the like, printed or otherwise impressed on paper napkins or boxes or anything that is designed for temporary use and discard. Advertising signs should not be fastened to a staff or halyard from which the flag is flown.

“(j) No part of the flag should ever be used as a costume or athletic uniform. However, a flag patch may be affixed to the uniform of military personnel, firemen, policemen, and members
of patriotic organizations. The flag represents a living country and is itself considered a living thing. Therefore, the lapel flag pin being a replica, should be worn on the left lapel near the heart.

“(k) The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.

“§ 9. Conduct during hoisting, lowering or passing of flag

“During the ceremony of hoisting or lowering the flag or when the flag is passing in a parade or in review, all persons present except those in uniform should face the flag and stand at attention with the right hand over the heart. Those present in uniform should render the military salute. When not in uniform, men should remove their headdress with their right hand and hold it at the left shoulder, the hand being over the heart. Aliens should stand at attention. The salute to the flag in a moving column should be rendered at the moment the flag passes.

“§ 10. Modification of rules and customs by President

SEC. 5. LEGISLATIVE PURPOSE AND CONSTRUCTION.

   (a) NO SUBSTANTIVE CHANGE.—Sections 1 and 2 of this Act restate, without substantive change, laws enacted before August 16, 1997, that were replaced by those sections. Those sections may not be construed as making a substantive change in the laws replaced. Laws enacted after August 15, 1997, that are inconsistent with this Act supersede this Act to the extent of the inconsistency.
   (b) REFERENCES.—A reference to a law replaced by section 1 or 2 of this Act, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding provision enacted by this Act.
   (c) CONTINUING EFFECT.—An order, rule, or regulation in effect under a law replaced by section 1 or 2 of this Act continues in effect under the corresponding provision enacted by this Act until repealed, amended, or superseded.
   (d) ACTIONS AND OFFENSES UNDER PRIOR LAW.—An action taken or an offense committed under a law replaced by section 1 or 2 of this Act is deemed to have been taken or committed under the corresponding provision enacted by this Act.
   (e) INFERENCE.—An inference of a legislative construction is not to be drawn by reason of the location in the United States Code of a provision enacted by this Act or by reason of a caption or catch line of the provision.
   (f) SEVERABILITY.—If a provision enacted by this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.

SEC. 6. REPEALS.

   (a) INFERENCE OF REPEAL.—The repeal of a law by this Act may not be construed as a legislative inference that the provision was or was not in effect before its repeal.
   (b) REPEALER SCHEDULE.—The laws specified in the following schedule are repealed, except for rights and duties that matured, penalties that were incurred, and proceedings that were begun before the date of enactment of this Act:
